

Mrs. Romer Appointed County Auditor

Building Total Here Reaches \$5,457,665

A whopping \$822,850 in building permits issued during the week ended Saturday brought the 1951 construction mark in Midland to \$5,457,665.

Largest permit of the week went to Gene Brewer, builder representing Hotel Scharbauer, for \$600,000 for an addition to the six-floor hotel building.

Johnson Brothers Builders, for the City of Midland, were issued two permits, each for \$33,000, total \$66,000, for two fire sub-stations, one to be located at 201 East New Jersey Street and the other at 1710 North Edwards Street.

Other permits of the week were issued to Samuel E. French, \$9,500, frame residence, 36 by 34 feet, at 303 East Spruce Street; L. M. Willy, three permits, each \$3,000, total \$9,000, three frame residences at (Continued On Page Three)

Two-Year-Old Girl Drowns In Tank At Parents' Farm Home

Barbara Sue Branham, two, drowned Saturday morning in a stock tank at the farm home of her parents, Mr. and Mrs. J. B. Branham, five miles east of Midland.

The child was pronounced dead on arrival at a Midland physician's office. The mother brought the little girl to the doctor.

Mrs. Branham reportedly had been watching the child playing in the yard of the farm home, then missed her. The mother found the child in the earthen tank.

Funeral services will be held at 2 p.m. Sunday in the Greenwood Baptist Church with the Rev. Vernon Yearby, pastor of the First Baptist Church, and the Rev. O. N. Reed, officiating. Interment will be in Greenwood Cemetery. Nevin W. Ellis Chapel is in charge of arrangements.

Survivors include the parents. The father is an employe of Western Appliance Company of Midland. Barbara Sue was born March 21, 1949, in Midland.

Midland's Slot Machines Perform Disappearing Act

Midland County's 67 slot machines listed on federal tax records have disappeared.

Sheriff Ed Darnell said late Friday a survey showed no slot machines are being operated here.

He issued the statement after being handed a list by County Attorney Reagan Legg, naming the holders of slot machine licenses from the federal government.

Without disclosing the names of those to whom the licenses were issued, Legg said all of them were reported in private clubs of similar organizations.

The list had been furnished the county attorney by Attorney General Price Daniel, who sent a similar list to counties throughout the state.

UN Troops Advance On Broad Front

TOKYO — (P) — Allied troops, under a new field commander, crunched forward Saturday in a powerful three-prong advance on the Chinese Communist base of Chorwon inside North Korea against heavy Red resistance.

In the center of the 120-mile battle front, other United Nations tank-infantry forces hammered at the gates of Yanagu, eastern anchor of the Communist defenses in this sector.

On the west coast, far behind enemy lines, 200 heavily armed South Korean Marines, aided by friendly guerrillas, had gained almost complete control of the lightly defended Ongjin Peninsula. They seized positions within 17 miles southwest of Chinnampo, Yellow Sea port for the Communist capital of Pyongyang.

Van Fleet Takes Over Some 500 sympathetic civilians were freed, after the Korean Marines landed April 7 on the southern tip of the peninsula under cover of Republic of Korea (ROK) naval bombardments.

There was no indication how long the Marines would remain, in the absence of large Red concentrations on the peninsula.

Lt. Gen. Matthew B. Ridgway (Continued On Page Three)

Truman Democrat Wins In Kentucky

LEXINGTON, KY. — (P) — Democrat John C. Watts, ardent backer of the Truman Administration, Saturday defeated Republican Otis C. Thomas in Kentucky's Sixth District House of Representatives race.

Unofficial returns from 455 of the 482 precincts gave Watts 27,926 votes against 20,253 for Thomas.

The office was vacated last month when Tom R. Underwood was appointed to the U. S. Senate. He replaced the late Senator Virgil M. Chapman, Paris Democrat, killed in an automobile crash.

Arm Held Bone Of Contention

The bilateral diagnosis by a child: A little girl was in Western Clinic-Hospital with an arm injury.

"You're going to be all right, little lady, you have a fractured arm," the doctor told her.

"Well, thank goodness it isn't broken," piped the youngster.

GET NEW APPOINTMENTS—Here are the principals in a shift of officials which saw Mrs. Nettie Romer, center, appointed to the newly-created job of county auditor. Mrs. Lucille Johnson, right, was named to succeed Mrs. Romer as district clerk, and Mrs. Rosenelle Cherry succeeds Mrs. Johnson as county clerk.

America Prepares Hero's Reception For MacArthur

WASHINGTON — (P) — Senator Taft (R-Ohio) Saturday disputed Democratic contentions that Gen. Douglas MacArthur favors all-out war with Red China.

While Taft was talking, MacArthur sent word to Washington that he would regard it as a great honor and distinction to address the Congress in general terms.

MacArthur sent the message to Chairman Russell (D-Ga) of the Senate Armed Services Committee, who had invited him to testify in a closed session of the committee.

MacArthur postponed a decision on that invitation, saying it would be inappropriate to make any other plans until Congress acts on his invitation to address the House and Senate.

The exchange was made public by Russell while a massive send-off was being prepared for MacArthur in Tokyo, and welcome-home ceremonies began to take form in San Francisco, Washington and New York.

Although fired for differing with the President, who said MacArthur's views seemed to point toward a third world war, the general was in line to get almost every honor any returning hero could expect.

The Army was prepared to give him the most ceremonious welcome, including an artillery salute, unless he requested otherwise. At the Pentagon, workers got busy on refurbishing an office sometimes used by Gen. Dwight D. Eisenhower.

James N. Allison, president of the Midland club, said its directors, at a special meeting late Friday, voted to sponsor Bridgewater's nomination for the office to succeed Gov. Lloyd A. Wicks of Falls. The Lubbock convention will open next Sunday, continuing through Tuesday.

A large group of Midland Rotarians is expected to attend the Lubbock meet to support the candidacy of the Midland man.

Bridgewater is a past president of the Midland Rotary Club and long has been active in civic and service club affairs here. He is a former member and president of the Board of Education of the Midland Independent School District. He is secretary-treasurer of the Midland Federal Savings and Loan Association.

Other organizers Fred Westlake, a member of the Texas Highway Commission, served as governor of this Rotary district, a number of years ago. Another Midlander, William L. Kerr, is a former governor of the Pecos district.

The Odessa Rotary Club Saturday advised members of the Midland club it will support Bridgewater for the governorship. The Odessa club is expected to invite the district to hold its 1952 meeting in Odessa.

Bridgewater so far is the only candidate for the district governor's post.

Truman Hits Out At Critics

WASHINGTON — (P) — President Truman Saturday night denied any plan to appease communism, and hotly accused his critics of spreading "political hokum" while the nation is in "deadly danger."

In an embattled speech to assembled Democrats at a \$100-a-plate Jefferson-Jackson Day dinner, Truman declared foes of his foreign policy are sowing confusion because "they think if the country is confused enough, they may be able to win the next election."

Not once during the speech did he refer to Gen. Douglas MacArthur, whom he deposed as Far East commander for advocating stronger measures against the Chinese Reds than Administration policy calls for.

But he laid down an offensive barrage in advance of the speech the general is slated to make, probably late this week, before a joint meeting of Senate and House. He lashed out at critics, in Congress and elsewhere, who have been assailing his foreign policy for months and who mostly support MacArthur as against the Administration.

To their charge that the Administration is seeking an appeasement deal with the Chinese Reds, Truman declared: "We will not engage in appeasement."

"We will make no deals that would reward aggression." After saying he welcomed "fair and honest debate" on foreign policy, he continued:

"But in recent months we have had too much political hokum attacking the bi-partisan foreign policy."

"The people who are making these attacks can't agree on any foreign policy of their own. They are just against the foreign policy this country is following. They are not trying to help this country find its way in these troubled times. They are just trying to confuse us."

Calling for national unity, he said: "Our country is in deadly danger. We face a powerful and ruthless enemy. The only way we can prevail where that enemy is for every man and woman in this country to put national interests above personal interests."

To those who have advocated that (Continued On Page Three)

Visitor From North Cowden Dies Here

A 57-year-old North Cowden woman, member of a well known West Texas ranching family, was stricken fatally here Friday afternoon.

The woman, Mrs. Robert L. Jones, Sr., died a few minutes after suffering a cerebral hemorrhage while at a laundry.

She had been visiting here in the home of a sister-in-law, Mrs. Jim Jones, who was ill.

The former Miss Gertrude Wyatt, she went to Gaines County with her family in 1904 and lived there until eight years ago, when she and her husband moved to North Cowden.

Funeral services will be held Sunday afternoon in the Seminole Baptist Church with interment in the Seminole cemetery under the direction of the Singleton Funeral home.

Shift Brings Other Major Post Changes

Mrs. Nettie C. Romer, long-time district clerk of Midland County, Saturday was named to a newly-created post of County Auditor in a swiftly-moving series of events that brought changes in two other major county offices.

Mrs. Lucille Johnson, county clerk since 1946, was appointed by District Judge R. W. (Bob) Hamilton to succeed Mrs. Romer.

Mrs. Rosenelle Cherry, deputy county clerk since 1948, was named as Mrs. Johnson's successor.

The chain of events was set off by the appointment of Mrs. Romer by Judge Hamilton to the county auditor's post, the establishment of which has been under consideration several months.

Texas statutes provide for the creation of such an office when the assessed valuations of a county reach the \$15,000,000 mark.

The 1950 assessed valuations of Midland County were a little more than \$16,000,000.

New District Clerk In announcing the appointment of Mrs. Romer to the job, which will not be subject to election, Judge Hamilton also named Mrs. Johnson the new district clerk.

On the heels of the announcement, County Judge Clifford C. Keith called a special meeting of Commissioners Court Saturday morning to pick Mrs. Johnson's successor.

After talking to several applicants, the commissioners unanimously named Mrs. Cherry, the former Miss Rosenelle Tom, to the post.

All changes will become effective May 1.

As county auditor, Mrs. Romer will be answerable only to the district judge and will maintain records and controls on all county spending.

She said Saturday she will move into the second-floor courthouse office formerly occupied by Joseph Seymour, who resigned recently as justice of the peace.

Mrs. Romer was the dean of Midland County's elected officials and her appointment apparently brought to an end a long series of successful political campaigns.

She began her courthouse career (Continued On Page Three)

Ernest Bevin

Ernest Bevin, 70, died in his apartment Saturday of a heart ailment, a little more than a month after giving up his post as Britain's foreign secretary.

Midlander Proposed As Rotary District Governor Nominee

The nomination of Percy F. Bridgewater of Midland for the office of governor of the 183rd District, Rotary International, will be proposed by the Midland Rotary Club at the annual district conference to be held in Lubbock next weekend.

James N. Allison, president of the Midland club, said its directors, at a special meeting late Friday, voted to sponsor Bridgewater's nomination for the office to succeed Gov. Lloyd A. Wicks of Falls.

The Lubbock convention will open next Sunday, continuing through Tuesday.

A large group of Midland Rotarians is expected to attend the Lubbock meet to support the candidacy of the Midland man.

Bridgewater is a past president of the Midland Rotary Club and long has been active in civic and service club affairs here. He is a former member and president of the Board of Education of the Midland Independent School District. He is secretary-treasurer of the Midland Federal Savings and Loan Association.

Other organizers Fred Westlake, a member of the Texas Highway Commission, served as governor of this Rotary district, a number of years ago. Another Midlander, William L. Kerr, is a former governor of the Pecos district.

The Odessa Rotary Club Saturday advised members of the Midland club it will support Bridgewater for the governorship. The Odessa club is expected to invite the district to hold its 1952 meeting in Odessa.

Bridgewater so far is the only candidate for the district governor's post.

Time in KJBC, 11:50 on the dial, at 11 o'clock today—First Baptist Church Services.—(Adv.)

Houston's Bleeding Boy, Wayne Gideon, Is Out Of Hospital

HOUSTON — (P) — Wayne Gideon went home Saturday.

The seven-year-old youngster, whose last 25 days have been spent in St. Joseph's Hospital, was excited when the doctors said he was well and could go home.

His illness, which followed an accident in which he pierced a blood vessel in his throat with a stick while at play, has attracted nationwide sympathy.

A condition similar to hemophilia, in which one's blood refuses to coagulate, necessitated 41 blood transfusions. His bleeding stopped after surgery closed the tiny hole in his throat last Saturday.

"I can't wait to get home to 'Joe,'" he beamed. "Joe" is the name the youngster gave to a Cocker spaniel pup given to him Thursday.

Wayne will rest at home for a week and then go back to his first grade classmates at Eastwood Elementary School.

Firemen Extinguish Spreading Trash Fire A spreading trash fire was extinguished Saturday by city firemen before it could damage seriously a building at 315 South Main Street.

The blaze was climbing up the walls of the building occupied by an interior decorating firm when the firemen arrived.

Fort Worth Scout Drowns On Outing Near Weatherford WEATHERFORD — (P) — A 13-year-old Boy Scout from Fort Worth drowned Saturday in a tank on the Tom Saunders Ranch, 12 miles southwest of here.

He was Don Marlin Rogers, son of Mr. and Mrs. William C. Rogers, Jr.

The boy was one of 175 Fort Worth Boy Scouts on the ranch. He and two other Scouts went swimming in the tank Scout leaders who went to warn the three against swimming there found the one boy drowned.

'This Is Midland' Painting By French Artist Brings \$3,780 A group of friends and acquaintances of Marvin C. Ulmer, First National Bank president, Saturday purchased the "This Is Midland" oil painting by Maurice Saint-Lou as a gift to the veteran banker and civic leader.

The purchase price was \$3,780, which was the highest bid submitted prior to the Saturday noon bidding deadline. The offer topped a \$2,500 bid submitted earlier in the week by an undisclosed person.

Visitor From North Cowden Dies Here

A 57-year-old North Cowden woman, member of a well known West Texas ranching family, was stricken fatally here Friday afternoon.

The woman, Mrs. Robert L. Jones, Sr., died a few minutes after suffering a cerebral hemorrhage while at a laundry.

She had been visiting here in the home of a sister-in-law, Mrs. Jim Jones, who was ill.

The former Miss Gertrude Wyatt, she went to Gaines County with her family in 1904 and lived there until eight years ago, when she and her husband moved to North Cowden.

Funeral services will be held Sunday afternoon in the Seminole Baptist Church with interment in the Seminole cemetery under the direction of the Singleton Funeral home.

Surviving are the husband; a daughter, Mrs. R. L. Rhea of Poughkeepsie, N. Y.; a son, James M. Leslie of Seminole; two sisters, Mrs. Fannie Camp of Monahan, and Mrs. T. J. Potter of Hot Springs, N. M., and two brothers, Lee and Henry Wyatt, both of Seminole.

Not expected to return until Monday.

Butler, speaking for officials of the Midland Memorial Hospital, expressed appreciation to Saint-Lou, who painted "This Is Midland" as a gift to the veteran banker and civic leader.

The purchase price was \$3,780, which was the highest bid submitted prior to the Saturday noon bidding deadline. The offer topped a \$2,500 bid submitted earlier in the week by an undisclosed person.

Bevin Of Britain Is Dead

LONDON — (P) — Ernest Bevin, 70, died in his apartment Saturday of a heart ailment, a little more than a month after giving up his post as Britain's foreign secretary.

The tough-spoken former laborer and union boss, who mobilized Britain's workers to beat Hitler and as sharply challenged Stalin in the cold war, recently was praised by Winston Churchill as "among the great foreign secretaries of our country."

For almost 11 years, with the exception of a brief period toward the end of the war, he had been in the coalition cabinet of Churchill and the Labor Government of Prime Minister Attlee. His health finally broke under the strain.

Death Comes As Shock His death came as a shock to the British. Arthur Deakin, who succeeded him as general secretary of the big Transport and General Workers Union, said he talked with him Saturday morning and "he was in perfectly good spirits."

Bevin became ill suddenly in mid-afternoon, however. A member of his staff at his apartment in Carlton Gardens summoned a physician and Mrs. Bevin, who was out for the afternoon. Bevin died soon after 3 p.m.

A poverty-stricken orphan at eight, Bevin went to work at the age of 11. He never saw the inside of one of Britain's swank public schools. All his scholarships were won in the school of hard knocks.

He had been a farm hand, dishwasher, street car conductor, beer truck driver, and hobo before he embarked on the career of labor organizer.

Twelve state vice presidents also were elected. They are: Gene Moore of Borger; Otha (Skipper) Smith of Littlefield; Howard (Rocky) Ford of Midland; James Lindsey of Stamford; Edward Sheridan of San Antonio; Frank Long of Corpus Christi; John Cook of Baytown; Jay Matthew of Austin; Bill Moore of Tyler; George Bateman of Garland; L. L. Larus of Denton; Donald Caldwell of Mexia. No Houston candidates were in the race.

Two Resolutions The delegates passed two resolutions Saturday. One urged all Texas Junior Chambers of Commerce to back actively any legislation that would give the Tidelands back to Texas.

The JayCees also endorsed proposed state legislation that would split the State Training School for Boys at Geesville into four units at four separate towns.

The Tidelands resolution also calls upon local JayCee organizations to appoint special committees "to arouse in its community an active interest in this issue."

Such local committees would encourage Texas citizens to write letters "to members of all branches of the federal government, stressing the importance that the people of Texas place upon passing of quitclaim legislation confirming state title to the Tidelands."

JayCees Pick Rocky Ford Of Midland As State Vice President

HOUSTON — (P) — L. D. Whiteley, Lubbock wholesale nursery and real estate man, was elected president of the Texas Junior Chamber of Commerce Saturday.

He took office Saturday night at the installation banquet which wound up the state JayCee's 24th annual convention.

The four national directors elected by more than 1,000 delegates from all over the state are Louis E. Buck of New Braunfels, John Bates of Waco, Raymond Roberts of Grand Prairie and Ike Johnson of Levelland.

Twelve state vice presidents also were elected. They are: Gene Moore of Borger; Otha (Skipper) Smith of Littlefield; Howard (Rocky) Ford of Midland; James Lindsey of Stamford; Edward Sheridan of San Antonio; Frank Long of Corpus Christi; John Cook of Baytown; Jay Matthew of Austin; Bill Moore of Tyler; George Bateman of Garland; L. L. Larus of Denton; Donald Caldwell of Mexia. No Houston candidates were in the race.

### Midland Lions Will Be Hosts To District Meeting Next Week

Midland will be host city to a large convention next Sunday, Monday and Tuesday. It is the District 2-T-2 convention of Lions International. Delegates will be here from a territory extending from Lorraine on the east to as far west as El Paso and from Lamesa to the north to Alpine to south. Host club unit is the Midland Lions Club. Convention headquarters will be Hotel Scharbauer. Activities get underway at 1 p.m. of the opening day, with registration. An all-star talent show, open to the public, is scheduled Sunday at 8:30 p.m. in the high school auditorium. Entertainment numbers will be presented by clubs of the district. Various business panels will be heard during the second and third days of the parley. The annual Governor's Ball at Ranchland Hills Country Club is a feature of the second day program. Members of the Midland Lions Club, working on convention committees, Saturday said "everything is in readiness for a fine convention."

### Truman—

(Continued From Page One) American forces get out of Korea, the President said they are making "a terrible mistake." "If we got out of Korea," he continued, "the Communist leaders would strike somewhere else. They would strike at Japan or the Middle East or in Europe." "And sooner or later they would go on to strike at South America, and at our own country." "Turning to a discussion of critics whom he called 'confusers,' he said he would give a few examples of their thinking. "They say they want a powerful defense system, second to none—but they are against universal military training. "They say they want other free nations to resist aggression—but they don't want us to send any troops to help. "They want us to get out of Korea—but they urge us to wage an aggressive war against China. "They say it will provoke Russia to attack if we send troops to Europe—but they are sure Russia won't come in if we carry the war to China. "They say they want to crush communism—and yet they want us to draw back into our shell and let the rest of the world be over-run by the Reds. "They say they are worried because the Russians outnumber us—but they are not interested in keeping Allies who can help us. "The long and short of it is that they want defenses without spending the money, they want to wage war without an Army, they want us to have victory without taking any risks, and they want to try to run the whole world and to run it without any friends. No Room For Piracy The President, speaking in the National Guard Armory from the same banquet table with Vice President Barkley, Speaker Rayburn and other Democratic leaders, compared the Communists of today with the Barbary pirates who ruled the North Coast of Africa during the time of Thomas Jefferson. Jefferson, Truman said, sent the Marines ashore at Tripoli, carrying the battle to the enemy, "nearly 5,000 miles away from the United States." "Jefferson did not believe this nation could submit to pirates, and neither do we," Truman went on. "Now, as then, there is no room for piracy in a free world."

**ADMITTED TO HOSPITAL**  
Jack L. Clark, of 306 West Grist Street, was admitted to Midland Memorial Hospital Saturday for medical treatment.

**LACERATION TREATED**  
Theo Ferguson, 112 Club Drive, received treatment in Midland Memorial Hospital Saturday for a lacerated hand.

### S. W. Papert, 54, Texas Daily Press League Head, Dies

DALLAS (AP)—Samuel W. Papert, 54, founder and president of the Texas Daily Press League, died early Saturday in a Dallas hospital. The league, a newspaper representative organization with more than 50 members, was founded by Papert 28 years ago. Death followed an illness of about 10 days. Funeral services will be held at 11 a.m. Monday in Dallas. Papert moved to Dallas in 1923 from Texarkana, where he had been advertising manager of a newspaper. He was born at Springfield, Wis., and was active in the newspaper profession at New York City and elsewhere before coming to Texas. He was an officer in the Army during World War I. Papert held interests in a number of allied publishing fields, and was active in Dallas fraternal and civic groups. Survivors include the widow; a son, Samuel W. Papert, Jr., and a daughter, Patricia Ann Papert, all of Dallas, and a sister, Mrs. Frances Burger of New York City.

The Texas Daily Press League for years has been the national advertising representative of The Reporter-Telegram. James N. Allison, publisher, will leave Sunday for Dallas to attend the funeral services for Papert.

### MacArthur—

(Continued From Page One) the way for the general to address an informal joint meeting of Congress in the House chamber, perhaps Thursday or Friday. The houses will vote on such a resolution, with approval apparently certain. President Truman said Friday it was fitting that such an honor be bestowed on "one of our great military men." However, Truman is not expected to attend. The MacArthur appearance at the Capitol may eclipse that given any returning warrior in years. Television and radio arrangements were being made that outstripped those prepared for any similar event. Committees Want Him 2. Representative Richards (D-SC), acting chairman of the House Foreign Affairs Committee, announced he will ask that his committee invite MacArthur to testify before it. Republican members of the Senate Foreign Relations Committee pressed for a similar invitation. 3. Republicans brought up their guns to direct a barrage of questions on Far Eastern policies at Secretary of State Acheson when he appears at a closed door session of the Senate Foreign Relations group Monday on a measure to authorize sending 1,000,000 tons of wheat to India. 4. Senator Magnuson (D-Wash) said at the east central front in Korea that his tour of the Far East has convinced him that "the Russians have about given up their territorial ambitions in Europe for the time being—they are more interested in Asia—and especially Japan—right now."

**MEDICAL TREATMENT**  
Cressie Grissom, 508 1 1/2 South Main Street, is a medical patient in Midland Memorial Hospital.

**MEDICAL PATIENT**  
Mary Joe Kearns, of 303 South G Street, was admitted to Midland Memorial Hospital Saturday as a medical patient.

**FOOT INJURY TREATED**  
Rex Donahou, 807 South Atlanta Street, was treated in Midland Memorial Hospital Saturday for a foot injury, received when he stepped on a nail.

**BUSINESS EXPANDS**  
McCAMEY—Some 750 feet of floor space has been added to Badgett Grocery, and managed by Cleatus Brooks, and A. F. McNamara. It is the second expansion of the store in three years of business here.

**GROCERY BOUGHT**  
McCAMEY—Mat Dillingham has announced the purchase of the Red Front Grocery from Cahal Clinton, and will take charge of the business Monday.

### House Finally Votes Toned-Down Draft Extension Measure

WASHINGTON (AP)—The House voted late Friday to make a later study of universal military training after approving changes in the draft law. By a vote of 372 to 44 the House approved its modified draft-UMT bill and sent it back to the Senate, where it originated, for adjustments. It would lower the minimum draft age from 19 to 18 1/2 years and lengthen the required military service from 21 to 36 months. On March 9, by a 79 to 5 vote, the Senate had passed the bill with a minimum draft age of 18 years and set the time of service at 24 months. The Senate version also provided for a system of universal military training to go into effect after the need for a draft is deemed to be ended. A joint House-Senate committee now will work on a compromise. Both bills would extend the draft law three years, to July 1, 1954.

### Building—

(Continued From Page One) 1202, 1204 and 1206 McKensie Street, size of each 27 by 27 feet; J. S. Kirkpatrick, four permits to move structures, total \$8,850, as follows: \$3,000 frame office structure to 118 South Big Spring Street, \$2,500 frame residence to 1301 Mogford Street, \$2,500 sheet iron garage to 2016 North Big Spring Street, and \$2,850 frame servants quarters to 212 East South Front Street; PBA, \$8,000, frame residence, 44 by 25 feet, at 118 East Cowden Street; M. O. Wallingford, \$6,000, brick veneer residence, 42 by 24 feet, at 1121 East Pine Street; F. P. Wilemon, \$6,000, brick veneer residence, 40 by 28 feet, at 309 East Spruce Street. J. A. Sewell, \$5,000, frame servants quarters, 24 by 45 feet, 104 East New York Street; M. L. Marshall, \$5,000, frame residence, 39 by 26 feet, 2707 Delano Street; James K. Boyce, \$3,000, brick veneer servants quarters, 21 by 23 feet, at 1811 West Ohio Street; Gene Brewer, \$3,000, frame and sheet iron warehouse, 36 by 100 feet, at 204 South Terrell Street; E. A. Hecckendorf, \$2,000, frame and stucco residence, 14 by 28 feet, 1007 North Lorraine Street; Bob White, \$2,000, frame servants quarters, 20 by 24 feet, at 1101 West Kentucky Street; W. P. White, \$800, frame servants quarters, 12 by 28 feet, at 1310 Pratt Street; Walter Jones, \$700, frame residence, 14 by 15 feet, at 200 North Madison Street; Ricardo Rodriguez, \$650, frame servants quarters, 12 by 20 feet, at 402 North Dallas Street; M. R. Rodriguez, \$350, frame residence, 16 by 10 feet, at 809 North Tyler Street.

### UN Troops—

(Continued From Page One) turned over his Eighth Army command Saturday to Lt. Gen. James Alward Van Fleet, husky 59-year-old veteran of the Normandy beachhead in World War II and the post-war anti-Communist campaign in Greece. The ceremony was quick—three minutes. Leaving for Tokyo to take over General MacArthur's commands, Ridgway removed the grenade which dangled from his paratroop harness—a feature of his usual battle dress in Korea. General Van Fleet took over the Eighth Army at a critical time. Chinese and North Korean Communists fought desperately to stem the Allied offensive north of the 38th parallel long enough to launch a major counter-offensive. Eighth Army headquarters reported that Red casualties Friday through ground action alone were 4,315 killed or wounded. This was up to four times the number of daily casualties inflicted on the Reds during the last week. It indicated much heavier resistance was being offered in fighting that still was obscured by censorship.

### Mrs. Romer—

(Continued From Page One) in 1928 as a deputy county and district clerk. Elected 10 Times In 1930 she was appointed county and district clerk on the death of J. M. Shelbourne. A year later she was appointed district clerk when the two offices were separated. There followed 10 elections and each time Mrs. Romer came out victorious, beginning her latest term in January. Mrs. Johnson entered the political picture in 1946 when, after being elected county clerk, she was appointed to fill out an unexpired term. She has held the office since that time and started a new term in January. Mrs. Cherry entered the courtroom as an abstract company employee in 1946, working in the county clerk's office. Two years later, she became a deputy in the same office and has served there since. The county auditor's job carries with it a salary of \$5,400, the same as that for the district clerk and county clerk.

### New Orleans Officers Make Narcotics Haul

NEW ORLEANS (AP)—The New Orleans narcotics squad announced Saturday it had seized \$75,000 worth of narcotics in a raid in which three men were arrested. A police bulletin said officers seized 85 pounds of bulk marijuana, one and a half ounces of heroin, three morphine tablets and scales and other paraphernalia which could be used in weighing and packaging marijuana.

### Cattle Continue Scarce At Midland Livestock Auction

Cattle continued scarce at the Midland Livestock Auction Company sale Thursday. The market was steady and active on \$20 head consigned and sold. The Bowling Cattle Company of Sumner, Iowa, was one of the principal buyers. Fat calves and yearlings auctioned for \$33 to \$35 cwt, mediums \$28 to \$33. Fat cows sold for \$25 to \$28.50, medium \$22 to \$25, canners and cutters \$17 to \$22. Bulls drew \$27 to \$30. Two Black Angus bull yearlings that weighed 630 pounds each brought their owner, A. D. Cook of Garden City, \$37.50 cwt. Better grade stocker steer calves cleared at \$36 to \$41. Mrs. W. A. Hutchinson of Midland got \$40 for her 350 pound steer calves. Heifer calves sold for the same price. Steer yearlings cashed for \$33 to \$36.

### Six Suspects Held In Axe Murder Of T&P Rail Worker

FORT WORTH (AP)—Five Latin Americans and a negro were arrested here Saturday afternoon as suspects in the slaying of Eddie Mendez, 26, Friday night near Weatherford. Mendez, a Texas & Pacific Railroad section hand, was found bludgeoned to death in a box car there Saturday. Sheriff Lewis Peoples said a bloody double-headed axe was found near the man's body. His face had been crushed and cut almost beyond recognition. Peoples said the Latin Americans arrested here were living in the same box car with Mendez. The negro was seen shooting dice at the box car Friday night. All six suspects were taken to Weatherford late Saturday.

### Plavsic To Address Officers At El Paso

Col. Milan N. Plavsic, director of the city's Department of Public Safety, has been invited to address a regional peace officers conference sponsored in El Paso by the Federal Bureau of Investigation. Col. Plavsic said Saturday he had been invited by D. K. Brown FBI agent in charge in El Paso, to address the peace officers on April 25. He will talk on "Law Enforcement as a Profession."

### Painting—

(Continued From Page One) picture; the Simmons Paint & Paper Company contributed the frame; the Phillips Electric Company donated the frame light; the Frank Miller Studio took pictures of the painting without cost; the Reynolds Engraving Company donated the engravings; The Reporter-Telegram handled the publicity and sale, and Midland Memorial Hospital received the sale proceeds. A spokesman for the group purchasing the painting said Marvin Ulmer is the one person who should have the typical Midland scene in recognition of the leading role he has played in the development of Midland into the headquarters city of the Permian Basin Empire. In his letter of appreciation to Saint-Lou, Butler wrote: "We have just learned that you will be leaving Midland in the morning. We want to take this opportunity of extending to you our grateful thanks for doing the painting 'This Is Midland' and for your generosity in donating the proceeds to our hospital. "The painting is an excellent piece of work and your generosity will be remembered forever in this community because of this donation to an institution that is very dear to the hearts of all the people in this area. "It has been a distinct pleasure to have had you and Mrs. Saint-Lou in our city and we hope that you may find it convenient to again pay us a visit. Our Hospital Board very much regrets that we have not in a more appropriate manner evidenced our gratefulness to you and if you find that you will be coming our way again, we ask that you advise us, so that we may afford ourselves the opportunity of expressing our sincere appreciation. Until such time, our sincere best wishes to you in all of your undertakings."

