

Permian Basin OIL & GAS LOG

James C. Watson
Oil Editor

Salt Water Found In Midland Wildcat

Ralph Lowe No. 1 J. E. Hill, Central-Northwest Midland County wildcat, five miles southwest of the City of Midland made only salt water in the Ellenburger.

Operator is to plug back and try to complete a commercial oil well and discovery from the Wolfcamp lime of the lower Permian.

The exploration ran a three-hour drillstem test in the Ellenburger at 12,904-043 feet. No gas or fluid came to the surface while the tester was open.

Made Only Water
Recovery was 150 feet of drilling fluid and 450 feet of salt water. There were no shows of oil or gas in that zone.

Open flowing bottom hole pressure was 300 pounds. Shutin bottom hole pressure after an unreported length of time was 5,510 pounds.

Top of the Ellenburger is at 13,003 feet. Elevation is 2,825 feet.

This wildcat flowed oil in a drillstem test of the Wolfcamp. It developed a large amount of free oil, some of which unloaded from the drill pipe after the tester was closed, from the Dean sand of the Permian.

Had Other Shows
It also had good shows of possible production in the Pennsylvanian and in the Fusselman.

The 7 5/8 inch intermediate casing is cemented at 9,400 feet, just above the Wolfcamp pay.

It is understood that operator plans to plug back to the bottom of the Wolfcamp producing zone and test that formation in open hole.

Should Make A Well
If it makes an oil well there it will be completed. The flow which was developed on a drillstem test of that pay indicates that it should complete as a commercial producer.

Determination as to what to do about the Dean, Pennsylvanian and Fusselman zones in this exploration will be held up until the Wolfcamp is tested.

This development is 600 feet from north and 1,980 feet from east lines of section 30, block 29, T-2-S.

It is six miles north of the Parks field which has developed production from the Ellenburger and from the Pennsylvanian.

NW Howard Venture Flowing To Complete

Brinkerhoff Drilling Company No. 1 E. Jones, indicated new field opener in Northwest Howard County, is flowing to clean out, test and complete as a producer from the Pennsylvanian.

The possible producer flowed an average of 12.8 barrels of oil per hour for ten hours through open two-inch tubing.

The petroleum came from acidized open hole at 9,465-9,716 feet.

That interval had been treated with 1,000 gallons of mud acid and 9,000 gallons of regular acid.

Tubing pressure was 75 pounds during the 10-hour flow. A considerable amount of gas was made with the oil.

Shutout was 11.6 per cent acid water.

The No. 1 Jones is 600 feet from north and east lines of the north-east quarter of section 18, block 34, T-2-N, T-2-S survey. That makes it 14 miles northwest of Big Spring.

Corrected total depth of the project is 9,716 feet.

Scurry Prospector May Be In Canyon

The Wilshire Oil Company No. 1 Whately, Northwest Scurry County wildcat, three miles south of Fluvanna, and about seven miles northwest of the nearest Canyon reef line production in the Kelley-Snyder or Diamond M field has indicated the possibilities of a discovery from a formation which may be the Canyon reef.

That project entered a porous white lime at 6,042 feet on an elevation of 2,940 feet. That gives it a datum of minus 2,372 feet on that marker.

The lime section was penetrated to 6,970 feet. Samples showed oil porosity and signs of oil and gas. There was some bleeding oil in the section.

Operator is now running a drillstem test.

Location is 600 feet from north and east lines of section 406, block 97, H-2-C survey.

This wildcat was started out to go to 8,000 feet to explore the Ellenburger unless it developed commercial production before reaching that level.

It has already shown some signs of making an oil well in two different zones of the Permian. One of those sections was at 5,339-5,510 feet and the other was at 5,965-5,785 feet.

Reef Discovery Is Finaled In Dawson

Sunray Oil Corporation and Associates No. 1 Robert Brown, Pennsylvanian reef line discovery in Southeast Dawson County, has been (Continued From Page One)

Water Code Change And Redistricting Bills Are Introduced

AUSTIN—(P)—The Senate joined the House Wednesday in an economy resolution to force passage of most money bills early in the session. It adopted the plan to pass the appropriation bills for necessary state service before taking up single-purpose measures. The Senate vote was 28 to 2.

AUSTIN—(P)—Redistricting and water code revision bills were introduced in the legislature Wednesday.

The House met for 15 minutes and recessed until Thursday to allow time for perfecting committee organization. Speaker Reuben Senterfitt suggested this action to speed study of legislation.

Rep. Harley Sadler's bill shuffling House districts was filed in the House by Rep. Morris G. Cobb of Amarillo. It had four additional sponsors.

Senator Rogers Kelley of Edinburg introduced the water code revision measure in the Senate. It embodies recommendations of the between-sessions committee that studied this subject.

The House Appropriations Committee scheduled a 7:30 p.m. session to discuss fiscal policy.

A state tax on gross receipts of big Texas retail businesses was the first revenue-raising proposal filed in the new session.

Rep. Jack Bryan of Buffalo had the tax measure ready for House introduction as the 52nd Legislature prepared for a full work schedule.

Inauguration of Gov. Allan Shivers and Lieut. Gov. Ben Ramsey Tuesday paved the way for the Legislature to settle down to the serious job of war-time government planning.

For First Time
Ramsey took over as presiding officer of the Senate for the first time.

Bryan's tax bill would raise plenty of money—he doesn't know how much exactly.

"Enough to take care of whatever the state needs," he guessed. The comptroller has reported \$110,000,000 in new money will be needed to continue state spending at its present level the next two years.

Bryan proposes to tax only retail business grossing at least one million dollars in a quarter of a year. He would assess a levy of one—(Continued On Page Seven)

U. S. Navy Band To Give Concerts Here

The United States Navy Band will be presented in afternoon and evening performances here May 3, under the auspices of the Midland Lions Club, President Ed Prichard announced Wednesday.

The concerts will be presented in the Midland High School Auditorium.

The famed Navy Band, which performed here two years ago, will visit Midland on its 1951 Spring concert tour, Prichard said.

DARING OR DEMURE?
—For women who can't make up their minds, Pat Hall designed the two-way swim suit which she's seen modeling in Los Angeles. You can wear it bare as Bikini, as Pat does here, or—if you prefer more covering—add the little apron she holds above her head.

SLAIN FAMILY FOUND—At Joplin, Mo., the bodies of Carl Mosser, 33, his wife and three children are recovered from an abandoned mine shaft where they were found. The family, enroute to Albuquerque, N. M., disappeared two weeks ago, and are believed to have been murdered by William E. Cook, who was captured in Tijuana, Mexico.

History's Top Food Prices Prompt U. S. To Speed Controls

WASHINGTON—(P)—Spurred by the highest food prices in American history, the government Wednesday moved significantly nearer general controls over prices and wages.

A nationwide price-wage freeze is expected whenever the Economic Stabilization Agency gathers a staff able to handle such an order without being snowed under. The ESA is making progress toward getting such a staff.

Crime Syndicate Suspects Nabbed

DALLAS—(P)—The Dallas police chief said Wednesday an attempt by a national crime syndicate to move into Texas under the guise of a group of "salesmen" had been smashed with the arrest of three persons in Corsicana.

Two of the three arrested recently were hustled out of Houston after the Federal Housing Authority and Better Business Bureau received complaints of alleged illegal procedures in selling building materials.

Dallas Police Chief Carl Hanson said the trio "came to Dallas about January 8 and began establishing themselves as legitimate business people. But it was only a front for their real mission—gambling operations in Dallas and other Texas cities."

Arrested in Corsicana were two men in their early 50's and an attractive 24-year-old woman. The men admitted to Houston police that they worked for Harry Cane Enterprises of Chicago.

Cane is a brother of West Coast hoodlum Mickey Cohen, who was bounced out of Texas recently when he paid the state a sharply-curtailed visit.

Other committee chairmen include: Highways — Dorsey B. Hardeman of San Angelo. Oil and Gas — Hill Hudson of Pecos.

Joan Edwards Has Been Unconscious Two Years

By TANNER LAINE
Joan Edwards is at the home of her parents in Rankin. Her condition is unchanged.

She does not know her father, M. J. Edwards, is seriously ill in a San Angelo hospital. His condition was reported improved Wednesday.

He has been in a critical condition. Mrs. Edwards had a difficult decision to make Wednesday—to stay with Joan or be at San Angelo with her seriously-ill husband. She thought it out and went to San Angelo—knowing that Joan would be unconscious and the conscious but sick father might be thinking about the anniversary of the sorrowful accident of his daughter.

A nurse stayed with Joan Wednesday. She lay for weeks in an Odessa hospital. A doctor flew from Dallas and performed an operation. She did not awaken. In the summer of 1949, she was taken to Dallas and a famous brain surgeon performed exploratory surgery. He shook his head sadly. He told the parents that (Continued On Page Seven)

Child, Five, Kills Mother Accidentally

CROMWELL, OKLA.—(P)—Mrs. Fran Orr's five-year-old son, Larry, accidentally shot and killed her Tuesday and then called the telephone operator and cried: "Please help me. I shot my mother."

Seminole County Attorney Tom Smith said the boy thought the gun was unloaded.

★ LATE NEWS FLASHES ★

TOKYO—(AP)—Peiping radio said Wednesday the Chinese Communist regime had rejected the latest United Nations Korean cease-fire proposal.

Allied Units Hold Firmly To Outposts

TOKYO—(P)—Allied tank-infantry raider teams held firmly Wednesday to three Western Korean outposts within striking range of 120,000 Chinese Red troops.

The scouting forces are on the third day of a mission to test enemy strength south of Seoul.

They ran into their toughest fight Tuesday at Suwon.

The U. S. Army chief of staff, Gen. J. Lawton Collins, watched Allied tanks, troops and warplanes routed a 1,000 man Red garrison force there.

Suwon is 17 air miles south of Seoul and closer still to the massing area of three Chinese armies south of the Han River and the old Korean capital.

The Allied raiders swept into Suwon and—with Allied warplanes strafing the fleeing Reds—inflicted 500 casualties in an hour-long skirmish.

Still Held Yongwol
On the Central front, a spokesman said Allied forces still occupied Yongwol, 30 miles southeast of Wonju.

Collins saw the Suwon fight on his tour of Korean battlefronts. He and Gen. Hoyt S. Vandenberg, U. S. Air Force chief of staff, are leaving (Continued On Page Seven)

Morse Backs Draft Of 18-Year-Olds

WASHINGTON—(P)—Oregon's Republican Senator Morse Wednesday backed the Pentagon's plan to draft 18-year-olds and went on to urge a 25-year mobilization program because "we face a period of tension that long with Russia and communism."

Morse is a member of the Senate Armed Services Preparedness subcommittee. It is considering a proposal by Secretary of Defense Marshall for a permanent universal military service and training program. Marshall's plan calls for lowering the draft age from 19 to 18 and stretching service from 21 to 27 months.

After a week of testimony by Marshall and Assistant Secretary of Defense Anna M. Rosenberg, the chairman of the subcommittee, Senator Lyndon Johnson (D-Texas), remained sharply critical of the proposal.

Five of the raises granted Tuesday exceeded the maximum set by Texas law.

However, the raises were permitted under a provision stating they can be effective only after being advertised in the county's official publication three consecutive weeks.

The commissioners did not grant flat across-the-board raises, but prepared a detailed schedule, setting salaries according to duties and responsibilities.

In the offices of the tax collector-assessor and the county clerk, they raised the salaries of chief deputies from \$280 monthly to \$315.

Other deputies in these offices were raised from \$230 to \$260 while starting salaries were raised from \$210 to \$230.

The chief deputy in the sheriff's (Continued On Page 12)

Hike Applies To January And February

HOUSTON—(P)—The Texas Railroad Commission Wednesday ordered an immediate increase of 170,823 barrels daily in the state's crude oil production. The increase will apply to the remainder of January and throughout February.

The order boosts January's statewide daily output allowable to 2,750,292 barrels a day and places the February average at 2,758,953 barrels.

Two days were added to the general January production schedule, with no increases in the East Texas, Fullerton and Willmar fields. The general February production schedule will be 20 days, with 17 in East Texas and Fullerton and 11 days in Willmar.

The statewide average allowable last Saturday was 2,588,630 barrels. The new orders were announced immediately after the commission's February statewide production hearing.

Join In Request
Spokesmen for Sun Oil Corporation, Sinclair Oil and Gas Company and Humble Oil and Refining Company asked for the two additional producing days in January and the 20-day February schedule.

Magnolia Petroleum Company and Phillips Petroleum Company representatives joined in the February hike request.

Shell Oil Company submitted a request for a 21-day February schedule.

Shell, Magnolia, Phillips, and Gulf Oil Corporation did not ask for the emergency January hike but said they would be willing to accept such an order.

The oil men said heavy refinery operations resulting from strong seasonal demand for heating oils necessitate increased production.

Most expressed eagerness for an immediate increase even though cutbacks probably can be expected after the heating oil demand season ends.

J. A. Neath, Humble vice president, said his company's January crude receipts have been about 60,000 barrels a day below needs.

Joe Owens testified Sun Oil now is drawing 14,000 barrels a day from storage and would have to take 21,000 barrels a day from stocks if the original January level of production continued into February.

Don Critch of Shell told the commission (Continued On Page Seven)

District Attorney At Angelo Charged In Fatal Shooting

SAN ANGELO—(P)—District Attorney O'Neal Dendy is charged with murder in the fatal shooting Tuesday night of Ray Elmo Canada, 38, a tenant of Dendy's.

Dendy waived examining trial and posted \$5,000 bond before Justice of the Peace Glenn J. Jenkins. The bond was signed by two San Angelo attorneys, H. C. Upton and Earl W. Smith.

Dendy is one of two district attorneys whose offices are here. The other was helping investigate the shooting.

Canada was shot Tuesday night at the home of A. T. Owens about a half mile west of here after Dendy and Canada argued and then scuffled over an eviction Dendy had given Canada.

Owens also is a tenant of Dendy. Dendy has been district attorney of the 119th Judicial District since 1939.

District Attorney Ralph Logan of the 51st Judicial District and Jenkins are investigating the shooting.

Officers said Dendy had signed a statement in which he admitted he shot Canada.

Have Argument
In the statement Dendy said he told Canada last Sunday he must leave his property by the end of the month. Later the two had an argument over some feed Canada had disposed of and Dendy told him to leave by Wednesday night.

Dendy said he went to Owens house and while he was there Canada came to the door. An argument began and the two scuffled.

"I don't know why I had a gun," Dendy said in his statement. "I pulled it from my belt and shot once. He (Canada) fell backward and pulled me with him. I shot again and this time I hit him."

