Spraberry Wildcat In Reagan Reports 20-Hour Pump Gauge

J. H. Williams and others No. 1 J. D. Merchant Estate, wildcat in Northwest Reagan County, pumped 110.85 barrels of new oil in 24 hours from the upper Spraberry sand.
Operator says that some of the oil was oil that had accumulated in the casing while pump was being installed. Plans are to make production tests for two days and then put the project on potential test.
Production is coming from perforation in casing at 6,327-6,400 feet. They had been treated with 3,000 gallons of Hydratec.
Location is at the center of the southwest quarter of the southwest quarter of section 19, block A, L&SV survey and 12 miles north of Stiles.

Glasscock Prospect Logs Oil Shows On Spraberry Cores

Mendota Oil Company No. 1 J. T. Daniels, wildcat in South-Central Glasscock County is drilling below 6,408 feet in the Spraberry after finding some shows of oil on cores cut from 6,256 to 6,307 feet and from 6,307 to 6,368 feet.
Those cores were shale and sand with vertical fractures which were oil stained.
Operator started drilling at 6,358 feet.
Location is 660 feet from south and west lines of section 10, block 35, T-5-S, T&P survey.

Sinclair Explorer In W-C Upton Logs Shows In Fusselman

Sinclair Oil & Gas Company No. 6 McElroy Ranch Company, wildcat three miles north of the Wilshire-Elisenburger field of West-Central Upton County, logged its first shows of oil on a drillstem test in the Fusselman.
That section, which was topped at 11,903 feet, elevation 2,834 feet, was tested in the interval from 11,815 to 11,900 feet.
Tool was open four hours. A strong show of air was at the surface in 30 minutes and gas came to the top in 80 minutes. Recovery was a 1,200-foot water blanket which was slightly oil and gas cut and 50 feet of gas-cut drilling mud.
Open flowing bottom hole pressure was 665 pounds. No shut-in pressure was recorded.
Operator is now deepening the wildcat below 11,900 feet.
The Elisenburger is expected to be found in No. 6 McElroy at about 12,550 feet. That would make it 550 feet low to Sinclair No. 1 McElroy, discovery well of the Wilshire field.

It also would make it 530 feet high to Sinclair and Magnolia Petroleum Company No. 1 Davis, Elisenburger producer six miles north of No. 6 McElroy.
Location is 1,990 feet from south and east lines of section 132, block D, CCSD&RNG survey and 21 miles northwest of Rankin.

Sun Prospector In Central Callahan Has Gas-Oil Show

Sun Oil Company No. 1 I. E. Hill, Central Callahan County wildcat, 12 miles south of Baird, has indicated a discovery from a lime, possibly the Elisenburger, at 4,336-42 feet.
That zone developed gas and some free oil during a three-hour drill-stem test.
Gas surfaced in 23 minutes. No fluid came to the top while the tool was open. Recovery was 65 feet of 43-gravity clean oil and 25 feet of heavily oil and gas cut drilling mud.
No Water Found
There was no formation water. Open flowing bottom hole pressure was 125 pounds. Shut-in bottom hole pressure was 1,700 pounds.
Operator is preparing to run 7-inch casing and make a production test of the pay so far penetrated.
Location is 467 feet from north and west lines of section 18, Victoria County School Land survey.

Possible Discovery In NE Midland Has No Shows In Latest DST

Greenbrier Oil Company No. 1 O. H. McAllister, Northeast Midland County prospective discovery from the Devonian at 11,257-283 feet failed to find any additional shows of petroleum.

Reds Give Ground On Buffer Zone

Uncle Sam's Tax Bite Goes Up Thursday

WASHINGTON —(P)—Individual income taxes go up Thursday. So do the excise, or sales taxes on gasoline, cigarettes, liquor and a long list of luxuries, semi-luxuries and necessities.
The rises are part of a \$5,691,000,000 tax bill passed by Congress earlier this month. President Truman had asked rises of almost twice that much because of higher spending for the mobilization program.
The personal income tax boost—amounting to about 11.4 per cent for the average taxpayer—will raise the most new money, \$2,280,000,000 a year.
Every salary and wage earner will feel it in his first check in November. There will be a bigger amount withheld for Uncle Sam.
Corporations contribute the second largest slice of new revenue, \$2,207,000,000 a year. But most of them actually will not pay this until next year, when they send in their 1951 taxes. The increase on them was made retroactive to last April 1.
Many retailers over the country were doing a boom business Wednesday as buyers of liquors and other goods.

New Levies Crimp Horse Parlor Hosts

WASHINGTON —(P)—Times were never so tough in the house Lady Luck operates just beyond the law.
Thursday, all her chancy sons have a rendezvous to keep with their Uncle Sam's tax collector. And the very thought of it was hurting, bad.
They had built their lives on a plush two-to-one proposition—the law could do what the law of averages never did—turn the odds against the gamblers.
Effective Thursday, the government has added taxes.
Turns Odds On Gamblers
It almost looked like a plain tax law could do what the law of averages never did—turn the odds against the gamblers.
A bookie in New Orleans (who said he'd rather his name not be used) declared:
"This is going to put me under. The government don't bet it back." Like many another fortunate gent who said paying taxes would drive him out of business, the New Orleans horse parlor host did not say whether he really was quitting, or going underground.
A few numbers vendors in New Orleans applied for unemployment relief.
The tax does not apply to legal pari-mutuel operations, "social" or "friendly" games of chance, church bingo games or office football pools.
The law makes two calls on all professional gamblers:
1. They must register and buy a \$50 occupation stamp, which must be posted prominently in their places of business. Gamblers whose hats is their office can carry their stamp there.
2. They must pay a 10 per cent tax on their gross take. That means 10 per cent, win or lose, of all money bet with them.
Penalties range up to a year in prison, plus a \$10,000 fine.

12 Workers Trapped In Coal Mine Blast

KAYFORD, W. VA. —(P)—An explosion trapped twelve men three-quarters of a mile inside the big Truax-Traer Coal Company's United No. 1 Mine near here early Wednesday.
The State Mines Department rushed all available inspectors and rescue teams to the scene, 35 miles southeast of Charleston on Cabin Creek.
A report from the mine said rescuers were inside. There was no word from them immediately.
H. B. Glascock, a bookkeeper at Truax-Traer headquarters here, said sixteen men were in the mine at the time of the explosion but "four walked out."
He reported the other twelve "unaccounted for." The men who walked out "apparently were not in the vicinity of the blast."
It was West Virginia's second coal mine disaster in sixteen days. Ten men were killed October 15 at the Trotter Coal Company's mine near Morgantown, in the northeast corner of the state.
Chain Department Stores To Enter Seven Texas Cities
HOUSTON —(P)—Federated Department Stores, Inc., which owns two major Texas establishments, plans to establish seven more.
Stores will be built in Amarillo and Wichita Falls. Fred Lazarus, Jr., president, said Tuesday afternoon. He declined to name the other sites, but said they would be in medium and small cities.
The firm operates Foley's here and recently purchased Sanger Brothers in Dallas.
The new stores will be operated as a division of Federated under the name "Fedway."
Outlay for the seven stores will be more than \$20,000,000, Lazarus said.

It's Trick Or Treat As Young Elves Go On Annual Prowl Wednesday Night

By The Associated Press
This is the night that elves and goblins (Junior grade, that is) are abroad in the land.
A handful of candy, paid in tribute to the masked small fry of the neighborhood, will save you from the fearful deprivations of "trick-or-treat" night.
Failure to come across may result in soap smeared on your screen door, front step or car windows. The Halloween goblins of 1951 hang few fence gates on church steeples as their fathers did in an earlier, simpler era.
To cut down on the Halloween urge to smear, break, overturn and confuse things in general, many communities stage ragamuffin parades, parties and dances.
On the theory that if you know where they are, you know where

they ain't, teen-agers are lured to these affairs and even encouraged to soap store windows (with merchants' permission). They are given prizes for the best hobgoblin designs.
Halloween began in the dim past before Christianity, and was marked by the lighting of bonfires and the established belief that this was the night that ghosts and witches rose from the netherworld to harass mankind.
In the Christian world it is the eve of All Saints Day, an Autumn festival of the first rank, and in ancient times regarded as a night of magic happenings.
Just where the "trick or treat" chant of small children originated is uncertain, but the terrorized home owners of America certainly give out more treats than they suf-

fer tricks from the ghosts too young to go to the organized festivities.
In some towns, the shakedown starts the night before Halloween. In theory, this gives the terrorized home owners a chance to placate the frightful spirits before they start their destructive prowls.
Strangely enough, about as many spirits turn up to be placated on Halloween as rang the bell the night before. And some of them bear a remarkable resemblance to the earlier spirits.
But the mid-century Halloween is a pale, civilized version of a celebration that once kept leading citizens and police chiefs working for days to undo the mischief.
Ever tell you about the time Deacon Brinkerhoff's spang-new, buggy wound up on the church roof? Well, sir...

CAFE BATTLERS — Actor Franchot (Superman) Tone, left, was jailed on a charge of spitting in the face of, then kicking Florabel Muir, right, a filmland columnist, in Ciro's Restaurant in Hollywood. Released on \$500 bond six hours later, Franchot, latest husband of Odessa's blonde Barbara Payton said: "Sure I spit at her, but I didn't kick her."

Thursday To Be Red Feather Day In Midland Drive

Thursday will be everybody's Red Feather Day. It will be dedicated to the welfare of the Boy Scouts, Girl Scouts, Youth Centers, Salvation Army, Goodfellows and Colored Day Nursery. The need is \$35,000 more.
Volunteer leaders in the Midland Community Chest campaign checked their working charts Tuesday and found the drive lagging far behind expectations. They called for emergency action to keep the civic campaign from falling. Only \$20,000 of the \$55,447.25 quota had been raised.
Out of the session came Red Feather Day. Mayor Perry Pickett proclaimed the occasion and urged everybody to "think of the youngsters and not let them down."
Midland police moved in on the near-crisis. They volunteered to work harder in issuing tickets—not only the red traffic violation kind. They will issue Community Chest receipts to contributors at residences or on downtown streets.
Just telephone Police Headquarters, 4-8246, or Community Chest headquarters, 4-6009, and a police patrol car will come by while on routine patrol to pick up Chest contributions.
Police Have Receipts
"Anywhere a contributor sees a Midland policeman Thursday," said Chief of Police Rube Hemingway, "he will be glad to accept the contributions. Officers will have receipt tickets to issue."
Every Midland business place and office was urged to devote sufficient time and effort Thursday to assure 100 per cent pledges.
H. C. Jones, chairman of the committee.

Andrews Burglars Snaich \$9,600 From Motor Company Safe

ANDREWS — A wave of burglaries in Andrews reached serious proportions Tuesday night with a \$9,600 safe rifling job at the Miles Motor Company.
An employee of the motor company coming to work Wednesday morning found the office safe open. Hayden Miles, owner, reported the loss was \$5,000 in cash and \$4,600 in checks.
Sheriff Floyd Peacock said entry was gained to the motor company through a back window. A glass pane was broken out and the window was forced.
No clues were reported Wednesday morning.
Also taken from the safe at the motor company was approximately \$45 which L. V. Brown had placed there for safe-keeping. The money has been raised in a Girl Scout drive for funds.
Burglars Tuesday night in Andrews County took approximately \$13 from the clothes of oil workers, which were hanging in a doghouse at a rig in the Ancedor field. The oil workers were away from the doghouse at work when the money was taken from their clothes.
Sunday night, a hole was made in the roof of the Farmer's Supermarket and burglars rifled a cash register and prowled the store but nothing was reported missing. The cash register had been left empty.

Everybody Enjoys Party But Honoree

Officials and employees of Midland County tossed a little farewell party Wednesday for Mac Stout on his last day as a state highway patrolman.
There was a pretty Halloween cake and piles of sugar-coated doughnuts, along with coffee prepared by Pauline McWilliams, county home demonstration agent.
Everyone enjoyed the party except Stout, who has accepted a job with an oil company, beginning Thursday.
No one remembered to invite him.

Neal D. Staton, 57, Dies Wednesday

Neal D. Staton, 57, long-time Midland stock farmer, died about noon Wednesday in a hospital here following a lengthy illness.
Well known in Midland County and area, Staton resided on Cloverdale Road. He had entered the hospital October 24. The body is at the Newline W. Ellis Chapel pending completion of funeral arrangements.

First City Water Test Encouraging

Initial testing of a 17-section area in Northwest Midland County has produced "encouraging" prospects for an ample new waterfield for the city.
This was reported Wednesday by H. E. Nunn, city water and sewage engineer, following the first completion and testing of a well in the area to which water right options have been acquired by the City of Midland.
"We put the well on a 24-hour pumping test," said Nunn, "and it produced 530 gallons a minute, which was the capacity of the pump we used."
"I would guess the well is capable of producing 800 gallons a minute."
"The well held up well during the test and the draw-down was not too heavy."
"It looked rather good and I believe the chances of finding a good supply of water in the area are encouraging."

First Complete Test

Although 27 test wells have been drilled on property owned by Forest King, Midland rancher, this was the first well to be tested completely.
Pump-testing of another well, about one mile southeast of the first one, is scheduled Friday.
The city now has five rigs drilling wells in the area, which also includes a section of Midland Farms properties.
Options to the water rights in this area were acquired last summer as the city began a search for new water supplies to supplement its present waterfields at Wadley, Cole Park and Rosedale.
After extensive studies of known waterfields and geological data, a special committee of the West

Star Longhorn Back Injured In Scuffle With Teen-Age Gang

AUSTIN —(P)—Gib Dawson, star University of Texas halfback, suffered a cut lip that required four stitches after a run-in Tuesday night with five teenage youths.
Austin police reported Dawson was treated at the University Health Center for a cut lip, body bruises and minor lacerations. He was released from the health center immediately, but did not attend class Wednesday morning.
The fleet, 170-pounder from Douglas, Ariz., told an Austin Statesman reporter he was riding in his car with Jane Bradner of Galveston University co-ed, when five youths in a hotrod car threw an orange against his windshield.
He pursued them. They stopped. As he approached their car, one picked up a rock and hit him in the mouth, Dawson said.
State Calls Police
He told his date to call the police and she ran to a nearby house. Dawson said the five youths, who appeared to be 17 to 20 years of age, worked him over several minutes and then fled.
He was unable to get the license number of their car but thought he could identify the boys if he sees them again.
"I was just going to chew the orange out for throwing that orange. I didn't know they were going to start all that trouble," Dawson told the Austin Statesman reporter.
Leading scorer of the Southwest Conference with 42 points, Dawson said he thought he would be able to play in Saturday's game with Utah at Dallas.

★ LATE NEWS FLASHES ★

MOUNT IDA, ARK.—(P)—Five or six ferocious circus animals were reported on the loose in a wooded, mountainous area near here Wednesday after a circus truck overturned.

CAIRO, EGYPT.—(P)—A British Army spokesman Wednesday said British troops have seized the road and rail bridge outside Port Said, at the Mediterranean end of the Suez Canal, and are operating it without interference or trouble.

SAULT STE. MARIE, ONTARIO.—(P)—A lake with gusts to 75 miles an hour roared across Lake Superior Wednesday, bringing shipping to a standstill in the Upper Lakes.

WASHINGTON.—(P)—House investigators brought the Department of Justice and top echelon Internal Revenue officials under their sights Wednesday in a broadening of their inquiry into federal tax service irregularities.

