## Fuhrman Schedules Deep Prospector In W-C Andrews Area

Fuhrman Petroleum Corporation of Midland is to start drilling soon at a 13,000-foot Ellenburger wildcat in West-Central Andrews County.

The prospector will be Fuhrman No. 1-E W. T. Ford. It is to be seven miles southwest of the town of Andrews and 700 feet from south and 330 feet from west lines of the southeast quarter of section 14, block A-43, pd survey.

The project is on the east side of the shallow Fuhrman-Mascho field. That reservoir produces from the upper Permian limes above 5,000 feet.

## Penrose, Anderson Stake 5,000-Foot Well In Andrews

Neville G. Penrose of Fort Worth and Warren D. Anderson of Midland No. 1 Wolfe is to be a 5,000-foot wildcat to try for production in the San Andres-Permian lime in North-West Andrews County.

Location of the exploration is 660 feet from the west and south lines of section 23, block A-28, pd survey.

That makes it about two miles northeast of the nearest production in the Litzman (San Andres) field and about the same distance north of the discovery well of the Smith (Clear Fork) field.

It is approximately 23 miles northwest of the town of Andrews and nine and one-half miles northeast of Eunice, N. M. Drilling with combination tools will be started at once.

## Austral Wildcat In Tom Green Gets Oil On Two DST's

Austral Oil Exploration Company, Inc., reported oil flow on two drill-stem tests in the Ellenburger in No. 1 V. E. Probandt, wildcat in the West Panhandle of Tom Green County.

One of the tests was taken in the interval from 8,585 to 8,610 feet. Gas surfaced in eight minutes, mud in 24 and oil in 35 minutes.

It flowed to pits through a 5/8-inch choke at an estimated rate of five to six barrels of 60-gravity oil hourly. Tool was open 48 minutes.

The well unloaded after 1,890 feet of pipe had been pulled. It unloaded every 30 seconds while coming out. Recovery was 378 feet of salt water below the circulating pressure was 3,778 pounds. Shutin pressure after 30 minutes was 3,175 pounds.

Operator then took a stratidite test from 8,598 to 8,593 feet. Tool was open four hours and 15 minutes.

Gas surfaced in 18 minutes and oil in one hour. It then flowed two and one-quarter hours through a 5/8-inch choke at the rate of from four to six barrels hourly.

A full pipe load of oil was recovered when the project came out of the hole. It also recovered 1,200 feet of salt water.

No tops have been called. Location is 1,972 feet from south and 687 feet from east lines of section 42, block 7, H&TC survey.

Operator was waiting orders.

## Texaco Completes Devonian Extender In NW Lea Sector

The Texas Company No. 1-BO State, three-quarters mile northeast extended to Devonian production in the Moore area of Northwest Lea County, has been completed for a calculated daily flowing potential of 1,413.46 barrels of 45.7-gravity oil.

The potential was based on a six-hour flow of 353.4 barrels of oil through a 28/64-inch tubing choke and through perforations at 10,971-10,981 feet. Pay had been washed with 500 gallons of mud slud. Gas-oil ratio was 19.8-1. No water was made on the potential test.

Location is 1,980 feet from north and west lines of section 24-11a-32e.

# Schools Hike Tax Rate Five Cents

**WE, THE PEOPLE**—Midland citizens have this kind of job on their hands Monday. A well-designed trash box with the lid open becomes another breeding spot for diarrhea and other diseases in downtown Midland. The Citizens Clean-Up Committee hopes to eliminate this and other filth by demanding prosecution of violators and by its "Operation Trash-Haul" Monday. An armada of trucks will scour the city to haul away the rubbish as every individual does his utmost to clean up his own premises.

## Cool Air Kicks Up Panhandle Storms, But Drouth Hangs On

**By The Associated Press**

Texas' blistering sun remained brilliant and crop prospects faded still more Wednesday.

The long drouth dragged on after putting down a brief intrusion of cool air from the North. The cool front kicked up gully-washer rains high in the Panhandle and a "baby tornado" in Young County late Tuesday. Then it quickly gave up.

The U. S. Agriculture Department said prospects for crops, already poor, had grown even poorer. Dryland crops were withering and shedding excessively in the heat. Only in the irrigated High Plains was cotton doing well.

Supplemental feeding of cattle had increased as pasture burned under the sun and the Agriculture Department said movement of livestock out of dry areas was heavy.

The heavy rains hit Farmer and Bailey Counties late Tuesday night after the junior-size tornado ripped the airport at Graham in Young County. Eight inches of rain was reported southwest of Farwell and five inches was reported at Portales, N. M., across the border.

The dissipating cool front, which lost a bout with a mass of hot stationary air in the interior of the state, kicked up a line of thunderheads in North Texas, where the little twister was spawned. About \$12,000 damage was done at the airport, Manager C. E. Cusanbary said.

There was a report that heavy rains fell along Gulf Coast points, but the Weather Bureau could not verify them.

High temperatures continued.

