Retired teachers to meet Jan. 5

The Parmer County Retired Teachers and School Personnel will meet at 2 p.m. on Tuesday, January 5 at the Friona Interbank Community Room. Connie Slagle will present a program on the various methods she used to find the original owners of a 1930 era autograph quilt. Quilters as well as those interested in history and genealogy are invited to join the retirees for refreshments and a short program about Mrs. Slagle's research.

Commissioners meeting

Parmer County commissioners met Monday in Farwell. The next meeting is Monday December 21 at 10:00 a.m.

They heard an Extension Office report from Shana Fleming. Since the county does not have a Democratic party chairman they approved a joint resolution between County Clerk Gerry Bowers and Republican county chairman Bill White for counting ballots for the March 1 election.

Purchase of the property located at 509 Ave I in Bovina was discussed but no action was taken. County Treasurer Altha Herrington was reappointed as the investment officer. The county burn ban has been lifted for a while and after discussion it remains lifted. A salary adjustment for the Chief Deputy in the Sheriff's office was approved.

The third floor of the courthouse has been repaired and the district attorney, adult probation, and county auditor will have offices there.

Superintendent Austin announces retirement

At the Monday school board meeting Superintendent Kenny Austin submitted his resignation after 34 years with the Friona ISD. He told the board he would remain with the district until August 2016 or until a suitable replacement is hired and the transition made.

Austin came to Friona ISD in the fall of 1982 as a junior high 6th grade coach and science teacher. After three years he moved to the high school as assistant football and track coach and later became head coach for track and cross country.

He said he got out of coaching in 1991 and was the year-book sponsor and taught social studies. He served as assistant high school principal under Frank Belcher and became the high school principal in 1998 when Belcher went to Texline. He later moved to the administration office in charge of federal programs and technology coordination.

In 2006 he became the interim superintendent when Jim Parker retired and was subsequently hired as the permanent superintendent. Along with the board he has overseen many construction projects in the district including the building of the Activity Center at the high school, new roofs and air conditioning on all campuses, while keeping up with the many state and federal regulations.

He and wife Lori's future plans include moving to the Albuquerque area to be near their daughters Erin and Lacy and a new grandson. Austin is a native of Melrose, New Mexico.

Council discusses annexation, illegal signs, paving

The Friona city council met Monday December 14 in regular session with all present. Mayor Rick White presided.

During the opening public comments portion Ben Kirton addressed the council and thanked them for their service to the community and especially for the playground area at Reeve Lake and the construction of the turn lane and landscaping at Main and Highway 60.

A new city attorney was introduced to the council. He is Marcus Norris from the Underwood Law Firm in Amarillo. Mr. Norris served 15 years as the city attorney

in Amarillo.

Police Chief Isidro Jimenez gave the police report. In November the police made 18 arrests. Three of them were felonies. They made 217 traffic stops, wrote 81 citations and 131 warnings. The department received 326 calls for service in November.

The mayor was authorized to sign an interlocal agreement with the city of Hart for a \$90,000 sealcoating contract for the two cities. An agreement was reached with the Mariah Del Norte wind project to begin construction of a transmission line in May 2016. The city should realize

about \$3,000 per year in lease payments on city land the transmission line will cross.

A brief discussion was held on the expansion of the RV Park at Reeve Lake but no action taken. City employees Pam Mercado, the city human resources manager, and Rosa Mendez, deputy city secretary, addressed the council and explained their job duties.

Attorney Norris gave the council legal perspectives on the legality of signs and posters on public property. Garage sale signs, etc. attached to the poles along Highway 60 are illegal and are safety hazards.

He said the state could fine people that put such signs on the poles but not the city.

A discussion was held on procedures for annexing property into the city that are not paying city taxes. Norris outlined three ways the city could use to take action and annex property. Finally, a discussion was held on costs of paving a portion of Virginia St. where truck traffic has caused damage, using either public or private money. No action taken.

For more detail and information about city business read the Mayor's Minutes on page two.

Christmas cheer was spread from Friona to Iraq recently when Friona Junior High 6th graders and their teacher, Melodee Hansard, sent a collection of items, letters and handmade Christmas cards to Camp Taji in Iraq brighten their holidays while they are so far away from home.

LTC Terrance Newman sent back pictures of the soldiers of the camp and the following letter:

Mel,
 Thank you so much for the package you and your sixth-grade class sent to us. Everyone truly appreciates the support we receive from home and we were all glad to get the treats and especially the Christmas cards. We used the cards to decorate our wall where we have our tree.

