Humble Finds Free Oil In Dean Sand At Martin Prospector

Humble Oil & Refining Company has some sort of a possible discovery from the Dean sand of the Permian in prospect at its No. 1 J. W. Blocker and others, Central South Martin County wildcat, seven miles west and slightly north of Stanton.

This prospector swabbed 12 hours naturally on perforations in the Dean at 8,810-75 feet.

Made New Oil
Recovery was 43 barrels of fluid. It was 49 per cent new oil, 50 per cent old and one per cent basic sediment and drilling water.

The well is now shut in to move off drilling rig. When that equipment is off the location a portable unit will be moved in to test the wildcat further and try to complete it as a new field opener.

This exploration is 600 feet from north and west lines of section 10, block 37, T-1-S, R-2-E survey. It is three miles northeast of Germania.

West To Ellenburger
Humble No. 1 Blocker drilled to total depth of 12,100 feet in Ellenburger. That formation made only water.

It plugged back to 9,200 feet in the Wolfcamp - Permian and cemented 5 1/2-inch casing at 8,900 feet.

The open hole at 8,900-9,200 feet was tested and it failed to develop any production. The wildcat then plugged back and perforated at 8,810-75 feet where is developed the show for a possible oil well in the Dean sand.

Brill Sets Another Ellenburger Wildcat In NE Ector Region

V. A. Brill of Midland and Houston is to start drilling in a few days at a new 13,500-foot wildcat to explore to the Ellenburger in Northeast Ector County.

It will be his No. 1 David and Ines Fasten. Location is 467 feet from south and 2,179 feet from west line of section 17, block 42, G-2-M, M-2-A survey.

The new prospector is one mile north and one-half of a mile west of Brill's No. 1 Ratliff, now making hole below 13,499 feet in Devonian chert, and slated to dig on to test the Ellenburger.

Has Shown Oil
Brill No. 1 Ratliff has already shown as a flowing discovery from the Wolfcamp-Permian and it has also indicated possibilities of making an oil well from the Atoka section of the Bend line of the lower Pennsylvanian.

That project is 600 feet from north and west lines of section 11, block 42, T-1-S, R-2-E survey. It is 19 miles north of Odessa and 20 miles northwest of Midland.

E-C Reeves Wildcat Is Swabbing Free Oil For Gulf And Frost

Gulf Oil Corporation and Jack Frost No. 1 P. G. Northrup and others, East-Central Reeves County wildcat, 23 miles southeast of the town of Pecos recovered 11 barrels of new oil and seven barrels of basic sediment and drilling water in a 3 1/4 hours of swabbing on open hole at 9,990-9,983 feet.

Swabbing Continues
The zone being tested is in the Permian. It is lime and shale at the present bottom of 9,987 feet. Swabbing to test is continuing.

The formation carrying the oil is being tested naturally.

Location is 1,980 feet from north and west lines of section 33, block 50, T-8, R-2-E survey.

Is Ellenburger Test
It was originally started out to dig to 14,000 feet to try for production in the Ellenburger.

It likely will continue to that objective after it determines the producing ability of the zone now being tested.

24-Hour Gauges Reported From Lea Discoveries
The Wilshire Oil Company, Inc., No. 1 Townsend, Pennsylvania discovery in Central-East Lea County is flowing by heads to test.

Fireworks Missing At Midland Meets

Ike Gets Big Nod By GOP

The Republicans of Midland County rallied again Tuesday afternoon around the banner of Gen. Dwight D. Eisenhower.

Moving another step closer to the national convention, where they hope to see the military leader become the party's standard-bearer, the Republicans met in the Midland County Courthouse for their county convention.

And, without a hitch as far as any major issues were concerned, the convention set up a permanent organization, named five delegates and five alternates and adopted 11 resolutions.

The delegation, as had been anticipated, was directed to support Eisenhower's candidacy and even a few Republicans, who had whispered the name of Senator Robert Taft at the precinct convention, agreed to climb on the general's bandwagon.

Richard L. Hughton, who has taken the lead in pre-convention Republican work in the county, was named permanent chairman of the convention and Harry Russell, Jr., was named permanent secretary.

Two Resolutions Fail
It was Russell who submitted, for county convention consideration, a group of resolutions adopted Saturday by his own Precinct 6 convention.

Most of them were adopted by the group but one or two either were rejected or tabled.

A resolution supporting the principles of universal military training, for instance, was rejected "for public relations reasons."

"We keep hearing about Eisenhower being a military man," pointed out Mrs. Jack Bliss. "It might not (Continued On Page 12)"

Thursday Breakfast To Launch One-Day WTCC Member Drive

A breakfast scheduled at 7:30 a.m. Thursday in the Private Dining Room of Hotel Scharbauer will launch Midland's one-day West Texas Chamber of Commerce membership campaign.

The drive for new members will be conducted by 20 Midland businessmen, under the direction of Tom Sealy and Bill Collyns, Midland's WTCC directors.

Wendell Bedichek and Ralph J. Duncan, WTCC staff men from Abilene, will be in Midland to assist in the campaign activities. Bedichek is director of information for the regional organization, and Duncan is manager of its Community Services Department.

Midland's 1952 quota in the WTCC totals \$2,000, which represents an increase of approximately \$600 over last year. Leaders said an effort will be made to reach the increased budget through new memberships in the regional organization.

Volunteer workers expected to assist in the campaign include Robert W. Lewis, Jack Wicker, Harlan Howell, Frank Barnett, John P. Butler, Stanley Erskine, Cal Boykin, James Mims, Billy Yeatts, Gerome Grayson, Paul McHargue, M. L. Webb, J. Harvey Herd, W. Dave Henderson, Earl Chapman, Thornton Hardie, Jr., James L. Daugherty, John B. Mills, Glen Mershon, Len McCormick, Delbert Downing and Marvin Hines.

★ LATE NEWS FLASHES ★

WASHINGTON — (AP) — Manly Fleischmann resigned Wednesday as defense production administrator, and President Truman nominated Henry H. Fowler to succeed him.

AUSTIN — (AP) — A Milam County grand jury Wednesday refused to indict Herbert Fletcher after the mother of the 15-year-old Iowa farm boy testified he was only 15 years old when charged with a filling station robbery.

WASHINGTON — (AP) — Secretary of State Acheson Wednesday denounced as "an international crime" Russia's campaign of charges that the United States is waging germ warfare in Korea.

WASHINGTON — (AP) — The Labor Department, evidently with President Truman's backing, Wednesday strongly opposed a bill to block strikes in defense-vital plants by providing receivers for industrial firms and unions when they are deadlocked in dispute.

FAREWELL TO LIBERTY—Deportees wave farewell to the Statue of Liberty, and their hopes for residence in the United States, as they are taken by cutter to an outward-bound ship for deportation. The group, most of whom are ship-jumping seamen, is part of the largest number of aliens deported in several years, according to Immigration and Naturalization Service.

Taft Wins In Ohio Landslide; Russell Gains Edge In Florida

By The Associated Press
Ohio voters pushed Senators Robert Taft and Estes Kefauver into the lead Wednesday in the primary skirmishing for delegates to the Republican and Democratic National Conventions.

Tennessee's Kefauver had to be content, however, with an even split in the big primary contests Tuesday. His unbroken string of victories was snapped in Florida, where the South's favorite son, Senator Richard Russell of Georgia, won a close popularity test.

Taft scored a sweep in his home state, adding 56 delegates to his total and moving ahead of Gen. Dwight Eisenhower in the see-saw struggle for Republican convention delegates.

Bucking the Democratic organization in Ohio, Kefauver won 18 delegate races and was ahead in nine others, giving him a possible final total of 27, exactly one-half of the state's convention delegation.

The Tennessean entered only a partial slate against a favorite son candidate, former Senator Robert Bulkley, who defeated Kefauver in one delegate battle and was running ahead in four others.

The Ohio victory moved Kefauver into first place among Democratic candidates ahead of W. Averell Harriman, mutual security adminis-

trator, who had been the front runner in delegate strength, according to an Associated Press survey of delegates pledged, instructed, favorable, willing to state a first ballot preference, or conceded by candidates.

Santiago Not 'Badly Hurt'
Midland baseball fans breathed easier Wednesday with the report that Tito Santiago, rubber-like first baseman of the Indiana, appeared improved at a Vernon hospital.

Santiago entered the hospital after being beaned in the second inning of the Midland-Vernon game in Vernon Tuesday night.

Hospital attaches reported he rested well Tuesday night. X-rays were made Wednesday morning. Attending physicians did not think Santiago suffered severe head injuries. However, he will be kept in the hospital "for a day or two" as a precautionary measure.

One of Lefty Wallace's fast pitches caught the side of Santiago's head. He collapsed at the plate.

Electrician, Wife, Three Children Die In Shootings

CLEBURNE — (AP) — An electrician shot his wife and three young children to death Tuesday night and then killed himself after walking four miles to notify police.

Sheriff King said that just as he drove up to the Baldwin home Gist turned a .38 caliber revolver on himself and fired a bullet into his head. Witnesses at the Baldwin home quoted Gist as saying just before he fired:

"God forgive me. I've killed my whole family."

Sheriff King said Gist telephoned his office from the Baldwin home to say, "A man has killed himself." Not until after a search was the Gist car and the four bodies found.

The children killed were James Perry Gist, nine months old, shot twice in the face and throat; Shirley Ann Gist, four years old, shot three times in the head; Linda Gist, two years, shot twice in the head. Mrs. Gist was shot three times.

Gist, the son of Coleman Gist, Rio Vista, Texas, farmer, was employed in the Santa Fe Railroad shops here. He was a veteran of World War II and had suffered from nervous disorders, Sheriff King said.

Mrs. Gist was a native of Kansas City, Mo., and recently had returned from a visit to her parents' home there.

The slayings occurred one mile east of Kleinfike Ranch, a Central Texas landmark.

Before Ohio, Harriman had 96 1/2 votes, Kefauver 91 1/2.

Florida delegates were not chosen in the contest Tuesday. A second primary will be held May 27 to elect delegates, and both Kefauver and Russell are expected to put on another campaign in Florida before then.

With returns in from 1,380 of the state's 1,682 precincts, Russell had 275,728 votes and Kefauver 249,862. Russell gained most of his strength in the rural areas, while Kefauver was a heavy winner in Miami and other cities.

Returns were incomplete in Ohio, which had no popularity test, but indications were that Kefauver would win in most of the 31 delegate contests in which he was entered.

The Tennessean was opposed by former Senator Robert Bulkley, a favorite son who sought all but one of the state's 54 Democratic convention votes. Kefauver was unopposed in one contest.

Taft's victory in Ohio pushed him (Continued On Page 12)

Grand Old Man Of Texas Masonry Dies

FORT WORTH — (AP) — John Jasper Ray, Texas' "Grand Old Man of Masonry" who on September 2 marked 106 years of living, died at 7 a.m. Wednesday at his South Side residence.

Fort Worth's oldest resident and the world's oldest Mason did not become ill until two weeks ago, but his strength had diminished gradually during the last year.

A Fort Worth resident since 1913, wars, depressions and booms failed to ruffle the composure of the patriarch of Texas Masonry. In 106 years, he said, he had seen "an awful lot of living."

Ray and his wife, who died at the age of 94 in 1941, came to Texas in a covered wagon from Orange County, N. C., where he was born.

Truce Talks Sink To All-Time Low As Reds Reject UN 'Final' Proposal

MUNSAN, KOREA — (AP) — Korean truce talks sank to an all-time low Wednesday after the Communists rejected the Allies' "clear, final and irrevocable" package proposal.

The official Allied spokesman said, "There is nothing left to discuss."

Top negotiators of each side told the other: "The next move is up to you."

Agreement appeared so remote the United Nations Command proposed an indefinite recess of armistice talks. But full delegations will meet again at 11 a.m. Thursday at Red insistence.

Negotiators abruptly ended the secrecy which had surrounded the talks since the Allied package deal was presented April 28. In Tokyo, Gen. Matthew B. Ridgway promptly announced the virtual Allied ultimatum. It is a three-part package:

1. The UN Command would return 70,000 of 132,000 captured Chinese and North Koreans in exchange for 12,000 Allied troops held by the Reds. This is the crux of the deadlock.

2. The Communists would be permitted to build and repair North Korean airfields.

3. The Reds would drop their nomination of Russia as a "neutral nation" to help police a truce.

Demos Vote 'No Pledge'

Midland County Democrats marched unwaveringly Tuesday afternoon along the course of party independence plotted last Saturday at their precinct conventions.

Meeting in the county convention at the Midland County Courthouse, the Democrats never gave a thought to anything other than sending an unstructured delegation to the state convention May 27 at San Antonio.

In fact, the carefully-plotted harmony was played with only one discordant note as the precinct delegations elected permanent officers, named 31 delegates to cast the county's three votes and adopted the same kind of resolutions approved last Saturday.

Frank Besoni, chairman of the County Democratic Executive Committee, was named permanent chairman of the convention and Mayor Perry Pickett was elected permanent secretary.

Lone Unhappy
The lone unhappy note came after Besoni had made a few opening remarks after being named chairman.

"I'm one of those fellows," he said, "who firmly believes that the only way to clean up the Democratic Party and to straighten out the political philosophy of some of its leaders is to do so from within party ranks."

"Bolting the party is not the answer. I will state, however, that I am not a so-called 'Loyal Democrat.' Besoni said that "this year will (Continued On Page 12)"

Shivers Proclaims Sunday Mothers Day

AUSTIN — (AP) — Sunday, May 11, will be Mothers Day in Texas and the nation.

Governor Shivers Wednesday officially set aside that day for Texans to join other Americans in paying tribute to mothers.

Oil Unions Delay Decision On Plea To Return To Jobs

DENVER — (AP) — A union coalition directing a nation-wide strike of about 90,000 oil workers delayed its decision Wednesday on whether to resume work pending a meeting with the Wage Stabilization Board next Tuesday.

Effects of the strike, which already has cut commercial and private flying, brought out coal locomotives in place of oil-burning diesels and dried up filling station pumps in scattered areas, spread to Alaska. Military flying there was curtailed drastically Wednesday.

The coordinating committee of the 22 unions which called the strike April 30 for higher wages has agreed to attend the Washington conference.

However, O. A. Knight, president of the Oil Workers International Union (CIO), largest in the coalition, said in Denver he regretted the WSB's action at this time. Knight said it threatens several negotiations he termed promising.

Knight also disclosed that striking oil workers and the Defense Department have agreed on procedures to keep essential petroleum products flowing to the armed services.

He said this was one "to safeguard the war effort and to prevent a slowdown in the defense program."

WSB Chairman Nathan P. Feinsinger in Washington, D. C., Tuesday asked for an end to the strike and renewal of bargaining. The meeting next Tuesday will be to give the WSB a full background on the controversy.

This opened the way for speculation that the WSB, which never handles a case when a strike is in progress, will turn the oil dispute back to President Truman, who will be faced with the problem of whether to invoke the Taft-Hartley Law.

Atom Attacks On U. S. Seen As Possibility

WASHINGTON — (AP) — Air Force Gen. Hoyt S. Vandenberg told senators Wednesday that within two years Soviet Russia "will possess the means of launching against this country a long-range atomic attack."

"Unless effectively opposed and countered, this attack could neutralize our own ability to retaliate and at the same time could seriously cripple certain key centers of the industrial productivity upon which we depend for ultimate victory in war," the general said.

WSB Boss Begs To Hold Board Power

WASHINGTON — (AP) — Nathan P. Feinsinger told Congress Wednesday a rash of serious strikes and industrial "chaos" may result if Congress strips the Wage Stabilization Board of power to recommend settlements in labor disputes.

Feinsinger, chairman of the WSB, testified at the House Labor Committee's investigation of its agency. Only Tuesday, Charles E. Wilson, former mobilization chief who resigned in protest against Administration handling of the steel labor case, had suggested to the group that the wage board's powers should be trimmed down.

Wilson asserted that the WSB went far beyond stabilization policy in its recommendations for a wage rise for steel workers.

Disputing that, Feinsinger said the board's recommendations were fair and were consistent with wage increases negotiated voluntarily in other industries.

Feinsinger urged that Congress take no "hasty action" which he said could result in "serious consequences."

The board's recommendation of a 26-cent-an-hour wage increase "package" touched off a history-making wrangle in the steel case which led to President Truman's seizure of the steel mills.

Steel Plants Set Production Goal

NEW YORK — (AP) — The nation's steel plants, attempting to restore full output after last week's strike, expect to produce 1,724,000 tons of ingots and steel for castings this week.

The figure was announced Wednesday by the American Iron and Steel Institute which said the steel companies have scheduled operations for the week at 83 per cent of their rated capacity.

Blockades, of course, have been discussed.

He said, in reply to another question, that proposals for attacking the Chinese mainland have been "one of the many things discussed at various levels," but there has been "no final decision of what can be done."

Earlier, Secretary of State Acheson had discussed the proposals briefly at a news conference.

Allowing a direct quotation, he said: "It is plain, in my judgment, that the proposals made by General Ridgway are fair and reasonable proposals and that anyone who wished to bring about a truce in Korea would accept those proposals. The proposals were made with the complete support of the government of the United States."

Humble Finds Free Oil In Dean Sand At Martin Prospector

Humble Oil & Refining Company has some sort of a possible discovery from the Dean sand of the Permian in prospect at its No. 1 J. W. Blocker and others, Central South Martin County wildcat, seven miles west and slightly north of Stanton.

This prospector swabbed 12 hours naturally on perforations in the Dean at 8,810-75 feet.

Made New Oil
Recovery was 43 barrels of fluid. It was 49 per cent new oil, 50 per cent oil and one per cent basic sediment and drilling water.

The well is now shut in to move off drilling rig. When that equipment is off the location a portable it will be moved in to test the wildcat further and try to complete it as a new field opener.

This exploration is 600 feet from north and west lines of section 10, block 37, T-1-S, T&P survey. It is three miles northeast of Germania, West To Ellenburger.

Humble No. 1 Blocker drilled to total depth of 12,100 feet in Ellenburger. That formation made only water.

It plugged back to 9,200 feet in the Wolfcamp - Permian and cemented 5 1/2-inch casing at 8,909 feet.

The open hole at 8,909-9,200 feet was tested and it failed to develop any production. The wildcat then plugged back and perforated at 8,810-75 feet where it developed the show for a possible oil well in the Dean sand.

Brill Sets Another Ellenburger Wildcat In NE Ector Region

Y. A. Brill of Midland and Houston is to start drilling in a few days at a new 13,500-foot wildcat to explore to the Ellenburger in Northeast Ector County.

It will be his No. 1 David and Ines Fasken. Location is 467 feet from south and 2,179 feet from west line of section 17, block 42, G&M-M&B&A survey.

The new prospector is one mile north and one-half of a mile west of Brill's No. 1 Ratliff, now making hole below 13,400 feet in Devonian chert, and slated to dig on to test the Ellenburger.