Canada was shot once in the abdomen with a .38 caliber pistol bullet.

Canada lived on the Dendy property three months. He is survived by the widow and five children.

MARCH OF DIMES UNDERWAY—Little Janie Brinlee places her dime in the March of Dimes-coin container held by Frank Stubbeman, a member of the Midland Lions Club, which Thursday launched an active drive for funds in the downtown office buildings. Janie is another Midland polio victim who has received the benefits of the dollars which generous Midlanders have contributed in past years. She joins with March of Dimes leaders in urging everyone to give generously in the 1951 campaign which will continue until January 31.

Officials Cagey About Plans To Import Laborers

WASHINGTON (AP)—Government officials were cagey Wednesday on reports of plans to import 300,000-400,000 Mexican and other farm laborers.

Service League Hears Report On Guadalupe Youth Center

Mrs. Ronald Jarrett, chairman of the board of the Guadalupe Youth Center, gave a report on the center and its work at the Tuesday meeting of the Midland Service League in the parish house of the Trinity Episcopal Church.

The planned program, Mrs. Jarrett said, includes: boxing instructions for boys on Monday evenings; arts and crafts under the direction of Mrs. Chastain on Tuesday evenings; square dancing classes every second and fourth Wednesday; classes in leather craft and textile painting on Thursdays, the latter under the instruction of Mrs. Ewing, and general recreation on Friday nights. A monthly parents' night also is planned, Mrs. Jarrett said.

Donations Reported

She reported the Twentieth Century Study Club has given boxing equipment to the center; while the P.E.O. has donated kits of tools for the leather craft. The board of the center is having a Coke machine installed. A check for \$5,000 was received, she announced, from the Community Chest the first of the year.

Volunteer workers include Mrs. W. B. Yarborough, Mrs. George Carey, Mrs. Wright Cowden, Mrs. Clem George, Mrs. R. E. Throckmorton, Mrs. A. E. Pettit, Mrs. W.

World War I Vet Praises Hadacol

HADACOL Supplies Vitamins B1, B2, Nicotin and Iron Which His System Lacked.

This little space is to be read by those folks who are always wishing they'd feel better. Now, this business of wishing for "this" and wishing for "that" is all right. It sort of makes a person look to the future. But it is a mighty sorry state of affairs when folks keep wishing and wishing they would feel better. That just doesn't get the job done. Take Leo D. Fisher, 901 Charles Street, St. Joseph, Missouri, for example. He just didn't wish he would feel better—he did something about it. He took HADACOL, and says he feels just fine for Mr. Fisher found that taking HADACOL helped his system overcome deficiencies of Vitamins B1, B2, Nicotin and Iron, which HADACOL contains.

Here is Mr. Fisher's own statement: "I am a veteran of World War I. I had had stomach distress and was nervous and could not sleep. I had no appetite and could not eat any fried foods. I started taking HADACOL. I have taken 8 small bottles and now I am on my second large bottle. I eat anything. I feel fine and sleep good, thanks to HADACOL. I have recommended HADACOL to many people and they are taking it. I am a booster, for I cannot do without it."

Lynelle Maddox And Marshall Kestler Wed

In a candlelight ceremony Tuesday evening, Lynelle Maddox became the bride of Marshall Kestler. The single ring ceremony took place in the home of Mr. and Mrs. Barney Greathouse, with the Rev. J. B. Sharp, pastor of the St. Mark's Methodist Church, officiating.

The bride is the daughter of Mr. and Mrs. B. P. Maddox of Tahoka. Kestler is the son of C. W. Kestler of Waco and Mrs. Dora O. Dealey of Mineral Wells.

Charlene Wilkes, sister of the bride, was matron of honor. The best man was James W. McCalla, Jr., of Mineral Wells. Bob Golladay was the candlelighter.

The wedding was held in the living room and dining room. The living room, separated by steps and a waist high antique gold wrought iron railing, was converted into a miniature garden.

The ceremony took place before a pedicel covered with white satin placed before a background of green woodwardia trees and candelabra. Four matching baskets of white stock, pink maroon daisies and candy tuft were placed in front of the woodwardia trees. A bouquet of white stock and pink maroon daisies placed on the buffet completed the decorations.

Traditional Music Played

Wallace Wimberly, pianist, played "Because," "Hardenot," "Romance," "Rubinstein," "March Lohengrin," "Wagner," "To A Wild Rose," "McDowell," and Mendelssohn's "Recessional." Mrs. M. A. Sherrod, accompanied by Wimberly, sang "I Love You Truly," "Bond."

The bride, given in marriage by her brother-in-law, Barney Greathouse, wore a ballerina length sunset pink silk shantung dress. It was accented by a matching shoulder to the hem. A matching reningote type coat was worn over the dress. The coat hung full from the shoulders and the cap sleeves were pinned back with rhinestone clips. She wore a matching halo cap of chiffon with a shoulder length veil.

Woodards Are Honorees At Reception

A reception honoring the Rev. and Mrs. J. Q. Woodard was held Tuesday night in the home of Mr. and Mrs. Harvey Conger. Mr. Woodard is the new associate pastor of the First Baptist Church.

Arrangements of red and yellow carnations were used throughout the house. The table was covered with an ivory linen cutwork cloth and centered with an arrangement of red roses in a silver bowl. Tall tapers were used to complete the table decorations.

Those in the receiving line were Mr. and Mrs. Conger, Mrs. Mae Dunagan, the Rev. and Mrs. Vernon Yearby, Mr. and Mrs. Woodard, Mr. and Mrs. Frank Monroe and Mr. and Mrs. J. S. Griffith.

The guests presented the honorees with an automatic coffee maker and toaster.

Approximately 125 persons attended.

MRS. ESTILL RECOVERING

Mrs. Winifred Estill, Western Manor Apartments, is recovering in her home following a recent illness.

Cookout, Election, Health Talk Highlight Girl Scout Meeting

A cookout, an election of officers and a discussion on health and safety were a few of the highlights of the six Brownie and Girl Scout Troop meetings Monday.

Sandra Seawright was named chairman of Brownie Troop 33 when the group met in the Girl Scout Little House. Others elected to office were Ranelle Rhodes, secretary; Paula Jean Critch, treasurer; and Patricia Aday, reporter. The girls planned their work for the year.

Others present were Mary Jane Aldridge, Mary Ann Breedlove, Carolyn Kay Cole, Ruth Ann Erskine, Georgia Ann Grimm, Martha Jean Holden, Suzanne Frances Martin, Priscilla Nichols, Mary Lynn Osborn, Betsy Sadler, Margaret Alice Scooby, Lou Ann Sebesta, Mrs. James D. Martin, leader, and Mrs. F. D. Breedlove, assistant leader.

Terminal P-TA Has Meeting

The Terminal Parent-Teacher Association held a business meeting Tuesday in the school auditorium. Mary Kearns, a delegate to the recent state convention in Mineral Wells, gave a report on her trip. A report on the City Council meeting was given by Mrs. George Logan.

The group accepted the resignation of its historian, Mrs. Stanley Fox. Mrs. Fox's fourth grade room was awarded the room prize. Mrs. O. H. Renfro gave the devotional. Following the business session, refreshments were served by Mrs. J. Hardaway and Miss Kearns.

Bradys Are Hosts To Promenaders

Mr. and Mrs. W. L. Brady were hosts to the Promenaders Square Dance Club when it met Tuesday night in the Midland Officers Club.

A business meeting was held and it was decided to change the meeting time to 8 p.m.

Members present were Mr. and Mrs. Floyd Bell, Mr. and Mrs. Emmet Bradberry, Mr. and Mrs. J. K. Doran, Mr. and Mrs. H. L. Hagler, Dixie Howell, Mr. and Mrs. A. E. O'Neil, Mr. and Mrs. A. J. Olsen, Mr. and Mrs. Joe C. Smith and Mr. and Mrs. Ted Smith.

Highlight Girl Scout Meeting

A cookout was held Monday by Brownie Troop 48.

Those present were Cindy Cowan, Vicki Dorsey, Rebecca Van Hamlin, Carolyn Sue Price, Sharon Snodgrass, Sue Ann Stoltenberg, Camilla Moore, Franette Hillin, Patsy Dawson, Mary Evelyn Snody, Ann Wood, Jennie Graham, Cynthia Lea Cobb, Trudy Symes, Mrs. Cecil Snodgrass, leader, and Mrs. C. G. Vells, assistant leader.

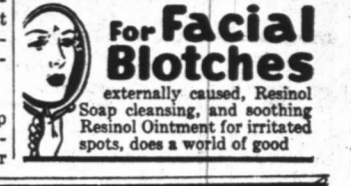

Discuss Health And Safety

Marjorie Waters and Betty Askew were hostesses to Brownie Troop 24 at a meeting in the Boy Scout Hut. Health and safety rules were discussed and a health song was learned by the group. Judith Kennedy was the game leader.

Others present were Dawn Creighton, Wanda Jean Delmaso, Sunny Graves, Frayliee Hardgrave, Charlotte Jones, Jean McNally, Frances Ann Miller, Pamela Scheurn, Brenda Charpes, Judy Ann Wacker, Pat Webb, Mrs. E. L. Hardgrave, leader, and Mrs. P. M. McNally, assistant leader.

Listen To Records

The members of Brownie Troop 49 listened to a recording of "Johnny Applesseed" and dunked for

Keep Enemy Guessing

It's regarded as virtually certain now that our forces in Korea will fall back to the old Pusan perimeter we held last Summer. The big question mark then will be, of course, whether we can hang onto it this time.

The American people can't help but be confused by the various public statements their leaders have made about Korea. In that field, Lieutenant General Ridgway told us not long ago that things were going fine (we were in full retreat). Secretary of Defense Marshall said the situation was "developing almost exactly as we anticipated."

Meantime, Senator Bridges, New Hampshire Republican, declared we ought either to get out of Korea or extend the fighting. Senator Taft seconded the motion on getting out.

What accounts for the confusion is that neither the lawmakers nor we citizens know what our military strategy for Korea is today—except that we clearly don't intend to put in enough strength to take back the whole peninsula from the overwhelming numbers of Chinese Reds swarming in.

But could we safely know at this stage?

Maybe our generals still think we can check the Communists in Korea and bleed them weak. Maybe they don't think that at all but have planned a retreat and evacuation from the start. Possibly we just stayed for the moral and psychological effect, so it couldn't be said we had led down the Koreans and Asiatics generally.

Does anyone really believe we ought to announce publicly which of these avenues we have chosen, or what our real strategy is? Quite plainly we would only be serving the Communists by doing so. Why help THEM just to satisfy our own curiosity?

In the middle of a war campaign, you simply don't go about discussing your plans in open debate. When withdrawals are made, the American people understandably want to know why. But in a war patience is a great necessity. They shall have to exhibit it at this moment. In time, the unfolding of U. S. strategy will make our course abundantly clear.

The enemy's uncertainty is a priceless advantage to us in any war. Being unsure, he has to plan for a variety of moves, disposing manpower and materials about in a costly and, sometimes, fatal fashion. It's foolhardy to dispel his doubts on any count.

President Truman apparently forgot that basic military precept when he told newsmen the bombing of Red China is not under consideration. Reports from the Far East indicate the Reds have been moving factories and other installations well inland in fear of U. S. bombers. This takes men, materials and time.

Why give the Chinese comfort by saying they don't have to worry? The only effect can be to free those men and materials for a more concentrated effort against our soldiers in Korea, or perhaps against the French in Indo-China.

Let's stop thinking we have to know or broadcast the innermost secrets settled at our military council tables.

Time To Think It Through

America's military men, whose views ought to be bulking fairly large in any debate about this country's future security, are being pretty well drowned out by louder voices from Capitol Hill.

Much is being made outside the Pentagon of the value of our Air Force in protecting us against a hostile Communist world. Presumably the advocates of this "armed isolation" want us to have the very finest jet fighters.

Item from the military men: Jet engines require cobalt. We get 98 per cent of our supply from the Belgian Congo in Africa. How safe would this resource be if Europe, including Belgium, fell to the Russians?

Bear Hug

Another Soviet straw in the wind—Russia has clamped a tighter grip on Bulgaria. Without any formalities, Soviet citizens, under a new official Bulgarian decree, can move into key posts in the government.

This seems to mean that in the event Russia decided to attack Yugoslavia or West Germany, it could practically take over Bulgaria and make it an integral part of the Soviet Union.

In the past Bulgaria has served as a sort of satellite guinea pig for Soviet experiments in control. Hence U. S. State Department experts feel this move may be the forerunner of similar steps in the other satellites.

The Russians say, of course, that they love their Slavic neighbors like brothers. It begins to look as if they want to hug them to death.

An Oregon girl insisted on marrying a man while he still had measles. Was the bridegroom's face red!

JACOBY ON BRIDGE

By OSWALD JACOBY
Written for NEA Service
"How should this hand be bid?" asks a Portland, Ore., reader. "North can make nine ice-cold tricks at no-trump, but there are only nine tricks at spades—so far as we can see.
"West opened the ten of hearts, dummy put up the Jack and East won with the king. East promptly shifted to the king of clubs, and South let him hold it. East then shifted to the eight of diamonds, and dummy won with the king.
"South drew trumps, cashed the ace of diamonds, and led another diamond, hoping that East would have to lead. As it happened,

Hand analysis table with columns for NORTH, WEST, EAST (D), and SOUTH, listing card counts and suits.

West grabbed the trick with the queen of diamonds and led a club through dummy's ace-Jack. South had already lost three tricks and had to lose another club trick for down one.

"How should North and South bid the hand to get to their best contract? Also, should South have done better at four spades?"

The bidding question is hard, but the play question is easy to answer. Let's tackle the hard one first.

North should bid three no-trump instead of only two no-trump. The hand is surely worth a game bid opposite any reasonable overall.

Moreover, such a jump shows a heart holding strong enough to stop the enemy cold in their tracks.

There is no guarantee that South will pass to three no-trump. Some good players would bid four spades anyway, partly for the honors and partly for the "safety" of a long trump suit. I think most experts would pass, however, and North would thus get his chance to play at three no-trump.

As to the play, South should have made four spades. The first three tricks were well played, but when dummy takes the king of diamonds, the queen of hearts should be led at once.

East must cover with the ace (otherwise South will discard), and South ruffs. South cashes the ace of trumps and leads another trump to dummy. The seven of hearts then is led and when East plays low (as he must), South discards a club.

West wins with the nine of hearts, but then dummy's six of hearts is established as the tenth trick.

