## Last UN Units Quit North Korea

### Allied Chief Hints At Han River Stand

TOKYO—(AP)—United Nations troops fell back on both ends of the 100-mile Korean front Friday. In the west they rolled back through Uijongbu, 11 miles north of Seoul. In the east they abandoned Yanggu and pulled back below the 38th parallel. This was the last Allied hold in Red Korea on the active fighting front. In both withdrawals UN forces broke contact with Reds. The Allies also broke contact south of Hwachon Reservoir, and withdrew so rapidly a vast no-man's land was created on this east-central sector.

### 'Stop This Slaughter,' Mac Pleads

CHICAGO — (AP) — General MacArthur headed for Milwaukee and another huge civic celebration Friday after a Chicago demonstration climaxed by his speech defending his policy in Korea. MacArthur, dismissed from his Far Eastern command two weeks ago by President Truman, in a fighting speech Thursday night, called for a "positive and realistic" Korean policy "to stop through strength this slaughter of America's sons."

MacArthur, dismissed from his Far Eastern command two weeks ago by President Truman, in a fighting speech Thursday night, called for a "positive and realistic" Korean policy "to stop through strength this slaughter of America's sons." Milwaukee planned a huge reception for the five-star general. Some 700,000 persons from all parts of Wisconsin were ready to greet MacArthur, who still calls Milwaukee his home town.

His speech Thursday night in Soldier Field highlighted the biggest and noisiest celebration in Chicago's history. It climaxed his rousing welcome to Chicago, whose millions had cheered and acclaimed him during a 23-mile ride from the Midway Airport to the Loop. Defending his policy in Korea, MacArthur told the Soldier Field throng: "Our losses there (Korea), in ratio to the men committed have already reached staggering proportions," MacArthur declared. "These losses are progressively mounting by thousands each month. xxx"

### MacArthur Hearing To Delay Decisions On Draft-UMT Law

WASHINGTON—(AP)—A delay of two weeks to a month in efforts to iron out Senate-House differences in the draft-universal military training program was decided upon Friday. The Senate investigation of the firing of General MacArthur was given as the main reason for the delay. Chairman Russell (D-Ga.) of the Senate Armed Services Committee and Vinson (D-Ga.) of the similar House group told of the decision after a closed door session.

### Contractors Snub Midland's Call For Street Paving Bids

The City of Midland went begging Thursday for a contractor to build 122 blocks of paved streets. Not a bid was received as the 3 p.m. deadline was passed and the City Council Friday morning decided to try again to interest contractors in the job. The council, unable to act Thursday night when a quorum failed to show up, met Friday morning to authorize readvertisement for bids. City Manager W. H. Oswald informed the council that at least one contractor had assured him he would submit a bid if the job is advertised again.

### New Vacancy Strip Claimed In North Tex-Harvey Field

A vacancy claim on a three-mile strip of land at the northern edge of the Tex-Harvey oil field in Midland County was filed here Thursday with County Engineer Pat Stanford. It was the fourth vacancy claim made in that area within the last two weeks. The claim was made in an application to lease filed by Thomas P. de Steiguer of Austin. Two of the other claims also were made by Austin residents. The strip claimed is bounded on the north by Sections 12, 34 and 35, of Block 37, Township 2 South; on the east by Sections 60 and 1, Block 37, Township 2 South; on the south by Sections 39, 40 and 41, Block 37, Township 2 South, and on the west by Sections 42 and 32, Block 37, Township 2 South.

### Blast-Set Flames Destroy Sinclair Bulk Gas Station

TROY, OHIO—(AP)—An explosion set fire to a 72,000-gallon gasoline bulk station early Friday and the flames for a time threatened a three-block industrial area. The fire was extinguished after it destroyed a storage building, garage and five tanks of the Sinclair Company, plus a residence. Firemen saved an adjoining Shell bulk station with five storage tanks containing an estimated 61,000 gallons of gasoline. The Sinclair Company lost four 15,000-gallon tanks and one 12,000-gallon tank.

### Six Or More Known Dead In Ship Blast

LONDON—(AP)—The Admiralty announced that the Royal Navy munitions ship Bedenham blew up at Gibraltar Friday, killing six persons and injuring an undetermined number. Earlier reports said there were no casualties.

The Admiralty said the only casualties among Navy personnel aboard the 1,152-ton ship were a number of injured. This was taken to mean that all the dead were civilian port workers. A dispatch from La Linea, Spain, only a mile from Gibraltar, said 50 blast victims were rushed there and to Algeciras, three miles away. Some were in serious condition. Windows were shattered in La Linea, causing slight injuries to some residents.

W. J. Edwards, civil lord of the Admiralty, told the House of Commons he understood that a lighter—a small vessel used generally for unloading purposes—alongside the Bedenham, also blew up. An Admiralty spokesman declined to comment on the possibility of sabotage until an investigation. The Royal Navy blamed saboteurs for the blowing up last July 14 of nine ammunition barges loading explosives for Korea. That blast, in Portsmouth Harbor, injured 19. There have been a number of minor cases of sabotage of British ships over the last 18 months but no lives have been lost.

### W. A. Eason, 81, Long-Time Resident Of Midland, Dies

William A. Eason, 81, retired farmer and resident here since 1907, died Thursday afternoon at the home of a daughter, Mrs. Fred True-love, Cotton Flat Road, following an illness of three months. Eason was born May 18, 1869, in Wilson, N. C., and came to Midland in 1907 from Vinson, Okla. He farmed until his retirement. Funeral services were to be held at 3 p.m. Friday in the Newlie W. Ellis Funeral Chapel with the Rev. Earl Rice, pastor of the Assembly of God Church, officiating. Interment was to be in Fairview Cemetery. Pallbearers were to be six grandsons, Dosier Truelove, Dell True-love, Henry Conder, Jim Prince, Les Hull and W. H. Conder. Eason is survived by two daughters, Mrs. Fred Truelove and Mrs. Neva Smith, and a son, R. J. Eason, all of Midland; 11 grandchildren, and 12 great-grandchildren.

### Court Takes Legal Battle On Picketing Under Advisement

A legal battle over right to picket in a labor dispute between a union local and a Midland contractor was taken under advisement late Thursday by Judge R. W. (Bob) Hamilton in 70th district court. After an all-day hearing on a temporary restraining order against the local International Hod Carriers and Construction Laborers Union, Judge Hamilton instructed attorneys to submit the case on briefs. Gene Brewer, contractor, who is constructing a six-floor addition to the McClintic Building, had obtained the restraining order April 14, when it was reported the union planned to set up a picket line around the project.

### OPS Grants Stay In Deadline For New Food Ceilings

WASHINGTON—(AP)—The government Friday granted a two-week extension — from April 30 to May 14—for retail and wholesale food dealers to put food prices under the new "percentage markup" system. The Office of Price Stabilization said there is no extension beyond Saturday for the 860,000 retail food stores and 10,000 wholesalers to file classifications of their stores with OPS district offices. The food price control orders were issued March 28. They affect about 60 per cent of the food on the shelves of grocers and sales amounting to \$20,000,000,000 a business year.

### Flowing Producer Fined In Terry

Anderson-Prichard Oil Corporation No. 2 Scales has been completed as flowing Wolfcamp producer in the Wellman field of Southwest Terry County. The new oiler, one location east of any other production in the northeast side of the field, was completed for a calculated daily flowing potential of 2,238.80 barrels of 44.5-gravity oil. The potential is based on an actual six hour flow through a three-quarter-inch choke and from perforations in casing opposite the Wolfcamp at 9,500-93 and 9,616-980 feet. Plugged back total depth is 9,980 (Continued On Page Two)

CHICAGO SURRENDERS TO MacARTHUR—Gen. Douglas MacArthur and his party are shown at the top of the ramp of his plane, the Bataan, a moment after it landed in Chicago. Chicago, the nation's second largest city, surrendered itself completely to give the general one of the lustiest receptions in its history. Most business houses, factories and schools were closed so some 6,000,000 people might welcome MacArthur.

### Truman Plans For Fight On Inflation Stir Up Opposition

WASHINGTON—(AP)—President Truman's proposal to freeze farm parity by the year as a means of tightening food price controls collided with a barrage of farm state opposition in Congress Friday. On the other hand, Senator Anderson (D-NM), former secretary of Agriculture, declared the plan looks all right to him and "might be perfectly satisfactory to farmers."

