Pan American-Forest Wildcat Again Flows From Deep Lime Zone

Pan American Production Company and Forest Oil Corporation No. 1 F. D. Breedlove, Northwest Martin County wildcat flowed oil on another drillstem test in a lime section at 12,070-118 feet.

On the test, which lasted two hours and 13 minutes, water blanket surfaced in 13 minutes, oil and mud-cut water blanket in one hour and seven minutes. Clean oil started flowing at the top in one hour and 15 minutes.

It flowed for one hour through a one-half-inch bottom choke and made an estimated 40 barrels of oil. Shakedown was one per cent basic sediment. No water was present.

Operator is now circulating out recovery. This project flowed oil at the estimated rate of 20 barrels per hour during the last one hour and 50 minutes of a four hour drillstem test. There were no signs of formation water. Gas volume was low.

Gravity of the oil was 40 degrees. Open flowing bottom hole pressure during that test was 4,400 pounds. No shut-in bottom hole pressure was reported.

Top of the lime, thought by some geologists to be Siluro-Devonian, is at 11,856 feet. That is on a datum of minus 9,061 feet.

Location is 13 miles northwest of Tarrant and 660 feet from south and 4,530 feet from east lines of league 258, Escrow County School land survey.

Moore 1 Baumann Sets 7-Inch Casing; Is To Drill Deeper

Moore Exploration Company No. 1 A. R. Baumann, North-Central Midland County wildcat, three miles southeast of the City of Midland has cemented a string of 7-inch casing on bottom at 11,281 feet in an unidentified formation.

Operator plans to allow the cement to cure until some time Tuesday. At that time the bit will be run in and the plug will be drilled out.

If present plans are followed, after the plug is punctured a little new hole will be made and a drillstem test will then be run.

This project drilled into a section on May 26 which started kicking out gas and drilling fluid and a little new oil.

Operator spent six days mixing mud and pumping it into the hole in an effort to stabilize circulation so the project could be deepened. That was not possible without putting in the casing.

Interested observers now figure that with the pipe in the hole it will be possible to determine the size of the section which has shown the gas and oil, and to also determine the value of the showings for production which it has developed.

Location is 487 feet from west and 680 feet from south lines of the 200-acre Baumann lease in the southeast part of section 14, block 38, T-2-S, T&P survey.

E-C Scurry Wildcat Coring Ellenburger

R. Olsen Oil Company of Oklahoma City No. 1 J. W. Templeton, East-Central Scurry County wildcat is coring below 7,423 feet in Ellenburger dolomite topped at 7,397 feet, elevation 2,295 feet.

A core was taken from 7,406 to 7,423 feet. Recovery was eight feet of dense dolomite with a slight oil stain. The core showed a slight porosity and some indication of water.

The wildcat is 10 miles east of Snyder and 660 feet from south and west lines of section 52, block 3, H&TC survey.

This project had some shows of oil in the straw on a drillstem test from 6,885 to 6,907 feet. Recovery on the two hour test was 190 feet of very heavy oil and gas-cut drilling mud with no shows of water.

New Oil Swabbed In Fisher Tester

Sinclair Oil & Gas Company No. 1 Belle Humaker, wildcat in Central-North Fisher County, is at 5,780 feet at depth of 5,780 feet in the straw testing for production.

The project was hydraulically fractured with 265 gallons through perforations at 5,710-20 opposite the straw sand. Operator was unable to get the remainder of a 1,500 gallon treatment into the formation. The 336 gallons was forced in under 6,000 pounds pressure.

The last 24-hours swabbing indicated discovery made 34 barrels of new oil and about the same amount of load oil and mud.

At last report it was swabbing (Continued On Page Five)

Reds Slow Down Headlong Flight

ON HAND FOR RODEO—Everett E. Colborn, producer of the 17th Annual World Championship Midland Rodeo, and his daughters, Carolyn Colborn, left, and Rosemary Colborn Tompkins, all of Dublin, Texas, are among the early arrivals for the big area attraction which opens here Wednesday. Colborn is the co-owner with Gene Aury of the famed Lightning C Ranch at Dublin.

(Continued from top of page 1)

Band, Officials, Contestants Ready For Rodeo Opening

The Midland High School Band will strike up the Grand Entry march, cowboys and cowgirls will ride into the arena, officials and judges will be introduced, the band will play the Star Spangled Banner, and the 17th Annual World Championship Midland Rodeo will be underway.

It all will take place at 8 p.m. Wednesday in the all-steel arena at Midland Fair Park on East Highway 80.

A gigantic parade, the most colorful in the long history of Midland Rodeos, will be held at 3 p.m. Wednesday to officially open the 1951 celebration. Hundreds of mounted riders, decorated floats, Sheriff's posse units, and miscellaneous sections will be seen in the procession, which will wind its way through the downtown section. The parade will form at the corner of Illinois and Dallas Streets at 2:30 p.m.

Rodeo performances will be held Wednesday, Thursday, Friday, Saturday and Sunday nights.

Tickets on Sale
The ticket booth in the lobby of Hotel Scharbauer reported increased sales Monday. Reserved seat and general admission tickets are available there. General admission tickets are priced at \$2 for adults and \$1 for children under 12. (Continued On Page Nine)

District Court Summons Jurors

Seventy-nine petit jurors have been summoned for the first week of the June term of 70th District Court. The veniremen are instructed to report at 10 a.m. on June 5 to Judge R. W. (Bob) Hamilton.

Listed by District Clerk Lucille Johnson for service are R. A. Dowdle, J. S. Roden, John C. Lucious, Richard E. Gile, F. L. Hawk, W. P. Pringel, J. W. Starr, E. A. Hoekenderff, Robert W. Maddox, George Fraehlich, Henry P. Foster, J. D. Wood, S. A. Wilson, J. H. Wallace, Marion Jasper.

J. H. Conine, W. A. Bradley, Robert Leslie Miller, J. C. Franklin, L. W. Pickett, R. J. Johnson, Jesse A. Rogers, J. S. Fleming, Jr., Johnnie Carroll, George L. Armstrong, G. D. Fuller, K. C. Thompson, A. Boring, C. F. Mauldin, J. R. Paden. Additional veniremen

Loy C. Taylor, Joe D. Grube, C. W. Wallace, Magnus A. Murphree, J. T. Gist, J. M. Harvey, R. E. Stansbury, J. E. Spider, John N. Moffett, C. A. West.

James Austin, C. D. Templeton, F. E. Melott, L. R. Cobb, John A. Cathey, Donaciano Gonzales, J. E. Roberts, J. F. Robertson, E. W. Hitchcock, R. E. Throckmorton, E. D. Williams, Louis Embra, E. E. Williams, D. E. Davis, M. E. Arick, E. L. Mount, W. J. Huckabay, A. R. Young, W. W. Wamsley, D. B. Walington, Jim Lesley, Earl H. Baker, Herbert M. Goodman, Dan Hendshaw, A. H. Hodden, R. E. Greenwood, James E. Mettrill, Olin R. Prather, L. J. Absher, W. M. Oates, Lowell Webb, E. N. Thompson, Bert R. Haight, Robert H. Reeves and G. F. Chisholm.

Red China Proclaims Control Over Tibet

TOKYO —(P)—Red China has announced it is taking over Tibet under the guise of a treaty of "liberation." The Peiping radio, in a broadcast heard here, said the terms provide for Red Chinese control of Tibet's national defense, foreign affairs and trade.

Two New Methodist Ministers Assigned To Posts In Midland

Pastoral appointments at the Northwest Texas Methodist Conference that closed Sunday in Abilene created changes in Midland churches.

The Rev. C. C. Hardaway, pastor of Wesley Memorial Church in Big Spring, will replace the Rev. J. B. Stewart at the Asbury Methodist Church here. Mr. Stewart was assigned to the church in Spearman.

The Rev. R. S. Watkins, pastor of the Spearman Methodist Church, will be associate pastor at the First Methodist Church in Midland, of which the Rev. R. Luther Kirk is pastor.

Mr. Kirk, along with the Rev. A. H. Carleton of Big Spring, was named delegate to the Jurisdictional Conference and also delegate to the Town and Country Conference in Sioux City, Iowa, in July.

Mr. Watkins, who will arrive in Midland this week, has served churches in Crowell, Rotan, Panhandle and other cities and for the last three years has been in Spearman.

Other Appointments
Pastoral appointments by districts included:

Sweetwater district: O. P. Clark, district superintendent; Ackerly, Cecil Tume; Andrews, Raymond Van Zandt.

Big Spring; First, A. H. Carleton; associate, D. Orval Strong; Park, Clay Lyles; Wesley Memorial, M. E. Fisher.

Blackwell, R. T. Dyess; Camp Springs-Ina, Dean Martin; Comaha, Earl Harper; Colorado City, E. A. Reed; Colorado Circuit, R. D. Payne; Donna-Bufford, Weldon McCormick; Fluvanna, Wayland McDowen; Forsan, R. L. Bowman; Garden City-Center Pt., James Boswell; Hermaligh, S. A. Sifford.

Lamesa: First, Jordan Grooms; Clark, Stanley Seaton.

Loraine, Rufus Kitchens; Midland-Asbury, C. O. HARDAWAY; First, R. L. Kirk; Associate, R. S. WATKINS; St. Marks, J. B. Sharp. Nolan, A. T. Mason; Patricia, (Continued On Page Nine)

Big Shot Gambler Joe Adonis Fined, Given Prison Term

HACKENSACK, N. J. —(P)—Big shot racketeer Joe Adonis Monday was sentenced to two to three years in state prison and fined \$15,000 for violating New Jersey gambling laws. It was the first jail sentence ever imposed on the 49-year-old Adonis, who was named by the Senate Crime Committee as one of the nation's most notorious gamblers.

Superior Court Judge J. Wallace Leyden, who imposed sentence, also suspended an additional five-year prison term.

Receiving similar sentences were four New Jersey associates of the dapper, Brooklyn-born underworld figure, Salvatore (Bully Moore) Morretti, 46, of Demarest; James Piggy Lynch, 45, of Palisades Park; Arthur Longano, 45, of Englewood; and Anthony Guarini, 58, of Hasbrouck Heights.

All five were accused of operating a plush \$1,000,000 North Jersey dice gambling empire.

USAF Operating On 'Shoe String,' Says Vandenberg

WASHINGTON —(P)—Gen. Hoyt Vandenberg Monday said the United States is operating with a "shoe string" Air Force and can not afford now to adopt General MacArthur's proposed strategy of bombing Red bases in Manchuria.

Testifying at the Senate inquiry into MacArthur's dismissal, Vandenberg also said he believes there are "reasonable chances" of getting a negotiated peace in Korea without such bombing.

Vandenberg, the Air Force chief of staff, said he believes if the full power of the U. S. Air Force were thrown into the balance in Korea "there would be a good chance of forcing them (Chinese Reds) to negotiate."

But he contended it would take the full weight of the Air Force to accomplish this, and the Air Force cannot afford to do it lest it be called upon to meet a Russian-attack elsewhere.

MacArthur had contended no material increases in air strength already assigned to the Far East would be needed to carry out his plan of bombing Manchuria.

Asserting that the U. S. Air Force remains the single largest deterrent to any Russian attack that might start World War III, Vandenberg said he thinks the fighting in Korea can be halted without all-out use of air force. He added:

"I believe that there are reasonable chances of success in achieving a negotiated peace without endangering that one potential that we have, which has kept the peace so far, which is the United States Air Force."

Vandenberg said he concurred in the orders to MacArthur's dismissal. (Continued On Page Nine)

Iran Snubs Tribunal In Oil Dispute

TEHRAN, IRAN —(P)—Iran Monday refused to recognize the jurisdiction of the International Court in the dispute with Britain over nationalization of Iranian oil resources.

Deputy Premier Hoessein Fatemi announced that the Iranian Foreign Office rejected a notification from the World Court of the complaint lodged there Saturday by Britain and the Anglo-Iranian Oil Company. The British earlier had notified Iran of referral of the dispute to the World Court at The Hague, asking that the United Nations-sponsored body name an arbiter.

The deputy premier said Foreign Minister Bagher Kazani informed the court Iran would not send a representative for any hearing on the matter.

Iran's Communists were moving to take advantage of heated Nationalist emotions stirred by the oil dispute.

Red-front organizations scheduled country-wide mass meetings Tuesday to "fight imperialist oil companies." The government headed by Premier Mohammed Mossadegh previously was arranging for tanks, armored cars and special troops to maintain order.

Meanwhile, non-Communist Moslem fanatics, who have threatened a holy war against the British-controlled Anglo-Iranian Oil Company, grew more restive.

