I'd always heard the old saying about being "busier than a cranberry merchant" but now I can understand how come those folks keep on the run.

Reckon that the Department of Health, Welfare and Scare has to keep someone all shook up all the time however, in order to keep their jobs.

Personally, we figure that most of the scare was hogwash, like most of the crud which filters out of the nation's capitol all the time.

Speaking of filters, man alive, if someone could devise a filter on a cigarette which is half as effective as government red tape as far as slowing down things they would really have it made.

Tracks led us duck hunting for the first time this season, and got us in the doghouse to boot, last week.

As the McReynolds family moved from the country back into town last Thursday we passed a lake on which stood about 20 to 30 big Canadian geese.

Well, as soon as I got the car unloaded and dug through the junk to find the shotgun and shells off to the lake I sped.

Without going into much detail, the hunt was unsuccessful and to top it off we sorta got our reputation for saneness blackened a little bit more in the offing.

The lake was close by a road and while crawling down the bar

ditch to the lake a school bus passed and all the kids had to hollar.

Later Geneva Floyd asked her mother, June Floyd -- our society editor -- if Dave had gone nuts -- "He was out there in front of the house crawling around a field with a shotgun."

Such is the life of a goose hunter.

Too -- later on we had a chance to sneak off again and this time did fell a couple of ducks, although no geese were to be had.

But -- the season has just gotten underway for us.

Our friend up at Friana Battery and Electric, Johnny Wilson bagged his first goose of the season Saturday afternoon. And, we hear that other lucky hunters include Glenn Don (Bush) Hughes who has bagged a couple of the birds already this year.

Well, this is the last week in the Cotton Bowl Football Contest and it looks as if Martell LeVeque is going to be the lucky winner of two tickets and an all-expense paid trip down to Big D this New Years.

Tracks wants to take this opportunity to thank all the contestants who have entered the contest this year, we hope that you've enjoyed the contest as much as we have.

If you didn't win this year, well sharpen up your wits for another football season will be coming 'round fore long.

HUMAN NATURE

Things were quiet at the police station. One officer yawned and complained: "What a dull week! No burglaries, no fights, no murders. If it keeps up, they'll be laying us off."

"Don't worry, Murphy," said the chief. "Something's bound to happen. I've still got faith in human nature."

Shop Special Christmas Section

Included in this issue of The Star is a section with special Christmas merchandise which is on the shelves ready for your selection in Friana.

In order that this important sales message may reach all residents of the county this issue of The Star is being sent to every rural and local boxholder in Parmer County.

Take advantage of these early Christmas shopping bargains in Friana.

Gun Club Gives 27 Turkeys

Friana Gun Club's first Turkey Shoot which was held at the Gun Range this weekend and had a good turnout according to Danny Bainum, club secretary.

A total of 27 turkeys were given to participants.

The shoot, which was held at the range located one mile west, and two miles north of Friana, was a two-day affair with shooting beginning at 2 p. m. Saturday and Sunday afternoons.

Another shoot will be held during the Christmas holidays, according to club members. The exact dates haven't been announced as yet but notice will be carried in The Star when this event has been set.

"We want to thank all those who participated and made the shooting a success," says Bainum.

The gun club is a new organization and is now affiliated with the National Rifle Association and meets regularly in the Community Room of the Friana State Bank.

PTA Hears Dr. Mann

Attendance at the Thursday evening meeting of the local PTA organization was unusually good. Guest speaker for the evening was Dr. Eugene Mann, public relations director of Eastern New Mexico University at Portales.

A program under the direction of Third grade pupils under the direction of Miss Jo Phillips and Mrs. June Rhodes presented a program preceeding Dr. Mann's talk.

Dr. Mann stressed the importance of parents, teachers and other residents of any community working together for the benefit of the schools, churches and community as a whole.

NO LIONS MEETING SLATED

Members of the Friana Lions Club are notified that the regularly scheduled meeting for this month will not be held as the date falls on Thanksgiving Day.

In order that members may spend time at home with their families the club will not meet again until the next regular meeting which will be December 10.

SCHOOL HOLIDAYS BEGIN

All students of Friana schools will be dismissed at 3 p. m. today for Thanksgiving holidays and will not report for classes again until Monday. Busses will run at 3 p. m. instead of 4 p. m. and all parents desiring to pick their children up may do so at 3 p. m.

Gala Christmas Season

Beginning with the arrival of Santa Claus in Friana Saturday, December 5, Friana will be all "dolled up" and have all the welcome mats out for the coming Holiday Season, according to Bill Nichols, president of the Friana Chamber of Commerce & Agriculture.

Several programs of entertainment are planned downtown for the holidays and this year store owners and homeowners will be offered a prize for the best decorated store or home.

Homeowners are asked that their homes be decorated by December 15 in order to compete in the home division of the contest. On that day an out-

Chiefs, Squaws Down Bula

The Friana Squaws and Chiefs got their basketball season off to a flying start as they defeated teams from the Bula High School Friday night in Chieftain gym.

The Chiefs downed the Bula Bulldogs by a wide margin of 66 to 31, while the Squaws squeaked by the Bula Girl's team by the narrow margin of only one point, the score being 48 for the Squaws and 47 for Bula.

In the Squaw's game, the local girls got off to a quick lead of 18 to eight at the end of the first quarter of play. However, during the second quarter, Bula came alive to score 25 points while holding the Squaws to only seven, making the score at the end of the first half, 33 for Bula and 25 for Friana.

During the third quarter of the contest, Friana hit the basket for 11 points and held Bula to only seven, which brought them back in the game as the score at the end of three quarters of play was 36 for Friana and 40 for Bula.

Once again, in the final quarter of play, the Friana Squaws held the Bula girls to seven

points while marking up 12, to come out on top at the final whistle by the score of 48 to 47.

High scorer for the Squaws was Jacquelyn Magness who had 27 points to her credit, followed by Charlotte Bock who had 13 points. For the Bula team, Lynda Holt was high scorer with 21 points, followed by Carol Cook with 16.

In discussing the game, Coach Duggins said, "I was pleased with the girls' desire, but I hope they will improve on their fundamentals and shooting, as I'm sure they will."

The Chiefs took the floor immediately following the Squaws' game, and took command of the situation from the beginning. Pulling out in front at the end of the third quarter by a score of 19 to 13, the Chiefs were never in hot water as they scored 11 points in the second quarter, 24 in the third and 12 in the fourth to come out the victors by the wide margin of 66 to 31. The half time score stood at 30 for The Chiefs and 19 for the Bula Bulldogs. At the end of the third quarter, the score had been changed to

and will carry kiddoes for a ride and listen to their Christmas lists.

The following weekend, Saturday, December 12, members of the FHS band and several other musical groups have been asked to present special Christmas music in the City Park.

