Partly cloudy Wednesday night and Thursday. Widely scattered showers west of Pecos Valley and in Panhandle. Maximum temperature Tuesday 94 degrees; minimum Wednesday 71 degrees.

Craig Will Drill To Delaware In North Reeves Prospector

E. M. Craig, Jr., of Midland is to start operations in the near future at a 4,000-foot wildcat in North Reeves County wildcat to try for production in the Delaware sand. The prospect will be Craig's No. 1 H. K. Dudley and others. It is to be located 350 feet from east and 1,850 feet from north lines of section 1, block C-20, plat survey, southeast of Orleans. Drilling will be with rotary tools. The project is seven miles southeast of Orleans seven miles east of the Chapman field and 15 miles south of the Tunstill field. Both the Chapman and the Tunstill fields produce from the Delaware sand. Buffalo Oil Company, which has offsetting acreage to the Craig location has made a dry hole contribution to the exploration.

McCamy To Deepen Pecos Wildcat To 7,500-Foot Level

Charles A. McCamy of Midland has filed an amended application with the Railroad Commission of Texas requesting a permit to drill his No. 1 State National Bank of El Paso, North-Central Pecos County wildcat, to a possible bottom of 7,500 feet. This project has already drilled to 3,900 feet in an unconsolidated lime sand shale, and is making more holes. It has not reported having logged any shows of oil or gas in any zone it has penetrated so far. **Started To 5,800 Feet** It was originally started out under a permit to dig to 8,000 feet. The new destination of 7,500 feet is calculated to take it into the Ellenburger—and possibly to granite. Location is 330 feet from north and west lines of section 31, block 140, T&STL survey. It is 10 miles northeast of Fort Stockton and four miles east of the Heiner, (Ellenburger) field.

Good DST Flow Is Reported At NW Lea Project

The Texas Company, No. 1-BH State, project in the East Cap Rock (Devonian) field of Northwest Lea County, flowed oil on a drillstem test in the Devonian from 11,150 to 11,220 feet. Tool was open two hours and 30 minutes. Mud surfaced in 20 minutes and oil in 26 minutes. It flowed two hours to tanks, the first hour it made 96 barrels and the second hour it made 93 barrels of oil and no water. Gas-oil ratio was 8.3-1. Gravity is 43.8. Operator was pulling tool. Location is 600 feet from north and 1,980 feet from west lines of section 11-128-32e.

County Republicans Postpone Decision On Candidate Slate

The question of a Republican slate of candidates for district, county and precinct offices will not be determined until the party's convention on August 2, County Chairman Richard Hughton said Wednesday. Hughton met at his home Tuesday night with a score of other party leaders to discuss the course of action to be followed on a local level. "It was pretty well agreed," he said, "that if any one wanted to run for a local office—and can qualify as a Republican—he will be nominated at our convention."

Two More Oilers Are Completed In Spraberry Trend

George O. Johnson Drilling Company, Leland Davidson and James A. Mascho No. 1 J. F. Nunn and Texas-Canadian Oil Corporation No. 2 C. W. Chisholm, are new Spraberry Trend producers. No. 1 J. F. Nunn, located in the Aldwell field of Northwest Reagan County, was completed for a daily flowing potential of 375 barrels of oil through a 2 3/8-inch choke and from pay in the lower Spraberry at 7,415-7,500 feet. Production was through perforations in casing which was cemented on bottom. Pay had been fractured with 3,000 gallons. Location is 1,980 feet from west and 600 feet from north lines of the northwest quarter of section 44, block 36, T-5-S, T&P survey.

No. 2 C. W. Chisholm was completed in the Benedum field of Central-East Upton County for a calculated daily flowing potential of 418 barrels of 36.9-gravity oil through a 2 3/4-inch tubing choke. Completion was from open hole at 7,398-7,418 feet. Pay was fractured. (Continued On Page 12)

Let's elect Leonard Howell Our County Attorney. (Political Ad Paid For By Leonard Howell)

General Grabs Cairo In Coup; Premier Quits

CAIRO—(AP)—Egyptian Gen. Mohammed Naguib took control of Cairo in a military coup Wednesday and Premier Ahmed Naguib Hilaly Pasha resigned.

General Naguib broadcast that the Army was "in full control of the situation" in Cairo nine and a half hours after the coup. He proclaimed himself Army commander in chief and pledged a drive against political corruption.

At Naguib's orders, officers arrested 12 generals known to be followers of Gen. Mohammed Haidar Pasha, from whom Naguib wrested the Army control.

At Alexandria, the chief of the Cabinet, Afifi Pasha, told reporters King Farouk accepted Hilaly's resignation and asked Aly Maher Pasha to form a new cabinet.

Troops with machine guns moved into the heart of Cairo. Tanks and armored cars surrounded main business buildings, government structures and the Abdin Royal Palace as Naguib, whose appointment as war minister was vetoed by Farouk last week, announced he was taking command of the Army.

A member of Naguib's staff said: "All Army officers who declared themselves partisans of the old regime (Haidar's) have been arrested; those who pledged loyalty to Naguib were given positions of action."

The informant said only Maj. Gen. Hussein Parid Pasha, Haidar's chief of staff, resisted arrest. Before Naguib started the coup at 2 a.m., he received assurances from both the British and United States embassies that "there would be no interference from their side," the staff man said.

Mustafa Bey Sadek, paternal uncle of Queen Narriman, flew to the summer capital of Alexandria in a military plane to give King Farouk a complete report. He returned to Cairo later to confer with Naguib. London sources regarded the coup as a direct challenge to King Farouk.

Cairo has been in a state of nervous tension since January, when disastrous riots engulfed the capital. King Farouk ousted the Wafdist Party government at that time. Many observers considered that the Wafdists had whipped up anti-British sentiment deliberately to counter rising charges of corruption among Wafd Party leaders.

The question of a Republican slate of candidates for district, county and precinct offices will not be determined until the party's convention on August 2, County Chairman Richard Hughton said Wednesday. Hughton met at his home Tuesday night with a score of other party leaders to discuss the course of action to be followed on a local level.

"It was pretty well agreed," he said, "that if any one wanted to run for a local office—and can qualify as a Republican—he will be nominated at our convention."

He said that "two or three" had expressed interest in the possibility of appearing as party candidates in the November general election. Republican precinct conventions will be held at 11 a.m. Saturday.

'LOYALTY PLEDGE' DISCUSSION—Senator Blair Moody of Michigan, right, defends a party "loyalty" resolution at a session of the Democratic National Convention in Chicago. As the resolution was debated, Senator Spessard L. Holland of Florida, center, voices his opposition. At left, Gov. Herman Talmage of Georgia angrily denounces the steam-roller tactics used in pushing the resolution to passage. Now, the Southerners are happy at a White House-dictated compromise which took much of the sting out of the offending pledge.

Area Residents Protest Proposed New Location Of Service League Day Nursery

The women of the Midland Service League—like the Old Woman Who Lived in a Shoe—have so many children they don't know what to do. And the people in the neighborhood of Maiden Lane and Whitaker Street definitely want them to look elsewhere for a solution. The issue exploded Tuesday night before the City Council as the residents in the neighborhood protested the proposed use of a building owned by the Rotary Club as a day nursery to care for the children of working mothers.

The place is unsightly, unsanitary, unkempt and abandoned," said the petition presented by David Cole of 205 West Estes Street and containing the signatures of 40 other residents in the area.

He added that with the threat of polio, he and his neighbors felt that the large group of children would be dangerous to other children in the neighborhood.

He added that they felt the nursery was a fine thing—somewhere else.

Richard Brooks, Midland attorney, arose to represent the Midland Service League.

"Gentlemen, if you will pardon me," he began, dryly, "I will have to indulge in momentary silence while I count 10 to 10 after hearing these abusive remarks."

He explained that he is president of the Rotary Club which owns the land and the building. For a time, he explained, it was used by the Boy Scouts and for other youth activities.

"I admit," he added, "that it has not been kept in a creditable condition. But at a recent meeting of directors of the Rotary Club and the Midland Service League, we listened to a description of the type of work they are doing. And we felt that it merited our aid. We were well satisfied with what they were doing and felt that there were people who were deserving of their aid."

Brooks then proposed an amendment to the city zoning ordinance which would remove the 10-child limit on nurseries operated on a non-profit basis.

Mrs. Ronald Jarrett, vice president of the League, explained that her organization now operates a day nursery in the 200 block of North Fort Worth Street.

"Some years ago," she explained, "we made a survey to determine the need for establishing a nursery to help working mothers."

"Now we have 27 children and we are crowded. Every day we have to turn down new requests that arise," she added that the Rotary Club

Imperial Youth Said Critical After Fall

Earl Lon Joiner, 17, Imperial, was in a critical condition at Midland Memorial Hospital Wednesday, suffering from a head and neck injury. Attached said the youth, employed by Well Maintenance, Inc., fell 40 feet from a derrick Tuesday afternoon while working in an oil field.

Name and address of his parents and details of the accident were not available from hospital authorities Wednesday.

Stanton Man, One Other Killed In Highway Crash

SHRYMORE—(AP)—A car-truck collision near Mabelle, northeast of here, Tuesday killed two persons and injured three others.

Don Eldridge, 25, Stanton, and his mother-in-law, Mrs. Maggie Messer, about 70, Mound, Okla., were killed. Eldridge's wife and two children, Belinda, two, and Glenda, four, were injured slightly.

The driver of the truck, John D. Thompson of Vernon, was uninjured.

City Plans Early Crackdown On Uncovered Garbage Cans

The city is going to get tough about uncovered garbage cans. Uncovered garbage cans mean flies and flies mean the threat of epidemics of polio and diarrhea.

And with the diseases raging all over the state, Midland's City Council isn't taking any chances. The councilmen Tuesday night heard a report on the situation from Dr. C. A. Figford, director of the City-County health unit, and then ordered the prosecution of residents who do not provide covers for their garbage cans.

City Attorney Len G. McCormick said Wednesday residents first would be given notice and if no action results, they will be prosecuted in Corporation Court where they are

subject to a maximum \$200 fine. Dr. Figford, explaining there had been a sharp increase in reported polio cases this month, said the "situation is not out of hand."

Fly Counts Made
Fly counts are made weekly in various sections of the city and there is no noticeable increase, he said.

However, a continuous fly-control battle is being waged to prevent the possibility of any outbreak such as the city felt early last winter.

Rather than conducting a general city-wide spray campaign—and spraying everything in sight—the fly-control forces are concentrating on the elimination of breeding sources.

The program is being carried on

Truman Calms Struggle Over Party Loyalty

CONVENTION HALL, CHICAGO—(AP)—The Democratic Convention achieved a new air of harmony Wednesday under White House signal call as party veterans pressed for a Stevenson-Southern ticket which could seal a North-South union for the November election.

Intervention by President Truman's staff had calmed the once raging North-South battle over a "loyalty pledge."

There were signs, too, that Truman might give his open blessing to Gov. Adlai Stevenson for the presidential nomination before the convention gets around Wednesday night to calling the roll of states for nominees. Interior Secretary Oscar Chapman, who has been a Truman emissary at the convention, had a breakfast conference with the Illinois governor.

As to the convention machinery, it was clear the party wheelchairs were back in the driver's seat and out to name the ticket.

Russell Mentioned
They were talking first of all of Senator Richard B. Russell of Georgia as a running mate for Stevenson.

Russell, in bidding for the top post, repeatedly has said he didn't want the vice presidential nomination.

If he stuck by that attitude—and party veterans had their way on their proposed Stevenson-Southern ticket—the second place might go either to Senator John Sparkman, Alabama, or Senator William Fulbright, Arkansas.

Backers of Sen. Estes Kefauver, Tennessee, and Averell Harriman, other aspirants for the presidential nomination, were not giving up their fight.

There were reports they were planning strategy jointly but James Roosevelt, a Kefauver supporter, denied to a news conference that the Kefauver and Harriman forces had

(Continued On Page 16)

BALLOTING MAY START THURSDAY

CONVENTION HALL, CHICAGO—(AP)—Balloting for presidential and vice-presidential nominees at the Democratic National Convention may get under way late Thursday.

Temporary Chairman Paul A. Dever told a reporter Wednesday the balloting could be finished Thursday night "if it looks at that time only one ballot will be needed" for the ticket's top spot.

The lid was blown off Tuesday night when Lewis scornfully accused Union Leaders Walter Reuther, George Harrison and Jack Kroll of intrigue to torpedo Barkley on the issue of age. Barkley is 74—just two years older than Lewis.

"The self-anointed political leaders of labor who took it upon themselves to attempt to disqualify him (Barkley) from the presidency by reason of his age obviously were engaged in a small-time political intrigue with other candidates," Lewis said.

Reuther is president of the United Auto Workers and vice president of the CIO. Harrison is a member of the Executive Council of the AFL and president of the Brotherhood of Railway Clerks. Kroll is director of the CIO's Political Action Committee.

These three were among the group of labor leaders who had breakfast with Barkley Monday. They informed him he could not support him because of his age. A few hours later, the vice president—deeply hurt and angry—withdrawed from the race.

Lewis said in part in his statement dictated from Washington: "Vice President Barkley has always been a friend of organized labor. He has led a distinguished career, deserving of the eternal gratitude of every man in America who works for a living as well as all other citizens."

Shakespeare Receives Another Whirl In Hollywood Studios

HOLLYWOOD—(AP)—Bill Shakespeare is being given another whirl in Hollywood. It is hoped the old boy won't be whirling in his grave after this try.

The bard has never fared too well at the hands of the Hollywood film makers. But this time MGM is exercising the utmost care to make sure Shakespearians as well as movie fans are satisfied with its version of "Julius Caesar."