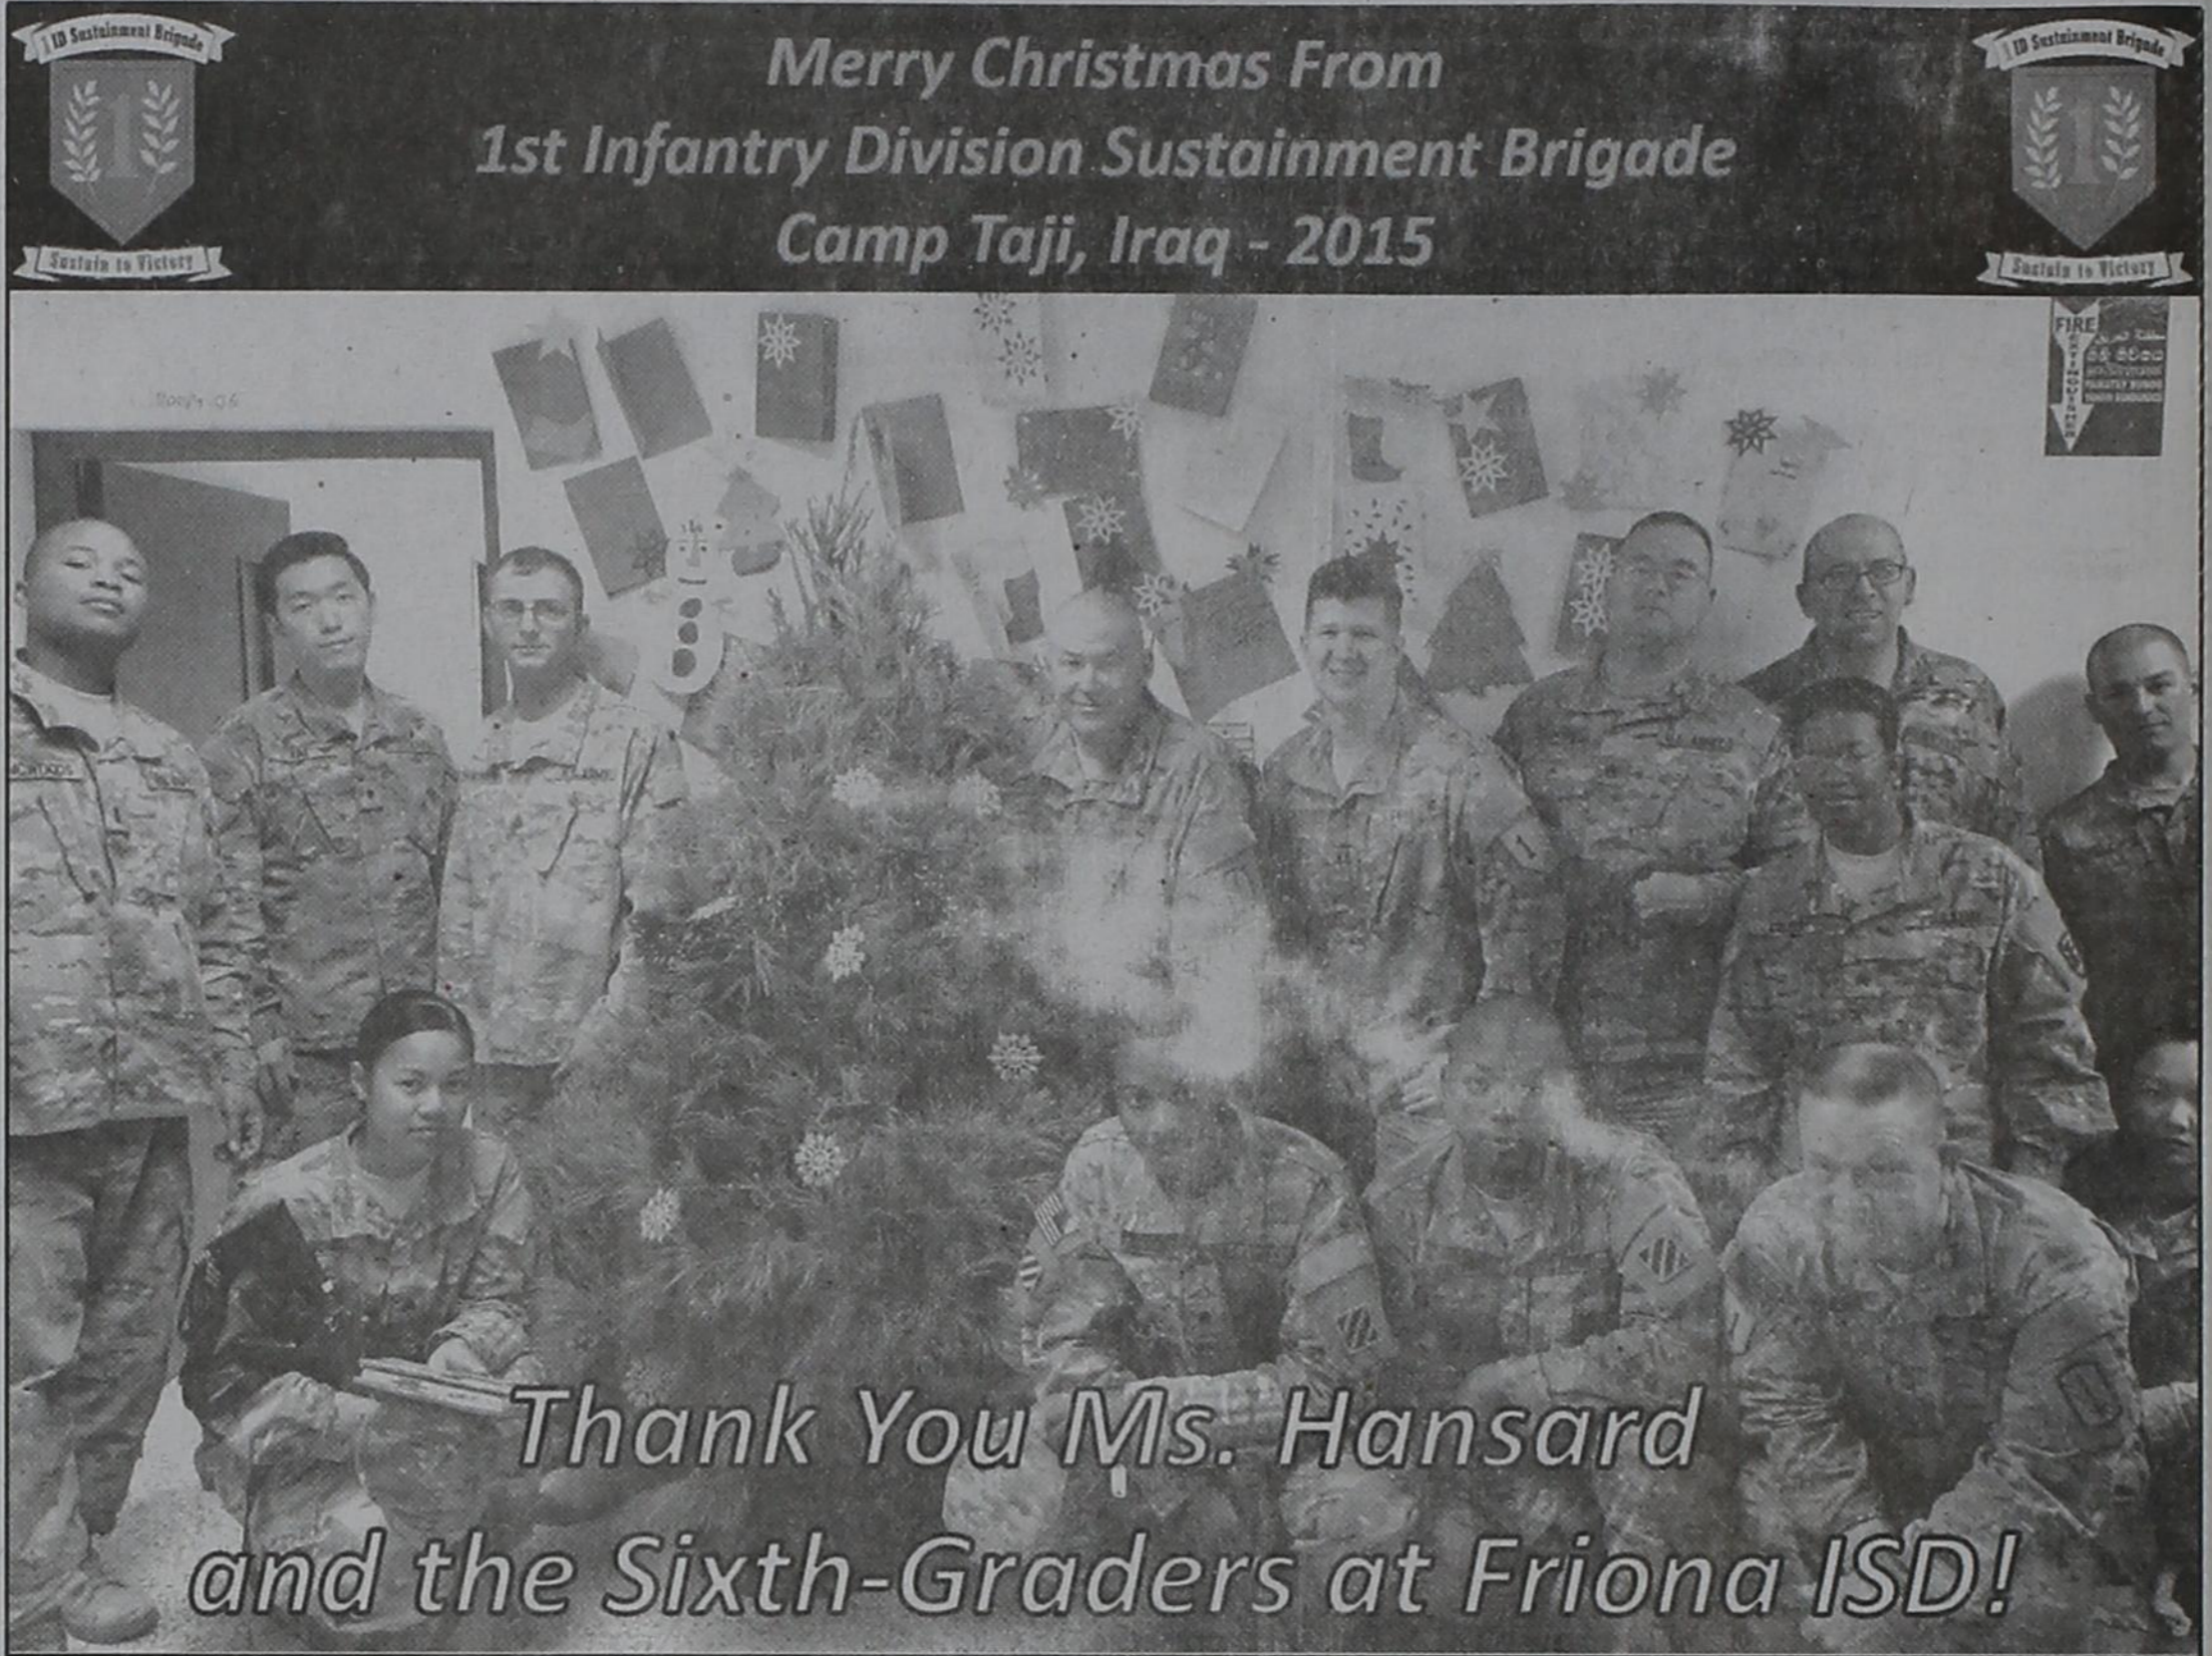

with the handwritten letters from us and for all of your thoughts and prayers. I can't express how much it means to me and all of the soldiers here.

Merry Christmas,

(Thank you to FJHS Assistant Principal Karen Barnes for sharing this heartwarming story.)

Mayor's Minutes

by Ricky White

Greetings! The city park looks fantastic with all of the lights and decorations. A big thanks to all of the businesses that participated this year decorating the park. Santa Claus visited Friona on Monday evening December 7 and the kid's had a great time telling Santa what they wanted for Christmas. Thanks to all of the vendors weathering the cold serving popcorn, tamales, coffee/hot chocolate, pastries and other items that were enjoyed by all that visited the park. Also thanks to Chris Alexander and the Chamber of Commerce for a very good job each year with this event.