From the protest corner, however, Chairman Maybank (D-SC) of the Senate Banking Committee came up with this prediction: "The parity freeze idea definitely will get no place in Congress." Maybank's committee and the House banking group will pass on Truman's anti-inflation and general mobilization program, which he outlined to Congress in a special message Thursday.

The President asked for revision and extension of the present Defense Production Act, which expires June 30. The measure includes wage-price control authority, and the Administration wants to bracket into it a broadened rent control program—now covered by a separate law. It, too, expires at the end of June. Quick Tax Boost Truman again urged quick action on a separate Administration bill to increase taxes \$10,000,000,000 as "the most important step of all" toward bringing "the rise in prices and the cost of living to a halt—and hold the line."

That, with the other measures he recommended, the President said, is "an anti-inflation program that will work." He added: "The world situation could explode at any time, and we must make every day count." Truman's food price plans ap- (Continued On Page Seven)

### Rover's Carefree Days Are Nearing An End As Officials Plan Crackdown

The happy-go-lucky days of Midland's dogs are drawing to an end. On May 15, the city announced Friday, it will begin strict enforcement of its dog ordinance. The announcement came after a conference between City Manager W. H. Oswald and officials of the Society for Prevention of Cruelty to Animals. Enforcement will have a widespread effect on the dog situation in the city but, mainly, here are the provisions of the enforcement: All dogs not under restraint, either on leash or in a closed yard, will be picked up and impounded. Owners may redeem them at the animal shelter by payment of a fee and all dogs leaving the shelter must have been vaccinated against rabies and licensed. The owners, when the dogs are picked up repeatedly, are subject to facing charges filed in Corporation Court. Unclaimed dogs will be held two weeks and then destroyed in a humane manner, probably in a gas chamber. The city manager said the licensing and vaccination of a dog does not permit him to run at large and if he does so, will be picked up regardless of the number of tags attached to his collar.

### Mexican National Is Slain In Odessa

ODESSA—(AP)—Pablo Aguilar, 19, of Morelia, Michoacan, Mexico, was shot to death here Thursday night. Officials said Aguilar was shot in the back with a .38 caliber revolver. A Latin American suspect was held.

### Austin's Football Star Married

AUSTIN—(AP)—Announcement that the University of Texas football star, Lewis "Bud" McFadin, of Iraan, will be married to Betty Ward Wheelless of Austin May 12 was made here Friday.

### Walter Mulbry, Quit Friday as Secretary-Treasurer of Baseball

CINCINNATI—(AP)—Walter Mulbry, quit Friday as secretary-treasurer of baseball.

### Clear Fork Shows Logged On DST In NE Midlander Tester

Murphy Corporation and Husky Oil Company No. 1 Andrew Fasken, wildcat in Northeast Midland County, is drilling below 6,400 feet after developing shows for possible commercial production in the Clear Fork, the first in Midland County. A drillstem test was taken in that formation from 6,270 to 6,292 feet. Tool was open two hours and 45 minutes. No gas or fluid surfaced while tool was open. Recovery was 175 feet of slightly gas-cut mud and 50 feet of oil and gas-cut mud. The 50 feet of mud was estimated to be from five to 10 per cent oil. Unofficial top of the Clear Fork is at 6,280 feet on an elevation of 2,690 feet.

No. 1 Fasken is one and one-quarter miles southwest of the nearest completed oil wells in the Germania field.

Exact location is at the center of the northwest quarter of the north-east quarter of section 14, block 37, T-2-S, J. V. Stokes survey and 11.2 miles east of the City of Midland.

### Spraberry Topped In C-S Marlin Wildcat

Union Sulphur & Oil Corporation No. 1 Snyder & Arnett, Central-South Marlin County wildcat, four miles southwest of Stanton, entered the Spraberry sand at 7,194 feet.

The sub-sea datum on that marker minus 4,515 feet. The prospector is now making hole below 7,240 feet in sand.

Operator plans to drill to 7,264 feet, then take electric logs and follow by hydraulic fracturing the Spraberry from 7,194 feet to 7,264 feet. Location is 660 feet from north and west lines of the southwest quarter of section 30, block 36, T-1-S, T&P survey.

The wildcat is only 20 feet north of the Midland County line and is four miles north of the Germania field.

### Yoakum Field Test Is To Be Deepened

Hanohlu Oil Corporation No. 1 Beardon and others, one location west of production in the Cobb field of Northeast Yoakum County, is to be deepened as a wildcat to 8,500 feet to test the Wolfcamp.

No. 1 Beardon missed the Clear Fork pay which is the regular producing formation of the field. The project is now drilling below 7,380 feet in lime and shale. Location is 660 feet from south and east lines of section 380, block D, J. H. Gibson survey and 13 miles northeast of Plains.

### Texaco, T-NMPL To Fete 'Old Timers' In Midland Friday

The West Texas-New Mexico districts of The Texas Company and Texas-New Mexico Pipe Line Company will hold their annual "Old Timers" Banquet in the Crystal Ballroom of Hotel Scharbauer Friday night in Midland.

Service awards will be given to five employees of Texaco and five will be presented to T-NMPL hands. G. W. Herring of T-NMPL will present the awards.

C. B. Williams of Fort Worth, division manager of Texaco will award gold watches in recognition of 30 years service to C. H. Perkey, Sunday, and J. T. Stone, Penwell. The banquet will start with a social gathering on the mezzanine at 6:30 p.m.

Several musical numbers will be presented by Midland High School students.

### Robbins' Father Dies At San Angelo

P. H. Robbins, father of Jesse D. Robbins of Midland, died at his home in San Angelo early Friday. Funeral services will be held Saturday morning at the Johnson Funeral Home in San Angelo. Jesse D. Robbins is scout and landman in the Permian Basin for the Southern Production Company.

Open 7:15 Saturday & Sunday; All Other Days, 7:45 p.m.

## IN HOLLYWOOD

### Leo The Lion Doesn't Roar Loud Enough For La Turner

By ERSKINE JOHNSON  
NEA Staff Correspondent  
HOLLYWOOD — Leo Turner, who has been having contract trouble at MGM, has acquired an independent movie press agent to kibitz on her career. Leo the Lion is roaring—he's squealing like a pig under a gate.

Eve Arden no longer is denying the possibility of an altar sprint with actor Brooks West, but she vows it won't be in the immediate future.

Patsy Kelly and Martha Raye are penciled in for movie comebacks. Fred Finkelhoff is talking about them for roles in his forthcoming Dean Martin-Jerry Lewis comedy, "At War With the WACS."

Jimmy Stewart's percentage deal in UFA's "Winchester 73" is spilling a small fortune into his lap.

Fili D'Orosay's test for "Too Young to Kiss" has MGM executives gasping. She photographed like an ingenue.

The James Masons have framed picture of Faith Domergue on the wall of their living room. Plunging dagger, curling lips, open bodice, mustard plaster space and all.

"Friend of ours," Mason explains. "We thought it was funny. But when Faith saw it, she was deeply touched."

Mason's wife, Pamela, reports that their small daughter, Portland, plays with Faith's daughter, DeeDee.

"When Portland saw the picture," Pamela laughed, "she turned to me and said: 'Mummy, what a big chest DeeDee's mother has.'"

Sabu, who's always been seen accompanied by elephants in his movies, forsakes his pachyderm pals to play a lover in Lippert's "Savage Drums." The hure is dark-eyed Lita Baran, who's Mrs. Roy Calhoun in private life.

"It's going to be wonderful for Sabu," Lita told me. "Everybody thinks it will open a whole new career for him. It's a tender love story—something like 'Anna and the King of Siam.'"

Lita looks mighty fetching in a sarong, but the producers gave her tight Burmese costumes with high necks. The Baron form won't be entirely covered up, because Lita speaks of "alts here and there."

Gloria de Haven follows Judy Garland into the London Palladium, then returns to Hollywood for Fox's "Stardust." Steve Cochran's trip to Mexico City was the "Finis" tag to his brief romance with Ginger Rogers.