CARD SENSE

You discover opens the bidding with one diamond, and the next playz passes. What should you bid with Spade J-4-3, Heart K-J-7-5-4, Diamond 8-7-2, Club 4?
A—Bid one heart (not one no-trump). It is cheaper and more informative to bid the suit rather than no-trump. Your partner will not rely on you for a good hand unless you make a further bid.
TODAY'S QUESTION
Your partner deals and bids one

THE DOCTOR SAYS
Cause Of Irritating Eczema Often Is Difficult To Detect

All kind of things can cause eczema in a susceptible person. Almost everyone is "susceptible" to poison ivy, but eczema has been reported from hair dyes, face powders, shampoo soaps, tincture of iodine, weeds, almost all kinds of clothing, match boxes, the ink of comic strips and a thousand other things.

There are four aims of treatment: to identify the substance which is causing the difficulty, to try to avoid further contact, to keep from putting stuff on the skin which might make the eczema worse, and finally to use soothing lotions or ointments which will lessen the inflammation and let the skin get back to normal.

Detective Work
Finding the cause often is quite a job. At times it takes real detective ability on the part of the doctor. Another difficulty in many cases of eczema is that the victim may have tried to treat himself with some substance which does nothing but cause further irritation to the skin which already has had more than it could take.

In fact I have had skin specialists tell me that they ran into more trouble trying to overcome the bad effects of self-treatment than they did from the eczema itself.

Abundant Living

By E. STANLEY JONES

Ps. 37:1-7; Heb. 10:35; Eph. 3:13-21; Isa. 40:31
THE MARK OF JESUS — CALM RECEPTIVITY
We continue the branding with the marks of the Lord Jesus.

4. Calm receptivity. He was constantly giving out, but only because He was constantly taking in. An organism can give out as much energy as it takes in, and no more.

So you, Jesus knew how to give because He knew how to receive. His relaxed spirit kept the channels free. There were no tight knots in His life blocking the power of God. He lived in a state of alert passivity. You are to be branded with that spirit—branded—which means that alert passivity is to be a continuous state of mind, instead of an imported occasional thing in periods of relaxation. You are to live relaxed and receptive.

Mozart, when asked how he found his musical inspirations, said: "I do not know myself and can never find out. When I am in particularly good condition—perhaps riding in a carriage, or on a walk after a good meal—or during a sleepless night, then the thoughts come to me in a rush, and best of all, whence and how—that I do not know and can not learn." He was relaxed and receptive and attuned to Music. So Music played him all over.

You are now being branded by this mark of Jesus. You are not going to live a nervous, overwrought, fussy type of life; you are going to be relaxed, receptive and released. You are not a reservoir with a limited amount of resources; you are a channel, attached to unlimited divine Resources.

5. Courage. His was not the excited resolute courage of a battle field, but the quiet courage that went on in the face of growing opposition, and you bid one heart with Spade J-4-3, Heart K-J-7-5-4, Diamond 8-7-2, Club 4. Now your partner raises to two hearts (the opponents passing at each turn). What should you do?
Answer tomorrow.

position and of certain crucifixion. Yours will be the same kind of quiet courage—courage to say "No" to enemies, also to friends; courage to be in an unpopular minority with truth and right; courage to go on undismayed when a loved companion drops beside the road and the future is all unknown—the courage of comic confidence.

This quiet courage is to be stamped within me; never again shall I be afraid of anything. I am free!

O Christ of the undaunted faith, give me Thy confidence and courage. May I not hold my faith; may it hold me—hold me when everything else is gone. Stamp this courage into my flesh and blood and nerve tissue—into me till I shall never again be afraid of anything, because I shall want only Thee, Amen.

Cub Scouts Tour Reporter-Telegram

Seven Cub Scouts from Den 12, accompanied by Mrs. E. E. Martin, Den Mother, visited The Reporter-Telegram Tuesday afternoon.

The Cubes' tour through the newspaper plant included stops in the editorial and advertising departments, the composing room and the pressroom.

Cubs making the tour were Leo Kendrick, Johnny Glahn, H. R. Bingham, Denny Ross Martin, Charles McCall, Steve Hitt and Gary Hendrick. Mrs. E. E. Martin's daughter, Sandra, also made the tour of the plant. She is a Brownie.

The group planned to visit KCRS after leaving The Reporter-Telegram.

The ace of clubs, in card games, often is called the "puppyfoot," was published in Paris in Edinburgh, Scotland, 1768-1771.

Questions and Answers

Q—How many times does a person breathe in a minute?
A—The general average is between 10 and 15 times a minute, or once in four to six seconds.

Q—Why is the Arctic port of Murmansk, U. S. S. R., ice-free all year?
A—The Gulf Stream flows around it.

Q—What U. S. President served in three wars?
A—Andrew Jackson served in the Revolution, the Indian Wars and the War of 1812.

Q—What is the productive capacity of the American steel industry?
A—About 100,000,000 ton annually; under present plans the capacity will be increased 22 per cent by the end of 1952.

Q—How long did it take Thomas Horne to count the verses of the Bible.
A—Thomas Hartwell Horne, British Biblical scholar, spent 17 years of intensive study counting every verse, every word and every letter of the Old and New Testament for the purpose of making a complete compilation of Bible lore.

So They Say

The prime obligation of defense of Western Europe rests upon the nations of Europe.
—Herbert Hoover.

As to the intensity of the Russian effort in the field of atomic energy, our information is quite reliable. . . that they have available to them facilities . . . which make it clear . . . that their program is not lesultary.

Gordon Dean, chairman of AEC.
He was just a kid. I'd give anything for a piece of North Korean neck between my hands right now.

Charles E. (Commando) Kelly, on learning his brother is missing in Korea.
Because of the nervous high-strung and hopped-up condition of the nation, we are putting more and more chips on our shoulders.

William P. Tolley, chancellor of Syracuse U.
You can't import good chefs from Europe anymore. It takes eight years after a man leaves us—after completing 16 months of training—for him to qualify as first cook.

Mrs. Frances L. Roth, restaurant institute head.
When Winter comes to Vancouver Island, the snow that blankets Forbidden Plateau is pink. This phenomenon has been attributed to the presence of a minute Alpine plant that grows profusely about the base of 7,000-foot Mount Albert Edward.

What's RIGHT?
You are invited to dinner at seven o'clock.

WRONG: Feel you won't be putting your hostess out if you don't arrive until 7:15 or 7:30, since there will probably be drinks served before dinner, anyhow.

RIGHT: Be prompt in courtesy to your hostess.

When Winter comes to Vancouver Island, the snow that blankets Forbidden Plateau is pink. This phenomenon has been attributed to the presence of a minute Alpine plant that grows profusely about the base of 7,000-foot Mount Albert Edward.

strolled through and gave him a long searching look. Paul tried hard to show unconcern under the scrutiny but his heart pounded against his ribs so vigorously that he felt his pulsations must be visible.

Maybe they had been caught. Maybe they were in custody right now. Perhaps May, or more likely Judy, had told where they were to meet. He spun around and looked at the retreating back of the policeman. He kept watching him. The blue uniform moved on into the approaching dusk and crossed the street without looking back.

Paul saw him stop at a lamp post on the opposite corner. The policeman took a key from his pocket, opened a box attached to the lamp post and pulled out a telephone.

It was after six o'clock. One hour after the time they had agreed to meet and no sign of May or Judy. They had been seen this morning—seen and described to police. The policeman was facing Paul as he talked on the phone. Why hadn't he seized him on the spot if he had come there looking for him? It couldn't be that, and yet—

Paul took out his watch and looked at it again. It was ten after six. If nothing had happened to the stop May from meeting him, she would have been on time—ahead of time.

The policeman had hung up the phone and deliberately turned away. Paul hesitated another moment, then hurried off in the opposite direction.

AT four-thirty May Jenkins and a little Judy Twigg left the brown stone house on 81st Street. May had kept Harry with them until the last minute. She had been afraid that he would tell of his share in the exciting episode with the police, a story that would

WASHINGTON COLUMN

Taft's Foreign Policy Views Don't Jibe With Experience

By PETER EDSON
NEA Washington Correspondent
WASHINGTON—The crux of Senator Robert A. Taft's criticism of President Truman's foreign policy seems to be that the Ohio statesman wants to know where it's leading. So does everybody else.

As one defense official put it in an off-the-record session with a congressional committee, "It would be a great help if you gentlemen would pass some kind of a measure fixing the date at which the Russians might be expected to attack, and how they will attack. That would enable us to know how big an army to raise, when to have it ready, and where."

Senator Taft is frank and honest enough to admit that he can't predict whether the Russians will attack, or whether they won't. He says he doesn't know. Neither does anybody else.

Senator Taft says that if you assume there's going to be a war, there will be one. It is apparently on this basis that he opposes sending U. S. troops to Europe. He thinks that putting U. S. divisions in Europe will only encourage the Russians to attack.

This may be right. But again nobody knows Russian psychology well enough to figure it out. Take the converse of Senator Taft's assumption, however: Is it safe to assume that if the United States does not encourage the rearmament of Western Europe that the Russians will not attack?

It doesn't seem to have worked out that way in the last five years. The United States assumed that the Russians would be nice and wouldn't attack anybody after the end of World War II.

Try To Knock Off Weak
But wherever the non-Communist countries let down their guard, there the Russians socked. They did it in Iran, Greece, China and finally Korea. This would seem to make a fair case that if European defenses are not built up, the Communies will try to take over.

At any rate, this seems to be the basis of the Truman administration's foreign policy, as spelled out in the President's State of the Union message.

The real difference between the President and the senator really boils down to a difference on the degree of U. S. rearmament. What seems to worry Senator Taft is how the United States is going to support this super-duper defense effort without ruining the country. That has bothered a lot of people.

Department of Defense planning, however, has been geared to limited defense mobilization—not all-out mobilization. The Pentagon has been criticized by others for this, though not by Taft.

What the Department of Defense has been advocating is a 3,500,000-man defense, not a 7,000,000 to 10,000,000-man force. It calls for getting the defense production machinery ready for full-scale war production, but not for producing more than can be used now. So in spite of the senator's distrust of Pentagon brass, their planning on this seems very much in line with his own conservative views.

In strategy, Senator Taft's views seem to raise as many questions as his expressed distrust of Pentagon generals and admirals.

Senator Taft wants the United States to get out of Korea, but he would encourage the Chinese Nationalists to attack Red China. He hasn't decided whether the U. S. should bomb the China mainland.

Have a Laugh

By BOYCE HOUSE
An evangelist arrived in Nashville, Tenn., while Bob Taylor was governor. The revivalist—let's call him Sam Brown, which is close enough—told of his own sinful ways and of how he was saved. One night, he lambasted Governor Bob for what he called "excessive use of the power of executive clemency."

—In other words, turning too many men out of camp penitentiary.

Next day, the capital correspondents gathered in the governor's office and asked for his comment. All that Bob said was, "If it hadn't been for the pardoning power of Almighty God, Sam Brown would have been in hell long ago."

(That silenced the evangelist.)
A cabbage worm becomes a butterfly, while a tomato worm becomes a moth.

reveal to the landlady what had really happened.

May still worried about it although Harry had presented the bank for the story that might keep him quiet.

After the detectives had left he had asked, "Gee, did Johnny break a window or something?"

Grasping the cue, May had assured him that that was just what had happened. John had accidentally broken a big store window and if anyone found out he had done it, May would have to pay so much money that they would have to leave New York and go home. Harry wouldn't have anyone to play with again.

Before they left Harry had promised to keep the secret.

When they came out of the house, May looked up and down the street with anxious care. In her mind was the thought that she possibly had not deceived the police. Perhaps they had pretended that they were taken in by her story and were waiting for her to lead them to Paul.

Nothing met her eye that aroused any suspicion. Despite that, she was determined to take no chances. As long as she was with Judy she felt that she was suspect. Any casual glance from people on the streets made her ill with apprehension. Going to the subway in the morning she had noticed a big moving picture theater at 82nd Street and Broadway.

They walked the short distance to the theater. Judy was gleeful at the idea of going to a movie. She assured May that her mother let her go alone many times ever since she had been seven. At the box office May learned the exact time Judy would get out after seeing the entire performance.

At the box office she said that she'd be out at six fifty-five.

"Here's your ticket, darling," May said. "I'll be waiting for you right here. No matter how much you like the movie, I want you to leave the minute you come to the part in the water. I want you to go in. Don't stay to see anything twice. Will you do that?"

"I will," Judy promised. She was dancing with eagerness to go inside.

(To Be Continued)

Lions Club Seeks Funds For Crippled Children's Camp

Plans to raise Midland's quota in the statewide campaign to provide funds for the new Crippled Children's Camp of the Texas Lions League for Crippled Children, were mapped at a meeting of interested Lions Club members Tuesday night, President C. Ed Prichard announced.

Committees were named to contact each member of the club during the drive.

W. Harry Rhodes was named general chairman for Midland County. Persons who are not members of the Lions Club also are invited to contribute to the worthwhile cause on a voluntary basis, Prichard stated. Contributions may be mailed to Rhodes at P. O. Box 469, or to C. E. Nelson, club secretary-treasurer at P. O. Box 281, Midland.

The Lions' Crippled Children's Camp is located on a large tract of land near Kerrville. It will be open to all crippled children of the state.

STOCK MARKET STADIES AFTER WOBBLING START

NEW YORK — The stock market steadied Wednesday after an opening selling blast put a big dent in its price structure. A flood of "sell" orders—the reaction to the Federal Reserve Board's order tightening credit curbs on market operation—hit the market at the opening bell and quickly washed a vast majority of issues down from a few cents to around \$1.50 a share.

RELIEF AT LAST For Your COUGH

Chronic bronchitis may develop if you cough, chest-cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed, bronchial membranes. Creomulsion blends beechwood crocots by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, Creomulsion is guaranteed to please you or drugist refunds money. Creomulsion has stood the test of many millions of users. (Adv.)

Shower Honors Bride-Elect

Sue King, bride-elect of Don Miller, was honored with a shower recently in the home of Frances Padgett.

The centerpiece was an arrangement of pink rosebuds with satin streamers. The names, "Sue and Don" were printed in gold on the streamers.

Approximately 40 guests attended.

Midland C. Of C. Directors To Elect Officers For 1951

Officers of the Midland Chamber of Commerce for 1951 will be elected at a meeting of its 1951 directorate at 4 p.m. Thursday in the Private Dining Room of Hotel Scharbauer, President Robert L. Wood announced.

The new officers will take office following the Chamber's annual banquet and membership meeting January 23.

Present officers, in addition to Wood, are R. D. Scruggs, Jack Wilkinson and Jack Wicker, vice presidents, and Bill Collins, treasurer.