Has Shewen Oil

Brill No. 1 Ratliff has already shown as a flowing discovery from the Wolfcamp-Permian and it has also indicated possibilities of making an oil well from the Atoka section of the Bend lime of the lower Pennsylvanian.

That project is 600 feet from north and west lines of section 11, block 42, T-1-S, T&P survey. It is 10 miles north of Odessa and 20 miles northwest of Midland.

E-C Reeves Wildcat Is Swabbing Free Oil For Gulf And Frost

Gulf Oil Corporation and Jack Frost No. 1 P. G. Northrup and others, East-Central Reeves County wildcat, 23 miles southeast of the town of Pecos recovered 11 barrels of new oil and seven barrels of basic sediment and drilling water in 8 3/4 hours of swabbing on open hole at 9,890-9,983 feet.

Swabbing Continues

The zone being tested is in the Permian. It is lime and shale at the present bottom of 9,983 feet. Swabbing to test is continuing.

The formation carrying the oil is being tested naturally. Location is 1,980 feet from north and west lines of section 33, block 50, T-8, T&P survey.

Is Ellenburger Test

It was originally started out to dig to 14,000 feet to try for production in the Ellenburger.

It likely will continue to that objective after it determines the producing ability of the zone now being tested.

24-Hour Gauges Reported From Lea Discoveries

The Wilshire Oil Company, Inc., No. 1 Townsend, Pennsylvanian discovery in Central-East Lea County is flowing by heads to test.

First 24-hour gauge reported for the project is 192 barrels of 42.1-gravity oil through a choke of unreported size and perforations in casing from 11,370 to 11,440 feet.

The formation had been acidized through that set with a total of 24,000 gallons.

Gas-oil ratio during the above 24-hour test was 100 to 1.

Atom Attacks On U. S. Seen As Possibility

WASHINGTON (AP)—Air Force Gen. Hoyt S. Vandenberg told senators Wednesday that within two years Soviet Russia "will possess the means of launching against this country a long-range atomic attack."

"Unless effectively opposed and countered, this attack could neutralize our own ability to retaliate and at the same time could seriously cripple certain key centers of the industrial productivity, upon which we depend for ultimate victory in war," the general said.

The Air Force commander joined other Pentagon top brass and civilian secretaries in protesting House-approved slashes in defense spending during the next fiscal year, starting July 1.

The House voted to limit actual military spending in the new fiscal year to not more than \$46,000,000,000, some \$6,000,000,000 under present plans. Most of this would apply to the billions Congress has voted for defense in the last two or three years.

It also ordered a \$4,500,000,000 slash in new funds asked.

Vandenberg's prepared testimony, delivered behind closed doors of a Senate Appropriations subcommittee considering new money bills for the Defense Department, was handed to reporters in advance.

Because the Air Force chief was entering Doctors Hospital for surgery, his vice chief of staff, Gen. Nathan F. Twining, arranged to read his statement to the subcommittee. The nature of Vandenberg's ailment was not disclosed but officers said the operation would be exploratory to determine the source of severe pain.

Building Up Whittling
Vandenberg's statement said that while this country has been "stretching out and whittling down our air power," the Soviet Union has been building up and expanding her combat air forces.

Even so, Vandenberg said, the United States still has a slight superiority because of "our long-range bomber force, combined with our national advantage in atomic weapons."

By 1954, the Air Force head said, "control of the air, with all that implies, will then be within the grasp of the Soviet Union."

Vandenberg said the House restrictions would delay delivery of about 5,000 modern aircraft between next January 1 and the middle of 1954, "when according to all reasonable estimates, this nation will arrive at a point of grave danger."

"The cost of controlling the air is high, we have discovered to our dismay," he continued. "But what we apparently are forgetting is the bitter lesson learned by Germany and Japan in the last war—and that is the immeasurably greater cost of losing control of the air."

Steel Plants Set Production Goal
NEW YORK (AP)—The nation's steel plants, attempting to restore full output after last week's strike, expect to produce 1,724,000 tons of ingots and steel for castings this week.

The figure was announced Wednesday by the American Iron and Steel Institute which said the steel companies have scheduled operations for the week at 83 per cent of their rated capacity.

blockades, of course, have been discussed."

He said, in reply to another question, that proposals for attacking the Chinese mainland have been "one of the many things discussed at various levels," but there has been "no final decision of what can be done."

Earlier, Secretary of State Acheson had discussed the proposals briefly at a news conference.

Allowing a direct quotation, he said: "It is plain, in my judgment, that the proposals made by General Ridgway are fair and reasonable proposals and that anyone who wished to bring about a truce in Korea would accept those proposals. The proposals were made with the complete support of the government of the United States."

WSB Boss Begs To Hold Board Power

WASHINGTON (AP)—Nathan P. Feinsinger told Congress Wednesday a rash of serious strikes and industrial "chaos" may result if Congress strips the Wage Stabilization Board of power to recommend settlements in labor disputes.

Feinsinger, chairman of the WSB, testified at the House Labor Committee's investigation of his agency. Only Tuesday, Charles E. Wilson, former mobilization chief who resigned in protest against Administration handling of the steel labor case, had suggested to the group that the wage board's powers should be trimmed down.

Wilson asserted that the WSB went far beyond stabilization policy in its recommendations for a wage rise for steel workers.

Disputing that, Feinsinger said the board's recommendations were fair and were consistent with wage increases negotiated voluntarily in other industries.

Feinsinger urged that Congress take no "hasty action" which he said could result in "serious consequences."

The board's recommendation of a 26-cent-an-hour wage increase "package" touched off a history-making wrangle in the steel case which led to President Truman's seizure of the steel mills.

Oil Unions Delay Decision On Plea To Return To Jobs

DENVER (AP)—A union coalition directing a nation-wide strike of about 90,000 oil workers delayed its decision Wednesday on whether to resume work pending a meeting with the Wage Stabilization Board next Tuesday.

Effects of the strike, which already has cut commercial and private flying, brought out coal locomotives in place of oil-burning diesels and dried up filling station pumps in scattered areas, spread to Alaska Military flying there was curtailed drastically Wednesday.

The coordinating committee of the 22 unions which called the strike April 30 for higher wages has agreed to attend the Washington conference.

However, O. A. Knight, president of the Oil Workers International Union (CIO), largest in the coalition, said in Denver he regretted the WSB's action at this time. Knight said it threatens several negotia-

tions he termed promising.

Knight also disclosed that striking oil workers and the Defense Department have agreed on procedures to keep essential petroleum products flowing to the armed services.

He said this was one "to safeguard the war effort and to prevent a slowdown in the defense program."

WSB Chairman Nathan P. Feinsinger in Washington, D. C. Tuesday asked for an end to the strike and renewal of bargaining. The meeting next Tuesday will be to give the WSB a full background on the controversy.

This opened the way for speculation that the WSB, which never handled a case when a strike is in progress, will turn the oil dispute back to President Truman, who will be faced with the problem of whether to invoke the Taft-Hartley Law.

This could bring about an injunction barring further striking.

Truce Talks Sink To All-Time Low As Reds Reject UN 'Final' Proposal

MUNSAN, KOREA (AP)—Korean truce talks sank to an all-time low Wednesday after the Communists rejected the Allies' "clear, final and irrevocable" package proposal.

The official Allied spokesman said, "There is nothing left to discuss." "Top negotiators of each side told the other: 'The next move is up to you.'"

Agreement appeared so remote the United Nations Command proposed an indefinite recess of armistice talks. But full delegations will meet again at 11 a.m. Thursday at Red insistence.

Negotiators abruptly ended the secrecy which had surrounded the talks since the Allied package deal was presented April 28. In Tokyo, Gen. Matthew B. Ridgway promptly announced the virtual Allied ultimatum. It is a three-point package:

1. The UN Command would return 70,000 of 132,000 captured Chinese and North Koreans in exchange for 12,000 Allied troops held by the Reds. This is the crux of the deadlock.

2. The Communists would be permitted to build and repair North Korean airfields.

3. The Reds would drop their nomination of Russia as a "neutral nation" to help police a truce.

Ridgway said this was a package to be accepted as a whole. He said: "Our position is one from which we cannot and shall not retreat." The Communists turned down this package and submitted a counter offer Friday, it was disclosed. The Allies rejected it.

In Washington, United States officials described as "fair" and as "final" the package proposal for an armistice.

Deputy Secretary of Defense William C. Foster called it final, saying it has the approval of the United Nations Allies and that there will be no further concessions.

But in talking to reporters, Foster said this firm stand is not an "ultimatum."

While the United States considers the offer final, Foster said, it is "perfectly willing" to discuss with the Reds the details.

Foster was asked what the alternatives would be if the Communists rejected the proposal.

He replied that a "number of alternatives are available," but that "the course of events would affect which ones would be used."

He was asked if a Naval blockade of the China coast was one alternative. Foster answered that "Naval

Even Young Princes Fall For Lure Of Woolly West

LONDON—(AP)—The call of the wild West clashed head-on with the royal dignity of two young princes Tuesday—and the lure of cowboy land won easily.

It happened at the British Industries Fair. Prince William, 11, and Prince Richard, seven, sons of the duke and duchess of Gloucester, were accompanying their parents and their cousin, Queen Elizabeth II, on a tour of inspection.

They tagged along demurely while their elders made polite comments until they got to a stand bearing boy-sized cowboy and Indian paraphernalia. A crisis developed at once.

William and Richard broke ranks at once and made a quick

Boy, 14, Detained In Companion's Death

HARRISBURG, PA.—(AP)—Fourteen-year-old John Sarver, II, was lodged in the Children's Detention Home here Wednesday in the fatal shooting and stabbing of a 13-year-old companion.

District Attorney Huetta F. Dowling said charges would be filed Thursday. He did not specify what they would contain.

Sarver was taken into custody Monday, Dowling said, after he admitted "accidentally" shooting Kenneth Teacher, Jr., and then disarming him with a machete.

Dowling said Sarver told him he became "scared" after the shooting Monday night and plunged the big knife into Teacher's abdomen to disguise the bullet wound from a .22 caliber rifle.

The death took place on the northeast outskirts of Harrisburg less than two miles from where the boys lived.

Coroner Thomas J. Fitchey said an autopsy showed 19 inches of intestine was cut from Teacher's abdomen and "pulled out by hand." Death could have been caused, he said, either by the bullet or stab wound.

Martin, Lewis Argue Flimsy Films Fatal To Fans' Favor

By ERSKINE JOHNSON
NEA Staff Correspondent

HOLLYWOOD—Behind the Screen: Dean Martin and Jerry Lewis, battling with Producer Hal Wallis for better film stories, are putting the "Career Crisis" label on the fight. Another flimsy plot like "Bailor Beware," they're arguing, will send their box office rating into a permanent slump.

There's been big talk of Rhonda Fleming hitting the night-club trail as a warbler but Rhonda herself says: "I won't accept any nightclub engagements until there are no more movies for me to do."

Before Gigi Perreau leaps into TV, she'll hop to London to star in "Sara Crewe" with an all-British cast. The Frances Hodgson Burnett classic was dramatized on "Studio One" a few months ago.

Claire Trevor's telling it on herself. A neighborhood lad, visiting her home, spotted her Oscar on a shelf and asked her seven-year-old son Charles about it. "Oh," said Charles. "That's just Mama's memento."

Margaret Sullivan, who hasn't made a movie since "No Bad Songs For Me," is being wooed to return to Hollywood for Fidelity Pictures' "The Gardenia." Vera Caspary's suspense tale about a telephone operator.

UI has signed Robert Monnet, the singer—a tipoff to the musical circle that the studio is about to launch... Geraldine Brooks says it's a legal battle between investors, not censorship, that's keeping "Volcano," the controversial Italian movie she made, out of the U. S. American and Italian money-men are deadlocked over who gets what out of the profits.

Teen-Age Lamour
Daria Massey will play Dorothy Lamour as a South Sea Island teen-ager in "The Road to Bali." Shades of Bette Davis. The part that Orson Welles plays in "Trent's Last Case"—Michael Wilding and Margaret Lockwood are the stars—lasts exactly 15 minutes on the screen.

Lyan Gilmore, after watching a Hollywood actor down enough fire-water for a lost weekend, quipped: "The man obviously has a Scotch tapeworm."

Now Marilyn Buford, the former Miss America, may become a French movie queen. She's co-starring in a picture in Paris and spouting French all over the place.

Hollywoodites may scream about the horrors of live TV, but there's a "No Temperament" report on the movie kiddies from Director Joe Santley of the Jimmy Durante show. Durante's guests this season have included many of the movie greats and this is Santley's report: "They worry about blowing lines, but there were no fireworks from any of them. All of them acted like kids with a new toy."

Jimmy's only bad memory of his guest stars was Jose Ferrer's refusal to do the show after being booked. "He didn't like the script, or something," Jimmy dismisses it. "It was a big mess."

Communism Takes Count
There's another punch at communism coming up at UI under the title, "Ivan's Left Hand." It's a satire about a Russian MP who's imported to fight as a professional boxer in the U. S. The sun begins when the lad with the Red Doctrines meets the American way of

Soil Conservation Better Than Dams, Claims White

WACO—(AP)—State Agriculture Commissioner John C. White said Wednesday he puts more faith in soil building than in flood control projects.

He urged more money be spent on soil conservation and less on dams.

White discussed misuse of the soil in a speech at a noon luncheon sponsored by the Waco Lions Club for members of the McLennan County Soil Conservation District.

"I question a dam's 100 per cent utility as a soil conservation measure. I also question its merits as an absolute safeguard in flood control," said White.

"If we hadn't destroyed the covering provided by nature at the headwaters of our rivers, we would have far less destructive floods—those strangling, chunk-moving deluges which annually wipe away millions of dollars in property and do an untold damage to our land."

The agriculture commissioner said

Ruling On Gambler Tax Stamp Statute Is Headed For Test

PHILADELPHIA—(AP)—A federal judge's ruling that the six-month-old law requiring gamblers to purchase a \$30 tax stamp is unconstitutional appears due for a Supreme Court test.

The law, which also requires gamblers to list all personnel in their employ, was declared illegal Tuesday by U. S. District Judge George A. Welsh on the grounds that it requires an individual to be a witness against himself.

In rendering his decision, the judge said he was not ruling on that section of the law which requires gamblers to pay a 10 per cent levy on their earnings.

Welsh commented that his decision probably would be appealed to the Supreme Court.

Later in Washington, Justice Department officials were reported planning an early appeal.

The specific case involved was that of Joseph Kahrieger, 36, one of seven men facing trial here on charges of failing to buy the stamp.

Barstow News

BARSTOW—Mrs. A. B. Crawford of Kansas is visiting in the home of Mrs. James Miller.

Mrs. Dick Turner and daughters of Hagerman, N. M., are visiting in the home of Mr. and Mrs. Jesse Turner.

The junior and senior prom will be held May 18. A picnic outing also will be held. The grade school commencement will be May 21 and the high school commencement will be May 22.

Rubeen Talley, son of Mr. and Mrs. Alva Talley of Barstow, went by plane to Shreveport, La., last weekend. He visited the radio program, "Louisiana Hayride," and later flew to Houston. Talley is a plane dispatcher in Pecos.

Mrs. Theron Cranfill of Goldsmith was in Barstow Sunday to attend the funeral of Mrs. Ennis Winchester.

Mr. and Mrs. Chester Armstrong will move to Fayetteville, Ark., where they have purchased a farm. They will leave when school is out.

Tally Hostess Elects Officers

The Tally Hostess Club named Mrs. Jack M. Moore president at an election of officers and covered dish luncheon Tuesday in the home of Mrs. Wayne Moore.

Other officers are Mrs. E. A. McCullough, vice president; Mrs. Perry Gill, secretary-treasurer; Mrs. M. A. Murphree, reporter. Guests were Mrs. C. R. Williams of Dallas and Mrs. Gayle Crawford. Mrs. Jack Moore was high and Mrs. H. L. Huffman, second high.

Others present were Mrs. Ralph Smith, Mrs. E. A. McCullough, Mrs. Hugh McCullough, Mrs. John K. Massey of Odessa, Mrs. R. E. Morgan, Mrs. Gill, Mrs. A. L. Altavay, Mrs. J. V. Hardwick, Mrs. Huffman and Mrs. Clyde Davidson.

Mrs. Nichols Is Shower Honoree

ANDREWS—Mrs. Olin Nichols was honored recently with a pink and blue shower given in the home of Mrs. Floyd Carter. Mrs. L. C. Ragsdale was co-hostess.

The pink and blue theme was carried out in the decorations.

Guests attending were Mrs. John Woodbury, Mrs. T. A. Baker, Mrs. Charlie Burgess, Mrs. Thomas Scott, Mrs. C. J. Danley, Mrs. Glover McCarty, Mrs. C. A. Dunn, Mrs. Eddie Randolph, Mrs. Morris Coon, Mrs. R. E. Hicks, Mrs. Frank Bradford, Mrs. O. D. Yeager, Jr., Mrs. A. L. Grant and Mrs. L. C. Perrin.

Coffee Honors Mrs. Reynolds

ANDREWS—Mrs. Luther Reynolds was honored with a coffee recently in the home of Mrs. Francis Williams. Mrs. Reynolds recently moved to Andrews from Pampa.

Guests attending were Mrs. G. F. Bovart, Mrs. Tom Fee, Mrs. Boyd Stairs, Mrs. N. S. Whitmore, Mrs. A. E. Barnard, Mrs. A. V. Maxwell, Mrs. J. E. Fulham, Mrs. G. W. Bennett, Mrs. P. C. Houston and Mrs. T. E. Swift.

B&PW Names Officers For Coming Year

An officer slate presented by the nominating committee was accepted at a meeting of the Business and Professional Women's Club, held Tuesday in the courthouse. T. K. White gave the committee report.

Ruth Donnell is president-elect. Other officers are Peggy McCourt, vice president; Glenyth Herring, recording secretary; Sarah Stanley, corresponding secretary; Lois Robinson, treasurer and Barbara Calvert, parliamentarian. Cordelia Taylor is president for the coming year.

It was announced that the state convention will be held this week-end in Fort Worth. Delegates are Flossie Vaughn, Peggy McCourt, Cordelia Taylor, Emily Atkinson and Jewel Anderson. Alternate delegates are Beulah Taylor, Nita Stovall, Elizabeth Hardy, Glenyth Herring and Anna Bell Anderson.

Flossie Vaughn was elected delegate to the biennial national convention to be held in Boston, Mass., in June. Cordelia Taylor is the alternate delegate. Reports on candidates for state officers were read and discussed.

Emily Atkinson made a report on a committee meeting of the Midland Woman's Club.

Scouts Make Plans For Mothers Day

Two Brownie Girl Scout Troops made plans and worked on gifts Tuesday for Mother's Day.

The meetings were held in the Little House. Brownie Troop 66 planned a tea to be held May 13 in honor of the members' mothers. Mother's Day cards were made by Brownie Troop 66. The girls also made plans for a cook-out to be held in Cole Park next week.

