Sinclair Completes Ellenburger Oiler In SW Midland Area

One and three-quarter miles north and slightly east of the closest Ellenburger production in the Pegasus-multipay field of Southwest Midland County, Sinclair Oil & Gas Company completed its No. 3 June Tippett for a daily flowing potential of 786 barrels of 51.5-gravity oil through a one-half-inch tubing choke.

Production was from perforations, opposite the Ellenburger, at 12,960-13,000 feet. That set was treated with 3,000 gallons of acid.

No water was made on the completion test.

Gas-oil ratio was 1,160-1 and tubing pressure was 325 pounds. Location is 1,980 feet from north and west lines of section 17, block 49, T-4-S, T&P survey.

Clear Fork Flowing Discovery Finaled In SW Gaines Area

Union Oil Company of California No. 2 T. C. Wetmore, wildcat in Southwest Gaines County, has been completed as a discovery from the Clear Fork for a daily flowing potential of 99.38 barrels of 47-gravity oil and no water.

Production was through perforations at 7,129-7,131 feet. Gas-oil ratio was 21,000-1.

The final gauge was on 31/64-inch tubing choke.

Location for this new field opener is 1,866 feet from west and 1,980 feet from south lines of section 16, block A-12, pal survey and eight miles southeast of Hobbs. Completion was natural.

Rowan-Owings Find New Lime Pay Zone In SW Glasscock

Rowan Oil Company and Roger B. Owings are drilling ahead below 6,406 feet in shale and are going on down to find and test the Spraberry in their No. 2-37 Ben Schwertner, Southwest Glasscock County exploration.

This project, located one-quarter of a mile north of the same owners' No. 1-37 Schwertner, a producer from the Spraberry flowed oil by heads at the estimated rate of seven and one-half barrels per hour during a drillstem test at 6,396-6,420 feet in a stratified, unconfined lime in the middle Permian to become a discovery of a new pay section in a Spraberry area.

The test was for seven hours. Gas surfaced in 10 minutes. Oil started flowing out of the drill pipe in four hours and 45 minutes.

Headed Oil During Test

It headed for the remaining two hours and 15 minutes the tool was left open at the estimated rate of seven and one-half barrels of oil per hour. It did not show any water.

Opening flowing bottom hole pressure was from 140 pounds to 770 pounds. Shutin bottom hole pressure was 2,200 pounds after 15 minutes.

Location is 1,980 feet from south and 660 feet from east lines of section 15, block 37, T-5-S, T&P survey.

Rowan and Owings No. 1-37 Schwertner showed slight signs of oil in the section which made the flow in the No. 2-37 Schwertner. However those shows were not of commercial quantity and the project was deepened to 7,000 feet and completed as a producer from the Spraberry in open hole at 6,937-7,000 feet.

Will Go To Spraberry

The No. 2-37 Schwertner will go on to that same zone and try to complete from it.

The Rowan and Owings lease on the Schwertner is on the south side of the Driver-Spraberry field according to operators' filing.

No other project in the vicinity of the No. 2-37 Schwertner has shown any flowing oil above the Spraberry.

Location Listed For Forest, Et Al, Deep Wildcat In NE Crane

Location for Forest Oil Corporation and associates No. 1-A University, scheduled 10,000-foot wildcat in Northeast Crane County will be 1,980 feet from north and east lines of section 12, block 30, University survey.

That makes it 10 miles northeast of the town of Crane.

This project will be drilled as a result of a deal worked out by John H. Healey of Midland. He took a farmout from Republic Natural Gas Company and The Vickers Petroleum Company, Inc., and turned the deal to Forest and associates to drill.

Companies Kept Leases

Healey retained some leases and an override. Republic Natural and Vickers also retained checkerboarded protection in the region.

The projected destination of 10,000 feet is at present.

U. S. To Meet Force With Force

Reds Suggest Truce Parleys Be Resumed

TOKYO—(P)—The Communist high command reversed itself Thursday and suggested that Korean cease-fire talks be resumed immediately in Kaesong.

The Reds broke off the talks 28 days ago. They charged then that an Allied plane bombed and strafed the neutral Kaesong area August 22 in an attempt to murder Communist truce delegates. The Allied command called the charge fraudulent and faked.

Heretofore the Reds have demanded that the Allies admit responsibility for a string of alleged neutral zone violations before the truce talks could be resumed.

They proposed Thursday only that a "suitable organization" be set up to guarantee the neutrality of Kaesong, Korea.

Cease-Fire Hopes Brighten

Gen. Matthew B. Ridgway made no comment.

But a release from the supreme commander's headquarters said "There is reason for hope that the latest Communist reversal in policy and agreement to renew the peace talks may bring some sort of a cease-fire in Korea."

It cautioned, however: "It is a hope that must be tempered by the realization that a renewal of the talks does not mean necessarily that previous difficulties will suddenly iron themselves out."

Chinese Gen. Peng Teh-Huai and North Korean Premier Kim Il Sung proposed:

- 1.—That liaison officers of both sides meet to fix the time for reopening the meetings.
- 2.—That at the first session after the conferences resume, delegates discuss a plan "to establish a suitable organization" for guaranteeing the neutrality of Kaesong and set.

KING GEORGE VI—Ailing King George VI, left, is pictured inspecting RCAF cadets at Balmoral, Scotland, before being rushed back to London for a medical examination. His illness, described by physicians only as "structural changes" in the lungs, has created a wave of concern throughout the British Empire.

Britons Square Off For Election Fight

LONDON—(P)—Winston Churchill and his Conservative "Shadow Cabinet" begin shaping election strategy Thursday as Socialists and their foes squared off quickly for a mighty election battle to control British government policy.

The former wartime leader greeted Labor Prime Minister Clement Attlee's announcement that the country will vote October 25—just 35 days from now—with the cry that Britons now can place in power a cabinet elected at home and abroad and "not misled by class warfare or doctrinal fallacies." His "Shadow Cabinet" is made up of the younger Tories who advise him and help fight his battles in Parliament.

Attlee's brief announcement by radio to the country said the Labor Party wanted a decisive vote of confidence from the people after 18 months of government with only a very small majority in the House of Commons.

Labour's margin of important votes has been only six to 10 in the 625-seat House since the February, 1950, election. The Labor Party took power in 1945.

Attlee appeared to leave no doubt he wanted popular endorsement of his policies, not only over the attacks from the Conservatives, but also over a left wing section of the Labor Party that opposes so much spending for rearmament.

Swift Opening Moves

The leaders of all parties made swift opening moves.

Labour Party Secretary Morgan Phillips indicated the party will fight for every seat in the United Kingdom.

Anthony Eden, Conservative deputy, (Continued On Page Eight)

175 Men Summoned For Possible Jury Service Here Monday

A special panel of 175 veniremen has been ordered to report to 70th District Court Monday, when three capital cases are scheduled for trial before Judge R. W. (Bob) Hamilton.

On the docket for trial that day are: James Abram, charged with murder in the March 4, 1950, fatal stabbing of Marie Jackson; Philip Benjamin, charged with murder in the Sept. 4, 1951, fatal stabbing of Roosevelt Lerner; and John Winston Prince, charged with rape.

Summoned for jury duty are C. A. Brown, Wesley C. May, Joe Collins, Roy Davis, V. C. Maley, John N. Moffet, Charles Haynes, Joe H. Rockwood, L. A. Hinton, N. Wallace, Sam Luster, Marvin McCree, O. L. Wood, H. F. Cardwell, C. F. Lamb.

Harold W. Shaner, Luther H. Fox, W. C. Myrick, B. P. Buffington, Robert L. Wood, H. R. Smith, W. B. Costin, Donnie Collins, Brown W. Hughes, Adolph Olgin, Harrell Shock, E. H. Ripple, Thomas Taylor, J. S. Patton, Claude M. Edwards.

W. J. Pierce, R. W. Culp, Henry G. Kraus, M. E. Huff, W. M. Warren, M. M. Shade, Walter C. Beadle. (Continued On Page Eight)

Conferees Lift Lid On Military Aid To Non-NATO Nations

WASHINGTON—(P)—A Senate House Conference Thursday took the lid off military aid available for non-European Pact nations under the foreign aid bill.

Chairman Connally (D-Texas) said the conferees agreed to strike out a Senate provision which would have limited to 10 per cent any transfer of the \$5,000,000,000 in military funds authorized for European aid.

The effect, Connally said, would be to permit President Truman, under certain conditions, to transfer any amounts he desires to countries not members of the North Atlantic Treaty Organization, such as Spain, Yugoslavia and Western Germany.

The conferees also agreed to limit to \$10,000,000 instead of the \$30,000,000 approved by the House, funds to aid Iron Curtain refugees in Europe.

The effect, Connally said, would be to permit President Truman, under certain conditions, to transfer any amounts he desires to countries not members of the North Atlantic Treaty Organization, such as Spain, Yugoslavia and Western Germany.

Weak Cool Front May Enter North, West Texas Friday

By The Associated Press

Another cool front was heading toward Texas Thursday—but the U. S. Weather Bureau said it probably won't penetrate very far into the state.

The forecast called for somewhat lower temperatures Friday only in the Texas Panhandle, South Plains and northwest portion of East Texas.

"It's just a small cool front," the Weather Bureau said, "and already it's slowing down as it nears Texas."

The outlook for the "football weekend" was for only a chance of scattered showers, with temperatures about normal or slightly under normal.

Skies were fair throughout Texas Thursday.

Minimum temperatures during the night ranged from 48 degrees at Dalhart, in the Northwest Panhandle, to 74 at Galveston.

Wednesday's maximums in Texas ranged from 99 degrees at Presidio, near the Mexican border, to 83 at Galveston.

Oil-Hunting 'Copter Falls In Marshes

NEW ORLEANS—(P)—An oil-hunting helicopter crashed in South Louisiana marshes Wednesday, killing the pilot and injuring the two passengers.

One of the survivors Thursday told of his eight and one-half-hour struggle to save the other passenger from drowning before rescuers arrived.

The pilot, Charles (Chuck) Mangner of Lafayette, La., died shortly after the helicopter plunged from an altitude of 150 feet into the Mississippi River swamps near Pilotown, 80 miles southeast of New Orleans.

Passenger Tells Story

One of the passengers, Peter Sturzenberger of Baton Rouge, La., seriously injured, was unconscious. The other passenger, 22-year-old Richard Knitfle of New Orleans, suffered an injured shoulder. He told this story from his hospital bed here:

"We were riding along talking about baseball. Chuck was a big Cleveland fan."

"We heard something snap in the back rudder."

"The ship spiraled down and hit on its left side with a terrific noise."

"When I realized what had happened my head was under water. There were five inches of water and four feet of mud in the cockpit."

"I managed to push myself up. I felt back into the mud in the cockpit." (Continued On Page Eight)

Armed Might Keeps Peace, Says Truman

WASHINGTON—(P)—President Truman Thursday said the only way to deal with the present world emergency is to meet force with force. He added that he dislikes this necessity very much.

The President told a news conference the United States will continue to seek agreements with Russia, but will continue to build up its armed strength to see that these agreements are enforced.

He said the United Nations was organized to settle differences without the use of force. But he added, Korea is just one example of how the Communists have made this impossible.

He said there is a stronger possibility of peace now than ever before—if the United States sticks to its knitting and goes ahead with its defense program.

The President also:

- 1.—Said he has the word of Chairman William M. Boyle, Jr., of the Democratic National Committee, that he took no fees in connection with RFC loans and he believes him. He added that committee officials should do all they can to introduce prospective borrowers to government agencies as long as they receive no fees for it.
- 2.—Predicted a Democratic victory in the 1952 elections. He said the Republicans have no issues and have resorted to misrepresentation and sneers. He expressed agreement with Democratic prognosticator James A. Farley that no Administration can be thrown out when the country is prosperous.
- 3.—Wrote Vice President Barkley renewing his plea for \$10,000,000,000 in additional taxes and urging increases in the pending Senate bill on individual and corporation incomes. He said the Senate bill now being debated would produce only \$5,200,000,000 a year in the face of a prospective deficit about twice as much.

Ex-Gambler Harry Gross Goes To Jail

NEW YORK—(P)—Gambler Harry Gross, whose brazen refusal to testify shattered the state's bribery case against 18 policemen, Thursday lost his parole and must remain in jail.

A three-judge Special Sessions Court revoked the parole, which had been granted six months ago while Gross awaited sentencing on gambling charges.

District Attorney Miles F. McDonald, whom the dapper gambler had double-crossed in backing down on his original agreement to talk at the trial, asked that the parole be thrown out.

"I am no longer able to guarantee to produce this witness when he is wanted," McDonald said.

Justice William B. Northrop, presiding at the hearing, set September 27 for sentencing Gross on 66 counts of gambling, for which he could draw up to 68 years in prison. He previously pleaded guilty, and sentencing had been scheduled October 8.

On top of this, the ex-boss of a \$20,000,000-a-year bookmaking syndicate was given five years for contempt of court during Wednesday's stormy courtroom wrangling.

One Killed, Two Hurt Seriously In Mishap Near Crane

CRANE—One construction worker was killed and two were hurt seriously in a 50-foot fall from an oil storage tank near here Wednesday afternoon.

Billy Spence, 51, of Ramona, Okla., died instantly. Doyce Floyd, 35, of McCamey, and Floyd J. Lanham, 35, of Arp, were under treatment in Crane Memorial Hospital.

The men fell inside the empty tank which they were repairing at the Texas-New Mexico Pipe Line Company camp, three miles north of Crane. All were employees of the Banks-Moreland Construction Company of Houston.

Spence's body was to be sent to Bartlesville, Okla., Thursday by the Jacobson Funeral Home for services and interment. He is survived by the widow.

Completion Of New Gas Pipe Line Loop Is Due This Week

Construction of a new eight-inch pipe line loop which will make more natural gas available to the Midland area will be completed this week, R. W. Lewis, district manager of the West Texas Gas Company, said Thursday.

The new line, which involves the laying of approximately four and one-half miles of pipe, ties in with the present eight-inch line north of Odessa and then extends eastward to a point near the west Midland County line.

Pipe line contractor is the Brodie Construction Company.

The new line was engineered to provide greater capacity from Odessa to Midland.

Police Investigate Burglary Of Grocery

Police Thursday were investigating the burglary Wednesday night of the Harris Grocery, 404 East Florida Street.

Taken from the store were 20 cartons of cigarettes and 66 pocket knives.

POLIO STRIKES—Separated by a glass partition plastered with get-well cards, Roy, five, left; Sue, nine, center; and Sally, seven, all of the George E. Moore family of Sandusky, Ohio, play a game in a hospital in Cleveland. The children, all stricken with the dread disease within five weeks, now are off the danger list.

Patient Killed In Oxygen Tent Blast

BOSTON.—(AP)—An oxygen tent exploded in City Hospital Wednesday, killing Arthur Pettier, 57, of the South End, who was being treated for pulmonary tuberculosis.

Deputy Fire Chief James Kane said a cigarette Pettier was smoking in the tent apparently touched off the blast.

The explosion disintegrated the three-foot-high oxygen unit and scattered the 12-foot square unit and the fifth floor room while doctors and nurses calmed down other patients to prevent a panic.

Water Flows Here; No Rain In Sight

North D Street looked like the Rio Grande in a dry day Wednesday afternoon.

From a half to two-thirds of the long street was covered with water which had flowed along West Illinois Street after moving down Andrews Highway from Ohio Street. It finally emptied into a lake bed at the Midland County Club.

It wasn't rain that caused the flood, city water officials said. A contractor, in tying into a water main on West Ohio Street, cut the line before cutting off the water at a valve. He then had difficulty finding the valve.

Water loss was estimated at 120,000 gallons.

Irving Couple Dies In Murder, Suicide

IRVING, TEXAS.—(AP)—A verdict of murder and suicide was returned late Wednesday night in the fatal shootings of Mr. and Mrs. R. A. Carroll.

Sheriff Bill Decker of Dallas said Carroll, 64, shot and fatally wounded his wife with a .41 caliber pistol, then killed himself.

Carroll was a Morse operator for Western Union.

Lions President Names Committees

Committee assignments of the Midland Lions Club for 1951-52 club year have been announced by J. P. (Kiki) Carson, Jr., president.

Committees and members, with chairmen listed first, are:

Attendance—W. E. Chapman, Alton Brown, Lewis Tanner, Dr. George Pelletier, Lloyd Zellner, Robert Conaway, George Conley, Charles Rogers, Jr., Charles Brutto and Charles Cobb.

Constitution and by-laws—Reagan Legg, R. H. Anderson, Al Borins, Cecil Edg and C. L. Glass.

Convention—A. J. Olsen, Bob Denton, C. A. Churchill, M. L. Butler, John P. Butler, R. G. Brantley, Ted Kruger, Steve Laminack, Ralph McCluskey and E. M. Watkins.

Finance—Victor Horn, W. D. Hargrove, Goodrich Hejl, T. R. Houghton and H. S. McFadden.

Lions information—Larry Burnside, Yates Brown, John Biggs, R. C. Conking, Jack Ellington, D. M. Ellis, R. H. Gifford, Richard Kitchens, W. C. Kimball, Dr. Homer B. Johnson, Charles Mathews, Frank Monroe and Joe Mims.

Membership—Howard Ford, Roy Minear and John B. Mills.