### Real Estate Board Will Meet Monday

The Midland Real Estate Board will hold its regular meeting at noon Monday in the Private Dining Room of Hotel Scharbauer, Roy McKee, president, announced. He urged all members, associate and affiliated members to attend.

### Cotton

NEW YORK (AP)—Cotton futures closed irregular Saturday with prices 70 cents a bale lower to 25 cents higher. May 45.39, July 44.71 and October 39.72.

### Nunn Addresses Life Underwriters Of Permian Basin

Four steps to success in the life insurance business were described here Saturday by A. E. Nunn, Abilene, division manager of the Universal Life and Accident Insurance Company. Nunn was the principal speaker at the monthly luncheon-meeting at Donohoe's Restaurant of the Permian Basin Life Underwriters Association. Introduced by T. J. Powell, district manager of Universal, Nunn said that the four steps are Knowledge, Attitude, Skill and Habits. "By using these four steps," he said, "we can get the most out of our business." Nunn served as an agent for Universal in Midland from 1934 to 1936, when he was promoted to district manager and sent to Lubbock. In 1943 he was made manager of the western division. Joe C. Davis, Midland, president of the association, presided at the meeting.

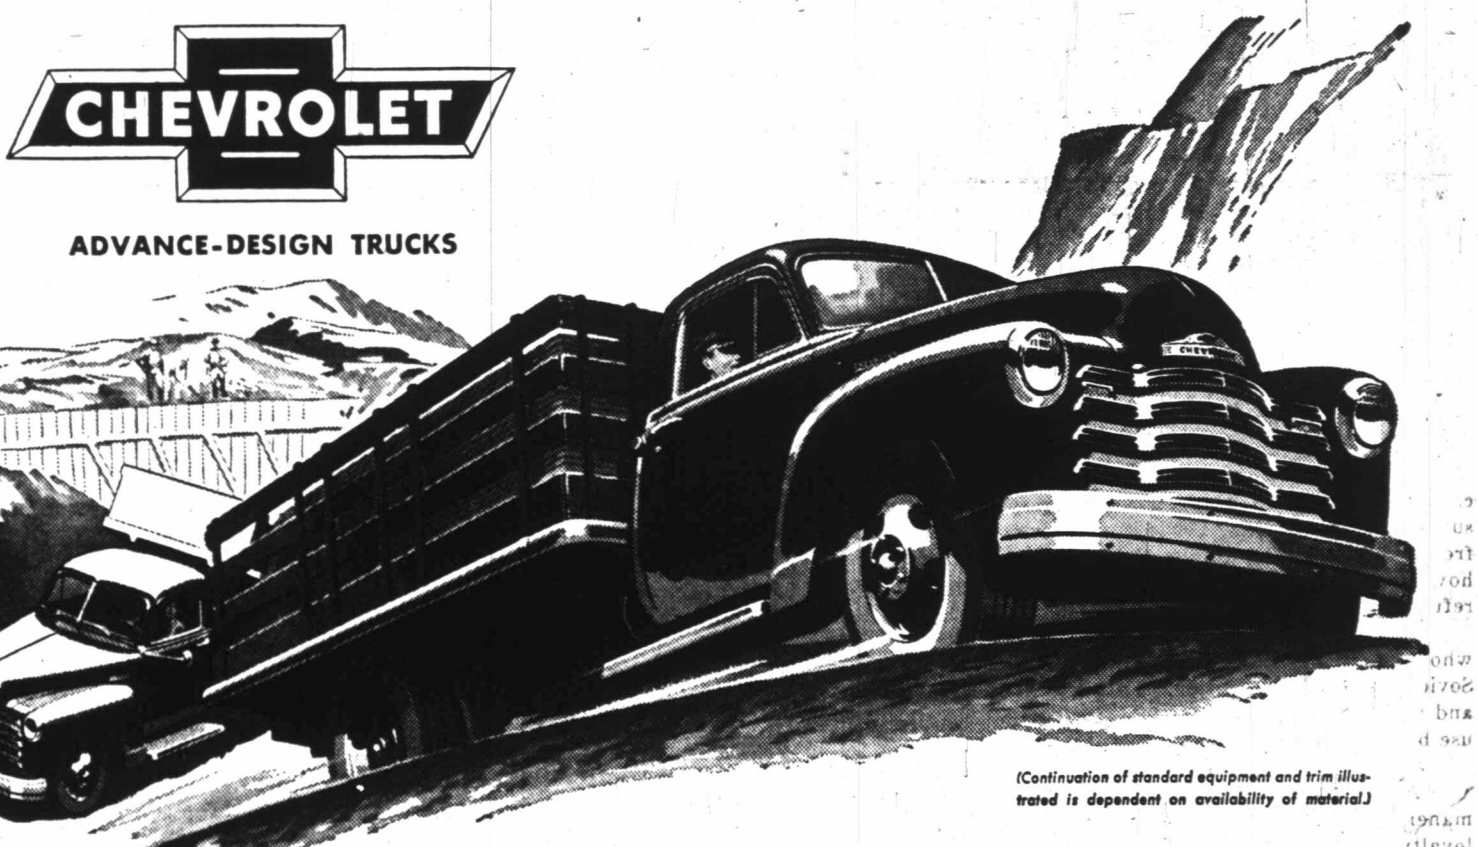

### Midland Masons To Dallas For Scottish Rite Degree Work

Fourteen Midland Masons will leave Sunday for Dallas to take the Scottish Rite degree work which begins Monday and will continue through Thursday. In the group will be C. D. Templeton, Charles R. Ervin, J. M. McDonald, O. L. Johnson, H. L. Winkler, Herald W. Winkler, Ted Thompson, B. C. Huff, Bates Witt, W. E. Fuller, John Rice, Vernon Bottoms, Kenneth Fowler and Louis R. Browning. They will be accompanied by three Scottish Rite Masons, John H. Hughes, Lester Short and H. N. Phillips. GUESTS FROM CALIFORNIA Mr. and Mrs. John Moffet of Garvey, Calif., are visiting in the home of Mr. and Mrs. John Moffet, Jr., 2408 Brunson Street. FROM NEW MEXICO Leo Oppenheim of Santa Fe, N. M., was a Midland visitor Saturday.

### Odessa Driller Dies In Traffic Mishap Near Sterling City

STERLING CITY—William Jackson Thibodeau, 27-year-old Odessa driller, was killed Friday afternoon when his car overturned seven miles west of here. Sheriff R. H. Emery said a tire apparently blew out on Thibodeau's automobile and plunged off the road, overturning several times. The victim's badly-crushed body was found 25 yards from the vehicle. An employee of the Donnell Drilling Company, Thibodeau's home was in Chalmette, La., although he was residing temporarily in Odessa. Survivors include the widow, Mrs. Dorothy Thibodeau. INJURIES TREATED L. M. Pierce, an employee of the Tri-Service Drilling Company, was treated Saturday at Midland Memorial Hospital for injuries received while working in the oil field.

Mr. and Mrs. Midland: Five years ago we announced the opening of Midland Brake Service at 108 W. Missouri. This was a new location, and we pledged ourselves to give the same dependable service that we had been giving for years. "Bring it to us," said Hank, "have no regrets!" That is what we said five years ago. TODAY we merely repeat what we pledged five years ago... and at the same time, we extend our sincere thanks for your wonderful, continuous patronage. We are constantly improving our service to you... assuring you of a better job! Thank You, HANK HANNAFORD Owner MIDLAND BRAKE SERVICE 108 W. Missouri Phone 478

## Greater on-the-job performance with these great truck features

Just check the features of the great 1951 Chevrolet trucks—and you'll know that Chevrolet will pay off for you. Here are features that add up to long, hard service and low upkeep. Here are features that mean satisfaction and savings for you. ### Pecos' Hoss Allen Tops Phoenix Riders

PHOENIX, ARIZ. —(AP)— Zeno Berris, Las Cruces, N. M., made the fast time of 15.8 seconds in calf roping Friday night to take the lead in that event in the annual Phoenix World Championship Rodeo.

Calf roping—1. Zeno Farris, Las Cruces, N. M.; 2. J. H. Harris, Longview, Texas; 3. Will Connolly (home town unavailable). Winning time: 15.8 seconds.

Steer wrestling—1. Harvey Luer (home town unavailable); 2. Bill Linderman, Billings, Mont.; 3. J. B. Bradshaw, Bandera, Texas. Winning time: 10.2 seconds.

Barrel race—1. Bob Maynard, North Hollywood, Calif.; 2. Hoss Allen, Pecos, Texas; 3. Buck Abbott, Victorville, Calif.

Brahman bull riding—1. Hoss Allen, Pecos, Texas.

### Dr. Edgar Named To Federal Board

WASHINGTON —(AP)— President Truman Saturday appointed Dr. Margaret Clapp, president of Wellesley College in Massachusetts, and Dr. James W. Edgar, commissioner of education for Texas, as members of the Board of Foreign Scholarships.

Each will serve a three-year term.

The board runs the government program for exchanging students with other countries.

### Darius Golemon Again Given Death Penalty In Slaying

LIBERTY, TEXAS —(AP)— Thimblep Darius Golemon, 29, impatiently heard a jury give him the death penalty here early Saturday for the hitchhike murder of Mrs. Eloise Twitchell, 32, a Beaumont housewife.

Golemon, icily composed throughout his trial, merely shrugged his shoulders when the jury read the verdict sentencing him to die in the electric chair.

His fate went to the jury at 11:10 p.m. Friday. At 12:30 a.m. Saturday the jury filed in with its verdict, the second death penalty handed Golemon for the Beaumont woman's slaying.

The first, returned by a jury in Kountze, Hardin County, last year, was set aside by the Court of Criminal Appeals and a new trial ordered.

The bullet-punctured body of Mrs. Twitchell was found in the Spring of 1949 in a clump of brush on the edge of the Big Thicket, near Kountze. Her car was found near Houston.

### Joyce Beasley Joins Women's Air Force

Joyce M. Beasley, 911 South Dallas Street, has enlisted in the WAF's for a four-year period, according to Sgt. Shelby Wheeler, in charge of the U. S. Army and Air Force Recruiting Station here.

Miss Beasley will take her basic training at Lackland Air Force Base, San Antonio. She was graduated from Midland High School in 1947 and since that time has been employed by the Southwestern Bell Telephone Company.

### EMERGENCY TREATMENT

J. M. Ellison, 908 West Washington Street, an employee of Standard-Oil Company, was given emergency treatment at Western Clinic Hospital Friday for a lacerated foot.

### National Want Ad Week Observance Is Slated April 16-23

The Reporter-Telegram will join more than 600 newspapers over the nation and foreign countries in observing the 19th annual National Want Ad Week, April 16-23, inclusive.

During this observance period The Reporter-Telegram is offering three days of reader-type classified advertising for the price of one day's insertion. The Classified telephone number is 3000.

National Want Ad Week is the outgrowth of the Association of Newspaper Classified Advertising Managers, which will convene in Montreal, Quebec, Canada, in June for its 31st annual gathering.

This observance will be highlighted in almost every community of the United States by special promotions and concentrated language efforts. Results will be awarded under the ANCAM official family, headed by President Walter S. Campbell of the Detroit, Mich. Free Press.

Realizing the vital role the Want Ad played in the every day living of the American people, some 25 classified managers banded together as early as 1920 for the purpose of furthering Classified as a public servant and newspaper pacemaker. Success of their efforts is borne out by the large ANCAM membership now enrolled.

### District Meeting To Be Held Here

The Foursquare Gospel Church in Midland will be host Monday to the monthly Concho District Fellowship Meeting.

The service is scheduled at 7:30 p.m. Special music will be presented by the church orchestra, directed by E. F. Penick.

The Rev. O. S. Carroll, pastor of the Foursquare Gospel Church in Miles, will be the speaker.

Churches included in the district are Midland, Comanche, Coleman, Ballinger, DeLeon, Miles and San Angelo.

### Downtown Dallas Fire Does Little Damage

DALLAS —(AP)— Fire broke out Saturday in the Edwin-Keesler Building in downtown Dallas but was extinguished quickly. Fire Chief C. N. Penn estimated the damage at \$12,000.

The site, at Ervay and Commerce Streets, is only two blocks from a fire Thursday night which destroyed Earl's Steak House, a popular restaurant.

### Early Texas Stage, Screen Player Dies

HOUSTON —(AP)— Joe Sayers King, 64, Texan who made good on Broadway and in the early days of the silent films, was interred Saturday at Belton, where he was born. He died Wednesday at his home in Los Angeles.

King was a contemporary of Thea Bara and played the "heavy" roles in old time silent pictures. When the talkies came in he had reached the age of retirement to character parts, and played those parts until recently.

Survivors include the widow, Mrs. Hazel King, and a daughter, Mrs. Alva Warren, both of Los Angeles.

### Youth Center Council Leaders To Be Named

Four new directors will be elected and a report of last year's activities will be heard at a meeting of the Adult Council of the Midland Youth Center at 7:30 p.m. Monday in the Center.

Director nominees include F. A. Forrest, Paxton Howard, Mrs. J. T. Klinger and Karl Nichols. Retiring directors are W. A. Blackman, Mrs. J. J. Black, Raymond Leggett and H. Winston Hull. Holdover directors are E. W. Anguish, Mrs. W. E. Chapman, K. C. Slough and Elizabeth Williams.

The public is invited to the meeting.

### MIDLAND STUDIO AWARDED PRIZES

Randy Rubin of Midland Studio has been notified that three of his five pictures entered in an exhibit of the 24th annual convention of the Southwestern Photographers Association at Fort Worth won merit awards.

### MRS. BAKER IS HONORED

Mrs. Arnold Baker was honored Thursday with a pink and blue shower in the home of Mrs. T. J. Hudgens. Members of the Women's Missionary Society of the West Side Baptist Church were the hostesses. Approximately 25 persons attended.

### VISITING ILL MOTHER

Mrs. Lela Taylor of Midland and her sister, Mrs. Mary Wolters of San Angelo, are at the bedside of their mother, Mrs. Ellen Falwell, who is critically ill in Springfield, Mo.

### Comes Up With Wrong Answer

BALTIMORE —(AP)— An insurance collector called on one of his clients Friday.

The housewife who opened the door looked out at him from behind two puffed up black eyes and a bruised nose. Astonished and curious—the collector pressed for an explanation.

"He did it," she explained, referring to her husband.

"He asked me who I thought was right, MacArthur or Truman. I said Truman."

### Alabama Student Freed On Bail In Roomies' Slaying

TUSCALOOSA, ALA. —(AP)— A 24-year-old University of Alabama senior is free in \$10,000 bond to await action by the grand jury on charges that he murdered his roommate.

Judge Eugene V. Bailey of Inferior Court allowed James L. Colvin bail Friday after a two-day preliminary hearing.

The judge's ruling followed testimony by Colvin that he killed Jerome Luther Veazey, 27, Greenville, Miss., when the other student rushed at him with a knife.

Colvin shot Veazey two weeks ago after a brief, bitter quarrel which began over a party Veazey gave in their apartment.

### Youth Charged In Holdup Slaying Goes Berserk In Jail Cell

SAN ANTONIO —(AP)— It took almost 10 men more than an hour Friday to hustle Richard D. Thorbus into a padded city jail cell.

Thorbus, one of three men held here on a charge of murdering Andrew J. Sendemer in a garage robbery, went berserk Friday night.

Officers said Thorbus tore out all the plumbing in his cell, broke the light fixtures and smashed windows. He tried to make a ceiling eat parts of broken light bulbs.

Police used a stream of water from a high pressure fire hose finally to subdue him.

### TWO RAILMEN HURT WHEN ENGINES COLLIDE

BROWNWOOD —(AP)— A diesel switch engine and the steam locomotive of a passenger train collided here Friday, injuring Engineer M. O. Hill and Fireman Frank L. Thomas. Neither engine derailed.

### FRANCO, IRAQ INK PACT

MADRID —(AP)— Generalissimo Franco's cabinet Saturday approved a treaty of peace and friendship with Iraq. No details were given.

### Monahans Radio Station Owner Dies

MONAHANS —(AP)— Charley Stuckey, 31, who was to have been named the outstanding young man of Monahans by the Junior Chamber of Commerce, died Friday night of a heart attack.

He was owner and manager of radio station KDKM.

### Life Displaying Post-Hole Field

Life Magazine, now on Midland newsstands, is featuring two pages of pictures and descriptive writing of the post-hole oil discovery near Colorado City.

The unique method of producing oil from shallow holes only a few feet deep was brought to light by Joe Greer, Midland, District 8 supervisor for the Texas Railroad Commission. The story was reported by The Reporter-Telegram and distributed by The Associated Press. Life sent a photographer-writer team, George Silk and Norman Ross, to Colorado City to cover the story.

### BURVIN HINES HERE

Burvin Hines is a weekend visitor from Camp Hood, visiting his wife and parents. Hines formerly was assistant manager of the Midland Chamber of Commerce.

Advertise or be forgotten.

### U Of T Longhorn Club Organized Here

Approximately 30 Midland graduates of the University of Texas met and organized a Longhorn Club here Friday night. The meeting was held in the assembly room of the Magnolia Building.

Wayne Ashmore, Midland man and a graduate of Texas, introduced Jack Crain, Texas football star of some 10 years ago, who explained the purpose of Longhorn clubs being organized in cities throughout the state.

"The main purpose is to promote and boost athletic teams of University of Texas," he said.

Backfield Coach Eck Curtis

commented on the Texas grid team expected for the 1951 season. He told the Midlanders a "good team is expected. With the split T formation, we think we have a more spectacular attack than any team the University has turned out in the last few seasons."

Head Coach Ed Price was unable to attend the Midland meeting because of illness.

After the talks by the University of Texas officials, the Midland Longhorn Club was organized with Reese Cleveland as president, Stanley Erskine was named vice president and Bill Byrd, secretary-treasurer.

### You Can Eat All You Want But Eat Less Too

Sounds like double talk, but it isn't. In other words, asks the gal who is fighting the battle of the bulges, "How can I take off weight without going hungry?" Well, common sense is the watchword. You eat plenty to satisfy your appetite and still eat LESS.

It just doesn't make sense to go on a strenuous diet — take off weight, then quickly put it back on again when the diet period is over. For it is obvious that one cannot go on a rigid diet over a protracted period.

Recently there has appeared on the market several diet and vitamin "plans" which mean a strenuous diet and vitamins to fortify against weakness caused by lack of food. But as mentioned above, you can't keep this up very long and when you quit back comes the fat.

An exhaustive survey made among Texas druggists recently has shown one outstanding reducing aid is not based on the diet and vitamin "plans." It allows you to eat all you want, but you eat LESS.

Nearly four million bottles of this preparation, called Barcetrane, have been sold in Texas in the past eight years.

There is an ingredient in Barcetrane which definitely curbs your appetite and stops you from eating more than necessary for the energy you expend. At the same time it dehydrates and eliminates. There is nothing harmful in Barcetrane. The formula is plainly printed on the label. You can get a four ounce bottle of Barcetrane from any Texas druggist. Mix with 12 ounces of canned grapefruit juice and take two tablespoonsful twice a day. If the very first bottle doesn't show you the simple, easy way to lose that ugly fat, the makers agree to refund your money.

# DADDY RINGTAIL

## Daddy Ringtail And One By One

Dr. Shoobug, the very wise doctor of the Great Forest, was there at Daddy Ringtail's monkey house. He was there inside Daddy Ringtail's room, doing what he could to make Daddy Ringtail well again.

In the other room, there in front of the fireplace, the Huffen Puffen, the friendly wolf, was waiting for Dr. Shoobug to come out and say how sick Daddy Ringtail was. Yes, and there came Dr. Shoobug now.

"Is he very sick, Dr. Shoobug? Is Daddy Ringtail a very sick monkey?" The Huffen was asking the questions.

Dr. Shoobug closed the door to Daddy Ringtail's room before he answered. "Uh, no," said Dr. Shoobug. "He isn't very sick. He has a

cold in his throat. He will be all right. But he must stay in bed." And then Dr. Shoobug explained how Daddy Ringtail at first was worried about his having to stay in bed. Yes, because he had to have some adventures for children to read about in their newspaper. "Uh, but Daddy Ringtail isn't worried any more," said Dr. Shoobug to the Huffen. "No?" asked the Huffen.

# Magnolia Wildcat Nears Completion In SE Midland

Magnolia Petroleum Company No. 1 Sam R. Preston, Southeast Midland County wildcat appears to be nearing completion as a discovery from the Spraberry sand of the Permian.

That project was swabbing and flowing new oil in commercial amounts at last report. Operator was due to take potential test and put the wildcat on regular production.

The latest testing has been on the open hole section at 7,265-7,310 feet. That zone had been Hydrated.

After the load oil and residue from the Hydrating had been swabbed out the project then swabbed and flowed 41 barrels of new oil in 15 hours.

Flowing New Oil  
Following that it swabbed and flowed 20 barrels of new oil in six hours and in the subsequent four and one-half hours the well produced 52 barrels of new oil in four and one-half hours, swabbing and flowing.

Those gauges, which were consecutive show that the well is making a gradual increase in its oil yield as the testing continued. Operator representatives report that it has been flowing some oil after each pull of the swab.

At the end of the latest period of swabbing it had 1,000 feet of free oil standing in the hole.

This project has also shown possibilities of some production from the open hole section between 7,220 feet and 7,365 feet and from perforated sections between 7,114-7,292 feet.

Those zones were shut off from the 7,265-7,310-foot interval during the latest testing by a packer set at 7,265 feet.

This wildcat has its 7-inch casing cemented at 7,220 feet.

Operator probably will produce the entire pay section between 7,114 feet and the total depth at 7,310 feet, when the well is finally completed.

Location is 660 feet from west and 1,980 feet from north lines of section 14, block 37, T-4-S, T&P survey.

## Permian Basin OIL & GAS LOG

James C. Watson  
Oil Editor

It is 23 miles southeast of the city of Midland and it is four miles west of the opener of the Driver-Spraberry field and five miles north-east of the discovery of the Midkiff-Spraberry field.

**Texaco Is Making Production Tests In Midland Opener**

The Texas Company No. 1-B Scharbauer, Pennsylvania lime discovery in West-Central Midland County, is making preliminary production tests before completion.

In nine hours the well flowed 186 barrels of oil through a 20 64-inch choke, gas-oil ratio 2.458-1. This flow was through perforations from 10,290 to 10,325 feet.

Operator then pulled bottom packer and flowed the project from perforations and open hole section which is at 10,345-470 feet.

In 11 hours 279 barrels of oil flowed through a 3 8-inch tubing choke.

Location is 1,980 feet from east and 1,987 feet from south lines of section 35, block 40, T-2-S, T&P survey.

Texaco No. 1-C Scharbauer, indicated Wolfcamp discovery in West-Central Midland County, is at total depth of 10,660 feet in the Pennsylvania taking a drillstem test with packer at 10,590 feet.

Location is 1,983 feet from north and 2,061 feet from west lines of section 42, block 40, T&P survey, T-2-S.

**Southwest Stepout Is Staked In SE Borden**

Magnolia Petroleum Company staked location for its No. 1-C Conrad which is to be drilled as a one-location southwest offset to Shell Oil Company No. 2 Sterling, indicated reef discovery in Southeast Borden County.

Drillsite is 660 feet from north and east lines of section 56, block 25, H&TC survey and 19 miles southwest of Gail.

Shell No. 2 Sterling is coring deeper after a drillstem test in the reef developed flowing oil at the rate of 120 barrels per hour.

The interval tested was from 6,630 to 6,662 feet. Tool was open one hour and 28 minutes. Oil was at the surface in eight minutes. The flow was turned to tanks for one hour.

Gauges by 15-minute periods were as follows: first 15 minutes 27.3 barrels, second 15 minutes 29.9 barrels, third 15 minutes 33.8 barrels and the last 15 minutes it flowed 29.9 barrels.

Gravity of the oil recovered is 46 degrees. Gas-oil ratio was 927-1. No. 2 Sterling is two and one-half miles northeast of the Retnecke field and about the same distance south of the Von Roeder field.

Drillsite is 656 feet from west and 779 feet from south lines of section 70, block 25, H&TC survey.

**S-C Stonewall Pool Gets Second Oiler**

The Ohio Oil Company has completed its No. 1-A Leon Anderson as a west offset to the opener of the Frankfield in South-Central Stonewall County.

It was finalized for a 24-hour flowing potential of 182 barrels of oil through a 13 1/16-inch choke and open hole between 5,960 and 6,013 feet.

The Ellenburger top was picked at 6,000 feet.

Before completion was made, open hole section had been washed with 2,000 gallons of acid.

Location is 477 feet from south and 650 feet from west lines of section 18, block U, T&P survey.

**Tex-Harvey Sector Gets Two Drillsites**

Amerada Petroleum Corporation staked two prospectors in the undeveloped area between the Midland County side and the Glasscock County side of the Tex-Harvey field.

The concern's No. 3 Hugh Dixon will be dug 660 feet from north and (Continued On Page Eight)

## Hiawatha Offices Are Now In Allen Building In Midland

Hiawatha Oil & Gas Company has moved its West Texas district office to new quarters in the Allen Building.

The concern had formerly had its offices in the Wilkinson-Foster Building. The move to the new building was made in order to secure more space.

Legalized pari-mutuel wagering in 21 states attracted 34,181,207 persons to thoroughbred races in 1948.

## McCullum-Ferris Start New Firm

Two pioneers in the geophysical and seismographic field have announced the formation of the Geosels, Inc., Tulsa, Okla., offering seismograph prospecting service in the United States and Canada.

E. V. McCullum is president of the new firm, and Craig Ferris is vice president. These well-known geophysicists announce that E. V. McCullum & Company will continue unchanged. The new firm is being established to offer a more complete service in the oil industry.

Amerasia No. 3 E. S. Boone will be drilled 1,980 feet from north and west lines of section 17, block 36, T-3-S, T&P survey.  
Both projects will be drilled to possible bottoms of 8,000 feet to test the regular Spraberry pay of the field.

## Oilers Are Added To Midland Tex-Harvey

Union Oil Company of California No. 2 R. V. Powell and others and Frank and George Frankel No. 3-F L. E. and J. H. Floyd are new producers in the Tex-Harvey field of Central-East Midland County.

The Union oiler was finished at the extreme north edge of the field for a daily flowing potential of 400.28 barrels of oil per day through a 28/64-inch tubing choke.  
Open hole from 7,038 to 7,120 feet was hydraulically fractured with 1,500 gallons of acid.  
Gas-oil ratio was 660-1 and gravity of the petroleum recovered was 37.5 degrees.

Location is 1,922 feet from north and 660 feet from west lines of section 1, block 37, T&P survey, T-3-S, Frank and George Frankel No. 3-F L. E. and J. H. Floyd was completed as a producer inside production in the field.

Operator reported a daily flowing potential of 232.7 barrels of 38.3-gravity oil and no water.  
The open hole section from 6,817 to 6,993 feet was hydraulically fractured with 2,350 gallons. The 24-hour gauge was made through a 3/8-inch choke.  
Location is 865.5 feet from north and 660 feet from east lines on the lease in section 13, block 34, T-3-S, T&P survey.

## Ellenburger Wildcat Is Set For Stonewall

General Crude Oil Company staked location for a 6,000-foot Ellenburger wildcat in Southwest Stonewall County for immediate drilling.

The prospector will be dug as the concern's No. 1 J. W. Kennedy, 660 feet from south and 1,980 feet from east lines of section 348, block 2, H&TC survey.

Location is one mile northeast of the Canyon reef lime discovery in the Double Mountain pool which is producing from around 5,300 feet.

## SE Andrews Project Is Making More Hole

Humble Oil & Refining Company is drilling below 7,233 feet in shale on its No. 1-O University, wildcat in Southeast Andrews County, after a drillstem test at 7,999-7,122 feet in the Leonard section of the Permian.

Tool was open two and one-half hours. Gas came to the surface in 40 minutes.

Recovery was 300 feet of oil, 90 feet of mud and oil and 110 feet of heavily oil and gas cut mud and 10 feet of water.

The pay tested is thin and would make a small oil well but the wildcat is to go on to the Ellenburger.

It is 660 feet from south and 1,980 feet from west lines of section 20, block 1, University survey and four miles northwest of the Midland Farms field.

## Pegasus in Upton Gets New Producer

Sharples Oil Corporation has completed its No. 2-E-37 TXL as a new producer in the Pegasus field of Northwest Upton County.

The well flowed 535.08 barrels of oil in eight hours through a 12/64-inch choke to make a 24-hour calculated potential of 1,005.34 barrels of oil.

Gravity of the petroleum was 53.4 degrees. Gas-oil ratio was 490-1.  
Top of pay is 12,761 feet and total depth is 13,141 feet. Five and one-half-inch casing is cemented at 12,783 feet.

Open hole has been treated with 2,000 gallons of acid.  
Location is 1,980 feet from north and east lines of section 37, block 41, T-4-S, T&P survey.

## Shallow Prospector Spotted In Callahan

Ralph Lowe of Midland has spotted a 2,500-foot cable wildcat in Central Callahan County as his No. 1 Luck E. Whitehead.

Location is 1,850 feet from the north and west lines of section 7, BBB&C survey. That makes it eight miles south of Clyde.

## C-N Dawson Opener Coring After DST

Amerasia Petroleum Corporation No. 1 Adcock, discovery for flowing production from the Siluro-Devonian in Central-North Dawson County, is coring below 10,778 feet in an officially unidentified formation.

On a drillstem test from 10,843 feet to 10,787 feet, the project recovered 1,750 feet of water blanket, 278 feet of sulphur water cut with drilling mud and 1,171 feet of sulphur water. There were no shows of oil or gas.

Tool was open four hours. Flowing pressure was between 700 and 1,325 pounds and one-quarter of an hour shut-in pressure was 3,850 pounds.

The wildcat is 467 feet from south and 1,530 feet from west lines of section 166, block 34, D&S survey, T-7-N. It is four miles south of O'Donnell and about 14 miles northeast of Lamessa.

This wildcat had slight shows of oil in the Spraberry and it made some clean oil in a drillstem test in the Mississippian at 10,291-373 feet.

## Oil, Gas-Cut Mud Logged In Borden

Hunt Oil Company No. 1 R. L. Gray and others, Ellenburger wildcat in Central-East Borden County, is drilling ahead after a drillstem test in an unidentified formation from 8,167 feet to 8,168 feet.

There was a weak blow of air throughout the 45-minute test. Recovery was 20 feet of slightly oil and gas cut mud.

The drillsite is 330 feet from south and east lines of section 224, block 97, H&TC survey.

That puts it 11.2 miles east and slightly south of the town of Gail.

## C-N Winkler Test Finds More Water

Humble Oil & Refining Company No. 1 R. M. Evans, Central-North Winkler County wildcat, took a drillstem test in the Ellenburger at 13,815-838 feet.