Tuesday's top was 106 degrees at Presidio, and dozens of points had readings of 100 and above.

## Marines Repulse Red Stabs Against Bloody Bunker Hill

**SEOUL, KOREA — (AP) —** U. S. Marines Wednesday night threw back a strong third Chinese counterattack against Bunker Hill on the Korean western front.

A Marine spokesman said for an hour and 10 minutes, 750 Red troops battled fiercely but failed to penetrate positions of the Marines fighting from pre-fabricated bunkers.

Chinese sniper and artillery fire began building up at dusk. It reached its peak at 9 p.m. Five minutes later the Red troops charged. Marines met it with a hail of rifle and machine gun blasts.

Marines captured the ridge early Tuesday. Tuesday night the Chinese threw 400 men against the Leathernecks.

Early Wednesday, a Red battalion—about 750 men—hit the hill again. The assault was broken at dawn.

The Marines said Chinese losses were "very heavy."

A Chinese Red broadcast from Peiping said the U. S. 45th Division had been pulled out of the Choron sector on the central front "after losing over 8,000 men." There was no immediate confirmation.

The commander of the Marines in the Bunker Hill fight, Maj. Gen. George T. Selden, said the strategic ridge overlooking the Panmunjom truce talks site "is Marine territory now—we certainly are going to hang onto it."

Marines told harrowing tales of the battle.

The once-green ridge has been turned to dust and broken rock by thunderous artillery and mortar shelling, tank fire, rockets and air attacks.

The bombardment was "wicked and wild," muttered Pfc. Donald J. Biseak, Meriden, Conn. The young rifleman said he shot three Chinese soldiers during the night fighting.

## Odessan Receives Critical Injuries In Road Accident

Austin A. Stacker of Odessa, employed by Trinity Drilling Company, was in a critical condition at noon Wednesday in Midland Memorial Hospital, suffering from injuries in an automobile accident at 4:30 p.m. Tuesday.

Attaches said Stacker still was unconscious, with a chest injury, a skull fracture and a mangled left arm.

The accident occurred four miles from Midland on the Rankin Highway.

While State Highway patrolmen were not immediately available for comment, it was reported that Stacker's automobile was involved in a collision with a truck.

## Plan To Widen Big Spring Street Gets Council's Nod

The City Council gave the green light Tuesday night to plans for widening North Big Spring to 65 feet from Texas to George Street.

The approval came as the council formally accepted a State Highway Commission commitment to pave the widened street if the city will pay the cost of constructing curbs and gutters.

The commitment would have expired August 29.

The widening of North Big Spring Street marks the first phase of a program similarly to widen and pave other highway approaches into the city, including Andrews Highway, Garden City Highway and Rankin Highway.

City Manager W. H. Oswald said the state plans to spend about \$70,000 in widening the street while the cost of the curbs and gutters will amount to about \$10,000.

At the present time Big Spring is 41 feet wide from Texas to Kansas Street, the strip already provided with curbs and gutters, while the remainder is narrower.

The city itself probably will foot the bill for tearing down the curb and gutter from Texas to Kansas Street while the remainder will be paid by property owners on an assessment basis.

## Red Attempts To Infiltrate Scout, Church Groups Bared

**WASHINGTON — (AP) —** A Communist scheme to infiltrate the Boy Scout movement and feed its youngsters — members "communism with sugar coating" was described in sworn testimony made public Wednesday by Senate investigators.

The Internal Security subcommittee, in a report to the Senate, termed it part of a Moscow-inspired plan to warp generations of teenagers to the Kremlin's views, in the schools, colleges, churches and youth organizations.

"I can conceive of few greater crimes," Senator McCarran (D-Nev.), the subcommittee chairman, said.

The report includes a transcript of sworn testimony given last March 6 by Harvey M. Matusow of Dayton, Ohio, a self-styled former Communist now an agent of the Ohio Commission on Un-American Activities. The hearing was behind closed doors.

Matusow said the Communists, after a futile effort in the 1930's to undermine the Scout movement, switched to the infiltration plan under which they hoped to mix secret Red agents among the Scouts.

"I might cite the example of Don West," Matusow said, naming West as a Baptist clergyman and Communist organizer in Georgia who formerly lived in Bethel, Ohio.

"I am taking this from the testimony of John and Martha Elston, and they stated that Mr. West had seven churches under his jurisdiction, and a Boy Scout troop was organized in each of the churches, and his plan was to indoctrinate."

"I met him (West) at a meeting of the Communist party in 1951," Matusow said that as a Communist he saw a high-powered plan evolved to infiltrate high schools, community and even church clubs, and labor unions. He termed Scout infiltration a part of this plan.

## C-Day Inspections To Start Thursday

Final plans are being made for Clean-up Day Monday.

The Citizens Cleanup Committee met Tuesday afternoon and heard progress reports of its subcommittees.

The Zoning and Inspection Committee, headed by L. V. Basham, will begin inspection of certain zones Thursday. Red tags will be put on the doors of homes and business establishments that need cleaning.

