Allison Completes Midland Wildcat From Spraberry

The undeveloped and undrilled area between the Germania-Spraberry and Tex-Harvey oil fields gained another producer with the completion of Fred M. Allison Production Company No. 1 H. A. Brown. Located three and one-quarter miles south of the main Germania field and one mile east and slightly north of production in the Tex-Harvey field, the well was finished for a daily flowing potential of 388.65 barrels of 38.6-gravity oil. Potential is based on an actual eight-hour flow of 129.55 barrels of oil through a 20/64-inch tubing choke. Gas-oil ratio was 797-1 and tubing pressure ranged from 350 down to 140 pounds. Open hole from 8,928 to 7,119 feet was given a 3,000-gallon Hydrafract treatment. Pay was topped at 7-013 feet. Location is 1,980 feet from north and 960 feet from west lines of section 32, block 36, T-3-S, T&P survey.

Tide Water To Test 25 Feet Of New Hole In Martin Prospect

Tide Water Associated Oil Company No. 1 E. B. Dickinson, Central-South Martin County wildcat, nine miles west of Stanton and 12 miles north and slightly east of Midland has cut 25 feet more in the Ellenburger and is preparing to run a drillstem test on that new hole. This prospecter indicated possibilities of being a discovery from the Ellenburger when it had a recovery of 2,635 feet of free 51.5 gravity oil in a three hour drillstem test at 12,090-115 feet. No Water In Oil. There was no water in the oil. Top of the Ellenburger is at 12,090 feet. That is 9,344 feet below sea level. This wildcat showed some free oil in a drillstem test in the Devonian at 11,740-780 feet. Location is 660 feet from north and east lines of section 44, block 37, T-1-N, T&P survey.

Magnolia Is Testing Top Of Ellenburger In Andrews Wildcat

Magnolia Petroleum Company No. 1 Tom Peay, Central-North Andrews County wildcat, 12 miles north of the town of Andrews, is bottomed at 14,933 feet in the top of the Ellenburger and is taking a drillstem test. The Ellenburger was topped at 13,999 feet. Elevation is 3,160 feet. Location is three quarters of a mile northwest of Florey and 1.736 feet from east and 579 feet from south lines of section 6, league 314, Gaines County School Land survey. Has Upper Pay Zones. No. 1 Peay has previously shown as a flowing discovery from the Permian section at 8,170-8,200 feet. It also flowed free oil at 9,225-91 feet and it showed on a test at 9,268-9,308 feet. It made oil and water in the Devonian.

SE Iron Project Is Drilling Deeper

G. W. Strake of Houston No. 1-B Mrs. Lillian Seeligen Winterbottom, Southeast Irion County wildcat two and one-half miles north of the Schleicher County line, showed gas to the surface in 22 minutes and recovered 40 feet of gas cut drilling mud on a test in a Canyon sand. The drillstem test was from 5-8015 to 5,900 feet. There was no bottomhole flowing pressure. Twenty-minute shutin pressure was 2,125 pounds. Operators are preparing to drill ahead. Location is 660 feet from north and west lines of section 30, block 31, H&TC survey.

Pan American Lists Footages On Tester

Footages on the Pan American Production Company, Forest Oil Company and Houston Oil Company of Texas No. 2 Bredlow, northeast offset to the same operators recent Devonian discovery in Northwest Martin County, are 3-300 feet from east and 1,980 feet from south lines of section 258, Briscoe County School land survey. Contract depth is 12,200 feet.

NE Upton Project Is Flowing To Test

Humble Oil & Refining Company No. 1-B Louise H. Shackelford, three-quarters of a mile northeast of the same operators No. 1 (Continued on Page Five)

Rollback Powers, Easier Credit Put Into Controls Bill

WASHINGTON—(AP)—Senate-House conferees voted tentatively early Friday to permit price rollbacks on non-farm commodities to levels which prevailed just before the Korean war—provided certain cost increases are taken into account.

The tentative decision came near the end of an all-night session of the conference committee, which agreed to extend economic controls legislation through next June.

The extension measure covers wage, price, rent and other emergency curbs.

Senator Maybank (D-SC), the joint committee chairman, told reporters the group would meet again Friday afternoon to make a final decision regarding the non-farm rollback provision. He said a few other provisions also would come up for a final vote at that time.

Those matters include what to do about a proposal to scrap the ban voted on livestock slaughter quotas by both the Senate and the House.

No More Beef Cuts
The legislation would keep intact the 10 per cent beef price rollback already in effect, but would bar additional price cutbacks for that commodity. The OPS planned two more reductions, each four and one-half per cent.

The conferees agreed prices for other farm commodities could be rolled back to 90 per cent of the level of last May 19 or to the parity level, whichever was higher. Committee officials said, however, that in practice the farm rollback section could affect only a few commodities, such as cotton, wool, veal and lamb.

In its tentative form, the compromise extension bill fell far short of the kind of controls legislation President Truman has requested. The (Continued on Page Five)

U. S. Again Slashes Steel Allocations For Passenger Cars

WASHINGTON—(AP)—The government Friday ordered another five per cent cut in steel for passenger car production, effective on October 1.

Auto output in the October-through-December quarter will be cut to 60 per cent of the level of the last month had assured civilian manufacturers no further curtailments were planned this year.

At 1,100,000 cars, auto output will be about 100,000 less than in the present quarter and 400,000 under the output of the April-June quarter.

Prisoner Dies Of Injuries Suffered In Jail At Odessa

ODESSA—A 49-year-old prisoner died here Thursday night after he was "whipped and stomped" in a kangaroo court in city jail Wednesday night, police reported. He was Jack Strickland of Fort Stockton, who had been jailed on a misdemeanor charge. Police said two brothers, arrested Wednesday night on charges of being drunk, are being held, and charges in the fatal beating are expected to be filed soon. The brothers were placed in the "tank" where Strickland had been held.

Two other prisoners in the "tank" told officers the brothers said they were going to "hold court." The two men said the brothers acted as "sheriff and prosecutor."

The prisoners told police the brothers whipped them with belts and "kicked and stomped the old man."

ADMIRAL JOY IN KAESONG—Vice Adm. C. Turner Joy, senior delegate on UN negotiating team, has his photograph taken by a Communist cameraman as he leaves the conference building for lunch in Kaesong. Bringing up the rear is Maj. Gen. L. C. Cragie, another member of the team.

Solons Hear Plea For Full Aid Program

WASHINGTON—(AP)—Secretary of Defense Marshall Friday said he is "shocked" at the defensive let-down of the American people since the Korean truce negotiations.

In a plea to senators, Marshall asked that Congress approve the full \$6,300,000,000 Administration asks for foreign arms aid.

He said that if it came to a choice it would be better to cut funds for the United States' own armed services rather than trim the money intended to strengthen Western European forces.

The program will provide "only the essential military requirements" in 1952 for Gen. Dwight D. Eisenhower's armies, Marshall said, and stressed that the "major purpose" is to prevent another war, not just to defend Europe in case of war.