They pointed out that although Mossadegh fathered the nationalization law which ostensibly seized the properties of the billion-dollar AIOC—26 days ago, the company is still doing business without interference.

Mossadegh is in further trouble because the company stopped paying royalties after passage of the law. These royalties make up most of Iran's income and consequently the government is living from hand to mouth.

Observers feared that in the present unsettled atmosphere, either of the two extremist groups might stage a lightning coup and seize control of the country.

Anti-Red Coalition Takes Lead In Early Italian Vote Reports

ROME —(P)—Premier Alcide de Gasperi's anti-Red coalition took a lead over its Communist opponents in the first small trickle of returns Monday from Italy's municipal elections.

The reports came from scattered precincts and small towns in nine of the 28 provinces which balloted Sunday and Monday for town and provincial councils.

Only 115 of the 2,735 municipalities had reported partial results three hours after the polls closed. Most of the returns were on the balloting for provincial councils, which were being elected for the first time since they were eliminated under fascism.

Allies Seize Record Bag Of Prisoners

TOKYO —(P)—Communist resistance stiffened Monday as United Nations troops pushed deeper into Red Korea after taking the war's greatest bag of prisoners.

But Lt. Gen. James A. Van Fleet said the Chinese Communists had lost their nerve and retreated when they couldn't crack the U. S. Second Division.

"He (the enemy) lost his nerve. He just quit and hauled but," added the UN ground commander.

U. S. Eighth Army headquarters announced 3,000 Reds surrendered Sunday. Another 2,000 were taken last week.

Most of the 5,000 were captured in a great box-like trap, 25 miles across and 10 miles deep. The lid of the trap is the Hwachon Reservoir, with UN forces anchored at each side in Inje and Hwachon. Both are in North Korea.

UN forces drove new prongs Monday across the 38th parallel, already punctured at half a dozen points. South Koreans smashed into Sakchang, four and one-half miles north of the parallel and 10 miles west of Hwachon. Americans moved up on their western flank.

Reds put up stiffening resistance against advancing forces Monday, and fewer surrendered.

Chinese withdrawn
However, on the east coast, resistance was negligible and South Koreans raced to Sokcho, 14 miles north of the parallel.

In the east-central sector, where most of the 5,000 Reds were trapped, a UN officer said:

"The enemy apparently has withdrawn the bulk of the Chinese troops. North Koreans are being thrown into the line and they are slowing our advance.

"The rout phase of the Chinese retreat seems to have ended." Dutch and American troops made a day-long fighting advance against Reds dug in on the ridges north of Hyon, on the road to Inje.

Red mortars and self-propelled artillery opened up on Americans inside Inje.

Two thousand Communists surrendered. (Continued On Page Nine)

Thieves Get \$4,000 In Currency, Checks At Petroleum Club

The theft of \$4,000 in currency and checks from the Midland Petroleum Club early Sunday was being investigated by police Monday.

The loss was reported at 3 a.m. Sunday by Dan Hudson, manager of the club, located at 219 North Big Spring.

Police Lt. Robert Branson, who investigated the theft, along with Texas Ranger John Wood, said the loss included \$2,500 in cash and \$1,500 in checks.

Lieutenant Branson said Hudson locked the money in the safe when he closed the club at 11 p.m. Saturday. When he returned at 9 a.m. Sunday, the safe door was standing open and the money box was missing.

The \$2,500 currency included 17 \$100 bills, police said.

Quints Celebrate 17th Birthday

CALENDER, ONTARIO —(P)—The Dionne quintuplets were 17 years old Monday. They celebrated with a party and a holiday from school.

"Of course we gave them a holiday," said their father, Olvia Dionne. "You're only 17 once, you know—and it's a very important birthday."

Annette, Cecile, Emilie, Marie and Yvonne were born in a farmhouse near this Northern Ontario town, eight miles northwest of North Bay. For their birthday the five each received a camera from their parents.

WEATHER
A few thundershowers in Panhandle, South Plains and Upper Pecos Valley eastward Monday night. Clear to partly cloudy Tuesday. Maximum temperature Sunday, 86 degrees; minimum Monday, 70 degrees.

Lackland To Call 'Em At Rodeo Here

Ray Lackland of Dallas, "flying rodeo announcer" and former West Texan, will be on hand to announce the 17th Annual World Championship Midland Rodeo, opening Wednesday and continuing through Sunday.

Lackland announced his first rodeo at the age of 15 with a cheer leader's megaphone, starting a long string of successes that has seen him reach the announcer's semitrim-Madison Square Garden in New York. It is his second appearance at the Midland show, having announced the 1950 rodeo here.

Each year he takes off from his business as executive vice president of International Electronics, Inc., at Dallas, to tour from coast to coast on the nation's major rodeos, working from New York to Portland, Ore., and points between.

His first responsibility is to his company, but his rodeo announcing career consumes more than half of his time annually.

To meet the pell-mell schedule of his two businesses, he has increasingly pressed a favorite hobby, flying, into use. It wasn't hard to do, for Lackland has been a licensed pilot 20 years, and his consistent flying has earned him the (Continued On Page Nine)

Easier Terms Asked For Auto Purchasers

WASHINGTON —(P)—A spokesman for car dealers asked Congress Monday to provide for more liberal credit terms for automobile buyers.

Alton M. Costley of East Point, Ga., representing the National Automobile Dealers Association, urged the House Banking Committee to write the relaxation into the Defense Production Act.

LATE NEWS FLASHES

UNITED NATIONS, N. Y. —(P)— Russia's Jacob A. Malik said Monday through a spokesman that reports of Russian peace feelers to the United States are "completely groundless."

WASHINGTON —(P)— Senate conferees reportedly were ready Monday to break a Senate-House deadlock over universal military training by agreeing to a plan under which Congress would decide later how the UMT program will work.

WASHINGTON —(P)— Peter I. Bukowski, Chicago banker, was nominated Monday by President Truman as deputy administrator of the Reconstruction Finance Corporation.

WASHINGTON —(P)— The Office of Price Stabilization (OPS) Monday relaxed retail and wholesale price controls on manufactured goods to allow for adjustments to conform to changes in manufacturers' ceiling prices.

WASHINGTON —(P)— The Supreme Court Monday cleared the way for color television to invade the black and white field. The high tribunal upheld Federal Communications Commission approval of Columbia Broadcasting System's highly controversial color TV plan.

ADMITTED TO HOSPITAL Ernest Daugherty, of North Cowden, is a medical patient in Midland Memorial Hospital. He was admitted Sunday.

Midland Woman's Brother Dies

ABILENE — W. W. Shults, 56, of Moran died Sunday in an Abilene hospital after an illness of several months. He was a brother of Mrs. Mary Conklin of Midland.

A rancher and stock farmer, he was well known for his work in raising and showing Palomino show horses. He was born in Rising Star and in 1927 moved to Breckenridge and resided there until eight years ago, when he moved to Moran.

Funeral services were to be held at 4 p.m. Monday in Elliott's Chapel of Memories, with interment in Elmwood Cemetery. Survivors include the widow, a daughter, Mrs. Harry Benson of Stamford; a son, Gaines Shults, Abilene; mother, Mrs. C. G. Shults, four sisters, three brothers and five grandchildren.

MANKIEWICZ WINS DIRECTORS' AWARD

HOLLYWOOD — Oscar winner Joseph L. Mankiewicz Monday was the directors' director. His "All About Eve" was chosen Sunday night for the annual Screen Directors' Guild award. He won the same award two years ago for "Letter to Three Wives."

★ IN HOLLYWOOD ★ Ingrid's Pals In Rome Say She Wants To Follow Rita

By ERSKINE JOHNSON NEA Staff Correspondent

HOLLYWOOD — Ingrid Bergman is watching Rita Hayworth's head-butt over Ann's desire to divorce Roberto Rossellini. Well, that's the word from pals of Ingrid in Rome. One solid Hollywood film offer, they insist, will bring Ingrid back in a hurry.

A legal battle is brewing between Ann Miller and MGM. You guessed it—over Ann's desire to be a television queen.

"If they won't let me do TV," Ann told me, "I won't re-sign my contract when option time comes around."

"The money is fantastic," Ann sighed. "But I can't do anything until the anti-telephone clause is taken out of my contract."

Will she say goodbye to movies? "I'll do movies and TV. They go hand in hand."

Latest TV money offer to be pitched at Bing Crosby for a single show: \$100,000. Bing's answer is still NO. He'll fight for films like he fought for recorded radio shows. Live shows, he claims, "are like trying to ad lib a movie."

The Hollywood - Manhattan wires are buzzing in a deal to bring Fredric March back to movietown to star in Stanley Kramer's "The Death of a Salesman."

Gorgeous Lena Horn's sultry warbling at a local glitter den left

Remember George Breckon, the sad-faced mopey who was hailed as the greatest child star since Jackie Coogan when he played in "No Greater Glory" back in 1934? The lad's grown up — "I'm fat and getting a bald head" — and is producing pictures in Japan with Ray Stahl, son of the late director John Stahl. Their first was "Tokyo File 312," then "Fate" and now it will be "A Night in a Gelsah House."

"Americans have the wrong idea about Gelsah girls," Ray frowned. "A top Gelsah girl is a combination of Lily Pons, Moira Shearer and Claire Booth Luce."

Unhappy Thelma Houston has decided to divorce her estranged husband and the betting is that she'll wed Andy McIntyre, Marilyn Maxwell's soon-to-be-ex. The chill between Nancy Olson and Director Michael Curtis on the "Force of Arms" act has insiders gasping.

It'll be "Susan Cabot" on UI credit sheets. The starlet's married name, Susan Scharkevicewicz, would have blown marquee fuses from Maine to California.

Short Takes: UI is planning a remake of "Magnificent Obsession" with Ann Sheridan. . . . Montgomery Clift, his agents are groaning, has turned down 60 film scripts in the last eight months. . . . Ma and Pa Kettle's next stop after Walkie will be Paris. . . . The Ted Pio Ritos are reconciling.

Boris Karloff is ready to return to the monster business after several years of ducking horror roles. . . . Margaret O'Brien is penciled in for the lead in a new TV serial, "Sandy Dreams."

Quick reviews of those two bloodless bullfight movies, "The Lady and the Bullfighter," and "The Brave Bull": "That's all there is, there isn't any GORE."

Advertise or be forgotten.

Woman, Young Boy Found Bludgeoned To Death On Beach

GULFPORT, MISS. — Law officers trailed thread-like clues Monday trying to identify a woman and young boy found bludgeoned to death on a rocky strip of beach Sunday.

A footprint, signs of scuffling, some stained clothes and the victims' description were most of the leads the officers had to work with.

The woman was found by a Pass Christian, Miss., fisherman, William Lee Sprinkle, lying face down in the surf clad only in a brassiere and panties. Her skull was fractured and her forehead was slashed. About 100 yards away was the boy, about seven or eight years old. His head had been crushed "like an eggshell" from repeated blows with a blunt instrument, Sheriff Las Quave said.

He said both victims were dark complexioned and apparently of Latin extraction. An autopsy showed the woman, an attractive brunette between 25 and 30, had not been criminally assaulted, the sheriff said. She was in the fifth or sixth month of pregnancy, he added.

There were no signs of a struggle on the beach where the pair was found but a Pass Christian resident, Homer Gray, Jr., found a partially-burned bundle of clothing floating in a canal near his house. He told the deputy sheriffs he also had noted what appeared to be signs of a struggle on the canal—about three-quarters of a mile from where the bodies were found.

Sheriff Quave said the woman was well groomed; about five feet, two inches tall and weighed about 115 pounds. The boy, who was found wrapped in a dark-colored dress, apparently the woman's, weighed about 60 pounds, Quave said.

William T. Rippey, chief deputy sheriff assisting in the investigation, said the murders were "no tramp job; these are cold-blooded, planned murders."

WASHINGTON — Korean casualty lists Nos. 313 and 314, released Monday by the Defense Department, name four Texans killed in action, 14 wounded, two injured, three missing in action and one returned to duty.

Killed in action, Army: Pvt. Loyd R. Neely, Dallas; Sgt. Rufus M. Ortiz, Taylor; Pfc. Wallace D. Milner, Ennis. Killed in action, Air Force: Capt. John J. McCollum, San Antonio. OUT UNDER THE STARS—All is not peaceful out under the stars at the Annual Midland World Championship Rodeo. Ask the cowboy above. He's having a turbulent time on a heels kicker-upper.

World's First Jet Ace Flying Home To Join Texas Wife

TOKYO — The world's first jet ace, Capt. James Jabara, was over the Pacific Monday, flying home to his Texas wife.

She'll meet him in California. Captain Jabara left Haneda Air Base Sunday. He said "if the winds are okay," he'll reach the United States at 11 p.m. Monday.