Latest Offer Raises Hopes Of Armistice

MUNSAE, KOREA —(P)—Red truce negotiators Wednesday offered to create a buffer zone along their version of the present battle line in Korea.
They called it their "last and best proposal."
The surprise Red offer approached demands of the United Nations Command. It brought the two sides closer together than they ever have been on the question.
Hopes soared in this truce camp. But a UN Command spokesman said there were two important differences between the new Red offer and the Allied proposal:
1. The Reds want to keep Kaesong, former truce talks etc. The Allies want to take it over.
2. The Communist version of the battle line is two or three miles south of where the Allies place it.
These differences were pointed out by Col. Andrew J. Kinney, chief UN liaison officer.
Kinney said there were certain other things the U.S. negotiators could not accept immediately.
But he added the Communist offer brought the buffer zone question nearer to a solution than at any time since truce talks first started July 10.
Proposal Unexpected
Red negotiators submitted their plan unexpectedly near the close of Wednesday's meeting of truce subcommittees in a rain-soaked tent at Panmunjon. The plan was outlined on a map.
Three times, Kinney said, he Red delegates said this was "their last and best proposal."
"This makes us very suspicious," Kinney said.
Nevertheless, Kinney said, the new Red proposal "is the biggest step I've seen" for solving the buffer zone question.
The Communist proposal was based on their version of the current battle line. Negotiators call it "the line of contact." The buffer zone would be two and one-half miles wide.
Fighting almost vanished from the ground front Wednesday. Only action reported in the U. S. Eight Army's afternoon communiqué was a one-hour fight between a company of attacking Chinese and UN troops southeast of Kumsong on the central front. The Reds were beaten back.
There was no prior hint of Communist capitulation on location of the buffer zone.

Damp, Cold Wave Moves Over Texas

By The Associated Press
After topping a few Fall heat records Tuesday, the weather decided to settle down and behave like Winter in Texas Wednesday.
Many temperatures tumbled into the 30's—especially in the Panhandle—and many points reported precipitation ranging from sprinkles to light rain.
The Weather Bureau at Dallas said the 90-degree readings at Dallas and Fort Worth broke the all-time record for October 30. No higher temperature ever has been recorded at the two points so late in the Fall.
Most temperatures over the state were in the 80's, except in the Panhandle and in West Texas. El Paso reported 67 degrees and Dalhart 66.
33 Degrees At Dalhart
Overnight, Dalhart's reading of 33 degrees was the state's lowest. The highest overnight reading came from Palacios and Corpus Christi—76 degrees. Other readings in the 30's came from Amarillo, Lubbock and Childress.
The front bringing the cold wet weather was south of Texarkana early Wednesday along a line between Austin and Waco and south of Junction and west of Roswell, N. M. By late Wednesday night, forecasters predicted the front will have moved into the Rio Grande Valley. It will be between 35 and 40 in the upper Red River Valley by Wednesday night, the Weather Bureau at Dallas reported.
The damp, dreary, drizzling condition that prevailed over most of the state Wednesday is expected to hold through Thursday—but will begin to clear by Friday. Football fans will enjoy brisk, clear weather Saturday—and general conditions were expected to be dry and a little warmer.

Food Prices Are Down, It Says Here

NEW YORK —(P)— Wholesale food prices dropped to a new 1951 low this week, according to the Dun & Bradstreet food index.
At 85.85, the index compared with 86.59 last week (the previous low so far this year), and was just two per cent above the year-ago level of 84.82.
This index represents the total cost at wholesale of one pound each of 31 foods in general use. It's now lowest since late last November.

Washington Puts On Best Bib And Tucker For Royal Visitors

WASHINGTON —(P)— Official Washington put on its best bib and tucker Wednesday to greet Princess Elizabeth and the duke of Edinburgh.
"And in spite of possible showers, thousands of men and women in the street planned to join in the capital's televised welcome for the British royal couple on their first visit to the United States.
President and Mrs. Truman and their daughter, Margaret, headed the list of government officials, foreign diplomats and other dignitaries planning to meet Elizabeth and her blond, handsome husband on their arrival by plane from Montreal at 4 p.m.
21-Gun Salute
A 21-gun salute was to touch off a rapid-fire succession of receptions, dinners and other ceremonies for the royal visitors. The first: a reception by some 900 news correspondents as soon as the couple had a chance to freshen up and sample American-style tea.
Elizabeth and Philip will be guests of the President at Blair House during their 48-hour visit.
Wednesday night, there's a presidential dinner—very formal, limited to about 20 guests because of cramped dining space in the Truman family's temporary residence. The gold table service, and the blue-bordered china bought by Franklin D. Roosevelt, will be used.
Afterwards there's a reception for some 100 persons—Supreme Court justices, cabinet members, other high officials and their wives.

Secret Air Force Base Near Dallas Called Radar Post

DALLAS—(AP)—A highly secret Air Force installation at nearby Duncanville was revealed Wednesday as a radar listening post—one comprising a network throughout the United States to protect key cities and areas.

The revelation was made by the commanding officer, Maj. Louis A. Delaney. He received permission from the commanding general of the 33rd Air Division with headquarters at Oklahoma City.

The Dallas Morning News said it was the first time the location of such a radar warning station had been told.

It is manned by the 147th AC&W Squadron. This is a Van Nuys, Calif. Air National Guard outfit.

Much of the information about the base still is classified. Maj. Delaney would not say what "AC&W" meant. No pictures are allowed.

Tax Boost Is Fairly Painless For 1951 As Withholding Will Cover Most Of It

EXAMPLES OF HOW THE WITHHOLDING TAX WILL RISE IN NOVEMBER

| Weekly Salary | Present Tax Withheld | Tax Withheld in November | Increase |
|-----------------------------------|----------------------|--------------------------|----------|
| Single person — \$ 75 | \$11.20 | \$12.40 | \$1.20 |
| Married couple, no children — 75 | 4.90 | 8.90 | 4.00 |
| Married couple, 2 children — 75 | 4.30 | 4.70 | .40 |
| Single person — 100 | 16.10 | 17.90 | 1.80 |
| Married couple, no children — 100 | 13.80 | 15.40 | 1.60 |
| Married couple, 2 children — 100 | 9.20 | 10.20 | 1.00 |
| Single person — 125 | 20.60 | 22.90 | 2.30 |
| Married couple, no children — 125 | 18.30 | 20.40 | 2.10 |
| Married couple, 2 children — 125 | 13.70 | 18.20 | 1.50 |

By RICHARD MULLENS
NEA Special Correspondent

If you, as a taxpayer, have been worrying about the new tax law you can relax. Your share of the \$7,700,000,000 in new taxes won't amount to much in 1951.

That's because the average 12 per cent increase in taxes voted by Congress is effective for only two months of 1951. To simplify filling out your tax return, all income earned in 1951 including earnings prior to November, is taxed at a higher rate. But the rate for 1951 is increased only about one-sixth of the increase for 1952.

Here's how the rates on income up to \$10,000 compare:

| Income between | 1951 rate before (per cent) | 1951 rate under new tax bill (per cent) | 1952 rate (per cent) |
|-----------------------|-----------------------------|---|----------------------|
| Not more than \$2,000 | 20 | 20.4 | 22.2 |
| \$2,000 to \$4,000 | 22 | 22.4 | 24.6 |
| \$4,000 to \$6,000 | 28 | 27 | 29 |
| \$6,000 to \$8,000 | 30 | 31 | 34 |
| \$8,000 to \$10,000 | 34 | 35 | 38 |

The "sky surges" being made at the Palomar observatory of the California Institute of Technology is being received through the giant 48-inch "Big Schmidt" telescope.

\$8,000 for a married couple and \$2,500 for a single taxpayer. Younger taxpayers can still deduct medical expenses that exceed five per cent of the income.

Members of the armed forces will continue to get an exemption for time spent in Korea. Taxes owed by service men who die in Korea, or from wounds, disease, or injury incurred there, will be canceled for any year during which they spent as much as a day in Korea.

Your dependents now can earn up to \$600 in 1951 and still be claimed on your return. Formerly, if they earned more than \$700 you could no longer claim them as a dependent.

The new tax bill increases corporation taxes and many social taxes. The gasoline tax is up one-half cent a gallon. The tax on whiskey will go up from \$1.80 to \$2.10 a fifth.

Each person who is in the business of accepting bets for profit will owe Uncle Sam a tax of 10 per cent of the bets. This does not apply to pari-mutuel betting licensed under state law.

The bill has an unusual feature. All income tax increases automatically expire Jan. 1, 1954, and excise tax increases expire April 1, 1954. That is, unless Congress makes a change in the meantime.

Boiled down, that's what the \$7,700,000,000 tax increase means to the average taxpayer.

Beginning with your first pay envelope in November, an additional tax amounting to about two per cent of your income after allowing for dependents will be withheld. For example, a married couple with two children and a \$75-a-week salary will have an additional 40 cents withheld for taxes.

Most taxpayers will find that the additional two per cent, taken out during November and December, will cover the entire increase they owe for 1951. You probably won't have to dig up anything extra when the March 15 deadline for filing returns comes around.

That's the most important thing to the average taxpayer in the new bill. This is just a preliminary look at the bill's high spots. In NEA's eleventh annual Income Tax Primer, which is now being prepared, the changes will be spelled out in detail. But here are the important revisions:

To Get Break
Some taxpayers will get a break under the new law. An unmarried person maintaining a home for members of his family will now get part of the tax break given married couples filing joint returns.

If you sold your house during 1951 for a profit and buy another costing as much or more within a year, you do not have to report the profit made on the sale. However, if your new home cost less than what you got for the old one, there will be a tax on the difference.

Taxpayers past 65, who don't file on the short form, can deduct all medical expenses not exceeding

Missing Film Writer Erroneously Confused With Award Winner

SANTA MONICA, CALIF.—(AP)—Search is continuing for screen writer William Scott Darling, 63, missing since Monday.

His wallet was found floating in the ocean Monday and his car was parked on the beach.

The screen writer is not to be confused with art director William A. Darling, 69, a three-time Academy award winner for art direction.

The Associated Press erroneously listed screen writer Darling as sharing an academy award for scripting "Anna and the King of Siam" in 1946. It was art director Darling who won the award, and it was for art direction. He also won awards for "Cavalcade" in 1933 and "Song of Bernadette" in 1933.

William A. Darling is retired and is living in Palm Springs, Calif.

GREATER CONSUMPTION
Americans consumed 17.8 pounds of coffee per capita during 1949, compared with a 14-pound average of 1935-39, according to the Encyclopedia Britannica.

Deanna Durbin Is Hinting For Chance At Comeback

NEA Staff Correspondent
By ERSKINE JOHNSON

HOLLYWOOD—Exclusively Yours: Deanna Durbin again is hinting for a chance at a film comeback in letters from Paris to Hollywood pals telling about her new social figure.

Joe Pasternak, who discovered her and produced all her hit films, still is dreaming of guiding her back to boxoffice fame but not in the immediate future.

"Deanna's 35 now," he told me. "I'm going to wait until she gets a little older. She'll mature and be another Jeanette MacDonald."

Reason for Joe's flying-down-to-Rio trip:

A movie, "Latin Lovers," in which he says he'll co-star Lana Turner and Fernando Lamas.

Janet Leigh, in her new short-bobbed hair, and hubby Tony Curtis may get their wish to co-star in a movie—a trailer.

MGM wants to borrow Tony from UI for a day to work with Janet in the trailer for "Just This Once." In return, Janet will be seen in the trailer for Tony's new film, "Hear No Evil."

Esther Williams and hubby Ben Gage are working up a stage act for the New York run of "Skitz Ahoy" which will be unveiled on the tenth anniversary of WAVES around Easter time. Ben will sing and Esther will work with four girls in a comedy scene from the picture in which she gets drenched in a water-and-mop initiation to the WAVES.

"Well, prove to people," Esther says, "that things aren't always tricked up in Hollywood."

Her fans may scream about her lack of swimming in "Texas Carnival," but Esther isn't worried. "I just write them and say I do a lot of swimming in 'Skitz Ahoy' and that the Annette Kellerman story will be all swimming."

The movie mermaid still is blushing over the regulation WAVE bathing suit she tried on for the film and which had to be remodeled because of censorship. "It was awful," she confided, "no two things happened at the same time."

Don't count on any actor playing General Patton in "The Red Ball Express." UI admits that Patton's heirs and estate first must give approval of his depiction in a movie. Shortly after Patton's death, Charles Bickford tried to obtain the film rights to his story and was refused permission by the estate.

His pals say that Dan Dailey's palpitations about Jane Hight are the real thing. Dan met Jane at the airport when she ended her Movietone, U. S. A. tour, rushed her to the Beverly Tropica and called for buckets of champagne.

Double feature marquee eye-popper:
"Meet Me After the Show" and "Behave Yourself"

Tom Neal telephoned Betty Hutt.

Ava Gardner Just One Of The Boys, Frank Tells Nancy

SANTA MONICA, CALIF.—(AP)—Ava Gardner may be surprised to learn this, but Frank Sinatra used to explain those long trips of his by telling his wife: "I was out with the boys."

Mrs. Nancy Sinatra so testified Tuesday in winning a divorce from the crooner. She charged mental cruelty.

Mrs. Sinatra said Frank had asked her for a divorce several times, but "I waited because I wanted to be sure he knew what he was about."

Sinatra already has filed suit for divorce in Nevada. He and Miss Gardner were constant companions during his six-week residence in Nevada previous to the filing of the suit. His international wooing of the actress was headlined for weeks.

Mrs. Sinatra did not mention Miss Gardner in the uncontested trial. She said he told her, after his long absences from home, "I was out with the boys."

A property settlement gives Mrs. Sinatra 33 per cent of the singer's income up to \$150,000 a year, plus 10 per cent of any income above that figure. Sinatra earned \$367,000 from January 1 to August 31 of this year. Mrs. Sinatra gets custody of their three children. They were married in 1939.

Merion Davies Weds Navy Captain

LAS VEGAS—(AP)—Former actress Merion Davies was married early Wednesday to Navy Capt. Horace G. Brown.

Justice of the Peace James Down performed the ceremony.

Miss Davies gave her name as Marion Cecilia Douras and her age as 45. She said she never had been married before.

Captain Brown gave his age as 46 and listed one previous marriage. The wedding license did not list the name of his former wife.

The mouth of the Yukon River is on the Bering Sea in western Alaska.

'Take A Look' Performance Received Enthusiastically

The third performance of "Take a Look," the fifth annual Minstrel Show being sponsored this week by the Midland Kiwanis Club, was presented Tuesday in the City-County Auditorium.

The audience was enthusiastic over Bill Adam's pantomime, "The Cooking Hour." As Chef Emile LeGarlic, Adam depicts the "uptown" restaurant chef in comical fashion.

"Travel Hour," the Hawaiian revue, was the show stealer of Act I. It stars Mary Jane Noland, singer; Ann Speer, dancer; Duke Jimerson and Art Cole, the "girls," Myrl Thompson, Princess "Papui" and Louise Harless, Marie McSpadden, Tinker Hensell, Constance Donoghue, Lea Baranich and Ann Webb as the Hawaiian girls.

The television quiz show, "Answer Please," stars Hal Shaner, Ed Vogler, Paul Parker, Tommy Tate, Karl Koch and Henry Goulet. It is a skit about the quiz shows and the consequences paid for the wrong answer.

In the minstrel, Art Cole's rendition of "Down Yonder," Bob Whitaker doing "Doodle Doo Doo," Bill Cumberland with the "Johnson Rag," and Tommy Tate doing "Mr. and Mississippi" were show stoppers.

The end men were outstanding in their performances with the antics and jokes typical of minstrel.

"Millionaire From Midland," one of Bill Pomeroy's originals, is sung by Elizabeth Pennebaker, Cole, Cumberland and Pomeroy.

The ushers of the Minstrel Show are Kiwanians dressed in red coats with sunflower boutonnières.

Kiwanians have a parade every day of the Minstrel Show starting in front of the City-County Auditorium, and parading through the downtown area.

Proceeds of the show are for the

underprivileged children of Midland and the organizations sponsored by the Kiwanis Club.

Members of the minstrel crew are volunteers. They are giving their time and energy for the benefit productions. There are many new faces among the familiar ones of previous years.