Program—Carl Hyde, Al Case, L. G. Daugherty, Delbert Downing, W. P. Duncan, Jr., H. Winston Hull, Thurmon (Tugboat) Jones, Bill Lyle, R. L. McCormick, K. E. McFarland, Kent Moore, George Phillips, John Richards, Henry Schlichting, Russell Hayes and Noel Casan.

Publicity—Ray Gwyn, Tanner Laine, J. B. Peterson, Ralph Smith, W. J. Brady, W. M. Osborn, M. A. Murphree and Robert Cox.

Citizenship and patriotism—J. Dow Scott, Tom Rynn, Joe Peoples, Jack Sawyer, G. R. James, J. W. Johnson, Stanley Claiborne, James Brown, Kenneth Dickson, W. T. Woodward, Elmo Elam and C. L. Brady.

Boys and girls—E. N. Stracener, Floyd Bell, Carroll Cook, J. M. Cox, Ed Darnell, Jerry Duncan, Tommy Henderson, W. B. Harkrider, C. R. Hines, Bill Holley, Edward Jones, W. O. Keeler, Dr. W. E. McCoullough, H. R. Smith, H. B. McNeill and Howard Mechling.

Safety included:

Civic improvement—Harlan Howell, Ernest Curry, E. D. Fitzgerald, the Rev. Vernon Yearby, W. E. Summers, Ed Stephens, R. D. Scraggs, John Sewell and Collin Puckett.

Community betterment—B. F. Hutson, Jr., T. J. Inman, Benton Howell, A. E. Houck, Dr. Henry Leigh, Dr. John Leigh, Ike Fitzgerald, Barney Graf and R. E. Greene.

Lions education—The Rev. Clyde Lindsley, Ernest Sidwell, James L. Daugherty, Dave Henderson, Norman Matrey, W. B. Neely, Jr., Henry Nunn, J. J. Schlichting and Morris Howard.

Greeters—H. L. Winkler, Tom Withrow, J. C. Wilson, B. C. Vincent, C. P. Stapleton, Carl Pieper, Conrad Reeves, Joe Robertson, Dr. J. S. Roden, K. W. Edmondson and John Matthews.

Sight conservation—Art West, Malcolm Abell, Bill Collins, N. C. Dragnac, T. E. Neely and William Newkirk.

Entertainment—John Reid, Gordon Saunders, R. H. Burton, Roy Gardner, Hulon Brown, William Fallin, John Hopkins, R. W. Mulford, Steve Shannon, Glen Shoemaker, Dr. Rex Smith, Dr. R. L. Spencer and Clarence Symes, Jr.

Health and welfare—Richard Harrell, Ed Stewart and Dr. Edward Driscoll.

Safety—Bill Hutchinson, Ben Murray, Russell Ramsland, Brandon Rea and Burl Self.

United Nations—Norman Taylor, Al Schimenz, J. W. Williams and Dr. George Ulvestad, Jr.

Agriculture—M. L. Webb, S. C. Dougherty, J. B. McCoy, Ernest Neill and H. S. Murray.

Teen-Agers Confess Bludgeoning Slaying Of 34-Year-Old Nurse

ANN ARBOR, MICH.—(AP)—Three beer-drinking teen-age boys were held for murder Thursday in nurse Pauline Campbell's slaying.

All three—once a college freshman—admitted the bludgeoning Wednesday night.

Nurse Campbell, 34, it developed, was killed for the paltry few cents in her purse, amounting to about one dollar.

Prosecutor Douglas K. Reading said confessions were made by Bill Morey and Max Pell of Ypsilanti and David Royal of Midland, Mich., each of whom is 17.

A tip from a fourth teen-ager led to solution of a gruesome killing which had terrorized this university city.

Miss Campbell, a nurse at St. Joseph's Hospital, was found beaten to death near her rooming house in the University of Michigan campus vicinity early Sunday. She had been clubbed on the head.

Since a manhunt had been pressed while the city took precautions to protect women required to be on the streets at night.

Robb's only motive

One theory was that a maniac was responsible. Other nurses had reported being molested by men.

However, Prosecutor Reading said to protect women custody had robbery only as their intent.

The actual blows which killed Miss Campbell were struck by Morey with a rubber mallet obtained from a garage, Reading said. With the small change from her purse, the trio bought gasoline for their car, he said.

Morey is registered as a freshman at Michigan Normal College in Ypsilanti.

Reading announced the confessions from state police headquarters at East Lansing, where the three boys were questioned. He said all would be charged formally with murder.

The three admitted plotting the attack and robbery after having had a case of beer, Reading said.

The prosecutor quoted Morey, a tall, good looking boy, as saying "I don't know why I did it. Just a little drunk, I guess."

In warm and humid weather there is so much moisture in the air that static electrical charges are carried away and do not accumulate. Static electric effects, therefore, occur most readily in cold, dry weather.

IN HOLLYWOOD

Wyman And Bautzer Decide On Altar Sprint, Pals Say

By ERSKINE JOHNSON
 NEA Staff Correspondent

Danielle Darrieux, an unexpected click in "Rich, Young and Pretty," is turning down contract offers that would keep her in Hollywood. She returns to Paris after winding up her stint as James Mason's co-star in "Five Fingers."

"Slapemy Maxie" On TV?

There's a TV series in the air for Maxie Rosenbloom, based on his celluloid Skipalong Rosenbloom character. Hal Wallis' Italian import, busy Franca Faldini, will get a publicity buildup as "The Well-Rounded Roman." It's about time Hollywood mothballed all that "just-like-the-girl-next-door" billy-hoo.

Ruth Hussey nixed the London lead in "Affairs of State." Too far from home and kiddies.

An out-of-court settlement is looming in the dispute between Howard Hughes and Frank Ross over the disposition of the Lloyd C. Douglas best-seller, "The Robe." Inside world is that Hughes will turn the property over to Ross for production and that RKO will back all funds expended when the picture is released.

Rory Calhoun and Lita Baron, approaching another wedding anniversary, are hotly denying the rift rumors.

Jury Finds Labor Organizers Guilty In Assault On Negro

MIAMI, FLA.—(AP)—Two union organizers, convicted of assault with intent to murder a negro by taking him for a gang-style "ride," face 20 years in prison.

A criminal court jury needed only 90 minutes Wednesday to convict Dave Kaminski, alias Dave Kaye, 39, and Sol Isaac, 37, organizers for the Laundry Workers International Union (AFL).

Judge Ben C. Willard imposed the maximum sentence and Defense Attorney Ben Cohen said he would appeal. Willard set appeal bond at \$20,000 for each prisoner.

Kaminski and Isaac were charged with taking Holton J. Newbold, 26, to a canal bank southwest of Miami last February 28, shooting him five times, beating him with a rock, and leaving him for dead.

Newbold testified that Kaminski and Isaac took him for the "ride" because he knew too much about tactics used in trying to organize Miami laundry and dry cleaning workers.

The two organizers came to Miami from Detroit.

The U. S. Department of Commerce estimates that foreign show-bus returns \$100,000,000 a year to U. S. movie studios.

Teen-Agers Confess Bludgeoning Slaying Of 34-Year-Old Nurse

ANN ARBOR, MICH.—(AP)—Three beer-drinking teen-age boys were held for murder Thursday in nurse Pauline Campbell's slaying.

All three—once a college freshman—admitted the bludgeoning Wednesday night.

Nurse Campbell, 34, it developed, was killed for the paltry few cents in her purse, amounting to about one dollar.

Prosecutor Douglas K. Reading said confessions were made by Bill Morey and Max Pell of Ypsilanti and David Royal of Midland, Mich., each of whom is 17.

A tip from a fourth teen-ager led to solution of a gruesome killing which had terrorized this university city.

Miss Campbell, a nurse at St. Joseph's Hospital, was found beaten to death near her rooming house in the University of Michigan campus vicinity early Sunday. She had been clubbed on the head.

Since a manhunt had been pressed while the city took precautions to protect women required to be on the streets at night.

Robb's only motive

One theory was that a maniac was responsible. Other nurses had reported being molested by men.

However, Prosecutor Reading said to protect women custody had robbery only as their intent.

The actual blows which killed Miss Campbell were struck by Morey with a rubber mallet obtained from a garage, Reading said. With the small change from her purse, the trio bought gasoline for their car, he said.

Morey is registered as a freshman at Michigan Normal College in Ypsilanti.

Reading announced the confessions from state police headquarters at East Lansing, where the three boys were questioned. He said all would be charged formally with murder.

The three admitted plotting the attack and robbery after having had a case of beer, Reading said.

The prosecutor quoted Morey, a tall, good looking boy, as saying "I don't know why I did it. Just a little drunk, I guess."

In warm and humid weather there is so much moisture in the air that static electrical charges are carried away and do not accumulate. Static electric effects, therefore, occur most readily in cold, dry weather.

Shopping 'Round Town with Barbara

When Accuracy Is Important—
 Let MARY LOU HINES SECRETARIAL-STENOGRAPHIC SERVICE, 1910 West Kentucky, handle your rewrite work. Whether it's a manuscript, a report or a business letter, Mrs. Hines will give you a neat, correct copy. She takes dictation, also and will do research work for speeches. Her services are available by appointment and she can take no rush jobs. Dial 4-1557 for weekend or evening appointments.

Good Brakes A Must For Safety—
 That octagon on the highway means stop! When you step on the brake pedal, does your car respond instantly? There are more than 100 parts in your car's brake assembly... experts mechanics at THE ALAMO GARAGE, 465 East Florida, know them all! At the first sign of brake trouble, drive in at the garage for good work at fair prices. The garage is equipped to give you rapid service. Dial 3-3252 for more information.

A New Retirement Plan—
 THE BANKERS LIFE COMPANY, 205 West Wall, telephone 2-2941, offers a policy that enables you to retire any time after 55 with a monthly income for the rest of your life. This policy also provides for your dependents should you not reach retirement age and in the meantime provides full insurance protection in case of emergencies. For complete details, contact W. W. Barker at the above address.

Built To Order—
 The casual shopper who comes in to "just look" is usually a prospective customer. Merchandise displayed attractively in custom built counters and shelves enables the customer to see what he wants. Store fixtures and office furniture can be designed and custom built by STEWART WOODWORKS, 1908 West North Front Street. Quality workmanship is stressed by expert craftsmen. Custom built kitchen cabinets are also a specialty at the shop. Dial 2-2841 for estimates.

Your Investment In Happiness—
 Sold! As fast as C. L. CUNNINGHAM COMPANY builds homes in Loma Linda, they are snapped up! They are homes designed for good living, beautiful distinctive and modern, created by America's foremost architects. Every one is an outstanding example of fine workmanship and materials plus Cunningham's years of building "know how." For more information, stop at the field office, Oak Drive and Edwards, or dial 2-2597.

Long Wearing Economy-Priced—
 You have the privilege of choosing your color combinations when you have auto seat covers custom-made at MILLER BROTHERS' TRIM SHOP, West North Front and K Street. Smooth, shimmering fabrics and quilted Boliflex, all the plastic material, are used to design seat covers that will last for the lifetime of your car. Baran, the famous woven plastic seat cover fabric, which is flame, dust and water proof, is available in a wide choice of brilliant new Fall patterns.

The Answer To Your Painting Needs—
 Home owners will be glad to know that they can now obtain Semi-Gloss finish for walls to match the beauty and durability of DuPont Duco, America's favorite Gloss Enamel. Now you can get it at J. C. VELVIN LUMBER COMPANY, 204 North Fort Worth. Choose from an amazing range of colors... lovely pastels and modern deep tones. DuPont Duco Semi-Gloss is the answer to your painting needs for every interior surface and gives a beauty that makes every room alive with color.

Gets The Imbedded Dirt—
 Due to the steel shortage, we are informed there may be a shortage of Air-Way Sanitizer Cleaners, since they are of all metal. AIR-WAY BRANCHES, Inc. 510 South Big Spring, features this completely sanitary vacuum cleaner with the throw-away bag. Sanitizer makes house cleaning a snap with its extra length hose, its deep dirt nozzle with its gentle but powerful suction and the wand that cleans under furniture. Dial 2-2832 for a demonstration.

Modern Furniture—
 Beauty and good taste are richly expressed in chrome and plastic dinette suites at McBRIDE FURNITURE COMPANY, 507 East Florida. Mirror-smooth plastic surfaces staunchly resist stains and the roomy chairs combine comfort with distinguished appearance. Colors are red, grey, green, yellow and blue. There is also a complete selection of 3-piece bedroom suites with double drawers, Street Slumber Chairs, the ultimate in upholstered comfort and a complete selection of unupholstered furniture.

For Safety—Economy!
 WHEEL ALIGNMENT
 You save tires... gas... engine wear... and possibly the grief of an accident, when your car's wheels are properly aligned and balanced. Let Ocie Bell at MIDLAND AUTO STORAGE, 107 North Baird, do the job. He has had years of experience and has a new Bear Wheel Alignment Machine. Drive in for precision alignment today. This is a new service offered by the auto Storage in addition to complete repair service, washing, lubrication and auto storage. Dial 2-2341 for more information.

Baby Knows—
 He knows what's going on before he can walk or talk and MIDLAND HARDWARE AND FURNITURE COMPANY BABY LAND has everything to keep him happy. Including new furniture for his nursery. Blond maple cribs with specially designed mattresses in double and single sizes. Bear Crib, screened for outdoors, folding playpens, highchairs, rockers, chest for his tiny clothes and stuffed plastic toys.

Capexios For The Easy-As-A-Cloud Walk—
 Capexios, the ball last shoe that is making fashion history right now in top stores across America, are sold exclusively at PELLETIER SHOES, 404 West Illinois. Up on the toes—or lip on the heels—it's all the same to a Capexios. For the ballet principle of the incredibly lightweight slipper works like a dream whether pedaled delicately on a Louis heel or in low motion. They are weightless froth to the foot, dependable and characteristically free and easy as a cloud walk.

Drive In Shopping Center—
 It's just good sense to shop the drive in way. You don't wear yourself out hunting for the food items you want. You just relax in your car while competent salesmen at SHORT STOP DRIVE IN GROCERY, 2410 West Illinois, fill your order and place it in your car. The new drive in grocery store offers you quality meats and staples and fresh produce. Hours are from 7 a.m. 'til 11 p.m. every day including Sunday, and 7 a.m. 'til 1 p.m. Saturday.

Your Yard A Protected Playground—
 A chain link fence establishes your property line attractively and your yard becomes a protected playground for your children and pets. MIDLAND FENCE COMPANY, 2410 West Wall, will install a chain link fence, cement block, tile, or Northern Cedar, at 10¢ down and you will have three years to pay the balance on budget terms. This company can handle all your fence problems and factory-trained erectors make all installations. Dial 3-3753 for more information.

Greater Savings In Quality Brands—
 Wherever women get together the talk is about the terrific values at SNOGDORSS GROCERY, 617 East Illinois. You'll find the aisles banked with quality brand foods and every housewife knows that she can get greater food savings by buying quality brands. The market is always stocked with finest cuts of meat and produce is farm-fresh. Your favorite bottled drinks are kept cold, ready to take home and serve.

Quicker, Better Heat—
 Torridaire Air-Conditioner Furnaces incorporate the latest refinements of heating design, the result of years of research and exhaustive tests. Scientifically designed burners get every last heat unit out of the gas. Inexpensive, easily removable filters take out dirt, pollen and germs. A quietly-operating fan blows the air to wherever it's needed. The Torridaire Air-Conditioner Furnace is featured by AUSTIN SHEET METAL COMPANY, 3510 West Wall, in a model for every heating need.

"Factory Method" Auto Painting—
 Expert technicians at BRANTLEY'S BODY SHOP, 807 East Florida, will repaint your car, using the same methods, tools and supplies used by the manufacturer—thus assuring you of top-notch results. Dented, crumpled fenders straighten up like new, under their deft hands. Estimates are given without obligation. Factory methods and colors mean top trade-in value for your car, yet the painting cost is low. Dial 4-4241 for more information.

Prompt Service On Reproductions—
 When you need reproductions, photostats or tracings, dial 2-2301 for prompt pick-up and delivery service. STUART PHOTO PRINT SHOP, 215 North Colorado, is equipped to give you quality service and the strictest security measures are observed for your protection. The work is all done by experienced operators using the finest equipment to assure you excellent results. Ben H. Bland is owner and manager of Stuart Photo Print Shop.

Kills Insects—
 There no longer is any excuse for putting up with crawling insects, when No-Roach will handle the situation effectively and with very little trouble. Simply brush the solution on, and forget about the insect problem. One application will last for months. Johnston's No-Roach is sold at MIDLAND HARDWARE AND FURNITURE COMPANY, in pints for \$1.59 and 8-ounce bottles for 89c. Completely odorless and stainless. It's perfectly safe to use in the home.

Millwork—
 All standard sizes of doors and frames, windows and sashes, etc., are available at ABELL-MCHARGUE MILLWORK DIVISION, 1800 West North Front, in stock or you can have them made to order. The Millwork Division provides skilled craftsmanship for custom-made millwork which includes kitchen cabinets, storage units and all other millwork necessities to make your home modern and convenient.

Graceful Ornaments—
 Enhance your mantel piece with graceful ornaments from the exquisite handpainted collection of Carlton Ware at MIDLAND HARDWARE AND FURNITURE COMPANY, GIFT DEPARTMENT. This exciting gift collection is made in England and includes vases, bowls, pitchers, candy dishes, cigarette boxes and ornamental ash trays. The creators of these delicate china pieces have taken cigarette boxes out of the "merely useful" class and created enchanting sets that will make delightful gifts.