Banquet Tickets: Meanwhile, tickets to the banquet were selling at a fast pace, and Chamber Manager Delbert Downing urged persons planning to attend the Tuesday night event to make reservations promptly. Only 225 tickets will be sold, on a first come-first served basis.

The principal speaker at the banquet will be Eugene McElvany, vice president of the First National Bank of Dallas, and recognized as one of the best informed men on the oil industry in the Southwest.

The Galapagos tortoise is the largest of the turtle family and sometimes weighs more than 400 pounds.

DON'T TOUCH PIMPLES!

You may infect them and make them worse. First try the world's best known blood tonic, S.S.S. It cleanses the blood when pimples, bumps and blackheads are caused by low blood count. Ask for S.S.S. at any drug store. **S.S.S. The Family Favorite Blood Tonic for 71 Years**

Coming Events

THURSDAY

The directors of the Midland Woman's Club will meet at 2:15 p.m. in the home of Mrs. B. R. Matthews, 1901 West Ohio Street. A full attendance is requested by Mrs. Charles Goldsmith, president.

The Palette Club will have lunch in the studio at 604 North Colorado Street. It will be open all day for members who desire to paint.

The Lula Brunson Class of the First Baptist Church will have a covered dish luncheon at noon in the home of Mrs. G. H. Higdon, 1402 West College Street.

The historians and those who compile the scrapbooks of all units of the Midland Parent-Teacher Association will meet at 10 a.m. in the home of Mrs. W. A. Lumpkin, 1401 West Holloway Street.

The Evening Star Study Group will meet at 7:30 p.m. in the home of Lorene Edwards, 407 West Kentucky Street.

The Midland Garden Club will meet at 10 a.m. in the home of Mrs. R. T. German, 715 West Storey Street.

The Recent Graduates Group of the American Association of University Women will meet at 8 p.m. in the home of Lily Marie Carter, 1602 West Missouri Street.

The Grace White Class of the First Baptist Church will have a tacky party at 7:30 p.m. in the home of Mrs. C. H. Madison, 1405 West Michigan Street. Mrs. A. E. Houck and Mrs. John Ferrell will be co-hostesses.

The Young Women's Auxiliary of the First Baptist Church will meet at 7:30 p.m. in the home of Edith Collins, 511 West Louisiana Street.

The Methodist Men of the First Methodist Church will meet at 7 a.m. in the church. The Girls' Choir will practice at 4:15 p.m. and the Vesper Choir at 6 p.m., also in the church. An evangelistic meeting will be held at 7 p.m. in the church.

The Xi Theta Chapter of Beta Sigma Phi will meet at 7:30 p.m. in Vosatko's Jewelry Store. Mrs. Vosatko will talk on "China."

The Junior Choir of the Trinity Episcopal Church will practice at 7 p.m. in the church.

The Garden Club Council will be hosted to the Midland Woman's Club at 3 p.m. in the home of Mrs. Ralph Lowe, 1801 West Missouri Street.

A report meeting will be held at 7 p.m. in the recreation hall of the First Baptist Church. The finance committee will meet at 7 p.m. in the young people's department. The Associational Brotherhood meeting with the Belview Baptist Church will be held at 8 p.m. in the church.

The Little Diggers will meet at 4 p.m. in the home of Mrs. Frank Stubbeman, 502 West Texas Street. Mrs. C. E. Bissell will be in charge of the program.

Save yourself time and energy by hiding away somewhere in your living room an emergency dust cloth. It'll facilitate last-minute clean-ups just before guests arrive.

Beta Deltas To Visit Gristown

The Beta Delta Chapter of Beta Sigma Phi met Tuesday night in the home of Mrs. Randolph Rubin. Motion pictures of Lunelle Zeek's trip to South America and Mrs. Rudolph Rubin's trip to Canada were shown.

It was announced that Amelia Anthony, director of Christown, USA, has been made an international honorary member of Beta Sigma Phi. Plans were announced regarding the caravan to Gristown Sunday.

Dance Scheduled: Verda Bartlett announced that the Valentine Dance is scheduled February 9 in the American Legion Hall. Committee members for the dance are Mrs. Bryan Denson, general chairman; Billie Walker and Mrs. A. H. Dimick, Jr., invitations; Mrs. Rudolph Rubin, Mrs. J. H. Fine and Mrs. A. R. Ayles, finance; Mrs. Jimmie Furman, music; Mrs. Pete Van Horn, housing; Mrs. Cecil Rider and Mrs. Randolph Rubin, refreshments. The decorations committee includes three members from each chapter.

Members Present: Members present at the Beta-Delta meeting were Mrs. Bill Bohm, Novella Bailey, Johnnie Anderson, Mrs. J. B. Cox, Mrs. Stanley Fox, Mrs. M. E. Garrett, Dortha Hendrick, Bebe McAnally, Mary Katharine McDade, Mrs. J. M. Merriott, Dorothy White, Mrs. Lee Roy Woodard.

Verda Bartlett, Mrs. E. W. Bodeman, Mrs. Nolan Hirsch, Mrs. Cecil Elder, Annie Harris, Mrs. Joseph Hullum, Sara Johnson, Kay Kendrick, Mrs. W. S. Kotch, Jr., Mrs. R. W. King, Jr., Mrs. W. I. Pratt, Sr., Mrs. Leonard A. Foy, Mrs. A. V. Reid, Billie Walker, Jo Winders and Lunelle Zeek.

The Business and Professional Women's Club held its international relations dinner Tuesday night in Hotel Scharbauer. Mrs. Ernest Sidwell, guest speaker, told some of the highlights of her recent trip to Europe.

Beulah Taylor, international relations committee chairman, was in charge of the program. The tables were decorated with the flags of all nations. A display of flags in a larger size was used on the piano.

Twelve guests representing Scotland, Italy, Germany, England, Austria and Australia were present. They were Mrs. Margaret Slocum, Mrs. Taola Brennehan, Mrs. Duffy Stanley, Louise Potts, Helen Cole, Mrs. Margaret Thiller, Mrs. W. S. Key, Jr., Mrs. Joan Graham, Mrs. Eleanor Luton, Mrs. Eileen Willig, Mrs. Sara Veth Siddall and Mrs. Cleta Walker.

Announcement was made that the Pecos B&PW Club will have an international relations tea at 3 p.m. Sunday, honoring Judge Sarah T. Hughes, national B&PW president. Those who are interested in attending with the group from Midland should contact Thelma Gardner or Flossie Vaughan, it was announced.

Clubs To Hear Mrs. Chesher

Mrs. A. C. Chesher of Littlefield will speak on her recent European trip when the Midland Council of Garden Club entertains the Midland Woman's Club Thursday. The meeting will be held at 3 p.m. in the home of Mrs. Ralph Lowe, 1801 West Missouri Street.

Mrs. Chesher was a member of the national garden club pilgrimage which visited gardens in England, France, Switzerland, Belgium and several Scandinavian countries. She will illustrate her talk by showing slides of her trip.

Take Off Ugly Fat With This Home Recipe

Here is an inexpensive home recipe for taking off ugly weight and helping to bring back alluring curves and graceful slenderness. Just get from your drugist, four ounces of liquid baronette. Add enough grapefruit juice to make a pint. Then just take two tablespoonfuls twice a day. Wonderful results may be obtained quickly. Now you may slim down your figure and lose pounds of ugly fat without back breaking exercise or starvation diet. It's easy to make and easy to take. Contains nothing harmful. If the very first bottle doesn't show you the simple, easy way to lose bulky weight and help regain slender, more graceful curves, return the empty bottle and get your money back.

First Baptist Church Circles Meet For Mission Study

The Women's Missionary Union of the First Baptist Church met in circles Monday and Tuesday.

The Lockett Circle met Monday in the home of Mrs. D. E. Jimerson. Mrs. John Godwin opened the meeting with prayer.

The mission study was on "Jerusalem! Our Cities For Christ," and was led by Mrs. Jimerson. Mrs. J. C. Hudman gave the closing prayer.

Others attending were Mrs. C. G. Murray, Mrs. O. L. Bevil, Mrs. J. E. McDuffy, Mrs. Albert Clement, Mrs. S. C. Daugherty and Mrs. H. A. Palmer.

Mary Martha Meets: Mrs. John Dunagan was hostess to the Mary Martha Circle when it met Monday. The opening prayer was given by Mrs. Wommack. Mrs. H. B. Spears gave the devotional and the Royal Service program was led by Mrs. O. R. Phillips.

Others attending were Mrs. B. C. Girdley, Mrs. W. B. Preston, Mrs. Hunter, Mrs. Joe Smith, Mrs. H. B. Spears, Mrs. F. H. Lanham, Mrs. H. S. Collins, Alta Merrill, Mrs. George Phillips, Mrs. Curry and Mrs. C. W. Fugua.

The Lottie Moon Circle met Tuesday in the home of Mrs. H. M. Glass. Mrs. W. S. Helm opened the meeting with prayer and the Bible study was conducted by Mrs. C. M. Dunagan.

Others attending were Mrs. Hall, Mrs. H. M. Glass, Mrs. Eddie Conner, Mrs. Frank Monroe, Mrs. R. E. Taylor, Mrs. E. H. Thacker and Mrs. J. T. Powers.

Mrs. Goff Is Hostess: The Annie Barron Circle met in the home of Mrs. Robert Goff. Mrs. James Mims gave the opening prayer and Mrs. G. L. Evans taught the missions study. Mrs. Thurman Pylant gave the closing prayer.

Others attending were Mrs. Don Elliott, Mrs. Ernest Neill, Mrs. W. H. McQuaid and Mrs. H. N. Chapman and Mrs. Charles Mathews.

Mrs. James Windham was hostess to the Sarah Bryant Circle when it met Monday. Mrs. Arnold Scharbauer discussed business subjects and Mrs. J. C. McCain opened the meeting with prayer. Mrs. Barbara Wall was elected circle mother. Mrs. Ralph Day was in charge of the Royal Service. Mrs. Harry Lovejoy was a guest.

Others attending were Mrs. C. C. Mason, Mrs. R. C. Stone, Mrs. J. B. Bain, Mrs. H. Droppelman, Mrs. J. M. Teague, Mrs. James Adamson and Mrs. C. L. Wristen.

The Blanche Groves Circle met Monday in the home of Mrs. W. S. Dill. Mrs. Morris Hill gave the Bible study.

Those present were Mrs. Vernon Yearby, Mrs. Noel Cason, Mrs. Bennett, Mrs. H. L. Luce, Mrs. J. S. Griffith and Mrs. Howard.

Milan Plavsic Is Guest Speaker

Milan Plavsic, director of public safety, was the guest speaker at the meeting of the David Crockett Parent-Teacher Association Tuesday in the St. Mark's Methodist Church. His topic was "Building a Sense of Honor and Honesty Among Children."

In a short business session, Mrs. T. J. Smith was named the new president of the organization. The resignation of the secretary, Mrs. J. A. McCutchin, was accepted and Irene Kleibold, Mrs. F. B. King and Mrs. C. E. Chapman were appointed to form a life membership award committee. Room prize for the first three grades went to Mrs. Mary C. Nelson's second grade room, while the sixth grade taught by Hazel Lyles won the award among the upper three grades.

The devotional, "Something To Live By," was given by Mrs. J. D. Drummond.

DADDY RINGTAIL

By WESLEY DAVIS

IT TASTES SO GOOD—
IT LASTS SO LONG—
AND YOU CAN BUY IT
"FOR A SONG"...

Daddy Ringtail And Winter Wonderland

Daddy Ringtail, your monkey friend, ate a fine breakfast of scrambled coconut. He put on all the warm clothes that he would need, and then out he went on the porch, and down he slid to the ground in the snow.

Yes, the Great Forest and all the world around was a winter wonderland of ice and snow.

"Crunch, crunch, crunch," was the noise of Daddy Ringtail's feet as he crunched away through the snow and on up the Elephant Path.

Yesterday there had been no snow. Yesterday the Elephant Path was brown beneath his feet. And the trees had been brown, and all their branches. Why, here by the rock had been a little green bush

with red berries on it. Now the rock was only a hump of white in the snow. The green bush was covered with snow like the white icing on a cake, and the bush really wasn't green any more. The red berries weren't red, either, because now they were shiny balls of ice where the rain had fallen and frozen before the snow had come from the sky.

little tree that was bent almost over to the ground with all the ice and snow upon it. Daddy Ringtail jiggled the tree with his foot to shake off some of the frozen stuff, and the snow exploded like a bomb of bursting powdery white. A jack-rabbit jumped from his den beneath the tree, and ran away lightly across the snow.

Daddy Ringtail called to him please to come back and not be afraid, but the jack-rabbit was only a plain, ordinary jack-rabbit. He was not a jack-rabbit-people. He was afraid and would not come back to his warm den. Oh, but he would be all right until he came back later. Nothing would happen to him unless a hunter with dogs should maybe find his tracks in the snow. But don't worry. There were no hunters with dogs in the Great Forest.

And now the sun had come from behind a cloud, touching all the snow-covered forest with glints and glistens and diamond flashes of light. Not a breath of wind was blowing. Only a great silence in a great whiteness of wintry winter wonderland. It's a beautiful thing to see, I think, don't you? Happy day!

Permian Basin Oil And Gas Log-

(Continued From Page One)
officially completed for a 24-hour natural flowing potential of 202 barrels of oil per day through a 24/64-inch choke.

The new producer was completed through perforations at 8,496-8,524 feet opposite the Pennsylvania.

Gas-oil ratio on the potential test was 313-1. Gravity of the oil is 42 degrees.

During the test a packer was set in the casing and tubing pressure was 165 pounds. The new well did not make water on the final test.

After the potential was filled, operator took another 24-hour gauge through a three-quarter-inch choke. On that test it made 273 barrels of oil per hour.

The well is now on production. Location is 960 feet from north and east lines of section 3, block 35, T-4-N, T&P survey and three and one-half miles north of Sparenburg.

Ellenburger Stepout Swabbing In Andrews

Shell Oil Company No. 1-A Abe Nelson, prospector in the Nelson-Andrews field of Central-West Andrews County, is at total depth of 10,335 feet in granite, swabbing to clean out and test.

The possible producer is on the east side of the seven-well Nelson field and 661 feet from west and south lines of section 3, block A-40, pal survey.

The prospector swabbed open hole from 10,146 feet to total depth of 10,335 feet after that zone had been treated with 1,500 gallons of acid.

The well made 127 barrels of oil cut with a very slight amount of basic sediment and water in 24 hours.

The No. 1-A Abe Nelson is the first development in the Nelson field since about a year ago.

Germania In Midland Gets Two Locations

Location has been made for two more prospectors in the Germania-Spraberry field of Northeast Midland County.