The Transportation Committee, headed by W. J. Sprecher, has obtained promises for 60 trucks from business organizations. All companies furnishing trucks are being put on a list.

The Fire Department has offered to supervise the burning of trash, stumps or lumber, which can't be moved, during the next five days.

Dr. F. J. Von Euben, Jr., a vector control expert from the State Health Department, was due in Midland Wednesday to check the fly and sewerage situation here. He will speak at a citizens meeting in the Cowden Junior High School auditorium at 8 p.m. Thursday.

Members of the Latin American Youth Center have volunteered to distribute cleanup handbills through the Latin American section.

## Meat Vault Money Looks Better Than Steaks To Thieves

Those choice sirloin steaks and rib roasts probably looked enticing Tuesday night but cold cash looked better.

Pat Marlow, manager of Nick's Place, 701 South Marfield Street, reported Wednesday that someone broke into his store during the night and headed straight for the meat vault.

There the thief carefully extracted a moneybag containing about \$450 in \$5 bills, \$80 in \$1 bills and \$100 in small change.

None of the meat—or anything else in the store—was missing.

## PILFERED EGGS ABET THE YEGG

**ELYRIA, OHIO — (AP) —** Grocery clerk Beulah Roberson gave chase when the yegg ran out of the store with a bag of stolen eggs.

But every time he got near his quarry—split—the yegg hit him in the face with an egg.

The egg decided the race and the yegg escaped.

A few hours later police arrested Tarlee Jones, identified him as the egg thrower and charged him with petty larceny.

## Formal Hearing Set On Proposed Budget

A formal hearing on the city's proposed budget for 1952-53 will be held on the night of August 26.

After completing a study of the budget, which calls for an increase of approximately 15 per cent in expenditures, the City Council set that date Tuesday night.

## Ken Regan Returns To Midland Office

Rep. Ken Regan returned to Midland Tuesday to stay "until Christmas unless President Truman calls a special session." He is to be in his offices at the McClintic Building.

The congressman returned recently from a trip to Europe. Mrs. Regan remains on the continent, where she is recuperating from automobile accident injuries.

## Increase Sets Rate For Next Year At \$1.35

The Board of Education of the Midland Independent School District Tuesday night adopted a 1952-53 school year budget of \$1,740,241.83 and raised the tax rate five cents to \$1.35.

The budget is divided 78 per cent for maintenance and 22 per cent for retirement of bonds.

Increase in the tax rate was necessitated by the filling of 70 positions at the San Jacinto Junior High School and additional operation costs for the new school and hikes in salaries for teachers.

Houston Hill, contractor, reported a close race was on to complete the classrooms of the San Jacinto Junior High School in time for occupancy at the opening of the September session.

His full efforts were pledged in achieving this goal.

In other actions at the meeting in the high school building, the board:

Approved bus routes for the incoming year.

Authorized moving of a two-room barracks from the South Elementary School to DeZavala Elementary School.

Discussed acquisition of property to enlarge the Carver School site.

Meal Price Raised

Raised cost of cafeteria meals to students and teachers by five cents.

Bought playground equipment for Lamar Elementary School from Grant Manufacturing Company of Council Bluffs, Iowa, on bid of \$22,400.

Purchased an intra-communication system for Lamar Elementary School at cost of \$1,550.

Authorized purchase of International truck with three-fourths ton body for \$1,689 on bid from West Texas Equipment Company.

Purchased cafeteria equipment at total cost of \$4,335.57.

## Food Prices Index Continues Climbing

**NEW YORK — (AP) —** Wholesale food prices edged upward again this week to a 1952 high, according to the Dun & Bradstreet wholesale food index.

At 86.66, the index compared with 86.65 last week and was four per cent below the year-ago level of 90.94.

The index is highest since mid-December last year, but still well below the record high of 97.36 established in July, 1948.

## Young Ranchhand Arrested In Sex-Slaying Of Girl, 15

**SANTA ANA, CALIF. — (AP) —** William F. Rupp, Jr., 18-year-old ranchhand captured after a five-day hunt, was booked on suspicion of murder Wednesday in the sex killing of a 15-year-old baby-sitter.

Orange County Sheriff's Deputy Jess Buckle said the youth admitted shooting Ruby Ann Payne last Friday after she resisted him.

He surrendered without a struggle shortly before midnight Tuesday after being recognized ordering food in a cafe at Brea, about 15 miles north of here near the Los Angeles County line.

Young Rupp was employed as a beekeeper at the ranch of Harry Dyer of Yorba Linda, whose children Miss Payne was watching when shot fatally with a .22 caliber rifle.

The ranchhand was the object of an intensive search throughout Southern California since the girl's body was found with her clothes partially ripped off, apparently the victim of a sex attack.

Two Brea policemen took Rupp into custody approximately 10 miles from the ranch. Earlier Tuesday night his abandoned car was found. A .22 caliber rifle, its chamber jammed, was inside.