He misplaced his uniform but borrowed a Summer one "that doesn't fit very well." "I may look tacky but I feel great," he said just before departure. "My wife will be at Travis Air Force Base at Fairfield-Guisan, California, waiting for me."

Jabara scored a double-kill on Sunday, May 20, in North Korea when he downed two enemy MIG's. That ran his total to six kills—one past the ace-making minimum. He had earned ace-rating in World War II with nine German planes destroyed. He also shared credit with another flier for a tenth German plane.

Washington ordered him back to the states for still undisclosed duty. "I phoned my wife three times in the last three days," he said. "She knew I was coming home—a Fort Worth paper told her—I don't know which one."

Mrs. Jabara was at the home of her parents in McKinney, Texas. "She flew out to California and is staying with her sister and brother-in-law. He's Chief Pharmacist's Mate Howard Stiles of the U. S. Warrick stationed at Mare Island."

"Even if we have to go commercial, she's flying back to Washington with me," Jabara said.

CONDITION OF FANNY BRICE STILL CRITICAL HOLLYWOOD — Fanny Brice clung to life by a thread Monday. Cedars of Lebanon Hospital reported the "Baby Snooks" of stage and radio still in a coma. She suffered a cerebral hemorrhage last Thursday and has made no progress since.

Post Office Comes Up With New Idea

WASHINGTON — The Post Office Department has come up with a new idea: downtown mail delivery via caddy cart.

But Assistant Postmaster General J. J. Redding says it may put in an appearance "any time" to take the load off the postman's shoulder.

Known as the caddy's best friend, the caddy cart holds a bag of golf clubs and is pulled around the course from shot to shot. It is a distant cousin of the kiddy cart.

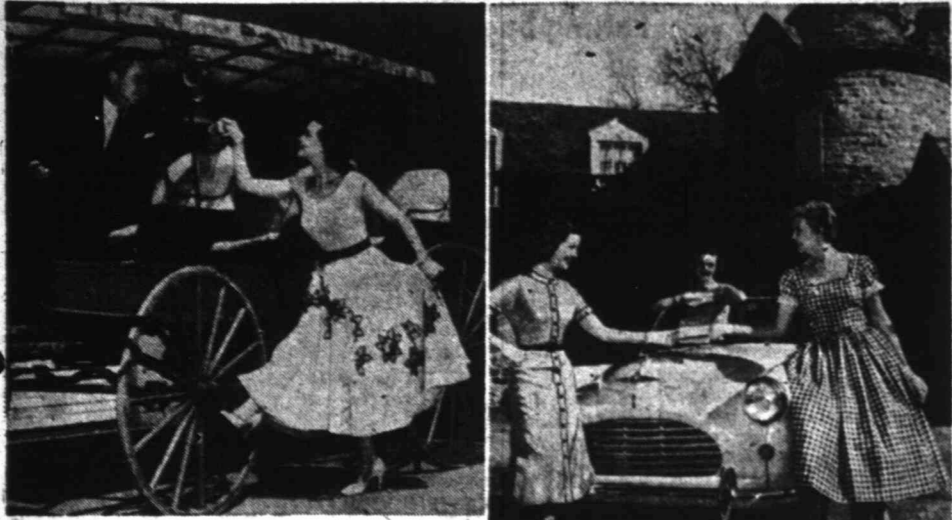

Redding disclosed the new use planned for the caddy cart over Sunday's "Facts We Face" television program.

If an automotive engine is started slowly, the pistons and cylinders have a chance to expand uniformly.

high school graduates... **BE A TECHNICIAN** ENLIST IN THE U.S. ARMY NOW-LEARN A GOOD PAYING TRADE! Billowy Gowns For Hot Days

Clothes for college girls on a summer vacation are crisp and airy. Frocks for summer evenings (left) are white marquisette with accents of black appliqued beavers. Beige silk (right) has black polka dot print. Blue-and-white checked tablecloth cotton (far right) makes dress with full skirt, crinoline petticoats.

BY GAILE DUGAS
NEA Staff Writer
NEW YORK—College girls, who always get a break on Fall clothes campus wear, are not neglected for the summer vacation period.

Crisp and airy clothes, designed for them, bear the unmistakable imprint of the youthfully sophisticated. Wherever the full skirt appears in these clothes, it is underlined

for day or evening by the stiffness of old-fashioned crinoline petticoats. The look of these skirts, therefore, differs from that of summers past. It's a new, stiff, billowy fullness currently in vogue.

Designer Sylvian Rich does a short evening gown particularly suited for wear at a summer resort with an informal atmosphere. It's white marquisette, the skirt full and graceful. Accent is achieved by appliqued leaves in black organza and by a black belt. Sleeves just cap the shoulders; neckline is wide and rounded.

A beige silk dress, right for Summer travel or for street wear, is printed with black polka dots. This July 'n' Jill design has a cardigan neckline. The front and sleeves are outlined in matching black silk patent belt. Emily Wilkens turns blue-and-white tablecloth checked cotton into a sweet and innocent dress. She gives it crinoline petticoats to billow the full skirt. Puffed sleeves are edged with eyelid embroidery. The same embroidery appears at the neckline.

Coming Events

TUESDAY
The Fine Arts Club will meet at 10 a. m. in the home of Mrs. Nelson Puett, 612 West Storey Street.

The Promenaders Square Dance Club will meet at 8 p. m. in the Midland Officers Club.

SOCIETY

Ned And Lydie Watson Present Music Students In Two Recitals

Ned and Lydie Watson of the Watson School of Music presented their students in recitals Saturday night and Sunday afternoon.

The stage was decorated with floor basket arrangements of gladiolus, stock and chrysanthemums.

The older students' recital was held Saturday night in the David Crockett School.

The professional, "Aida March," Verdi, was played by the Estrellita Orchestra. Those participating in the recital and their selections were "Hungarian Rhapsody, No. 2," Liszt, "Jimmie Mashburn," "Tinkling Bells," Bugbee, Audrey Young and Thelma Danley; "Grand Polka de Concert, Op. 1," Bartlett; Barbara Glenn Long, all piano numbers.

Selections Listed
"Old Kentucky Home," Foster, Charles Creech, cornet; "Rhapsody Mignon Op. 410," Koelling, Barbara Timmons, piano; "Traumerel," Schumann, Eddie Eubanks, violin, and Juanda Bradshaw, piano; "The Carmel Train," Baines, Loraine Carlson and Patricia Hickey, piano duet.

"The Range Finder," Wright, Dewan Hensley, guitar; "Tennessee Waltz" and "Mocking Bird Hill," selected ensemble; "Londonderry Air," arranged by Thompson, Dewey Merril, piano; "Invitation to the Dance, Op. 63," Weber, Carolyn Gray, piano; "Ojos Moros," Miller, J. J. Wilcox, accordion; "Pete Bolero Op. 62," Ravina, Frances Dunn, piano.

"Green Corn," Ray Young, banjo; "Malaguena," Lacuna, Wanda Lou Steele and Barbara Glenn Long, piano; "Glow Worm," Lincke, Robert L. Gray, violin, and Carolyn Gray, piano; "Polonaise in A Major," Chopin, James Wolfe, piano; "Indian and Irish Songs," Jan

Houch, violin; Ned Watson, viola, and Wanda Lou Steele, piano; "Zaccacca," Codina, Ned Watson and Juanda Bradshaw, piano and violin; "Artist's Life," Schumann, Patricia Wilkerson, piano; "Poet and Peasant Overture," Suppe, Estrellita Orchestra.

Ushers were Pam Woody, Jean Hawkins, Hazel Kay Long and Carol Ann Dawson.

Younger Students Recital
The younger students were presented in a recital Sunday afternoon in the David Crockett School.

The professional was played by the Estrellita Orchestra. Those in the recital and their selections were "Daddy's Birthday Wail," Rolfe, Hazel Kay Long; "Ring Sweet Bells," Bilbro, Carol Ann Dawson; "Swans on the Lake," Thompson, Barbara Gunter; "Rose Petals," Lawson, Emma Jean Stewart; "Gay Little Rosebud," Kaiser, Ginger Cooper.

"Hush a Bye Dolly," Stairs, Pam Woody; "Airy Fairies," Spaulding, Jean Hawkins; "Sing Robin Sing," Spaulding, Walter John Miller and Richard Whittington, all piano numbers.

"The Bugle," Bilbro, Judy Dawson; "Left Right March," Miners, Sandra Jordan, accordion; "Pink Peonies," Hellard, Sarah Pickett, piano; "Jolly Days," Arant, Edith Eggleston, piano; "Wynona," Miners, Richard Dunn, accordion; "Mexican Clap Hands March," Dana, James Doss, piano; "Tennessee Waltz" and "Mocking Bird Hill," selected ensemble.

"Keep in Stride," Thomas, Virginia Dunn; "A Priate Bold," Stairs, Florence Taylor; "Swaying Pines," Ketterer, Eddie Eubanks; "Dublin Town," Thompson, Carol Ann Richardson; "Sea Birds," Stevens, Billie Rae Stewart; "Arrival of the Brownies," Anthony, Praylee Hardgrave and John Whittington, all piano selections.

Awards Presented
"Little Attic of Dreams," Gray, Claud Ann Skidmore, piano; "By a Road Side Fire," Rodgers, Linda Breit; "Tulip Time," Todd, Nancy Prout, piano; "Music in the Air," Root; Donald Stevenson, trombone; "Melody from Polonaise, Op. 53," Chopin, Doris Nichols, piano; "Estrellita," Ponce, Tony Redden, piano.

Ushers were Ann Ashby and Dona Ingham.

After the recital awards were presented to the following students for perfect attendance at the Moment Musical Club meetings: John and Richard Whittington, Praylee Hardgrave, Juanda Bradshaw, Linda Breit, Jean Hawkins, Pam Woody, Barbara Timmons, Jimmy Mashburn, Hazel Kay Long, Patricia Hickey, Walter John Miller, Patsy Wilkerson and Ann Skidmore.

An arrangement of red roses centered the refreshment table. Those attending were Mrs. Jim McDonald, Mrs. J. B. McDonald, Mrs. Arnold McCasland, Mrs. A. F. McCasland, Mrs. O'Riley Mays, Mrs. Cecil Vanderburg, Mrs. S. D. Whitaker, Mrs. Raymond Stephens, Mrs. Bill Harold, Mrs. Clark Price, Mrs. D. W. White and Mrs. Jack Smith.

Wink Methodists Have New Pastor
WINK—The Rev. Harvey E. Carrell of Hot Springs, N. M., has been appointed pastor of the Wink First Methodist Church.

Mr. Carrell succeeded the Rev. George R. Ditterline. The appointment was announced by Bishop W. Angle Smith, president of the New Mexico Conference of the Methodist Church.

Mr. Carrell has three children, ages 11, nine and four. He is a graduate of McMurry College and has served pastorates in Marathon, Fort Davis, Texaco-Farwell and Hot Springs. He is a member of the Board of Claimants of the New Mexico Conference.

A native of West Texas, Mr. Carrell was reared near Snyder, where his parents reside.

The potato chip industry uses about 20 million bushels of potatoes annually.

Rahm And Reid Plan Wedding

DALLAS—Mr. and Mrs. Karl M. Rahm of New Orleans, La., have announced the engagement and approaching marriage of their daughter, Maja Kristina, to Fred Samuel Reid of Midland. Reid is the son of Mr. and Mrs. Ozzie L. Reid of Magnolia, Ark.

The wedding will take place June 27 in New Orleans. The bride-elect will be attended by her sister, Fredericka Julia Rahm, and Janet Reid, both of New Orleans.

Miss Rahm will graduate from Southern Methodist University in June. Reid is a graduate of SMU.

Baptist Class Has Wiener Roast

The Devoted Heats B.T.U. Class of the Calvary Baptist Church recently held a wiener roast for members and guests.

Those attending were Mr. and Mrs. Lory Absher, Lory J. and Linnie; the Rev. and Mrs. A. L. Teaff, A. L. and Lalee; Mr. and Mrs. Brodie Caudle, Lynn and Jan; Mrs. Preston Vest; Mr. and Mrs. Leon Edward; Mr. and Mrs. Dale Hines and Jimmy; Mrs. J. D. Robbins and Vivian, Mildred, J. D. and Jerry.

Crane Student To Be Graduated

CRANE—Donna Miller, daughter of Mr. and Mrs. Gay Miller, will receive her B.A. degree June 3 from North Texas State College in Denton. Miss Miller, a music education major, will be graduated with honors.