Tool was open two hours. Operator used a 3,700 foot water blanket. Recovery was 1,265 feet of salt water, 80 feet of drilling mud and the 3,700 foot water blanket.

The project is now plugged back to 13,170 feet in the McKee sand of the Simpson. Operator is preparing to test the section which showed a kick on the electric log.

Location is 17 miles northeast of Kermit and 1,980 feet from north and east lines of section 2, block A-56, psi survey.

Top of the Ellenburger was called at 13,875 feet. That is on a datum of minus 10,547 feet.

## Midyear Meet Of API Division Will Be Held In Tulsa

NEW YORK—The fourth mid-year meeting of the safety and fire protection committees of the American Petroleum Institute will be held in Tulsa, on April 29 and 30, and May 1, 2, and 3. The sessions will be held in conjunction with the midyear meeting of the API Division of Refining, which gets underway on April 30 also in Mayo Hotel.

Among the many subjects to be considered by the committees is the first aid and safety training program being prepared for recommended industry use. This program provides for six hours of training in the fundamentals of first aid, and two hours of indoctrination training in the purpose and use of personal protective equipment.

Training materials for the first aid and safety training program are being prepared now. They are expected to be off the press in time for a final review by the committee in Tulsa.

# Pennsylvanian Test Finaled As Opener In C-W Lea Sector

HOBBS, N. M. — Lawton Oil Corporation and W. C. Goldstein have completed their No. 1-A State as a discovery from the Pennsylvanian in Central-West Lea County.

Located five miles south of the Saunders field and 660 feet from south and east lines of section 30-15a-33e, the new producer potentialized for 336 barrels of 43-gravity oil and no water per day.

Perforations from 10,577 to 10,617 feet were acidized with 4,000 gallons.

Pay was topped at 10,587 feet and the Pennsylvanian was topped at 10,312 feet.

The discovery is 16 miles northeast of Lovington. It is to go to 4,260 feet.

Two and one-half miles south of Elda and in Central-West Roosevelt County, Spartan Drilling Company, Atlantic Refining Company and Gulf Oil Corporation No. 1 State, wildcat, 8,000 feet, is progressing below 8,525 feet in shale and sand.

No indications of commercial production have been developed in drilling to its present depth.

Location is at the center of the northeast quarter of the southeast quarter of section 36-4a-31e.

Mid-Continent Petroleum Corporation No. 1 W. M. Strickland-Dorn Unit, wildcat in East-Central Roosevelt County, is at total depth of 3,703 feet in anhydrite and shale waiting for cement to set on a 9 5/8-inch intermediate casing.

Operator previously had cemented 13 3/8-inch surface pipe at 296 feet. Drillite is 1,980 feet from south and west lines of section 9-4a-35e and 14 miles south of Portales.

Shutdown.  
Levers Oil Company No. 1 State, wildcat in North-Central Chaves County is at total depth of 2,000 feet in lime shutdown waiting for orders.

The prospector did not find any signs of possible production above its present depth.

Drillite is 1,980 feet from north and east lines of section 16-17a-27e. Contract depth was 1,225 feet.

Malco Refineries, Inc. No. 1 Union-Federal, wildcat in Southeast Chaves County, is drilling below 2,666 feet in dolomite.

The projected 3,500-foot test is being drilled 660 feet from north and east lines of section 13-13a-29e.

Another Chaves wildcat, E. J. McCurdy and McElroy No. 2 Key, located in the southeast portion of the county, is shut down for repairs at total depth of 2,428 feet in dolomite.

Drillite is 1,980 feet from north and east lines of section 34-15a-29e.

Discovery Coring  
McAlester Petroleum Company No. 1 J. B. Brown, indicated Permian-Pennsylvanian discovery in South-Central Roosevelt County, is coring below 8,178 feet in sand and shale.

A core was cut from 8,152 feet to 8,172 feet. Recovery was 20 feet of dry sand and shale.

Flowing production was developed in the prospector on a three hour drillstem test from 8,088 to 8,142 feet. Gas was at the surface in four and one-half minutes. Mud was shovelled to the top in 15 minutes and oil in 20. It flowed to the pits 40 minutes and to tank for two hours where it made 112 barrels of 45-gravity oil and no water.

Gas-oil ratio was 1,216-1. Operator circulated out recovery. Bottom-hole flowing pressure was 1,975 pounds and 15-minute shut-in pressure was 2,950 pounds.

A one-inch top choke and a five-eighths-inch bottom choke were used in the test.

Top of the Permian-Pennsylvanian is at 7,525 feet. Datum point is minus 3,151 feet.

Location is 660 feet from north and west lines of section 6-7a-34e. That makes it 18 miles north of production in the Bough-Pennsylvanian field of Northwest Lea County and 20 miles northeast of the Crossroads pool in the same area.

McAlester Fuel Company No. 2-A Brownfield has been completed as a Wolfcamp twin to the same operator's No. 1-A Brownfield, Devonian discovery of the Gladolia field of Northeast Lea County.

A daily flowing potential of 223 barrels of oil and no water is credited to the No. 2-A Brownfield, second producer from the Wolfcamp in the field.

The 24-hour gauge was through an 11/64-inch tubing choke.

Wolfcamp was topped at 8,200 feet and pay was topped at 8,565 feet. Total depth of the oiler is 10,330 feet.

Gravity of the petroleum is 43.8 degrees. Location is 660 feet from north and 1,780 feet from east lines of section 24-12a-37e.

McAlester No. 2-A Brownfield was completed natural.

Pennsylvanian Well  
Amerasia Petroleum Corporation has completed its No. 2 Mathers as a Pennsylvanian producer one-half mile west of production in the Bagley area of the Bagley-Highwater multipay field of Northwest Lea County.

The new producer was finished for a daily flowing potential of 788 barrels of oil. The petroleum is coming through perforations opposite a new Pennsylvanian pay section for the field.

Pay was topped at 8,654 feet. Plugged back total depth is 8,708 feet. Other Pennsylvanian production in the field is from a lower section of that formation.

Gravity is 46 degrees. Gas-oil ratio was 1,039-1. The pay was acidized with 500 gallons. The potential was gauged through a one-half-inch choke.

Location is 660 feet from east and south lines of section 3-2a-33e.

Another producer has been added to the Denton multipay field of Central-East Lea County.

Phillips Petroleum Company and Atlantic Refining Company finished its No. 1 Denton, 1,980 feet from north and 660 feet from east lines of section 11-15a-37e, for a daily flowing potential of 1,560 barrels of oil per day.

Pay was topped at 11,445 feet. Plugged back total depth is 12,984 feet in the Devonian, which was topped at 11,445 feet.

Perforations from 12,400 to 12,500 feet were washed with 1,000 gallons of acid.

Gas-oil ratio was 1,088-1. Gravity of the oil is 48.7 degrees. Tubing pressure during the potential test was 780 pounds. A one-half-inch choke was used.

The new oiler is 1,980 feet from north and 660 feet from east lines of section 11-15a-37e.

That puts it one-location north of production in the field.

New Location  
Barney Cockburn has staked location for his No. 2 Phillips-Wyatt which is to be drilled in an attempt to extend the limits of the Corbin field of Central-West Lea County.

# WASHINGTON OIL—Producers Request Steel To Drill 72,000 Wells Annually

By JOSEPH NUTTLINGER  
Reporter-Telegram, Washington Oil Correspondent  
WASHINGTON—In requests for priority assistance to obtain oil country tubular goods, petroleum producers in America have requested enough steel to drill new wells at the rate of 72,000 annually.

A highly inflated figure, due to the natural desire of producers to request much in order to obtain little, the level compares with a government target of 43,400 new wells this year.

Last Year less than 43,000 wells were drilled.

The requests are under the priorities program for oil and gas producers, which was announced a month ago and goes into effect July 1.

The requests have been studied by the Petroleum Administration for Defense, which determined over the weekend just how much of them should be granted.

Early this week, according to the plan, the actual issuance of priorities from the PAD to individual operators, are to be mailed out. The priority will enable the operator to go to mills and place orders for delivery after July 1.

The priorities program, itself, was merely a hunting license to the producer to go and find steel, but the government now has taken action to turn it into a "cashier's check" by tipping the steel behind the program.

That came this week in the announcement of the controlled materials plan affecting steel, copper and aluminum.

Second Step Planned  
The second step in furnishing needed steel to defense supporting industries such as petroleum and gas, the CMBP is to see the PAD and the National Production Authority working together.

They will, if plans go as scheduled, and this plan worked during the last war, determine what oil country goods are needed each quarter.

## Purnell Is CSOC Publicity Director

John H. Purnell who recently resigned as editor of the Examiner-Enterprise, Bartlesville's leading newspaper, has been appointed to the position of director of Publications and News for Cities Service Oil Company of Delaware according to an announcement by A. W. Ambrose, company president.

Prior to coming to Bartlesville, Purnell had served as editor of the newspapers at Paris and Marshall, Texas. He was also public relations director of the East Texas Chamber of Commerce, publisher of a dairy magazine and regional director of information for the Farmers Home Administration.

Those attending the conference in the new Memorial Student Center on the A&M campus will hear discussions by leading petroleum engineers and geologists of the problems encountered in secondary recovery.

W. J. Murray, Jr. of the Texas Railroad Commission will discuss the significance of maximum oil recovery in Texas.

The conference is sponsored by the A&M College Petroleum Engineering Department and the Texas Petroleum Research Committee, which made up of representatives of the Railroad Commission, A&M College and the University of Texas.

George H. Fancher, director of the Petroleum Research Committee, will give the committee's progress report.

Other speakers on the program include Paul D. Torrey, Houston consultant; Frank B. Connelman, Abilene consultant; S. P. Ellison, Jr., University of Texas; Walter D. Rose and Wai S. Chin of the Petroleum Research Committee; L. E. Wilkins and R. A. Morse, Stanolind Oil and Gas Company, Tulsa; W. S. Morris, East Texas Salt Water Disposal Company, Kilgore; Paul Weaver, Gulf Oil Corporation, Houston; R. C. Crase, Humble Oil and Refining Company, Houston; W. H. Horner, Sunray Oil Corporation, Tulsa; Neslage, West Pampa Repressuring Association, Pampa; R. G. Hiltz, J. V. Huzarevich and R. M. Leibrock, Stanolind, Dallas; John C. Calhoun, Jr., Pennsylvania State College; George Buckles, Fort Worth Oil Corporation, Monahan; Harvey T. Kennedy, A&M College; Whiting and Erasmo T. Guerrero, A&M College.

Sul Ross Schedules Spring Field Trips For 'Rock Hounds'

ALPINE—Continuing its policy of emphasizing the use of the field in the teaching of geology, the geology department of Sul Ross State College has scheduled Spring field trips for all courses which will take students to all parts of the Big Bend area and into the Central Mineral Region of Texas, according to W. N. McNulty, head of the department of geology at Sul Ross.

On April 11, students taking subsurface geology visited several oil and services companies in Midland. Paleontology students will spend April 19 collecting fossils from Ordovician and Permian rocks in the vicinity of Shafter.

Landforms along the Rio Grande will be studied by the students of geomorphology on April 28.

The annual two-day trip to the Big Bend National Park for historical geology students will be conducted on May 5 and 6, and the field trip season ends with a four-day trip for students of economic geology and petrology to the Llano-Fredericksburg-Mason area in Central Texas.

# TEXAS OIL ROUNDUP—Oil Industry Requested To Increase Inventories Rapidly For Six Months

By MAX R. SKELTON  
HOUSTON—(AP)—Defense officials have asked the oil industry to boost its inventories rapidly for six months.

Crude oil, residual and distillate storage levels the Petroleum Administration for Defense considers desirable for the end of September approximately 75,000,000 barrels above current levels.

PAD officials, in meetings across the nation this week, advised the industry they expect demand for petroleum products this year to exceed 1950 by 10 per cent.

W. P. Hayes said stocks of all products except residuals were adequate as of March 31.

He warned sharp increases will be needed before the start of the 1951-52 winter season.

Hayes said PAD considers these storage levels desirable:  
Crude oil—250,000,000 barrels "as soon as possible," compared to 235,200,000 March 31 and 242,000,000 a year ago.

Residual and heavy fuel oils—50,000,000 barrels by the end of September, compared to a current 36,500,000 and 40,000,000 a year ago. These stocks were about 42,000,000 last September 30.

Total Is Given  
Distillates and light fuel oil—88,000,000 by September 30 and from 85,000,000 to 100,000,000 by November 3. Current stocks total 42,300,000, compared to 38,200,000 a year ago and 75,000,000 last September.

Hayes said the nation's crude oil production this year must average 6,065,000 barrels a day to keep pace with needs. This means, he said, average daily output the last six months of the year will have to approximate 6,160,000 barrels.

Production passed the 6,000,000 mark the first time in history a month ago and climbed to a record 6,126,000 daily average last week.

PAD expects no products shortages but warns that most factors which contributed to high demands the first quarter of 1951 are expected to continue throughout the year.

Even heavier demand is forecast during 1952's first quarter.

All major companies who are engaged in the oil industry are listed alphabetically in the book. The addresses of the firms or individuals are given, along with a listing of the personnel in each organization.

## Plenty Of Oil, Gas For Years To Come, Says USGS Report

WASHINGTON—(AP)—The U. S. Geological Survey in a report to a Senate committee studying fuels problems said if the future can be judged by the past, oil and gas will be found in "sufficient quantities" in this country for many years to come.

But, it added, no "precise statements" as to the amount of potential reserves of oil and gas in the United States can yet be made.

The agency was asked by the committee to submit a report of its views.

"In the United States, adequate production has been a direct function of economic incentive," the report stated.

"Until the unpredictable date at which the incentive fails to provide the needed supplies, there will be no convincing evidence that we have reached the limits of our ability to expand the potential, ultimate recoverable reserves of petroleum."

## MGS Meeting Set In Midland Tuesday

The Midland Geological Society will meet in the Crystal Ballroom of Hotel Scharbauer at 12 noon Tuesday for its semi-monthly luncheon program.

A motion picture, "Realm of the Wild," will be shown. The film was released by United States Forest Service and shows the wild life of American forests.

It emphasizes the need for assured year-round supplies of grass, shrubs and trees for food and cover for the animals.

Max David is president of the organization and John E. Galley is program chairman.

## Nominations Show Increased Demand For Texas Crude

AUSTIN—(AP)—An increase in demand for Texas crude oil next month is indicated by a 42,780-barrel jump in purchasers' nominations to the Railroad Commission.

The May nominations were announced by the Commission Friday at 2,909,212 barrels daily. April nominations amounted to 2,867,432.

The purchasers' nominations are submitted to the Commission each month in advance of the monthly oil production hearings, where the Commission takes further evidence on which to base permissive production.

## Upswing In Oil Drilling Continues

AUSTIN—(AP)—The Railroad Commission last week received 495 drilling applications, running the 1951 total still further ahead of the 1950 picture.

The total at this time last year was 4,568 applications, the Commission reported. This year, it's 5,924.

Oil wells reported complete last week added up to 171, or 2,895 for the year. Nine gas wells were brought in, running the total to 270 for 1951. Dry holes totaled 107 for the week and 1,528 for the year.

Wildcaters reported a luckless week. Out of 67 wells drilled, only nine produced oil in commercial quantities. Only two gas wildcats were brought in.

Total calendar day allowable as of Saturday stood at 2,925,582 barrels, a gain of 12,804 for the week.

## New IOCC Volume Will Be Out May 1

"Oil and Gas Production," an introductory guide to production techniques and conservation methods, published by the Interstate Oil Compact Commission's engineering committee, will be ready for distribution May 1.

A copy can be obtained from IOCC's headquarters office, Box 3127, State Capitol, Oklahoma City. Cost of the book is \$2.75.

## IOCC Members To Hear Governors At Santa Fe Meeting

AUSTIN—Governors of the States of New Mexico and Oklahoma will make principal addresses before the Interstate Oil Compact Commission's Spring Meeting in Santa Fe, April 26-28, it was announced here by Governor Allan Shivers of Texas, chairman of the Commission.

Governor Edwin L. Mechem of New Mexico will welcome the delegation and will also discuss conservation of oil and gas in New Mexico. Governor Johnston Murray of Oklahoma will respond to the welcome address, and, in addition, will discuss the privileges of participating in the states' conservation programs.

## Albaugh Is On Visit To Points In East

Ray A. Albaugh, Midland independent oil operator, has come to Tinsville, Pa., for a visit with his mother and other relatives, and to "do a little fishing."

Albaugh plans to go to New York while in the east for conferences with some of his business associates who live in that city.

**STERLING MOVES OFFICES**  
Robert E. Sterling, independent oil operator and trader of Midland, has moved his offices to suite A in the basement of the Wilkinson-Postler Building.

# The Oil Pusher

## Cooper To Lead Program For Midland County OIIC

John Ed Cooper is the new Midland County chairman for the Oil Industry Information Committee. He is vice president and general sales manager of The Western Company.

Announcement of his appointment to the place was made Friday at a meeting of the county chairman of the West Texas area of the OIIC.

Marvin M. Miller of Big Spring, a vice president of Coaden Petroleum Corporation is the West Texas area chairman for the organization. He presided at the Friday meeting.

Miller also announced that James C. Watson of Midland has been appointed vice chairman of the area committee. Watson is oil editor of The Reporter-Telegram and operator of the Permian Basin Oil News Service.

Purpose of the Oil Industry Information Committee is to operate a year-round program of distributing factual information in all communities, cities and counties of the United States on the various activities of the American oil industry.

The program is carried on as a part of the work of the American Petroleum Institute.

John W. House of Midland, division superintendent of Humble Oil & Refining Company for West

John Ed Cooper

## Legendre To Give Full Time To Own Engineering Firm

Harry E. Legendre of Midland has resigned as an executive in West Texas with the Frank and George Frankel organization. He is doing this in order to devote full time to his own oil field engineering and service business.

He has been general superintendent of drilling and production in this territory for the Frankels for

Harry E. Legendre

about four years. During most of that time he had lived at Frankel City in Northwest Andrews County.

He moved his base of operations to Midland early this year in order to more conveniently supervise the Frankel development program in the Texas-Harvey oil field of Central-East Midland County.

They have already completed 13 producers in that field and have approximately 70 more proven locations to drill, according to Frankel representatives.

During the four years Legendre has been associated with Frank and George Frankel he has also operated as a consulting petroleum engineer and has carried on a bottom hole pressure and temperature survey service for other oil operators.

He is leaving his job with the Frankel organization on May 1 to devote all of his time to his own business. He now has two employees on that work. They are Charles Bell and J. D. Lyons. They do the bottom hole pressure and temperature work under Legendre's supervision.

He plans to carry on that work, and in addition, specialize in supervising the drilling, completion and production of oil wells in the Spraberry sand reservoirs of the Midland Basin. He also will be available for such work in other areas of the Permian Basin.

His office is at 409 North Baird in Midland. Telephone number there is 1135.

Legendre graduated from Louisiana State University in 1935 with a degree in petroleum engineering.

He is active in professional organizations in the engineering departments of district organizations of the latter two decades.

Legendre also has been associated with consulting engineers and geologists in West Texas and Southeast New Mexico and has had practical field experience in drilling and production operations.

He is active in petroleum engineering organizations and was one of the organizers of the Fullerton Field Engineering Committee.

## Craft Is New WT District Landman For Union Sulphur

T. D. Craft is the new district landman in West Texas for the Union Sulphur & Oil Corporation.

He resigned a job in the Midland district office of Tide Water Associated Oil Company in order to take the place with Union Sulphur & Oil.

Craft had been in the Tide Water office in this city for seven months. He had worked for the same concern at Tallahassee, Fla.

Craft will work out of the US&OC district office in Midland which is located at 441 Wilkinson-Postler Building. Telephone number there is 2418.

W. C. Osborne is district geologist in this territory for the concern.

## Goldsmith Named OPS Director Of Fuels, Chemicals

DALLAS—Appointment of Osher Goldsmith of Tyler as director of the fuels and chemicals division in the regional office of Price Stabilization was announced Saturday by Alfred L. Seelye, regional OPS director.

Goldsmith has been serving as a consultant in the OPS office here since it opened January 29.

He will supervise administration of price regulations in the petroleum, chemicals, export and import, ice, rubber, solid fuels (including coal, coke and their by-products) and transportation industries. Goldsmith held a similar position in the Dallas regional Office of Price Administration during World War II.

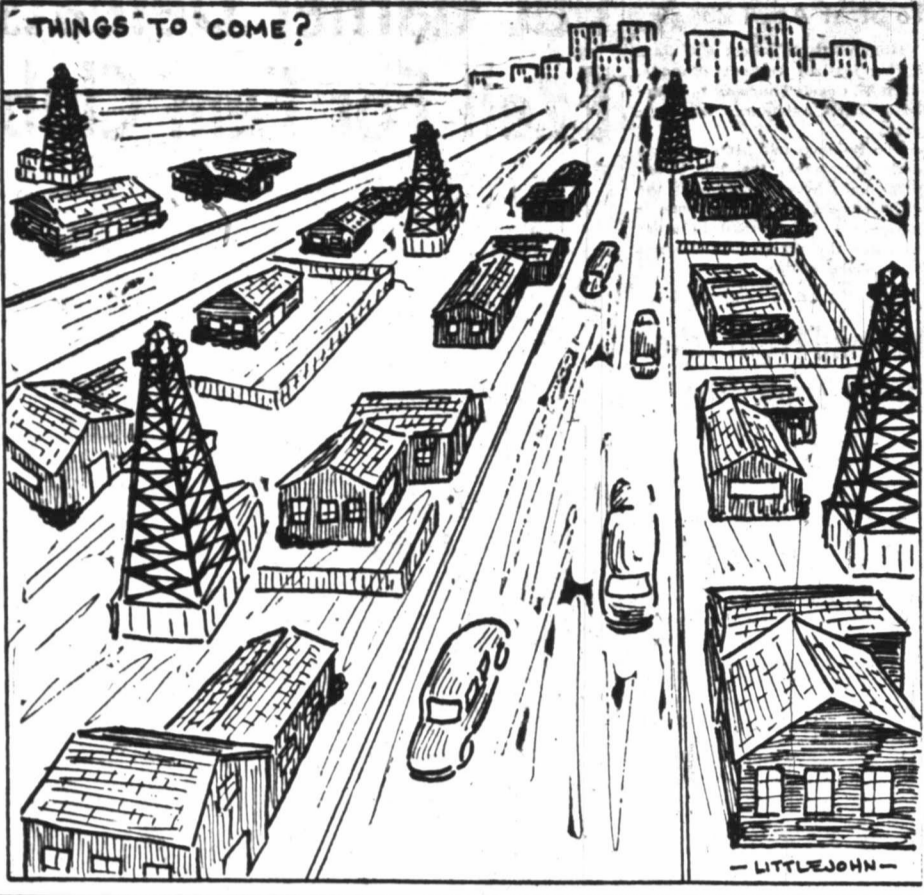

The price official is a registered petroleum engineer and has been in the oil business since receiving his degree in mining engineering from the Missouri School of Mines in 1920. Since 1937 he has been an independent oil producer and consulting petroleum engineer, with offices in Tyler.

Goldsmith has been employed by both major and independent oil companies in the production, pipeline, refining and marketing phases of the oil business in East, West and North Texas oil fields.

**NEW MAP ISSUED**  
Midland Map Company has just issued a new ownership map of Garza County. The maps are now ready for distribution.

During recent weeks the concern has issued new ownership maps on Nolan, Sterling, Upton, Reagan and Borden Counties.

## Permian Pete By Littlejohn

## Tri-M Production Opens Offices In McClintic Building

Tri-M Production Company, a recently organized firm, has opened offices on the first floor of the McClintic Building in Midland.

E. R. (Bill) Mathews is secretary-treasurer of the new production company. He is also president and owner of the Guy Mabree Drilling Company.

Louis Mabree, president and owner of the Louis Mabree Drilling Company, is vice president of Tri-M Production Company.

E. R. (Bill) Mathews is secretary-treasurer of the new production company. He is also president and owner of the Guy Mabree Drilling Company.

Joe Guy Mabree is a vice president and assistant secretary-treasurer for Tri-M Production.

Ellis Scooby, formerly associated with Southern Minerals Corporation as district geologist in West Texas, is geologist for the new company. Charles F. Addy will be landman and will operate out of Balingier. He also is landman for Guy Mabree Drilling Company.

Present plans of Tri-M Production Company is to confine operations to Callahan, Coleman, Runnels and other Eastern Platform counties.

## IOCC Publication Is Now Available

OKLAHOMA CITY—The National Stripper Well Survey is now available. It was prepared and published by the Interstate Oil Compact Commission.

The information it gives was compiled as a joint project of the stripper well committees of the Independent Petroleum Association of America, the National Stripper Well Association and the Interstate Oil Compact Commission.

It contains the report of the 1949-1950 National Stripper Well Survey and also some of the statistical data contained in previous surveys published by the Compact Commission.

Copies of this pamphlet may be obtained by writing to the Interstate Oil Compact Commission, Box 3127, Oklahoma City 5, Oklahoma.

## Natural Gas Pipe Line Applications Pile Up At Increasing Rate

WASHINGTON—(AP)—In the year ended last June 30, the Federal Power Commission disposed of 121 applications representing 9,800 miles of natural gas pipe line involving estimated costs of \$750,000,000, Commission Chairman Mon C. Wallgren reported Friday.

In spite of this, Wallgren said, the number of pending applications has continued to pyramid.

35-Year Class—William C. Alford and John B. Heard.

30-Year Class—Charles L. Adams, Franklin Clark, Jessie D. Dempsey, James E. Evans, Joe E. Hartin, Herman Houston, John L. Hutchison, Richard C. Jones, Willie M. Kelley, Clarence G. Liles.

Edward E. McLaurin, Blant P. Mitchell, G. A. Poole, William H. Scranton, Darril C. Sears, Harvey M. Smith, Otis S. Smith, Robert R. Swan, W. C. Todd, Jesse J. Williams, Theron S. Nettleton, E. S. Grear and Robert W. Patten.

25-Year Class—Ovie M. Adams, Wilmer M. Ballard, James F. Branam, Johnnie R. Crowson, John F.

## Service Buttons Awarded To 161 WT Gulf Employees

Diamond and ruby service award buttons were presented Friday to 161 employees in West Texas of Gulf Oil Corporation's production and pipeline divisions.

The awards were given for periods of service ranging from 10 to 35 years. They were presented at a banquet in Bowie Junior High School in Odessa.

W. C. Todd, zone superintendent of production, paying tribute to the employees, told them the company had attained its highest evaluation in history with total assets of approximately one and one-third billion dollars.

He pointed out that figure represented an investment of almost \$25,500 for each employee. "Gulf's large dollar value," he said, "is not money in the bank." It represents chiefly the value of plants, facilities and equipment.

"In the past five years alone," he said, "Gulf has spent \$830,800,000 for new plant installations." Thus, faster than earnings have come in, money has been expended for new equipment to improve the company's work.

In 1950, Todd said, Gulf produced more crude oil than any time in its history—a total of 173,794,000 barrels. Increases also were achieved in refining capacity and in the company's importance as a producer of natural gas.

Almost 1,400 independent dealer service stations were added to Gulf's outlets, bringing the total number to almost 34,000 stations in 37 states. "The company sold between seven and eight per cent of all the petroleum products in the United States," Todd said.

The Odessa meeting was part of a company-wide program of service awards in conjunction with Gulf's Fiftieth Anniversary Celebration. In all, a total of 3,649 employees are receiving awards. This brings to almost 45 per cent the number of Gulf employees who have completed a decade or more with the company.

Those honored at the Friday night meeting included:

35-Year Class—William C. Alford and John B. Heard.

30-Year Class—Charles L. Adams, Franklin Clark, Jessie D. Dempsey, James E. Evans, Joe E. Hartin, Herman Houston, John L. Hutchison, Richard C. Jones, Willie M. Kelley, Clarence G. Liles.

Edward E. McLaurin, Blant P. Mitchell, G. A. Poole, William H. Scranton, Darril C. Sears, Harvey M. Smith, Otis S. Smith, Robert R. Swan, W. C. Todd, Jesse J. Williams, Theron S. Nettleton, E. S. Grear and Robert W. Patten.

25-Year Class—Ovie M. Adams, Wilmer M. Ballard, James F. Branam, Johnnie R. Crowson, John F.

## MHS Golf Squad Cops 3-AA Meet

ODESSA—For the second consecutive year, Coach Audrey Gill's Midland High School golf squad won the District 3-AA championship. The four-man Midland team of Roane Puett, Graham Mackey, Johnny Ward and Marcelino Moreno sewed up the championship here Saturday, after taking the lead Friday.

## 1,500 Due To Enter Elementary Relays

Approximately 1,500 Midland elementary school students will take part in the "Kid Relays" here Friday, with boys and girls from the first six grades entering.

Officials said 440 ribbons will be given as awards. Awards will go to the first three places in each event.

At 9:30 a.m., the first three grades in North, South, Crockett, Latin, and Terminal Elementary Schools will start meets at their schools. The fourth, fifth and sixth grades from all those schools—plus sixth grade in Junior High—will run their relays at 1 p.m.

Both boys and girls will enter the huge meet.

## FPC Again Considers Fees For Gas Licenses

WASHINGTON—(AP)—Suggestions have been renewed that the Federal Power Commission collect fees for gas licenses.

Chairman Mon C. Wallgren of the Commission told a House Appropriations subcommittee he thought such fees should be collected to help pay expenses of the Commission in natural gas cases.

WASHINGTON—(AP)—Suggestions have been renewed that the Federal Power Commission collect fees for gas licenses.

Chairman Mon C. Wallgren of the Commission told a House Appropriations subcommittee he thought such fees should be collected to help pay expenses of the Commission in natural gas cases.

# Abilene Whacks Indians 11 To 5

ABILENE—Midland's Indians lost their first exhibition game of the 1951 season here Friday night, falling to the Abilene Blue Sox 11-5.

Eddie Jacome started for Midland, giving up only four hits and one run in three innings and striking out two Abilene batsmen. Manager Harold Webb then tried out Charles (Buck) Wheat, rookie hurler, who gave up one hit, two bases on balls and balked twice before he was relieved by Webb himself. Wheat had led in three runs and Midland was behind at that point 4-1.

The Indians had tallied first in the second inning on a single by first baseman Jim Prince and a triple by Hayden White, rookie outfielder.

The Abilene nine slugged Webb for six hits and six runs in the fifth inning, among the hits a pair of home runs by Shortstop Charles Schmidt and Pitcher Dick Miller.

Altogether, Abilene got 15 safe hits, Midland 10. Midland made only one error—by Eddie Melillo, third baseman. Abilene committed four miscues afield.

Prince led Midland at the plate, going three for four. White got two hits in four trips. The Indians pushed across single tallies in the fifth, six, seventh and eighth innings.

## King Ranch's Sonic Wins 'Cap No. 2

NEW YORK—(AP)—King Ranch's Sonic won the \$27,500 Experimental Handicap No. 2 Saturday as the odds-on Uncle Miltie ran out of the money in a stunning setback. There was a photo for the place between Nullyff and Jumbo, with the latter getting it.