On Friday afternoon, December 18 (which is the last day of school at the Friana schools prior to the holidays) Santa will again visit Friana and at this time give away bags of fruits and candy. He will arrive at the elementary school and visit in that building from about 2:30 p. m. until 3:15 p. m. when he will come to the park and the

THIS IS LAST GO ROUND

Doris White Wins Squyres, Ellis Tie

Doris White of Friana had the best guessing record this past weekend as the Friana Star's Cotton Bowl Football Contest draws to a close.

Mrs. White was followed by Buddy Squyres of Friana and Eugene Ellis of the Hub Community who tied for second and third prizes with identical entries.

This is the second time Mrs. White has finished in the money during the contest and the first time either Squyres or Ellis has won.

In the overall contest Martell LeVeque of Friana is still ahead holding a successful lead over J. S. Clark who is still holding down second place.

The contest will end this week with this issue of The Star. As you will probably notice most of the games in the contest this week will be played Thanksgiving Day, so in cooperation with Ralph Roden at the Bi Wize Drug the Football contest box will be located at the Bi Wize drug until noon Thursday when it will be moved to the Star.

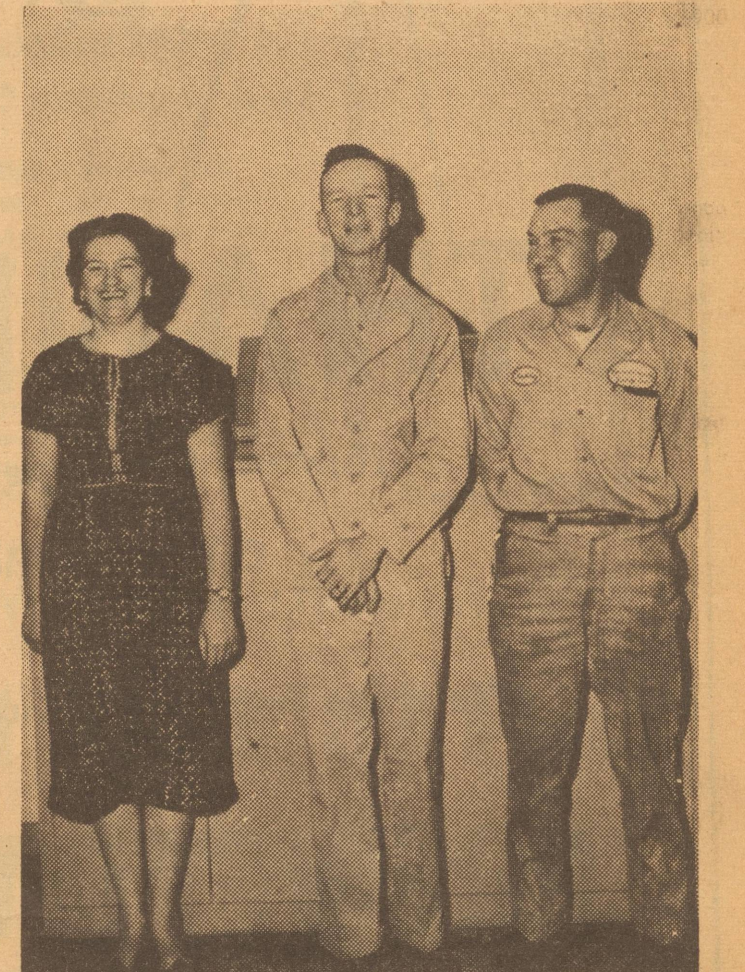

All contestants are asked to remember the noon Thursday deadline.

Get your last contest entry slips in the box either at the Bi Wize Thursday morning before noon or at the Star office Wednesday.

The official list of all entries and the season's results

will be carried in next week's paper.

Don't forget the Thursday noon deadline this last week.

THIS WEEK'S WINNERS--Doris White and Buddy Squyres, right and Eugene Ellis were the top money winners in this week's Cotton Bowl Football Contest. Mrs. White won first prize of \$7 with Ellis and Squyres splitting second and third money on a tie. This week marks the end of the football contest.

Fund Drive Nears End

Pat Terry Buried Here

Funeral services for Pat Terry of Bovina were conducted at the Bovina Methodist Church Sunday afternoon. Terry, a long time resident of Friana, died about 3 p. m. Friday in the Curry County courthouse at Clovis, N. M., following a heart attack.

Terry had lived at Bovina about four years. He was a member of the Bovina Methodist Church and a veteran of World War II.

Survivors include his wife, Fieta, and son, Hilton Lee; his mother, Mrs. Rosa A Jerson of Friana; two sisters, Ann Houlette of Friana and Rachel Pearce of Miami, Ariz.; four brothers, Ross and John both of Friana, Britt of Amarillo and Bill of Palo Alto, Calif.

Burial was in the Friana cemetery under the direction of Claborn Funeral Home.

With still a few reports to be heard from, and not counting returns from the Hub Community the drive for the Community Fund of this area has reached a total of \$4,901.

This total was reported Tuesday at noon by J. C. Claborn, co-chairman of the recent fund drive.

The drive began last week in an effort to reach a goal of \$5,565 which will be used for several charitable organizations.

Plan Reunion

A planning session for the annual ex-students and teachers of Friana High School was held in the home of Mr. and Mrs. Sam Williams Monday evening.

The reunion will be held in the school cafeteria Saturday, December 26 beginning at 7 p. m. Hosts will be members of the class of 1938. This class will also have charge of the program. Any member of this class interested in assisting

tions. The bulk of the money gathered during the drive came in a one-day push involving some 85 workers.

The workers gathered for a kickoff breakfast at the Friana Methodist Church last week and following the meal got started on the drive.

Proceeds of the drive will go toward the following causes:

Boy Scouts	\$ 1200
Girl Scouts	1100
Red Cross	1200
Salvation Army	900
USO	150
Heart Cause	75
Cancer Cause	50
Cerebral Palsy	50
Emergency Fund	750
TOTAL	\$ 5,565

Claborn says that probably with the addition of the Hub Community contributions the drive will reach the goal.

with the program is urged to call Mrs. T. A. Williams.

Those present were the host couple, Mr. and Mrs. Ralph Taylor, Edith Moseley Johnson and Natalie Taylor Williams.

Drakes Attend Funeral Sunday

Mr. and Mrs. Arthur Drake and daughter, Peggy, of Friana and Mrs. Treva Reece of Canyon attended funeral services for Mrs. Mark Smith at Estancia, N. Mex., Sunday.

Mrs. Smith, who was a sister of Mrs. A. F. Roberts of Adrian and Sabetha, Kans., died at a Mountainair hospital. A. F. Roberts, a building contractor, constructed the Friana Wheat Growers elevator and Mrs. Smith and her husband lived here during the time it was under construction.

