We have a saying in our business that if you ever want to see if anyone reads your paper, just misspell their name, they'll be sure to let you know about it. This came home to us in another form last week just after the paper got on the streets. Our Girl Friday, June Floyd, got "chewed" up one side and down the other from someone the other day, which isn't a rare instance, but -- this time June was right.

At any rate June took this chewing for me, and I'd like to take this opportunity to say so.

Anyhow, we were out of the office when this person phoned and proceeded to let June know how the cow ate the cabbage. It was all about the 8th grade basketball boys.

Seems this mother figured that the boys had won the district title and was complaining that we "didn't care about the boys at all."

Well, we sure do. But, the boys didn't win their district, so in all truthfulness how could we print that they did.

We've overheard several folks casting dispersions upon our senior boys, the Chiefs, at their basketball record this year.

Right here and now we would like to point out to these particular people that Friona has only this year moved up from Class A, to Class AA.

In our opinion the boys have done an excellent job.

Nope, they didn't win too many district games, but after all they were playing teams with a lot of experience in AA ball and teams that were picked from high schools which boast about two times our enrollment in some cases.

Perhaps the "twice as big as us" phrase is a poor excuse but let's look at it this way.

In Class AA we were competing with schools with far more enrollment than ourselves.

In Class A we were on top of the heap so to speak, and when you make the jump, well that is just part of it.

Don't fret sportsfans, our day will come, look at the enrollment figures at FHS and in junior high school and you'll see the day coming when the Chiefs will be a power in Class AA.

Meanwhile we'd like to say win, lose or draw we at The Star are behind you 100%.

The other day Glenn Floyd told us of seeing a raccoon out at his farm playing in an irrigation ditch.

Glenn says he chased him across half his farm trying to catch the varmint but was unsuccessful.

Hearing him tell of his coon hunt reminded us of when we were a little younger and we used to go possum and coon hunting back in East Texas.

One night we were out possum hunting -- but really coon hunting as it turned out.

We'd been traipsing around the woods half the night, having a heap of fun, but not many possums for our trouble.

The dogs jumped what we thought was a possum and began barking and generally raising heck at the base of a tall oak tree.

Pointing our lights up into the darkness we finally located a hollow "way up in the top of the tree.

One of our buddies quickly jerked off his gear and began making his way up the tree. "What're ya gonna do?" we asked.

"I'm gonna pull that possum out of that hole," the foolish but courageous buddy replied.

Despite our warnings Dud proceeded to climb right on up the tree and jab his arm down the hollow in the tree.

Amid screams of pain, anguish and plain surprise, down tumbled Dud, complete with one genuinely maddened raccoon.

Pore old Dud didn't miss a nub on the way down either. When he hit the ground he ran one way and the coon the other.

By this time we had found that he was in pretty good shape, despite his experience and were rolling around laugh-

Squaws Take Canyon For First AA Title

Friona's Squaws downed Canyon's girls Friday night to take their first District 1 AA title by a score of 63 to 43.

This is the first year Friona High School has competed in Class AA competition in basketball.

The Squaws won the district title last year in Class A, and went on to win Bi-District honors before dropping out to White Deer in the Regional Tourney down at Lubbock.

This year the Squaws will play Abernathy, last year's State AA Champions, at Plainview Tuesday night, March 3 at 8 p.m. for the Bi-District title.

Charlotte Bock of Friona and M. Winn of Canyon tied for

high point honors in the last game of the conference with 21 points each. Robbie Boggess was second for Friona, scoring 17 points.

At the end of the first quarter the Squaws led 12-7, at the half 33-13 and at the end of the third 40-25.

Monday night the Squaws met Sundown in a practice game and took that contest by a score of 50-41 with Charlotte Bock again high pointer for the local team with 25 points. Di Carpenter of Sundown was high pointer for the game with 29 points.

Scoring in the Friona-Sundown game by quarters was Friona 10, Sundown 11 at the end of the first quarter; Fri-

2 Wrecks On Friday The 13th

Living up to its reputation, unlucky Friday the 13th produced a pair of car accidents in Parmer County -- the only ones reported all week.

Both accidents were minor and no one was injured in either.

A Ford pickup driven by Bill Block of Plainview crashed into the rear of a '52 Chevrolet automobile, driven by Oleta Gibson of Hereford, just east of Bovina.

An estimated \$100 damage was done to each vehicle. Block was issued a ticket by Sheriff Chas. Lovelace for following too close.

City Election Set April 7

The election of two city councilmen was called at a special meeting of the city council of Friona in the City Hall Monday night.

Two of the present council members, Forrest Osborn and

Ralph Smith will be up for reelection, if they so desire, as place 1 and place 3 council members.

Smith and Osborn were elected at a special election held last year.

At that election the terms of the Place 1 and 3 councilmen were so designed that in the future a whole new slate of councilmen will never be elected at one time.

Persons desiring to file for this election must sign up at the city hall prior to 30 days before the election. This deadline will be at noon Saturday, March 8.

In other business concerning the election George Baker and Nelson Welch were nominated as judges for the election and Mrs. Dan Ethridge and Mrs. Oscar Lange, clerks.

Other business at the special meeting included the adoption of a budget for 1959 totalling an estimated \$90,490.50.

Included on this budget will be the purchase of a chassis and cab for the new fire truck, another water well and other capital improvement which come to about \$34,000.

Three members of the Planning and Zoning Commission were reappointed for another term of office, these included Sloan Osborn, Joe B. Douglas and O. J. Beene.

Fire Chief Ruben Taylor and Assistant Chief Ralph Shirley met with the commission and turned in specifications for the new fire truck.

Following some discussion City Manager Albert Field was instructed to place advertisements for bids on the truck. These bids will be opened at the April 6 meeting of the council.

J. E. Knight of Friona met with the council concerning the tying of city water to his home which is under construction just outside the city limits on the West Loop.

Knight told the council he was willing to do anything they said in the matter, and after referring to Ordinance 984 which governs extension of water and sewer lines outside the city limits councilmen voted to tie on Knight's new house.

Knight will pay for the installation of necessary pipe and after his property comes into the city limits he will be reimbursed for his installation, providing that the lines meet city specifications.

The council discussed at length the best way to serve Knight and at the same time help the water situation of homeowners already on the Loop.

At this time several homes at the end of the street show a lack of water during the summertime.

Such a solution was found and motion made to draw up a contract with Knight for him to furnish pipe and the city to furnish his water and sewer (Continued on page 3.)

Two Fires This Week

A feed barn, belonging to L. M. Crow, was completely destroyed by a fire south of Friona early Sunday afternoon.

Friona Volunteer firemen answered the call for help, but the structure was raging out of control when they arrived.

Firemen did keep the blaze from jumping to other nearby buildings and they say if "it hadn't been for concrete tile, perhaps they would have lost more than they did."

Water for this fire was gotten by placing a pump hose in a nearby concrete tile which was running in a wheat field.

Monday morning at 8:30 a. m. firemen answered a call at the Haney place eight miles east of the Hub where a tractor was afire.

Friona Firemen never reached the scene as it was learned by radio Dimmitt firemen answered the call and were first on the scene. The extent of damages wasn't known at press time.

Dr. Clovis Chappell To Open Revival Here

Dr. Clovis G. Chappell, recognized over the nation as one of the outstanding preachers of this day, will open a 6-day revival at the Friona Methodist Church Sunday.