Panhandle Regional Planning Commission (PRPC), located in Amarillo, supports and funds an electronics recycling program each year and the City of Friona is one of the cities that participate in this program. Thanks to everyone in Friona that donated old electronic devices. These items will be sent off to be recycled into other materials. It is a great way to keep these devices out of the landfills.

Chief Jimenez and the police department responded to 374 calls, a busy month. There were 217 stops made, 131-warnings issued and 81-ci-

tations handed out. There were 18-arrests, 10-for no drivers license, 1-warrant, 1-assault on public servant, 1-aggravated assault, 1-assault family violence, 2-driving while license invalid, 1-possession of a controlled substance and 1-resisting arrest. The officers drove a total of 5348 miles in November protecting our city.

The Volunteer Fire Department responded to 6 emergency calls in November. There were 3-car wrecks, 1-grass fire, 1-electrical fire at the Xcel sub station and a transformer power outage. Diane and I were invited to the Volunteer Fireman's Christmas dinner and had a great time and a great meal catered by Dyers Barbeque. The city of Friona is grateful and blessed to have 26 volunteers in our community that are dedicated and committed to serving our community. I would encourage everyone to say "thanks" to these individuals when you see them. Also, a big "thank you" to the spouses of these volunteers that have been very supportive and understanding when their loved one leaves to respond to an emergency not knowing if they will return home safely.