Deserter To War
"The best deterrent to war is being prepared," he said. Marshall testified before the Senate Foreign Relations Committee, whose members learned with some dismay Thursday that the \$8,500,000,000 asked now for foreign military and economic aid is only the first part of a three-year program to cost about \$25,000,000,000.

The \$8,500,000,000 includes \$6,300,000,000 for arms aid and \$2,200,000,000 for economic assistance.

Even if the Mexican cabinet approves the terms Friday, there is no chance it can be signed before Saturday. One source said the translations must be finished and checked and then the whole draft, some 35 clauses, mimeographed before the formal signing.

U. S. Guarantees Wages
Some 200,000 harvest hands will be contracted for, to start to the U. S. within six weeks. The U. S. will take as many as possible from the center of the country, but will use workers from border areas if the railroads cannot haul all the 200,000 from the center area.

The agreement will be for six months and Mexico will not renounce it unless the U. S. law is changed to impose criminal punishment on farmers who use illegal alien workers (wetbacks).

The U. S. will guarantee payment of wages to the workers if the employer fails to pay. The U. S. also will pay the cost of moving workers to the U. S. and feeding them en route, but U. S. farmers will repay \$15 of this cost per man.

Continued Heat Forecast In State
By The Associated Press
Scattered showers may bring some relief from the heat for some lucky Texas areas Friday night and Saturday.

But the weather picture, in general, was one of continued heat. Lufkin, in East Texas, reported a 2.7-inch rain Thursday. Other rain was reported in light amounts in the east half of the state.

The hottest spot in Texas Thursday was Laredo, 104 degrees. Low was the Alpine-Marfa area's 88 degrees. Other temperatures were: Cotulla and Corsicana, 103; Del Rio and Presidio, 102; Alice, 101; Dallas and Wink, 100. Most readings in the state were in the high 90's.

Ford Says Wildcat Strike May Close Plants Over Nation
DETROIT—(AP)—The Ford Motor Company Friday said its entire national operations were threatened by a wildcat strike at a small but vital Michigan parts plant.

Ford, acting as labor unrest idled 32,000 workers elsewhere in the auto industry, appealed for help directly to CIO United Auto Workers President Walter Reuther.

There was no immediate reply from the union chief. Ford's parts plant at Monroe, Mich., employing about 2,000 men, was closed Thursday by a strike over a worker's disciplinary layoff. Management said an "irresponsible minority of workers" was to blame.

Across the nation, Ford employs approximately 110,000 production workers. Reuther's intervention was asked by Ford in a telegram warning that all its plants in the country might have to close.

Jailed Reds Protest At Heavy Bail

SAN FRANCISCO—(AP)—Top California Communists, angry over surprise arrests and a government demand for \$75,000 bail each, went into federal court Friday with demands for freedom on smaller bonds.

Twelve California Communists, including the pinch-hit national party leader, William Schneiderman, 46, were jailed Thursday. All were charged with conspiracy to publish material advocating overthrow of the government.

Schneiderman was arrested in New York and held in lieu of \$100,000 bail. He took over the top party spot after the conviction of 11 Communist leaders in New York last year.

Three Women Released
Four here and four more in Los Angeles were told to put up \$75,000 each, or go to jail. They went to jail, angrily protesting "no one but an underworld kingpin" could post any such amount.

Two San Francisco women were freed on \$2,500 bond each and a third on \$7,500.

Friday's court fight will center about those bonds also. The government wants them raised. U. S. Attorney Chauncey Trantulo contents:

"Without high bail there is a great danger they will become fugitives."

It was that argument which caused U. S. commissioners here and in Los Angeles to demand \$75,000 bail each of the other eight.

Trantulo said a federal grand jury in Los Angeles will be asked next Wednesday to indict all 12. He originally demanded that those arrested here be denied bail.

Continental Asks Tulsa-Kansas City Operations Permit

WASHINGTON—(AP)—The Civil Aeronautics Board had before it Friday a plea by Dallas and Tulsa for non-stop service via Braniff Airways.

Stops now are made at Oklahoma City, Dale Miller of the Dallas Chamber of Commerce said the non-stop flight would almost halve the flying time between the cities.

Continental Air Lines asked for a line from Tulsa to Kansas City, saying this would bring new, one-carrier service to Wichita Falls, Midland, Odessa, Lubbock and El Paso.

The Post-Dispatch has charged that both Boyle and Finnegan were on the payroll of the firm, Boyle at \$500 a month and Finnegan at \$1,000. The newspaper said that, in all, Boyle received about \$8,000 in monthly installments.

Boyle has acknowledged he was on the firm payroll for a short time and received "some legal fees," but maintained he had quit law practice shortly after he became head of the Democratic Party.

President Truman said in Washington Thursday he was looking into charges concerning Boyle, his close friend. He added he couldn't comment until he knew the facts. Boyle denied a rumor circulating in Washington Thursday night that he was resigning his Democratic chairmanship.

Police Force Gets Two New Members

The appointment of two new members of the Midland Police force was announced Friday by Police Chief Rube Hemingway.

They are Glen Gray, former dispatcher for the Peeco Police Department, who will be a policeman, and Mrs. Betty Williams, who has taken over duties as a police dispatcher.

★ LATE NEWS FLASHES ★

WASHINGTON—(AP)—Secretary of Defense Marshall said Friday the United States expects to have 340,000 ground troops and 60,000 airmen on duty in Europe in 1952.

WASHINGTON—(AP)—The House Friday passed unanimously and sent to the Senate, at the President's request, a resolution declaring the war with Germany, which started Dec. 11, 1941, officially terminated the moment the President signs the legislation.

WASHINGTON—(AP)—The Senate Friday passed an Agriculture Department money bill after adding more than \$120,000,000 to funds approved by the House.

Red Answer Is Expected On Saturday

UN ADVANCE HEADQUARTERS, KOREA—(AP)—The Allies told the Communists Friday where they want to draw the cease-fire line in Korea—and why.

Vice Adm. C. Turner Joy, chief United Nations delegate, explained the Allied position in detail as negotiators got down to the meat of armistice talks in their eleventh meeting at Kaesong.

Admiral Joy talked 52 minutes. He gave the Reds two marked military maps to picture his position.

The five Communist generals made no comment. Instead they asked for, and got, an adjournment until 10 a.m. Saturday (6 p.m. CST Friday).

North Korean Gen. Nam Il, spokesman for the Red delegation, presumably will present the Communist reply at that time.

The general understanding is the United Nations is pressing for a demilitarized zone roughly along the present battle line. The Communists want it along the 38th parallel.

Starting from a point 35 miles north of the 38th parallel on the east coast, the battle lines run roughly 15 to 20 miles north of 38 for 75 miles to Chorwon. Then they drop sharply south along the Imjin River, crossing the parallel at a point east of the Kaesong armistice site.