Witness the facts:
1. John Gielgud, ace Shakespearean actor of England, is being imported to play Caesar.
2. Greer Garson and Deborah Kerr are playing virtual walk-ons.
3. Marlon Brando is being imported to play Cassius.
Producer John Houseman, who produced Shakespeare with Orson Welles on Broadway, reported that it was easy to persuade Gielgud to play his first U. S. movie. Miss Kerr volunteered for her tiny part, and Miss Garson easily acceded.
"While the roles of Portia Kerr and Calpurnia Garson are only about three pages, the scenes are important," Houseman explained. As for Brando—"This business

about his mumbling is silly. He did that to create a character. I have heard him do plays in which he enunciated very clearly."
Completing the cast are James Mason as Brutus and Louis Calhern as Julius Caesar. Houseman explained that he is striving for a happy combination of English and American accents.
The producer said he encountered some opposition to a Shakespearean project, largely due to past mishaps. He explained their errors:
"Midsummer Night's Dream" 1936 was a mishap of a play to begin with. "Romeo and Juliet" 1936 suffered, I believe, because it was largely created by movie people, instead of those connected with the stage. Also, Norma Shearer and Leslie Howard had no Shakespearean experience.
"Orson Welles' 'MacBeth' 1948 had three strikes against it: a limited budget; the Scotch accent; and Orson was too busy to concentrate on his performance."
But Houseman added that Laurence Olivier's "Henry V" and "Hamlet" blazed the trail for Shakespeare on film.
"It must be prepared with care and sold to a select audience," he said.

ON THE JOB—Mrs. Estes (Nancy) Kefauver, who campaigned at her husband's side all during the primary elections, is right on the job at the Chicago convention, too. Here, the candid camera has caught her as she answers questions at a press conference in Chicago.

* JOHNSON IN HOLLYWOOD *

Studio Prefers Blonde Monroe, But Betty Grable's Not Green

By ERSKINE JOHNSON
HOLLYWOOD — Behind the scenes: Betty Grable's denying that she's casting icy looks at Marilyn Monroe or weeping in her pillow because Marilyn grabbed the role of Lorelei Lee in Fox's "Gentlemen Prefer Blondes."
The feud-makers are all wrong about her yet to play the gold-digger of the '30's. Betty told me on the set of "The Farmer Takes a Wife," and it's no fault of hers if her name was bandied around as the most likely choice.
"Only once," she said "have I asked the studio for a part. I wanted to do 'Annie Get Your Gun,' and I was disappointed when MGM bought it. I don't believe in asking for specific pictures or roles. That way I have no responsibility. If I say I want to do something, and it doesn't turn out well, I get the blame."
Betty had a parting shot, too. "I saw Carol Channing do 'Gentlemen Prefer Blondes' on Broadway. She was so great, I can't see anybody else in the part."

"Miss Universe" and contracts with 14 other contest beauties who were to support Armi in the picture.
The Sally Grey who's George Raft's leading lady in "I'll Get You" was the big romance of Ida Lupino's father, Stanley Lupino, just before his death. Sally, overcome by grief, retired from flickers when he passed away.
Ida Lupino and Collier Young have ordered the screenplay of "The House of Seven Gables" even though their letter to Greta G. asking for her permission was never answered. It's about the famous boarding house in Hollywood where Ruth Roman, Suzan Ball and other stars once lived as breathless, ambitious unknowns.
"King Kong" and now Joan Crawford!
The word's out that RKO will give Joan's "Sudden Fear" the biggest TV campaign ever tried. Special trailers, personal appearances by the stars, spot announcements and the works—the result of the studio's success in selling the revival of "King Kong" to the public via the home channels.
When King James I of England was a young prince he had a boy who was paid to take his whippings for him.

Black 'Snow' Falls On Minnesota City

WORTHINGTON, MINN.—(AP)—A jet-black "snow" covered more than a block of this town while dumbfounded residents watched with amazement.
They later learned the "snow" actually was soot, blown from a 12-foot pile that had been removed from a 245-foot chimney at a power plant. A strong wind came up, whipping the oily mass around the block. Buildings were blackened, along with streets, walks and yards. Residents were told to clean up the mess and send the city their bill for the work.

There Is No Substitute For Experience
(Pol. Adv. Paid for by Reagan H. Legg)

BABY-SITTERS — Midland JayCee-ettes will be doing a lot of baby-sitting Saturday when the club plans to offer a transportation and child care service to voters in the Democratic Primary. And at least three of the members prove they've had plenty of experience in that line. Members and their children shown, left to right, are Mrs. William M. Johnson and Bunky, Mrs. John R. Culver and Larry and Mrs. R. R. Lacey and Becky. The service is planned especially to help busy housewives who otherwise might not have a chance to go to the polls.

Paris Hats Are Mask For De-Poodled Hair

By NADEANE WALKER
PARIS — (AP) — French fashion's new Winter hats look as if they've been designed for the lady who's decided to de-poodle her hair. Just the thing to cover the straggling ends while a short haircut is growing in again.

The Paris designers are turning out new hats that drape or ripple low behind. "Batbacks," they call them.

As to materials, next to the perennial black velvet the No. 1 favorites are furry or satiny felts, in a new color range of soft, luscious fruit, vegetable and metal tints.

Marie-Christine, in her opening followed the trend toward soft, unlined hats that can be crushed like a handkerchief with no ill effects.

There's an exotic Oriental influence creeping in, too. Svend, the young Danish designer, Tuesday night showed three basic types—cloche, turban and fez.

Many of his clothes sported long, thin sword feathers, jutting out behind to poke the unwary in the eye. Some followed the low-behind line. Others went into deep sidewise dives. Devil red, which looks just as it sounds, is the new Svend trademark color.

The Danish lad perched a pom-pom bigger than the hat on one chapeau. Another dangled diamond icicles. With a third comes a gold rosebud, opening out at the touch of a finger to a full-blown flower with diamond pollen.

Simone Cange showed Oriental velvet turbans rich with embroidery. Other models were trimmed with downy ostrich feathers.

ROSENELLE CHERRY

Candidate For COUNTY CLERK
(Subject to Action of Democratic Primary)

Dear Voter:
May I take this means of asking you for your vote and influence in my behalf as Midland County Clerk in the July 25th primary?
I sincerely believe that my training and experience qualify me for the job. I was born and raised in West Texas. I worked four years as Deputy County Clerk and in so doing I acquired valuable experience in the County Clerk's Office. I was appointed your County Clerk approximately one year ago to serve out the balance of an unexpired term.
I am now asking for my first elective term and I shall deeply appreciate your consideration.
If you feel that I am entitled to an elective term to this important office, I shall deeply appreciate your vote and your support. I have but one promise to make and that is that I will give the job my entire time and attention and will continue to serve you to the best of my ability.
I have done my best to meet you personally, acquaint you with my record and ask for your support. Unfortunately, it is not possible for me to see everyone personally and still attend to my job. If you are one of those whom I have not been able to call on personally, I hope you will understand and consider this letter as a personal appeal to you.

Yours very truly,
Rosanelle Cherry
County Clerk

Parish Workers Discuss Rally

The Parish Workers of the Grace Lutheran Church held a business meeting in the home of Mrs. Norman Hoback. Mrs. Norbert Harms was co-hostess.

Plans were made for the Zone 4 Rally of the Lutheran Women's Missionary League to be held in Midland in October.

Other members attending were Mrs. E. W. Bodenman, Mrs. W. A. Bowman, Mrs. Leland Huffman, Mrs. E. W. Knabe, Mrs. Norman Kokek, Mrs. V. A. Reinholz and Mrs. Gus Teinert.

WCS Schedules Ice Cream Supper

The St. Mark's Woman's Society of Christian Service will have an ice cream supper for the whole family on the church lawn Wednesday with buffet service from 7:30 to 9:30 p.m.

There will be no set price, but a free will offering is to be collected. The supper will be held inside the church in case of rain. Mrs. Ned Swallow is the WCS president.

Presbyterians Discuss Knox, Church Leader

The Women of the Church of the First Presbyterian Church discussed the Protestant leader, John Knox, Tuesday at their meeting in the church.

Mrs. A. P. Shirey was in charge of the program. Other speakers and their topics were Mrs. Ed Scuddy, "Knox's Historical Background in England and Scotland"; Mrs. J. G. Harper, Jr., "Priest to Galley Slave"; Mrs. James Beggs, "Knox's Ministry and Exile"; Mrs. B. F. Owings, "Give Me Scotland"; and Mrs. Shirrey, "His Style of Worship."

Mrs. Sol Bunnell, president, presided and gave the opening prayer. The devotional on the scriptures concerning John Knox was given by Mrs. R. F. Peters. It was announced the Vacation Church School will be held from August 4 to 15, with daily sessions from 9 to 11:30 a.m. Children between the ages of 4 and 12 are invited to attend.

Mrs. Donald Johnson was hostess. Approximately 42 members attended.

Tally Hostess Has Luncheon, Bridge Party

Mrs. Perry Gill and Mrs. Harold Huffman were hostesses to the Tally Hostess Club when it met Tuesday in the Ranch House for luncheon and bridge.

Mrs. John Massey won high score and Mrs. A. L. Attaway won second high.

Kelene Dawson and Mrs. Carl Davis were guests. Other members attending were Mrs. Clarence Symmes, Mrs. Jim Hardwick, Mrs. Jack Moore, Mrs. Wayne Moore, Mrs. J. C. Williamson, Mrs. R. E. Morgan, Mrs. Clyde Davidson, Mrs. Hugh McCullough, Mrs. Ed McCullough and Mrs. Ralph Smith.

Jupiter's "day" or the time it takes to revolve on its own axis is about 399 of the earth's days.

SOCIETY

THE MIDLAND REPORTER-TELEGRAM, WEDNESDAY, JULY 23, 1952-3

First Baptist Missionary Union Has Programs, Bible Lessons

The Woman's Missionary Union of the First Baptist Church met in circles Monday and Tuesday for programs and Bible lessons.

Mrs. Ted Soper was hostess Monday to the Lockett Circle. Mrs. J. B. Bain gave the lesson, "Stewardship as Applied to Missions." The opening prayer was led by Mrs. S. C. Dougherty.

Those present were Mrs. Beville, Mrs. J. C. Hudman, Mrs. C. G. Murray, Mrs. R. E. Shelton, Nettie Ray and a guest, Mrs. G. C. McCutchan. Mrs. Hudman gave the closing prayer.

Mrs. Ralph Day presented the Bible lesson at the Tuesday meeting of the Sarah Bryant Circle in the home of Mrs. R. L. Denton.

Guests were Mrs. Dot Price, Mrs. John R. Taylor, Mrs. Leroy Butler and Mrs. Albert Pasche. The closing prayer was led by Mrs. R. L. Denton.

Others present were Mrs. W. H. Dempster, Mrs. James Windham, Mrs. Arnold Scharbauer, Mrs. R. L. Denton, Mrs. Robert Stone, Mrs. Ralph Day and Mrs. Martin Neill.

The Mary Martha Circle met Monday in the home of Mrs. Guy Russell.

The group studied "Women of Destiny in the Old Testament." Mrs. Ralph Day led the program and Mrs. C. F. Hunter presided over the business session. The opening prayer was given by Mrs. Joe C. Buttry and the closing prayer by Mrs. T. P. Drew.

Refreshments were served to the above and Mrs. F. H. Lanham, Mrs.

J. J. Kerby and Alta Merrell.

The Lottie Moon, Blanche Groves and Annie Barron Circles met together Tuesday for a program on "Stewardship Applied in Missions." Mrs. Don Elliott was the teacher.

The group met in the home of Mrs. Ernest Neill with Mrs. C. L. Braswell presiding. Mrs. C. L. Thornton gave the opening prayer and Mrs. E. F. Conner, the closing prayer.

Others attending were Mrs. Morris Hill, Mrs. W. G. Tingley, Mrs. A. H. Woody, Mrs. W. S. Dill, Mrs. Lloyd O. Waldron, Jr., Mrs. Sam Wood, Mrs. H. M. Glass, Mrs. W. S. Helm, Mrs. Stella Marchbanks and Mrs. L. E. Patterson.

The problem of overnight guests can be easily solved if there's a roll-away cot in the house. It folds up easily and can be stored out of sight until you are ready to put it in use.

All his days also he eateth in darkness, and he hath much sorrow and wrath with his sickness.—Eccle. 5:17.

A Strong Judiciary

A strong, fair, experienced and impartial judiciary perhaps is more important today than ever before in Texas and in the United States. The judicial system stands as the last great bulwark against further encroachment upon the inherent rights and freedoms of citizens of this great and democratic nation.

After considering the best information available and after conferring with several competent attorneys who are interested in having the best men available on the bench, The Reporter-Telegram submits the following recommendations in the court contests: For judge, Court of Criminal Appeals, the reelection of Kenneth K. Woodley of Travis County.

For associate justice, Supreme Court, Place 1, Glenn R. Lewis of Tom Green County, a capable, well-qualified West Texas attorney.

For associate justice, Supreme Court, Place 2, the reelection of Graham B. Smedley, a distinguished jurist and former Midland resident.

For associate justice, Court of Civil Appeals, 8th Supreme Judicial District, El Paso, Henry Russell of Reeves County.

It is important to know the candidates. It is important to vote in Saturday's Democratic primary election.

Didn't Do It Again: Ever since Pennsylvania's GOP delegation was caught caucusing in 1940 when Wendell Willkie was nominated, the Republicans of that state have been highly sensitive about "missing the boat."

This time, they said, "we must be right." Well, Governor Fine did indeed declare for Eisenhower. But by the time he got around to it, the contest was all over but the formal voting.

It is hard to say that Fine made the boat. More properly one might say he made the small dingy tagging behind the main vessel. Pennsylvania didn't do it again.

A dance in an Ohio high school was stopped because pupils turned out the lights. Called on account of darkness!

Hat In The Ring

The Washington Merry-Go-Round

By Drew Pearson (Copyright, 1952, by the Bell Syndicate, Inc.)

Drew Pearson says: Who Truman's for is leading topic at Democratic convention; McKinney urged Truman to support Barkley instead of Harriman; Story behind Russell's anti-T. H. statement.

CHICAGO—The favorite occupation of this convention is quoting President Truman as to who he is for. There are half a dozen Cabinet members here, plus a score of senators, plus certain highly placed Democratic bosses, plus two White House observers.

Some of them actually have access to the White House by telephone. Most of them don't. But from many you can get a whispered version of who the President wants or whom he doesn't want.

The situation almost is identical with the Chicago convention of 1944 when Franklin Roosevelt was entrusted by train to the West Coast, and when Bob Hannon, Ed Flynn of the Bronx, Mayor Kelly of Chicago and other party bosses undertook to tell the delegates who they should nominate as vice president.

Russell's T. H. Statement: Senator Dick Russell's denial that John L. Lewis influenced him in making his statement for revision of the Taft-Hartley Act doesn't quite tell all the story.