Our Emergency Medical Service responded to

38 calls in the month of November, a very busy month. There were 9-calls for 911 service, 16-calls for transfers and 14-calls ended with a no transport. There was a total of \$21,456.11 dollars collected which was a great month. There were \$8,516.00 written off, which was a low amount compared to previous months.

Judge Campbell had 80 new cases filed in November and 2 new juvenile cases. There were 161 cases disposed. Total collections in fines were \$11,626.94 dollars and \$4,529.17 dollars in court cost.

The city pumped 11,715,300 gallons of water in November and sold 10,788,000 gallons and billed \$56,328.91 dollars. There were a total of 1443 accounts billed and 17 new accounts were added.

The city's account payable totaled \$149,350.91. The money spent covers all of our bills and keeps our city in good standing.

The renovations at city hall are almost complete and everything looks great. If you have not been by the city office to see the improvements, I would encourage you to do so.

Your Mayor

Well here we are again. Time for Christmas and the New Year again. Yes I agree 2015 has passed in a hurry. We have lost too many of our citizens too soon during this year. We will publish our annual In Memoriam list in January. We have much to be thankful for and Dana, Nathan, and I wish you all the very best and merriest Christmas. Thank you for your support.

 This is our big Christmas paper. We will not print a Friona Star next week. The

office will be closed until we reopen at 9:00 a.m. Monday December 28. Our next Friona Star will be distributed Thursday December 31. We will be checking in during the holidays. You can leave a message at 806-250-2211 or email frionastr@wtrt.net.

 Since I canceled my Thanksgiving trip to Denton and Frisco because of icy weather I will be trying it again next week to see my kids during Christmas. Hope the weather cooperates this time.

 We attended the Fire Department Christmas dinner Friday at the Senior Center. It is always nice to pay tribute to our volunteer firemen for their service to the community. Chance Lewellen was named Fireman of the Year which is an award voted on by the firemen. Service awards went to Danny Campbell 20 years, Dwayne Procter 30 years, and Fire Chief Jim Taylor 35 years. Santa made an appearance for the fire kids. It was a nice evening and we appreciate being invited.

 Saturday evening about 6:30 p.m. just as the cold rain began to fall, the volunteer firemen, EMS, DPS, Sheriff's deputies, and K3 Towing were dispatched to an accident west of Friona on Highway 60. It was reported a pickup rollover landed on its top and a semi jackknifed. One person was taken to PMC. It took a while to clear the road and clean up the mess. Thank you again to our loyal emergency volunteers.

 That late night comedian Stephen Colbert that replaced David Letterman, what's with pronouncing his name like Col-bear? Out here we would just call him "Stephen Colbert." Besides, he is not very funny, has slipped to fourth in late night ratings, and is a progressive left-wing flaming

pandering liberal. Hope he has a Merry Christmas anyway.

 Our sympathies to the Brockman family on the sudden passing last week of Tommy Brockman. During this year Tommy had sold his parts business and bought a nice little house and was preparing for a nice quiet retirement. Another sad situation in our community, Tommy was buried in Nazareth on Monday.

 Stephenie Allyn Jones, daughter of the late Steve Jones and Donice Jones Strickland, received her Master of Education degree and Counselor Education degree from Texas Tech. She had a 4.0 GPA and a concentration in clinical mental health. Next step is to take her National

Counselor Exam and apply for an intern license. She wants to work with juvenile offenders and plans to pursue her Doctoral degree. Her sister Kimberlee is a Lubbock police officer.

 Matthew Stanberry and Abby Jones also received degrees from Texas Tech this month.

 December 27 will be the 62nd anniversary for Delton and Betty Lewellen. Happy anniversary, Merry Christmas, and Happy New Year to you and all the family.

 The next blood drive is Thursday January 21. Our next Friona Star will be December 31. Wish you all the very best. See you when we get back. Until then!

The perfect gift?

Did you see the Christmas decorations were out at the end of July this year? Christmas is but one day a year but it can be stretched out for five months when you are a retailer.

The day after Halloween this year I was driving past a floral shop in Hereford and the Christmas trees were already on display.

I like Christmas as much as the next person but things have gotten out of hand.

I did not get my shopping done the day after Halloween.

I had friends years ago that would do their Christmas shopping for the following year on the day after Christmas because of the marked down prices.