Buckle's said Rupp denied raping the girl but admitted hitting her with a hammer and shooting when she ran from his advances. He said he'd never seen her before.

## Nurse Accused Of Poisoning Two Children Slashes Wrist

**WETUMPKA, ALA. — (AP) —** A middle-aged nurse accused of poisoning her two small nieces injured herself by slashing her wrist with a razor blade Tuesday night only a few hours before she was to go on trial on murder charges.

Sheriff Lester Holley said Mrs. Earle Dennison managed to slip a piece of razor blade under the covers of her bed at nearby Tutwiler Prison for Women.

Holley said that although her cell was guarded closely, she cut into the flesh and lost about a pint or more of blood before the incident was discovered.

Mrs. Dennison was to face trial Wednesday for the arsenic poisoning of two-year-old Shirley Dianne Welton, who died last May 1.

She also is charged with poisoning Shirley's two-year-old sister, Polly Anne, more than two years ago.

The sheriff said the trial would be postponed at least for a day. He said Dr. Winston A. Edwards, the prison physician, planned to give Mrs. Dennison a blood transfusion.

The widowed, 54-year-old nurse who worked at the hospital where the child died was arrested a week later after the parents, Mr. and Mrs. O. G. Welton of the nearby Claud community, swore out a murder warrant.

Sheriff Lester Holley said Mrs. Dennison admitted, without a show of emotion, that she gave Shirley Dianne arsenic in a soft drink and took her to the hospital when she went into convulsions. The child died five hours later.

State Toxicologist C. J. Rehling said the autopsy, performed with Mrs. Dennison present, showed arsenic.

Still suspicious about the death of Polly Anne almost three years before, the Weltons arranged to have her remains analyzed. Dr. Rehling said she, too, had traces of the deadly metallic poison, and another warrant was signed against the aunt.

The sheriff said the woman told him that she collected \$5,000 on an insurance policy after the first child's death. She gave no motive for the admitted slaying of Shirley Dianne, but Holley said she reportedly had two policies on her totaling \$8,000.

After the two murder charges were filed, authorities decided to look into the death of Mrs. Dennison's husband Lem last October 17. His body also was dug up, but no poison was found.

## An Open Letter to the Beer Industry of Midland

Gentlemen,

Thank you for the check for \$2,882.00, given to us for our use in landscaping the grounds at Midland Memorial Hospital.

We are grateful for many reasons:

First, because the idea of this contribution was entirely yours. You came to us with the proposal. You did the soliciting within your industry. You delivered the check. You exacted no promises from us. You made no demands.

Another reason that we are grateful is that you told us the money came from all of the races and cultures of people whom we have here. Midland Memorial Hospital is dedicated to serving people regardless of race or color.

Still another reason for appreciation on our part is that your gesture proves, all over again, that Midland Memorial belongs to the people of Midland. It is our responsibility as well as our benefactor.

We promise you that we will use the money that you have given to us as wisely as we know how. Thank you very much.

Sincerely,

MIDLAND MEMORIAL HOSPITAL

## Counsel Drops Suit To Force Testimony From Death Witness

PECOE—Petition for an injunction against District Attorney John P. Dennison will be dismissed, according to Defense Attorney J. H. (Dick) Starley, who filed the application to enjoin Dennison from causing a witness, Fred R. Smith of Odessa, to withhold information from Starley in connection with the murder charge against Frank Berens Vasquez of Pecos.

Starley said Smith since has talked to him upon instructions from Dennison. Judge Garland Casheer, pinning Smith on Thursday, in a murder trial when the hearing was slated here Thursday.

Starley, in his petition, charged that Dennison and Highway Patrolman E. H. Gilbert had obtained a statement from Smith, an eye-witness to the fatal shooting of Gilberto Dominguez, Pecos, in downtown Pecos on July 18, and then told Smith "not to talk" about what he had seen.

Vasquez, 29, is charged with murder with malice aforethought and is free on \$5,000 bond.

According to investigating officers, Dominguez was leaving a Prote dance when Vasquez called him behind a truck parked across the street. Friends of Dominguez who had been urged to leave the pair alone, said they heard shots and returned to the scene to find Dominguez lying mortally wounded on the ground.

Patrolman Gilbert, who was nearby, said when he approached the scene he found Vasquez bending over the wounded man, still pointing the .38 caliber pistol at Dominguez.

**Texas Lawmakers Plan Korea Tour**

WASHINGTON—(AP)—A group of Congressmen will leave for Korea Friday to seek answers to two of the main questions they say are puzzling their constituents:

1. How can the Korean campaign be settled?
2. Is there a shortage of American ammunition?

The group, including nine members of the House Armed Services Committee, will return September 14.

The Congressmen are due in Tokyo September 1 and will leave shortly after that for an indefinite stay in Korea.

Representative Brooks (D-La.) will act as chairman. Other Congressmen tentatively scheduled for the trip include Representatives Fisher (D-Texas), and Frank Wilson (D-Texas).