Joy Opens Negotiations
Joy's statement, opening actual negotiations for an armistice, took most of Friday's 72-minute session. The first 18 minutes were devoted to procedural matters. The two delegations reached agreement in principle on just how to tackle the four major points of their truce talks, a UN announcement said, and named teams of officers to work out the details.

Then Admiral Joy leaned his elbows on the green-topped conference table and began reading a prepared statement on the Allied position. It was described officially as a "sparsely phrased and logical presentation."

"Joy expressed a military viewpoint," said Air Force Brig. Gen. William Nuckols, Allied spokesman who was present. "This (military view) is the area to which UN delegates have frequently stated they will confine themselves."

Both Joy and Nam leaned forward with their elbows on the table. "They were closer together, physically, than they have been for some time," Nuckols said.

Only once was Joy interrupted. A Korean interpreter asked him not (Continued on Page Five)

City Council Gives Go-Ahead Signal On New Paving Program

A 125-block paving program, with a few minor adjustments, finally was turned over to the contractor Thursday afternoon.

A spokesman for the Collins Construction Company said representatives would begin immediately the job of signing up affected property owners and actual paving will begin next month.

The last hurdle was cleared at a special hearing Thursday before the City Council at which property owners had a chance to voice any protests.

Only a handful made an appearance with scattered objections to street widths in their neighborhoods or questions about costs.

Three Midland real estate men told the council that, in general, the value of the property would be increased by at least the cost of the paving itself. The real estate men were Cecil C. Boles, Barney Graff and Ted Thompson.

Members of the council present included Mayor Perry Pickett, Councilmen Jack Wilkinson, J. W. McMillen and Johnny Starr.

Reversal Asked On Phillips Gas Ruling

WASHINGTON—(AP)—The Federal Power Commission was urged Friday to assume jurisdiction over rates charged by Phillips Petroleum Company for natural gas.

The request was made by Senator Wiley (R-Wis.) in a letter to Chairman Mon C. Wallgren. He asked a rehearing of the case.

The commission recently ruled four to one it does not have jurisdiction over the gas rates charged by Phillips, which sells its gas to several pipe line companies. The formal decision has not been issued.

IRAN: Cockpit for Conquest

Under Reza Khan, who became Shah Reza Pahlavi in 1925, the well over Persian civilization was literally raised. Fierce tribesmen were disarmed, communications progress effected and industrialization encouraged. In 1933, the Shah had managed to nullify his country's 60-year oil agreement with Great Britain and win higher royalties. A third country now entered the struggle for the economic control of Iran, the intruder was Nazi Germany.

So strong was Germany's foothold in Iran that both Great Britain and the U. S. S. R. occupied the country during World War II. At the 1942 Tehran Conference, however, Shah Muhammad Reza, who succeeded his father in 1929, received the assurance of President Roosevelt, Premier Stalin and Prime Minister Churchill that his country's independence would be respected. In 1943, Persia declared war on the Axis powers.

Illustrated by Ralph Lane

Today the once-mighty conqueror of the Middle East is making another bid for world eminence through nationalization of her billion-dollar oil industry. As a result of unsatisfactory royalty negotiations, she has ousted British oil technicians, though lacking talent of her own. An 800-mile frontier with Russia and a 2000-year history that has revealed every seeming path to glory to be a road to ruin causes the world to wonder what fate will next decree for tiny Iran.

MacArthur Maps Plans For Series Of Political Talks

NEW YORK—(AP)—Gen. Douglas MacArthur is mapping plans for a series of major speeches on foreign and domestic issues, an authoritative source said Friday. MacArthur returned Thursday night from a railroad tour of Southern and Western New England. He addressed a joint session of the Massachusetts House and Senate in Boston on Wednesday night. The informant, who declined use of his name, said MacArthur has a tentative schedule of six speeches, to be delivered in widely separated points in the United States. His next appearances, the source said, probably will be in Ohio and in Miami Beach. All six will be delivered before the end of 1961, he said.

GOP 'Get-Acheson' Drive Fizzles Out

WASHINGTON—(AP)—Another Republican-powered "Get-Acheson" drive has failed. The end came Thursday when the House passed and sent to the Senate a \$1,045,940,115 appropriation bill financing the State, Justice and Commerce Departments and the federal courts for the fiscal year which began July 1. Acheson had tried—unsuccessfully—to saddle the bill with a rider which would have cut off his pay. Also defeated was the Republican-sponsored move to slash the budget of the "Voice of America." This is the State Department's overseas information program designed to sell the American way of life to foreign-born, especially those behind the Iron Curtain. Republican ranks split in both drives, while Democratic lines held firmer than usual. Acheson's salary was saved by a standing vote of 171 to 81, the voters not being recorded by name. There was no organized attempt to force a recorded roll-call vote. A top heavy roll call of 245 to 141 beat back the attempt to cut the "Voice" budget from the \$115,000,000 requested by President Truman to \$70,000,000. The House voted the \$85,000,000 recommended by its Appropriations Committee.

Ex-Matinee Idol Bill Powell Takes Character Role In Stride

By ERSKINE JOHNSON NEA Staff Correspondent HOLLYWOOD—Guys and Dolls: William Powell's skin may not be as smooth as Tony Curtis' and his walk may not be as springy as Lex Barker's, but he's going right on with his movie career. No retirement for Bill, but a new lease on stardom as a character actor in the Walter Huston tradition. He tossed it to me at U.I.'s "Treasure of Franchard" set: "It's a normal progression and it should happen. It's about time I began to act my age." Bill shucked his debonair "Thin Man" a couple of years ago to play oldsters in "Life With Father," "Mr. Peabody and the Mermaid," and "Dancing in the Dark." But this time he's aghastening the Pinza tip, too. "Men," said Bill philosophically, "do remain dapper once the sex appeal folds up."

Teen-Ager Admits Starting Blaze In Which Eight Died

SAN FRANCISCO—(AP)—A teen-ager who paused for a smoke said Friday he accidentally started a conflagration which killed eight persons. He was charged with manslaughter. Chief Homicide Inspector Frank Ahern reported Kenneth Skinner, 17, related: "He delivered newspapers in the four-story apartment building at dawn Sunday. Standing near drapes in the lobby, he ignited his cigarette lighter for a smoke. 'There was a flash and the whole thing went poof.' Firemen agreed readily. Arriving an estimated 20 minutes after the fire started, they found the wooden building a raging inferno. Seven women and one man died of suffocation. More than a score of residents, and several firemen, were burned or injured. Asked To Give Alarm Young Skinner said he was too frightened to sound an alarm, and continued on his paper route. Ahern said the boy admitted he first ransacked the lobby, looking for something that would be useful. It was only his second day on the route. Ahern said Skinner has a juvenile record, including a recent admission of taking \$87 from a filling station where he worked. The high school youth was questioned as one of several persons known to have been at the building. After several hours, he told his story to officers and reporters. He added: "I have had bad dreams about them (the eight dead). Bad dreams I was thinking about it all night and at work today. After I've talked, I feel a hell of a lot better."