Mr. and Mrs. Karl Bender spent the weekend visiting in the homes of Mr. and Mrs. Vialo Weis and children and Mr. and Mrs. Alex Stevens and children in Amarillo.

Mayor and Mrs. Raymond L. Fleming of Friona and Mr. and Mrs. Don Reeve of Amarillo were weekend guests in the homes of Mr. and Mrs. Marion E. Cone and Mr. and Mrs. Elton Cone at Elk City, Okla. The two couples also visited

in the home of Mr. and Mrs. Floyd E. Crume Jr. at Pampa. On a Kentucky church: "Prayer Conditioned."

Worthless check charges, drunkenness and wife assault cases kept the courts busy in Parmer County this week, according to Chas. Lovelace, sheriff. Two cases were heard in county court, one in a district case and one in justice of peace court.

In Judge E. A. Bills district court Friday, V. C. Krueger of Amarillo and formerly of Friona, was returned here to face worthless check charges. He pled guilty and received a two year probated sentence. He was instructed to pay court costs and to make restitution on the check.

In county court, heard by Judge Loyde Brewer, Maggie Richardson 39, of Amarillo was returned here Friday on worthless check charges. She pled guilty and was fined \$10 and costs. Checks, one in Farwell and two in Friona, were passed during the summer months. She was still confined to the county jail Tuesday.

H. R. Cole of near Hub pled guilty to a charge of aggra-

vated assault on his wife in county court and was fined \$25 and court costs.

In J. R. Thornton's justice of peace court, R. B. Downs of Bovina pled guilty to charges of drunkenness Saturday morning and was fined \$20.50. He was picked up Friday in Farwell.

FRIONA HD CLUB HAS REGULAR MEET

Mrs. Imogene Cearly demonstrated various items for the home at the Wednesday morning meeting of the Friona Home Demonstration Club in the home of Mrs. Earl Drake. The club sponsored the demonstration as a money raising project.

The attendance gift was received by Mrs. Phyllis Sanders. Guests were Bula Lansford, Vida Judkins and Mrs. Cearly. Others present were Stella Varner, I. V. Day, Velma Jones, Jo Nell Sims, Christine Williams, Stella Shirley, Carol Hardesty, Edwina Field, Juanita Drennan and Anna Lee Sims.

Hydes Attend Relative's Funeral

Mr. and Mrs. H. A. Hyde returned one day last week from Pueblo, Colo., where they were called following the death of Mrs. Hyde's brother, Ollie E. Greer of that city.

Other family members present were Mrs. Lillie Wiley of Great Falls, Mont. and Mrs. Lee Har-

per of Loveland, Colo. Mrs. Wiley and Mrs. Harper are sisters of Mrs. Hyde.

Weekend guests in the home of Mr. and Mrs. Ray Landrum were Mr. and Mrs. Joel Landrum of Albuquerque. The two couples were Sunday dinner guests in the home of Mr. and Mrs. C. W. Dixon.

MR. AND MRS. LENARD BURNETT

Hall-Burnett Vows Exchanged

A double ring ceremony in the church parlor of Bovina Methodist Church Wednesday morning united Miss Verna Lee Hall, daughter of Mr. and Mrs. G. H. Hall of Bovina, and Lenard Burnett, son of Mr. and Mrs. D. C. Burnett of Friona.

Attendants were Shirley Hall, cousin of the bride, and Delbert Hall, brother of the bride.

The bride wore a white halter-length dress of lace over bridal satin. Her illusion veil fell from a pearl tiara, which she borrowed from Celia Brito. She carried a white Bible and wore white accessories.

For the reception in the church dining hall the serving

table was covered with a white cloth and centered with a floral arrangement of pink and blue. Wedding cake and punch were served by Glenna Berry and Celia Brito.

Mrs. Burnett, a 1957 graduate of Bovina High School and Hedrick's School of Beauty Culture in Clovis, was employed at a Bovina beauty shop at the time of her marriage.

Burnett, a 1958 graduate of Friona High School is serving in the Air Force and is currently stationed at Abilene, where the couple will be at home

Mr. and Mrs. V. R. Wilcox became parents of a baby boy Sunday, November 15 at 4:28 p. m. He weighed 7 lbs. 10 ozs. and was named Terry Royce.

Grandparents are Mr. and Mrs. V. F. Wilcox of Friona and Mr. and Mrs. E. F. Turner of Poteau, Okla. Great-grandparents are Mr. and Mrs. C. E. Turner of Poteau, Okla., and L. R. Roberts of Paducah.

Terry Royce has a sister, Pamela Jan, 2 1/2.

Janice Miller Listed On Roll

Janice Noreen Miller, junior at Wayland Baptist College and daughter of Mr. and Mrs. Roy V. Miller Sr., has been listed on the Dean's honor roll with a 2.56 average for the first nine weeks of school.

Miss Miller, a 1957 graduate of Friona High School, is seeking a bachelor of science degree with a major in math from Wayland Baptist College.

Mr. and Mrs. C. C. Roper from Maude, Okla. are visiting with the W. H. Gammons this week.

the first with Friona on top; at the end of the second it was 24 to nine. At the end of the third Friona was still in the lead by a score of 30 to 11 and when the game ended it was Friona 40 and Bula 21.

High scorer for the Friona B team was Pam Roden who had 14 points, followed by Linda Castleberry and Su Zan Harper who has 13 each. Theresa Holt of Bula had 13 points to her credit.

On Tuesday, December 1, at 7 p. m. the Friona High School--Squaws will play the Wayland College Queen Bees in the Friona High School Gymnasium. The Queen Bees are composed of girls who were outstanding in their high school careers, and who are continuing the sport in college. The Wayland College Girls' basketball teams are known internationally, and this promises to be a big thriller for the fans.

On the same evening, the B team girls will play the A team girls from Bovina and the A team boys will play the A team boys from Bovina.

There will be three games that evening with the first one starting at 6 p. m. All fans are urged to attend these games that night.

Also, on December third, the Squaws and the Chiefs will travel to Olton to begin the Olton Tournament.

Bob Spears In Plane Crash

It has been definitely established that Bob Spears, son-in-law of Mr. and Mrs. Otis Massey of Friona, was a passenger on the plane that crash landed in the Gulf of Mexico early this week according to latest reports.

Mr. and Mrs. Massey and Mrs. V. M. Ferguson are in Dallas with Mrs. Spears, the former Frances Massey, and her two children, Kenneth and Robin. The Spears family, residents of Dallas for several years before moving to San Pedro, Calif., were attending to business in Dallas when Spears was called to Tampa, Fla.