Mrs. Preston Is Guest Speaker

Mrs. Sam Preston was the guest speaker at the Wednesday meeting of the Green Thumb Garden Club. The club met in the home of Mrs. Lloyd Innerarity.

Mrs. Preston spoke on "Fall Planting for Spring Bloom." Decorations included a floral arrangement of white chrysanthemums.

Mrs. John Ed Cooper was a guest. Members present were Mrs. Dayton Bliven, Mrs. C. W. Chancellor, Jr., Mrs. Tom Cole, Mrs. Howard Davis, Mrs. Evans Dunn, Mrs. Walter Hallanan, Mrs. W. D. Hamm, Mrs. H. T. Hilliard, Mrs. Jack Huff, Mrs. Joe Huff, Mrs. Frank Jackson, Mrs. Hugh Johnston, Mrs. John Leigh, Mrs. Gene McDaniel, Mrs. Bill Reeder and Mrs. G. C. Tomp-

Baylor Freshman Qualifies On Test

Wanda Louise Burnside, daughter of Mr. and Mrs. L. R. Burnside of Midland, placed in the upper four per cent of the freshman class on Baylor University's 1951 English placement test.

The test is given to all new students. It reveals the student's knowledge and use of English. Her score places Miss Burnside in a special class for freshman English.

A graduate of Midland High School, Miss Burnside is a member of the National Honor Society. She plans to major in religious education and music.

REV. TEAFF TO SPEAK

The Rev. A. L. Teaff, pastor of the Calvary Baptist Church, will be the guest speaker at the Brotherhood meeting of the Westside Baptist Church at 8 p.m. Thursday.

Shower Honors Bride-Elect

Rita Livingston, bride-elect of Virgil W. Krutstinger, was the honoree Wednesday at a silver shower given in the home of Mrs. T. A. Abernathy.

Arrangements of mixed flowers and antique iron candleholders containing white tapers decorated the buffet. The coffee table, covered with a lace cloth, was decorated with a silver coffee service and an arrangement of Mexican poinsettias. A lace cloth also covered the dining table which held white tapers in sterling silver candleholders and silver appointments.

Greeted By Hostess

Mrs. Paul E. Haskins poured guests were greeted by the hostess, the honoree and Mrs. D. N. Campbell of Cleveland, Ohio.

The guest list included Mrs. Randolph Rubin, Mrs. Wanda Goodson, Mrs. G. H. Higdon, Mrs. Troy Etheridge, Mrs. Ethel Richardson, Mrs. Lamaron Gray, Mrs. Gwyn Woody, Mrs. Sam Van Hoozer, Mrs. Robert N. Hill, Mrs. J. H. Root, Mrs. Marshall Dale, Mrs. Thelma Swift, Mrs. Bryan Duckworth, Mrs. F. F. Elkin, Mrs. W. M. Klesling.

Mrs. Vera McLeRoy, Mrs. Gladys McCamey, Mrs. C. P. Wilkins, Clarence Morris, Lemoyne Bass, Bobby Rogers, Lucille Hill, June Hudon, Norma Penick, Marion Land, Mona McGraw, Mrs. Glenn Hyde of Odessa, Mrs. R. D. Jones, Jr., Mrs. R. D. Jones, Sr., and Mrs. W. O. Floyd.

Leaders' Class Learns Songs

Mrs. L. S. Meizer taught Girl Scout songs Wednesday to the students of the group leadership course being conducted at the Little House from 9 to 11 a.m. each Monday, Wednesday and Friday.

The classes will continue through October 28. Troop government, how to plan a meeting, helps for the leader and dues and budgets will be discussed at Friday's session.

The Intermediate group, which has been working on the minstrel badge, plans to present a program using this theme at the final meeting. The Brownie group under the direction of Mrs. J. C. Rinker will present a shadow-graph as a climax to present activities.

Mrs. James Martin, organization chairman, recently extended an invitation to the women of Midland to attend the training course and to help with the Girl Scout program.

Those attending for the first time Wednesday were Mrs. Thomas J. Potter, Mrs. J. H. Steedman, Mrs. R. A. Estes, Mrs. Jack Locke, Mrs. Ray Kelly, Mrs. Louis Gordon and Mrs. B. R. Porman.

Crane Plays Host To Square Dancers

CRANE—The Buttons and Bows Square Dance Club was host to out-of-city dancers in Crane Saturday. Dancers and spectators were from Rankin, McCamey, Odessa, Austin, Grandfalls, Wickert, Kermit, Royalty, Monahans, Goldsmith and Midland.

Peggy Owens, daughter of Mr. and Mrs. Al Owens of Crane, did an acrobatic number. The Hoop and Hoiler Club gave an exhibition square dance. The girls were in hoop skirts and the boys in matching shirts.

Callers for the dance were J. C. Guyton and Bill Ingram of McCamey; L. L. and E. M. Anderson of Odessa; A. E. Cooper of Wickert; T. M. Palmer of Goldsmith; Jay Johnson of Midland and eight from Crane.

M. O. GIBSON SPEAKS AT MONAHANS

M. O. Gibson, vice president of the Midland Music Club, was guest speaker recently at a meeting of the Monahans Music Club. The meeting was held in the home of Mrs. Robert Dunagan. Gibson spoke on "Music In The Home."

CHILD INJURED

Bobbie Nell Greenwood, four-year-old daughter of Mr. and Mrs. Willie B. Greenwood, 100 North Marshall Street, was given emergency treatment at Western Clinic Hospital Wednesday after the child fell and stuck a stick in the roof of her mouth.

Modern Study Club Has Opening Coffee In Home Of President

Mrs. Carl Westlund, president of the Modern Study Club, was hostess to the club's members and guests Wednesday at the opening coffee held in her home.

Arrangements of ivory roses decorated the living room. The refreshment table was covered with a lace cloth and centered with an arrangement of the club flower, pale pink carnations.

Mrs. Cates Is New President

Mrs. Walton Cates was named president of the Star Study Club Wednesday at a meeting in the home of Mrs. John Ficke. Mrs. Floyd Shirley was co-hostess.

Other officers chosen were Mrs. Shirley, vice president; Mrs. Paul Bowman, secretary-treasurer and reporter; and Mrs. Fred Wycoff, parliamentarian. The club presented gifts to its outgoing president and secretary.

Others attending were Minnie Crumley, Mrs. P. P. Barber, Mrs. Tom Nipp, Mrs. R. R. Frantz, Mrs. H. M. Spangler, Mrs. Charles Robison, Mrs. Bowman, Mrs. Wycoff, Lillie Midkiff, Mrs. Jim Carlson, Mrs. L. C. Stephenson, Mrs. M. C. Hamman and a guest, Sarah Fish.

The next meeting will be held October 3 in the home of Mrs. Robison, 2613 Roosevelt Street.

Theta Pi Chapter Elects Officers

Two new officers were elected at the Tuesday meeting of the Theta Pi Chapter of Epsilon Sigma Alpha. The meeting was held in the home of Nell Cole.

Joan Stanley, president, called the meeting to order. Mary Ward was elected recording secretary and Calva Ann Frizzelle was elected corresponding secretary.

Plans were made for rush parties and a special meeting will be held Tuesday in the home of Mary Nell Moran.

Others attending were Bennie Koon, Lynna Browning, Marlys Reynolds, Helen Hambright and Miss Moran.

Crane Pep Squad Gets New Uniforms

CRANE—Crane High School pep squad members will be supporting the Golden Cranes this year with 57 students. The squad, sponsored by Mrs. Johnny Johnson, has six leaders.

The new uniforms for the leaders are gold corduroy short skirts with matching jerkin and purple satin sleeves. Members are wearing purple skirts and white sweaters with a purple tie.

Leaders of the squad are Jean Shaver, Peggy Ward, Betty Sue Henderson, Martha Cook, Pat Sullivan and Marcia Rust.

Bridal Tea Honors Patricia Bostwick

CRANE—Patricia Bostwick, bride-elect of LaVaughn Archer, was honored with a tea shower Monday at the Community Hall in Crane.

Hostesses were Mrs. J. P. Hughes, Mrs. Billy Cantrell, Mrs. Rufus Gray and Mrs. D. Teter.

The tea table was centered with a crystal service, with blue tapers at each side. Wide blue ribbons with the words Pat and Vaughn September 22 in gold were across the table.

Thirty-two guests attended.

Cleanup Campaign Sponsored In Crane

CRANE - A Summer cleanup campaign is being sponsored in Crane by the Lions Club. "Pick-up" day will be Friday when trucks will work in all four sections of the city.

Working under general chairman, Dr. Richard Fielden, team captains and committees have been appointed for each section of the city.

Dr. Fielden has announced all trucks to be placed in the alleys in a suitable way so that loading may be done quickly. City and county trucks are making that all-day drive.

Handbills have been distributed through the school and placards have been posted in the downtown area.

Team captains are Hayden Wilmoth, Lloyd Wimberly, John Hodges and the Rev. Bob Tomlinson. Assisting are Otto Blount, W. W. Allman, the Rev. David Powell, Darrell Keckner, Bill Clayton, J. F. Kendrick, Hugo G. Huffman, J. W. Teague, Jess Miller, Pete Mattox, Joe Beyer, J. D. Buchanan, Bill Averitt, J. R. Todd and Reagan Hinman.

EMERGENCY PATIENT

Barbara Sue Brown, 707 North Mincola Street, was admitted to Western Clinic-Hospital Wednesday as an emergency medical patient.

Service Manager Appointed By Erskine Motors

Stanley Erskine, owner of Erskine Motors, this week announced the appointment of Frank Drake as Service Manager of the local Lincoln-Mercury dealership.

The general public, as well as Drake's old friends and customers, is invited to call on Frank Drake at Erskine Motors for the very best in automobile service.—(adv.)

Use Common Sense to Take Off That Ugly Fat

Overweight can be a nuisance to health, but common sense should be the watchword to get rid of the extra pounds. A rigid diet over a protracted period of time, can lead to harm.

The MATURE PARENT

Eighteenth-Century Swiss Was Children's Champion

By MURIEL LAWRENCE
Europe has a child guidance expert so revered and loved that after World War II, war orphanages were built in his honor. Since I have been reading his theories, I no longer wonder why Switzerland is so proud of Heinrich Pestalozzi, her famous 18th Century teacher and champion of children.

Are you afraid that reproof for disobedience will lose your Buddy's affection? Here's Buddy's champion on this subject:
"The more firmly your love resists your child's tendency to error, the more closely will you knit his heart to yours and win what is most sacred in his confidence. The intelligent, thoughtful mother follows the dictates of her love, instead of becoming the slave of her child's caprices and physical selfishness."

Tot Hurt Slightly In Fall From Auto

Tommy Ezell, 16-month-old son of Mr. and Mrs. Farrell Ezell, suffered head injuries in a fall from a parked automobile Wednesday.

Stanton News

STANTON - Mrs. Muggs Millam and Joey of Robert Lee spent the weekend visiting in the home of Mr. and Mrs. R. S. Lewis.

SOCIETY

Distributive Education Teacher Speaks At B&PW Dinner Meeting

Ruth Donnell, distributive education teacher in Midland High School, was the guest speaker Tuesday at the season's first dinner meeting for the Business and Professional Women's Club.

The group met in the Crystal Ballroom of Hotel Scharbauer, with Flossie Vaughn, president, presiding.

Miss Donnell explained briefly how distributive education, or on-the-job training, works.

Most girls, she added, plan to marry and live happily ever after and, consequently, have given little thought to the type of work they will do between school and marriage.

Miss Donnell pointed out the federal government has done away with on-the-job training of general office help and now only telephone operators, clerical assistants, insurance and realtor clerks and a few others receive the benefits of such training.

"It's hard to get the students' feet on the ground," she said. "They live too much in the future, seeing only the end and not the apprenticeship."

When a student knows what profession he would like to follow, she said, the task of placing them on-the-job training is easy.

Miss Donnell praised Midland businessmen for their cooperation in helping her to place her students.

2,600 New Numbers Added Since Dial System Instituted

More than 2,600 new telephone numbers have been added since the conversion to the dial system in Midland, Manager Al Case of the Southwestern Bell Telephone Company reported.

Case said that before the conversion there were 1,233 working telephone numbers, with that figure now increased to approximately 3,800.

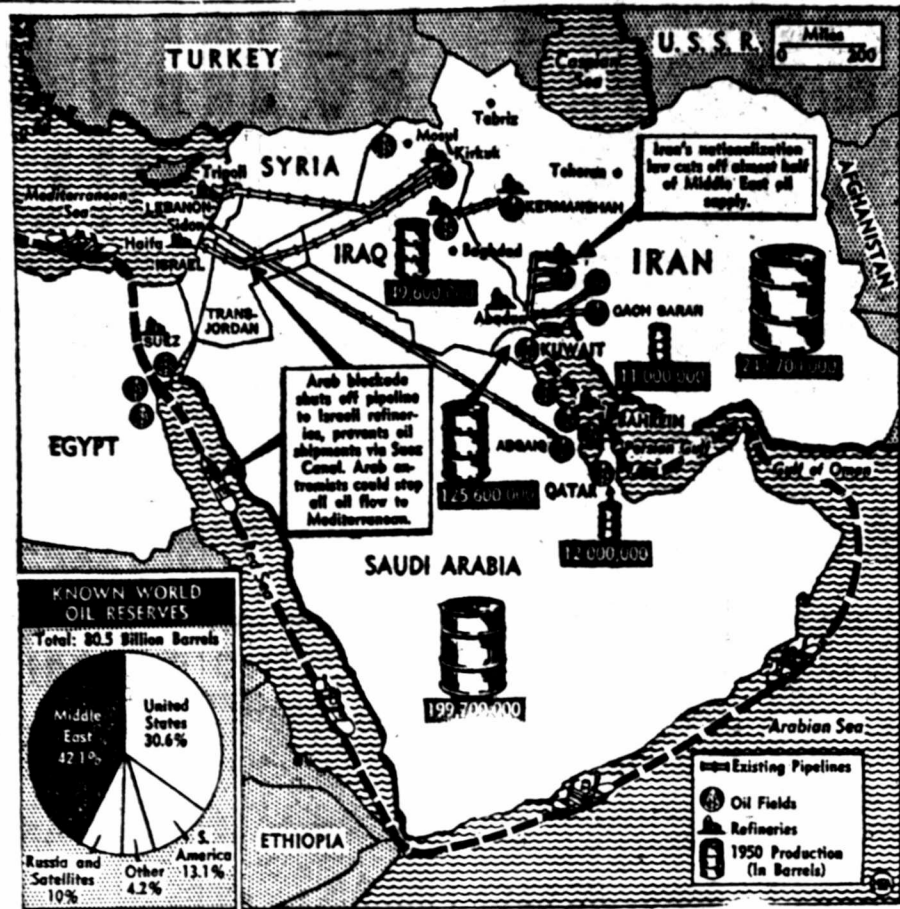

Counting extensions, there now are about 12,500 telephones in the city.

During a typical period, he said orders for 384 connections were issued between August 8 and September 8 while only 122 disconnections were issued.

Long-distance traffic, too, has increased greatly since the change-over to the dial system. Before the dial system, long distance calls averaged between 2,900 and 3,000 daily. Now, between 3,800 and 3,900 long-distance calls are made each day.

So great has been the long-distance traffic that a special number—26—has been set aside for persons calling Odessa and about 600 calls a day are made through this number.

An inter-dial system by which the operator here dials the ultimate number—already has been set up between Midland and Fort Worth and by early 1962 will be extended to other large cities throughout the United States.

OIL AND TROUBLE IN THE MIDDLE EAST

With Iran's oil output cut off by nationalization, production in other areas of the rich Persian Gulf area is booming. But, even the stepped-up oil production of Saudi Arabia and smaller Gulf nations—which flows westward chiefly via huge, desert-spanning pipe lines—could be shut off by the action of a few Arab extremists. The Newswamp above shows normal flow of oil from the Middle East. Israel's big Haifa refineries already have been sealed off from much of their crude oil supplies by Arab blockade, and a recent resolution of the Arab League contains an implied threat to the other great pipe lines carrying oil to Tripoli and Sidon in Lebanon. Altogether, almost half the free world's oil resources lie in these troubled Middle Eastern nations.

FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plates dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just apply a little PASTETEX, the alkaline (non-acid) powder, on your plates. Holds false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get PASTETEX at any drug store.

Face-Lifting Ordered For Texas Highways

AUSTIN—(AP)—Many of Texas' old roads will get a face-lifting job within the next year. Cost of the mammoth repair and improvement program will be \$18,000,000.

Distributed over 434 projects and 3,400 miles, the millions will be spent to preserve the state's investment in existing roads. State Highway Engineer D. O. Greer said Wednesday.

Such a program will curtail new construction but is essential because of the heavy volume of traffic now traversing Texas roads, Greer said.

Pair Charged In Narcotics Seizure

AUSTIN—(AP)—Charges have been filed against a man and a woman in connection with a \$5,000 narcotics confiscation Tuesday north of Austin, City Police Chief R. D. Thorp reported here late Wednesday.

The charges, possessing and transporting narcotics and possessing punchboards, were filed in justice of the peace court in Georgetown against James William Bruce, a 54-year-old Louisiana ex-convict, and a 36-year-old woman whose name police asked to be withheld pending further investigation.

The charges of possessing punchboards are the first to be filed under the new state law passed by the last Legislature making it unlawful merely to possess the devices.