The crowd of 40,351 which sent Uncle Miltie off at 1 to 3, groaned as the colt, which was supposed to be the big Kentucky Derby horse, finished eighth in the field of 10 starters.

Sonic, from the same stable that sent out Middleground to win the 1950 Derby, returned a fat \$28,800, \$11.50 and \$7.00. Jumbo, owned by Hal Price Headley, returned \$60,000 and \$23.40, and Nullyff from the Phantom Farm, was \$6.90 to show. The winner picked up \$18,500, and is eligible for the Derby, Preakness and Belmont.

## Stanolid Employees Given Standard Stock

FORT WORTH—More than 5,300 employees of Stanolid Oil and Gas Company have been given shares of Standard Oil Company stock as the result of participating in the company's savings and stock bonus plan.

Value of the stock distributed to Stanolid employees at the end of the first year of the plan's operation is about \$414,000. The stock was given to employees at no cost to them, Bullard said, but he added that it will be subject to payroll deductions for income tax and social security purposes.

Employees throughout Stanolid's operating territory in the U. S. and in Canada received stock.

## Pinch Hit Brings Odessa Oilers Win

ODESSA—Pinch hitter Jeff Grimes slammed a payoff single with one out in the ninth inning to score two base runners and give the Odessa Oilers a 4-3 verdict over the Roswell Rockets here Friday night.

Roswell was limited to seven hits by three Odessa hurlers. Ezeilo Ortega, who worked the last two innings, got credit for the win.

Al Monchak, Rocket manager, hit a home run in the fifth with the bases unoccupied.

## Sports Panel To Map Baseball Ticket Sale

The Sports Committee of the Midland Chamber of Commerce will meet at 10 a.m. Monday in the organization's office, Chairman Frank Monroe announced Saturday.

The community-wide sale of tickets to the opening night game of the Longhorn League here Friday will be planned at the session.

Other members of the committee are Fred T. Hogan, Jerry Monroe, Copper Daugherty and Al H. Vineyard.

## Cubans Hand Artesia First Practice Loss

BIG SPRING—Pat Stacey's Big Spring Bronchos defeated Artesia, N. M., here Friday night 4-1 in an exhibition baseball game.

It was the first exhibition loss for Artesia in six starts.

## Alice Bauer Sets Weathervane Pace

DALLAS — (AP) — Alice Bauer, diminutive blonde from Midland, shot an even par 75 Saturday to take the lead in the first 18-hole round of the \$17,000, 144-hole Women's Cross Country Weathervane Golf Tournament. Little Miss Bauer, who is only five-feet-two and weighs 105 pounds, was the only player in a field of 44 able to match par on the windy, dusty, 6,100-yard Lakewood Country Club course.

Tying for second place at 77 were Betty Jameson of San Antonio and Patty Berg of Minneapolis—while one stroke back was Louise Suggs of Carrollton, Ga.

All four of the leaders are professionals.

Babe Didrickson Zaharias of Tampa, Fla., the year's leading money winner and defending champion in the Weathervane, took a big 83. This put her in twelfth place. Mrs. Zaharias, the tournament favorite said: "Everything I did went into something. I played poorly."

Marlene Bauer, sister of Alice, who led through the first nine holes with a 37, became ill on number 12 hole and finished with a 44 on the back nine for an 81. Miss Bauer has been suffering from a virus infection.

Tied for fifth place were Mrs. H. E. Riedel of Dallas, an amateur; Betty Bush of Hammond, Ind., and Betty Rawls of Austin, each with an 80.

The second 18 holes will be played Tuesday. This is the first leg of the Weathervane, which moves to Pebble Beach, Calif., for the second 36 holes; then to Indianapolis for the third, and to New York for the final. There is \$3,000 prize money in each of the 36 holes, with a \$5,000 grand prize for the professional winning the 144-hole grind.

Alice Bauer was laying them in there on the greens, having putts of 25 and 30 feet among her dazzling collection. Her only bad hole was No. 8, where she three-putted after blasting out of a trap and went two over. She holed her approach shot on No. 3.

Other scores:

Polly Riley, Fort Worth, 43-38—81.  
Betty Dodd, San Antonio, 42-39—81.  
Barbara Dawson, Orinda, Calif., 39-43—82.  
Betty MacKinnon, Mt. Pleasant, 46-38—84.  
Marilyn Smith, Wichita, Kan., 46-38—84.  
Helen Dettweiler, Indio, Calif., 47-37—84.  
Pat Garner, Midland, 45-40—85.  
Mrs. George Noble, Dallas, 45-41—86.  
Mrs. D. R. Anneaux, La Grange, Ill., 43-43—86.  
Shirley Spork, Bowling Green, Ohio, 44-43—87.  
Peggy Kirk, Findlay, Ohio, 44-43—87.  
Mrs. Jim Wagner, Houston, 45-42—87.

## Midland Indians Get New Business Leader

Almer Silen Saturday took over as new business manager of the Midland Indians Baseball Club, replacing Horace Busby who has resigned, co-owners H. W. Donohoo and Harold Webb announced.

Silen formerly was a business manager in the Class D Sooner State League. He now is an employe of The Reporter-Telegram.

## Mustangs Stamped Over Baylor's Bears

DALLAS — (AP) — Southern Methodist stamped to a wild, 13-6 victory over the Baylor Bears Saturday for an even break in their Southwest Conference baseball series. Baylor won Friday 8 to 1.

The easy triumph brought the Mustangs' league record to four wins and three losses, while the Bears now have won two and lost the same number.

Coach Vic Bradford's Bears outhit the Mustangs Saturday 19 to 7, but in the field they simply fell apart. Ten errors, a passed ball by Catcher Larry Estell, two balks by Starting Pitcher Clyde Robinson and thirteen walks figured heavily in the Methodist scoring.

## Spring Grid Season To Start April 23

Midland High School will start Spring football workouts Monday, April 23, Coach Thurman L. (Tugboat) Jones announced late Saturday.

The Bulldogs had been set to go early this week, but the track team met with such success in the district meet at Odessa Jones is postponing the football in order to enter the regional track meet at Lubbock Friday.

## Midland Frosh Take Junior Track Title

ODESSA — With Paul Davis, Jr. showing the way with a record-breaking leap of 19 feet, two inches, in the broad jump, Midland High School's freshman track team copped the District 3-AA junior track title here Saturday.

Coach John Higdon's winning Midland team scored 24 points. Odessa Bowie was second with 21 1/2 points. Big Spring got 10, Odessa Crockett 6 1/2, Lamesa three and Lubbock failed to score.

## Baseball Has New Reserve Clause Suit

CINCINNATI — (AP) — Organized baseball, already plagued with the troubles of finding a new commissioner, had another reserve clause suit tossed at it Saturday.

The suit, filed in U. S. District Court for Jack Corbett and the El Paso Texas Baseball Club, again attacks the validity of baseball's highly important reserve clause. It also seeks \$300,000 damages from Baseball Commissioner A. B. Chandler, both individually and as commissioner; George M. Trautman, head of the minor leagues, and officials of the Cincinnati National League team.

Corbett's suit is based on claims Chandler and Trautman acted illegally in voiding contracts Corbett and the El Paso Club had with seven players he had signed from the Mexican League.

As in previous suits, the claim is made that organized baseball is engaged in interstate commerce and that the reserve clause violates anti-trust laws.

## TEXAN GETS USGA POST

NEW YORK — (AP) — William P. Castleman, Jr., of Dallas is a new member of the Executive Committee of the U. S. Golf Association. His election was announced Friday.

L. T. FOWLER RETURNS  
L. T. Fowler, 111 West Ohio Street, has returned from a visit in Mineral Wells.

## Pat Garner Defeats Gloria Ezell For Fem Club Crown

Graceful Pat Garner exhibited the brand of golf she has shown at some of the top women's tournaments throughout the country to defeat blonde Gloria Ezell 3 and 2 Friday in the championship final of the annual Women's Club Tournament at Midland Country Club.

Thus Miss Garner, a new comer to this particular tournament lifted the crown off the defending champion and placed it on her own worthy head.

Both golfers were in top form, as they finished the first nine holes in fine style. The victorious Miss Garner shot a 37 and Mrs. Ezell was only two strokes down with a 39.

On the sixteenth hole, Gloria got a beautiful approach shot that dropped on the green near the cup. Pat, on the other hand, fluked her approach shot and was a considerable distance from the cup. But here she displayed top flight form to hole out for a birdie. Gloria missed her putt under pressure and the match went to Garner 3 and 2.

The winner had defeated Madeline Pomeroy 6 and 4 and Esther Howard 3-up to gain the final. She also won medalist honors by shooting an 80 during qualifying play.

Mrs. Ezell had taken Rachel Hornbeck 3 and 1 then extended her mastery of Sybil Flournoy with a 3 and 2 victory.

In other final results Friday, Madeline Pomeroy ousted Rachel Hornbeck 3 and 2 to take consolation championship honors, while Key Mechling won over Mary Jayne Payne 5 and 3 for the first flight championship. Sally Pierce trounced Grace Sientz 4 and 3 for first flight consolation honors.

**In Second Flight**  
Margie Anderson trounced Ina Beth Phillips 5 and 4 for the top title in the second flight, while Alice Miller eked out a 1-up verdict over Betty Baxter to take the consolation title.

In the nine-hole third flight championship match, Sue Chamlee defeated Betty LeBlond 2 and 1, as Gladys Melton won consolation honors by default from Bennie Sue Thomas.

Louis Zonne captured fourth flight honors by winning 3 and 2 over Ted Lake. That flight's consolation title was grabbed by Billie Coole who poured it on Buleah Ray Leggett 5 and 4.

Joan Loring took Jeanie Bliss 2-up for the fifth flight championship title, while Gertrude Alstair defeated Effieora Hayes 4 and 3 in a fifth flight championship match.

Forty eight fem golfers participated in the meet which ran from Wednesday through Friday.

## Swatters Clobber H-SU Cowboys 17-7

SWEETWATER — Base hits were a dime a dozen here Friday night, as Sweetwater collected 18 safeties and Hardin Simmons University 12 safe blows, as the Swatters won a 17-7 contest marred by eight H-SU errors.

The Swatters scored seven runs in the third inning on six hits and three Cowboy miscues. Nick Chumbers tagged a pitch for a three-run homer in this frame. Warren Sliter banged out three hits in five attempts—two of them doubles—to help the Swatter cause.

Lewis Saum got credit for the win. Jim Covert was the losing pitcher.

## King's Row

Mr. Harold Webb, Midland Indians Baseball Club. Dear Harold: Exhibition games now have started and the 1961 Longhorn League play-for-keeps starts Friday. Therefore, we'd like to pass along a few reminders about what the Midland baseball fans want and expect this year.

This isn't to be taken as a directive on how to run your ball club. We know about as much about running a professional baseball team as you do about sports writing. Therefore, each should leave the other to his own field. But there are a few things we'd like to say, if you'll take off your catching logs and listen.

—KR—

To begin with, Midland fans want a winner—naturally. That doesn't mean the fans will be on your ear anytime you drop a game, nor does it mean you are expected to finish 20 games in front and cop the playoffs in the shortest possible time.

But it does mean the fans want the team to stay "up there"—in the first division or close enough to make it with a drive in the pennant stretch. If that happens, no one will ride you out of town on a rail if you should lose in the playoffs.

—KR—

You've earned the title of the Longhorn League's most colorful manager. They've tagged you, The

Longhorns Sweep Series With Frogs

FORT WORTH — (AP) — The University of Texas made a clean sweep of its two-game series with Texas Christian by winning the second tilt 5-1 here Saturday.

The Longhorns won 12-4 Friday. Saturday's triumph preserved the defending national champions' perfect record in Southwest Conference play this season.

Jimmy Hand pitched four-hit ball for Texas in notching the victory. TCU hurler Norris (Knobby) Graves also gave up only four hits, but walked 12.

# MHS Bulldogs Cop Second In 3-AA Track And Field Meet

ODESSA — As expected, Odessa High School ran away with the District 3-AA track and field meet here Saturday, scoring 60 1/2 points. But a surprising Midland High School team sneaked into second place, scoring 31 1/2 points. The Bulldogs were figured no better than fourth in the five-team meet.

Lubbock, strong favorite to finish second, came in third with 27 1/2 points, nudging Big Spring, which finished with 27 points. Lamesa was far behind with seven points.

Roy Kinsey paced the Midland team, blazing to a new record in the 220-yard dash with a time of 22.2. He also placed second in the 100-yard dash and ran a leg on the second-place mile relay team. Kinsey finished behind Joe Childress, Odessa speedster, in the 100-yard dash. Childress did not enter the 220-yard distance.

# Odessa Takes Team Honors In District 3-AA Tennis Matches

ODESSA — Odessa took team honors here Saturday in the District 3-AA tennis matches with a score of 38. Midland was fourth with three points.

In second place team scores was Lubbock, 19, followed by Big Spring, eight. Lamesa did not enter the matches.

David Clark of Lubbock won the boys singles and Donald Duncan and Jimmie McClure also of Lubbock won the doubles.

# First Major League Tilt Of 1951 Slated Monday

By GAYLE TALBOT  
NEW YORK — Another big league baseball season opens on Monday, and millions of Americans will turn from their troubled reflections to greet with traditional warmth the return of their favorite sport.

The peacetime draft already has cut heavily into the ranks of the younger stars and is certain to take an increasing toll as the Summer progresses, but the game's leaders are confident they will play through to another World Series in October, barring a major conflict.

Overflow crowds which have witnessed scores of exhibition games through the South and West indicate that interest in the coming races is at a high pitch nationally. The minor leagues, it is generally agreed, are in for a hard time this year, but not the majors.

President Truman, observing custom, is scheduled to throw out the first ball for the American League's solo opener at Washington between the World Champion New York Yankees and the capital's Senators. The National League, for the first time, also is staging a special pre-opening attraction between the Pittsburgh Pirates and the Cincinnati Reds, at Cincinnati. The remaining 12 clubs in the two leagues will not swing into action until Tuesday.

The big question, of course, is whether manager Casey Stengel's Yankees can win their third straight championship, their fourth within five years. In the last two World Series the glamor team from the Bronx has lost only one game, and its four-straight shellacking of the Philadelphia Phillies last Fall was a real crusher for the National League.

But there is, in this observer's opinion, real reason to suspect that the reign of the bombers is nearing a lapse, and that either the Cleveland Indians or the Boston Red Sox will be sitting on top of the American League when the flag drops next Autumn. Probably Cleveland.

# Demaret Ill, Improving

HOUSTON —(P)— Jimmie Demaret, famed pro golfer, said a light virus infection he has isn't serious and that "I'll be up in a day or two."

# Indians Clobbered By Blue Sox 25-4

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, APRIL 16, 1951—11

They gave it back to the Indians Saturday night at Indian Park, and brother, how they gave it to 'em! Abilene's Blue Sox jumped on four Midland pitchers for 19 hits, seven bases on balls and a 25 to 4 victory.

When Right Fielder Walt Sessi bopped a bases-loaded homer over the right wall in the initial inning, Midland and Paul Jones, Midland made five errors, Abilene five.

It was Midland's first home exhibition game—and what an exhibition.

The Indians got only five hits off Blue Sox Pitcher Jim Melton, who gave up seven bases on balls and struck out five batters. Abilene hopped off to a 5-0 lead in the first inning, ran it to 10-0 and then 12-0 by the end of the third.

The Indians "big inning" was in the third frame, when two runs came in on two walks, an error, a balk and a single by Eddie Melillo. Bob Tucker, Sox second sacker, went four for five at the plate and Center Fielder Oscar Williams collected four hits in six trips. Five Indians got hits—Melillo, George Firnbach, Dick Potak, Eddie Tanner

Aggie freshmen also showed class. They won their meet with 72 points. Texas was second with 42, and Rice had 41.

In varsity events, Darrow Hooper took the shot put with a heave of 31 feet, one-fourth inch, two feet short of his Texas Relays distance. He placed first in the discus, and was high point man. Hooper's discus whirl of 137 feet, five inches bettered his previous record by two inches.

Bill Graf won the single first place for the Owls, while Ray Marek, Floyd Rogers, Ralph Person and Charlie Meeks won firsts for Texas in the javelin, century, low hurdles and broad jump respectively.

# Indians, Oilers To Clash Sunday

The Midland Indians and Odessa Oilers, Longhorn League rivals, clash at 2:30 p.m. Sunday in Odessa. It will be the first meeting of the year for the two teams.

# Cleveland Indians Bow To Giants 4-2

NEW YORK —(P)— The New York Giants jumped on righthander Early Wynn for three runs in the fourth inning Saturday to defeat the Cleveland Indians 4-2.

# Odessa, Andrews, Crane, Big Lake Win Band Trophies

MONAHANS — Twenty-one high school bands were on exhibition here Saturday in the annual District 8 Inter-scholastic Band Meet.

# Boxox Overwhelm Braves By 15 To 8

BOSTON —(P)— Ted Williams slugged in six runs as the Boston Red Sox overwhelmed the Braves 15-8 Saturday to take a 3-1 lead in their five-game intra-city exhibition series.

# Audie Murphy To Wed Employe Of Airlines

DALLAS —(P)— Actor Audie Murphy and Pamela Archer, airlines employe, will be married in Texas April 23.

# Three Children Die In Trailer House Fire

WEATHERFORD —(P)— Three small children were burned to death Friday when fire swept their trailer home house.

They were Gwendolyn, two, Ronald Joe, four, and Donald Ray Williams, three.

Wanda Hendrix is final April 18. Murphy, 26, was World War II's most decorated hero.

## A Year's Rent Will Make The Down Payment On A CUNNINGHAM HOME IN LOMA LINDA!

Think this over: If you are paying as much as \$92 per month rent, the amount you pay in any 12-month period would amount to more than enough to make the down payment on a new Cunningham home in Loma Linda! Stop gathering rent receipts... your monthly payments on a new Cunningham home, including principal, interest, taxes and interest, will be substantially lower than average Midland rent. Come out today to our Loma Linda field office, and find out how easy it is to own a new home!

— F. H. A. —

### \$1,100 to \$2,000 Down

For any information regarding Cunningham homes in Loma Linda, we invite you to call at our field office, where Robert R. Currie will be glad to be of service to you. To get to the field office, drive North on Big Spring to the "Cunningham" sign, then right two blocks.

FIRST WITH THE NEWS

MIDLAND, TEXAS, SUNDAY, APRIL 15, 1951

SECTION TWO

**APPROACHING MARRIAGE**—Mr. and Mrs. Archie Booth have announced the engagement and approaching marriage of their daughter, Nancy Jo, to W. H. Jones. Jones is the son of Mrs. B. B. Jones of Cross Plains. Miss Booth is a graduate of Midland High School and attended Hardin-Simmons University. She is an employe of the Standard Oil Company in Abilene. Jones is a graduate of Cross Plains High School and was in the U. S. Army two years. He now is employed by the Fred Bell Contracting Company in Abilene. The wedding will take place May 7 in the Calvary Baptist Church in Midland. The reception will be held in the home of the bride-elect's parents. After a wedding trip to Southern California and Colorado the couple will live in Abilene.

**JUNE WEDDING**—Mr. and Mrs. Albert Norwood of Midland announce the engagement and approaching marriage of their daughter, Pauline, to Lowell C. Bell, Texarkana, Ark. Bell is the son of Mrs. Lorene Bell of Odessa. The couple plans a June wedding in the Asbury Methodist Church. Miss Norwood is a graduate of Midland High School and attended Odessa Junior College. Bell is a graduate of Odessa High School.

## Wedding Bells

**ANNOUNCE ENGAGEMENT**—Mr. and Mrs. Talmadge Kinnebrew of Homer, La., announce the engagement and approaching marriage of their daughter, Beverly, to Jesse James Ross, Jr., of Midland. Ross is the son of Mr. and Mrs. Jesse James Ross of Vernon. The wedding will take place at 8 p.m. May 5 in the First Methodist Church in Homer. The Rev. Luman E. Douglas, pastor, will officiate. After the wedding the couple will make their home in Eldorado, Texas.

**FUTURE BRIDE**—Mr. and Mrs. B. A. Cogburn of Post and formerly of Midland announce the marriage of their daughter, Kathryn Faye Manville, to Elbert Donald Holland. Holland is the son of Mr. and Mrs. J. D. Holland of Paris. The wedding took place March 27 in Paris. R. T. Nash officiated. Mr. and Mrs. John Martin were the attendants. The bride is a graduate of Midland High School and attended Odessa Junior College. Holland attended Paris High School.

## La Verne Monroe Weds Don F. Shou

In a candlelight ceremony Saturday in the First Methodist Church in Rankin, vows were solemnized for Maggie La Verne Monroe of Rankin and Don Francis Shou of Corpus Christi. The Rev. Don Cochran officiated at the single-ring ceremony.

The bride is the daughter of Mrs. Zack Monroe of Rankin. The bridegroom is the son of John F. Shou of Atascosa.

Vows were read before a background arrangement of palm trees and beauty baskets of white stock and gladiolus. The altar rail was banked with woodwardia and emerald foliage. White satin bows centered with gladiolus marked the pews. The arch was draped with white satin.

Mrs. Irene Nettleship of McCamey sang "Because," "D'Harlot," and "Ich Liebe Dich." Organist, Mrs. John Christy of Rankin, played the traditional wedding marches.

**Bridal Dress Described**  
The bride, given in marriage by her brother, J. D. Monroe of Midland, wore a gown of candlelight satin with a fitted bodice and a softly gathered skirt with flat pleats. The low neckline was appliqued with Venice lace and the long sleeves came to a point at her wrists. Her finger-length veil was caught to a half-hat scalloped with Shirred illusion and edged with matching Venice lace. She wore a three-strand pearl choker. Her bouquet of white roses with garlands of lily-of-the-valley and hains ivy created a cascade effect.

Mrs. Paul McDermott of Corpus Christi was the matron of honor and Betty Bishop, also of Corpus Christi, was the bridesmaid. Their floor-length dresses were similarly fashioned of emerald and lime net with full skirts. They wore matching Juliet caps and long gloves. They carried cascade arrangements of yellow carnations with garlands of ivy.

Donald Glass of San Antonio was the best man. Ushers were Roy A. Baze of Raymondville and B. F. Yocham of Rankin.

For her daughter's wedding Mrs. Monroe chose a floor-length gown of imported turquoise lace over taffeta fashioned with a scalloped neckline and a slightly flared skirt. Her corsage was of coral carnations.

**Reception in Park Building**  
The reception was held in the Rankin Park Building. The bride's table was covered with an ecru lace cloth and centered with an arrangement of yellow carnations. Satin ribbon in two shades of green and bearing the words, "La Verne and Don" printed in yellow also was part of the arrangement. The three-tiered wedding cake was topped with miniature bride and bridegroom figurines. Silver candelabra and pale green candles completed the decorations.

Mrs. Zackie Monroe presided at the bride's book. Alternating at the bride's table were the following: Mrs. J. W. Putman, Mrs. J. C. Arvin, Mrs. Bruce Monroe and Mrs. J. D. Monroe. Other members of the house party were Mrs. Boyd

Cox, Mrs. Sam Holmes, Mrs. Clint Shaw, Mrs. Bill Nix, Helen Calcote and Alice Midkiff.

For the wedding trip to Florida the bride wore a suit of Eric navy gabardine with navy and white accessories. Her corsage was of white orchids.

After their trip Mr. and Mrs. Shou will be at home in Corpus Christi.

Out-of-city guests included Mr. and Mrs. J. C. Arvin and daughter, Ann, Kingsville; Mr. and Mrs. Lytle Tom and son, John Lytle, Campbellton; Mr. and Mrs. Donald Glass, San Antonio; Roy Baze, Raymondville; Mrs. Paul McDermott, Betty Bishop, A. R. Tullos and Norma Roper, Corpus Christi; John Creigh, Pleasanton; Mr. and Mrs. Bill Monroe, Mrs. Jerry Monroe, Mr. and Mrs. John Monroe and Mrs. Mamie Holmes, Sheffield; Helen Calcote, Alice Midkiff, Mr. and Mrs. J. D. Monroe and children, Gary and Jan, Mr. and Mrs. Harrison, Mrs. Venoy Curtis and son, Raymond, Midland.

Mr. and Mrs. J. W. Putman and daughters, Jane and Debby, Perryton; Mr. and Mrs. Bruce Monroe and children, Gayle, Winston and Davieann, Hobbs, and Mr. and Mrs. Zackie Monroe and son, Terry, Alpine.

**WEDDING PLANNED**—Mr. and Mrs. William Howard Waggener of Burgin, Ky., announce the engagement and approaching marriage of their daughter, Mary Frances, to Othniel Alsop of Midland, son of Mr. and Mrs. Othniel Alsop of Pine Bluff, Ark. Miss Waggener is a graduate of Bethel Woman's College and the University of Kentucky. Also also was graduated from the University of Kentucky where he received his degree in engineering. The couple is planning a Summer wedding.

## Bride-Elects Honored

Marcia McAuley, bride-elect of Robert Smith, was the honoree at a shower Wednesday night in the home of Mrs. Lewis Mims.

Arrangements of Spring flowers were used throughout the house. The honoree wore a corsage of pink carnations.

Guests were Mrs. H. C. McAuley of McCamey, mother of the bride-to-be; Mrs. Leon Fescher, Mrs. O. B. Jackson, Mrs. Bill Scalfie, Mrs. Marshall Wicker, Mrs. James Huff, Betty Gaines, Clarice Terry, Clarice Morris and Nita Henson.

## Tea Fetes Bride-To-Be

Mrs. Fred Wemple and Mrs. Hank Avery were hostesses Saturday at a formal tea honoring Louise Cox, bride-elect of James R. Scurlock. The tea was held in Mrs. Wemple's home.

The guests were received at the door by the hostesses, the honoree and Mrs. M. D. Cox, the bride-elect's mother. Those alternately presiding at the refreshment table were Mrs. J. M. Mascho, Mrs. R. M. Barron, Mrs. Guy Cowden, Mrs. Allen

Tolbert, and Mrs. Ray L. Parker and Mrs. Johnny Sherrod of Odessa, sisters of the bride.

The prospective bride's chosen colors of pink and white were carried out in the decorations. The table was covered with a ruffled pink net cloth and centered with an arrangement of pink snap dragons. Pink candles flanked the central arrangement. Spring flowers were used throughout the house.

Richardson, Miss Lula Arletta Schofner and John Williams.

Faculty appointments for the new Sam Houston Elementary School, now under construction, were not announced.

Holding power of a nail, driven into properly seasoned wood, increases with time.

# The MATURE PARENT

## Why 'Facts Of Life' May Make You Uneasy

By MURIEL LAWRENCE

That is enough to embarrass anyone.

Tenderness, pride

Parents who attempt to discuss the physical details surrounding birth, drained of their emotional tone and color, either bore or disturb their children.

The physical facts of human creation, by themselves, mean as little to a child as the notes on a symphonic score mean to one who never has studied music.

Sex instruction is instruction in an aspect of life. Life is feeling, as well as thinking about facts. Proper sex education presents the physical realities of maternity and human creation, linked to life and transmuted with the joy, tenderness and pride that attended that creation.

If we are happy parents, joy, tenderness and pride are part of the truth of our "facts of life."

Our truth is what we give to our children.

If we have difficulty in conveying joy, tenderness and pride in our sex instruction, we should leave that instruction to someone who can convey them. For we may be suffering vague feelings of guilt over our parenthood. And if we are, we need help with our problem. (All Rights Reserved, NEA Service, Inc.)

DECORATOR TO SPEAK

Robert Wedel of the Neiman Marcus Decorative Gallery will talk on "Forecast Decoration" at the Thursday meeting of the Progressive Study Club and the Midland Women's Club. The joint meeting will be held in the Midland Country Club with the Progressive Club as the hostess group. The time will be 3 p.m.

KEEP FOOD FRESH

Food can be kept fresh without refrigeration for as long as four years. Meat, vegetables, milk and butter are bombarded with streams of electrons, fired in bursts lasting a millionth of a second and moving at approximately the speed of light. This results in destruction of all harmful micro-organisms.

### Hullums Move To Fort Worth Home

Mr. and Mrs. Joe S. Hullum and children, Edward, Sue Ellen and Stephen, will leave early this week for Fort Worth where they will make their home. They have resided in Midland since Jan. 7, 1946.

In Fort Worth, Hullum will be associated with the Bliss Mortgage Investment Corporation, which maintains its home office at 407 West 7th Street. He will be in the firm's insurance and mortgage loan division.

Hullum's Midland firm, The Hullum Agency, which he sold recently to C. A. Torgeson, represented the Bliss company in the Midland area. Hullum also was engaged in the insurance business here.

Active in civic affairs, he is an active member of the Midland Lions Club, Lions International Convention Band and JayCees. Mrs. Hullum holds memberships in the Midland Lion Dancers Club and other organizations. Both are active in church affairs.

The Hullum family will be at home at 3100 Wesleyan Drive South in Fort Worth.

When you're rolling cookies use as little flour on the board as possible. If too much flour gets into the cookie dough while you're rolling and cutting them they're likely to be tough. Many cooks like to chill their cookie dough first, and to roll it out between two sheets of waxed paper.

### ANTIQUES:

I have Mable Dodge Luman's French and Italian furniture from her Big House in Teas (it, too, is now for sale) brought over from her Villa in Florence more than forty years ago. These are all authentic period pieces she purchased in the old palaces in and about Florence.

A three-piece Louis XV chaise longue consisting of a large bergere, footstool, and a delicate small bergere; A Louis XV five piece set, two delicate and small side chairs, two arm chairs and a charming settee, upholstered in a subtle blue brocade. A pearwood armoire.

Several ornate early Italian mirrors. Four Bologna paintings. A large French sofa-bed with high back and sides. French Provincial table in fruitwood.

French provincial desk, plant top, superb condition. chipmunk's mirror Italian chest of drawers in inlay of cherubs. Pair tall Italian candleabra, silver over copper.

If you happen to be in town, please come up and look around.

### Forever Is The Word For Your Diamond!

Because you want your diamond to last—and last beautiful—you'll want to be sure of its quality. KRUGER'S diamonds are certified for your complete and lasting satisfaction. Color, cutting and clarity in every size and carat weight are flawless... giving you an enduring symbol of your love. See Kruger's brilliant selection. Wedding ensembles, engagement rings, earrings and necklaces and also men's diamond rings are featured.

### Save Three Ways—

Save more by shopping at TOMMY HENDERSON'S GROCERY, 1411 North Big Spring. You save three ways. You save time; the market is scientifically arranged to make shopping quick and easy. Then, you save needless trotting from store to store, for everything you'll need can be found there. Last, you save money; the store maintains the policy of finest foods at reasonable prices—not only on week ends, but every day the doors are open. Drop in tomorrow for shopping.

### Reasons Why—

Folks have often asked what makes the food so deliciously different at JOMAC'S CAFE, located in the Greyhound Bus Terminal. There are several reasons for this. The food buyers shop in only the better stores, buying only those products that an experienced eye and hand know to be best. The preparation of this food is supervised by chefs whose pride and energy create better dishes. Then, too, you are served by courteous waitresses who make sure your meal is just the way you ordered it.