Chicago Merry-Go-Round: A dead-ringer for Senator Kerr was walking around the Conrad Hilton lobby with a big Kefauver button on his lapel. He turned out to be Francis Robinson of Ashland, Neb. He looked so much like Kerr that people stopped him.

So They Say: The spirit on the professional football clubs is higher than it is in colleges.—Pro football player Gordon Soltau.

Have A Laugh: Children are natural born liars. It's just their imagination at work.—Screen star Maureen O'Sullivan, mother of seven.

Leftist ideologies play on ill health and tension in people's lives for their own ends.—British medical executive Dr. Ernest Clayton.

JACOBY ON BRIDGE

By OSWALD JACOBY, Written for NEA Service. One of the problems of the tournament is to collect enough points with a penalty double to pay for what is being given up.

In today's hand, for example, East and West were giving up a vulnerable game at no-trump, worth 600 points, in order to double South at two clubs. They therefore had to collect 700 points to make their double worth while.

BRIDGE: NORTH (5), WEST (7), EAST (4), SOUTH (3). Deals: 447, 465, 474, 482, 490, 498, 506, 514, 522, 530, 538, 546, 554.

been comparatively safe at two hearts. At that contract North would probably make six tricks, for a loss of only 300 points.

West opened the king of diamonds against the actual contract of two clubs doubled, and dummy won with the ace. Dummy returned the king of clubs, and West took the ace of clubs, cashing the queen of diamonds, and put dummy back with a low trump.

Declarer next hopefully led the three of spades from dummy, but East was alert enough to put up the queen. East now cashed the jack of diamonds, and continued with the ten of diamonds. South ruffed with the ten of clubs and West made the key play of discarding a heart instead of overruffing.

South now led a heart and finished dummy's jack. East won with the ace of hearts and led his last diamond. When South ruffed with the seven of clubs, West was able to over-ruff with the eight, and then he drew the last trump with the jack.

At this point dummy had to reduce to three cards. If dummy saved only one spade, West was in a position to cash both the ace and the jack. Dummy therefore saved two spades and only the blank king of hearts.

West thereupon put dummy in with the king of hearts, thus forcing dummy to lead spades to West's ace-jack.

Declarer thus made only four tricks, for a loss of 700 points.

CARD Sense: Q—The bidding has been: North 2 N.T., East Pass, South 3 Spades, West 3 N.T., Pass.

South, hold: Spades K-J-9-7-3, Hearts 8, Diamonds J-8-7, Clubs 9-6-3. What do you do?

A—Bid four spades. Because of your six-card suit and singleton you have reason to believe that the hand will play at least one trick better at spades than at no-trump.

You are not looking for a slam, merely choosing the right game contract.

TODAY'S QUESTION: The bidding is the same as in

CONVENTION COVERAGE

Politicians Grasp At Straws To See Which Way Wind Blows

By PETER EBDON, NEA Political Correspondent. CHICAGO—With every politician in town grasping at straws to see which way the political winds blow, there is only one sure fact to get hold of. Most, if not all, of the Democratic Convention confusion would be ended if President Harry S. Truman would come right out and say whom he was for as his successor.

The situation is a good bit like that prevailing just before the Jefferson-Jackson day dinner in Washington. For a year everyone had been trying to find out if President Truman would be a candidate for reelection. He told no one till he got good and ready, then he announced his decision so it would have maximum sock effect.

He now is expected to do the same thing in announcing his choice as Democratic nominee for the presidency. He'll wait till he considers his timing just right. Then he'll let 'em have it.

This time could come before or after the platform is adopted, before or after the nominating speeches, before or after the first, second or any other ballot. It might come before this gets into print.

If it comes early enough, this convention could be all over in one ballot, like the Republican convention. If that happens, Democratic National Committee Chairman Frank McKinney's early statement that this convention will adjourn at 11 p.m. Thursday would be an accurate forecast whose significance a lot of people missed.

But you never can tell about Democrats. You still might find them here on August 1, battling it out on the 1952 ballot in what now is being called the only uncontrolled Democratic convention since 1924.

In the meantime, the half-dozen leading candidates and their managers and committed delegates in this earliest of all conventions are flopping around the Chicago stockyards amphitheater like heads with their chickens cut off.

Jim Farley comes out for a Barkley or Stevenson and Russell, ticket. So what? Farley today controls only his own one-half vote in the New York delegation. Senator Russell has said he won't take the vice presidency.

Young Franklin D. Roosevelt, Jr., Averell Harriman's campaign manager, has been bird-dogging it around the other candidates' camps trying to point himself up some deals. None of the other managers is buying. And Harriman himself is repudiating all deals.

Harriman and Senator Kefauver of Tennessee did make an alliance to support seating the so-called "loyalist" delegations from Mississippi and Texas. But their conspiracy doesn't go beyond that.

Senator Richard Russell of Georgia has been caught in a real jam over his statement that he favors a new Fair Labor law to replace the Taft-Hartley law. He says he never meant that.

Senator Russell also is trying to play down the fact that he had a

question just answered. You, South, hold: Spades K-J-9-7-3, Hearts J-8-7-4-2, Diamond 8, Clubs 8-3. What do you do?

Answer Thursday.

Marty's on Mason Avenue, where Agnes Jerome worked. With a grim, tense feeling clutching at her chest, she walked toward it.

Agnes Jerome had called her from that drab little restaurant-parlor with its jukebox and its pay phone booth, and someone had heard her and known he had to kill again. Katy swallowed her fear. She pushed open the door.

"Hey, lady, no logs—oh." The "oh" was flat, curiously unwelcome. "Hello, Miss Elmo."

"Hello, Johnny."

"I didn't recognize you."

"No," Katy said. "No, I imagine not." Two weeks ago—no, two weeks and two days ago—she would have corrected his pronunciation. He would have been a former pupil who had forgotten the things she had tried to teach him. Now she just glanced down to Emma Ward's too-big dress belted to make it fit and shoved her hands deeper into the pockets of Dave Argus's jacket and said, "Johnny, I want to talk to yob."

JOHNNY JEROME picked up a cloth and began polishing the counter. Diligently. More diligently; Katy had an idea, that it had been polished for a long time.

"You shouldn't be working. You should be in school."

"I got to work. I go nuts—thinkin'!"

There's the phone booth, from where Johnny's sister called. "Johnny, were you working Saturday night?"

His dark, lowered head almost didn't move, the nod was so slight. "When your sister called me?"

"I—guess so. But I worked the restaurant Saturday night. Aggie waited tables in the bar, back-rooms." He nodded toward a remote, rear room.

Katy's heart sank. "Then you didn't see too much of her?"

"On Saturday nights you don't see too much of nobody, 'round here. You're too busy to notice, I mean."

"Yes, I know, but surely—"

"Maybe that was Aggie's trouble, Miss Elmo. She wasn't ever too busy to keep from seeing things." (To Be Continued)

I Can't Cry Now

By Addie McElfresh, Copyright, 1952, Bell Syndicate, Inc.

THE Ward living room had lived in looking that brought a nostalgic catch to Katy Elmo's throat. It was like Chris's den, with Chris in it—the smell of tobacco from the forgotten pouch on the coffee table, a book open on a chair arm, the shoes that someone—Dave?—had stepped out of before going to bed.

Katy picked up the telephone. Surely by now Ted would be up. She looked at the clock on the radio. He went to work at 7, and it was 8.30. She gave the operator the number of Mrs. Porter's boarding house.

"Alloo!" came Mrs. Porter's nasal complaint at being taken from her breakfast.

"May I speak to Ted Jordan, please?"

"Who's it?" suspiciously. Katy, imagining the sassy chops being licked at such a gossiping morsel so early in the morning, told her.

"He ain't in yet. Had to work the night shift."

"But he didn't tell me—"

"Girly, he said he had tub work," Mrs. Porter whined suggestively.

"I see. Thank you, Mrs. Porter. Last night Ted had not mentioned changing shifts, but of course they had talked murder, murder until Katy had thought she would scream, even after Dave had appeared."

She hung up. With Ted off at 7, she could pick him up. She closed her mind to Dave Argus's warning to stay here. Ted would want to know. He had the right to know. After all, he was Chris's friend.

Somehow, she thought, I always go back to Chris. THINKING about it later, when she was in the car, driving

Katy Elmo and Johnny Jerome text, including dialogue and narrative about their relationship and the search for Chris.

Coming Events

THURSDAY

The Welcome Wagon Garden Club will meet at 9:30 a.m. in the home of Mrs. L. L. Worden, 104 Club Drive.

The Palette Club Studio will be open all day for members who wish to paint. Lunch will be served at noon.

★ Daddy Ringtail ★

Daddy Ringtail And The Elephant

Daddy Ringtail, your monkey friend, was going home with the

Huffen Puffen, the friendly wolf, all for a little visit at the Huffen's hollow tree house. They were about to walk in the door, when the Huffen said of a sudden: "Behh! Daddy Ringtail, look!"

Daddy Ringtail looked away through the bushes where the Huffen pointed, and there he saw little Pinky Elephant's pink father. Oh, it was Pinky's father, all right, because he was dressed in a great big elephant suit of pink all over, while right on the top of his great big head was a little hat of checker-board black and red.

Pinky's father did not see our friends, it seemed, but Pinky's father was tiptoeing and tootping away as quietly as he could, all in a very mysterious way. Yes, and

with his elephant trunk he was carrying a great big trunk of a kind like a box.

Said the Huffen: "Behh! Daddy Ringtail! Pinky's father has been into mischief, he has."

"Oh, now, I wouldn't say that," said Daddy Ringtail. "Huffen, you

don't know that Pinky's father has been into mischief."

"Oh yes I do, I bet, I do!" said the Huffen. "He has been in my house, I think, and now he carries a something of mine away with his trunk in the trunk like a box."

Well, Daddy Ringtail tried to tell the Huffen that Pinky's father was never one to get into mischief, but the Huffen wouldn't listen. No sir, he wouldn't. He said he would have to see for himself, he would, and so they followed Pinky's father away through the forest. They watched while Pinky's father used his elephant trunk to hide the trunk like a box in tall grass. They

watched while Pinky's father went away. "I wouldn't do it, Huffen," said Daddy Ringtail, but again the Huffen wouldn't listen. He said he just had to open the trunk like a box to see if a something of the Huffen's was there inside. Yes, and the Huffen did open the trunk, and what do you think? Why, there inside was only a peanut that Pinky's father had hidden away. The Huffen was ashamed to have been suspicious, but Pinky's father was much to blame for all of his mysterious ways. Happy day! (Copyright 1952, General Features Corp.)

The BIBLE - Can You Quote It?

Copyright 1952 LAVINA ROSS FOWLER

1—Giving thanks always for all things unto God and the Father in the name of our—Ephesians 5:20. 2—Whose wife was Keturah?—Genesis 28:1.

3—Name the two well known twins spoken of in Genesis 28. 4—He that dwelleth in the secret place of the most High shall abide under the shadow of—Psalms 91:1.

5—So teach us to number our days, that we may apply our hearts unto—Psalms 90:12. 6—Whoever shall not receive the kingdom of God as a little child, he shall not—St. Mark 10:15.

7—Let us therefore cast off the works of darkness, and let us put on the armour of—Romans 13:12. 8—Six correct—excellent. Four correct—good.

"For wisdom, courage and peace read the Bible daily.

Cement was well known to the ancients and widely used, but its secret was lost in the Middle Ages 18th Century.

UNCLE EF

It's funny the effect national political conventions have on different people. Since one delegate from our county got back home, he can't order a hamburger at the lunch wagon without first singing the Star Spangled Banner and making a speech. Another one is waiting until sentiment cools off before he comes home and has to explain his vote.

MARS-BOUND BOY

Rigged for space travel, six-year-old Johnny Schloss, of Brooklyn, N. Y., tries out a "rocket ship" built of parts from a toy mechanical building set. It was shown at the sixth annual Toy Guidance Exhibit. More than 500 unusual toys from 300 American manufacturers were seen at the exhibit.

Overall Agriculture Picture Bright For Midland County

The overall agriculture picture in Midland County is bright as result of heavy rains during the first two weeks of July, County Agent Charles Green said Wednesday.

"The rains were the farmers' and ranchers' salvation," Green said.

The county agent said that most of the farmers had planted grain sorghums since the rains and many have good stands.

"Irrigated cotton looks the most promising," Green said. "Some of the fields are the best I have ever seen and if insects don't damage the cotton, a bumper yield should be harvested," he said.

The county agent said it was too early to speculate on yield from dry-land cotton.

"If we get some additional showers in August and September, the dry-land cotton should produce well, too," he said.

Ranges are green and have a good turf, the county agent said.

"Much of the range that appeared to be dead is being recovered," he added.

Green pointed out that while the north part of the county received from five to seven inches of moisture, a portion of the south area failed to receive any rain.

"These ranchers are still suffering from the drought," he said.

Tunisian Chieftain Reported To Be Ill

TUNIS, TUNISIA—(AP)—The Arab newspaper Assabah claimed Wednesday that Tunisian nationalist leader Habib Bourguiba, imprisoned after bloody independence riots rocked this French protectorate, was seriously ill and in need of medical examination.

The paper did not indicate from what ailment Bourguiba was suffering. There have been no official French reports that he was ill.

Bourguiba, 48-year-old chief of the Neo-Destour New Freedom party, was arrested by French officials last March along with several other nationalist leaders.

In May, Bourguiba was sent under guard to the island of Galite, off the protectorate's north coast.

Queen Juliana Asks New Dutch Cabinet

AMSTERDAM, THE NETHERLANDS—(AP)—Queen Juliana is expected to ask a Catholic political leader to try forming a new Dutch cabinet following failure of Socialist William Drees to get together a government.

The Queen relieved Drees of his mandate Tuesday after the right-wing Calvinist Anti-Revolutionary party balked at entering a coalition because they were refused the Social Affairs ministry.

Drees' Socialist Labor party polled the largest popular vote, though not a majority, in the June 25 elections. The Catholics got the second largest vote.

Two-Year-Old Girl Dies As Home Burns

ALICE—(AP)—A two-year-old girl burned to death when fire destroyed a small house here Tuesday.

The body of Hermina Trevino was found in the charred ruins of the dwelling. No one else was injured in the fire, thought to have started from a wiring short.

The child's mother, Mrs. Pedro Trevino, had left the house to hang up laundry when she looked back and saw the house in flames.