Arsenic Blamed In Cattle Deaths

AMARILLO—(AP)—The mysterious death of 38 cattle on the Sam Wolford ranch in Sherman County last week has been solved. Arsenic was the killer. Dr. Charlie Thompson, Dalhart veterinarian, said the poison was found in the vital organs of the dead cattle by laboratory technicians in Dallas and Fort Worth. He said a survey failed to uncover any crop dusting recently within a three to four-mile radius of the Wolford ranch. It still was a mystery how the poison got into the pasture. Firemen agreed readily. Arriving an estimated 20 minutes after the fire started, they found the wooden building a raging inferno. Seven women and one man died of suffocation. More than a score of residents, and several firemen, were burned or injured. Asked To Give Alarm Young Skinner said he was too frightened to sound an alarm, and continued on his paper route. Members Disagree On McGee's Fate

AUSTIN—(AP)—Two Board of Pardon and Parole members divided Thursday on whether Richard W. McGee has tried all court routes that might reverse his death sentence. R. A. (Smoot) Schmid brought the divergence sharply into the open following a third clemency hearing in the case. "McGee's attorneys have not exhausted their remedy at law," he told reporters. "As far as I am concerned, I don't agree with that," Board Chairman Lyle C. Harris quickly interjected. The third board member, T. B. White, did not indicate his attitude. McGee is slated to die in the electric chair next Thursday for the July 7, 1948, slaying of R. L. Alliston of Lubbock.

Airliner With 48 Aboard Makes Safe Tail-Down Landing

NEW YORK—(AP)—A DC-4 airliner carrying 48 persons made a safe tail-down landing at Idlewild Airport Thursday night after skidding 2,000 feet in a shower of sparks and flame. The 43 passengers and two crew members huddled to the rear of the plane, taking baggage with them, to avoid weight on the tail. Despite the sparks and flame, no fire broke out on the plane and there were no injuries.

Summer Mummies Presents Melodrama

Straips of "Show Me The Way To Go Home" barely could be heard above the laughter and merrymaking of the audience when the American Legion Hall was turned into a nineteenth century Music Hall Thursday night.

The occasion was the special performance of the Summer Mummies production of the melodrama, "Gold In The Hills" given for the employees of Shell Oil Company. It will open to the public Friday night.

The Music Hall was complete with waiters dressed in white with red bow ties, girls selling confections and a piano being played in one corner in accompaniment to the community sing. The audience, grouped around tables drinking their favorite beverage, responded to the melodrama with boos, cheers and tossing coins.

Opens In Home

The three act melodrama opened in the gay Stanley home, but the incidents that followed brought unhappiness to the old homestead. The second act takes place in Big Mike's Beer Garden on the Bowery where dirty work is afoot and danger stalks little Nellie. But the third act brings the family back to the old homestead again on Christmas eve where the villain is captured and the dead sister's secret is found out.

Art Cole, director of the Community Theater, sets aside his directing for the Summer, and does a wonderful job playing the part of John Dalton, a son of the soil. He steals the heart of the audience when he says "Beneath this flannel shirt there beats an honest heart" and when he strikes a blow for defenseless womanhood.

Bill Adam playing the part of Hiram Stanley, an honest farmer, again proves his acting ability and, as usual, was great. The entire cast did a wonderful job making the show a success.

The play will open to the public at 8:30 p.m. Friday in the American Legion Hall. Other performances will be given Saturday, August 3, 4, 10 and 11.

Tickets are on sale at Tailorline. The proceeds will go to the Community Theater Building Fund.

Will Meet Saturday

The Midland Officers Club will have a barbecue at 7:30 p.m. in the clubhouse.

Even though a recipe may call for boiled chicken, tongue, or corned beef, these foods should be simmered rather than boiled. To simmer means to cook just below the boiling point.

Greece, Turkey Strengthen Pact

Great Britain's decision to support the inclusion of Greece and Turkey in the North Atlantic pact marks a big stride forward in the buttressing of Western defenses.

What apparently turned the tide in Britain was a growing appreciation of how strongly the two nations, especially Turkey, felt about gaining NATO membership.

The strategic importance of these two countries is greater than regional. If by some mischance they fell into Communist Russia's hands, the nations of Western Europe would be outflanked.

Perhaps the most heartening thing about this new development is that it offers proof that differences among the Western allies can be ironed out.

So long as the will exists among the Western nations to magnify their agreements and minimize their differences, the fundamental strength of their alliance will not be endangered.

After vainly trying to shake off his Secret Service shadows for six years, President Truman apparently has decided they're with him to stay.

JACOBY ON BRIDGE

By OSWALD JACOBY Written for NEA Service Probably South should have passed three no-trump, allowing his partner to play the hand. However, a spade opening would leave three no-trump dependent on a good guess in hearts. That good guess—or good play—was all South needed to make four hearts.

Bridge hand diagram showing North (D) 27, West, East, South, and N-S vul. Cards include ♠K62, ♠A10, ♠Q10, ♠QJ84, ♠Q93, ♠A1075, ♠Q75, ♠8763, ♠AK752, ♠63.

South won and returned a club to West's ace. West then led another diamond, and South won again. South thought he was safe by now, and speedily cashed the king and then the ace of hearts. Then he tried to cash the queen of clubs, but East stepped right in with the queen of trumps and laid down the ace of spades to set the contract.

He can be sure that West has at least one more club, for West would have opened the ace of clubs from the doubleton, according to East's follow-up suit. South is safe. He discards a spade, cashes the third diamond to discard another spade and then leads the jack of clubs to get rid of his two last spades. By this means only two clubs and one trump can be lost.

Q-With East-West vulnerable, the bidding has been: West North East South 1 Heart Pass 2 Heart Pass 3 Heart Pass 4 Clubs 8-3. What do you do? A-Bid two spades. This indicates a strong hand with good distribution. Partner should make some bid with something like one honor trick, in which case you will bid game.

TODAY'S QUESTION The bidding has been the same as in the question just answered. You, South, hold: Spades K-6, Hearts 8-4, Diamonds K-Q-3, Clubs A-Q-J-8-4. What do you do? Answer Sunday President Hoover originated the practice of having a private phone on his desk.

WASHINGTON COLUMN

Eric Johnston Has Answers Regarding Price Controls

By PETER EDSON NEA Washington Correspondent WASHINGTON—Economic Stabilizer Eric Johnston went back to school teaching as soon as the House Committee of the Whole had finished its action on the price control bill.

A quart of milk in a paper container, four apples, three big baking potatoes, a dish of potato chips, six eggs, three grapefruit, three lemons, three oranges and a handful of cigarets. To complete the schoolroom atmosphere, there was a United States flag in the corner.

Teacher Johnston was late in arriving, so the reporters and photographers—to carry out the schoolroom atmosphere still further—folded sheets from the big memorandum pads into paper darts and threw them at each other. They were jets, of course. It was a propitious start for a big press conference.