W. W. Cumberland and Ted Weiner at spotted drillsite for their No. 1-17 Andrew Faskan 667 feet from north and east lines of the northwest quarter of section 17, block 36, T-2-S, T&P survey and one-quarter mile southeast of production.

Seaboard Oil Company of Delaware staked location for the other project 1,980 feet from north and 690 feet from west lines of section 8, block 36, T-2-S, T&P survey.

It will be drilled as the No. 2 Andrew Faskan.

That makes it one-half mile due west of the discovery well of the field.

Contracted depths of the prospectors will take them into the Spraberry.

Seaboard drilled the No. 1 Faskan as a San Andres dry hole several years ago. It was then taken over and deepened and was completed as the James H. Snowden and others No. 1 Faskan, the opener of the Germania field.

Midland Explorer Is To Resume Swabbing

James H. Snowden and others No. 1-58 C. A. McClellan, wildcat in Northeast-Central Midland County and about midway between the Tex-Harvey and Germania Spraberry fields, reported a swabbing recovery of an estimated four barrels of oil per hour after a hydrofrac treatment.

The prospector was hydrofractured in open hole from 7,212 to 7,240 feet, which is the total depth.

After fishing out lost packer operator is going back in the hole to resume swabbing.

The possible producer is 960 feet from north and 2,310 feet from west lines of section 58, block 37, T-2-S, T&P survey and about 11 miles east and slightly south of the City of Midland.

Prospect Staked In Upton Pembroke Field

Magnolia Petroleum Company has staked drillsite for a one location east stepout to production in the Pembroke-Spraberry field of East-Central Upton County.

The project will be drilled as the firm's No. 3 C. W. Ryburn.

Exact location is 1,980 feet from north and 660 feet from west lines of section 1, block O, EL&RR survey.

The well it offsets is Havenstrite Oil Company No. 1-A Pembroke.

Contract depth is 7,200 feet with rotary.

NW Upton Wildcat Drilling Devonian

Sinclair Oil & Gas Company No. 1 McElroy, Northwest Upton County wildcat, two and one-half miles southeast of the one-well Wilshire-Wolfcamp field, recovered 120 feet of gas out drilling mud in a three hour drillstem test at 10,392-445 feet in the top of the Devonian.

There were no shows of oil or of water. The prospector is making hole below 10,460 feet in the Devonian lime. It is contracted to go to the Ellenburger.

A revised list of geological markers for this prospector have been reported. Top of the Strawn was called at 9,220 feet; Bend at 9,830 feet; Barnett shale at 9,770 feet and top of the Devonian at 10,370 feet.

The datum on the top of the Devonian is minus 5,779 feet. According to some correlations that makes the Sinclair project 1,640 feet high to the same marker in the Wilshire Oil Company No. 23-148 McElroy, the lone producer in the Wilshire-Wolfcamp field.

This wildcat flowed 86 barrels of 46.3 gravity oil in a drillstem test of a Pennsylvanian section at 9,738-9,411 feet.

Location is 960 feet from south and 1,980 feet from east lines of section 129, block D, CO&D&RNG survey. It is on a farm out from Wilshire Oil Company out of a large checkerboarded spread that concern owns in that region.

Explorer Scheduled For Central King

The Norwood Drilling Company of Wichita Falls is to drill a 5,770-foot Pennsylvanian wildcat in East-Central King County and the Ard Drilling Company and Stanolind Oil & Gas Company reported a dry hole in North-Central King.

The new prospector will be drilled as Norwood No. 1 R. W. Ross, 690 feet from south and west lines of section 47, block A, R. M. Thompson survey and 11 miles east of Guthrie.

Drillsite is two miles northeast of Humble Oil & Refining Company No. 69 Bateman ranch, Strawn reef lime discovery.

The failure is Ard & Stanolind No. 12 R. B. Masterson in block 714, D. N. Robinson survey and 11 miles northeast of Guthrie.

It was abandoned at total depth of 4,478 feet.

Ellenburger Test Slated In Andrews

In Northwest Andrews County, Fullerton Oil Company spotted location for a 10,500-foot Ellenburger wildcat, which will be drilled as the No. 1 George L. Orogan.

It will be on the south side of the Union-Clear Fork field and 1,980 feet from south and 1,971 feet from west lines of section 21, block A-31, pal survey and three and one-half miles northwest of Devonian and Ellenburger production in the north part of the Fullerton district.

Deep Prospector Staked In Lynn

Standard-Fryer Drilling Company of Dallas and Max Pray and Ellaha Walker, Jr. of Chicago, are to drill a 9,500-foot Ellenburger wildcat West-Central Lynn County.

Drillsite will be 13 miles west and three miles north of Tahoka and 690 feet from south and east lines of section 4, block C-42, pal survey.

The prospector will be dug as the No. 1 Mrs. W. D. Nevels.

Scurry Reef Area Operators To Meet In Dallas Thursday

First meeting of the recently organized Scurry Canyon Reef Operators Committee will be held Thursday at the Baker Hotel in Dallas, at 10 a.m. Dale R. Snow, vice president of Sunray Oil Corporation, Tulsa, announced Wednesday.

Snow is temporary chairman of the operators' group, set up late last year to formulate such a co-operative agreement.

Sufficient signatures of operators have been secured to form a permanent organization and invitations have been mailed to more than 30 operators in the Diamond M and Kelley-Snyder pools to attend the Dallas session, Snow said.

Others invited

In addition to operators in the two pools covered in the agreement, operators in the Sharon Ridge and Cogdell areas have been invited to attend.

Also to be considered at the Dallas session is the final report of the Scurry County Temporary Pressure Maintenance Advisory Group. This report summarizes the items of investigation on pressure maintenance and water supply, which were involved in a recent operating questionnaire, distributed to all operators.

North Pecos Opener Reports Completion

C. H. Murphy & Company has completed its No. 4 Maude R. Ford, North Pecos County wildcat, as a flowing discovery of a new producing area from the McKee sand of the Simpson.

This new producer is one and one-half miles southeast of the nearest completed oil wells from the McKee, which are in the original Abell field.

It is about one mile southwest of the Abell-Silurian-Montoya field. That area has no production from the McKee. It gets its oil from the Silurian-Montoya zone and so far has shown no signs of production in the McKee.

The new Murphy well made a 24-hour potential of 336 barrels of 43-gravity oil, flowing through a 12/64th-inch tubing choke, after the pay had been treated with 1,000 gallons of acid.

The production is from perforations in the casing at 5,175-53 feet. Gas-oil ratio was 799-1.

This exploration drilled to a bottom of 6,978 feet in Ellenburger. Top of that formation was at 6,990 feet. A drillstem test of that zone made only water.

Operator plugged back and set casing through the McKee pay and then perforated and acidized for the completion in that pay.

It showed some free oil in a drillstem test of the Clear Fork lime of the Permian at 3,860-3,900 feet.

Location is 390 feet from north-east and southeast lines of section 3, block 3, H&TC survey.

RETURN TO ACTIVE SERVICE

Major O. V. Lawrence, formerly a landman for the Shell Oil Company, left recently for San Antonio where he will go back into active service in the Army.

YOUNG ARTISTS TO MEET

The Young Artists Club will meet at 7 p.m. Thursday in the home of Martha Mast, 1900 West Kansas Street. Patsy Yeager will be the co-hostess.

TREATED FOR INJURY

James Merrell, 605 North Main Street, was admitted to Midland Memorial Hospital Tuesday for treatment of an eye injury.

ADMITTED FOR DENTAL SURGERY

Mrs. J. F. Epley of Stanton was admitted to Midland Memorial Hospital Tuesday for dental surgery.

ADMITTED FOR TREATMENT

Mrs. M. L. Jackson, 807 South Marlinfield Street, was admitted to Western Clinic-Hospital Tuesday as a medical patient.

ADMITTED FOR TREATMENT

Mrs. B. W. Wyatt, 607 East Midland Lane, was admitted to Midland Memorial Hospital Tuesday for medical treatment.

LEAGUE OF WOMEN VOTERS TO HAVE ORIENTATION MEET

The League of Women Voters will have an orientation meeting at 10 a.m. Thursday in the home of Mrs. Hector Dyer, 1704 Bedford Drive.

Crude Hike—

(Continued From Page One)
mission his company is withdrawing from storage at a rate of 14,000 barrels a day.

H. S. Lane said Crown Petroleum Corporation has been unable to find 3,000 additional barrels a day it needs, and R. W. Thompson said the Cooden Petroleum Company, Big Spring, has been trying to locate 2,000 additional barrels without success.

The February allowable is 26,263 barrels a day above purchaser nominations for the month and is 325,292 barrels above the Bureau of Mines estimate of February demand for Texas crude.

Owens said the market at present is "very tight." He said Sun has solicited throughout the industry and found no sources from which to obtain additional crude it needs.

Neath said Humble's Gulf coast pipe lines from West Texas now are running about 25,000 barrels a day below capacity.

"Rumble has depleted its West Texas stocks," he said, "and I think this would apply generally throughout the industry."

He said the February increase still will leave all pipe lines operating out of West Texas at about 136,000 barrels a day below capacity.

"Even with a 26-day schedule in February Humble still will be buying crude oil in West Texas," he said.

Ralph Diester, chairman of the board of Stanolind Oil Purchasing Company, was the only witness to say his firm needs no more crude than is now being received.

The next hearing will be held February 15 in Fort Worth.

New January and February allowable for each of the 10 Railroad Commission districts will be released later from Austin.

Water Code—

(Continued From Page One)
fourth of one per cent on business grossing one to two million dollars every three months, one-half of one per cent on the two to three-million dollar category, and one per cent on gross receipts exceeding three million dollars.

Speaks Opposition

"Sure, I'll get plenty of opposition from places like Neiman-Marcus in Dallas and Foley's in Houston," said Bryan, owner of a hardware and appliance store in his small East Texas home town.

Also filed for House introduction was a bill to protect borrowers from loan sharks. Rep. T. M. Collier of Eastland presented what he called a "small loan act." It would license loan companies, allow them to make loans up to \$500 at interest up to 10 per cent plus reasonable charges for expenses of making the loan.

Collier charged in a preamble to his bill that small borrowers "have been and are being grievously exploited by lenders whose charges are extortionate and illegal, whose treatment of borrowers is brutal and oppressive, and whose practices are based on terrorism made effective by the borrower's necessity."

Food Prices—

(Continued From Page One)
man whose influence was extremely important in blocking a 30-day price freeze last week—told a reporter he is not against a freeze, but is only against doing it now, when the staff is still inadequate.

This official, who cannot be identified, said a freeze of prices, with such a small staff, would freeze a vast number of inequities, would be difficult to enforce, and would tend to drive low-profit articles out of the market.

Doesn't Favor Delay

But he said he would not favor waiting until the ESA is fully staffed before raising a freeze.

He said there was one drawback: "The airplane is an inefficient weapon against the individual soldier." Communist troops can move south along mountain trails or at widely spaced intervals on main roads.

Visit War Front

Two other Washington Pentagon generals visited the front Wednesday. They are Lt. Gen. Walter Bedell Smith, Central Intelligence Agency chief, and Maj. Gen. Alexander R. Bolling, U. S. Army Intelligence head.

All four arrived in Tokyo Sunday for high-level conferences and on-the-spot views of the Korean war.

An AP field dispatch said leading attack columns swept on Suwon from two directions and moved down most of the surprised Chinese in the open. Some were caught without their guns.

Then 10 Allied tanks took up the fight inside the city. Their guns blazed at Red hideouts for an hour.

Allied planes hit the town as the ground force withdrew. They rocketed and machinegunned troops on rooftops and Chinese fleeing north but of Suwon.

Other Allied scouting forces which had entered Osan, 28 air miles south of Seoul, and Kumyangsang, 28 air miles southeast of the old Korean capital, withdrew by plan at dusk Tuesday to positions just south of the two towns.

Court Rejects Move To Halt Injunction

AUSTIN —(AP)—The State Federation of Labor's efforts to halt Brown and Root's injunction proceedings failed in the Supreme Court Wednesday.

The court rejected several motions and an application for a writ of error, designed to remove the unions from the effects of a temporary restraining order against picketing.

Trial of the injunction case meanwhile is continuing in district court here.

SHERMAN IN HOSPITAL

Otto Sherman, Route 2, Midland, was admitted to Midland Memorial Hospital Tuesday as a medical patient.

Thane, Lecturer, Is Lions Club Speaker

"We are in for some shocks and a ride swabbing in the very near future," Dr. Kenneth Walker, noted lecturer, told members of the Midland Lions Club at their luncheon meeting Wednesday in Hotel Soharbauer.

Dr. Walker, known professionally as Thane, is in the city for a public lecture.

He explained he recently attended a conference of American lecturers in Washington, D. C. to discuss foreign and domestic affairs. He said the briefings of the lecturers by great leaders contained much restricted information.

He predicted a fighting manpower arm of six million men and the enlistment of millions in the armament program.

"Hitler's Secret Weapon"

Walker wrote the best-seller, "Hitler's Secret Weapon." He has traveled widely and is known as writer and lecturer.

Dr. Henry L. Schlichting was program chairman. Ed Prichard presided at the luncheon. Lynn Nicholson was introduced as Junior Lion of the Week. Marlowe Fischer, state secretary of Lions International, was introduced as a guest. Also Frank Cochran, deputy district governor, was introduced.

Harry Rhodes made announcement of a campaign to raise funds for a crippled children's recreation center. It was announced the Navy Band would play in Midland May 3. A director's meeting was called following the luncheon meeting.

Head Of Buckner Orphans Home Dies

DALLAS —(AP)—Dr. Hal F. Buckner, 72, since 1919 head of Buckner Orphans Home here, died Tuesday night.

He was a former Baptist minister and former missionary to China. His father, Dr. Robert Cooke Buckner, founded the Baptist Orphans home.

Joan Edwards—

(Continued From Page One)
Joan might live out a lifetime in unconsciousness.

She was returned to her home at Rankin from Dallas. Later she underwent extensive treatments at a clinic in San Angelo.

Always she remained unconscious. Sometimes she improves but not enough.

The parents still hope and pray. She now can be fed by mouth rather than tube, but it is a trying process to feed her.

She is not completely still. She can move her body slightly. She displays some expressions. She makes little noises.

But most of the time she just lies there with her blue eyes unseeing into space.

She has received thousands of communications from persons all over the nation. Messages to keep up the fight have come from many places. There have been many gifts and other expressions.

Generous West Texans and others have contributed thousands of dollars to her recovery fund.

In a letter of thanks recently to a person who had contributed to the Joan Edwards Recovery Fund, her mother wrote:

"The past two years go through my mind and the endless row of the very nice things that have been done for us stand before me and I know I have no words for an adequate thank-you.