Performances will be held at 8:30 p.m. through Saturday. Reserved seat tickets may be obtained at Tallorline's.

Mrs. A. L. Teaff Is Baptist WMU Hostess

Mrs. A. L. Teaff was hostess to the Woman's Missionary Union of the Calvary Baptist Church Monday at a social meeting in her home. The women exchanged gifts with their "secret pals" and drew the names of "pals" for the next period. Mrs. Teaff led the games. Mrs. D. J. Thompson gave the closing prayer and the devotional, "God Is Near."

A sunshine box was packed for Mrs. V. C. Barber who is in the hospital in Big Spring. Refreshments were served to the men who were working on the new church building. Twenty-nine members and a guest attended.

Patricia Broadus Is Story Narrator

Patricia Broadus told stories from "Favorite Stories, Old and New" at the Terminal Story Hour held Saturday.

Those attending were Linda Taylor, Terrell Goodson, Jan Wildman, Claudia Wildman, Marsha and Patricia Metlock and Meg Goodson.

The world produces almost 2,000,000,000 pounds of tea annually.

Rev. Crow To Be Guest Instructor At Training School

The Rev. Chester Crow, director of religious education for Christian Churches of Texas, will be one of the guest instructors at the first annual Community Leadership Training School. The school will open Thursday in the First Presbyterian Church.

Four courses will be offered and each person enrolling will choose one course. Mr. Crow will teach "On

Understanding Youth." This course is designed to meet the everyday needs of leaders of intermediates, seniors and young people.

Mr. Crow has been director of religious education since 1949. Previous to that he was pastor of the Hyde Park Christian Church in Austin. A native of Austin, he is a graduate of TCU and Brite College. He also is president of the Religious Education Field Workers Association of the Disciples of Christ.

The school will close November 7. During the school religious books will be on display in the Fellowship Hall.

Courses offered have been approved by the Division of Christian Education of the National Council of Churches of Christ in the United States. The credits awarded are accepted by all participating denominations.

Midland churches participating include Asbury Methodist, Church of the Nazarene, First Christian Church, First Methodist, First Presbyterian, St. Andrew's Presbyterian, St. Mark's Methodist, Trinity Baptist and Trinity Episcopal.

A nursery will be provided for pre-school children and a study hall will be maintained for children in school.

Methodists Observe Revival With Prayer

Prayer services in connection with the All-Texas Methodist Revival, are scheduled to be held at 9 a.m. Thursday and Friday in the home of Mrs. N. G. Oates, 610 North Main Street.

The announcement was made by Mrs. J. H. Fraizer, president of the Woman's Society of Christian Service of the First Methodist Church. The services also were held Monday, Tuesday and Wednesday, with Mrs. Fraizer, Mrs. Luther Kirk and Mrs. R. P. Haag in charge of the respective services. Leaders for Thursday and Friday, respectively, will be Mrs. Stacy Allen and Mrs. Ola Boles.

Rankin P-TA Plans Halloween Carnival

RANKIN-The Rankin Parent-Teacher Association will have its annual Halloween Carnival Wednesday, beginning with a parade at 6 p.m.

The carnival will be held in the auditorium. Mrs. Preston Patton is general chairman.

The parade will be divided into four units with a prize going to each unit for its most colorful entry.

The coronation of the queen and the presentation of her court will be one of the main attractions.

SOCIETY

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, OCT. 31, 1951-3

Mr. and Mrs. Robert L. Quinnett

Former Midlander Wed In Florida

Jean Walsh, formerly of Midland, and Robert L. Quinnett of Shawnee, Okla., recently exchanged vows in St. Anthony's Catholic Church in Fort Lauderdale, Fla.

The bride is the daughter of Mr. and Mrs. William Thomas Walsh of Fort Lauderdale and formerly of Midland. The bridegroom's parents are Mr. and Mrs. Eli Quinnett of Shawnee.

The church was decorated with white gladiolus and chrysanthemums. Given in marriage by her father, the bride wore a brown suit with a white nylon blouse fashioned with a pleated ruffle at the neckline. Her beige and white hat was complemented by a corsage of white orchids.

Fay Stafford, the bride's attendant, wore a dusty pink suit with brown and white accessories and a corsage of brown orchids. William Schiltz was the best man.

A reception was held at the home of the bride's parents following the ceremony.

The bride's mother chose a beige suit with black trim and a small black hat. She wore a corsage of blue orchids. Mrs. Thomas A. Bencuan assisted the hostess at the reception.

The couple planned a wedding trip to Palm Beach, Fla., Blvd., Miss. New Orleans, La., and Shawnee where they will be the guests of the bridegroom's parents.

Mrs. Quinnett was graduated from Notre Dame High School in Belmont, Calif., and attended Dominican College at San Rafael and the University of Oklahoma where she was a member of Kappa Alpha Theta Sorority and Gamma Alpha Chi Journalism fraternity.

Quinnett, a graduate of St. Gregory's High School in Shawnee, attended the University of Oklahoma. He is affiliated with Theta Kappa Phi Fraternity and Delta Sigma Pi professional business fraternity.

During World War II he served with the army in Europe. He is a member of the Officers Reserve Corps and is now awaiting orders for active duty.

Girl Scouts See 'The Growing Years'

Brownie Troop 28 and Intermediate Troop 23 met Monday in the Little House for scheduled meetings. A movie "The Growing Years" was seen.

The Brownies practiced their parts to be given at the father-daughter banquet Friday.

The intermediate Scouts wrote get-well cards and had a nature trail hunt. They found and labeled leaves. A retreat of the colors closed the meeting.

MR. AND MRS. BOBBY WOOD ARE PARENTS OF SON

Mr. and Mrs. Robert L. (Bobby) Wood, Jr., are the parents of a son, Robert L. III, born Friday in a hospital at Sherman, according to information received here. The baby weighed five pounds, 11 ounces at birth. The father, a former Midland High School football star, is a student at Austin College, Sherman.

The grandparents are Mr. and Mrs. Robert L. Wood and Mr. and Mrs. Edwin L. Stephens of Midland.

What's RIGHT?

You stop to speak to an acquaintance you haven't seen in several months. WROONG: Say: "I'm glad to see you looking better. I didn't think you looked at all well the last time I saw you."

RIGHT: Tell the person he is looking well and let it go at that. No one likes to hear how bad he once looked and some people are actually alarmed by such comments.

Art Center Officers Discuss Constitution

Officers of the Midland Palette Club Art Center met Monday in the club studio to discuss the adoption of a constitution and by-laws. A prepared draft will be read to the club at its next-regular meeting November 7. Mrs. R. M. Barron, treasurer, gave a financial report and recommended the adoption of a yearly budget for the organization.

The first Wednesday of each month was set aside for the regular monthly business meeting. The group discussed plans for a tea to be held Sunday in honor of Clayton Henri Staples, who will open a school of instruction in drawing and painting Monday in the studio.

Those present were Mr. and Mrs. John W. Koenig, Mrs. Barron, Mrs. Bryan Denison, Mrs. Addison Young, Mrs. N. A. Lancaster and Mrs. Jack Lawton.

Odessans Entertain Lucky 13 Club

Mr. and Mrs. Houston Sikes of Odessa were hosts to the Lucky 13 Club recently at a party in their home.

Arrangements of pyracantha and chrysanthemums decorated the entertaining rooms. The group played games of 84.

Those attending from Midland were Mr. and Mrs. C. H. Shepard, Mr. and Mrs. O. H. Jones, Mr. and Mrs. James L. Daugherty, Mr. and Mrs. Jack McClurg and Mrs. Ellis Conner.

Other Odessans present were Mr. and Mrs. M. C. Dennison and Mr. and Mrs. J. Guy Harris.

Read The Classifieds.

Mrs. Donnell Discusses WMU Youth Groups

Mrs. Robert Donnell discussed the purposes of the young people's organizations of the Woman's Missionary Union Tuesday at a First Baptist WMU meeting in the church.

Her talk was entitled "Our Teaching Agencies." The general missionary program followed a coffee hour in the recreation room. Mrs. Norman P. Taylor, leader, brought the devotional on "Preparation for the Service of God."

Mrs. Gene Shelburne, Jr., sang "Scattering Precious Seed" and Mrs. Thurman Fyiant led the opening prayer. Following the program, Mrs. Noel D. Cason, president, presided over a short business session.

Those attending were Mrs. Joe Angel, Mrs. W. L. Ingraham, Mrs. J. W. Schroder, Mrs. C. L. Wristen, Mrs. Barbara Wall, Mrs. Melvin E. Moody, Mrs. James T. Windham, Mrs. Ernest Neill, Mrs. R. C. Stone, Mrs. W. B. Preston, Mrs. Dub Hagler, Mrs. John Godwin, Mrs. Joe Ranne, Mrs. Cecil Craft, Mrs. J. J. Kenby, Mrs. Stella Marchbanks, Mrs. Vernon Yearby, Mrs. Arnold Scharbauer, Mrs. J. C. Vandewater, Mrs. Ralph L. Mills, Mrs. Charles C. Mason, Mrs. W. H. Hall.

Mrs. E. H. Thacker, Mrs. S. C. Dougherty, Mrs. J. E. McDuffey, Mrs. Robert Donnell, Mrs. C. F. Hunter, Mrs. S. L. Evans, Mrs. Fulton Brown, Mrs. J. Q. Woodard, Mrs. N. P. Taylor, Mrs. George Johnson, Alta Merrell and Mrs. F. H. Latham.

Mrs. Thompson Is Shower Honoree

ANDREWS - Mrs. Francis Thompson was honored recently by Mrs. Garland Lindsay, Mrs. A. L. Rhodes, Mrs. Roy Bennett, Mrs. Boyd Franklin and Mrs. John Hall with a pink and blue shower.

The shower was held in the Lindsay home. The gift table was centered with a tall styrofoam stork. Miniature storks were used as plate favors.

Refreshments were served to Mrs. D. R. Pennington, Mrs. W. J. Underwood, Mrs. Guy Thompson, Mrs. Kenneth Thompson, Mrs. Joe Thompson, Mrs. Gayton Swift, Mrs. L. D. Robertson, Mrs. Othel Ogden, Mrs. Sonny Williams, Mrs. Pearl Kesse, Mrs. Bob Reed, Mrs. James Welch, Mrs. Wallace Morris, Mrs. Everett Maxwell and Mrs. Archie Lonis.

Scout Meetings Have Halloween Theme

Girl Scout troop meetings Monday centered around the Halloween theme.

Parties were held by Troop 20, Intermediate Troop 5 and Brownie Troop 48. Brownie Troop 38 made Halloween decorations for its forthcoming school carnival.

Guests of Troop 20 were Mary Jane Cox, Marybelle Ten Eyck and Wanda Tutman. Mary Kay England was a guest of Troop 48.

It was announced that a father-daughter banquet will be held by Troop 63 at 9:45 a.m. Sunday in the St. Ann's School Auditorium. Troop 47 also made plans for a father-daughter banquet to be held Friday at Sam Houston Elementary.

Troop 35 saw a movie and designed notebook covers. Clara Edman was the guest of Troop 47 and Virginia O'Brien was the guest of Troop 63.

Presbyterians Plan Annual Book Fair

The seventh annual Book Fair at the First Presbyterian Church will open November 11, Dr. R. Matthew Lynn, pastor, announced.

Books are made available through the cooperation of the Presbyterian Book Store in Dallas. The Book Fair will be open to the public.

Books will be on display from 8 a.m. to 5 p.m. during the week and 3 to 5 p.m. on Sundays in the Fellowship Hall.

Types of books on display will include aids to Bible study, devotional books, books for children, books for parents, books for young people and books of general interest.

Midlanders Attend Annual Convention

The Insurance Women of Midland organization was accepted as a new member of the Federation of Insurance Women of Texas at the annual convention held Friday and Saturday in Dallas.

The Midland club was represented by Laura Jesse, president; Fern Kelley, vice president, and Mrs. Billie Bradford, public relations committee chairman. Miss Jesse was appointed to the nominating committee.

Guest speakers, business and entertainment highlighted the meeting. The next annual meeting will be held in October, 1952, in Corpus Christi.

WASHINGTON COLUMN

Marshall Plan Cut Shouldn't Hinder European Recovery

By PETER EDSON, NEA Washington Correspondent

PARIS—In spite of congressional cuts in Marshall Plan funds for the period ending next June 30, American officials in Paris believe European recovery can continue almost unabated.

About half of this will go to Greece, Austria, Trieste and other areas where recovery has been slowest.

Three factors will be responsible. 1. Greater numbers of American troops in Europe will be spending more dollars in the North Atlantic Treaty countries.

2. What the French call the "intra-structure" will begin to operate. This includes United States military aid in the form of dollars to pay for a share of construction costs on military roads, airfields and other installations in Europe.

3. What American officials call "off shore" procurement for European defense will pump more funds into Western Europe.

There may be some squawk about this last part from American manufacturers. They will ask why this U. S. dollar business should be given to Europeans instead of being kept at home.

Saving To Taxpayers The readiest answer given is that this is really a saving to the U. S. taxpayer, since more defense can be purchased with a dollar spent in Europe than a dollar spent in America...

The American defense program is \$60,000,000,000 this year. Total defense funds allocated for Europe are \$5,000,000,000, and about 90 per cent of this will be spent in the United States.

But all this European arms production aid, whatever the final amount decided on, will require careful planning.

EDBEC's members are Charles M. Spofford, senior U. S. representative in Europe and American...

to bid and make a game. Your bid suggests that you have fair strength and indicates that part of your strength is in the opponent's suit.

TODAY'S QUESTION The bidding is the same as in the previous question. You, South, hold: Spades J-5, Hearts K-J-3-2, Diamonds A-Q-5, Clubs Q-J-5-4.

Answer Tomorrow Read The Classifieds

member of the North Atlantic Treaty Council; Gen. Thomas T. Handy, commander of American military forces in Europe; Maj. Gen. Cortland Van Rensselaer Schuyler, deputy chief of staff representing General Eisenhower; William L. Batt, American chairman of the European Defense Production Board; and Paul Porter, now head of what's left of the Marshall Plan organization in Europe...

Removal of the Marshall Plan from the European scene will take something very definite out of Europe besides dollars. In the three years it has been in operation it has given Western Europe a great moral and morale lift.

It is being replaced now with General Eisenhower's new crusade. That shows signs of providing an even greater boost to European morale. But the Marshall Plan showed the way and what could be done.

So They Say

Our soccer players are... playing in order to win and not to prepare themselves physically for defense of their country.

If we act wisely... we can use the strength of our armaments to get the world to accept general disarmament under effective safeguards.

A people lacking free information, and getting their news distorted, mutilated, directed and censored, are blind—destined to suffer all manner of indignities and tragedies.

Deflation is every bit as serious as inflation. Deflation means liquidation, defaulted debts, bank failures, business bankruptcy, unemployment and all such undesirable conditions that make what we call depression.

Kitten in the Woods

By Kathleen Briggs

The story: Elizabeth Brownell, nurse for an aged invalid at the Steinhardt estate, finds no one to meet her at Black Five Junction upon her arrival.

"I'm Alistair Steinhardt." The glare of the man at the door swept over her speculatively. This you don't look like a nurse start conveyed a barb of disapproval.

"Probably you weren't expected until the morning train." Relief that she was early rather than late for her assignment surged over her, mingled with irritation.

"Thank you." Elizabeth's voice was dry. There was an almost childish current of mockery in his tone, as much as to say, "An aristocratic Steinhardt doesn't bother his head worrying about nurses and other servants who obviously belong in the same group with suitcases and unused urniture."

They were in a vast dim hall, its gloom enhanced by the mulberry wainscoting and dark wall-to-wall carpeting.