WTCC Will Discuss Bracero Employment

ABILENE—(AP)—Processing and use of Mexican national workers will be the topics of eight meetings sponsored by the West Texas Chamber of Commerce.

The meetings will be at: Sonora, August 2; Haskell, August 4; Littlefield, August 5; Lamesa, August 6; Pecos, August 7; El Paso, August 8; and Childress, August 14.

THOMAS WEARS SNAFU BUTTON

CHICAGO—(AP)—Norman Thomas, six times Socialist party nominee for President, displayed Wednesday a new type badge which turned up at the Democratic National Convention.

Thomas, who is here as a reporter representing several newspapers, said the red, white and blue-striped badge lettered IAK was given him by a friend with this explanation.

"The letters stand for: I am confused."

"The 'K' shows how really confused I am."

Happy Is The Day When Backache Goes Away

Nothing backache, loss of pep and energy, headache and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday conditions, such as stress and strain, cause this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent urination. Don't neglect your kidneys if these conditions bother you. Try Don's Pills—a mild diuretic. Used successfully by millions for over 40 years. It's amazing how many times Don's give happy relief from these discomforts—help the 12 million kidneys and filters flush out waste. Get Don's Pills today.

I got Conoco's NEW 1-2-3 "50,000 Miles No Wear" Service!

Thousands of other car owners are discovering what this smart motorist knows: the way to help your engine perform better, last longer, use less gasoline and oil is to get Conoco's great new "50,000 Miles—No Wear" Service!

It's exactly the same service that kept test cars new in Conoco's spectacular "50,000 Miles—No Wear" road test!

In that famous 50,000-mile test, with 1,000-mile drains and proper filter service, test car engines showed no wear of any consequence: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000.

Now you can get this same 1-2-3 "50,000 Miles—No Wear" Service, at your Conoco Mileage Merchant's, today!

Here's the Famous "50,000 Miles—No Wear" Service!

1 Your Conoco Mileage Merchant Will Drain Out Grit and Sludge, preferably while engine is hot! "Hot-oil" drains every 1,000 miles flush out grit, dirt, acid and contamination—leave your engine sparkling clean!

2 He'll Recondition Air and Oil Filters! He'll clean filter elements, replace dirty cartridges, record the mileage. Every time hood is lifted, he'll check the mileage to make sure filters have been serviced at proper intervals.

3 He'll refill with great Conoco Super Motor Oil! Conoco Super is fortified with additives that curb dangerous accumulation of dirt and contamination, protect metal surfaces from corrosive combustion acids—fight rust—and OIL-PLATE against wear.

HAUL WITH A DODGE AND CUT YOUR COSTS!

"Our Dodge trucks give us exceptional over-all economy," says LEO MEUDT, Meudt & Beck Distributing Co., Midland, Wis.

"Economy is one of the many things we like about our Dodges. They're real low on all costs—especially on oil and upkeep. These trucks are on the go for 5 1/2 days every week, carrying extra-heavy payloads. They always keep running and have never had any major mechanical trouble. The drivers tell us the new Dodge has real comfort and drives like an automobile."

MACKAY MOTOR COMPANY

200 South Loraine Phone 4-7822

You can cut hauling costs with a Dodge truck that's "Job-Rated" to fit your job—from 1/2-ton to 4-ton.

Power-with-economy is yours with a Dodge truck engine—thanks to L-head design and high-efficiency carburetion.

Low upkeep is engineered into every Dodge truck with features such as floating oil intake and others.

gyrol Fluid Drive—available on 1/2-, 3/4-, 1-ton, and Route-Van models—saves wear and tear.

Come in today for a demonstration—and a good deal!

Save on gas and oil. Every Dodge engine is engineered throughout for top economy. Operating costs stay low, thanks to lightweight aluminum-alloy pistons with chrome-plated top piston rings, 4 rings per piston, and other features.

Save on long life. Deep, husky frames, sturdy axles and high-capacity springs provide extra strength and stamina, lengthen truck life. Furthermore, because a Dodge "Job-Rated" truck lasts longer, it will have a high trade-in value!

DODGE "Job-Rated" TRUCKS

Save on maintenance. Dodge "Job-Rated" trucks keep you on the road—out of the repair shop. You get such features as exhaust valve seat inserts, positive-pressure lubrication system, and others that help prevent costly breakdowns.

See us today for the best buy in low-cost transportation...!

West North Front Strip Rezoned Despite Protests

A half-block strip of land facing West North Front Street was rezoned into a commercial "J" classification Tuesday night over the vehement protests of neighboring residents.

The City Council finally took action on the proposal after several hearings, the last of which came last night declared it would lower their property values as much as \$1,000.

Affected by the change was the half-block-deep area extending from Garfield west to Mann Street. It previously was in residential "B" classification but Charles Ervin, owner of part of the property, told the council it would not be suitable for any type of residential construction.

The property faces not only North Front Street, now being paved as an alternate truck route, but the Texas and Pacific Railway company tracks as well.

E. F. Kennedy, one of the group of protesting, said if the change is made "I can do one of two things. I can accept a loss on the property and move or just stay and accept what goes in there."

The council, after a hearing on proposed zoning of the new Permian Estates area west of the city, made only one change at the request of nearby residents.

Planners of the area had included a shopping center area in the northeast tract, bordered by a C zone, in which apartment houses will be constructed to act as a buffer between the commercial area and the residential area.

The council approved the changing of a six-lot area on the eastern edge of this suggested C strip to classification B, in which only one-family and two-family dwellings can be constructed.

Here's How They Balloted On Texas Delegate Contest

CHICAGO—(AP)—Here is the vote by which the Democratic Convention Credentials Committee balloted 36 to 13 Tuesday night to seat the Texas delegation led by Gov. Allan Shivers.

For the motion: Alabama, Arizona, Arkansas, California, Connecticut, Delaware, Florida, Georgia, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Missouri, Nebraska, Nevada, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, South Carolina, Utah, Vermont, Washington, West Virginia and Puerto Rico.

Four members of the credentials subcommittee also were permitted to vote and all balloted for the Shivers group over the opposing faction led by Maury Maverick.

Against: Alaska, Colorado, Hawaii, Idaho, New Hampshire, New Jersey, South Dakota, Tennessee, Wisconsin and District of Columbia. Absent or not voting: Illinois, Iowa, Mississippi, Pennsylvania, Rhode Island, Texas, Wyoming, Canal Zone and the Virgin Islands.

Democrats Revise Program To Talk, Avoid Squabbling

CHICAGO—(AP)—Senator William Benton went before the Democratic convention Tuesday night to assail the Republicans' 1952 platform as a "mumbo jumbo of empty words" preaching peace but seeking war.

"I do not deny," said the Connecticut lawmaker, "that we Democrats have made mistakes, plenty of them. I even concede that we are going — unhappily — to make plenty more."

"But the overall record of the Democratic party in the last 20 years . . . is a record of courage and action, of faith and achievement."

Benton addressed the delegates on a reshuffled program which left little but speechmaking. In a last-minute effort to avert controversy, scheduled reports from the Rules and Credentials Committees were postponed until Wednesday.

The principal address, that of House Speaker Sam Rayburn, was deferred also. Until the rules report is turned in, Rayburn cannot take over as permanent chairman and make his speech of acceptance. That is now scheduled for Wednesday night.

On corruption-in-government, a prime target of GOP attacks, Benton said businessmen who give bribes are as guilty as people who accept them. "Pressure to debate the tax laws on behalf of the oil and other industries" constitutes corruption too," he said.

Sharing the rostrum with Benton were Mrs. Franklin D. Roosevelt, widow of the late President, and Mrs. India Edwards, Democratic National Committee vice chairman. Mrs. Edwards, who lost her first husband in the first world war and her only son in the second, declared no speaker at the Republican convention paid tribute to the men fighting in Korea.

"No," she said, "you heard that those who have died have died in vain . . . Do not listen to those who would make you feel that your sons have been killed in a useless war. The Korean War is the least useless war in our history."

Rioting Prisoners Give Up After Talking To Chaplain

BOSTON—(AP)—Forty-three prisoners led by two life-term killers surrendered early Wednesday after a 16-hour rebellion at Massachusetts State Prison in Charlestown.

They released two prison employees, held as hostages, unharmed. The prison's Catholic chaplain was given much of the credit for ending the rebellion.

Correction Commissioner Maxwell B. Grossman said no promises were given the prisoners. "They'll get the maximum penalty," he said.

Prison officials said Fritz Swenson of Boston, serving a life term for killing a policeman, touched off the riot after escaping from the prison hospital. He raced through several shops mustering inmates.

Several minor fires were touched off. Thirty prisoners surrendered Tuesday night after a tear and vomit gas sent them streaming back to their cells.

But the other 43, barricaded in the auto plate shop with the two hostages, stuffed doors with cloth and paper to stop the gas and held out.

The hostages, Cornelius Horgan, 41, and John Kerrigan, said they were not mistreated.

During the rebellion, the prisoners submitted demands for better food and other improved conditions. They insisted on having the demands printed by newspapers.

Grossman delivered the early morning editions to the prisoners as they could see their grievances in print. But, a state police spokesman said, the prisoners continued to haggle with the commissioner and presented more demands.

Grossman gave special credit to the Rev. Edward T. Hartigan, prison chaplain, and credit to Warden John J. O'Brien and Deputy Warden John Blaney. He said:

"Father Hartigan really spoke to the inmates in grand priestly fashion and he was responsible, with O'Brien and Blaney, for saving our officers."

Steel Strike Closes Army Shell Plant

WASHINGTON—(AP)—A showdown of the Army's largest shell-making factory Wednesday emphasized the developing crisis in defense production resulting from the steel strike, now in its eighth week.

Secretary of the Army Frank Pace announced Tuesday that a shortage of steel has forced the closing of the Chevrolet plant in St. Louis, which makes about half the Army's 105-millimeter artillery shell casings.

Pace said the shutdown will "seriously affect the production of finished shells by next month" when the impact begins to reach the shell loading plants. "Of necessity," he said, "it will continue to affect the production of finished shells for several months thereafter."

The plant, employing 2,600 workers, is operated by the Chevrolet Division of General Motors.

Already, the strike over wage boosts and a compulsory union shop demanded by the 650,000 members of the CIO United Steelworkers union had curtailed production of aircraft and automotive parts vital to the defense program. With no end to the 52-day old dispute in sight, Presidential Assistant John R. Stettin continued telephone conversations with union and industry spokesmen. He hoped to find some basis for calling for new negotiations.

Dever Loses Voice, Gains Demo Salute

CHICAGO—(AP)—Gov. Paul A. Dever lost his voice but won a resolution of praise.

The Massachusetts executive, keynote speaker and temporary chairman of the Democratic National Convention, was praised Tuesday night for having given his all, including the temporary loss of his voice, for his party.

Senator William Benton of Connecticut offered a resolution praising Dever's "powerful, inspiring and statesmanlike" keynote speech. "The resolution," Dever said hoarsely, "will be referred to the Rules and Resolutions Committee." It was adopted.

The cutting and carving of gems is believed to have originated in Babylon thousands of years before Christ.

LADY WATCH YOUR LANGUAGE!

CHICAGO—(AP)—Elevator operators have more than their share of ups and downs at the jam-packed Conrad Hilton, the Democratic convention hotel.

A partly lady got one foot in an already filled elevator Tuesday night, then had to withdraw at the insistence of the operator. She withdrew, but not wordlessly.

"Republican!" she shouted.

Instructor In Art Faces Lunacy Suit, Charge Of Assault

FAIRMONT, W. Va.—(AP)—Dr. Luella R. Mundel, former art instructor who recently lost a \$100,000 slander suit against a West Virginia State Board of Education member, was in jail Wednesday on assault and lunacy warrants. She is scheduled for a hearing Thursday before the Marion County Mental Hygiene Commission.

The lunacy warrant was issued on petition of Mrs. Eric Barnitz, wife of the resigned head of the Sociology Department of Fairmont State College, where Dr. Mundel taught until she was dismissed.

Dr. Mundel, 38, brought a damage suit against Mrs. Thelma B. Loudin of the Board of Education, contending Mrs. Loudin slandered her and influenced the board to dismiss her.

A Circuit Court jury found Mrs. Loudin innocent about two weeks ago.

Mrs. Barnitz also swore out an assault warrant against Dr. Mundel after telling Police Chief John Austin the art instructor had attacked her with a letter opener Monday night while in a nervous and excitable condition.

Canadian Bombers Hit By Saboteurs

HALIFAX—NOVA SCOTIA—(AP)—Royal Canadian mounted police patiently sifted clues Wednesday that might lead them to the person responsible for stuffing rags and metal waste into the engines of nine Canadian Air Force bombers.

The condition was discovered July 18 when a Lancaster bomber limped back to its base at Greenwood, N. S., with one engine dead, the Canadian Air Force announced Tuesday night.

An examination of the other 49 planes at the base disclosed that eight other Lancasters were similarly crippled.

Parcel Post Annex Completion Slated For September 1

Midland's new parcel post annex to the post office is expected to be completed by September 1, the contractor, C. L. Cunningham, said Wednesday.

Cunningham said the modern brick structure, to be located near the T&P Railway tracks, is already half completed with all materials on the site.

Postmaster N. O. Oates has said the new annex will help relieve congested conditions in the post office system.

Moody Gives Boost To Alaska, Hawaii

CHICAGO—(AP)—Alaska, and Hawaii got a boost Wednesday toward recognition of their demand for equality with the states in the Democratic National Convention.

Senator Moody of Michigan, chairman-designate of the convention's Rules Committee, said it would recommend to the convention, probably Thursday, that the two territories be given regular alphabetical position with the states in the roll calls. Traditionally, they have been listed at the end.

The word "carat" used to measure jewels is derived from a small oriental bean, a "carob."

Broncs Trip Tribe By 6-2; Team Returns Wednesday

Braves Snap Rocket Win Streak, 9-4

ROSWELL—(P)—The Sweetwater Braves used a pair of big innings, powered by two homers, to slug the Roswell Rockets, 9-4, here Tuesday night and snap Roswell's five-game winning streak.

Pitcher Dean Higgins lifted a towering drive over the left field wall to start the Brave scoring in the third inning with two runs, and Tony Traspuesto blasted a bases-loaded round tripper in the fifth to highlight the winners' five run frame.