Maverick Announces For Congress Seat

PORT ARTHUR—(AP)—A former San Antonio mayor Wednesday night revealed he would be a candidate for U. S. representative-at-large next year.

Mauri Maverick, longtime Texas political figure and former congressman, announced his decision at a meeting of the Jefferson County Democrats Club here.

His announcement came only one day after former Congressman Martin Dies of Lufkin said he may seek the post himself.

Navy, Air Force Soon May Resort To Using Draftees

WASHINGTON—(AP)—The Navy and the Air Force soon may have to resort to the draft to meet their manpower needs, a Defense Department spokesman said Wednesday.

Until recently, when the Marines asked for 13,000 draftees, the Army was the only service to use the draft since it was revived after the Korean war. All the services face a heavy turnover late this year with the release of reserves.

A new reserve program approved Wednesday by a House Armed Services subcommittee would divide all reserves into three classes—ready, standby and retired. The President, after he had declared an emergency, could call up only the ready reserve, and then only if the joint chiefs of staff and the secretary of Defense found the action needed for national security.

The bill also would ban the President from calling up reserves beyond the size of the armed forces authorized by Congress—now 5,000,000.

Christmas Card Girl Seeks Better Health In Arizona

CAMDEN, N. J.—(AP)—The "Christmas Card Girl of 1949," still suffering from chronic asthma, is going to seek better health in Arizona.

Patricia Grover, now 10, left with her family Wednesday by bus for Prescott, Ariz., where her father, Frank, is employed by a contracting firm.

In 1949, The Associated Press publicized Patricia's request for some "let-over" Christmas cards to make scrapbooks for other shut-ins and for soldiers.

She received 25,000 cards in '49, and an estimated 75,000 last Christmas.

Inter-Service Draft Agreement Extended

Selective Service Board 137 and recruiting stations of the Army and Air Force here have been notified an inter-service agreement regarding enlistment of draft registrants has been extended to Nov. 30, 1961.

The inter-service agreement is: A Selective Service registrant still can enlist in the branch of service of his choice even after physical examination, but he cannot enlist after receiving induction orders.

The notification to the Midland draft board came from State Selective Service headquarters, as relayed from the Director of Selective Service, Washington, D. C.

Wreckage Of Crashed B-29 Found At Sea

TOKYO—(AP)—At least one of the 14 men aboard a U.S. B-29 Superfortress which crashed in the Sea of Japan early Wednesday was able to make an effort to survive, Air Force headquarters said Thursday.

A parachute, a survival kit and a deflated rubber life raft were found by a crash boat and presumably came from the crashed plane.

No trace of survivors has been found but an intensive search is continuing. The Third Air Rescue Squadron has asked the Navy to send divers to examine the fuselage of the B-29. The wing extends above the water.

Geysers in Alaska's Valley of 10,000 Smoke dead plumes of steam 1,000 feet up.

Airplane Wreckage Reported Sighted On Alaska Mountain

ANCHORAGE, ALASKA—(AP)—What might be the wreckage of a missing Korean airlift plane which vanished July 21 with 38 aboard was spotted Wednesday 10 miles southwest of Kenai Lake, on the Kenai Peninsula near Seward.

The Elmendorf Air Force Base public information office reported a Mr. Carey telephoned the 10th Rescue Squadron from the Mason-Oberg Construction Company camp that he spotted the wreckage of either a DC-3 or DC-4 at the 4,000-foot level in the Kenai Mountains. The missing airlift plane was a DC-4.

Carey said he used field glasses in spotting the plane. A short time later he flew over the area in a plane but the weather closed in.

A four-man trail crew left here at 5:30 p.m. Wednesday by train and will walk in Lt. Richard Swain, in charge of the trail crew, estimated it would take two or three days to reach the site because of the difficult terrain.

His group is taking a radio with which it will make progress reports to the Mason-Oberg camp.

'Voice' Schedules Texas Broadcast

WACO—(AP)—The people of Norway are likely to be confused one of these days when they turn on their radios and listen to the Voice of America.

They will hear 35 young Norwegian air cadets in the United States for training. The cadets will be introduced by Gov. Allan Shivers of Texas, who will make them honorary citizens of Texas. Then the cadets will sing three Norwegian songs, including their national anthem.

It's the next song on the recording, made by Baylor University here, which may confuse the Norwegian listeners. The cadets will sing "The Eyes of Texas"—in English.

TOOL THEFT REPORTED

The Jennings, 1106 South Big Spring Street, reported to police Wednesday night that a box of carpenter tools was taken from automobile parked in the 100 block of West Texas Street while he attended a movie.

Oklahoma Veteran Dies In Chair For Daughter's Murder

MOLESTER, OKLA.—(AP)—Milburn J. Mott, 57-year-old butcher knife slayer of his six-year-old daughter, died in the electric chair early Thursday with a tearful plea to Warden Jerome J. Waters, Jr., "to see that my children are taken care of."

The Sand Springs war veteran and mechanic, who slew his daughter after a binge on 20 bottles of beer, tried desperately to blink back the tears as he grasped the warden by the hand firmly for his last statement.

Mott spent his last living hours in bitter meditation on the "in-law" trouble he blamed for the grisly butchery knife slaying of six-year-old Mary Francis lay sleeping in her bed at Sand Springs the night of March 8, 1949.

Military Releases Stainless Steel For Civilian Use

WASHINGTON—(AP)—A windfall of 20,230,000 pounds of stainless steel for civilian use was released Wednesday by the military as not needed.

The Defense Production Administration (DPA) announced the action and allotted the steel for use during the next three months, in which it will account for about seven per cent of total supply.

One-third of the amount released was set aside for passenger car producers, who use stainless steel for trim. A little more than one-third was earmarked for refrigerators, toasters, vacuum cleaners and other durable goods. The rest was split up among miscellaneous uses.

The U. S. Army says three-fourths of all its enlisted men have attended high school.

Tone Spurns Civil Action Against Mauler; Blonde Barbara Loses Chance At Film Role

HOLLYWOOD—(AP)—With considerable hauteur, Franchot Tone has scorned suggestions that he file a civil suit against actor Tom Neal, who beat him up last week over the flouting affections of actress Barbara Payton.

The wealthy Tone, heir to his father's carborundum fortune, stated through his lawyer that the only action he is considering is a criminal complaint.

And that, said the lawyer, Kenneth Chantry, is being weighed on its public relations aspect. Chantry said Tone is unwilling to take any step that might injure him professionally.

The producers said they consulted a doctor and were told Miss Payton could not perform because of the nervous exhaustion caused by the savage battle at her home last week. Actress Mala Powers is being tested for the part.

Miss Payton, making regular visits to Tone's hospital room, says he has asked her to marry him and that she'll do so as soon as he's up and around.

Nancy Levies On Building Owned By Husband Frankie

LOS ANGELES—(AP)—Frank Sinatra's estranged wife, Nancy, says the crooner is \$40,000 in arrears in his separate maintenance payments.

She informed the Superior Court Wednesday that Sinatra earned \$328,050 in the first six months of 1961; that under their separation agreement she should have received \$67,805 of it, but was given only \$27,000.

Mrs. Sinatra obtained a court order for a levy against a Hollywood building the crooner owns. She said that as soon as she gets the money she will go ahead with her divorce plans and bring a suit in the California courts, despite Sinatra's announced intention of suing for a Nevada decree so he can marry actress Ava Gardner at once.

A California divorce does not become final for a year.

Cleveland Sets To Make Hay While Yanks, Red Sox Meet In Long Series

By JACK HAND
Associated Press Sports Writer

Cleveland's sweep of the Boston series leaves the league-leading New York Yankees gasping for breath in the American League.

Still out front by three percentage points after Wednesday's victory over Chicago, the Yanks face rough going ahead. While they play nine of 10 with first division clubs, the Tribe plays only six—five with the bottom half of the league.

Chances are the Yanks and Red Sox will knock off one another in their eight meetings while Cleveland picks up enough ground to get home free. Then they can start worrying about Brooklyn, which opened up a three and one-half-game lead on idle New York in the National Wednesday night by blanking St. Louis, 3-0.

Chicago, in a vengeful mood since that disputed rainy night game at the stadium in July, can knock the Yanks out of first place Thursday while Cleveland rides a train to Detroit.

Cleveland showed its old booming drive Wednesday in walloping Boston, 15-2, a blow that practically doused the last Red Sox hopes. Trailing by three and one-half games with 11 to play, Boston's main job now seems to be making or breaking the Yanks in the series opening Friday at Fenway.

Early Wynn became the Tribe's third 20-game winner with a seventh hit on Boston. While he coasted, the Indians took full advantage of 11 hits and 13 bases on balls by Maury McDermott and five successors. Ray Boone, Luke Easter and Bobby Avila hit home runs.

The Yanks didn't bruise the ball in beating the White Sox. They had only three hits but two of them off Lou Kretlow were enough to win with the help of walks. Gil McDougald's homer with nobody on tied the score at 2-2 in the third and Mickey Mantle's homer with two on won the game in the fourth. Lefty Bob Kusava, who replaced starter Tom Morgan in the third, earned his eleventh victory with a fine relief performance. Gus Nariboso's first homer of the year in the ninth inning was the only run off the lanky blond.

Preacher Roe took charge of pulling Brooklyn out of its tailspin by shutting out the St. Louis Cardinals with five hits. The crafty lefty's record now is a phenomenal 21-2 for the season including seven wins over St. Louis. Given a two-run edge in the fourth on Mickey Livingston's bases-loaded single, Roe had only one tight squeak. One of the Brooks' three doubles plays helped him out of it. Max Lanier was knocked out

BIG SHOTS—Tony Trabert, left, could win the national singles. Dick Savitt, top inset, is the Wimbledon and Australian champion. Art Larsen, bottom inset, is the defending titleholder. Frank Sedgeman is the Aussie' top man. (NEA)

WHITTENTON WON'T PLAY—

Bulldogs Journey To Ysleta Friday

Expecting a rough time of it all the way, Midland High School's 1961 football team will depart for Ysleta at 7 a.m. Friday to meet the Indians Friday night in the second football test of the year for both teams.

"I dread Ysleta as much as any non-conference team on our schedule," Jones said Thursday as the Purple whipped through a light drill.

San Antonio Trails Houston By Pair

By The Associated Press
The San Antonio Missionis return to their home park Thursday night trailing the Houston Buffs two games to none and in poor condition to stage a comeback. Three Mission players are on the injured list.

The Padres fell behind the straight away leaders Wednesday night by dropping a 4-3 decision for their second straight loss.

Jack O'Donnell, Mission first baseman, was sidelined in the first game of the series with broken ankle; Bob Turley, ace pitcher, is suffering with a sore elbow and Don Robertson, starting pitcher Wednesday night, was hit in the face with a ball.

Jack Crisman, Houston relief pitcher, singled with two out in the eighth inning to drive in the winning run in the second game. The Buffs had taken a lead with three runs in the first frame only to have the Padres tie the count with three of their own in the sixth.

Taylor Leaves Texas Tech, Enters Rice Institute

HOUSTON—(AP)—Mae Taylor, Lubbock High School's star back last year, was one of 33 football players to register as freshmen at Rice Institute Wednesday night.

Others in the bumper crop of prize prospects include Morris Stone, Kerrville ace, and Ronald Lassiter of Houston.

Taylor had been working out with Texas Tech until early this week.

Roman Rhubarb Rages As Mayors Exchange Greetings

ROME—(AP)—The perspiring mayors of New York and Rome exchanged formal greetings Thursday in a tiny crowded room of Rome's City Hall while a Roman rhubarb raged outside the door.

While Mayor Vincent Impellitteri of New York and Mayor Salvatore Rebecchini addressed each other in endearing terms, a number of Italian newspapermen who could not crash their way into the room stomped off the premises in a huff.

One Italian photographer was barred from the room when an official discovered he was not wearing a necktie. There was a big argument over it, but the photographer lost and the dignity of the occasion was rescued.

Impellitteri arrived Wednesday as a guest, with his wife and his party, at Ciampino Airport.

Rents Controlled In Two Texas Counties

WASHINGTON—(AP)—Residential housing in two Texas counties was ordered put under immediate rent controls Wednesday by Tighe E. Woods, rent stabilization director.

The counties are Hutchinson and Brazoria. Each has been certified as a critical defense housing area by the secretary of Defense and Office of Defense Mobilization.

Rocky Stuns Janiro

DETROIT—(AP)—Rocky Graziano, whose blasting comeback in the last 20 seconds stunned Tony Janiro Wednesday night and gained Rocky a technical knockout, wants to get into the next business—a middleweight title fight with Champion Sugar Ray Robinson.

This may be early next year. Meanwhile the "We was robbed" cry came from Janiro and Frankie Jacobs, his manager.

Until Rocky's crashing lefts and rights suddenly sprawled Tony on the canvas with the fight almost over, Janiro appeared a sure winner in a wide-open slugfest. Referee Lou Handler halted the 10-round, televised fight just as Janiro hit the floor.

Janiro hopped right to his feet and joined Manager Jacobs in protesting Handler's decision. Many in the crowd of 8,086 boomed.

Despite the knockdown, Janiro—who had a 5-3, 6-3, and 5-2 edge by rounds on the official scoreboard—evidently would have won by decision if the fight had gone 14 more seconds to the conclusion.

"Handler should at least have let Tony take a nine count," said Jacobs.

Janiro kept repeating that he wasn't hurt and could have finished the round.

Graziano, 180 pounds to Tony's 154, exploded a left to Tony's face with 20 seconds left. Tony tried to back away but roughhouse Rocky rained rights and lefts at him.

Tony slid from rope to rope as he tried to cover up and get away. Rocky punched and half-shoved Tony to the canvas.

Texas Team Cops Softball Crown

PHOENIX, ARIZ.—(AP)—Galvert, Texas, Wednesday night won the National Softball Congress Men's Championship by a 6-0 victory in nine innings over the defending champion Fike Plumbers of Phoenix. All five runs were scored in the top of the second overtime inning.

Rockets Rip Odessa, 16-8

By The Associated Press
They're all even in the Longhorn League championship playoffs. The Roswell Rockets saw to that Wednesday night as they trotted out their big bats for a good, old-fashioned slugfest.

The Rockets blasted Odessa pitching for 19 hits to down the Oilers, 16-8, and square the series at two games each. They scored nine runs in the first inning to leave little doubt of the final outcome.

The series continues Thursday night in Odessa, then moves back to Roswell for the windup—two games if needed.

Five hits, four walks and two errors produced the big, nine-run first inning. A double and triple among the five hits helped a lot.

Ray Sanders, Rocket catcher, homered with one on in the fourth to keep the pot boiling. The Rockets made three runs in that frame, three more in the seventh and one in the ninth.

The Oilers fought back with five runs of their own in the last of the first inning with a grand-slam home run by Manager Pepper Martin sparking the uprising. Martin also had a round tripper in the fifth inning, this one with one man on base.

The score: R H E
Roswell 900 300 301-16 19 2
Odessa 500 021 000-8 8 3
Grimes, Sawyer and Sanders; Ortega, Ortis, Hauptert, Willis and Castro.

275-Pounder Is Record Sailfish

SAN DIEGO, CALIF.—(NEA)—A world record sailfish—a 275-pound, 114 1/2-inch denizen—was boater by Al Steinbaum, San Diego hotel owner.

The intrepid angler, trolling off La Paz, Mexico, in a party of three aboard the 28-foot cruiser, Dorando, took the monster on medium tackle.

Using flying fish as bait, Steinbaum worked his tackle about 15 minutes before receiving his strike. The sailfish was brought to gaff 20 minutes later after a hair-raising struggle. Its girth measured 37 1/2 inches.

The fish is 54 pounds heavier than the previous all-tackle world record of 221 pounds, caught in 1947 in the Pacific at the Santa Cruz Islands in the Galapagos.

Steinbaum will file papers with the International Game Fish Association to establish the record catch.

ON THE LINE

ATLANTA—(AP)—When tackle Lamar Wheat of Chattanooga was named captain of the Georgia Tech football team, it marked the 12th consecutive season that a lineman has been chosen to lead Tech eleven.

Rocky Stuns Janiro

DETROIT—(AP)—Rocky Graziano, whose blasting comeback in the last 20 seconds stunned Tony Janiro Wednesday night and gained Rocky a technical knockout, wants to get into the next business—a middleweight title fight with Champion Sugar Ray Robinson.

This may be early next year. Meanwhile the "We was robbed" cry came from Janiro and Frankie Jacobs, his manager.

Until Rocky's crashing lefts and rights suddenly sprawled Tony on the canvas with the fight almost over, Janiro appeared a sure winner in a wide-open slugfest. Referee Lou Handler halted the 10-round, televised fight just as Janiro hit the floor.

Janiro hopped right to his feet and joined Manager Jacobs in protesting Handler's decision. Many in the crowd of 8,086 boomed.

Despite the knockdown, Janiro—who had a 5-3, 6-3, and 5-2 edge by rounds on the official scoreboard—evidently would have won by decision if the fight had gone 14 more seconds to the conclusion.

"Handler should at least have let Tony take a nine count," said Jacobs.

Janiro kept repeating that he wasn't hurt and could have finished the round.

Graziano, 180 pounds to Tony's 154, exploded a left to Tony's face with 20 seconds left. Tony tried to back away but roughhouse Rocky rained rights and lefts at him.

Tony slid from rope to rope as he tried to cover up and get away. Rocky punched and half-shoved Tony to the canvas.