### Prediction: Wedding Bells For Janet Blair Of 'South Pacific'

By ERSKINE JOHNSON  
NEA Staff Correspondent

HOLLYWOOD — Hollywood and Grapevine: There's a man in "South Pacific" that Janet Blair isn't going to wash right out of her hair—and I'm predicting wedding bells.

Starley said Smith since has talked to him upon instructions from Dennison. Judge Garland Casheer, pinning Smith on Thursday, in a murder trial when the hearing was slated here Thursday.

Starley, in his petition, charged that Dennison and Highway Patrolman E. H. Gilbert had obtained a statement from Smith, an eye-witness to the fatal shooting of Gilberto Dominguez, Pecos, in downtown Pecos on July 18, and then told Smith "not to talk" about what he had seen.

Vasquez, 29, is charged with murder with malice aforethought and is free on \$5,000 bond.

According to investigating officers, Dominguez was leaving a Prote dance when Vasquez called him behind a truck parked across the street. Friends of Dominguez who had been urged to leave the pair alone, said they heard shots and returned to the scene to find Dominguez lying mortally wounded on the ground.

Patrolman Gilbert, who was nearby, said when he approached the scene he found Vasquez bending over the wounded man, still pointing the .38 caliber pistol at Dominguez.

Whether I do a movie or a TV show it must be good and intelligent. I'm the original 'Give-the-public-a-break girl'. A film musical? I'd just as soon do a comedy or a drama—so long as there's a solid idea behind it.

Janet, who deserted movie stardom in 1948 "because I was in a type-casting rut," is grateful to "South Pacific" for helping her learn the acting trade. "I've grown, tremendously," she says. "The stage offers something you never get in Hollywood."

The names of Harry S. Truman and "The Missouri Waltz" are being retained for the 1951-backed film version of "Call Me Madame," but the song, "I Like Ike," has been discarded. Ethel Merman will warble instead the Irving Berlin oldie, "International Rag."

Ferrer Loses Stature

The first pictures from France showing Jose Ferrer as a dwarf in his Toulouse-Lautrec role in "Moulin Rouge" are eye-popping. Mickey Rooney would be a giant beside Ferrer, who plays the part with shoes strapped to his knees.

Mary Anderson relays it that she's positively not engaged to Director King Vidor and has no marriage plans up her sleeve.

Lena Horne doesn't understand why MGM didn't contact her for the lead role in "See How They Run." Dorothy Dandridge gets it instead.

Comedienne Irene Ryan's consulting attorneys about another Irene Ryan, who's doing a strip tease act in Las Vegas. Rhonda Fleming's young son, Kenny, will test for the role of her screen son in "Serpent of the Nile." Rosemary Clooney's set to inherit all the roles slated for Betty Hutton at Paramount, including the lead opposite Bing Crosby in "White Christmas." Here's a switch on Western heroes: Dale Robertson's found a horse opera plot he's dying to do. The hero is a club-footed cowboy.

Jeff Donnell will move to New York when her "Blondie" series starts on TV. The money's colossal.

The re-issue of "King Kong" is lighting up the sky as the year's most fabulous success story. Filmed 19 years ago by Producer Marian C. Cooper (now John Ford's film partner) at a cost of \$800,000, the film originally made \$3 million. Now it's expected to gross \$6 million.

Hollywood can't win dept: Theater exhibitors have a new wall. Advanced prices, they're arguing, should be eliminated because they

result in less popcorn and candy bar sales. Oh, well.

Lena Horne and MGM are bickering. The French newcomer isn't happy over a picture assignment.

Oil-well drillers are moving into the 100 acres owned by Rory Calhoun at Ojai, Calif., in quest of black gold—the reason Rory hasn't sold the acreage as he once threatened.

Ty Power's been notified that he's now a full-fledged captain in the U. S. Air Force reserve. He left the service with the rank of first lieutenant.

Shelley Winters, unhappy with her girl in MGM's "Me and My Guy," is frantically trying to shed the excess pounds. No more of Vittorio Gassman's spaghetti for the blonde bomb-Sheley.

Hollywood, says Harry Canning, is sensitive about the purity of its product. Ruth Roman was hailed as "All Woman" and now Marilyn Monroe is getting the "Every Inch a Woman" treatment. I'm convinced—in both cases.

The leading man in Paramount's "Topsy and Eva" won't remotely resemble Nils Aather in the finished screenplay—Nils' own wishes.

Very little of Holland's land surface rises more than 15 feet above sea level; while some of it is as much as six feet below.

## Speakers Named In WTCC Industrial Committee Meeting

E. L. Buelow of San Angelo, chairman of the Industrial Committee of the West Texas Chamber of Commerce, announced Wednesday the names of speakers invited to take part in a meeting of his committee at the Hilton hotel in Fort Worth August 14.

Rep. B. Baxter, manager of the Amalgamated Chamber of Commerce, has been invited to review a cooperative program of industrial development among towns of the north Panhandle.