### We Know How You Feel, Sir—

A crumpled fender on a brand new car certainly doesn't add to its beauty—or its value. But let technicians at WELLS' BODY SHOP, 208 South Weatherford, work on it for a few hours and you'll never know you've been in an accident! What's more, they do it fast and this means you get your car soon and easy less. Drive up tomorrow, if your car needs a new paint job or body repair and let these skilled workmen give it a new paint job. Call 953 and talk it over with Mr. Wells.

### A Thoughtful Tribute For Mother—

Have her gift portrait ready for Mother's Day. Arrange for a sitting, now, at MIDLAND STUDIO, 317 North Colorado. The studio offers a wide selection of proofs—finished portraits in black and white or color. A portrait of yourself is sure to make Mom happy and it will be a gift she can treasure through the years, as a reminder of your thoughtfulness. Call 1003 for your appointment.

### Awaiting In Fashion—

Mother-to-be, this is indeed, your Day! You'll be smartly awaiting the "coming event" in the prettiest ensembles ever designed. DORJAIS SALON, 417 West Texas, has just received the smartest selection of pure silk shantung, two-piece ensembles in all sizes. They are in gorgeous Chinese colors and are the most fashion-wise, value-wise maternity styles you ever saw! They are priced at only \$19.95. If you're window shopping today, you'll see one of the models in the window at Dorjais Salon.

### New Patterns In Seat Covers—

If you haven't purchased seat covers for your car, you'll want to see the fine assortment of new patterns at MILLER BROTHERS TRIM SHOP. The new shipment just received includes many beautiful colors in Boltax, plain or quilted, to give a luxury look to the interior of your car. Patterns just received in Saran are bright plaids, conservative checks and stripes. Saran is the woven plastic that's dust proof, flame retarding, sun and water proof. Its colors stay bright as the day the seat covers were put on. Saran keeps your upholstery new.

### For Perfect Eating—

There's no better taste thrill than the spring-time flavor of crisp, golden brown fried chicken and rich country gravy. Science has improved the flavor and quality of chicken meat, giving us fat, plump fryers, from fine meat-bearing strains. EASLEY'S GROCERY, 924 North Dallas, features battery fed fryers, specially fed for flavor, grown big and plump; while young and tender, and displayed on crushed ice under refrigeration. Big plump hens are also available to vary your springtime menu. Get the finest poultry available at Easley's Grocery every weekend. Call 3139 for delivery on groceries.

### Dust Off That Insurance Policy—

With rising costs, it is possible that your old insurance policy is inadequate to cover the value of your property. Only adequate insurance can save you from the expense of fire loss! C. O. TORGESON, INSURANCE, 502 West Missouri, can provide you with up-to-date insurance. Mr. Torgeson will be glad to explain this policy to you and help you obtain the right insurance for your needs. Call 2813 for further information.

### Don't Fiddle With Your Credit—

A good credit rating is an important asset and personal reference. Don't ruin it by neglecting unpaid bills. PACIFIC FINANCE LOANS, 201 East Wall, will supply the money you need to meet those obligations now! The loans are low-cost and convenient—no embarrassing inquiries—no co-signers—no delay. The company pays your accumulated obligations into one monthly payment. Ask for Bob Finley, manager, and discuss your financial needs.

### Paper Supplies—

For wholesale paper supplies, call 3039 and let MID-WAY PAPER AND BOX COMPANY, Terminal, Texas, deliver right to your business. This is your wholesale paper supply house. All paper supplies such as boxes (stock and special design), wrapping paper, grocery bags, paper napkins, towels, tissue, twine and other supplies necessary to the retail business are available. ### For Every Plumbing Need—

For safety and economy, be sure your plumbing equipment is in tip-top condition. Call JOBE PLUMBING COMPANY, telephone 116, for expert installations and repairs. Years of experience and skillful know-how add up to a job well done on your plumbing repairs. The company's motto is "a satisfied customer is the best advertisement," and this is proven by a record of satisfaction. A complete line of plumbing equipment is also featured.

### Especially For Mother—

If you really want to make Mother happy, give her a gift she can enjoy every day of her life. Perhaps she has been dreaming of a certain piece of furniture. Let GATES CABINET SHOP, 415 West Kentucky, custom-build it especially for her. Choose any of the fine woods at the shop and skilled artisans will design a coffee table, combination radio and night stand, book shelves or any other individual piece. Call 1951 for estimates.

### Small Game Dogs—

The English Springer Spaniel is an excellent small game hunter, having much in common with the bound because he hunts by scent, but differing from him in possessing a long, soft, silky coat. JIM SHIRREFF, Nobles, is offering eight weeks old puppies for sale. They are liver and white in marking and will weigh about fifty pounds when grown. They will make wonderful pets for children, too. Call 4371-W for more information.

### Know Your Contractor—

Choose your contractor as carefully as you do the location of your home. For a thoroughly experienced, reliable contractor is your assurance that only the best material, only the finest workmanship will go into your home. FOWLER AND STANLEY, 941 West Wall, has a reputation earned by strict adherence to standards of quality and scientific advancement in building construction. Why not arrange a personal consultation with these men? They're in a position to help you with your building plans. Call 3359 or 854-3.

### Lawn Mowers Sharpened—

Regardless of model, all lawn mowers are serviced and sharpened by WILCOX HARDWARE, 806 West Wall. A new and completely equipped shop includes the Ideal Grinder, the Modern Grinder, the Foley and the Yard Man Lapping machines. All blades from a five-inch to a 36-inch tractor mower blade are sharpened and guaranteed to work like new. Call 44 for free pick up and delivery service.

### Give Mother Happiness Throughout The Year—

Add a new note of fashion to Mother's living room by having her favorite chair reupholstered at SANDERS FURNITURE SHOP, 206 North Marientfield. The decorator-trained staff will help you select the material from the beautiful array of finest upholstery fabrics. Give her something that will bring her pleasure throughout the year. Expert craftsmanship at Sanders Furniture Shop gives you upholstery work that will last!

## Midland Civic Music Association To Sponsor Salzedo Ensemble

The Midland Civic Music Association will sponsor the Salzedo Concert Ensemble in a concert at 3 p.m. Sunday in the Midland High School Auditorium.

The group is composed of two harps, a flute and a cello. Members of the ensemble are Carlos Salzedo, Jeanne Chalfoux, Ruth Freeman and Mary Hill Doolittle.

The concert will include compositions not only for the full group but for combinations of the group.

Carlos Salzedo

Compositions range from the classic masters of the eighteenth century to contemporary composers.

Born in France

Born in France of Spanish descent, Salzedo made his first professional appearance as a pianist when he was only five years old. Later he enrolled in the Paris Conservatoire and won the "premier prix" for both harp and piano.

As a result of several successful

European tours, he was brought to America by the late Gatti-Casazza to fill in the first harp desk of the Metropolitan Opera Orchestra, under the direction of Arturo Toscanini. Four years later, he resigned this position to devote himself to his own recitals and compositions.

Mary Hill Doolittle, Canadian-born cellist, started her musical education in Montreal at the age of nine. Later she studied in Philadelphia and was graduated from the Julliard School of Music in New York. She has given two recitals in Town Hall and ranks as one of the leading cellists in the country.

**Third Generation Harpists**

Miss Chalfoux, harpist, is the third generation harpist in her family. Her father, mother, Madame Oliver Chalfoux, was a distinguished harpist in Birmingham, Ala. Her aunt, Alice Chalfoux, has been the first harpist of the Cleveland Orchestra for the last 20 years. Miss Chalfoux received her musical training at the Curtis Institute in Philadelphia and while there was appointed the first harpist of the Curtis Symphony Orchestra. Last season, she toured the country as soloist with the St. Louis Symphony.

Ruth Freeman, flutist, received her early musical training at the Cleveland Institute of Music. Later, she attended the Oberlin Conservatory. She also studied at the Julliard School of Music in New York City.

Her recent Town Hall recital gave her the distinction of being the only woman flutist to give a major recital in New York City.

**Young Adults Class Has Bowling Party**

The Single Young Adults Class of the First Methodist Church had a bowling party Friday night.

Those attending were Natalie Walton, John Gray, Lillie Gilbert, Earl Monteth, Edna Lomax, Ruth Taylor, Myrtle Taylor, J. O. Floyd, Jane Patterson, Harold Longino and Billy Nickels.

## Council Plans Home Demonstration Week

Plans for National Home Demonstration Week to be held April 29 to May 5 were discussed at the Home Demonstration Council Meeting Friday. Mrs. I. J. Howard was named chairman of a committee to plan the Round-Up for that week.

Other members of the committee are Mrs. L. H. Moncrief, Mrs. O. J. Kniffin, Mrs. J. E. Cassidy and Mrs. Sherman North. Mrs. Bennie Bissell, Mrs. H. E. Benton and Mrs. J. W. Binn were appointed to a committee to arrange a radio program.

Mrs. North, recreation chairman, led a 10-minute period of recreation and asked each club to turn in three games at the next council meeting so a game sheet could be prepared.

Plans were made to send Mother's Day boxes of candies and cookies to 78 elderly women in Ward F of the State Hospital in Big Spring.

Announcement also was made that the district 4-H camp will be held in July in Fort Stockton with 10 girls and two leaders to attend from this county. Pauline McWilliams, county home demonstration agent, reported the girls are working on clothing and planning a style show.

Reports were given by the West Side, Prairie Lee and Valley View Clubs and the marketing, expansion and radio committees.

Mrs. Moncrief, delegate to the District THDA meeting held Thursday in Andrews, gave a report of the proceedings.

Others present were Mrs. Joe Heideberg, Mrs. H. A. Palmer, Mrs. Paul C. Floyd, Mrs. O. R. Phillips, Mrs. B. L. Mason, Mrs. I. J. Howard and Mrs. Bennie Bissell.

## Songs, Crafts, Dramatics Are Meet Features

Paper bag dramatics, craft work and song periods were featured Friday at the meetings of Girl Scout Troops.

Brownie Troop 45 practiced paper bag dramatics. Mrs. I. A. Searles taught the group several new songs.

Those attending were Sharon Alwood, Barbara Carroll, Ollie Dell Dawkins, Camille Gray, Marie McKenzie, Patricia Mae Morgan, Renee Mills, Linda Kay Murray, Patricia Nix, Judy Six, Sondra Stewart, Glenda Thomas, Sandra Sue Countiss, Mrs. D. G. Dawkins, leader, and Mrs. J. M. Stewart, assistant leader.

Brownie Troop 37 worked on Mother's Day gifts Friday. Those present were Virginia Martin, Margie Martin, Patsy Thompson, Maudie Bell, Jan Drake, Shirley Bickley, Linda Muri Stracener and Mrs. C. C. Martin, leader.

Songs for the forthcoming fly-up ceremony were practiced by Troops 34 and 45 Friday. Mrs. I. A. Searles directed the group. Hostesses chosen for the ceremony were Annabelle Floyd and Suzanne Hall. Mary Helen Metcalfe and Ann Elder were named flag bearers.

Those attending were Sonya Adamson, Wanda Boyd, Mariel Cates, Mary Crooks, Judy DeWees, Ann Elder, Annabelle Floyd, Suzanne Hall, Diane Hoover, Sandra Martin, Helen Metcalfe, Sue Mills, Janie Potter, Peggy McDonald, Carol Ann Oberholzer and Mrs. J. L. Metcalfe, leader.

## Andrews News

ANDREWS — Everett Maxwell and his eighty-eight piece Andrews High School Mustang Band were in Abilene from Sunday through Tuesday to attend the third annual Abilene Christian College Band Clinic. While there the band gave a concert before the student body of Abilene Christian College.

Mr. and Mrs. Clifford Long of Dallas took over operation of Stell's Variety Store last week.

Mrs. Evelyn Spence of Fort Worth has joined the staff of the Andrews Insurance Agency. Mrs. Spence, daughter of A. B. Smith, was previously employed with the Broyles Agency in Fort Worth.

The Spencer Service Station opened Tuesday for business. C. W. (Red) Spencer is owner and the station will be managed by a brother, M. W. Spencer. The station was formerly operated by W. M. Peoples. Formal opening will be Saturday.

Mr. and Mrs. Bill Brown left Saturday for Oklahoma where he will be employed by the Carter Oil Company.

The library at the Fullerton Baptist Church now has 150 volumes.

The Rev. Aud Jones, pastor of the Fullerton Baptist Church is conducting a revival at Hale, Texas, this week.

Mrs. E. E. Odell entertained recently with a bridge party at her home in the Dollarhide Camp. High honors were won by Mrs. R. P. Staton and second place went to Mrs. O. R. Young. Others present were Mrs. Hugh Teague, Mrs. Stan-

## Texas Club Honors Artist In New York

The Texas Club of New York City honored Lucile Sprull, Texas artist, with a tea Thursday at the Terrace Court of the Waldorf-Astoria.

Miss Sprull is leaving New York to make her home with her sister, Mrs. A. A. Upchurch of Midland. She will continue painting the Texas oil fields.

For the last four years she has been employed in the Art Department of the Norcross Publishing Company and has studied at the Art Student's League.

Last year, she had a one-man show sponsored by the Twentieth Century Art Associates of Jackson Heights. Her animal picture took second prize at the Queen's Exhibition. The Texas Club sponsored an exhibition for Miss Sprull at the Women's University Club in the Biltmore Hotel last Fall. A painting of the West Texas oil fields was among the 41 paintings shown.

Miss Sprull studied art at SMU, the University of Texas and has received special instruction at the Art Student's League in New York.

**LONGER WEAR**

Nylons will wear longer if after each washing you will roll them in a towel for a moment before hanging them to dry.

## ★ RUTH MILLETT ★

### 'Everybody Likes Mary,' And Here Are The Reasons Why

By RUTH MILLETT  
NEA Staff Writer

Everybody likes Mary. Pretty as she is, I've never heard another woman say a spiteful thing about her.

Her friends find her good company and when she meets a stranger the verdict is always the same: "She's so charming," or "What an attractive woman!"

What qualities make a woman so generally liked and admired? Here are some of Mary's easily-spotted personality traits.

She remembers the people she meets, however casually. She re-

Ruth Millett

members their faces, their names, where she met them and whatever they tell her of themselves.

Whenever she sees a person she has met, however briefly, she goes up to the person, says who she is and mentions where they met. That kind of friendliness is heart-warming in a world where so many people take time only to nod to a new acquaintance—if they even remember that the person is an acquaintance.

**'Good' Gossip**

Mary always has some small talk to pass along. It's gossip, really, but the right kind of gossip. It's the kind that never hurts anyone and often gives someone a boost.

She is a devoted mother, but she doesn't make you listen while she brags on her children. She brings them into the conversation frequently, but only if she has an amusing story to tell—never to impress anyone with how superior her children are.

She never tries to monopolize her friends, but gets real pleasure in seeing to it that friends of hers she thinks would be congenial get to know each other.

She is never in too much of a hurry to stop and talk for a few minutes with an old lady she happens to know is lonely.

She's never too busy to let someone tell her their own good news or their troubles.

Her own troubles she makes light of—or keeps to herself.

Put those qualities together and you have a charming woman. And they are qualities any woman can cultivate.

## Midlanders To Give Show At Hospital

A group of Midlanders, sponsored by the Elks Club, will give a show for the veterans at the Veterans Hospital in Big Spring Tuesday night.

The show will include a one-act play directed by Tommy Thompson. The cast includes Larry Lee, Mary Margaret Corbett, Jean Lewis and Marilyn Parker. Ann Spears is in charge of props.

Bill Adam will give a lecture on "Atomic Energy." Jean Lewis will sing and Verda Bartlett will be the pianist. Loraine Sparks, Bonnie Potter and Virginia Dunagan will do a can-can dance.

## Lucky 13 Club Has Meeting

The Lucky 13 Club met in the home of Mrs. O. H. Jones. Games were played.

The living room was decorated with arrangements of yellow iris. Those attending were Mrs. J. C. Hudman, Mrs. Bill Cole, Mrs. Ellis Conner, Mrs. B. M. Hays, Mrs. McClurg, Mrs. C. H. Sheppard, Mrs. H. S. Collings, and Mrs. S. P. Hall.

### Eastern Star Honors Worthy Grand Matron With Banquet

Several days of activity, including a banquet and general meeting, began for members of the Order of the Eastern Star when it met Tuesday in the Masonic Hall.

Plans were completed for the official visit Wednesday of the worthy grand matron, Mrs. Lucille Dufner of San Antonio. Accompanying Mrs. Dufner were Dr. H. C. Sloop of Houston, worthy grand patron; Mrs. Mary Ella Schonering of Houston, associate grand conductress; Mrs. Ethel Dupree, San Antonio, grand chaplain; Mrs. Virginia Dickerson of Houston, grand A. A.; Mrs. Agnes V. Young of Big Spring, past worthy grand matron; Mrs. Elsie Bills of Fabens, grand examiner; Mrs. Gladys Shoffit of Goldsmith, district deputy grand matron; Mrs. Stella Shaffer of Crane, deputy grand matron; Mrs. Charles Dufner of San Antonio, chairman of titles, deeds and property; and Mrs. H. C. Sloop, member of the chapters under dispensation.

A banquet was held Wednesday night in the Crystal Ballroom of Hotel Scharbauer for the guests. Approximately 60 members of the Midland chapter attended.

The worthy grand matron's colors, red, white and silver, and her flower, red roses, were used throughout the decorations. The table was centered with an arrangement of red roses. Individual tables were centered with white parasols filled with red roses.

Carl Hyde, worthy patron, was master of ceremonies. The invocation was given by Mrs. Vera McLeRoy and Hyde gave the welcome. Mrs. Shoffit gave the response.

Members of Nadene Griffin's Dance Studio gave novelty numbers. "Midland" was sung by Duke Jenson.

After the banquet a meeting was held in the Masonic Hall. Mrs. J. B. McCoy, worthy matron, opened

Mrs. C. E. Beavers

### Flower Show Judging School Opens Thursday

Mrs. C. E. Beavers of Fort Worth will be one of the instructors at the Flower Show Judging School to be held Thursday and Friday in the Midland Officers Club. The other instructor will be Dorothy Biddle of New York.

The club is being sponsored by the Midland Council of Garden Clubs and is open to anyone interested.

Mrs. Beavers will lecture on horticulture at 9 a. m. and 1 p. m. Friday. Mrs. Beavers is a qualified teacher and has taught for seven seasons in five states. She has received her national judges certificate.

She was president of the Texas Garden Clubs, Inc. from 1942 to 1945 and in 1945-47 she was chairman of the Roadside Development, National Council. She was chairman of Awards, Council of State Garden Clubs, in 1947-49.

Tickets may be purchased at the Midland Officers Club for one or all four lectures. Registration will begin at 8:30 a. m.

### Andrews HD Women Have District Meet

ANDREWS—Home Demonstration Club women of Andrews County were hostesses to the District Six Home Demonstration Association Convention Thursday. It was the first district convention ever to be held in the county. Approximately 200 club women from the following counties registered: Andrews, Ector, Midland, Howard, Gaines, Martin, Pecos, Reeves, Hudspeth, Upton, Reagan, Culberson and El Paso.

The welcome address at the opening session was given by County Judge Milton Ramsey who later introduced Winifred Hudgens, Carl Betenbough and H. B. Walters, members of the commissioners court, and H. T. Wilson, County auditor.

Mrs. Shirley Fryar, vice president of District Six, introduced the state officers and distinguished guests. These included Mrs. R. M. Almarode, State 4-H Champion and holder of the FFA American Farmer Degree, and Miss Martin, Hranicky was among the first group of the International Farming Exchange of America to go abroad. He is co-author of the book, "The Five H's."

### Shower Honors Bride-Elect

Billie Walker, bride-elect of V. F. Chancellor, Jr., was honored with a miscellaneous shower Saturday in the home of Mrs. P. J. Mims.

Co-hostesses were Kay Kendrick and Margaret Henry.

The bride-elect's chosen colors, lavender and purple, were used throughout the decorations. The hostess gift to the honoree was sterling napkin holders.

Those attending were Mrs. Mark Walker, Kathryn Owens, Tola Chancellor, Alberta Gaujot, Janice Campbell, Bobby Jean McDaniel, Belva Blevin, Peggy Jordan, Peggy Anderson, Ann Tolbert, Louise Cox, Ruby Millard, Joyce Crawford, Betty King, Eleanor Simpson, Pat Butcher, Ann Porterfield, Shirley Wallace, Jima Lou Gumm, Patsy Lou Arrington, Pat Brewer, Monte Johnson, Mary Ellen Lathrop, Jacky Pierce, Patsy Peterson, Ann Wemple, Mrs. C. W. Chancellor and Mrs. J. L. Kendrick.

### 'Daniel Boone' Rehearsals Are In Final Week

Rehearsals for the three-act Children's Theater production, "Daniel Boone," are entering their final week. The play will be presented at 7:30 p. m. Thursday, Friday and Saturday in the City-County Auditorium. A matinee performance will be given at 2 p. m. Saturday.

"Daniel Boone" is the story of courageous pioneers trying to settle a new country, meanwhile coping with the constant threat of Indian attacks. The play calls for approximately 25 characters. Walter Gremmlin will appear in the title role.

Rehearsals have been scheduled three times a week for the last six weeks. The play is under the sponsorship of the Midland Service League.

### Midland Country Club Has Western Dance

A Western dance was held Saturday night in the Midland Country Club.

Arrangements of Indian rugs, saddles and other Western symbols carried out the theme in the decorations. A painting of a covered wagon formed the background for the bandstand. Mrs. Ralph Lowe was in charge of the decorations.

Entertainment features were an informal sing-song and the presentation of prizes to the winners of the Women's Golf Tournament which closed Friday. Bob Payne and Vann Ligon served as masters-of-ceremonies.

### Golf Association Has Luncheon

Mrs. June Melton and Mrs. Miles Hall were hostesses to the Ladies Golf Association of the Midland Country Club Friday at its luncheon in the clubhouse.

Tables were decorated with arrangements of purple, white and pink stock and lilacs. Mrs. R. W. Hamilton won the door prize and Mrs. J. Guy McMillian won the jackpot prize. Mrs. J. D. Dillard announced a brunch will be held at 10:30 a. m. Friday.

Guests were Mrs. Constance Hammock of Dallas, Mrs. B. G. Martin of Houston, Mrs. Frank Reeves, Mrs. John Fletcher, Mrs. W. G. Fletcher, Mrs. W. H. Potts, Mrs. W. T. Douglas and Mrs. W. L. Ambrose.

Members attending were Mrs. Dan Purvis, Mrs. Bob Franklin, Mrs. R. W. Hamilton, Mrs. J. J. Travis, Mrs. Harrison Cooper, Mrs. Bill Osborn, Mrs. H. B. Dunagan, Mrs. W. H. Black, Mrs. Nelson Puett, Mrs. John Dublin, Sr., Mrs. W. A. Keller, Mrs. E. A. Culberson, Mrs. Charles Wallace, Mrs. Robert LeBlond, Mrs. Tex Carleton, Mrs. Courtney Thompson, Mrs. L. F. Peterson, Mrs. N. B. Garner and Mrs. Neal Marks.

### Mrs. Proctor Is Class Hostess

Mrs. Leonard Proctor was hostess to the Alathian Sunday School Class of the First Baptist Church when it met Friday night in her home.

Co-hostesses were Mrs. Kyle Taylor and Grace Wallace. Mrs. C. M. Dunagan led the prayer service and Mrs. Fred Wycoff gave the devotional. Mrs. L. A. Brunson gave the financial report.

The table was covered with an imported linen cloth trimmed with lace and embroidery. It was centered with a three-tiered centerpiece of French lilacs, pink roses and green grapes. Mrs. Tom Bobo presided at the silver service.

Others attending were Mrs. Fred Middleton, Mrs. Anton Theis, Mrs. Fred Wycoff, Mrs. L. A. Brunson, Mrs. Bob Hill, Mrs. B. C. Girdley, Mrs. J. O. Nobles, Mrs. C. M. Dunagan, Mrs. R. L. Denton, Mrs. J. R. Harrison, Mrs. M. F. King, Mrs. J. A. Tuttle, Mrs. George Phillips, Mrs. C. A. Barton, Mrs. W. A. Stall, Mrs. Doc Price, Josephine Ligon, Ida Payne Gowden and Mrs. Zeb Wilkins. Mrs. Brooks Pemberton was a guest.

First club in the United States was organized by Scandinavians in Berlin, N. H., in 1882.

### Andrews Couple Plans Wedding

ANDREWS—Mr. and Mrs. H. L. Rents of Brownwood announce the engagement and approaching marriage of their daughter, Wanda Jeanne, to Fletcher Hathcock, son of Mr. and Mrs. J. L. Hathcock of Dallas.

The double-ring ceremony will be read at 8 p. m. Thursday in the First Baptist Church. Miss Rents' parents are former Andrews residents. The bride-elect is a graduate of Andrews High School and is employed at the South Fullerton Standalone Gasoline Plant.

Hathcock is employed by the Lindsey Construction Company of Andrews.

## Baptist Church, Built In A Day, Observes First Anniversary

"Victory" will be the topic of the Rev. John H. Goins' sermon for the morning worship service Sunday in the Bellview Baptist Church. Services Sunday will be observed as "Homecoming Day." The church will be having its first anniversary. The Rev. Vernon Yearby, pastor of the First Baptist Church, will speak at a service at 3 p.m. Five recently-elected deacons, Walter Jackson, Milton Coxe, Lemuel P. Mitchell, Warren L. Chapman and Roy Tillman, will be ordained. The afternoon service will be preceded by a basket dinner. The evening worship service is scheduled to be held at 8 p.m. and

Mr. Goins' sermon subject will be "The Dearly Departed." The church was organized as a mission, sponsored by the First Baptist Church, in June, 1949. The first revival, an open-air meeting, for the "North Midland Mission of the First Baptist Church" began

Rev. J. H. Goins

June 12, 1949, on the site of the present location, 1710 North Big Spring Street, and was sponsored by the Brotherhood of the First Baptist Church. The Rev. Cecil Rhodes of Big Spring was the evangelist. The "mother church" congregation voted to erect a building and the construction on the project began Oct. 8, 1949. Approximately 50 persons erected a one-story structure, with mostly volunteer labor. The "church in a day" was completed enough so that services could be held the following day. The mission became an independent church April 9, 1950. **Second Floor Added** During the last year, a second story has been erected to the origi-

### Impre Kovacs Will Address K&F Club Wednesday Night

Impre Kovacs, a native Hungarian who once was secretary general of the powerful Hungarian Peasant Party, will address members of the Midland Knife and Fork Club at the April meeting at 7 p.m. Wednesday in the high school cafeteria.

Carroll L. Thomas, club president, in announcing the meeting, said the guest speaker will bring a behind-the-scenes message of Red efforts to dominate the modern world. "Red Runs the Danube" will be the subject of Kovacs' address, in which he will analyze the prospects of communistic success in the "cold war" as well as the possibility of World War III.

**Reservation Deadline** Reservations for the dinner-meeting must be in the hands of Newell Ellis, secretary, by noon Tuesday, Thomas stated. The guest speaker was born on the Danube, across the river from Belgrade, but now is a self-styled "New American." He formerly headed the American-Hungarian Federation for Democracy. He is a militant believer in democracy and the ultimate triumph of religion and Western ideals.

### Brake Firm Observes Five Years' Service

Midland Brake Service, 108 West Missouri Street, is observing its fifth anniversary as a Midland business institution.

Hank Hannaford, owner, said on the occasion, "We repeat our pledge of satisfactory service that we made when we first opened."

The first iron to be made in America was produced near Lynn, Mass., in 1648.

nal building and the indebtedness has been paid. The Sunday School enrollment is more than 400 and W. H. Measures is the superintendent. Other church directors are John Biggs, Brotherhood; L. O. Justice, Training Union, and Mrs. Mae Ward, president of the "Women's Missionary Union." Mrs. McPeak and Mrs. Grace Hines are in charge of the nursery. Music is directed by G. E. Massey.

The church has grown from 159 members to 326. A new \$15,000 parsonage is planned to be built in the near future at Main and Hart Streets. It will be a red brick veneer three-bedroom

home and will be furnished by the church. **Attends Seminary** The pastor, Mr. Goins, was superintendent of the Grady County, Oklahoma, missions for two years and was assistant pastor of the First Baptist Church in Chickasha, Okla., for seven months. He resumed his pastorate duties in the Midland congregation Nov. 14, 1949. He has attended Southwestern Theological Seminary in Fort Worth. The Goins have two daughters, Ruby and Verla Lee. Ruby is a senior in Midland High School and Verla Lee is employed by Humble Oil Company here.

## Class Evaluates Leaders' Course

An evaluation of the week's discussion and activities Friday concluded the Girl Scout outdoor leadership training course under the direction of Mrs. J. E. Starley, executive director. Troop camping and day camping were stressed during the course. A six-hour session Wednesday included discussion and a cookout at the home of Mrs. W. P. Crosby. Coffee can casserole of meat and vegetables were prepared and cooked in a trench fire. Cookies and biscuits were cooked on a reflector oven which was made during the course. Thursday's six-hour session was

held at the Little House. Class members made siska-bobs, baked beans, some-mores and bread twists. Women who completed the necessary 20 hours to qualify for a certificate are Mrs. R. H. Burton, Mrs. R. H. Prizzell, Jr., Mrs. A. P. Bulcher, Betty Jo Green and Mrs. Stanley Erskine. Others who attended one or more sessions are Mrs. D. G. Cook, Mrs. Ray Seifert, Mrs. T. D. Craft, Mrs. Hal Peck, Mrs. F. C. Baughens, Mrs. C. E. Bissell, Mrs. O. D. Renfro, Mrs. Jack Maier and Mrs. Charles Dobbs.

### Church Of Christ Services Attract Record Crowds

The largest crowds in the history of the church are attending both morning and evening services being held in connection with the series of gospel meetings at the Church of Christ, North A and Tennessee Streets, J. Wopdie Holden, minister, said Saturday.

The series of meetings, which opened last Wednesday night and which will continue through next Sunday, is being conducted by James P. Miller of Tampa, Fla. Weekday services are scheduled at 7 a.m. and 7:30 p.m., with the public invited to attend. The regular schedule of services will be followed Sunday.

Mr. Miller is one of the nation's foremost evangelists. He spends his entire time in conducting gospel meetings over the nation and has met with unusual success in his work. Mr. Holden stated. He has conducted similar meetings here on two previous occasions. "The Church, the Body of Christ" is the general theme of Mr. Miller's morning discussions.

According to the U. S. Bureau of Plant Industry, smoking does not dull the taste.

**SQUARE DANCERS**—The members of Senior Girl Scout Troop 12 and their partners attended the recent Green and Gold Festival in Odessa. The festival featured western and folk dancing and was participated in by groups from the Permian Basin area. The special square dance skirts worn by the girls were lent to them for the occasion by the Spool Cotton Company of New York. Pictured on the front row, left to right, are Barbara Long, Joan Turner, Betty Pitzer, Georgia Stump, Mary Ann Searles, Jane Beakey, Jackie Ewald and Virginia Webb. Those on the back row, left to right, are Russell Moore, Charles Fredregill, Dick Fitzgerald, Jack Wright, Jack Ewing, Joe Turner, Duane Abell and Eddie Halfast.