When Johnston finally arrived, one of the reporters asked him why he hadn't said, "We couldn't find any," he said.

He began with a statement. The Congress had been asked to protect the United States in time of crisis. Instead of that, the American people had been kicked in the teeth.

Just The Opposite The amendments which Congress had added to the price control renewal legislation were contradictory, unenforceable, and would have the opposite effect from what their sponsors were advocating.

One amendment (introduced by Rep. Jim Davis of Stone Mountain, Ga.) would freeze the American economy in a glacier for 120 days, except for the two most important items of food and rent—on which there could be no controls at all.

Another amendment (introduced by Representative Poage of Waco, Texas, and amended by Rep. Albert M. Cole of Holton, Kan.) would "guarantee inflation," Johnston declared. It would provide three things: All raw materials must be sold at current or parity prices, whichever was higher. All costs would be included in determining prices. A reasonable profit would be guaranteed on every item produced. This reasonable profit was defined as a minimum of 85 per cent of the best profit in the 1946-49 three-year period.

Then Johnston went over the stock of groceries on the table before him to show how these things would work. He held up his cigars. Tobacco was now selling at 49 cents a pound, which was 81 per cent of parity. Under this Poage amendment, however, a cigar maker could enter the cost of the tobacco as 61 cents a pound. The tobacco farmer wouldn't get any more money. But the processor would be able to increase his price by 20 per cent or more.

Johnston held up his apples. They were now selling in the east at \$1.89 a box. But 200 cars of apples had just been dumped in Yakima, Wash., because there were no buyers. 50 cents a box. The parity price that would have to be charged under the House amendment would have to be \$2.89 a box.

He held up his potatoes. Present price \$1.08 a bushel. Parity price \$1.82. He held up the potato chips. In figuring what price to charge for them, the chip maker would be permitted to say that the potatoes cost him \$1.82, instead of \$1.08. Sheets of The Balance

The same for eggs, he said. They were now selling for 49 cents a dozen, which was 94 per cent of parity. Yet in making mayonnaise or powdered eggs, the processor would be permitted to enter the cost of his eggs at the parity price of 53 cents a dozen.

And the same for the lemons, oranges and grapefruit, in processing for frozen or concentrated juices. Grapefruit, for instance, were selling for 53 cents a box, while parity was \$2.02—almost four times as high.

It was inconceivable, said Johnston, that Congress would approve these amendments on final roll-call vote, or in conference with the Senate. Yet it was important that the people know and understand what the House had done.

The people had asked for meat, and they had been given amendments. I believe all business is entitled to a reasonable profit, but not the license to extort. (The nation) cannot survive the ordeal of certain segments of the population engaged in all types of legalized theft.

—Phillip Murray, president CIO. This is becoming known as the Tuesday, Wednesday, Thursday Congress. You can't keep senators on the floor on Friday, and you can't get them back here on Monday.

—Sen. Earnest W. McFarland (D-Ariz.). Every time the Soviet Union makes a peace move, I get scared. The end of the Korean war is simply a change of strategy by the Soviet Union, but not a change of their intentions. They intend to conquer the world.

—Gov. Thomas E. Dewey. Jumping to conclusions is not half the exercise as is digging for facts. —Edward R. Murrow, radio newscaster.

Ours is an age which is proud of machines that think, and suspicious of any man who tries to. —Howard Mumford Jones, Harvard University professor. In 1659 it was unlawful in Massachusetts to have a Merry Christmas.

THE GILA MURDER BY JULIUS LONG

THE STORY: Laura Colton, wealthiest woman in Coltonville, died of a heart attack after being bitten by a Gila Monster, which Pat Baker, county prosecutor, says was part of the stove company's meat of her car for the purpose of murdering her. There has already been a sharp exchange of words between Baker and Sam Colton, the widower.

He turned on his heel and walked to his car. Just as he reached it a rather weak, thin voice said: "An uninhibited type, my sister," Baker turned. Lawrence Colton eyed him through thick-lensed glasses. His expression was that of a youth who knows that he is not well received and does not expect a friendly look. Most of Coltonville resented him, and he knew it. He had a way of looking at others as if they were laboratory specimens, and not too zoologically advanced specimens at that.

 separate bills passed earlier by the senate and House were minus most of the additional controls authority the President sought.
Easy Credit Terms
 The conferees also approved more liberal consumer credit controls than the Federal Reserve Board now has in effect, covering the installment purchase of new and used automobiles and such household items as radios and television sets.
 The conferees accepted a House provision on consumer credit requiring a maximum down payment of 15 per cent with at least 18 months to pay the balance on household appliances, including radios and television sets.
 At present, a 25 per cent down payment is required on those items, with only 15 months to pay.
 The committee also voted to require a down payment of no more than 15 per cent and no less than 18 months to take care of the balance in the case of household furniture and floor coverings.
 The present requirement of those items is 15 per cent down and no more than 15 months to pay the balance.

 After he had spoken for almost half an hour, the American admiral produced a colored map to illustrate "a major point he was making," Nuckols said.

 General Nam gave no hint of the Communist reaction.
 "There were no hard feelings," Nuckols commented.

Electrocution Ruled In Death Of Shipp

The death of Jackie Dewayne Shipp, 18-year-old oil field worker of Morton who died Wednesday night, was said to be due to electrocution in a coroner's verdict returned Thursday by Justice of the Peace L. C. Stephenson.
 Stephenson said Shipp was electrocuted when he came in contact with a 220-volt wire at a drilling rig southwest of Garden City, in Glascock county.
 It was estimated Shipp died in Midland county while enroute to Midland Memorial Hospital, Stephenson said.
 Shipp, and his brother, Billy Shipp, had been living in Rankin about a week. The body was sent to Morton Wednesday night for funeral services.

Permian Basin Oil And Gas Log—

(Continued From Page One)
 Tippet, recently completed Spraberry strike in Northeast Upton County flowed an average of 12 barrels of new oil per hour, with a shale-cut of one per cent basic sediment and drilling water from a fractured shale section just above the Spraberry sand.
 The flow came from the open hole section at 7,181-7,237 feet and was natural.
New Coring Ahead
 The project is now coring ahead below 7,250 feet and will go on into the Spraberry and test that formation.

Spraberry Extender Completed In Upton

E. E. Fogelson and Edwin W. Pauley have completed their No. 1-21 W. E. Hunt as a one and one-half miles southwest extension to the North Pembroke field of Northeast Upton County.
 It was finished for a daily flowing potential of 612 barrels of high-gravity oil and no water through a one-half-inch tubing choke.
 Production is from open hole at 7,065 and 7,199 feet. That section was given a 1,500-gallon hydrofract treatment.
 The daily production is based on an actual six hour flow. The last hour of that period the extender made 27 barrels of oil and was flowing steady when the choke was closed.
 The Spraberry was topped at 7,125 feet, an elevation of 2,728 feet.
 Location is at the center of the northwest quarter of the southwest quarter of section 21, block D, EL and RR survey.