The Rockets managed a single run each in the third and seventh and, trailing 9-2, started a small rally in the ninth that fell far short. Bob Lemmel's triple, a single by Bob West, and Elwood Grantham's double gave them two runs.

Higgins spaced nine hits in taking the easy win. He fanned eight. Audie Malone, first of three roswell hurlers, took the loss, his tenth against nine wins this year.

Stubby Greer, Roswell shortstop, had his 14-game hitting streak snapped, going zero for four Tuesday night. But Bob West continued his red-hot hitting. He picked up three for four, running his three-night total to 11 for 14.

Traspuesto had singled and came home when Higgins homered for the Braves in the third. Singles by Ungo and Charley Tuttle sandwiched around a double by Charley Buck, gave them two more runs this frame.

Another double by Buck and a pair of walks to Tuttle and Lou Suarez led loaded the bases and two were out when Traspuesto parked a pitch over the left field barrier for four runs to wrap up the game.

The Braves' other run this inning came earlier when Ungo came in from third off Warren Sitter's long fly.

The score: **R H E**
Sweetwater 004 059 000-9 13 0
Roswell 001 000 103-4 9 0
Higgins and Traspuesto; Malone, Peterson, Woodworth and Calo.

Amarillo Brushes Into First Division Of WT-NM League

By The Associated Press
Amarillo brushed into the first division of the West Texas-New Mexico League Tuesday night with the finish of a clean sweep from the Borger Caspers in six games.

Amarillo clinched a rushing, four-day jump from last place to fourth with a 11-hit binge at bat, including four homers, good for a 9-7 triumph.

The league-leading Clovis Pioneers won their ninth victory in 10 starts by stopping Albuquerque a fifth straight time, 14-6.

Pampa vacated fourth place in favor of Amarillo when it lost to Lubbock, 8-1. In the other game, John Kirk tossed a two-hitter to enable Lamesa to beat Abilene 8-1.

Artesia Socks 23 Hits; Loses 12-11

ODESSA—(P)—Relief hurler Rooster Mills walked Roberto Fabian with the bases loaded and two away in the bottom of the ninth here Tuesday night to give Odessa a 12-11 win over Artesia.

It gave the Oilers a sweep of the two-game series and was Odessa's seventh win of an eight-game home stand.

The Drillers rapped out 23 base hits, including home runs by Joe Bauman and Pete Pichan. But they left 11 runners stranded and had others wiped out by three Odessa double plays.

It was Mills' second loss in as many nights. Monday night, the Oilers squeezed in the winning run in the bottom of the ninth for a 9-8 win.

Bauman hit one of the longest home runs ever seen here. His fourth-inning blast, with Paul Halter on base, still was gaining momentum when it cleared the center field fence 400 feet away.

Pichan hit his over the left field wall with Bauman on base in the fifth. Curt Schmidt hit a three-run homer for Odessa to spark a five-run first inning.

Artesia broke loose in the fifth inning with nine hits and seven runs to take a 10-9 lead. Odessa made two in the sixth to go back in front at 11-10. Halter singled home Mills in the top of the ninth to tie it at 11-11.

Charley Weber singled to left to start the Odessa half of the ninth and continued on to second when Bill Halsey erred on the ball. Schmidt skirted to center and Felix Castro was safe when Halter muffed his roller to short. Evelio Ortega, batting for the winning hurler, Rex Wehnt, was intentionally walked to load the bases. Raul Dieppa forced Weber at home with a grounder to short. Then Mills walked Fabian to end the contest.

The two-game series perhaps was the widest ever staged here. There were 40 runs and 65 hits registered during the two nights.

The score: **R H E**
Artesia 000 370 001-11 23 4
Odessa 501 302 001-12 14 2
Fernandez, Mills and Briner; Quintana, Peres, Wehnt and Castro.

The wildflower Dutchman-Breches is a wild form of bleeding heart.

Shellacking Is Charged To Jacome

BIG SPRING—Nursing the wounds of a four-game losing streak, the Midland Indians return to their home park Wednesday night for a four-game home stand, starting with a two-game series against the Roswell Rockets.

With Keith Nicolls (16-7) slated to toe the rubber for the Tribe, they were expected to clamber back aboard the win-wagon.

The Indians suffered their fourth consecutive set-back at the hands of upper-division competition Tuesday when Big Spring's Reggi Corrales returned to his winning way to beat hurler Eddie Jacome in a mound duel as the Steeds took a 4-2 decision.

The Broncos ganged up on Jacome in the first inning for four runs. Three of the tallies were propelled home by Pat Stacey's double. Jacome rode out the storm and blanketed the Steeds until the seventh when Al Costa blasted his third homer of the year with the sacks deserted.

The Big Spring club added another in the eighth on a single by Pat Stacey and a long two-base hit by Juan Visteur.

Pat O'Keefe hit a home run over the right field upright for Midland's first run in the second and the Warriors pulled within two runs of the Cayuses in the seventh when Stan Hughes tripled and crossed the dish on an infield out.

Hughes paced the Midland attack with three blows, including his triple.

Corrales picked up his eighth win against eight losses. He had lost five decisions in a row prior to Tuesday night's contest, however. Jacome's mark now is 13-8.

BONURA NAMED WEST SKIPPER

Bulky Zeke Bonura, manager of the Midland Indians, will manage the West in the Longhorn League All-Star game in San Angelo Friday night.

Bonura's selection was announced late Tuesday. Players on the East and West teams name their respective managers.

Mark Christmas of San Angelo will pilot the East team.

Colts Polish Off Dusters, 7-3, For Sweep Of Two-Games

SAN ANGELO—(P)—A total of 11 hits, including two home runs by Jack McClain and another by Glen Burns, rattled off San Angelo bats here Tuesday night to give the Colts a 7-3 win over the Vernon Dusters.

The win was the second in a row for the Colts over the Dusters, both by the same score.

Cotton Russell and Jesus Sosa, a couple of East All-Star pitchers, faced each other with Russell getting the ninth decision against five defeats while holding the Dusters to five hits and one earned run.

HIGH AVERAGE

NEW YORK—(P)—The eight varsity teams which represented St. John's University of Brooklyn, N. Y., during the 1951-52 season compiled a victory percentage of .803.

His was tops in post-war Redman athletic history. The varsity squads in basketball, baseball, outdoor track, cross country, rifle, tennis, golf and bowling won 114 out of 142 dual contests.

Yost's hit came on Trucks' first pitch of the game.

Yankees, Shantz, Brooklyn's Bums Keep Up Winning Ways

By JOE REICHLER
AP Sports Writer
Baseball fans looked back to Tuesday night's thrill-packed action and cracked, "What, no no-hitter?"

That's about the only thing that didn't occur in the major leagues. And that, too, came within one pitch of being accomplished.

The star, or is it victim? of that pitching feat was Virgil Trucks, already the author of the American League's sole no-hitter season. The Detroit Tiger right-hander gave up just one hit, a single by Eddie Yost, in hurling the Tigers to a 1-0 victory over the Washington Senators.

Other highlights included: The New York Yankees swept a doubleheader from the vanishing Indians in Cleveland, 7-3 and 8-1, to increase their first-place margin over the Boston Red Sox to five games. The Yanks got 30 hits in the two games.

Bobby Shantz continued on his way to his 30-victory goal, pitching the Philadelphia Athletics to a 3-2 win over the St. Louis Browns. Shantz yielded eight blows for his seventeenth triumph against three losses. Billy Hitchcock drove in the winning run in the ninth.

Dave Koslo registered his fifth straight success over the St. Louis Cardinals this season, his twelfth in a row over them in three years, as the New York Giants earned a 2-2 triumph on Hank Thompson's two-run homer in the sixth.

Brooklyn's Dodgers met a four-run, tenth inning by Cincinnati with a five-run outburst of their own to nip the Reds, 7-4, and retain their seven- and one-half-game bulge over the Giants in the National League race. Ken Raffensberger, third CinCY pitcher of the inning, hit Rube Walker with a pitched ball to force over the winning run.

Vern Bickford and the Boston Braves spotted the Chicago Cubs a 4-0 lead on Dee Fondy's grand slam homer and roared back to win, 6-4. The Philadelphia Phils climbed to the 500 mark with a double win over Pittsburgh, 14-4 and 8-1.

Rookie Dick Gemert rapped a two-run homer in the thirteenth to give Boston a 4-3 triumph over the Chicago White Sox.

Tech Coaches Pay Visit To Midland
Two head coaches from Texas Tech visited Tuesday with alumni and exes of the Lubbock college.

Athletic Director Dewitt Weaver, who is also head football mentor, and Basketball Coach Polk Robinson stopped here at noon enroute to Odessa. They had been in Big Spring Monday.

SPORTS NOTES

from the
BENCH JOCKEY

By BOB ADAMS

We're not accustomed to throwing rocks at people but we can hardly refrain from tossing a verbal pebble at Midland city officials for negligence in preparing a proper place for Pony Leaguers to play ball.

The season is practically history now but it's not too late to do something next year.

We refer to the city-owned park at the corner of West Carter and Johnson Streets, where the Pony League teams have been forced to play this season.

The ball park is void of grass and is liberally sprinkled with rocks over the entire diamond. It must be equivalent to playing in a gravel bed for Pony League players to perform on such a rock-littered field.

In fact, the lot is in such a poor state the Pony League All-Stars, who are going to play Odessa Thursday for the district title, have deserted their own field to practice elsewhere.

John Redfern, commissioner of Junior Baseball here, said he has made numerous trips to City Hall to ask their assistance. "And they seem willing enough to help," said John, "but the field still is covered with rocks."

Now Bench Jockey is aware of the fact that the City has made great strides in preparing places for the youngsters to play this Summer. And we also recognize the fact that they are short-handed, what with the many projects such a growing city has in progress.

But with all of the progressive steps the city is taking, it hardly can afford to by-pass proper recreational facilities for its many youngsters.

In our dealings with persons in City Hall, we always have found a spirit of cooperation. And we're sure such a project as this will be handled in the same manner. But it is going to take initiative on the part of someone to see that the work is done.

When the regional playoffs for the West Texas-New Mexico Little Leagues are held during the middle of August, the City will have an influx of some 200 out-of-town visitors, including the ball players and their parents.

Five games will be played here during the four-day meet, which means that some sort of entertainment should be provided for the visiting youngsters during that time.

We would like to suggest that one or several of the service clubs in town work up a barbecue or some sort of feed for the boys.

The barbecue, as well as the Midland hospitality, would be sure to leave a good taste in the mouths of the visiting delegations. If any service or civic club here are interested, they should call John Redfern at 4-3591.

Pencil scratches . . . Pat Garner will leave Friday for Los Angeles, where she will enter the Women's Amateur Golf Tournament July 28-August 2 at the Los Angeles Country Club.

Raymond Leggett, Jr. and Marcelino Moreno, both Midland Junior amateur golfers, are in New Haven, Conn., where they are to participate in the National Amateur Junior Golf tournament. Leggett was among the five qualifiers at Hobbs, N. M. Moreno was a second alternate but he received a chance to go when two of the junior golfers were unable to make the trip.

Jim Velvin, Jr., president of the Optimist Club here, said he has received a very favorable response from the public on a suggested boxing tournament for Midland, the latter part of the Summer. And Spec Cammen, Sports Editor for the Odessa American said Odessa would throw its support behind such a project whole-heartedly.

LUBRICATE FOR SAFETY EVERY 1,000 MILES

More Olympic Records Fall As Yank Trackmen Triumph

HELSINKI—(P)—Another Olympic record fell Wednesday as the fourth day of track and field competition began in the big Olympic Stadium with qualifying trials in three events.

The women's broad jump mark of 5.99 meters (19 feet, 6.92 inches) was subjected to a mass assault and was smashed by four girls, one an American, within a short time after competition started.

Yvette Williams of New Zealand got off the best jump of the early trials, clearing 6.16 meters (20 feet, 2.52 inches), almost two feet beyond the old Olympic standard, established in 1949 by Olga Gyarmati of Hungary.

Right behind Miss Williams in the qualifying for Wednesday afternoon's final came Mabel Landry of Chicago with a jump of 19 feet, 3.50 inches. Two Russian girls, Aleksandra Chudina and Nina Djerkina, also exceeded the former record.

American men, who have been setting the pace in this unprecedented record-breaking carnival contented themselves with ordinary performances as they had to attain only comparatively easy qualifying distances.

All three American entries qualified for the javelin throw final without removing their sweat suits, which served as protection against raw, cold weather.

Franklin (Bud) Held of Lake-side, Calif., former Stanford athlete, got off the best American toss, 225 feet, 1.83 inches. Cy Young of Modesto, Calif., did 220 feet, 8.03 inches on his second try after missing on his first and Bill Miller of Phoenix, Ariz., threw 215 feet, 7.82 inches. The minimum qualifying distance was 209 feet, 11.74 inches.

Walter Ashbaugh, Cornell University athlete from East Liverpool, Ohio, and Jim Gerhardt of San Antonio, qualified for the final of the hop, step and jump in the first half of the field.

Bill Kerslake of Euclid, Ohio, American heavyweight wrestler, was eliminated right at the start of the final day of mat competition. Kerslake, starting with three demerits, lost decision to Bertil Andersson of Sweden.

Little Leaguers To Resume Playoff Tilts Here Thursday

With the pressure of having to win to stay in the running for the city Little League championship upon them, the North Little League Indians will be out for bear Wednesday when they play the South Little League Cards in the second game of the scheduled three-game set.

The underdog Cards soaked away the first contest Monday with an extra-inning 11-9 victory.

The contest Wednesday will be played on the Cards field at the played on the David Crockett field, starting at 5 p.m.

If the Cards should take the game Wednesday, they will be undisputed champions of the city's Little Leagues. However if they lose, the final match to determine the winner will be played at 5 p.m. Friday at the same location as the first previous game.

The defending light heavyweight champion, Henry Wittenberg of New York, was given one demerit when he defeated August Engels of Russia but failed to score a fall. Neither was eliminated, but Wittenberg now has four demerits.

Five means elimination.

Russians Top Scorers
More than 20,000 spectators turned out for the Wednesday morning session despite rainy weather and for the first time since the opening ceremonies the 70,000-seat stadium was sold out for the afternoon events.

Russia is leading the unofficial Olympic scoring parade with the United States in second place after three days of competition.