Mrs. Clyde Sharrer Is Circle Hostess

Mrs. Clyde Sharrer was hostess to the Eleanor Luton Circle of the First Methodist Church when it met Monday in her home.

Mrs. Luther Kirk gave the opening prayer and the devotional was given by Mrs. A. W. Auguston. Mrs. Sharrer taught the lesson.

Mrs. C. E. Dorsey also was present.

Library Receives Memorial Book

"Boswell in Holland, 1763-1764," by F. A. Pottle, was presented to the Midland County Library recently in memory of Mrs. Mary Doak, emerita dean of women at Texas Tech in Lubbock.

The book is the second in a series of books published from recently discovered papers.

RETURNS TO COLLEGE

Dee Pigg has returned to Abilene Christian College after visiting her parents here. Miss Pigg is a secretarial training major.

SOCIETY

THE MIDLAND REPORTER-TELEGRAM, WEDNESDAY, MAY 7, 1952-3

Scout Group Hears Reports

Reports on finance and the Girl Scout camp were heard Monday at a meeting of the Midland Girl Scout Association Board of Directors.

The group met in the Little House. Betty Jo Greene read the established camp report which had been compiled by Mrs. M. W. Collins.

It was announced the camp, has reached its capacity enrollment of 200 for this summer, with approximately half of that number made up of Midland girls.

The camp will be held June 8 through August 2. Miss Greene reported that a modern, two-oven, safe-style cook stove had been purchased and that sanitation had been improved to meet state engineers' approval. Additions to the senior camping unit, she said, included a shelter and two tents. Also, a fireplace is scheduled to be built and more tents added.

Plans were discussed for a ceremonial campfire to be held July 4 at the camp in observance of the Scouts' fortieth anniversary.

Announcement was made that a tea honoring the graduating Senior Scouts and their mothers will be held from 3 to 5 p.m. May 18 in the Little House. Hostesses will be the Girl Scout Association.

Mrs. Freda Walker gave the financial report. It was announced that Ed Darnell, sheriff, is donating the proceeds from one of the cigarette machines in the courthouse to the Scouts.

Fourteen directors were present.

Rev. Lea Continues Preaching Mission

"Life in the Family of God," will be the subject of the Rev. William S. Lea at the 8 p.m. worship service Wednesday in the Trinity Episcopal Church.

Mr. Lea, who is conducting a teaching and preaching mission in the church, spoke Tuesday night on "The Way of Salvation." He is from Knoxville, Tenn.

The Rev. R. J. Snell, rector, said the public is invited to attend the special services, which will end Thursday.

Mrs. Smith Is Circle Hostess

Mrs. Ralph E. Smith was hostess to the Winnie Prothro Circle of the First Methodist Church when it met Monday in her home.

Mrs. Noel G. Oates gave the opening prayer and presided over the business meeting. Mrs. Smith gave the lesson, "The Family, A Christian's Concern." She was assisted by Mrs. Oates and Mrs. B. F. Haag.

It was announced a covered dish luncheon will be held at 1 p.m. Monday in the church in the final meeting of the year.

Others attending were Mrs. Ola Boies, Mrs. W. B. Hunter, Mrs. W. F. Schafer, Mrs. J. L. Thorpe and Mollie McCormick.

CARPENTER INJURED

W. B. Arnold, carpenter for Lone Star Lumber Company, mashed his left index finger with a hammer Tuesday, causing abrasions and contusions. He was treated at Western Clinic-Hospital.

Washable Neckwear Adds To Spring And Summer Costumes

BY ALICIA HART
NEA Beauty Editor

Fashion is sticking her neck out this Spring, and no wonder. There are more beguiling ways of dramatizing the neckline of a dress, suit or coat than any season has provided for many a year.

And happily enough, most of the enticing little neckwear touches are as safe in soap suds as you might wish them to be. Checker-board-woven cottons, oxford cloth, nylon, linen, Swiss embroidered imports, pique and permanent tricot pleating all qualify for quick soap-and-water dippings.

You'll be personally pleased with this neckwear boom because it offers something interesting for every type. And fabrics are keeping pace with styling when it comes to variety.

If you are fond of sheer chiffon scarves tucked in at the neckline, this is certainly your season. Add a tiny nosegay of roses or a bouquet of violets.

Daring stripes in pull-through ascots are grand if you're a woman who loathes frou-frou. You'll like the tiniest curl of pique or linen outlining your new scoop necks. Other favorites this season are the nylon and nubby woolen stoles which wash so beautifully, and can be worn with Spring suits now, and later with Summer dresses.

Stock ties with their own built-in wing-collar points lend just the right note of daintiness when you are in the mood to look feminine but not coy.

The middy collar is important these days, too. Squared-off and deep at the back, it rolls in soft lapels and V-neck at the front. Bows are as big and dramatic or as small and sweet as the occasion calls for. Some of them are big enough to double for a blouse with a buttoned-up suit jacket. And, they're not all made of pique or organdie by any means.

Bold-patterned taffetas are particularly effective set jauntily under the chin.

In addition to washability, which makes the new neckwear so easily adaptable to any number of outfits, most of the pretty Spring "extra touches" require a minimum of ironing care. Either they can do without the iron entirely, or require so little they present no problem at all.

FALLS FROM CAR

Minor cuts on the right leg were sustained by Cheryl Beck, five, 1407 South Fort Worth Street, when she fell from an automobile Tuesday. She was treated at Western Clinic-Hospital.

RUTH MILLETT

Parents Need 'Old-Fashioned' Ideas To Cope With Moderns

What parents need today is little more old-fashioned assurance that they really do "know best."

Here is a letter typical of the uncertainty of the great majority of parents today.

A mother writes: "In an attempt at fairness to our eleven-year-old daughter, we'd like advice on a subject which is causing considerable controversy in our household.

"It seems to be the fad now for sixth graders to imitate their older sisters and have slumber parties, where four hours seems to be the maximum amount of sleep they get.

"Both my husband and I can't quite see our daughter's viewpoint in the matter and have thus far tabooed these parties. Ordinarily we'd 'stick to our guns' but her lament is 'You treat me like a baby' and 'I'm the only one who isn't allowed to go.'

"Truthfully, these psychologists have me so confused I don't know whether we're being too strict and old-fashioned with our children or just different from the modern, 'follow the mob' parents.

"If it weren't for the fact that she seems resentful, we'd go along with our instincts but we do want her love and faith, and we do want her to be socially acceptable. She claims the girls aren't as friendly since she has had to decline their invitations."

It is that kind of uncertainty that so often today ends up with parents of sound judgment finally giving in.

to their children on first one stand and then another.

In their hearts they are pretty sure they do "know best." But there is that nagging doubt that maybe they are being old-fashioned, that perhaps they are making their children "different," that they may be building up deep-rooted resentment within their children. And often the doubt wins out over their sound judgment.

Children and teen-agers take full advantage of this uncertainty among parents and push it all that it is worth.

We parents wouldn't be in that kind of spot if we were just a little more confident that mother and dad know best.

Midland Firemen Get Two Alarms

Midland firemen answered two alarms Tuesday afternoon.

They were called out at 2:40 p.m. to extinguish a car fire on the Bankhead road west of the city. The 1940 Buick is owned by M. King.

A burning motorcycle east of Midland near the Y intersection on the Garden City Highway brought a run at 3:10 p.m. Bob Gregors was listed as the owner.

No loss was reported in either fire.

MEDICAL PATIENT

Harvey M. Pruitt, 1910 South Fort Worth Street, is a medical patient at Western Clinic-Hospital. He was admitted Tuesday night.

'WTCC Day' In Midland

Thursday will be "West Texas Chamber of Commerce Day" in Midland as citizens are called upon to support the great regional organization in a manner befitting this headquarters city, which long has been one of the area's leading and most progressive communities.

Midland has worked closely with the WTCC since its organization in 1919, this city having served as host to a WTCC convention on one occasion, and having furnished the organization one of its outstanding presidents—the late M. C. Ulmer. Other Midlanders also have served the WTCC long and well.

Financial support also has been given by business firms, organizations and individuals of Midland, all of whom have recognized the wisdom and value of investing in an organization whose sole purpose is the building and developing of a greater West Texas.

Past support has been excellent, but now additional support—more funds and more members—must be enrolled if the revitalized West Texas Chamber of Commerce is to accomplish its far-reaching and all-inclusive program of work in fast-developing West Texas.

In an effort to keep pace with the rapid development of the 132-county area it serves, the WTCC has enlarged its activities and services, and has added personnel to better and more adequately serve West Texas and West Texans.

Its grass roots program of activities and services reflects the ideas and suggestions of members throughout West Texas—the overall program including objectives ranging from oil industry assistance to public information and tourist development.

The immediate objectives of the WTCC should be of interest to every West Texan. They are:

- 1. A state-wide conference on surface water problems.
2. Continuation of a campaign to obtain a U.S.-Mexico labor agreement to meet the needs of West Texas farmers and ranchers.
3. A long-range national advertising campaign to sell industrial assets and tourist attractions.
4. An exhaustive survey of Texas highway problems.
5. Active cooperation with all forces devoted to soil conservation.

This enlarged program of the up-and-coming West Texas Chamber of Commerce of course necessitates a larger operation budget, and all affiliated communities are being asked to increase their financial support to the WTCC, preferably by enrolling new members.

That is the purpose of "WTCC Day" in Midland—to enroll as many new members as possible in the West Texas Chamber of Commerce. A group of Midland businessmen will be on the job Thursday to contact prospective members and it is hoped their efforts will meet with tremendous success.

The WTCC is serving Midland and West Texas in a more effective and efficient manner than ever before. Citizens of Midland and West Texas should respond by providing the organization with a record membership this year.

It is hoped Ever-Growing Midland will lead the way in WTCC memberships for 1952-53.

When learning to drive a car folk are thrown on their own responsibility. And, when careless, on a lot more than that.

If you haven't a leg to stand on it's smarter not to kick.

FUNNY BUSINESS

Unfair, He Says

The Washington Merry-Go-Round

By Drew Pearson

(Copyright, 1952, by the Bell Syndicate, Inc.)
Drew Pearson says: Arnall blocks all administration moves to end steel mess by granting industry price increase to offset a worker's wage boost; Truman originally shied from using "inherent" powers to seize mills.

WASHINGTON — Now that the steel mills are running again, some administration leaders are canvassing means of winding up the entire mess by giving the steel industry a moderate price increase in order to take care of a wage increase.

Several Cabinet members privately have long favored such a plan, especially Secretary of Defense Lovett, John Steelman, the acting defense mobilizer, once also definitely favored a \$5-a-ton price increase for steel, as did Charles E. Wilson.

However, each move in this direction has run up against the quiet, adamant opposition of an ex-governor from Georgia, Price Administrator Ellis Arnall.

Arnall flatly refuses to budge. At one White House meeting held just before the President seized the steel industry, various Cabinet members were using a moderate price increase in steel prices as a sop to the industry.

"You can increase 'em all right," drawled Arnall good-naturedly. "You can increase 'em if you want to wreck the country."

Arnall wasn't mad a bit. He even sounded as if he was half kidding. But those who know him realized he was deadly serious, especially when he added:

"You can increase 'em all right. But you'll have to get yourself a new price administrator."

The quiet threat of Arnall's resignation was enough to stop further discussion. Furthermore, he was backed up by his immediate superior, Roger Putnam, a manufacturer from Springfield, Mass., who knows what it's like to make a profit and meet a payroll.

Arnall also produced figures showing that the steel industry could pay the package wage increase recommended by the Wage Stabilization Board and yet reduce its profits only 12 cents a ton under the high profit base from 1946 to 1949—after taxes. Arnall likewise showed that the steel industry, after paying the wage increase, and after paying taxes, would have a profit of only 60 cents a ton less than its record-breaking profits during the year 1951 when steel dividends soared to an all-time high as a result of the Korean war.

He argued that the steel industry should not make money at the expense of the Korean war. He also pointed out that these profits were after taxes.

The steel industry has not challenged Arnall's figures. Steel Merry-Go-Round. When news of the Court of Appeals decision first reached the White House, Justice Department officials wanted to get out an injunction against the steelworkers, forcing them to go back to work.

Solicitor General Philip Perlman and Holmes Baldrige, assistant attorney general, both argued that the workers were striking against the government. Secretary of Commerce Sawyer, however, opposed. He warned that the Appeals Court decision favoring the government was by too slender a margin to get out an injunction. Justice Department officials then proposed that labor be offered an immediate wage increase. This Secretary Sawyer also opposed. "We ought not to buy 'em back," he claimed. As a result, Truman issued his midnight appeal to Phil Murray—which worked.

The President has asked acting Attorney General Perlman to submit a full report on how the Taft-Hartley Act could be used—if necessary. Originally Truman was leery about using his "inherent" powers to seize the steel mills. Charlie Murphy, White House counsel, at one time advised the President to make a strong speech to a joint session of Congress, urging legislation empowering him to take over any vital industry threatened with a shutdown during an emergency. Truman finally rejected this idea, figuring the Dixiecrat coalition would block it.

The oil strike would have been speedily settled last week, with very little loss in production, but for two backside factors. No. 1—Was the clamoring of congressional anti-laborites, fired up by the steel strike, for legislation outlawing all shutdowns in emergency periods. This suddenly stiffened the back of oil-company spokesmen who were close to a wage agreement with CIO, AFL and independent oil unions. No. 2—Was the backstage kibitzing of powerful Standard Oil of New Jersey, which had settled with its independent union workers for an approximate 10 cents an hour basic wage boost (plus extra pay for night shifts) and didn't want the rest of the industry to go any higher. At one stage of the negotiations several big companies, including Standard Oil of Indiana, Continental, Phillips Petroleum and Pan-Am Southern Oil, upped their original offer of about 10 cents an hour (basic) for their employees to approximately 15 cents an hour.

These companies also were offering six cents an hour additional to workers on the second shift and 12 cents more for third-shift workmen.

O. A. (Jack) Knight, president of the CIO Oil Workers and chief union negotiator, had lowered the unions' demand for a 25 cents an hour increase down to 20 cents and it looked like a settlement was imminent somewhere between 15 and 20 cents, plus the shift differentials.

In fact, word was flashed back to Washington from bargaining stations throughout the country that an agreement was near and that the 90,000 striking refinery workers, drillers, rig builders, etc., would be back on the job in a matter of hours.

But just at that point congressional anti-laborites, led by Howard Smith of Virginia, got into the act. Suddenly federal mediators noted an uncompromising frigidity in the once-friendly bargaining sessions.

Standard Oil of New Jersey was quick to seize on this psychological advantage and grapedword to settlement-minded companies that they would be foolish to make an agreement for more than 10 cents until they knew what Congress would do about strike legislation.

Naturally, if other oil workers got more than 10 cents, Standard would have to reopen negotiations with its independent union employees.

Q—Which President, in accepting the nomination announced that he would not seek re-election? A—James K. Polk, in 1844.

Q—Who said that a mugwump is a person educated beyond his intellect? A—Horace Potter, during the Cleveland-Baine campaign of 1884.

Q—Is Murmansk an ice-free port in winter? A—The Gulf Stream keeps the harbor free of ice the year round.

Q—Where did the watermelon originate? A—in Africa. It spread to Southern Asia in early times. The fruit is now raised in America, where the best varieties have been developed.

Q—What was the backstage kibitzing of powerful Standard Oil of New Jersey, which had settled with its independent union workers for an approximate 10 cents an hour basic wage boost (plus extra pay for night shifts) and didn't want the rest of the industry to go any higher.

JACOBY ON BRIDGE

By OSWALD JACOBY

Written for NEA Service

The trouble with certain bridge players is that they think only with their own brains. Sometimes it's more important to think with an opponent's brains.

Take today's hand for example. South was brilliant—except that he forgot the human factor.

South ruffed the opening diamond lead, cashed the ace of hearts, and then led the ten of spades. It was a splendid idea—as far as it went. He was willing to give up one trump trick to make sure of getting to dummy with the nine of spades. Then he would discard low clubs on the king and queen of hearts.

When this hand was played, almost 30 years ago, the East cards were held by Lee Hazen. Today Hazen is one of the best bridge players in the country, but at that time he had been playing the game for only a few months.

Nevertheless it wasn't difficult for him to see that declarer was trying to give up a trump trick in order to reach dummy. So East refused to win the trick.

Declarer was still far from beaten. He laid down the ace of clubs and followed with the king of clubs.

Bridge hand diagram showing North, South, West, and East cards and their suits.

Opening lead—4

If Hazen ruffed, the defense would win any return, capture the jack of trumps, and enter dummy with the nine of trumps.

Beginner thought he was at the time. Hazen could see declarer's plan. South obviously had only black cards left in his hand and was trying desperately to reach dummy. So Hazen refused to ruff the king of clubs.

And now declarer was washed up. There was just nothing he could do with his two low clubs. If he tried to ruff them in dummy, East would over-ruff. If he drew trumps, West would eventually win two club tricks.

South went wrong because he forgot that his opponents would surely block him if he made his plans crystal clear. The right plan for the hand is to ruff the first diamond and immediately lead the ace and king of clubs.

If both opponents follow, South can then draw trumps and give up one club at most. If an opponent ruffs the first or second club, South has a sure entry to dummy by means of the nine of spades.

Would East refuse to ruff the second club if the hand were played this way? He'd have to be a mind reader to reject the trick, so South would, almost surely, make his slam.

Two Are Hostesses To Las Camaradas

Mrs. A. L. Gill and Mrs. C. W. Crawley were hostesses Tuesday to the Las Camaradas Club at a meeting held in the Ranch House. Miniature figures of square dancers centered the individual tables. Prizes for the afternoon's games were won by Mrs. F. A. Scott, Mrs. Ross Brunner, Mrs. W. E. Crites, Mrs. Daniel H. Griffith and Mrs. Jerome Grayum.

Guests, in addition to Mrs. Griffith, were Mrs. Paul Lathrop, Mrs. R. L. Walker, Mrs. Joe Mims, Mrs. Harry Gosselt, Mrs. Jack Judd, Mrs. C. R. Skidmore, Mrs. James Sneed, Mrs. Thomas Marins and Mrs. R. L. Noah.

Other members present were Mrs. Clem George, Mrs. James L. Bradley, Mrs. C. P. Cummings, Mrs. Fred Howard, Mrs. J. G. Chauncey, Mrs. Jack Walcher, Mrs. Frank W. Reeves, Mrs. Glen Shoemaker, Mrs. Ray Seifert, Mrs. Max Hendrick, Mrs. Oliver Haag, Mrs. John B. Mills and Mrs. F. A. Forrest.

HAS MISSIONARY PROGRAM

The Girls Auxiliary of the West-side Baptist Church met Monday in the church for a missionary program of "Hawaii Calls." Mrs. Homer Lankford was in charge. Ten members attended.

Graduate Nurses Meet In Kermit

Ella Patton of the State Public Health Department was the guest speaker at a meeting of District 21, Texas Graduate Nurses Association, held Tuesday night in Kermit.