Two services will be held during the week, one at 10:30 a.m. in the morning and one at 7:30 p.m. in the evening. In addition breakfasts for men are planned Tuesday and Thursday morning at 6:45 a.m.

The Rev. Alby J. Cockrell, presently pastor of the First Methodist Church in Hereford,

will be in charge of music during the revival.

Dr. Chappell is known for his unique insight into biblical truths and his unusual ability to apply these truths to the lives of men and women has gained him a large following not only among ministers, but among laymen as well.

Dr. Chappell retired from active pastoral work in 1949 after 40 years in the field and during that time served two of the largest churches in Methodism, the Highland Park Methodist Church in Dallas and the First Methodist Church of Houston.

In addition he served as pastor in Washington, Memphis, Birmingham, Oklahoma City, Jackson, and Charlotte.

After his retirement in 1949 he began devoting his time to writing and guest preaching.

As a writer, Dr. Chappell has authored some 27 books, some of which are found in preacher's studies of all denominations.

Dr. Chappell received his education at Centenary College and Duke University.

Rev. Cockrell is well-known throughout the Northwest Texas Conference of the Methodist Church for his evangelistic

Spring Fever Presented Thursday

"Spring Fever" is the name chosen for the pre-Easter style show to be given Thursday, Feb. 19. Sponsored jointly by the three federated women's clubs, the fashion extravaganza will be "em-ceed" by Mrs. Hollis Horton, president of Progressive Study Club.

Local merchants are participating by furnishing all the clothing to be shown by Friona models, who range in age from toddlers to grandmothers.

Hursts, Wares, Fosters, Lunoras, and Jarrells are the hometown stores making possible the "Spring Fever" showing.

Members of the Progressive Study Club, the Modern Study Club, and the Friona Woman's Club will have tickets for sale. Prices are \$1 for adults and 50 cents for children.

Appropriate stage decorations and music will be a part of the style show, according to the co-chairmen, Mrs. Dan Ethridge and Mrs. Charles Allen.

Sportswear, casual attire, formal, dressy clothes, and street wear will be modeled. "Spring Fever" is being presented in the auditorium Thursday, February 19 at 8 p.m. Proceeds will be used for maintenance and repair of the Friona club house.

2 BUILDING PERMITS ISSUED AT CITY HALL

Two building permits were issued during the week ending February 17 at the City Hall.

One, for the construction of an addition to the Assembly of God Church, measuring 18 x 20, for estimated price of \$2,500 and the other permit was issued to Steve Struve for the construction of a residence at an estimated cost of \$28,000.

Police Raid Gaming Hall

Eight Latin Americans were arrested following a raid at the labor camp south of Friona about 1 a.m. Sunday morning by Officer Ben Moorman and Deputy Sheriff Henry Minter.

About 16 men were brought to the City Hall, but only eight of the group were charged with gambling.

The eight, which included Satero Medina, George Gonzales, Capetilla Lopez, Abel Gomez, Medrana Miguel, Carlos Rivera, Leandra Avila and Conrada Perez, all plead guilty before Justice of Peace Thelma Jones.

Friona Man Charged In New Mexico

A Friona man, Bill Camp, was charged with contributing to the delinquency of a minor in Quay County, New Mexico, Sunday and was carried to Farwell for action Tuesday afternoon.

The charges grew out of the arrest of a carload of Friona teenagers Saturday night by Night Patrolman Ed Dukes.

Officer Dukes apprehended the four boys and two girls about 10 p.m. Saturday night in Friona and found in their possession about two and a half cases of beer.

Police Chief Ben Moorman was notified and after questioning, the teenagers told Clark purchased the beer for them at Grady, N.M., earlier in the evening.

The group of boys and girls

left for Grady about dark, they said, and ran into Camp who they knew, when they arrived in Grady.

They told officers they asked Camp if he would buy them some beer and gave him \$16 which he took, bought three cases of beer and brought it out to their car.

They returned from Grady and were picked up shortly afterward by Dukes.

Monday morning the six teenagers appeared before County Juvenile Officer Loyde Brewer who put them all on probation for their actions.

He pointed out that any recurrence would carry severe penalty. Camp was taken to Farwell Tuesday awaiting extradition to New Mexico.

Burglars Steal \$50 From Meeks

Burglars made off with about \$50 in cash from Meeks Service Station in Farwell Tuesday night of last week.

Entrance to the business, which is on Highway 70-84, was made through a rest room window. The cash was taken from the cigarette machine. Also missing were cigarettes and candy.

The same night, the soft drink machine in front of Roberson Service Station on the same highway was tampered with, Sheriff Chas. Lovelace reports.

The burglary in Farwell came on the heels of four break-ins which were committed at Friona the week before. Sherman's Cafe, OK Rubber Welders, Adams Drilling Co., and Dave Smith's Body Shop were entered. Nothing was taken "to speak of" except at the cafe. Approximately \$100 was taken from the cigarette machine and cash register there.

Calvin Young was arrested in Farwell Sunday and charged with drunkenness. He was fined \$20.50 in Justice of the Peace J. R. Thornton's court Monday morning.

Candidates Must File By Mar. 4

Names of candidates for Parmer County board of school trustees must be filed 30 days prior to the election, which is scheduled April 4. This announcement was made by Loyde A. Brewer, county judge.

Terms of three trustees on the county board are expiring this year. They are J. L. Shaffer, Friona; Joe Wilson, Bovina; and Clyde Magness, Farwell.

Terms of Matt Jesko, trustee from Lazbuddie School District, and Bill Sherley, trustee-at-large, still have one year to run.

The name of a candidate may be filed by submitting a petition bearing the names of six qualified voters at the judge's office.

Until 1958, it was necessary to file names of candidates only 10 days prior to election. However, this time was extended to 30 days in 1958, Brewer says.

Also, names of candidates for trustees of independent school districts at Farwell, Bovina, and Lazbuddie must be filed at the county judge's office by

WSCS Circles Meet Jointly

The regular joint meeting of the circles of the WSCS of the Friona Methodist Church was held in Fellowship Hall Tuesday morning. Hostesses were Mesdames Dorothy Hough and H. C. Kendrick. The meeting was opened with prayer led by Mrs. James Boyle.

Mrs. Andy Hurst, vice-president, was in charge of the meeting. The devotional "Prodigal Sons" was presented by Mrs. Dick Rocky.

Members present were Mesdames Jim Shaffer, Joe Moyer, Roy Slagle, Dick Rocky, Coy Patton, James Boyle, Bill Stewart, J. K. Anthony, Mack Bainum, Dorothy Hough, George Jones, Jake Lamb, M. B. Buchanan, Hugh Blaylock, Will Osborn, H. C. Kendrick, A. R. Whately, Andy Hurst, Ernest Anthony, and Howard Ford.

The Paul Halls, Deon Awtreys, and Marion Fites left Thursday afternoon for a long weekend at Tres Ritos, N. M. They planned to spend a great deal of time on the ski run. The group returned to Friona late Sunday.

Monday evening supper guests in the home of Mr. and Mrs. Calvin Martin were Mr. and Mrs. Eugene Nidey and daughters and Harold Nidey, Lois Nidey, and Jerry Eskew of Amarillo.