"However, we will use the money as wisely and sensibly as we know how in caring for Joan and will forever be grateful.

"There really is very little change in Joan. She rested better for about six weeks and she has eaten better in the last two weeks. I say eaten when really it isn't eating at all, because we literally pour the food down her. Sometimes, I think maybe there is a glimmer of knowledge and again I know there isn't. We just keep hoping that someday there will be a change."

For the sake of that unconscious woman, her faithful mother and her sick father, there are many changes for the better.

Joan Edwards was an employee of The Reporter-Telegram at the time of her accident. She is a graduate of Texas Tech. She is an only child. She is 25 years of age. At the time of the crash, she weighed 118, but wasted away to 61 pounds during the first year of unconsciousness. She weighs less now.

Many things have occurred since Joan Edwards was knocked into unconsciousness, even sad world-shaking events, that she knows nothing about. That may be the only blessing of the seemingly hopeless situation.

That and her wonderful will to live.

And finally, the prayer and faith of her mother and dad and friends.

ADMITTED FOR TREATMENT

Mrs. M. L. Jackson, 807 South Marlinfield Street, was admitted to Western Clinic-Hospital Tuesday as a medical patient.

ADMITTED FOR TREATMENT

Mrs. B. W. Wyatt, 607 East Midland Lane, was admitted to Midland Memorial Hospital Tuesday for medical treatment.

And finally, the prayer and faith of her mother and dad and friends.

ADMITTED FOR DENTAL SURGERY

Mrs. J. F. Epley of Stanton was admitted to Midland Memorial Hospital Tuesday for dental surgery.

ADMITTED FOR TREATMENT

Mrs. M. L. Jackson, 807 South Marlinfield Street, was admitted to Western Clinic-Hospital Tuesday as a medical patient.

ADMITTED FOR TREATMENT

Mrs. B. W. Wyatt, 607 East Midland Lane, was admitted to Midland Memorial Hospital Tuesday for medical treatment.

LEAGUE OF WOMEN VOTERS TO HAVE ORIENTATION MEET

The League of Women Voters will have an orientation meeting at 10 a.m. Thursday in the home of Mrs. Hector Dyer, 1704 Bedford Drive.

Cotton

NEW YORK —(AP)— Wednesday noon cotton futures were 65 cents a bale lower to 15 cents higher than the previous close. March 44.00, May 43.44 and July 43.90.

'COMPLETELY NEW' BUICKS—Style-leader and pacesetter of the 1951 Buick line is this four-door six-passenger Special, or Series 40, sedan. Representative of the entire Special series, which is completely new this year from stem to stern, this car has a new chassis, a new body, new front end, new sweepers molding, new trim, and new fender and hood ornaments. The new Buicks will be on display Saturday at the Miles Hall Buick Company on West Highway 80.

Apparently He Had Reason To Complain

The operator of a tourist court complained early Wednesday of a disturbance in one of his cabins.

Lt. Dick Hemingway investigated.

He reported later the disturbance merely was the grumbling of a man whose wife had kicked him out of bed and was making him sleep on a quilt on the floor.

After a lecture from the police officer, the man agreed to keep quiet.

1951 Model Buicks On Display Here Saturday

Buick Saturday will introduce its 1951 line of cars, highlighted by an improved Special with new body and new engine.

The new line contains three series of cars, ranging from the low-priced Special up through the Super to the luxury models in the Roadmaster. They will go on display in showrooms of the Miles Hall Buick Company here.

"Important advances in styling features coupled with major chassis and body improvements combine to make the 1951 Buick the greatest value in our history," a company spokesman said.

There are eight models in the Special Series, six in the Super and four in the Roadmaster.

The 1951 Special is completely new throughout. It has a new body, a new chassis and is powered with the F-263 Fireball engine introduced in the Super last year. This engine develops 128 brake horsepower with Dynaflow and 120 with Synchromesh transmission.

"Hard-Top" Convertible

The Riviera "hard-top" convertible, which Buick pioneered in 1949 to start a new trend in automobile styling, has been extended to the Special, giving Buick three of these models for the 1951 market.

The Riviera styling, available in the four-door sedans in the Roadmaster and Super series last year, also has been extended to both two and four-door models in the Special. Also available in the Buick line for the first time since the war are a low-priced convertible and a three-passenger coupe in the Special series.

The entire line has been restyled and boasts many new features in design, engineering and interior trim.

Many important changes have been made in the Roadmaster, Buick's top model in the luxury class. A chrome rocker panel molding extending all the way along the bottom from the front fender to the gravel shield, adds to the exterior beauty and offers better protection from stones and dirt. The four fender ornaments on the Roadmaster are of different design than those on the other series, lending even more distinction to the car itself.

Other Changes

Many changes also have been made in the Super, lending added beauty and luxury to this series.

The most significant change in appearance in the entire line is the new bumper-grille combination which proved so popular in the 1950 Buick. The grille, containing 25 bars of tough, stamped steel, is located behind the bumper.

Election Of Officers To Feature Scout Meet

A report of the nominating committee, to be followed by the election of officers for 1951, will feature the Annual Business meeting of the Buffalo Trail Council, Boy Scouts of America, at 4:30 p.m. Friday in Big Spring.

Dr. W. B. Hardy, president of the council, will preside.

An announcement of the regional meeting, to be held in Mineral Wells April 9-10, also will be made and a plea for strong attendance at the meeting will be made by Scout Executive P. V. Thorson.

The Buffalo Trail Council has won the regional flag the last two years for registering the most members in attending the meeting. If the council wins the flag this year, it will be allowed to keep it. Thorson said Wednesday he will seek to have 100 Scouters from this council attend the session.

Committee Named

Dr. Hardy will announce at the Friday meeting the appointment of Operating Committee chairmen and members of the sub-committee of the executive board, which must be confirmed by vote of council members.

A conference of all district chairmen, vice chairmen and public relations chairmen will be held February 2 in Midland, Thorson announced.

The meeting in Big Spring will be followed by the council's annual banquet at 6:30 p.m. in Hotel Settles.

Baker Oil Adds Outlet In Midland

R. B. Baker, owner of the Baker Oil Company, has taken over the management of the former D&D Service Station, 1409 East Highway 80, and announces that all favorite oils and plenty of tires, tubes, batteries and anti-freeze are in stock. Baker says he has an especially large supply of tires and tubes and invites you to compare prices when buying.

The station stocks 84-octane regular and 93-octane ethyl gasoline. Baker's service men are instructed to serve you with only dependable products, only the finest in service and the most courteous attention.

Satisfactory Service
If you are not satisfied, at any time, with the products or service, you are requested to call it to the manager's attention and it will be corrected.

The Baker Oil Company, which also has stations leased to operators, is distributor for Cosden products and operates a wholesale and retail diesel fuel service.

Kitchen appliances also are featured by the concern. If you haven't tried Cosden products, Baker invites you to "stop at the sign of the Cosden traffic cop," and try the Cosden dealer's petroleum products.

Chemotherapy in plant culture means applying disease-killing chemicals in water to the soil in which plants are growing. The chemicals enter the plant by way of the roots.

EXPERT ATTENTION—Attention to all cleaning, pressing and repair details is a feature of the Majestic Cleaners, which guarantees expert service. All garments handled at the Majestic are given thorough inspections before delivery. The firm is located at 615 West Wall Street. The telephone number is 2847.

C. C. Sides Is Distributor For Kirby Cleaner

You doubtless have heard of the amazing Kirby Vacuum Cleaner and if you are skeptical about some of its wonderful features, then a demonstration will convince you nothing was exaggerated, according to C. C. Sides, distributor, who has a factory franchise to serve 26 counties in West Texas and one in New Mexico.

His headquarters are at 203 South Main Street and if you can't get around to calling there to find out more about the wonderful Kirby, then a telephone call is all that is necessary to arrange a demonstration in your own home.

The telephone number is 3493.

Sides' organization has placed more than 7,000 Kirbys in homes in this territory since early in 1947. The business grew from a small start to one of immense proportions, and Sides gives full credit for its success to the Kirby cleaner.

Every Kirby Vacuum Cleaner carries a lifetime service guarantee and fire insurance protection.

Eight Units In One
The cleaner is eight complete units in one and here are the units:

1. The crystalator, for de-moistening.
2. The spray and suds-o-gun, for spraying paints, insecticides and floor wax.

3. The portable, which is used to clean everything above the floor, including draperies, venetian blinds, lamp shades, moldings, walls and light fixtures.
4. The mattress cleaner, which also is used for heavy cushions, upholstered furniture and carpeted stairways.
5. The rug cleaner, for cleaning rugs and carpets of all kinds.
6. The electric floor duster.

Other Uses
7. The power polisher, for polishing hard-surfaced floors after waxing and for many other uses.

8. The handi-butler, which is a complete kit of power-operated household tools.

The Kirby cleans up the odors as it cleans the home—which is another exclusive feature.

B&B Butane Service Has Large Stock Appliances

The B&B Butane Service, 321 South Fort Worth Street, has added another truck to provide even better service than in the past, and announces that a good supply of water heaters and heating stoves still is in stock.

The appliances, designed for butane gas, can be converted for natural gas. A stock of plumbing supplies and fixtures, including many hard-to-find items, also is on hand at B&B, according to the management.

The firm is co-owned by Morris Snider of Midland and H. S. Blocker of Stanton. It has been operating a year.

The telephone number is 2102, day or night.

cleanest fuels obtainable. In fact, many users declare it is as clean as electricity for cooking. There is no question about its economy.

Complete Service Provided
The territory covered by B&B is confined mostly to Midland County. Complete service, from installation of tanks to servicing equipment, is provided.

The heaters at B&B come with or without vents, according to the customer's preference.

The B&B managers point out that living away from natural gas lines or other convenient fuel services does not mean that you must be denied the convenience of modern living, since butane service is available to all families, regardless of location in the county.

Purebred Hereford Bull Brings \$11,500

DENVER.—(P)—C. M. Caldwell and Son of Abilene, Texas, paid \$11,500 Tuesday for a purebred Hereford bull. It was one of the top prices at the Western Stock Show. The animal is S. Avalon Carlos. It was sold by E. L. Scott of Gunnison, Colo.

Hialeah Race Track Opens Wednesday With Bright Outlook

MIAMI, Fla. —(AP)— Hialeah Race Course opened its 40-day meeting Wednesday with prospects of better racing, bigger crowds and more betting than last year.

The better racing prediction is based on 20 thoroughbreds entered in the six furlong inaugural handicap, to be run in two divisions with a \$7,500 purse in each. An opening day crowd of 20,000 is expected.

It will be the first time since 1946 and the second time in its 21-year history that the inaugural was run in two sections.

Woolford farm's delegate, winner in 1948 and 1949, heads the field in the second division. He will carry 122 pounds, including jockey Ovie Scurlock.

H. H. Hecht's The Pincher, winner of two Maryland stakes last fall, heads the first division, also at 122 pounds. Each section will have 10 entries, barring late scratches.

Hialeah spent almost \$1,000,000 in preparation for the 1951 season, including a new grandstand roof, 1,800 additional seats and a plush new press box.

The opening of Hialeah follows a highly successful 41-day meeting at Tropical Park, which closed Tuesday. Betting at Tropical Park totaled \$23,230,602 compared with only \$17,998,332 last season, an increase of 29.07 per cent. Attendance was 346,293 against 342,656 last year.

Longhorns Only Undefeated Five In SW Campaign

By HAROLD V. RATLIFF Associated Press Sports Editor

The Texas Longhorns sped along at the head of the Southwest Conference basketball parade Wednesday and will remain there for several weeks.

The Longhorns, rated far down in pre-season speculations, are the only undefeated team left in the title drive.

Southern Methodist, fighting to stay in the race, whipped Texas A&M 51-44 Tuesday night at Dallas and that handed Texas the undisputed leadership.

A&M fell into a tie with Texas Christian for second place, each showing a 3-1 record.

Baylor finally got out of the cellar regions by licking Rice 69-55. It was the Bears' first victory of the title drive and sent Rice into the dank regions with a 0-4 record. Arkansas is next to last with 0-3.

Baylor hit 53 per cent of its chances for field goals and led all the way. The Bears got more chances at the basket than the Owls. A crowd of 2,500 saw the game-making 5,500 for the two contests played last night. There were 3,000 at Dallas.

Texas doesn't play another game until January 31 when the Longhorns meet Texas A&M.

Two games are scheduled Saturday night with Southern Methodist playing Rice at Houston and Baylor journeying to Fayetteville to engage Arkansas.

Boston University's hockey team features a crack forward line with Jack Garrity at center and juniors Dick Kelley and Jackie Martin as wingmen.

King's Row

By LARRY KING

You won't see a kid that can box like Willie Pep nor one that can punch like Joe Louis, if you attend the three day regional Golden Gloves meet that begins in Odessa Wednesday night.

But you will see a lot of free swinging, earnest kids out there giving all they have.

Of the 100 fighters entering the Odessa meet, perhaps none will ever fight professionally. And probably none would ever be truly great if they did cuff for pay. But for the next three nights they'll be scrapping as if every match is for a world championship.

More than 100 kids—it oughta be quite a show.

Plans are being laid in Lamesa for the second annual Lamesa Reporter 3-AA Football Banquet, to be held January 25.

Midland's Delbert Downing will be toastmaster. Coach Rusty Russell of SMU is scheduled to appear on the program along with alumnus Sammy Baugh, ex-TCU and Washington Red Skin star.

The "official" all-district football team will be present. The 3-AA coaches are choosing the team, naming an "all opponent" outfit. No coach may name his own boys.

Midland placed Tackles Bob Wood and Stan Coker, End Duane Bush and Halfback Ralph Brooks on a sportswriters team, but it isn't the official team.

Lubbock still remains as the kingpin of 3-AA basketball. The latest Westerner effort was a 61-37 victory over the Plainview Bulldogs.

Big Spring is tied for the loop lead with the Westerners, having won two district contests in as many starts.

Lamesa continues to improve and despite a loss to Lubbock may be in the running yet. The Tornados dumped San Angelo 45-38 Tuesday night.

But despite Big Spring's perfect record thus far, here's how we see the teams ending: Lubbock, Lamesa, Big Spring, Odessa and Midland, in that order. That's the way they stand now, with the exception of Big Spring being ahead of Lamesa.

And that doesn't mean Midland won't win some basketball games in the district. Red Rutledge's boys could win several of them—but with three defeats it's going to be hard to climb out of the cellar.

Now wouldn't it be nice to beat you-know-who when they journey 20 miles East to play a return engagement here.

The Midland Flying Sisters mystery is solved. It's the female basketball team organized here.