THANKSGIVING

"Thanks be unto God for his unspeakable gift." This expression from Paul's second letter to the Corinthians seems to be the need for our hearts this thanksgiving season. God is the giver of all good things and we need to always be thankful to Him for Christ who has provided for us everything else that we have to be thankful for at this season of the year. God has blessed us with many bounties among which are health, happiness and good crops, but most of all is our privilege of worshipping the Lord Jesus Christ and knowing that He has brought to us all these other things that are worth having. So, let us each in his own heart join Paul in our thanks for the "Unspeakable Gift" who is Christ Jesus.

Mr. D. had an auto accident. He had insurance—but not enough. The jury awarded the driver and the passengers of the other car \$33,000. Mr. D. had only \$20,000 liability insurance. He was forced to pay \$13,000 out of his own pocket.

There is no way of predicting how large a jury's award will be. So protect yourself and your family with ENOUGH insurance. If you have insurance now, you can double your protection for only a few extra dollars.

A Thanksgiving Letter

November 26, 1959
Friona High School

Heaven Enterprises
God: president

Dear God:

Today's a busy day for me--I mean helping Mom and Dad get ready for the big dinner. I guess you know that all of my relatives are coming and as usual we'll have a swell time. I thought that I might give you just a jiff of my time though. Seems I haven't written in ages, but I've been oh, so busy. You know how busy things can get down here . . .

Oh, by the way, since it's Thanksgiving, I guess I ought to let you know that I am thankful. Let's see; oh yes, I wanted to thank you for my family, wonderful family, best in the world. I remember last week when Mom stayed up until midnight making candy for my class to sell at school. She must have been tired, but she made it anyway. Oh, yes, and Dad bought me a new transmission for the car, mighty swell of him. Yes, a great family.

By the way, thanks also for America. I mean, about it being democratic and all. Come to think about it, I'd nearly forgotten about how Uncle Ned died in Guam nearly fifteen years ago. There must have been a lot of brave men like him, who died so I could live in this land of freedom. I guess a lot of people forget things that happened a few years back.

Oh, yes, then there's Ed, Irene, Mack, and all of the gang I wanted to thank you for . . . my friends you know--great kids! The boys helped me out with that flat I had last Saturday night; and Irene helped me study for that English exam. Yes, thanks a lot for great friends.

I guess most of all I should thank you for life itself. I can remember many close calls I've had this year. That time we were on vacation and nearly had a wreck. Yeah, that summer at camp when I swam in water over my head and nearly drowned. I surely have been lucky, or was it just luck?

You know, I really hadn't realized for how much I do have to be thankful. I guess I really ought to do this more often. Today I won't be thinking of that turkey; I'll be thinking of how much I really have to give thanks for.

Thank you for taking out time to listen to me. Incidentally, I think I'll be calling on you a lot more often.

Sincerely,
FHS

Football Mothers Fete Chiefs With Banquet

BY GARY GOETZ

After a fairly good season the Friona Chiefs were honored by a banquet which the football mothers sponsored. The cafeteria was decorated so that the effect which was received was that of being on the fields of play. Luther Metcalf presided as

master of ceremonies and called the plays. Alton Farr spoke on sportsmanship. Raymond Cook, high school principal also addressed the group. Guest speaker was J. T. Hammonds of Bovina. Hammonds spoke on the game of life.

Dinner was prepared by the football mothers. Turkey and dressing were served with green beans, mashed potatoes, and jello salad. For dessert, pumpkin pie was served.

Jacquelyn Magness and Gwen Green entertained with a couple of songs and led the group in the school song.

BY TEDDY WHITE AND LESLIE CURRY

The Friona Chiefs played their first basketball game of the season as they defeated the Bula Bulldogs by a score of 66 to 31.

Friona lead the Bulldogs by a score of 19 to 13 at the end of the first quarter. In the second quarter Friona added another 11 points while Bula made 6 points to increase their lead at half time to 30 to 19.

The Chiefs came back in the third quarter and scored 24 points while holding Bula down

to four points to increase their lead to 54 to 23. In the fourth quarter the reserves played for Friona and made 12 points while Bula made 8. The final score was 66 to 31, with Ronnie Wood taking the high point honors with 23 points followed closely by Larry Pollard of Bula making 22 points.

BY RONNIE WOOD AND RONNIE CASTLEBERRY

The Friona Squaws defeated the Bula girls in a very close game, last Friday night. Friona led 18-8 at the end of the first

quarter. Bula came back to take a half-time lead of 33-25.

Bula continued to hold the lead throughout the third quarter. At the end of the third quarter the score was 40-36. In the fourth the lead changed hands several times, with Friona finally taking a four point lead, almost succeeded in the last few seconds of play. The final score was Friona 48, Bula 47.

The top scorer for Friona was Jacquelyn Magness with 27 points. Charlotte Bock was second highest with 13 points. Lynda Holt took scoring honors for Bula with 21 points.

Science Club Meets

Twenty-five members of the Science Club met with Mr. Bennett in the Science laboratory, Nov. 17, at 11:45.

Kay Struve gave a report on the Christmas blow-up. The group voted on having a Salad supper with the usual party.

Pictures of the sponsors and officers were taken for the annual. Don Clements and Gary Goetz showed a film.

Important County Meeting Set For Polio Workers

A very special meeting of the entire county executive board for the polio foundation is planned Tuesday night, December 1 at 7:30 in the Bovina high school, says Cary Joe Magness, county chairman.

The meeting concerns the new program of the National Foundation. He says services of the foundation have been broadened to include not only polio, but birth defects and arthritis as well.

He urges the entire executive board which includes all the workers who have aided in the county drives in the past, to attend the meeting. Also anyone

Frosh Teams Split Two

The Friona Freshmen Girls dropped the Muleshoe Freshmen team by a score of 54 to 42, while the Friona Freshmen Boys were having a tougher time, going down in defeat by a score of 27 to 15. Both games were played Thursday night in the Muleshoe gymnasium.

The local girls quickly pulled out in front during the first quarter of play and never lost the lead from that moment. High scorer for the Friona girls was Janet Buckley who had 25 points chalked up for her, followed by Carol Ray with 18 points to her credit.

The Frosh Boys from Friona found the going a little rougher as the half time score was 10 for Muleshoe and five for Friona. The Mules retained the lead and the final whistle found the score at 27 to 15 in favor of the Mules.

Three of the Friona boys tied for scoring honors as Billy D. Thomas, Robert Houlette and Dewain Phipps had four points each while Gilbreath for Muleshoe had 11 points to his credit to be high point man in the contest.

Mr. and Mrs. E. T. Cummings of Canyon were Sunday guests in the home of Mr. and Mrs. E. H. Cummings. The two men are brothers.

THE HIGH PLAINS FARM AND HOME

"WOMAN OF THE YEAR" in Farmer County Home Demonstration work, Mrs. Davis Gulley, right, is informed of the honor by Miss Jimmie Lou Wainscott, home demonstration agent. She received the award at the Farmer County Home Demonstration Club's annual Thanksgiving banquet at Hub community center last Thursday.