Miss Patton spoke on "Improvement of Nursing Service." Mrs. Gayle Duffey presided over the business meeting. Special guests were high school seniors from Kermit and Monahans.

Thirty-five members attended. Those from Midland were Mrs. Ruth Rhodes, Mrs. Mildred Robinson, Mrs. Joyce Hooper and Mrs. Irma Day.

Baptist WMU Has Business Meeting

The Woman's Missionary Union of the Greenwood Baptist Church met Monday for a business session. The group voted to send clothing to a Latin American orphanage. Mrs. W. O. Graham gave the opening prayer and the closing prayer was given by Mrs. O. N. Reed. Others attending were Mrs. Alvie Bryant, Mrs. Johnny Morgan, Mrs. B. T. Graham, Mrs. J. B. Branham and Mrs. W. T. Burrow, Jr.

Wesley Bible Class Elects New Officers

Mrs. W. M. Whitmore was named president of the Wesley Bible Class of the First Methodist Church Monday at a meeting held in the home of Mrs. R. S. Watkins.

Other officers are Mrs. W. M. Long, vice president; Mrs. E. B. Patterson, teacher; Mrs. S. H. Gwyn, assistant teacher; Mrs. W. A. Black, secretary; Mrs. H. S. Merrell, assistant secretary, and Mrs. L. C. Stephenson, reporter.

Mrs. Watkins read the devotional and the opening prayer. Mrs. Gwyn gave "The Two Roads" and Mrs. Merrell gave "In Mother's Heart." The closing prayer was given by Mollie McCormick.

Others present were Mrs. M. D. Johnson, Nettie Crawford, Minnie Crumley, Emma Harlow, Florence Patterson, Mrs. T. A. Fattin, Mrs. Black, Mrs. Stephenson, Mrs. J. M. Reising, Amelia Hawkins, Mrs. John Ficke and Mrs. F. H. Wilmoth.

St. Andrews Church Plans Box Supper

The congregation of the St. Andrews Presbyterian Church will observe family week with a box supper at 6:30 p.m. Thursday at the church, 1605 North Terrell Street.

All families and friends of the church are invited to attend. Drinks and dessert will be furnished by the church. Slides of scenes at Mo-Ranch, synod conference ground, will be shown by Tommy Newbold. Books on Christian family life will be on display.

Drawing Class Meets In Studio

Eleven artists attended the Tuesday meeting of the drawing class of the Palette Club. John W. Koenig is the instructor and Frank Lee models for the action sketches.

It was announced that the craft group will not meet Wednesday because of a conflict with the Palette Club business meeting.

Fair Committee Has Pre-Summer Meeting

The Christmas Fair committee of the St. Mark's Methodist Church held its pre-summer planning meeting Tuesday in the home of Mrs. Sam Crews.

Mrs. G. C. Merkel is general chairman of the event which is slated tentatively for November 21. Co-chairmen are Mrs. Crews, Mrs. D. N. Pittman, Mrs. J. F. Merriman and Mrs. Brandon Rea.

Plans were made to serve a supper at the fair this year. Each circle, it was announced, will be responsible for making 12 aprons and 12 articles of doll's clothing by October 1.

Pyracantha Visits Midland Gardens

Five Midland gardens were visited Tuesday by the Pyracantha Garden Club on its annual Spring pilgrimage.

The gardens visited were at the homes of Mrs. M. S. Dickerson, Mrs. Jack Bliss, Mrs. Richard Hughton, Mrs. Frank Aldrich and Mrs. N. A. Lancaster. Refreshments were served at Mrs. Lathrop's home by Mrs. E. A. Wahlstrom and Mrs. Morgan Gist.

Members of the pilgrimage committee included Mrs. Max David, Mrs. Paul Lathrop and Mrs. L. F. Uhrig.

Hospital Day Meeting Held By Baptists

The Woman's Missionary Union of the First Baptist Church observed Hospital Day with a coffee and general meeting Tuesday in the church.

Dr. K. E. Steidland spoke on "Baptist Hospitals," stressing the needs of the seven Baptist hospitals in Texas. He urged the members to contribute to the hospital program through the Mother's Day fund.

Mrs. Charles Mathews, benevolence chairman, was in charge of the program. Mrs. Noel Cason, president, presided over a short business session.

Twenty-one members were present.

SOCIETY

6—THE MIDLAND REPORTER-TELEGRAM, WEDNESDAY, MAY 7, 1952

Midland P-TA Units Conduct Joint Installation Ceremony

A joint installation of Parent-Teacher Association officers was held Monday in the Sam Houston Elementary School.

Mrs. J. J. Black installed the officers.

City council officers installed were Mrs. Raymond Leggett, president; Mrs. E. L. Mount, vice president; Mrs. J. J. Black, secretary, and Mrs. Waldo Leggett, treasurer.

Board To Name New Committees

The executive board of the St. Andrews Presbyterian Women of the Church voted Monday to appoint a telephone committee and a social committee.

The meeting was held in the home of Mrs. H. G. Sehnert, with Mrs. Don Crookham, vice president, presiding. Others present were Mrs. C. E. Gallagher, Mrs. William Caldwell, Mrs. James Grimes, Mrs. E. T. Shahan, Mrs. E. J. Binco, Mrs. G. E. Williams and Mrs. Charles Gaylord.

Katie, Alvin Hatton Circle Has Study

The Katie and Alvin Hatton Circle of the Calvary Baptist Church met for mission study Monday in the home of Mrs. Leon Woods.

Mrs. R. L. McFaddin led the opening prayer. Mrs. Claude St. John conducted the study and led the closing prayer. Others present were Mrs. W. F. Ward, Mrs. Frank Hardy and Mrs. Verne Dawkins.

Midland High School P-TA officers are Mrs. S. M. Erskine, president; Mrs. Waldo Leggett, first vice president; Mrs. F. D. Hefren, second vice president, and Mrs. H. L. Hensley, secretary.

Casualties in Korea

WASHINGTON—The Department of Defense Tuesday night announced the following Texas casualties in the Korean area:

Killed in action, Marine Corps: Pfc. Edwin M. Patton, Ivanhoe.

Wounded, Marine Corps: Sgt. Lloyd G. Ward, Borger.

Injured, Army: Pfc. Louis E. Myers, Dallas.

Seven Are Uninjured In Crash of Bomber

SYDNEY, AUSTRALIA—(AP)—A speeding electric train crashed into the rear of another train waiting at a station during a dense morning fog Wednesday, killing seven persons.

Both trains were full of work-bound commuters. More than 100 were injured, 84 seriously enough to be taken to hospitals.

Cancer Clinic Sues Magazine, Winchell

NEW YORK—(AP)—A Dallas cancer clinic owner has sued Collier's Magazine, Walter Winchell and others for a total of \$40,000,000 on libel charges.

The suit was filed Tuesday by Harry M. Hoxsey.

Defendants named include: Writer Bill Fay and the Crowell-Collier-Publishing Company, columnist-commentator Walter Winchell and his former sponsor, Richard Hudnut, Inc., and the American Broadcasting Company, which until recently carried Winchell's radio broadcasts.

Hoxsey charged that an article by Fay in the May 26, 1951, issue of Collier's entitled "Cancer Quacks—How Medical Fakers Prey on Human Suffering," libeled his clinic.

He said Winchell, his sponsor and the network combined to call further attention to the article.

Hoxsey asked \$10,000,000 damages from the magazine, Winchell, Hudnut and ABC.

'Luminous' Object Roams Texas Skies

GALVESTON—(AP)—Galveston, and Beaumont Weather Bureaus reported seeing a luminous object, flying at high altitude, moving fast and swinging Tuesday night.

A spokesman at the Galveston Weather Station said the object was "not a comet, not a star and not an airplane." He said the object headed south over the Gulf of Mexico.

Jean Arthur Takes Picture-less Vacation

LONDON—(AP)—American film and stage star Jean Arthur began a three-month vacation in England Wednesday and asked photographers not to take her picture, please.

With her hair clipped short and wearing dark glasses, she explained apologetically: "I'm ugly without Hollywood makeup."

All-Out Taft-Ike Fight Due At Mineral Wells Convention

By The Associated Press

There's going to be a whole of a fight at the Texas State Republican convention.

Party members who like General Eisenhower outnumbered supporters of Senator Robert Taft in Tuesday's Republican county conventions.

An Associated Press count showed 30 county conventions had instructed their delegates to vote for Eisenhower, 39 had named unopposed delegates, 11 instructed for Taft, and 13 counties had doubleheaders—in most instances, rump Taft conventions after Eisenhower forces took over the regular conventions.

The result: Rump conventions in almost every major city, with out-numbered Taft people retiring from convention halls to elect rival delegations to the state convention at Mineral Wells May 27.

That's what happened at Houston, Dallas, Fort Worth, Amarillo, Waco, Beaumont, Brownsville, Galveston, and even in many smaller cities.

At Mineral Wells, the rump delegations supporting Taft will have this advance in pressing their claims: a sympathetic audience.

The state party machinery is in the hands of Taft people.

Henry Ewiford of Fort Worth, after leading a bolt of Taft and MacArthur backers from the Ike-dominated Tarrant County convention, had this to say:

"The Texas Republican organization and delegates favorable to Senator Taft from throughout the state will be in control (at the state convention). They will send a minimum of 30 to 38 delegates to the national convention favorable to Senator Taft and General MacArthur."

The Fort Worth conventions followed the usual pattern: Eisenhower backers proved their strength on a test vote (in the case involving approval of the temporary roll of delegates). Zweifel strode to the stand and announced, "We will withdraw from this convention and hold one of our own." While Ike backers boomed and yelled "Dirty Politics," the Taft-MacArthur people walked out to hold their rival convention.

The pattern was broken by unusual developments at Amarillo, where the Potter County convention had been called for 8 p.m. The County Executive Committee used the room until 10:20 p.m. to examine cases of rival precinct delegations. At 10:30, angry Ike backers stormed in, demanded that the convention be called to order.

Fists flew momentarily, but the room was so jammed there was no room for a good fight. Eisenhower forces took over, named a delegation pledged to support the general, and adjourned. This convention was called to order by County Chairman Frank Robinson.

Then the Executive Committee resumed its meeting, wound up its

business at 11:40 p.m., whereupon another county convention, with Taft men in charge, was called to order at 11:50 p.m. It named a delegation favorable to Taft, and adjourned early Wednesday—about 12:15 a.m.

The Amarillo hi-jinks were almost matched at Austin, where no Taft supporters showed up at the time the convention was called. Eisenhower supporters quickly named a delegation pledged to Ike. Hours later Taft supporters called their rump convention and named a rival delegation.

An exception to the Eisenhower show of strength was at San Antonio, where the Bexar County convention, in an atmosphere of peace and quiet, named a nine-vote delegation favorable to Taft.

The Dallas County bolt was well-engineered in advance. Five minutes after the meeting opened, out-numbered Taft supporters, claiming "notorious Democrats" dominated rival Eisenhower forces, walked out. They left the air-conditioned Fair Park Auditorium and held their rump convention on a nearby parking lot.

At Houston, the test vote which sent out-numbered Taft backers to their rump session was on their attempt to submit a minority report from the County Executive Committee attacking legality of certain precinct delegations.

At Houston, the test vote which sent out-numbered Taft backers to their rump session was on their attempt to submit a minority report from the County Executive Committee attacking legality of certain precinct delegations.

At Houston, the test vote which sent out-numbered Taft backers to their rump session was on their attempt to submit a minority report from the County Executive Committee attacking legality of certain precinct delegations.

Missouri Strength Increased By Ike

JEFFERSON CITY, MO.—(AP)—Gen. Dwight D. Eisenhower increased his Republican National Convention strength in Missouri Tuesday, running his delegate count for the state to 11 certain and two probable votes.

Senator Robert A. Taft has one pledged delegate.

The state will have 26 votes at the presidential nominating convention in Chicago next July. Six districts still must elect two delegates each.

Givens Is Low Bidder On Air Base Building

FORT WORTH—(AP)—The apparent low bids for constructing a headquarters building at Big Spring Air Force Base was submitted by the J. RAY Givens Construction Company of Lubbock.

The firm's bid, opened Tuesday at the district Corps of Engineers office, was \$72,000.95. The second low bid was \$73,142 by Swain Construction Company, also of Lubbock. The high figure of four opened was \$86,296. The government estimated the project at \$68,120.

The contractor will have 135 calendar days to do the job.

Bullington Wavers

State Republican Chairman Orville Bullington of Wichita Falls and Wichita County Chairman O. E. Hart watched as Eisenhower leaders steamrolled the county convention for the general.

The Ike supporters offered to send Bullington and Hart as delegates, each with half a vote, but both declined to be pledged to Eisenhower.

"I've said all over the state that I do not intend to pledge my support to Taft or anyone else until Eisenhower makes a statement of policy," Bullington told the convention. "I cannot break my word."

Later Bullington was heard to say "I won't be for Taft; I can tell you that."

Carlos Watson of Brownsville, state Republican Party secretary, presided over a rump Cameron County convention. At Waco, Eisenhower backers sat through the Taft-controlled convention, then stayed to hold their rump meeting.

Airman Charged In Rape, Shooting Of Woman Cab Driver

DALLAS—(AP)—A 23-year-old airman from Carwell Air Force Base was held in jail without bond Wednesday on charges of armed robbery and assault to murder.

A 33-year-old Fort Worth woman cab driver, Mrs. Margaret Lister Gay, was raped, shot and left in a West Dallas field after her assailant robbed her.

A bullet that raked the woman's spine left her partly paralyzed. She was found Tuesday, lying in a remote section near the Trinity River, where she had been for 14 hours after the attack.

Cpl. Obie Lee Belcher gave a signed statement to deputies of Sheriff Bill Decker. He was arrested at the air base by Sheriff's Deputies B. W. Adams, Jr., and W. R. Milam. Belcher also made a statement to Carwell officials who cooperated in the arrest.

Justice of the Peace Glenn Byrd ordered Belcher held without bond after Sheriff Decker filed the charges.

ENTERS HOSPITAL

Buster Coffey, six, son of Mr. and Mrs. R. H. Coffey, was admitted to Western Clinic-Hospital Wednesday morning for surgery.

MEDICAL PATIENT

Steve Perez, 605 Madison Street, was admitted as a medical patient Tuesday night at Western Clinic-Hospital.

With Month's Exception, April Postal Intake High

With the exception of December, 1951, receipts at the Midland Post Office for the month of April were greater than any previous month in the post office's history, Postmaster N. G. Oates said Wednesday.

The April receipts totaled \$40,844.32 as compared with the record of \$61,355, set in December of last year, Oates reported. A further comparison of the postal receipts for April of this year with the same month last year shows a 35.3 per cent hike.

"Receipts have shown an increase each month this year as compared with last year, and at the rate it's going we will hit the \$500,000 mark—a record amount—by the end of the year," Oates said. He added that April receipts totaled more than the entire receipts for the year 1950 at the post office here.

For the first four months of this year, receipts totaled \$153,107.35 as compared with \$116,328.33 for the same period in 1951. Oates said the postal receipts increase was indicative of the continued growth of Midland.

Fairless Heads U. S. Steel Board

NEW YORK—(AP)—Benjamin F. Fairless took over full direction of the nation's largest steel producer Wednesday, following the retirement of Irving S. Oids as chairman of the United States Steel Corporation.

Oids retired Tuesday from his \$211,000-a-year job, and Fairless immediately was named the new chairman of the board of directors.

Fairless will continue as the president of the steel industry giant, making him the first man in the corporation's 50-year history to hold both posts. He also was appointed chief executive officer.

Fairless, a coal miner's son who became U. S. Steel's president at the start of 1938, earned \$261,000 with the corporation last year.

The shifts in the corporation's direction were announced here Tuesday following the annual organizational meeting of U. S. Steel directors.

Methodists' No-Smoking Pledge For Ministerial Candidates Is Continued

SAN FRANCISCO—(AP)—The quadrennial general conference of the Methodist Church closed a legislation-packed 14-day session Tuesday night with a paring shot at smoking.

In the final, fast-moving session, the conference voted to continue the no-smoking pledge required of ministerial candidates. It voted against giving full ministerial rights to women, set forth the church's views on war and peace, made a change in the church's social creed, and set up a new board to study social and economic relations.

Church spokesmen said the conference made more major changes in church organization than any since the first conference of the United Methodist Churches in 1828. It also handled a record number of legislative petitions.

Ordered To Be Enacted From a survey commission report on overhauling church structure, the conference chose the least controversial parts and ordered them enacted. It agreed to redraw the organization of the 40,000 local churches, making an expanded official board the administrative authority in each.

The 750 delegates from some 25 countries passed resolutions calling for elimination of racial discrimination and censuring the un-

official Methodist Federation for Social Action, which many churchmen labeled leftwing. They agreed that negro churches might join white jurisdictions if all parties consented. They decided unordained pastors could administer the sacraments only if they were studying for ordination.

To run church agencies until the quadrennial conference of 1956, delegates voted a record general budget of 11 million dollars for each of the next four years.

Some of the most bombastic debate came in the final hours. Urging the conference to throw out the no-smoking pledge, the Rev. Dr. John Versteeg of Athens, Ohio, demanded:

"Did you ever hear of a man coming home and beating his wife and children because he had too much smoke inside him?"

The Rev. Dr. Cyrus Albertson of Seattle voiced the opinion of opponents when he said:

"It's not so much tobacco use as the impression ministerial candidates will get that somehow the Methodist Church has pulled down its standards."

Severe cold during winter months is very essential to many flowers of the north temperate zone.

Permian Basin Oil And Gas Log—

(Continued From Page One)
hour test was 1,320-1.
No. 1 Township is five miles west of Lovington and 600 feet from south and east lines of section 4-16a-35e. It was drilled to 13,481 feet in the Devonian where it failed to make an oil well.
Humble Well
Humble Oil & Refining Company No. 1 Federal-Elliott, another Central-East Lea County Permian discovery, flowed 236 barrels of 51-gravity distillate in 24 hours through a three-quarter-inch choke and perforations from 12,890-910, 13,126-135 and 13,140-175 feet.
Gas volume was at the rate of 4,340,000 cubic feet per day. Flowing tubing pressure was 400 pounds.
This project is now shut-in awaiting erection of tanks.
Location is 600 feet from north and east lines of lot 1, section 1-16a-34e. It is about nine miles west of Lovington.

Seventh Pay Zone In Goldsmith Pool Indicated By Gulf

Gulf Oil Corporation No. 712-H Goldsmith has indicated the seventh pay zone in the Goldsmith field of Northwest Ector County.
The new pay formation is the Holt which was found productive on a two-hour and 20-minute drillstem test from 5,090 to 5,120 feet.
Gas appeared at the surface in 14 minutes and oil in 20 minutes. The well flowed 23 barrels of oil in one hour, after which 66 barrels were reversed out of drillpipe.
Operator will set 5 1/2-inch casing for completion of the new discovery.
Other pays in the Goldsmith area are the Grayburg, a gas zone; San Andres, 5,600-foot, Tubb, Devonian and Ellenburger.
Location of No. 712-H Goldsmith is in section 4, block 44, T-1-S, T&P survey.