Berl Godfrey, president of the Fort Worth Chamber of Commerce, will discuss the joint industrial development plans of cities of the Fort Worth-Dallas area.

Frank H. Kelley of Colorado City, president of the WTCC, will review an economic survey of a large portion of West Texas, being compiled by Dr. Sidney Miller of the University of Pittsburgh. He was retained by the Texas and Pacific Railway Company and the WTCC.

Representatives of all railroads and public utilities that serve West Texas have been invited to participate in a panel discussion on practical possibilities of bringing new industries to West Texas.

Fred H. Husband, executive vice president and general manager of the Industrial Development department.

## OPS Plans Battle To Assist Farmers On Price Controls

WASHINGTON—(AP)—The Office of Price Stabilization has alerted its offices in Texas and 13 other drought-stricken states to protect farmers against black markets and illegal ceiling prices.

OPS field officials were asked to cooperate with enforcement agencies "to see that farmers receive at not more than ceiling prices the goods covered by price controls and that black markets are guarded against."

OPS Deputy Director Joseph A. Freehill said that the drought will bring great pressures on what controls we have over farmers' supplies, such as feed of all kinds, fertilizer and particularly ammonium nitrate.

### Dr., Mrs. Henrie Mast Tour South America

Dr. and Mrs. Henrie E. Mast, 1600 West Kansas Street, returned last week from an extended tour of South America. They were accompanied on the trip by two of their children, Tommy and Martha. Departing from Midland on June 30, the journey included stops in Latin America at Panama, Lima, Peru, Cuzco, Peru; Santiago, Chile; Buenos Aires, Argentina; Montevideo, Uruguay; Sao Paulo, Brazil; Rio de Janeiro, Brazil, and Port of Spain, Trinidad.

The last stop in the United States before departing for South America was at Miami, Fla., where they were guests of Mrs. Ralph Gelsler and her children, Jerry and Jean of Midland. Several days were spent there in fishing off the Florida coast.

Among the high points of the trip was a visit to the snake farms of Sao Paulo, Brazil. There poisonous reptiles were cultivated or "farmed" for the purpose of extracting their venom, to be used in medical preparations.

Dr. and Mrs. Mast reported that the people of South America were usually very friendly and courteous. Some trouble was experienced with officials, but generally they received excellent cooperation from the citizens of the Latin American republics.

Food prices were found to be low wherever they stopped, with the possible exception of Brazil. In Argentina an excellent T-bone steak could be had for 35 cents, and a filet mignon three inches thick and approximately five inches across cost 65 cents. Mrs. Mast developed a taste for the thick black coffee at Santos, Brazil, center of a vast coffee producing area.

Popular pastimes of the South Americans included soccer and horse racing. Soccer was played in most places they visited, with an avid following comparable to the following for football in the United States. Horse races were held almost every Sunday, and in some places both Saturday and Sunday.

The Masts were impressed by the many beautiful and modern cities they saw in South America. Argentina was portrayed as a place of tremendous economic possibilities. The Andes Mountains were awe-inspiring, and the Inca ruins near them were quite interesting.

While on their tour they saw Mrs. Robert M. Turpin and daughter, Jessica, of Midland in Buenos Aires, proving that it is a small world, after all.

In spite of the many wonderful sights seen in South America, Dr. and Mrs. Mast were glad to be back in Midland. They said that it was a very welcome sight to see the flames burning on the outlying oil fields of Midland, as their plane came in to land at the airport.

Dr. and Mrs. Henrie E. Mast, 1600 West Kansas Street, returned last week from an extended tour of South America. They were accompanied on the trip by two of their children, Tommy and Martha.

Departing from Midland on June 30, the journey included stops in Latin America at Panama, Lima, Peru; Guano, Peru; Santiago, Chile; Buenos Aires, Argentina; Montevideo, Uruguay; Sao Paulo, Brazil; Rio de Janeiro, Brazil, and Port of Spain, Trinidad.

The last stop in the United States before departing for South America was at Miami, Fla., where they were guests of Mrs. Ralph Geisler and

her children, Jerry and Jean of Midland. Several days were spent there in fishing off the Florida coast.

Among the high points of the trip was a visit to the snake farms of Sao Paulo, Brazil. There poisonous reptiles were cultivated or "farmed" for the purpose of extracting their venom, to be used in medical preparations.

Dr. and Mrs. Mast reported that the people of South America were usually very friendly and courteous. Some trouble was experienced with officials, but generally they received excellent cooperation from the citizens of the Latin American republics.

Food prices were found to be low wherever they stopped, with the possible exception of Brazil. In Argentina an excellent T-bone steak could be had for 35 cents, and a filet mignon three inches thick and approximately five inches across cost 65 cents. Mrs. Mast developed a taste for the thick black coffee at Santos, Brazil, center of a vast coffee producing area.

Popular pastimes of the South Americans included soccer and horse racing. Soccer was played in most places they visited, with an avid following comparable to the following for football in the United States. Horse races were held almost every Sunday, and in some places both Saturday and Sunday.