She is a member of the Pit Orchestra, College Symphony, Concert Band, Mu Phi Epsilon (national honorary society), Mary Arden Club and the Future Teachers of America Club. She recently appeared in Crane on tour with both the NTSO Opera Workshop and the Concert Band.

ENTERS HOSPITAL
Frances Pauline Cornelius, of Stanton, was admitted to Midland Memorial Hospital Sunday for possible surgery.

College Students To Receive Degrees

CRANE—College students who were to receive their degrees Monday from Sul Ross College, include John W. Shaffer, Alex L. Higdon, Jr., Berry H. Mansell and Leonard Rose, a former Crane resident.

A total of 183 degrees will be conferred, according to Dr. T. H. Etheridge, dean of the college. Homer Rogers, Fort Worth attorney, was to deliver the commencement address and Dr. R. M. Hawkins, president of the college, was to present the diplomas. The baccalaureate sermon was delivered Sunday by Dr. Howard H. Hollowe, pastor of the Oak Cliff Methodist Church in Dallas. Dr. Hollowe formerly was pastor of the First Methodist Church in Midland.

Crane students who will be graduated from other colleges include Pat McLaurin and J. D. Bonner, Abilene Christian College, and Baker Davis, Texas A&M.

Visits Parents

CRANE—Mrs. LeRea Manning and son, Henry, are spending their vacation visiting friends and relatives in Cooper and in Paris, Wille in Cooper, they will be the guests of Mrs. Manning's parents, Mr. and Mrs. H. C. Hurley.

Russia's War Potential

Among the men who know the Russian economy best, the consensus is that the Soviet Union is not capable of fighting a long war successfully.

There are many reasons for this view: the vulnerability and overburdened state of Russian transport, shortages of some critical materials like oil and the sulphuric acid needed for explosives, the general vulnerability of many important industrial centers...

But the economic specialists are agreed that none of these limitations rules out the possibility of the Kremlin undertaking war if it thinks the conflict can be kept short.

Here the A-bomb enters as a powerful deterrent. But our military experts think there is a point where the Russian Communist leaders might risk even the dangers of devastating U. S. retaliation by A-bomb.

Naturally, however, we are not likely to gain much solid information about Soviet intentions. During the MacArthur hearings a lot of senators have consumed many pages of the record in trying to pin down Generals MacArthur, Marshall and Bradley on what the Russians intend to do.

We cannot take the risk of concluding that Russia will not start a war, as some would like to have us do in the absence of positive proof to the contrary.

We can't know Soviet intent, but we can and do know Russian military capabilities. The experts tell us Moscow has the men and the munitions and the economy to fight a short war, presuming a certain supply of A-bombs.

This elementary necessity should be evident even to those senators who think we can divine what Joe Stalin is thinking.

The Unwisest Cut Of All

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

(Copyright, 1951. By The Bell Syndicate, Inc.)
Drew Pearson says: Rank RFC scandal faces Stuart Symington; Case involves B&O Railroad and Jesse Jones; Railroad paid private debts, but no government loan.

WASHINGTON—Stuart Symington, the Truman trouble-shooter, has made a good start toward cleaning the barnacles from the politics-ridden Reconstruction Finance Corporation. He may not know it, however, but the most scandalous case in his files involves one of the major railroads of the United States and a member of the Roosevelt Cabinet.

It also involves some of the worst wire-pulling and deliberate deception which this observer ever has seen in Washington. The railroad is the Baltimore and Ohio, which borrowed \$87,000,000 of the taxpayers' money in 1939, with the obligation to pay it back in 1944.

One of the most interesting aspects of the B&O case is that forthright GOP Senator Tobey of New Hampshire, then chairman of the Banking and Currency Committee, conducted an investigation of the loan in 1947, but for some strange reason a final report never was published—even though the Republicans were then in control of Congress.

However, the facts are all on record, both before a federal court in Baltimore and in the files of the Banking and Currency Committee. Jesse Takes A Ride

They show that the Baltimore and Ohio took Jesse Jones on a private car to St. Louis while he was returning to Texas for the Christmas holidays in 1942, and on this trip B&O Vice President Russell Snodgrass suggested a plan to put the railroad into receivership.

Questions and Answers

Q—Is it true that owl's hoot and cuckoo's call before it is going to rain?
A—A number of birds, including the owl and cuckoo, are very sensitive to changes in the weather and often begin calling when the sky begins to overcast.

Q—How does the population of the Latin American Republics compare with that of the United States?
A—For the first time in history the population of the 20 Latin American Republics is probably larger than that of the United States.

Q—What are considered the most fruitful years of creative work?
A—Increasing the average length of life will result in greater creative output on the part of our geniuses.

Q—Has the use of farm machinery helped the farmer materially?
A—Yes. Farm output per man hour is double what it was 40 years ago.

Have a Laugh

By ROYCE HOUSE
Smithers was the village tightwad. A man said to him one morning, "Mr. Smithers, loan me \$5." Smithers said, "How's that?"

What's Right?

You meet a friend you haven't seen in a long time and notice she has gained quite a bit of weight.
WRONG: Comment on the fact.
RIGHT: Don't mention it.

Safety Council Predicts 110 Deaths In Traffic Mishaps

CHICAGO—(AP)—The National Safety Council forecast Monday that 110 persons will lose their lives in traffic accidents during the Memorial Day holiday Wednesday.

JACOBY ON BRIDGE

By OSWALD JACOBY
Written for NEA Service

Any bridge player's skill would be taxed by the hand shown today for it is one of those hands that can be lost in more ways than won.

At almost every table East took the first trick with the ace of diamonds and returned a diamond. Since South could foresee the loss of a spade and of two clubs he had to save one trick somehow or other.

Bridge hand diagram showing cards for North, West, South, and East.

Opening lead—♠ 10

once in the hope that his partner had the queen.

However, when the spades were played, South had the opportunity to play three rounds of spades and exactly two rounds of trumps.

East won with the king of clubs, he was obliged to return a spade or a diamond. Either way, dummy could ruff (that's why only two trumps were drawn) while South discarded his last club.

The hand was a bit lucky, of course. If East held three trumps he could exit safely with his last trump instead of leading a spade or a diamond.

CARD SENSE

Q—The bidding has been: North 1 Heart, East 2 Clubs, South 2 No-trump, Pass. What do you do?
A—Bid three no-trump. This should be a very comfortable contract, but slam should be out of the question.

The Form Divine

By HILDEGARDE DOLSON
Lucilla was about to say sternly, "But actresses are people too"—a statement she herself didn't altogether believe—when a man in wolf's costume, consisting of a gray-fur overall, long rat-like tail, and toothy wolf's head, stropped out before the curtain, presumably to welcome the audience.

What's Right?

During breakfast on Saturday, Arthur remarked jovially, "You're looking very chipper this morning, Mrs. Webb." Lucilla mentioned hurriedly that this was the Saturday she was taking Hoopy to the Children's Theater to see "Little Red Riding Hood."

Safety Council Predicts 110 Deaths In Traffic Mishaps

She started gully, she would have liked to tell him it was about Beautiful-You.

When she arrived at the Cantwell's apartment on Washington Square West, Hoopy already had her coat on, and rushed to grab her mother around the waist.

As they sat in the auditorium of the Children's Theater, at 2:25, she thought proudly that Hoopy was almost the only well-behaved child in the place.

WASHINGTON COLUMN

Experts Are Hard At Work Taking Bugs Out Of Farm Life

By PETER EDSON
NEA Washington Correspondent

WASHINGTON—If civilization eventually is wiped out by the atom bomb, it will be the insects that take over. Some people think the insects may win anyway.

DDT—perhaps the most important of the modern bug killers—first was discovered in Europe 25 years ago. But its use as an insect destroyer first was promoted by U. S. Department of Agriculture entomologists only a little more than 10 years ago.

Today its use as a saver of human life is even greater than its use in protecting crops and livestock. It helped win the war by protecting troops against flies, mosquitoes and lice.

For a while it was thought that DDT would destroy completely the commonest insect pests. But now it has been found that insects are so adaptable to new conditions that some varieties develop immunity to DDT.

One of the most successful tricks the scientists have employed is to develop "built-in" resistance to insect pests. For instance, new varieties of corn are naturally resistant to the corn borer, ear-worm and cinch bug.

By simply delaying winter wheat planting until after the Fall egg-laying period of the Hessian fly had passed, farmers were saved an estimated \$100,000,000 annual loss from this pest.

An entirely new approach to insect control now is being developed with relation to cotton. The idea is not to spray or dust the plant, but to put some of the new insecticides into the ground. Roots will absorb these chemicals and feed them into the plant.

When the government levels its great powers against the citizen it should be held to the same standards of fair dealing as we prescribe for other legal contracts. To let the government adopt lesser standards as suits the convenience of its officers is to start down the totalitarian path.

—William O. Douglas, Supreme Court justice.

Let us pray . . . that the fast range of modern knowledge . . . may be turned from destructive to peaceful ends, so that all peoples . . . may be lifted to greater happiness.

—King George of Britain.

Communism . . . will continue to make converts through promises as long as hundreds of millions of people in the world are hungry.

—Owen J. Roberts, former Supreme Court justice.

The greatest finding of the Kefauver Committee was not that the exposed crime but that they revealed television.

—Sen. William Benton (D-Conn.)

Eventually the auditorium settled into what, for the Children's Theater, was quiet. The lights flickered slowly, Lucilla watched her child's steadily upturned face in profile, as the curtain went up and the magic of the theater had never moved her more.

Audience participation reached a fevered pitch in the second act, when the wolf was lolling in grandmother's bed and Little Red Riding Hood approached him. A hundred or more voices screamed, "Look out! He's not your grandma. He'll bite!"

On the way home, Hoopy discussed the play endlessly, asking over and over, "And didn't you like the part where . . . ?" but also thoughtfully analytical of weak spots: "I think Red Riding Hood should have seen right away that the wolf didn't look like her grandmother. And instead of squealing so much, she could have carried a gun and shot him, but then, the play wouldn't have lasted as long." Lucilla felt that no drama critic could have expressed it more pungently.

At dinner, Hoopy gave her father an account complete even to stage directions, and generously explanatory: "In the first act—that's the act before you get out for candy . . . Arthur said fondly to his wife, 'She's your daughter, all right.'"

National Banner crossword puzzle with clues and grid.

AIR FORCE'S NEW ALL-JET TRANSPORT—The U. S. Air Force's first all-jet cargo transport, the XC-123A, zooms through the air in a test flight near West Trenton, N. J. A sister ship of the conventional C-123 transport, the four-jet plane can carry freight or 60 combat troops, or 30 patients.

Permian Basin Oil And Gas Log—

(Continued From Page One)
about two barrels of fluid, mostly load oil, every one and one-half hours.
As soon as the fluid is swabbed down, operator will Hydratrac again.
The top of the Strawn is at 5,712 feet.
Location is 330 feet from south and west lines of the 1st half of section 262, block 28, H&TC survey and five miles east of Rotan.

SW Gains Wildcat Plugged, Abandoned

G. M. Ashby of Dallas No. 1 Thornton Lomax and L. B. Johnson, wildcat in extreme Southwest Gaines County, has been plugged and abandoned at total depth of 8,921 feet in a lower Permian lime. Location was five and one-half miles north of The Texas Company, Humble Oil & Refining Company and Ralph Lowe No. 1 T. E. Jenkins, Devonian discovery from 9,100 to 9,135 feet.
It was 690 feet from north and west lines of section 9, block A-13, 1st survey.

Von Roeder Field Gets Dry Project

Skelly Oil Company has plugged and abandoned its No. 2 John G. Davis, project on the southwest side of the Von Roeder field of Southeast Borden County.
The tester was drilled to a total depth of 6,819 feet in dry reef.
Location was 660 feet from east and 1,980 feet from south lines of west half of section 80, block 25, H&TC survey and seven miles north of Vincent.

DST Attempt Fails In SE Gaines Test

Magnolia Petroleum Company was unable to complete a scheduled drillstem test Saturday in its No. 1 Gertrude Chilton, wildcat in Southeast Gaines County.
A test was to be made from 11,344 feet to 11,360 feet in the Pennsylvanian reef which was topped at 11,328 feet, datum point of minus 8,347 feet.
Drilling samples in the section of the reef thus far cut showed light oil stains and a trace of porosity and fluorescence.

Child Is Hidden From All But Car

The hiding place of Helen Jones, three-year-old daughter of Mr. and Mrs. Homer Jones, 203 East Kentucky Street, proved to be a good one—but it wasn't safe. Playing a children's game Sunday with a brother and sister, Helen secreted herself in a large paste-board box in an alley near her home. A neighbor's car passed over the box, crushing it almost flat.
Helen jumped up and walked away.
Later, in Midland Memorial Hospital, she was treated for bruises about the shoulder.