Mrs. Davis Gulley Is HD "Woman Of The Year"

"Woman of the Year" a title sought by nine outstanding Farmer County homemakers, was awarded to Mrs. Davis Gulley of the Midway community at the annual Farmer County Home Demonstration Club's Thanksgiving dinner, held Thursday afternoon at the Hub

community center. Mrs. Gulley was selected by two county home demonstration agents from various parts of Texas. They were sent complete records of each entrant's work in club, community, and home activities. Both judges agreed on the first and second place

awards. Mrs. Vernon Symcox of the Oklahoma Lane Community was second.

Other women seeking the title were Mesdames Jinx Snead, Hub; Betty Renner, Hi-Point Club; Maxine Price, Black; Helen Potts, Rhea; Marlene Drake, Friona; Olive Massie, Northside club; and Frances Milner, Lakeview.

Mrs. Gulley worked in club work for eighteen years before a Home Demonstration Club was organized in Farmer County. She was a member of

the Progress club, serving as president, and all other offices, as well as being chairman of the HD council. She helped to organize HD clubs in Farmer County in 1954.

Since 1954 she has served as president, vice-president, and reporter in the Midway club, during which time she attended clothing workshops, making a garment each time, and modeling two garments at county wide dress reviews. She also attended work simplification and drapery workshops and home improvement meetings. Later, she gave demonstrations on each of these projects.

She is an experienced demonstrator of crafts including basket weaving, wooden tray making, copper tooling, reed weaving, arts from molding plaster which includes vertical and horizontal planters and lamp bases.

During national HD week, she, along with two other club members gave a fifteen minute discussion on "Home Demonstration in General, Midway in Particular" over KMUL radio in Muleshoe.

In 1951, Mrs. Gulley began working with 4-H clubs. She was their sponsor for six years, during which time she took them to Plainview to give demonstrations at the Plainview Dairy Show, and attended a three day recreation meeting with the 4-H group. She gave demonstrations to other 4-H units in the county during this time.

Mrs. Gulley has served as a member of the County Planning Committee for Extension work since 1954. She has been a judge in the food and clothing division at the Lazbuddie fair, and has worked with the PTA for four years.

Each year scores of bouquets come from her garden for her neighbors. Several times she has been called upon to furnish flowers for showers and weddings. Her favorite hobby is

Cotton Harvest Peaks; Yields Reported Low

Cotton harvest is in full swing in most parts of the Farmer County area now, although it is just beginning in some places.

Gins in Farwell and Bovina reported this year's yields are lower than last year. Many feel that this crop is giving yields equal to no more than two-thirds of the previous crop.

Even though the crop is showing low yields, all area gins are snowed under. Cotton trailers lined in rows by gins is becoming a familiar sight with the harvest now at its peak.

Farmers blame the low yields on two hails early in the year that caused the late crop. A few farmers had an early crop and did not suffer too low a yield.

"If it stays pretty, they will be through in two weeks," says Guy Nickels of the Nickels Gin in Farwell. He says yields are not as good as the farmers expected.

"I would say the harvest is half over," Nickels says his gin has weighed in 1800 bales and has about 200 bales left to gin. (This was Saturday.)

W. T. Magness says he is just getting started stripping his cotton crop two miles northwest of Lariat.

"The yield is better than I expected," He says he is satisfied considering the difficulties he has had.

At the Joe M. Brown Gin in Bovina, Brown says the crop is pretty good considering the hail suffered this year.

He feels the harvest is not quite half over, but will finish before Christmas. He sets the yield at about two-thirds as much as last year. The Brown Company has ginned 1310 bales to date.

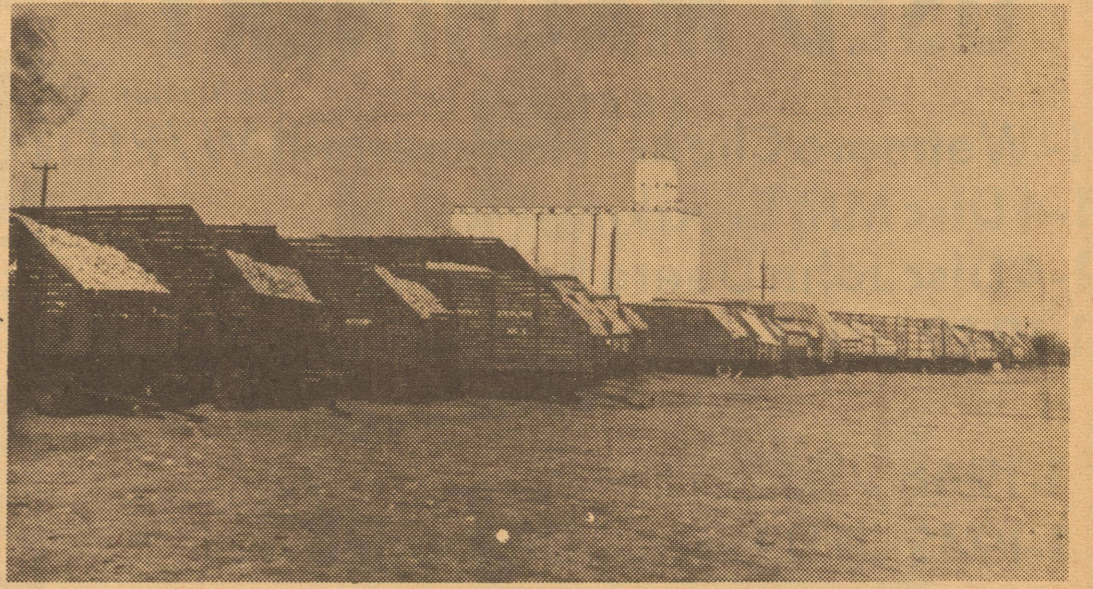

"We just got started this week and we haven't ginned much," says Bill Gage of the Oklahoma Lane Gin.

"Some farmers haven't pulled a bale," He says the quality of the cotton is only average because of the late crop.

He says the yields are not as good as last year, although a few farmers have reported yields as high as a bale an acre.

THIS BIG LINE-UP OF TRAILERS is at Chester & Fleming Gin in Friona. Mechanical harvesters are making short work of the 1959 cotton crop and covering up gin yards with trailers like these.

DOZENS of cotton trailers are lined up at Nickels Gin in Farwell. Like most other area gins late last week, Nickels was "snowed under." The gin reports over 1800 bales weighed in and about 1600 of that number already ginned. The harvest is now well underway and gin operators report that it will be over before Christmas.

helping prospective brides in the various homemaking arts. During the war she attended first aid classes, emergency classes, and home nursing courses. She did extensive work with the Red Cross and US Bond drives, and learned how to build home shelters and keep her home well supplied for emergencies.