The Masts were impressed by the many beautiful and modern cities they saw in South America. Argentina was portrayed as a place of tremendous economic possibilities. The Andes Mountains were awe-inspiring, and the Inca ruins near them were quite interesting.

While on their tour they saw Mrs. Robert M. Turpin and daughter, Jessica, of Midland in Buenos Aires, proving that it is a small world, after all.

In spite of the many wonderful sights seen in South America, Dr. and Mrs. Mast were glad to be back in Midland. They said that it was a very welcome sight to see the flames burning on the outlying oil fields of Midland, as their plane came in to land at the airport.

The board, composed of the 10 district governors and elected officers of Altrusa International, meets on alternate years between the years international conventions are held. Purposes of the board meetings are to set up policies, program and budget of the international organization for the year.

Disposition of funds in Altrusa International's Grants-in-Aid and Founders' Fund Vocational Grants were discussed by the board.

It was announced that at present there is approximately \$67,000 in the grants-in-aid fund, supported by voluntary donations from Altrusa clubs to be used by Latin American students studying in the United States. There are now six or seven students being aided by grants from the fund.

The board also discussed disposition of approximately \$18,000 in the Founders' Fund, which is administered by local clubs and is used to assist women above college age who are left dependent to take a business course or establish a business.

# Daddy Ringtail

## Daddy Ringtail And Paper Boy

Mugwump Monkey, the monkey boy, was safe, and warm and asleep

In his bed at the monkey house. The night outside was soft and cool through all the Great Forest, and up overhead (up in the sky, a slice of an Autumn moon was shining.

Mugwump slept a happy sleep. Mugwump dreamed a happy dream. He dreamed about a paper boy, but he didn't dream about the kind of paper boy that you think he dreamed about. Oh no! This paper boy was not of the kind which throws your newspaper up in your yard or on your porch.

This paper boy was made of paper. Oh yes he was! He was only a picture of an apple for a round body, and legs and arms made of toothpicks and a head made from a marshmallow. I don't know just what were his eyes and nose and mouth, but they were all there on

the marshmallow head.

Mugwump was dreaming about this paper boy, as I told you, and Mugwump in his dream was very surprised to find that the paper boy was alive.

"Sure I'm alive," said the Paper Boy, "and just you watch me grow as big as you are."

Mugwump lay flat in his bed and held tight to the top of the cover while he watched Paper Boy grow, and grow and grow. Now! In much less time than it takes to tell it, Paper Boy now had grown as big as Mugwump.

"Imagine that!" Mugwump said in a great surprise, but Paper Boy said that Mugwump didn't have to imagine it. Mugwump could dream it, and Mugwump said he would, and he did.

"Paper Boy," said Mugwump, "aren't you afraid I'll take a bite of your marshmallow head, or maybe of your apple body?"

But no, Paper Boy said he wasn't afraid. People don't eat paper, he said, and he turned his side to Mugwump to show he was really paper-thin, and only made out of paper after all.

"Anyway," Mugwump said, "it's fun to have you with me, Paper Boy, and how would you like to play with striking the match I have hidden beneath my pillow?"

Paper Boy shook with a great fright to hear these words. He said that a paper boy never should play with matches, because he might burn up. And other folks shouldn't play with them either, because playing with matches is dangerous. And so Mugwump said he wouldn't and he shook hands with Paper Boy to show that he wouldn't, and that was the end of the happy dream. Happy day!

# Indians Split Pair With Big Spring

## Both Clubs Move Here For Single Game Wednesday

The Midland Indians were to move onto their home field Wednesday for a single encounter with the Big Spring Broncs Wednesday night. Veteran Eddie Jacome, (15-11) will be Manager Jay Haney's probable mound choice to go against the Steers.

Following Wednesday night's battle, the league-leading Odessa Oilers move in for a three-game set Thursday, Friday and Saturday.

Tuesday night action, the Broncs and the Tribe fought to a standstill in a double bill at Big Spring, the Indians rallying to win the second game, 6-5, after the Steers had copped the opener, 7-3.

Midland's manager, Jay Haney, made liberal use of hurlers in both contests, employing three in each outing.

The lead changed hands four times in the afterpiece, with the Warriors going to the fore for the final time with a three-run outbreak in the fifth.

Keith Nicolls came on in relief for Midland after that and did a sterling job of containing the Big Spring power.

Gil Guerra accepted the logs for Big Spring, his eighth against 20 wins.

In the opener, Bert Baez picked up his eleventh win of the year as he set the Tribe down with five hits.

The visitors pulled within one run of the Cupuses in the fifth when (Gibben) Dinkel blasted a four-master over the right field wall with Bill Brown and Gordon Tanner on base but the Broncs came back to add three in the sixth on hits by Juan Visteur, Buddy Grimes and Baez, sandwiched around a walk to Al Costa and a sacrifice by Al Valdes.

Midland's big inning in the second game started when Manny Tames led off with a single. Pat O'Keefe followed with a one-basher and Bill Brown tied the score with a double. He later sprinted home on a perfect sacrifice laid down by Baez.