Due to strength in the gymnastic competitions, the Soviet's athletes have piled up 136.5 points. The United States, with eight firsts in track and field, has scored 115.

Records have been broken so often in the first three days of track and field—eight out of the first 12 events—that the crowds have come to regard anything less than

(NEA Telephone)

OLYMPIC WINNERS—Walter Davis, right, Texas A&M, shows his gold medal to teammate Ken Weisner, Milwaukee, after they took first and second place respectively in the Olympic high jump event in Helsinki.

a record as a pretty poor show.

Three more new marks went into the books Tuesday. Sim Iness of Los Angeles pulled a real surprise by out-throwing Defending Champion Adolfo Consolini in the discus with a record 55.03 meters (180 feet, 5.85 inches). Consolini, who finished second, also bettered the previous record which he set at London four years ago.

Bob Richards of Laverne, Calif., raised the pole vault record to within a fraction of 15 feet when he cleared 4.55 meters.

And Herbert Schade, an effortless runner from West Germany, chopped three full seconds off the 5,000-meter record when he won his heat in 14:15.4.

Olympic records were equaled in the other two track and field finals Tuesday. Mal Whitfield of Columbus, Ohio, repeated his 1948 success in the 800 meters and duplicated his time of 1:45.2. Marjorie Jackson of Australia won the 100-meter dash for women in 11.5 seconds, the same as Fanny Blankers-Koen posted four years ago. The Dutch housewife scratched Tuesday because of illness.

Other events Tuesday went this way:
Fencing—France defeated Italy to win the team competition in foil.

Wrestling—Five of the eight American entries stayed in the running for Wednesday's finals. Defending Light Heavyweight Champion Henry Wittenberg of New York was beaten for the first time, but remained in competition on the point system.

Soccer—Yugoslavia defeated Russia, 3-1, in a replay of their first-round match. Second-round matches begin Wednesday night.

Gymnastics—Russian women were leading in all divisions except parallel bars after the compulsory exercises.

Matthews Shows Nothing, Keeps Fight Mob Puzzled

By JACK HAND

NEW YORK—(P)—Harry Matthews has the fight mob puzzled.

The boys ride the subway down to 11th Street and climb two flights to watch him work every afternoon. They wait and wait. Nothing happens.

Jack Hurley's protege glides through a couple of rounds with husky Keene Simmons of Bayonne, N. J., and calls it a day. They have been waiting for him to cut loose. So far he hasn't. But he'll be ready for Rocky Marciano Monday at Yankee Stadium.

"He's ready right now," said Manager Hurley. "He was ready when he came east from Seattle."

Simmons, a technical knockout (cut-eye) victim of Rocky Marciano's, senses a gradual improvement in Matthews.

"He hits a little better every day," said Simmons. "He hit me a pretty good right hand yesterday."

No, not much in the stomach. He's taking it easy on me."

Matthews' best move is to slide away to his right and then throw a quick counter right. He does it once or twice a day with Simmons. In his shadow boxing later, he digs those hard rights to the body.

"Don't take this boy too light," said Johnny Atell, the promoter. "Do you think Marciano would have taken a match with Bob Murphy a year ago? Murphy was the hottest guy around until Matthews cooled him off. If Marciano is another Dempsey, Matthews is a new Tunney. He's a smart fighter who knows all the moves. I think Matthews is a cinch."

Over in a corner, two veteran trainers sat side by side. They had been daily visitors at the CYO Gym where Matthews works.

Jupiter has about 320 times the mass of the earth.

Teenager Upsets Mrs. Amburgey To Grab Skeet Crown

DALLAS—(P)—Grant Iseng of Houston is in a rut—all he can win are championships. The veteran marksman Tuesday captured his third straight Champion of Champions title in the National Skeet Shoot. This event is limited to champions of state shoots.

Iseng tied with three others at 100x100, then broke 75 straight targets to win the shootoff. It was his third straight perfect score and he now has broken 900 straight targets in the past three seasons.

Three other small gauge titles went to youngsters. Jimmy Clark, Bartlesville, Okla., the defending champion, fired 98x100 to win the small gauge junior, his second under -17-years-of-age championship in as many days.

He then teamed with David (Buckshot) White, Tulsa, whom he defeated in a shootoff for the junior crown after both had fired 98's, to win the two-man-team championship at 198x200. The teenage Oklahomans thus became the youngest pair ever to win a tandem title in the 15-year history of the nationals.

Biggest upset. Akin Staacke, Houston, 17, who has been shooting skeet only nine months, turned in probably the day's biggest upset when she won the open women's championship with 98x100, to nose the favorite, Mrs. L. S. Amburgey, Odessa, by one target.

The veterans picked up three events. Col. C. T. Edwison of Bergstorm Air Force Base, Austin, took down the open small-gauge title with 99x100.

The senior championship went to R. J. Ford, Houston, 25x100, who nosed out Joseph M. George, Sudlerville, Md., in a shootoff.

The industry champion—a repeat winner—was James P. Stotta, Abilene, who posted the day's best score, 100x100. He nosed out Fred Miasidine, Sea Island, Ga., who shot 98x100, to finish in the runner-up spot.

Kansas Schoolboy Is Medal Winner In Broadmoor Golf

COLORADO SPRINGS, COLO.—(P)—A 17-year-old Wichita, Kan. schoolboy and a Hollywood singer were among 32 qualifiers who Wednesday began championship match play in the annual Broadmoor Invitational Golf Tournament.

The medalist is Bobby Vickers. His one-under-par 69 was the best score in the two days of qualifying play and five strokes better than his older brother, Jim, national collegiate champion.

The singer is Gordon McRae. He was one of seven players who barely qualified with 75's over the Hillside course.

Five men qualified with even par 70's: Howard Creel, Colorado Springs; Buster Reed, Denton, Texas; Dick Spangler, Lincoln, Neb.; Loy Martin, Tulsa, and Keith Fowler, Ardmore, Okla.

JayCee Softball League Sets Twin Bill Wednesday

All clubs were idle in the City JayCee Softball League Tuesday but activity resumes Wednesday night, when Western Plastic plays American Legion in the opening game of a twin bill at 7:30 and Continental contests the Independents in the nightcap. All of the games are played at Wadley Park.

In the opener, Lefty Martin (6-1) will hurl for Western Plastic with Barney Howard (6-3) scheduled to go for American Legion. In the nightcap battle for the cellar, Continental will send Bo Wise (6-8) to the hill while Independents have nominated Harris (1-10) to do their hurling chores.

Both clubs have won only one game, however Continental has lost one more contest than the Independents, since the latter club has a make-up game yet to play. Continental has a 1-16 record and Independents have a 1-15 mark.

Optimists, Wives See Boxing Bouts

Exhibition boxing bouts, a Western movie and supper were featured at a family night meeting of the Midland Optimist Club Tuesday at the Boy's Workshop.

Four matches were unreeled in an outdoor arena with a lot of leather popping and boxing finesse displayed.

The bouts featured the following boys and weights: Don McMullin, 150, vs. Gene Northington, 140; Sonny Murray, 100, vs. Freddie Lucky, 60; Jimmy Murphy, 68, vs. Buddy Barton, 65; Austin Barton, 106, vs. Jerry Gay, 106.

Marshall Patton, 210, classy Midland Heavyweight and former Oklahoma A&M College football player, served as referee.

Patton and Chili Reeves, 112-pound flyweight, will represent Midland in the District TAAF tournament at Oiler Park Friday night in Odessa. Winners of the district event advance to state finals at Fort Worth.

Pat Murphy, director of the Optimist Club's Boy's Workshop, has been training all the youths and arranged the exhibition matches Tuesday night.

Jim Velvin, Jr., club president, served as timekeeper. Bob Peyton, a member of the club, screened a Western type movie following the boxing bouts.

Shreveport could win against Dallas Wednesday night and take the lead.

Fort Worth added its ninth victory in 12 games when Pete Wojey pinned a three-hit, 3-2, defeat on Beaumont.

Oklahoma City won, 4-2, pulling alongside its victim, San Antonio, in fifth place.

Houston scored twice in the top of the seventh and later staved off a Tulsa rally to take a 6-5 verdict.

Westerners Regain Second Place By Dropping Brooks

The Westerners regain second place in the tight American Legion League race Tuesday by edging Brooks Stars, 4 to 2.

Moss pitched five-hit ball for the Westerners, snuffing out a last inning rally by the Brooks. Bringham and McKnight hurled for the losers.

Paul Moran paced the hitting with three safeties in three trips.

The Hornets lead the American League with this week expected to determine the champion.

The USLTA Singles and Mixed Doubles Championships will be held at the West Side Tennis Club in New York, August 29-September 7.

Weill Denies 'Double Deal' With Rocky

By GAYLE TALBOT
 NEW YORK — (P) —

Every so often we call again on our old pal Al Weill, the courtly matchmaker of the International Boxing Club, to receive renewed assurance that he no longer manages Rocky Marciano, the valuable young heavy-

who fights Harry Matthews Monday night at Yankee Stadium. There are quite a few boxing writers in this locality who are not convinced that Al actually deeded Marciano to his stepson, Marty Weill.

These doubters continue to insist that Al, who is a powerful figure in the industry, only pretended to give up his tiger when he joined the IBC and that he has, in reality, gone right on guiding Rocky's lumbering footsteps.

Against The Rules
 It is against the rules of the New York State Athletic Commission for a promoter to also be a manager.

Had he, we asked, read the latest blast at his reputed absentee ownership, a vivid article which compared him, the bank robber, and which asserted that Marty Weill, Marciano's manager of record, had not yet even located Rocky's training camp? Al, a portrait of rectitude in any league, sigher under his burden.

"I saw it, but I didn't read it," he said. "Just so they mention the fight, that's all I care about. It's like I've told you all the time: When I had to give up Marciano, what was more natural than to give him to my son Marty. It wasn't like he hadn't managed other fighters.

"When Marty wants to know something pertaining to certain things, why he calls me and I always give him any advice I can. There's nothing wrong with that, is there?"

We assured him there wasn't, and asked if we could expect to see Rocky's present proprietor in his corner on Monday night.

"You bet Marty will be there," Al replied. "That stuff about him not being around is the bunk. He's here again to direct Rocky's training."

Bobby Adams, infielder for the Cincinnati Reds, hit into only six double plays in 126 games during 1951.

The new structure will be modern "in every respect" with dimensions of 165 by 90 feet.

Cunningham said the building is expected to be completed within 90 days.

E. F. Conner, owner of Mid-West Motor Company, dealers for DeSotos and Plymouths, has had temporary quarters at 107 North Marzenfield Street, since a fire destroyed the firm's permanent quarters on South Colorado Street.

Tricky Language No Barrier To Yanks With Finnish Maids

By MURRAY ROSE
 HELSINKI —(P)—Notes of an American in Helsinki:

Matt Mann, United States Olympic swimming coach, beets that his pet sport is being slighted.

"Why should we only have eight events in men's swimming, including two dives, while track and field has 24?" the white-haired, 67-year old coach asked. "We're the tail of the dog in the Olympics. There is tremendous world-wide interest in swimming and its growing bigger year by year."

The Helsinki radio has been busy

airing advice to local maidens on how to conduct themselves with hordes of foreign men around.

The general tone is: "Don't be too hasty and fall in love. You might have your heart broken."

The tongue-twisting Finnish language is a formidable barrier of course but it hasn't kept the American boys away. They've been doing okay with hand signs.

"Here y'are. Get your strawberries here," yell candy butchers at the Olympic Stadium. The strawberry crop matures late in sub-Arctic Finland and right now the markets

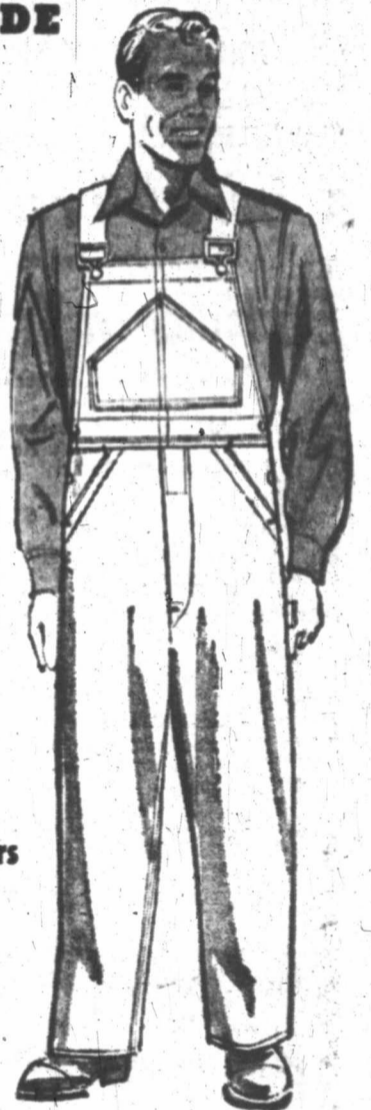

are overflowing with the fruit. Little baskets of them are on sale at the stadium and European fans eat them like Americana gobbie peanuts at a ball game.

Pin swapping by athletes and tourists has become the vogue. Little lapel flag emblems are traded as eagerly as kids swap baseball cards. And the stars and stripes is holding its own. Russian athletes will trade any pin they have—and they have the most elegant of them all—for an Old Glory badge.

Montoya Shows Oil On DST In Cochran Venture

Stanolind Oil & Gas Company No. 1-C D. C. Reed, South-Central Cochran County wildcat, was drilling below 12,468 feet in line after showing oil and water-cut mud, on a drillstem test in the Montoya. Drillstem test was taken in the interval from 12,323 to 12,441 feet. Tool was open five and one-half hours. Gas surfaced in four and one-half hours. There was no gauge or estimate.

Recovery was 1,260 feet of oil, the 1,520-foot water blanket and 280 feet of oil and water-cut drilling mud. Source of the water was un-

determined. Open flowing bottom- hole pressure was from 1,000 to 1,075 pounds. Shut-in pressure after 15 minutes was 3,865 pounds.

The Montoya was topped at 12,323 feet, elevation 3,770 feet. Location is 660 feet from north and east lines of section 19, Harrison & Brown survey and four and one-half miles northeast of the Landon field. It is 18 miles southwest of Whiteface.