MOD Nets Near \$4M

Parmer County's contributions to March of Dimes drive which was conducted during January totaled near-\$4000. Cary Joe Magness, county campaign director, made the announcement at a regular meeting of the county chapter of the National Foundation Tuesday night in Bovina Restaurant.

Community contributions were Black, \$202.93; Bovina, \$935.45; Friona, \$893.77; Farwell, \$955.82; Rhea, \$202.05; Hub, \$128.30; Lazbuddie, \$210.57, and Oklahoma Lane, \$68.

These amounts added with

\$72.33 which was collected through mail solicitation total \$3674.22.

This is almost \$2000 more than last year's drive netted.

Raymond Euler, chapter president, presided at the Tuesday night session. He explained health scholarships which the Foundation is offering. Junior or senior students who are interested in the scholarships should consult their superintendents, he said.

Magness expressed his appreciation for cooperation of workers during the drive.

Present were Mr. and Mrs.

Troop 56, Explorers Guests Of Lions Club

Eighteen Boy Scouts and four Explorer Scouts plus Scoutmaster Johnny Nazworth and Raymond Fletcher, district field executive for the Scouts were guests of the Friona Lions Club at their regular meeting last Thursday night.

At the meeting charters of the Explorer Post and Troop 56 were presented by Deon Awtreys, "Boss" Lion and president of the local club. Nazworth received the charter on behalf of the Troop

56 and Ira Bruce Parr received the charter for the explorers.

Following an introduction by Fletcher Troop 56 scouts presented a Tenderfoot investiture ceremony where several of the scouts received their Tenderfoot badges.

Fletcher then told of the scout's new program for older boys, the Explorer program.

In addition to this talk Parr showed films which explained how boys all over the nation carry out the explorer program.

Lewis Infant Buried Friday

Funeral services were conducted at the Muleshoe cemetery at 2:30 p.m. Friday for Debra Jean Lewis, infant daughter of Mr. and Mrs. Leonard Eugene Lewis of that city. She was born about 11 a.m. Thursday, weighed about 2 lbs. and died at 3 p.m. the same day.

Immediate survivors, other than her parents, include Mr. and Mrs. B.D. Beavers of Hereford, maternal grandparents, and Mr. and Mrs. R. L. Lewis of Route 3, Muleshoe, paternal grandparents.

Rev. M. Alvin Askins, pastor of the Assembly of God Church in Friona was the officiating minister. Burial was in the Muleshoe cemetery under the direction of Singleton Funeral Home.

Raymond Euler, Mr. and Mrs. James Mabry, Mr. and Mrs. Joe Jesko, C. J. Magness, Hugh Moseley, and Dolph Moten.

The Wednesday afternoon meeting of the Friona Home Demonstration club was held in the home of Mrs. Earl Drake. Jimmie Lou Wainscott of Farwell presented a demonstration of preparing a meal for a family. After the meal was prepared, it was served to those present.

During the business meeting plans were made for the sale of coffee, cakes, and pies at farm sales as a fund raising project for the club. The next meeting will be in the home of Mrs. Waymon Wilkins with Mrs. Juanita Drennan as hostess.

Those present were Phyllis Sanders, Christine Williams, Marlene Drake, Joyce Wilkins, Jo Nell Sims, Velma Jones, Elwanda Campbell, Carol Hardesty, Juanita Drennan, Stella Shirley, Juanice Taylor, and Stella Varner. Roll call was answered with a valentine memory.

At the Thursday afternoon meeting of the Hub Home Demonstration Club plans were made for a Valentine party at the Community Center Saturday evening of this week. The theme of the party will be Back To School.

The program on landscaping with trees and shrub was presented by Peck Stringer and Genny Bingham. Refreshments of coffee and cake were served by the hostess, Christine Shirley.

Those present were Jinx Snead, Velma Cannon, Francis McGuire, Peck Stringer, Lydia Tomlin, Genny Bingham, Alma Lou Cannon, Connie Bingham, Taleta Mabry, Athelea Neel, Ila Daniel, Helen Fallwell, Mildred Walters, and the hostess.

The final count on the March of Dimes drive in this community was \$202.05.

The Lynn Shields family spent the February 6th weekend with the mother of Mrs. Shields and other relatives and friends in Clinton and Cushing, Okla.

Kay McKee from Friona spent Sunday with Lindy Dean.

Mr. and Mrs. Billy Jack Gibson and family spent Sunday visiting Gibson's mother in Lubbock.

Mr. and Mrs. Chris Goetz and Gary were Sunday dinner guests in the home of Mr. and Mrs. Florian Jarecki.

Lawana Houlette of Friona was a weekend guest in the home of Marilyn Potts.

Mr. and Mrs. J. R. Schlenker, Patsy and Monica of Portales and Gayle Potts of Rosedale spent Sunday of last week visiting in the home of Mr. and Mrs. Cordie Potts and children.

Mr. and Mrs. E. O. Woolver of Sudan visited in the home of Mr. and Mrs. Walter Schueler Wednesday evening. The Woolvers are Mrs. Schueler's parents.

THE BULWARK OF A COMMUNITY IS ITS CHURCHES

A THOUGHT FOR THE WEEK

FORGIVENESS

Some of the greatest passages in the Bible depict the forgiveness of God toward a rebellious people. When the nation, Israel, departed from the faith, God was always ready to forgive them when they repented and asked His pardon.

The victorious life of a Christian must include forgiveness. In the hurry of our modern world we oftentimes forget the joy of forgiving those who offend us some way. Grudges arise within us because of some small slight from a fellowman. If these grudges are left to grow, they turn into dislike and eventually into hate; then we have an enemy.

How much better off we would be if we could forgive those things as they happen and then forget about them completely. May we take an example from Stephen, who prayed as he was being stoned, "Lord, do not hold this sin against them."

THE WOMEN

Texas Day Program Presented Wednesday

The program of the Friona Woman's Club meeting Wednesday afternoon at the club house featured "Texas Day." Mrs. S. E. Beaton, vice-president, presided over the business meeting. The roll was called by Mrs. Joe Moyer. Members answered with outstanding Texas personalities.

The quotation used was "Texas is a strategic state in the United States and has great influence in the world." -- Billy Graham. Mrs. Bert Shackelford spoke on "Wild Life in Texas" and Mrs. V. R. Jordan discussed minerals found in this state.

Special music was presented by Karen Turner, who presented two vocal numbers, and Pat Foster, who presented several piano selections.

With a vote of regret two resignations were accepted. They were Mrs. W. A. Tinney, who has recently moved to Lubbock, and Mrs. Mabel Jones, a teacher in the local school. Three new members were ac-

cepted into the club. They were Mesdames Elmer Lowrie, Wesley Hardesty, and Bill Baxter.

Flowers were sent to Mrs. Lem Miller, who is a patient at the Parmer County Community Hospital, and Mrs. M. Linda Schlenker, who is ill at the home of her daughter, Mrs. Amelia Rankin, at Clairemont, Calif.

This club is co-sponsoring a style show at the high school auditorium at 8 p.m. Thursday, February 19. Tickets may be obtained from any member of the club. Admission prices will be adults, \$1 and children 50 cents. Any student from the first grade through high school will be admitted on a children's ticket.

Congaled salad, salad wafers, tea, and coffee were served by the hostesses, Mrs. H. C. Kendrick and Mrs. F. L. Reed.