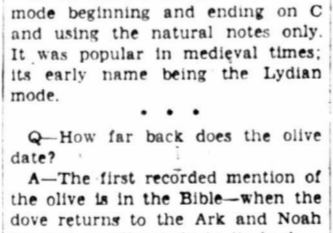

Young Steinhardt preceded her to the stairs to another dimly-lit hall that stretched left and right.

He pushed open a dark mahogany door, switched on a light and put her bags inside. He stood, looking down at her.

Have a Laugh

Two acquaintances were talking. One said, "Did you say your son is an undertaker? I had understood you to say that he was a physician."

Little Liz

Elizabeth drew back. "What is it?" "That species of moth I've been after. Just caught him."

Women drive the same way men do—only women get blamed for it.

Miss Hamilton Is Program Leader

Preparations for the Purposes of God was the program topic at the Janelle Doyle Business Women's Circle meeting Tuesday in the home of Nettie Johnson.

Sue Hamilton was the program leader and others participating were Mrs. W. F. Chumney, Fern Kelley and Mrs. James Huett.

Others attending were Mrs. S. M. Hebrick, Mrs. Lloyd Waldron, Jr. and Mrs. John Heagy.

WMS Is Host To Church Social

The Women's Missionary Society of the West Side Baptist Church was host to members of the church at a social Tuesday in the church annex.

The room was decorated in orange and black and the serving table was covered with a white cloth and centered with a large jack-o-lantern. Cat and goblin figurines also decorated the table.

A religious film, "Not in Vain," was shown and a Bible quiz was held.

Mrs. Frank Whately, president of the society, presided at a short business session. The WMSU plans to make washable toys for the church nursery. "Secret Pals" were revealed and names were drawn for the new quarter which will end in January.

The Rev. Alton Towery, pastor, opened and closed the meeting with prayer.

Seventy persons attended.

Beta Deltas Have Banquet, Initiate Pledges

Nine pledges were initiated into the Beta Delta Chapter of Beta Sigma Phi at a banquet held Tuesday night in the Ranchland Hill Country Club.

Pledges initiated were Patsy Berry, Eva Haskins, Jean Reinholz, Norma Sinclair, Helen White, Betty Hall, Andylene Phillips, Sally Secor and Vera Wecker.

The banquet table was decorated with black and yellow streamers and black and yellow candles. The centerpiece was an arrangement of yellow roses with black leaves. The place cards contained the Beta Sigma Phi crest.

Ann Harris introduced Lunelle Zecek who gave the welcome to the pledges.

A program of modern dances was given by Jim and Joe Loving, Emerald Green and Joe Selman.

Approximately 30 persons attended.

SOCIETY

Witches And Goblins Will Rein At P-TA Halloween Carnivals

Witches, goblins, ghosts and black cats will take over the school auditoriums beginning at 6 p.m. Wednesday when the annual Parent-Teacher Association sponsored Halloween carnivals get underway at all the Midland schools.

Supper will be served at most of the schools and other attractions will include everything from a tame pony ride to a thrill-packed spook house.

Mrs. William Ahlers is general chairman for the Sam Houston Elementary school carnival. One of the main attractions will be a country store featuring everything from brooms to canned goods.

A Shetland pony will be on hand for children at the David Crockett Elementary school. Pony rides will be available to all. Mrs. Carl Schwaibe is general chairman for the P-TA sponsored carnival.

To Display Talents

Midland High School students will display their talents at the talent show, which will be one of the main attractions at the high school carnival. The carnival also will feature all types of booths and games. Mrs. F. D. Hefren is general chairman.

A spook house, complete with scares and thrills, will be the main event at the South Elementary school. Mrs. Vinton Newberry is general chairman. Booths will feature food and games.

Wilson Barber, principal, has volunteered for target duty at the West Elementary school. Games will include "hit the teacher," "shoot the flame," and "ring the duck."

Mrs. B. W. Rogers and Mrs. J. P. Carson are co-chairmen. DeLo Douglas will serve hamburgers to visitors at the North Elementary school. Booths and games will entertain the children during the evening. Mrs. George Putnam is general chairman.

Mrs. T. J. Smith will tell the fortunes of those attending the Junior high carnival. Supper will be served at 6 p.m. and booths will open after the meal. Mrs. C. D. Johnson is general chairman.

Double, double toil and trouble—the witch's brew, better known as coffee, is ready to be served at the Terminal P-TA sponsored carnival.

Dinner will be served at 6 p.m. and the booths will be open from 7:30 until 9:30 p.m. at the St. Ann's school carnival. One of the main attractions will be the spook house. Mrs. Vester Collins will be the general chairman.

Mrs. Roweck Holds Recital And Party

A Halloween recital and party was given Saturday at Mrs. Elizabeth Roweck's Studio.

The senior group program was "Garden of Sleep," by Priscilla Simons; "March of the Mountain Men," by Allison Gray; "Wood Sprites," by Charley Hayes; "Up to Mischief," by Essie Stripling; "Oh Hallowe'en," by Julia Marberry; "In Autumn," by John Haase; "Spooky Tale," by Fred Haase; "The Witch," by Ann Jones; "Hallowe'en Pranks," by Doris Haase, and "March of the Dwarfs," by Mrs. Roweck.

The junior group program was "One Hallowe'en," by Nancy Newton; "Hallowe'en Spirit," by Dana Sue Tisdale; "Bonfires," by Mike Burckett; "Lightly Row," by Diane Kerth; "Soldiers March," by Carolyn Teiser; "The Juggler," by Barbara Teiser; "Rainbows and Sunsets," by Raymond Teiser; "Tum Tl Tum," by Chuck Erwin; "The Three Bears," by Bertha Ann Baumann; "The Scarecrow," by Sue Ellen McCray; "The Clown," by Marianna Miller; "Pickaninny in the Dark," by Molly Mosher; "The Goblin," by Barbara Lewis; "Squirrels," by Barbara Dabney, and "Hansel and Gretel," by Eddy Haase.

Refreshments were served to the students and guests.

Iota Betas Have Costume Party

The Iota Beta Chapter of Beta Sigma Phi held a Halloween party Tuesday night in the home of Mr. and Mrs. W. M. Johnson.

The house was decorated with Hallowe'en colors. Prizes were awarded for the games. Charles Patterson won the first prize for the best costume. Mrs. H. S. Murray, Jr., was in charge of the games.

Others attending were Mr. and Mrs. Ray Phillips, Mr. and Mrs. Ray Howard, Mr. and Mrs. John Rhaden, Mr. and Mrs. Calvin Percy, Mr. and Mrs. Jimmy Gaines, Mr. and Mrs. Patterson, Mrs. Otto Wink, Mr. and Mrs. Bill Erice, Mr. and Mrs. W. E. Nance, and Mr. and Mrs. Murray.

Bykota Circle Has Buffet Dinner

The Bykota Circle of the First Baptist Church met Tuesday in the home of Mrs. H. C. Jones for a buffet supper and business meeting.

Those attending were Mrs. H. M. Burton, Mrs. M. G. Dickson, Mrs. R. J. Oliver, Mrs. J. B. Dyson, Mrs. H. M. Griggs, Mrs. W. M. Walker, Mrs. M. F. Wallace, Mrs. W. R. Ingram, Mrs. W. C. Voss, Mrs. Don Hyatt, Mrs. C. H. Nuhard, Mrs. G. S. Johnson, Mrs. C. S. Thomas, Mrs. R. C. Stone, Mrs. A. G. Tisdale, Mrs. James Colvin and Mrs. Kenneth Patterson.

Korean Casualties Increase By 2,595

WASHINGTON—AP—Announced U. S. battle casualties in Korea reached 86,592 Wednesday, an increase of 2,595 since last week.

The Defense Department's summary, based on notifications to families through last Friday, reported:

Killed in action, 405; wounded, 2,196, and missing, 81.

The new casualties for the week, by services, were broken down as follows: Army, 2,404; Marine Corps, 135; Air Force, 50; and Navy, six.

Red Feather—

(Continued From Page One)

merical solicitation group, urged business places to plan their own procedures for canvassing their establishments Thursday.

"I know we'll have the cooperation of everybody Thursday," he said. "Community Chest is everybody's concern."

Some business houses plan to hold meetings of their staffs to assist in 100 per cent contributions. Others said they plan to appoint one person to make personal contacts.

"It Must Succeed"

John E. Reid, campaign coordinator, said his office would assist in anyway possible to make Red Feather Day a success.

ARE YOU PROTECTED?

If several locations are covered in one fire insurance policy are you protected against total loss at any one location?

Pat Ruckman, Chest campaign chairman, said Thursday should be the day for every Midland resident to devote special effort to put the campaign over the top.

"It means so much to Midland," he said. "It's impossible, even, to measure the effectiveness of participating agencies in dollars and cents. But they need funds to operate."

The Community Chest budget includes: Boy Scouts, \$17,447; Girl Scouts, \$11,400; Goodfellows, \$850; Latin-American Youth Center, \$6,000; Salvation Army, \$3,000; Midland Youth Center, \$12,744; and Colored Day Nursery, \$2,700.

Griffin Address Ends Bar Institute

An address by associate Justice Meade Griffin of the Texas Supreme Court Tuesday night wound up the one-day West Texas Legal Institute sponsored here by the state bar association.

Speaking at a barbecue dinner at the Midland Officers Club, Griffin warned against socialization of the legal profession.

Scores of attorneys from throughout West Texas attended the sessions during the day to hear discussions on legal problems by a caravan of legal experts making a tour of the state.

Tax Bite—

(Continued From Page One)

er products rushed to beat the high taxes.

Liquor, Cigarette Levies

Here are the main excise tax increases and changes:

Liquor—From \$9.00 to \$10.50 a gallon. This boost figures out to about 26 cents a fifth on ordinary type whiskey.

Beer—From \$8.00 to \$9.00 a barrel. This amounts to about one-third of a cent on a 12-ounce bottle.

Cigarettes—From seven to eight cents on the ordinary pack of 20.

Gasoline—From one and one-half to two cents a gallon.

Automobiles and motorcycles—From seven to 10 per cent of the manufacturers' price.

Trucks, buses and trailers—From five to eight per cent of the manufacturers' price.

Automotive parts and accessories—From five to eight per cent of manufacturers' price.

Electric, gas and oil appliances—Not now taxed, they become subject to a 10 per cent tax on the manufacturer's price.

Sporting Goods

Sporting goods—Removes from tax many items largely used for school sports and by children, such as baseball equipment, basketball, boxing gloves, football equipment, rates, sleds not more than 60 inches in length, softball equipment, and most track and field equipment. Increases the tax from 10 to 15 per cent on all other sporting goods except fishing equipment, where the rate is left at 10.

Photographic equipment—25 per cent tax on cameras and other photographic apparatus is reduced to 20 per cent; 15 per cent tax on film is raised to 20 per cent.

Fountain pens, ball point pens and mechanical pencils—Taxed at 15 per cent of manufacturer's price.

Cigarette, cigar and pipe lighters—Taxed at 15 per cent of manufacturer's price.

Gambling—A 10 per cent tax is imposed on all bets handled by professional gamblers such as bookmakers or numbers operators. The gambler is required to pay the tax monthly. He also must buy a \$50 occupational stamp and report his place of business and the names of his employees.

Some Items Eliminated

The new law also cuts some taxes and eliminates a few. These include:

A cut from 18 to 10 cents a pound on chewing and pipe smoking tobacco.

Elimination of the seven per cent tax on house trailers.

Elimination of the five-cent-a-pound manufacturer's tax on tires used in toys.

Exemption from the 10 per cent manufacturer's excise of all electric heating pads.

Removal of the three and one-third per cent tax on electricity.

Elimination of the 20 per cent retail tax on baby oils, powders and lotions.

Reduction from 25 per cent to 15 per cent in the tax on domestic telegraph, cable and radio messages.

Elimination of the 15 per cent tax on fishing boat trips.

Elimination of the 20 per cent admissions tax on high school athletic events, symphony concerts, operatic performances and most benefit performances given for churches, educational organizations and charitable organizations.

Mr. One Million never has been one to dabble in politics. But he has definite ideas about communism.

"We stayed away," he said. "It is no good there now."

The female Ranezays nodded solemnly.

But Ranezay grinned and fingered his belt.

"I have a belt on which was made in Texas," he announced. "I worked for a while in an American motor pool in Austria. A big Texas sergeant sent it to me after he got home. A nice man, but I don't know his name."

"Maybe you'll see him there, said Mama Ranezay.

"I don't know," said her husband. "I have heard Texas is a big place."

Mr. One Million never has been one to dabble in politics. But he has definite ideas about communism.

"We stayed away," he said. "It is no good there now."

The female Ranezays nodded solemnly.

But Ranezay grinned and fingered his belt.

"I have a belt on which was made in Texas," he announced. "I worked for a while in an American motor pool in Austria. A big Texas sergeant sent it to me after he got home. A nice man, but I don't know his name."

"Maybe you'll see him there, said Mama Ranezay.

"I don't know," said her husband. "I have heard Texas is a big place."

City Water—

(Continued From Page One)

Texas Geological Society recommended to the city that it further explore this particular area.

Quality Good

Drilling has been underway for several months but tests have been limited to a study of sand and gravel formations and to the quality of the water.

Some of the wells have produced water of a quality which is equal to or better than that the city uses presently.

Nunn said the well tested this week was drilled to 140 feet and the pump was set at 118 feet. After being pumped at capacity for 24 hours, the well showed a drawdown—or lowering of the water level—of 27 feet. The well recovered, however, in 10 minutes.

The 530-gallon rate is higher than the average of the city's present water wells. Those at Wadley, for instance, average about 400 gallons a minute.

Quadruplets occur once in 670,000 births.

Mr. One Million never has been one to dabble in politics. But he has definite ideas about communism.

"We stayed away," he said. "It is no good there now."

The female Ranezays nodded solemnly.

But Ranezay grinned and fingered his belt.

"I have a belt on which was made in Texas," he announced. "I worked for a while in an American motor pool in Austria. A big Texas sergeant sent it to me after he got home. A nice man, but I don't know his name."

"Maybe you'll see him there, said Mama Ranezay.

"I don't know," said her husband. "I have heard Texas is a big place."

Mr. One Million never has been one to dabble in politics. But he has definite ideas about communism.

"We stayed away," he said. "It is no good there now."

The female Ranezays nodded solemnly.

Mr. One Million, Midland Bound, Says Texas Is Big Place

FRANKFURT, GERMANY—AP—Mr. One Million sat down and gathered his wife and two daughters around him.

He smiled at the reporters, straightened his tie and waited for the questions.

Press conferences aren't new to Mr. One Million these days.

He used to be plain Alexander Ranezay, farmer and hotel manager in a Czech town. Then he and his wife, Julia, and daughters Lydia and Erika, fled the tramp of Russian boots in 1945.

Since then he and his family have been part of that great, migratory population known as Displaced Persons.

Eventually, the International Refugee Organization got into the Ranezay future. Now they are going to Texas to start a new life.

And Ranezay became Displaced Person No. 1,000,000 to be resettled by the IRO.

Pleasantly Bewildered

Ranezay seemed pleasantly bewildered by all the publicity simply because of a resettlement number, but he's getting used to it.

He and his family are going to Midland, Texas, where he will work as a gardener and handyman for William Y. Penn. Mrs. Ranezay, a dressmaker, will work, and Lydia, who is 21, wants to go to school. Little Erika, 10, will enter school, too.

How does it feel to be going to America?

To a man who has managed his family through Europe's darkest days the answer would take a long time, especially in a tongue still new.

So Alexander Ranezay summed up in one word for a news conference:

"Fine."

Mama Ranezay grinned and so did Lydia and Erika.

They are to sail Friday from Bremerhaven aboard a U.S. transport.

Why did they run from Russian troops in 1945?

"We were afraid of them, as soldiers. We knew what would happen to us."