She married Davis Gulley in 1947 in Clovis and made her home in the Midway community. She furnished their five-room perma-stone home with modern blond furniture, and landscaped the grounds with help from Miss Sadie Hatfield, Landscape Extension Specialist from A&M College.

Mrs. Gulley keeps the family deep freeze well stocked in addition to a pantry full of home canned foods. Meat for the family is raised on their farm. Mrs. Gulley has a box of ribbons won from entries in the county, state and South Plains fairs.

One of her sons, John, takes piano lessons and the other takes singing lessons from a local teacher. Both are being encouraged in their musical talents.

Each Christmas it has been a family tradition to decorate the mantle in various ways. The family also listens to Dicken's Christmas Story and to the Bible Story of Christ. Mrs. Gulley has never missed seeing her mother on Christmas Day no matter where she was.

Mrs. Gulley and her family are active members in the Northside Church of Christ in Muleshoe. Her philosophy of life is based on a Bible verse; Titus 2:5. She says that if homemaking is important enough to be mentioned in the Bible, then it is important enough to live by and to do the best job possible.

Census Field Work Begins

Field work in the 1959 Census of Agriculture got underway last week when a force of census takers started visiting farms in the area, it was announced today by Field Director James W. Stroud of the Census Bureau's regional office at Dallas.

Farm census questionnaires have been mailed to all farm operators. The census takers will visit all local farms to collect the questionnaires and, if necessary, assist the farmer in filling out the report form. The 1959 Census of Agriculture is the 17th in a series of nation-wide farm canvasses, the first of which was conducted in 1840. The Census of Agriculture is taken at five-year intervals to provide up-to-date statistical information about the nearly five million farms which supply food and raw materials for manufacture of goods used by the people of the United States, now numbering about 178 million.

The current census will yield information on the number and size of farms, acreage and harvest of crops, livestock production and inventories, selected farm facilities and equipment and selected farm expenditures. The field director emphasized that all information about individuals and their farm operations furnished by the Census Bureau is held in confidence under federal law. It is used only to provide summary figures such as totals, averages, and percentages.

Make shopping list according to menu plans and food on hand . . . Knowing what you need before you leave home will save time and energy. It will also help you avoid costly "impulse" buying. Organize your shopping list according to store "layout" . . . Taking advantage of the store's traffic pattern may save your time and energy in "back-tracking" for some item. Make the shopping list as legible and clear as possible if another person is to do the shopping . . . Give directions for making other choices if the original item isn't available as listed. "Time" your buying . . . Whenever possible avoiding rush hours will help save time and energy. Use store services, such as telephone and delivery services, in shopping for food when time is at a premium. Consider using milk and bread routes . . . This will save time and energy spent in extra trips to store and added cost may not be more than added cost of extra trips. Keep pads of paper and pencil handy for making a "want list" . . . Add to list as you use up some item so you won't forget to get it. This may save a trip to neighbor's or to store.

H. D. AGENT'S CORNER

Jimmie Lou Wainscott

You can save money, time, energy and sometimes your temper by beginning your shopping trips at home. Corinne Stinson, extension home management specialist of Texas A&M College, says that's another way of saying that it pays to do some careful planning before you dash off to the store.

For example, in shopping for the food for the family, you can do these things at home while sitting in your favorite easy chair.

Plan menus for a week or more in advance . . . This will save time in actual shopping, and in meal preparation later because the decision of "what to fix for supper" is already made, and supplies are on hand. Study food ads in the local papers . . . Comparing food costs "before" marketing is both economical and timesaving.

HUNDREDS OF BALES of cotton are being stored outside at the Western Warehouse Co. in Bovina because of the cotton harvest which is now well underway. In the distance workers are unloading bales from a truck.

Cattle Cycle Nears Stage For Caution

A note of warning about the cattle outlook was delivered before the National Association of State Departments of Agriculture in Nashville, recently by Oris V. Wells, administrator of the Agricultural Marketing Service of the USDA.

Wells summed up his facts and figures by warning that "the cattle cycle is fast moving to a place where farmers, ranchers and feeders should be careful."

It was pointed out that cattle and calves have been the largest source of farm sales for several

years now, and that we are all aware of the sharp rise in cattle prices in 1957-58. The number of cattle on farms and ranches was up 3.5 million head, or almost four per cent, on Jan. 1, 1959, as compared with Jan. 1, 1958.

Present estimates indicate a two per cent increase in the 1959 calf crop, which is the first increase in the calf crop from the previous year since 1954. Although cattle slaughter for all of 1959 probably will be somewhat smaller than last year, there are prospects that

slaughter in the fourth or last quarter of 1959 will show an increase over the last quarter of 1958. This would be the first increase over the corresponding quarter of the year before in nearly three years.

However, Wells predicted that "prices will continue to be supported by retentions for herd expansion, and our analysts now expect a significant increase in the number of cattle and calves on farms as of Jan. 1, 1960, perhaps as much as five to six million head above the estimate for Jan. 1, 1959."

"All of this means more beef for American consumers some time in the future, but it also means that the cattle cycle is fast moving to a place where farmers, ranchers and feeders should be careful."

These words of caution are seconded by spokesmen for the

American National Cattlemen's Association such as Jay Taylor of Amarillo, former president, and John Marble, head of the fact-finding committee.

"Sure we're going to get a break," says Marble, "and it will come when we quit holding back heifers to build up our breeding herds, either in late 1960 or 1961. But the break doesn't have to be a bust."

Hint Upturn In Hog Prices

Texas Not
Utilizing
Feed Grains

Texas, which produces far less pork than it consumes, had an estimated hog population of 1,226,000 at the beginning of this year with an average value of \$25.10 and a total farm value of \$30,773,000. However, as the year progressed, this estimated value went down as the hog market dropped.

The hog population in Texas has fluctuated widely through the years. Back in 1870, there were as many as 1,004,000 hogs on Texas farms, with an average value then of \$1.67 and a total farm value of \$2,681,000. The all-time high in Texas hog production was in 1944, when 3,106,000 head were counted carrying a total farm value of \$36,535,000.

The current condition of the market offers little incentive, but it is figured that Texas now raises sufficient grain sorghum and corn to produce as many as 4,000,000 hogs a year. Texas now has about 46 per cent of the grain sorghum acreage in the nation, and in a normal year can be counted on for about 270,000,000 bushels. A continuing increase in corn production also can be anticipated.

The nation's hogs consume about 40 per cent of the feed grains produced, and by applying this percentage to Texas and using average feeding rates and slaughter weights it can be seen that the 4,000,000 head production rate could easily be achieved.

As for the present market situation and the outlook for the immediate future, Marvin L. McLean, Assistant Secretary of Agriculture, told the National Swine Industry Conference in

Iowa the other day that prospects are not as bleak as might be expected.