Texas Team Cops Softball Crown

Conference Panel Must Settle Other Postal Rate Hikes

WASHINGTON—(P)—The penny postcard is going up to two cents but how much other postal rates may climb will be determined by a congressional compromise committee.

The House late Wednesday passed its version of a bill designed to raise more money for the Post Office Department, now in the red about \$500,000,000 a year. It differed sharply from a recently approved Senate bill.

Both measures must be alike before they can become law. A Senate-House Conference Committee will meet to smooth out differences. The Senate and House bills agreed on the penny postcard hike and a few other points.

The House bill would bring in an extra \$126,000,000 a year, the Senate, \$400,000,000. Whatever the compromise committee does, the postal rates will not put the department in the black.

The House bill would raise mailing costs for newspapers and magazines by 30 per cent, spread over a three-year period. The Senate agrees on newspapers, wants a 60 per cent increase for magazines.

House Talks On Letters
The House refused to go along on the Senate's three-cent letter-rate increase to four cents, since letter mail already returns a profit.

House leaders predicted the Senate would drop its original demand, too. This provision alone accounts for \$200,000,000 of the extra revenue contemplated by the Senate measure.

There was a possibility, also, the Senate would bow to the wishes of the House on second-class rates for newspapers and magazines.

The Senate measure would add two cents to the present six-cent charge for an airmail letter. The House measure leaves this rate unchanged. The House also refused to concur in a Senate increase of one cent in the four-cent rate for an airmail postcard.

Special delivery charges on material weighing not more than two pounds are 20 cents in the Senate bill and 23 cents in the House version. The present rate is 15 cents. Registry fees, now 25 cents, would go up to 30 cents in both bills. So would collect on delivery (COD) charges, now 20 cents.

Fees for insuring mail wouldn't be changed on smaller valuations but would be raised five cents starting with parcels valued at \$50.

NATO Group Due To Wind Up Ottawa Session Thursday

OTTAWA—(P)—The North Atlantic Council is slated to wind up its Ottawa session Thursday with a significant decision to extend into the strategic, oil-rich Middle East its system of joint defense against possible Soviet aggression.

A decision by Denmark that it would not exercise its veto assured unanimous approval by the 12-nation council of an American-sponsored resolution recommending that Greece and Turkey be given membership in the Atlantic Pact.

Subject to Greek-Turkish acceptance and ratification by the present NATO governments, including Senate concurrence in the United States, the action will result in stretching the pact's security commitments far beyond the North American and Western European areas they originally were designed to protect.

Livestock
FORT WORTH—(P)—Cattle 1,300; calves 900; market steady here Thursday. Good and choice slaughter steers and heifers 23.00-37.50; utility grade and common steers and heifers 23.00-31.00; beef cows 22.00-27.50; canners and cutters 15.00-22.00; bulls 20.00-28.00; good and choice slaughter calves 30.00-34.50; medium and good stocker steers and yearlings 28.00-34.00; stocker cows 20.00-27.00; good and choice stocker calves 33.00-38.50.

WAF ENSEMBLE—WAF Pfc. Billie Adams of Birmingham, Ala., models a new five-piece exercise uniform adopted for women in the Air Force. The outfit includes skirt, shorts and cap of light blue denim, a shirt of matching chambray and slacks of dark blue boat cloth.

Army May Seek Needed Beef From Overseas Sellers

WASHINGTON—(P)—The Army Thursday said it got offers of only 190,000 pounds of beef in response to its request for bids on 13,000,000 pounds.

Only two of 212 packers solicited for bids made offers. This seemed to make certain that the Army now would turn to overseas markets to get the boneless or carcass beef it needs for supplying the European Command.

The Army announced Wednesday that if domestic packers failed to provide the needed amount it would request authority from Army Secretary Pace to buy overseas.

The packers have given government price controls and a shortage of high quality beef as reasons for refusing to submit bids.

Britons—

(Continued From Page One)
puty leader, was expected to hurry back to London from an Italian holiday. Some predict that if the Conservatives win, the aged Churchill would take the prime ministry for a few days as a victory trophy, then turn the job over to Eden, 53, or some other younger Tory.

Churchill will be 77 on November 30 and is suffering from a growing deafness.

Recent public opinion polls in the country indicate that the country's 24,000,000 voters have swung heavily toward the Conservatives. One poll gave the Tories 51.2 per cent to 33.1 per cent for Labour.

New Mexico Voters Snub All Amendments To State Constitution

ALBUQUERQUE—(P)—A proposed amendment to New Mexico's Constitution, to make it legal to sell liquor to Indians, has fallen by the wayside.

The measure was one of eight state Constitution changes which voters decided against in Tuesday's special election.

The count, with only a handful of hinterland voting divisions still out, showed all the proposals defeated.

Midlanders Return From Capital With Renewed Optimism

Chamber of Commerce Manager Delbert Downing and School Supt. Frank Monroe returned late Wednesday from Washington, D. C., where they conferred with government officials concerning Midland Post Office expansion and the erection of new school buildings here.

Monroe said authority was granted by the Office of Education for the purchase of steel needed for a new junior high school and a new elementary school here. The school system already has located sufficient steel for the \$1,500,000 construction project, and the order brought back to Midland by Monroe clears the way for its purchase.

Downing expressed optimism concerning the proposed Post Office expansion program and said inspectors have been ordered to survey the congested situation existing in the Midland Post Office.

The order calls for not only inspection but for the taking of immediate steps to remedy the critical condition on a temporary basis while a long-range expansion program is planned and carried to completion, the Chamber manager stated. He predicted lock boxes to meet the current need will be installed in the Post Office here as promptly as possible.

The Midland men conferred with Congressman Ken Regan and Senators Tom Connally and Lyndon Johnson in addition to Post Office Department and Office of Education authorities.

Both Downing and Monroe praised Congressman Regan on the manner in which he "got things done" for them in Washington.

"It was a most worthwhile trip from every standpoint," they said.

Jury List—

Anti-Franco Front Builds Up In Spain

TOULOUSE, FRANCE—(NEA)—A strong "National Front" for the overthrow of Generalissimo Francisco Franco's government is reported under way in Spain and gathering momentum daily.

It comprises Spaniards of many walks of life and diverse political views.

I also talked with leaders of the Monarchist party and the Union General de Trabajadores (UGT) and the Confederacion Nacional de Trabajo (CNT)—the two trade unions directly responsible for the recent strikes in Spain. Because of strict censorship, few details of those strikes are known outside the country.

None of my informants were of identical political and economic views. But they all agreed that: 1. In event of war, the majority of Spaniards will not support Franco.

2. The recent strikes in Barcelona, Bilbao, Pamplona and elsewhere—despite strong Communist pressure—were chiefly economic and not political. Mainly, they were a protest against a deteriorating economic situation, widespread hunger and rampant corruption in Franco's higher political circles.

3. The strikes were not spontaneous. They were planned and executed in an orderly fashion with a minimum of violence on the part of the strikers.

4. The employers and many of the top industrialists resent the economic stranglehold of Franco's machine. They encouraged their workers to strike and paid them for days lost—though they were warned by the government against it.

French-Spanish frontier, I interviewed one of the chiefs of the anti-Franco National Front who recently attended a conference of Spanish exiles in France. He crossed the border without trouble.

Francisco Franco: His collapse might let Reds fill gap.

Orders for the strike in a number of cases were issued on the Falangist Party and the government-controlled trade unions. The strikes would have failed at the outset had not the strikers had at least the passive support of the police and the army.

5. Franco's army is divided. Generals commanding whole areas are cooperating with the National Front. The strikes and the general wave of restlessness reveal the weakness of the Franco regime, my informants said. They questioned the reliability of the Generalissimo in any alliance against Soviet aggression.

Organized rebellion against Franco is, for the present, strongest in Navarra. It was from Navarra that the Generalissimo drew his most fanatical supporters during the civil war—the red-bettered Requetas.

Both provinces feel keenly the ruthless oppression of the centralized and rabidly-nationalistic Madrid government.

The Junta for Internal Coordination—the guiding body of the National Front—was originally organized by the rabidly anti-Communist Social Democrats, the UGT and CNT. It has since gained the adherence also of the pro-nationalist "Esquerra Catalana" and the Catholic "Accion Vasca" in the province of Viscaya.

While the Western Powers remain neutral in the Spanish situation, Soviet Russia is exerting every effort to "capture" the expanding concentration of anti-Franco social and political forces.

Anti-Communist leaders of the National Front fear that only the Cominform is prepared to fill the vacuum that may be created in Spain following the Collapse of the Franco government.

Spain would thus become a Soviet strategic base between the Atlantic and the Western Mediterranean—a permanent threat in the heart of the North Atlantic pact countries.

At the same time, Moscow has stepped up propaganda in Spain; it is now beamed to the Spanish people in 25 different weekly broadcasts. And there are no reports of pro-Western counter-propaganda. Non-Communist forces in Spain lack the huge Soviet Cominform apparatus.

Here in Toulouse, close to the

Ruling Awaited On Venue Change In McGee Hearing

LUBBOCK—(P)—District Judge Victor Lindsey was expected to deliver his decision Thursday on a written request for a change of venue in the Richard McGee sanity hearing.

McGee is under a death sentence for the 1948 slaying of R. L. Alston, Lubbock grocery executive.

Wednesday Judge Lindsey excused two jurors chosen in the hearing and took under advisement a defense motion for a change of venue. He said he would deliver his decision Thursday.

Guns are Army, gunners are civilians: In a special U. S. Army training program in Panama, Canal Zone residents learn how to help man anti-aircraft guns for defense. At left, a team of civilians fires a 90 mm. cannon; at right, Miss Bea Alexander and G. W. Bates get a lesson on a 40 mm. gun from Howard Crowell (in light uniform), 65th AAA Gun instructor.

Civilians Man Anti-Aircraft Guns In Unique Defense Test

PANAMA, CANAL ZONE—(NEA)—U. S. civilians may soon be asked to help the Army man its anti-aircraft guns dotted all around the country.

This could be the result of successful tests conducted by the Army here in which more than 250 civilian Canal Zone residents were taught, in less than 40 hours of instruction, how to perform practically every job required in an anti-aircraft battalion.

Volunteers from 17 to 60 included women, cripples and one blind man. They learned to perform, with military standards of proficiency, all jobs of running an AA command post, operating radar and actually firing various types of large and small AA guns.

In graduation exercises, the assorted collection of housewives, grandmothers, stenographers, male clerks and Zone officials shredded two tow targets and shot two high-speed radio-controlled target drones out of the air in a simulated enemy attack. They fired 40 mm. and 90 mm. cannon and 50 caliber machine guns from the high rock at the Pacific entrance to the Canal, on which is located the Army's most vital defense of the Zone.

Since End Of War
Military experts from Washington who saw the exhibition agreed that

it represented the most significant development in U. S. civilian defense since the end of World War II. They also said it might mark an historical turning point in the use of civilians by the U. S. Army. Non-military personnel have never before been tried out in such a capacity.

When the Army first asked for volunteers for what they called the Anti-Aircraft Civilian Auxiliary Test Section, Zone residents were cool to the idea. But with "pressure" which Zone officials were able to apply—every resident is an employee or in the family of an employee of the U. S. government—393 persons were induced to sign up.

After a careful screening of the "volunteers" by the Army, 266 persons were accepted. As soon as the program got under way the attitude of the civilians changed abruptly.

Became Interested
They became intensely interested. The Army gave them dungarees and provided transportation to and from the classes, held two nights a week and on Saturday morning. Attendance ran close to 100 per cent.

The success of the Panama test has the Army a little startled. Maj. Gen. Paul W. Rutledge, commander of the Eastern Anti-Aircraft Defenses of the U. S., who saw the

results of the test unit, said "we've probably got a tiger by the tail in this thing." He implied that it might produce quick demands for the establishment of such civilian units all over the U. S. to save manpower in the Army and to bolster civilian defenses.

Yes, he replied, adding when the U. S. is in a position to enforce agreements they will be kept. That is the reason for the defense program, he continued.

At another point, he said the Communists had requested resumption of Korean trade talks and this country will make every effort possible to end the fighting without killing any more people.

A reporter recalled testimony before a Senate investigating group that Boyle had introduced a prospective borrower to RFC officials, and asked if he thinks that is all right.

What is the chairman of a party committee for, he asked, adding this and it is his job to be kind to people coming to town who want introductions. But he said there is a difference between that and taking fees, and he believes Boyle when he says he took no fees.

The President launched off a question regarding a statement by Edward J. Flynn, New York Democratic national committeeman, that Truman could beat all comers if he runs next year. The President said he was happy to have Flynn's opinion because he is a very able politician, but declined further comment.

MHS Grid Mentor Is Rotary Club's Luncheon Speaker

Declaring the game of football is 80 per cent heart and 20 per cent skill, Coach Tugboat Jones of Midland High School told Rotarians at their meeting Thursday noon, "We won the first game and we hope to win some more during the season."

"But please don't hang me in effigy when we lose that first one," he added.

The head coach was the guest speaker on the program, which featured a National Kid's Day theme. He was accompanied to the meeting by Assistant Coach Audrey Gill. Both coaches were introduced by Roy McKee, program chairman.

Fraises Team Spirit
Jones praised the fine spirit of his team members, terming them a "fine bunch of boys." He gave a rundown of the squad members, and said several of the boys can be great if they set their hearts to it. He discussed football prospects for the current season.

Calling attention to a nationwide trend among youths to want everything without working for it, Coach Jones urged parents to "tie your youngsters to something extra in school activities for their own good."

"You don't have to play football to be a success in life, but it helps," the coach stated.
Roy Holt and E. L. McCollum were introduced as new members of the Rotary Club.

Ringleader Of Five Escaped Prisoners Nabbed In El Paso

EL PASO—(P)—Charles M. Madden, reported ringleader of five El Paso County jail prisoners who tugged, saved and slid their way out of jail Tuesday, was arrested Wednesday night as he crossed the bridge from Juarez, Mexico.

It was called the most daring jailbreak in El Paso history. The 21-year-old prisoner was arrested by Deputy Sheriff David Villa minutes after he set foot on American soil. Wearing dark glasses, Madden was without money and unarmed.

He told Villa and Sheriff W. O. (Jimmy) Hicks he knew nothing of the whereabouts of his four fellow escapees.

"We all went our separate ways when we got out," Madden told Villa.

Four Still At Large
Still at large are James Smith, 30; Louis Picardi, 21; Francisco Mareslines 21 and Ernesto Solorzano, 27. Madden, Smith and Picardi were charged Wednesday by FBI men with unlawful flight to escape prosecution.

The prisoners pulled a toilet from the cell, thus gaining entry to a narrow corridor leading to a window. Bars were sawed off and the group slid down a blanket rope to the roof of Liberty Hall, some 30 feet below.

U. S. To—

(Continued From Page One)
that much. The Senate Finance Committee has estimated the bill would bring in \$5,500,000 more a year.

The President's remarks about Russia came when a reporter recalled his Monday speech asserting agreements with Russia are not worth the paper they are written on and asked, in view of this, whether the U. S. would continue to seek agreements.

Yes, he replied, adding when the U. S. is in a position to enforce agreements they will be kept. That is the reason for the defense program, he continued.

At another point, he said the Communists had requested resumption of Korean trade talks and this country will make every effort possible to end the fighting without killing any more people.

A reporter recalled testimony before a Senate investigating group that Boyle had introduced a prospective borrower to RFC officials, and asked if he thinks that is all right.

What is the chairman of a party committee for, he asked, adding this and it is his job to be kind to people coming to town who want introductions. But he said there is a difference between that and taking fees, and he believes Boyle when he says he took no fees.

The President launched off a question regarding a statement by Edward J. Flynn, New York Democratic national committeeman, that Truman could beat all comers if he runs next year. The President said he was happy to have Flynn's opinion because he is a very able politician, but declined further comment.

"As you going to run for President in 1952?" a newsmen asked. The President said he had no comment and reporters would be informed of his decision in plenty of time. That means, he explained, sometime before the Democratic convention meets next July.

Midland's Store for Men and Women

Cabot Carbon Gets Well In SE Midland Undeveloped Region

Cabot Carbon Company has completed its No. 1-A TXL as a new producer in extreme Southeast Midland County in an undeveloped area between the Weiner-Floyd field and the Midkiff-Spraberry fields. The well flowed 24 hours through a one-half-inch choke to make an initial production of 167 barrels of 37.5-gravity oil. Gas-oil ratio was 365-1. Production is coming from open hole which was Hydracraft with 3,000 gallons. Casing was set at 7,052 feet which is the top of the Spraberry. Total depth is 7,108 feet. No. 1-A TXL is located 660 feet from south and 1,980 feet from east lines of section 7, block 37, T-5-S, T&P survey.

Skelly Abandons NE Sutton Prospector

Skelly Oil Company has plugged and abandoned the No. 1 E. D. Reiley, wildcat in Northeast Sutton County, after recovering 1,000 feet of drilling mud, 900 feet of mud-cut salt water and 2,050 feet of salt water on a two-hour drillstem test of the Ellenburger from 5,262 to 5,577 feet. Operator drilled to a total depth of 5,577 feet. Location was 1,980 feet from north and 660 feet from east lines of section 42, block 5, TW&NG survey. It was four and one-half miles south of the Schleicher County line and nine miles east of the Kimble County line.