He wanted to go back but was afraid, and then in 1948 the Communists took over Czechoslovakia.

Mr. One Million never has been one to dabble in politics. But he has definite ideas about communism.

"We stayed away," he said. "It is no good there now."

The female Ranezays nodded solemnly.

But Ranezay grinned and fingered his belt.

"I have a belt on which was made in Texas," he announced. "I worked for a while in an American motor pool in Austria. A big Texas sergeant sent it to me after he got home. A nice man, but I don't know his name."

"Maybe you'll see him there, said Mama Ranezay.

"I don't know," said her husband. "I have heard Texas is a big place."

Mr. One Million never has been one to dabble in politics. But he has definite ideas about communism.

"We stayed away," he said. "It is no good there now."

The female Ranezays nodded solemnly.

But Ranezay grinned and fingered his belt.

"I have a belt on which was made in Texas," he announced. "I worked for a while in an American motor pool in Austria. A big Texas sergeant sent it to me after he got home. A nice man, but I don't know his name."

"Maybe you'll see him there, said Mama Ranezay.

"I don't know," said her husband. "I have heard Texas is a big place."

Mr. One Million never has been one to dabble in politics. But he has definite ideas about communism.

"We stayed away," he said. "It is no good there now."

The female Ranezays nodded solemnly.

But Ranezay grinned and fingered his belt.

"Maybe you'll see him there, said Mama Ranezay.

"I don't know," said her husband. "I have heard Texas is a big place."

Mr. One Million never has been one to dabble in politics. But he has definite ideas about communism.

"We stayed away," he said. "It is no good there now."

The female Ranezays nodded solemnly.

But Ranezay grinned and fingered his belt.

"I have a belt on which was made in Texas," he announced. "I worked for a while in an American motor pool in Austria. A big Texas sergeant sent it to me after he got home. A nice man, but I don't know his name."

"Maybe you'll see him there, said Mama Ranezay.

"I don't know," said her husband. "I have heard Texas is a big place."

Prankster's Call Sends 28-Year-Old Mother Into Coma

COLUMBUS, OHIO—AP—Someone's sense of humor sent a 28-year-old Columbus mother into a coma Wednesday.

The humorist telephoned the woman her husband had been killed in Korea. The woman, at home with her six-year-old daughter, went into shock. The fire department emergency squad and her physician have been unable to bring the woman to life.

A check later proved the call a fake.

Three Negroes Rob Midland Resident

A Midland man reported to police he was held up by three Negro men early Wednesday as he stopped at a traffic sign and was robbed of \$5 in cash and an \$80 watch.

The victim is E. C. Kuleth, 204 South Dallas Street. He told police he was robbed after he stopped his automobile at Washington and Terrell Streets shortly after midnight.

The three Negroes fled, he said, after throwing his car keys away.

New Tax Bluffs Las Vegas Gamblers

LAS VEGAS, NEV.—AP—Wednesday night is the last night for the booking of bets at Las Vegas gambling casinos.

Sixteen operators announced the deadline Tuesday, blaming the new 10 per cent federal tax on gross business of bookmakers. Bookmakers say their profit amounts to about six or seven per cent. They don't believe their customers will pay the 10 per cent tax, the gamblers say, and they can't afford to pay it themselves.

Trace Of Moisture Is Reported Here

Humidity which has hovered over Midland and its immediate territory since last weekend's rainfall produced a trace of moisture early Wednesday.

The CAA station at Midland Air Terminal reported the trace of precipitation and also reported thunderstorms and rain in the Midland area.

Downing Addresses Midland Lions Club

Delbert Downing discussed the issue of approaching elections of interest to Midlanders at the luncheon meeting Wednesday of the Midland Lions Club in Hotel Scharbauer.

Downing said voters of the city would be called to vote on a bus franchise here and five amendments to the Texas constitution in the coming elections.

His talk was non-partisan, of course, and merely outlined the issues.

J. P. Carson, Jr., presided. Invocation was by Duke Jimerson. John VanBuskirk was introduced as Junior Lion of the Week. Lee Tharp gave a report on the Lions' bowling team. Coach Tugboat Jones said "we have a tough game Friday but he making your plans to see football up until Christmas."

State Representative J. T. Rutherford of Odessa was a special guest at the luncheon.

Among some peoples, like the Nabuthai Brahmins of Malabar, one and only one member of a family is permitted to marry.

Warning Berlin Reds

Maj.-Gen. Lemuel A. Mathewson, above, American commandant in Berlin, promised that the Western Allies would retaliate for the Communist seizure of Steinbeck's District in the American sector of the four-power capital. Possible Western targets might be the Soviet Radio headquarters in the British Zone, or the Russian railway headquarters in the American Zone.

Highway Deaths Near Million Mark

CHICAGO—AP—Traffic deaths on the nation's highways are mounting as expected, toward the one-million mark, the National Safety Council said Wednesday.

The council announced the total number of deaths for the first nine months of this year—26,630—which pushed the grand total since the advent of the automobile "well past 990,000."

That leaves less than 10,000 to go before the millionth traffic death is recorded. The council said its earlier estimate that the millionth fatality would occur during the third week of December was unchanged by the latest figures.

Only about 50 cases of quintuplets have been recorded.

90% For! 10% Against

Railroad workers are represented by 23 standard unions. By mutual agreement, 20 of these unions—comprising about 1,200,000 men, or more than 90%—are working under wages and rules agreed to by them and the railroads. But leaders of three unions—with only about 130,000 men, or less than 10%—still refuse, after more than a year of negotiations, to accept similar wage and rules agreements. These are even more favorable than the terms recommended by the Emergency Board appointed by the President.

Yes, it certainly seems to be finally about time that the leaders of the three unions stop their delaying tactics—their quibbling. But the leaders of the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Engineers, and the Order of Railway Conductors continue to refuse. They continue a course of dillying and dallying. It is definitely time to

END THIS QUIBBLING!

On June 15, 1950, an Emergency Board appointed by the President under the terms of the Railway Labor Act—an Act largely fathered by the unions themselves—made its recommendations on certain wage and working conditions ("rules" in railroad language) which had been in dispute between employees and the railroads.

More Than 90% of Employees Accept

Since then, terms equal to or better than the Board recommendations have been accepted by about 1,200,000 railroad employees—more than 90% of the total of all workers. They are represented by 20 of the 23 standard railroad unions.

Less Than 10% Refuse

But three unions—with about 130,000 men, or less than 10% of the total—have refused to accept, even after months of negotiations. These three unions are the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Engineers, and the Order of Railway Conductors. These are three of the so-called "operating" unions. Already the highest paid men in the industry, their leaders demand still further advantages over other workers.

In all, there are about 270,000 operating employees. But not all of them, by any means, are represented by BLE, BLF&E, or ORC. As a matter of fact, less than half—132,000 to be exact—are in these three unions. More than half—about 140,000—are in other unions, principally the Brotherhood of Railroad Trainmen.

What makes the whole situation so hard to understand is that these 140,000 operating employees are working under wages and rules which the leaders of the other 130,000 say they cannot agree to.

What Do the Railroads Offer?

They offer these three unions the same settlement which was contained in a Memorandum of Agreement signed at the White House on December 21, 1950, by four brotherhoods and the railroads. Later these brotherhoods sought to repudiate this agreement. But on May 25, 1951, the Brotherhood of Railroad Trainmen signed a complete agreement carrying out the

principles of the Memorandum Agreement of December 21. They have been working under this agreement since May 25.

What About Wages?

Under the terms of the agreement, yard engineers, firemen and conductors would now be receiving a wage increase of \$34 an hour (\$2.72 a day) and road engineers, firemen and conductors would now be receiving an increase of 19½ cents an hour (\$1.56 per day). Large sums of retroactive pay have already accrued and if the agreement is carried out, will be paid promptly.

What About "Cost of Living" Increases?

The White House Agreement includes an "escalator" clause under which wages will be geared to changes in the Government's cost-of-living index. Two such increases—April and July, 1951—have already been paid to the 90% of railroad employees covered by signed agreements.

What About the 40-Hour Week?

The White House Agreement calls for the establishment of the 40-hour week in principle, for employees in yard service. The employees can have it any time after January 1, 1952, provided the manpower situation is such that the railroads can get enough men to perform the work with reasonable regularity at straight time rates. If the parties do not agree on the question of availability of manpower, the White House Agreement provides arbitration by a referee appointed by the President.

What Else Do the Union Leaders Demand?

The continued quibbling of the leaders of the three unions has to do principally with

rules changes, which have already been agreed to by the Brotherhood of Railroad Trainmen. Of these, the principal one seems to be that having to do with so-called "interdivisional service"—runs which take in two or more seniority districts.

The union leaders would bar progress and efficiency in the industry, and better service to the public, by maintaining a situation where they can arbitrarily stop a railroad from establishing such interdivisional runs. The carriers propose that if a railroad wishes to set up an interdivisional run, the railroad and the unions should try to agree on such run and the conditions which should surround its establishment, and if the railroad and the unions can't agree, the matter will be submitted to arbitration.

But the three union leaders still refuse.

Rules Can Be Arbitrated

The railroads have not only offered these three unions the same rules agreed to by the BRT and covered by the White House Agreement, but have even agreed to submit such rules to arbitration.

The Industry Pattern Is Fixed

With the pattern so firmly established in the railroad industry, it seems fair to suggest that the leaders of BLE, BLF&E, and ORC stop their quibbling and take action to make the railroad labor picture 100% complete. Certainly today's economic and international situation calls for a united front. And certainly no good reason has been advanced why these three unions should be preferred over all other railroad employees.

THE FIRST THANKSGIVING

Upon arriving in Amsterdam, the first act of the pilgrims was to hold a service of Thanksgiving to God for their safe voyage.

But tolerant, cosmopolitan Amsterdam was not the best place for a new religion to flourish. The pilgrims were afraid of being contaminated by worldliness.

To avoid this danger, they moved to Leyden, the Netherlands' great university city.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, OCT. 31, 1951-7

New Weather Reports Will Start Thursday

By The Associated Press
The Weather Bureau finally recognized that Texas was a mighty big state.

Beginning Thursday, the bureau will start giving forecasts for four divisions of the largest state in the union—East Texas, North Central Texas, South Central Texas and West Texas.

This comes as mighty welcome news to folks in Abilene and Wichita Falls, who've been in East Texas, according to the Weather Bureau, for years.

Yellowjack, Once Dread Killer, Is Only Memory In America

By EDWIN F. JORDAN, M. D.
Written for NEA Service

In a moving picture I saw not long ago, reference was made to yellow fever. I was highly amused when a youngster sitting behind me remarked that she didn't think she had ever had yellow fever.

Of course, she had had fever, she said, but she didn't think it was yellow. In a way this was a highly encouraging conversation because it showed that this youngster never before had heard of yellow fever

which in earlier days was one of our most serious killers.

But the almost complete conquest of this dangerous disease carries some lessons as well as being a most interesting story.

Between 1668 and 1821, there were about 20 epidemics of yellow fever in Philadelphia. 25 in New York, eight in Boston and seven in Baltimore. In 1793 an epidemic in Philadelphia took 4,044 lives and 2,900 more in 1803. In 1803 there was an epidemic in New York with 806 deaths.

More recently, yellow fever (or yellowjack) apparently has existed only in South America, Africa and Panama, east of the Canal Zone. This terrible disease has been cast out of our continent because it was learned that it is carried by a mosquito.

Dr. Carlos Finlay of Havana, Cuba, in 1881, was the first to announce the theory that the mosquito spread yellow fever.

By 1900 the Yellow Fever Commission of the United States Army had clinched the case against the mosquito now known as *Stegomyia fasciata*. This commission was composed of Drs. Walter Reed (the centenary of whose birth has just been celebrated), Carroll, Agramonte, and Lazear. Their studies showed the direct connection between the bite of the mosquito when infected and the development of yellow fever in the person bitten.

In the course of their studies in which they allowed themselves to be bitten, Lazear lost his life from the disease and Carroll suffered a severe attack—both martyrs to science.

Screening of living quarters and active measures to destroy all mosquito breeding places were begun. In less than a year, Major (later General) Gorgas, a sanitary specialist, was able to rid Havana of yellow fever.

He also directed the campaign against yellow fever-bearing mosquitoes in the Panama Canal Zone and succeeded in freeing this area by 1905. Now DDT and other insect killers can be used to aid in the battle against yellow fever in South America and other areas which still are in danger.

Texas Has 921 Draft Delinquents

AUSTIN —(AP)— Texas has 921 draft delinquents at the end of September—75 per cent of them with local boards in five cities, state Selective Service headquarters reported Tuesday.

The figure compared with 941 delinquents at the end of June.

Cities included in the big five were Dallas, Houston, Edinburg, San Antonio and Fort Worth.

More than half of the delinquents—481—were so classified for failure to report for induction, State Director Paul L. Wakefield said.

Dallas County was recorded with 233 delinquents, Harris with 145, Hidalgo and Starr with 124, Bexar and Banderas with 89 and Tarrant with 69.

Local boards with no delinquents included Fredericksburg, McCamey, Vernon, Canton, Brenham, Mineola, Graham, Lufkin, Pleasanton, Angleton, Alpine, Brownwood, Linden, Hereford, Coleman, Eastland, Richmond, Fairfield, Pearsall, Longview, Lockhart, Athens, Sulphur Springs,

PROUDLY ANNOUNCE

A MOST INTERESTING AUCTION

of
Period and Antique
Furniture and
Rare Art Objects

It is a pleasure to bring another collection of fine period and antique furniture, rare English, Continental and Oriental porcelains, antique English solid silver, Sheffield and Victorian plate, unusual pieces of crystal, French chandeliers, rare old prints and other items of unusual interest to Midland. All of it is to be sold to the highest bidder.

PARTIAL LISTING

FURNITURE FROM ENGLAND
Original Georgian hall clock with Westminster and Whittington chimes, Georgian chests, secretaries, slant-top desks, corner cabinets, three tier tables, drop-leaf tables, console card tables, tripod tables, etc., Victorian grandfather and grandmother chairs, sets of dining room chairs, desks, breakfast tables, lamp tables, ferneries, curio cabinets, etc.

FURNITURE FROM FRANCE
Commodors in various sizes, curio cabinets, chairs of every description, sofas, tea tables, tier tables, occasional coffee and lamp tables, Buhl cabinets and credenzas, etc.

AMERICAN TRADITIONAL REPRODUCTIONS
Breakfronts, desks, commodors, lamp, coffee and occasional tables, bachelor chests, club, wing and occasional chairs in the XVIII century, and French Provincial Periods, genuine leather chairs, etc.

PORCELAIN AND GLASS
Meissen, Dresden, Sevres, Bique, Augustus Rex, Royal Vienna, Old Paris, Wedgwood, Crown Derby, Royal Worcester, Minion, Royal Doulton, Rockingham, Belleek, Satsuma, Rose Medallion, Cloisonne and other rare continental and oriental porcelains in candelabras, compotes, figurines, groups, dessert sets, urns, jardiniere, clock sets, etc. Waterford, Overlay, Bohemian, Opaline, and Bristol glassware in lustres, compotes, liquor sets, vases, urns, etc.

SILVER AND SILVER PLATE
Antique English solid silver, Sheffield and Victorian plate and modern reproductions in tea services, trays of every size, candelabra, wine coolers, supper dishes, revolving tureens, epergnes, meat covers, tea urns, kettles, oversized Lazy S'gans, spoon warmers, claret jugs, vegetable and entree dishes, serving spoons, tantalus sets, punch bowls, cups, candlesticks, etc.

MISCELLANEOUS
Sevres, Dresden, Baccarat and gold bronze chandeliers, antique pistols, signed bronze groups and figurines, antique English and French fireplace equipment, interesting items in old brass and copper. Of special interest is a collection of antique English prints and colored engravings, and other items too numerous to mention.