I have never had that inclination because I know how I am. I would buy those gifts and then have to find a place to store them. Sometime during the year I would come across these things and think I needed to wrap them. What is more likely I would forget all about those gifts and get in a tizzy to get all the gifts bought by the second week of December. It would be like the scene in National Lampoon's Christmas Vacation when Chevy Chase finds the long ago hidden gifts that were forgotten.

Things can change in a year and a gift bought for someone in January could be useless or unwanted by the following Christmas. Therefore, I would have wasted money and time.

How about this? How about no gifts just warm hugs, nice meals and time spent enjoying each other's company?

However, if you are looking for the perfect gift for me I will make it very easy...George Clooney or Daniel Craig with a big red bow. If they are not available, I guess a movie ticket will work.

Whatever your perfect gift is, I hope you get it this year.

Dear Santa,
 I hope you had a good year and you are well-stocked with the newest and most popular toys.

I don't really need anything this year.
 If I have to ask for anything, please bring peace to this world. I am not sure how to package it but I am sure you have an expert elf to figure that out.

I will keep saying my prayers.
 I am not sure what Santa eats anymore because of fats and cholesterol but I will leave you some honey sweetened oatmeal cookies and low-fat milk so I won't add to your waistline or cholesterol levels.

As my mom would say, "Be careful and watch out for the other guy!"

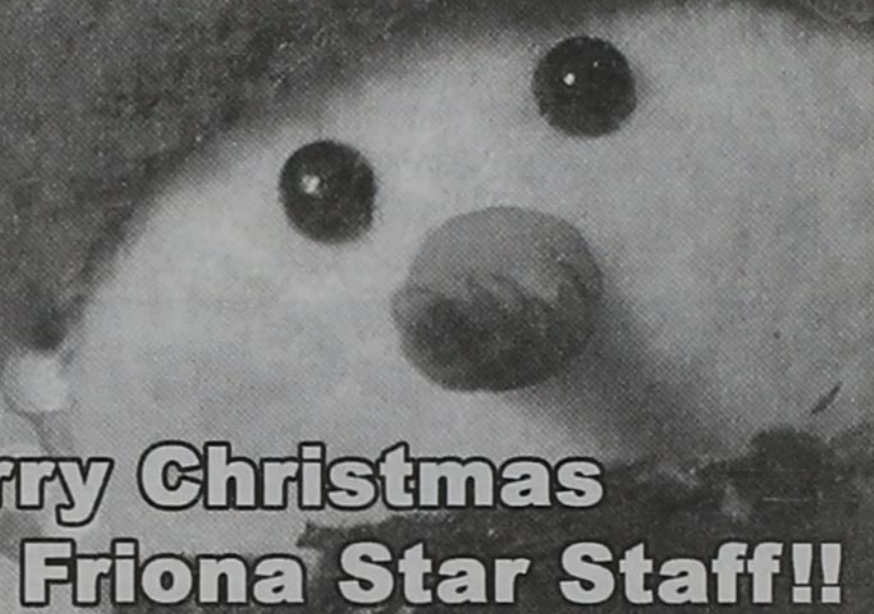

Merry Christmas Santa,

Comptroller Hegar sends \$49K to Parmer County

Texas Comptroller Glenn Hegar announced he will send cities, counties, transit systems and special purpose taxing districts \$626.3 million in local sales tax allocations for December, 3 percent less than in December 2014. These allocations are based on sales made in October by businesses that report tax monthly. Hegar also said that sales tax revenue for the state in November was \$2.58 billion, down 3.3 percent compared to November 2014. "Sales tax revenue declined again due to reduced spending in oil and gas-related sectors," Hegar said. "Remittances from other sectors, including construction, restaurants and retail trade, continued to grow. The net decrease in sales tax receipts is in line with the October Certification Revenue Estimate." Parmer County received a net payment of \$49,610.14 for this period. 'Tis the season...

for giving and forgiving—paying kindness forward—giving back of yourself and your time, in short, it is the reason for the season. We are at our happiest when we are doing something good—helping someone who really needs help, i.e. making a difference. It can be as simple as a kind word, a good deed, a pat on the back, a hug, sharing someone's joy or their sorrow, sharing knowledge to help someone cope with life, having empathy for those in need whether it's physically, mentally or spiritually. The spirit of love shines brightest when it is needed the most. It is not just about us—you and me—it is how we live and work and relate in this old world. Life is too short not to have compassion, care and concern for those around us. We can accomplish this by doing good and not always asking 'what's in it for me?' but rather, 'what can I do to make a difference?' Take care of yourself and ask for guidance, but remember to help not only yourself, but others to feel valued...and loved. Live in the moment and always to the best you can to treat others with love and dignity just as you would want to be treated. Take any opportunity you can to do good for someone. Our days are numbered—but they always have been—make the best of your time here on earth. Let your light shine...Merry Christmas! Thanks to all of you who have made a difference in my life. *Thanks to those of you who have remembered friends and loved ones with honorariums or memorials this Christmas. We appreciate your support very much.*