Judgment Awarded Because Dog Took 'Too Many Bites'

NEW ORLEANS—(P)—A court awarded \$500 damages to James Arnold because a dog took more bites than he was entitled to.
The decree by Judge Godfrey Regan recently affirmed a lower court's decision but upped the award from \$300 to \$500.
Judge Regan said the record showed:
Mrs. Anders Paulsen's calf grazed in Arnold's bean patch. When Arnold refused to release it, Mrs. Paulsen appeared on the scene leading a dog on a leash. Mrs. Paulsen commanded "Get him Brownie" and Brownie got him with several large size bites.
The contention that the dog "had enjoyed more than the customary one bite to which every dog seems entitled under our jurisprudence" was borne out by testimony, Judge Regan's opinion said.

OPS Gives Option To Small Stores

LUBBOCK—Hundreds of small retail stores in the West Texas district of the Office of Price Stabilization will be given the option of continuing to price under the general ceiling price regulation, rather than under the retail regulation, CPR 7, the Lubbock district office announced Monday.
The office said many small retail stores with limited bookkeeping facilities and clerical help will get this option under an amendment to the regulation issued Monday.
The Office of Price Stabilization, in announcing that the amendment was forthcoming, reminded that all other retailers selling items controlled by CPR 7 and its amendments must file their pricing charts by May 31 if they want to continue to sell legally after that date. There will be no extension of that deadline, OPS emphasized.
The amendment will permit small retailers selling housewares, notions, sporting goods, silverware, china, glassware, jewelry, watches and clocks to elect to price under the general ceiling price regulation rather than under ceiling price regulation 7.

Mrs. Penn In Austin On Election Law Bill

Mrs. W. Y. Penn, 810 West Storey Street, is in Austin to attend legislative conferences on proposed state election law reforms. The new election laws code has passed the House and is now before the Senate.
The Midland woman is a member of the election laws commission that offered 92 amendments to the state laws.

Sonora Officers Believe Missing Woman In Florida

SONORA—A woman feared murdered near Fort Davis was believed to have been seen alive here since the time of the suspected slaying.
Sheriff E. W. Hutcherson said a woman answering the description of the missing woman was in Sonora on May 23 or 24 and was aided by organizations to which she appealed for financial assistance.
The slaying report last Saturday followed finding of her personal effects in a roadside park near Fort Davis and Sheriff Tom Gray of Fort Davis feared she has been slain.
Sheriff Hutcherson said the woman reported here she had been robbed by a man with whom she was riding from California. Sonora groups donated money to pay her fare to Orlando, Fla.
"Frankly, I don't think the woman in this investigation was murdered," Sheriff Hutcherson said, adding that he had notified Fort Davis authorities of his findings.

Hospital Fire Quickly Put Out

A short in wiring near one of the elevators was blamed by firemen Monday for a minor fire in Midland Memorial Hospital.
Hospital aides and firemen quickly extinguished the blaze, which caused only minor damage to the wiring and ceiling near the fourth-floor elevator opening. There was no interruption of the hospital schedule as a result of the blaze, and surgical patients on the floor suffered no effects whatever from the threatened fire.

DADDY RINGTAIL

By Wesley Davis

Daddy Ringtail And Gang Aft A-Gley

Old MacDonald had a farm, ee I ee I oh! But the mice were stealing the corn away from the barn, and so trouble, trouble.

"But Old MacDonald," said Daddy Ringtail, "how do you know the mice are stealing your corn away?"

"Hah!" said Old MacDonald. "I've seen them do it. That's how I know."

Daddy Ringtail went with Old MacDonald on down to the barn. He hid with Old MacDonald behind some bales of hay. They peeped out to watch the corn, and sure enough — hardly had they hidden themselves, when out from

a crack in the wall came an old mouse with a walking stick. The mouse was an old fellow with glasses on.

The mouse looked around him, and—not seeing anyone—he put his fingers to his lips and blew a shrill whistle. Where-upon, seven mice came out of the crack in the wall as fast as a football team. Straight to an ear of corn, they ran. They picked it up, and whisk! Back through the wall they ran again.

Daddy Ringtail saw it happen, and then he heard the whisper from Old MacDonald. "Look! Daddy Ringtail, look at the rest of it happen." Daddy Ringtail looked.

Now the old mouse had hung his walking stick on one of his arms to get it out of the way. He pulled a handkerchief out of his pocket. He took his glasses off his nose. He

began to polish the glasses with his handkerchief. When he had finished, he put his glasses back on his nose. He put his handkerchief back in his pocket. He walked away slowly with his walking stick, back through the crack in the wall, as dignified a gentleman, as you ever saw.

Daddy Ringtail said he had never heard of another mouse as cool, as efficient, as calm and collected as the old gentleman mouse, who had bossed the job of carrying the corn away. Because there was no other mouse quite like him, Daddy Ringtail gave him a name with hardly another like it. The name was Gang-aft-a-gley, and tomorrow I shall tell what happened next. Happy day!

Midland Planing Firm Specializes In Fine Mill Work

The Midland Planing Mill, located at 415 South Baird Street, prides itself in following specifications to the letter in all its work, and if you have an intricate job which requires strict attention to detail you will find the concern makes every effort to meet the most exact requirements.

The shop is equipped with the most up-to-date and efficient machinery, which means that your job will be turned out in the quickest possible time and with the finest results obtainable.

The firm has been doing fine mill work for Midlanders since 1947. Specializing in general mill work, the Midland Planing Mill has turned out many large furniture jobs for business houses in addition to cabinets, built-ins and other fine work in many Midland residences.

Personnel Listed
F. L. Key is the owner. Other personnel, all highly qualified and with several years experience in mill work, are Gilbert Thompson, K. I. Sharp, Jim Johnson and Mike Carrasco.

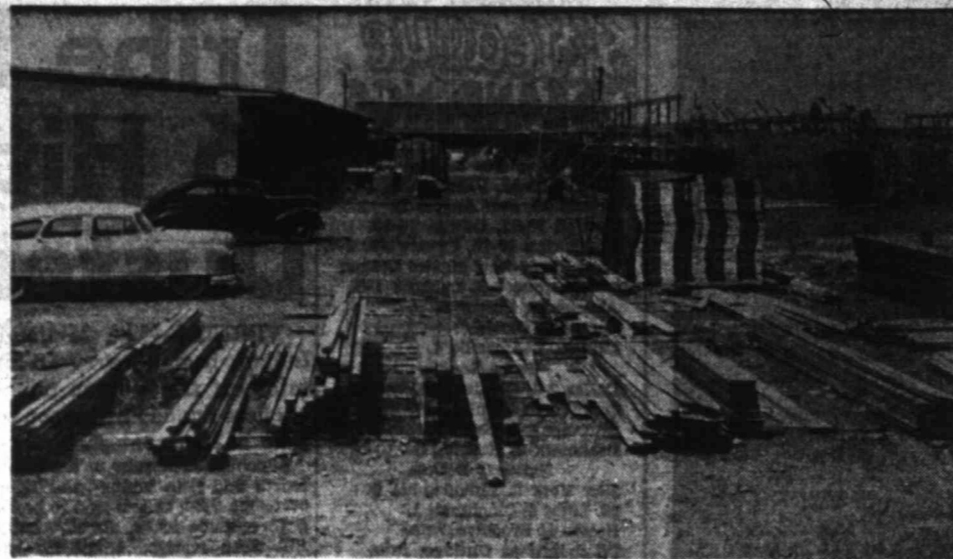

Key requests that you telephone for free estimates. The number is 2930.

You are invited to come in and look over the equipment and talk over your needs with the management at any time.

The Midland Planing Mill always is alert to keep up with new methods and that is the reason many persons go there first with their jobs which require special skill and attention to detail.

The concern will custom-make anything of wood. For cabinets, store fixtures and display cases, many operators of business houses come to the Midland Planing Mill since they know the items will be made to exact specifications.

The familiar and objectionable creak of the wheels of the railway car as they pass over the ordinary joints in the rails will be eliminated by a new type of angular joint.

ANOTHER HOUSTON HILL JOB—Pictured is a construction scene at the site of the Sam Houston Elementary School, which is another fine project of Houston Hill, contractor. The Midland firm also constructed the David Crockett Elementary School, the recent addition to the First Methodist Church, and other fine buildings here. The concern also is constructing the DeZavala School in the Latin American sector. The firm's office is located at 307 South Marienfeld Street. Houston Hill is the owner and manager and Robert Lacey is the assistant manager. The telephone number is 1567.

Shepard Roofing Company Features 'Shakes' Siding

The Shepard Roofing and Sheet Metal Company, 1811 West South Front Street, is featuring insulated "shakes" siding, which resembles distinctive shakes shingles. This siding, which comes in three-fourths inch widths, provides greater insulation value than ordinary siding and it comes in four colors.

This new siding is non-breaking and never needs painting, thus cutting repair and maintenance costs to a minimum. It is ideal for old residences, to give them bright new appearance as well as protection against the weather. The shakes siding is made of asbestos-asphalt material.

For further information, you are requested to telephone No. 887, and competent salesmen will give you estimates gladly.

This siding may be purchased under the Title I loan plan. C. H. Shepard is the owner of the Shepard Roofing and Sheet Metal Company. David Cole is the manager.

The concern is a bonded roofing establishment and also performs sheet metal work of all kinds. All quality roofing, including clay tile, is handled by Shepard Roofing. The management suggests that you buy the best in roofing, not only to effect actual savings in the long run, but for the assurance you gain by having your building protected by a roof which you know will stand the test of time and the elements. Remember, on that next roofing, siding or sheet metal job, you will be wise to check with Shepard first.

Sandblasting Is Specialty Of Helbert & Helbert Firm

Sandblasting, one of the most effective methods known for cleaning the dirty surfaces of iron, steel, plaster stucco, brick, stone and all metals, is a specialty of Helbert and Helbert, Midland contracting firm. Helbert and Helbert also specializes in concrete work and jack hammer work, including pavement breaking.

Collegians Face Month's Delay In Hearing From Tests

WASHINGTON —(AP)—College men who took their Selective Service aptitude tests Saturday may have to wait a month or longer to learn their scores.

Draft Director Lewis B. Hershey said in a radio interview Sunday that the Educational Testing Service, Princeton, N. J., will report the scores directly to local draft boards. He added that students who took the test might start asking their boards in "about a month from now x x x if they've heard from Princeton."

An estimated 175,000 took the test Saturday. Another 225,000 are expected to take it June 16, June 30 or July 12. Draft boards have been authorized to consider scores of 70 or better a basis for possible deferment, of a student who wishes to continue his education.

MAJOR LEAGUES—

Chicago White Sox 'Castoffs' Grab 11 Wins On Road

By JOE REICHLER
Associated Press Sports Writer

Another wonder team in Chicago? Back in 1906 they were hailed as the "hitless wonders." Now, 45 years later, the Chicago White Sox can be called the "pick-up wonders."

The baseball world laughed when the White Sox scurried around last winter, raiding rival clubs for surplus material. But nobody is laughing at Manager Paul Richards' amazing ragamuffins now.

How can you laugh off an 11-game winning streak—every bit of it on enemy ground? The Sox completed their road trip Sunday with a sweep of their twin bill in Cleveland, 5-4 and 6-4.

Those two triumphs, coupled with New York's split with the Philadelphia Athletics, moved Chicago to within one game (three percentage points) of the American League leading Yankees.

Here is a club composed of such castoffs as regular Ed Robinson and Ed Stewart (Senators), Gus Niarhos, Randy Gumpert and Ken Holcombe (Yankees), Al Zarilla, Joe Dobson and Harry Dorish (Red Sox), Nelson Fox and Paul Lehner (Athletics), Orestes Mino (Indians), Saul Rogovin and Billy Pierce (Tigers), Phil Masi (Braves) and Bob Dillinger (Pirates).

Win Everywhere
The Sox won four in Cleveland, two in Boston, one in New York, three in Washington and one in Philadelphia.

Dobson and Howie Judson pitched the double win Sunday, although Judson needed help from Marv Rotblatt in the second game. It was Dobson's fourth win without a loss.

Two long delays by rain caused most of the second game to be played under the floodlights. Lights also were needed in New York and Detroit.

Zarilla was the Chicago batting star. His homer in the seventh with one on provided the winning runs of the second game. Earlier, he had doubled in two runs. It was his two-run double that snapped a 2-2 tie in the first game.

The Sox' success was marred by an injury to Chico Carrasquel. The flashy Venezuelan shortstop brushed his elbow and jammed his right shoulder in a collision with Teammate Stewart.