The poor ye always have with you.

HUB'S ANSWER TO FRIONA'S THIRD GRADE --- This was a partial group Saturday night. Partial that is to any funny bizness which may come along. They all got a little big for their britches, however, for just before this picture was taken they fell through a table on which some of the group were "posing."

Spelling Bee Featured At Valentine Party

The highlight of a "Back To School" party at the Hub Community Center Saturday evening was an old fashioned spelling bee. The party, which was planned by members of the Hub Home Demonstration Club, honored their husbands and other guests.

The entire evening was typical of a day in a school room a few years ago. The teacher Bill Wooley, began the day by calling the roll. Those present answered with full names and it was learned that there

are a lot of nicknames used in the community.

Costumes depicted the first day of school of the wearer. The entire group participated in the pledge of allegiance to the flag, a history class, and a Valentine box. During recess time games of marbles, drop the handkerchief, and basketball were played.

Host couples were Rene and Jinx Snead, Weldon and Peck Stringer, and Jack and Lydie Tomlin. Others present were

T. I. and Melba Burleson, Albert and Alma Lou Cannon, Aubrey and Velma Cannon, Eugene and Dorothy Ellis, Buck and Helen Fallwell, and Lunie Fleming;

Also John and Jo Hand, Wes and Billie Long, Otis and Athelea Neel, Leonard and Jo Nettles, John and Lavon Renner, Johnnie and Elthis Hand, and Bill and Fadine Wooley.

The next community wide party will be at the Community Center March 21.

Using a Valentine theme, the colors of red and white highlighted a bridal shower honoring Mrs. Jimmy Hawkins, the former Johnnie Nowell, Wednesday February 11 at 2 p.m. in the Fellowship Hall of the Lazbuddie Methodist Church.

Guest were registered by Miss Clo Ann White in a red velvet heart shaped guest book. Covering the serving table was a tatted cloth over white. Large red and white lace and net hearts were arranged around the two three branched candelabra holding white candles.

A miniature bride and groom stood in the center of the table before a large lace heart, holding the inscriptions "Johnnie and Jimmy, January 24," the date of their wedding. Corsages of Kitchen utensils tied with red satin bows arranged around the room completed the red and white theme. These were presented the honoree after the shower.

Hostesses were Mrs. J. D. White, Mrs. Gordon Duncan, Mrs. Bill Brown, Mrs. Willie Steinbock, Mrs. Ira Wimbereley, Mrs. Raymond Green, Mrs.

Barney Floyd, Mrs. Theron Vaughn, Mrs. Eulan Parhams, Mrs. C. D. Gustin, and Mrs. J. D. Carpenter.

Attending were Mesdames Ed Steinbock, Virgil Teague, Frank Hinkson, Elbert Nowell, John Gammon, Joe Briggs, Fred Gallman, Leonard Smith and Debbie; Leland Gustin, Donald Runyon, J. R. Stout and Dana of Plainview, Jack Smith and Jack Finley, N. M. McCurdy, Ray Lawhorn, James Cole, Claude Blackburn, Abe Malouf, Ernest Nowell and Mrs. Arnold Peterson of Lubbock. Also Misses Janice Oliver, Mona Hall, Glo Ann White, Kay Ann Smith, and Jan Nowell and

Granddaughter Of T. J. Crawford Honored

Word was received by T. J. Crawford, long time resident of Friona that his granddaughter, Doris Watson, had been chosen Student of the Month at Draughon's Business College in Amarillo. Miss Watson is the daughter of Mr. and Mrs. A. C. Watson of Tucumcari.

Mrs. Watson is the former Dorothy Crawford of this city. Doris, who is 18, was chosen for above average grades, attitude, attendance, good grooming, and dependability. She is a graduate of Tucumcari High School and entered Draughon's Business College in June of 1958. She will complete the executive secretarial course in March of this year.

This is the first student of the month award given by the college.

Henry Whites Honored Sunday

Mr. and Mrs. Henry G. White were honored with a housewarming in their new home on West Seventh Street Sunday afternoon. Hostesses were Mesdames Clarence Martin and C. D. Carter of Friona; Otis Huggins of Farwell; Kenneth Heady of Lubbock; and O. B. Deatherage of Happy.

Those attending and sending gifts were Mr. and Mrs. J. G. White and Mr. and Mrs. Buster White of Stephenville; Mr. and Mrs. Dallas Earl Coldiron and Mr. and Mrs. Roy Hart of Amarillo; Mr. and Mrs. Kenneth Heady of Lubbock;

Also Mrs. Grace Hart, Mrs. A. O. Drake, Mrs. A. S. Curry, Mrs. F. L. Reec, Mrs. Bud Elmore, Mrs. L. D. Pope, Joy Crow, Frank Ready, and Mr. and Mrs. W. S. Crow;

Also Mr. and Mrs. John Bradley, Mr. and Mrs. Ralph Roden, Frank Truitt, Lillian Williams, Lois Dennis, Mrs. W. B. Norwood, Camille Laceywell, Midge Crow, Mary Lawson, Ruby Barnett, Tom Lewis, and Opal Rogers.

Did You HEAR Who's HERE?

The following births were recorded by the Parmer County Community Hospital during the week ending February 17:
Boy, born to Mr. and Mrs. James R. Bartlett of Rt. 1, Friona February 2 at 1:45 a.m., weighing 10 lbs. 8 1/4 ozs.
Girl, born to Mr. and Mrs. Howard C. Whitener of Rt. 1 Texico N.M. February 11 at 9:40 a.m., weighing 6 lbs. 8 ozs.
Girl, born to Mr. and Mrs. Early Earnest Beavers of Rt. 1 Friona February 12 at 1:40 p.m., weighing 8 lbs. 11 ozs.
Girl, born to Mr. and Mrs. James D. Cooper of Star Route, Bovina, February 12 at 2:44 a.m., weighing 7 lbs. 2 ozs.

Girls! Girls! More Girls!

During the 23 years since J. L. Stowers and Mary Young married, there have been seven babies born into the family -- all of them girls.
When the first daughter was born, the young couple was not too concerned and took the attitude, "Oh, well, maybe the next one will be a boy."

When Maldean, the first daughter, was about two, the stork made another visit to the Stowers home.

Did he leave a girl?
No!

This time "it" was twins -- both girls, named Arlene and Darlene. Then about three years later, another daughter, Ineta, was born to the couple.
The "all girl" trend goes on in the second generation. Maldean, who is now Mrs. H. G. Houston, has a daughter, Debie, who is two; Darlene, who is Mrs. Robert Dickey, has a three months old daughter, Diane; and last week Arlene, who is Mrs. Ernest Beavers, became the mother of a baby girl, who was named Yondale.

Mr. and Mrs. E. H. Cummings left Saturday for an extended vacation in Tuscon, Phoenix, and other points in the southwest. They expect to be gone several weeks.

WITH JUNE

Just about everyone in town seems to be proud of the record made by the Friona basketball girls teams this year. The Squaws, the seventh grade girls, and the eighth grade girls all won first place in the district and received trophies.
Local fans are predicting and hoping that the Squaws go even farther in their competition this year than they did last year. As has been said many times before, "Everyone loves a winning team." Frionans are no exception to this rule.