Homann Area Gets Deep Prospector

Honolulu Oil Corporation, Gulf Oil Corporation and The Atlantic Refining Company have staked a 10,000-foot wildcat on the northeast side of the shallow Homann Gas field of Central Gaines County, eight miles northeast of Seminole.
 No. 1-A T. S. Riley Estate will be 810 feet from south and 660 feet from west lines of section 75, block G, WT survey. Drill site is 150 feet north of the same operator's No. 1-75 Riley, a Yates Sand gas producer above 3,493 feet in the Homann field.
Deepening To 10,000 Feet is slated for Gulf No. 1-A Carrie S. Dean, 660 feet from west and 1,980 feet from north lines of section 29, block 1, J. Pottevent survey. It was plugged and abandoned by James H. Snowden and Associates on total depth of 7,530 feet in the Spraberry. It was drilled by Snowden as the No. 1-29 Dean.
 Drill site is one location southeast of Snowden and Associates No. 1-30

Midland Firm Stakes Tom Green Explorer

MJ&M Consolidated of Midland is to drill its No. 1 M. D. Bryant as a 6,000-foot wildcat to test through the Pennsylvanian times in Southwest Tom Green County.

Spraberry Extender Completed In Upton

E. E. Fogelson and Edwin W. Pauley have completed their No. 1-21 W. E. Hunt as a one and one-half miles southwest extension to the North Pembroke field of Northeast Upton County.
 It was finished for a daily flowing potential of 612 barrels of high-gravity oil and no water through a one-half-inch tubing choke.
 Production is from open hole at 7,065 and 7,199 feet. That section was given a 1,500-gallon hydrofract treatment.
 The daily production is based on an actual six hour flow. The last hour of that period the extender made 27 barrels of oil and was flowing steady when the choke was closed.
 The Spraberry was topped at 7,125 feet, an elevation of 2,728 feet.
 Location is at the center of the northwest quarter of the southwest quarter of section 21, block D, EL and RR survey.

Schleicher Tester Gets Big Gas Flow

According to unofficial and unverified sources, Wesley W. West of Houston No. 1 Christena Mittel, wildcat in Central-North Schleicher County, flowed gas up to an estimated 12,500,000 cubic feet per day on a drillstem test.
 Total depth at the time of that test was 6,112 feet according to the same sources.
 A 20-foot core was cut and the new section from 6,112 to 6,132 feet was drillstem tested. Gas flowed at the estimated rate of 5- to 6,000,000 cubic feet daily and some distillate.
 At last report the project was being cored again.
 Location is in the center of the southeast quarter of the northeast quarter of section 77, block TT, TC survey and three and one-half miles northwest of production in the Huldale, North-Lower Canon field.

Wilshire In Upton Gets More Projects

Sinclair Oil & Gas Company spotted locations for two more Ellen-

burger prospectors in the Wilshire-Pennsylvanian-Ellenburger field of West-Central Upton County.

No. 4 R. S. Windham will be 1,964 feet from north and 660 feet from east lines of section 128, block D, CCSD&RGNG survey.
 The firm's No. 7 McElroy Ranch will be 3,202.9 feet from south and 660 feet from east lines of section 129, block D, CCSD&RGNG survey.
 Each of the tests will operate under permit to dig to 12,700 feet.

Test Spotted In Pembroke Sector

General American Oil Company of Dallas will drill its No. 1 L. C. Proctor at the extreme east edge of the North Pembroke field of Northeast Upton and Northwest Regan County.

The test will be on the Regan side of 660 feet from south and west lines of the northwest quarter of section 40, block 37, T-5-S, T&P survey.

The Spraberry test will be drilled to a possible bottom of 8,000 feet.

DADDY RINGTAIL

By WESLEY DAVIS

GOIN' ON A MOTOR TRIP?
FOR PLEASANT DRIVING
HERE'S A TIP...CHEW
WRIGLEY'S SPEARMINT!

Daddy Ringtail And Cabbages And Kings
The Huffen Puffen, the friendly wolf, was wanting to be a king, he was. He said he was wanting to be a king. He said it to Daddy Ringtail, your monkey friend. He said it while they were sitting out in the swing on the porch of the monkey house, high in the top of the very tall tree, there in the middle of the Great Forest.

"I wish, I do," said he Huffen, "that I were a king."
"Now, now, now," said Daddy Ringtail, "Mother Ringtail will soon be calling us in to eat our supper."
"3-2-2-2-2"
Don't you be fretting yourself, Huffen Puffen."
"Oh, I am not fretting myself, I'm not," said the Huffen, "but I still would like to be a king."
Daddy Ringtail smiled to hear the words. Daddy Ringtail remembered once before when the Huffen had wished to be a king. The Huffen had wished to be a king so he could try to make other people happy with many acts of kindness. Oh, but the Huffen had discovered at last that anyone can do many acts of kindness: anyone can try to make others happy: the anyone does not have to be a king to do it. "Don't you remember, Huffen?"
"Oh, I remember, I do," said the Huffen. He also remembered the time when he was king for a day.

He had been king of the Uphill River country, except no one lived there any more, because all the uphill water in the Uphill River had flowed on up and away.
"Now, now, now," said Daddy Ringtail once again, "because he remembered how unhappy the Huffen had been to discover there were no people there in the land of the Uphill River where the Huffen was king for a day."
"Uhuh," said the Huffen, "but I still wish, I do, that I were king, so I could eat a fine plate of cabbages, because I think I small cabbages cooking, I do."
"Indeed you do small cabbages," said Daddy Ringtail, and Mother Ringtail called from inside the house to say: "Cabbages are ready, everybody! Come to supper, everybody!" And so the folks hurried in to supper, and there was a fine plate of cooked cabbages all waiting and ready to eat. The supper was fit for a king, and so the Huffen felt like a king indeed, all on a very happy day.

MAKE WORK LIGHT
OHIO STATION, ONTARIO—
Two hundred neighbors raised Howard Crawford's 35-by-96-foot barn in a day. The new structure replaced the barn Crawford lost in a fire last August.

Our Daily Bread

The years have brought poverty and privation to this aged gentlewoman, but they have not destroyed her spirit nor dimmed her faith in God.

She earns a scanty subsistence for herself and her dependent grandchild with her own hands, but she holds no bitterness in her heart and is as grateful to God for her frugal loaf as if it were a feast of the finest foods.

It takes faith and strong character to weather the storms of adversity without damage to the soul.

There are people who enjoy abundance without the remotest thought of God's providence. When misfortune comes and their house of sand crashes, they go down with it. They lack the sustaining power of an humble heart and active faith.

Religion teaches men to enjoy prosperity with humility, and to rise above misfortune through honest effort and faith in God.