There are no words to adequately describe how we feel on the loss of our son, Jonathan. There are also no words to adequately describe how much each of you mean to us. We do thank you for every act of kindness shown to us these past two weeks whether you prayed for us, came by the house with food and/or hugs and words of comfort, sent a card and/or a monetary gift, or offered to help in all kinds of ways. We have no idea how we would be able to endure the pain we feel without God's love shown to us through this community and our church family. We hope none of you will experience the death of a child, but you can be sure the folks in Friona will hold you up in prayer, and literally, hold you up if need be. *We love you, Melvin and Linda Smith*

Merry Christmas!

We appreciate your business and wish you all Happy Holidays.

Merry Christmas from all of us, I-r, Ab Hendley, Jessica Pina, Cynthia Silva, Patsy Vazquez, Mayra Olmos, Jeff Ray

Jesus Had a Step-dad?!?!

BRETT HOYLE, Pastor, First Baptist Church

It can be a bit discouraging when the family structure in our culture could aptly be labeled "dysfunction junction," but when you look at Jesus' earthly family, the same could be said. In fact, Jesus belonged to an unwed mother and even had a step-father! I hope that didn't destroy your high and holy Christmas pedestal, but it does get your attention to the reality that Jesus came into our world of sin and dysfunction to save us from it. On the outside, Mary and Joseph looked like freaks who were living a lie in the name of God, but in reality they were following the Lord and His will for their life. Can you imagine the family relationships and friendships that broke down after the announcement that Mary was carrying the "Son of the Most High" (Luke 1:32-33), but can you also imagine the great honor and blessing it was to be so near to God's plan to "save His people from their sins," (Matthew 1:21)?

God was willing to send Jesus into a scandalous situation, have Him born in a manger, and grow up without the frills and luxuries of the rich, so that sinners could be saved from their sins and have life with God. Praise God that Jesus, even in His life didn't shy away from "dysfunction junctions" like my life and yours, but He offers forgiveness of sin, life abundant and life eternal to all who follow Him.

Merry Christmas

BRETT HOYLE, Pastor, First Baptist Church

The Story of Christmas is found in the Bible in the New Testament in Matthew 1-2 and Luke 1-2. Luke looks a little more from Mary's perspective and Matthew looks a little more at Joseph's. If you haven't had a chance to read much of the Christmas story from the Bible this year here's a start from Matthew 1:18-25 (ESV).

"Now the birth of Jesus Christ took place in this way. When his mother Mary had been betrothed to Joseph, before they came together she was found to be with child from the Holy Spirit. 19 And her husband Joseph, being a just man and unwilling to put her to shame, resolved to divorce her quietly. 20 But as he considered these things, behold, an angel of the Lord appeared to him in a dream, saying, "Joseph, son of David, do not fear to take Mary as your wife, for that which is conceived in her is from the Holy Spirit. 21 She will bear a son, and you shall call his name Jesus, for he will save his people from their sins." 22 All this took place to fulfill what the Lord had spoken by the prophet: 23 "Behold, the virgin shall conceive and bear a son, and they shall call his name Immanuel" (which means, God with us). 24 When Joseph woke from sleep, he did as the angel of the Lord commanded him: he took his wife, 25 but knew her not until she had given birth to a son. And he called his name Jesus."

Thank You, Jesus!

By TEENA HUGHS

Last week, Feller called me into the den to look at something. At the time, he had three horses and five weak calves on the wheat behind our house. One calf was down, and the horses were making it get up. Feller said he had never seen animals do that before; he didn't know if the horses were being mean or trying to help. But, the calf did go to the pen and get food and water.

I said God was using the horses to take care of the calf, to encourage it to get up, eat, and live. Unfortunately, a week later, the calf had been down for 24 hours, and it couldn't get up. Feller made the decision to put it down. It tried to live but just couldn't; the horses were right there until the end with the calf.

I don't know if the horses were being mean or kind and compassionate. But, I know that 2015 years ago, God exhibited the ultimate kindness, compassion, and grace when He sent His Son to Earth to show us how to live; to encourage us when we get down; to give us hope in desperate situations when we don't have answers, don't know the outcome, don't know what to ask for; to forgive us; to love us when we feel unlovable or like we don't deserve to be loved; to take care of us, even when we haven't been faithful or loyal to Him.