Midland Operator Spots Terry Test

J. C. Williamson of Midland has spotted a wildcat in Southeast Terry County as the No. 1 Gunn, 15 miles southeast of Brownfield. Location was 660 feet from north and east lines of southwest quarter of section 7, block C-39, pdl survey. It is 1,900 feet northeast of Woodley Petroleum Company No. 1 Whitt Gunn, a failure plugged at 5,250 feet in 1945, which had some interesting shows of oil—but not enough to make a well. Rotary tools will be used to go to 5,200 feet.

N-C King Is Site For New Wildcat

Stanolind Oil & Gas Company and Ard Drilling Company have spotted a 4,800-foot wildcat in North-Central King County as their No. 1 R. B. Masterson. Drilling is 10 miles northeast of Guthrie and four miles southeast of the operators' JY-Canyon reef line area. It is 1,980 feet from south and west lines of section 1, TW&NG survey.

Sterling Wildcat Is Plugged, Abandoned

Chapman & McFarlin Production Company No. 1 Sarah Bade, wildcat in Southwest - Central Sterling County, has been abandoned at 5,225 feet. The failure was 660 feet from north and east lines of the west half of section 16, block 22, H&TC survey and 10 miles west of Sterling City. It was two miles northwest of the Parochial-Bade Queen's area.

WTGS Meeting On Friday Night To Be In C-C Auditorium

The West Texas Geological Society will meet at 8 p.m. Friday night in the City-County auditorium. Dr. M. M. Leighton, chief of the Illinois Geological Society will be the guest speaker. His appearance in Midland is sponsored by the Distinguished Lecture Committee of the American Association of Petroleum Geologists. The West Texas society is a regional affiliate of the AAPG. Subject Listed: Leighton will discuss the subject "Natural Resources and Geological Surveys." He will cover the history of the science of geology, the role played by the state and federal geological surveys in the development of the science and the importance of such organizations in the present and future economic development. W. Dave Henderson, president of the WTGS will preside at the Thursday night meeting.

Strawn Wildcat Set For NE Schleicher

National Associated Petroleum Company is scheduled to drill a wildcat in Northeast Schleicher County as its No. 2 Boyd. Location will be 660 feet from north and east lines of section 13, block H, GH&SA survey and about four and one-half miles south of the Tom Green County line and the same distance west of the Merand County line. Projected depth is 5,000 feet to test the Strawn. Rotary totals will be used to drill the wildcat. Drilling is one mile east and one-quarter of a mile south of the same owner's No. 1 Boyd, dry hole at 5,310 feet. It is on a farm from Continental Oil Company.

Stanotex To Drill Crockett Wildcat

Standard Oil Company of Texas has staked location for its No. 1-4 J. M. Shannon Estate as a deep wildcat in Central-North Crockett County. Location is 660 feet from north and east lines of section 37, block BB, TCR survey and 15 miles southwest of Big Lake. Projected depth is 9,000 feet. Rotary tools will be moved in and drilling will begin immediately. The wildcat is in the World field which produces from a shallow depth. No. 1-4 Shannon is the second deep test for the pool.

Prospect Testing

Continental Oil Company and Humble Oil & Refining Company are trying to develop commercial production in their No. 1-E Powell, which is showing oil and some water in perforations in the Strawn line section at 8,088-8,112 feet. During the last 24 hours reported, the project swabbed 85 barrels of oil and 35 barrels of water. Location of No. 1-E Powell is 660 feet from south and 1,980 feet from west lines of section 62, block BB, John Bonta survey and 15 miles southwest of Big Lake.

Sixteen Explorers, Seven New Oilers, Given Spraberry

Sixteen more new explorations and seven new oilers have been added to the Spraberry Trend areas of Midland, Glasscock, Upton and Reagan Counties. The Tex-Harvey field of Central-East Midland and Central-West Glasscock Counties received seven of the new tests and three of the new oilers. In the Midland County side, York & Harper, Inc., No. 1 Allene O'Brien will be drilled 660 feet from north and 1,980 feet from east lines of section 43, block 36, T-2-S, T&P survey. Phillips Petroleum Company will dig No. 2-D and No. 2-E Mabel in the same area. No. 2-D will be 663 feet from south and 660 feet from west lines of the southeast quarter of section 22, block 37, T-3-S, T&P survey. No. 2-E will be 663 feet from south and 660 feet from east lines of the northeast quarter of section 22, block 37, T-3-S, T&P survey. Sunray Oil Corporation will drill No. 3 and No. 4 Annie S. Boone in the same side of the Tex-Harvey field. No. 3 was spotted 660 feet from north and east lines of section 42, block 36, T-2-S, T&P survey. No. 4 will be 660 feet from south and east lines of the northeast quarter of the same section, block and survey. The British American Oil Producing Company and others spotted location for a one mile north-

Daily Reward Of Ice Cream Extended For Seven-Year-Old Boy

ST. LOUIS—(P)—Something worse than taking a bath—yes, even worse than returning to school—almost happened to seven-year-old Charles Gibson. His free ice cream was supposed to be cut off Friday. But he won a 30-day reprieve Wednesday night, and the cold, delectable mounds of vanilla, strawberry and chocolate will be his for the asking until October 20.

Charles is the boy who found a bag containing \$250 on a bank's parking lot a month ago. He turned it over to his father, who returned it to the owner—which happened to be a St. Louis ice cream company. As a reward, the firm gave Charles a \$25 defense bond and a month's free supply of ice cream for himself, his friends and family. Only Charles will get the ice cream the next 30 days. The second-grader quickly tied into the stuff. He dropped by the plant just about every day. He tried it first one way and then another—dipped up by the spoon plain, in sundae and in malis. Quart A Day

W. H. Volkmar, manager of the firm, estimates the boy has averaged about a quart a day. It shows, too. He has gained 4 1/2 pounds in the month—from 57 to 61 1/2 pounds. Volkmar said he put through the 30-day extension because Charles "has become one of the biggest boosters of our ice cream." Getting tired of ice cream? "Naw," Charles exclaimed. I LIKE it. Winning any friends? "Oh, sure. I've got 40 or 50 of them now. Plenty of girl friends, too." In recognition of the first milestone, the company is throwing a big ice cream party for Charles and his chums Thursday night. The firm expects half a hundred small fry and is prepared to dish out 35 and tubing pressure was 80 pounds. Operator used 2,250 gallons of Hydracraft to final the well. Location is 1,980 feet from south and west lines of the lease in section 34, block 37, T-4-S, T&P survey. Seaboard Oil Company of Delaware No. 2-12 and No. 3-12 are new oilers in the Germania-Spraberry field of Northeast Midland County. No. 2-12, 2,006 feet from south and 2,020 feet from east lines of the lease in section 12, block 37, T-2-S, T&P survey, was finished for a 24-hour flowing potential of 227 barrels of 39-gravity oil and no water through a 24 3/4-inch tubing choke and from open hole at 7,192-8,038 feet. Gas-oil ratio was 850-1 and tubing pressure was 100 pounds. Seaboard No. 3-12 Hale, 660 feet from south and west lines of the lease in section 12, block 37, T-2-S, W. Glendening survey, flowed 24-hours on completion test and made 224 barrels of 39-gravity oil and no water through a 24 3/4-inch tubing choke and from open hole at 7,173-7,256 feet. Gas-oil ratio was 850-1 and tubing pressure was 140 pounds.

Police Graffiti Trial Folds As Ex-Bookie Refuses To Testify

NEW YORK—(P)—Painstakingly prepared graft charges against 18 Brooklyn policemen were dismissed late Wednesday when ex-bookmaker Harry Gross—counted on by the prosecution as its star witness—flatly refused to testify at their trial. Gross, 35, promptly was sentenced to five years in jail for contempt. And he faces further penalty on his guilty pleas to gambling charges. Two prosecutors—both in tears—threw in the sponge when Gross could not be forced into opening up on the witness stand. Collapse of the case left Brooklyn's graft-probing grand jury with an almost hopeless salvage task. Nevertheless, District Attorney Miles F. McDonald said he was going to try to "pick up the pieces." He didn't say what, if anything, the grand jury can do, now that the biggest fish have escaped its net. But McDonald claimed information from an official source that a \$75,000 payoff to Gross made him refuse to testify—a maneuver that wrecked 20 months of work for McDonald. Brooklyn Judge Samuel S. Leibowitz, in bitter fury, threw the case out of court and freed the 18 cops after McDonald said it was futile to go on. Five Years, \$15,000 Fine

Truman To Stand By Nominations To Illinois Bench

WASHINGTON—(P)—President Truman Thursday said he is standing by his nominations of two federal judges for Illinois, despite the action of the Senate Judiciary Committee in bottling them up. The President said he has no intention of submitting new nominations, because he is satisfied with the ones he made. Truman and Senator Douglas (D-Ill.) have split over the nomination of the two judges. The President, without consulting Douglas, nominated Cornelius J. Harrington and Joseph J. Drucker to the two posts. Douglas objected and called "personally obnoxious" to him the manner in which Truman made the selections. Following an unwritten Senate tradition, the Judiciary group declined to approve the two nominees. Truman told newsmen Thursday he does not expect further action by the Senate committee—thus raising the prospect that the vacancies will continue indefinitely.

Lorraine Rites Held For J. W. Roberts, 67

LORAINE—Funeral services were to be held at 3 p.m. Thursday in the First Baptist Church, for John W. Roberts, 67, who died Tuesday. He was the father of Mrs. Loretta Henderson of Midland. The Rev. Wayland Boyd, pastor, assisted by the Rev. Howard Jones, Wellington, was to officiate. Masonic services were to be held at the Lorraine Cemetery. Survivors include five sons, Clyde and Gene of Artesia, N.M., Elmer of Evans, Tommy of Snyder, and Wayland of Roswell, N.M.; four daughters, Mrs. Velma Comer of Spur, Mrs. Henderson of Midland, Mrs. Lulu Mae Hart of Artesia and Mrs. Maxine Walker of Lorraine; one brother; three sisters; and 12 grandchildren.

YMCA Sponsors Bargain Weddings

SINGAPORE.—It's going to be cheaper to get married in this British crown colony. The Singapore Chinese YMCA is sponsoring a series of mass weddings in Victoria Hall as a part of its drive against costly marriage ceremonies and celebrations. Each couple will be charged \$10, including hall decorations, flowers for the bridal car, music, marriage certificates, tea for the couple and their parents, photographs and a round-the-town parade.

Underground sulphur deposits in Texas and Louisiana are melted with hot water and pumped to the surface.

Foreign screenings account for about 38 per cent of the profits of the U. S. movie industry, according to the U. S. Commerce Department.

The Moors of the tenth century had a fort called Madrid on the site of the present day Madrid, Spain.

The U. S. census shows 12 per cent of American males over 18 have completed at least one year of college.

The National Geographic Society estimates that more than 230,000,000 persons see movies in the world each week.

The Motion Picture Association of America estimates 60,000,000 admissions are paid into American movie theaters each week.

FOR A QUEEN—Catherine Roberts, blue-eyed junior at the University of Texas, picks roses in one of Tyler's many blooming fields for the fourteenth annual Texas Rose Festival, October 5, 6, 7. She will reign as queen during the three-day event.

Bachelor Recruits Utopia Volunteers

MELBOURNE.—John Greenston, a 37-year-old bachelor who is tired of Melbourne's "frustrations," is recruiting men and women to go with him to an island utopia. He plans to "escape the city jungle" and establish a cooperative village settlement, probably in New Guinea or the Torres Islands, north of Queensland.

"There are hundreds of people," he explained, "who are fed up with the pinpricks, frustrations and repressions of a big city. They are looking for an escape, and this is their chance."

Greenston is a stained-glass artisan who came from England to Australia 38 years ago.

He emphasizes that members of his group will have to be adventurous, broadminded, and of "harmonious" disposition.

MISSOURI DEER HERD FEATURES CHILD BRIDES

JEFFERSON CITY, MO.—Missouri's whitetail deer herd has been growing fast. And biologists of the state conservation commission have discovered one reason.

A 14-month-old doe was killed accidentally near here and it was found to have borne and nursed a fawn even at that tender age. She had become a mother when only a year old. At that rate she could have been a grandmother at two.

Previously, Biologist Robert Dunkerson said, it had been generally agreed that does do not produce young until they are around two years old.

GRANTS LOAN TO KASHMIR

NEW DELHI.—The government of India will give disputed Kashmir a \$1,050,000 loan this year to help finance its development plans. It was officially stated here, Kashmir has always been a deficit state and its funds, even before partition, were replenished from central revenues.

BOILED BULLDOGS

NEW HAVEN, CONN.—(NEA)—Coach Herman Hickman's recipe for making Yale football teams: "Put the candidates in a pot and boil them and those that are too tough to eat—that's the team."

Pressure is more than 90 pounds to the square inch at 230 feet under water.

Malaya Terrorists Facing Starvation

KUALA LUMPUR—(AP)—Red terrorists in the northern part of Selangor state in Malaya are getting hard up for food. One of them, who surrendered, told authorities that his gang was so short of food that many of its members had taken to eating fruit seeds as a substitute for rice.

Terrorists generally throughout Malaya are finding it more difficult to squeeze food supplies out of villagers living on the fringes of the dense jungles.

That's because more and more villagers are telling police the whereabouts of terrorists, and their jungle hideouts are quickly raided. The government also is restricting village food supplies.

Chimpanzee Flops In Debut At Zoo

CALGARY, ONTARIO—(AP)—Joy is a bit of a disappointment at the Calgary Zoo. A chimpanzee, Joy, doesn't do any of the things chimps are expected to do, and zoo officials think he's plain chimp, not chimp. The three-year-old seems to have a decided inferiority complex.

Since his arrival last January, Joy has footed everybody. He won't be dressed up, drink out of paper cups, or peel oranges. The only thing he's worn up to now is a slightly sarcastic expression.

He was obtained from a Florida zoo and was supposed to be a trained chimp. Zoo officials believe the long train ride may have given him a sort of animal amnesia. But maybe he's just a cynic at heart.

Youth Center Chatter

By GAIL BAKER

It's that time again! Yes, here we are—back on the spot, ready to tell you all the news that has occurred during the last week.

Gosh! We shore feel lost since Joyce Howell and June Haslip "vacated." They surely were nice to work with on the column.

As most of you know, June and Joyce left this last weekend for Denton to attend Texas State College for Women, where June will be a sophomore and Joyce will begin her college career—as a freshman.

June graduated from MHS with the Class of '60. She entered TSOW last year and was elected secretary of the Sophomore Class for this year. She also received many other honors, and is cartoonist on the college's daily newspaper, the LASSO.

She is staying in a freshman dormitory this year as an advisor to the freshmen.

Joy graduated from Midland High this last Spring.

Another "Tessie" to return to Denton as a sophomore this year is Rosie Leonard. Rosie was June's roommate last year.

Still roaming around MHS last week were Max Shaffer, "Christmas" Barber, Don Johnson, Wayne Richardson and Eugene Cooper. Mike is At U. of T.

We received word about Mike Brunner the other day from Mrs. Brunner. Mike is attending Texas University in Austin. He plans to pledge Sigma Phi Epsilon fraternity; his major is chemistry. The Brunners spent a month's vacation this summer in California.

We are proud to tell you the hint we gave you last week—that we were going to win the game with San Angelo—was 100 per cent CORRECT!! The final score of the game was MIDLAND 21—San Angelo 6! Neat, eh???

The Bulldogs are planning another victory this Friday night against Yaleta. Many MHS students are planning to attend the game. A bus is being chartered to El Paso—tickets are \$6.75.

On the way to Lubbock the other day, whom should we see but Thalia (Kate) Atkinson. Kate was going to Lubbock to visit friends. She is employed by the Sun Oil Company here.

Last week the election of the Student Body president was held, with Larry Mayfield winning out over Marion Sevier. Marion automatically became vice president. Congratulations, kids!

Alan Olson has returned from a trip to Europe, where he spent the summer. He plans on attending Texas Tech in Lubbock this fall.

Our congratulations go to Jimmy Olson and LaVerne Estes who last Saturday night became MR. AND MRS. in a ceremony performed in the First Baptist Church of Midland.

Last Friday afternoon the MHS Band led the football parade through the downtown section. Following the band were many cars which the teachers had taken pains to decorate. They looked very nice, too!

Cheerleaders in Action

After the parade, cheerleaders Corky Moss, Pat Boles, Sadie Nugent, Larry Mayfield and Maxine Hill led onlookers in yells on the courthouse lawn. The air was full of school spirit.

The Senior Class surely showed enthusiasm in selling "Booster Tags," which said "BUST THE BOBCATS!" A senior here—a senior there—a senior everywhere—saying, "Wanna buy a Booster Tag?"

VJean and Charlie Wheat are two proud parents, as of August 31. They are the parents of a baby girl—Vivian Lee Wheat. VJean and the baby are planning to join Charlie in Austin where he is attending Texas University.

The Journalism staff of Midland High has been "staving off" its first edition of the "Bulldog," which is to appear in The Reporter-Telegram Sunday.

We were glad to see Herman Pittman the other day in the halls of the high school. Herman has been stationed in Korea—in Uncle Sam's Army—and was wounded in the right knee. We are sorry, Herman, but we are glad you are doing okay now.

You teenagers who always have a "sweet tooth" will be glad to know that, thanks to the Student Council, a candy machine has been installed in the hall next to Mr. Maaburn's office. Sounds good, doesn't it?

But Student has departed for Texas University where she will pledge Pi Beta Phi. Hope you like it, Bet!