### U. S. Navy Band To Appear In Concert In Midland May 3

The United States Navy Band, conducted by Lt. Cmdr. Charles Brendler, USN, will appear in concert in the Midland High School Auditorium at 8 p.m. May 3, under the sponsorship of the Midland Lions Club.

Lt. Cmdr. Charles Brendler

It will be the second appearance of the world-famed band in Midland, the musical unit having performed in concert at Midland Memorial Stadium two years ago. The Lions Club also the sponsor on that occasion.

Tickets for the concert will go on sale soon, club officials stated Saturday.

"We hope to fill every seat in the huge auditorium for this outstanding musical attraction," C. Ed Prichard, Lions president, declared. Gib Sandefer, formerly of Abilene, is the concert tour manager for the Navy Band.

The organization's official status as the United States Navy Band was established by act of Congress in 1925, and it has been one of the nation's proudest musical units in all the years since. Its colorful history antedates to World War I days, but it actually extends back more than 125 years to the day when the first musician boarded an American Man-of-War.

The band today is the ultimate perfection of music in the U. S. Navy. Everyone is invited to hear the Navy Band in concert here.

### 'Brown Americans' Is Study Theme

RANKIN — "Brown Americans" was the theme for the Rankin Study Club meeting Thursday in the Park Building. Mrs. P. L. Crandall and Mrs. R. D. McSpadden were hostesses.

Speakers and their topics were Mrs. Sam Holmes, "The Negro in America," and Mrs. Max Lewis, "The Negro Problem From the Negro Point of View." Mrs. Dan Runyan accompanied her piccolo students in several selections.

During the business session, reports were given by committeemen of various club projects, including youth, library and public welfare. Invitations have been extended to Big Lake, McCamey and Crane Study Clubs to attend the Friendship tea which the Rankin Club is giving April 19.

Other members present were Mrs. D. S. Anderson, Mrs. Harry Cowden, Mrs. C. G. Fitzgerald, Mrs. Walton Harral, Mrs. W. A. Hudson, Mrs. Leola Hurn, Mrs. R. H. Johnson, Mrs. Dunn Lowery, Mrs. Zack Monroe, Mrs. Henry Neal, Mrs. Jack Smith, Mrs. Hamilton Still, Mrs. C. G. Taylor, Maggie Taylor and Neva Rae Taylor.

#### EMERGENCY MEAL

Small precooked canned hams are convenient to have on an emergency shelf for unexpected guests. You can stud them with whole cloves, spread them with prepared mustard and brown sugar, and bake them in a moderate oven until heated through. If there's also a can of sweet potatoes on your emergency shelf all you have to do it to add that and a green salad for delicious and quick-to-get-ready main course.

### Three Are Hostesses To Bridge Party

ANDREWS — Mrs. Tex Huettler, Mrs. Maurice Trippishorn and Mrs. Carl Ellis entertained recently with a bridge luncheon at the Community Building. Mrs. F. P. Kennedy won high, Mrs. T. R. Mauk, second high. Other prizes went to Mrs. C. V. Campbell and Mrs. Jim Galloway. Approximately 30 persons attended.

### Marie Spiars, J. Barron Give Party

Marie Spiars and James Barron entertained 85 of their friends with a party in the Midland Officers Club Friday. The refreshment table was centered with an arrangement of yellow daisies. Chaperones were Mrs. Elliott Barron, Mr. and Mrs. Bruce Beasley, Mr. and Mrs. Ivan Hood and Mrs. Early Spiars.

### Revival To Open Sunday In First Baptist Church

The Spring revival meeting of the First Baptist Church opens Sunday morning with Dr. Harry Rimmer, internationally known preacher, scientist, archeologist and author, as the guest minister. The Rev. Vernon Yearby, pastor of the First church, said Saturday arrangements for the annual meet-

Dr. Harry Rimmer

ing have been completed and predicted record crowds at all services, which will continue through April 29.

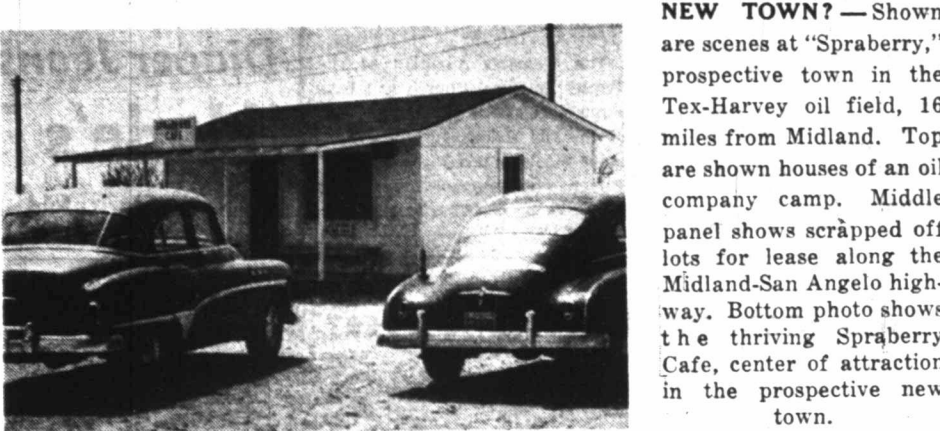

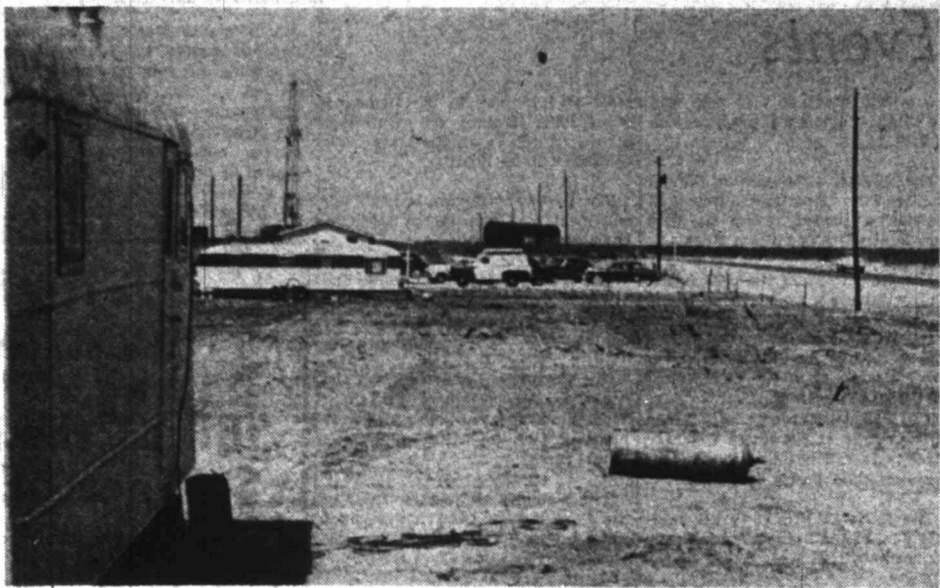

Dr. Rimmer, president of the Research Science Bureau of the United States, has conducted meetings here on three previous occasions, and is well-known throughout this area. Mr. Yearby said the theme of the 1951 meeting will be completely different from those of previous revivals conducted here by Dr. Rimmer.

The guest minister arrived in Midland Saturday. He will preach at both morning and evening worship services Sunday.

Weekday services will be held at 10 a.m. and 8 p.m. with the public invited to attend.

Sunday School night will be observed Monday, with other special nights to be observed during the two-weeks revival.

Dr. Rimmer also is scheduled to address the Lions and Rotary Clubs at their meetings this week.

**NEW TOWN?**—Shown are scenes at "Spraberry," prospective town in the Tex-Harvey oil field, 16 miles from Midland. Top are shown houses of an oil company camp. Middle panel shows scrapped off lots for lease along the Midland-San Angelo highway. Bottom photo shows the thriving Spraberry Cafe, center of attraction in the prospective new town.

### El Paso Presbytery To Meet Tuesday In Midland Church

The Spring meeting of the El Paso Presbytery, Presbyterian Church, U. S., will convene at 7:30 p.m. Tuesday in the First Presbyterian Church here, Dr. R. Matthew Lynn, pastor, announced Saturday. The session will continue through Wednesday night.

The Rev. R. Gage Lloyd, pastor of the First Presbyterian Church of Big Spring, will preach the sermon at the opening meeting Tuesday night. He is the retiring moderator. Officers for 1951-52 will be elected at the session. Mr. Gage is the son of the first resident pastor of Midland's First Presbyterian Church.

The El Paso Presbytery extends from Colorado City to El Paso and from Ruidoso, N. M., to Fort Stockton. More than 75 delegates from the 29 churches in the Presbytery are expected to attend the gathering. Lee Milling of Big Spring is the executive secretary of the presbytery.

A communion service is scheduled at 8:30 a.m. Wednesday, with the Rev. Joe M. Brown of Odessa and the Rev. David T. Moore of Lovington, N. M., officiating. Dr. Jack Ramsey of Crane will deliver a special sermon at 11:30 a.m. Wednesday.

Three speakers, Eugenia Hopper

of Lubbock, the Rev. Harry McDonnell of Odessa and the Rev. Robert Hawkins of Coahoma, will participate on the program at the concluding session, scheduled at 7:30 p.m. Wednesday. The public is invited to attend the Wednesday night meeting.

All meetings and services will be held in the First Presbyterian Church. A luncheon for out-of-city delegates is scheduled at noon Wednesday, and a dinner will be served Wednesday evening in the church's Fellowship Hall. The meals will be served by the Women of the Church.

#### KERMIT FIRM AWARDED FIRING RANGE JOB

KERMIT — A government contract to provide telephone facilities for the Castner Firing Range at Fort Bliss, near El Paso, has been awarded to the Norman Dunn Construction Company of Kermit.

The contract, awarded from Fort Sam Houston, calls for construction to be completed in 20 days.

#### TO CALIFORNIA

Mrs. Hila Weathers left Saturday night on a trip to California.

### There Was A Time When Sheriff Could Earn Honest Dollar Feeding Prisoners

By COPE ROUTH

Once upon a time a sheriff could make an honest dollar feeding prisoners in the county jail.

The county paid him 90 cents a day for each prisoner, beans were \$2 or \$3 a hundred pounds, salt pork was thrown into the pot with abandon and coffee was not even a luxury.

Ninety cents in the old days would pay for three square meals a day and there'd still be a little left over.

"But," says Sheriff Ed Darnell, "those good old days are gone. The 90 cents a day won't even cover the cost of the food, feeding the prisoners only two times a day."

"Beans have jumped from \$2 to \$3 a 100 pounds to as high as \$40 and right now they sell between \$15 and \$28."

"Salt pork has jumped to 70 or 80 cents a pound and coffee has to be kept under lock and key."

All of which would indicate the 30 or 40 prisoners in the jail every day might be going hungry.

"But," said Darnell, "I don't think so. I like to eat myself and I like to see other people get plenty to eat, too."

#### Can Put On Weight

"It may not be the fanciest food in the world but it's good food and you can even put on weight with it."

He added there was about as much variety, too, as 90 cents will permit.

Breakfast for the prisoners, served at 8 o'clock, is composed of hot coffee and sweet rolls.

"No," he insisted, "they're not stale or day-old rolls. They're absolutely fresh. Just like you would buy them at the store."

Then comes the other meal of the day—the lunch served at noon. Preparations are started early by Janie Clark, the negro cook who presides over the kitchen that serves not only the jail but the sheriff's family, which occupies an apartment adjoining the jail.

#### Just Like Navy

Beans are the basic dish of the noon meal. Every day there are beans with a side dish of either hominy, sweet corn spaghetti and tomato sauce or some other such dish.

Then there is bread and syrup. "The bread," continued Darnell, "is fresh, too. We give them plenty

of bread and all the syrup they want. A lot of the men keep their own little jars of syrups in their cells to eat between meals."

Once cooked, the food is set in the bull pen and the prisoners gather around.

"There's usually enough for two meals," said the sheriff, "and what is left over from the noon meal is eaten cold for supper."

On Sunday there is a meat stew and maybe once during the week pieces of meat are cooked with the beans.

#### Buy In Case Lots

"Even though we buy everything in case lots at wholesale prices," said Darnell, "the 90 cents doesn't cover the cost of feeding them."

How does he manage? Darnell explained that the difference between the 90 cents and the actual cost of food is made up out of mileage refunds.

Although the Commissioners Court furnishes the sheriff's office with automobiles, the county still pays the sheriff seven cents a mile for mileage accumulated on official business.

This mileage not only pays for the upkeep of the automobiles, said the sheriff, but is used to supplement the food allowance.

The sheriff and his family eat the same food served the prisoners.

"It's good food and well seasoned and cooked," said Darnell. "We eat the same food on our table although, of course, we have other dishes, too."

#### +Rankin News+

RANKIN — Nolen Faught returned to Rankin for a brief visit this week before going to Abilene to be inducted into the U. S. Army.

Mr. and Mrs. Pat Henley and daughters of Fort Stockton visited Mrs. Calla Henley recently.

Jimmy Workman, Texas Tech student, was home from Lubbock last weekend to visit relatives and friends.

Mrs. Herman Hamilton has been away from her duties as bookkeeper at The First State Bank the last two weeks due to having her hands burned. Mrs. Hamilton suffered the burns at her home here when hot grease overturned.

Deputy Sheriff R. C. Schiagal sustained bruises and had his car badly damaged in a collision accident in Llano last week while returning from a business trip to Austin.

Girl Scout Troop No. 1 met Monday with the leader Mrs. D. O. McEwen. Scouts attending the meeting were Pat Diahman, Mary McCain, Gloria Morgan, Genevieve Poage, Rachel Broyles, Kay McEwen and Rovena Langford.

Fields Branch, Schreiner Institute student, spent several days in Rankin recently with his parents and sisters.

Mr. and Mrs. Harry Hill of Big Lake and Brownwood, former Rankin residents, visited here Wednesday.

The first American almanac was published by William Pierce, of Cambridge, Mass., in 1630.

### Mary Butler Art Exhibit Will Open Sunday In Palette Club

A one-woman art exhibit will open Sunday in the Palette Club Studio. The artist is Mrs. Mary Butler, the 80-year-old "Grandmother of West Texas Art." Her paintings will be on exhibit throughout the week.

Mrs. Butler is a native Midlander and a recognized "natural" artist. She and some of her friends were the first to organize an art group here. The group was started a decade ago. Mrs. Clarence Hale's yard, in which peach and pear trees were then blossoming, furnished the subject matter for those first paintings. Mrs. Hale's back porch became the studio, but soon the need for more room pushed the little group out into the garage.

Hicks, Mrs. N. W. Bigham, Mrs. Hale, Mrs. B. M. Barron, Mrs. D. W. Siskler, Mary Rae, Mary Gossett and Mrs. Ben Golladay.

Windows were installed to provide more light for the work. In time, however, the group accumulated \$700 which they presented, along with plans, to R. V. Lawrence of the Rockwell Lumber Company. Palette Club Built.

With economy and patience it was possible to build the Palette Club. The lot had been deeded to the group by Barron. The women did most of the work, painting the exterior first and gradually improving the appearance and comfort of the interior. Two years ago a second room was added with lockers and a sink. Just this month an exhibit window was completed in which the paintings of local

artists are displayed, changing weekly.

The Palette Club was the name applied to the structure by the original group, but to avoid sounding like a closed organization, the name was changed to the Midland Palette Club and Art Center. It is open to all persons who are interested in art.

With the club and the American Association of University Women as the parent organizations, a community art center is developing in Midland. The program includes art activity, education and appreciation. The art school now in session is under the direction of R. E. Cronyn.

Cronyn's experience in art covers a period of 25 years. He is a member of several leading art clubs

and has done extensive exhibiting and teaching throughout the United States.

The community art center promotes exhibitions of local work as well as work from outside the community. With the opening of the Mary Butler show Sunday, the center is beginning a membership drive in which family memberships are particularly stressed.

Plans are being formed to organize a junior section. The club's monthly meetings are held the first Thursday of each month and include social periods and a program upon some phase of art.

In ancient times, fans were used as fly swatters or fireplace bellows, according to the Encyclopedia Britannica.

### Workman Is First Male P-TA President

RANKIN—Tommy Workman, a Rankin rancher, was named the first male president of the Parent-Teacher Association Tuesday. Other men chosen were Bill Martin, recording secretary, and John D. Hurst, treasurer. Workman and Hurst each have a child in the elementary school. Martin is a member of the high school faculty.

In addition to the men, officers include Mrs. M. C. Duer, first vice president; Mrs. Carl Keys, second vice president; Mrs. D. S. Anderson, third vice president; Mrs. Walton Harrel, corresponding secretary;

Mrs. Hamilton Still, parliamentarian, and Mrs. Tyson Midkiff, historian.

Installation of officers will take place at the next regular P-TA meeting May 8.

Reports of the Spring conference held recently in Big Lake were given by Mrs. Ross Wheeler, Mrs. Carl Keys and Mrs. Tyson Midkiff. Mrs. Midkiff was chosen to receive the life membership given annually by the association. Mrs. D. S. Anderson, Mrs. John D. Hurst and Mrs. Allen Moore were elected to the auditing committee.

Mrs. Jeff Ray, McSpadden and Mrs. H. C. Dishman were hostesses at the meeting.

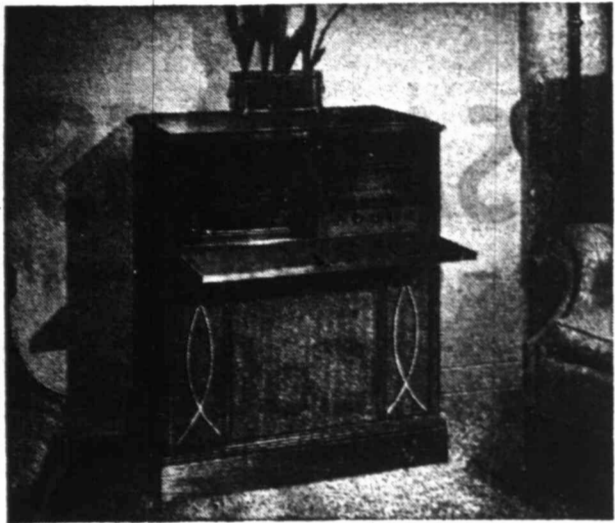

The program topic was "Leisure Hours." Mrs. R. H. Johnson, program leader, gave a talk on the subject. Mrs. Herbert Hurn spoke on "Stimulating Children's Reading." Mrs. D. S. Anderson gave the devotional and Cleona Quilley accompanied a chorus of fourth, fifth and sixth graders in several selections.

The Woman's Auxiliary of the Trinity Episcopal Church will have a rummage sale in the building east of the Old Heidelberg Inn. Rummage should be brought by 8:30 a.m. Persons who are unable to take their rummage by should telephone Mrs. Bertha Day at 1063.

### RINSING IS IMPORTANT

Haste makes waste, when you eliminate rinsing to hurry on to the drying of your glasses. Not only is drying time shortened when your crystal has been sluiced with clear, hot water, but it also emerges clear and sparkling undimmed by dishwasher film.

### MRS. TRUITT IS AUXILIARY HOSTESS

CRANE—Mrs. Norman Truitt entertained the Volunteer Fire Department Auxiliary in her home recently. Mrs. Jessie Miller presided over the business session. The members voted to assist the firemen in decorating the community hall for the annual Firemen's Dance. Eight members attended.

# WILSON'S

**TO ADDRESS FATHERS**

Robert Stripling, former chief investigator for the House Un-American Activities Committee, will be the guest speaker at the Fathers' Night meeting of the North Elementary Parent-Teacher Association Tuesday. His subject will be "What We Must Do To Defeat Communism." The program will be held at 8 p.m. in the school auditorium.

In roasting poultry use unsalted fat to rub on the skin. Salt is likely to make the bird's skin blister.

**SERVE WITH MEAT**

If green peppers are available in your market cut one or two in thin strips and saute in a little butter or margarine to serve with hamburgers, veal chops, or minute steak. Accompany the dish with fluffy mashed potatoes.

If you're watching your food budget it will help you to include dry beans and peas in your meals once or twice a week. Remember that there are many varieties of beans to choose from.

**Is The Catholic Church A MENACE TO DEMOCRACY?**

Every now and then a false rumor about the Catholic Church goes into circulation and—for a time—fools a lot of people.

Usually such rumors die out when fair-minded people learn the truth. But some of them pop up again like "ghosts" out of the distant past, to deceive people who have not heard them before.

The one most prevalent today is that American freedom is in danger from "the anti-democratic program of the Roman hierarchy." This, to some people, will sound new and alarming. Actually, there is nothing new about it.

Catholics of a century ago heard the same "alarm" . . . that the Church was hostile to our form of government—that she was anti-republican in spirit and influence—that she would disregard our free institutions and deprive us of our self-government.

Even those who do not understand the teaching and practices of the Catholic Church will have to admit the falsity of this rumor . . . for the evidence of a hundred years contradicts it in every particular. The Catholic people always have stood shoulder-to-shoulder with their non-Catholic fellow-citizens in building and defending our liberty and free institutions.

The rumor of today . . . like the rumor of a hundred years ago . . . does not claim that the Catholic Church is harmful to men's souls. It does not claim that the Church

endangers the salvation of mankind. Its entire objection is that the Church is hostile to our political and social institutions.

In this there is a remarkable resemblance to the "alarm" sounded against Jesus Christ Himself.

"If we let this man go," said the Savior's critics, "the Romans will come and take away our name and our nation."

Some think that Catholics should get their blood pressure up and reply angrily to these rumors. This is not necessary. We know that the American people of all faiths . . . with their traditional sense of justice . . . will boot this ghost back into its closet without our help.

But if you would like to know the Catholic attitude toward democratic freedom, our form of self-government, and the rights of the State and the individual, write today for free pamphlet on the subject. Just ask for Pamphlet No. KC-21.

Allan Shivers.

**• The Washington Merry-Go-Round**

By Drew Pearson

(Copyright, 1961, By The Bell Syndicate, Inc.)  
**Drew Pearson says: Many Presidents have had political headaches over military commanders; Woodrow Wilson was smarter than Truman in handling Teddy Roosevelt and General Pershing; MacArthur's mother is real secret of his meteoric career.**

WASHINGTON — It is not new in American history for Presidents to face political reverberations over the appointment or dismissal of military commanders. It was politics for instance, which led to the appointment of a relatively unknown military man, John J. Pershing, as commander of the American Expeditionary Forces in France.

Woodrow Wilson faced an even more hostile Republican Congress than Truman—one which demanded that ex-president Teddy Roosevelt be appointed U. S. commander in France. Roosevelt, a former colonel commanding the Rough Riders in Cuba in 1898, had come forward immediately after the United States entered World War I, with a proposal that a division be sent to France immediately. And a resolution calling upon President Wilson to accept Roosevelt's services passed the House of Representatives with a whoop. Much to the consternation of Wilson, there was every indication that it also would pass the Senate.

So he called to the White House Senator Francis A. Warren of Wyoming, leading Republican and ranking member of the Senate Military Affairs Committee. John J. Pershing was Warren's son-in-law. Then only 46 years old, he had been in the Army a relatively short time compared with other commanders, and thanks to a senator who ruled on military appropriations, he had been jumped from the rank of captain to that of brigadier general. That afternoon, just before the

Senate voted on the Roosevelt resolution, President Wilson announced that a division of the U. S. Army would be sent to France immediately. John J. Pershing, son-in-law of a powerful Republican senator, would be in command.

The Senate then defeated the Teddy Roosevelt resolution. President Wilson kept his political hold both on the Congress and the Army. MacArthur's Mother

If you want to get real insight into the life of Douglas MacArthur, you have to begin with his mother. Acquaint his father, Lt. Gen. Arthur MacArthur, was more in the public eye, having commanded the Philippines after the Spanish-American war and helped clean up the islands. But it was Mrs. Arthur MacArthur who went to live at West Point when her son, Douglas, entered the U. S. Military Academy. She had lived in an atmosphere of military rivalry between the two outstanding military families of the country—the MacArthur and the U. S. Grants.

Each family had a boy, one year apart in age. Both boys embarked upon military careers in the footsteps of their illustrious father and grandfather. They entered West Point in the same year. And, simultaneously with Mrs. MacArthur, Mrs. Frederick D. Grant, daughter-in-law of the Civil War hero, moved to West Point to look out for her boy, Ulysses, III.

For four years the two women stayed there, mingled with the officers in command, and spurred their boys on against each other. When they graduated in 1903, Douglas stood first in his class, Ulysses, III, stood second.

Douglas never has lost the drive instilled in him in his youth by his mother. Early in his Army career, he was an aide to his father, then a lieutenant general. Later he became aide to Secretary of War Newton D. Baker, and handled his press relations. Possibly that was where he first learned to issue the MacArthur communiqués which since have become famous throughout two hemispheres.

Friends in Congress

MacArthur was jumped from the rank of major to brigadier general during World War I, and was the only brigadier general below the grade of colonel to keep his temporary rank afterward. To do it, he had to call upon political friends in Congress, of whom, even in those days, he had many.

A bill was passed providing that future promotions to brigadier general could come only from the rank of colonel. But the so-called "MacArthur amendment" was tacked on providing that his did not apply to lieutenant colonels having 22 years service.

There were only three men in the Army in this category—George Van Horn Mosely, Hugh A. Drum and Douglas MacArthur. As a result, they remained three jumps ahead of all their contemporaries which is one reason why MacArthur, up until Pearl Harbor, always had ranked so much higher than George Marshall.

Ulysses Grant, III, married the daughter of Ellihu Root, former Secretary of State, while MacArthur married a daughter of the Philadelphia Stotesburys — an alliance which did not hurt him when it came to another promotion.

While stationed in the Philippines during the Harding Administration, MacArthur and his wife cabled her stepfather, Edward T. Stotesbury, asking his help in becoming a major general. And the elder Stotesbury, a J. P. Morgan partner and a heavy contributor to the Republican campaign chest, called upon John W. Weeks, then secretary of War. Shortly thereafter, Douglas MacArthur at the age of 45 became the youngest major general in the Army. MacArthur And Nimitz

It is not unusual for strong-willed men to have personal clashes, and Douglas MacArthur has had his share of them. Some, as his row with General Eisenhower and his differences with Admiral Nimitz, have influenced history.

Leyte. MacArthur had planned to make his first Philippine landing on the southern island of Mindanao. But Nimitz was opposed, argued that the Japs, having guessed this, were lying in wait, ready to demolish the American Navy.

So, swallowing his pride, Nimitz flew to MacArthur's headquarters, told him how as a captain he had maneuvered in southern Philippine waters, discovered one of the best landing beaches in the Pacific—the Gulf of Leyte. He urged, therefore, that MacArthur completely bypass Mindanao, fool the Japs who were waiting there, and land at Leyte.

MacArthur finally agreed. This turned out to be one of the great victories of the war — for which Nimitz to this day never has claimed credit.

LUSCIOUS LOOK  
To give baked apples a luscious look, sprinkle the tops with a little granulated sugar and place under the broiler for a few minutes.

**Painting Donated By City Banker As School Award**

M. C. Uimer, president of the First National Bank, is presenting the original oil painting "Texas Canyon Cliffs" by Victor Anderson, to the Midland public schools.

The elementary schools will compete in an art contest to determine ownership of the original painting of a southwestern canyon scene.

The fifth grades at North, South, West, David Crockett, De Zavala and Terminal elementary schools will participate in a contest of original art work by the students. The subjects of their paintings will be, "What Midland Means to Me," and they may range from tank farms to ranch scenes or downtown Midland scenes. The paintings will be presented to Miss Ines Parker, art director of the public schools, for exhibit on April 20. Seven winners will be picked, and the school having the most winners will win the gift painting.

All the schools are striving to add to the art work in their buildings, and children are made art-conscious through their art instruction, which begins as a specialized subject in the fourth grade. The schools have purchased a number of prints of famous pictures and four originals—two at high school and two at North Elementary—to place in their halls, offices, libraries and cafeterias.

Patron Of Art  
Uimer, a patron of art, contributed the picture for the enjoyment of the children. He has a number of originals on display at the bank, where a "picture of the month" is featured.

Victor Anderson, painter of the gift picture, is a contemporary artist and resident of New York. However, he spent many years in El Paso and other parts of the Southwest, where he painted numerous southwestern scenes.

Miss Parker said she is pleased with the progress of the contest. The oil-painting was shown at the various schools before the contest began.

"I believe this sort of contest gives the students the initiative to do their best work," she said. "I wish we could have a similar contest every year."

**CHRISTIAN SCIENCE SOCIETY**  
407 North C Street  
9:30 a.m.: Sunday School.  
11:00 a.m.: Church service with "Are Sin, Disease and Death Real?" as the lesson-sermon subject.  
The Golden Text, based on Psalms 68:20, is "He that is our God the Lord of salvation; and unto God the Lord belong the issues from death." Also included in the lesson-sermon is "For the word of the Lord is right; and all his works are done in truth."  
The reference in the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, is "If sin, sickness, and death are as real as Life, Truth, and Love, then they must all be from the same source; God must be their author. Now Jesus came to destroy sin, sickness and death; yet the Scriptures aver, 'I am not come to destroy, but to fulfill.' Is it possible, then, to believe that the evils which Jesus lived to destroy are real or the offspring of the divine will?"

**FIRST METHODIST CHURCH**  
300 North Main Street  
Rev. R. Luther Kirk, Pastor  
9:45 a.m.: Sunday School.  
10:50 a.m.: Morning worship. The pastor is scheduled to speak.  
6:00 p.m.: Methodist Youth Fellowship.  
7:00 p.m.: Evening service with the sermon by the pastor.  
8:00 p.m.: Young Adult Fellowship.