"Price-wise," he said, "developments of the past few months have been about what would be expected when hog production goes up materially. Hogs got a little below \$13 in October. For 1959 as a whole, the average is expected to be about \$14.50 a hundredweight."

"Summing up the overall situation, as far as prices are concerned we are obviously in the low phase of a hog cycle. However, there are good indications that producers are working out from under the current situation -- as they always do if given a chance. The whole situation is much better than some pessimists were expecting a little while ago."

Parmer Ginnings Far Behind 1958

Parmer County cotton ginnings appear to be running far behind figures taken in 1958 at the same time of the season. This is no particular surprise to farmers and ginnermen, who have known from mid-summer that the 1959 cotton crop was going to be one of history's latest.

No figures are available as yet on a gin-by-gin basis across the county, but the first survey of the U. S. Department of Commerce is in, with the report that up to November 1, only 3,696 bales had been ginned so far. That compared with 9,565 up to November 1 last year.

Other Plains counties of the same latitude are having their troubles getting harvest started also. Castro, our neighbor to the east, has turned out only 3,083 by November 1, compared with 11,091 a year ago.

To the south a little, things were looking up. Bailey County had ginned 21,854, compared to 22,265 in 1958; and Lamb County 45,323, compared with 52,753 in 1958.

This shows the difference that just a few miles in latitude makes when there is a "late-season" cotton growing year on

the High Plains. Parmer County can outproduce other counties of the Plains on an acre-to-acre basis in years that have satisfactory growing seasons, but has a hard time keeping up in a "rough one" like 1959.

Mechanical harvesting or "stripping" got underway on a grand scale two weeks ago in Parmer County, and the ginning figures for November are expected to be impressive. The crop is running from a half a bale to a bale and a quarter in most parts of the county. This is in contrast to a bale to two bales in 1958.

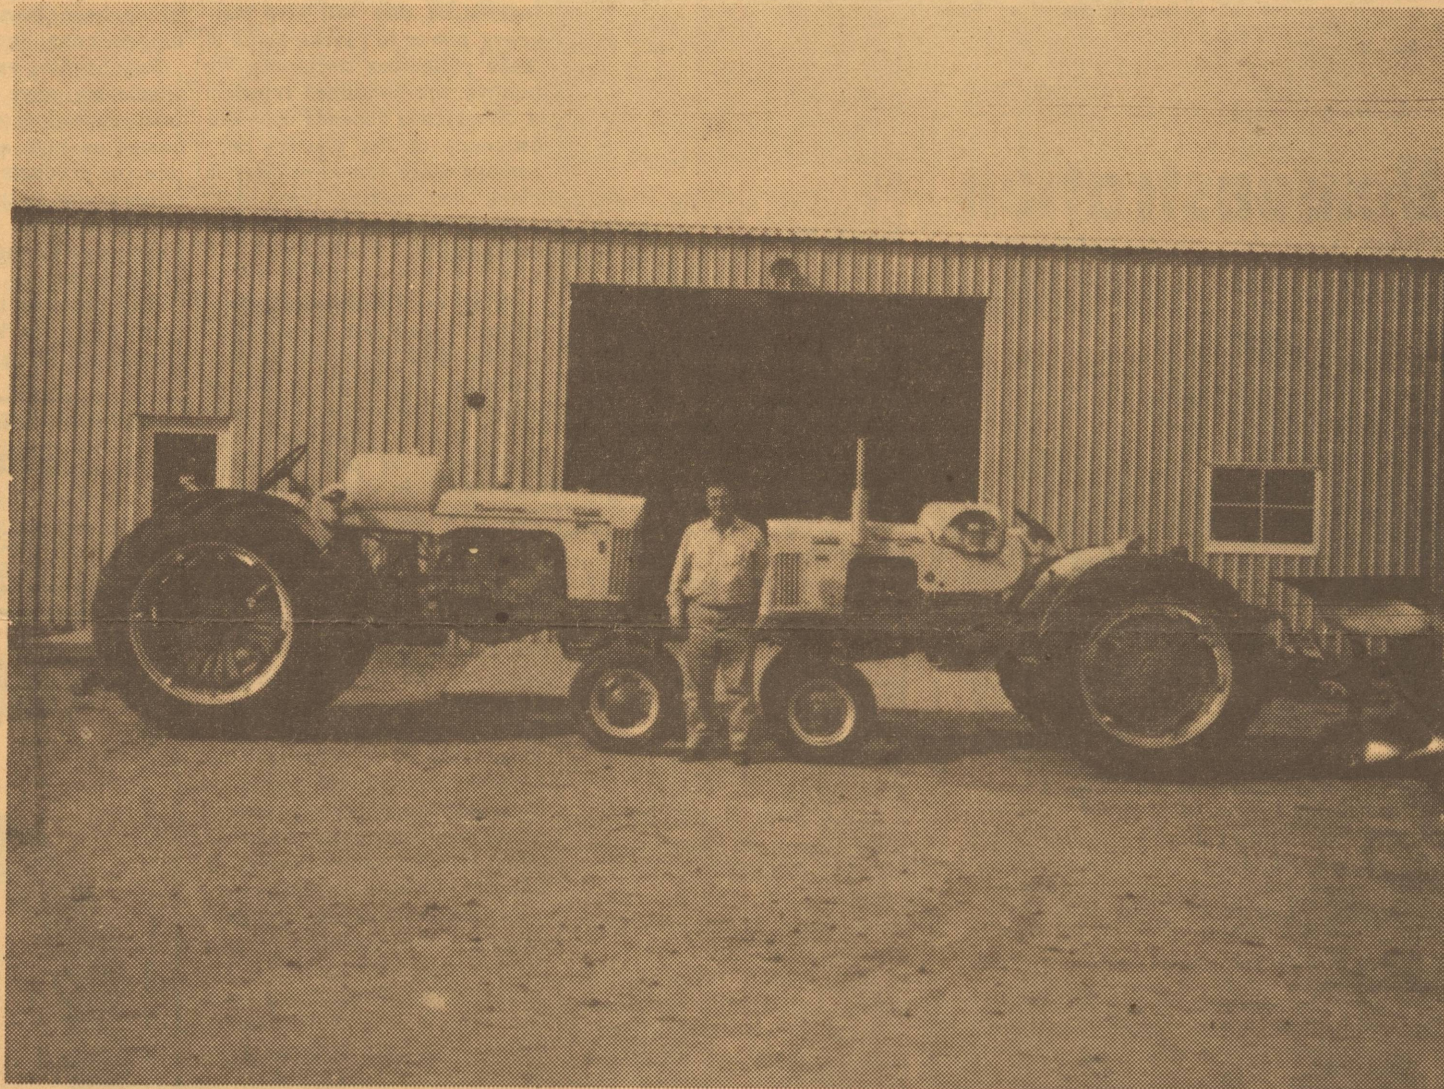

Can profits be made from livestock feeding this fall and winter? C. H. Bates, extension farm management specialist, says it's a hard question to answer because of the difference in price for various classes of livestock and the variation in costs involved in producing a pound of gain. He suggests a visit with the county agent for information needed in making the decision.