Aurora Will Try To Complete Gains Discovery On Pump

Aurora Gasoline Company No. 1 M. E. Doss, prospective Devonian discovery in Southwest Gaines County is preparing to install a pump to complete.
This project is swabbing about six barrels of fluid per hour naturally. It is 75 per cent new oil and 25 per cent drilling mud, salt water and basic sediment.
From Perforated Section
The production is coming from perforations in the casing at 9,678-9,708 feet.
As soon as the well is thoroughly cleaned a pump will be put in and a potential test will be taken and operator will put it on regular production.
It is four miles north of the nearest Devonian production in the Jenkins field and three miles south of the Elley-Clark Park field.
Location Given
Location is 600 feet from south and 600 feet from east lines of the southwest quarter of section 298, block G, C&D&R&O&G survey.
Total depth is at 9,883 feet. The 5 1/2-inch casing is cemented on bottom. Top of the Devonian is at 9,800 feet. Derrick floor elevation is 3,426 feet.
The exploration is 12 miles southwest of Seminole.

Undeveloped Area In SE Midland Is Site For Tester

Texas Crude Company No. 1-4 Dudley is to be drilled as a Spraberry exploration in an undeveloped area surrounded by producers in three fields of Southeast Midland County.
The project is to be drilled 600 feet from south and west lines of section 4, block 37, T-5-S, T&P survey and 30 miles southeast of the city of Midland.
It is slated for an 8,000-foot bottom.
It is one and one-quarter miles east of production in the Midkiff field, the same distance north of Weiner-Floyd production and one mile west of the Driver field.

Vincent & Welch Officials Visiting Midland Office

A group of officials of Vincent & Welch, Inc., from the concern's headquarters at Lake Charles, La., are visiting in Midland.

as a one-mile south extension to production in the Levelland field of Southeast Cochran County.
The new oiler was finished for a daily pumping potential of 75.23 barrels of 21.3-gravity oil from open hole at 8,980-8,985 feet after 8,000-gallon acid treatment.
Location is 440 feet from north and west lines of section 27, Harrison & Brown survey.

Parks Explorer Set In Midland

Magnolia Petroleum Company No. 4 H. F. Timmerman is a new Pennsylvanian project at the southwest edge of the Parks field in West-Central Midland County.
Drillsite is 600 feet from north and 1,800 feet from west lines of section 8, block 40, T-3-S, T&P survey, and 1 1/2 miles south of Midland.
It will drill to around 10,600 feet.

Sul Ross Exes Set Meet In September

Next session of the Sul Ross Ex-Students' Association of the Permian Basin will be held the fourth Monday in September.
The group met Friday in the Ector County Public Library at Odessa for its second and final meeting of this school year.
By-laws of the association were read, discussed, revised and accepted.
Entertainment consisted of Spanish dancing by Marty Sanchez, Sul Ross student.
John Prude, director of Sul Ross public relations, and his wife were guests.

Congratulations To:

Mr. and Mrs. C. F. Aubrey of Terminal on the birth Monday of a daughter weighing seven pounds, six ounces.
Mr. and Mrs. Joe H. Rockwood, 1211 East Lynn Street, on the birth April 27 of a daughter, Helen Carolyn, weighing seven pounds, five ounces.

Reservists To See Captured Nazi Film

A full-length German film captured during World War II, entitled "Victory In The West," will be shown at a regular meeting of the 9818 Volunteer Air Reserve Training Squadron at 7:30 p.m. Thursday in the district courtroom of the Midland County courthouse.
The public is invited.

COTTON

NEW YORK —(AP)— Wednesday noon cotton prices were 15 to 80 cents a bale lower than the previous close, May 28.57, July 27.98 and October 35.99.

ELECTRICIAN HURT

Emergency treatment was received by Roy Pickens, electrician for General Engineers, Tuesday at Western Clinic-Hospital for contusions and abrasions of his left large toe. Attaches said the injury was caused by a pair of pipe-cutters being dropped on his toe.
Every known star in the firmament has either a name or a number by which it is identified.

Korean Veteran Returns For Visit In Home Town

Cpl. Felix Semmers, Jr., son of Mr. and Mrs. Felix Semmers, 607 South Weatherford Street, was back in Midland Wednesday—fresh from the battlefields of Korea.
He arrived in the States late last week and lost no time in getting back to his old home town.
He was visiting his family and friends, drinking coffee, taking in the sights, noting the many changes which have occurred here in recent months, and enjoying himself generally on his first day back in Midland.
"It is great to be back home," declared Corporal Semmers, who is here on a 30-day leave.
He enlisted in the service in August, 1950, and had been in Korea 18 months. He is proud of a Combat Infantryman's Badge which he received on the battlefield. The corporal formerly was employed by the Howard Company here.

Cancer Foundation Shareholders Elect

Dr. Fred Gaarde was elected president of the shareholders of the Midland Diagnostic Cancer Clinic Foundation at the annual meeting Tuesday night in Midland Memorial Hospital. Dr. Gaarde succeeds Dr. Henrie Mast.
Dr. Tom Bobo is the new vice president of the shareholders, replacing Dr. Gaarde. Dr. H. Glenn Walker and J. Harvey Herd were elected shareholders to replace Dr. J. H. Chapple and M. L. McGee, who are leaving Midland.
In the election of trustees of the clinic foundation, Jack Wicker and Herd were named for three-year terms, Winston Hull and Mrs. Paxton Howard were elected for terms of two years, and Mrs. J. L. Crump and Richard Hughston, one-year terms. Outgoing trustees are McGee and Gerald FitzGerald.
Dr. Kurt Leiksch reported on the progress of the clinic since its founding in January, 1951. He discussed the 60 patients which have been referred to the clinic by physicians in this area. Thirty-one were found to have malignancies at this time. Of the remaining 29 patients found to have cancer, through the cooperation of the clinic and the patient's physician, 18 were treated at Midland Memorial Hospital, eight were referred to other cancer treatment centers such as the M. D. Anderson Hospital in Houston and John Sealy Hospital in Galveston, and three were referred back to the patient's physician with recommendations for treatment.
Foundation funds were used to aid all indigent patients in diagnosis and in treatment whenever possible. Special X-ray and laboratory equipment used in the diagnosis and treatment of cancer have been purchased by the foundation.
Dr. Leiksch listed also the 16 scientific speakers who have been brought to Midland by the clinic

Rump Conventions Abound As Shivers' Forces Beat 'Loyal Democrats' Soundly

By The Associated Press
Gov. Allan Shivers' forces drubbed the "Loyal Democrats" soundly in Democratic county conventions in Texas Tuesday.
The defeat was so resounding it was obvious Wednesday the Loyalists have no hope in Texas—that their only hope lies in the national party convention at Chicago.
A surprise upset occurred at San Antonio, where Bexar County Democrats went down the line for the Loyalists. Shivers' anti-administration faction carried almost every other convention on which reports were available.
However, the Loyalists dutifully and noisily bolted in every major city where they lost, and in many smaller cities, too. They will bolt, too, at the state convention in San Antonio, May 27.
In fact, they already have reserved La Villita, a restored "Spanish Village" in the heart of San Antonio, for their rump convention.
Then they will go to Chicago in hopes the national convention will recognize them as the legal Texas delegates.
On the county level Tuesday, the Loyalists bolted and held rump sessions in Dallas, Houston, Fort Worth, Beaumont, Austin, Amarillo, Waco, Temple, Freeport, Pampa, Longview, Haskell, Borger, Montague, Dumas, Canyon, Tyler, Abilene, Wharton, Wichita Falls, and other cities.
An Associated Press count of results from 145 counties showed Shivers' had 337 unchallenged state convention votes, the Loyalists 73 unchallenged votes. There are 1,227 votes in all.
A total of 354 votes was tied up in the 20 counties where Loyalists held rump conventions. With Shivers in control of the convention, he can claim most of them at San Antonio.
The signal to bolt came, at most conventions, on a motion to adopt the controversial party loyalty pledge. Shivers' faction opposes the pledge to support national party nominees, regardless of who they may be.
Besides San Antonio, Loyalists captured the Tom Green County convention at San Angelo and the Jefferson County convention at Beaumont. However, the Beaumont convention contrarily sent an un-instructed delegation to the state

convention, and did not exact the loyalty pledge.
For Yarrowborough, Beckworth
May of the rump conventions, like that at Wichita Falls, endorsed Ralph Yarrowborough, Austin attorney, for governor, and Lindley Beckworth for the U. S. Senate. Yarrowborough is the liberal candidate opposing Shivers, who seeks reelection, and Beckworth opposes Price Daniel, conservative candidate for the U. S. Senate seat being vacated by Tom Connally.
The Smith County rump convention condemned the "Dixiecrat movement" and accused Shivers of trying to steal the Democratic vote in order to place the state in the hands of Republicans.
At Borger, Loyalist Leader Joe Rigdon, former oil workers union executive, told his rump convention that state Loyalist leaders have assured him Loyal Democrats will be seated at the national convention "regardless of what Shivers does."
Fists flew at Austin, but the ruckus quickly was quieted without injuries, when a sergeant-at-arms tried to take a precinct banner from a delegate following the Loyalists as they bolted. The bolt there came when Loyalist Leader John D. Cofer tried to invoke the party pledge before the convention was organized permanently, and was ruled out of order.
The Loyalist upset at San Antonio largely was the work of former Congressman Maury Maverick, who ma-

nuevered his group into a 290 to 70 lead on election of a temporary chairman.
Shivers' people then bolted at San Antonio—the only known instance of this. At Beaumont and San Angelo, where Loyalists held the upper hand, Shivers delegates stayed in the convention.
J. T. Rutherford Calls For Campaign 'Based On Truth'
EL PASO—J. T. Rutherford of Odessa, candidate for state senator, Wednesday called for a state senatorial campaign based on truth.
Rutherford, who now is serving his second term as state representative from the 12-county 68th District, made his statement in El Paso following a Midland talk Monday night by his opponent, Senator Hill Hudson of Pecos, who is running for reelection.
"I have been accused of voting for a bill that never came up for a vote before the House," Rutherford said. He did not identify the bill.
"I had hoped that the opposition would keep the campaign for state senator on a higher level than this. I think to restore faith in our government we who seek public office should conduct ourselves as gentlemen and not stoop to mudslinging and upritings."

Seven Die In Rail Crash In Australia

HONOLULU —(P)— Seven crewmen escaped injury when a two-engine U. S. Navy Neptune search bomber crashed at Barber's Point Naval Air Station Tuesday night. The right engine failed soon after takeoff. It burst into flames as Ensign Fred S. Epperson, 24, Hoopston, Ill., crashed the craft on the runway. Crash crews and fire fighters quickly controlled the fire.

United Gas Buys McCarthy Gas Firm

BEAUMONT —(P)— A special election here Tuesday approved sale of the Beaumont Natural Gas Company to United Gas Corporation. Owned principally by Glenn McCarthy, Houston oil man, Beaumont Natural Gas recently announced sale a result of inability to obtain gas supplies at prices enabling it to sell at current rates.

Salmon pike and goldfish are the only fish that do not sleep.

Hall's Death Ruled Suicide

RANKIN — The wound which brought death to Floyd L. Hall, 42, Odessa, found near here Sunday with a rifle slug through his right temple, was self-inflicted, according to a ruling Tuesday by Peace Justice-Omar Warren.

Funeral arrangements were pending Wednesday with Spalding Funeral Home of McCamey in charge. Officers had been unable to contact relatives. Hall, who faced charges of attempt to kill his brother here last January and was free under \$1,000 bond, was found lying outside his car near a tank 12 miles northeast of here by an oil field worker. He had driven about 200 yards off the road, apparently stepped out of the car and fired the shot, Sheriff Gene Echols said. No note was found. The concession stand operator was charged in Odessa with the January 13 attempt on the life of his brother, Everett, 41.

Charter Is Granted Florists In Midland

AUSTIN — A domestic charter was granted by the Secretary of State's office Tuesday to the Permian Basin Wholesale Florists of Midland. H. J. Sandoval, Earl A. Johnson and G. A. Diemer are incorporators with capital stock listed at \$7,200.

SLEEPER WAS NO GOLDFLOCKS

NEWPORT NEWS, VA. —(P)— It wasn't Goldlocks Mrs. Dorothy McManney and her husband found sleeping in their bed recently when they awoke in the middle of the night.

They told a Municipal Court judge here Tuesday the intruder was Bobby Aycock, 42, in court on a trespass count and a fourth offense charge of being drunk. Said Aycock to the judge: "I guess I lost my way I normally sleep about eight blocks further up town."

Kefauver, Russell Face Hot Battle For Alabama Votes

BIRMINGHAM, ALA. —(P)— A sharp battle between Georgia's Senator Russell and Senator Kefauver of Tennessee for Alabama's 22 Democratic convention votes is indicated by results of Tuesday's party primary.

All of the delegates named are unpledged and most have not indicated publicly their choices for the party presidential nomination. Russell apparently will have at least three and one-half votes. Kefauver is certain of only two.

The delegates will meet here May 27 to plot a course of action. This delegation, in contrast with that in 1948, is pledged to remain in the convention and to support its nominees. Half of the 1948 delegates walked out in protest against the party's civil rights platform.

Father Of Midland Resident Interred

BAIRD—Funeral services for H. L. Turner, 84, father of Mrs. J. W. Myers of Midland, were held in the Baptist Church here Monday. He was interred in Rose Cemetery here.

Turner died Sunday afternoon after an illness of two years. A native of Brown County, Turner had lived in this area 10 years and at Clyde the last two years. He was a member of the Baptist Church.

In addition to his daughter, Mrs. Myers, survivors include the widow; another daughter, Mrs. G. E. Eldon and Donald Turner, both of Clyde; a brother, Rufe Turner of Hamilton, and a sister, Mrs. T. M. Reed of Big Lake.

Artists use brushes today which are believed to be about the same as those used in 3,000 B. C.

Big Spring Moves To Conserve Water

BIG SPRING — An emergency clause to the city charter restricting the use of water was passed Tuesday by the City Commission here.

Effective immediately, the measure prohibits city water for irrigation, air conditioners with circulators, car washing, and for commercial use.

The city swimming pool will remain closed this Summer, it was announced.

Since all the small lakes near here are almost dry, half the city's supply of water now is coming from wells.

Air Force Officer Who Resided In Belfry Discharged

TRAVIS AIR FORCE BASE, CALIF. —(P)— Second Lt. Clarence B. Wigley, Jr., a B-29 pilot who lived in a church belfry several weeks, has been issued an Air Force discharge "under conditions other than honorable."

The Air Force said Tuesday he was permitted to resign in lieu of a court martial on desertion charges. He was paroled to his father, Clarence B. Wigley, Sr., Wichita Falls, Texas.

The ex-flier, arrested last week, said he was the "phantom" of the Vallejo, Calif., seventh Day Adventist Church belfry, who unlocked doors and removed food and dishes.

Wigley's discharge is a type without the penalty of a dishonorable separation, but without the privileges of an honorable one.

Had a very pleasant talk with Keith Nicolls before Monday night's game here with Big Spring.

Like many other Indian fans, we were curious to know just what is wrong with the Midland team, so we put the question to Nicolls.

"There's nothing wrong with us," he replied. "We've got a good ball club. All we need is a little winning streak to set us off."

Nicolls later furnished what would have been the impetus for a winning streak by shutting out the Bronces on five hits to gain his third victory and the second straight shut-out win for the Indians.

An extremely likable fellow, Nicolls is on a leave of absence from a school teacher's job at Erie, Pa.

If he had a couple of bad years in baseball, would he give up the sport and return to his teaching job? we asked.

Without hesitating, he said he would be glad to return to his job of teaching history to the sixth and seventh grades.

"I had a nice bunch of students. They were a good class," said Nicolls reflectively.

"This guy Bonura," we tested jokingly, "do you have any trouble getting along with him?"

"I don't have any trouble getting along with anybody," was Nicolls' reply.

"The world is full of people you come into contact with every day. You can't do anything without associating with people, so why not get along with them?" he said.

Nicolls had a 13-2 with a team in the Mid-Atlantic League which folded because it couldn't draw a sufficient number of fans.

Last week, we stated in this column that Jim Prince, former Midland Indian first baseman, thought Left Fielder Dick Cassidy was a natural ball player.

Now Cassidy is telling his diamond buddies that "This Prince is a heck of a smart baseball man. He knows talent when he sees it."

They still talk about Dick Wakefield around the Detroit organization.

The outfielder, now with the Giants, was the first of the bonus kids, picking off \$52,000 for signing. Older hands resented him when he joined the club. Their anger mounted when the fresh kid arrived in camp with a big, sporty automobile.

Wakefield learned the veteran players resented his fine, new auto, so he went to some reporters with a request.

"I wish you fellows would put in the paper that it's not true I'm driving a big Cadillac," he said.

"It's just one of the small ones."

Five Clubs Share Texas Loop Cellar

By The Associated Press

There's nothing embarrassing about being in the Texas League cellar—in fact, that's where the majority of the clubs are gathered.

Tulsa, percentage-wise, is the last-place club, having played fewer times, but in games behind is no worse off than Oklahoma City, Dallas, San Antonio and Shreveport.

All are five and a half games behind Fort Worth.

Tulsa Tuesday night padded its last-place seat with a 6-4 win over Houston. It was the third straight triumph for the Oilers.

Meanwhile, at the top of the standings, Fort Worth squared its two-game series with Beaumont, 3-2, in 10 innings and made certain the second time in a week that the pursuing Roughnecks wouldn't take over the top spot. Beaumont now stands a game and a half out.

Dallas stopped Shreveport, 7-2, and Oklahoma City whipped San Antonio, 6-1, to drag the two losers down into the cellar social circle.

Beaumont's Cliff Melton threw a no-hitter at Fort Worth for eight and one-third innings, but after his own mates picked up a 2-0 lead in the top of the ninth, he yielded doubles to Ted Del Guercio, Al Brancato and Bill Hunter to force the game into 10 innings.

Relief Pitcher Ken Hemphill squeeze bunted Odbert Hamric home for the deciding tally. Hemphill, pitching only the spare inning, got the win. Melton was tabbed with the loss although giving up but four hits.

Scherting Delivers

Houston's out-hit Tulsa, 13-8, but the Oilers came from behind with a three-run fifth and stayed ahead.

Tulsa was handed three walks and a Houston error in the big inning.

Elbie Flint connected for three hits and Ed Mierkiewicz four in Houston's bat attack.

Fast-fading Dallas called up Harry Scherting from its Longview club just in time. The veteran outfielder towered a three-run homer

over right field in the fifth inning and drove in another run to help the Eagles most in snapping a five-game losing streak. Hal Erickson, with that kind of support, sewed it up with a six-hitter, leaving nine Sports stranded as he fanned eight. It was Erickson's third win against the same number of losses.