We received word that Johnny Ward, graduate of '51 and who was on the golf team, is going to Oklahoma University on a golf scholarship. Congrats, Johnny!

Here is a list of some of the teachers and the college they will attend: Jerelen Jewell, SMU; Mary Jo Hejl and Charles Jones, ACC; Bob Short, Oklahoma University; Jimmy Conine, Richard Clark, Maurice Cox, Ben Gray, David Weaver, Katherine Lewis, Helen Cartwright, Marilyn Wheelless, Texas Tech; Carolyn Cook and Suzanne Young, Texas University; Richard Hill, Texas A&M; and Rex Wilkes and Charlie Byrd, Allen Military Academy, Bryan.

Mr. Glidwell, PG director, has announced that the broadcast of Friday night's football game at Yaleta may be heard over the loud-speaker system at the Center. This is for the convenience of Bulldog fans who will not be able to attend the tilt.

It also was announced that action pictures of Bulldog football games will be placed on the Center's bulletin board each Monday morning. Be sure to look them over.

That's all the happenings of the week. See you next Thursday. Bye.

The MATURE PARENT

Allowances Better Than Paying Wages To Children

By MURIEL LAWRENCE

A mother who reads a recent article of mine on paying children money for doing home chores has asked me a vitally important question.

She asks: "Don't you believe that children should earn the money to buy what they want out of life?"

Sounds fine, doesn't it? Sounds as though I ought to believe it. But I don't believe it at all. Until children have been trained to want the right "things out of life," I do not think they are ready to earn the money to buy what they want.

I disapprove of parents' employing children by paying them wages for doing home chores. I approve of giving them allowances.

Scrutinize the idea that immature Johnny should earn the money to buy what he wants. What it implies is that so long as he has the money to pay for them, Johnny has a right to buy anything from a switch-blade knife or brass knuckles to a shot of morphine.

Carry parents' employment of children to its logical conclusion, and we may find ourselves stuck with an employee who properly resents any suggestion on what he does with his wages. We are apt to produce a Johnny says, "This is my money. I earned it. Who are you to advise me on how to spend it?"

Giving wages to a child, instead of an allowance, separates his finances from his parents' guidance and direction.

We should be prepared to make a just money allowance to Johnny. But we should regard that allowance as an item of equipment no different from anything else we give him to get along in his society. Just as we train him to take care of his clothing, we should train him to care for his money. If he brings an extra need or want to us, we should grant it if possible, providing he can make a reasonable case for it.

If we cannot grant it, we should give him an extra supply of love and understanding. If he gets them, he will be able to learn a lesson in patience and self-control.

Parents, Not Employers

I know of no other method that enables us to train him in the differences between a want and a need, between a good want and a foolish one. I know of no other method for teaching him discernment, patience, self-respect and self-control.

We think we are terrific realists when we pay wages, instead of allowances to children. We are most unrealistic.

We are not employers, but fathers and mothers giving a love that employers do not give to employes. By assuming the role of employer, we deprive ourselves of appreciation of our love. We chest children of the gratitude due them for their free contributions to the maintenance of their homes.

A human being's "wants" determine the kind of human being he is.

By paying wages, instead of allowances, we make material gain Johnny's object of endeavor. Our psychiatrists do not consider that a very satisfactory goal. We should make Johnny's personal dignity and self-respect the true incentive for his efforts. Then we'll be apt to produce a boy who will find little trouble in earning what he wants out of life. (All Rights Reserved, NEA Service, Inc.)

HEADS VFW—Frank C. Hillon, 42, of Reading, Pa., above, is the new commander-in-chief of the Veterans of Foreign Wars. Hillon, a brokerage salesman and Army veteran, was elected at the VFW convention in New York.

Long Distance Call Finds Wallet Owner

CHICAGO—(AP)—Mrs. Tina Schwerin found the owner of a wallet containing \$110 in Chicago—after making a telephone call to Los Angeles.

After finding the wallet in a taxi cab, Mrs. Schwerin called Los Angeles to learn the owner, Joseph Ondrasik, 78, Los Angeles manufacturer, was staying at a loop hotel.

Mrs. Schwerin was rewarded with \$30 when she returned the purse Tuesday to Ondrasik. He also paid the \$2.35 long distance toll.

Furniture Dealers, Sales Personnel To Attend Clinic Here

the clinic will be held in Hotel Scharbauer and a complete program will be announced later.

Conducting the clinic will be W. W. Morrison of Asheville, N. C., who won the Cavalier Award, the furniture industry's highest award, in 1942.

Morrison's theme will be "Furnishing the Home of Young America on a Budgeted Income." The lectures will be accompanied by demonstrations of today's style merchandise—fabrics, floor coverings and home improvement suggestions.

Represented at the Midland meeting will be Alpine, Big Spring, Colorado City, Crane, Port Stockton, Kermit, McCamey, Marga, Monahans, Odessa, Pecos, Sanderson, Stanton and Winters.

'CHRISTIANITY'S CRADLE'

New Mexico is the "cradle of Christianity" in the United States. Earliest Franciscan monks in the country visited there with Coronado in 1540.

TRAP BACKFIRES

KUALA LUMPUR—(AP)—A long-winded Chinese Communist terrorist died in his own trap. Choo Ah Kong and his gang, operating in Negri Sembilan state, planned to wipe out a rubber estate's armored car by laying a land mine. But it exploded just a little before the car arrived. Its guards opened fire, killing Choo Ah Kong. A large reward had been offered for his arrest.

Men Say They Like Honest Women, But Don't Count On It

By RUTH MILLETT
NEA Staff Writer

Men claim they like women to be straightforward with them—but... If a woman points out what are to her obvious flaws in a woman a man is praising he is sure to mark it up to jealousy.

If a woman sets a man straight on a subject she knows more about than he does, he decides she isn't feminine.

If a woman keeps reminding her husband of a job he has promised to do, without clothing her reminder in flattery, he calls it nagging.

If a woman insists on airing a grievance that she hopes can be straightened out by honest discussion she is accused of trying to start an argument.

If a woman tells a man she thinks he is in the wrong when he gets into difficulty instead of championing him even though she is sure he

Nuisance Of Dogs' Barking Is Ended

LOWER MERION TOWNSHIP, PA.—(AP)—They don't have to plead with the dogs in the township dog pound to be quiet any more. The dogs can bark their heads off and nobody would hear.

That's because township officials have installed what they believe is the only sound-proof dog pound in the nation.

You can stand 10 feet away from the pound and you can't hear a yipe or a bark.

The sound conditioning was the happy solution to complaints of neighbors who found it night impossible to sleep with the dog howling into the wee hours.

Halo Is Earned By 'Swedish Angel'

SINGAPORE—(AP)—The Singapore Standard says the "Swedish Angel" has earned a halo.

It reported Swedish wrestler Man Mountain Tor, billed in his bouts here as the "Angel," had showed up at a blood bank and surrendered a pint. The "Angel" said he had often given two pints of blood at a time in the United States.

+ Crane News +

CRANE—Mr. and Mrs. Sam Bell of Duncas, Okla., and Mr. and Mrs. Dick Tuttle of Kermitt were Sunday guests in the B. F. Mitchell home in the Gulf Camp.

Mrs. Sam White and son, Sammy, recently returned from a vacation to Santa Fe, N. M., and other places of interest in the vicinity. Sammy was to enter the University of Texas in Austin Tuesday. Mrs. White, accompanied by her parents, visited relatives in Ballinger Monday.

Mr. and Mrs. W. G. Slater spent the weekend in Goldsmith with Mr. and Mrs. Raymond Mann, formerly of Crane. The Slaters also visited relatives in North Cowden.

Howard Christian left Monday to enroll in Texas Technological College in Lubbock where he will be a junior this semester. He was accompanied by his parents, the Rev. and Mrs. H. D. Christian.

Mrs. John Willis of Crane and Eunice Rainwater of Austin are vacationing in Denver and Colorado Springs, Colo., this week.

Mrs. A. M. Wells of Hereford is spending the week with her parents, Mr. and Mrs. W. B. Gunn.

Visiting in Crane

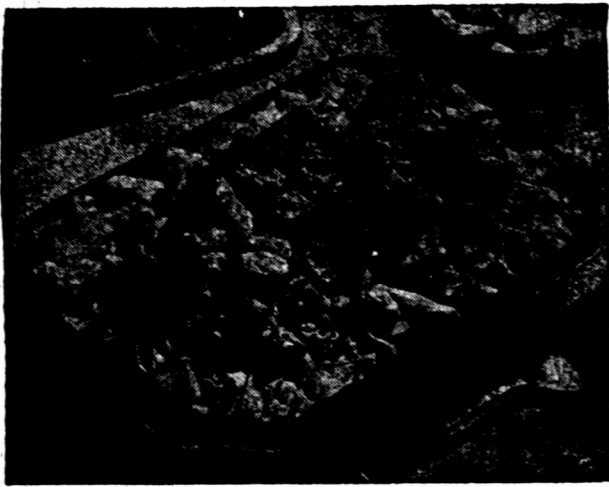

Sammy Ausburn of Ganniss, Ark., is visiting his nephew and family, Mr. and Mrs. C. R. Ausburn. Ausburn is also visiting other relatives here.

Dorothy Ervin left Tuesday for Austin where she will enter Nixon Clay business school.

Pfc. and Mrs. Jimmy Zarofenitis of Fort Smith, Ark., were honored Sunday with a barbecue given in the Zarofenitis home. Those attending were Mr. and Mrs. Bill Todd and Beverly Garrett of Odessa and Mr. and Mrs. H. B. Baker and daughter, Jimmy Lou. The honor guests returned to Fort Smith on Monday following a three-day visit with their parents in Crane.

A new brick building, to be occupied by the G. F. Wacker store with on the corner of Gaston and Fifth Streets, it was announced recently by Harry Leaman, owner of the building which formerly stood at the location. Leaman's Department Store, which was torn down last week, had held that location for 18 years. According to Bill Wood, manager of the Wacker store, the new building will measure 25x120 feet and will have year-round air conditioning units installed. Contractors are Waller-Allen of Lamesa.

Beef Stew Is De Luxe Meal

SEWED BEEF with hot noodles provide a luscious dish.

By GAYNOR MADDOX
NEA Food and Markets Editor

Stew beef can produce de luxe eating at budget prices. Here's double proof:

Heavenly Beef
(6 servings)

One and one-half pounds beef stew, cut in cubes, 1/4 cup fortified margarine, 1/4 cup minced onion, 1 tablespoon chili sauce, 1 tablespoon vinegar, 1 cup sour cream, one 8-ounce can mushroom pieces, 1/2 cup diced celery, 1 teaspoon salt, 1/4 teaspoon pepper.

Melt margarine in large saucepan over low heat. Add meat and brown well. Add onion, chili sauce, vinegar, sour cream, mushrooms, celery, salt and pepper. Cover and simmer until tender, about 45 minutes. Serve over a bed of hot braised noodles.

Baker's Braised Beef
(6 servings)

One cup apple cider or apple juice, 1 tablespoon molasses, 1 large onion, sliced, 1 cut clove of garlic, 1 bay leaf, 1/8 teaspoon ginger, 1/8 teaspoon allspice, 2 pounds beef, cut for stew, 2 tablespoons fortified margarine, 1 1/2 teaspoons flour, 1/4 teaspoon salt, dash of pepper.

Mix together cider, molasses, onion, garlic, bay leaf and spices in a shallow bowl. Add the meat, cover and let stand in a refrigerator overnight. Turn and keep in marinade until ready to start cooking. Melt margarine in a saucepan over low heat. Remove meat from marinade and dust with flour, salt and pepper. Brown meat in melted margarine. Remove the garlic clove. Pour the marinade over the meat and cook over medium or low heat for about two hours, or until tender. If desired, thicken the gravy before serving. To serve: Arrange a bed of hot fluffy rice on a platter. Top with the braised beef.

MEDICAL PATIENT
Hubert Shawn, 11-year-old son of Mr. and Mrs. H. A. Shawn of 1111 Midkiff Drive, entered Midland Memorial Hospital Tuesday as a medical patient.

RECEIVES THUMB INJURY
E. C. Colberth, 204 South Dallas Street, a truck driver, broke the thumb on his left hand Tuesday while working. He was treated at Midland Memorial Hospital.

For sweet-tasting corn cook it as soon as possible after it's picked. In both humid weather sweet corn will lose as much as 40 per cent of its sugar in 24 hours.

★ TEEN TALK ★

By VIVIAN BROWN
AF Newsfeatures

It is easy to tell that school days are upon us—so many young men write asking the correct thing to do when escorting a girl to a party or formal dance.

Most of the young gentlemen are confused about their role when it comes to formal dating, and the majority do not own formal clothes. So, here are a few tips that might help the young gallants do an expert job of being gentlemen when called upon to escort that beauty queen to a formal party.

What To Wear
A tuxedo is correct attire for a formal date. You can buy a good one for about \$50 (or more) or borrow one or rent one for the evening at from about \$7 to \$10. One of the most popular types nowadays is a tropical-weight worsted in mid-night blue for year-round wear and white for Summer. The fabric's lightness assures you of comfort while dancing. You can brighten up your formal attire with a colorful cummerbund and matching bowtie. You may wear a soft pleated formal shirt or a plain white broadcloth with French cuffs, from your bureau drawer. If you can't afford to invest in patent leather shoes, wear black calf with a plain toe.

If this is to be your first time in a tux, wear it around the house a couple of hours. This dress rehearsal will increase your poise and self-assurance.

About That Corsage
You should supply a corsage for your date and it is always good taste to have it sent to the girl's home. It is particularly smart to call the girl's mother or her roommate or ask the girl herself what color and style of dress she plans to wear. After you know the color combinations, if you haven't ideas of your own, ask the florist's advice on what will go with the dress. African daisies, white daisies, Colonial Bouquets make tasteful and unusual corsages. More conventional ones such as sweet peas, baby roses, carnation clusters and baby orchids always are top-drawer favorites. Any of these should fit your budget. For strapless gowns, a waist corsage is most appropriate, although, if it suits the girl's personality, a wrist corsage or tiara or tiny roses would be lovely. Remember, although every girl dreams about orchids, full-size orchids are usually for more mature women.

Transportation Problems
It is best to plan your mode of travel in advance. If you depend on the family car or a borrowed one, make sure you have it sewed up completely. Otherwise, you should be able to escort the girl from door to door in a taxi—not always easy on the exchequer. In case you are forced to take her in a bus or other public conveyance, tell her about it in advance—diplomatically, of course.

The lady always gets into the car first. You should hold the door, and help her with her gown, if it is a long, trailing one. You should get out first, and assist her out of the car.

Be A Gentleman
Arrange beforehand where to go after the dance is over. Discuss this with the girl to make sure her parents approve of the later hour. If the girl has a curfew, don't spoil the evening by arguing the point. Both you and your date should make it a point to say hello to the chaperone. If there is a receiving line it is up to you to introduce your date.

Dance Dilemma
If there is a dance program, it may be made out ahead of time, if you like. Custom demands that you have at least the first and last dance with your date. Unless cutting is ruled out for the affair, you have to say "yes" to a cut-in. You might as well be gracious about it. If the orchestra plays a dance you can't do, it is better to explain and suggest "sitting this one out." It is your responsibility to see that your date always has someone to dance with.

And—don't think you deserve a goodnight kiss for being so sweet about it all. It is up to the girl, and if she says "no," be a good sport... or maybe get your face slapped.

Karachi Journalists Own Co-Op Paper

KARACHI—(AP)—In the first venture of its kind in Pakistan—and perhaps in all Asia—a group of Karachi journalists have started publication of a newspaper they own cooperatively.

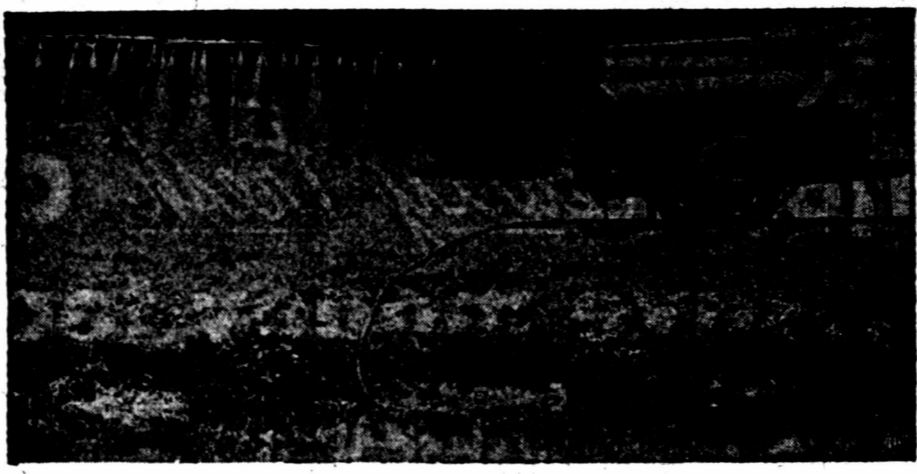

Each member of the group holds an equal share in the firm, which began this month publication of the Karachi "Evening Star."

The paper's editor, M. A. Zuberi, recently visited the United States on a tour sponsored by the Department of State. He claims the venture in which each member of the staff holds a share in the paper is the first of its kind in Asia.

MEDICAL PATIENT
Oscar Johnson, month-old son of Mr. and Mrs. Oscar Johnson of McOamey, was admitted to Midland Memorial Hospital Tuesday as a medical patient.