Alumni Of SMU Get Invitations To Homecoming

Sixty-seven Midland residents, active members of the SMU Alumni Association, have been extended personal invitations to attend Southern Methodist University's annual Homecoming celebration November 2-4.

More than 15,500 ex-students of SMU throughout the nation have been invited back to the Dallas campus for the event.

The three-day celebration, to be the biggest and most colorful in Mustang annals, will feature guided tours of the campus, to acquaint alumni with SMU's new buildings.

The program begins at noon Friday, November 2, with registration at the Student Union, and continues through noon Sunday, closing with a special non-denominational service in McFarlin Memorial Auditorium on the campus.

Over the weekend, exes will attend receptions, pep rallies, traditional students contests, barbecues, parades, the football games Friday and Saturday afternoons between the SMU and Texas freshman varsity teams, and the 1951 Pigskin Revue, annual musical show.

Beginning at 11:30 a.m. Saturday, alumni will have a pre-game picnic in the State Fair Picnic Pavilion near the Cotton Bowl, and will salute SMU's former All-Americans, who will return especially for the Homecoming reunion.

Double Surprise for a lot of folks

EVERY time we publish the price of a Buick, it seems to surprise a lot of people, because they come in and tell us so.

They just can't believe that so little money buys such a lot of car—but it's true.

And that brings us to the second surprise—which is how much power and performance—how much comfort and room—what a long list of standout engineering features you get for the price.

Take power. You'll find that no other car at the price of the Buick SPECIAL pictured here delivers the horsepower you get from its high-compression, valve-in-head Fireball Engine.

Take comfort. The best thing to do is try the depth of its seats—their width—and the headroom you get in this Buick SPECIAL, and judge for yourself.

Take the ride. This Buick has big soft coil springs on every wheel, plus the solid firmness of a torque-tube keel—and the way this combination smothers the bumps is something that's hard to match in cars costing a thousand dollars more.

"Smart Buy's Buick"

YOUR KEY TO GREATER VALUE

Take the way it steers. Buick engineers have given this light-handling beauty a special "front-end geometry" that almost does the steering for you—even brings the front wheels back to a straight line when you come out of a turn.

And you can add to all this Dynaflo Drive*—that puts magic smoothness into every mile you drive—and practically repays its extra cost by the way it protects the whole driving mechanism, and by the dollars it adds to trade-in value.

So if you have been hoping, some day, to own a Buick—what's holding you back? If you can afford any new car—better come in and see us now.

Equipment, accessories, trim and model are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.

Daddy Ringtail

By WESLEY DAVIS

Daddy Ringtail And Night For Halloween's
The Huffen Puffen, the friendly wolf, was waiting in the dark to watch, not far from the edge of the yard where the school was. He was watching while Mugwump Monkey slipped up close to the school and pulled the rope to ring the great big bell that was up on the roof. The Huffen was watching to see that no one came along. If some-

one did come along, the Huffen was supposed to whistle for a danger signal to Mugwump. The Huffen watched and waited there in the darkness, thinking of how much fun this was to practice for Halloween night on the night before Halloween came. Oh, it was great fun, it was, but then—the Huffen heard something creeping along in the dark. "Ooooooh!" said the Huffen to himself, for the something was creeping closer and closer. The Huffen puckered his lips to whistle the danger signal for Mugwump, but the whistle wouldn't whistle, and the Huffen's knees in their fright made a noise of clikety-click. Closer and closer crawled the something, until "Oooooh!" There

the something had grabbed the Huffen tight by the foot. "Sasah!" said the something, for it really was only Mugwump who wanted the Huffen to be quiet and listen. Mugwump explained how they both had made a mistake. Why, the night was not the night before Halloween. The night was Halloween night itself, and Halloween night is the night for playlike dangerous and mysterious things to happen.

"Hah!" said the Huffen. "The Huffen is not afraid, he isn't, because the Huffen is who I am, and I—" The Huffen stopped. He listened. From up on the roof of the schoolhouse, ringing loud in the still night air, came the noise of the great big bell. "Bong!... Bong!... Bong!" "Oooooh!" cried the Huffen in a fright, and he was quite sure that a dangerous someone was very close by. Oh, but Mugwump explained that the someone was not dangerous at all, because it really never is someone dangerous, remember. This time, it was only Daddy Ringtail, your monkey friend, who was ringing the bell for Halloween's fun. Happy day! And a happy, adventurous Halloween, too!

EYES EGYPT, MEXICO—No Fair Shake In Houston, Says Shep (Abdullah) King

HOUSTON — (AP) — Sheppard (Abdullah) King III is thinking of going to Mexico or Egypt to get a divorce and pave the way for his marriage to an Egyptian belly dancer.

From this stemmed an assortment of events, most of them stormy, some of them confusing. Among the latter was Gloria's claim she didn't remember remarrying Sheppard in Dallas last June 2. In her annulment petition she said she had consumed "too many fancy drinks" and didn't remember the ceremony.

Humble Will Appeal Conviction, Fine On Hot Oil Act Charges

ALBUQUERQUE, N.M. — (AP) — An appeal of a \$10,000 fine against the Humble Oil & Refining Company was being planned Wednesday after the firm was convicted Tuesday on nine counts failing to keep accurate records of oil it took from New Mexico wells.

Chapman Comes Up With New Plan For Tidelands Seizure

WASHINGTON — Secretary of the Interior Chapman has just laid before President Truman a new proposal for solving the long-snarled Tidelands oil controversy. A decision on it is expected soon.

Secretary of the Interior Chapman believes it is important to unsmear the present controversy, partly in order to speed oil production on the West Coast and off Louisiana. His plan, as described above and as outlined to the White House, follows pretty much the present O'Mahoney-Long compromise bill which recognizes federal control but protects the equities of present leaseholders.

Court might rule against the federal government in case the ruling was challenged in the federal courts. Secretary Chapman, on the other hand, believes it would take another year or so to settle the Tidelands oil dispute in Congress and it will be much better to solve the whole matter immediately by an executive order. A decision is expected this week or next.

Justice Department Hestiates

However, the Justice Department has not yet given its okay to the legal opinion of the Interior Department. Phillip Periman, solicitor general of the United States, concurs that the Surplus Property Act of 1949 definitely gives authority to the President to take over Tidelands oil. However, he believes it was not the intention of Congress to do so when writing the Surplus Property Act, and that the Supreme Court ruled that Tidelands oil belongs to the federal government.

Illinois Puts Ban On Louis

CHICAGO (AP)—If Joe Louis decides to hit another comeback trail he will have to detour Illinois.

The Illinois Athletic Commission will deny him permission to fight in this state, for his own well-being.

Chairman Joe Triner said Louis "should not take chances of being hurt... He's been a great part of the game, but he should quit before it's too late."

"If Louis continues to fight, and if he ever applies for a license to fight in Illinois, it will be denied for his own good."

Commissioners Lou Radzienda and Ralph Metcalfe agree.

"If Louis does not retire of his own accord, the National Boxing Association should retire him for his own sake," said Radzienda. "I am suggesting in this letter to Dave Roeborn (NBA president) in Montreal."

Member Of Committee.

Radzienda is a member of the NBA's suspensions and appeals committee. Triner is a member of the NBA executive committee.

The 37-year-old former heavyweight king, belted through the ropes by Rocky Marciano in Madison Square Garden Friday night, has not announced retirement plans.

His attorney, Truman Gibson, secretary of the International Boxing Club, said he did not believe Louis would try another comeback.

"Judging from what Joe has told me, I am reasonably sure he has no plans for future fights," Gibson observed. "I talked with Marshall Miles (Louis' manager) and he said there were no plans for Louis to continue fighting—that Louis was through."

Gibson said he expects Joe to announce his plans for the future when he returns from an exhibition tour of Japan. He is to leave New York November 10.

Meanwhile, Louis' income tax indebtedness, reportedly about \$100,000, may be ironed out by a compromise settlement. But Joe will have to give up fighting to bring this about.

John T. Jarecki, collector of Internal Revenue for the Northern Illinois District, said a compromise is possible if Louis intends to quit the ring and prove his inability to pay his full back tax.

"The glamor is worn off Louis now and he's through (as a boxer)," said Jarecki. "You can't get blood out of a turnip."

Here's Where To Get Ducats To Cotton Bowl Game

DALLAS (AP)—The big rush for Cotton Bowl tickets begins Thursday. But it will be by mail and if you want to get in on it you'll have to fire that check in at the stroke of midnight.

There are only 23,000 tickets for sale to the general public. Last year there were 250,000 applications.

Starting November 1 and running through November 4, the Cotton Bowl will receive applications for tickets. Applicants are limited to four tickets. Each application must be accompanied by a check and self-addressed envelope. Tickets are \$4.80 each. A mailing fee of 25 cents is required with each application. Mail applications to the Cotton Bowl Athletic Association, 1343 National City Building, Dallas.

Just who will play in the Cotton Bowl January 1 is a moot question indeed. The Southwest Conference football champion is host team.

Princeton, Tulsa Top Point Makers

NEW YORK (AP)—Daredevil Dick Kazmaier and his pounding Princeton are the big news in the major college offense statistics released Wednesday by the National College Athletic Bureau.

Charlie Caldwell's Tigers, who lost 10 of their 11 offensive starters of the team that last year led the nation's major squads in scoring with 349 points in nine games for an average of 38.8, are up to their old tricks.

This time, though, the rebuilt Nassau outfit is a little ahead of its mark of 1950 with 204 points in five games for an average of 40.8.

Tulsa, which led the pack until this week, is second with a 39.8 average on 199 points in five games and Holy Cross is third with a 39.0 tally on 195 points, also in five games.

As for Kazmaier, he made an individual record for himself and in the process set another team mark for the Tigers against Cornell when he completed 15 of 17 passes. Since he was the only pitcher of the day for the men from Tigertown, his effort becomes a team as well as an individual record.

Passing Accuracy
Princeton's passing accuracy, rated fourth last week, now is by far No. 1—an average of 63.4 on 56 completions in 82 tries. Illinois is No. 2 with a mark of 59.5.

In rushing and total offense, the Crusaders of Holy Cross head the list. They have rushed the ball along the ground an average of 349.6 yards and their total offense mark is 478.2 per game. But they are being hounded by Tulsa which has compiled averages of 347.2 and 461.2, respectively, in the two departments.

Loyola of Los Angeles heads the class in total offense in the air—just as it has all season. The Lions average slipped some this week, but its 214.6 still is a comfortable margin over Oklahoma A&M which has averaged 203 yards per game.

FALLS FROM BIKE
Sommer Hollingsworth, Midland youth, suffered a head injury Tuesday in a fall from a bicycle he was riding. He was given emergency treatment at Western Clinic-Hospital.

Midland, Seminole, Kermit, McCamey Picked As Winners

By LARRY KING
Reporter-Telegram Sports Editor

The fireworks continue this weekend as Texas school grid teams battle to survive in the fight for district championships.

Midland's Bulldogs travel to Vernon for a game with the rugged Lions, in a District 1-AAA feature. Vernon, a team which has allowed only 40 points to be scored against it, will be especially tough on its home ground.

But Midland has been looking good all week, and remembering the Lamesa game, The Reporter-Telegram Sports Department picks Midland in a close one, 14 to 7.

Sweetwater gets a 20 to 14 nod at Plainview in a battle which will mean little elimination for the loser, and Lamesa is picked to burst the bubble on Big Spring, 27 to 13.

In the state's top game, Lubbock is chosen over invading Pampa, 20-13, while it's Odessa 27, Abilene 0, and Amarillo 28, San Angelo 6, in other 1-AAA contests.

Kermit, leading District 8-AA, plays host to dangerous Pecos but looks too strong in the center of the line for the Eagles. Call it Kermit, 20 to 14, but watch for a possible upset. Seminole entertains Andrews and the Indians normally should win handsily—but it's an annual grudge game, and could turn into a pretty fair contest. Seminole gets the nod, 26 to 13.

Wink goes to Big Lake for a 5-A battle and should continue its unbeaten streak. The Wildcats haven't scored less than 40 points on any district team—and there's no reason to think they won't do so this week. Give it to Wink, 45-13.

Alpine should thump visiting Crane, 20 to 7, and McCamey will go to Fort Stockton just for the trip and to win 26-0.

Grandfalls, another A outfit, meets the Midland B team with Midland being the jump, 20 to 13.

Midland C gets a 13-7 call over Bowie Odessa in a Saturday game set for Memorial Stadium.

Elsewhere around the state, they stack up like this: Ytzen 26, Austin (El Paso) 14 (for the loop title); El Paso High 20, Roswell, N. M. 0; Poly (FW) 21, Paschal (FW) 7; Arlington Heights (FW) 34, Riverside (FW) 7; Woodrow Wilson (D) 26, Forest (D) 0; Sunset (D) 33, North Dallas 6; Wichita Falls 25, Sherman 6; Texarkana 33, Tyler 6; Waco 20; Denison 0; Port Arthur 39; Beaumont 7; Baytown 21; Galveston 0; Graham 13; Cleburne 6; Brownwood 27; Weatherford 14; Stephenville 21; Breckenridge 20 (for the 2-AAA crown); Grand Prairie 27; Denton 7; Irving 10; Gainesville 0; Marshall 7; Henderson 0; Palestine 26; Bryan 0; Temple 40; Nacogdoches 6; Port Neches 14; South Park (Beaumont) 7; Galena Park 25; Freepport 0.

Frank Loveless Is Nominated For Soil Conservation Award

STANTON—Frank Loveless, retiring district supervisor, has been nominated by a committee of bankers on soil conservation as the outstanding district supervisor of the Martin-Howard Soil Conservation District for 1951.

Loveless served six years on the board, most of the time as secretary-treasurer. His name is being entered for the annual statewide Soil Conservation District Supervisors Award of the Texas Bank and Trust Company of Dallas.

R. V. Middleton, vice president of the First National Bank of Big Spring, was elected permanent chairman of the bankers committee at a meeting held here recently.

Other bankers attending the session included N. P. Taylor, Midland National Bank; E. D. Richardson, First National Bank, Midland; Jim Tom and Edwin Garland, First National Bank, Stanton; and Charles M. Havens, State National Bank, Big Spring.

A discussion on the district operations and the benefits of soil conservation was led by Edgar Phillips, secretary of the board of supervisors, and W. S. Goodlett, Jr., district conservator.

American Airlines Reports On Income

NEW YORK (AP)—American Airlines, Inc. reported net income of \$9,621,290.00, or \$1.33 per share of common stock (after preferred dividends) for the nine months ending September 30, 1951. This compares with \$6,019,811, or 77 cents per share for the comparable period in 1950. The previously reported net profit for the nine months ended Sept. 30, 1950, has been reinstated to take into account a loss of \$922,000 on liquidation of American Overseas Airlines, to reclassify prior years mail pay adjustment and to reflect excess profit tax applicable to that period.

Provision for federal taxes on income for first nine months of 1951 amounted to \$15,760,000 (including \$2,415,000 excess profit taxes) computed in accordance with the 1951 Revenue Act. This compares with \$6,790,000 for the corresponding period of 1950. Federal taxes on income for the nine months of 1951 were equal to \$2.44 per share, compared with net revenue received for the transportation of mail. Nine months revenues totaled \$120,211,000, an increase of 41 per cent while operating expenses increased 34 per cent.

Fleeting Moment Cops English Race

NEWARK, ENGLAND (AP)—Fleeting Moment won the 106th running of the Cambridgeshire Stakes over a mile and eighth cents per share for the comparable period in 1950. The previously reported net profit for the nine months ended Sept. 30, 1950, has been reinstated to take into account a loss of \$922,000 on liquidation of American Overseas Airlines, to reclassify prior years mail pay adjustment and to reflect excess profit tax applicable to that period.