Another rule that almost never fails is "There's always a cloud on every horizon." The cloud on this one came to us by way of an anonymous telephone call. The caller was deeply concerned over what she termed "the favoritism shown the girls and neglect of the boys."

Surely most of our readers know that we can only print the news that we can gather from reliable resources and that there is a limit to the things we are able to find out each week. It is not the intention of the staff of the Star to neglect or show favoritism to any individual or group.

Any time any of our readers know of any event of interest we invite them to call us and report the event or give us a tip so that we can obtain the needed information.

So many of our readers are so nice and cooperative that our job usually is very pleasant and we do appreciate their thoughtfulness. The favorite expression of our editor, Dave McReynolds, when unpleasant situations arise is, "It is always chicken one day and feathers the next."

To the readers who have inquired about the absence of news from the communities of Lazbuddie and Black we would like to make an explanation. At the present time we do not have regular correspondents in these two communities.

If there is anyone in either community who would be interested in reporting the news for the community, we would certainly appreciate a call or letter. Or, if it would be more convenient, we would appreciate a visit to the office.

Two of the cleverest valentines that came to our house last week were hand made and very pretty. Our two school girls began their schooling in the first grade room of Mrs. John Bengner, who still teaches one section of the first grade here.

Mrs. Bengner used white heart shaped paper doilies, red construction paper, red ribbon, and a picture of herself to make the valentines. Geneva and Frieda were both very proud of the ones they received.

Another home town service is being offered the farmers of this area. J. H. Chandler held the formal opening of his O. K. Rubber Welders shop Saturday. In addition to the tire repair business, he will offer to the Friona trade territory a complete line of new and used tires for cars, trucks, pickups, and farm implements.

Mr. and Mrs. Chandler and their two children, Gerald and Lyndia, recently moved here from Littlefield. Gerald is a freshman in Friona High School.

except for some piles of manure will soon be green with vegetable plants.

Several interesting things are being planned for Public School Week, which isn't too far away. Everyone should plan to visit our school during that week, but parents should make a special effort to take advantage of this opportunity to learn more about the place where children spend so much time.

If you wish to be happy, we'll tell you the way: Don't live tomorrow till you've lived today.

Churches Training School

A cooperative group training school is being planned by Baptist Churches of Parmer County.

Meetings will be in Bovina First Baptist Church each evening at 7:30, Monday, February 23, through Friday, February 27.

Rev. Don Reed, pastor of West Side Baptist Church, Sweetwater, will be in charge of the training school. Churches participating will be those of Farwell, Friona, Lazbuddie and

Oklahoma Lane.

Reed is a graduate of Wayland Baptist College, Plainview, and of Southwestern Baptist Theological Seminary. He was listed in Who's Who in American Colleges while at Wayland and was leader of Texas Baptist Invincibles from 1954 through 1956.

Jack Jeter, pastor of the Bovina Church, says that a special book will be offered for each age group. Everyone is welcome to attend.

Junior Music Festival Slated

The annual junior festival, Seventh District Texas Federation of Music Clubs will be held in two divisions, at Lubbock and at Hereford. Miss Mary Dunn will have charge of the Lubbock festival on April 4.

Mrs. A. J. Schroeter, chairman of junior festivals, will have charge of the Hereford festival, which will open at 8:45 a.m. on March 14 at the First Methodist Church. Entries should be sent to Mrs. Schroeter by Feb. 27. Additional information concerning the festival may be obtained by writing to her at Hereford.

Entrants, who come from all over the Panhandle, have a chance to be rated on their performances to see whether they have improved in the past year. They are not competing to see who is best in a certain class.

Rating of superior, excellent, very good, and fair may be given to any number of entrants.

The festival is for the purpose of encouraging the study of good music.

Friona 4H Girls Meet

The Friona 4-H girls met in the home economics department of the Friona High School Tuesday afternoon with three leaders, Mrs. James Mabry, Mrs. C. W. Tannahill, and Mrs. Vernon Roberts present.

Visitors were Jimmie Lou

Wainscott of Farwell, Mrs. George Jones, and Mrs. Jack Shirley. Kathy Jones and Judy Shirley presented a demonstration on making brownies. Terri Sue Mabry and Susie Carmichael demonstrated the preparation of grape egg nog. Connie McKinney demonstrated basket making.

During the business meeting, which was presided over by Connie McKinney, vice-president, Sherri Tannahill was elected president to fill out the unexpired term of Judy England, who has moved to California. Frieda Floyd, Reporter

Ralph Sheltons Adopt Baby Girl

Mr. and Mrs. Ralph Shelton and Rex returned home Friday after adopting a baby girl, who is almost ten months old. She has been named Tammie Kay and will be one year old April 22.

The Shelton's son, Rex, who is also adopted, came to live in the Shelton home at approximately the same age. He is now 2 1/2 years old.

Mrs. Nora Welch was admitted to the Deaf Smith County Hospital at Hereford Monday morning as a medical patient.

VALENTINE PARTY HONORS HUSBANDS

Members of the Hi-Point Home Demonstration Club entertained their husbands with a valentine party at a Clovis cafe Friday evening. Special guests were Mr. and Mrs. V. R. Jordan of Friona, Jimmie Lou Wainscott of Farwell, and Helen Hamilton who attends Eastern New Mexico University at Portales.

Others attending were Mr. and Mrs. Harry Hamilton, Mr. and Mrs. Lloyd Rector, Mr. and Mrs. Dan Tims, Mr. and Mrs. Billy Dean Baxter, Mr. and Mrs. Doyce Barnett, Mr. and Mrs. Lloyd Mingus, Mr. and

Baby Girl For M. P. Bennetts

Mr. and Mrs. Milburn P. Bennetts became parents of a baby girl at the Parmer County Community Hospital at 12:45 a.m. Monday of last week. She weighed 6 lbs. 14 ozs. and was named Brenda Diane. The Bennetts have three older children, Carol, Myrna Cay, and Mary Beth.

Brenda Diane's grandparents are Mr. and Mrs. Leon Hart of Friona and Mr. and Mrs. T. F. Bennett of Granbury, Texas.

Mrs. Glen Mingus, and Mr. and Mrs. Lee Renner.

Valentine Party Honors Husbands

The women of the Woman's Society of Christian Service of the Friona Methodist Church honored their husbands with a supper and valentine party in Fellowship Hall Friday evening. Hostesses were members of the committees on Christian social relations and status of women, Mesdames Arthur Drake, I. T. Graves Jr., O. C. Jones, Floyd Rector and Buddy Squyres.

The dining tables were covered with white linen cloths and centered with large red hearts

flanked by roses. Other decorations also carried out the valentine theme. After the meal, couples played progressive 42.

Those attending were Messrs. and Mesdames W. M. Stewart, Dick Rockey, Joe Collier, Hugh Blaylock, Ray Whatley, Wes Long, Mack Bainum, Ernest Anthony, Tommie Jones, Kenyth Cass, Guy Latta, Jesse Sinclair, George Jones, and J. H. Boyle.

Also Messrs. and Mesdames D. H. Nelson, Arthur Drake, O. C. Jones, I. T. Graves Jr., Floyd Rector, Buddy Squyres, E. S. White, W. H. Ford, Wayne Jones, Joe Moyer, and A. W. Anthony.

Also Mesdames Billy Sides, Roy Slagle, Lucy Vestal, and Bertie Stowers.