Preview card on "Goodbye, My Fancy"—There's nobody around who can play an Eve Arden role like Eve Arden. Steve Fisher, who clicked as a whodunit writer with "I Wake Up Screaming"—remember the movie version with Carole Landis—is at work on another chiller titled, "Candy From a Baby."

Overheard: "Trying to ignore television is like trying to ignore a dead horse in the living room."

Call Sheet fun from "Fine Day":  
"On the set at 9 a.m.  
ONE FAT WOMAN  
HATCHET FACED WOMAN  
CURVE NOSED MAN"

SHORT TAKES: Louis Calhern replaces Lionel Barrymore in MGM's "The Man With a Cloak." Loretta Young wants to star in Eleanor Kamba's new novel, "We Kept Mother Single." Fox will remake "Queen of Burlesque" starring Betty Grable.

Sign of the times note: Andy Devine's home has three TV sets.

## Permian Basin Oil And Gas Log—NW Offset Staked To Upton Opener

(Continued From Page One)  
Test log was topped at 9,500 feet. Gas-oil ratio was 500-1. Tubing pressure was 200 pounds. The project was completed natural.  
Location is 1,800 feet from west and 600 feet from south lines of section 22, block C-36, psi survey. The same operator's No. 3 Scales, one location to the north of No. 2 Scales, is drilling below 3,500 feet in lime and shale.

## North Pecos Field Gets Waddell Oiler

C. H. Murphy & Company No. 3 Danby has been completed from the Waddell sand in the East Abell area of North Pecos County. The producer rated a daily flowing potential of 61 barrels of 42-gravity oil through an 18 1/4-inch tubing choke.  
The well was completed natural and did not make any water. Production is from open hole section at 5,200-5,313 feet.  
Gas-oil ratio was 600-1 and tubing pressure was 150 pounds.  
Location is 330 feet from north and 740 feet from west lines of the southwest quarter of section 28, block 9, H&GN survey.

## Offset Completed To Pecos McKee Opener

Wood River Oil & Refining Company, Inc., of Wichita, Kan., completed its No. 1 J. Williams as a northeast extension to C. H. Murphy & Company No. 2 Maude Ford, recently completed discovery from the McKee sand in North Pecos County.  
The new well, 600 feet from No. 2 Ford, was finished for a natural flowing potential of 423 barrels of 42-gravity oil per day.  
Production is from open hole at 5,175-5,204 feet.  
Gas-oil ratio was 735-1 and casing pressure was 950 pounds on the test. Tubing pressure was 700 pounds.  
The final test was taken on a 18 64-inch choke.  
Location is 330 feet from east and southwest lines of section 4, block 3, H&TC survey.

## Gain Explorer Has Taken Tests

C. M. Ashby of Dallas No. 1 Thornton Lomax and L. B. Johnson, scheduled 5,000-foot Devonian wildcat in extreme Southwest Gaines County, is drilling below 7,425 feet in lime after two drill-stem tests.  
On a 10-hour test from 7,255 to 7,292 feet, recovery was 75 feet of gas cut mud and 325 feet of salt water.  
Operator took a drillstem test at 7,256-7,274 feet and recovered five feet of slightly oil and gas cut mud. Tool was open one and one-quarter hours.  
Location is five and one-half miles north of The Texas Company, Humble Oil & Refining Company and Ralph Lowe No. 1 T. E. Jenkins, Devonian discovery from 9,100 to 9,133 feet.  
It is 600 feet from north and west lines of section 9, block A-13, psi survey.

## Germania Stepout Is Staked By Snowden

James H. Snowden and Associates No. 1-6 L. C. Jones is to be drilled as a one-half mile northwest stepout to production in the Germania-Spraberry field of Northeast Midland County.  
Drillsite was staked 660 feet from north and east lines of the southwest quarter of section 6, block 36, T-2-S, T&P survey and 18 miles east of the city of Midland.  
The project will go to around 8,500 feet to test the regular Spraberry pays of the field.

## NE Rannels Set For 5,000-Foot Explorer

G. W. Strake of Houston has staked location for a Northeast Rannels County wildcat, three miles northwest of Crews.  
No. 1 Harris Davenport will be 330 feet from south and east lines of lease in J. J. Ximenes survey No. 265.  
Rotary tools will be used in going to 5,000 feet beginning by May 15.

## Long South Outpost Given Andrews Pool

Stanford Oil & Gas Company is scheduled to drill a half-mile south outpost to the Biles-Wichita Albany field of Northwest Andrews County.  
It is No. 1 Genevieve Woods and is located 660 feet from north and

## SW Gaines Wildcat Receives Hydrfrac

Stanford Oil & Gas Company is testing its No. 1-B Nick Alley, Southwest Gaines County wildcat, after Hydrfracing from 4,500 to 4,670 feet, total depth. The Hydrfrac treatment was made in a San Andres section.  
The project had previously been scizzed with 7,000 gallons. After acid treatment it swabbed 10 barrels of new oil in 39 hours.  
It is one mile northwest of the opener of the Nick Alley-San Andres pool and 660 feet from south and east lines of northeast quarter of section 18, block A-27, psi survey.

## Husky Is To Test Gaines San Andres

Husky Oil Company No. 1 Oil Development Company of Texas Inc., Central-North Gaines County wildcat, four miles west of Segreaves drilled to a total depth of 11,681 feet in an unidentified lime and shale.  
It found no shows of possible production below 5,700 feet. The prospect is to plug back to that point and run tests.  
Some observers think the wildcat stopped in the upper Pennsylvanian. Others think the bottom of the hole is in the Wolfcamp of the lower Permian.  
Shows in San Andres  
The San Andres zone above 5,700 feet logged some good shows of possible production in a zone which is about 70 feet thick.  
That formation was extra tight. After plugging back operator probably will treat the San Andres with acid to try to make it give up oil in paying quantities.  
Location is 600 feet from south and east lines of section 20, block C-35, psi survey.

## Another Wildcat Spotted In Upton

Concho Petroleum Company of Dallas has spotted location for a Northeast Upton County wildcat, 26 miles north of Rankin.  
No. 1 V. P. Tippett and others will be 600 feet from south and 1,980 feet from west lines of section 23, block 28, T-5-S, T&P survey. It will be two miles southwest of Gustave Ring No. 1 F. P. Elkin.  
The prospector will be projected to 8,000 feet with rotary.

## Midland Prospector Swabs Salt Water

Ralph Lowe No. 1 Faskan, Northwest Midland County wildcat, one mile west of the city limits of Midland, swabbed only salt water, with a slight rainbow of oil from the upper Spraberry and is now drilling deeper.  
The swabbing was on the interval at 7,890-7,944 feet. That zone was swabbed through the drill pipe for 27 hours. During the last eight hours of that period the recovery averaged between 10 and 12 barrels of salt water per hour, with a slight rainbow of oil.  
Operator is now making hole below 8,052 feet in Spraberry shale.  
Location is 660 feet from north-west and northeast lines of section 6, block 39, T-2-S, T&P survey. The prospector started out under a permit to dig to a possible bottom of 13,500 feet to test the Ellenburger.

## Humble To Plug Reagan Failure

Humble Oil & Refining Company is preparing to plug and abandon its No. 1-N University, Southwest Reagan County wildcat.  
This prospector was four miles northwest of the Big Lake field. The drillsite was 1,980 feet from south and 660 feet from west lines of section 28, block 2, University survey. It drilled to total depth of 7,342 feet in the Spraberry sand. That formation was tested for an extended period. It made a little oil and considerable salt water.  
After it was determined that the project did not offer any possibilities of developing commercial production it was ordered plugged.

## Opera To Draw Many Midland Music Lovers

Friday, Saturday and Sunday will be red-letter days for many Midland opera-lovers. The occasion is the visit of the Metropolitan Opera to Dallas for performances of four well-known operas.

"Among the Midlanders who plan to fly to Dallas for the Sunday afternoon performance of 'The Barber of Seville' are Mr. and Mrs. L. H. Anderson.

Also traveling by plane will be Mrs. J. DeLo Douglas, Mrs. George Glass, Mrs. A. A. Baumann and Lotta Williams. The party will make the trip in the Glasses' private plane, arriving in time for all four of the Met productions.

Mrs. Frank B. Essex and her mother, Mrs. O. C. Harper, will attend 'Fledermaus' Friday night and 'The Barber of Seville' Sunday afternoon. Elma Jean Jarrett and her mother, Mrs. Susie Noble, will attend 'Fledermaus' and 'Don Carlos,' to be presented in a matinee performance Saturday.

The opera represents only part of the activities planned by Mrs. A. N. Hendrickson and her brother and sister-in-law, Mr. and Mrs. Louis Wragge. After attending performances of 'Fledermaus,' 'Madame Butterfly' and 'The Barber of Seville,' the group will leave for Churchill Downs to attend the Kentucky Derby.

Other opera-bound groups include Mr. and Mrs. Jack Huff and Mr. and Mrs. Paul D. Anderson; Mrs. J. E. Simmons and daughter, Peggy; and Mrs. John Cornwall; Mary Lou Sarber, Dick Hamm, Anne Tucker and Jim McLaughlin of Odessa, and Mr. and Mrs. Charles Henderson and Mr. and Mrs. W. F. Pennebaker.

## Congratulations To

Mr. and Mrs. E. J. Chisholm, 1704 South Loraine Street, on the birth Thursday of a son weighing six pounds, 13 ounces.

Mr. and Mrs. L. W. Folmar, 710 North Ainsley Street, on the birth Friday of a daughter weighing six pounds, three ounces.

If you make coffee in a percolator it's a good idea to experiment to determine the exact "perking time" needed to give the brew you like, and then to use this same time for perking after that. Perking time will often vary with different brands of coffee, so if you change your brand make your time experiment again.

## Texas Makes Big Gifts To CARE

NEW YORK—Residents of Texas have so far contributed \$1,189,965 worth of food and textile packages which have been distributed by CARE among the needy of a score of overseas countries during the last five years.

These figures were announced by Paul Comly French, CARE executive director, in connection with the fifth anniversary of CARE operations as a non-profit, government-approved service. CARE's first shipment of 3,000 food packages arrived in France in May, 1946.

Since then the number of CARE food and textile packages sent abroad by Americans to aid their friends, relatives and other needy in foreign countries, has reached a total of 10,000,000. The Texas contributions represent about 119,000 CARE packages.

Most of these were CARE standard food packages at the price of \$10. In addition, a large number of special British, Greek-Italian and other food packages, as well as of CARE's various textile packages went to make up the state's total. Orders for any of these packages continue to be received from Texas residents at CARE headquarters, 20 Broad Street, New York 5.

## Midlander, Brazilian Exchange Letters

EL PASO—The best way to get information about a foreign city without making a personal visit is to correspond with a native of that city.

At least, that is the opinion of Susan Gail Black of Midland, junior student at Radford School for Girls. Miss Black said she had received a wealth of information concerning Brazil through an exchange of letters with Paulo (Ken) Kitaoka of Sao Paulo.

Kitaoka, a student at Uniao Cultural, which he describes as the "biggest and best English school in Sao Paulo," is a director of "Fabrica de Estajos" and attends classes at night.

He describes Sao Paulo as the largest industrial city of Brazil and South America. The population, he wrote, is about 3,000,000. The city is near one of the most well-known industrial harbors, Santos City.

## RICHARD HALFORD TO GIVE RECITAL

**TERMINAL BAPTIST CHURCH**

Rev. Curtis Rogers, Pastor

Inasmuch as spiritual development embraces the enduring qualities of our existence, the Church can truly be called the symbol of civilization.

History proves that the most highly civilized nations are those which encouraged and promoted the life of the mind and spirit. Buildings have crumbled, cities have disappeared, and great states have become as legend, but the revelations of God remain eternal.

That is why the appearance of a church is a sign of progress, whether it be in a vast metropolis or in a country village. For the Church represents man's quest for immortal Truth.

When you support the Church you will be contributing to the progress of civilization. You will enrich and enjoy your only imperishable possession—your soul.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# DADDY RINGTAIL

## Daddy Ringtail And Skeeny Scrawny

Doctor Shoobug, the monkey doctor, was busy at his doctor office. Many of the animal-folks had come to see him. A giraffe was there with a sore throat. An elephant was there with an ache in his great big ear. Even the Featherman was there with a stomach ache from eating too much feather soup.

"Uh, what seems to be the trouble with you, Daddy Ringtail?" asked Doctor Shoobug.

"Oh, I am fine, thank you," said Daddy Ringtail. "I'm not sick at all. I really came to bring this fellow who hasn't seen a doctor in a whole year."

"Uh, come in, you folks," said Doctor Shoobug, and so in they went in the inside office. Doctor Shoobug looked at the fellow who hadn't seen a doctor in a whole year.

"He isn't sick," Daddy Ringtail explained. "We just want to be sure that he isn't about to be sick. There isn't a doctor where he lives."

Doctor Shoobug clicked his tongue

and said how sad it was when people had to live far away from a friendly doctor who would like to help if they needed him.

Doctor Shoobug put the things

in his ears to listen to the stranger's chest. Doctor Shoobug looked in his ears. Doctor Shoobug felt

him and thumped him and had him say "ah."

"Ummmm," said Doctor Shoobug. "Is he all right?" asked Daddy Ringtail.

"Why," said Doctor Shoobug. "I've never seen anyone any healthier; uh no."

And so Daddy Ringtail explained that the stranger used to be skeeny and scrawny, but at last he had started to do the things that Doctor Shoobug had once told him to do. Doctor Shoobug was surprised to hear it, because now the stranger was so big and strong he didn't look like he used to look at all.

"I'm the same fellow, all right," said the stranger, and he said he always would remember the doctor's words: "Eat the things you know you should eat; sleep the sleep you know you should sleep; keep the clean you know you should keep." Happy day!

### Reds' Infiltration In India Is Denied

**NEW DELHI** —(AP)—There has been no Communist infiltration into India from across 2,000 miles of common border with Tibet, a government official said here.

A few Tibetans from Lhasa, near Lhasa came to the jungles of Garhwal in Uttar Pradesh for collecting wood for making utensils which fetch a high price in Tibet, but they had no politics, the official added.

### Un Gets Flowery Oriental Phrasing

**LAKE SUCCESS** —(AP)—Flowery Oriental phrasing is not uncommon in petitions to the United Nations Trusteeship Council. One of the most flowery recently arrived from an assistant clerk in civil service, jailed in the French Cameroons. It was addressed to UN Assistant Secretary-General Victor Hoo and was headed "Last Cry for Help."

"O, powerful Secretary and Glorious Saviour and Mediator of Oppressed Wretches, here at your feet is a distressed unfortunate who, being in need of urgent help, appeals to you as the last resort with the sweet hope of being heard."

Then it went on for 300 words to

detail how many times he was beaten by police and how the alleged plot against him developed. The man accused his enemies of using a form of hypnotism on others "to destroy me on my own land." The council promised to investigate.

### Freedom Means Lot To Rescued Mongrel

**IRONVILLE, PA.** —(AP)—Freedom means a lot today to "Sass," a two-year-old mongrel dog. "Sass" survived 31 days imprisonment in a nine-inch roadside drainage pipe. He'd probably be there yet if a passerby hadn't finally heard his weak yelps and dug him out.

"Sass" was in bad condition but he recovered quickly on a diet of warmed raw eggs and milk six times daily, as ordered by his veterinarian. Now he's back to a normal dog's life once again.

### Heavy Rains May Force Crop Switch

**DES MOINES** —(AP)—It's a poor spring that isn't good for something and this cold, wet one may prove beneficial at least in one way. It may help the Department of Agriculture's program to boost corn acreage.

Spring work in most of the state today is from one to three weeks behind schedule. Normally a good part of the oats crop would be seeded in southern Iowa by this time of the year. Instead, very little planting has been done. A few

### Magazine Article Has Texas A&M As Its Subject

"Noisiest College in the U.S.A." is the title of a feature story, with two pages of brightly colored pictures, appearing in the April 28 issue of the Saturday Evening Post.

Texas A&M College is the subject of the article, which deals with all phases of study and life at the home of the famed Texas Aggies.

A subhead for the story states: "In spite of student strikes, hair-raising hazing tricks and threats to convert it into a lunatic asylum, Texas A&M has turned out accomplished graduates for 70 years—and claims the most fanatic loyalty any college ever had."

The A&M story is by George Sessions Perry.

"A&M, though the oldest of Texas' state-sponsored colleges and one of the largest in the United States, is by all odds the largest men's dormitory school in the United States. And when you stop to think that, on graduation, each member of the corps automatically becomes a full-fledged reserve officer in the United States Army, A&M's considerable importance to our defense establishment is manifest."

He adds the reminder that the college, with its 7,000 students, is by all odds the largest men's dormitory school in the United States. And when you stop to think that, on graduation, each member of the corps automatically becomes a full-fledged reserve officer in the United States Army, A&M's considerable importance to our defense establishment is manifest.

### Lynch Leaving For Guard Staff School

Raymond A. Lynch, Midland attorney and lieutenant colonel of the Thirty-Sixth Division, National Guard, staff, will leave Saturday to attend a week's course at the Command General Staff School at Fort Leavenworth, Kan.

Lynch will join Maj. Gen. H. Miller Ainsworth and Brig. Gen. Carl Phinney and other staff officers at Dallas for the trip to Fort Leavenworth. Lynch is supply officer for the Texas division and served in that capacity in World War II.

### Mac Pleads—

"a policy vacuum heretofore unknown to war."

The crowd in the huge Lake Front stadium—estimated at some 50,000—interrupted the general several times during his speech, cheering and applauding.

MacArthur's address, which had been billed as "not a major policy talk," caught his audience by surprise.

**Fighting Speech**  
It was a fighting speech all the way. And the general, in his 12-minute talk, declared that "although my public life is now closed, xxx he would continue to advocate a positive and realistic policy for Korea, designed to bring the war to an early and honorable end."

The general was interrupted by an outburst of "No! no!" after he had declared, "My public life is now closed." When he resumed, smiling, he told the crowd: "It is closed."

MacArthur said it was "difficult to ask men to fight and die unless we give them a realistic mission and the means to accomplish it." And then he asked, "What is our policy in Korea?"

Some say he said, our policy is pacification and unification of Korea. Others, he added, say our objective is achieved upon clearing South Korea of invading forces. "Still others," MacArthur said, "ignore both explanations and frankly say that our objective now is to continue to engage the enemy forces in a prolonged and indecisive campaign of attrition, notwithstanding the constantly increasing cost in American blood."

MacArthur denied interference with the American Far East political policy "by nations with only token forces in the field."

"It is in this situation of complete unreality that while meticulously implementing the directives given me, I have strongly urged the need for a positive policy attuned to the military realities and designed to stop through strength this slaughter of America's sons."

### Truman—

(Continued From Page One)

peared to have touched off the sharpest controversy at the Capitol, but some of his other proposals also stirred disputes.

For example, lawmakers generally called for a long look at the President's request for authority to let the government build defense plants when private industry is unable or unwilling to do so. In the past, in peacetime, Congress has refused to grant plant construction authority to the government.

**Housing Credit Curbs**  
On the tax hike idea, Truman appeared to have plenty of support in Congress, but whether action on the legislation would be speeded remained to be seen. The bill still is before the House Ways and Means Committee on the first leg of its journey.

The President also called for: 1. Authority to slap credit controls on purchase of existing housing. At present there are controls on only new housing.

2. The right to regulate speculative trading on commodity exchanges.

3. Power to pay government subsidies to obtain essential production from high-cost sources of supply, without increasing price ceilings.

4. Authority to continue residential rent control and impose it as well on some commercial buildings and in additional areas—regions where the defense production impact puts housing at a premium.

In effect, there could be a rent rollback in newly controlled areas.

5. Tightening of the price control enforcement provisions. The enforcement should, the President said, be "tough and aggressive."

**Worst Yet To Come**  
Identical bills to carry out the President's program were introduced in the House and Senate. The Senate Banking Committee will start public hearings May 7. Hearings before the House Banking Group will start the next day.

Truman declared, "The upward rush of prices has been checked." But he added: "It will not last."

He said inflationary pressures have not yet reached their peak, and then:

"This Fall and Winter the economy will be hit by the full impact of military production. Supplies of civilian goods will be reduced, while larger production, employment and military spending will be putting still greater buying power in the hands of the public."

### Fight On Election Law Change Stirs New French Crisis

PARIS (AP)—The National Assembly Friday rejected a proposed new election law and a new cabinet crisis appeared imminent. Premier Henri Queuille hinted before the vote that he would quit unless the bill was passed.

The vote was 308 to 270 for the bill, but it failed by three votes to get the absolute majority—311—needed for adoption.

Before the voting started, Queuille, who has been premier only a little more than a month, told the Assembly:

"If the electoral reform bill is not adopted, the government will consider that it can no longer continue the task it has assumed."

### Guard Unit Here Plans Variety Show

A National Guard variety show, under the direction of Sgt. J. E. Sides, will be staged at 8 p.m. May 2 in the high school auditorium by the midland unit.

Sides said some good talent already has been signed but that a lot more is needed. He requested persons interested in taking part to telephone 3900.

It is hoped to make the variety show an annual event.

Jerry Roberts is the director of music and Bob Richards is dance director. Cpl. Preston Connor is secretary.

Show committees include: Promotion, Sergeant Wakefield, chairman, Sergeants Barnes, Bryan, Howard, Eudaly and Watson.

Props, Sergeant Hedges, chairman, Private Harris, Corporal Arnett, and Privates Ropelo, Angelo and Reys.

### UN Units—

spokesman said 200,000 already had fled across the Han. Another 200,000 were expected to follow, leaving about 100,000 in the city, which has lost military significance to either side.

It was a familiar flight. Communist troops twice have occupied and twice abandoned Seoul.

The force of the Communist drive appeared to be weakening. Eighth Army headquarters said Friday. It reported UN troops in their path fought "a stubborn delaying action."

Five Red divisions hammered toward the South Korean capital from the north. Some were only 11 miles away, near Uijongbu.

Others were closer on the Munsan-Seoul road to the west.

In some sectors the Reds had gained 30 miles since they launched their Spring offensive Sunday. But they paid a terrific price in lives. The UN command estimated 35,000 Reds were killed in four and a half days.

**Series Of Heroic Fights**  
"They're spending people like we spend ammunition," one officer said.

Artillery of a single American division in the west fired more than 30,000 rounds—about \$1,500,000 worth—in two days.

The UN withdrawal was a series of heroic fights.

Swarming Communist masses repeatedly surrounded UN units—Turks, Belgians, British, American. An Australian outfit fought Reds on three sides. Filipinos, New Zealanders, South Koreans, Canadians and Americans pitched in each time to rescue trapped units.

Most fought clear with relatively light losses. But one, the British Royal Gloucestershire First Battalion, lost heavily. It was overwhelmed by sheer numbers of Chinese.

Three American battalions fought their way out of a trap on the central front against heavy odds.

Despite entrapments and withdrawals, there was a strong air of confidence in Allied ranks.

### Detention Camps For Political Prisoners Studied By Congress

WASHINGTON (AP)—Congress is weighing a proposal to prepare four detention camps for 4,000 political prisoners in case of a general war.

James V. Bennett, federal prison director, recommended to the House Appropriations Committee that \$75,000 be put up to prepare four abandoned military camps for use by suspected subversives in the event of war.

Bennett testified recently in support of his agency's request for funds. The committee made the recommendation to the House Appropriations Committee that \$75,000 be put up to prepare four abandoned military camps for use by suspected subversives in the event of war.

Bennett testified recently in support of his agency's request for funds. The committee made the recommendation to the House Appropriations Committee that \$75,000 be put up to prepare four abandoned military camps for use by suspected subversives in the event of war.

The recommendation came on the heels of testimony by FBI Director J. Edgar Hoover and Assistant Attorney General James M. McInerney. They said the Justice Department has a line on 14,000 persons "already denominated as being a threat to internal security in the event of a national emergency."

The suspects have been "thoroughly investigated," they said, and could be taken into custody under provisions of the Internal Security Act within a few hours.

Bennett told the committee, however, the law requires that political prisoners be kept separate from criminal convicts.

For this reason, he said, he had lined up camps not now in use which could be rehabilitated with regular prison labor and then kept in a stand-by condition.

He recommended it as an economy move, saying the replacement of proposed facilities would cost around \$40,000,000.

Hoover told the committee subversive activities of the Communist Party "far exceed in seriousness any Nazi fifth column that we had in the country during the last war."

### Ship's Officers Go On Trial In Tanker Collision

MOBILE, ALA. (AP)—Two ship's officers charged with negligence in a flaming oil tanker collision which cost 39 lives went on trial Friday.

Capt. Edwin C. Geick of Bayonne, N. J., master of the Esso Bies, and his third mate, Jesse A. McLean, El Dorado, Ark., were ordered before Coast Guard Civilian Trial Examiner Daniel H. Grace.

The Esso Bies and the Esso Greenboro smashed together in heavy fog 200 miles south of Morgan City, La., last Friday. The Greenboro had only five survivors from its 42-man crew.

A Coast Guard examining board Thursday held that alleged negligence of Geick and McLean contributed to the collision.

### Second General Asks Retirement To Rejoin Mac

TOKYO (AP)—Maj. Gen. Charles A. Willoughby, a MacArthur man from the Bataan and Corregidor days, has asked for Army retirement so he can rejoin General MacArthur.

He is the second of two-star general rank to follow MacArthur in the five-star controversy with the White House.

"I expect to join him and offer what modest services I can render," Willoughby said Friday.

Willoughby served as intelligence chief and assistant chief of staff under MacArthur in Japan and continued after the supreme command passed to Lt. Gen. Matthew B. Ridgway.

MAJOR LEAGUES—

# All Pitchers Look Great When Lowly A's Come To Town

By JACK HAND  
Associated Press Sports Writer

Everybody looks like Christy Mathewson when the Philadelphia A's are in town. Now it's Connie Marrero, Washington's chunky Cuban, with a one-hitter.

Marrero picked up where the Yankees' Eddie Lopat and Spec Shea left off. The Latin missed his shut-out Thursday night on Barney McCosky's first home run since 1947 but he pitched the major's first one-hitter of 1951.

The fun-loving little Cuban stuffed a seventh straight loss down the A's throats 2-1, winning on homers by Mickey Vernon and Gil Coan. It was his second victory, both over Philadelphia, whose Manager Jimmy Dykes complains, Cubans shouldn't be allowed to play winter ball.

Little Connie retired the first 10 A's in order. Then McCosky hit his homer in the fourth. He walked only two and struck out nine the rest of the way.

The win over Philadelphia's Joe Coleman boosted Washington into a first-place tie with the idle Cleveland Indians in the American League.

If the A's staggering is big news in the American, the shocking failure of the New York Giants is headline stuff in the National.

Manager Leo Durocher is getting testy as his Giants continue their slump. Just before Thursday night's eighth straight loss, he boomed over to newsmen covering the club.

Asked to explain his benching of second baseman Eddie Stanky for Rookie Artie Wilson, Durocher said: "Wilson is playing second, that's

# King's Row

by LARRY KING

We'd hate to have the job of trimming the roster when it comes time to cut away surplus veterans on the Midland Indians team.

Some pretty good vets are on hand, and a couple more probably will be within a few days.

Currently, there's Jim Prince, Eddie Melillo, George Fimbach, Glenn Patton, Bob Cowser and Eddie Jacome listed as class men. That's in addition to Harold Webb, who is seeing a bit of action this year also.

Scouter Hughes and Leon Hayes likely will be sent back to the Midland team, we hear, and then comes the pruning job.

We don't have any idea who will get the gate when Owners Webb and Donohoo start to trimming the roster, but only five class men are to be carried by Longhorn League teams this year.

One we wouldn't cut—and it's almost a sure thing Webb won't either—is Pitcher Eddie Jacome, the amazing young man who has hurled four wins in six days, to account for all of Midland's victories.

If Hayes comes back, he could help the pitching staff and Midland needs help there. Also, Glenn Patton is hurling some pretty fair ball games these days.

Fimbach is a jack-of-all-trades who can play just about anywhere and everywhere. We'd hate to get rid of a utility man like that. Melillo is a hustler, and has been coming through with base hits. Cowser has the long ball—a valuable asset—and has batted well thus far. Prince is a permanent fixture at first base and also hits the long ball, and of course Hughes is about the best-fielding infielder in the league—or has been in previous years.

Of course, there are ways to get around the five-vet limit and all clubs in the Longhorn League probably will use those ways. Vets can be suspended for a few days, put on a five-day look and shuffled around much in the manner of chess men to keep the roster fair and legal.

We don't know what Webb will do, but that would be our out if it rested with us to attend to player limit technicalities.

West Texas Kennel Club To Have Dog Show Here May 6

West Texas Kennel Club will sponsor a dog show May 6 at the Midland Junior High School gym. Entries close at midnight, April 30.

An American Kennel Club sanctioned match, no championship points are awarded and no championships of record may be entered, under AKC rules.

All purebred dogs more than six months of age are eligible to compete. A dog does not have to be registered to be entered but must be purebred. The purpose of this show is to stimulate interest among dog owners of the Midland area in showing their dogs. The club holds a regular AKC championship point show in September of each year.

# Many Lamesa Fans Boycott Lobos For Using Negro Player

LAMESA (AP)—There has been criticism and some fans have stayed away from the park, but Texas has its first negro in professional baseball.

Lamesa opened the season last week with one negro player and a pair of Cubans. But Thursday the Cubans were sent away. The pair did not speak English and Manager Jay Haney took them both out of a game when they failed to understand his instructions.

Infielder J. W. Wingate, a Beaumont negro remains. He plays shortstop and third base and has performed well in the field and also at bat. He is a fine base-runner.

Haney said he would like very much to give Wingate a thorough trial. "He gets along splendidly with the rest of the squad and he will likely be kept on the roster for some time if his play improves," Haney added.

Judging from attendance figures of the first home stand, the use of negro players has not been satisfactory. The opening game was almost 600 below last year and attendance in other games has been far below last season's average. Bad weather, however, has been a factor.

# Andrews High In Spring Grid Drills

ANDREWS — Spring football training got underway here recently with Coach Neal Taylor as head coach and Max Goldsmith as his assistant.

Approximately 30 boys reported for workouts. The Mustangs expect one of their lightest and most inexperienced teams in years. Only three varsity regulars return. They are: George Carruthers and Wade Graham, guards, and Sonny Earle, back.

Coach Taylor also announced that Truman Nix, 1948 graduate of McMurry College, has accepted the Andrews Junior High School coaching position. He was head coach at Hamlin last season.

# Vernon Taps Indians 5-3

VERNON—Marshall Epperson stifled the Midland Indians here Thursday night, giving up but four hits and elbowing the Vernon Dusters to a 5-3 decision.

Wayne McMellon took the loss, pitching one and two-thirds innings and giving up four runs before turning over mound chores to Glenn Patton. Patton was touched for only five hits and one run in going the rest of the way.

Midland scored one run in the first inning as Eddie Melillo reached base by error, went to second on a single by Jim Ackers, center fielder, and scored on a long fly ball by Catcher Kenny Jones after Jim Prince had walked to load the bases. But Epperson pitched himself out of the hole and Vernon tied it up in the bottom of the inning. The Dusters bunched a hit, two Midland errors and two walks to score three runs in the second.

Two tallies came in on Shortstop Dick Potak's error, and the third when McMellon walked in a run with the bases loaded. Patton took over from there and forced the next Duster batter to ground out to end the inning.

Prince hit the sixth frame the Indians got two runs as Melillo singled, White walked and was out at second when Ackers reached base by fielder's choice. Melillo then scored as Prince singled. Jones got on by error. Prince coming in to score two Midland errors and three walks land first baseman went two for three at the plate. Jones, who joined Midland in Vernon after being with Oklahoma City, went hitting in three trips.

The same two teams meet here again at 8:15 p.m. Friday. The Indians then go to Sweetwater for games Saturday night and Sunday.

# Odessa, Brady And Liberty Or Iran Are Track Favorites

By The Associated Press  
More than 400 track and field performers move into Austin next weekend for the forty-first Texas Interscholastic League meet with few records expected to be cracked except in the lower divisions.

This year the City Conference Schools will be in the same class as Class AA. In the past the City Conference has been holding a separate meet.

Thus there will be three divisions in competition in Austin next Friday and Saturday—Class AA, Class A and Class B.

Odessa, defending champion in Class AA, will be a top favorite to win the title of the combined City Conference-Class AA, largely on the basis of two fine relay teams. Odessa also has Joe Childress, ace sprinter, and other strong point-gatherers.

Andrews, Pecos Tough  
In Class A, Brady appears to have enough to win the title, being very strong in the relays and having certain 10-pointer in Jimmy Samuelson, the weight man who already is the state division record-holder in the shot put with 53 feet, one and five-eighths inches and the discus with 157 feet, 10 inches. Andrews and Pecos will furnish Brady the most competition.

In Class B, it looks like Liberty, which has a fine 440-yard relay team and a top sprinter in Harold Griffin, or Iran with its star hurdler, Bill Huddleston, Dashman Roby Robicheaux and a crack 440-yard relay team.

# Monahans Golf Tourney Slated For May 4-5-6

MONAHANS—The annual Monahans Country Club Invitational Golf Tournament will be held here May 4, 5 and 6. Merchandise prizes valued at more than \$1,200 will be awarded winners, runners-up and consolation winners.

Medalist shooters must qualify on the Monahans course on May 4 but players in lower flights may phone or mail their qualifying scores to the Monahans Country Club.

Should the number of players reach or exceed the anticipated 120, players in the fifth flight and below will play nine-hole matches the first day to avoid crowding the course, tourney officials have announced.

Some of the top golfers of the Permian Basin area, including the 1950 winner, Buster Tuttle of Lamesa, are expected to participate. A barbecue and Calcutta pool on the night of May 4 and a dance on the night of May 5 are added attractions.

# Midland - Odessa Range Will Have Bench Rest Tourney

The Second Annual Permian Basin Bench Rest Tournament will be held at the Midland-Odessa range, located one mile north of Midland Air Terminal, May 5 and 6. Firing will begin promptly at 9 a.m. both days.

Advance entries should be sent to George Darden, 310 Santa Rita Street, Odessa. Post entries will be accepted up to 15 minutes before firing time. An entry fee of \$1.50 should be sent with the name of each entry, officials have announced.

Cash prizes will go to first, second and third place winners in aggregate and individuals matches. Official National Bench Rest Shoot Association targets will be used. Any rifle with any sights may be used, and any position except machine rest will be allowed. NBRSA range rules will govern the shoot here.

Rotating trophies will be awarded the shooter having the best 100-yard group, best 200-yard group, the smallest 100-yard average group, the smallest 200-yard average group and the smallest overall average group. All these trophies are awarded for only one year and are to be returned to the club secretary before the next tournament or upon call.

Course of fire will be as follows: Matches one through five: Five shots for group at 100 yards. Unlimited sighting shots. (Time limit as prescribed by NBRSA in all events.)

Matches six through 10: Five shots for group at 200 yards. Unlimited sighting shots.

Match 11: Aggregate of groups fired in Matches one through five.

Match 12: Aggregate of groups fired in Matches six through 10.

Match 13: Aggregate of all groups fired.

Midland is making plans to entertain the National Bench Rest Shoot next year, it was announced by officials.

# Surprising Tribe Holds Second Slot In Loop Standings

By The Associated Press  
Oklahoma City's surprising Indians headed south late Thursday night only two games off the pace and sporting a 7-2 victory over Fort Worth.

San Antonio made ready for Fort Worth with a 3-2 win over Beaumont, while Shreveport licked Houston 5-2 and Tulsa split with Dallas, losing the first game 4-3 and winning the second 3-0.

Dallas pitched its ace Thursday night—Walt Lanfranconi—and he came through with a five-hitter in his fourth victory of the season. In the second game, two young Tulsa right-handers—John Stewart and Clarence Zieser—teamed for a shut-out.

Another pitcher—Homer Gibson—protected San Antonio's narrow victory. He fanned Elvin Tappe with runners on second and third in the ninth inning to clinch Johnny Pavlick's decision over Beaumont.

Cliff Coggins set Houston down with six hits as Shreveport salvaged the final game of a three-game series with the Buffs. The tilt was called in the eighth to enable the Sports to catch a train.

Hugh King and Rudy Paynich combined for Oklahoma City's win over Fort Worth, with the Indians staging a five-run spree in the first two innings.

# Walker Cuppers Sail For England

NEW YORK (AP)—Seven members of the United States Walker Cup team were to sail for England on the Parthia Friday afternoon, confident of defeating the Britons in their match at the Birkdale Golf Club May 11-12.

Two missing members of the nine man squad are Frank Stenaban, the Toledo strong boy who will fly over later so he won't lose practice time, and Dick Champman, former National Amateur champion who has made other travel arrangements.

# Longhorn League—Balk Saves Colts From Shellacking

By The Associated Press  
A balk usually costs the pitcher who makes it. But not Thursday night in the Longhorn League.

Roswell Outfielder Bill Scopetone hit a home run in the seventh inning with the score tied at 3-3 and a mate on second base—but umpire Johnny Townsend called a balk on San Angelo Pitcher Indio Beltran, the home run was not allowed and San Angelo went on to win the game 4-3.

You can guess what Townsend's ruling did to the blood pressure of an estimated 3,500 fans who overflowed the stands and took up every bit of available standing room at Roswell.

Artesia Rallies To Win  
Artesia was better to its fans as 2,500 welcomed professional baseball to that New Mexico city and the club responded with a 10-0 victory won in dramatic fashion over Odessa. In other games, Vernon beat Midland 5-3 and Sweetwater shut out Big Spring 4-0.

Julio DeLaTorre smashed a ninth inning home run for Artesia to break up a 9-9 tie. Artesia had staged a seven-run, seventh-inning rally to grab a lead that was shortlived.

Harry Epperson threw a four-hitter at Midland to pitch the Vernon Dusters to the 5-3 victory. He struck out seven men and walked only three.

Sweetwater got only two hits while Big Spring was collecting four but the Swatters used theirs to better advantage. Jessie Torres pitched the Swatters to the shutout in a game cut to seven innings by agreement.

LEGAL NOTICES

NOTICE OF ROAD BOND ELECTION THE STATE OF TEXAS COUNTY OF MIDLAND TEXAS TO THE RESIDENT QUALIFIED ELECTORS OF MIDLAND COUNTY, TEXAS WHO OWN TAXABLE PROPERTY IN SAID COUNTY AND WHO HAVE DULY RENDERED THE TAXES FOR TAXATION.

TAKE NOTICE that an election will be held on the 18th day of April, 1951, in Midland County, Texas, to determine whether or not bonds shall be issued by said county for the amount of \$1,250,000, for the purpose of the construction, maintenance and operation of macadamized, gravelled or paved roads and turnpikes, or in aid thereof, in Midland County, Texas, and whether or not ad valorem taxes shall be levied on all taxable property in said county, subject to the amount of said bonds and to the amount of said taxes, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity, in accordance to an ELECTION ORDER passed by the Commissioners' Court of Midland County, Texas, on the 18th day of April, 1951, and which order is on file and on record as follows, to-wit:

- PRECINCT NUMBER - POLLING PLACE 1. Place 1 Basement of Courthouse, Midland, Texas
- 2. Greenwood Schoolhouse, Midland County
- 3. Frank Midkiff Residence, Midland County
- 4. Fire Station, Terminal, Midland County
- 5. City-County Auditorium, Midland, Texas
- 6. Girl Scout "Little House", Midland, Texas
- 7. Midland Youth Center, Midland, Texas

THE COUNTY CLERK of Midland County, Texas, is hereby notified and directed to cause notice of election to be published once each week for three consecutive weeks prior to said election, in a newspaper of general circulation published in Midland County, Texas, and in addition thereto, by posting notices of such election at four public places in Midland County, Texas, one of which shall be at the courthouse door of said county, for three consecutive weeks prior to said election.

A COPY OF THE ORDER signed by the County Judge of Midland County, Texas, and certified by the County Clerk of Midland County, Texas, as aforesaid, shall serve as proper notice of said election.

THE ABOVE ORDER having been read in full, it was moved by Commissioner O'Neal and seconded by Commissioner Bryant that the same be passed and adopted. Thereupon the question being called for, the following members of said court voted "AYE": Commissioners O'Neal, Bryant, Skaggs and Stewart; and none voted "NO".

CLIFFORD C. KEITH, County Judge, Midland County, Texas. SHERWOOD O'NEAL, Commissioner, Precinct Number 1. ALVEY A. BRYANT, Commissioner, Precinct Number 2. WARREN SKAGGS, Commissioner, Precinct Number 3. W. M. STEWART, Commissioner, Precinct Number 4.

IN WITNESS WHEREOF, I have hereunto signed my name officially and affixed the seal of the Commissioners' Court of Midland County, Texas, this 18th day of April, 1951, pursuant to authority given by law and the above order of the Commissioners' Court of said county.

Committee Approves 10 Per Cent Slash For U.S. Agencies

WASHINGTON (AP)—The 1952 budget of 27 federal agencies was slashed 10 per cent—\$665,900,025—Friday by the House Appropriations Committee.

The committee recommended that the House give the agencies \$6,171,774,448 for the fiscal year starting next July. President Truman had asked \$6,837,677,465; the same agencies got \$11,932,720,332 for the present year.

The funds are for the so-called "independent offices" whose finances are lumped in a single bill. Almost all of them were cut, including the Atomic Energy Commission and the Veterans Administration.

The committee's action is subject to alteration by the House when it considers the bill next week.

The cut was the largest on any of four regular departmental bills sent to the House floor this year.

For the AEC, the committee allotted \$1,140,011,750, a cut of \$69,982,350, mostly in construction programs.

For the Veterans Administration, the allotment was \$3,971,944,145, a budget cut of \$483,378,855. Heavy reductions were in funds for readjustment benefits and pensions, due mainly to a tapering off in the education program for vets.

For the Veterans Administration, the allotment was \$3,971,944,145, a budget cut of \$483,378,855. Heavy reductions were in funds for readjustment benefits and pensions, due mainly to a tapering off in the education program for vets.

British Battalion Hacks Way Out Of Chinese Red Trap

WESTERN FRONT, KOREA —(P)— "The chaps were absolutely magnificent."

A slim British captain, bespectacled M. G. (Mike) Harvey, thus proudly hailed the remnants of his company. He had led them north to escape capture by the Chinese, then brought them back south 15 miles to Allied lines.

The survivors (number deleted) are all that are left of the First Battalion of the Royal Gloucestershire Regiment. Their losses were almost half of the casualties (number deleted) suffered by the 29th Commonwealth Brigade in three days of attempting to stem the big Red offensive.

The men of the 29th Brigade had taken terrific punishment. But they had inflicted an estimated 10 to 20 casualties for every man of their own unit killed or wounded.

Five of the 15 miles were covered in 90 minutes of walking, running and even crawling down rock-studded hillsides. The last 10 miles were a wild dash on U. S. tanks which the little company had met on its flight.

Constant Enemy Fire The British infantrymen were under almost constant enemy fire during that 10-mile ride. Some were wounded and were held on by their comrades. Others fell off the tanks and had to run madly to catch up. A brigade officer said that between 70,000 and 80,000 Chinese struck the brigade front at the start of the offensive.

"It was just a simple case of too many of the blighters for us to handle. The overwhelming weight of the Chinese forces pushed the main body of the brigade back as the Gloucesters were cut off.

"There were some nasty scenes up there. I saw a column of our tanks coming back, carrying piles of dead and wounded with the blood running down the side of the tanks."

The Gloucesters' regimental log carried this notation in the writing of Brig. Gen. Thomas Brodie, brigade commander:

"Only the Gloucesters could have done it."

Roberts Funeral Held In Andrews

ANDREWS—Funeral services for George Washington Roberts, 67, retired carpenter, were held here at the First Baptist Church at 2 p.m. Tuesday.

The Rev. Eugene Brand officiated. Burial was in the Andrews cemetery under the direction of the Hubbard Funeral Home of Odessa.

Pallbearers were D. C. Nix, Bob Nelson, Judge Milton Ramsey, Sheriff Floyd Peacock and Carl Betenbough.

Roberts, a resident of Andrews County since 1945, died Sunday in a hospital following a long illness.

Survivors include eight sons: George A. Roberts, El Dorado; Capt. I. J. Roberts, Sheppard Field; J. W. E. E. D. D. G. F. R. R., and J. W. W., all of Andrews. Also four daughters, Charlotte, of Andrews, Mrs. Eugene Blasey, Eunice, N. M.; Mrs. Nell Crabtree and Mrs. Bonnie Elmore both of Kermit; four step-children, W. P. Mother No-Billed In Drowning Case

FORT WORTH —(P)— Mrs. Sarah Elizabeth Taylor, 30, charged with drowning her three-year-old daughter in a dishpan February 12, Thursday was no-billed by the Tarrant County grand jury.

Mrs. Taylor was discharged Sunday from a hospital in Galveston, where she had been receiving psychiatric treatment. Doctors reported she was "now without psychosis." She is the wife of Robert H. Taylor, a Southwestern Baptist Theological Seminary student, and had been under \$5,000 bond on the charge.

Widow Of One Of Texaco Founders Dies

LAMPASAS —(P)— Last rites were to be held here Friday for Mrs. Sarah Jane Campbell-Scott, whose first husband helped found The Texas Company. She died Thursday.

Mrs. Scott first married William Thomas Campbell, one of The Texas Company founders, who died in 1906. She later married the late George Dallas Scott, school superintendent here for many years.

No More Malayan Rubber For Russians

LOS ANGELES —(P)— Red China and Russia will get no more rubber from Singapore, says James Currie, commercial counselor to the British Embassy in Washington.

Currie told newsmen Thursday that export licenses for rubber which were approved April 9 will preclude any possibility of Communist countries getting Malaya rubber. He said the British government will not approve licenses for export to the Reds.

The effect of this will be to create a modified embargo, said Currie. He said a complete embargo would mean economic war.

AMERICAN AIRLINES TRANSFERS EMPLOYE

DALLAS—Duane B. Grant, former personnel training representative for American Airlines in New York City, has been appointed southern region personnel manager for the airline, with his headquarters at Love Field, Dallas.

He replaces L. L. Kilpatrick, who has been recalled by the USAF and is stationed at Bergstrom AFB as a lieutenant colonel.

Only Doctor Can Help Cross-Eyed Child; Operation May Be Necessary

By EDWIN P. JORDAN, M. D. Written for NEA Service

Parents always have something to worry about—if it isn't one thing, it's another. Today two parents ask about the same problem.

Q—We have a two-year-old boy who looks cross-eyed at times. Should something be done about this?

Q—Can anything be done for our little two-year-old boy? At times he looks straight and at others it seems as though his right eye was in the corner side of the nose.

A—Both youngsters seem to have a condition known as cross eyes or strabismus. It is hard to start treatment so young or at least until the child becomes accustomed to visual concentration. As soon as possible children who squint should be given corrective glasses and perhaps eye exercises under the direction of a skilled physician. In some

cases it may be necessary to operate on the eye muscles in order to correct the condition.

Q—What are some of the causes for shortness of breath in a man of 56?

A—Heart disease probably heads the list. Asthma is another possibility.

Q—Not long ago my husband, who is a locomotive engineer, was driving his car in a bad snow storm. He had the car window open and the defroster working which caused quite a draught. Suddenly he felt a drawn sensation on the left side of the face, making it difficult for him to laugh. It gradually made his face appear as if his mouth was going up to his right ear, causing the other side of his face to seem lifeless. The doctor calls this Bell's Palsy. Can you tell anything about

this?—I wish space made it possible to quote all the above letter since it is a beautiful description of Bell's Palsy. This is a nervous affliction and quite often does follow exposure to cold draughts. There is almost always complete recovery, though this may take weeks or months. Medical treatments (especially physical therapy) may speed the return to normal.

Q—Is it OK for a man of 70 to walk five or seven average blocks a day? Has excellent health.

A—Congratulations to the gentleman. As long as he does not feel tired from his walking and is not suffering from some disease which would make it inadvisable, there seems no reason for giving up the walking. In fact, walking is a good exercise for the elderly because it is not too strenuous.