Russ Burns scored twice, hit safely three times and batted in two runs to pace Oklahoma City by San Antonio. Bob Raney scattered seven hits and eight walks well enough to leave 13 Missions aboard.

His mates ran up a five-run third inning when San Antonio pitchers gave up three walks and three singles. The Indians batted around.

Crane Cagers Stage Spring Training

CRANE—Coach Johnny Johnson will round out a two-week Spring training program of the Golden Craps basketball squad this week.

Thirty boys, including five lettermen from last year's varsity team and eight B team players, are participating in the workouts.

The program will close this week with a game between the regulars and the seniors.

Halter Leads Artesia To 13-4 Win Over Fading Big Spring

ARTESIA—(P)—The Artesia Drillers, led by the fence busting of Paul Halter, clubbed the Big Spring Bronces, 13-4, here Tuesday night.

Halter, Driller third sacker, blasted two homers, a double and a single in the Artesia rout of the Bronces. One of his round trippers and the double both came in a huge seven-run spurge of scoring power in the second inning.

The Drillers had one bad inning, the fourth, when they committed all of their four errors to aid the Bronces in scoring their four runs.

Enrique Gonzales, Bert Bae, Buddy Grimes and Shaffer collected singles in this frame.

Artesia showed across a single tally in the first inning before erupting for seven big runs in the second frame. Halter highlighted the inning with his homer and double.

And Artesia went until the eighth frame before it scored again. The Drillers tallied five times, and again it was Halter who led the show, this time with his second four-master of the night. There were two on this time.

Fidel Alvarez went all the way in absorbing the loss. He was blasted for 13 hits, seven of them for extra bases. Ray Riley gave up only six hits in taking the win.

The two teams meet here again Wednesday night.

The score: R H E

Big Spring 000 400-4 6 4

Artesia 170 000 05x-13 13 4

F. Alvarez and Valdez; Riley and Briner.

Shell, Continental In Softball Victories

The Shell softball team slipped by Standard of Texas Tuesday night in the first game of a doubleheader in the Midland JayCee City Softball League at Wadley Park.

In the nightcap, Continental Oil pounded out a 21 to 5 victory over the Independents.

In the opener between Shell and Standard, both teams collected five hits. Sella paced the Shell batters by driving out a double and home run in two times at bat.

Rogers was the winning hurler and Campbell the loser.

Continental Oil collected 11 hits off Independent hurler Harris to rack up its win. Mims of Continental smashed a home run in the third inning and McLaughlin of Continental hit for the circuit in the fourth stanza.

In games Wednesday night, the Independents will meet Rensdew in the opener, while Phillips will meet Humble in the nightcap.

Imogene "Mo" Upton, a University of New Hampshire co-ed, was fifth in the women's slalom in the Winter Olympic Games.

Dusters Scalp Tribe In 10-Inning Contest

VERNON—The Midland Indians will attempt to win at least the second game of the two-game series with the Vernon Dusters Tuesday night when they send right-hander Fred Payne to the mound for his initial appearance of the year.

VERNON—(P)—Joe Niedson stunned everyone here Tuesday night when he picked out a 3-0 pitch to blast out a home run over the right field fence with a mate on the sacks and give the Vernon

Dusters a 9-7 victory over the Midland Indians. All this came in the bottom of the tenth inning.

The Indians had rallied for four runs in the top of the ninth to tie the game.

Starter Lefty Wallis grew wild in the ninth and loaded the sacks with bases on balls to Pat Lorenzo and Julio de la Torre after a single by Dick Cassidy.

Manager Chet Fowler rushed Raul Lago to the mound and the Cuban fireballer promptly issued gratis trips to Hayden White and Gordon Tanner to bring in Cassidy and Lorenzo.

This brought Eddie Baski into the act to hunt for Vernon. Baski, the eventual winner, faced Stan Wilcox, in a pinch-hit role. He singled to score De la Torre and White with the game knotting scores. Baski fanned Brown to end the inning.

With one down in the top of the tenth, reliever Bruce Blumenthal walked Fred Oliveri and dished up that 3-0 home run pitch to Niedson.

Blumenthal had replaced Dave McKenzie in the eighth after McKenzie went out for a pinch hitter.

His Santiago was hit in the head by a pitched ball in the second inning and was sent to a hospital.

A doctor rushed to the field and quickly ordered an ambulance. The doctor said the Cuban first sacker easily could have a concussion.

Odessa Oilers Grab Loop Lead By Tripping Roswell

ODESSA—(P)—The Odessa Oilers moved into first place in the Longhorn League here Tuesday night with a convincing 15-6 victory over the Roswell Rockets.

Once again the booming Bats of the Oilers proved to be too much for the opposition, as they blasted a pair of Roswell choppers for a total of 15 base blows, including a home run by Roberto Fabin and five other extra base hits.

Wes Ortiz went into distance on the hill for the Odessa crew, allowing six runs on 10 hits. Ortiz did, however, have control trouble throughout the game, walking eight and hitting one batter.

For the losing Roswell nine, Ron Peterson started on the mound but had to seek shelter in favor of Jack Kirk with one out in the third inning. During his brief stint, Peterson was tapped for 10 hits and 10 runs.

Kirk did somewhat better, although he had trouble at times with control, walking seven during his stay.

The two teams resume action Tuesday night, with Andy Alonzo the probable pitching choice of Roswell Manager Al Monchak. Juan Guerrero will work for the Oilers.

The score: R H E

Roswell 002 030 001-6 10 3

Odessa 217 001 40x-15 15 3

Peterson, Kirk and Crawford; Ortiz and Castro.

Robinson-Maxim Ink Bout Contract

NEW YORK—(P)—Middleweight Champ Sugar Ray Robinson and Light Heavy Champ Joe Maxim were due to sign official contracts at the New York Athletic Commission Wednesday for their June 23 Yankee Stadium match for the 175-pound title.

The International Boxing Club announced Tuesday the fighters agreed to an even 30-30 percentage split of the gate for both the June fight and a rematch in 90 days, if Robinson wins.

Robinson said he would weigh 158 for the fight. Maxim expects to be just under the 175-pound class limit.

Tommy Byrne, former pitcher for the Yankees and now hurling for the Browns, holds a BS degree in mathematics from Wake Forest.

San Angelo Colts Nose Out Sweetwater Braves, 4 To 3

SAN ANGELO—(P)—The San Angelo Colts scored four runs in the opening inning here Tuesday night and went on to defeat the league-leading Sweetwater Braves, 4-3, behind the seven-hit hurling of Bob Garza.

Three of the first-inning Colts runs were unearned as Brave fielding behind Pitcher Gil Grajeda crumbled for a pair of errors with two out.

Mart Dooley, Colt shortstop, opened with a single and moved to second when Center Fielder Charles Buck of the Braves dropped John Tavano's fly for an error. Tavano was forced at second on Floyd Martin's grounder, Dooley moving to third.

Dooley held up as Jake McClain dropped a single just in front of Left Fielder Charlie Tuttle.

Grajeda got Manager Mark Christman on strikes but hit Cotton Russell with a pitched ball to send Dooley across with the first run. A walk to Steve Follett and an error by Shortstop Pete Carmona on Wallby Arbutckle's easy pop fly allowed three more runs to cross.

Tuttle, leading off the Brave second, homered over the left field fence and Emil Carline, right fielder, followed with another homer in the same spot.

Another Brave run scored in the fifth on singles by Catcher Armando Trauspusto and Luis Saurer and an error by Follett in left field.

From there on, Grajeda and Garza waged a tight pitching duel with neither having any trouble.

Grajeda held the Colts to five hits but poor support in the first frame proved his undoing and knocked the Braves out of first place in the Longhorn League.

The score: R H E

Sweetwater 020 010 000-3 7 2

San Angelo 400 000 00x-4 5 1

Tribes' Gromek Blanks Yanks

Brooklyn Edges To NL Lead

By JOE REICHLER
Associated Press Sports Writer

Steve Gromek, 32-year-old right-hander from Hamtramck, Mich., qualifies as a Yankee killer for the Cleveland Indians.

The veteran right-hander, considered a second stringer on the Indian mound staff, pitched a neat 1-0 four-hitter in beating the Yanks and Allie Reynolds Tuesday night for the third time.

The last time Gromek started against the Yanks in Yankee Stadium—May 19, 1949—he trimmed the Bombers, 3-2. The time before that—in Cleveland in 1948—he downed the Yanks 2-1.

Gromek's shutout was the first time a Cleveland pitcher has blanked the Yanks since Bob Feller's no-hitter in April, 1946.

Steve not only handcuffed the Yanks with four singles but had the crowd of 35,914 limp at the finish when he retired the last three batters with the potential tying run on base.

The second-string Indian hurler climaxed the triumph by striking out Gene Woodling on three pitches. This is the same Woodling who hit five home runs against the Indians last year, each contributing to a victory. And this is the same Yankee team that defeated the Tribe 10 times in 11 meetings at Yankee Stadium last year.

Moreover, in beating Reynolds, he whipped a pitcher who thrashed the Indians five times last year, three times on shutouts, twice by a 1-0 score, and once via no-hitter.

"Credit the shtiker I developed during Spring training," Gromek said afterwards.

The Indians' tally off Reynolds came in the second inning. It was scored on singles by Dale Mitchell, Ray Boone and Birdie Tebbets. Cleveland's triumph, in the first clash of the season between the two leading contenders for the American League flag, kept the Indians within one game of the first-place Boston Red Sox, who frounced the Chicago White Sox, 11-2.

A pair of homers by Clyde Vollmer and another by Walter Dropo made it easy for Red Sox right-hander Willard Nixon to register his first triumph.

Conrado Marrero pitched the third-place Washington Senators to their fifth straight victory with a 5-3 win over Detroit. Again Jackie Jensen and Archie Wilson, obtained from the Yankees last Saturday, were the big guns on attack for the Nats. Jensen doubled, drove in a run, stole a base and scored twice. Wilson hit a single and triple, scored once and batted in a run.

Duane Pilletts pitched the St. Louis Browns back into the winning column with a 5-1 triumph over the Philadelphia Athletics as Marty Marion and Clint Courtney each hit homers.

Brooklyn's Dodgers moved past New York's Giants into first place in the National League with a tenth-inning, 5-4 victory over the Cincinnati Reds. Andy Pafko scored the winning run in the tenth. He tripled off Ken Raffensberger and scored on a fly by Carl Furillo.

Teeing off on former teammate Max Lanier and a parade of five additional hurlers for 15 hits, Eddie Stanky's St. Louis Cardinals snapped the Giant's seven-game winning streak with a 9-4 triumph. Robin Roberts hurled a brilliant two-hitter as the Philadelphia Phils snapped a four-game losing streak with a 6-0 victory over Pittsburgh. Johnny Klippstein pitched the Chicago Cubs to a three-hit, 2-0 shut-out over the Boston Braves in the only game played in daylight.

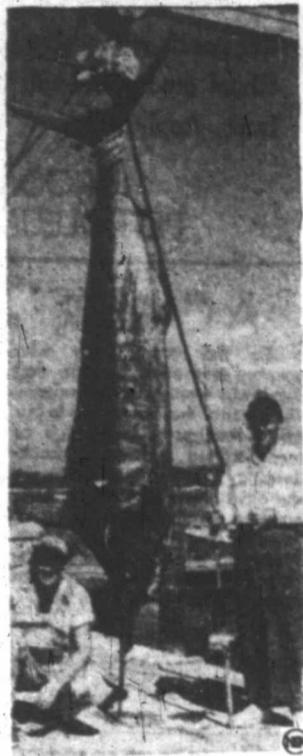

TECH SPLASHERS LOSE
TUCSON, ARIZ.—The University of Arizona defeated Texas Tech swimmers, 61 to 21, Tuesday.

Red Raiders To Participate In Border Conference Meet

LUBBOCK—Twenty-three Texas Tech Red Raiders will take part in Border Conference competition at Tempe, Ariz., Friday and Saturday.

Bulk of the participants—15 in all—will enter the track and field meet, where the Red Raiders have a chance to better by a couple of notches their fifth place finish of last season. Arizona University,

Arizona State at Tempe and Texas Western appear too strong for Coach George Scott's squad.

With decisions registered over New Mexico A&M and Arizona University, Wade Walker's four golfers should improve last year's sixth place ranking and get in the battle for second place. Hardin-Simmons is not expected to have any trouble repeating its championship. The Cowboys have beaten Tech twice this Spring.

Dr. Roy Male's quartet of tennis players may be able to hang on to the third place won last year. They have won over New Mexico A&M, West Texas State and Texas Western but have lost twice to Hardin-Simmons. Arizona University should defend its tennis title.

Track entries are Jerry Fairley of Pecos, Bill Killough of Edinburg, Ben Wilson of Lubbock, Ronnie Cordell of Oklahoma City, Ben Hawkins of Lamesa, John Weaver of De Leon, Don Briggs of Muleshoe, Paul Erwin of Odessa, Pete Rinaldi of Orange, N. J., Paul Nolan of Alvarado, Larry Knight of Breckenridge, Don Covey of Idalou, James Farrell of Amarillo, Dean White of Lubbock and Earl Hutcherson of Lubbock.

Golfers are G. W. Warden of Levelland, Paul McCully of Fort Worth, Joe Stoltz of Hobbs, N. M., and Jerry Thornton of Fort Worth.

Tennis players include David Clark of Lubbock, Buddy Satterwhite of Abilene, Jimmy Burgess of Lubbock, and Richard Clarke of Vernon.

Houston U Spanks Tulsa Nine, 15 To 6
TULSA, OKLA.—The University of Houston Tuesday trounced Tulsa, 15-6, in a Missouri Valley Conference baseball game. The Texans need only to win a final game against Tulsa Wednesday to meet Oklahoma A&M, leader of the conference's southern half.

The winner of the Houston-Aggie series will meet St. Louis, the valley champions.

NTC GOLFERS WIN
DENTON.—North Texas State College golfers defeated Texas Wesleyan College swingers, 4 1/2 to 1 1/2 Tuesday on the Eagle course.

RBI—De la Torre (14), Cassidy (9), Tanner (8), White (4), Albritton (4), Wilcox (3), Lorenzo (3), Browns (3), McKenzie (3), Crumley (3), Santiago (2), Blumenthal (2), Pennington, McKenzie.

2B—Tanner (5), De la Torre (4), Crumley (3), Cassidy (2), Albritton (2), Santiago, White.

3B—De la Torre (2), White, Brown.

HR—De la Torre (2), Wilcox (2), Pitcher's records: Jacome (4-1), Nicolls (3-1), Ten (0-3), McKenzie (0-1), Blumenthal (0-2).

Stolen bases — Albritton (2), Ogden, Crumley (2).

Clovis Gains Notch As Lamesa Clobbers Abilene's Blue Sox

Lamesa gave leading Clovis a boost Tuesday night in the West Texas-New Mexico League by dropping Abilene and handing the first-place club a two-game margin.

Lamesa circled past second-place Abilene, 15-5, while Clovis was taking care of Albuquerque in a 15-8 rousing.

In the other games, Pampa deserted the cellar when Stan Bartkowiak and Ed Sudol homered the Pioneers to a 6-4 triumph over Lubbock and Borger shoved Amarillo to the bottom with an 8-5 win. Three Amarillo pitchers gave up 15 hits.

George Payte hurled the Pampa victory by blanking Lubbock after the fourth inning. His win came on a four-run uprising by the Pioneers in the seventh inning.

Jim Matthews and Johnny Jean-dron hit for the circuit for Clovis in a game that interrupted twice by rain and two rhabarbs.

Brooks, Hornets Play To 5-5 Tie

Brooks Stores scored four runs in the bottom of the sixth inning Tuesday night to tie the Hornets, 5-5, in an American Legion League game. Darkness ended the game at the end of the sixth.

Richard Cobb, second baseman for the Hornets, knocked his second homer of the season. No one was on base.

The score: R. H. E.
Hornets 021 110-5 6 3
Brooks 001 004-5 4 4
Jobe, M. Harris and Coker, J. Vanderpool; McKnight and Pardue.

Dallas Texans Sign Zaleski, V. Kaseta

DALLAS.—Ernie Zaleski, former Notre Dame halfback, and Vince Kaseta, who has just wound up his string at the University of Tennessee, Wednesday returned signed contracts with the Dallas Texans of the National Football League.

Zaleski will be playing his third year of pro football. He was with Baltimore in 1950 and with the Washington Redskins last year.

Zaleski played with Notre Dame against Southern Methodist in that memorable game of 1949 in the Cotton Bowl.

Little Loop Cards Down Yankees, 9-8

The Cards downed the Yankees, 9 to 8, Tuesday afternoon on the South Little League field to rack up their fifth consecutive win of the season with no defeats.

Bobby Fisher was credited with the win while Herbie Farris was the losing pitcher.

The Cards take on the Eagles at 5:15 p.m. Thursday on the field located at Carter and Johnston Streets.

Rotary Wins 7-2 In Traveler Game

Rotary won, 7 to 2, over the Travelers in a Pony League game Tuesday.

York went the distance for the winners, striking out seven. Cooper whiffed nine in five innings before being relieved by Jackson.

The smallest baseball park in the National League, as far as seating capacity is concerned, is Crosley Field, Cincinnati. It holds 30,000.

Fifth Spring Atom Blasts Lights Skies At Yucca Flat Site

LAS VEGAS, Nev.—(AP)—Detonation of an atomic bomb 75 miles away at Yucca flat brilliantly lighted up the pre-dawn sky here Wednesday.

After the first flash of white light, which etched buildings here and the surrounding mountains, there was a golden glow in the sky, outlining clouds.

The flash came at 8:15 a. m. CST. Observers in Los Angeles, 250 miles away, reported seeing a "quick blink" in the sky to the northeast. It lasted but a fraction of a second. No shock was felt here and there was no sound from the blast. A small atomic cloud was visible above the desert. It disappeared quickly. No troops were to see action in this test, the Army said. Another group of 1,500 soldiers is being readied, however, for an atomic maneuver sometime next week.

Franchot, Barbara Settle For Cash

LOS ANGELES—(AP)—Franchot and Barbara Payton have made an out-of-court property settlement and the way is now open for an uncontested divorce.

After the agreement was announced Tuesday, Franchot filed an amended divorce complaint charging his wife with adultery with actor Tom Neal was taken off the court calendar.

Miss Payton's attorney, Milton Dolgen, said there was a settlement for a cash consideration that was satisfactory. He did not disclose the amount.

The couple married last September, 10 days after Neal beat Tone in a brawl over the actress' affections.

Ke Gets—

(Continued From Page One)

He was wise to link his candidacy with a platform supporting universal military training.

And a resolution opposed "Communism and disloyalty" was tossed aside as "unnecessary."

"We might as well go ahead," sneered Russell, "and adopt a resolution condemning all sin."

But on the main issues, the Republicans were tightly united and the first resolution approved was the one requiring the county's delegation—with five votes at the state convention—to support as a unit Eisenhower's candidacy.