Mr. and Mrs. Miles Robbins of Pierre, S. D., Clarence Baxter of Rye, Colo., and Joe Baxter of Walsh, Colo., visited in the homes of Mr. and Mrs. J. W. Baxter and other relatives and friends last week.

Visitors in the home of Mr. and Mrs. J. L. Stowers and Ineta last week were Mrs. Robert Dickey and daughter, Diana, of O'Donnell and Mr. and Mrs. N. E. Stowers of Levelland. Mrs. Dickey is the former Darlene Stowers.

THE HIGH PLAINS FARM AND HOME

Farmers Serious About Decision On A, B Plans

BY W. H. GRAHAM JR.

Cotton farmers in the Parmer County area are getting downright serious about deciding how they feel about the so-called A and B plan for 1959. They are only slightly over three short weeks away from having to make up their minds, and so they are garnering all the information and counsel they can from both official and unofficial sources to help them do the right thing.

Meetings were held across the county this week by County Agent Joe Jones and ASC Manager Prentice Mills to disseminate information. The sessions were well received at all points and good crowds turned out to help ponder the possibilities.

In a nutshell, here is the way things are shaping up this week:

1. After reducing the potential to paper and being objective about the possibilities, there is a growing (and noticeable) reluctance on the part of more and more farmers to risk a relatively good price for the expanded production but less predictable price of cotton grown under the B plan.

2. The grain sorghum support price, which could still be an important factor in deciding which way farmers will turn, is back in the news. Last week

Farm and Home reported that the support would not be made known until "after March 16" (the deadline for deciding on A or B cotton). This week the USDA has apparently softened and indicated that the support will be announced within the coming week, or, at least, within time for farmers to think over that part of things before they make a choice on their cotton.

3. The first apparent flexibility of the A and B plans, which seemed as if they might become weather insurance plans of a sort, allowing farmers to switch, for example, from B to A in the event of a severe hail, is now being given little chance for having an application that would be of practical benefit to a farmer under such adverse conditions.

4. The fact that of about 1200 cotton allotments in the county, more than 500 are for fewer than 25 acres each. In general, B plan has its biggest appeal to the biggest cotton farmers. A 40 per cent increase in acreage is significant for a farmer with a good-sized allotment. On smaller farms, though, where unit costs are usually higher, the desire to have more cotton is largely offset by the knowledge that it may be substantially cheaper cotton.

5. Statistics released by the county agent show conclusively that sizeable portions of the area cotton crop do not command prices at the top of the scale and that grades that could be expected under normal conditions might be uneconomic if produced under B plan support prices.

About 80 farmers gathered at Lazbuddie to hear details of the new program. There were about 55 at the Hub meeting, and about 70 at Bovina. Mill said he considered the meetings very successful. "We got the word out to most of the leaders of the communities," he believes.

Some information brought out at the meeting which is helping farmers decide (supplied by the county agent):

During 1952 through 1955 Parmer County produced 169,637 bales. The average lint produced per acre was 583 pounds. Of that cotton, 42.6% was white, 53% spotted, and 3% tinged, and 45.6% graded middling spot and strict low middling spot.

Under B plan, if the quality of the cotton should decline because of weather or other factors (as it did in 1957) the price would be reduced drastically.

Here are points made by Mills: During the period August 1, 1959 through July 31, 1961, Commodity Credit will offer any cotton owned by the Corporation for sale at NOT LESS

THE INSIDE DOPE is given farmers on the A and B plan for cotton at a meeting Monday night at Bovina. It was one of three meetings held in Parmer County to acquaint farmers with the features of the new program. This is Prentice Mills, manager of the ASC office.

than 110 per cent of the CURRENT level of price support for cotton produced on farms with Choice (B) allotments.

Which means that for the 1959 marketing year Commodity Credit Corp. will offer any cotton owned by it for sale at not less than 71.5 per cent of parity. Keep in mind that this is the minimum and not the maximum that they may ask for the cotton.

If a person is the operator of a cotton farm on March 16, 1959 and has elected Choice (B) for such farm and becomes the operator of another farm after March 16, 1959 for which

either Choice (A) or (B) is in effect such person CANNOT change to Choice (A).

The election of Choice (A) or Choice (B) farm allotment by the farm operator is binding on all other producers on the farm.

We are not concerned with which Choice you make, but that you understand the plans before you make a choice. To help clarify some points of the two plans here are some "Cans" and "Can't's" to keep in mind.

You CAN sell Choice (A) cotton on the open market or to Commodity Credit Corporation whichever is to your advantage.

You CAN sell Choice (B) cotton on the open market or you may obtain a Commodity Credit loan whichever is to your advantage.

If you own two or more farms and you operate ONE of them and a tenant (s) operate the other you CAN choose plan (A) and the operator of the other may choose plan (B) or vice versa.

You CANNOT change your election of Choice (A) or Choice (B) after March 16, 1959, EXCEPT that the operator of a farm for which Choice (B) is elected may file an application to change such election to Choice (A) in extreme hardship cases. Specifically, you must have been prevented from timely planting or REPLANTING or from having ANY cotton for harvest IN EXCESS of the Choice (A) allotment. Such conditions are LIMITED to excessive rain, flood, hail or drought.

IN A HUDDLE are (with back to camera) County Agent Joe Jones and (left to right) Warren Embry, Doyle Vaughn, and Arlin Hartzog. There was plenty of study given to the pros and cons of the new cotton plan by everyone who attended.

Young Farmers To Receive Cotton, Sorghum Awards

Young Farmers To Receive Cotton, Grain Sorghum Awards 24s

Parmer County's finest young farmers will be recognized at a special awards program at the Hub Community Center Monday night, February 23.

The awards night is a special event sponsored each year by the Grain Sorghum Growers and the Cotton Improvement Association of the county. This will be the climax of the annual contests sponsored by the groups to encourage young farmers to excel in the production of the two commodities.

Both 4-H and FFA boys will be honored for their efforts during the year. Individuals with high production records will be singled out for special recognition.

Cash, plaques, and ribbons make up the prize list.

This is the third year for the program. Interest has mounted each year as the youngsters have been stimulated to excel. Production is the criteria for winning, but a youth who participates in the contest learns more than just how to grow a lot of cotton or milo.

He learns about his soil's capabilities, about irrigation and fertilization, and, perhaps most important, about proper record keeping as a means of determining the true economics of farming.

Achievement Program February 21 at Hub

Parmer County 4-H members and leaders will receive recognition for outstanding work at an achievement program February 21 at 8 p.m. in Hub Community Center.

Guest speaker for the annual event will be Cotton Jong Smith of KGNC and Edith Lois Wilson, district home demonstration agent, will make the awards. Other phases of the program will be presented by 4-H members and Barbara Rea of Bovina will be mistress of ceremonies.

All county 4-H members, their parents and friends, are urged to attend, says Joe Jones, county agent. Following the program will be a brief social hour featuring games and refreshments. Coffee, cold drinks, and doughnuts will be served by a committee headed by Mesdames James Mabry,

Truman Gleason, and Leon Billingsley.

THE PARMER FARMER

by W. H. Graham Jr.