This fine old mother, who thanks God for her loaf and pitcher, has not lived and wrought and trusted in vain. Her life and her faith are the glory of humanity and the hope of the world.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Cleveland, Red Sox, Win Games

By The Associated Press
Bob Feller became the first 15-game winner in the major leagues as he pitched the Cleveland Indians to a 9-4 victory over Allie Reynolds and the Yankees Thursday. The victory was the first for Cleveland in the stadium in 12 months and 12 days.

Clyde Volmer personally directed the Red Sox to a wild 13-10 victory over Chicago's White Sox. Volmer had three home runs, one with two on in the sixth to break a 10-10 tie. Now Boston trails New York by two percentage points. Chicago is three and one-half games deep in fourth place.

Detroit staved off Washington's threat to take over fifth place with a 6-3 victory over the Senators. The Philadelphia Athletics bowed to the St. Louis Browns, 6-4, in the only night game of the league.

Don Newcombe turned in his fourteenth win of the season with a 9-1 decision over the Chicago Cubs. The victory lengthened the Dodger lead in the National League to nine and one-half games.

Vern Bickford needed help but stayed long enough to pitch the Boston Braves to a 6-2 win over the Cincinnati Reds.

The Philadelphia Phillies blanked St. Louis, 7-0, in a night game. New York and Pittsburgh were not scheduled.

400 Watch Shorthorn All-Stars

Four hundred fans saw the Traveler-Bronc nine outscore the Rotary-Comanche team, 13-12, in the Shorthorn League's annual all-star game Thursday night at Indian Park. Both teams had three members of the first-place Jay-Cees.

The losers scored five runs in the first inning, only to see the Traveler-Bronc team also score five in the fourth frame.

Julian Lopez was the star of the game. Playing shortstop for the winners, he banged out a home run and a triple, as well as turning in a fine defensive performance. Walter Bingham was the leading hitter for the losers, getting three hits.

John Redfern managed the losing Rotary-Comanche team, while Charles Goodson was the winning pilot.

Awards
Bill Glidewell presented individual cups to the members of the team winning last year's contest, shortly before the start of the Thursday night game.

Playing for the winning Traveler-Bronc-JayCee nine were Munos, Lopez, Stringer, Jones, P. Reyes, Proctor, Jobe, H. Vanderpool, Cooper, A. Reyes, R. Vanderpool, Gonzales, Buenavillas and Hamlin.

For the Rotary-Comanche-JayCee team, performers were Clairborne, Hayhaw, Farris, Bingham, Brooks, Shrum, Sayer, Mills, Harris, Bowman, Moreno, Thomas, Roberts and Gregory.

Gonzales was the winning pitcher. Myron Harris the loser.

Indians Trip Broncs, 6-4

BIG SPRING—Israel Ten, Midland's new pitcher recently acquired from Artesia, won a 6-4 decision from the Big Spring Broncs here Thursday night with help from Eddie Jacome.

Ten loaded the bases in the seventh. Jacome came in, walked one run in, then settled down to allow but one hit in the final three innings.

Ten also drove in a run with a double, in the fourth inning.

Catcher Gordon Tanner bopped his fifth home run of the year in the sixth inning with the bases unoccupied. Three consecutive singles in the first inning—by Scooter Hughes, Julio de la Torre and Hayden White scored the first Indian run. In the fourth, White singled, took second on a wild pitch and scored when Gibbs singled. Gibbs came in on Ten's double.

Scores On Error
After Tanner homered in the sixth, Bonura, Gibbs and Crumley singled to load the bases. Bonura scored on an error, when Catcher Valdez threw wild trying to get him at third base. The final tally in the eighth came about when Tanner singled, and was lifted for pinch-runner Bruce Blumenthal. Bonura walked to send Blumenthal to second. A fielder's choice sent him to third, and Bill Crumley's fly ball got him home.

The same two teams meet here again Friday night.

Maxwell Wins In Glen Garden Meet

FORT WORTH—(P)—Defending Champion Billy Maxwell of Odesa met Dr. R. B. Holt Friday in the second round of the Glen Garden Invitational Golf Tournament. Maxwell had an easy time in Thursday's first round, beating Don Matheson of Fort Worth, 6 and 5. Medalist Jack Hamilton of Fort Worth edged Col. Earl D. Irons of Arlington, 2 and 1.

Roswell Now Tied For Second Place; Indians Triumph

By The Associated Press
The Roswell Rockets moved into a tie for second place in the Longhorn League as big innings featured play in the loop Thursday night. The Rockets are tied with Big Spring for the runner-up spot but the two are eight games behind the leading San Angelo Colts.

The Rockets trounced the Artesia Drillers, 11-4, while Big Spring was falling before Midland, 6-4. The leading Colts edged Odesa, 6-5, to increase their lead.

Sweetwater, deep in the second division, spoiled Vernon's chance to climb closer to the first division by tripping the fifth-place club, 10-5. Israel Ten joined the Midland Indians a few days ago after being purchased from Artesia. He proved his worth by stopping Big Spring in his first Indiana appearance. He had to call for help from the always reliable Eddie Jacome after loading the bases in the seventh but got credit for the win.

Steve Pollett was the big gun in San Angelo's win over Odesa. He and Bob Cruis hit consecutive home runs in the third inning to get the Colts off to a fast start. He then laid a single through short in the eighth to win the game after the Oilers had tied the score.

The scores: R H E
San Angelo 103 010 010—6 14 0
Odesa 100 120 100—5 9 2

Golfers Go Into Second Round Of Tournament Play

Golfers in the Men's Club Tournament at Midland Country Club started fixing their second rounds Friday. Thursday action saw Charles Wallace shoot an even-par 72 to capture the medalist title in a playoff with Van Ligon. Both had posted 73's Wednesday in the qualifying round to tie for the honor.

Consolation play also started Friday. The tournament will conclude Sunday.

In championship flight play Thursday, Defending Champion Graham Mackey won over Dick McKnight, 3 and 2; Earl Wilson took Gib Payne, 1-up; Joe O'Neal won from Teddy Kerr, 4 and 3; Evans Dun defeated Henry Shaw, 3 and 2; Charles Wallace, medalist, beat Raymond Leggett, 3 and 2; Holt Malone took 1-up verdict from Sandy Davidson; Roy Lockett won from Bobby Walker, 2 and 1, and Vann Ligon defeated Don Woodford, 3 and 2.

First flight: Bill Barker over Ed Stephens, 1-up; John Pringle over Miles Hall, 5 and 4; Walt Henderson over H. H. Lawson by default; Bill Stuart over Charles Wilson by default; Dick Gile took George Slentz, 1-up, after 19 holes; Jack Matthews edged O. J. Colwick, 1-up, also in 19 holes; P. J. Lee won from Lee Durrell, 2 and 1, and Tex Carleton won by default from Cal Glass, Byers-Minear.

Second flight: Bob Byers won by default from Roy Minear; Don O'Shaughnessy took W. L. Meadows, 1-up; J. P. Wilkinson defeated Fred Chambers, 1-up; Bill Finch downed

C. W. Chancellor, 7 and 5, in the most decisive win of the day; Paul McHargue took Hugh Wallace, 3 and 2; Dr. Doyle Patton edged Curt Inman, 1-up; Murphy Baxter took Jim Lore, 6 and 5, and Charles Marsh won from Bob Zonne, 3 and 2.