Provision for federal taxes on income for first nine months of 1951 amounted to \$15,760,000 (including \$2,415,000 excess profit taxes) computed in accordance with the 1951 Revenue Act. This compares with \$6,790,000 for the corresponding period of 1950. Federal taxes on income for the nine months of 1951 were equal to \$2.44 per share, compared with net revenue received for the transportation of mail. Nine months revenues totaled \$120,211,000, an increase of 41 per cent while operating expenses increased 34 per cent.

Midland County PMA Voting Set

Midland County PMA voting is set for the annual election of the Midland County Committee of the Production Marketing Administration will be held here November 20. Secretary Charles E. Champion said Wednesday.

Ballots will be mailed out between November 5 and November 9, he said, and mail ballots must be returned to the office in the Midland County Courthouse not later than 5 p. m. on November 19.

The committee will have the responsibility of developing and administering the 1952 conservation program and will administer the price support program for the Commodity Credit Corporation.

The candidates include: Chairman—W. E. Pigg and Eugene Jones. Vice-chairman—D. W. McDonald and I. J. Howard. Member—Z. T. Elkin and B. T. Graham. First Alternate—Oswald Raggett and Charles R. Hall. Second Alternate—Palmer Evans and Merwin Haag.

ELEVEN POINTER—Joe Davis, Midland sportsman, brought this 11-point buck back from Colorado recently. He made the kill with a 30-06.

Sports

The Reporter-Telegram

With that TCU-Baylor tilt coming up, and more important grid games scheduled than Stalin has spies, it's almost treason to discuss baseball.

Still, with grey skies overhead as we prepared this, it was a good day for the opening of the annual Hot Stove League.

So you'll pardon us, perhaps, while we lay away our pigskin and pick up the bat for a few minutes.

Furnishing conversational fodder for the Hot Stove League is the official Longhorn League averages, just released from loop headquarters in Abilene.

The Indians pilfered 153, still short of the 177 swiped by Ballinger in 1948.

Several of the Midland players came in for attention, however, when the final marks were compiled.

High single-game marks included the most times at bat by Shortstop Scooter Hughes (8), the most runs scored in one game, Outfielder Hayden White (5), the most total bases as results of hits, White and Infielder Eddie Melillo (10), most home runs in one game, White and Bob Cowars, outfielders, (2), most stolen bases in one game, Hughes, (4). This last mark by Hughes tied his loop record in 1950.

Rudy Escobar, outfielder, had the dubious distinction of being hit with pitched balls more times in one game than any other loop player. Escobar was smacked three times, and then we presume he doubted his insurance.

Hughes and Jim Prince, first baseman, tied with 31 others for the most strikeouts in one game. Both whiffed three times in one contest.

In the pitching department, Eddie Jacome was the workhorse of the league.

The right-hander appeared in the most games (57), pitched the most innings—an astounding 328—faced the most batsmen (1,373) and won 29 games.

Jacome's earned run average was a respectable 3.72, but was topped by Bruce (Gobby) Blumenthal who was near the top of the loop with a 3.44 average.

Both Jacome and Blumenthal hurled two shutouts each, although one of Jacome's was of the abbreviated seven-inning variety in a doubleheader.

The only Indian to lead the league in fielding percentages at his position was Catcher Kenny Jones, who compiled a mark of 986.

Jones, along with Hughes, was named to the official all-star first team. Jacome was on the second team.

As a team, Midland finished fifth in club batting with a .288 average and seventh in club fielding with a .937 mark. In the standings, they finished fifth with 69 wins, 70 losses for a .497 percentage.

Final individual batting averages stacked up thusly: Zeke Bonura, .404; Glenn Jones, .375; Bob Cowars, .341; Jim Ackers, .341; Julio de la Torre, .340; Stan Wilcox, .335; Flem Flott, .333; Kenny Jones, .320; Scooter Hughes, .308; Jim Prince, .302; Eddie Melillo, .300; Hayden White, .298; J. B. Gibbs, .285; Emil Ogden, .286; Gordon Tanner, .274; Dick Campbell, .273; Bill Crumley, .269; Rudy Escobar, .265; Harold Webb, .263; Dave McKenzie, .250; Bruce Blumenthal, .246; Woody Pennington, .241; Eddie Jacome, .237; Glenn Patton, .235; Bill Hornsby, .231; Israel Ten, .229; Chuck Cline, .214; Dick Potak, .213; George Fritchback, .206; Oscar Haggard, .200; Ray Quartuc, .188; Herb Cadenhead, .188; Bill Reed, .169; Ernie Nelson, .160; Wayne McMellon, .083; Don Blair, .000; Jake Mooty, .000; George Blalock, .000; and Bill Zupnik, .000.

And that's the story of the 1951 season.

Bulldogs In Rough Drills

Midland's Bulldogs drilled Tuesday in a workout described by Coach Tugboat Jones as "one of our best yet."

Both offensive and defensive maneuvers came in for attention as the MHS lads prepped for their District 1-AAA contest with the Vernon Lions Friday night in Vernon.

"Our spirit is even better than last week," Jones said, "and I'm hoping the kids keep up the good work."

Physically, the team is in pretty good shape. Bill Leonard, tackle, and Ralph Brooks, tailback, are recovering from bruised legs. Fullback Larry Friday is about mended from an injured shoulder and a broken blood vessel in his right hand.

"We expect to be in better shape physically than we were against Lamesa," Jones said.

The Bulldogs were to go after it hammer and tongs in a serious workout Wednesday, the last scrimmage session before the all-important tilt. Thursday, they'll taper off with a light workout.

Leave Friday
Jones said the team would leave for Vernon early Friday morning by chartered bus and take sack lunches. "That will eliminate any possibility of the boys eating greasy and heavy food along the way," he said.

Vernon, with five wins in six starts, is the number 10 AAA team in the state. Midland, with four wins, a loss and one tie, is rated seventh.

Temple Rated As Top AAA Eleven; Midland Is Seventh

DALLAS (AP)—A Dallas Morning News poll of Texas sports writers Wednesday placed the Temple Wildcats as the top team in Texas high school class AAA football.

There were no newcomers to the top 10 for the third straight week and the only shuffling occurred in the lower levels of the top 10.

The listings:
1. Temple.
2. Palestine.
3. Breckenridge.
4. Stephenville.
5. Grand Prairie.
6. Lonaevon.
7. Midland.
8. Gladewater.
9. Brownwood.
10. Vernon.

Only five other teams received votes. They were Brownville, Texas City, Galena Park, Conroe and McAllen.

Weiss Signs Long Term Contract As Yankee Official

NEW YORK (AP)—George Weiss, 56-year old man behind the scenes of the New York Yankee's string of baseball championships, has signed a long term contract as vice president and general manager of the world champions.

Weiss' contract still had another year to go but Dan Topping, president and co-owner of the club, Tuesday said the agreement had been destroyed and a new one signed.

Geologist To Address Evening Lions Club

Ladies Night will be held Thursday by the Midland Evening Lions Club.

Felix Bentz, geologist for Union Oil Company of California, will be principal speaker. Bentz, a native of Switzerland and a resident of Midland, for the last two and a half years, will tell of his native country.

The dinner and meeting, to be held in Mrs. Atwood's Dining Room, 811 West Wall Street, starting at 8 p. m. Robert R. Currie will be in charge of the program and Lions President J. S. (Pat) Patton will preside.

Now Science Gives You the FASTEST, EASIEST SHAVE of your life!

Cleanest Shaves

in 1/2 the time!

rise

At least science has done something about shaving! American genius has perfected a secret, scholar-willing formula—and it comes in an INSTANT LATHEZER. It's RISE—the push-button shave... for fastest, smoothest shaves ever!

Push the button. Out comes rich, firm, "fluffing" lather—INSTANTLY—without a brush. Gives CLEANEST SHAVES in 1/2 the time. No brushless cream can produce such close, comfortable shaves. No brush can whip up such active lather.

Rise is tops for tender skins. The razor floats down your face. Leaves face smoother than ever before. Economical too! Each money-saving can of Rise gives 1/4 gallon of lather—over 50 shaves. Get Rise at your drugist. Only 59¢.

By MAJOR AMOS B. HOOPLE
Big Upset Picker

Halloo, my zillions of gentle readers! Today finds me in a salubrious mood, prepared to pass on to you the tidings of a few major upsets, and to crow and chortle a bit because of recent form reversals I selected.

Throughout the length and breadth of the land—har-rumph!—I seriously doubt if there is an-

Gatesville Back Scats 101 Yards

GATESVILLE (AP)—Is this the longest run with a football this year?

Robbie Taylor of Gatesville High School scattered 101 yards to a touchdown last week as Gatesville beat San Saba, 19-13.

Taylor carried a kick back on the long jaunt. He received the ball a yard behind his goal line.

Read The Classifieds.

Your dollar buys less now than at any time in the last 150 years, as indicated by the Newschart above. Based on data from the Bureau of Labor Statistics and the National Industrial Conference Board, the chart shows how war and postwar inflation have whittled down the purchasing power of both the wholesale and the consumer dollar over the past century and a half. The current outlook is for the buck to continue along the downward path.

Business-Education Day Set Here November 19

Midland's first annual Business-Education Day will be held Monday, November 19, under the sponsorship of the Education Committee of the Chamber of Commerce

and officials of the public school system. Stanley M. Erskine, Chamber president, has invited Midland business firms to participate in the program, which is designed to explain and promote the advantages of the free enterprise system.

HOPE BEACON - United Nations headquarters in New York celebrated the organization's sixth birthday by keeping lights on in offices from the 27th to the 33rd floor of the Secretariat Building to form a huge 'UN.'

Livestock

ROUGHNECK INJURED Fred Cates, 1311 Dakota Street, a roughneck for the Parker Drilling Company, injured his left knee Tuesday in an oil field accident. He was treated at Midland Memorial Hospital.

SLANTON MAN INJURED Tommy Saunders, Slanton, an employee of the Cree Drilling Company was given emergency treatment and admitted to Midland Memorial Hospital Tuesday after a 300-pound wrench had fallen on his left foot in an oil field accident.

ODDNESS INJURED C. L. Wooten of Odessa, an employee of the Donald Drilling Company, received a hand injury Tuesday when his fingers were caught in a pulley while he was greasing a water pump. He was treated at Midland Memorial Hospital.

TO RECEIVE SURGERY Barry Biscoe, three-year-old son of Mr. and Mrs. Jack Biscoe, Box 1172, Midland, is in Midland Memorial Hospital for surgery.

DOWELL WORKMAN HURT P. L. Whitley, Dowell, Inc., employee, suffered head and arm injuries in a fall from a tank truck Tuesday. He received emergency treatment at Western Clinic-Hospital.

SUFFERS ELBOW INJURY George Pietette, Tower Trailer Courts, a construction employee, suffered an elbow injury Tuesday when it was caught in the steering wheel of a grader. He was given emergency treatment at Western Clinic-Hospital.

Korean War Hero Is Reinterred With Full Military Honors

Final rites for a Midland Korean war hero, the first to be reinterred here, were held at Resthaven Memorial Park Tuesday afternoon with impressive military honors.

Chapel services for the dead soldier, Delmas G. Decker, 18-year-old army private, were held in the high school auditorium at 9:30 a. m., November 19. After a 30-minute briefing, the teachers will divide into groups of 10 with their respective hosts for the day. The executive will take his group to his place of business to begin a simulated work day. Every phase of the business and how it operates will be explained in detail to the visitors.

Business Problems An informal luncheon will be held at noon, and the afternoon will be devoted to a meeting at which the executive will explain something about the investment, operating costs and procedure, and employer-employee relations of the company.

At least 25 participating firms are needed to assure the success of the venture, Chamber officials said. Less than half that number have responded to date. Chamber Manager Delbert Downing said similar projects have met with tremendous success in other Texas cities. In Houston, he said, 300 firms are hosts annually to that city's approximately 4,100 teachers on Business-Education Day. It is hoped to make the program an annual affair here.

'B-E' Day not only gives educators a better understanding of the objectives and philosophy of many types of businesses functioning in a free enterprise system, but also provides businessmen with a better idea of the interests of teachers,' Downing stated.

Mrs. Keith Is Guest Speaker

ANDREWS—Mrs. Harwood Keith of Big Spring, president-elect of District Eight, Texas Federation of Women's Clubs, was guest speaker at a Federation Day tea given recently in the Community Building.

The Progressive Study Club was hostess, with the Andrews Study Club as guests. The speaker was introduced by Mrs. C. G. Gerber, president of the Progressive Study Club. Mrs. Keith gave a brief report on the recent federation meeting in Houston and the president's parley in Austin.

Mrs. J. D. Nelson and Barbara Roach presented several piano numbers.

McGee, Once Doomed To Die Wednesday, Still In Jail Here

Richard McGee, who had been scheduled to die Wednesday in the electric chair for the murder of a Lubbock man, spent the day quietly in the Midland County jail instead. A 62-day stay of execution was granted this week as McGee awaited the opening November 12 of a sanity trial in El Paso.

His trial here was interrupted at the midway point when a mistrial was declared because of the illness of one of the jurors. Sheriff Ed Darnell said McGee's mother, Mrs. H. H. Stull of Pampa, visited her son Tuesday, bringing him a Bible and some magazines.

COTTON NEW YORK—(AP)—Cotton futures at noon Wednesday were 50 cents to \$1.75 a bale lower than the previous close. December 38 3/4; March 38 3/8 and May 38 3/8.

ADMITTED TO HOSPITAL Aubrey Carlisle, eight-year-old son of Mr. and Mrs. C. C. Carlisle of Monahans is a medical patient at Midland Memorial Hospital.

Safety Conference Plans Are Completed

Arrangements were complete Wednesday for a safety conference scheduled in Midland Thursday, sponsored by the Texas Federation of Women's Clubs.

The conference, which has as its purpose the study of how club women in Texas can expand and improve their traffic safety programs, will get underway in the high school auditorium at 9:30 a. m. All persons in the city interested in safety are invited to attend the conference.

Heading the conference panels will be speakers, Mrs. Agnes Beaton of Washington, D. C. director, Women's Division, Automotive Safety Foundation; J. O. Musick of Austin, General Manager, Texas Safety Association, and Mrs. Harwood Keith of Big Spring, district TFWC president-elect.

Mrs. C. M. Goldsmith of Midland is conference general chairman. Many club women of the city assisted her in arranging the meeting. The day was to be officially designated 'Safety Day' by the mayor, Boy Scouts and the Midland Police Department are cooperating with the conference planning.

Stanton Rites Held For Mrs. Massey

STANTON—Funeral services were to be held at the First Methodist Church here at 3 p. m. Wednesday for Se. Dennis Massey, 80, prominent Stanton woman who died Tuesday morning in Memorial Hospital.

The Rev. J. E. Harrell, pastor was to officiate, assisted by the Rev. Allen Adams of Sparenburg, Texas and the Rev. Elinore Johnson of Stanton. Interment was to be Evergreen Cemetery under the direction of Arrington Funeral Home.

MRS. ESTILL IS NEW SECRETARY AT C. OF C.

Mrs. Winifred Estill, a Midland resident the last four and-a-half years, has joined the staff of the Midland Chamber of Commerce as office secretary. Manager Delbert Downing announced Wednesday.

She succeeds Mrs. Downing, who has served the last several weeks as acting office secretary.

MEDICAL-PATIENT A. L. Simon of Crane is a medical patient at Midland Memorial Hospital.

SUFFERS HAND CUT Roy C. Picketts, Route 2, was given emergency treatment at Western Clinic-Hospital Wednesday for a puncture wound of the hand suffered when he was cutting tape from a hacksaw handle and it slipped.

Injured, Army: First Lt. Leroy Waites, Jefferson.

McCarthy Goes East To Search For New 'Blue Chips' In Oil

HOUSTON—(AP)—The Houston Post said Wednesday fabulous oil man Glenn McCarthy is going overseas, probably to look for some fast financial action—that will bring him some quick cash.