It is an annual custom of ours, in this column, to report on early season attacks of "planting fever." We have noticed signs of it several times during the past week, and although the calendar certainly gives reason enough for shrugging these signs off, they are unmistakable just the same. It won't be very many weeks

before the boys will really have the itch to get some seed in the ground -- no matter what. Only one thing will cure planting fever, and that's to hook up the planter, pour in the seed, and start down the row.

At the cotton meeting in Bovina Monday night, we passed a few moments with some of the farmers there, trying to feel them out about conditions in general.

The most noticeable thing is the decided coolness with which the "B plan" for cotton farmers is being received. That is reported in a story elsewhere in Farm and Home this week.

One farmer made mention of a new cotton harvesting machine he had either heard or read about. It so happened that we brushed up against some of the promotion given the introduction of the machine a couple of weeks ago, so we listened attentively.

We were in Levelland at the time and noticed with considerable interest the publicity being given an industry being developed there. The deal, as we get it, is that a couple of Dallas men have invented a new-type mechanical boll puller.

Some South Plains people have bought up the royalty rights on the machine and it will be made in Levelland. It is a self-propelled unit and cannot be mounted on a tractor as the ordinary stripper can. The motorized chassis resembles that used for "high boy" sprayers.

We won't go into the supposed merits or demerits of this machine as compared with the harvesters now in use. The thing that strikes us as being interesting is that there are such a few items in the machinery line that are manufactured here in the Southwest.

We have a few specialized plow lines, some planters, at least one stripper and scads of attachments and odds and ends stuff, to be sure, but nothing really major. Nothing you could consider "heavy industry."

Well, maybe this new machine we're talking about isn't considered heavy industry either, but so far as we can recall, it's the first thing made that is motorized, complete, and a package deal ready to be put to work.

Well Drilling Statistics For December

County-Wide 4-H In Symcox Home

Countywide 4-H club met in the home of Mr. and Mrs. Vernon Symcox Monday, February 16. Joe Jones, president, conducted the meeting and Judy Billingsley, secretary, read the minutes.

Cooper Young gave a report on the March of Dimes rural drive. County total was \$223.54. Totals from various communities were Farwell, \$14.73; Oklahoma Lane, \$68; Bovina, \$17.24; Lazbuddie, \$108.01; and Friona, \$15.56. Members of the committee were well pleased with the results of their first county-wide effort.

Members also discussed the achievement program and party to be February 21 at 7:30 at Hub Community Center.

In observance of National 4-H Week, February 28 -- March 7, they will prepare an exhibit in the courthouse.

Pat Chitwood and Steven Young gave a demonstration on the results of poor eating habits. Present were five adults, 7 visitors and the following members:

Barbara and Virginia Rea, Judy and Janice Billingsley, Pat and Richard Chitwood, Cooper and Steven Young, Joe Jones, and Judy and Janice Hillock.

COOKING FOR TWO
Cooking for two presents problems whether you are newly weds or alone after the grown family is gone. The problem of what-to-serve is complicated by leftovers that accumulate.

Advance planning is just as important when cooking for two as it is for a large family, according to extension foods and nutrition specialists. Plan the week's menus ahead of time, but make them flexible enough for changes. If you decide on the main course the rest of the meal falls easily into place. The Texas Food Standard is a recommended guide for planning balanced meals.

Meat is usually the main item to consider. When possible, choose a meat that does double duty, such as a roast that can be served for Sunday dinner and used later in the week as cold roast beef slices for supper. Rib end of a pork loin is a triple duty meat. Have the butcher cut off two or three chops for a braised pork chop meal. Then roast the remaining piece and the leftover can be used a third time for a dish like Sweet-Sour Pork.

Space your menus well, so that you will not be eating the same kind of meat for three days in a row. Keep cooked

meat covered tightly or wrap in waxed paper or foil and store in the refrigerator. Do not handle it again until you are ready to use it.

Desserts need not be a problem when preparing meals for two. Fruit and cheese, ice cream and sherbert are favorites and easily adaptable for meals for two. Individual pie shells and the already-cooked pie fillings on the market today may be the answer to dessert problems.

GETTING THE MOST OUT OF TELEVISION

How is television affecting your family life? To take stock Mrs. Eloise Johnson, extension family life specialist, suggests a family conference on the matter. Consider the amount of reading being done by each family member, the quality of school work done by the children, the play and sleep habits of the family, and the amount of time the family spends talking together.

The U. S. Childrens Bureau lists six ways that you can use television to help members of your family:

Study the programs that your children like best and notice how they react to them. There may be clues to emotional needs that parents can help fill, such as more new experiences in actual life and more active normal friendships.

Share the programs with your older children. Discuss the stories and help them realize the difference between phoney and real-life situations.

Guard against radio and television as a child's only outlet for natural impulses for aggressiveness.

Notice if your children seem to fall back on TV because there is nothing better to do.

Encourage children to choose programs that sharpen their curiosity about important things such as science, travel and the lives of worthwhile people.

Use television to bring your family close together. When members must choose programs, share some and give up some, they learn to appreciate each others interests and rights.

PLANNING TAKES DRUDGERY OUT OF HOUSEWORK

Are you enjoying your home or is it pretty much of a drudge? Do you have time to relax during the day -- coffee breaks with the neighbors, for instance? Do you schedule your housework, or do you just let it happen?

Women who plan their work find it saves time and worry. Plan your work and work your plan this year.

AVERAGE WEIGHT OF ONE YEAR'S LAUNDRY

...put down that 2 TON LOAD !!!

Imagine!! Two tons of wet clothes a year -- I never thought of it that way before, but it's right. That's the average weight of a year's wash carried out to the clothesline. It just makes me tired thinking about it. Thank goodness, there's an easier way! An electric clothes dryer ends lugging that two ton load once and for all. What better buy could any woman make? What better buy could any husband make?

See the electric clothes dryer that your Reddy Kilowatt Appliance Dealer has for you. Stop carrying those heavy wet clothes.

THE HAPPY HOMEMAKER

BY JUNE FLOYD

The following admonition to keep our towns, cities, and countryside was printed in a recent issue of The Texas Clubwoman. If every homemaker who reads this would abide by these rules and encourage her husband and children to do likewise, Parmer County and its towns would be much more beautiful.

DON'T BE A LITTERBUG
LET'S all help . . . Keep America Beautiful

- Here's what YOU can do:
1. Carry a travel-trash container in your car.
 2. Dispose of your trash at home -- or in a proper receptacle wherever you are.
 3. Urge your community officials to provide sufficient litter receptacles -- conveniently placed.
 4. Encourage local educational programs to prevent litter.
 5. Set a good example for children -- habits are formed early.
 6. Ask your friends to join the fight against litter.
- Protect the nation's public beaches, parks and highways. More than fifty million tax dollars are spent each year just to remove litter from primary highways alone -- not to mention additional millions spent cleaning up towns, cities and public areas.
- *****
- For delicious punch to be

- served at a party or to members of your family on cold evenings, try the following recipe. This recipe serves about 30 but keeps nicely in the refrigerator for heating just before serving.
- PARTY PUNCH**
- 1 No. 3 tall can orange juice
 - 1 No. 3 tall can pineapple juice
 - 1 cup lemon juice
 - 7 cups water
 - 2 teaspoons lemon extract
 - 2 teaspoons vanilla extract
- Mix all the ingredients together and heat. Serve hot as tea or coffee.
- *****
- Most of the yeast bread recipes we have read, "Let rise until double in bulk." Just how can anyone tell when the dough in a bowl is "double in bulk?" In a recent list of household hints we read, this question was answered for us. Yeast dough is double in bulk when the impression on the top of the dough made by two fingers stays there instead of filling up.
- *****
- The next time the youngsters at your house want to cook outdoors, you might like to try the following recipe for Tuna Salad Rolls. These rolls may be made in advance, wrapped in foil paper, and stored in the refrigerator until time to heat them in a camp fire.
- Of course, these same rolls could be heated in the oven and served on the table. They are so simple to make that even an eight year old could prepare them.