About 20 girls have been working out under the direction of coach Ruthie Lee Wood.

The Flying Sisters fly off to San Angelo for a game with Blonny Cross' beloved Red Chicks Thursday night. The benefit tilt is scheduled for the march of dimes.

Chris Hines, the publicity director of the Flying Sisters is quite persistent. If the team fails to get in the papers it won't be her fault.

Stanton Buffs Trip Knott Five 50-14

STANTON — Stanton won its tenth basketball game without defeat here Tuesday night, toying with Knott, 50-14.

Coach Lee Fields played his first string less than half the game, but it was strictly for contest. Field's charges built up a 19-2 first quarter lead and went into the halftime intermission with a 28-5 bulge.

Kenneth Henson paced the Buffs cagers with 15 points. Bobby McClain and LeRoy Gibson tallied eight points each. Other Stanton scorers were James Tunnell, six, L. Huffman, four, Alvis Fisher, four, Earl Koonce, two, Gene Koonce, two, and Lee Graves, one.

Midland 'C' Falls To Odessa Five

The Midland 'C' team almost beat the powerful Odessa Crockett cagers Tuesday afternoon in the John M. Cowden Junior High gym, but their efforts fell short by five points, and Crockett took a 27-22 decision.

The Odessans sacked up a 20-12 halftime lead, but Midland came back to chop the margin down. Jim Hammett scored seven points to pace the Midland leads. Rusty Rutledge tallied six, John Crowley four, Milton Jones three and Joe Streun two. Jim Mashburn and Gene Hunter turned in fine floor games, with Hunter hawking the rebounds.

J. Barnett topped the Odessa cagers with six points. Coach Bernard (Pat) Patterson said his Midland 'C' boys turned in their best game of the season.

Golf Under Stars Makes Its Debut

LONG BEACH, CALIF. —(AP)— Golf under the stars made its debut Tuesday night at Lakewood Park Country Club and Jack Burke, Jr., Houston, Texas, won the novel \$1,000 nine-hole event with a one-below-par 34.

The innovation was a prelude to the \$10,000 Lakewood Open which starts Thursday.

Inventor Jim Walker's portable spotlight followed the flight of the ball with unerring accuracy and not a single ball was lost.

Lloyd Mangrum was runner-up with 38. Jim Ferrier carded 39 and Henry Ransom 40.

Glum Sports Year Is Seen By Experts

NEW YORK —(AP)— The nation's sports writers and radio casters are a gloomy lot as they contemplate the coming year. A great majority of them fear that athletics of every type, both professional and amateur, will feel drastically the effects of the world situation.

Of several hundred experts who answered an Associated Press year-end questionnaire, fewer than a dozen are ready to predict that sports will do "business as usual" in the face of the draft and possible all-out mobilization.

"Typical of the terse replies received from every section of the country are these:

"Threat of war may wreck minor baseball leagues, put colleges back on war-time standards."

"Spectators may have to be content to see 16-year-olds and guys over 40 perform."

"Expect a slump at the gates and inroads on sports by draft boards."

"Sports in '51? Where? Here or in Korea? It looks from here like all sports will be in uniform."

If there is a declared war, the vast majority agree that no professional sport will survive this and that college sport will be extremely hard hit.

Among those who passed up the over-all picture in favor of more specific predictions, most picked the New York Yankees to win their third straight World Series. Others guessed this would be Joe DiMaggio's last season, that the New York Giants would win in the National League and that Washington would finish in the first division in the American.

One voter, showing signs of haste, signed off with "This is my last official act as sports editor—I've been drafted!"

Rote And McFadin On Professional Grid Draft List

CHICAGO —(AP)— The National Football League Thursday opens its annual meeting beset with war-borne manpower worries and the problem of what to do with the down-trodden Baltimore Colts.

Club delegates will have a sharp eye on the subject of hired hands in the face of the growing war riddle as they conduct the yearly player draft—No. 1 item on the loop's four-day agenda.

The fate of Baltimore's question-mark Colts, who won only one of 12 league starts last season, must be decided to clear the deck for the 1951 schedule-making.

Ab Waterman, recognized as the Colts owner, presumably will poll the other 12 club operators for player help to bolster the Baltimore entry which suffered at least an \$85,000 loss last season.

The draft list which will be tapped for 30 players by each club sparkles with such names as Southern Methodist's Kyle Rote, Michigan's Chuck Ortmann and Don Duke, Kentucky's Bob Cain, Oklahoma's Leon Heath, Notre Dame's Jerry Grodum and Bob Williams and Texas' Bud McFadin.

Rote, the Mustang's one-man gang who incidentally is married and has a youngster, is reported the No. 1 choice of six clubs among the nine eligible for the draft-opening bonus draw.

Earl Harriman To Pilot Sweetwater

SWEETWATER —(AP)— Earl Harriman, veteran West Texas-New Mexico League infielder, has been named playing manager of Sweetwater in the Class C Longhorn League.

Directors also announced appointment of Joe Bratcher of Fort Worth as business manager.

International Golf Match Scheduled

AMARILLO —(AP)— Top golfers from Mexico and Texas will meet in an international team match here during the annual Texas PGA Golf Tournament May 28-June 24.

George Aubach, Amarillo Country Club professional, said Olin Dutra probably would captain the ten-man Mexican team and that Byron Nelson would head the Texans.

College Basketball

SMU 51, Texas A&M 44. Baylor 69, Rice 55. Missouri 51, Wichita 42. Virginia 50, VMI 47. Harvard 68, Dartmouth 52. No. Carolina 64, Wake Forest 45. TWC 54, Stephen F. Austin 39. North Texas State 50, Southwest Texas State 48. Holy Cross 69, Rhode Island State 66. LIU 84, Dequesne 52.

HEADS COMMITTEE

NEW YORK —(AP)— Seymour Lieberman of Houston heads the AAU Junior Olympics Committee. He was one of 35 chairmen announced by the Amateur Athletic Union Tuesday.

Lexington, Ky., was the scene of 17 harness races, or time trials in which a sulky pulled over a mile in two minutes or better during 1950.

Sports

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JAN. 17, 1951—9

State High School Coaches Association Fights Proposal To Curb Gifts From Fans

BEAUMONT —(AP)— The Texas High School Coaches Association is campaigning to defeat a proposed Texas Interscholastic League rule that would curb gifts from fans to the coaches.

The campaign was launched Tuesday when Standard Lambert, publicity director of the association, released the first four articles to the press.

The proposed rule states a coach who accepts a gift valued at more than \$100 would subject his school to suspension from the league.

Lambert said the coaches feel the rule would be discriminatory legislation and that its passage would set a dangerous precedent that would further jeopardize "their already hazardous profession."

"The coaches are quick to point out, however, that their opposition is not directed at the league itself," Lambert said. "They feel that the proposal is the result of a coalition of three elements:

(1) A well-meaning but misguided group that conscientiously feels that passing the rule would give the coaching profession more security; (2) a few communities that have been embarrassed after nearby fans saw fit to express their appreciation to the coach in the form of cash or automobiles; and (3) another small group that is either expressing its professional jealousy, or the fear of professional jealousy within their faculties."

The school men who are espousing the proposal have said they wanted such a rule because it would prevent people outside the school system trying to control the coach, reasoning that if the fans gave the coach a sum of money or something else of value they would feel they had a right to tell the coach how to run his team.

The coaches, Lambert said, reason that if it were within the jurisdiction of the league to protect them during their lean years such a ruling in the lush years would be justifiable. "But unfortunately this is not the case," Lambert added.

Howard (Bull) Lynch, whose contract at Amarillo was terminated last month, is a member of the board of directors of the coaches association and was present at the board meeting where the rule was under discussion. When this point was brought up, one board member turned to Lynch and said: "The league was not able to help you when you got it, it, Bull?"

"Not enough that I could tell it," Lynch replied good-naturedly. "Nor me, either," chimed in I. B. Griffith of Silsbee, who felt the axe at Beaumont after a winless season in 1948.

Rules Committee To Decide On Code Changes Wednesday

GALVESTON, TEXAS —(AP)— The national football rules committee was to decide Wednesday what—if any—changes will be made in the playing code.

The group has discussed rules and possible changes for two days. The vote Wednesday will wind up the annual meeting.

Tuesday there was considerable discussion on returning the fair catch rule to the books.

Other matters discussed at the meeting Tuesday included what Chairman H. O. (Fritz) Crisler of Michigan said was "a lot of technical stuff." Most wouldn't mean much to the ordinary fan.

The fair catch rule was eliminated last year because it had fallen into disuse. But the American College Football Coaches Association requested that it be put back.

Many coaches felt that receivers didn't have a chance when four or five men would get down under a high kick.

The main point in the complicated wording of the old rule was that by raising one arm the safety man could catch the ball without being tackled. He, however, could move forward no more than one step.

Other matters discussed Tuesday included the matter of an eligible pass receiver who goes out of bounds then returns; a pair of conflicting rules on passes to ineligible men and a question of simplifying the infliction of penalties for fouls on incomplete forward passes.

President Gardner Predicts Big Year In Texas Loop Play

DALLAS —(AP)— The Texas League is ready for the 1951 season and President J. Alvin Gardner sees no reason why it can't have a big year.

"Most of the players on the reserve lists are veterans of the last war and not likely to be drafted, so we should have plenty of men," Gardner declared. "Travel should present no problem. The railroads tell us they have more equipment than ever before. The hotel situation is adequate."

All managers for 1951 have been named. Tommy Tatum was announced as skipper of Oklahoma City to complete the list.

Other managers will be: Dallas, L. D. Meyer; Tulsa, Al Vincent; San Antonio, Joe White; Houston, Al Hollingsworth; Beaumont, Harry Craft; Fort Worth, Bobby Bragan; Shreveport, Francis (Salty) Parker.

Spring training plans also have been announced by the eight clubs. They are: Oklahoma City, at Monroe, La., opening March 10; Dallas, at Daytona Beach, Fla., opening March 10; Tulsa, at Alexandria, La., opening March 10; San Antonio, at McAllen, opening March 12; Houston, at Harlingen, opening March 1; Beaumont, at Brownsville, opening March 1; Fort Worth, at Vero Beach, Fla., opening March 8; Shreveport, at Shreveport, opening March 8.

Club owners have predicted a total attendance of more than 2,000,000, which would be a new league record.

Aggie Frosh Coach Will Go To Georgia

ATLANTA —(AP)— Freshman Coach Perron Shoemaker of Texas A&M will be Georgia's new end coach, the Atlanta Constitution said Wednesday.

The newspaper said Coach Wallace Butts will recommend him and the athletic board will approve. Shoemaker was an end at Alabama. He would replace Jim Whitley, who is basketball and baseball coach as well as football end coach.

Shoemaker went to the Texas school in 1949. He played at Alabama in 1938.

Field Of 100 Fighters Due For Odessa Regional Meet

BEST-OF-YEAR—Hans Jeppson trots in training at London's Charlton grounds. In England on business for his Stockholm firm, the 25-year-old Jeppson agreed to play as an amateur for three months to help Charlton's side way down the table.

The center-forward rejected an Italian offer of \$10,000 for himself plus \$1,000 a month. He has 12 times been "capped" by Sweden, led his country's World Cup team in South America last summer. He is claimed to be the best soccer catch of the year.

Rotary Engineers, Western Plastic, Whip Odessa Teams

Midland Independent basketball teams scored a double win over Odessa teams Tuesday night in the John M. Cowden Junior High School gym, as Western Plastic Company took Holder Grocery of Odessa 42-33 and the Rotary Engineers developed Bill Hale Motors in the nightcap 56-37.

The win was the ninth in 10 starts for Rotary. Western Plastic now is even with a 3-3 record.

Leland Huffman paced the Rotary attack, hitting for 19 points and playing a nice floor game. High scoring Bennie Rutherford was covered like tent by Hale's defensive ace Rosie Ward, and was held to seven points. Frank Collins scored eight for the Engineers and Paul Haskins dumped in 10 tallies.

Rotary took an early lead and kept it in front most of the way, building up a 34-19 lead at halftime. The win gave Rotary a 2-1 edge over the Haleman in games played this season.

The Western Plastic-Holder Grocery clash was a honey for three and a half quarters. But the Midland team started hitting from outside and making its charity tosses to pull away and win by a nine-point margin. Jack Dunlap, "Duck" Dice and Bryan Clark tallied eight points each for the winning Western Plastic quintet.

Flying Sisters To Play In San Angelo

The Midland Flying Sisters—a female basketball team sponsored by Midland merchants—journey Thursday night to San Angelo to engage that city's Red Chicks five in a benefit basketball game. Proceeds of the game will go to the March of Dimes.

Slated to start for the Flying Sisters are forwards Rosie Hart, Edith Campbell and Elouise Graham and guards Joyce Beasley, Frankie Shulke and Dutch Clinton.

Other team members making the trip are: Pety Tuggie, Betty Erdman, Leriene Reid, Bobby DeLap, Mary Montgomery, Chris Hines, Johnnie Stuart and Mae Walker. Coach Ruthie Lee Woods announced Wednesday that Rosie Hart has been appointed captain of the Flying Sisters.

Midland merchants sponsoring the team include: Ray Gwyn's Office Supply, Western Auto Stores, Hi-D-Ho Drive In, The Reporter-Telegram, Mozell's Beauty Shoppe, Brown's Grocery, Agnes Cafe and Manhattan Cafe.

The Midland maids are preparing to line up games to be played in Midland in the near future.

Midland Fighters Journey To Odessa

A squad of 11 Midland fighters traveled to Odessa Wednesday to weigh in and enter the Odessa regional Golden Gloves meet.

Trainer Bill Gildewell reported that his fighters are in fine shape and that "we expect to win a few."

Boys and their divisions include: Heavyweight open, Jimmy Watson; heavyweight novice, Ralph Brooks; lightweight open, Jerry Culp; middleweight open, Leo Hatfield; middleweight novice, Bill Medart; welterweight novice, Fidel Ramirez; lightweight novice, Valentine Reye and Terry Bradley; featherweight novice, Bill Morningstar; bantamweight novice, Charles Reeves and flyweight novice, Moe Lerma.

PLAINVIEW SEEKS COACH

PLAINVIEW —(AP)— Plainview High School is in the market for a new football coach. The school board Tuesday did not renew the contract of W. C. O. Harris, but instead named him a history teacher. Harris said he was undecided whether to accept the teaching post.

UPENDED INDIAN—St. John's Ronnie MacGillivray goes for a ride, papoose-style, on the back of Bradley's Gene Melchiorre after missing a pass at Madison Square Garden. Bradley's Bill Mann, 11, and Fred Schlichtman hustle out of the way. It was Bradley who was really upset as the Brooklymites played their best game of the season, winning, 48-59.