Quality Slips A Little On 1959 Cotton Crop

Quality statistics on the 1959 cotton crop on the Texas High Plains -- estimated at 1,828,000 bales -- have been announced by Plains Cotton Growers, and show data better than the 1957 crop but slightly below that of the 1958 crop.

Average staple length of the 1958 crop thus far (550,000 bales), is 31/32 inch. White cotton accounted for 66% with about 53% middling white and above. Light spots totaled 30% with some 28% being middling light spot and above. Full spots totaled only about 1%. Some 32% of the crop is measuring one inch and longer and only 11% falls below 15/16 inch. Micro-naire average is 3.9 with 79% above the tenderable limit of 3.5. Fiber strength averaged 74,000 pounds with some 43% testing above 75,000 pounds.

Pfeiffenberger said these statistics represent the third issue of the High Plains cotton quality report. Other issues will be published throughout the harvesting season.

On November 10 approximately 785,000 bales had been ginned and classed in the 23 High Plains cotton quality report. Other issues will be published throughout the harvesting season.

On November 10 approximately 785,000 bales had been ginned and classed in the 23 High Plains counties, according to figures from the U. S. Department of Agriculture cotton classing office at Lubbock.

County-by-county ginning estimates, compared with those of October 1 are:

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

If, for any reason, you should wonder if you have anything to be thankful to God for, perhaps you need only to take a quick inventory of your blessings.

If you are well, visit someone who is sick. If you have plenty to eat, take some good food to a family who is short on food. If you have plenty of clothes, take some spare clothing to a family who needs it. If you think it commonplace that you can visit relatives anywhere in America, remember that in many parts of the world this is not only impractical, but is prohibited. There is so much for an American to be thankful for, that every day should be one of thanksgiving.

We had already lost the greater part of our respect for the US Supreme Court. However, when we heard the last decision, we almost lost hope for improvement. . . . That decision was that "suspicion is not grounds for a law enforcement officer to lay hands on a citizen." In the particular case involved, a man who was under suspicion for the theft of three cases of radios was picked up in Chicago. The suspicions were confirmed. However, the supreme court decision forced the release of the thief.

We are glad there are some congressmen, among them our own Walter Rogers, who want legislation that will give congress power to revoke some of these ridiculous decisions. We believe the continued freedom of Americans depends upon the citizenry of the country harnessing these run-a-way men in black and making them walk down the rows as laid out in the constitution.

Of all the resolutions passed at the Texas Farm Bureau Convention this year, we believe the most significant is the one approving enactment of the proposed 23rd amendment to the Constitution of the US, which was approved by the 56th Legislature of the State of Texas. Very briefly, it would: Put the US Government out of competitive business, (industrial, professional, etc.) . . . Prevent the constitution of laws of any state, or the US being subject to terms of any foreign or domestic agreement. And after three years standing of the amendment, congress would not be empowered to levy any taxes on personal incomes, estates or gifts. This amendment, if adopted, would quickly decentralize government and give it back to the people.

CONSIDER THIS: Many seek the ruler's favor; but every man's judgement cometh from the Lord. Proverbs 29:26

Cotton Allotment 6,761,512 Acres

Secretary of Agriculture Ezra Taft Benson has proclaimed a national marketing quota of 13,133,000 bales (standard bales of 500 pounds gross weight) and a national acreage allotment of 16 million acres for the 1960 upland cotton crop.

Texas' share will be 6,761,512 acres with an additional 55,965 acres for the national reserve. The secretary also announced his determination that alternate--Choice (B) --farm allotments for the 1960 upland cotton crop will be 40 per cent larger than the "regular" Choice (A) allotments for the same farms.

An acreage allotment of 22,243 acres will be in effect for the extra long staple cotton grown in Texas in 1960. The national marketing quota will be 66,590 bales with a 64,776 acre allotment.

December 15 was set as the date for a growers' referendum on marketing quotas for both upland and extra long staple cotton. At least two-thirds of the farmers voting in the referendum must approve the quotas if they are to remain in effect.

If the quotas are approved, choice (A) will include "regular" farm allotments with price support at not less than 75 per cent of parity available to growers who comply with their regular allotments. Choice (B) includes 40-percent-larger farm allotments and price support to growers who comply with their choice (B) allotments at 15 per cent of parity less than under choice (A). Individual farm allotments under both choice (A) and Choice (B) will be made available to producers prior to the referendum.

New Market For Pork Products

Pork products packed in cans containing from twelve ounces to three pounds will soon appear in markets throughout the nation. These products will be new in flavor and texture and will include ham, pork shoulder picnics, loins and beef and pork luncheon meats, all of which have been marketed in larger cans for some time.

Roy Snyder, extension meats specialist, says the new all-meat canned products are not heated as high as is the practice for products in small containers now on the market, and will correspond closely to the flavor and texture found in the larger cans.

The decision to allow cured pork to be marketed in small cans under three pounds without

pressure cooking was made only after several years of careful study by the USDA had provided assurance of the safety of such products. Snyder pointed out that over 500 million pounds of these products in the larger cans have been merchandised successfully each year in the U. S.

These ready-to-eat pork and luncheon meat products are cured prior to packing and cooked in the can so as to have an internal temperature of at least 150 degrees F, which is not a sterilizing temperature as usually used when canning some of our other food products. Therefore, the canned product must be refrigerated after this heating. Labels for these products must be approved by USDA's Meat Inspection Division officials before use and will bear prominently the statement "Perishable--Keep Under Refrigeration" on each principal display panel.

The smallest good deed is better than the greatest intention. The successful man has the ability to make himself, as well as others, work.

Servis GYRO 140 STALK SHREDDER

Shreds up to 100 acres a day!

This new 140", 4-row rotary cutter is fully gear driven. Behind a 35 H.P. or larger tractor, you can cut from 60 to 100 acres of stalks or brush up to 1 1/2" in diameter. Rear wheels are on 72" spacing. Cutter offsets tractor wheels 40" on both sides; ideal for orchards and fence-line work. Although 144" over-all in width, slide shoes may be removed permitting passage through 12' gates. Has the same heavy blades and blade carriers as the other famous Gyro cutters, giving it high momentum, gyroscopic cutting action for maximum cutting power with minimum RPM. This means long life and economical operation. A real work horse that will save hours of time.

Plan to see the Servis Gyros this week, at:
