Shell Oil Schedules Ellenburger Wildcat In C-N Howard Area

Four and one-quarter miles southeast of the closest producer in the East Vealmoor-Pennsylvanian reef field in Central-North Howard County, Shell Oil Company staked location for its No. 1-C O'Daniel which is projected to 9,500 feet to test the Ellenburger.

Drill site is 680 feet from north and west lines of the northwest quarter of the southeast quarter of section 29, block 27, H&TC survey. That puts it four miles northwest of Shell No. 1 E. T. O'Daniel, a discovery from the Pennsylvanian reef which developed only water in the Ellenburger.

No. 1-C O'Daniel is separated from the No. 1 O'Daniel by a dry hole drilled by Star Oil Company.

Warren Appears To Have Extension To Sharon Ridge Reef

Warren Oil Corporation appears to have assured a three-quarter of a mile northwest extension to the northwest side of the Sharon Ridge-Canyon pool in Southwest Scurry County.

Warren No. 1 Marion Addison, located 330 feet from south and east lines of section 144, block 25, H&TC survey is bottomed at 6,700 feet in the Canyon lime reef.

The reef was topped at 6,663 feet. Datum on that point is minus 4,348 feet. The project was drilled to the total depth of 6,700 feet. Good Shows In Samples

Samples through the section of the reef which was penetrated showed good signs of production.

No water was found. The 7-inch casing was then cemented at 6,691 feet. Operator is now drilling out the plug on that casing and will follow by making production tests.

Informed sources say that the project will be completed as an oil well and as an important extension to the Sharon Ridge-Canyon producing area.

Glass Project Gets Ellenburger Water; Test Higher Zone

Gulf Oil Corporation No. 2-E-B George W. Glass, Southwest Martin County wildcat, developed salt water on a drillstem test in the Ellenburger from 12,600 to 12,661 feet.

Tool was open one and one-half hours. Recovery was 900 feet of slightly gas cut muddy salt water and 10,800 feet of salt water.

Top of the Ellenburger is at 12,610 feet. That makes it have a datum of minus 9,737 feet. The No. 2-E-B Glass is 146 feet high on the top of the Ellenburger to the same conductor's No. 1-E-B Glass, one-half mile south and one-eighth of a mile west.

Will Plug Back

The exploration is to plug back to approximately 12,200 feet and set a 5-inch liner at that point.

After that is done the liner will be perforated and the Silurian lime will be tested. That formation logged slight shows of oil when drilled through. Interested observers do not expect that show to prove of commercial value.

If it does not make an oil well the Silurian the operation will then plug back to the Pennsylvanian and make a production test at 10,412-621 feet in that formation.

Flowed In Pennsylvanian

The wildcat flowed oil naturally on a drillstem test of that zone. It should complete as an oil well and a discovery for the Glass area from that play.

No. 2-E-B Glass has also shown for possible production in the Spraberry.

Location is 662 feet from south and 670 feet from east lines of section 12, block 39, T-1-N, T&P survey and 12 miles north of Midland and 18 miles west of Stanton.

Sinclair To Dig Deep Wildcat In McElroy Area Of C-W Upton

Sinclair Oil & Gas Company is moving in derrick on its No. 6 McElroy Ranch Company, new wildcat in West-Central Upton County.

It is located 1,980 feet from south and east lines of section 123, block D, O&D&RNG survey and three and one-half miles north of the same company's No. 1 McElroy Ranch, recently completed as a discovery from the Strawn and Ellenburger.

No. 6 McElroy Ranch will be drilled to 12,700 feet to test the Ellenburger.

Tex-Harvey To Test Deep Zones At East Pecos Prospector

Tex-Harvey Oil Company of Midland is to start operations at once at its No. 1 Morris Monroe, which is to be a 9,500-foot wildcat to which

DRIVER FINED—Deputy Sheriff Arthur Scamwell, right, and Justice of the Peace Warren Smithem fill out final papers relating to the arrest and fining of Secret Serviceman Grady A. Stowe for speeding 70 to 75 miles an hour through Hopewell, N. Y., while acting as chauffeur for President Truman's sister. Smithem gave Stowe his choice of "20 days or \$20."

County Taxpayers Vote Saturday On \$1,250,000 Issue

Midland County taxpayers will go to the polls Saturday to decide on a \$1,250,000 bond issue.

The bond issue, which must be approved by a two-thirds majority of those voting, would be used as follows:

Provide additional funds for the construction of a Front Street drainage system.

Provide additional funds to complete the widening, improving and extending of Front Street to furnish an alternate truck route through the city.

Purchase right-of-way for the widening of U. S. 80 Highway from the east city limit to the Martin County line.

Widen U. S. 80 Highway from Pagan Park to the west city limit.

Provide additional funds to pay the county's share in the construction of the Big Spring Street grade separation project.

Provide funds for county participation in the paving of a road into the busy Pegasus oil field southwest of Midland.

That is the package of projects which will be decided in the county-wide election Saturday.

Seventy Voting Places

The balloting will be conducted in each of the county's seven voting precincts, four of which are in the city.

The polling places and election managers are as follows:

Precinct 1—County Courthouse, Frank True, Jr.

Precinct 2—Greenwood School, Oswald Raggett.

Precinct 3—Frank Midkiff Ranch, Mrs. Frank Midkiff.

Precinct 4—Air Terminal Fire Station, Mrs. D. E. Skelton.

Precinct 5—City-County Auditorium, E. N. Thomson.

Precinct 6—Girl Scout Little House, J. L. Kendrick.

Precinct 7—Midland Youth Center, George Vannaman.

U. S. Casualties In Korea Reach 65,523

WASHINGTON (AP)—Announced Thursday reached 65,523, an increase of 1,468 since last week.

The total covers casualties reported to families through May 11, and includes 9,848 killed in action, 44,699 wounded and 11,006 missing.

Of the wounded, 1,163 later died. Also 101 of the missing are known dead. This raises the total of deaths to 11,112.

Army casualties increased 1,301 during the week to reach 54,418. The Navy reported a new total of 691, nine more than last week. Marine Corps casualties rose 136 to reach 9,831. The Air Force reported 22 additional casualties for a total of 585.

House Overrides Veto On Real Estate Bill

WASHINGTON (AP)—The House Thursday voted by a wide margin to override President Truman's veto of a defense real estate bill.

The legislation would require the defense establishments and the Civil Defense Administration to obtain approval from the House and Senate Armed Services Committees before making any major real estate deals.

It was the first veto acted on by the 82nd Congress.

It's Possible She Rolls 'Em

A Midland man out on the town Wednesday night, met a "nice-looking" woman at a tavern.

They drove downtown and parked to buy some cigarettes.

The man reported to police he gave the woman a \$10 bill to go in and buy the cigarettes while he waited in the car.

He still is waiting.

Baptists Approve New Building Plans

Midland First Baptist Church members voted overwhelmingly Wednesday night to build a new church and to sell the property now being used.

A proposal to build at a new two-block site on Gartfield Street, just north of Louisiana Street, carried, 344 to 41.

The vote was 319 to 63 in favor of selling the church property at Main and Illinois Streets.

On the other action at the Wednesday night meeting, Frank Cowden was named trustee to succeed J. M. White, who moved recently to Meridian. Other trustees are T. Paul Barron and J. O. Nobles.

The Rev. Vernon Yearby said the membership cast one of the heaviest votes in the history of the church. Many were absentee ballots, with about 150 resident members attending the Wednesday night meeting.

Architects will start immediately on plans for the new structure on the site given to the church by the family of the late E. P. Cowden.

Soaking Rains End Drouth In Midland, Area

Midland and its ranch and farm territory were wet Thursday morning.

Farmers and ranchers, rejoicing at the long-overdue moisture, were hopeful the prolonged drouth was broken and that the wildflowers yet may bloom this Spring in this section of West Texas.

The old-fashioned rain, the most beneficial since last September, started falling here at 8:30 a.m. Thursday, following light showers Wednesday night. The moisture continued off and on through the morning hours. Streets were flooded in several sections.

The gauge at the City Shops measured 32 inch at noon, while the CAA Weather Station at Midland Air Terminal recorded 20 inch of moisture.

The rainfall appeared to be fairly general over the area.

Flash floods deluged the ranch country in South Midland County Wednesday night, the fall ranging from one inch at the Youngblood ranch, 20 miles south of Midland, to six and one-half inches at the Tippet ranch, 35 miles south of the city.

Lakes Fill With Water

The flood at the Tippet ranch sent lake waters into the headquarters home, according to reports received here.

Sam Preston said up to two and one-half inches fell over his ranch country, 25 miles south of Midland. The Frank Midkiff ranch, south of Preston's reported three and a half inches, and the Dick Midkiff ranch, adjoining on the south, four and one-half inches.

The Jay Floyd ranch to the southeast got up to an inch and a half of moisture.

Lakes in South Midland County are filled with water for the first time in years, Preston said. He said the rain was the best thing that could have happened to the (Continued On Page Eight)

Downpours Continue In West Texas

Flood waters two feet deep coursed into the Texas Panhandle City of Plainview Thursday as drumming rains continued to fall.

At least 35 families were made homeless.

The inundation was the result of run-off from Running Water Draw, a creek which went out of its banks. Slate-dark rainclouds continued to dump record rains on the Panhandle and Plains Country, with no sign of a let-up.

Highway engineers said even more flood water was expected to hit Plainview before nightfall because the crest had not yet reached the city.

The flood waters sluiced into the northern part of Plainview, which is a city of about 10,000 people, about 75 miles south of Amarillo. The water was a half mile inside the city limits.

64-Year Record

The northern part of Plainview was without power Thursday morning.

Burning Water Draw is dry except when it rains. It hadn't overflowed since 1941, when similar conditions prevailed. The creek's head is near Hereford, where heavy rains have fallen this week.

Up to 11 a.m. Thursday, 6.51 inches of rain had fallen at Plainview. It was still falling shortly before noon. That total broke a 64-year record.

Three highways leading out of Plainview were under water. They are: U. S. Highway 87 (the Amarillo-to-Lubbock highway), U. S. Highway 70, to the west, and the state highway known as the Petersburg highway.

Ralph Thornton, news editor of Radio Station KVOP of Plainview, said the usually-dry creek bed was "roaring like a tempest."

"If the water rises just two or three feet more, the situation will be very serious," Thornton said.

The rains continued through most of the Panhandle and Plains Country.

Heavy South Plains rains, ranging up to eight inches, also caused boat evacuation of several families (Continued On Page Eight)

Four Are Missing In Oklahoma Floods

OKLAHOMA CITY (AP)—Four persons were reported missing Thursday in flood waters caused by torrential rains in Western Oklahoma.

Virtually every creek and river was on a rampage, blocking highways, stopping trains and knocking out some long distance telephone lines.

In Northwestern Oklahoma rain has fallen for four straight days.

Many cars have been stranded along highways in the area. Residents near Clinton and Woodward and families along the North Canadian and Washita Rivers have been warned to leave their threatened homes.

Eleven children were rescued dramatically from their Clinton school bus Wednesday night after being stranded on a country road by flood waters from the Washita.

Two 14-year-old students who volunteered to go for help are missing.

The Oklahoma Highway Patrol also listed as missing a farmer with the last name of Roman Nose, near Clinton, and Gale Simpkins, Elk City, a student at Southwestern State College, Weatherford.

The patrol said a second school bus with 25 students, from Arapaho, was found safe Thursday after being unreported since Wednesday. It was parked near a farm house and the children spent the night in the house.

Senators Uphold Bradley Silence On White House Talks

WASHINGTON (AP)—Senate investigators Thursday upheld the refusal of Gen. Omar N. Bradley to testify about President Truman's private talks with his advisers on firing General MacArthur.

Senator McMahon (D-Conn) said the vote was 18 to 8.

The action sustained a decision by Senator Russell (D-Ga), chairman of the Joint Armed Services and Foreign Relations Committees, that Bradley had a right to keep silent on the talks.

Bradley Tuesday declined to tell the committees, in response to questions by Senator Wiley (R-Wis), what was said at a White House conference April 6 which led to the President's dismissal of MacArthur as Pacific commander.

A vote to overturn Russell's ruling could have led to a formal demand that Bradley answer the questions or face possible charges of contempt of Congress.

Reds Fail To Halt Debate On Embargo Against Red China

NEW YORK (AP)—Russia failed Thursday to shift debate on a proposed world arms embargo against Red China to the United Nations Security Council, where a Soviet veto could kill it.

The question was settled without a vote in the General Assembly's 60-nation Political Committee after the Soviet bloc announced it would not participate in the committee's discussion on the ground the Security Council was the only competent agency to debate the question.

However, Russia's Jacob Malik insisted he was not asking the committee to vote on the question of competence. Chairman Roberto Arbenaz-Urdaneta, Colombia, then gave the floor to U. S. Ambassador Ernest Gross to introduce the embargo proposal.

The Soviet bloc delegates remained in their seats.

Council Starts 'Extra' Meetings Thursday

The City Council was to meet at 4 p.m. Thursday in addition to the regular semi-monthly meetings.

Mayor Perry D. Pickett said Midland's water situation would be the principal item of business and City Manager W. H. Oswalt was expected to provide background details of the problem.

(NEA Telephoto)
WARNS BRITAIN—Hossein Maki, secretary of the Iranian 11-man Parliamentary Oil Committee, has warned the British-owned Anglo-Iranian Oil Company to hand over its facilities to Iran peacefully or "This will mean the beginning of World War III."

Steel For Civilians Slashed Deeper; Oil Set-Aside Increased

WASHINGTON (AP)—The government announced Thursday that steel supplies for autos and other consumer "hard goods" will be cut about one-third below pre-Korea levels on July 1.

This will mean reductions ranging from 10 to 15 per cent below present civilian levels.

Copper and aluminum will be somewhat tighter than steel, Edwin T. Gibson, acting defense production administrator said.

Gibson said about 2,000,000 tons of steel will be available for refrigerators, passenger cars, washing machines and other household appliances in the July-August-September quarter, as against 3,000,000 tons on the average before the outbreak of fighting.

The announcement was made shortly after the government ordered steel mills to set aside sharply increased percentages of their output for July delivery on military priorities.

Larger Cuts Probable

The National Production Authority notified iron and steel producers that "an even larger share" of their output may be reserved (Continued On Page Eight)

Auto Crash Fatal To Lenora Resident

STANTON—Weidon E. (Muggs) Milam, about 40, of Lenora was injured fatally in an automobile accident 10 miles north of here Wednesday night.

He was brought to a Stanton hospital and died at 3:30 a.m. Thursday.

Milam was the manager of the Planters Gin in Lenora and was enroute to his home when the accident occurred. It was believed he went to sleep at the wheel, causing his auto to leave the highway.

Funeral services will be held at 3 p.m. Friday in the First Baptist Church in Stanton, with interment in the Caddo Mills Cemetery. Masonic rites will be held at the cemetery.

Arrington Funeral home is in charge of arrangements.

Survivors include the widow, Zelma Mae; a son, Joe, and two brothers, Paul of Caddo Mills and M. L. of San Antonio.

Midland Police To Don Western Duds For Rodeo

Midland police officers will exchange their neat brown uniforms next week for the traditional garb of the hard-working backbones of the range.

With rodeo time getting closer by the day, Col. Milan N. Plavac, director of public safety, said Thursday members of the police force would begin dressing in the traditional Western garb.

They'll wear their levis, colorful shirts and 10-gallon hats until Midland's World Championship Rodeo has closed.

New Secretary Learning Fast About Staging World Championship Rodeo

Louis A. Bartha, recently appointed secretary of Midland Fair, Inc., is gaining experience—valuable or otherwise—in the staging of a World Championship Rodeo.

It is his first experience along this line.

For instance, the telephone rang at Bartha's home about 9:30 p.m. Bartha, who believes in answering telephones, picked up the receiver.

"Where do I put my horse?" was the initial question put by the caller.

"What horse?" queried the startled fair association secretary.

"My roping horse, of course," shot back the cowboy, who explained he had arrived early for the 17th Annual World Championship Rodeo, which opens here May 30.

"I'll call you back," said Bartha, who then contacted other rodeo officials by telephone.

The secretary later advised the early rodeo arrival to turn his horse loose in the "trap" at the fair grounds.

"But take some feed with you," he advised the cowboy, "there isn't any grass."

Before-Breakfast Call

A few days earlier, a 6 a.m. telephone call aroused Bartha from sound sleep.

"Can you send so-and-so a check for so-and-so," was the early morning greeting from one of the rodeo boys.

"Yes, but after this how about calling me after breakfast," replied the secretary, who is finding out what goes on outside the arena in the arranging and staging of Midland Rodeos.

And these are only two of the scores of incidents that are breaking in the popular and easy-going Bartha to his new job.

"And I used to think that serving as Midland County Democratic chairman was a pretty tough assignment," Bartha said. "One thing for sure, though—the 1951 Midland Rodeo will be the biggest and best ever."

Contestants Too Full For Eat-Off

LEESBURG, FLA. —(P)— Two freckle faced youngsters ate three and a half pounds of watermelon in two minutes Wednesday. They were too full to have an eat-off for the annual Leesburg Watermelon Festival championship, so a toss of a coin gave the title to Paul Johnson over Miles Ebert.

TEXAS IS FOURTH IN P-TA MEMBERSHIPS

MIAMI BEACH, FLA. —(P)— Texas now ranks fourth among states in membership in the National Congress of Parents and Teachers. The state's 366,521 is topped by California, the leader with 886,253 members, Ohio and Illinois.

Gilbert and Sullivan provided the theme for the song "Hail Hail the Gang's All Here."

Margaret Truman May Star In UI's 'Song Of Norway'

By ERSKINE Johnson
NEA Staff Correspondent
HOLLYWOOD — Kathryn Grayson's pals are saying that a Manhattan reconciliation between the lark and Johnnie Johnston is in the it-could-happen stage. Johnnie's success in the musical hit, "A Tree Grows in Brooklyn," removes one of the monkey wrenches that scuttled the marriage.

The musical vehicle that's being discussed as a Margaret Truman star in UI's "Song Of Norway" — owned by the studio for several years.

They're guarding the plot line, but the big secret about Linda Darnell's British picture, "Saturday Island," is that Linda will out-do Bette Davis as an older woman in love with an 18-year-old boy. Linda's real age: 27.

When Agent Al Meinhack's tiny MG automobile stalled in Beverly Hills, MacDonald Carey advised him: "Better not choke it. Just burp it."

Mack Sennett is assembling four of his two-reel comedies in a "com-y quartet" for release as a full-length feature. . . . If the rights can be cleared with MGM, Yvonne de Carlo will star in "Mata Hari" in Italy for Alessandro Blasetti, who directed "Fabiola." . . . Guy Madison has found his niche as a two-gun guy in the TV Wild Bill Hickok series. The teen-agers are swamping him with fan mail.

Now it can be told: Fox planned to film "Zapata," the Mexican revolution story, south of the border until the Mexican government took a peek at the script. The demands for changes were so radical the film will be shot in the U. S.

From the script of UI's "Flame of Araby":

Shirley's Ex Marries Los Angeles Model

LAS VEGAS, NEV. —(P)— Actor John Agar, Shirley Temple's ex-husband, had to gulp several cups of black coffee before he could get a license to wed Loretta Zarnett Combe, Los Angeles model.

County Clerk Helen Scott at first refused to issue the license Wednesday on the ground that Agar was "too unsteady." He retreated across the street, ordered his coffee strong, and when he returned he passed muster. Judge Frank McNamee then married the couple.

Agar, 30, was divorced by Miss Temple Dec. 5, 1949. She complained of his drinking. Miss Combe, 28, and married once before, was with him when he was arrested January 13 on a drunk driving charge in Los Angeles. He faces trial there July 20 on two such charges.

Mrs. Jimmie Stewart Still Seriously Ill

HOLLYWOOD —(P)— Actor Jimmy Stewart's wife, Gloria, was somewhat improved Thursday, but her physician, Dr. Frank Rabwin, said her condition remains serious.

Mrs. Stewart has had five blood transfusions since she gave birth to twin girls May 7 by Caesarean section. The 32-year-old Mrs. Stewart underwent two operations for intestinal obstruction after she gave birth to the twins.

Canatas and operas differ in that a canata is a musical drama sung without costume, scenery or action, while those things are present in an opera.

Anthony To Open New Store Here

Roy Holt, 38, is opening his third store for the C. R. Anthony Company and the one in Midland is going to be the largest of the group.

"In fact," explained the manager of the new store here, "we're going to have one of the finest stores in West Texas and we think Midland will be proud of it."

Holt, a native of Oklahoma, came to Midland from the C. R. Anthony store in Littlefield, which he opened two years ago.

Right now, he's in the midst of getting the store in order for its grand opening.

"We are planning to open on June 1," he said. "We're waiting right now on our fixtures and as soon as they arrive, we'll begin getting things in shape."

The new store will have two floors and a balcony. There will be complete lines of men's wear, household furnishings, women's wear and clothes for children and infants.

With 17,000 square feet of floor space, the store will be air-conditioned and there'll be electric motorstairs to the second floor.

There will be a sales force of approximately 30 people and Holt is now interviewing applicants for jobs.

"I will be here every day," he said, "and I'll be glad to talk with anyone who wants to work for us."

Holt's wife and two daughters will move to Midland within two weeks.

Gary Coopers Talk Property Settlement

HOLLYWOOD —(P)— The Gary Coopers have separated and negotiations for a property settlement are in progress. Mrs. Cooper's lawyer says.

Cooper, in Naples, Fla., on movie location, admitted last November that he and his wife, the former Sandra Shaw of the films, had quar-

reled. But he said the quarrel was of no consequence. Graham Sterling, Mrs. Cooper's attorney, said Wednesday he does not know whether she plans to file a divorce suit. She said recently that under no circumstances would she sue for divorce.

The Coopers were married in 1933 in New York.

Complete Alignment Service
Don't waste vital tire rubber by driving on wheels that are out of line or out of balance. Drive in at SKINNY'S ALIGNMENT SHOP, 1910 West North Front Street, for complete wheel alignment service. Albert (Skinny) Norwood has established his own shop after years of operation in Midland. He is equipped with the most modern machinery including a Bear Machine. Drive in for service before you start on that vacation trip. Now, more than ever, it's important to make those tires last, besides wobbly wheels take the pleasure out of driving.

He Is A Wise Homeowner
Resolve to do all those fix-up jobs you've been putting off. Brighten and freshen your home inside and out with famous DuPont Paints from J. C. VELVIN LUMBER COMPANY, 204 North Fort Worth. You'll find materials for those repair jobs and also all kinds of builders' hardware. It's a wise homeowner who keeps his home in good repair and nothing protects from deterioration more than regular paint jobs.

Commercial Fixtures
Your merchandise has more buyer appeal when it is displayed in custom made store fixtures. Special shoe counters or shelves enable you to display more pairs of shoes to a greater advantage. Cosmetic counters enable the prospective buyer to see the merchandise you have to sell. MIDLAND PLAINING MILL, 415 South Baird, specializes in custom built commercial fixtures of all types, and will design them to suit your particular needs. Call 2930 for estimates.

At Your Call
Overloaded circuits reduce efficiency and create "shorts." Don't gamble with dangerous short circuits. Let BURTON ELECTRIC COMPANY, 432 Andrews Highway, wire your home for plenty of outlets in the right places. Adequate wiring means better living by giving you plenty of light and the use of your electrical appliances. If your present home is not wired adequately or if your wiring is old, let expert electricians service it for safety as well as convenience. Call 2840 for electrical service.

Colored Flagstone For Rustic Charm
Flagstones, when used for patios, floors or dens in the garden, create a rustic charm that is enhanced by the years. You can get them in colors for novel effects. HELBERT AND HELBERT, BUILDING CONTRACTORS, will sell you the stones and lay them for you. There are so many ways they can be used—sidewalks, barbecue pits, flower boxes, curbs and fish ponds, all easily constructed with colorful flagstones. Call 2934 for more information.

It's Murder!
Make war on those pesky roaches that invade your pantry and cabinet. It's so simple. Just brush on a little Johnston's No-Roach wherever they are likely to appear. It knocks 'em dead! Johnston's No-Roach is sold at MIDLAND HARDWARE AND FURNITURE COMPANY, in pint for \$1.49 and 8-ounce bottles for 89¢. Completely odorless, its perfectly safe to use in the home and the effect lasts for months. It also exterminates water bugs and ants.

Give Your Home A Grand Entrance
Let ABELL-MCHARGUE MILL WORK DIVISION show you how a deluxe door frame can enhance the appearance of your home. . . . add to its value. The cost is moderate. Call 3390 for more information. Millwork is the outstanding feature of your home. Front entrance, fireplace mantel, china cabinet, etc. can be bought ready-made at Abell-McHargue Mill Work Division, 1800 North West Front.

Masterpieces!
Authentic styling and careful attention to decorative details make the Cameo creations at MIDLAND HARDWARE AND FURNITURE COMPANY wanted for charming schemes of room decoration. They have an expensive imported look and are all masterpieces. . . . all fine reproductions of costly imported and hand painted ivory. They come packed in attractive gift boxes and are guaranteed not to break. There are "scattered miniatures" for wall grouping or panels and for grouping over mantels with larger miniatures. Frames are oval, square or circular in open carving or solid design.

Lawn Mower Service
With a new and completely equipped shop, WILCOX HARDWARE, 506 West Wall, is prepared to keep your lawn mower in perfect working condition, regardless of model. New equipment includes the Ideal Grinder, the Modern Grinder, the Foley and the Yard Man Lapping Machines. All blades from a five-inch, to a 36-inch tractor mower blade, are sharpened and guaranteed to work like new. Call 44 for pick-up and delivery service or take your mower to Wilcox Hardware, next to Safeway.

Top Honor Gifts
Her favorite fragrance, beautifully gift-packaged, is always a thrill to the girl graduate. Gifts that make her feel elegant are always the most exciting. Let The Beauty Counselor, Mrs. Roberta Bain, Andrews Highway, take care of your gift shopping with BEAUTY COUNSELOR COSMETICS. Gift items include exquisite perfumes and colognes, bath powder and beauty aids. Call 3028-W for orders.

Add Humus To Your Soil
Unlike ordinary commercial fertilizers, containing a filler of sand to prevent the use of too much chemical, Turf Special, at WILCOX HARDWARE, 506 West Wall, contains 20 pounds of chemical and 80 pounds of organic matter to feed mold. The chemical supplies vigor and the organic matter adds the humus our soil needs for moisture. There's no sand — just growth promoting elements. Goldthwaite's Turf Special is a complete organic base, (Hou-Actinetic) fertilizer for lawns and athletic fields. Combine organic and chemical fertilizer for elements necessary to healthy, vigorous plants.

Choose The Right Mower
It is important, when purchasing a power lawn mower, to know what size and type to choose for most satisfactory service. WILCOX HARDWARE, 506 West Wall, will help you choose a model from the famous Jacobsen line to suit your type of lawn. The big difference between mowing the hard way and breezing through the task is power. That's why Jacobsen is your best buy. The Jacobsen Company builds top quality mowers and designs engines specially for power mower use.

Planned For Gracious Living
Here are distinctive, modern homes with all the up-to-the-minute features you've always wanted in a home of your own. . . . paved streets, central heating, concrete walks and drives, slab doors, casement windows, Youngstown cabinets, tile baths and Venetian blinds throughout. The Cunningham Homes are planned for gracious living. Let the C. L. CUNNINGHAM COMPANY, GENERAL CONTRACTORS, show you how easily you can own a home in this rapidly developing addition. Call 3924 for more information.

Beat The Dust!
Save clothes — save laundry with dust-resistant plastic. Close accessories of plastic make your clothes prettier, neater and protect your clothes from dust. MIDLAND HARDWARE AND FURNITURE COMPANY, LINEN DEPARTMENT, features a complete line, including garment bags, shoe bags, hat boxes, lingerie bags and hostery bags, in charming rosebud design or plain plastic. There is also a new line of shower curtains with matching window curtains in hand painted design or solid colors.

Travel Like A Potentate
You'll travel deluxe in a modern car with seat covers of Saran, the ultimate in riding luxury. They are so comfortable, so smooth — never clammy in summer, never clammy in winter; so lovely with a gorgeous shimmering texture—decorative patterns and colors as bright as a sunrise. Saran is so long lasting because it is woven of wear-resistant plastic. Get seat covers of Saran, from MILLER BROTHERS TRIM SHOP, West North Front and K Street and you will be sitting pretty wherever you go.

Confidentially Yours
When it's necessary to keep certain details of your business confidential, you can depend upon the aid of MARY LOU HINES' SECRETARIAL-STENOGRAPHIC SERVICE, 1910 West Kentucky. Mrs. Hines is experienced in the land geological and scouting departments of the oil industry as well as other fields of business. She will handle your letters, manuscripts and reports with the strictest confidence and in the most efficient manner. Her services are available evenings and weekends. Call 488-J for appointments.

Keep Your Car Clean—Keep It Longer
When MIDLAND AUTO STORAGE attends to wash and polish your car and clean the interior, they are actually adding years to its life—dollars to its trade-in value. Now it is more important than ever to protecting the life of your car. . . . and another way, the most vital way, that helps keep your car rolling, is proper lubrication. A grease job the way these experts do it is a low cost service you can have while your car is in storage or while you wait. Call 2622 for more information.

Polio Policy
With one policy you can protect your entire family in the event of polio. NEELY AGENCY, in the Crawford Hotel, offers a low-cost insurance policy that provides medical care for every member of your family for only \$10.00 per year for the first year and \$10.00 per year thereafter. Call 1850 and let a representative explain this protection plan in detail. It is a low-cost means of avoiding financial worry. In the event of polio, the medical bills are paid by the policy.

Reta Beights Is New President

Reta Beights was installed as the new president of the Xi Alpha Mu Chapter of Beta Sigma Phi at its final meeting of the club season Tuesday. The meeting was held in the home of Mrs. A. R. Aytes.

Other officers installed were Mrs. Charles Reeder, vice president; Mrs. Aytes, secretary; Lillie May Stovall, treasurer, Mrs. Sam Preston, sponsor.

Fellow roses, white candles and crystal accessories were used in the conferring of the exemplar degree upon Mrs. Don DeBerry, a new chapter member. Both ceremonies were conducted by Elizabeth Knox, going president.

Others attending were Mrs. Conra Reaves, Mary McNeely, Mrs. R. L. Maddox, Mrs. Lamar Kopecky, Sara Johnson and Doris Hanks.

Music Club Plans Annual Meeting

The annual meeting of the board of directors of the Ninth District of Texas Federation of Music Clubs will be a luncheon at 1 p. m. Saturday in Donohoo's Restaurant.

Past accomplishments will be reviewed and plans made for the coming year. Every board member and Midland officer is requested to attend. All members are invited. Reservations should be made by Thursday night by telephoning No. 1122-J.

Four Circles Meet For Bible Study

The Women of the Church of the St. Andrews Presbyterian Church met in circles Monday and Tuesday for Bible Study.

Mrs. R. F. Carroll was hostess to Circle 3 when it met in her home Tuesday. Mrs. D. M. Armstrong gave the Survey article and Mrs. Charles Gaylord gave the Bible study.

Others attending were Mrs. C. E. Bissell, Mrs. C. H. Dobbs, Mrs. J. W. Drummond, Mrs. C. A. McClintic, Mrs. D. M. Shell and Mrs. Terry Tidwell.

Circle 1 met in the home of Mrs. John Casner. After a business meeting Mrs. J. I. Trost gave the Bible Study.

Mrs. J. V. Hardwicke was a guest. Others attending were Mrs. Lewis Waterstreet and Mrs. Hue E. Nunnally.

Ellen Walling Is Party Honoree

CRANE—Mrs. Charles O. Walling honored her daughter, Ellen, with a graduation party Saturday in her home. Guests were members of the senior class.

Red gum drop corsages were used as favors and tiny diplomas tied with blue and white ribbons were place cards.

Mrs. Walling was assisted by her mother, Mrs. R. W. Nussbaumer of Odessa.

Those attending were Ora Abrams, Jamie Sue Patterson, Jackie Lou Mackey, Lila Kinsey, Peggy Mobbs, Jency Porter, Loy Taylor, Joyce Bright, Irma Lea McKay, Geneva Baker, Mrs. S. C. Fileman, Mrs. Brady Thomas and Mrs. Inez K. Elmore.

Final Performance Of Comedy Play Given Wednesday

The final performance of "See How They Run" was given to a full house Wednesday night in the City-County Auditorium. The play was given by the Community Theater and directed by Art Cole.

The three-act comedy, written by Phillip King, was presented in the round. Members of the cast included Norah Harris as Ida, Marymargaret Corbett, Miss Skilton; Hal Shaner, the Rev. Lionel Toop; Betty Simpson, Penelope Toop; Fred Reiter, Cpl. Clive Winston; Robert E. Goff, the intruder; Charles A. Shaw, the Bishop of Lax; Bill Adam, the Rev. Arthur Humphrey, and Jim Newman, Sergeant Towers.

Tryouts for the next Community Theater production, "The Philadelphia Story," will be held at 8 p. m. Friday in the City-County Auditorium. Tryouts also will be held Sunday.

The cast includes nine men, five women, one girl and several walk-on parts. All persons interested in trying out for a part are urged to attend.

The play will be given late in June.

Methodist Circle Discusses Bible

A discussion on the Old Testament was held Wednesday by the May Tidwell Circle of the First Methodist Church. The group met in the home of Mrs. Joe C. Smith.

Those participating on the program were Mrs. C. M. Chase, Mrs. Jack Chase, Mrs. Lionel Craver and Mrs. Speed. The meeting was adjourned by Mrs. Luther Kirk.

Others attending were Mrs. Floyd Galbraith, Mrs. Jack Smith, Mrs. George Peters, Mrs. Lester Short, Mrs. Jack Walton, Mrs. Earl Ray, Mrs. Robert Stripling, Mrs. George Stewart and Mrs. E. L. Simms of Houston.

Steinke And Davis Plan June Wedding

CRANE—Mr. and Mrs. M. B. Steinke of Mart announce the engagement and approaching marriage of their daughter, Jewell, to Baker H. Davis, son of Mr. and Mrs. Jesse Davis of Crane.

The wedding will be held June 3 in the Trinity Lutheran Church in Waco.

Miss Steinke will be attended by Mrs. Joe Pearce, Jr., of Bryan, Dean Meyer of Waco, Joyce Bufkin, Briceville, and Sammie Davis, Crane. Tom Shifflet of Fort Worth will be best man. Ushers will be Talmadge Steinke and Joe Pearce, Jr.

Miss Steinke graduated from Mart High School and attended a business college in Waco. Davis is a senior student at Texas A&M.

Golfers Are Party Honorees

The Ladies Golf Association of the Midland Country Club held a cocktail party Wednesday honoring the visiting golfers for the invitational golf tournament. It was held in the clubhouse.

Mrs. Ralph Lowe was chairman. The table was covered with a red cloth and centered with a large rooster made of flowers, sequins and feathers. Crystal and silver appointments were used.

Mrs. Tex Carleton and Mrs. June Melton served the first hour and Mrs. J. D. Dillard and Mrs. Fred Gaarde, the second hour.

Others in the house party were Mrs. Miles Hall, Mrs. Vann Ligon, Mrs. Bob Franklin and Mrs. Charles Wallace.

Onan Vaudell played background music.

Approximately 250 persons attended.

Mrs. Lowe Fetes Tiny Tot Students

Mrs. Ralph Lowe was hostess Wednesday to the members of the Progressive Tiny Tot Art School for refreshments in her home following the rehearsal for the annual closing-of-school program. The program will be held at 7:45 p. m. Monday in the City-County Auditorium.

Mrs. Lowe's daughter, Mary Ralph, is a pupil in the school. Forty-nine children attended. Mrs. W. M. Thompson is the school's director.

The Turfan Depression in western China is 427 feet below sea level.

SOCIETY

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, MAY 17, 1961-3

Girl Scout Troops Play Games, Sing, Have Initiation Service

Songs, games and initiation services were some of the features of Girl Scout Troop meetings this week.

Intermediate Troop 6 held its last meeting of the year in the Girl Scout Little House Tuesday. It was announced that Jere Ann Price had been chosen to represent the troop at the Mitre Peak Scout Camp.

Those attending were Ramona Hynd, June Nell, Gertie Ann Munger, Nancy Forman, Carolyn McKnight, Diana David, Sue Schneider, Gail Crosby, Sally Lees, Margaret Peters, Zola Morgan, Ann Brooks, Jackie Collier, Nancy Hughton, Nancy Patterson, Mrs. Bill Walker and Mrs. Charles Horton, leaders.

Plans for a cookout to be held next week were made by Intermediate Troop 5 Wednesday. Susan Jones served refreshments to Mary Jane Wilson, Sherry Benn, Jean Pipkin, Louise Ervin, Virginia Howard, Carol Ann Leake, Mary Frances Glasscock, Mrs. Bill Glasscock, leader, and Mrs. Fred Bauchens, assistant leader.

Valerie Sax of Troop 10 was a guest at the Wednesday meeting of Brownie Troop 50. The girls played games and sang songs.

Those present were Susan Gallagher, Patti Hall, Jean Hawkins, Delores Merritt, Carolyn Price, Janice Rowlett, Shirley Anderle, Carolyn S. Moore, Betsy Ann Worden, Cindy Madison, Jana Richey, Marla McCormick, Shirley Anderle, Blanche Cooper, Mrs. W. T. Moore, assistant leader.

Receive Pins

Two-year pins were presented to the members of Brownie Troop 28 Tuesday. Sonora Scott was the hostess.

Others present were Sue Dickinson, Judy Hawkins, Carolyn Jones, Florence Marberry, Ann Mast, Freddy McKinney, Marianne Melzer, Joan Partanen, Sonora Scott, Marjorie Walker, Anne Ward, Evelyn Schafer, Mrs. J. O. Partanen, leader, and Mrs. Joe Ward, assistant leader.

Sue McAllister was initiated into Brownie Troop 51 Tuesday. Plans were made for a picnic to be held next Tuesday at Cole Park.

Those present were Jonna Beadle, Patricia Breitt, Kristi Carlson, Carol Covington, Joan Hill Hamilton, Kishiah Howell, Martha Miller, Cynthia Parkinson, Jo Ann Rust, Judy Lynn Parks, Joyce Lynn Wilburn, Sue Parks, Jerry Lee McMullan, Mrs. Carl W. Covington, leader, and Mrs. Fred Uhrig, assistant leader.

Games were played by Intermediate Troop 2 Tuesday. Mrs. Simmons and Mrs. Yearby were guests.

Members Listed

Others attending were Catherine Standefer, Ann Simmons, Gwen Ann Davis, Betty Jack Hawkins, Julia Marberry, Georgeann Brown, Eliza Jane Payne, Eleanor Penn, Annett Chaddock, Sandra Shaw, Essie Stripling, Lailajo Wright, Harriet Yearby, Von Dean Heatren, Sara Jane Dickenson, Mary Louise Erskine and Mrs. Jenks, leader.

Intermediate Troop 20 cleaned up the Girl Scout kitchen at its recent meeting. Those present were Sandra Cooper, DeAnn Belcher, Sara Maverick, Flora Mills, Suzanne Deats, Joan Redding, DeWayne Wilson, Mrs. M. J. Loring, leader, and Mrs. Redding, assistant leader.

Mrs. Smith Is Book Reviewer

Mrs. Harrie A. Smith reviewed the book, "Sure Enough—How Come?" at the Wednesday meeting of the Modern Study Club. The group ended its season with a luncheon, followed by a program, in the Petroleum Club.

Mrs. Smith gave several readings from the book which consisted of poems about the derivation of popular Texas expressions. It was written by Bertha Van Emden of Wichita Falls.

Arrangements of pink carnations and stephanotis formed the table decorations. Mrs. Carl Westlund, president, presided. Mrs. K. C. Slough, program chairman, introduced the speaker and took up the questionnaires which members had been asked to fill out.

Suggestion Box Available

Reservations were made with Mrs. James W. Brown. A suggestion box also was available to the members.

Other members and guests attending were Mrs. W. B. Smith, Mrs. Ray Howard, Mrs. Lee B. Park, Mrs. Frances Brown of Fort Leavenworth, Mrs. Lamar Lunt, Mrs. C. H. Collins, Mrs. R. D. Struggs, Mrs. DeLo Douglas, Mrs. C. C. Keith, Mrs. Robert E. Morgan, Mrs. Bryan L. Denison, Mrs. Robert L. Clarke, Mrs. Earl Colk of Longview.

Mrs. John Casselman, Mrs. J. W. Carroll, Mrs. W. C. Cartwright, Mrs. Douglas Edman, Mrs. John W. Daly, Mrs. Henrie Mast, Mrs. G. C. Hughes, Mrs. H. S. Garrett of Fort Worth, Mrs. Earl A. Johnson, Mrs. Richard Harrell, Mrs. Newie Ellis, Mrs. C. H. Shepard, Mrs. Ellis Conner, Mrs. Ed Shakely, Mrs. Edwin C. Hall and Mrs. Brandon E. Rea.

DAUGHTER BORN TO FORMER MIDLANDERS

A daughter, Barbara Lee, was born to Mr. and Mrs. Crom Holmes, former Midland residents, at 5 p. m. Wednesday in a Texas City hospital.

Mrs. Holmes, the former Melba Hayslip, is a sister of Irene Humphrey of Midland.

Vote The Bonds !!

Another important bond election—this time a Midland County proposal—faces citizens of this progressive and fast-developing county. Qualified voters Saturday will decide whether \$1,250,000 in bonds will be issued for much-needed highway improvements...

Work on the important Front Street project, which will serve as an alternate truck route through the city and which will provide much-needed drainage facilities, is scheduled to begin immediately...

Rising costs of construction, over which county officials have no control, is blamed for the situation demanding additional funds over those provided in a previous \$1,000,000 bond issue.

Of the proposed bond funds, officials estimate between \$775,000 and \$1,000,000 will be needed to complete the overall Front Street program.

A part of the remaining funds would be used to finance the acquiring of right-of-way and the building of fences for a proposed paved highway into the busy Pegasus oil field southwest of Midland—another much needed and long overdue project.

The county's participation in a State Highway Department project to widen U. S. Highway 80 from the east city limit to the Martin County line, and perhaps other smaller jobs, also would be financed with funds from the proposed bond issue.

Progress has brought about the need for each of the projects, and surely all must be carried through to completion as promptly as possible.

The Midland Chamber of Commerce endorsed the overall program of improvement after each project had been studied and recommended by its Highway Committee.

Midland County, rapidly becoming one of the leading oil-producing counties of West Texas, is in excellent financial condition and the issuance of the bonds will not place a heavy burden on the county. It is possible even that an increase in the current tax rate will not be required.

Little if any argument has been voiced against the bond issue proposal and it generally is believed a vast majority of the citizens favor the proposition, but the important thing now is to get out the vote.

The facts have been presented and it now is up to the citizens to decide whether the bonds are issued. The important thing is to VOTE.

Those favoring the bond issue should remember that a two-thirds majority is necessary in order for the proposal to carry.

Saturday is election day in Midland County. It is the duty of every qualified voter to cast his or her ballot in this important election.

Let's VOTE the bonds by a substantial majority !!

A Healthy Contrast

America heartily welcomes Prime Minister David Ben-Gurion of Israel to its shores. As head of the newest nation on earth, he is a reminder to us that the urge to self-determination still burns brightly in the hearts of many whose history has been clouded by hardship.

What a healthy contrast is this example to the dismal spectacle of other equally proud peoples in Central Europe and elsewhere falling prey to Russian communism. As the free world encourages the birth of new countries like Israel and Libya, it must never abandon as totally lost the freedom-loving folk of Poland, Czechoslovakia, Hungary, Rumania, Bulgaria and other victims of the predatory Reds.

Misguided Economy

The President's budget called for \$408,000,000 to put some life into nation's still sagging civil defense program.

The House sliced that figure to \$186,750,000. The Senate Appropriations Committee is proposing \$84,000,000.

In congressional circles, this is known as economy. In civil defense circles, it is known as playing with fire. Perhaps the uncontrolled fire in the aftermath of an atomic bomb.

Incidentally, We Wonder What Happens To Old Sailors?

The Washington Merry-Go-Round

By Drew Pearson

(Copyright, 1951, By The Bell Syndicate, Inc.) Drew Pearson says: American B-29s suffered heavy loss near Manchuria; Dean Acheson advised to change his name; Russia outsmarts our propaganda in India.

WASHINGTON — The American public has shown its ability to take the bad news along with the good and therefore has a right to know about our worst air disaster of Korean war. So far the facts have not been released at the Pentagon.

Last month, however, 40 B-29 superfortresses, escorted by jet fighters, bombed the international bridge connecting Sujuju, North Korea, with Antung, Manchuria. The B-29s were hugging so close to the Manchurian border that one side was exposed and approximately 100 Russian MIG-15 jet fighters hit them from the exposed Manchurian side, breaking up the formation.

Two B-29s were shot down. A third was listed as missing but was seen crashing into the sea. Seven of the big superfortresses had to crash-land in South Korea, while one more was badly damaged but made it back to the home base.

Despite this disastrous toll, the bridge wasn't even hit, and the mission was a complete failure. On the other hand, most of our bombing missions have been far more successful and the Air Force on the whole has done an amazing job. When our planes get close to the Manchurian border and Russian planes, however, the hazards increase.

Dean "Mac Acheson" gave a small dinner party recently for Israel's visiting prime minister, David Ben-Gurion, and during the evening commented on the prime minister's unusual name.

Ben-Gurion explained to Truman he had taken an old Jewish name, and that many Jews had changed their names after settling in Israel. At the table was elder-statesman Congressman Charles Eaton of New Jersey, who, though a Republican, has been sympathetic to Secretary of State Acheson during the General

Q—When was the Gideon Society organized? A—It was formed in 1899 by three commercial travelers for the purpose of banding together Christian commercial travelers. It is this society which furnishes Bibles for guest rooms of hotels.

Q—Has the United States formally broken diplomatic relations with Bulgaria? A—Yes. Following the series of notes concerning the treatment of the American legation, the United States formally broke off diplomatic relations with Bulgaria, February 21, 1950.

Q—How many different kinds of forest trees are there in the United States? A—U. S. Department of Agriculture says there are precisely 1,182.

Q—Where are the roughest seas in the world to be found? A—At the edge of the Antarctic Continent, where the Pacific, Atlantic and Indian Oceans meet.

Q—Was Columbus substantially rewarded for his discovery of America? A—No. Because he failed to find gold on his ensuing voyages, the Spanish rulers turned their backs on him, the crowds forgot him. Impoverished, he ended up in debtors' prison. He died in 1506 in such obscurity that his burial place is still in doubt.

In other words while Congress dillydallies, the American people, as usual, are way ahead of their legislators. The MacArthur Controversy So many thousands of words of testimony have been published regarding the MacArthur dispute, it is difficult to keep the record straight. However, here are a few important facts, not all of them published, which should be weighed in arriving at conclusions:

General MacArthur mentioned four points in the now-famous January 12 memo from the joint chiefs of staff. Actually, there were 16 points in this memo, and it perhaps was natural that he should mention only the points which best supported his case.

Of the 12 other points, many were technical, but several significant. One point which hasn't been published was a proposal by Washington to use anti-Communist Chinese guerrillas on the Chinese mainland and the "silver bullet" policy. The latter refers to the time-honored custom of buying off Chinese generals with silver.

Another important unpublished point was the joint chiefs of staff advice to stabilize the Korean line if possible, and if not, to evacuate Korea altogether. Evacuation, however, vigorously was opposed by MacArthur, his chief objection being that it would appear to be a military defeat. It is understandable that he didn't want to finish his career with a military defeat, but it also

is interesting that he and Secretary of State Acheson heartily concurred in opposing any withdrawal from Korea. Their reasons, however, were different. Acheson felt that if it finally was necessary to withdraw, the withdrawal should be acknowledged as a military defeat. We should tell the world that we had done the best we could to block aggression, he argued, but were outnumbered. There was nothing dishonorable, he felt, in military defeat as long as we had done our best.

General MacArthur, on the other hand, believed that if we had to withdraw from Korea, it should be labeled as a political decision by the U. N., rather than one forced by military necessity. Fortunately, Chief of Staff Collins flew to Korea shortly thereafter and decided that the U. N. could hold.

So They Say

There is nothing transitory about Communist determination to destroy us. Communist leaders may vary their tactics, timing, strategy, yes, but their objectives never. —Lt. Gen. Matthew B. Ridgway.

Those that holler loud and long that Communists are taking over the country (still advocate) things that Joe Stalin would turn his nose up at. —Rep. Boyd Tackett (D-Ark).

The days of relatively easy and automatic relations with our neighbors (the U. S.) are, I think, over. —Lester B. Pearson, Canadian external affairs minister.

No matter how successful and strong a man is, he wants to come home to warmth and stability, and he wants to hear it in a woman's voice. —Crystal Waters, voice teacher.

It is true that our country has produced good and courageous soldiers. It would, however, be false to assume that the Germans are aggressive by nature. —Dr. Konrad Adenauer, West German Republic chancellor.

You are sitting down to write a letter to a relative or friend you haven't written to in some time. WRONG: Try to remember all the bad news you can and crowd it into the letter. RIGHT: See how cheerful you can make your letter.

College Offering \$500 To Majorette EL PASO—A \$500 drum majorette scholarship to Texas Western College in El Paso is being offered by the El Paso Exchange Club.

All girls interested in applying should write the chairman of the music department of Texas Western and full details will be sent. The drum majorette selected will lead the famed Texas Western Marching Band.

UNHOLY TRADE GARY, IND.—(AP)—The First Baptist Church here found itself equipped with a full set of safe cracking tools, but minus \$255 in collection plate money. Deacon Edward Cunningham decided the burglars had been scared away before they could pick up their tools.

Some Koreans call a helicopter an "infuriated palm tree."

JACOBY ON BRIDGE

By OSWALD JACOBY

Written for NEA Service. The Intercollegiate Contract Bridge Tournament, an annual event begun in 1940, brings the best college players of the country to Chicago to play in a championship event. This year students came from colleges as widely separated as Harvard and Washington State.

It was very interesting to see what happened in one of the hands played by all of the contestants in the first round of the tournament. The bidding was much the same at all tables, and the opening lead

was almost invariably a heart. Dummy won with the ace and returned a trump in all cases. West took his ace of spades and could not see that the setting tricks could come only from the club suit. The problem was to make sure of three club tricks—if possible.

Most of the West players were too inexperienced to recognize the situation, and only a few were able to work it out on the spot. Most of them led the deuce of clubs. This gave declarer a chance to hold the loss to two club tricks.

South simply played a low club from dummy, and East had to play his ace to win. Now a club return would set up dummy's queen, while any other return would allow declarer to get rid of his losing clubs on dummy's diamonds.

In all, only about five per cent of the college students made the correct play. In an expert game, only about five per cent would bluff it. Still, I'm not so sure that more than five per cent of the experts would figure out an absolutely new situation in actual play (as the students did). The experience of the experts carries them over many a hurdle.

The correct play? West must lead the jack of clubs. That picks up dummy's queen. East covers the queen with the ace and returns a club through the ten. West wins two more club tricks with the king and nine.

TODAY'S QUESTION The bidding has been: South West North East 1 Heart Pass 1 Spade Pass 3 Clubs Pass 3 Hearts Pass You, South, hold: Spades A-Q-6-3, Hearts A-Q-10-8-6, Diamond 5, Clubs K-Q-J. What do you do?

A—Bid three spades. There is no need for another jump bid. You have already shown your strength, and you can now afford to make minimum bids. Perhaps your partner will find a slam try if you give him bidding room.

ANSWER TOMORROW 3 Clubs Pass 3 Hearts Pass 3 Spades Pass 4 Spades Pass You, South, hold: Spades A-Q-6-3, Hearts A-Q-10-8-6, Diamond 5, Clubs K-Q-J. What do you do?

WASHINGTON COLUMN

Very Little Food For Thought At Cattlemen's Capital Affair

By PETER EDSON NEA Washington Correspondent

WASHINGTON—The meat situation got pretty well out of hand up at the National Press Club the other night. Here were top grade, choice to prime representatives of 19 farm organizations from all over the U. S.

They announced they were here to hold a "More Meat Conference." But what they were really here for was to lobby against any and all kinds of price and wage controls. Particularly they were against Price Stabilization Director Michael V. DiSalle's meat rollback orders which are scheduled to go into effect May 20, August 1 and October 1.

After attending congressional hearings, throwing their weight around and listening to senators and congressmen beef about beef price controls, the meat men met on the thirteenth floor of the National Press Club and threw a party. And what a party. There were a hundred senators and representatives from the farm belt states there. And maybe another hundred members of the Washington press corps. In between were larded representatives from about every food lobby in Washington.

After dinner, there followed one of those grand sashay right and left affairs that can happen only in Washington when the best laid public relations plans of mice and press agents go completely haywire.

At the head table sat 14 assorted presidents, vice-presidents and managers of big stock livestock, feeder and packer organizations: People like Loren C. Bamert of the American Cattleman's Association, Ione, Calif., who presided; Allan Kline of Farm Bureau, and John Holmes of Swift & Company.

No Meaty Discussion They opened up the meeting for questions. That was their mistake. The panel of 14 experts at the head table was supposed to give the answers. But it turned out they didn't know 'em.

Up rose Fletcher Booram of the Wall Street Journal to ask what seemed like a simple question: "What happens to a steer under the new price rollback orders?"

All he wanted to know was how the new controls would affect the prices received by the livestock raiser, the feeder, the packer, the wholesaler, and the retailer—and the prices paid by the consumer. In dollars and cents figures, please, and no generalities.

What he got was only generalities. Broad, glittering generalities that are supposed to flow only from the mouths of bureaucrats. The experts from the industry couldn't answer. Several stood up and tried, only to fall down.

Up rose George Bookman of Time magazine to ask, "If parity isn't a fair price, what is?" Allan Kline answered that he wasn't prepared to say what the price should be. Support prices were like minimum wages, he said, but they shouldn't be used as a basis for price controls.

N. K. Carnes of Central Livestock Association, St. Paul, explained that orders for light steers were being cancelled by feeders. Dorothy Brandon of New York Herald-Tribune

asked if he had anything he wanted to say to the big crowd. He said, "White folks, dis shore an gwine to be a lesson to me."

An Irishman said that if a man fell from the top floor of a 20-story building, the fall would kill him—it would be the sudden stop.

SOCIETY

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, MAY 17, 1961-5

Midland Altrusa Club Schedules Tri-City Meeting

The first in a series of annual Tri-City Altrusa meetings will be held at 8 p.m. Saturday in Donohoo's Restaurant, with Dr. Nina Faye Calhoun, dermatologist, as the guest speaker. Dr. Calhoun is the past president of the organization. Her topic will be "Altrusa International."

The clubs of Midland, Odessa and Big Spring will be included in the Tri-City activities. Other Altrusa clubs invited to the initial gathering are Abilene, Lubbock, San Angelo and El Paso.

Special guests, in addition to the speaker, will be Ruth Gardner, member of the Dallas group, and Willie Walker, immediate past governor of the Seventh District and first president of the Texarkana Club. She has been the guest of Grace Wallace in Midland for the last week.

The plan for the Tri-City meetings was formulated by Maurine Mims, who will preside during the evening.

HD Club Studies Making Draperies

The Prairie Lee Home Demonstration Club met Tuesday for a demonstration on making draperies. The demonstration was given by Pauline McWilliams, home demonstration agent.

The group met in the home of Mrs. Vern Dawkins. Mrs. H. E. Benton gave the council report and Mrs. Sherman North served as recreation leader. Eleven persons were present.

Fourth Grade Has Mothers Day Tea

CRANE—A Mothers Day Tea was given by Mrs. George Crane's fourth grade recently in the Community Hall.

Diantha Green received the guests and Jean Woodbury presided over the registry table. Billy Harned directed the mothers to the gift table. Each student had made grocery pads for his mother.

A Mothers Day program was presented by the class. A choral reading, "Best Day," was given.

GIRL SCOUTS PLAN HIKE

Plans were made by Girl Scout Troop 22 Tuesday for a hike to be held Saturday. Those attending were Nancy Daniel, Sharon Flowers, Sylvia Lewis, Christine Montagna, Wilma D. Skelton, Donna Wilmon, Patricia Broadus, Joan Bryer, Sheri Cherry, Corley Hancock, Isabella Montagna, Barbara Rawls, Louise Renfro, Jackie Albay, Netajean Albay, Charlotte Parker, Mrs. Renfro and Mrs. Maier.

Mrs. Renfro and Mrs. Maier. Guests were Johnnie Bryer and Ruth O'Donnell.

Delegates Begin Drive Against World Communism

HOUSTON—(AP)—The 2,000 delegates to the National Convention of the Federation of Women's Clubs Thursday began a drive to combat world communism.

Their program is a national campaign for CARE packages to Korea. "The whole purpose of extending women's club work to foreign nations is to create a better understanding in order to combat communism," said Mrs. John L. Whitehurst of Baltimore, Md.

"It's the Russian policy to belittle America and help the people in need," said Mrs. Whitehurst, who is chairman for the council of international clubs of the federation.

"Well, we are going to do what we can to answer that in our own way," she said.

Sparking the campaign are 23 women from 11 foreign nations who are international delegates to the six-day convention that opened here Monday.

Coming in Thursday is the foreign minister of Korea, Y. T. Pyun, who will tell the women what they can do to help his country.

Former Missionary Rep. Walter H. Judd of Minnesota, a former medical missionary in China, will talk to the convention Thursday night on the Far East situation.

Don J. Rafael Oreamuno, ambassador from Costa Rica, will speak on the Western Hemisphere and inter-American cooperation.

The superintendent of schools from Topeka, Kan., told the women Wednesday night they must keep the spirit of competition in the schools.

"Life is not just one big continuous festival where no one excels and no one loses," Supt. Kenneth McFarland said. "Therefore the schools which prepare for life should not operate under the delusion that no one can achieve more than anyone else."

"At the adult level this theory is communism, but somehow we are making ourselves believe at the childhood level it is democracy."

Wednesday night was president's night at the convention, with the president of each state federation introduced to the convention.

The General Federation's extension awards were given to California for the largest number of new clubs, to Maine for the greatest increase in membership and to the District of Columbia for the greatest proportional increase.

The press book contest award was divided between the Junior Woman's Club of Jacksonville Beach, Fla., and the Monday Study Club of New London, Mo.

The delegate was named at an annual association meeting Tuesday in Big Spring at the district campground.

The district represents 12 counties and 105 churches. They include Midland, Ector, Andrews, Gaines, Yoakum, Dawson, Martin, Glasscock, Howard, Mitchell, Scurry and Borden.

Several hundred Texas women will assemble in Dallas July 3 to leave for the convention. Foreign missionaries will be among the speakers at the meeting.

The Royal Ambassador representative to the boys' convention, to meet during the Summer in Ridgecrest, is Parrance Haralson of Lorraine.

Dr. James L. Sullivan, pastor of the First Baptist Church in Abilene, was the principal speaker at the Tuesday meeting.

Honors Gained By College Student

Dee Pigg, a 1946 graduate of Midland High School, recently was elected secretary of the Junior class at Abilene Christian College for the coming year. She is serving now as secretary of her sophomore class.

Miss Pigg was one of the Press Club delegates to the Texas Intercollegiate Press Association meeting at Sul Ross College in April and is one of two finalists for class favorite this year. She is runner-up for secretary of the student body for next year. Miss Pigg's parents are Mr. and Mrs. W. E. Pigg of Midland.

Most musical terms are derived from the Italian language.

Mrs. Payne Is Guest Speaker

Mrs. Erie Payne spoke on "Day-Lilies" at the Wednesday meeting of the Green Thumb Garden Club. Mrs. Howard Davis was hostess.

Guests were Pat Wright of Austin and Mrs. H. T. Hillard. Mrs. Butler Hurley sent flowers from her yard to the members. Those attending were Mrs. Paul Anderson, Mrs. F. V. Anderson, Mrs. Dayton Bliven, Mrs. C. W. Chancellor, Jr., Mrs. Tom Cole, Mrs. Evans Dunn, Mrs. Walter Hallanan, Mrs. W. D. Hamm, Mrs. Jack Huff, Mrs. Reagan Legg, Mrs. John Leigh, Mrs. Gene McDaniel, Mrs. Gilbert Thompson and Mrs. W. C. Walker.

Beauceants Have Special Election

A special election was held by the Social Order of Beauceants Tuesday in the Masonic Hall. Mrs. H. M. Spangler was chosen vice president and Mrs. Phillip King, second vice president.

Others elected were Mrs. L. C. Stephenson, president, and Mrs. John Luccous, daughter of the household. Others attending were Mrs. W. E. Hunter, Mrs. G. G. Hazel, Mrs. A. G. Bruton, Mary Cline, Mrs. Dewey Pope, Mrs. Floyd Boles, Mrs. John Hughes, Mrs. King, Mrs. J. B. McCoy, Mrs. Spangler, Mrs. Luccous and Mrs. H. B. McNeil.

Play Readers Meet With Mrs. Roden

Mrs. J. S. Roden was hostess to the Play Readers Club Wednesday in her home. Mrs. E. H. Barron read.

Other members present were Mrs. R. M. Barron, Mrs. DeLo Douglas, Mrs. John Fitzgerald, Mrs. Ray Howard, Mrs. Wallace W. Irwin, Mrs. Charles Klapproth, Mrs. W. F. Pennebaker, Mrs. W. T. Schneider, Mrs. E. D. Scruggs, Mrs. Wilmer Stowe, Mrs. Wade Heath, Mrs. J. E. Beakley and Mrs. A. A. Bradford. Mrs. R. M. Barron will read for the club's last meeting of the season May 30. The group will meet in Mrs. Douglas' home at 506 North Big Spring Street.

Greenwood Club Hqs Style Show

Ada Jane Meisner won first place in the style show presented by the Greenwood 4-H Club Monday in the church. The girls modeled dresses which they had made.

Second place went to Alleta Russell and third place to Joyce Graham. Following the style show a picnic was held in Cole Park. Mrs. Gus Meisner, Mrs. Grady Roberts and Mrs. Luther Eggleston accompanied the girls. Others attending were Jaunelle Newsom, Sandra Roberts, Sally Rutledge, Edna and Edith Eggleston, Nethyla Branham, Jay Roberts, Pauline McWilliams, home demonstration agent, and the three prize-winners.

Make sandwiches of sliced ham and cheese, then dip into a French toast batter, and fry in butter or margarine until both sides of the sandwich are a golden brown. Serve with currant jelly, a tossed green salad, and tea or coffee.

Husband Shoots His Wife, Another Man And Then Kills Self

CHICAGO —(P)—A husband shot and wounded his estranged wife—a co-ed—and another man and then killed himself on the campus of Wright Junior College Wednesday night.

Two blasts from a .410 gauge shot gun by Fred Souers, Jr., 29-year-old mechanic, disrupted evening classes at the college at 3400 North Austin Avenue. Some 200 students left their classes and rushed to the scene.

Part of one charge from the shotgun blast struck Mrs. Margaret Iden Souers, 26, and her friend, Kenneth Trader, 26, a roofer. Their conditions were reported not serious.

Then Souers, after removing his left shoe and sock, placed the muzzle of the shotgun against his abdomen, pressed the trigger with his toe and fired a fatal charge into his body.

Police said Souers had gone to the college in an attempt to effect a reconciliation with his wife who had filed suit for divorce. The couple, parents of a three-year-old daughter, had separated seven weeks ago.

Trader had gone to the college to meet Mrs. Souers and saw her with Souers in her car. As Trader approached, Mrs. Souers stepped out of the car to warn him that Souers had a gun. About that instant Souers fired one blast from the shotgun.

Mrs. Souers told police that as Trader neared the car, her husband said: "Tell that jerk to get out of here or I'll shoot him in the head."

Report Indicates Butter Shortage

WASHINGTON —(P)—Signs of a possible butter shortage next Fall and Winter showed up in a government report Thursday.

The Agriculture Department said stocks of butter in cold storage on April 30 totaled only \$2,380,000 pounds. That was less than a third of the stocks of 100,000,000 pounds a year earlier.

A major reason for the apparent butter deficit is the fact that a larger portion of the milk supply is being consumed in the fluid form than a year ago.

EXECUTIVE—Donald W. Galbraith has arrived in Midland to assume his duties as Boy Scout executive to serve the Midland District of the Buffalo Trail Council. He will be honored at a dinner Thursday night in the council offices here.

Major Riot Turns Out To Be Kid Stuff

NORTH HOLLYWOOD —(P)—An anxious mother telephoned police Wednesday that "a major riot" was in progress near the Monlux School.

The police responded accordingly, with sirens screaming. But the "riot" was short lived. A newspaper reporter and cameraman, arriving a few minutes later, found only a small boy, one tooth missing, surveying the scene.

Said the boy: "They wuth a fight between a 10-year-old boy and a 12-year-old kid. The whole school wuth here. They wuth 40 kids on each side. Thirteen cops came. Now they ith all gone."

The boy said he was a non-combatant. His tooth had been out for several weeks but he's expecting a new one soon.

Man Steals Hearse, Gets Three Years

BALTIMORE —(P)—Harry B. Jones, 35, explained to the judge he swiped a hearse "to see how the thing rode before I died."

He almost got both answers at the same time. Jones wrecked the hearse in a collision at a street intersection, but escaped unhurt.

Judge S. Ralph Warnke gave him three years in prison to recall the experience.

Chinese Regiment Cut To Pieces When It Jumps Americans

By ED JOHNSON CENTRAL FRONT, KOREA —(P)—A reinforced Chinese Communist regiment was cut to pieces early Thursday when it attacked U. S. forces high in the mountains south of Chunchon.

The battle, 45 miles northeast of Seoul, lasted three and a half hours. The Reds withdrew at daybreak, leaving more than 100 dead piled in front of the Americans' foxholes.

Officers said scores of other Chinese were killed by artillery and other heavy weapons. Almost 100 prisoners were taken.

Most of the job was done by one company which was guarding high ground atop a mountain pass on the road leading into Chunchon.

Officers said the Communist action was "a strong probing attack," perhaps preliminary to an expected major Red drive on the central front.

Surprise Of Their Lives The Chinese apparently got the surprise of their lives when they attacked and ran into the Americans guarding the path.

Officers pieced it together like this: The Chinese moved down a valley, south of the Pukhan River and west of Chunchon, toward the Americans Wednesday night.

They apparently took to the main highway just before reaching the top of the pass. They spread out on the left side of the road and started pouring rifle fire and grenades into the American defense position.

American heavy artillery and mortars pounded the enemy's avenues of approach throughout the battle.

Fighter planes joined in, hitting the enemy with napalm (jelled gasoline) and heavy aerial fire.

Sgt. Charlie H. Albright of Spartanburg, S. C., said: "We could hear them coming up the road like they were in a forced march. Then all of a sudden the shooting started."

Albright said the Chinese climbed upon one tank. "One Chink climbed on top and hammered at the hatch hollering in English 'Let me in, let me in'," Albright said.

Heart Ailment Fatal To Dowager Empress

TOKYO —(P)—The dowager Empress Sadako, 96, died Thursday of a heart ailment.

Her husband, Emperor Yoshihito, died Christmas Day, 1926. He is known in Japanese history as Emperor Taisho.

The dowager empress had lived quietly in her own palace. Her four sons, all living, are Emperor Hirohito, Shichibu, Takamatsu and Mikasa.

Tots Learn About Traffic Congestion

ST. PETERSBURG, FLA. —(P)—Two young drivers here learned about traffic congestion the hard way.

One, Deborah Hisong, six, went to the hospital Wednesday for treatment of two skinned knees. The other departed, apparently unhurt.

Investigating Officer Ed Sanford filed no charges, but reported: "Victim said she was pedaling tricycle to school when she was in collision with second tricycle, girl driver unknown."

Fabulous Russian Who Fought With Allies, Is Dead

LONDON —(P)—Vladimir Penakoff, 54, who made British military history with the hair-raising exploits of his "private army" during World War II, died Wednesday of a brain tumor.

The Belgian-born Russian, who persuaded the British to let him organize "Popaki's Private Army" never more than 200 men, emerged from the war a legendary figure.

Called "Popaki" because the British found his real name too hard to pronounce, Penakoff accomplished such exploits as strolling behind enemy lines in Libya and releasing 60 captured South African officers and running a jeep column into German territory in Italy to fill the tanks from gasoline in German army warehouses.

Popaki's army lost only two officers and 12 men during its four dangerous years of existence. Penakoff himself last the lower half of his arm, blown off by a rifle grenade in 1943. He was back in action the next day.

University Suspends Scientist Named In House Panel Report

MINNEAPOLIS —(P)—Dr. Joseph W. Weinberg, identified as the mysterious "Scientist X" by House Un-American Activities investigators into atomic espionage, Thursday was under suspension from the University of Minnesota faculty.

Dr. J. L. Morrill, president of the university, suspended the physicist professor Wednesday night. Weinberg was cited for contempt last week in federal court in Washington, after refusing to answer grand jury questions on grounds of possible self-incrimination.

Morrill said he would recommend to the Board of Regents next month that the suspension be continued or that Weinberg be dismissed permanently, depending on developments in the case.

Cited For Contempt "Whatever his legal rights or the outcome of the pending litigation," Dr. Morrill said, "it is my belief that his judgment in this refusal to cooperate with federal authorities is incompatible with common sense and with a proper appreciation of his duty and obligation as a member of the university staff."

Weinberg was cited for contempt following his refusal in court to answer four questions as to his acquaintances and residence in California during the war years, when he was a physicist at the University of California laboratory. He had refused to answer the questions when put to him by a federal grand jury which took over after he was investigated in 1949 by the Un-American Activities Committee.

The committee accused Weinberg, on the basis of intelligence reports, of giving atomic secrets to Communists and said the secrets were passed on to the Russians. He has denied this.

Senate Approves Grain-For-India Bill

WASHINGTON —(P)—Shipment of 2,000,000 tons of U. S. grain to India on a long-time loan basis was approved Wednesday by the Senate.

The House will take up a similar bill next Tuesday.

The Senate bill provides that the Economic Cooperation Administration (ECA) chief should try to get some vital defense materials—including manganese—in repayment for the food. Manganese, used in hardening steel, is in short supply here.

Repayment of the \$190,000,000 loan would be over a period of 33 to 35 years with interest of two and one-half per cent. There would be no payments on the principal for the first six or eight years.

Farmer, Scientist Win Texas Research Foundation Awards

DALLAS —(P)—Atlanta farmer Russell N. Cash and University of Missouri scientist Dr. C. E. Marshall are winners of top awards by the Texas Research Foundation.

Announced by Dr. T. S. Painter, Austin, Wednesday, each of the award winners received a check for \$3,000 from the foundation.

Cash's award is for outstanding service in advancing Texas rural life. He has urged soil conservation practices to 12,000 East Texas farmers and businessmen. He received the award over more than 100 other nominees.

Dr. Marshall, chemist on the University of Missouri's College of Agriculture staff, received his award for spotlighting methods by which plant roots take food from the soil.

Fred Florence, Dallas banker, presented the checks and gold medals awards to the winners at the foundation's annual open house barbecue at Renner Wednesday.

JOYOUS COMFORT For Torturing, Burning Misery of PILE ITCH!

Here is a proved pile medicine developed in a great clinic, through 74 years of specialized practice. Used adjunctively on thousands of clinic patients. You can sit, stand, lie down, run or work, using famous Thornton Minor formula. Really quick palliative comfort for itching, burning misery. Use as directed. Thornton Minor formula is so effective we can say: "If it does not bring relief in 20 minutes, you should see a doctor." Get Thornton Minor pile formula today—ointment or cone form, in pre-wrapped plain packages.

Pressure Increases For Nationalization Of Gigantic Anglo-Iranian Oil Company

TEHRAN, IRAN —(P)—Pressure for quick nationalization of the giant Anglo-Iranian Oil Company was stepped up Thursday as the press spread reports that Britain plans to parachute troops into Iran to hold her southern oil fields. The British government has not confirmed the report.

Public feeling also was aroused by Wednesday's arrest of Abolghasem Rafiee, No. 2 man in the fanatical Fedayan Islam Religious Society on charges of plotting the assassination of Premier Mohammed Mossadegh.

Fedayan Islam recently fell out with Mossadegh, apparently feeling he was not moving fast enough toward Nationalistic goals.

Police quoted Rafiee as saying "Mossadegh is lucky I am caught. Otherwise he would have been shot within the next two or three days."

(U. S. Secretary of State Dean Acheson said Washington is urging both Iran and Britain to avoid extreme steps in the oil crisis. He said the two nations have the opportunity to work out a harmonious settlement.)

Orders Windows Looked Meanwhile, Mossadegh, who has remained barricaded in the Parliament Building since Sunday, ordered all the windows of his locked rooms boarded up on the off chance that a sniper might pick him off from the Seph Salar Mosque, 200 yards distant.

Many deputies and newspapers are growing a little weary of Mossadegh's jitter, since his self-imposed imprisonment permits him to do little work.

Western observers believe Mossadegh has inspired latest anti-British outbursts in the press to force through his nationalization program by public pressure.

One of the premier's closest supporters, Mosafer Baghale, editor of the newspaper Shaded, wrote yesterday:

"To reach this holy goal (oil nationalization) Iran will fight a holy war if necessary. If oil nationalization is obstructed by the bad policy of British politicians who refuse to face the facts, the day will come when not a single Britisher will dare stay in this country. The Iranian Moslem nation will deal with every British individual as an infidel."

(King Abdullah of Jordan, on a state visit to Ankara, told newsmen there Iran needs "a more courageous government" to protect her national interests in the face of popular sentiment.)

"This situation, he said, "might endanger the security of the whole Middle East. Iran, in putting forth her claims against the Anglo-Iranian Oil Company, should keep in mind the actual world situation and not go too far. The British have, in this question, acted for the interests of the Iranian people and have shown extreme patience."

210 Bodies Recovered From Tornado Region

DACCA, EAST PAKISTAN —(P)—A total of 210 bodies have been recovered so far in Faridpur District, Bengal, ravaged last Saturday by a tornado which hurled men and cattle through the air and caused at least 1,000 casualties.

Most of the casualties were caused by flying pieces of iron roofs and falling debris, officials said.

Stalactites are ice-like formations which hang from the ceiling of a cave.

Western observers believe Mossadegh has inspired latest anti-British outbursts in the press to force through his nationalization program by public pressure.

One of the premier's closest supporters, Mosafer Baghale, editor of the newspaper Shaded, wrote yesterday:

"To reach this holy goal (oil nationalization) Iran will fight a holy war if necessary. If oil nationalization is obstructed by the bad policy of British politicians who refuse to face the facts, the day will come when not a single Britisher will dare stay in this country. The Iranian Moslem nation will deal with every British individual as an infidel."

(King Abdullah of Jordan, on a state visit to Ankara, told newsmen there Iran needs "a more courageous government" to protect her national interests in the face of popular sentiment.)

"This situation, he said, "might endanger the security of the whole Middle East. Iran, in putting forth her claims against the Anglo-Iranian Oil Company, should keep in mind the actual world situation and not go too far. The British have, in this question, acted for the interests of the Iranian people and have shown extreme patience."

Weber Convicted Of Lying To Crime Probe Committee

NEW YORK —(P)—Numbers racketeer Louis Weber was convicted Wednesday night of lying to the U. S. Senate Crime Probe Committee about his relations with James J. Moran, pal of former Mayor William O'Dwyer.

Weber, 51-year-old native of Puerto Rico, will be sentenced on the perjury conviction in federal court Friday.

He can get up to five years in prison and a \$2,000 fine—the maximum imposed on Moran on the same charge.

The two perjury trials were the first prosecutions growing out of the Senate committee's sensational televised hearings here.

The cases hinged on the number of times Weber visited Moran at his office when Moran was first deputy fire commissioner from 1946 to 1950.

Moran swore to the committee that there were no more than six visits. Weber testified he didn't even know Moran. Government witnesses told of more than 100 visits.

Moran is appealing and free in \$25,000 bail. Weber, free in \$20,000 bail, also plans to appeal.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, MAY 17, 1961-7

Tribe Falls To Rockets By 6 To 0

ROSWELL, N. M.—Midland's Indians were shut out 6-0 by Southpaw Walt Brickner here Wednesday night as Brickner made his first appearance in the Longhorn League a successful one for the Roswell Rockets. The control specialist allowed four Midland hits.

Lefty Bill Reed, Midland starter, was tagged with the loss. He let the Rockets get away to a 4-0 lead in the fourth inning and that was the ball game. Wayne McMellon hurled the remaining four and one-third innings, giving up but one hit.

Roswell scored its four runs in the fourth frame off successive doubles by Cearley and Monchak, a single by Sousa, an error by Reed and a double by Sanders, after which Brickner helped his cause by hitting a long fly ball, scoring Sanders.

McMellon gave up a run in the fifth as Hughes allowed Hill to reach base by error. Hill then went to second on a wild pitch, took third on a fielder's choice and came home as Monchak fled out to right field. In the seventh, the Rockets picked up their final tally. Kenna doubled, took third on a balk and then came home as Hill lofted a high fly to the outfield.

Only in the second inning did Midland threaten to score. Eddie Mellilo, second baseman, took second on a two-base error by Della, and then attempted to come home as Dick Campbell singled to center field. But Cearley's throw from center field chopped Mellilo down at the plate.

The same teams meet again here Thursday night. Rotary Wins From Rendezvous 10-2; Plastics Triumph

Rotary Engineering Company slammed Rendezvous 10-2 and Western Plastic nudged American Legion 10-9 in JayCee Softball League action Wednesday night.

Jerry Matajek hurled Rotary to the win, his fourth of the year. He gave up seven hits and whiffed five. Clifton Holt, Rotary center fielder, homered in the third inning. Gerald Stello, right fielder, hit a four-bagger for Rendezvous in the sixth. J. Brown was the losing pitcher. He gave up but seven hits but his mates committed seven miscues.

Western Plastic was pitched to its win by Lefty Martin, who also smacked a home run in the fourth frame with two men on base. Bob Burkes was the loser. A. Z. Sturges went six innings for American Legion. A fourth-inning spree which netted five runs—highlighted by Right Fielder Stein's home run with the bases empty—gave the Legion a lead, but it was chopped away steadily by the Plastics.

Thursday night, Western Plastic and Standard of Texas got together in the first contest with Rendezvous and Shell Oil playing the second game. The games are make-up contests.

City Major standings: W L Western Plastic 5 1 Shell Oil 4 1 Rotary Engineers 5 2 Standard of Texas 2 3 Rendezvous 1 5 American Legion 1 6

Cager Wins Rice's Bob Quin Award

HOUSTON (AP)—Rice Institute Wednesday named the Bob Quin Award recipient.

Charlie Tighe, diminutive basketball guard from Houston, is the school's most outstanding athlete for 1950-51 and the award recipient. The award is made in memory of the late Bob Quin, son of Bishop Clinton S. Quin of Houston. It is presented annually to the athlete considered the most outstanding in leadership, sportsmanship, scholastic ability and athletic prowess.

Harry Dooley Hurls Black Indians To Sixth Straight Win

Harry Dooley elbowed the Midland Black Indians to their sixth straight win here Wednesday night in Indian Park as he led his team to an 8-2 victory over the San Angelo Black Colts.

Dooley never was in trouble. His mates got him four runs in the bottom of the second frame and he coasted in. Tommie Phillips, Black Indian catcher, led the way at the plate with a perfect four for four.

WITH MIRRORS—Homer Herpel, professional at St. Louis' Indian Meadows Golf Club, learned to swing left-handed with the same perfect form as he uses in his normal right-handed game. That enables Herpel to stand behind a mirror and permits the pupil, 15-year-old Connie Claiborne here, to compare her grip and stance with his. With the aid of an iron laid on the ground, Miss Claiborne checks her putting stroke from two angles. (NEA)

Pat Garner Wins Again As Sybil Flournoy, Mrs. Shows Are Upset In MCC Tourney

The unheralded golfers came through with surprising wins Wednesday at Midland Country Club in the Fourth Annual Women's Invitation Tournament.

Mrs. E. J. Phister, Houston, upset Mrs. G. E. Shows of Odessa 5 and 4 to advance to the semi-finals in the championship flight. Mrs. Shows Tuesday had upset Midland's second-seeded Gloria Ezell. In another surprise, Mrs. E. A. Dietz of Fort Worth ousted comely Sybil Flournoy of Midland. Mrs. Flournoy, last year's runner-up, was expected to give Pat Garner a fight for the crown.

Miss Garner herself had little trouble in defeating Mrs. Gene Harding of El Paso 5 and 3 and still is the logical choice to cop the current tournament as she did the Women's "C" Tournament here recently.

Her Thursday semi-final opposition was to come from Mrs. R. E. Winger of Fort Worth, who ousted Harding of El Paso 5 and 3, Midland in a 20-hole contest to take a 1-up verdict.

Gloria Ezell got back on her game to trounce Billie Dillon, Big Spring, 6 and 5 in a consolation match in the championship flight.

Finals in the tournament will be played Friday. Other results, all names from Midland unless otherwise specified were:

Championship flight, consolation: Mrs. Frank J. Herb, Houston, defeated Hazel Juns Brown, Corpus Christi, 7 and 6; Mrs. Special Ellison, El Paso, took Mrs. Wright Cowden 4 and 3; Rachel Hornbeck defeated Mrs. Wayne Rives, Houston, 7 and 6.

First flight, championship: Mrs. Joe Rush, Dallas, ousted Mrs. W. B. Stallings, Houston, 2 and 1; Mrs. Felix Runian, Houston, over Mrs. P. W. Anderson 6 and 4; Mrs. R. K. White over Mrs. R. B. Smith, Houston, 5 and 3; Lois Morris, Fort Worth, defeated Mrs. Ray Fellows, Tulsa, 1-up.

Second flight, consolation: Melba Connel, Roswell, over Mrs. W. C. Gilmore, Odessa, 1-up; Mrs. L. E. Brister, Kermit, took Mrs. Joe O'Neil 4 and 3; Mrs. W. L. Meadows, Los Angeles, defeated Mrs. James Martin 4 and 2.

Second flight, championship: Mary Culppeper, Carlsbad, defeated Sally Pierce 6 and 5; Mrs. W. B. Wallace, Kilgore, won over Mrs. John Parker 3 and 2; Mrs. A. H. Fulton took Reba Crawford 1-up, and Mrs. Vann Ligon defeated Mrs. Robert Payne by the same score.

Second flight, consolation: Mrs. George Shelton, Jr., defeated Grace Stenz 7 and 6; Mrs. Fred Hogan won by default over Mrs. M. C. Scott of Hobbs; Anne Hardwick defeated Mrs. Harry Miller 2 and 1.

Ines Conway advanced on a bye. Third flight, championship: Mrs. S. B. Bonney, Carlsbad, took Kitty Ashby 2 and 1; Betty LeBlond advanced over Mrs. W. G. Terry 3 and 2; Mrs. Roy Lockett won over Mrs. Earl Wilson 1-up; Mrs. C. C. Cool defeated Mrs. H. J. Phillips 3 and 2.

Third flight, consolation: Mrs. Don O'Shaughnessy easily defeated Mrs. G. G. Dorn 6 and 5; Mrs. C. R. Inman raked Mrs. Ralph Cooley 7 and 6; Sue Chamlee defeated Mrs. John Dorn 6 and 3; Mrs. Bill Stewart advanced on a bye.

Fourth flight, nine holes, championship: Mrs. Joe Lubben, Dallas, defeated Mrs. E. A. Culbertson 3 and 2; Mrs. Sneed Lary, Fort Worth, edged Mrs. Bill Miller 1-up; Mrs. A. Allen, Kermit, over Mrs. Leland Davison 2 and 1; Mrs. W. H. Potts over Mrs. Bill Fancher, Odessa, 4 and 3.

Fourth flight, nine holes, consolation: Mrs. Bill Reeder defeated Opal Dunn, Hobbs, 1-up; Mrs. Gidd Faircloth, Kermit, over Mrs. R. W. Hamilton 2 and 1; Mrs. Ed Alstrin over Mrs. Russel Reed, Dallas, 1-up; Mrs. Milton Loring advanced on a bye.

Fifth flight, nine holes, championship: Mrs. Frank Aldrich over Mrs. Jack Bliss 2 and 1; Mrs. Jack Kelly over Mrs. H. W. Stottenberg 1-up.

Longhorn League—Rockets, Swatters, Broncs Win; Colts, Dusters Rained Out

The San Angelo Colts failed to come through with their eighteenth straight victory in the Longhorn League Wednesday night but it was not the opposition that stopped them.

A rain storm that halted the San Angelo-Vernon game before it reached the halfway point either robbed the Colts of their eighteenth straight or saved the streak for another day. The two clubs were tied at 1-1 when the rains came in the fourth inning.

All other games were played but San Angelo maintained its six-game lead since second-place Vernon was the other idle club. Roswell, in third place, gained a half-game with a 6-0 win over Midland; Sweetwater beat Odessa 7-2, and Big Spring trimmed Artesia 13-8.

Knuckle-Baller Walt Brickner, pitching his first game of the year for Roswell, let Midland down with four hits in fashioning the shut out. He gave up one hit in each of the first three innings then stopped Midland cold until the ninth.

Sweetwater came to life in the final two innings to beat Odessa after trailing all of the way. The Swatters scored two runs in the eighth and four in the ninth. Big Spring started early and finished strong to beat Artesia. The Broncs scored four times in the first inning and finished with six runs in the last three.

The scores: R H E Sweetwater 000 100 024-7 12 1 Odessa 000 011 000-2 4 2 Hubbard and Abbott; Johnson, Ortega and Castro.

Big Spring 421 000 312-13 16 2 Artesia 010 020 800-8 9 1 Sanchez and Valdes; Lorona, de la Torre, Ralston, Ten and Perez.

Fifth flight, nine holes, consolation: Mrs. Jim Willis won by default over Catherine Gist, Odessa; Mrs. Jim White defeated Mrs. J. M. White, Jr., 1-up.

Texas League—Tulsa Wins Fifth Straight To Start Long Pull Back

Maybe it is too early to begin counting the Tulsa Oilers out of the Texas League pennant race.

Chosen as one of the top teams in the league by pre-season dopsters, Al Vincent's men got off to a bad start and are languishing in the cellar. But they are beginning to show signs of life.

They have won five games in a row and are only five games out of the first division. They have been getting improved hitting and pitching as well as needed help from the Cincinnati Reds.

Jim Blackburn, 21-game winner with the Oilers last year, returned from Cincinnati and made his initial appearance of the year for them Wednesday night. He scattered 10 Beaumont hits and pitched his way out of three big jams to thrill 2,145 cheering fans with a 5-3 victory.

He also did his part at the plate, driving in three of the Tulsa runs. Garrison Finishes

Garrison finishes featured two of the other games, both Dallas and Shreveport winning with ninth inning stands. Dallas beat Houston 5-2 to better its second-place position, and Shreveport downed Oklahoma City 3-2, both after withstanding serious threats.

San Antonio beat Fort Worth 4-0 as Bob Turley pitched his fifth victory in six starts.

Rugger Ardiola struck out Les Fasselman in the ninth inning with two away and the bases loaded to preserve an Eagle lead. A two-run homer by Ben Guiniani in the seventh produced the winning runs.

Shreveport turned in a double play with one away and the bases loaded in the ninth to beat Oklahoma City. Johnny Creel and Len Tran singled and Frank Kellert walked to load the bases off Jim Willis. Hugh Sooter came to the mound and caused Buck Frierson to ground to short to start the twin-killing.

Bill McCahan faced Bob Turley at Fort Worth and was handed his first defeat of the year. All San Antonio runs were unearned as the Cats committed four errors.

Beaumont Having Attendance Trouble
BEAUMONT (AP)—Owner Guy Airey of the Beaumont club in the Texas League is doleful over poor attendance at home this season, declares Bill Scurlock, sports editor of the Beaumont Journal.

Scurlock quotes Airey as saying: "We have got to do something. We can not exist if poor attendance continues. The payroll must be met and that money comes through the gate. If the situation does not improve the club can not exist."

Airey pointed to the fact that the club won nine straight games at home and still didn't draw. The club owner said he would wait to see how the draw was during the remaining six games at home this month before making future plans. Beaumont returns May 30 from a road trip.

WT-NM League—Dukes Advance On Blue Sox As Rain Kills Three Games

By The Associated Press
The West Texas-New Mexico League continues to take a beating from the weather man.

Beset by adverse weather conditions from the first, the league rarely has enjoyed a day when one or more games have not been postponed because of rain, wet grounds, high winds or sandstorms. Wednesday night, three of the four games were rained out.

Only Albuquerque and Lamesa got to play and the Dukes took advantage of the shortened schedule to close in on the league-leading Abilene Blue Sox.

Albuquerque beat Lamesa 5-3 to cut Abilene's first-place lead to a half game.

Jesse Priest scattered eight hits to beat Lamesa and notch his sixth win of the campaign. Albuquerque got only six hits but made them count for two runs in the second and one each in the fifth, seventh and eighth.

WEST TEXAS-NEW MEXICO LEAGUE Albuquerque 5, Lamesa 3. Abilene at Clovis, rain. Pampa at Amarillo, rain. Lubbock at Borger, rain.

Texas League Tulsa 5, Beaumont 2. Dallas 5, Houston 2. Shreveport 3, Oklahoma City 2. San Antonio 4, Fort Worth 0.

National League New York 2, Pittsburgh 1. Cincinnati 4, Boston 3. Chicago 14, Brooklyn 4. St. Louis 5, Philadelphia 3.

American League New York 11, Cleveland 3. Detroit 7, Washington 1. St. Louis 10, Philadelphia 9. Chicago 9, Boston 5.

THURSDAY'S SCHEDULE
Longhorn League MIDLAND at ROSWELL. Sweetwater at Odessa. Big Spring at Artesia. San Angelo at Vernon.

Originally there were four months between presidential elections and the inauguration to allow for slow methods of communication and transportation.

BUT WILL IT IMPRESS SUGAR? — French boxing official Maurice Sandeyron marvels at the muscles and form of Jessa Wang. The Frenchman is training in Paris for a match with Sugar Ray Robinson, world middleweight champion, in Zurich, Switzerland, May 26. (NEA)

King's Row By LARRY KING

DOTS AND DASHES: Julian Presley, the ex-Midland and Roswell baseballer and now an Artesia diamond performer, has signed to officiate 11 West Texas high school grid games next fall. Presley will work the Midland-Big Spring clash and also is slated to call three Odessa encounters. When Odessa scribe Spec Gammon heard former Oiler player Rudy Escobar had slammed out six hits in his first eight times at bat—among them two triples and two doubles—with Midland, he cried, "My gosh, we let 'em go and they catch on fire." Jerry Matajek is turning into the Eddie Jacobs of the JayCee Softball League. He's won four, lost none. Jacobs once had that sort of record for Midland's Indians, too. Now it's 6-3. Prediction department: Johnny Bratton to upset Kid Gavilan in their Friday night fight. We fear the 1950 seniors are in for a rough time of it Tuesday night when they tangle with Tugboat Jones' 1951 eleven. It's a matter of organization and conditioning, and the '51 team seems to hold a big edge there. So if the '50 team gets trampled, don't start screaming at Jones for a state championship next year. Likely the '50 lads aren't nearly the ball players they were last fall. But we wouldn't want to miss the clash, anyway. Ray Arcei tells Chicago fight fans Jimmy Braddock had more equipment to beat Joe Louis than any other Louis opponent. And he thinks Ezzard Charles seems to have come up with a good press to agent. Tommy Hart, the Big

Third Leg Of Weathervane Set To Start Friday

INDIANAPOLIS (AP)—America's best women golfers will match shots at Meridian Hills Country Club Friday and Saturday in the third double round of the Weathervane Open Golf Tournament.

This will be the next-to-last stop in the 144-hole transcontinental tourney. Babe Didrikson Zaharias and Patty Berg are tied at 306 after 36 holes at Dallas and 36 more at Pebble Beach, Calif.

Louise Suggs of Carrollton, Ga., is third with 307. These three and 10 other pros are making the complete circuit. Beverly Hanson of India, Calif., National Amateur champion, also will compete here.

MAJOR LEAGUES—

Gus Zernial In Hitting Mood For Philadelphia A's

By JACK HAND
Associated Press Sports Writer

Jimmy Dykes has lit a fire under big Gus Zernial. The slumbering giant is on a record-tying home run rampage.

With six homers in three consecutive games, old "Ozark Ike" goes into the little red book in such exclusive company as Tony Lazzeri and Ralph Kiner. And he hasn't stopped yet.

For years the Chicago White Sox did everything but stick pins into Zernial's hide. Nothing much happened. But they waited and waited. He hit 29 homers last season but averaged only .280. His fielding wasn't too much better. When aggressive Paul Richards took over as manager, Zernial was ticketed to go sooner or later.

"He'll hit for me," said Dykes last winter when he only hoped to trade for Zernial. The deal fell through in December. But a new three-way swap involving the A's, White Sox and Indians brought bench-hitting Gus to Philadelphia April 30.

At Chicago, Zernial was hitting .106 and not playing. He had two hits opening day and none since. No home runs. With the A's he's hitting at a .366 clip to bring his season mark around .283.

Starts Sunday
The home run spurt started Sunday when the A's dumped the Yankees twice. Gus connected twice in the second game. He hit two more Tuesday night against St. Louis. Then came another pair Wednesday night off the Browns.

So he has six for the season, all in the last three games. If he hits another pair Thursday night against St. Louis he'll break an American league record.

No. 3 came off Cliff Fanning in the second inning and No. 6 off Duane Pillette in the fifth. Still the A's lost the ball game 10-9 and tumbled into the American League cellar.

Ferris Pain continued his batting surge with three hits, boosting his average to .402, and Lou Klein, former Cleveland infielder, hit his first homer for the A's.

The Browns had homers too. Don Lenhardt hit two home runs and a single, driving in four runs. In two games with the A's he's batted in nine.

Johnny Kucab was the losing pitcher and Al Widmar the winner in a free-swinging brawl.

Raschi In Form
Viv Raschi set a new season high with 10 strikeouts in the New York Yankees 11-3 romp over Cleveland. It was the Yanks' ninth straight at the stadium, where they have yet to lose.

Mickey Mantle drove home four runs with his first Yankee Stadium homer and fourth of the year. The rookie also chipped in with a bases-loaded single.

The surprising Chicago White Sox knocked off the Boston Red Sox at Fenway Park for the second day.

More Comfort Wearing FALSE TEETH
Here is a pleasant way to overcome loose plate discomfort. FASTEETH, an improved powder, sprinkled on upper and lower plates holds them firmer so that they feel more comfortable. No gummy, gooey, pasty taste or feeling. It's alkaline (non-acid). Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at any drug store.

State Patrolmen Are Given Radio

State Highway Patrolmen Mac Stout and Bob Bigler now can keep in touch with the rest of the world while patrolling the busy highways around Midland.

Midland County, through arrangements worked out by Sheriff Ed Darnell, this week furnished the patrol car with a two-way police radio.

The radio was installed immediately and now is in operation.

H. G. Richards, editor of The Anton News, said the area looks like "two Mississippi rivers."

Air traffic also was being affected by the unprecedented downpours. Braniff's flight to Dallas from Lubbock was two hours late.

Lubbock had 1.37 inches of rain during the night for a total of 2.54 inches.

Generally the downpours were lighter than the gully washers of Tuesday and Wednesday. But U. S. Weather Bureau officials pointed out that whatever rain falls from here on out will be runoff water—the ground is too wet to absorb any more moisture.

One Death Reported
At least one death was blamed on the three-day siege of wet weather, the worst rainy spell in the area's recorded history.

Two bridges were washed out, a dam threatened near Pampa, and highway traffic reduced almost to a standstill. The rains bolstered Plains Country cotton prospects but discouraged wheat farmers, who need sunshine.

A dam on Lake McClellan, 18 miles south of Pampa, was threatened after water ran five feet over its spillway and around its north corner.

However, the sheriff's department said it believed the barrier will hold. A dozen National Guardsmen, sent out in two trucks Wednesday night, returned to Pampa about 3 a. m.

Moving South, Eastward
Rain continued to fall Thursday throughout most of the area. The U. S. Weather Bureau said the showers were scattered but were becoming more widespread as the day wore on. The rain belt was believed moving gradually south and eastward.

Amarillo recorded 7.73 inches of rain up to 6 a. m., and light rain still was falling. The overnight precipitation, however, amounted to only .28 inch.

Almost a foot of rain was dumped on the tiny Swisher County hamlet, Happy, since the storms began. At a service station on the south side of town, the rain was so severe two big storage tanks filled with gasoline were washed out of their pit.

Near Wheeler, in the Eastern Panhandle, Marion Thomas, 40, of Canadian, was asphyxiated while repairing a break in a gas line of the Public Service Corporation. The break occurred in the bed of the river as a result of high water. Thomas entered the washed out hole to repair the pit and was overcome by fumes.

Ivin Conklin, regional manager of the company, crawled into the hole and also was overcome. Fellow workers were able to revive Conklin, but the effort came too late to save Thomas.

Many Highways Closed
Santa Fe railroad bridges were washed out near Shattuck, Okla., and near Panhandle, Texas. Several Santa Fe trains were being held up at Amarillo.

Highway traffic also was badly snarled, and unpaved rural roads were described as virtually impassable.

Main arteries closed Thursday as a result of high water were:
U. S. Highway 88 south of Canyon; U. S. Highway 287 between Amarillo and Claude; State Highway 117 north and south of Panhandle; State Highway 152 between Pampa and Borger; State Highway 70 from Pampa to Clarendon.

Other highways were open, but virtually under water with state highway trucks standing by at the trouble spots to aid stranded motorists.

The 7.73-inch rain at Amarillo was the heaviest in the 59-year history of the city's weather station.

Other rainfalls included: Perryton 3.43, Canadian 6.42, Panhandle 10, Claude 6.42, Foltlett 4.55, Borger 4.26 and Hereford 2.73.

South Plains Twisters
Wichita Falls reported Wednesday it had not had enough rain to help crops. But early Thursday the Weather Bureau said the rain had fallen—2.66 inches of it.

Rain was so heavy at Lubbock Wednesday cars moved with lights on and street lamps were turned on at 4 p. m.

Near the South Plains community of Edmondson, two twisters were reported but apparently did no damage. Hail struck Matador and Abernathy.

Other heavy rains fell at Sundown, Slaton, Plainview, Brownfield, Anson and Tulla. Cars stalled; streets flooded, and creeks overflowed.

Cars were stalled between Tulla and Canyon as high water made U. S. Highway 87 impassable. Local and long distance telephone service was interrupted in Amarillo and Dalhart.

The State Highway Patrol reported water two feet deep at several points across the main Lubbock-Amarillo highway. Water ran into the aisles of late buses between Plainview and Kress.

VFW To Conduct Two-Day Meeting

MCCAMEY — Delegates from throughout this section of the state are expected here Saturday and Sunday for the annual District 25 meeting of the Veterans of Foreign Wars.

The Young-McCollum Post No. 5071 and Auxiliary will be host to the meeting, which will begin Saturday afternoon with an officers' service school taught by Jack Scott of Monahans.

Speakers during the two-day session include Department Commander J. T. Rutherford of Odessa; Senator Vice-Commander Hoyt of El Paso and District Commander Nichols of Grandfalls.

The first day's session will be concluded with a dance at 9 p. m. at the Park Building.

A memorial service at 9 a. m. Sunday will open the second day's session, with Hursel Curry, commander of the McCamey post, giving the address of welcome.

At noon, there will be a barbecue in the Park Building and a business session featuring election and installation of officers.

Richardson Heads Nursery Group
J. A. Richardson, Midland nurseryman, was elected president of the Plains Nurserymen's Association at the conclusion of a one-day convention here Tuesday.

Richardson was one of the hosts to nurserymen from a wide area of Texas, Oklahoma, New Mexico and Louisiana.

New vice president of the association is D. D. Bowman of Plainview.

The nurserymen called for a stricter enforcement of laws regulating the inspection and grading of nursery stock.

Richardson heads a committee to study the feasibility of extending the boundaries of the association to include El Paso, more of New Mexico, San Angelo, Abilene and possibly Wichita Falls.

23-Day Flow—
(Continued From Page One)

On May 5 soared to 243,025,000 barrels, representing a 10,000,000-barrel increase in six weeks. He recalled that the oil industry had declared stocks of 240 to 245,000,000 barrels a sound level at a hearing here last year.

Commissioner William J. (Bill) Murray, Jr., said daily consumption is so much greater now than a year ago that the same level of stocks gives the nation only a 39-day supply instead of 44.

"It is our opinion we should go higher than the 245,000,000-barrel stocks which we previously believed to be a good average," he told the large audience of oil men attending the monthly statewide hearing.

The Phillips Petroleum Company believed a 22-day producing schedule would be adequate in the 30-day month of June.

Paul McDermott of Sinclair Oil and Gas Company called for the "status quo, which would be brought about by 23 days."

Magnolia Petroleum's Raymond Myers advocated 23, Don Crites of Shell, 22, but willing to go along with 23, and Joe Brown of Gulf, 24.

Allowable By Districts
The next statewide hearing will be held in Austin at 9 a. m. June 15.

The new allowable by districts, compared with present figures:

1. Southwest Texas—38,403 barrels daily, down 131.
2. Southwest Texas—171,806, down 1,542.

3. Gulf Coast—507,141, down 3,435.
4. Southwest Texas—269,638, down 1,862.

5. East Central Texas—55,489, down 470.
6. East Texas (outside)—119,401, down 966.

7. East Texas field—282,056, up 8,596.
7-B. West Central Texas—106,211, down 624.

7-C. West Central Texas—102,377, down 729.
8. West Texas—983,388, down 8,849.

9. North Texas—197,539, down 996.
10. Panhandle—106,419, down two.

Steel—
(Continued From Page One)

for priority buyers in August to meet mounting defense demands.

The set-aside ranges up to 75 per cent of carbon steel plate, 68 per cent of heavy structural steel shapes and steel piling, 80 per cent of high grade electrical sheets and strips, and 95 per cent of wheels and axles.

In one case, oil industry tubular goods—meaning pipe and equipment used in oil drilling operations—the agency ordered 110 per cent of base period output set aside. The base period is the first half of 1950, so Thursday's instructions mean the set-aside is greater than total production a year ago.

The effective date of the new order coincides with the beginning of the controlled materials plan for "CMP," under which steel, copper and aluminum will be allocated directly to defense and defense-support industries.

PATIENT BROUGHT HERE
John D. Lobohn, Oklahoma City employe of Wilson Packing Company, was transferred from Monahans Wednesday to Midland Memorial Hospital for medical treatment.

UNDERGOES SURGERY
Mrs. Lora Livingston, 904 South Big Spring Street, surgical patient in Midland Memorial Hospital. She was admitted Wednesday.

Native Of Hungary Is Guest Speaker At Rotary Meeting

Paul DeClava, a native Hungarian who now resides in Midland, told members of the Rotary Club at their meeting Thursday night in Hotel Scharbauer, "Americans should be more conscious and more loyal than ever before to the democratic principles and freedoms which they enjoy."

The speaker, a graduate of the Military Academy of Hungary and a former captain in the Hungarian Royal Guard, was introduced by Al H. Vineyard, program chairman. "Communism in Central Europe" was the subject of DeClava's address.

He reviewed conditions prevailing in Central European countries following World War II, and told of his escape from Hungary in 1948. DeClava came to Midland soon after his arrival in the United States in 1949.

Effects Of Communism
The speaker discussed the effects of communism on business and industry and said communism has resulted in less production and lower living standards.

"To be a Communist one must have an indifferent conscience," the speaker stated.

He explained how the Communists took over the governments of his and other countries and discussed the resistance movements which still are underway. He said 85 per cent of the populations of the Iron Curtain countries are not satisfied with present conditions.

"Their only hope for democracy and freedom is the United States," he declared. "I hope some day to return to a free and democratic Hungary."

Grew Warns Against Red China Blockade
WASHINGTON —(P)—Joseph C. Grew, former undersecretary of State and ex-ambassador to Japan, said Thursday an American blockade of Red China could lead to a shooting war against British shipping and imperil the North Atlantic Pact.

In a speech prepared for the national council meeting of the Atlantic Union Committee, Grew said: "An American blockade of the China coastline could result in American ships firing on the Union Jack and thus running the serious risk of destroying the North Atlantic Alliance."

"Suppose some free-wheeling captain of a British merchant vessel decided to run the blockade. Our Navy would be under orders to stop such vessels."

Such an incident, he said, could lead to destruction of Anglo-American relations, ardently desired by the Soviet Union.

General MacArthur, ousted Far East commander, has advocated blockade of China. The Administration has not favored such a move.

Grew said the British control "the majority of air bases needed, not only for the defense of Western Europe, but for the defense of the United States."

The question of whether these bases should be "sacrificed" to blockade Red China, the former ambassador said, is "typical of the kind of decision which architects of the American foreign policy must face daily."

Cattle Hide Parts Under Export Control
WASHINGTON —(P)—The Commerce Department Thursday placed cattle hide parts under export control because of a shortage of supply in this country.

The department also announced the setting of a second quarter export quota equivalent to 15,000 whole cattle hides. Licenses to ship parts, such as bellies, shoulders, butts and splits will be granted against the quota.

Cotton
NEW YORK —(P)— Thursday noon cotton prices were 15 cents a bale higher to 10 cents lower than the previous close, July 45.14, October 39.40 and December 38.91.

ELEMENTARY, DEAR WATSON
Police had good reason to believe Thursday that a young boy broke into the Burkhead Feed Store, 100 East Terrell Street, Wednesday night.

Missing were \$1 in nickels and a baseball glove.

MINOR SURGERY
Mrs. Lucille Morgan, 1203 South Fort Worth Street, was admitted to Midland Memorial Hospital Thursday for minor surgery.

SURGICAL PATIENT
Mrs. Lodena Kohn, 710 Cuthbert Street, was admitted Wednesday to Midland Memorial Hospital for surgery.

SURGICAL PATIENT
Mrs. Gladys Thomason, 1803 West Washington Street, was admitted as a surgical patient Wednesday in Midland Memorial Hospital.

HAS TONSILS REMOVED
Richard Wood, eight-year-old son of Mr. and Mrs. Frank Wood, 708 South L Street, underwent a tonsillectomy Thursday in Midland Memorial Hospital.

CHILD HURTS THUMB
Billy Sison, nine-year-old son of Mr. and Mrs. Lonnie Sison, Terrell, was given emergency treatment Thursday in Midland Memorial Hospital for an injured thumb.

Reds Smash—

(Continued From Page One)
AP Correspondent William C. Barnard, on the east-central front, reported the break exposed the flanks of other Republican units. He said these troops were threatened gravely.

South Koreans to the west gave ground under heavy pressure.

In the neighborhood of Chunchon, Americans generally held their positions. In one instance U. S. troops counterattacked.

American lines were dented in spots.

The Communist version of the battle was broadcast by Pyongyang radio in North Korea. It said Reds "are successfully punishing savage American and British aggressors all along the front."

Like String Of Crackers
The attack began on the east coast Wednesday and exploded westward. AP Correspondent Nate Polowetzky compared it to a string of firecrackers exploding as the flame crept along the cord—for 65 miles.

From east to west, front line dispatches gave this picture Thursday night:

South Koreans on the east coast fell back before the attack of Communists streaming off mountain ridges.

Six hundred Communists penetrated South Korean lines north of Hange. Allied troops rushed up to plug the hole.

Reds streamed southwest down the Inje-Hongchon highway. Allied artillery pounded the road heavily.

Between the road and Chunchon, highway hub of the no-man's-land on the central front, Chinese plunged into American units before dawn and forced a slight penetration.

The Reds used some 150 mm. artillery, antitank guns and recoilless rifles. But mostly they used automatic weapons and mortars.

South of Chunchon, Americans, astride the Chunchon-Hongchon highway, repulsed two regimental attacks. They reported killing 400 Reds and taking 60 prisoners. Chinese Swarm South

To the west, "very large numbers" of Chinese were reported moving south. U. S. fighter planes swooped in for the kill.

Through this sector, Barnard reported probably 90,000 south bound Reds have crossed the Pukhan and Choyang Rivers.

Small Chinese groups attacked south of Kapyong, 32 miles northeast of Seoul.

Ten miles southwest of Kapyong, the Reds threw a roundhouse blow at Allied troops southwest of Changdong. They struck frontally and on the left flank of American units. The attack began with about 500 men in the early morning and grew to about 4,000.

Chinese emerged from abandoned gold and silver mines and streamed south along mountain trails. Their columns were well spaced, making poor targets for constant hammering by UN artillery and planes.

These Reds opened up at dusk with long range guns on UN troops on the north bank of the Han River. They used some mortars and howitzers and more were coming south on pack mules.

To the northwest of Seoul, on the extreme western end of the line, North Koreans in battalion strength hit South Korean troops.

The Reds pushed forward but fell back before dusk, when the Allies counterattacked.

Advertise or be forgotten.

Brannan Says Price Rollback Will Put More Beef On Tables

WASHINGTON —(P)— Secretary of Agriculture Brannan said Thursday the government's recent price ceiling rollback on cattle may put more beef on dinner tables over the next year or two, but less three to five years hence.

This was in a statement the secretary prepared for the House Agriculture Committee. The committee had asked for information from the department in connection with its study of the rollback order.

Brannan's prediction that the price order might have a discouraging effect on the long-range production picture for cattle was a slight modification from testimony he gave before the Senate Banking Committee Wednesday. He said then that the rollback would not "jeopardize production."

The Administration meanwhile plowed on in the economic control field while keeping one eye cocked at storm clouds gathering over Capitol Hill.

New Orders Planned
With the present defense act due to expire June 30, and several congressmen declaring they'll balk at the broader control powers asked by President Truman, defense agencies:

1. Planned further cuts in production of 57 civilian goods, including passenger cars, starting July 1.

2. Ruled that retail prices of automobiles must be reduced May 22 to allow for the absence of spare tires and tubes as standard equipment.

3. Directed manufacturers of cotton yarns and textiles to compute new ceiling prices, effective May 28.

4. Ordered a nationwide inquiry into reports of illegal livestock slaughtering.

5. Laid down a formula for figuring ceiling prices for soybeans at the farm level.

In the meantime, talk grew in Congress in favor of a mere extension of the present defense act—under which controls are authorized—instead of the broader powers Truman requested.

Hearings on these requests are being held by both the Senate and House Banking Committees but many legislators fear they might not be able to finish the job before the June 30 deadline.

Stoppage Hobbles Telegraph Service
By The Associated Press

A work stoppage by Western Union Telegraph Company employes in four major cities Thursday hobbled service in scattered areas of the East, Midwest and West Coast.

The walkout began in Philadelphia and spread to San Francisco and Oakland, Calif., Thursday morning.

The AFL-Commercial Telegraphers Union said some 1,600 workers were idle in the four cities in a protest against supervisory personnel doing work assigned to union members in the Western Union-CTU contract.

ADMITTED FOR SURGERY
Mrs. Beatrice Moore of Midland, was admitted Wednesday to Midland Memorial Hospital for surgery.

Rains—

(Continued From Page One)
sheep country. Many sheep have been moved out of that section in recent weeks.

The rainfall also will put farm lands in excellent condition for planting. One farmer, terming May 20 as the ideal time for cotton planting, said the moisture fell at "just the right time." Grain sorghums may be planted as late as June 1, he said.

Rainfall measurements by pipe line stations in the Midland area varied from one-fourth inch to 1.26 inches at the Gulf Refining Company station, east of the city.

The stations had reports of rains as far away as Colorado City and Hamlin.

The 1.26 inches gauged at the Gulf plant included precipitation Wednesday night. The one-fourth inch of precipitation was reported by the Atlantic Pipe Line Company Pump Station, east of Midland.

Area Reports
The Humble Pipe Line Company had the following reports from its stations:

Wink, shower Wednesday night; Monahans, light shower early Thursday, hail and rain Wednesday night; McCamey, light shower Thursday morning; Iraan, shower Wednesday night; Andrews, one inch Wednesday night and Thursday. The North Cowden, Jal, N. M., and Penwell stations reported no rain.

The rainfall here followed record rains which flooded the Panhandle Wednesday for the second consecutive day. The Panhandle rains ranged from one to two inches in the Lubbock-Plainview area to seven inches at Amarillo to 10 inches at Happy. Moisture also continued in the Hill Country to the Southeast. It even rained at dry Del Rio and Eagle Pass.

Taxpayers—
(Continued From Page One)

80) and east of Big Spring Street will vote at the Precinct 1 booth in the courthouse; those living south of Wall and east of Big Spring will vote at the City-County Auditorium (Precinct 5); those residing south of Wall and west of Big Spring will vote at the Girl Scout Little House, 1100 West Washington Street, (Precinct 6); and those living north of Wall and west of Big Spring will cast their ballots at the Youth Center, 805 West Illinois Street, (Precinct 7).

The polling places will open at 8 a. m. and close at 7 p. m.

Passage of the bond issue will give a green light to the overall program, the work on the initial phase of which is scheduled to begin next week.

First Contract Awarded
The county already has awarded a contract for the construction of the drainage system, which must be constructed before the Front Street widening can be undertaken.

This contract totaled \$730,000, and when that figure was submitted as the lowest bid, it became apparent additional funds would be needed to complete the overall program.

The Highway Committee of the Chamber of Commerce studied the situation and, adding the Pegasus road and Highway 80 widening projects to the list, recommended an election to be held on a \$1,250,000 bond issue.

The Commissioners Court immediately called the election.

Permian Basin Oil And Gas Log— Potentials Reported For Germania Tests

(Continued From Page One)
plore the Ellenburger in East Pecos County.
It will be 600 feet from south and 4,982 feet from west lines of section 41, block 1, T&ON survey.
That makes it two and eight-tenths miles north of Sheffield. The wildcat is nine and one-half miles southeast of the Yates field.
Near Deep Failure
The new prospect will be approximately one mile northeast of the Rigo Petroleum Corporation, Ten-Harvey Oil Company and John Wayne No. 1-A Morris Monroe, Ellenburger failure drilled early in 1950 to a total depth of 6,844 feet in the Ellenburger and abandoned there.
The Ellenburger was topped at 8,640 feet, with an elevation of 2,190 feet in the Rigo, et al. No. 1-A Monroe. That zone and the Strawn line of the Pennsylvanian and the Clear Fork of Permian all had slight shows of oil and gas.
Each of those formations were tested extensively, but none of them developed any shows of commercial production and the project was finally plugged and abandoned.

Lowell Fasken Has Oil Shows In Shale Zone; Taking DST

A good show of oil was encountered in a fractured shale at 10,200-318 feet at Ralph Lowe No. 1 (Fasken) Northwest Midland County wildcat, one mile west of the city limits of Midland.
Operator is now running a drill-stem test on that zone. The shale is unidentifiable. It is between the Wolfcamp lime and the Pennsylvanian lime.
The section being investigated put a good show of oil on the mud pits while it was being drilled through. Location is 660 feet from north-west and northeast lines of section 6, block 39, T-2-S, T&P survey.
Up to now this wildcat has not found any possibilities of commercial production.

Wildcat Offset Is Staked In Reagan

One location diagonal northeast of The Blackwood & Nichols Company of Midland No. 1 Weddell, indicated Spraberry discovery in Northwest Reagan County, the same concern staked location for its No. 1 O. F. Boyd, a 7,200-foot Spraberry test. Crustalite is 1,890 feet from west and 660 feet from south lines of section 16, block E, HE&WT survey.
No. 1 Weddell is plugged back at total depth of 7,185 feet in the Spraberry waiting for storage tanks to be erected.

SE Hockley Field Gets SW Extension

The producing limits of the Ropes-Pennsylvanian field of Southeast Hockley County have been extended one location to the southwest with the completion of Honolulu Oil Corporation and Signal Oil & Gas Company No. 1 J. E. Armes.
The important extension was completed for a daily natural flowing potential of 2,775.04 barrels of high-gravity oil and no water.
The oiler was completed from total depth of 9,385 feet. Pay was topped at approximately 9,300 feet. Location is 694 feet from north and east lines of labor 17, league 5, Wilbarger County school land survey.
It is the eighth producer for the field.

Shell Group To Meet Here Friday

E. R. Boswell, district marketing manager for Shell Oil Company, will introduce the company's 1951 marketing and advertising program to

E. R. Boswell
Shell's Midland area employees and West Texas dealers at a meeting Friday morning at the Yuca Theater.

The meeting is one of a series being held over the nation to acquaint the company's employees and dealers with the new program before it gets underway. The presentation of this program will be conducted by E. R. Shelton, retail manager of the Cleveland Marketing Division.

More Spraberry Activity In Midland

Sinclair Oil & Gas Company has completed a small lumper in the Midkiff-Spraberry field and Atlantic Refining Company has staked location for a project in the Driver-Spraberry field of Southeast Midland County.
The Sinclair oiler is the No. 1 Palmer, completed for a daily potential of 40,888 barrels of 35-2-gravity oil and seven and one-half per cent water.
Production is through perforations at 7,302-7,345 feet.
That section had been hydraulically fractured and shot with nitroglycerin. Gas-oil ratio was 471-1.
The new Atlantic location is No. 1 W. M. Schrock. It is one location northeast of James H. Snowden No. 1-34 Schrock, recently completed three-mile southeast extension to the Driver field.
Drillsite is 660 feet from south and west lines of section 26, block 37, T&P survey, T-4-S.

Three Lectures Set For Mounty

Sydney R. Montague, a former member of the Royal Canadian Mounted Police, will address three Midland groups Friday.
He will speak to an assembly of Cowden Junior High School boys in the morning.
At noon, he will address an all-city luncheon, sponsored by the Junior Chamber of Commerce.
In the afternoon he will address an assembly of boys in Midland High School.
Writer, philosopher and humorist, Montague spoke here recently to the Knife and Fork Club.
He has been cited by Kiwanis International for being an "inspiration for good living" to the youth of the world.

Clarksville Deputy Is Added To Police Force In Midland

From the hills of Northeast Texas among the men who enforce the law in Midland.
Police Chief Jack Ellington announced Thursday the appointment of the second East Texan in two days to the Midland Police Department.
The latest addition is Harold Wallace, 37-year-old Red River County deputy sheriff from Clarksville, Wednesday, Ellington announced the appointment of J. W. Moore of Mount Vernon.
"It isn't that we're prejudiced in favor of East Texans," said the chief, "but we just can't find any available men out here and we still have several vacancies on the force."
The new men from East Texas will not be among strangers on the Midland force. Among the former East Texans are Captain Rube Hemingway and Lt. Dick Hemingway, natives of Clarksville, and Officer Guy Fletcher from Paris.

Livestock

FORT WORTH —(AP)— Cattle 700; calves 300; generally steady here Thursday; good fed steers and yearlings 31.00-33.00; common to medium 25.00-31.00; fat cows 24.00-27.00; bulls 22.00-29.00; good and choice slaughter calves 32.00-36.00; common and medium calves 24.00-31.00; stocker calves 25.00-38.00; stocker earlings 25.00-35.00; stocker cows 20.00-27.00.

SMARTNESS

SPORT COATS AND SLACKS

by

STYLE MART

Your sport outfit is here in the colors you want... gorgeous greys, beautiful blues, terrific tans. Each sport coat, each pair of slacks, is a masterpiece of smart styling and fine tailoring. Better do your choosing while the selection is complete.

Sport Coats \$29.50 up. Slacks \$14.95 up

BOYS' SLACK SUITS

Mothers! Here are slack suits both you and the boy will be equally fond of. They consist of a combination plaid jacket with solid color pants. They are available in either green or brown in sizes from 6 to 12. We believe you will agree with us that they are ideal for growing youngsters who want to have that dressed up feeling.

\$11.95

Others in sizes 1 to 12 at prices ranging from \$4.98 to \$19.95. Some of them have short pants.

Oregon 'Conchy' Arrested Here

A 22-year-old Oregon youth, who identified himself as a "conscientious objector," was being held here Thursday on charges of failing to report for induction into the army. The youth, identified as Jesse Hoskin, was arrested here Wednesday by Police Chief Jack Ellington and an agent of the Federal Bureau of Investigation. He was indicted by a federal grand jury last month in Portland, Ore., on charges of "willful failure and refusal" to report for induction as ordered by the Lane County, Ore., draft board.

He also was charged with failure to notify his local draft board of change of address. Ellington said Hoskin was arrested Wednesday afternoon while working as a laborer on a construction job. The police chief said he told him he had fled Oregon seven months ago because he "didn't believe in fighting and because he was a conscientious objector." Hoskin is being held in the Midland County jail for the U. S. marshal at Pecos.

British Hero Of World War I Dies

LONDON—(AP)—Field Marshal Lord Birdwood, 85, who led the Australian and New Zealand Army Corps against the Turks in the World War I battle of Gallipoli, died Thursday. During the ill-fated Dardanelles campaign, Lord Birdwood organized the evacuation of British troops from the Gallipoli Peninsula. He himself was wounded there in May, 1915. Later he led Australia-New Zealand forces against the Germans on the Somme River.

Cub Scouts Are Given Awards

More than 86 boys of Cub Scout Pack 6 received awards at the annual picnic and graduation exercises Tuesday night at Cowden Junior High School cafeteria. An additional award, a plaque, was given Den 1, whose members sold the most tickets to a hobby show. The list included Jodie Black and Russell Wagner, wolf awards; Bobby Schmidt and Ruff Ahders, bear awards; Harvey Lee Haney, Lion award; Gary Littlejohn, Jimmy Walton, Charles Ratliff, Jerry Keeler, and Dan Irvin, webelos awards; and Jerry Keeler, Gary Littlejohn and Jimmie Walton, graduation certificates. Additional Awards: Bill Byrne, Edwards Hughes, Walter Miller, Nicky Rich, Michael Sharp, Jack Sowers and John Whittington, bobcats; Larry Howell, Harvey Lee Haney, Ricky Bayless, Bary Hendricks, Denny Martin, Jimmy Jones, Ruff Ahders, Jesse Rogers, Jim Brady, Jodie Black and Bobby Schmidt, gold arrows. Silver arrows were given Regan Mount, 3, Charles Younger, 2, Tommy Campbell, June Melton, Dick Campbell, Hugh Dilley, Chuck Ervin, Jodie Givens, Bill Gray, Tevis Herd, Billy Neely, Steven Norman, Bob Zonne, 2, Jim Brady, 2, Bill Shattuck, Charles Butler, M i k e Northup, Bill Crothers, Bobby Dick-ey, Yippy Rankin, Bobby Schmidt, 2, Larry Howell, 2, Wayne Dickerson, 3, Jodie Black, Leslie King, 3, Clayton Van Alstyne, Harvey Lee Haney, 2, Jimmie DeLay, Bobby Porter, Larry Ledebur, Bary Hendricks and Ruff Ahders, 3.

Clothes Wanted By Boy Scouts

Midlanders are invited to do an international "good turn" Saturday. Boy Scouts of the city will collect clothing that day as part of a nationwide collection campaign for relief in foreign nations. The Scouts will call at Midland residences to pick up the articles of clothing. They are asking that clothing be placed in clean paper bags or boxes for collection. Articles of clothing desired in the drive include: Men's and boys' shirts, suits, jackets, trousers, underwear and socks. Men's, women's and children's coats, sweaters, gloves, mittens, caps and scarves. Women's and girls' dresses, suits, jackets, aprons, skirts, blouses, underwear, stockings and socks. Project Approved: Also, blankets, robes, quilts, sheets, pillow cases, towels and wash cloths, shoes. Wearable galoshes and rubbers also are desired. Distribution of the clothing and other articles collected by the Boy Scouts of America will be handled by the American Council of Voluntary Agencies for Foreign Service, which is composed of 52 agencies. The project is approved by the Advisory Committee on Voluntary Foreign Aid, Department of State, National Information Bureau and Better Business Bureau. Chairman of the collection drive in the Midland district is C. C. Boles. He said that any items other than those listed as desired in the campaign, would be given to a local welfare agency.

Cripps' Condition Continues Serious

ZURICH, SWITZERLAND—(AP)—The condition of Sir Stafford Cripps, former British chancellor of the exchequer, is causing "great and continuing anxiety." A statement issued here Wednesday by his wife said the pioneer Laborite not only is suffering from a tubercular infection of the spine—as previously announced—but is being treated for an abdominal complication which Lady Cripps described as a "rare and dangerous disease." The abdominal complication was not otherwise identified. Sir Stafford came to Switzerland last November for treatment of spondylitis, a tubercular infection of the spine. The abdominal trouble apparently was discovered later.

Texan Fears Iranian Crisis May Mean War

WASHINGTON—(AP)—William L. Clayton, the Houston cotton man and statesman, expressed fear Wednesday that the oil dispute in Iran might explode into a crisis leading to a third world war. The former undersecretary of State said such a crisis would expose dangerous disunity among Western nations. The Star Spangled Banner was made the national anthem by an act of Congress on March 3, 1931.

Police Chief Job Refused By Koehne

COLORADO CITY—Ed Koehne, state highway patrolman stationed here, has turned down an offer to become Colorado City's chief of police. Koehne had been selected by the City Council to succeed H. S. Hickman. In a letter to City Manager Jack Tallent Wednesday, Koehne gave as his reason for not accepting the position a proposed cut of \$10,000 in appropriations for the police department. Acting Chief Sam Hulms will continue in that capacity until a new chief is appointed.

AMERICAN SETS 25-CENT DIVIDEND

The board of directors of American Airlines Wednesday declared a 25-cent dividend on the corporation's \$1 per value common stock. Its Midland station was notified. The dividend will be payable June 20 to stockholders of record at the close of business June 1.

Youth Center Chatter

By JOYCE HOWELL and GAIL BAKER

The time is getting closer and closer! What time? Why the time when the Seniors say good bye to old MHS. Parties, parties and more parties are planned for the last few days of school, but right now we are just bubbling over with news about our latest trip.

This weekend we visited MO Ranch near Kerrville with members of Girl Scout Troop Eight. Fifteen girls and the two chaperones, Mrs. E. W. Anguish and Mrs. T. A. Hendricks left early Friday for a three-day vacation.

Daffy Tabor and Susie Young supplied the music for the trip down by singing and playing. During the vacation, Nancy Steedman and Sara Hendricks learned how to paddle a canoe—although Nancy fell in the river once! They have informed us they now have it all down to a "science." Say, just what kind of science?

The "seaweed" in the river frightened Sue Johnson and Peggy Charlton so they acted as an audience while Patty Hamman and Margie Cramer played on the slide which goes in the water. Mrs. Anguish and daughter, Gloria, had a gay time roller-skating. Gloria threatened to push her mother down but she decided that it wouldn't be very wise so she didn't do it.

Bowling And Fishing

Jane Stuart now has had experience as a pin setter. Yep, the girls even bowled a bit—and they had to set their own pins. After catching a huge bug, Jane Umerson decided to go fishing. Of course, she didn't catch anything, but she seemed to have had a good time.

Mary Neill spent a lot of her time consoling Marijann Forrest on the loss of her straw hat. We imagine a lot of you have seen Marijann's hat—it is a straw hat with flowers and several other things on top of it. Too bad, Marijann, it was a very unusual hat.

Mary Jo Hejl was quite surprised Saturday night to find her pajamas had been tied in knots. Say, were those Girl Scout knots, Mary Jo? The only "rest casualty" was Mrs. Hendricks who injured her ankle slightly while climbing around on the bunk beds. Sounds like we all had a good bit of fun, doesn't it? Well, just take our word for it, we did!

Double Congratulations go to the Ackers family this week. Barbara, who is a Senior in high school, is the valedictorian of her class, while Betty, who graduates from Junior High School, is the valedictorian of her class. The salutatorian of Junior High is Janice Hill, while Nancy Webb is the salutatorian of Senior High School. Our congratulations go to all four girls.

One of the major events of the year, the Band Banquet, was held last Saturday night. Joe Haddon from Texas Tech was the guest speaker and everyone who attended the banquet had a wonderful time. After the banquet, Beverly Keating was the hostess for a semi-formal dance in the Schaefer ballroom.

A week from next Saturday night a semi-formal dance will be held in the Youth Center. Music for this dance will be supplied by the Juke Box, and free refreshments will be served. This dance will be an end-of-school celebration, and a formal dance with music by an orchestra will be held later in the Summer when many of the exes have returned.

Friday the Juniors will get a taste of what life will be like in MHS next year when they will be the "big wheels." Yes, Friday morning, bright and early, the Seniors will leave on charter buses for their annual trip to Carlsbad. They plan to visit the Caverns and spend the afternoon swimming, boating and playing baseball. Hope you all have a lot of fun.

Commencement Schedule

The baccalaureate service will be held at 8 p.m., May 27, in the High School Auditorium.

On Monday, May 28, Class Day exercises will be held. We have heard a few of the things going in the Class Will and Prophecy and we guarantee you will enjoy this program. School will be dismissed at 3 p.m. so everyone may attend.

Commencement exercises will be held at 8 p.m., Wednesday, May 30. These three events, Baccalaureate, Class Day, and Commencement exercises, will be open to the public.

After the Class Day program at 7:30, the parents of the Seniors are giving a banquet in the High School Cafeteria for members of the Senior Class only.

On Wednesday evening, after the Commencement exercises, a semi-formal dance will be held in the High School Gym. Music for this dance will be furnished by Andy Schroder and his Western Band. Refreshments will be served and we imagine the decorations will be pretty as the mothers of the Seniors are sponsoring this dance. The dance will be for the Seniors and the Juniors and their dates.

In addition to these activities, several dances are being given for the graduates, and everyone will be quite

busy these last few weeks. (It seems as though we never do slow down any more—each time we think we will have a free weekend to catch up on our sleep, we discover that another party is being planned.)

The High School Band certainly is keeping busy these days. If not doing something for others, they are having parties—but they are always quite busy! Last Saturday night, as mentioned previously, the annual Band Banquet was held in the high school cafeteria.

This Saturday night, the band parents are giving a barbecue for the band members. It is to be at 8:30 p.m. at Cole Park.

Midland Rodeo Band

On May 22, the band will play for the inter-squad football game which will be played in the football stadium.

On Graduation Day, the Band will march in the Rodeo Parade, and that night will furnish the music for the first rodeo performance. The band will play for the rodeo each of the five nights. The band members will wear Western clothes.

See what we mean about the band staying busy?

Last weekend, Bobby Peters, a YC member, ventured to Austin and Bryan to look over two colleges—Texas University and Texas A&M.

Fred Glas, a new teacher here from Monahan, has a hobby of making bows and arrows to hunt with.

Tommy Vanaman, John Brennehan, Jimmy Counts and "Timber" Forrest also enjoy this hobby. All five boys have been seen working together on the bows and arrows.

We have had word that four members of the Senior Class who no longer are attending MHS, are returning to graduate with their class. Barbara Burnham, who now is attending school in Austin, Sue King Miller, David Anguish, who now is in Oklahoma attending an aeronautical school, and Troy Etheridge are the four.

Last week when we mentioned the Center members who had the mumps, we did not mention that Ann Arick was a victim. Ann now is back in school. Glad to have you back, Ann.

College Bound

The other afternoon we heard two people talking about colleges—Nancy McKinley and Graham Mackey. Graham was trying to find out about all the "crip" courses he could take at Texas Christian University next year. Nancy also is going to TCU, and there was quite a discussion going on about which courses to take.

It certainly is confusing when two girls with the same given name run around together. When the name is called out, naturally, both girls reply—"confusin' but amusin'! Now, though, these girls are addressed Emily No. 1 and 2, Gail No. 1 and 2, and Barbara No. 1 and 2.

However, there is something more confusing than these names, believe it or not! There are two boys, good friends, too, named Little Bobby Harris and Big Bobby Harris!

May 25 is going to be an exciting day for the football boys. They are going to Possum Kingdom on a trip. Harold Paden now is the "uncle" of a new baby girl. Harold's newborn niece was born Monday, May 14. Congratulations!

Former Member Visits

A little over a week ago, an old friend of many Seniors was in town. His home town now is Brownwood. Can you guess who it was? Yes, of course, Alah Nelson was here as a guest of the S. P. Hazlips. Alan will graduate from Brownwood High this Spring. He is president of the Senior Class and has lettered in football two years.

Our vote for the one freshman who can take teasing the most gracefully goes to "Little Bill" Mayfield. "Li'l Bill" plays a large tuba in the band and his face turns bright red each time a person starts to kid him at all. (And we certainly hope you won't be teased about having your name in print.)

MILLIONTH STOCKHOLDER—The millionth stockholder of the American Telephone and Telegraph Company—the only business in the United States to achieve such a broad democracy of ownership—is represented by Mr. and Mrs. Brady Denton of Saginaw, Mich., who jointly own seven shares of stock. Mr. and Mrs. Denton and two of their three boys are pictured during a visit to their local telephone exchange, when Brady, Jr., learned about switchboard operating from Doris Beiser of the Michigan Bell Telephone Company.

Attorneys Join OPS District Staff

LUBBOCK—Two attorneys and two price specialists have been added to the district Office of Price Stabilization during the last week, according to announcement by Howard R. Gholson, district director.

Robert F. Proctor, who was litigation attorney for the old Office of Price Administration during World War II in the Dallas regional office, which included West Texas, has been appointed district counsel for the Lubbock district.

A Tahoka attorney, Sam H. Garrard, has been named an assistant to Proctor. Garrard resigned as Lynn County attorney to accept the position with the district OPS office.

Price specialists added to the Lubbock district staff include C. M. Erickson of the consumer durables branch and James M. Moreau of the fuels and chemicals branch.

Midlanders Honored By Life Underwriters

AUSTIN—Two Midland men have been honored by membership in the Leaders Round Table of Texas, an organization requiring its members to provide the buyer of life insurance the highest type of professional service.

The Midlanders are W. B. Harkrider, Southland Life Insurance Company, and W. E. (Bill) Lewis, Jr., Republic National Life Insurance Company.

Both men are members of the Permian Basin Association of Life Underwriters, as well as the Texas and National Associations of Life Underwriters.

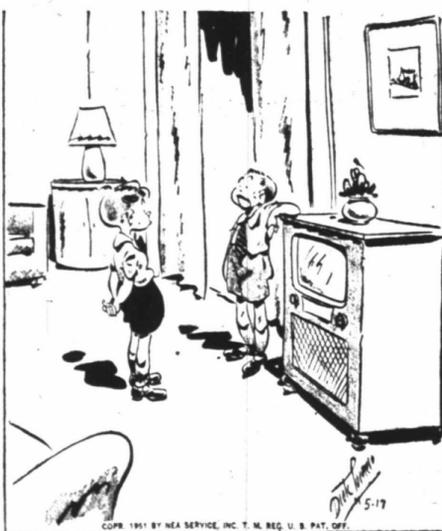

Awards for membership will be presented at the annual convention of the Leaders Round Table, which will be held in conjunction with the Texas Association of Life Underwriters' convention at Galveston, June 15-18.

REDUCES VALUE

The value of a black or silver fox pelt reduces 50 per cent if the hide is not removed from the animal within five days after it reaches its maximum gloss and thickness, due to a brown tinge which appears by that time.

That's about all the news for this week. We are still quite busy with the end of school activities, but we will be back against next week with a lot more news.

CARNIVAL

"Is it educational? Say! Just ask me what beer is years ahead in foamy flavor—what cigaret soothes the nerves of more taxi drivers the nation over!"

SATISFIES THIRST AS NOTHING ELSE WILL!

OZARKA WATER CO.

MIDLAND STUDENT TO BE H-SU GRADUATE

ABILENE—Margaret E. Dougherty of Midland is among the 250 students who are candidates for degrees at Hardin-Simmons University, Monday, May 28. Dr. P. D. O'Brien, pastor of the First Baptist Church, Big Spring, will give the commencement address. Baccalaureate services will be held Sunday, May 27.

Miss Dougherty will receive a bachelor of arts degree. During her undergraduate days Miss Dougherty has been a member of Life Service Band, Young Women's Auxiliary, the Press club and Cowgirls, a service organization.

She is the daughter of Mr. and Mrs. S. C. Dougherty.

In addition to the 250 candidates for bachelor degrees, there are 45 candidates for master of arts and master of education.

Commencement activities will begin Saturday night with a reunion of the exes. Baccalaureate will be held Sunday morning in Behrens Chapel with Dr. James Sullivan, Abilene, delivering the sermon. The commencement exercises will be held at 10 a.m. Monday.

Read The Classifieds.

FREE WHEELING

ROCKFORD, ILL. (AP)—Richard A. Swenson got the surprise of his life when the three-wheeled motorcycle he was supposed to be towing passed the car he was driving. The cycle somehow got unhitched from the pumped and moved along side the car and started to pass it. Swenson pulled over to the curb and watched the driverless three-wheeler roll for a block down the street. It stopped after hitting a parked car.

NATURAL CURIOSITY

One of nature's curiosities is the difference in size between a mother kangaroo and her young. The mother stands four or more feet high and weighs about 200 pounds. The young, when first born, are a little more than an inch long and weigh less than a mouse.

The jackrabbit, which derived its name from its long donkey-like ears, is not a rabbit but a hare.

The Better Spread for Our Daily Bread

Phone Every Member of Your Organization NOW!

Get all your friends to stock up on Mrs. Tucker's Meadolake... collect all the valuable carton End Flaps with Mrs. Tucker's picture on them and send to Sherman before midnight May 31... your organization will make more easy money and you will make stronger friends because they will love Meadolake's finer flavor.

Richer! Lighter! More Moist!

Finer Textured! Guaranteed!

If you don't bake a better cake with Mrs. Tucker's than with ANY other shortening using the same recipe, send the recipe to Mrs. Tucker, Sherman, Texas, telling what you don't like about the cake, and she will pay you the FULL cost of ALL ingredients used PLUS a dollar for your baking time.

Mrs. Tucker's SHORTENING

Mrs. Tucker's Quick-Mix Walnut Chocolate Cake

Mix together... 2 cups sifted cake flour, 1 1/4 cups sugar, 3/4 teaspoon baking powder, 1 teaspoon salt, 1/2 cup Mrs. TUCKER'S SHORTENING, 3/4 cup milk.

Mix 2 minutes on medium speed of mixer or by hand, counting 150 beating strokes a minute. Scrape sides and bottom of bowl frequently.

Then add... 4 egg whites plus milk to make 3/4 cup, 1 teaspoon vanilla.

Mix 2 minutes at medium speed of mixer or by hand, counting 150 beating strokes a minute.

Pour batter into 2 round 8-in. layer pans rubbed with MRS. TUCKER'S SHORTENING and lined with wax paper cut to fit. Bake in a moderate oven (350° F.) 25 to 30 minutes or until done.

Frost with Mrs. Tucker's Easy Chocolate Frosting and decorate with walnut halves.

Mrs. Tucker's Easy Chocolate Frosting

Melt over hot water... 3 squares unsweetened chocolate, 3 tablespoons MEADOLAKE MARGARINE, 3 cups sifted confectioners' sugar, 1/2 teaspoon salt, 7 tablespoons milk, 1 teaspoon vanilla.

Add hot chocolate mixture and mix well. Let stand, stirring occasionally, until of the right consistency to spread.

Total Of 126 Projects Reported To Railroad Commission Office

A total of 126 new projects were reported to the Oil and Gas Division of the Railroad Commission of Texas in the Midland District last week.

Ector County lead all others with 41 new drillsites. Midland County was next with 21 projects. Scurry County gained nine new locations and Cochran County seven new sites.

Andrews, Glasscock, and Kent Counties each reported five new drillsites. Two new projects each were filed in Borden, Hale, Howard, Loving, Pecos, Terry and Ward Counties. Crane, Garza, Hockley and Winkler Counties each reported one new project.

Fifteen wildcats were staked in 10 Texas counties the past week. Andrews County claimed three of the new prospectors and Martin, Pecos and Yoakum Counties each had one wildcat.

One prospect each was filed for Crane, Dawson, Dickens, Gaines, Howard and Midland Counties.

Andrews County
Midland Farms—Anderson-Prichard No. 1-K-27 Fasken, 660 feet from north and west lines of northeast quarter of section 27, block 41, T-1-N, G&MMB&A survey, rotary, 5,000 feet depth.

Recomplate: Bedford Devonian—Shell & Texas No. 6 Ratliff-Bedford, 660 feet from south and east lines of section 4, block 73, pls survey, recomplate in Devonian from 9190-9220.

Amended: Completed as Gas well: Shafter Lake Gas—Sinclair No. 2 Jas Stevenson, 129 feet from east and 487 feet from south lines of northwest quarter of section 13, block A-36, pls survey, rotary, 2,900 feet depth.

Amended: Midland Farms—Anderson-Prichard No. 6-D38 Fasken, 660 feet from south and 665.15 feet from east lines of southeast quarter of northwest quarter of section 38, block 41, G&MMB&A survey, rotary, 5,000 feet depth.

Midland Farms—Stanolind No. 11-W-R-A-B Midland Farms, 660 feet from south and 1,987 feet from west lines of south half of section 6, block 42, T-1-N, G&MMB&A survey, rotary, 5,000 feet depth.

Means—Humble No. 126 J. S. Means, 660.76 feet from north and 666.41 feet from west lines of section 19, block A-35, pls survey, rotary, 4,600 feet depth.

Midland Farms—Stanolind No. 11-F-R-A-B Midland Farms, 660 feet from west and 560 feet from north lines of southwest quarter of section 1, block 42, T-2-N, G&MMB&A survey, rotary, 5,000 feet depth.

Wildcat—Gulf No. 1-NNN TEcas, 660 feet from north east and southeast lines of section 21, block 9, Uni-

versity land survey, rotary, 13,500 feet depth.

Wildcat—Buffalo No. 1-F Fasken, 660 feet from north and 1,990 feet from east lines of section 19, block 41, T-1-N, G&MMB&A survey, rotary, 5,000 feet depth.

Borden County
Von Roeder (semi-exploratory wildcat)—Shell No. 3 Sterling, 628 feet from south and 1,969 feet from west lines of section 70, block 25, H&TC survey, rotary, 6,900 feet depth.

Reinecke—Magnolia No. 1 A. O. Murphy, 467 feet from south and west lines of section 67, block 25, H&TC survey, rotary, 7,000 feet depth.

Cochran County
Slaughter—Honolulu No. 16-B C. S. Dean, 1,728 feet from north and 510 feet from west lines of east half of west half of league 91, Lipscomb CSL survey, combination, 5,200 feet depth.

Levelland—Blackwood & Nichols No. 1 C. R. Starnes, 660 feet from north and 1,980 feet from west lines of section 4, Harrison & Brown survey, rotary, 5,100 feet depth.

Serious Hereditary Bleeding Is A Puzzling Condition

By EDWIN F. JORDAN, M. D.
Written for NEA Service

Hereditary bleeding or hemophilia is an uncommon condition but a serious and puzzling one. It is present only in the male line—and is carried only by the female.

It is commonly known also as the royal disease, because it is believed Queen Victoria of England was the first to carry the hereditary gene. Ten of her male descendants had hemophilia and at least seven of the female ones proved to be carriers. But a similar condition has been observed in puppies so royal ancestry does not appear to be the whole story.

Every victim of true hemophilia is of the male sex. The tendency to easy bleeding crops up early in life and someone who has it must be extremely careful about even the most trifling injury as this can set off a serious hemorrhage. A scratch, the pulling of a tooth, a slight blow on the nose may start bleeding which will prove impossible to stop.

Internal bleeding can occur, too. One of the common difficulties of bleeders is hemorrhage into the joints which causes inflammation

and what is sometimes spoken of as hemophilic arthritis. But there is a tendency for hemophilia to get better as age advances. Therefore if the small boy can get through his early years he has a fair chance in the future.

There are some other conditions in which bleeding occurs rather easily and is difficult to stop. So one must not jump to the conclusion that every difficulty of the sort is true hereditary hemophilia. But when this diagnosis is made there is not as yet any thoroughly satisfactory treatment. Blood transfusions frequently are given and these may help.

Exercise Care
Other methods sometimes are applied and it seems not unlikely that research workers who actively are studying the origins of hemophilia eventually will come up with an effective treatment.

In the meantime sufferers from hemophilia, whether they can trace royal descent or not, have to exercise the greatest care to avoid any injury which might start uncontrollable bleeding.

Daddy Ringtail :: By WESLEY DAVIS

Daddy Ringtail And Old Gray Goose

Daddy Ringtail, your monkey friend, had gone to visit with Old MacDonald who has a farm. After supper, out they went to sit on the porch in the moonlight. Old MacDonald really had quite a problem, and now he explained what the problem was. "It's robbers," said Old MacDonald.

"Robbers?" asked Daddy Ringtail. "Robbers sure enough," said Old MacDonald. He explained how robbers came in the night to steal away corn from the barn. Oh, he hadn't seen the robbers, really. But robbers were stealing his corn from the barn just the same.

Pouring hot water over dishes after they've been washed—that are in a rack, has a double advantage. The water rinses off the soap and heats the dishes so they will air-dry in a short time.

Use your aluminum measuring spoons only for measuring. If they are used for mixing or stirring or prying up lids from cans they are likely to get bent and will no longer be accurate.

Danish Cold Table Is Feast

DANISH COLD PLATE features even slices of mild-cure imported Hafnia ham, smoky salami and wedges of pork liver paste served with dark bread and butter.

By GAYNOR MADDOX
NEA Staff Writer

COPENHAGEN—Esperger is a little fishing town about 20 miles from Copenhagen on the sound between Denmark and Sweden. We paused there on a chilly morning for hot coffee and amazing pastries—chocolate suspended in buttermilk, tenderly stuffed with exploding whipped cream. Then we drove further along the sound across rich farm country. As the sky began to fade we reached Frederborg (Palace of Peace), the Summer residence of the Danish royal family.

But you can't eat castles! A stone's throw from the Summer palace lies a handsome inn called Store Kro, with open fireplaces and tables covered with cloths of Copenhagen blue. There, A. Hogsbro Holm, secretary-general of the Danish Agricultural Council, gave us a regal party—a Danish cold table.

The doors of the great dining hall were flung open and two stalwart Danes led the way in blowing long, curving lurs—ancient horns dating back to the bronze age. They are used now only on exclusive occasions and is a symbol of quality. A lur brand is by law placed on all cheese, butter and bacon exported.

Down the center of the hall stretched a wide table brilliant with fresh flowers and weighted with Danish hams, tongues, roasts of beef and lamb, veal loaves, ducks and chickens, great trays of Danish salami, smoky and smooth, served in wedges and eaten on bread. I counted 20 different kinds of meat and fowl and meat and vegetable salads set before us. They served hot dishes also.

Along one wall extended the cheese table with about 15 different kinds of Denmark's fine cheeses, such as blue, Ementhaler, camembert, Samsoe. Two girls in peasant dress helped the guests serve themselves.

That was a royal feast. When we get home to the United States again, we'll have a Danish cold table but on a less staggering scale. We'll use our Danish platter with its blue and white pattern and on it place even slices of imported Hafnia ham (it comes to the United States in cans weighing from two pounds) and slices of Danish salami and then mounds of pork liver paste (it comes in four-ounce cans) cut in wedges. There will be dark bread and butter and watercress and radishes, and for those who want it, Danish beer.

Midland County Growth Reflected In Rural Mail Delivery Increases

Some growth in the suburban and rural population of Midland County is reflected in the increase in families served by rural routes from the Midland Post Office.

However, there has been no sharp increase in rural route mail volume, according to Postmaster N. G. Oates.

Rural Route 1, which is 85 miles long, has had an increase from 126 to 173 boxes since it was established in November of 1949. The increase in families has been from 153 to 214, a jump of 61.

Route 1, handled by J. L. Carter, starts at the Kingsway Courts of West Midland and moves along the highway for several miles, then it swings into a circle and back into the city.

Route 2, handled by Russell Powers, is 43 miles long. It starts at the city limits on North Big Spring Street and swings west, south and east, taking in the tank farms. It covers the Germania community.

Route 2 has a heavy collection of suburban boxes along Golf Course Road.

It has gained 23 families in one year, from 328 to 351 since last May. It has gained 10 families since last September.

Misses Tex-Harvey Field
The Tex-Harvey oil field area is missed by Route 1 by nine miles.

The Midland Post Office also has a Star Route to Andrews and Seminole. Some increase in boxes was reported.

Rural route carriers like their jobs, which are coveted positions among postal workers. They furnish their own automobile and provide its maintenance. They are paid a salary and eight cents a mile for car expenses. Troy Eiland was Route 1 carrier for many years. He retired to his ranch, and J. L. Carter was promoted to the route.

One of the largest items of expense for a rural route carrier is puncture repair. A carrier can average from two to six flats a run. They take along several spare tires. Also they use a spark plug attachment for pumping air from the engine into deflated tires.

Route 1 covers 25,000 miles in a year and a new car lasts just about that long on the route. Route 2 is shorter and does not use up a car's life so fast.

Starting and stopping so many times hurts the carriers' cars most, they say.

Atlantic Crossing in Sailboat Planned

LONDON—P. Stanley Smith, who crossed the Atlantic from America with his brother in a 20-foot sail boat in 1949, now wants to do it the hard way—from east to west. Winds make the trip from England to America more of a challenge than the trip from America to England.

Smith is leaving England with a neighbor, Charles Violet, after displaying his boat for about a week at the Festival of Britain.

The voyage to America is expected to take eight to 10 weeks.

BOUSING REVIVAL

VANCOUVER—(AP)—The clanging of a burglar alarm, interrupted a revival meeting in the rear of a garment store premises here one night recently. Rev. D. Kramer called police who found a burglar had been scared off, leaving a crowbar behind.

UT TO GRADUATE FOUR MIDLAND STUDENTS

Four Midland students will receive degrees June 2 at the University of Texas.

They are, Emory T. Corbett, Jr., School of Law; Leon Geddis Byerley, John Guy McMillan and William Arthur Yeager, degrees in engineering. Sam Rayburn, speaker of the U. S. House of Representatives, will speak at the commencement program.

To stretch creamed chicken and ham for a buffet supper, add finely diced celery when reheating. The crisp texture of the celery, plus its flavor, adds to this dish.

Rescuer Finds Nickel Still Worthy Coin
ROCKY FORD, COLO. — (AP) — Gus Breeden thinks he has proved the nickel still has some value. A small boy fell into a narrow hole near Breeden's home here. Breeden and another man pulled and tugged. But the boy kicked and squirmed so hard they couldn't pull him out. Then Breeden pulled out a nickel. He told the boy he could have it if he reached for it. The youngster quieted down, flattened his body in stretching for the coin and the two men hauled him free.

AUTOMOTIVE HINT
A large amount of gasoline is wasted by the average driver. Sources of waste include improper carburetor adjustment, unnecessary idling or racing, high-speed travel, neglect of lubrication, leaking piston rings, sticking valves, soft tires, and many others.

Crane Presbyterians Slate Block-Laying Event Sunday

CRANE—Crane Presbyterians will lay the corner block of their new church plant at a ceremony to be held at 2:30 p.m. Sunday on the site of their proposed building, Dr. Jack Ramsay, pastor, announced.
Dr. R. Matthew Lynn, pastor of the First Presbyterian Church of Midland, will address friends and members of the church at the ceremony. Representatives from other Presbyterian Churches in nearby cities and friends of the church here have been invited to attend and take part.
The Rev. L. O. Waterstreet, pastor of the St. Andrews Presbyterian Church, Midland, will give the invocation.
Work on the foundation of the edifice was completed several weeks ago on church property immedi-

Communist Troops Concentrate In Tibet

SRINAGAR, KASHMIR. — (AP) — A large concentration of Chinese Communist troops has been reported in Western Tibet, bordering Sikkim and Indian-held Ladakh frontier of Kashmir.
A Buddhist trader from Ladakh who had just returned to Leh, Ladakh's capital, said that in and around one Tibetan village along not far from the Ladakh border as many as 20,000 Chinese troops are stationed.
These reports are in conflict with statements of Tibetan traders reaching Kalampong in India that the bulk of the Chinese regular forces were withdrawn from western Tibet after the collapse of the Tibetan military resistance.
In choosing a board for pastry see that it's a fine-grain hardwood so it will not easily absorb fat. The surface of the board should be very smooth and have no cracks.

**Millionth Holder
Of Phone Shares
Named By Company**

A landmark in the history of American business has been set by a Saginaw, Mich., couple who purchased seven shares of American Telephone and Telegraph stock recently and became the millionth shareholders in the business, according to Billy Yeatts, district manager of Southwestern Bell Telephone Company here.

The company, parent of Southwestern Bell, is the first business in the United States to reach the million mark in the number of owners.

The Brady Dentons, the millionth stockholders, are typically American. Denton, 33 and a veteran, is an automobile salesman. The couple live in a modest frame house, have three sons six years, three years, and four months old, respectively. The Dentons bought the stock as an investment toward a college education for their sons.

Yeatts pointed out one family out of every 45 in the nation now owns part of the Bell System. No other company has half as many stockholders, he stated. In Texas about 15,000 shareholders own 485,000 shares of stock and receive more than \$4,365,000 in dividends from the company annually.

The investment of the Dentons in the telephone company, like that of the 15,000 Texans, help make it possible for Southwestern Bell to carry on its big post-war expansion program in Texas," Yeatts said.

**Harkrider Again Is
Round Table Member**

DALLAS—W. B. (Bill) Harkrider, representing the Southland Life Insurance Company in Midland, qualified as a member of the 1961 Leaders' Round Table of Texas, according to notification furnished the company by the Texas Association of Life Underwriters, Austin.

Membership in the Leaders' Round Table of Texas requires that a substantial volume of new business be written in the previous year. In addition, a goodly percentage of a representative's previously acquired business must remain in effect.

Harkrider is a member of the company's West Texas Territory and has been associated with Southland Life since 1933.

**American Offers New
Air Coach Service**

DALLAS—American Airlines will offer low-cost air coach service to Dallas for the first time in the city's 25-year history of commercial aviation.

To be flown with 70-passenger DC-6 equipment, an air coach field pioneered by American Airlines, the new economy service will go into effect June 4, coast to coast. Initially, one flight will go each way daily, with New York City and Los Angeles the terminals.

Normal one-way fares to New York City will be trimmed for Dallasites by \$21.85 and, to Los Angeles, by \$15.30, tax included.

A 30-mile Missouri-Oklahoma-Kansas area is the chief U. S. source of zinc.