New Oil Swabbed From Wildcat In Tom Green Area

Four miles southwest of San Angelo, L. E. Scherck and E. M. Wah- lenmaier No. 1 Tom Naworthy, Tom Green County wildcat, swabbed 97 barrels of oil cut with two per cent basic sediment and water during the first 24 hours of testing. Estimated gravity of the oil, which was recovered through casing perforations at 5,917-5,927 feet, is 28 degrees. That set of perforations was washed with 500 gallons of mud acid.

Testing continued. Location is 1,622 feet from west and 281 feet from north lines of H. Zerback survey No. 178. Section being tested is lower Pennsylvania lime.

Wildcat Failures In Six Counties Have Been Plugged

Wildcat failures in six West Texas counties have been plugged and abandoned. They were in Hartley, Scurry, Reagan, Runnels, Crockett and Ward Counties. On Matador Rock Texas Gulf Producing Company No. 1 Matador Land & Cattle Com- Hartley County drilled to a bottom of 4,801 feet in granite. It had no shows of possible production.

Civil Engineers
Arizona, Colorado, New Mexico, Ok- lahoma, Texas, Utah and Wyoming.
Well Locations and
Pipe Line Surveys
Permanent Address: Dial 4-8682
309 South Big Spring—Midland

Location was 660 feet from south- west and east lines of section 53, block 22, State Capital Syndicate sub- division.

In C-E Scurry
In Central-East Scurry County, five and one-half miles northeast of Hermleigh, Hurdall & Gray No. 1 Ida Gannaway has been plugged and abandoned on total depth of 7,490 feet in barren Ellenburger.

This failure found no shows of possible production. It topped the Ellenburger at 7,355 feet, on a datum of minus 5,071 feet. There was no fluid in the section of the Ellenburger which was pen- etrated.

Location was 660 feet from south- west and east lines of section 89, block 3, H&TC survey.

N E Reagan Duster
The Atlantic Refining Company No. 1-56 Sugg, in Northeast Reagan County and outside of the proven area of the Weddell, (Sprabery) field bottomed at 5,276 feet in bar- ren Sprabery shale.

It had no shows for production and has been abandoned.

Location was 660 feet from south- west and east lines of section 56, block 2, T&P survey. It was 30 miles southeast of Gayden City.

Runnels Failure
E. B. Fletcher No. 1 R. H. Herring in Southwest Runnels County, eight miles northwest of Miles penet- rated to 5,486 feet in a dry lime and shale formation. It has been plugged.

Location was 1,980 feet from north and 660 feet from east lines of Washington County Railroad survey No. 123.

One In Crockett
Magnolia Petroleum Company No. 1 J. W. Henderson, Jr., in South- Central Crockett County drilled to a bottom of 12,769 feet in barren Ellenburger.

It then plugged back and tested in the Wolfcamp-Permian from 6,680 feet back up to 6,000 feet. No commercial production was developed and the failure has been abandoned.

Location was 660 feet from south- west and east lines of section 63, block 24, H&TC survey. It was eight miles south of Pyote and seven

miles southwest of the Spencer field.

Shallow Wildcat Will Be Drilled In Central Crockett

Central Crockett County gained a 1,400-foot cable tool wildcat with the striking of Byron Williams of Ozona No. 1 John Childress, 216 feet from north and 230 feet from west lines of section 28 1/2, block CD, P. L. Childress survey. Sight is eight miles north and slightly east of Ozona and four miles south of The Pure Oil Com- pany No. 1 Mitchan, dry hole at 1,596 feet.

Operations are to start at once.

Casing Being Set In San Andres At C-E Iron Tester

Operators were running seven- inch casing to 675 feet, total depth, in B. F. Jones and Kenneth Lyons of San Angelo No. 1 J. W. Field, wildcat in Central-East Iron County.

The pipe will be perforated op- posite the San Andres and that formation tested. Two zones, from 418 to 430 and from 438 to 450 feet, had yielded one and one-half gallons of oil per hour.

No. 1 Field is 330 feet from south- west and east lines of John Dunman survey 1802.

Shell Is Running Electric Logs At Central Lynn Test

Shell Oil Company No. 1 South- land Royalty Company and others, wildcat in Central Lynn County, was bottomed at 10,610 feet in the El- lenburger with operators running elec- tric logs.

A drillstem test, with tool open one hour, from 10,510 to 10,610 feet, recovered 1,056 feet of muddy, salty sulphur water and 6,482 feet of salty sulphur water.

Location is 660 feet from north and west lines of section 1, block 2, L&SV survey and four miles west of Tahoka.

Stanolind Plugs Deep Failure In Yoakum Sector

Stanolind Oil & Gas Company No. 1 Argo Oil Corporation, wildcat in North-Central Yoakum County, has been plugged and abandoned after

been plugged and abandoned after plugging back from 13,131 feet in granite to 12,410 feet and testing.

Using dual packers, operator took a four-hour drillstem test from 12,303 to 12,410 feet. Recovery was 2,300-foot water blanket, 2,250 feet of drilling mud and 6,500 feet of salt water.

Location was 2,220 feet from north and 1,978 feet from east lines of section 86, block D, John H. Gibson survey and 12 miles northwest of Plains.

Hunt Schedules Shallow Venture In Pecos Region

Hunt Oil Company No. 46 Elsinor Royalty Company will be drilled a 2,000-foot wildcat in Pecos County, 11 miles south of Chancellors and one and three-quarters miles north- east of the Brewster County line.

It is 1,230 feet from south and east lines of section 46, block A, GC&SF survey.

Cable tools will be used.

Short Extender To Trend Is Fined In SW Glasscock

The Blackwood & Nichols Com- pany No. 3-C Howard has been com- pleted as a short extender to Sprab- ery Trend production, in South- west Glasscock County.

It was completed for a daily pumping potential of 103 barrels of 40-gravity oil from an open hole at 6,430-600 feet. Open hole was frac- tured with 3,000 gallons.

Gas-oil ratio was 879-1. Location is 662 feet from north and 2,010 feet from east lines of section 31, block 35, T-5-S, T&P survey and three-quarters mile southeast of Driver field production.

Tide Water Gets New Producer In NW Reagan Area

Tide Water Associated Oil Com- pany No. 8-A J. F. Nunn is a new- ly in an undeveloped area in the Sprabery Trend of Northwest Reagan County.

It was finished for a daily flowing potential of 437 barrels of 39.9-grav- ity oil through a one-half-inch choke and perforations at 6,696-6,734 feet and 7,576-92 feet. Gas-oil ratio was 723-1.

Location is 1,980 feet from north and east lines of section 23, block C, L&SV survey and 7.8-miles northwest, one mile southwest of production.

NEW YORK —(AP)— Wednesday noon cotton prices were 25 cents a bale lower to 10 cents higher than the previous close, October 36.64, December 36.46 and March 36.35.

Physicians Report Eva Peron Improved But Still Critical

BUENOS AIRES, ARGENTINA—(AP)—Mrs. Eva Peron's doctors Tues- day night said the blonde wife of Argentine President Juan D. Peron is still in critical condition despite a weekend turn for the better.

There has been no official an- nouncement of what's wrong with her, but she underwent a major operation last Fall after examina- tion by a New York cancer and tumor specialist.

Argentine workers gave up a day's pay Tuesday to build statues to Mrs. Peron in all important Argenti- ne cities and Peron presented his wife with an elaborately jeweled Grand Collar of the Order of the Liberator San Martin, Argentina's highest honor.

It consisted of 3,821 pieces of platinum and gold and 753 dia- monds, rubies and emeralds.

Tehachapi Begins Survey Of Damage Caused By Quake

TEHACHAPI, CALIF.—(AP)—Amid continuing aftershocks from Cal- ifornia's second strongest earth- quake in recorded history, inspec- tors began making a building by building check of this shattered community Wednesday.

They are expected to condemn most of the downtown businesses and many homes as well.

With 11 dead, more than a score injured and damage estimated at two and one-half million dollars, townspeople face weeks of hard- ship, even though relief organiza- tions had provided food and tempo- rary shelter.

Livestock

FORT WORTH—(AP)—Cattle 3,400; calves 1,100; cattle and calves un- even, stockers, feeders, slaughter steers and yearlings steady. Cows weak to 50 cents lower. Good and choice slaughter steers and year- lings \$23-\$31.50; common and med- ium \$15-\$25; beef cows \$17-\$21; good and choice and slaughter calves \$25-\$29; common and med- ium calves \$17-\$24; good and choice stocker calves \$23-\$29.50; common and medium \$18-\$25; potester and feeder steer yearlings \$17-\$27; heifers \$25 down; stocker cows \$15-\$18.

Continental Plugs S-C King Duster

Continental Oil Company No. 1 J. M. Alexander Estate, wildcat in South-Central King County, 12 miles southeast of Guthrie, has been plugged and abandoned at 6,300 feet in barren lime.

TOPS IN PAY LOAD!

HERE'S YOUR PAY-OFF ON A GMC 470

UP TO A HALF-TON LESS WEIGHT HERE MEANS UP TO A HALF-TON MORE PAY LOAD HERE

Gasoline 1/4 to 30 tons
Diesel 2 1/2 to 35 tons

Get a real truck!

If you use gasoline-powered tractors in the 45,000 GCW class, here's big news. This new GMC Series 470 will haul more pay load than any other vehicle of its rating with comparable standard equipment—up to more than a half-ton than some!

That's because GMC has found new ways to take dead weight out of truck design by advanced engineering.

One example is GMC's sensational new "302" valve-in-head engine that delivers 145 h.p. at 3200 r.p.m. It weighs less than other engines of equal power by as much as 500 lbs. Yet it's the highest-compression gasoline truck engine ever built—gives you extra mileage from regular fuel!

Come in. Compare them—in power, in pay load, in rugged long-life construction—against all the rest!

Then check the price and you'll agree: nowhere else will so little buy so much in a 3- to 4 1/2-ton truck.

KEY, WILSON & MAXSON'S REAL ESTATE Bulletin Board

REPORTING THE TOP NEWS IN REAL ESTATE

STARS IN YOUR EYES will appear when you see the size and quality of this new Austin stone home offers.

AN INDISPUTABLE FACT... that a beautiful home adds greater charm to the woman of the house, and even makes the man more hard-some.

JUST THE WAY YOU LIKE it because it has a fence, good lawn, some young trees, and the street is paved.

WHO SAID YOU CAN'T BUY? Here is a home that \$1,900 down will make yours immediately—and no losing costs!

BEAUTY WITH A DESIGN for graciousness is to be found in this white chipped brick home on Indiana.

THE HOUSE ON STOREY STREET which you haven't seen yet. It's got 3 bedrooms, 2 baths, attached garage.

3 BLOCKS TO HIGH SCHOOL... and a lot of house. Two bedrooms and den (or 3 bedrooms), neat living room with an offset dining room.

BUILT BY BOB FOR A BUDDY, and now available to you. Two bedrooms and den, lovely living room, and family kitchen.

CLOSE IN ON TENNESSEE with lots of big trees. It has 2 large bedrooms (one is 15 feet and the other is 18 feet in length).

IT NEEDS SOME KIDS because this street is so quiet—East Estes. And this home is designed for 'em.

BUSINESS LOTS. 150 foot frontage on Highway 80 near Ranch House on Hwy 120, 120x466 on Garden City Hwy.

IMMACULATE AND ADORABLE is this, a 2 bedroom home in TOWN NORTH. With its white fence and green carpet-like lawns.

ON AUGUST 1ST you will be making another rent payment for about \$125, and it will hurt you to think that you have nothing to show for it.

Dear Folks at Home, We just saw one of the most beautiful homes in Midland, and I believe that we will buy it.

THE DEMOCRATIC CONVENTION will nominate its choice for the presidency this week at Chicago.

IT'S MODERN ON MAPLE and it's paved, also. With 2 bedrooms and large closets, living room, kitchen with convenient dining area.

ONLY TWO LEFT 2603, 2609 Kessler Natural finish gum doors, venetian blinds, brick wainscot, steel siding.

320 ACRES IRRIGATED LAND

Well improved, and all in cultivation. Two good wells, all irrigating equipment, butane and electricity.

DIXIE WEAVER AGENCY Phone 4-5607

GASTRO County, One section, 600 acres in cultivation. 40 acres of green lake. Now planted to late feed.

Why Fight Drouth?

Why continue to suffer drouth losses when good land with plenty of underground water to insure uniformly heavy production under irrigation is available at low prices and on easy terms?

The Stribling ranch in the famous San Luis Valley of Southern Colorado consists of 80,000 acres of fertile land now in early stages of development into a prosperous irrigated farming community.

Any size tracts of level land suitable for development into irrigated farms are now available at from \$50 to \$75 per acre, with no down payment to those who can and will invest an additional \$40 to \$50 per acre to develop for heavy production.

Trellis Mae Wants To Form New 'For Women Only' Party

EDITOR'S NOTE: "Politics is a man's game," concludes Trellis Mae Feeble, America's average wife, in a letter home to her husband about the national donkey serenade.
By HAL BOYLE
CHICAGO—(AP)—Dearest Wilbur, if I learn nothing else from the Democratic National Convention, I

Cubs Whip Eagles, 5-4, In Consolation

The Cubs of the North Little League whipped the Eagles of the South Little League, 5-4, Tuesday in a consolation tilt between second-place teams.
Thursday the third place teams, the Pirates of the North and the Yankees of the South, will tangle, and the two last place teams, the Braves and the Lions, also will meet.
The Eagles left 21 men stranded on the basepaths in losing the Tuesday tilt. Don Archie was the winning pitcher, out-throwing Don Kidwell of the Eagles.
The Cubs jumped to a 3-0 lead in the first inning, but the Eagles went to a 4-3 advantage in the top of the sixth. A two-run outburst in the final frame gave the victory to the Northern team.

Pioneer Interred In Howard County

Funeral services for George Lawrence Bell, 81, of Big Spring and father of Mrs. J. E. Lewis of Midland, were held Monday. Interment was in Trinity Memorial Cemetery.
Bell died Sunday in a Big Spring hospital.
A retired electrical engineer, Bell helped build the first gin and helped to sink the first water well in Howard County.