ODESSA—Approximately 100 amateur mittmen start a three-day fisticuff tournament here Wednesday night as the Odessa regional Golden Gloves tournament gets underway.

The simon pure boxers began to weigh in at 10 a.m. Wednesday, and will continue until 6 p.m. This will leave just enough time to bracket the fighters before the action starts at 8 p.m.

Odessa, with a team of 40 boys, is favored to repeat as the champion. The Odessa team last year copped seven of eight open division crowns, and many of the defending champions are around to sling leather again.

Welterweight Loy Mesad returns to defend his crown, as do lightweight Rex Maxwell and middleweight Roland Davis. Max Fly, who won the flyweight crown last year, will compete in the bantam division. Kenneth Nunally, last year's bantamweight titlist, will compete in the feather weight bracket. Also entered on the Odessa team is Donnie Gonzalez, flyweight, who won that class while on the San Angelo team last year.

Odessa's 40 boys tops the number of entries from any city. Midland expects to enter 12 to 15 fighters, with Kermit furnishing the same number. San Angelo and Sul Ross State College will field teams of 10 boys, with Monahans posting five entries and Goldsmith basing two entries. Wink Andrews and Pecos announced earlier they might have boys in the meet, but thus far have not entered any competitors.

Sixty in Novice Division. Approximately 60 of the expected 100 fighters will enter the novice division—a division for youths who have appeared in the amateur ring less than nine times.

The remaining 40 boys will enter the open division—the division on which the team championship is based, and the division that will furnish boys for the state Golden Gloves meet to be held a few weeks hence in Fort Worth.

Three Odessa radio stations and station KCRS, Midland, will air the bouts. The Odessa stations will begin broadcasts at 8 p.m. all three nights. The Midland station will go on the air at 10:15 p.m. Wednesday and Thursday and at 8 p.m. Friday.

The largest crowd ever to watch a boxing show in Odessa will be on hand to see the 1951 tourney get underway, according to Director Bill Wooster.

Bullpups Roll Over Odessa Crockett

ODESSA — Midland's John M. Cowden Junior High seventh grade team laced the Crockett Odessa seventh grade cagers here Tuesday afternoon 23 to 15.

Overcoming a 6-5 Crockett lead at the end of the first quarter, Coach Clifford Holt's Midland five raced to a 12-9 halftime lead and pulled away in the final quarter.

Stuart Chancellor paced the winning tilt. Bullpups, scoring eight points. Buddy Whitley tallied seven, Roy Vanderpool six, and Larry Sapp two points to round out the account.

It was the second win without defeat for the Bullpup quintet.

The national collegiate fencing tournament will be held at University of Illinois, Champaign, Ill., next March 30-31.

Return Of Cook To Oklahoma For Prosecution Due

SAN DIEGO, CALIF. —(P)—William E. Cook, accused kidnaper and suspected slayer of eight persons will be returned to Oklahoma from here to be prosecuted on federal kidnaping charges.

The Department of Justice in Washington announced Tuesday night that Cook, 23-year-old convict captured in Mexico after a two-week international manhunt, will be tried on a charge of kidnaping the Carl Mosser family of Atwood, Ill.

The federal charge, known as the Lindberg law, carries a possible death penalty.

U. S. Attorney Ernest Tolin, at Los Angeles, said he had agreed to the transfer of custody and merely was awaiting the warrant for Cook's return to Oklahoma.

Historic Troopship Left Useless After Fire At Baltimore

BALTIMORE —(P)—Wind-fanned flames swept down a \$5,000,000 pier in Baltimore's South Harbor Tuesday night, spread to a historic old troopship and left it a listing hulk—"good for nothing but scrap."

The ship, commissioned in 1947, was the Transport George Washington which carried President Woodrow Wilson to and from Europe for the Versailles Peace conference in 1918.

Placed back in service in 1941 at a cost of \$8,800,000, a similar vessel couldn't be built now for less than 25 or 30 million dollars, according to officials of Bethlehem Steel Shipyards and the Maritime Commission here.

One Coast Guardsman and six firemen were hurt while battling the 10-alarm blaze.

Livestock

FORT WORTH —(P)—Cattle 1,400; calves 500; cattle and calves strong; good and choice slaughter steers and yearlings 30.00-35.00; the \$35 peak was paid for three loads of experimentally fed steers; they came from the Temple experiment station, weighed 1,000 pounds each, and equalled the all-time high paid for this market in December 1948; common to medium steers and yearlings 25.00-30.00; beef cows 22.50-25.00; canners and cutters 15.00-22.50; bulls 21.00-28.00; good and choice slaughter calves 30.00-35.00; common and medium calves 24.00-30.00; culls 20.00-24.00.

Hogs 1,300; butcher hogs steady to 25 cents lower; sows unchanged; good and choice 190-280 pound butchers 21.00; good and choice 160-185 pound hogs 19.00-20.75; common and medium lightweights 10.00-15.00; sows 17.50-18.50; feeder pigs 18.00 downward to 9.00 for common pigs.

Sheep 2,500; slaughter lambs were steady to strong; feeders steady; yearlings and aged sheep scarce; choice woolled clip lambs 35.00 with heavy lambs at 33.00; good and choice shorn slaughter lambs with No. 1 or No. 2 pelts brought 29.00-30.00; woolled feeder lambs 30.00-34.00; shorn feeder lambs 30.00 downward.

Sweetwater Mayor Looks For Steel Pipe

WASHINGTON —(P)—Mayor Lester Reeves is making the rounds seeking priority for steel pipe for Sweetwater, Texas, water purposes.

Senator Johnson of Texas arranged a meeting with National Production Authority officials. Reeves said work is going on at a \$1,500,000 dam and reservoir 30 miles southeast of Sweetwater. He said a 30-inch pipeline is needed to deliver the water. A lake used for Sweetwater's water supply has proved inadequate.

TAKES PUBLICITY JOB

SPRINGFIELD, OHIO —(P)—Gordon Lund, formerly publicity director of Texas Christian University, was named Wednesday to the same position at Wittenburg College here. He is studying part-time at Hamma Divinity School here.

LEGAL NOTICES

NOTICE TO BIDDERS
The Commissioners Court of Midland County will receive bids until 10:00 o'clock A. M. January 22, 1961, on one pneumatic tired gasoline tractor and 5 1/2 yard loader with hydraulic controlled bucket. Tractor to be approximately 40 HP at 1600 RPM and with a piston displacement of approximately 194 cubic inches, and weight of same to be approximately 6500 pounds.

The Court reserves the right to reject any and all bids.

County Judge, Midland County.

(January 10-17)

B-36's Will Attempt Non-Stop Flight From British Base To Texas

LAKENHEATH, ENGLAND —(P)—Six of America's biggest bombers—the B-36, capable of carrying the atom bomb 10,000 miles—will attempt to fly nonstop back to their base in Texas.

The 10-engined giants touched down at this Royal Air Force base Tuesday, accompanied by three DC 124's, the second biggest cargo carrier of the U. S. Air Force.

Air Force officials took a crowd of newsmen and photographers on a closely-guarded tour of the giants Wednesday as they rested on the concrete apron beside B-29's and B-50's already stationed here. Meteor jets kept up a constant air patrol over them.

The flight of six bombers, the first to appear in the air over Europe, was accomplished without a hitch.

The trip was commanded by Col. T. P. Gerrity of Chicago.

The operational officer is Lt. Col. John Bartlett of Fort Worth.

Commenting, in reply to a reporter's question, on the coincidence of the big planes' arrival with the current effort of the North Atlantic Treaty powers to gird themselves for defense, Colonel Gerrity said:

"It certainly let's our friends know we are not asleep."

The colonel said the planes would not make any flights to the continent on the way back.

"I don't think," he said, "the State Department would let us. That would be flexing our muscles a bit too much."

Members of the crew of one of the long grey bombers met newsmen and posed in front of the machine.

They said the flight—broken by a stopover at Limestone Air Base in Maine—was uneventful except for occasional bad weather. At one point the plane experienced icing but by descending to a lower level and turning on the heating system—it has enough power to heat seven houses—it melted the ice quickly.

STALIN TO RUN

MOSCOW —(P)—Prime Minister Stalin has agreed to run for membership in the Supreme Soviet of the Russian Federated Soviet Socialist Republic, the largest in the Soviet Union, from the Kirov Election District of Leningrad, it was announced Wednesday.

SEVEN DIE IN BUS CRASH

BOGOTA, COLUMBIA —(P)—A bus carrying 28 passengers plunged into a 100-foot gorge Wednesday and varying press reports said between seven and 10 persons were killed.

Cub Scout Pack 6 Adds Seven Members

Cub Scout Pack 6 met Tuesday night in the Junior High School Auditorium, when seven new Cubs were introduced.

Grey Goodman, Michall Wilkerson, Regan Mount, Johnny Chase, Jodie Black, Joel Depp, Glenn and Bill Floyd are the new Cubs.

Wolf awards were made to Tom Brown, Coley Cowden, John McGrew, Karl Bagwell, Rickey Bay, Dennis Cox, Jimmy Jones and Richard Wood.

Cubs receiving Bear awards were Charles Butler, Bruce McKague, Bobby Bryant, Glason VanAlstyne and Charles Younger. Dan Irwin and Jerry Keeler received Lion awards.

Receiving Arrow points in the various divisions were Glason VanAlstyne and Bobby Schmidt, Wolf Gold; Bobby Bryant, Bear Gold; Bill Edman and Jerry Keeler, Lion Gold; Larry Howell, Bobby Schmidt (3), Jerry Keeler, Bruce McKague and Warren Newberry, Wolf Silver.

Graduation certificates were presented to Bill Dyer and Charles Buckingham. Den chief warrants were issued to Tom Mast and Sammy Fyacht.

Den 7 presented a short skit on the program. Mrs. Harlan Howell is Den Mother of Den 7.

Pay Boost—

(Continued From Page One)
office was raised from \$300 to \$335 a month, the outside deputy from \$275 to \$300, and the inside deputy from \$230 to \$260.

Largest Increase
The lone deputy in the district clerk's office was raised from \$230 to \$275, the largest increase granted by the court.

The librarian was raised from \$280 to \$315 monthly; the assistant was raised from \$200 to \$230, and the hourly rate for other workers was hiked from 75 cents to \$1.

The building engineer was raised from \$260 to \$290; the grounds custodian from \$190 to \$220, and the cemetery caretaker from \$230 to \$250.

Other Raises
Other raises include the county agent and home demonstration agent, \$200 to \$210, with supplemental salaries paid by the state; juvenile officer, \$275 to \$290, and the county welfare worker, from \$200 to \$230.

The commissioners, who earlier had voted \$30 monthly raises for county road workers, approved Tuesday an increase for the road supervisor from \$300 to \$340.

"We had to grant these raises to meet increased living costs," County Judge Clifford C. Keith said.

"We face an increasing problem of obtaining and keeping trained personnel in our county offices."

First Aid Class Held; Second Postponed

The American Legion Auxiliary's initial first aid class was held Tuesday night in the Legion Hall, and the second class, scheduled for Thursday night, has been postponed until January 24.

Fireman J. L. Brooks, instructor, announced that persons who missed the first class may make up the work by attending the next session.

Mrs. Dutch Mayfield, president of the auxiliary, said the next class will begin promptly at 7 p.m.

Congratulations To:

Mr. and Mrs. J. H. Deaton, 935 North Edwards Street, on the birth Monday of a daughter, Dorothy Teresa, weighing seven pounds, seven ounces.

Mr. and Mrs. C. W. Calhoun, Route 1, on the birth Wednesday of a daughter, Glend Evelyn, weighing seven pounds, six ounces.

GETS FIVE-YEAR PIN
M. F. O'Connor, agent for American Airlines here, Tuesday was presented a five-year service pin by Woody Campbell, manager of operations for the Midland branch of the airlines.

MARRIAGE LICENSES ISSUED
Marriage licenses were issued Tuesday by County Clerk Lucille Johnson to Charles Alfred Black, Jr., and Frances Harwood Puetz and to Archie Adon Winkler and Madlen Elsie Roberts.

Almost 5,000,000 tons of asphalt are used for roads in the United States annually.

Two Pupils Killed, Score Is Injured In Wreck Of Bus

GLADWIN, MICH. —(P)—A slippery, ice-covered rural road was blamed Wednesday for a school bus wreck that killed two pupils and injured a score more.

Authorities investigated to determine if a strike of county road workers had any bearing on the mishap. Sanding operations had been interrupted by the strike.

The bus, loaded with 45 singing and jostling pupils homeward bound from Gladwin Rural Agricultural School, collided with a creamery truck Tuesday at a one-way bridge.

The bus careened over the bridge railing and carried the screaming youngsters into the icy water 12 feet below. The bus landed upside down in three feet of water.

Heroic efforts of the bus and truck drivers and a crew of Michigan Bell Telephone workers who happened by were credited with saving many pupils from drowning. Killed instantly were Arthur Fisch, seven, and Dennis Zeit, six, both of Gladwin.

GUERNSEY HEADS HOLSTEINS
ELMIRA, N. Y. —(P)—Grover C. Guernsey was elected president of the New York State Holstein-Friesian Association Tuesday night.

Built in Texas... and helping build Texas

Ford is the only Automobile Manufacturer Building Cars and Trucks in Texas

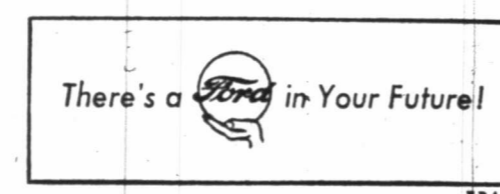

ALL THE FORDS made are not built in Detroit. There are plenty of them built right here in Texas—last year over 128 million dollars worth of cars, trucks, parts and products were made at Ford's Dallas Assembly Plant. What's more, 1,722 Texans put them together or followed through with their commitment to dealers in the Dallas, Houston, Oklahoma City and New Orleans Sales Districts.

The folks who work in Ford's Dallas Assembly Plant and District Sales Offices earn over \$7,000,000 every year. They spend it mostly in Texas. Texas benefits from Ford in other ways, too. For example: during 1950 Ford bought over \$1,000,000's worth

of material and supplies from Texas merchants and manufacturers and paid over \$7,500,000 for incoming and outgoing transportation. Then, too, there is a total of over \$148,000 paid by Ford in local and State taxes.

Yes, Texas is building a lot of cars and trucks for Ford... and in the process Ford is helping to build Texas, too!

WHEN YOU BUY FOR THE FUTURE — BUY FORD