Second baseman Roberto Arvia of Cleveland was sidelined with a damaged elbow, injured in a slide in the first game.

Gus Zernal, Philadelphia's new home run wallop, drove in four runs to lead the A's to a split with the champion Yankees. The Yanks won the opener 9-0. The A's took the second 7-4.

Zernal featured a three-run rally in the seventh inning of the second game with a bases-loaded single. Little Bobby Shantz was the victor.

Play Places Arranged For Midland Youth

The Midland school system is putting additional equipment on its playgrounds for use of students during summer school vacation, and the City Council has started the installation of four or more baseball diamonds as added recreation for the young people.

Under a plan now in operation, the city will furnish the water and the school board will maintain the playgrounds and equipment at the various schools.

The city will operate again this summer the swimming pool and equipment at Pagoda Park, which will open its recreation program June 4.

Two city baseball diamonds will be in operation on the tract of land just east of football stadium, and one each at Hallif and Cole Parks. Another baseball playing field is being planned at Terminal, and another on the tract south of West Elementary School.

Middlecoff Beats Burkes Rally To Capture Colonial

FORT WORTH.—(P)—Cary Middlecoff, the fugitive from anything that blooms, put \$3,000 in the sock Monday as champion of the \$15,000 Colonial National Invitation Golf Tournament.

The tall young man from Memphis, Tenn., who found no allergies here, won the colonial Sunday with a three-over-par 73 that gave him a 72-hole total of 282. He beat off the closing rush of Jack Burke, Jr., of Houston, who shot a 67 in the last round. Burke registered 283 and Hogan 284 to get \$3,000 and \$2,000 purses.

Lloyd Mangrum took third money of \$1,400 with a closing 70 over the tough, 7,035-yard Colonial Country Club course. It gave him 284.

Ed Oliver of Seattle, Wash.; Ben Hogan of Hershey, Pa., and Byron Nelson of Roanoke, Texas, tied for fourth with 285 and Earl Stewart, Jr., of Dallas, who shot a closing 66, was next at 286. Oliver did five-over-par 75, Nelson 73 and Hogan 72 in the last round.

Also in the money were: Jim Penner, San Francisco; Henry Ransom of St. Andrews, Ill.; Jimmie Demaree of Houston; Johnny Palmer of Badin, N. C.; Fred Haas, Jr., of New Orleans; Clayton Hearner of Charlotte, N. C., and Al Broch of Garden City, N. J.

Little Leaguers To Strut Before Fans Monday Night

Midland's Little League baseballers will parade in proud fashion Monday night before Midland fans in pre-game ceremonies before the Midland-Big Spring tilt at Indian Park.

At approximately 7:40 p.m., the youngsters will file onto the diamond from right field and go through a brief workout bossed by Midland Manager Harold Webb and Pat Stacey, Big Spring manager.

The youngsters—from six teams—will be dressed in their uniforms. The official season's play for the Little League begins Tuesday night.

Teams represented will be the Yankees, Realtors, Cubs, Eagles, Lions and Cards.

Monday night also will be the last chance for Midland fans to view the Tribe in action until after the Rodeo here. Webb has designated no starting pitcher.

The gardenia was named in honor of the American botanist, Alexander Garden, of South Carolina.

EFFICIENCY MEN—Eddie Lopat resins Yogi Berra's glove as well as his own. The Yankees' left-hander opened the season with six straight victories and the replendent earned-run average of 1.17. (NEA)

King's Row

by LARRY KING

A young man who should be complimented for his work with the Midland Indians thus far in the 1961 season is Stan (Scooter) Hughes, the hustling shortstop who had been tagged a "good field, no hit" worker in his previous Longhorn League seasons.

Hughes—who was batting just above his weight with Oklahoma City in the Texas League part of the season—now is clouting the ball at a luster. If unofficial, 393 through Sunday's games.

That's even more surprising when you consider he is about half the size of Mickey Rooney. That put his Texas League batting average pretty low.

But upon his return here, the youngster began to improve in the stick department.

After the first few games, he was hitting almost 500.

"That," said the fans, "just can't last. He'll drop from that average."

And, indeed the Scooter has. That's expected. But his fall hasn't been rapid enough to alarm Harold Webb. Scooter's 24 hits in 61 trips to the plate still is much higher than he ever has batted before. And, while even that average probably will come down some, he is giving every indication of having his best year at the plate.

One reason for Hughes' rapid climb upward in the hitting department may be a change in his grip this season.

Last year, Hughes gripped the bat as if it were a life-and-death matter that he hit a home run.

Now he's "choking" the bat a bit and punching his singles in—with a smattering of doubles—instead of only brings him more base hits, but keeps him from striking out so frequently. In 1959, Hughes beat a futile tatter in the breeze with his bat and missed a third strike more times than any player in the loop.

We don't know about the road trips, but at home this year he's only fanned one time that we can recall.

When The Reporter—Telegram went to press early Sunday morning, Artesia—San Angelo and Odessa—Artesia games still were going on. Artesia scored eight runs in the last of the ninth to win a 12-11 game from San Angelo in the second game of a twin-bill, after winning the first 9-4.

Odessa won the other Saturday night game by taking Roswell 14-4.

Better watch Artesia. The Drillers now have swept a three-game series from San Angelo. Stubby Greer, Artesia manager, told us last week his team definitely was on the upswing.

Come on Indians, let's keep outta that cellar.

Advertise or be forgotten.

Williams Champ At SA; E. G. McClintock Wins First Flight

SAN ANGELO.—Jack Williams of Plainview coasted to an easy 11 and 10 victory over E. L. Vinzant of Wichita Falls Sunday to retain his championship in the fourteenth annual San Angelo Invitation Golf Tournament.

E. G. McClintock of Midland defeated Bill Bartley, Lubbock, 2-up to capture the first flight championship.

Colts Drop Third Tilt To Artesia; Indians Win One

By The Associated Press

San Angelo is going from one extreme to another in the Longhorn League. The Colts won 19 straight games before dropping one. Now they have taken the third defeat in a row—and, of all people, from last-place Artesia.

Sunday night, Artesia whammed the Colts 10-1, battering out 18 hits as Jose Lopes limited San Angelo to six. The victory moved Artesia just a half-game out of seventh place.

Big Spring pushed into a tie with Vernon for second place by sweeping a doubleheader from Sweetwater. The Broncos pounded a dozen hits in winning the first game 10-3 and then laced out 20 to cop the nightcap 16-7.

Vernon absorbed a 13-7 lashing from Midland. Midland shoved across seven runs in the fourth, getting three of them on a double by Ken Jones. Pitcher Stan Graywacs of Vernon let in two more when he overthrew home plate.

Roswell downed Odessa in a twin bill, taking the first game 18-15 as Dean Franks posted the pitching victory and helped his cause by batting in three runs with a triple in the fifth. Roswell edged out 11-10 in the afterpiece. Bill Cearley drove in four runs with a homer and Pitcher Jess Grimes singled in three in a big seven-run eighth inning.

MONDAY'S SCHEDULE

BIG SPRING at MIDLAND.
Odessa at San Angelo.
Sweetwater at Vernon.
Artesia at Roswell.

WT-NM League—
Blue Sox Take Lead; Borger Drops Thirteenth Straight

By The Associated Press

Ablene was out front in the West Texas-New Mexico league by a game and a half Monday with a little boost coming from the direction of Lubbock.

The Blue Sox whipped Borger 10-3 Sunday while Lubbock was dividing a doubleheader with second-place Albuquerque.

Isadora Leon limited Borger to six hits in plastering the thirteenth straight loss on the Gasers.

Albuquerque beat Lubbock 5-1 in the first game but dropped the nightcap 6-3. Don Cantrell posted his sixth win of the season in pitching the Dukes to victory in the opener.

Pampa beat Clovis 8-6 in 11 innings. Pitcher Mack Hyde slugged a homer in the eleventh and Red Dial and Gil Castillo followed with doubles for the other run.

Lamesa edged Amarillo 8-4 on a two-run homer by Glenn Burns in the eighth inning.

MEDICAL PATIENT

Mary Joyce Lee, of Odessa, was admitted Saturday night to Midland Memorial Hospital as a medical patient.

Patty, Babe To Meet Wednesday In Weathervane Play

WHITE PLAINS, N. Y.—(P)—Patty Berg and Babe Didrikson Zaharias will have to wait until Wednesday to decide the winner of the Weathervane women's cross-country open golf tournament.

The final 18 holes at the Hollywood Country Club were scheduled for Sunday but a heavy rain forced postponement of play.

Eleven other pros are in the tournament but the competition has narrowed to a test between Patty and Babe. Miss Berg holds a one-stroke lead over Mrs. Zaharias at the 126-hole point in the 144-hole competition for the \$5,000 grand prize. Louise Suggs trails in third place, 12 strokes back of the Babe. Miss Berg's 126-hole total is 528.

Harry Dooley Hurls Black Indians To Ninth Straight Win

Nine in a row!
The Midland Black Indians defeated the Clovis Brown Bombers 9-5 Sunday afternoon in Indian Park for their ninth straight win. Harry Dooley, winning pitcher, went the route.

Behind 4-0 in the fourth inning, the Midland team shelled four Clovis pitchers to take command and never relinquished the lead.

Hobbs' Tigers will oppose the Black Tribe at 3 p.m. next Sunday in Indian Park here.

Cochran To Install Crane Lions Officers

CRANE—Frank Cochran, governor of District 2-T-2 of Lions International, will conduct the installation June 8 of new officers of the Crane Lions Club.

The affair will be a ladies night program and will be held in Community Hall. Bob Durret, Lions Club president, and Jesse Miller, chairman of the arrangements committee, will be in charge of planning the event.

Tribe Pounds Out 16 Hits To Defeat Duster Nine 13-6

VERNON—The Midland Indians beat a merry 16-hit tatoon off five Vernon pitchers here Sunday afternoon to take a 13-6 contest.

Bunching their runs in the third, fourth and fifth innings, the Tribe overcame a 3-0 Duster lead to break a three-game losing streak. Lefty Bill Reed received credit for his first win of the year, against four losses.

Manager Harold Webb started for Midland but retired in favor of Reed after two innings with the Indians behind 3-0. The Redskins promptly rallied for five runs in the third.

Eddie Melillo reached base by error, then Dick Campbell—who got four in five trips to the plate—singled. Webb then singled both home and Wayne McMellon came in to run for Webb. Rudy Escobar singled, McMellon taking second.

Scooter Hughes reached base by fielder's choice as Escobar was erased at second and McMellon took third. McMellon scored on a wild pitch by the Duster pitcher and Hughes went to second base. Bill Hornsby's single scored Hughes, and Kenny Jones doubled Hornsby in to put Midland in front 5-3.

Picking up steam in the fourth, the Indians chased seven runs across the plate. Campbell led off with a double and was safe at third when Reed bunted and took first on a fielder's choice. Hughes then grounded to the pitcher and took second when Graywacs threw over the first baseman's head, with two runs coming in. Hornsby doubled Hughes home. Rigby then took the mound for Vernon and promptly walked Tanner and White to load the bases. Kenny Jones again doubled and three runs came in. Campbell picked up his second hit of the inning, scoring Jones.

SMASH HIT—Nancy Chaffee spends an afternoon with Ralph Kiner in Pittsburgh, lending strength to the report of a courtship between the United States Women's Indoor champion and the Pirates' home run king. The Ventura, Calif., miss is en route to the Wimbledon Championships in England. (NEA)

Texans Vie For National PGA Spots At Amarillo

AMARILLO.—(P)—Five places in the National PGA Tournament went on the line Monday and some of Texas' top professional golfers went after them in a 36-hole qualifying round at the Amarillo country club.

The event was the first in a week-long golfing show here that will reach its climax Thursday with the start of the Texas PGA Tournament.

A pro-amateur tournament Tuesday and an international match between a team of Mexicans and Texans Wednesday are also on schedule. Byron Nelson will captain the Texans.

Among those favored to grab spots in the national PGA qualifying are Elro Marti, Houston, Wilton Ward, Corpus Christi, Ray Hill, Houston, Chuck Klein, San Antonio, and Jack Hardin, El Paso.

Texas League—Eagles Bounce Into First Place With Twin Win Over OC

By The Associated Press

Dick Burnett couldn't buy or build a pennant winner as an independent operator but he may get a Texas League championship this year as a Cleveland farm hand.

His Dallas club, now working with Cleveland, Sunday bounced back into first place with a couple of victories over Oklahoma City 2-1, 4-3.

San Antonio, which has been filling the top spot when Dallas hasn't the last few weeks, skidded back to second when it dropped a 9-1 decision to Shreveport.

In other games, Beaumont nipped Houston 8-3, and Fort Worth lugged Tulsa 4-3 in 13 innings.