School Board Bans Press After Two Members Scuffle

OLTON—(AP)—Newspaper reporters were barred again Tuesday night from a meeting of a school board, two of whose members were fined earlier for scuffling at a board meeting Monday night.
The meeting continued until about midnight at which time Jack Allcorn, board president, told reporters "there's nothing for the press."
Allcorn was one of the board members fined undisclosed amounts Tuesday on charges of disturbing the peace. The other was Glenn Skier, 29, Olton farmer, who said he was beaten up at the Monday night meeting when he spoke up in favor of admitting reporters.
Luron Brown of the Plainview Herald staff said that at the start of Tuesday night's meeting, "I went in and asked Allcorn if he would

at least have learned this—politics is really for men. Women had better stick to matrimony, where the rewards are sure and they can be certain of at least one man's car.
Yes, politics is for men. And men deserve politics—the heartless beasts.
I am boiling mad at all male Democrats today for the way they behaved during Ladies' Day in Convention Hall. If I had my way I'd have every woman in America boycott (or should I say girlcott?) both the Republican and Democratic Parties and form a new political party—the "For Women, Only Party."
I guess I had better begin from the beginning, honey. Anyway, political conventions are now like baseball parks. They have a Ladies Day just to prove they recognize the existence of two sexes.
The leading female politicians are invited to speak. And Tuesday afternoon the donkey delegate heard—or, I might say, should have heard—Perle Mesta, minister to Luxembourg; Eugenie A. Anderson, ambassador to Denmark, and Georgia Neese Clark, treasurer of the United States.
Middle-Aged From
These ladies just looked simply lovely. I would hate to say how much they must have spent on new hair-does and gowns. It was the big moment of four years for them—a kind of middle-aged junior prom. And they had worked hard on their speeches and had really interesting things to say—all about how women should take a more active part in politics, and how nice it is we don't have a depression any more, and whether do we go from here?
What, happened? The ladies in the gallery applauded nicely. But the men delegates on the floor

Death Toll Unknown After Planes Fall In Brush Country

BAGOTVILLE, QUE.—(AP)—Two Canadian Air Force planes, flying in joint U.S.-Canadian air defense maneuvers, collided and crashed Tuesday in brush country 30 miles from this Northeastern Quebec town.
The death toll was not known immediately, but reports said some of the seven men aboard the two planes—a Vampire jet fighter and a Lancaster bomber—were "definitely killed."
A rescue party, including a nurse was parachuted near the crash scene and a ground rescue party was sent through the brush to the wrecks, about 130 miles north of Quebec.
Canadian Air Force officials said the two planes were participating in "Operation Signpost," a week-long joint defense maneuver launched last Saturday by the U.S. and Canadian Air Forces.
More than 800 Canadian and American planes are taking part in the exercises, designed to test the vulnerability of Canadian and U.S. air defenses to long-range bombing attack.

Fourth Victim Dies After Auto Accident

CLEBURNE—(AP)—A traffic crash near here Friday which killed three Fort Worth children claimed its fourth victim Wednesday.
The father of the children, Bud Hudson, Fort Worth died about 2:30 a.m.
ENTERS HOSPITAL

Skidding Car Hits Worker

Feliciano Hilario Fuentes, 53-year-old employe of the city water department, suffered a broken leg Tuesday afternoon when struck by an automobile at Tennessee and Fort Worth Streets.
Police Officer Roy Merket reported Fuentes, who lives at 1023 East Walnut Lane, was injured when he stepped from between two cars parked on Tennessee.
The officer said Lucy Ogin Mendoza, 704 East Kansas Street, driver of the automobile, was unable to stop in time and skidded 30 feet. Fuentes was admitted to Midland Memorial Hospital for treatment.

Democrats—

(Continued From Page One)
movement.

Kefauver himself spoke out against what he called a "synthetic draft." Most of the heat apparently had gone out of the North-South scrap over a "loyalty pledge" as a result of a compromise drafted Tuesday night in line with suggestions telephoned by Charles Murphy, personal counsel for President Truman. Pledge Not Required.

In effect, the compromise says no delegate would have to pledge his support to put the convention's nominees on his state's ticket as the rightful Democratic nominees if such a pledge would contravene state laws or state party rules. Delegates from South Carolina, Louisiana, Georgia and Virginia had balked at signing an out-and-out pledge, demanded by Northern Democrats with a rule they jammed through the convention early Wednesday.

Members of the Louisiana delegation formally notified the Credentials Committee that under

Installation of the permanent chairman.

Addresses: Speaker Rayburn, permanent chairman; Vice President Alben W. Barkley.

Resolutions: Report of Committee on Platform and Resolutions. Roll call by states for speeches placing in nomination candidates for President.

their state laws and rules they could not take this pledge. This cleared the way, under the compromise, for them to sit as delegates without taking it.

Members of the delegation said they understood similar action was being taken by Georgia, South Carolina and Virginia.

The compromise represented a sharp set-back to the Northern Democrats, who like to style themselves "liberals," and had wanted an iron-clad pledge.

Shivers Wins Again

The Northerners lost more ground when the convention's Credentials Committee voted 36 to 13 to seat a Texas delegation and 33 to 17 to seat a Mississippi group which had carried anti-Truman labels into the convention.

"They ought to," whispered my new friend, the dubious delegate from Texas. "Half the people here got their jobs from her husband."

A big hug and kiss from your very own

Armed Men Attack Texas Couple, Flee With \$15,870 Loot

OKLAHOMA CITY—(AP)—Two armed men robbed a Texas oil man and his wife early at a tourist court and escaped with cash and jewelry valued at \$15,870.

The victims were identified by police as Mr. and Mrs. Jack Randolph White, Mount Pleasant.

Police said the Whites furnished names of two suspects with whom they had oil dealings here. Officers are hunting the men for questioning. White reported the men knocked at the door of his cabin about 2 a.m., saying they were police and wanted to question the couple.

White said they rushed through the door, grabbed him and his wife and pushed pillow cases over their heads. White said he was hit in the head, face and stomach with a pistol butt. Mrs. White was struck in the face.

The oil man said the bandits tied them up with a belt and scarf and ransacked the cabin. They took seven \$1,000 bills, 24 bills of \$100, three \$20 bills and one \$10. They also got a four-carat diamond ring valued at \$5,800 and a two-carat diamond worth \$800.

Chinese Cling Fast To Old Baldy Under Fierce UN Assaults

SEOUL, KOREA—(AP)—UN planes and artillery Wednesday seared the crest of Old Baldy hill where a Chinese infantry company over-looked the Allied main line of defense.

Battle weary UN foot soldiers were dug in on two slight extensions on the southeast slope of the Western Front hill west of Chorwon. They were about 100 yards below the crest.

The crest of the battle-scarred hill has changed hands several times since the Reds opened their drive for the height last Thursday night. UN troops were pushed off again Tuesday.

Front line officers estimate the Reds have suffered more than 1,300 casualties in the seaway fighting. Allied losses were not announced.

Allied and Communist shelling fell off during the night. But after dawn UN artillery and fighter bombers pounded the dug-in Chinese relentlessly with big guns, rockets and flaming gasoline bombs. The Chinese held out.

OKLAHOMANS ARE GUESTS

The Rev. and Mrs. O. W. Henin and daughter, June, of Crescent, Okla., are guests in the home of the Rev. and Mrs. Earl Rice, 1204 South Baird Street. Mr. Henin will speak in the evening service Wednesday in the First Assembly of God Church. He was a revival speaker at the church in 1951.

GOP Chiefs Invited To Fish As Ike Ignores Demo Parley

DENVER—(AP)—Gen. Dwight D. Eisenhower arranged to talk campaign strategy Wednesday with three key supporters at his vacation ranch in the Rocky Mountains.

And the three may join the Republican presidential nominee in a bit of trout fishing after the conference.

They are Senator James H. Duff of Pennsylvania; Ralph Calko, GOP national committeeman from Oregon; and Gov. Dan Thornton of Colorado.

Palmer Hoyt, editor and publisher of the Denver Post, was accompanying the trio to the cattle ranch near Fraser, Colo., where Eisenhower has been vacationing since last Thursday. The party planned to drive from Denver, 73 miles east of Fraser, arriving in time for breakfast.

Eisenhower and Axel Nielsen, an old friend who owns the ranch, have been cooking their own meals at the hideaway.

Wednesday's visitors, traveling with a group of newsmen from Eisenhower's Denver headquarters, were to be the first the general has had at the ranch from the political world.

However, he has been in touch daily by telephone with his headquarters staff.

The general will confer at the ranch Sunday with his vice presidential running mate, Senator Richard M. Nixon of California.

Later next week Eisenhower may

Midland Lions Hear Up-To-Date Report On Artillery In Korea

An up-to-date report on "Artillery Warfare in Korea" was given by O. B. Lawrence, Shell Oil Company employe, at the regular meeting of the Midland Lions Club Wednesday noon in the high school cafeteria.

The speaker, who was introduced by Duke Johnson, returned in May after an extended tour of duty with the U. S. Army in the Far East. He also is a World War II veteran.

He limited his address mainly to the artillery picture on the Western Front, and said that front is the most important because of terrain.

"The Infantry has had it relatively light since the truce talks began, while the artillery has gone all-out," he said. "It actually has developed into an artillery war."

Lawrence cited the different types of artillery and explained how each is being used in Korea. He explained in detail how the enemy artillery pieces are located and how the calibre is determined. The work of intelligence and tactical units also were mentioned.

President L. V. Bassham met with chairmen of the club's standing committees following the luncheon.

Progress Reported In Drive For Funds

Midland beer distributors reported Wednesday they had reached the one-fourth mark in their drive to raise \$2,000 for lawn beautification at Midland Memorial Hospital.

Charles Edwards, Jr., chairman of the committee conducting the campaign, said response to their appeal had been good and that the goal probably will be reached by Thursday night.

Four teams of 100 persons are participating in the campaign.

Painful New Polio Records Are Set As Deaths Increase

By The Associated Press

Killer polio struck new blows in Texas Wednesday after two persons died in Dallas, and Houston recorded a record number of cases for the day Tuesday.

A total of 24 city, Harris County and non-county cases were reported in Houston Tuesday with 13 from the city topping all previous records.

The new cases in Houston boosted the city total to 260 for the year with eight deaths. Four new county cases boosted the year's total to 173 and seven deaths, and seven new

non-county cases reported brought the toll there to 150 cases and six deaths.

Last year at this time there had been only 76 polio cases and four deaths in Houston while Harris County had had but 20 cases and no deaths.

In Dallas, a seven-year-old girl and a 29-year-old printer died of the mystery malady, bringing the year's Dallas count to 162 cases, and 13 dead.

Vicious bulbar polio killed Sandra Elene Friday, daughter of Mr. and Mrs. C. C. Friday, while she bat-

ted for life in a respirator Tuesday morning, Harold Edward Crawford, the second Dallas victim of the day, died Tuesday afternoon, just three days after he was admitted to the Parkland Hospital polio ward.

Three new cases were reported Tuesday in the Alice area. One was a 19-year-old Agua Dulce mother and the others were two children from Premont. All were hospitalized in Corpus Christi.

Ernest Seger, nine, became McLennan County's forty-fourth polio case of the year. Waco sources said at this time last year only 29 cases of the disease had been reported there.

342 Cases In Week

A polio toll of 243 new cases for the past week, second only to the 286 of the previous week, was reported by the Health Department Wednesday.

Fifteen Texas counties reported the disease for the first time this year as the state's total cases jumped to 1,838 compared with 894 a year ago.

A clerical error last week from local sources gave Stephens County 12 cases, when actually only two occurred. This meant there were only 286 cases instead of 296 the week ending July 12, but it was still an all-time record.

Dr. George W. Cox, state health officer, predicted this year's polio incidence would hover past the 3,000-mark for the first time in Texas history.

Vietminh Assault Kills 20 Persons

SAIGON, Indochina—(AP)—The French announced Wednesday that Communist-led Vietminh, in a hit-and-run attack on the seaside resort of Cap St. Jacques, killed 20 persons, including 10 children and two women; and wounded another 20.

Sixteen of the dead, and all of the wounded were French.

Hiss' Appeal For Third Trial Denied

NEW YORK—(AP)—Aiger Hiss' appeal for a third trial—based largely on his contention that he was a victim of forgery by typewriter—was denied Tuesday in Federal District Court.

Of the convicted perjurer's motion, Federal Judge Henry W. Goddard wrote in his opinion: "There is no newly discovered evidence which would justify the conclusion that, if it were presented to a jury, it would probably result in a verdict of acquittal."

Hiss, 47, one-time high State Department official, was convicted at his second trial in January, 1950. An initial trial the previous year ended with the jury deadlocked. He now is serving a five-year term at Lewisburg, Pa., Federal Prison.

The indictment against Hiss said he lied to a federal grand jury when he testified he never gave State Department secrets to Whittaker Chambers, a former Communist spy ring courier, before World War II.

At his sentencing two and one-half years ago, Hiss told Goddard he was "confident that in the future all the facts will be brought out to

show how Whittaker Chambers was able to carry out forgery by typewriter."

Last January, months after Hiss had gone to prison and the U. S. Supreme Court had declined to review the case, Hiss' attorneys made the bid for the new trial on grounds of the allegedly faked typewriter and other "new evidence."

Goddard said Tuesday the Hiss attorneys had submitted no proof to support the "defendant's supposition... that Chambers constructed the alleged duplicate typewriter from the typewritten characters in the Hiss letters, or that it was done for him by some Communist friends."

The typewriter was entered as evidence at the two trials. Chambers produced documents and testified they were copies of government papers made for the Soviet spy ring on the typewriter by Hiss and his wife.

Chester T. Lane, Hiss' attorney, said he would decide whether to appeal Goddard's decision after reading the opinion.

Heavy Seas Hamper Search For 18 Lost From Capsized Ship

COPENHAGEN, DENMARK—(AP)—Ships and aircraft scoured the narrow waters between Denmark and Sweden Wednesday searching for 18 passengers and crewmen missing from the capsized 1,100-ton Danish freighter Portland.

Heavy seas hampered the operations.

The Portland went down Tuesday night in the Kattegat—the strait between Denmark and Sweden. Maritime sources here speculated that she may have struck a floating World War II mine.

The crew members were rescued by the German freighter Neudorf. Three women passengers and the remaining 18 crewmen were listed as missing.

Blasts Rip Powder Mill

LEBANON, OHIO—(AP)—At least one man and possibly three others were injured Wednesday in a series of explosions at the plant of the King Powder Company, in Kings Mills, eight miles south of here.