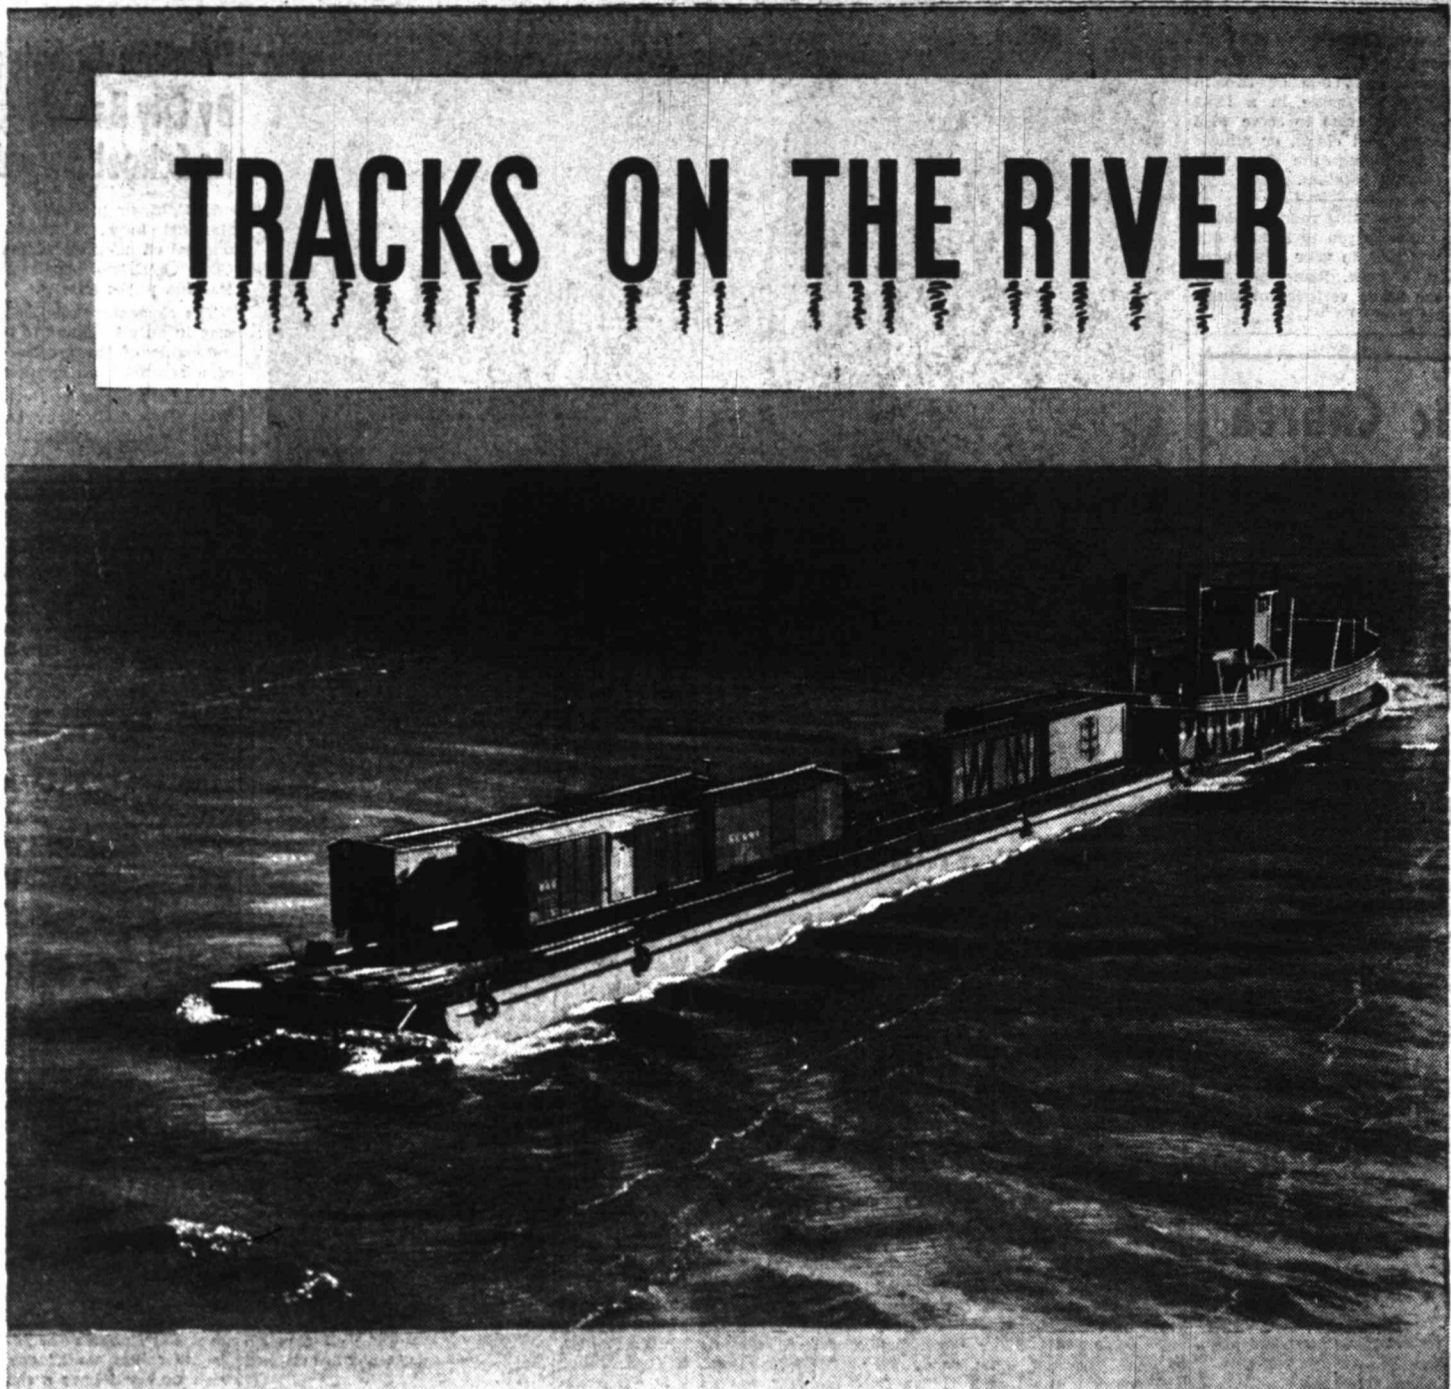

**TRINITY EPISCOPAL CHURCH**  
H and Illinois Streets  
Rev. R. J. Snel, Rector

11:00 a.m.: Morning worship  
7:30 p.m.: Training Union.  
Wednesday  
9:00 p.m.: Mid-week prayer service.

# TRACKS ON THE RIVER

There was a day when the railroad ended at the river. Cars were unloaded, freight was transferred to the river boats. Then across stream, cars were reloaded and the railroad continued its trek to the next river.

But man discovered how to lay tracks on the river. With the coming of the train barge, freight stayed on the river and was guided across the river.

In everyday life there are countless obstacles which seem to defy human ingenuity. A man is tempted to abandon the "tracks" he has followed, believing he cannot go on.

But usually the solution to these problems is just as simple as "laying tracks on the river." Stay on the rails and be guided across.

The Church will help you live by Christian principles. And in the face of a crisis, be true to those principles and depend on the guidance of God.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his sake of his community and nation. (2) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

 6:30 p.m.: Church Bible Classes.  
 7:30 p.m.: Evening service. The minister will speak.

**SHOULDER LINES**  
 A new shoulder pad of neoprene sponge rubber slips over lingerie straps, may be worn with any outer garment. Pads are off-white, to blend with skin tones, give natural line and keep straps from slipping.

**WHO WEARS ELASTIC STOCKINGS?**  
 You never know, these days, because modern nylon elastics, such as you'll find at CAMERON'S, are practically invisible. These amazingly fine-weave stockings are preferred by teachers, nurses, saleswomen and many, many others whose work keeps them on their feet. Fashioned to hug the legs like a second skin, they help and hide varicose veins beautifully, and you can wear them with the comforting assurance that no one will ever guess you have them on.

**The RIGHT Combination**  
 Potency, freshness, and purity—these qualities are present in every ingredient that goes into the medicine we prepare. And the different ingredients are carefully blended in the exact quantities specified by your doctor. The combination of these two factors—basic quality and compounding skill—determine the good you receive from your medicine, and is present in every container bearing CAMERON'S label.

**CAMERON'S PHARMACY**  
 407 S. Marienfield

## WITH THE SERVICES— Application Taken For Military Scholarships

Texas A&M College now is accepting applications for two military scholarships established by Mr. and Mrs. Jesse H. Jones of Houston. The scholarships are the Gen. Dwight D. Eisenhower Military Scholarship and the Gen. George S. Patton Military Scholarship.

### Invitation Extended To Seek Treasure In Franklin Mountains

**EL PASO**—The El Paso Chamber of Commerce invites you to spend your vacation hunting for buried treasure. The chamber, well aware of the pulling power of stories of hidden wealth, has revived a legend given much credence in the Southwest. The legend is that an agent of Pancho Villa, the Mexican bandit and revolutionary, buried a king's ransom in gold and jewels in the Franklin Mountains near here. "How much of this story is true?" the chamber asks in a widely-distributed news release. "No one knows. But it would be a lot of fun on your vacation to take a crack at Villa's treasure. Who knows? You might strike it rich."

The chamber's story continues along this line: Villa roamed at will from the poppy fields of Sinaloa to the barren deserts of Chihuahua and Sonora. Wherever he went he robbed and killed. As time passed he became immensely rich. His valuable jewels and coins became bulky and difficult to care for. He finally realized that it would be necessary to do something about all that valuable loot. With Villa were about 600 troops of the finest light cavalry Mexico has ever known. They were known as Los Dorados and were specialists of the devastating cavalry charge. **Officer Summoned** One cold morning in the high city of Durango, Villa summoned one of his lieutenants to his tent. "Teniente, I have a grave duty for you to perform." And he proceeded to give certain instructions. That same day, seven men with heavily-laden pack mules left Durango for the country far to the north. Each mule was piled high with leather bags containing the treasure. Six men, heavily armed, rode ahead and to the side of the booty. The lieutenant traveled behind.

Weeks later, the odd little group of hard-bitten men crossed the Rio Grande below the little Mexican village of Zaragoza. The lieutenant, by now more tense and nervous than ever, began to show signs of fatigue. The others in the party watched him curiously. They wondered what he meant to do, for he had told them nothing. They soon turned up the mouth of a canyon that leads into the Franklin Mountains. As they progressed up the steep slope, the lieutenant knew the time was at hand. **Start Digging** The group unloaded the burrows, stacking the treasure neatly upon the ground, and began to dig a hole in the rocky soil of Mount Franklin upon the orders of their superior. The hole grew ever deeper; then came the shots. Six of them. Followed by screams of mortal anguish. In the stillness that followed could be heard the swish, swish, of dirt being thrown into a hole, covering the treasure and any signs of the murder committed. Before leaving, the lieutenant made a map of sorts to use in returning for the treasure. Upon a nearby rock he inscribed one word in Spanish. "ORO," Gold!

**RANKIN SOLDIER**—Pvt. Travis G. Taylor, son of Mr. and Mrs. C. G. Taylor of Rankin, now is with the 7th Division in Korea. Private Taylor, who has been in combat, last was heard from while in a rest camp recently. He left the States for overseas duty early in March. He is pictured at the T&P station in Midland before boarding a train for the West Coast.

**LAUNDRY REFRESHER**  
 If the face and hands perspire while you are ironing, sponge them frequently with chilled good quality witchhazel. It will dry perspiration and keep your skin cool.  
 Don't overload your child's plate or he's likely to get discouraged before he's through eating. Give him small servings, let him clean his plate, and then offer him a second helping.

 Pin point chenille spreads with wide matching fringe! All new decorator colors! Full size.

# GROWING MIDLAND

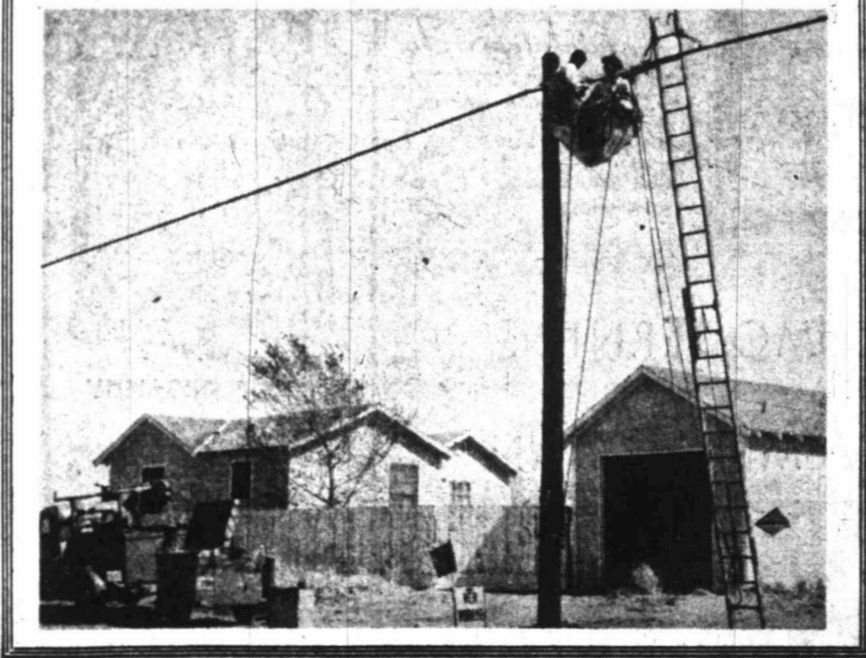

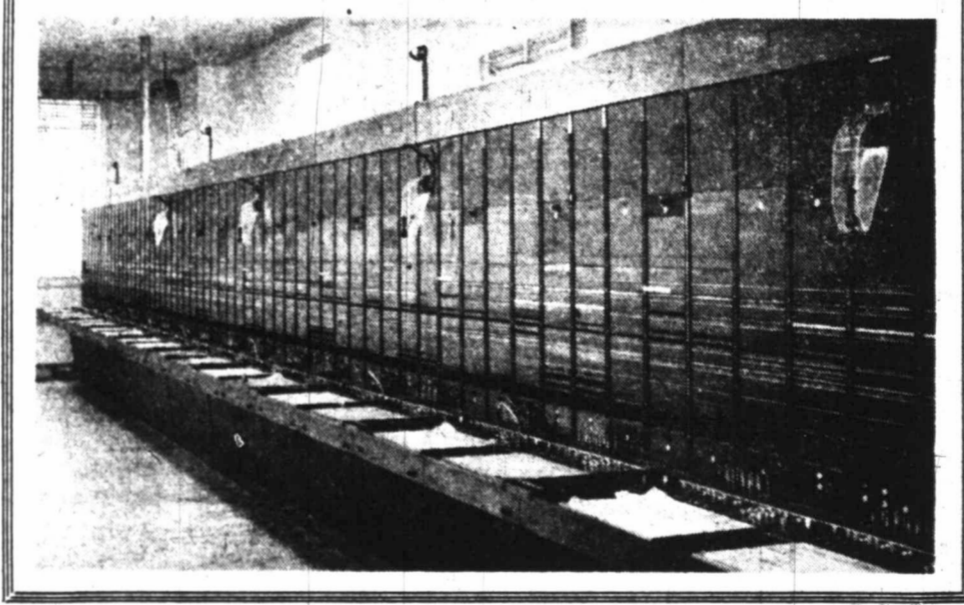

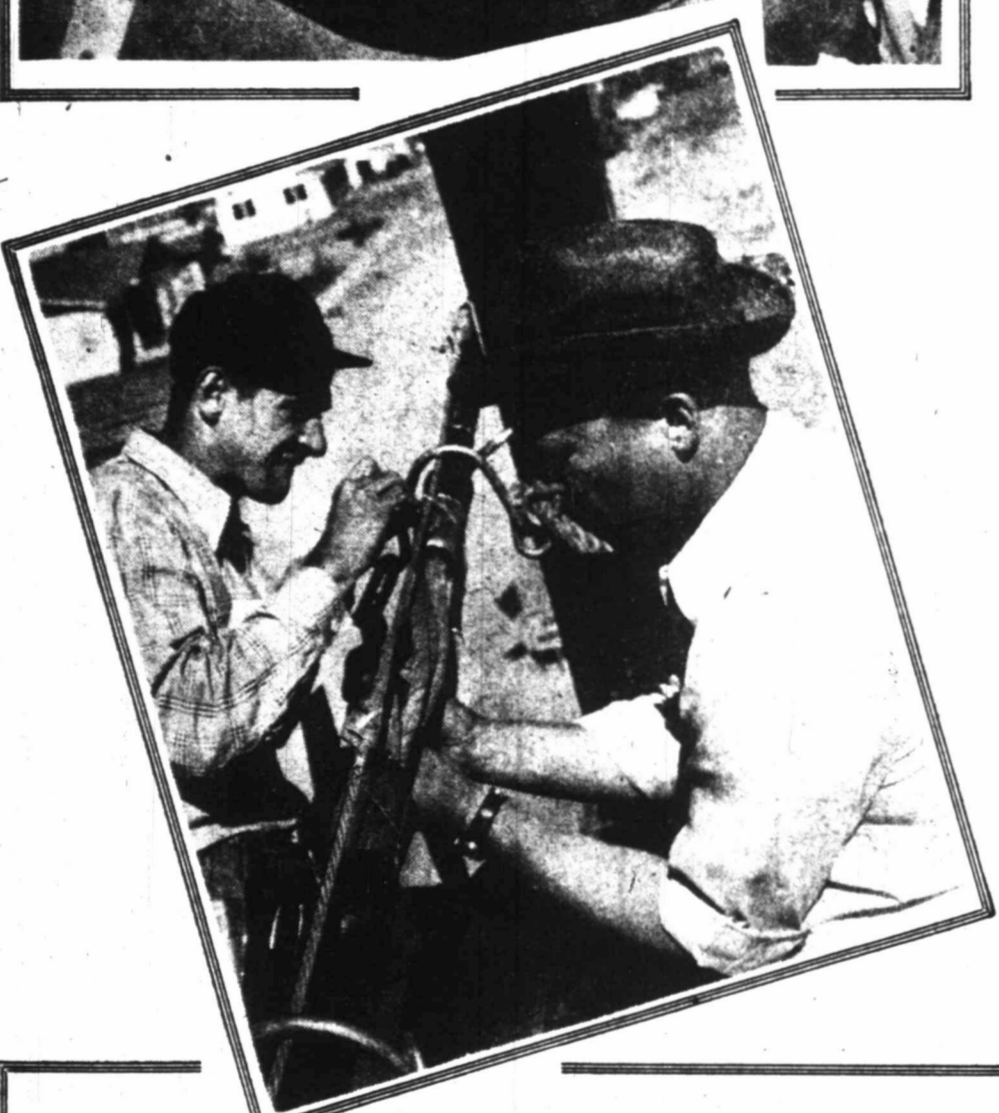

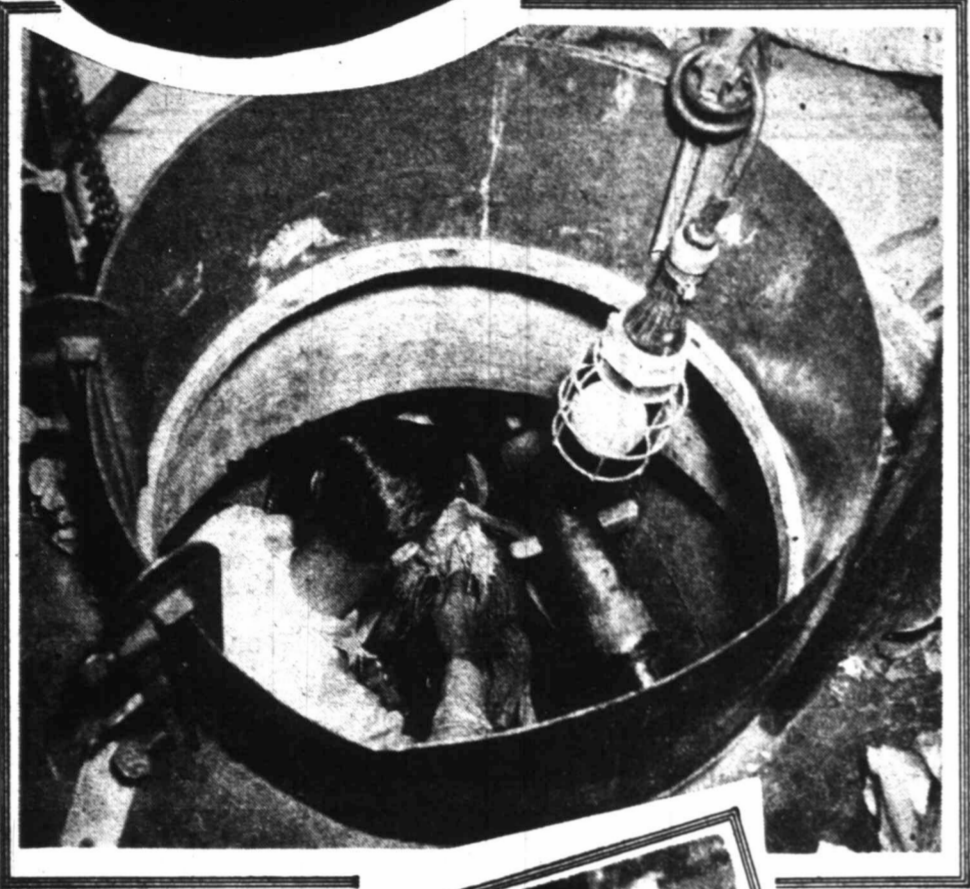

## Gets Dial Telephone System

A new dial telephone system to serve the increased needs of Ever-Growing Midland will be placed in operation early this Summer by the Southwestern Bell Telephone Company, which now is completing a \$2,000,000 expansion and modernization program here.

The telephone company's new and attractive building, pictured at right, top, is being occupied this weekend.

Other construction and equipment installation scenes are pictured, as follows: left, top, underground cable work; left, center, aerial cable splicing project; left bottom, Western Electric workers test a recently installed switchboard; right, center photos, huge toll switchboards assembled in the new building; right, bottom, workers install new overhead cable which will provide service for new and fast-developing residential areas.

Progress continues in Progressive Midland.

### Crane News

CRANE—A son, named Paul Wayne Shipps, was born April 10 to Mr. and Mrs. K. V. Shipps at the Crane Memorial Hospital.

The Crane County American Red Cross campaign was oversubscribed by \$22.50. The county quota was \$912, according to John A. Bindman, campaign chairman.

Seventy-four members of the Crane band will enter the Inter-scholastic League contest in Monahans Saturday under direction of Eldon M. Sonnenburg. The band will be judged in concert playing, sight reading and marching. The Crane band will play at 9:30 a.m. in the high school auditorium in Monahans and the marching contest will be held that night.

Girl Scouts and Brownie troops of Crane are receiving invitations to attend camp at Mitre Peak. The camp will open June 10 and close August 4.

Mr. and Mrs. Buster Sewell are new residents of the Shell Pipe Line camp near Crane that is known as Barnsley Station. Sewell replaced W. K. Hawthorn who has retired.

Mrs. Gene Havins, the former Jacqueline Mathes, accompanied by Mr. and Mrs. Elmer Havins of New London, has gone to Washington, D. C., where she will be met by her husband who is on Navy duty at Philadelphia. The couple will reside at 4618 Cedar Avenue, Philadelphia, following a tour of New York and other places in the east.

Mrs. Marilyn Wade, formerly Marilyn Lowe, was elected Sweet-heart of the Sheriff's Posse of Crane this week. She is the daughter of Mr. and Mrs. Paul Lowe and is well known in West Texas rodeos. She will represent the Sheriff's Posse in barrel racing in the Pecos Rodeo opening Sunday.

### Dirt, Squirt and Quirt

— FARM, DAIRY AND RANCH NEWS —

This dry weather business is past the joking stage and is becoming more and more serious every day, as the cloudless skies and high winds continue much in evidence.

April showers failed to develop during the first half of the month, and ranchers and farmers look hopefully for at least scattered showers during the remainder of the month.

Grass, weeds, wild flowers and crops of all kinds will be noticeably absent if the current dry spell, extending from last September, continues much longer.

Still out on a limb, DSG predicts moisture in sufficient quantities to produce grass and weeds and to permit planting by the end of the month. Anyway, we can hope, can't we?

J. C. Williams, assistant extension poultry husbandryman of Texas A&M College, will be in Midland Tuesday to discuss poultry production problems with Midland County farmers.

County Agent Charles Green said Williams will be in his office during the day to talk with poultry raisers.

A wild horse race will be a special feature of the twenty-second annual "West of the Pecos" Rodeo at Pecos, July 2-4, officials of the Pecos Rodeo and Fair Association announced. The race will be substituted for the usual cutting horse contest. The unpredictable horse race will be quite an addition to the rodeo card.

The Pecos Rodeo officials also voted to increase prize money to \$5,000, a \$740 increase over last year. Beutler Brothers of Elk City, Okla., will produce the show.

Rodeo competition between Sheriff's Posse from over this section will be fast and furious Sunday afternoon at Pecos as posse members from Midland, Monahans, Fort Stockton, Crane, McCamey, Rankin, Odessa and Pecos stage one of the largest events of its kind ever held in West Texas. The Reeves County Sheriff's Posse will be the host organization, with Charlie Walker, Jr., acting as chairman.

Events will include calf roping, steer roping, barrel racing, and cutting horse contest.

The Pecos County All-Girl Rodeo, scheduled to be held April 27-29 at Fort Stockton, will feature a rodeo queen contest for school girls. Prizes will be awarded the winner and runners-up.

The entries will be judged 90 per cent on personal appearance and 10 per cent on horsemanship.

H. H. Williamson, assistant director of the Extension Service, U. S. Department of Agriculture retired March 31. He will live in Bryan and manage his farm in Grimes County. Williamson's career of public service spans more than 39 years, most

### Presbyterian Men Name Committees

Personnel of standing committees of the First Presbyterian Men of Midland for 1951-52 have been announced by President Ed Stitt, as follows:

Greeting—John Perkins, chairman, W. H. Gilmore and R. E. Gillespie; membership—Ernest Eldwell, chairman, So' Bunnell and J. T. Baker; attendance—John E. Reid, chairman, Harold Hensley, Wayne Ashmore, Paul Anderson and Dayton Bliven; program—Murray Fasgan, chairman, Hamilton McRae, Robert L. Wood, J. W. Starr and Bill Collins; Boy Scouts—Dr. R. C. Spivey, chairman, Robert M. Payne, W. H. Greenhaw, Cliff Torgerson; Cuba—R. D. Madland, chairman, and Bill Kubler; Finance—Al Vinyard, chairman, Jack Hawkins and Sidwell.

George Van Huyen is vice president of the laymen's group, and Reid is secretary-treasurer.

Rub a cloth over the inside of overshoes before putting them on. If there is dust or dirt on the overshoe lining, they may discolor your shoes.

### Livestock

FORT WORTH —(F)— Weekly livestock movement was moderate at Fort Worth. All classes of cattle and calves steady and stocker cows, stocker calves and stocker yearlings were stronger in spots. All weaners and grades of hogs closed steady. Milk lambs \$1 to \$2.50 higher and other sheep and lambs steady.

Comparative prices — slaughter steers and yearlings 28-38, slaughter cows 17-28.50, slaughter calves 21-28.50; stocker calves 30-50, stocker yearlings 30-45, stocker cows 24-32, shorn lambs 20-32.50, slaughter ewes 22-18.

**FUTURITY TRIALS SET SUNDAY IN BIG SPRING**

BIG SPRING—Elimination Trials for the third annual Sheriff's Posse Futurity will be held here Sunday. Sixty-one two-year-old horses from four states are eligible to compete for purses expected to exceed \$11,000.

In addition to some six heats of two-year-old Futurity Trials, additional races up to seven-eighths of a mile will be on the program.

**The Chef** and his favorite fare... **Steak** flame-broiled to retain that unbeatable flavor

The efficient, smokeless broilers of gas ranges built to "CP" standards are cool, convenient and easy to clean. Even broiling is easy... there are no "hot spots." Fats and greases are drained away from heat zone to prevent sputtering and smoking. Rising food and grease vapors are incinerated in the broiler flame. And... in West Texas where "Steak is King"... most people say, "I want my steak flame-broiled."

You can always count on winning their favor with the flavor of flame-broiled steaks... done to a turn... in an automatic GAS range built to "CP" standards.

**West Texas Gas Company**  
 HELPING BUILD WEST TEXAS SINCE 1927

of it with the Agricultural Extension Service. He was graduated from Texas A&M College in 1911, and in 1912 was named State Boys' 4-H Club Agent for Texas. He later served as state agent, assistant director and state agent, and from 1935 to 1943 as director of extension in Texas. From November, 1943, until January, 1945, he was agricultural relations adviser to the Office of Price Administration and since January, 1945, has served in the position he held at the time of his retirement.

Seventeen colleges have accepted invitations to enter the various events, he said. Eight events—six for boys and two for girls are planned. Leather saddles will be given the top boy and girl performers in the rodeo. The girl winning first place also will receive a set of luggage. The second place girl will win a hat, and the third place will get a pair of spurs.

Stock for the show has been contracted for, Wicker stated. Committees now are planning booster trips, repairing the arena, organizing a parade, and preparing for Frontier Fracas Week.

The six cowboy events are bareback bronc riding, calf roping, steer dogging, saddle bronc riding, bull riding and ribbon roping. The two events open to Cowgirl entries are goat tying and the clover-leaf race.

Although Texas farmers have just brought their livestock through a hard winter, they should not forget that farm animals suffer from a lack of feed in the Summer time also.

Green, lush grazing during the hot Summer months is an important part of a livestock pasture program, says A. W. Crain, extension pasture specialist of Texas A&M College.

He recommends a mixture of sudan grass and cowpeas as the best forage plans for supplemental warm season pastures.

At least an acre of supplemental pasture to the cow is ideal. If more forage is produced than is needed for grazing, it can be cut for hay.

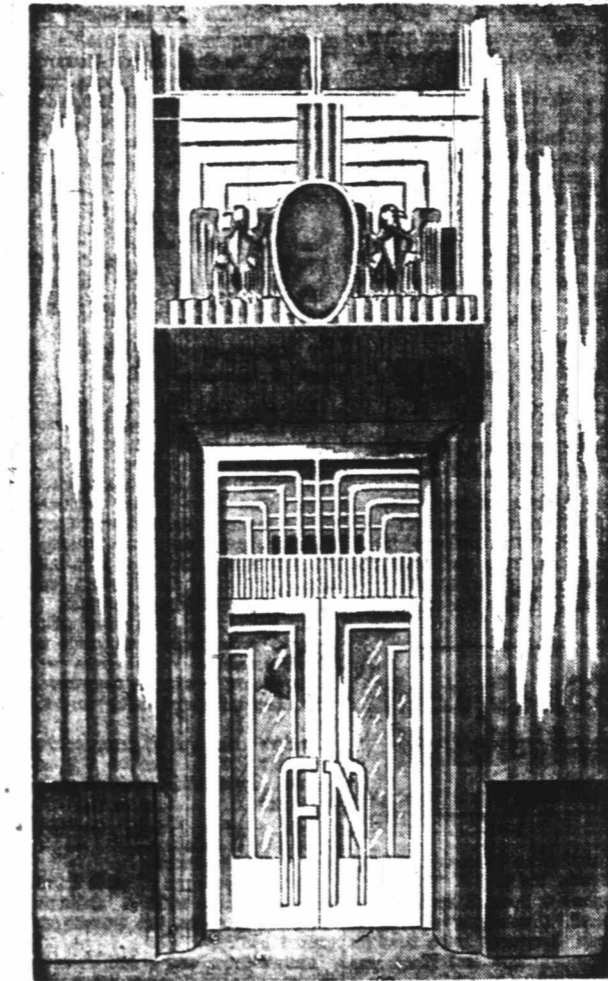

Three Crockett County 4-H Club boys, Bill Schneemann, Graham Childress and Jimmy McMullan, all of Odessa, are looking forward to a Summer vacation they'll not soon forget. According to Crockett County agricultural agent W. A. Bergfeld, Jr., they have been selected as winners of a trip to Minnesota and Ontario, Canada. They will spend a week in the northern wilds fishing, camping, canoeing and just having a good time. Their host for the outing will be Tommy Bartlett, well-known radio and television personality.