Burnett first tried to "buy" a pennant with a collection of costly players—many of whom are now scattered among other Texas League clubs. Johnny Greel at Oklahoma City, Jerry Witte at Houston.

Then the wealthy oil man tried to build one with farm clubs at Gainesville and Gladewater and with working agreements with clubs in three other leagues.

Tie-Up Pays Off

He couldn't scratch the first division. So he hooked up with Cleveland this season.

The practice may pay off. At any rate, Sunday's twin bill did when 6,013 fans—second largest crowd of the season—watched the Eagles come from behind to win both games.

George Brown hit two home runs and Grant Dunlap one to lead Shreveport to its easy win over San Antonio.

Beaumont banged out 13 hits and Johnny Mackinson spaced six to Houston as the Roughnecks won. White hit his tenth and eleventh home runs for the Buffs.

Don Otter of Fort Worth and John Stewart of Tulsa went all the way on the mound, with a single by Bill Hunter scoring the winning run.

HOTTEST HOT SPOT—Iran looms as about the hottest of the world's "hot spots" as Communists move to take advantage of heated Nationalist emotions stirred by the dispute over nationalization of the billion-dollar Anglo-Iranian Oil Company.

Labor Control Bill Is Sent To Governor By Action Of House

AUSTIN —(AP)— A labor control bill inflicting heavy anti-trust fines on labor as well as management for violation of the "right-to-work" law was sent to the governor by the House Monday.

The House joined the Senate in approving a compromise version which exempted migratory labor agreements and knocked criminal penalties out of the bill. The vote was 74-40.

The House voted for the first time this session to over-ride a veto by Gov. Allan Shivers, approving for the second time a bill to allow use of tax certificates as evidence of payment of taxes.

The governor had said it could cause counties to lose money. The House disagreed with him 71-25.

Two-thirds majority also will be needed in the Senate to put the bill into effect against Shivers' wishes.

An election reform bill with amendments hanging all over it was passed by voice vote in the Senate and returned to the House for approval or rejection.

A compromise committee probably will be called on to settle differences.

Remaining Big Issue
One remaining big issue—to tax or not to tax pipelined natural gas—dragged the 52nd Legislature into its 21st week.

A House-Senate conference committee—second one to tackle the job—began working toward a solution that might be acceptable to both fighting factions.

The 10-man group met for an hour Monday morning and planned another closed-door session Monday afternoon.

The committee was unsuccessful in settling a week-end session after a majority of its Senate members left the Capitol for weekend jaunts.

Rep. Jack Wismer of Wells asked the House to ignore the governor's veto on the tax certificate bill because, he said, such a law has been on the books for counties of more than 210,000 population since 1929.

He said he had heard no complaints against the law and thought it would be beneficial to small as well as large counties.

The House also passed and sent to the Senate the drivers' financial responsibility bill. It would require drivers of cars involved in accidents to show proof of financial responsibility up to \$15,000 for damage and bodily injuries.

Opponents said it would hurt the little man by forcing him to buy insurance.

It was sent to the Senate on a 74-49 vote.

TOM THUMB TOM—There'll be less turkey hash in the future, thanks to the new, six to 12-pound midge turkeys developed in California's Antelope Valley.

Turkey breeder George Roberts of Lancaster, Calif., compares one of the bargain-counter gobblers, right, with a 35-pound Bronze Tom turkey of ordinary holiday size.

Rodeo—

(Continued From Page One) while the reserved seats ducks are \$3 each. J. T. Baker is the general ticket sale chairman.

Louis A. Bartha, secretary-treasurer of Midland Fair, Inc., said Monday all box seats have been sold.

The wild rodeo stock is in the pens at the fair grounds, fattening up on extra rations of feed for the tough week ahead.

Many of the nation's top cowboys will compete for the \$8,500 being offered in purses and prizes, and a number of the contestants arrived here during the weekend.

Colborn Arrives
Everett Colborn, producer of the famed rodeo, arrived Sunday from his Dublin, Texas, ranch to complete final details for the staging of the Permian Basin Empire rodeo.

Announcement Ray Lackland, Clowing Ken Bean and Jim Schumacher, trick riders and members of the mounted quadrille are expected to arrive Tuesday.

Sidewalks, hotel lobbies and coffee shops were buzzing with rodeo talk Monday as the spirit of the rodeo hit this headquarters city of the Permian Basin Empire.

Clarence Scharbauer, Jr., president of Midland Fair, Inc., termed everything in perfect readiness for the opening of Midland Rodeo.

OIL WORKER INJURED
Charles Harris, 810 East Indiana Street, an employee of Rowan Drilling Company, was treated at Western Clinic-Hospital Sunday for a hand injury.

CHILD INJURED
J. C. Dorman, three, of 1407 West Washington Street, received emergency treatment at Western Clinic-Hospital during the weekend for forehead laceration. The child was hurt while playing with a toy pistol.

LEGAL NOTICES
CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: J. B. Robertson, et al. Mrs. J. B. Robertson, C. H. Robertson and wife, Mrs. C. H. Robertson; John W. Robertson and wife, Mrs. John W. Robertson; Thomas M. Robertson and wife, Mrs. Thomas M. Robertson; William E. Robertson and wife, Mrs. William E. Robertson; Nancy I. Boyd and husband, Daniel J. Boyd; Margaret O. Magill and husband, James S. Magill; James B. Robertson and wife, Mrs. James B. Robertson; E. Robertson and wife, Barbara E. Robertson; C. T. Ferguson and wife, Mrs. C. T. Ferguson; E. G. King and wife, Mrs. E. G. King; A. B. Garrett and wife, Mrs. A. B. Garrett; R. E. Crowley, et al.; Sam Cartwright and wife, Mrs. Sam Cartwright; and others, parties to whom their heirs and legal representatives are summoned.

Greeting
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this citation, the same being Monday the 2nd day of July, A.D. 1951, at 10 o'clock A.M., before the Honorable District Court of Midland County, as the Court House in Midland, Texas.

The plaintiff's petition was filed on the 15th day of May, 1951. The file number of said suit being No. 9028.

The names of the parties in said suit are: Robert L. Palmer and wife, Bulah Mae Palmer, as Plaintiffs, and the above named parties to whom this citation is issued and directed, as Defendants.

The nature of said suit being substantially as follows, to wit: Plaintiffs allege ownership in fee simple of that tract of land situated in Midland, Midland County, Texas, to-wit: Lots Seven (7), Eight (8), Nine (9), Ten (10) and Eleven (11), in Block Thirty-one (31), of Moody Addition, as shown on plat of said addition recorded in the Public Records of Midland County, Texas, to-wit: Book 49 of the Deed Records of Midland County, Texas.

That, May 21, 1951, defendants unlawfully entered upon said lands and premises herein described and with force and violence thereto, to-wit: to the possession thereof to plaintiffs in the sum of \$3,000.00, that the reasonable annual rental is \$1,000.00.

Such action is a suit in trespass to try title to the land herein described, peaceful, continuous and adverse possession under the ten year statutes of limitation. Plaintiffs pray for recovery of title and possession to and of the lands above specifically described, rents, damages and costs of suit.

If this Citation is not served within 45 days from date of its issuance, it shall be returned unserved.

Given under my hand and seal of said court, at office in Midland, Texas, this 17th day of May, A.D. 1951.

LEWIS JOHNSON
Clerk, District Court, Midland County, Texas. May 21, 23 - June 4, 1951.

Woman Charged In Murder Of Husband

HOUSTON —(AP)— A 36-year-old woman was in city jail Monday charged with the shotgun murder Sunday of her husband whom she married 22 days ago.

Mrs. Irene Turentine, wife of the dead man, allegedly slew him with a 16-gauge shotgun which she said went off accidentally after a violent quarrel in their home. The victim, John A. Turentine, 39, a night watchman for the McCane-Sondock Detective Agency, died in a hospital.

He had threatened to kill her several times during the course of their three-week marriage. Mrs. Turentine said in her written statement to police.

Turentine before he died told officers his wife shot him because he wouldn't kiss her. They hadn't been getting along, he said.

Members of the Midland Elks Lodge No. 1836, Benevolent and Protective Order of Elks, will meet at 7:30 p.m. Monday in the Elks Home at the corner of Illinois and Loraine Streets.

Lodge officials termed the meeting "most important" and urged a large attendance of members.

Discussion at the gathering is expected to center around lodge operation and whether the unit here will be continued.

Lackland—
(Continued From Page One) title of the "nation's flying rodeo announcer."

Although he first started with a megaphone in New Mexico more than a score of years ago, he didn't start announcing rodeos professionally on a primary basis until about 1938. Since that time he has called almost every top show in the United States including "repeat" performances for some shows which now have extended to 10 years.

Born in 1911 in Carroll County, Mo., he moved to Lincoln County, N. M., with his parents at an early age and attended New Mexico schools. A highlight of his school career at Carrizozo, N. M., was winning the state championship for high school boys' vocal soloists in 1928, and advancing to the national quarter-finals in the Atwater-Kent radio contest.

After graduating from New Mexico Military Institute in 1930, he moved to El Paso, and in 1932, to Dallas, where he joined radio station KRLD as an announcer and vocalist. He moved over to station WRR in Dallas in the same capacity, and in 1936 and 1937 served as program director for the radio network of the Texas Centennial celebration and the Pan-American Exposition in Dallas. After a year in Odessa, where he served as assistant manager of then radio station KRLH, Midland, he moved to San Antonio, handling radio and public address equipment over the state for the Gulf Oil Corporation. He worked in this capacity until the war, then joined the Jack Frazier Company of Dallas, predecessor of International Electronics. He returned to Dallas to make his home in 1946.

Ministers—
(Continued From Page One) C. M. Curry; Roscoe, John W. Price; Snyder, W. W. Adcock; Sparenburg, A. J. Adams; Stanton, J. E. Harrell; Stanton Circuit, T. D. Hamilton.

Sweetwater: First, T. W. Guthrie; Highland Hts. A. B. Cockrell; Sixth Street, Cistus Beights. Union, Lee Roy Baker; Welch-Hancock, Ray Elmore; Westbrook, A. B. Armstrong.

Female polar bears usually spend the winter under a thick crust of snow.

MIDLAND BANKS WILL BE CLOSED WEDNESDAY
The two Midland banks will be closed Wednesday in observance of Memorial Day, officials of The First National Bank and The Midland National Bank announced Monday.

BITTEN BY DOG
Nineteen - months - old Bobby Barnes was given emergency treatment during the weekend at Western Clinic-Hospital after he was bitten on the body by a dog. The child's face also was scratched.

Reds Slow—

(Continued From Page One) rendered Sunday on the central front near Chunchon, the Eighth Army reported. They were dazed, bewildered and hungry. It was the largest catch of the war.

An Eighth Army spokesman attributed the mass surrenders to the "cumulative effect of the long and intense fire to which the enemy was subjected since the start of their last offensive, the rapid pursuit by UN forces which cut off large pockets of the enemy, and the Red's lack of food and disillusionment."

Reds abandoned huge stores of ammunition in their flight. Airmen reported the Red retreat in Central Korea resembled a rout, the Far East Air Forces said.

Escape Routes Severe
The Allied advance cut off escape routes and may have knocked the Reds out as a serious threat for at least three months, U. S. Eighth Army officers said.

The Allied advance was general across the 125-mile front. It punctured the 38th parallel boundary of Red Korea on almost every main highway.

Hwachon, seven miles inside Red Korea on the central front, and Inje, four miles above the border on the east-central front, were firmly in United Nations hands. Both are key towns on Red escape highways.

South Korean troops were back in Yangyang, eight miles north of Parallel 38 on the east coast.

In the west, tanks led a task force almost to Yonchon, six miles across the border and 35 miles north of Seoul. Other tanks rumbled through Yongpyong, 32 miles northeast of Seoul and a mile across the border.

South of the border, a key escape route was sealed when Americans captured Hyon, a road junction on the east central front, southeast of Inje.

UN tanks and infantry pushed north Monday from all captured towns.

USA—

(Continued From Page One) bomb north of the Yalu River boundary between Korea and Manchuria.

Then Vandenberg added: "While I was and am today against bombing across the Yalu, it does not mean by any stretch of the imagination that I might not do it tomorrow, a month from now, or six months from now."

MacArthur urged the bombing of Chinese Red supply bases and troop concentrations in Manchuria as an effective way to carry the war to the Communists and avoid a "bloody stalemate" in Korea. It was his public advocacy of this strategy, plus a naval and economic blockade of Red China and use of Chinese Nationalist troops, that led President Truman to dismiss him April 11 from his Far Eastern commands.