The other resolutions included: A protest against centralization of government and urging the return of government to the states and all other matters not specifically delegated to the federal government by the Constitution.

Urging elimination of all unnecessary government bureaus.

Urging the balancing of the federal budget, "keeping it in balance and, as soon as it is balanced, reducing the federal debt."

Opposing federal contributions to public schools and asserting financing can be handled better on a local basis.

Opposing socialization of medicine. Favoring the Lodge-Gossett bill providing for an amendment to the Constitution which would split a state's electoral vote on the basis of the popular vote in the general election.

Favoring a constitutional amendment safeguarding the right of a worker to join or not to join a union. Recognizing the superior rights of the states to the territories.

Urging a united Republican party and a fair party convention.

Supporting Jack H. Porter, Eisenhower leader in Texas, for Republican national committee chairman from Texas.

Named as delegates were Hughston, Russell, Richard A. Resch, Cliff Wilderspin and Mrs. Jack E. Bliss. Alternates are B. R. Schabauer, F. H. Miller, George Heils, R. S. Brennan, Jr., and James M. Heysley.

Third gubernatorial Aspirant Pays Fee

AUSTIN—(AP)—A third candidate for governor, Mrs. Allene M. Traylor, has paid her filing fee along with her application for a place on the ballot in the July Democratic primary.

Mrs. Traylor, 43, is a housewife. A letter with a check covering the required filing fee was postmarked before midnight Monday, State Democratic headquarters said Wednesday.

Other candidates for governor are Allan Shiver for re-election and Ralph Yarborough, Austin attorney.

VETERAN UNIVERSITY FACULTY MEMBER DIES

AUSTIN—(AP)—Dr. Edmund Thornton Miller, 73, member of the University of Texas economic faculty almost 50 years, died Tuesday. Funeral services will be held Thursday.

HURT WHILE PLAYING—Phillip Gregory Johnson, five, son of Mr. and Mrs. P. M. Johnson, 419 East Spruce Street, received emergency treatment Tuesday at Western Clinic-Hospital, after he was struck in the mouth while playing on a swing.

Air pressure at 16,000 feet above sea level is about half that at sea level.

Mother Is Right, Doctors Wrong On Youth's Illness

ABILENE—(AP)—Twelve-year-old Lacy Harger has an inflamed stomach instead of a ruptured appendix, doctors said Wednesday. The lad was taken into custody by a child welfare unit so he could have an appendix operation.

Doctors had ordered the operation but his mother refused to allow it for "religious reasons."

A doctor said the boy is showing improvement and should be well in three or four days.

Taylor County Sheriff J. D. Woodard and two deputies took the boy to an Abilene hospital after they showed his mother a court order terminating parental control.

Mrs. May Harger, the widowed mother of 10 children, did not resist the order but claimed "Lacy is better. The Lord will take care of him." She did not reveal her religious affiliation.

The boy became violently ill at school Tuesday and was taken to the hospital by the school nurse. Doctors diagnosed his case as a "seriously ruptured appendix," but released Lacy to his mother after she objected to an operation.

County Judge Reed Ingalsbe and County Attorney Bill Tippen drafted a court order calling Lacy "a dependent and neglected child" and asking that custody of the boy be given to the county child welfare unit.

The order was signed by 42nd District Judge J. R. Black.

Other officers include Robert Whitehead, vice president; James Noland, secretary-treasurer, and John Walsten, sergeant-at-arms.

Named to the board of directors were Wright Cowden, Woody Adams, John W. Beatty and John McNeil. Charter night has been set for May 24.

Warren Olsen of Minneapolis, Minn., international representative for Civitan, attended the meeting.

Both Houses Pass Tideland Measure

WASHINGTON—(AP)—Legislation giving the states clear title to oil-rich lands along the marginal sea for three miles out from shore is expected to be sent to the White House soon.

Senate and House conferees Tuesday reached agreement over the measure as it passed the two Houses.

House conferees agreed to drop provisions dealing with the continental shelf seaward of the state boundaries.

Members of the Midland Lions Club elected officers for 1952-53 at their meeting Wednesday noon in Hotel Scharbauer.

The officers are: L. V. Basham, president; Duke Jimerson, first vice president; Robert Pine, second vice president; Cary O. Hyde, third vice president, and Clarence Nelson, secretary-treasurer.

Morris Howard was named Tall Twister in a spirited contest. Other candidates were J. M. McDonald, Al Case, Roy Minear and Frank Stubben (incumbent).

Runoff elections were being held for the offices of Lion Tamer and director.

Ret Carson is the retiring president.

Hunting Accident Fatal To Griddler

HOUSTON—(AP)—B. Bruce Willis, Jr., center on the Lamar High School city champion football team last year, was wounded fatally Tuesday in a hunting accident in Fort Bend County.

A 22 caliber rifle carried by Eddie Adams, 18, a close friend of the youth, discharged accidentally.

Continued Warm Weather Forecast

By The Associated Press

More hot weather was felt in Texas Wednesday as the month of May finished its first week in lack-luster fashion.

Even warmer weather than Tuesday's 104-83 maximum range could be expected by nightfall. Presidio in the Big Bend County had that 104-degree reading while Dalhart's 83 was the lowest maximum.

Some widely-scattered evening thundershowers in the Panhandle-Plains country and in El Paso were in the forecast.

Clark Arrives To Assume New Post

TOKYO—(AP)—Gen. Mark W. Clark arrived Wednesday to take over Gen. Matthew B. Ridgway's post as United Nations and U. S. commander in the Far East.

Ridgway will leave Monday to succeed Gen. Dwight D. Eisenhower as NATO commander in Europe.

Clark said he would "do everything in my power to bring about an honorable armistice in Korea."

Only two hours earlier, Ridgway announced the Communists had rejected the UN Command's "final compromise" on a Korean armistice agreement.

Thus Clark steps into the gravest crisis of the 10-month truce negotiations.

SURGERY SCHEDULED—Wesley Smith of Verden, Okla., was admitted to Midland Memorial Hospital Tuesday for surgery.

BARRON SHOWS UP OLDSTERS

While he was the only youngster competing against a host of adults, James Barron, 13, of Midland, won second place in the structure building class of a statewide model railroad contest at Waco Saturday.

An eighth grade student at John M. Cowden Junior High School, James has been building model railroads as a hobby the last three years.

The youth drew his own plans and made the parts for his prize-winning entry. This was the first contest of its type he had entered.

He is the son of Mrs. E. H. Barron, 1909 West Holloway Street.

Demos Vote—

(Continued From Page One)

determine whether the South will retain its sovereignty, either politically or economically.

"And, he continued, 'I'm pretty sick and tired of these lukewarm Democrats. I'm either hot or cold. I either am or I ain't!'"

When he finished, delegate F. C. Dale rose for a question.

"What do you mean you say you're a Democrat but you're not loyal?" he asked.

"I mean I do not think we should be shackled to support any possible candidate in the national convention may elect," replied Beznol.

"I will not under any circumstances bind myself at this time to vote for some candidates who conceivably might be nominated at the convention."

His statement drew heavy applause from the convention.

Dale, ever, suggested—a suggestion later ignored—that "We go to Chicago to pick the best man and, whoever is picked, give him all our support."

No Speeches

For a few minutes, the delegates sat in silence as Chairman Louis Bartha conferred with his nominating committee and Chairman Tom Sealy consulted with his resolutions committee.

"Why doesn't someone make a speech," finally asked Beznol.

"Why don't somebody say something about the Republicans?" one delegate finally shouted from the floor.

"I never saw so much good will toward them. I don't like 'em myself."

Sealy's committee then reported and the following resolutions were adopted unanimously:

1. Supported an unstructured delegation, voting under the unit rule, to the state and national conventions.

2. Opposed the requiring of a party loyalty oath of delegates.

3. Opposed the "overcentralization of power in Washington" and urged the return "to the ideals and tenets of Jeffersonian Democracy."

4. Urged that the party platform propose a constitutional amendment abolishing the electoral college and selecting the President by popular vote.

5. Endorsed Wright Morrow as national Democratic committee chairman from Texas, "subject to the discretion of the delegation should the status change."

Sealy was named acting head of the county's delegation to the state convention.

Others named to the delegations—and it included everyone who thought they might be able to attend—were:

Perry Pickett, H. E. Chiles, W. A. Yeager, Paul Davis, Boyd Laughlin, Louis A. Bartha, Frank Beznol, Kelly Bell, J. E. McDonald, Fred Wemple, Hank Avery, Hilton Kaderli, R. W. (Bob) Hamilton.

Dr. J. C. Shannon, Reagan Leggs, Mrs. Hal C. Peck, Stuart G. Noble, Mrs. A. Judkin, Manard Graham, Joseph Mims, W. T. Burrows, Jr., Mrs. J. Howard Hodge, Allen Wemple, W. P. Z. German, Jr., F. C. Dale, E. L. Hay, Mrs. William Y. Penn, W. E. Plisk, J. W. McMillen and Kemper Kimberlin, Jr.

ADVERTISEMENT OF LIMITED PARTNERSHIP

We, the subscribers, have this day entered into a limited partnership agreement to be known as the B. J. Davis Partnership, and do hereby certify that the terms of our said partnership are as follows:

The name of the firm under which the partnership is to be conducted is JACKSON, DOUGLAS & WHITTAKER, LTD.

The general nature of the business to be transacted in the trade, business or occupation of acquiring and assembling information with respect to the sub-surface location of oil, gas and other minerals in the interpretation of such information, and the presentation thereof to prospective operators with the object of inducing them to acquire in the area under examination, interests in the oil, gas and other minerals therein, for future development; also to acquire interests in oil, gas and other minerals by purchase or otherwise; to develop, exchange or sell by interests acquired as aforesaid; and to do any and all other or additional things incidental to the foregoing purpose.

McCormick Heads New Civitan Club

Len G. McCormick, city attorney for Midland, was elected president of the Civitan Club at the organization's first meeting here Tuesday.

The new civic club, with the promotion of good citizenship as one of its principal objectives, met in Hotel Scharbauer.

Other officers include Robert Whitehead, vice president; James Noland, secretary-treasurer, and John Walsten, sergeant-at-arms.

Named to the board of directors were Wright Cowden, Woody Adams, John W. Beatty and John McNeil. Charter night has been set for May 24.

Warren Olsen of Minneapolis, Minn., international representative for Civitan, attended the meeting.

Both Houses Pass Tideland Measure

WASHINGTON—(AP)—Legislation giving the states clear title to oil-rich lands along the marginal sea for three miles out from shore is expected to be sent to the White House soon.

Senate and House conferees Tuesday reached agreement over the measure as it passed the two Houses.

House conferees agreed to drop provisions dealing with the continental shelf seaward of the state boundaries.

Taft Wins—

(Continued From Page One)

well ahead of General Eisenhower in the Republican delegate contesting. Before the Ohio vote, Eisenhower led Taft 284-281 in the AP tabulation Taft claimed he was well in the lead before Ohio.

Eisenhower's name was not on the ballot, but two delegate candidates said they were for the general. Former Gov. Harold Stassen of Minnesota contested for 47 delegates.

Write-in votes were barred in Ohio.

Delegates supporting Taft won in 46 races and were leading in the other 10 with about 65 per cent of vote counted.

Taft claimed the Ohio vote would give him 401 GOP delegates and that Eisenhower now has 271.

Taft called the Ohio results a "landslide victory over Eisenhower and Stassen." He said he now is "far in front."

Charles P. Taft, the senator's brother, won the Republican nomination for governor. He will meet Gov. Frank Lausche, Democrat incumbent, in the November election.

Michael DiSalle, former head of the Office of Price Stabilization, appeared the winner for the nomination for U. S. senator. Republican Senator John Bricker was unopposed for re-nomination.

Trial Set In July For Binion, Partner

DALLAS—(AP)—Federal officials agreed Wednesday to bring gambler Benny Binion of Las Vegas, Nev., and his Dallas partner, Harry R. Urban Sr., to trial in July on charges of tax evasion indictments.

U. S. District Attorney Frank Potter said he would ask Federal Judge T. Whitfield Davidson for a July setting.

Food Price Index Shows Slight Gain

NEW YORK—(AP)—Wholesale food prices, as measured by the Dunn & Bradstreet food index, edged a little higher this week for the second week in a row.

The index advanced to 96.36 from 96.33 last week and was 11.4 per cent below the year-ago level of 97.18.

FINGER LACERATED

Emergency treatment for a lacerated right index finger was received Tuesday by George Langston of Terminal at Midland Memorial Hospital. Employed by Velma Petroleum Company, the accident occurred while Langston was removing a collar from a drill pipe, attaches said.

TREATED AT HOSPITAL—H. M. Pratt of Sky Haven Trailer Court was treated at Midland Memorial Hospital Tuesday, after a nail stuck in the middle finger of his left hand. He is employed by Ard Drilling Company of Abilene.

TWO BUSY SALESMEN

You haven't always been able to get us when you telephone or stop by the office because we're out showing 'em. Don't be discouraged—if we can't satisfy you today, we hope to be available tomorrow. We have a wide selection of homes available for showing—small or large—new or old. If we don't happen to have what you want we can advise with you on good building sites and reasonable construction costs. We have quite a few calls for good homes, so if you're ready to sell, let us know. For instance, we can get you a good swap on a three bedroom if you intend moving to Wichita Falls.

BUY OF THE WEEK: One year old brick three bedroom home with carport and extra storage. Owner has been transferred and is ready to leave immediately. Good northeast location on paved street. The price of \$13,500.00 is less than full value.

Lived in long enough to be settled. House and yard have both had excellent care. Asbestos siding over original wood siding gives you that extra insulation for Summer coolness and Winter warmth. Three nice sized bedrooms, large bath, commodious closets. Breakfast area in large kitchen and dining space in living room area. Outdoor living on adjoining patio in enclosed back yard. Full price \$14,000.00.

Mother's doing fine and the children are enjoying the beautiful weather in the spacious enclosed back yard. Dad can get his exercise too while gardening next to his workshop and tool house. The three bedrooms, bath and a half, with adequate storage and utility space mean comfort for all. We should all agree on this for \$14,000.00.

Good two bedroom asbestos dining home near west side school and shopping center. The kitchen and sitting space are nicely arranged. Monthly payments are \$52.00 and the total price is only \$9650.00.

RENT FREE FOR LIFE

Are you doggone tired of paying rent? Here is a proposition which will give you free rent—and also give you an equity in a really beautiful duplex. Or do you want a return of \$300 per month instead? Each side has two large bedrooms, spacious kitchen with tile features, and comfortable living room. The baths, of course, are of ceramic tile, and for heating, there is a large floor furnace. This duplex is new, and is located in an attractively settled district—north. Where else can you secure something like this for \$22,500 except through KEY, WILSON & MAXSON?

NEAR THE NEW SCHOOLS

This sparkling new home is located two blocks from the Sam Houston school, and four blocks from the new junior high school. It has three attractive bedrooms, with more than just sufficient floor space, tile bath with colored fixtures, spacious living room, dining room and kitchen (with birch cabinets). This house, of course, is brick—and beautifully constructed. It has central heat, two carports, nice closets, and unlimited storage in the attic. All this, plus wonderful location, for only \$19,000!

ON GOLF COURSE RD - \$1,900.00

Down... To get away from it all (for 2 years, at least), why not take a look at this 2 bedroom frame home which can be yours for such a low down payment? The price is \$7,634.78... it has been figured exactly.

ALMOST COMPLETED

We have 3 new houses to be completed within 15 days. They are constructed of the finest materials available, with asbestos siding and brick wainscoting. Each house has 3 bedrooms, front porch, and attached garage. The garage is easily convertible to a huge den. Carpeting will be placed in the living room, dining area, and hallways. Excellent financing. \$13,750.

LIKE A CIRCULAR DRIVE IN FRONT?

This house has it because it can afford it! The lot is 293 feet in depth. The house, also, is expansive; it has almost 1,300 square feet of living space. It is a 2-bedroom frame with a gracious living room (picture window), a family-size bathroom, separate dining room. Another room can easily be added if you desire. It has a water well and pump. Furnace heating, 2 window coolers. Price: \$11,500... that's right, only \$11,500... and \$3,500 is all that is needed to make this your new home.

ON THE OTHER HAND

We also have a three-bedroom for the same price, \$11,500. The down payment is \$3,000 on this one. Lots of young poplar trees and a good lawn. Almost fully fenced—if you have children.

WITH BIG, BIG BEDROOMS!!!

Have you been searching Midland for a 3-bedroom white brick home with huge bedrooms? Here are the sizes of two of them: 11x17 and 13x17. The living room is 21 feet in length, and the kitchen is large enough for a breakfast area. There are well heated in every room, and a huge water-cooler. The closets, of course, will more than please you. Owner is being transferred. Only \$14,800.

KEY, WILSON & MAXSON'S REAL ESTATE

Bulletin Board

WE, TOO, ARE WORKING ON A DREAM. But this dream is for you... and we're bringing it down to earth - just off Community Lane. It will have three bedrooms and a den... and the den will be right off the kitchen. The large living room will have a New England fireplace - just like in your dream. Of course, it has two tile baths and a separate dining room. Would you like a scenic view in the dining room? Fine - after all, this is your dream. And central heating? And air-conditioning? And have all the rooms wall-to-wall carpeted? All these are part of the dream. And the dream will materialize soon. Let us show you the plans of your dreams - we have them in the office.

MY BOSS TELLS ME that I have to write these ads. You could save me a lot of time so that I could spend it with my wife and family if you would call and ask what we have on our books which comes closest to what you are looking for—and I'm almost certain that we have it. Residences and revenues are our specialties. And we salespeople are ready to serve you seven days a week.

ON ATTRACTIVE WEST OHIO—Here are the facts: 3 bedrooms, 2 baths, spacious living room, separate dining room, rear porch, beautiful oak floors, in this brick home. Carpeting in 2 rooms and hall, 2 water coolers, distributed heating, entry hall and guest closet, facing north on large lot. Reduced to \$23,250. Owner being transferred.

IN BEAUTIFUL COUNTRY CLUB AREA—One of the leading citizens of Midland offers his picturesque home for sale. It has 2 bedrooms and a den, and attached garage. There are huge shade trees along the street and 5 of them in the rear yard. Both interior and exterior have just been redecorated. The yard is fenced, and the den is 20 feet in relaxation. Let this house show you a better way of living—but, first, let us show you the house. \$16,750.

LARGE RUSTIC PORCH—And 2 bedrooms, with 17 foot kitchen, in this comfortable brick home. Other outstanding features: detached garage, fenced yard, lawn in front and rear, paved street. Assume G.I. loan at 4%. We can arrange a \$2,300 down payment. Only \$11,850.

ON GOLF COURSE RD - \$1,900.00 Down... To get away from it all (for 2 years, at least), why not take a look at this 2 bedroom frame home which can be yours for such a low down payment? The price is \$7,634.78... it has been figured exactly.