God knows each of us better than we know ourselves. He knows we are sinners; He knew that His Son would be rejected and treated horribly while He was on Earth; He knew people would not believe Jesus was our Savior and would not follow His ways; and yet, He sent Him anyway. What greater example of love is there?

Animals teach us; God's Word teaches us; living God's Word offers hope, love, and encouragement to others. Please take a minute to thank God for His Son and all He does for us and teaches us. May we all live for Him! Merry Christmas!!!!

Panhandle Parables

"Oh, The Weather Out There Is...Hot, no Cold?"

**By JEFF PROCTER
Minister, 6th Street Church of Christ**

There is nothing like the weather of the Panhandle. Snow one day, 60 degrees the next. This works out great if you happen to be in the vet supply business, you can sell a lot of meds to ole cowboys just trying to keep those little doggies eating. The weather roller coaster we have been on has been a challenge to say the least. It makes it a little challenging when you dress for winter in the morning and in shirt sleeves by afternoon. The constant change plays havoc with the most dedicated soul.

Yet it is not just the weather. Technology is constantly changing. You get the latest gadget only to find it obsolete before you need new batteries. Just about the time you figure out the answers, somebody goes and changes the questions. It leaves one frustrated and worn out. As I write my iPhone is telling me it has another update. I think I just did that last week! I haven't even figured out what was updated the last time. Why can't anything stay the same? It sure seems nobody want's there stuff to last so constant change is the only thing that stays the same.

Yet there is One who does not change with the latest whim. The Hebrew writer says very simply, "Jesus Christ is the same yesterday and today and forever." Heb. 13:8 He is constant, steady and most of all the same. He will always be because He always was. So I can count on Him to remain, faithful full of Truth and Grace and to top it all off the story told of His miraculous birth, His life of dedicated service to God and us and His death, burial and resurrection all stay the same. If I will cling to that then life will be given another precious gift so needed today—Peace. So regardless of what the weather does or doesn't do, whether or not you have a bag phone (probably not) or the 14th version of the latest one, in the midst of all that chaos Jesus remains who He has always been and we can have Peace. The kind that surpasses all understanding. The peace that guards our hearts and our minds. But you must choose Him for He has already chosen you.

They didn't fare so well on game two vs. Texico, losing 35-68. Kendall Barnett 11 points 4 steals; Mariah Trevino 7 points 4 rebounds, 3 steals.

The girls won their final tournament game beating Lockney 54-38. Barnett 16 points 3 steals; Erica Barrera 13 points 6 rebounds 3 steals; Taylor Stallings 9 points 4 steals; Kim DeWit 8 points 7 rebounds.

Dear Santa,
Hello, my name is Andres. I would like to know if Rudolf and everyone is doing at the North Pole. I really don't know what I want but heres a wild guess, an xbox one with 4 controllers kenekt, head seat, and a gold membership. I wold like to have this gift because, I hear it's a greater virsion of the xbox 360. If you have a kenekt it can see your movements, for example, if you play wipe out it will trancefer your movement to your charecter in the game. I heard the controllers have a better grip on the sides. I think I should, get it because I've ben good and I help people at school. I don't have to have it if I don't, please just give joy to the world. I hope I am on the nice list agin. Thank you, for everything you do for us, and I hope you get this letter soon.

Love, Andres Dimon

I should not be on the naughty list because I take care of my brother. Also, I'm nice at school, too. I really thank you for taking your time to read my letter. LETTERS FOR SANTA

Dear Santa,
Hello, my name is Naara. I hope you are having a great year. I would dearly like a bass. I would like a bass because when I grow up, I want to be in a band. One reason is because my uncle inspires me to play a bass another reason is because almost all my family has played a bass. Some reason I think I deserve a bass is I always try my best, I can be helpful and get good grades. How I get good grades I try my hardest. How I am helpful I help my mom clean. There are only a few reasons I think I should have a bass. I hope you can get my bass. I am so excited for Christmas. I hope you have a great Christmas Santa.
Sincerely, Naara Saucedo

Dear Santa,
Hi, my name is Ivory. I hope you are having an awesome day today. I would love to have a Wubble bubble. I want this toy because I think it would be cool to play with. I want it because it comes in diffrent colors and it comes with two Wubble Bubble balls. I deserve this toy because I did all of my chores. I haven't got this whole month. I haven't got in trobble in school. I help my mom with my baby sister. I think I deserve it because I have not been on the naughty list. Thank you for reading my story. I am looking forward to seeing you. I hope we have fun with all are toys.
Love Ivory Shelby