SUFFERER BACK INJURY
H. E. Greenlee, 1100 South Colorado Street, was given emergency treatment at Western Clinic-Hospital Tuesday for a torn back muscle suffered in an accident at a rig.

When you buy soft shell crabs see that they are alive and moving briskly. Large claws on the crabs will yield solid meat.

SHOWER FOR G'S ON THE MOVE—Now operating in Korea is the mobile shower trailer unit, above, towed by a jeep, and able to deliver warm water from any stream or pond. Designed by the Army Quartermaster Corps, the unit consists of stainless steel boiler, fuel pump, forced-draft blower and water pump, all driven by a gasoline engine. Warm water—first heated scalding hot and then mixed with cold—is delivered from 24 jets within 20 minutes after the rig is halted.

"GOOD NEIGHBORS" DO LIFETIME OF WORK IN ONE BIG DAY—Marine veteran Frank Flees and his wife, owners of a farm near Franzen, Wis., saw their whole world transformed in one tremendous day by thousands of "good neighbors." This is an air view of the project which saw a modern five-room house (upper right), new barn (left), milk house, machine shed and livestock watering pond built in a day. In addition, the entire farm, including 20 acres of woods, was cleared and plowed, ready for planting. About 6000 "neighbors," including school children dismissed for the day, turned out for the huge project, organized by Dr. B. J. Przedpeksi, university extension agent, who learned that Flees had lost an eye in a farm accident and was far behind in his work.

Admirer Creates Unique Problem

PALESTINE, TEXAS. — (AP) — Sometimes admirers can create problems.

Sheriff Roy Herrington here has found out first-hand E. V. Laningham sent him a gift—a five-foot alligator Laningham caught in a net in a nearby lake.

The sheriff has the gator staked out on the jail lawn while he tries to figure out what to do with his pet.

FIRSTS

The first state agricultural experiment station was established at Wesleyan University, Middletown, Conn., in 1875. Professor William O. Atwater was made the first director of the station.

Use leftover cooked chicken in a cream sauce brightened with bits of red and green pepper. Serve in toasted bread shells.

Hooked Rug Wins Prize As Picture

POMONA, CALIF. — (AP) — Because it had a frame around it, a hooked rug made by Mrs. Helen L. Walker of La Crescenta, Calif., was disqualified in the rug competition at the Los Angeles County Fair. Over Mrs. Walker's objection, exposition officials called her entry a picture.

Undaunted, she entered her work of art in the picture display. Her rug—er, picture, was made by hooking individually dyed strips of cloth through sacking and the design and color is so subtle that from 10 feet it looks like an oil painting.

So what happened? She won a blue ribbon—for her picture.

SINKING COAST

The Atlantic coast of the United States has been sinking for the past 20 years at the rate of 0.02 feet a year, observations made by the U.S. Coast and Geodetic Survey indicate.

Prune Cookies Are Different

OATMEAL PRUNE cookies are packed with nutrition.

By GAYNOR MADDOX
NEA Food and Markets Editor

Oatmeal prune cookies are perfect for the after-school crowd. Oatmeal is a good source of protein and prunes are rich in iron and other minerals. And everybody likes cookies.

Oatmeal Prune Cookies
(Makes 3 dozen cookies)

One cup sifted enriched flour, 1/4 teaspoon soda, 1/4 teaspoon mace, 2 teaspoons baking powder, 1/2 teaspoon salt, 1/3 cup brown sugar, 1 egg, 1/2 cup buttermilk or sour milk, 1 cup quick rolled oats, uncooked, 3/4 cups cooked, chopped prunes.

Sift together dry ingredients into bowl. Add shortening, sugar, egg and 1/4 cup buttermilk. Beat until smooth, about 2 minutes. Fold in remaining milk, prunes and rolled oats. Drop by teaspoons on greased baking sheet. Bake in moderate oven (375 degrees F.) 12 to 15 minutes. Decorate with additional prunes, if desired.

Puffed Wheat Crisps

One cup sifted enriched flour, 1/2 teaspoon baking powder, 1 teaspoon salt, 1/2 cup shortening, soft, 1 cup brown sugar, 1 egg, 1 teaspoon vanilla, 2 cups puffed wheat.

Sift together flour, baking powder and salt into bowl. Add shortening, sugar, egg and vanilla. Beat until mixture is well blended. Fold in puffed wheat. Drop by teaspoons on greased baking sheet. Bake in moderate oven (375 degrees F.) for 12 to 15 minutes. Remove from baking sheet immediately.

McCamey News

Mr. and Mrs. Glen Hampton have returned from a five-week trip which took them to Washington, D. C., Niagara Falls, Pittsburgh and other points in Pennsylvania. They also visited in Hot Springs, Ark., and Fort Worth.

Mrs. Marion Renshaw of Ville Platte, La., is visiting in the home of her daughter and son-in-law, Mr. and Mrs. George Brown.

Mrs. J. L. West had as her weekend guest Mrs. J. Adrian of Dallas.

Mr. and Mrs. H. Gibbs of San Angelo were the guests Sunday of Mr. Gibbs' parents, Mr. and Mrs. J. T. Gibbs.

Mr. and Mrs. J. B. Parker of Odessa visited friends in McCamey recently.

Mrs. W. S. Fowler attended a meeting of the Stanley Company in Lubbock last weekend.

Mr. and Mrs. Milton Cole and Mr. and Mrs. Earl Parker of Marysville, Calif., are visiting in the home of Mr. and Mrs. Jack Howell.

Mr. and Mrs. Lysle August of Glen Rose are guests in the home of Mr. and Mrs. C. L. Eddleman. They were accompanied to the Davis Mountains and Big Bend recently by Mr. and Mrs. Kenneth Babcock and daughter Sherri, and Mr. and Mrs. Eddleman.

Mary Byrd of Sherwood, sister of Mrs. Robert McKinney, underwent surgery in San Angelo recently.

Members of the Catholic parish had a picnic at Rooney Park in Fort Stockton Sunday. Games were played following the lunch.

Sprinkle potato soup with finely-cut parsley just before serving for color appeal.

Historic Decision

Most Americans take their capitalist economy for granted. But in Europe, even where it is still fairly well entrenched, capitalism is under a cloud.

Yet too few of them have understood that the capitalism they have known is vastly different from the brand we live under. Theirs usually has been marked by low wages, short-sighted profit policies, and cartels which fix prices and production quotas.

Our enterprisers have moved ahead adventurously, taking risks, while European capitalists generally have sat by, trying to hold what they had.

Seen in this frame, the gains of socialism in Europe are easier to understand. The peoples of Europe have been turning away, not from an American-style economy, but from a backward system which so far has declined to adapt itself to their needs.

Although the example of America has been steadily before them, they have remained largely ignorant of the bright promise of a more progressive capitalism. This is due in part to the shocking general ignorance of the United States in foreign lands; and in part to the inevitably strong impact of the bad example Europeans saw at home.

Confronted by the march of socialism, most of them have visualized no decent alternative. Only a handful have dared cry out for a rebirth of capitalism; to the rest this sounded like turning the clock back.

Thus it comes like a breeze from the mountains to hear that Britain's Conservative Party now has determined to campaign against the socialist Labor government with an American brand of capitalism. The theme of this offensive will be expansion, to create more wealth and make Britain stronger and more prosperous.

It's almost the first time in history we have had talk of this sort from Europe. For years the approach in Britain and on the Continent has been marked by gloomy negativism. What the Conservatives now propose is positive, imaginative and forward-looking. It holds out hope that rearmament can be achieved without plunging weary Britons once again into grim austerity.

No sensible American believes that Britain or any other nation must copy our economy closely to make a real go of capitalism. The pattern must vary to fit the country. The important thing is to infuse European capitalism with a new spirit, to lay stress on creation, on growth, on more wealth and higher living standards.

Britain's Conservatives have made a historic decision. They have embraced a program that could well recommend itself to a people dead-tired of controls, of wealth-sharing instead of wealth-producing, of the professional gloom-mongering of a Socialist government.

When a speeder doesn't know the answer to a cop's question, "Where do you think you're going?" the cop is always glad to tell him.

The Washington Merry-Go-Round

By Drew Pearson. Copyright, 1951, By The Bell Syndicate, Inc.

Drew Pearson says: Pennsylvania congressman puts words in Ike's mouth; A.F. of L. Republicans plan overtures to Taft; John L. slated to blast Truman.

WASHINGTON — GOP Congressman Hugh Scott of Pennsylvania deserves a medal for high-jumping at conclusions. With considerable flourish and a great air of being in the know, Scott announced that General Eisenhower would accept the Republican nomination.

However, here is an almost verbatim account of Congressman Scott's talk with General Ike in Paris, on which the Pennsylvania congressman based his earth-shaking prediction.

Scott asked Eisenhower if there was any "hope" of Ike's accepting a GOP draft nomination for the White House.

Scott added: "I know you're a good Republican. General—I'm that a fact."

Before Eisenhower could reply, an aide, Brig. Gen. Charles T. Latham, who was present at the meeting, broke in jokingly: "I've never heard the general say anything to indicate that he isn't a good Republican."

This struck Eisenhower as so funny that he reared back and let go with a belly laugh that almost shook the window panes.

Ike made no further comment, but Congressman Scott took this guffaw to mean that Ike not only was a good Republican—which nobody denies—but would consent to lead the party in the 1952 election. He even announced that Western Europe would be in such good shape next year that Eisenhower could turn over the reins to a deputy, leaving him free to return and accept the GOP nomination.

Note — Much more accurate word that Eisenhower will be a GOP candidate comes from his brother Milton, President of Penn State College. Labor Flirts With Taft.

Most important backstage move in the works by a small group at the A. F. of L. convention in San Francisco is to dump Truman and pitch labor relations with the chief author of the Taft-Hartley Act, Senator Robert Alphonso Taft.

JACOBY ON BRIDGE

By OSWALD JACOBY. Written for NEA Service.

The bidding of today's hand was eminently reasonable. North's hand was too good for a single raise but not good enough for a double raise.

Bridge hand diagram showing North, South, West, and East cards. Includes a table of opening leads: South West North East, 1♥ Pass 1♣ Pass, 2♥ Pass 2♣ Pass, 4N.T. Pass 5♥ Pass, 6♥ Pass Pass.

partner had an ace, and then properly went to slam in hearts when the response of five diamonds showed him that North had one ace.

West opened the five of spades, and dummy won with the ace. Declarer then returned the four of clubs from the dummy.

South won with the king of clubs and now didn't have to lose a club trick. But this was no cause for rejoicing because he couldn't discard Truman's low diamonds; and he therefore had to avoid the loss of two diamond tricks.

As it turned out, the diamonds were unfortunately placed. South ruffed a club in dummy and, fished the queen of diamonds, losing a trump and South eventually had to lose a second diamond trick.

Generous George's play deserves a little notice. It takes nerve to play low when dummy's singleton is led through you, but it is often the best play. Sometimes you get your ace later on, since declarer can't always ruff out the rest of the suit.

Sometimes declarer takes a finesse in the suit on the theory that you don't have the ace. Sometimes you lose your ace but get the trick back in another suit. And sometimes, as in this case, you get your trick back with interest.

CARD SENSE

Q—The bidding has been: North East South West 1 Diamond Pass. You, South, hold: Spades A-5-4, Hearts 8-2, Diamonds 9-7-2, Clubs A-J-9-8-3. What do you do?

A—Bid two clubs. Your hand is strong enough to raise the level of bidding, so you can afford to show your long suit.

NO SURVIVORS

BY WILL HENRY. Distributed by NEA Service, Inc.

understood I had the right to refuse service, to question tactics. Of course such an attitude persevered in was not conducive to long employment.

"Forty," he went on, in reply to my question, "Colonel Carrington insisted, 'Taking no chances, you know.'"

WASHINGTON COLUMN

Odds Are Good For Uncle Sam To Share Gambling Winnings

By FETTER EDSON. NEA Washington Correspondent.

WASHINGTON — New gambling taxes on bookmakers and sporting events wagers, previously passed by the House of Representatives, now has been approved by the Senate Finance Committee.

First will be a \$50 occupational tax on bookmakers, lottery operators and each of their bet-takers and runners. It will be in effect a license to do business. It will serve to identify bookies and so make them subject to later income tax check-up.

Next will be a 10 per cent excise tax on sporting events bets placed with bookmakers and lottery operators who are in the bet-taking business for profit.

The two taxes are expected to yield \$400,000,000 a year. But how are they to be administered? Bureau of Internal Revenue simply does not know at this early date.

Private bets between a couple of loyal alumni from old State and State U. will not be subjected to the wagers tax. Neither will office pools on the World Series, the Saturday games or the outcome of the Derby—if all the receipts are distributed to winners without profit to the pool organizers.

Card games, roulette and dice games will be exempt. So far, nobody has figured out how to tax a crap game. And the bookkeeping, accounting, auditing and administrative problems would be tremendous if required on every spin of a roulette wheel or every hand of poker.

What this seems to mean is that casino gambling, as legalized in the state of Nevada, will be unaffected by the new federal law.

The big question this raises is whether other states may not in the future copy the Nevada law, as a result of passage of the new federal gambling taxes. To do so would

TODAY'S ANSWER: The bidding is the same as in the question just answered. You, South, hold: Spades 7-5-4, Hearts 8-2, Diamonds Q-7-2, Clubs A-J-9-8-3. What do you do?

Answer Tomorrow: Read The Classified Ads

What's RIGHT?

You try to make conversation with a child who is very shy and says: WRONG: Ask him a lot of questions.

RIGHT: Talk along until you gain his interest and he wants to talk because he has something to add to the conversation.

BLIND JUSTICE: ST. LOUIS—(AP)—Justice has always been described as blind. And Laverne Crawford is willing to concede that, although not in the usual sense, Crawford, a truck driver, was a witness to a shooting here recently. But since he can't raise enough money for bond, he is being held in jail as a material witness. It may be six months before the case is completed. The accused slayer, meanwhile, is out of jail—free under \$15,000 bond.

WT District Lists 94 New Explorations In Past Week

The list of applications to drill new petroleum projects in the Midland district of the Oil and Gas Division of the Railroad Commission of Texas, filed with regulatory body's office in this city during last week totaled 94 new projects.

Of those projects nine were wildcats. The new prospectors were distributed one each to Dickens, Howard, Kent, King, Pecos, Terry, Ward, Winkler and Yoakum Counties.

Andrews and Glasscock Counties led the list of field projects with a total of 13 each. Midland County followed with 11 new locations and Scurry County had ten sites.

Drill sites were established for nine new projects in Ector County. Cochran and Crane Counties each reported four new explorations.

Three new locations each were established in Gaines and Howard Counties. Hockley, Pecos, Sterling and Ward Counties listed two projects each.

The remaining new sites were divided equally among Borden, Garza, Loving, Reagan, Winkler and Yoakum Counties.

★ THE DOCTOR SAYS ★

If Possible, Avoid Moving Person With Broken Bone

By EDWIN F. JORDAN, M. D.
Written for NEA Service

It is unusual to meet a family member of which ever has broken a bone. In fact, a single person may have several broken bones in a lifetime.

The doctor is rarely the first person to see the patient after the bone has been broken so that it is others who, as a rule, have the first responsibility. The way the situation is handled at the beginning may have a good deal to do with the medical treatment and the outlook for proper healing.

When the onlookers suspect that someone has broken a bone, they should let the patient lie where he is if at all possible until someone comes who knows how to move him. Unwise movement may change a fracture from a simple affair in which the broken portions are in good position into one requiring complicated surgery and a much longer healing time.

If the patient has to be moved, there are some general principles to be followed. If the suspected fracture is in the foot, the shoe should not be removed as it may serve as a partial splint.

If the fracture is in the bones of the arms or legs, a board should be tied on with handkerchiefs or cloths to keep the bones from moving. The moving itself should be done with great care, treating the broken bone almost as if it were a separate body.

If the fracture is in the spinal cord or head, it is almost always best to wait for professional help.

There are many kinds of fractures varying all the way from a small crack with the bones still in good position to injuries in which some of the bone is destroyed and comes all the way through the skin. The treatment naturally depends on

the location and nature of the fracture.

In determining what should be done, the X-ray is of extraordinary value. Indeed bones are often set under this machine so that the doctor can tell when the broken fragments are in the best position to heal.

Splint Is Necessary
Once the bone fragments are put together in the right position they need to be held there and they need time to grow together or knit. For this purpose the plaster of paris cast which is put on wet, molded to the part and later hardens, also is invaluable.

Of course the time which a fracture takes to heal depends on the kind of fracture, the age of the patient and other factors, but fortunately bone does have a great ability to heal and after it does, it is usually as strong as ever at the point of the break.

A bride, intent upon furnishing her kitchen efficiently and inexpensively, will do well to concentrate upon few general-use pots and pans of lasting quality. It's better to have three good cooking utensils than a cupboard full of make-do ones. It's best to steer clear of special, one-purpose pans until budget and storage space make it feasible.

When PILE TORMENT Wracks Your Sleep!

See How Formula of Famous Hospital Helps Soothe Your Aches!

Thanks to experience with more than 70,000 cases at their famous Clinic, Thornton Minor doctors have developed a really effective soothing pile medication. Now you can buy that formula at your drug store. True "comfort magic"—winning thousands of sufferers. Don't let pile misery rob you of sleep and pep! Relieve that nerve-racking itch, pain and burning, this hospital-proved way. Ask for Thornton Minor ointment or come at drugstore—today!