Third flight: Bob Franklin took W. B. Yarbrough, 2 and 1; Clem George took a 2-1 win from Jim Logan; Dell Taylor won by default from Bum Gibbins; Frank Flournoy defeated Paxton Howard, Jr., 3 and 2; Waldo Leggett defeated Carl Westlund, 2 and 1; Fred Bursle defeated Charles Lineham, 5 and 4; Vaughn Maley took Mike Patton, 5 and 4, and John Casey advanced on Bill Liedtke's defeat.

Fourth flight: Ralph Cooley won over Olin Prather, 3 and 2; Fred McMurry took John Healey, 5 and 3; Paxton Howard won over James Brown, 2 and 1; Herschel Ezell took the measure of M. Kennedy, 2 and 1; Bob Dickey edged W. J. Keeler, 1-up; Ed Borys prevailed over Paul Anderson, 1-up, after 19 holes; Don Wiet took P. V. Anderson, 4 and 2, and Bob Payne took S. Reeder, 1-up.

Tech Coaches To Be Here Friday Night

Texas Tech Coaches DeWitt Weaver, Jack Mitchell and Wayne Posey will address Texas Tech ex-students at 8:15 p.m. Friday in Hotel Scharbauer.

A film of a Spring drill between two Red Raider teams will be shown at the meeting.

The ex-students also are expected to organize a Red Raider club.

Blue Sox Still On Top In WT-NM Loop

By The Associated Press
The Abilene Blue Sox are waiting along four and one-half games in front of the second-place Lubbock Hubbers. Thursday, the Sox defeated Lamesa, 6-5.

Lubbock, straining to catch-up with the Sox, hustled through a 5-4 victory over Pampa, without gaining any ground.

In other games, the Clovis Pioneers broke loose with a nine-run splurge in the fifth inning to beat Albuquerque, 11-8. Amarillo throttled a ninth inning Borger rally to stop the Gassers, 6-5.

Indians To Start Home Stand Saturday

Zeke Bonura's Midland Indians return to Indian Park at 8:15 p.m. Saturday to open a six-day home stand. Odesa will furnish the opposition Saturday night and Sunday, with San Angelo here Monday and Tuesday nights. Sweetwater will be here Wednesday and Thursday nights.

Bufs Go 13 Frames To Defeat Indians

By The Associated Press
Thursday night, the Houston Bufs had to go into overtime to win from the stubborn Oklahoma City Indians—but win they did. They pushed across a run in the top of the thirteenth without benefit of a hit to nip the Indians, 3-2.

It was a great game all of the way, even in the thirteenth when a hit batsman, a sacrifice, a wild pitch and an outfield fly got the run that gave the Bufs the decision.

The Beaumont Roughnecks stayed after the Bufs although they trail by eight games. They stopped the Fort Worth drive for a first division berth with a 5-0 shutout in the series opener.

The loss dropped the Cats two and a half games behind fourth-place Dallas, 6-5 winner over the hapless Shreveport Sports.

A doubleheader scheduled between San Antonio and Tulsa at Tulsa was rained out.

Hemingway Answers Queries Of Evening Lions Club Members... Twenty-four citizens Thursday night first questions at Police Chief Rube Hemingway for more than an hour.

What about traffic on North Big Spring Street? What can be done to speed up traffic in Midland at the peak hours in the business district? Why can't we have parallel parking on Main Street? What is done to places that sell beer to juveniles? Do Midland youngsters have access to narcotics? Can Midland policemen be paid more to attract qualified personnel? Is anything being done to 'bring in' traffic offenders? Aren't some citizens allowed to accumulate a handful of red tickets and never pay them?

Right Turn On Red... Why can't we turn right on a red light in Midland? Can anything be done to clear Wall Street of heavy truck traffic? Where is the underpass for which we voted bonds? Will we have organized schoolboy traffic patrols at schools this term? Why can't the schoolboys report traffic offenders? Are more traffic officers needed?

Those were some of the question fired by the service club members at the police chief. Hemingway patiently answered those he could. Some, he admitted, were "out of my hands."

Hemingway was introduced by J. S. (Pat) Patton, president of the club. The dinner meeting was held at Mrs. Atwood's Dining Hall on Wall Street. Invocation was by Forrest Lineberry. Joe Grube discussed a party, open to the public, which will be held Friday night at Pagoda Park.

Grace Lutheran Bible School To Open Monday... "What is God Like?" will be the theme of the Grace Lutheran Church Vacation Bible School scheduled to open Monday.

The daily program includes Bible study, handicraft projects, singing and playing. The school will be held for children from three to 13 years old with five different classes—kindergarten, beginners, primary, junior and senior.

Mrs. Ed Knabe and Mrs. A. E. Puller will teach the kindergarten. Mrs. Leland Huffman and Kathleen Knabe, beginners; Mrs. Ruth Bailey, primary; Walter Synatchk, junior, and G. C. Becker, senior. Mrs. E. W. Bodenman will be the organist. Enrollment is scheduled for 8:30 a.m. Monday.

Cunningham Rites Held In San Angelo... SAN ANGELO — Funeral services were held here Friday morning for George W. Cunningham, 33-year-old San Angelo school teacher, who died Wednesday in Austin of virus pneumonia.

A music teacher in the junior high school here, he was attending the Summer session of the University of Texas. Survivors include a sister, Mrs. J. H. Conine of Midland.

Legally Dead Two Years, Sam Jones Turns Up Alive To Set Off Weird Murder Mystery

NEW ORLEANS —(P)— Legally dead and "buried" two years, Sam Jones set off a weird Louisiana swampland murder mystery when found alive in a barber's chair. Authorities were baffled Friday by the finding of the 43-year-old Jones in Denver, Colo. As far as Louisiana officers were concerned, Jones had been in his grave since a knife-slaying two years ago. They were equally puzzled as to the identity of the body resting in Sam Jones' grave. These are the persons whom police plan to question: 1. Jones, known also as John C. Harper in Denver, where he has spent most of his time since he was "murdered." He has been arrested for investigation of murder and was to be questioned on his arrival Friday from Denver. He was found in Denver Wednesday night. 2. Donald Easterwood, a 26-year-old GI student welder and father of four children, who was tried and acquitted on charges of murdering Jones. Easterwood was arrested Thursday night for investigation of murder. Wife Identifies Body 3. Jones' common-law wife, Patricia Land, who identified the de-

Shallow Gas Strike Claimed At Hereford

HEREFORD —(P)— Workmen digging a water well on the Ezra Norton farm have struck gas at 138 feet. A geophysical company will test the gas next week. It is leased to R. C. Bowden of Midland. The gas was discovered after work was resumed on the water well after a delay of two and one-half months. The Norton farm is about eight miles east of here.