The invitation to make the trip came as a result of a guest appearance that seven Crockett County 4-H boys and their sponsors made on Bartlett's television show while they were attending the International Livestock Exposition in Chicago last year. The boys were guests at a private party given by Bartlett the night they left Chicago to return to Odessa.

Later, in a letter to County Agent Bergfeld, Bartlett invited three members of the Odessa 4-H Club to be his guests for one week this Summer. He left the selection of the boys to the 4-H officials. The parents of all eligible boys in the county made the rules for the awards as well as the final selections.

# Thirteen Win Top Honors At Lubbock

Thirteen MHS students won honors at the District Interscholastic League Contest at Lubbock on Saturday, April 7.

First place honors were won by Charles Whitmire in senior boys declamation with the prose selection, "The Meaning of America"; Bill Robitsek with "The Creation", a poem, in junior boys declamation; Catherine Carter in junior girls declamation with "The Music Brothers", a poem; and Royce Measures in extemporaneous speech with the speech, "Should Germany Be Re-armed?"

Helen Heideberg tied for second place in Junior girls declamation with "Patience", a poem. Sandra Kiem and Frances Bond won second place in spelling as a team.

Third place honors went to Gail Baker in typing, and Jean Ferguson, Joyce Howell, Clifford Wilcox and Joe Barnett—the debate team. They debated the yearly topic, "Resolved: Social Welfare Benefits to the People Should Be Extended by the Federal Government."

Other students representing Midland were Toya Chappie, Diane Anderson, Mary Jo Hejl, Joe Barnett, Nancy Webb, and Jane Unbrson in typing; Gregory Lovelady and Wesley Pittman in ready writers; Barbara Acker, Wanda Burnside, and Jeanita Rice in shorthand; and John Van Buskirk and Fred Meissner in slide rule.

There are numerous Patsy Smiths and Johnny Jones but few Patricia Victoria Smiths and John Alexander Jones. In future years, if an employer asks for the record of Patricia Victoria Smith and the school files contain the records of four or five Patsy Smiths, it would be a guess on which record was wanted.

So check at the office and mark out your nickname and give your complete name.

Lunch time at MHS means congested streets and traffic jams. This, for the most part, is unavoidable, but the situation can be helped greatly by the cooperation of the high school students. Herbert Runyan, the patrolman for that area, has asked the students to be a little quicker and more careful when crossing the streets.

This is a very reasonable request—lets remember it.

# The Poor Fish Pay Off For Rosamond

Hey, freshmen! Did you know that you had an aquarist in your midst? In fact, she's right in the freshman class! (Or do you even know what an aquarist is? In case you don't, an aquarist is a person who collects fish.)

The name of the girl whose hobby is collecting fish is Rosamond Turner. Rosamond is 15 years old, five feet, four inches tall and has brown hair.

Rosamond started this hobby when, in 1948, a famous collector gave her two tropical fish. She then became very interested in fish. Starting with the collection of two fish she now has seventeen different varieties of fish. The three types of fish she has are live bearers, egg laying fish, and bubble nest builders.

Rosamond receives fish from Tampa, Fla.; Houston; Austin; San Angelo; and San Francisco, Calif.

Rosamond's schedule includes homemaking, general math, history, and English literature. Her favorite course is homemaking, her favorite teacher being Miss Parmenter, the homemaking teacher.

Her pet peeve is lazy people. She likes all kinds of meat foods and has quite a "sweet tooth!" Besides her liking for collecting fish, Rosamond likes very much to ride horseback. She plans to raise wild horses when she grows older.

Her ambition is to raise fish—and horses—if her "fish business" keeps on prospering. This past year her fish have made for her \$1,000! Anybody want to enter the "fish business"?

MHS Band Presents Assembly Concert

Midland High School Band presented a concert in assembly Thursday.

The first piece of music the band played was the march "Thunder." Next came a Spanish march, "El Cabellero," "Dramatique" and "Early American Overture," were next on the program. The last piece was the march "Salutation."

"El Cabellero," "Early American Overture," and "Dramatique" are three pieces the band played in the band contest at Monahans, Saturday.

LOW RENT

The U-S homestead system of granting public lands to settlers involved a rental of only one cent per acre per year, according to the Encyclopedia Britannica.

# Freshmen In Yearly Show For Students

The annual production of "Freshman Frolics" was presented Friday, April 13, in the Midland High School auditorium.

On the program was a dance by Mary Echols, Mary Dickenson, Charlotte Frasher, Donna Howard, Marilyn Dunagan, Carol O'Donnell, Lynn Hibbits, Carol Tompkins, Carolyn Davis, Eddy Tanner, Nona Lynn, Marsha Heald, Betty McNulty and Betty Spurgers.

Patsy Jean Lineberger sang "Orange Colored Sky," accompanied by Patricia Moreland.

Bill Robitsek played "Romance" by Rubenstein on the piano.

Sally Breeze, Judy Edwards, Anne Grayum, Joan Fitzgerald, Ann Fitzgerald, Frances Hefren, and Betty Sivalis appeared in a skit.

Martha Forest sang "Marshmellow World" while Barbara DeLay accompanied her on the piano.

Bill Mayfield played "Mummers" on the bass horn.

Virginia Kroenlein played a piano solo, "Prelude in C Sharp Minor." Sharon Burt, Barbara DeLay, Audrey Eaton, Jo Reba Davis and Bill Robitsek presented a skit called "My Cousin Sarah Jang."

Gerry Geisler played a piano solo—"Waltz in C Sharp Minor."

Sandra McMath gave a reading called "The Highwayman."

Tommie Underwood sang "Tea for Two" extremely well.

Glenda Breeze sang "Summer-time."

Ann Ashby and Dona Ingham received quite a "hand" on their playing the ukuleles and singing "Brown Eyes," "On Top of Old Smokey," "Cochain Blues," and "Show Me the Way to Go Home."

Carolyn Reigle played "Mockingbird Hill" on the organ.

Ann Matlock and Wanda Moore proved themselves to be quite good—they sang "Tennessee Waltz."

Harold and John Vanderpool put on quite a show while they boxed. Jerry Alimon and Rosalind Lester sang "You're Just in Love."

Roberta Stewart, Paxton Howard, and Harold Vanderpool were the announcers. Mrs. Betty Cotton, Miss Helene Miley and Miss Bonnie Eddy are freshman sponsors.

# Co-eds Show Off Dresses

The fact that the girls of Patsy Massey's sixth period sewing class have been hard at work was shown by the dresses displayed the last two weeks in the homemaking show case.

The first display included dresses made by Naomi Rasco, Carol Paterson, and Anita Sears. Naomi's dress was of yellow linen in a tailored style with flared skirt, cape sleeves, and white pearl buttons.

The rust, white, and black print dress of spun rayon was made by Carol Paterson. This dress was made with cap sleeves, a gathered skirt, peplum round collar and tie belt.

Anita's dress was of green corded pique with white trim on the cap sleeves, round collar, and full gathered skirt.

The second display featured dresses by Pat Gaines, Kitty Anderson, and Anita Sears.

Kitty's dress was of pink handkerchief linen with a gathered skirt, round collar, cape sleeves and tucked bodice.

Anita's dress was a sun dress of yellow and grey flowered pique with a white corded pique jacket.

Pat's two-piece suit had a navy blue gabardine skirt and a jacket of grey gabardine with navy covered buttons and three quarter-length sleeves.

LARGEST SAPPHIRE

World's largest star sapphire is the Black Star of Queensland. This giant gem originally weighed 1,156 carats, but now is 733 carats in its finished state.

Also stated in the article was the fact that parents should set good examples by their own driving and should take off those rose-colored glasses that loving parents wear and wake up to reality before their children are killed or maimed.

If an increased number of careful drivers is noticed next week, you can be sure that they are the people who read this article.

Radio Play Given By Speech Class

The radio speech class broadcast a 30-minute radio play, "Inside A Kid's Head," over station KJBC, last Monday.

"Inside A Kid's Head" is a comedy written by Jerome Lawrence and Robert E. Lee.

The play takes you on a tour through the head of a 10-year-old boy. By means of speaker system and visual channels it is possible to see and hear all that goes on in the boy's imagination.

The cast featured Raymond Leggett as the small boy. Others in the cast included Corky Moss, Emily Hamilton, James Johnson, Jim Lock, Leon Cline, Maxine Hill, Tommy Parker, Tom Vannaman, Clint Dunagan, Duane Abell, Mary Sue Adams, Phyllis Bufkin, Don Leaton, Russell Moore, Emily Studert, and Dephane Teas.

# An Editorial You Still Have Time To Pass That Course

Are you failing any of your subjects? If so—don't give up yet. You still have enough time left to pass if you really want to.

Two, or even one semester is a long time to throw away. When you fail a subject you have wasted four and a half to nine months of yours and your teacher's time, you have

wasted a lot of your parents' money, and you have left a black spot in your school record.

You can still pass, if you start tomorrow—with the right attitude, and in the proper way.

First, you must talk to your teacher. Find out where you stand and why you are

failing. He or she will tell you what you need to do in order to pass.

If you follow these instructions implicitly and in a sincere and ambitious manner—you will pass. It will take a lot of ambition, industry and will power—but if you stop to consider the consequences for failure—it will be well worth the effort.

# THE BULLDOG

Written By The Journalism Class Of Midland High School

# MHS Observes Pan-American Week

## 21 Nations' Flags Shown

Last week was celebrated throughout all of the member nations of the Pan-American Union as Pan-American week. The week celebrated the unity and friendship of the 21 American Republics as well as the formation of the Pan-American Union on April 14, 1890.

The Spanish department of Midland High School, under the direction of Miss Minnie Jackson, took an active part in the celebration by presenting a play in assembly Wednesday. They also arranged a display in the show case on the first floor of the building.

The play was written and presented by Miss Jackson's first period second year Spanish class. The action took place in a park in Mexico, where a man, Joe Cates, had seated himself on a park bench.

The many people who bothered him as he sat there were a serape vender, Roy Ripley; two serenaders, Valentin Reyes and Fidel Ramirez; a beggar, Rosemary Anderson; a flower vender, Elaine Johnson; and orange vender, Marcelino Moreno; a paper boy, Robert Payne; a shoe shine boy, Jim Ten Eyck; an American tourist, Nancy Steedman; a lottery-ticket vender, Mike Sanchez; a blind man, Barney McClendon; two happy men, Marcelino Moreno and Valentin Reyes; a woman who has lost her dog, Diane McDonald; a candy vender, Jo Ann Thomas; and a man asleep, Harold Hensley.

The showcase display included flags of the 21 American Republics. Also in the display were pottery; a serape and hat, all of Guadalajara, Mexico; hand-carved bookends from Mexico City; and a lacquer tray from Uruapan, Mexico.

## Driving Safety Stressed

"Let Them Drive—or Stay Alive," was read to Miss Perkin's advisory room Friday, April 6, by Nancy Webb. The article, which deals with the driving habits and character traits of teenagers, greatly impressed everyone.

The article states that parents should instill in their children the pride of safety rather than speed, should appeal to their sense of responsibility, and if nothing avails, use a flat, "No."

Driving automobiles requires moral knowledge, the knowledge of the use of power. Unless children acquire a sense of responsibility before they are old enough to drive, they are not likely to acquire it behind the wheel.

Also stated in the article was the fact that parents should set good examples by their own driving and should take off those rose-colored glasses that loving parents wear and wake up to reality before their children are killed or maimed.

If an increased number of careful drivers is noticed next week, you can be sure that they are the people who read this article.

## Remember When?

About a year ago, on April 16, some of these facts were contained in the issue of the Bulldog published on that date.

The FHA was planning a talent show to be presented at a paid assembly.

The track team and golf team as well as typists, slide-rule entrants, declaimers and journalists were preparing for a regional meet in Lubbock on April 21 and 22.

The date for the presentation of the 1960 senior play, "The Great Big Doorstep" were announced to be May 11 and 12.

Minnie Jackson, MHS Spanish instructor, was chosen to go to El Paso to help evaluate the foreign language departments in Bowie and Jefferson High Schools there.

Nancy Klingler was the featured student of the week.

Advertise or be forgotten.

# MHS Chooses Larry Mayfield Vannaman Is Winner Of UN Tests

Larry Mayfield was chosen last week by the Junior Class to represent Midland High School at Lone Star Boys State which is to be held June 17 through 23.

John VanBuskirk was chosen as the alternate.

Lone Star Boys State is held annually at the Texas School for the Deaf at Austin, Texas, under the sponsorship of the American Legion. Its purpose is to teach youth of today constructive attitudes toward the American form of government.

Boys State attempts to show that our scheme of government has not outgrown its usefulness—that all a democracy needs is an intelligent citizenry and a clean, honest and impartial administration responsive to the will of the people.

The constitution and the statutes of the State of Texas are patterns from which the fundamental laws of Lone Star Boys State have

been developed. Boys State should be thought of as being a mythical 49th state with a constitution, statutes and ordinances constructed by citizens to govern themselves.

Citizens of Boys State not only will be required to review knowledge already acquired concerning the political machinery of commonwealth, but they will find themselves performing exactly the same functions as real office-holders in the every day world.

In Boys State, boys organize their own officials in accordance with regular political procedures. They learn the duties of the various city, county and state officers. They introduce and argue their own bills in a legislature. Justice is administered by their own law enforcement agencies and courts. In Boys State young citizens have the opportunity to learn for himself that his government is just what he makes it. Each boy "Learns by doing."

Boys State originated in Illinois in 1934 and is now operating in 45 states. It was adopted by the National Organization of the American Legion.

Larry Mayfield

Tom Vannaman, a junior, placed first at Midland High Schools in the annual United Nations Student Contest April 3. He will compete in the national contest.

Ruth Nell Kuykendall finished in second place.

Approximately 3,000 schools from every state and every territory of the United States are entering this year. Questions for the contest were based on the organization, history, and the work of the United Nations.

The Midland High School P-TA offered a prize of three dollars to first place and two dollars to the second place winners in the local contest.

Papers of first and second place winners will be sent to National UN headquarters in New York City. The result of the national contest will not be known until June.

Honorable mentions in the contest went to Lynn Griffith, Ruth Blyberg and Harold Atkinson.

## Calendar

Monday—Clubs, Group II.  
Tuesday—Advisory rooms.  
Wednesday—Assembly at 10:20 by Texas Western College Choir.  
Thursday—Clubs, Group II.  
Friday—Assembly.

Twenty towns in Texas are named after presidents of the United States.

## What The Teachers Say

### Dependability Is The No. 1 Virtue Of The Student

We've read what the girls like most about the boys and what the boys like most about the girls.

This week we find out what qualities the teachers most admire in their students.

Here are their answers: Mr. Jack Mashburn—Honesty. Mrs. Vita Percy—Dependability, scholarship and sense of humor. Mrs. Elsie Magee—Dependability.

Miss Josephine Weaver—Dependability, ambition and a desire to learn.

Miss Theresa Klapproth—Dependability and honesty.

Miss Helen Miley—Dependability and cooperativeness.

Mrs. Sarah Barron—Honesty and respect.

Mrs. Faye Campbell—Honesty and respect.

Mrs. Helen Rucker—Quietness and politeness.

Miss Bonnie Eddy—Willingness to learn and ability.

Mrs. Betty Cotton—Dependability.

Miss Louise Boyd—Cooperation and honesty.

Miss Dorothy Perkins—Cooperative attitude in class.

Miss Gwen Gordon—Good naturedness and a good attitude.

Mr. Bohn—Good sense of humor and honesty.

Miss Verna Harris—Hard work, neatness, conscientiousness and dependability.

Mrs. John Bigilo—Honesty and sincerity.

## Humphrey Haunts

### Midland Artist To Exhibit Paintings

The Midland High School Art Department is presently exhibiting a collection of paintings done by a local artist.

Art Cole, director of the Community Theater, paints watercolors in his spare time as a hobby and for relaxation.

On Sunday morning or late at night, when he wants to relax, Cole takes his paints and either goes out around Midland and paints local scenes or paints objects around his home.

From this hobby he has developed a fine talent and has collected a beautiful group of pictures.

These paintings will be on display in Room 211 at MHS for two weeks, from April 9 until April 27. Everyone who is interested is invited to see these paintings.

Inez Parker, art teacher, will be happy to show Mr. Cole's pictures to anyone who would like to see them. Also on display are a group of house plans done by the first and second period art classes. The plans were drawn for their six-week test.

Five MHS boys journeyed to Brownwood Lake on Friday, April 6, to do a little fishing. Pete English, Jimmy Adams, Dickie Blake, Bill Leonard, and Wade Feemster were the boys who made the trip, and Wade is credited with the only two fish caught on the whole trip. Some fishermen!

(Boys from Explorer Troop 85 went to Possum Kingdom last weekend.)

Here is the result of the trip that Carolyn Cook, Peggy Charlton, and Suzanne Young made last weekend to Austin. While Carolyn was trying out for majorette of the University of Texas Longhorn band, she reached down to catch her baton after a very tricky twirl and she split the jacket of her uniform all the way down the back. The accident caused her to drop her baton but she went right on with her routine and finished with flying colors. If Carolyn does not get majorette it will be the fault of the uniform and not her twirling. She will not know until June whether...

Mr. E. E. Reigle showed colored slides on Mexico to the Spanish Club, Group II. The second year Spanish Club visited the first year club.

The National Honor Society has voted to buy a globe for the library.

"Does the Size of a Class Effect Learning," was the topic of the program for the Future Teachers Club. Estelle Hooper spoke on "Truth, Faith and Allegiance." Adele Hancock spoke on "Effect of Class Size in Learning."

Mr. Bizilo's Science Club observed the habits of red ants during club period. James Upham built a home for the ants collected by Don Fritz. The ants are fed bread crumbs and sugar.

DEADLY MONOXIDE

Carbon monoxide poisoning, usually caused by operating an automobile in a closed garage, takes an annual toll of between 500 and 700 lives in the United States.

During the first 90 degrees of crankshaft rotation, a piston travels farther than during the second 90 degrees.

AN OSTRICH WITH STEMS LIKE THAT?—The fine-feathered creature, left, that struts onto the stage in the Folies Bergere at the London Hippodrome has all the appearance of an ostrich—except for a pair of shapely feminine gams. Shaking off her disguise, right, dancer Renita Kramer of Estania does a fast-stepping dance in her long-feathered dress. Then she folds back into her ostrich shell and exits.

## Clever Divider Creates Hallway, Provides Shelves

An attractive entry hall may be created adjacent to the front door simply by constructing a functional room divider. This device, which is gaining fast acceptance among home owners, may be installed while the house is under construction or in an existing structure.

Many home owners feel the room divider furnishes a better entry hall than a separate room, primarily because of its functional nature and reasonable cost. Most room dividers used for this purpose are less than ceiling height, and many are lower than eye level. The height is a matter for individual preference and the storage requirements.

Sometimes the room divider is made large enough to serve as guest closet. It has many possibilities, limited only by the ingenuity of the designer.

Whatever the design, the room divider is constructed on a sturdy framework of light lumber. A popular covering, nailed directly to the

framing, is Masonite 3/16-inch hardboard, which has a reputation for standing up well against abrasion and bumps of the type it would receive in this location. Its smooth surface takes a beautiful paint job. The entire structure is fastened to the floor and, at one end, to the wall studs.

In the event storage room is required for coats, of course, at least a portion of the divider should be tall enough to hold the garments. Door height is suggested. Width of the divider will vary according to individual conditions, but it probably will be a minimum of one foot.

**Bookshelves Provided**

On the living room side, provision may be made for open bookshelves or shelving protected by sliding doors. Again, versatile hardboard can be used, as it makes ideal panel doors that slide in grooves cut into the lumber or in channels that may be purchased at a hardware store.

## Tomorrow's Home To Work For, Not Against, Women

Builders continuously are finding new uses for glass, one of men's oldest materials, in planning homes that work for housewives instead of against them.

"Glass today is playing an increasingly important role in the planning of tomorrow's 'work-less' homes," said Frank Sohn, architectural consultant, "because it not only lightens the cleaning problems, but also helps to make the general atmosphere brighter and cheerier."

For example, big picture windows are much easier to clean than windows with small panes, he said. Home economists also point to the labor-saving advantages of mirrored or glass-topped furniture which can be kept lustrous without polish or maintenance.

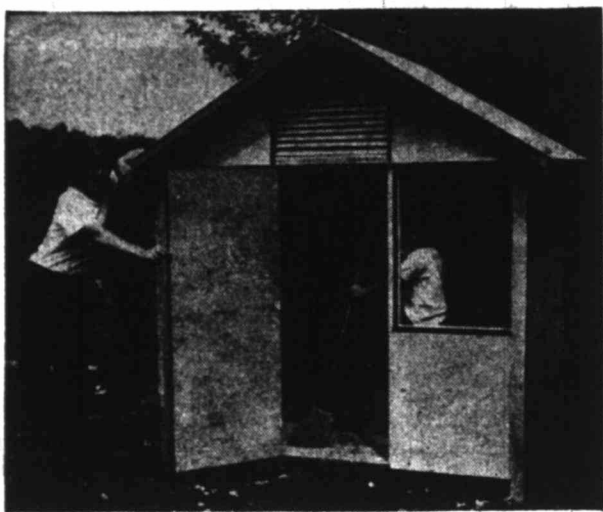

**Designed For Future**

One eastern builder has designed a house for the future with a large picture window of insulating glass that operates like a sliding door in the summertime so the living room becomes, in effect, a large porch.

Architect Seymour Joseph of New York created another innovation in designing partitions of pattern glass that move for the sake of ventilation.

"Housewives are insisting that homes be made easier to run in order to enable them to devote more time to their family, outside interests and hobbies," Sohn concluded. "Architects and builders have done wonders in the last few years in developing an American Style that answers these desires."

## Backyard Play House

Little Ann Searls sweeps out her new playhouse following its completion in the backyard of her home in Mamaroneck, N. Y., while brother Mel, who designed it, looks on. When not in use for tea parties, it will serve as a storage spot for bicycles and garden tools.

A backyard playhouse, with multiple-utility features, is an addition any cramped-for-space family will appreciate. Besides providing endless hours of out-of-doors enjoyment for the children, it can double as a bicycle garage and as a winter storage for garden tools.

Such a playhouse was designed and built recently by 15-year-old Mel Searls of Mamaroneck, N. Y., for his seven-year-old sister, Ann. It won for him a special citation from the Asbestos-Cement Products Association.

The playhouse has an overall measurement of six by six feet and is mounted on skids so that it may be moved to various locations in the yard. It is constructed of fire-safe and rot-proof asbestos-cement sheets applied over a wood frame-work. All windows are of safety glass for protection of the children. One of the center back windows is a hinged barn sash. The other windows are fixed panes of glass.

Asbestos-cement sheets were chosen to enclose the structure for a variety of economy and safety reasons. Nominal in cost, the material is easy to cut to shape and nail in place. It is incombustible and highly resistant to weather. Both sidewalls and roof are covered by the asbestos sheets.

Inside the playhouse there are hinged bunks and a hinged table, all of which mold flat against the walls when not in use.

In building the house, a floor first was laid over skids of 2x4-inch lumber. Then each side wall was fabricated separately and fastened to the foundation floor. The roof unit then was built and lifted into place. For ventilation, screened louvers were included. Corners and roof ridge were trimmed with wood.

## Spring Roof Check Urged

Regular inspection of the roof should be made to detect leaks before they become serious enough to damage the building or its contents, and home owners are advised to have a contractor or roofing applicator make this inspection in the Spring.

Roofs take a severe beating during the winter. Another reason for a thorough check-up on the roof this Spring is that wind storms of unusual intensity swept many sections of the country in 1950. While the damage to some roofs was immediately obvious, other roofs suffered hidden damage, which now may be showing up.

Patching a roof seldom is recommended. Most roofing wears uniformly and the first leak in an old roof usually means that others will develop soon. Getting up on an old roof to patch it may cause other leaks. If a leak is ignored, water will run along rafters, seep into walls and ceilings, cracking plaster and staining wallpaper.

**Fire-Resistant Roofing**

In re-roofing, it is economical to select a material that can be laid over the old roof, such as fire-resistant asphalt shingles. Available in many colors, textures and patterns, asphalt shingles also fit into the color scheme to give the home beauty.

Properly applied, an asphalt roof is wind-resistant. If the house is in an exposed location, where high winds can be expected, cementing down the tabs of asphalt strip shingles will provide good protection. This is easily done by placing a dab of quick-setting cement about the size of a 50-cent piece under each tab. Individual clip-down and inter-locking shingles also give satisfactory service in high wind areas.

## San Antonio Preps For Fiesta Flambeau

SAN ANTONIO — Downtown San Antonio will turn into a city of a million lights, April 21, the Saturday of Fiesta week as the fabulous Fiesta Flambeau, one of the great illuminated night parades of the country, snakes brilliantly through fiesta crowds to light up the Texas skies and climax the city's fifty-sixth Fiesta San Jacinto.

Last year 300,000 saw the parade, revived three years ago after a quarter-century absence from the historic Fiesta Week. Now one of the major events of Fiesta, visitors from everywhere come to see the giant production.

Reflecting the stirring life of the times, Fiesta Flambeau this year is offered as a tribute to the members of the armed forces and the theme will be "The Blessings of Liberty."

Birds, as well as airplanes, sometimes are forced down by cause of ice on their wings.

## TEXANS IN WASHINGTON—

## Texans Spark Opposition To St. Lawrence Seaway

By TEX EASLEY  
WASHINGTON—(P)—Backers of the St. Lawrence seaway project, an \$800,000,000 plan to bring ocean-going shipping to Great Lakes ports and harness the international river for power probably wish they never had run up against a couple of Texas Toms—Connally and Pickett.

The first, as chairman of the Senate Foreign Relations Committee, has been a powerful force for years past in blocking the development. On the House side, Palestine's Congressman Pickett has emerged this session as an extremely able opponent of the project.

For 50 years there has been talk of damming the St. Lawrence River to provide a 27-foot deep channel over rapids that are now skirted by a 14-foot canal and lock system. Hydroelectric units in the proposed dam are rated capable of generating 12 billion kilowatts of power annually, to be shared between the

United States and Canada.

Opponents of the plan include the Association of American Railroads and officials of ports who feel they would lose traffic if the St. Lawrence were deep enough to handle ocean-going vessels.

Port authorities in Texas have voiced fears that such a seaway would take away wheat cargoes from the Midwest grain fields, which would have to go shorter distances by rail if moved through Great Lakes ports.

Connally has been an outspoken opponent of the proposal in the past and he says he is still against it. He hasn't appointed a committee yet to study the project again, though President Truman has renewed his recommendation for its authorization.

Hearings on the authorizing legislation have been going on for weeks before the House Public Works Committee. The searching and pointed questioning of witnesses by Pickett has won even the reluctant admiration of some proponents.

Economy is the basis of Pickett's opposition. Pointing to the huge national debt and mounting expenditures for the military, he says:

"We have to eliminate the unessential in federal expenditures, reduce the desirable as much as possible and scrutinize the necessary very carefully before authorizing or appropriating funds."

He participated in hearings on the project last year.

"At the conclusion of testimony in behalf of the bill," he adds, "I decided against approving the project. I approached the hearings this year with that feeling in mind. There has been no actual evidence submitted to me to date that would cause me to change my mind."

**Around The Capitol**

J. C. Dykes, a native Texan whom some would call a "bureaucrat" because of his federal job here, takes quick exception to any criticism that government employees have an easy life.

Rearred in Dallas, Dykes was graduated from Texas A&M College in 1921. He now is deputy chief of the Soil Conservation Service.

"We get 26 days a year for vacation," he told a reporter. "We can only accumulate up to 60 days, and I can tell you that I and a lot of others here have actually lost many days off simply because we have been too busy and couldn't get away."

Government employees also get 15 days sick leave annually. These can be accumulated up to 90 days.

"Of course, there are some chiselers with the government just as with any concern," he added. "But they are the exception to the rule. In the first place, you have to show a doctor's certificate if you are off more than a day or so."

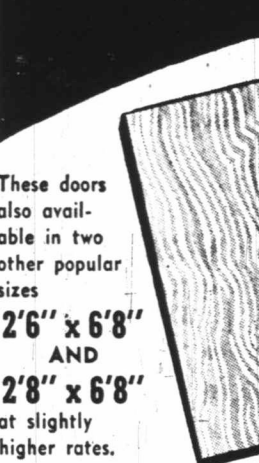

Dykes said he had been off 17 days on sick leave in 17 years with the government.

Incidentally, he was in the Fort Worth office of the Soil Conservation Service from 1938 to 1941.

He explained the government pay year is figured in 13 periods rather than 12 months. The 26-day annual vacation leaves does not include Sundays, Saturdays and holidays.

There are three classes of mineral wool: rock wool, slag wool, and glass wool.

## Pittsburgh SUN-PROOF

### IT'S FUME-PROOF AND SELF-CLEANING!

No other house paint can match Pittsburgh Sun-Proof in quality and performance. It's the only one enriched with "Vitalized Oils" and special ingredients to make it fume-resisting.

The special oils developed and used exclusively in Sun-Proof keep the paint film tough and elastic. That's why it resists weather wear, cracking and

peeling—provides live-paint protection. Unlike ordinary house paints, Sun-Proof is lead-free—coal smoke or industrial fumes will not discolor it. Special pigments also make it self-cleaning—dust and dirt are washed off with each rain. That's why homes painted with Pittsburgh Sun-Proof really stay whiter longer.

### Pittsburgh FLORHIDE gives long-lasting beauty to floors

It's so easy to add lively, durable beauty to painted floors and steps with Pittsburgh Florhlide. It's a tough, elastic, long-lasting enamel that can be used on wood, concrete or metal, indoors or out. Florhlide withstands rain, sun, wind and snow as well as the wear and tear of foot traffic and the constant weight and scraping of heavy furniture.

### Use Pennvernon to replace broken panes!

Pennvernon is not just ordinary window glass. It is made by a special process to give an unusually brilliant and unmarred surface finish on both sides. Because it is made from the purest and most carefully selected ingredients, it is remarkably transparent and retains its clarity indefinitely. Be sure to look for the Pennvernon trademark—it's your assurance of finest quality. Costs no more than ordinary window glass.

Come in for FREE booklet, "COLOR DYNAMICS for the Home."

**R. J. (Bob) Maberry Returns To Midland; Opens New Business**

R. J. (Bob) Maberry, who returned to Midland from Fort Worth recently to make his home, announced Saturday the establishing of a new business—Superior Advertising Company—here.

A wide and varied line of advertising novelties and supplies of all kinds will be handled by the firm.

Mr. and Mrs. Maberry moved to Fort Worth last June after having resided here six years. He formerly represented a large advertising company in this area. He was active in civic affairs during his residence here and is well-known throughout the Midland territory.

**RICH AND DELECTABLE**

To make a rich and delectable caramel custard, cover a can of condensed milk with water and boil three hours—adding more hot water if necessary to keep the can covered. Then put the can in the refrigerator until it is well chilled. Open at both ends and slide the custard out. Serve slices of the rich caramel concoction on rounds of sponge cake with a spoonful of whipped cream for each portion.