- (frozen strawberries may be used if fresh ones are not available.)
- 1 cup sugar
 - 2 envelopes unflavored gelatin
 - 1/2 cup cold water
 - 1 cup hot water
 - 4 teaspoons lemon juice
 - 1/2 teaspoon salt
 - 4 egg whites
 - 1/2 cup sugar
 - 1 cup cream, whipped
 - lady fingers
- Mix strawberries with sugar. Let stand 10 minutes. Soften gelatin in cold water. Dissolve in hot water. Add gelatin, 4 teaspoons lemon juice and 1/2 teaspoon salt to berries. Cool. When mixture begins to thicken, add egg whites beaten with sugar.
- Fold in whipped cream. Line sides of a pan with lady fingers, pour in half the mixture, cover with more lady fingers, add remaining mixture. Top with lady fingers, chill. Unmold, garnish with whipped cream and whole berries.
- Be bright and jovial among your guests.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL - OUR STRENGTH

This year it appears that quite a bit of grass seeding will be done in Parmer County. Most of this work is the result of the conservation reserve of the soil bank program and the Great Plains Conservation Program with the aim to control wind and water erosion and for livestock to support future farm incomes.

Very likely some of this land was not productive under cultivation. It might have been too steep, infertile, too shallow or otherwise unfit for cultivation. Often there were areas that were broken out, cultivated for a while and then abandoned so that it might go back to grass. Of course, the good grasses did not come back and the cover that nature put on the land was almost valueless for grazing. Usually the land owner did

not realize that the land was unfit for cultivation before he broke it out. After it was farmed and later decided that it was unfit for cultivation, measures were not taken to establish it to a good native grass. As a result, erosion has taken its toll of the productivity of this land.

There is land in this county that is on the border line as far as cultivation and pasture is concerned. Perhaps the owner is undecided as to whether the land is best suited for cultivation or for pasture.

The Soil Conservation Service classifies all land into eight groups and bases all of its recommendations on this system. The first three land classes are suitable for cultivation with varying intensities of treatment. Class VI is marginal land capable of some cultivation, but better suited for grass. The next three classes are suited only for permanent vegetation. Class VIII land has no agricultural value.

The ability of the land to produce over a long period of time will depend on whether it is used according to what it is capable of producing. Find out what capability class your land is in.

NEWS FROM THE FARM BUREAU
By RAYMOND EULER

"Who can define the meaning of 'un-American'?" asked Chief Justice Earl Warren as he led the supreme court in reversing the decision of the California supreme court that had barred a former communist from practicing law in that state.

We highly recommend that you take every opportunity to listen to "Lifeline," a Washington, D. C., production, on KGNC Radio, every week day at 6:30 p.m., for a clear insight into some little known goings on in our capitol, and some real basic remedies proposed that you and I can help instigate.

Vice-president and Mrs. Jack Patterson returned from Dallas last week where they attended a membership rally. He reported that the "4 by 4" catch phrase advertising the meeting means that Texas Farm Bureau intends to gain four thousand members in 1959 to become the fourth largest Farm Bureau membership state in the union. Texas is now fifth and should be first, considering the potential of farmers.

We hope renewals for March will continue to come in by mail so there will be less driving for your neighbors the week of March 2nd. Use the

convenient return envelope.

Gilbert Kaltwasser, Jack Patterson and Roy Miller were to go to Levelland to a multi-county Farm Bureau conference Thursday. Among other things, the A & B cotton plans and milo probable prices were to be discussed. Bill Wiedemeyer, TFB research and promotion director, was to meet with them.

If you favor more appropriations for extension service in Texas, we suggest you write your senator and representative telling them so. One legislator said the request for additional appropriations by Texas Farm Bureau was the most unreasonable he had ever heard of.

Remember to file for the five cent per gallon tax refund on your farm used fuels right away before you forget it. There are those in Austin right now trying to take this privilege from you. Farm Bureau is trying to get the time allowable for claiming refund extended as well as eliminating the necessity for notarizing the claims, and making it a once a year deal instead of six months.

CONSIDER THIS: "A wise man is strong; yea, a man of knowledge increaseth in strength." Proverbs 24:5.

Farmers, Here's Facts About COTTONSEED DELINTING

By the wet acid process you need to know! Your seed can be fuzzy, Flamed, gas delinted, saw delinted or wet acid delinted. We recommend the wet acid process.

Here's Why:

1. Seed stays in contact with the acid for a period of only 30 seconds or less.
2. Water is used to neutralize.
3. Seed not eat the bags.
4. Wet or green seed can be safely delinted.
5. Can be safely stored and used for a period of several years.
6. Does a more thorough job on angular leaf spot and other seed borne disease prevention and control.
7. Heat is used only to dry seed after the acid has been washed off.
8. Planting 12 pounds per acre the cost is less than 10 cents per acre more than using the regular acid process.
9. More uniform planting.
10. More even stand.
11. Quicker emergence.
12. Plant faster.
13. Get bigger yields.
14. Gravity table floats out the weak seed.
15. Treating prevents seed rotting even in cold damp weather.
16. No sticks, stems, or lint to clog up the planter.
17. In warm soil seed will sprout in 12 hours--a stand can be had in 4 days.
18. Less moisture required for germination.
19. For only one lb. of lint cotton per acre you can have your seed delinted using the wet acid process--the safest of all types of delinting.

Parmer County Maize Gets Ready For Market ... ELECTRICALLY

Out at the Hub Grain Company Weldon Stringer, manager, says Willie Wirehand takes all the work out of handling Parmer County's bumper maize crops.

In picture one, above, we see a truck load of maize being dumped into the giant hopper where an electrically driven belt carries the maize over to the giant Leg in picture two, right, here Willie Wirehand carries 10,000 bushels of grain an hour to the top of the giant leg for distribution into the elevators, or to the flat storage building.

In picture three we see a bank of the aeration fans which keep air circulating through the huge flat storage building. Nine of these big fans, each driven by one of Willie's electric motors keep the grain fresh and ready for use.

Willie Wirehand Shows The "Easy Way" To Handle Grain

Finally at the request of a new owner the grain is augered out of the storage places by electrically driven augers, carried to the top of the leg again and dropped down into waiting trucks.

Willie Wirehand truly takes the backbreaking labor out of handling grain at elevators. Willie Wirehand serves these elevators in Parmer County: Tri-County Elevator -- Black; Black Grain Company -- Black; Continental Grain Company -- Parmerton Lloyd Prewett Grain Co. -- Black; Hub Grain Co. -- Hub.

Willie Wirehand is the symbol of your electric cooperative at work, for better farm living, better farm working, for economical power. Willie Wirehand is employed at the following elevators in Parmer County