The Post, saying McCarthy's oil holdings are heavily encumbered, added that the "best guess is that McCarthy is on the trail of a deal he figures will give him some blue chips to operate with."

McCarthy is in New York planning to fly to Europe. Contacted Tuesday by the Post, the owner of the magnificent Shamrock Hotel here and of widespread oil holdings on the Gulf Coast replied "No comment" to most questions.

"But, asked if he thought the U. S. government would allow an individual oil man to get 'into Iran,' McCarthy answered, 'I think so.' Iran currently is in the middle of a fight with Britain over Iran's nationalization of the rich Iranian oil industry."

Said the Post: "The dour, deadpan McCarthy is not a man to sit things out—while his heavily encumbered oil holdings and enterprises pay themselves out in a decade or so, or if worst comes to worst, peter out and leave him a man in his middle fifties with a comfortable income from annuities and trust funds."

"That would seem to be the explanation of his mysterious junket, x x x." Asked specifically if he had any idea of "getting into Iran" or making oil sales in Britain, McCarthy replied, "No comment."

RATES word a day. MINIMUM CHARGE: 1 day 90¢. 1 week 5.00.

A Reminder

Are you sufficiently protected with insurance on your home and furniture? Valuations have increased so rapidly—perhaps since your present policy was written. The extra cost is so small compared with a loss you may have by fire. Re-check your policies today and if not fully protected, call us immediately.

MIDLAND'S STORE FOR MEN AND WOMEN

Permian Basin Oil And Gas Log—

(Continued From Page One)

leum in a drillstem test at 11,282-308 feet.

The tool for that investigation was open one hour. There was a weak blow of air for 12 minutes, which then died.

Recovery was 30 feet of mud, with no shows of oil, gas or water. The project is now remaining out the core hole, and after that is finished will probably core ahead.

Shows in Other Zones

Location is 660 feet from north and east lines of section 40, block 37, T-1-S, T&P survey. The possible new field opener is nine miles east of the city of Midland; two miles southeast of Germania and five miles northwest of the nearest production from the Spraberry in the Germania field.

It showed good signs of gas and distillate in the test at 11,257-283 feet. Top of the Devonian is at 11,227 feet. Elevation is 2,722 feet.

The Strawn lime of the Pennsylvania at 10,225-373 feet had some free oil and some gas in a drillstem test.

The project had some slight shows of oil and gas in the Spraberry.

Midland Tex-Harvey Gets Two Producers, Six New Explorers

The Tex-Harvey field of Central-East Midland County has been given six new projects and two new oilers.

E. E. Fogelson and Edwin W. Pauley will drill the new tests in section 42, block 36, T-2-S, T&P survey.

Their No. 8-42 K. S. Boone was staked 660 feet from south and east lines of the section. No. 7-42 K. S. Boone is 1,980 feet from south and 660 feet from east lines of the section. No. 6-42 K. S. Boone will be drilled 660 feet from south and 1,980 feet from east lines of the section.

No. 5-42 K. S. Boone is 1,980 feet from south and east lines of the same section. No. 4-42 K. S. Boone will be dug 660 feet from south and 1,980 feet from west lines of the same section and No. 3-42 K. S. Boone will be drilled 1,980 feet from south and west lines of the section.

New Oilers

Phillips Petroleum Company finished the two new producers in the Tex-Harvey field.

The firm's No. 3-A Beth. 665 feet from north and 660 feet from east lines of section 35, block 37, T-3-S, T&P survey, flowed 24 hours on potential test and made 712 barrels of 35.2-gravity oil and no water through a one-half-inch tubing choke and from open hole at 6,983-7,266 feet. Gas-oil ratio was 530-1 and tubing pressure was 125 pounds. Operator used 4,500 gallons of Hydracraft in open hole.

Phillips No. 3-00 T.X.L. 664 feet from north and 660 feet from west lines of section 37, block 37, T-3-S, T&P survey, was finished for a daily flowing potential of 629 barrels of 35.5-gravity oil through a one-half-inch tubing choke and from open hole at 6,907-7,204 feet. Gas-oil ratio was 570-1 and tubing pressure was 125 pounds. Operator used 4,500 gallons of Hydracraft to complete the well.

In the Four Corners area of Southeast Midland County, Forest Oil Corporation will drill No. 2-F T.X.L. as an 800-foot Spraberry test. Location is 671 feet from south and 666 feet from east lines of the northeast quarter of section 33, block 34, T-4-S, T&P survey.

In the Southwest Glasscock County, Sohio of the Four Corner area, Sohio Petroleum Company reported two new oilers.

Its No. 12-B R. S. Davenport, 660 feet from south and east lines of section 2, block 37, T-5-S, T&P survey, was completed for a daily flowing potential of 418 barrels of 37.8-gravity oil through a 2 1/2-inch tubing choke and from open hole at 6,822-6,983 feet. Gas-oil ratio was 611-1 and tubing pressure was 185 pounds. Operator used 1,500 gallons of Hydracraft in the project.

Sohio No. 8-A X. B. Cox, 660 feet from south and west lines of section 1, block 37, T-5-S, T&P survey, was completed for a 24-hour

flowing potential of 353 barrels of 37.9-gravity oil through a one-half-inch tubing choke and from open hole at 6,851-6,948 feet. Gas-oil ratio was 685-1 and tubing pressure was 188 pounds. Operator used 1,500 gallons of Hydracraft to final the well.

C-E Yoakum Field Gets New Oil Well

Honolulu Oil Corporation has completed its No. 4 Paul Cobb as a new well in the Cobb-6,700 field of Central-East Yoakum County.

The well pumped 24 hours to make an initial production of 149 barrels of 27-gravity oil and no water. Gas-oil ratio was 198-1.

Top of pay is 6,572 feet and total depth is 6,680 feet. Producing is coming through casing perforations at 6,572-6,580 feet. These perforations were acidized with 8,000 gallons.

Location is nine miles east of Plains and 1,980 feet from south and west lines of section 381, block D, J.H. Gibson survey.

Humble Scurry Test Drilling After DST

Humble Oil & Refining Company is drilling below 5,660 feet in a lower Permian line at its No. 3-B Sorrels, indicated Wolfcamp discovery in Southwest Scurry County, after finding salt water on a drillstem test from 5,506 to 5,526 feet.

Tool was open one hour. Recovery was 90 feet of drilling mud and 4,875 feet of salt water.

Location is 660 feet from south and 1,980 feet from west lines of section 97, block 25, H&TC survey. That puts it in the Sharon Ridge field. It will continue drilling until a test of the Canyon reef is made.

C-W Cochran Test Plugged, Abandoned

Ish McKnight and Parker Drilling Company No. 1 J. G. Nichols, wildcat in Central-West Cochran County has been plugged and abandoned after a core of the San Andres from 4,841 to 4,851 feet, the total depth, recovered 10 feet of porous lime, bleached sulphur water.

The failure was 440 feet from north and west lines of the northeast quarter of section 8, block Y, pal survey. That makes it one-half of a mile southeast of the Bledsoe townsite.

Schleicher Wildcat Plugged In Strawn

National Associated Petroleum Company of Tulsa has plugged and abandoned its No. 2 Boyd, North-east Schleicher County wildcat. It is the second wildcat on the Rocking Chair Ranch of Blair M. Boyd. Total depth is 5,036 feet in the Strawn.

Operator took a drillstem test at 4,695-5,036 feet. Tool was open four hours. Recovery was 90 feet of very slightly gas cut mud, 900 feet of water, slightly gas cut muddy salt water and 2,966 feet of salt water.

A good blow of air came to the surface at the beginning of the test but gradually diminished and died after two hours and 12 minutes. Open bottomhole pressure was 275 pounds, final pressure was 7,650 pounds and 15-minute shutin pressure was 2,200 pounds.

Surveys Were Run

A Schlumberger survey was run after the drillstem test.

On a previous drillstem test in the Palo Pinto from 4,045 to 4,957 feet, recovery was 30 feet of mud in one hour.

No. 2 Boyd logged the base of the Coleman Junction at 1,710 feet, the base of the Crystal Falls at 3,150 feet, the top of the Palo Pinto at 4,044 feet and the top of the Strawn at 4,617 feet. Elevation is 2,321 feet.

Location of the dry hole is 660 feet out of the northeast corner of section 13, block H, GH&SA survey and one mile east and one-quarter of a mile south of the same company's No. 1 Boyd, dry hole at 5,510 feet.

Plymouth Honors 16 25-Year Hands At Recent Dinner

Plymouth Oil Company and its affiliate, Big Lake Oil Company, honored 16 West Texas employees of those two concerns who completed 25 years of service during the last 12 months at its 1951 annual Oldtimers Party.

The affair was held at the Petroleum Club recently in Midland. The 16 honored guests were presented diamond studded watches by Walter S. Hallanan of Pittsburgh, president of Plymouth Oil Company.

Awardes

Those receiving watches included: R. H. (Hal) Burton, chief clerk; Roy F. Gardener, district landman; and H. A. Smith, district purchasing agent, all of Plymouth in Midland.

George Lantrip, field superintendent, Bennett Lease, Denver City; J. A. (Jimmie) McCollier, switcher; and Howard (Kate) Maris, farm boss, both of Plymouth oil in the Susan Peak field of Tom Green County.

Herman Gregg, field superintendent for Plymouth at the Kloh lease near Big Spring.

O. E. Goble, assistant chief clerk; Trigg Housewright, electrician; Bert Rogers, truck driver; C. C. Sandy, tool repair man; H. E. Smelser, shop foreman; W. M. Stephens, pumper; R. S. Shankle, garage foreman; and W. H. Spragins, fireman at the gasoline plant, all employees of the Big Lake Oil Company, Texon.

Placid Spots SW Glasscock Wildcat

Placid Oil Company will drill a Southwest Glasscock County wildcat, 12 miles southwest of Garden City is the No. 1 W. B. Sanders.

Location will be 1,980 feet from south and west lines of section 24, block 35, T-6-S, T&P survey. It is five and one-half miles east, and slightly north of Placid's No. 1 Howard, recently completed four-mile southeast extension to Spraberry production in Glasscock County.

Contract depth is 6,700 feet to explore the Spraberry.

Moss Stakes S-C Sterling Explorer

H. S. Moss, et al of Dallas has staked a 5,500-foot Wichita-Albany wildcat in South-Central Sterling County, one and one-half miles southwest of the Marvin, Wichita-Albany pool.

No. 1 H. F. Jackett will be 630 feet north and 362 feet east of the southwest corner of section 12, block 13, SPRR survey, but in M. E. Gilmore survey No. 2. Drill-site is on a 163.5-acre lease and is separated from the Marvin pool by a 5,200-foot failure.

Humble Will Drill NW Runnels Test

Humble Oil & Refining Company has spotted the No. 1 J. A. Broadstreet four miles southwest of Wingate in Northwest Runnels County as a new wildcat exploration.

Drill-site will be 660 feet from south lines of a 99.3-acre lease in tract 2, and 2,500 feet from east line of the Hiram Friley survey in subdivision L. It is two and one-half miles southeast of the Fort Chadbourne pool and is on a 684.5-acre lease. Projected depth is 5,700 feet.

Thursday Values at Dunlap's!

Imperial Schedules East Offset To It's Scurry Reef Opener

Sixteen miles north of Snyder and in extreme Central-North Scurry County, Imperial Production Corporation of San Antonio, spotted drill-site for a one-location east offset to its recently completed No. 1 Vernon Cox, opener and lone producer in the Vernon Cox-Canyon Reef field.

The new test will be drilled as No. 2 Vernon Cox, 660 feet from north and east lines of the southeast quarter of section 699, block 97, H&TC survey. It will drill with rotary to approximately 7,500 feet.

No. 2 Cox was completed for a daily flowing potential of 242 barrels of high-gravity oil.

Two Failures Are Plugged In Runnels

Two wildcats have been plugged and abandoned in Runnels County. Cresslem Oil Company No. 1 E. O. Lange, wildcat in East-Central Runnels County, was quit at total depth of 4,297 feet.

Top of the Capps was 3,540 feet and top of the Fry sand was picked at 3,663 feet. Elevation was not reported.

Location was nine miles northeast of Ballinger and 1,930 feet from north and 1,430 feet from west lines of section 202, E. F. Austin and S. M. Williams survey.

In Central-East Runnels, Richard King, Jr. of Edinburg has plugged and abandoned his No. 1 Sara J. Allcorn at 3,715 feet.

The failure topped the Fry at 3,434 feet and top of the Gardner was 3,590 feet. Elevation is 1,834 feet.

The dry hole is 1,200 feet from north and 330 feet from east lines of section 133, ET survey and three and one-half miles northwest of Talpa.

That made it two and one-half miles west of the Odgen-Mabee field.

Gulf Drilling Ahead In 1 Windham After Test In Ellenburger

Gulf Oil Corporation No. 1 John Windham, wildcat in Southwest Midland County, is drilling ahead after a drillstem test of the Ellenburger from 13,260 to 13,314 feet.

Tool was open one hour. Recovery was the 1,500-foot water blanket and 30 feet of drilling mud with no shows of production.

The Ellenburger was topped at 13,264 feet. That makes the datum minus 10,380 feet. On that basis, the prospector is 311 feet low to Magnolia Petroleum Company No. 1 Timmerman, a Pennsylvania producer in the Parks pool. No. 1 Timmerman was drilled to the Ellenburger.

Low To Sinclair Well

No. 1 Windham is also 326 feet low to Sinclair Oil & Gas Company No. 3-C Tippett, Ellenburger producer four and one-half miles to the southwest.

Location of the Gulf project is at the center of the southeast quarter of the northeast quarter of section 32, block 40, T-3-S, T&P survey and 17 miles southwest of Midland.

It is four miles south and slightly west of the southeast extension to the Parks-Pennsylvanian field.

PRINTING \$11,000 Additional Equipment Up to 17" x 22" Size Snap outs and one time carbon. CHECKS, LETTERHEADS and SPECIAL JOBS

COME IN - Let us show you how low trucking costs can be!

5,500 reports! NOT the result of manufacturer's testing—but owner-reported figures from on-the-job operations!

It's another Ford first! A complete record of cost-to-run reports, ranging over the whole field of trucking! It's the book of final results from the nationwide Ford Truck Economy Run! See it before you buy ANY truck—see how low trucking costs can be, for loads like yours, in your kind of work!

This book is made up from daily on-the-job running cost reports by ordinary truck operators, doing everyday truck work. There were no "special" models in the Ford Truck Economy Run. Every one of the 5,501 trucks were stock model jobs, equipped with the standard Power Pilot.

When Should It Cost per mile to run a truck? The only way to find out is to check the running cost experience of other men in your kind of work! Now you can do that—for the first time—with this important new Ford service. Only your Ford Dealer has it!

Availability of equipment, accessories and trim as illustrated is dependent upon material supply conditions.

"Only 2 1/4¢ a mile!" Contractor C. W. Miller (address on request) ran his Ford F-1 Pickup 8,180 miles in the Ford Truck Economy Run. "We spent \$181.41 for gas, oil and maintenance. A running cost of only 2 1/4¢ a mile!" Covers every important truck-using business! Whatever you haul—appliances, bread, gravel, or almost any load—you'll find on-the-job running cost evidence in this book. Come in and see it!

The Power Pilot is standard equipment on this Ford F-8 BIG JOB and on all today's Ford Trucks. Gives you most power from least gas! The book shows that 1 out of 2 Ford F-8 BIG JOBS in the 22,000 G.V.W. range ran for less than 4 1/2¢ a mile!

FORD TRUCKING COSTS LESS because Ford Trucks last longer! Using latest registration data on 7,318,000 trucks, life insurance experts prove Ford Trucks last longer!