Vandenberg, testifying at the inquiry into MacArthur's dismissal, also told the senators:

1. The Russian-built MIG-15 fighter plane used by the Chinese Communists has a jet engine "superior to any we have." He said he surmised it was developed with the aid of German technicians.

2. The Russians now have the "capability" for mass production of first rate aircraft.

3. He concurred, too, in the decision that MacArthur should be removed from his commands.

'Hot' Front Stirs Turbulent Weather In Plains Country

By The Associated Press
A "hot" front stirred up turbulent weather in the West Texas Plains country and across North Texas Sunday night.

East Texas was relatively calm. Thunderstorms boomed and winds reached 60 miles per hour. Childers, Lubbock and other points had blowing dust, with visibility reduced at times to one-quarter mile.

Points which reported rain included Amarillo with .61 inch, Dalhart .36; Memphis .02; Paris .28; Quanah .03 and 1.24 near Lake Texoma.

Prekiss temperatures were reported in the Childers area. At 3:30 a.m. Monday Childers had 71 degrees; an hour later it had risen to 85; at 8:30 it had dropped to 68.

110 At Presidio
Areas surrounding Childers had temperatures 15 and 16 degrees lower. The hot air came from New Mexico and Arizona, where temperatures had soared to record heights.

A few thundershowers were in prospect for the northwest section of East Texas Monday night and in the Panhandle, South Plains and the upper Pecos Valley eastward.

Temperatures were expected to remain about the same.

The high reading Sunday was 110 at Presidio. Galveston had 85 for the low maximum. The low Sunday night was 59 at Amarillo and the high minimum was 74 at Galveston.

At mid-morning, skies over the western half of Texas were clear and the eastern half of the state was partly cloudy with a few low clouds in the central portion and along the coast.

Congratulations To:

Mr. and Mrs. K. A. Tudor of Midland on the birth Friday of a son weighing five pounds, 10 ounces.

Mr. and Mrs. Ralph U. Pitting, 1909 West Missouri Street, on the birth Friday of a son weighing seven pounds, 14 ounces.

Mr. and Mrs. R. L. Blocker, Route 1, on the birth Thursday of a daughter, Beverly Lou, weighing nine pounds, four ounces.

ADMITTED TO HOSPITAL
Patsy Ollin, Young's Trailer Courts, was admitted to Western Clinic-Hospital Sunday for medical treatment.

Military Policeman Wins High Honors On First Day Of Combat

U. S. 7th DIVISION, KOREA — (AP)— It was May 20 and his first day under fire. His company was in a bitter fight.

Suddenly a bullet whizzed by and hit another GI standing nearby. He rushed over to the fallen soldier and started bandaging the wound. Then a Chinese grenade landed only a foot away.

The tall blond soldier calmly picked it up and was about to throw it. But it exploded, mangleing his right arm.

A few seconds later a mortar fragment caught him in the back.

That was the first day in combat for Pvt. Kenneth W. Sells of Middleboro, Ky. He was a military policeman who had volunteered for duty with a rifle company. Only five days before he had been assigned to Company K of the 17th Infantry Regiment.

Wins High Honors
And on that first day he earned his combat infantry man's badge, the purple heart, and a recommendation for the congressional medal of honor.

They still talk about it. How he walked down the hill from the battle, cradling his bloody right arm.

How, when someone offered him a cigarette, he smiled and said, "Thanks, I've got my own."

How, when the grenade went off, all he said was "I'm hit."

His buddies will tell you about Sells.

"He saved my life," said Pfc. Reuben Klem of Burlington, Vt. "That guy sure has guts."

"Some guys holler like mad for a stretcher when they get a little scratch," said Matthew Evans of Estalline, Texas. "But not Sells. He just got up and asked which was the way to the aid station."

Kiwanians Hear Report On Clinic

Operation of the Midland Diagnostic Cancer Clinic was described Monday to the Kiwanis Club at its weekly luncheon-meeting in Hotel Scharbauer.

The speaker was Dr. Lex B. Smith, one of the doctors co-operating in the operation of the clinic established last December at Midland Memorial Hospital.

Dr. Smith said the clinic was set up for two reasons:

1. To educate the public and the doctors, themselves, about the cancer problem.

2. To provide a place where patients might be examined by a group of interested and qualified doctors to determine the presence of cancer.

"I think the clinic here," said Dr. Smith, "has accomplished a great deal since it has been in operation."

Present at the meeting, too, was Dr. Kirt Leitch, executive director of the clinic.

Program Chairman Hershel Essel presented the speaker and Wilmont Hunt, first vice president, presided.

Poppies Bring \$836.93
Saturday's Poppy Day turned in sales totaling \$836.93, it was reported Monday by the Auxiliary of the Wood W. Lynch American Legion Post. The funds go to rehabilitating disabled veterans and their families.

ADMITTED TO HOSPITAL
Lucretia Brown was admitted to Western Clinic-Hospital Sunday for medical treatment.

EMERGENCY TREATMENT
Reid Hollingsworth, 908 South Colorado Street, an employe of Standard-Fryer Company, suffered head injuries Sunday when a 300-pound pipe struck him. He was given emergency treatment at Western Clinic-Hospital.

SUFFERS FOOT INJURY
Mrs. Christine Garcia, 408 East Ohio Street, was given emergency treatment Sunday at Western Clinic-Hospital for a foot injury received when she stumbled at a door step.

"And now may I present the president of the Practical Jokers' Society."

BAYLOR HONORS GOVERNOR SHIVERS WITH DEGREE
WACO —(P)— Gov. Allan Shivers Sunday was awarded an honorary Doctor of Laws degree by Baylor University.
His cousin, Jerry Francis Shivers of Woodville, was awarded a Bachelor of Laws degree at the same commencement exercises.

VETERAN RANGER DIES
FREDERICKSBURG —(P)— Last rites will be held here Tuesday for Robert Carr (Bob) Roberts, 92, a Texas Ranger during days of Indian fighting in his native Llano country area. He died Saturday.

Blind Student Wins Collegiate Honors
MANHATTAN, KAN. —(P)— John Slaven hasn't opened a textbook during his four years at Kansas State College but he's graduating with honors.
Slaven is blind.
He credits his high grades to classmates who read textbooks and notes taken in class to him. He has a 2.89 average. A perfect average is 3.0.
Slaven lost his sight in World War II. Shell fragments hit him during the Battle of the Bulge.

Runaway Boxcar Kills Motorist, Hurts 13 Others
LOS ANGELES —(P)— The wild dash of a runaway boxcar through the heart of the industrial district Sunday killed one motorist and injured 13.
The car rammed into a line of autos parked on a crossing, killing Mrs. Leona Moon, 26-year-old housewife. Five automobiles were demolished completely. The heroism of a young sailor was credited with preventing more casualties.
Yardman Waldo A. Brown was atop the boxcar on its runaway three-mile run. He said crews were switching out a freight train when the car cut off in the Southern Pacific ward.
He waved frantically from atop to passing motorists as the car soon gained speed up to 50 miles per hour on a downgrade. A Coast Guardsman, James L. Salinas, 19, Los Angeles, drove alongside and then, like a "Paul Revere," sped ahead honking his horn madly to warn cars on crossings. Brown said several other motorists would have been killed or injured if it hadn't been for Salinas' warnings.
The five automobiles hit were parked on the rails at an intersection waiting for a switch engine to pass on another track.
It took firemen three hours to free many of the injured from the tangled wreckage. Mrs. Moon of nearby Huntington Park was taken dead from her crushed auto.

Drownings Account For Half Of Texas Deaths By Violence
By The Associated Press
At least eight persons died in Texas over the weekend and drownings accounted for more than half of the toll.
Two persons were shot to death, a woman truck driver was killed in a traffic accident and another woman died under mysterious circumstances.
Mrs. Bessie Lee McAllister, 42, her hands tied and a gunshot wound in her arm, was pulled from the wreckage of an automobile near Lufkin early Sunday. She died a short time later.
Sheriff Leon Jones of Angelina County said an autopsy was being held to determine the exact cause of her death.
Jones said murder charges were being prepared against a man seen arguing with the woman in front of her home in the Odell Community, near Lufkin. The man was arrested by officers after he stopped at a farm house to ask for a drink of water.
Jones said the woman received serious injuries in the wreck and lost considerable blood from the gunshot wound.
Dulick Brown, 42, Lampasas, was injured fatally when the truck she was driving rammied a guard rail on a bridge near Sabinal Saturday night.
Ramon Trevino, Jr., 14, Orange Grove, drowned in Lake Corpus Christi, near Mathis, while swimming Sunday.
Two At Colorado City
Foy Lee Greenfield, 22, Sand Springs, drowned Sunday in a futile attempt to rescue his teen-age sister-in-law from Lake Colorado City. The girl, Pat Talley, 14, had stepped in a deep hole while wading.
Rupert Arthur Ogg, 10, drowned Saturday in the Amarillo Youth Center pool.
Carl Thomas Holmes, 51, a Dallas aircraft worker charged with murdering his former wife and wounding her fiance and sister, fatally shot himself Saturday night in Fort Worth. He walked into the yard of a brother, J. W. Holmes, and drew a .38 caliber pistol and shot himself. Mrs. Louise Holmes was shot fatally and the other persons wounded Friday night in Irving.
Myrtle Smith, 24-year-old negro woman, was shot to death Saturday night in a Seagoville tavern. Police held a suspect.
The familiar steel lockers seen in railroad, bus, and airline terminals, have an annual revenue of about 40 million dimes.

Australia's Top Military Figure Dies In Melbourne
SYDNEY, AUSTRALIA —(P)— A mourning Australia Monday readied a state funeral for Field Marshal Sir Thomas Blamey, 67, first Australian to attain that top British military rank.
Blamey was the country's foremost military hero, commander in chief of Allied land forces under Gen. Douglas MacArthur in World War II. He died in Heidelberg Military Hospital, Melbourne, Sunday after almost a year of illness.
The funeral, with full military honors, will take place Wednesday afternoon.
Blamey became a brigadier in World War I at the age of 24 and served as chief of staff to Gen. Sir John Monash during the Allied victory push in 1918. He was knighted in 1935.
During World War II he was deputy commander in chief of Allied forces in the Middle East under Field Marshal Earl Wavell and later gained renown for his "mop-up" operations during the island-hopping campaign that cleaned the Japanese from the Southwest Pacific.
He received his marshal's baton last year in a wheel chair, just after becoming seriously ill of pneumonia.

★ THE DOCTOR SAYS ★
Be Honest About Shoe Size Or Painful Bunion May Result
By EDWIN P. JORDAN, M. D.
Written for NEA Service
Almost all people who have bunions could have avoided them. The majority come as the result of wearing improperly fitted shoes—those which are too pointed or too short. Vanity, thy name is bunions.
A bunion is a swelling of the lining of the joint at the base of the big toe. The skin also becomes thickened and the whole process pushes the big toe toward the others. Needless to say the whole area is sensitive to pressure and the foot does not look its best.
Once a bunion has developed what can be done for it? A bunion which is not too bad often gets along pretty well under conservative management. This involves removing the pressure on the inflamed and thickened tissues.
The shoes must fit well and sometimes it even is necessary to cut a hole in the shoe around the bunion so that there is no pressure on it at all. Heat also may relieve the tenderness and reduce the swelling. If this does the trick well and good, but unfortunately some are so bad that more heroic measures are necessary. Surgery may be the only answer. At times part of the difficulty is the accumulation of fluid which can be removed by a needle or a small cut. But often an operation which involves removal of the excess tissue making up the bunion is necessary.
Just the right amount has to be taken out and then the bones of the big toe have to be placed in the proper position and held there until healing takes place. The latter generally is accomplished by placing the foot in a plaster of Paris cast for a while.
A bunion is one result of our civilized society. So far as I know bunions are unknown among people who do not wear shoes. They have other troubles of course, and one can't very well recommend a shoeless society.
But at least it can be pointed out that bunions as well as many other foot troubles would occur less often if more people took better care of their feet, especially in the matter of shoes. I claim that anyone who has had a bunion would agree with this.

NO MORE HARSH LAXATIVES!
"My wife had tried many kinds of harsh laxatives before she started to eat ALL-BRAN regularly. The immediate results amazed us. She hasn't been constipated since." Fred A. Moody, 623 Park Ave., Greensboro, N. C. One of many unsolicited letters from ALL-BRAN users. If you suffer from constipation due to lack of dietary bulk, try this: eat an ounce (about 1/4 cup) of crispy Kellogg's ALL-BRAN daily, drink plenty of water! If not satisfied after 10 days, return empty box to Kellogg's, Battle Creek, Mich. Get DOUBLE YOUR MONEY BACK!