ALMOST COMPLETED - We have 3 new houses to be completed within 15 days. They are constructed of the finest materials available, with asbestos siding and brick wainscoting. Each house has 3 bedrooms, front porch, and attached garage. The garage is easily convertible to a huge den. Carpeting will be placed in the living room, dining area, and hallways. Excellent financing. \$13,750.

"REALLY CUTE!" This will undoubtedly be your reaction when you see this 2 bedroom home located north of town. It has a 19 foot living room... picket fence, nice lawn and is on a paved street. Price: \$9,500.

ATTENTION, HOME-OWNERS. KEY, WILSON & MAXSON offers you this statistical fact: During this past week, our sales organization has sold over \$200,000 in good Midland real estate. Here are some of the reasons for this large volume of sales:
Our large number of listings give the purchaser a wide selection from which to choose...
Our competent and courteous sales force (listed below) is eager to serve you at all times...
Maximum financing easily secured, both FHA or Conventional... and all financing and payments are made in Midland. We get loan approvals in as little as 24 hours after full application has been received.

RENT FREE FOR LIFE. Are you doggone tired of paying rent? Here is a proposition which will give you free rent—and also give you an equity in a really beautiful duplex. Or do you want a return of \$300 per month instead? Each side has two large bedrooms, spacious kitchen with tile features, and comfortable living room. The baths, of course, are of ceramic tile, and for heating, there is a large floor furnace. This duplex is new, and is located in an attractively settled district—north. Where else can you secure something like this for \$22,500 except through KEY, WILSON & MAXSON?

NEAR THE NEW SCHOOLS. This sparkling new home is located two blocks from the Sam Houston school, and four blocks from the new junior high school. It has three attractive bedrooms, with more than just sufficient floor space, tile bath with colored fixtures, spacious living room, dining room and kitchen (with birch cabinets). This house, of course, is brick—and beautifully constructed. It has central heat, two carports, nice closets, and unlimited storage in the attic. All this, plus wonderful location, for only \$19,000!

ON GOLF COURSE RD - \$1,900.00 Down... To get away from it all (for 2 years, at least), why not take a look at this 2 bedroom frame home which can be yours for such a low down payment? The price is \$7,634.78... it has been figured exactly.

\$5⁹⁵

Rural Electrical Service To Double For Pecos Section

PECOS—Electrical power service to rural consumers will be "doubled, possibly tripled," here next year, according to Emmett Beauchamp, division manager of Community Public Service Company.

Farm meters now are being read for the first time, but Beauchamp roughly estimated present power to rural areas to be between 3,000 and 3,500 horsepower.

CPS for quite some time has been considering construction of a steam turbine power plant in the Pecos area, but Beauchamp said plans are "too premature to discuss it."

Location of such a plant is contingent upon availability of gas and water. Land has not been purchased for the site, but even after a location is obtained engineering and construction would require from 12 to 18 months.

Beauchamp emphasized that rural power service will be vastly increased by March, 1953, whether plans for a new plant develop or not.

MIDLAND, TEXAS, WEDNESDAY, MAY 7, 1952

SECTION TWO

POLITENESS CONTEST

TEL AVIV —(P)—A "politeness contest" is being prepared by the traffic department of the Israel police. To improve road manners a panel of road-touring judges will pick the four most careful and considerate drivers from four districts in Israel.

MOUNTAIN LION KILLED

PORTERVILLE, CALIF. —(P)—With the aid of three dogs, a hunter treed and killed a 150-pound mountain lion in the Ephom Valley recently. The dogs followed the scent for three miles in a hunt lasting five hours. The big cat measured eight feet two inches from nose to the tip of his tail.

The authenticity of old paintings can be determined by the use of the X-ray.

MAKE PRIMARY ELECTION PLANS—Members of the Midland County Democratic Executive Committee are shown talking over the July 26 election plans with County Judge Clifford C. Keith, seated, left. Standing behind Frank Bezoni, seated, right, chairman of the committee, are committeemen W. E. Pigg, W. A. Yeager, B. T. Graham and Joseph Mims.

BENDTSEN PROMOTED—Assistant Secretary of the Army Karl R. Bendtsen, of San Francisco, has been nominated by President Truman for promotion to Undersecretary of the Army. He will succeed Archibald S. Alexander.

Intramural Art Contest Winners Are Announced

Winners in the intramural art contest for the seventh grade at John M. Cowden Junior High School were announced Tuesday by Mrs. Merle Burleson, teacher.

Nine divisions were selected as being representative of the years' work and are included in an exhibit on display in the art room.

Mrs. Burleson said the mediums used in the contest were pencil, water colors, pen and ink, tempera and crayon.

Winners by divisions follow:

Still life (in shaded pencil)—Zola Morgan, first; Anne Brooks, second; Gwen Ann Davis, third. Honorable mention: Ramona Hynd, Linda McFarland, Jo Katherine Randolph.

Farm life illustration (different mediums used)—Patsy Letterman, first; Annette Chaddock, second; Dan Phillips, third. Honorable mention: Jan Starnes, Deanne Susila, Jackie Collie.

Travel posters—Jan Starnes, first; Eloise Conger, second; Nancy Hughston, third. Honorable mention: Janna Webb, Raymond Hynd, Cathryn Conant.

Figure drawings (in pencil)—Gwen Ann Davis, first; Dwight Lindsey, second; Edward Kirkpatrick, third. Honorable mention: Bobby Chaucey, Bill Collins, Patsy Letterman.

Illustrations (books, stories, songs)—Bobby Chancey, first; Frances Kennedy, second; Meba Bullard, third. Honorable mention: Jack Crockett, Cathryn Conant, Jackie Collie.

Designing of House Plans—Lou Ellen Ferguson, first; Peggy Jane Cook, second; Jackie Collie, third. Honorable mention: John Scooby, Cathryn Conant, Carolyn McKnight.

Underwater Scenes (watercolor)—Eleanor Penn, first; Dwight Lindsey, second; Anne Brooks, third. Honorable mention: Carolyn Cobb, Jimmy Griffith.

Fire prevention posters—Eloise Conger, first; Ramona Hynd, second; Cathryn Conant, third. Honorable mention: Annette Chaddock, Harriett Yearby, Carolyn McKnight.

Pen and ink drawings—Preston Butcher, first; Fred Hedges, second; Betty Sue Adams, third. Honorable mention: Eileen Beauchamp, John Greathouse, Dan Phillips.

FLYING SANDWICH—Sandwiched between two other planes, the pilot of the inverted Gloster Meteor-7 jet trainer has only seconds in which to right himself. The speedy Meteor-7 can only be flown upside-down for 15 seconds, before going out of control. The dangerous maneuver occurred during a demonstration at the RAF flying school at Gloucestershire, England.

Best Rain Chances For Pecos Sector Pointing To July

PECOS—Best chances for rain in Pecos this summer will arrive in the month of July, if rainfall records for the last two years have any bearing on the rainmaker's odds.

A total of 1.42 inches fell here last July, while in the seventh month of 1950 about 2.23 inches or rain was recorded.

Wettest 30-day period experienced in Pecos the last 28 months was in September of 1950, with a total of 3.32 inches. That was a "pretty good year," too, from the standpoint of rainfall, recording 8.77 inches.

Pecos has received an estimated 14.34 inches throughout the last 28 months, 1.97 inches of which came the first four months of 1952. These figures were compiled by Charles Brown at the Southern Union Gas Company. That firm maintains a rain gauge in East Pecos.

Precipitation since January, 1952, was recorded as follows:

January 26	.11
February 10	.39
February 15	.39
March 1	.07
April 11	.07
April 16	.43
April 17	Trace
April 19	.75

DADDY RINGTAIL

Daddy Ringtail And Anybody Seen A Cow

Old MacDonald has a farm. On that farm there was a cow, except the cow wasn't there any more.

"Help! Help!" shouted Old MacDonald. "Somebody help me find my cow!"
No one was there to help him, and so Old MacDonald ran away fast-up the road that goes to the Great Forest. He ran and he walked and he hurried and he ran until he came to Daddy Ringtail's monkey house.

"Daddy Ringtail!" shouted Old MacDonald.
Daddy Ringtail slid down to the ground. Mugwump Monkey slid down with them. They listened while Old MacDonald was telling the sad, sad news that his cow was gone from the farm.

"Sure," said Mugwump, "but don't fret yourself, Old MacDonald. 'Mugwump' said Daddy Ringtail, 'do you know what has happened to the cow?'"
"Yes sir," said Mugwump, and he

begin to tell about it. He said that he had gone for a walk through the Great Forest, and on down the road that went to the farm. Yes, and there in the middle of the road he had seen the cow. Why, somehow

the cow must have gotten lost from the barn. Well, it was too far back to the barn for Mugwump to take her home, and so he was about to put her into the field with the fence around it so she wouldn't get lost any more. Yes, and just as he was about to do it, a strange old man popped out from behind a tree and said: "Mugwump, my boy, will you take some magic beans for the cow? Oh, these are magic beans to grow a beanstalk tall on up to the land of the giants!"

"That's what the strange man said," said Mugwump as he told about it.

"Help! Help!" shouted Old Mac-

Donald. "Mugwump has traded my cow for magic beans that really aren't magic, I'm afraid!"
But Mugwump hadn't done that at all. No sir, he hadn't. Why, the cow wasn't his to trade. Mugwump had put the cow in the field to keep her safe. And where had he got the magic beans he had in his hand? Why, he had given the man a nickel for them, and wait till you hear what happens tomorrow! Happy day!
(Copyright 1952, General Features Corp.)

Shallow-water fingerling trout and salmon are indestructible in the crushing pressures of the sea, 2000 feet below the surface where a man, even in a diving suit, cannot live.

MODERN STATUE—Alexandre Dumas, visitor to the Salon of Independent Artists, in Paris, muses over 10-foot-high sculpture of the Virgin, which has been executed for placement in a chapel at Lourdes. Francois Brochet is the sculptor of the wooden statue.

War-Blasted Mount Cassino Abbey Rises From Ruins

Wartime target: The mountain shudders and the abbey crumbles under the impact of thousands of tons of tons of high-explosive missiles.

Victim of one of World War II's most heavily concentrated aerial bomb and artillery attacks, the 1500-year-old Benedictine monastery of Monte Cassino, Italy, now is almost completely restored. It was during Feb. 15, 16 and 17, 1944, the famous abbey atop the peak, used as a fortress by the Germans, was turned into a smoke-shrouded inferno by the incessant Allied bombardment. It was raised completely, except for a small, crumbled section of the northern wall. This, strangely enough is the only part not yet restored, as can be seen in the pictures. The abbey once again is thrown open to the public for whom, in prewar days, it was a favorite setting for holiday walks and picnics. The grounds command a magnificent view for a radius of miles around. Visitors, arriving constantly by the bus load, find the picnic grounds strewn with workmen's tools and materials.

A year later, a lone priest makes his way up the rubble-strewn path. Note arched doorway in center and northern wall at extreme left.

Today a mecca for tourists, the abbey is restored, except for the northern wall. Over the arched doorway is the word "Peace," a hopeful omen for the future.

OUT OF DOORS with Field & Stream

By AL McCLANE
NEA Fishing Editor

I met a youngster the other night who had started collecting cartridges. With only a baker's dozen of the more common loads, regular factory fodder, he was already baffled by their names and numbers. Small wonder. Cartridge nomenclature is as snafu as the Korean truce negotiations.

Take the 30-30, for example, as common as read coats in the deer woods. Those numbers stand for caliber 30 and a thirty grain load of the smokeless powder in use when the cartridge came out in the early 1890's. The 30-40 Krag is named on a similar principle, but also made under the moniker 30 U. S. Army. The 30-30 has never been an ordnance cartridge, by the way.

In 1903 Ordnance accepted a 30 caliber cartridge for the new Springfield rifle—the 30-03. Three

years later what is still our official rifle and light machine gun cartridge was adopted, the 30-06, which means caliber or inside barrel diameter 30/100th of an inch, year 1906.

Naming military loads by bore diameter and years of adoption makes a little sense, but the tags for our sporting cartridges are really fouled up. Some of the old-time black powder loads were clearly named, like the 46-70 Government, or 46-70-405. Those numbers stand for a bore diameter of 46 inches, a charge of 70 grains of Fg black powder, and a 405-grain bullet. Re-loading those cartridges with 70 grains of modern smokeless powders would give up fireworks at both ends, so that the numbers mean little today.

But another pre-1900 cartridge, the 38 W.C.F. or Winchester Center Fire because Winchester developed it) isn't a 38 at all — its bore is 394 inches and it shoots a .40 caliber bullet! A true 38 shoots bullets .357 across the base.

Very often the designer, company or individual gets into the naming

THE DOCTOR SAYS

Chronic Leukemia Victim Can Be Aided By X-Ray, Chemicals

By EDWIN P. JORDAN, M. D.
Written for NEA Service

The name for the disease called leukemia was originally proposed by the famous German pathologist, Virchow, more than 100 years ago. Translated it means "white blood." Of course, the blood does not turn completely white in leukemia, but there is a "whiteness" about it which is caused by the destruction of many normal red cells and their replacement by colorless cells, known as white cells or leukocytes.

Leukemia is really a condition in which the white cells have grown wild. Not only are there more white cells than there should be in leukemia, but also there are abnormal forms and kinds.

Under normal conditions there are between 5,000 to 10,000 white cells in a cubic millimeter of blood (a cubic millimeter is an extremely small quantity), but in leukemia, the number of white cells—normal and abnormal—rises to 30,000 or 40,000 and sometimes as high as 100,000 or more in a cubic millimeter.

There are several kinds of leukemia named according to the type of cell which is predominant and whether the condition is acute or chronic. Regardless of the type, however, the cause of leukemia is not known, although many theories have been suggested.

In the rapid or acute case of leukemia, regardless of the type of cells involved, the body becomes overwhelmed with these abnormal leukocytes. The patient weakens rapidly. Bleeding may take place from the gums or into the skin, and the latter is usually pale and slightly yellowish looking.

In the slower or more chronic cases, enlargement of the lymph glands in the arm pits, groin, or neck may be the first sign of the disease. The spleen also is usually enlarged. Increasing fatigue is another common early sign.

No Foreseeable Sign

The person who discovers a cure for leukemia should be highly honored. As things are today, however, a cure for the disease is not immediately in sight.

Those who are afflicted with leukemia, especially the chronic varieties, can be helped temporarily in many cases by blood transfusion, by X-rays over the spleen or by certain kinds of arsenic preparations taken by mouth. Radioactive phosphorus, urthane, nitrogen mustard, ACTH and cortisone, and many other substances have been tried and may have a place in some cases. However, up to the present, no reliable method of cure has become available.

The only good thing that can be said about leukemia is that it is not more common. There is probably more danger of being hit by an automobile than there is of contracting leukemia.

FIRST REALLY NEW MOTOR CAR FEATURE IN YEARS!

Oldsmobile Announces the Amazing New **AUTRONIC-EYE!**

Automatically Dims Your Headlights for Approaching Cars!

The feature of the year... in the car of the year! It's Oldsmobile's revolutionary Autronic-Eye—another engineering "first" for the car that's always ahead! The new Autronic-Eye automatically, electronically dims your headlights as another car approaches—brightens them again after it passes by. Tests show that this sensational device saves hundreds of foot operations in normal night driving in traffic! That means less driving tension—more motoring comfort—and, above all, greater driving safety! The Autronic-Eye is another "feature for the future" from Oldsmobile—builder of the superbly styled "Rocket"—Hydra-Matic cars! See us soon and try the amazing Autronic-Eye in a brilliant new 1952 "Rocket" Oldsmobile!

Oldsmobile's Autronic-Eye is conveniently located on the left side of the instrument panel.

G-Man Always Gets Gopher

BOISE, IDAHO—(NEA)—Meet G-Man William Adam Batzner, 36, a super sleuth who never fails to get his criminal.

The "G" in this case, however, stands for gophers. So if you've got a big "law" in your garden, you better listen carefully, because it's getting close to the time when mounds begin to appear in mysterious fashion.

Grizzled Batzner is the U. S. Bureau of Reclamation's official gopher-killer on the 53,000-acre Black Canyon unit of the Boise irrigation project near here. Like most irrigation projects, Black Canyon was plagued with thousands of gophers. If allowed to dig away unmolested, a gopher will burrow through a canal bank, perhaps cause a disastrous break.

"Gophers do so much damage, I guess that's why I hate 'em so," says Batzner. "An old gopher can dig as much as a mile of tunnel in a year."

So a few months ago, Gopher-Man Batzner devised a new method of getting rid of the rodents. Previously, he used 60 or more traps and killed as many as 1,350 in a 90-day period. But covering the division's 500 miles of canals was time-consuming and costly.

Faster Method

Batzner came up with a faster, cheaper and cleaner method. He uses calcium cyanide powder. Under compressed air, these fine particles are blown into the network of gopher runs, whereupon exposure to the moisture in the tunnels, they release hydrocyanic acid, which snuffs out life immediately.

The killing fumes can be forced through the runs as fast as 150 feet in one and one-half minutes. One demonstration showed that gas, inserted in one gopher hill came out another hill some 60 feet away in 20 seconds.

Batzner's powder-blower is a rather simple contraption. He pressed into service an idle auto tire pump compressor, mounted it on a jeep and fastened about 50 feet of hose to the compressor. Near the end of the hose is attached an improvised metal chamber, to hold the cyanide powder and stir it up through an application of air.

The gopher-killer used to use a hand pump, but the gophers were generally too quick.

"Each time the pump stem came down," he recalls, "the gopher felt the change in air pressure and hurriedly threw up an earth bulkhead to protect himself from whatever he thought was coming after him."

Batzner is happy about the way he outsmarts the gophers now, and so is the U. S. Bureau of Reclamation, which figures on a yearly saving of \$500 in gopher-killing expenses on the 53,000-acre irrigation unit.

Read The Classifieds!

Gopher-killer Batzner: Once the gophers were too quick.

Graduates Urged To Apply For Social Security Cards

June graduates of high schools, vocational schools and colleges are urged to apply for their social security account-number cards before they graduate.

Also, students who are not graduating this June but who expect to work during their Summer vacations should obtain their cards before classes end.

Seasonal workers, who expect to be employed for the first time on jobs covered by social security, should likewise apply early. Many prospective employers will not hire a person unless he has his social security account-number with him, and many a good job has been lost this way.

Jack Calvert, manager of the Odessa social security office, said Wednesday that the importance of the account number lies in the fact that wages can only be credited through the use of the account number.

Since the money recorded in a person's social security account is used to figure benefits, the more money credited in the account, the higher the benefits. Thus, if for any reason wages are reported without an account number or with an incorrect number, then these wages may not be credited to the account.

Not only may future benefits be smaller because of this, but in some cases no benefits may be payable at all.

Calvert urged: "Remember that your social security account-number card is the key to all future benefits for you and your family. Protect it, keep it with you at all times, show it to your employer when necessary, and above all, get in touch with the Odessa social security office if you need help."

To stop a train moving 60 miles an hour requires enough power to lift the train 120 feet vertically.