The win went to Santa, who had relieved Israel Ten in the third inning.

The split kept Big Spring's margin over Midland at five and one-half games.

### Abilene Takes Over WT-NM Cellar Spot

By The Associated Press  
The West Texas-New Mexico League cellar, where half the clubs these days are making one-night stands, had Abilene as its occupant Tuesday night.

And for good reason; the Blue Sox ran up against Clovis, the league leader, and bowed, 4-2.

Borger evacuated in favor of the Blue Sox with an 11-8 comeback decision over Lubbock. Pat Lorenzo homered with two on in the ninth to break an 8-8 tie.

Jack Venable doled up but two hits, a double in the fourth and a single in the eighth, in skipping Amarillo by Pampa, 9-1.

Ed Flanagan stopped Lamesa, 4-2, for Albuquerque in his debut.

# Drillers Slam Out Seven Homers; Cop Pair From Dusters

VERNON—(P)—Using the long ball once again, the Artesia Drillers dunked the Vernon Dusters in both ends of a doubleheader here Tuesday night, taking the first game, 11-2, and the afterpiece, 9-2.

## Card Rookie Makes Debut With Shutout

By The Associated Press  
Stu Miller, a 24-year-old right-hander with an 11-5 record at Columbus, made his debut as a St. Louis Cardinal Tuesday and stood the Chicago Cubs on their ears with a six-hit shutout, 1-0.

Just to prove he had it in the clutch, Miller breezed a 3-2 pitch past Bill Serena for a called strike in the ninth with men on first and third and two out.

Hal Rice's first-inning single scored Red Schoendienst with the game's only run, handing Bob Rush his eleventh loss and second straight 1-0 defeat.

The New York Giants didn't start any little miracle this August 12. That became definite Tuesday night when their scheduled night game at Brooklyn was rained out.

The Boston at Philadelphia game in the National was washed out and Pittsburgh and Cincinnati were not scheduled.

Yanks, Tribe Idled  
Rain kept both the New York Yankees and runner-up Cleveland idle Tuesday. The Yanks' home night game with Washington was put over to make a doubleheader Wednesday. Cleveland's home date with Detroit also was rained out.

Boston lost a chance to gain on the leaders by dropping a 12-inning game to the Philadelphia A's, who now trail the Yanks by only seven and one-half lengths. Billy Hitchcock's single scored Gus Zernial in the thirteenth to top the Red Sox, 4-3, after Clyde Volmer's two-run homer tied the score in the eighth.

Jimmy Dyck took matters into his own hands to power the St. Louis Browns to a 3-2 win over the Chicago White Sox in 12 innings. Dyck's first homer tied the score in the eighth and his second won the game for Genl. Bearden in the twelfth.

## 10 Teams Entered In Odessa Pro-Am

ODESSA—(P)—Ten teams are on the entry list for the fourth annual Pro-Amateur Golf Tournament here September 4-7.

Leading the list of big name golfers will be the defending champions, Harry Todd, pro, and Don January, amateur, of Dallas.

# Colts Trim Oilers, 5-4

SAN ANGELO —(P)—The San Angelo Colts blew a three-run lead here Tuesday night—then came back with an eight-inning rally to edge the Odessa Oilers, 5-4.

It was the second straight defeat for the Oil City squad and the third straight win for the revitalized Colts.

Odessa's sluggers could do little with the offerings of Julio Moreno, Colt hurler, for the first seven innings and trailed, 3-0.

But in the eighth, Bob Martin led off with a single and after Lefty Loyko flied out, moved to third on Leo Eastman's double. Bill Cearley singled to score Martin and send Eastman to third. Charley Weber then scored Eastman with a single and this brought on Clarence Tinkler in relief for the Colts.

Robert Fabian was safe on a fielder's choice, Weber being forced at second for the second out, Martin Tredaway, running for Cearley, moving to third.

The Oilers worked a double steal with Tredaway scoring and Fabian moving to third when the ball rolled into center field. Felix Castro lined a long double to center for the fourth run of the frame, giving the Oilers a 4-3 margin.

The Colts charged right back in their half of the eighth for the tying and winning runs. John Margarini walked, moved to second on an error and to third on Ken Kowalk's single. Glen Burns brought in both runners with a long double.

The score:  
Odessa 000 000 040-4 9 1  
San Angelo 010 003 02x-5 9 1

Villarreal and Castro; Moreno; Tinkler, May and Dacko.

## Golfer Breaks Marathon Mark

KENOSHA, WIS.—(P)—Fred (Monk) Moeller, making his shots while automobile spotlights played on the fairways, shot his 217th, consecutive hole of golf early Wednesday to break a 29-year-old marathon record.

Almost out on his feet after 22 hours and 24 minutes of walking over the Maple Crest Country Club, Moeller, 35, finished his tour with a 951 total. That was six strokes better than the mark set by Dan Kenney and Willie Lundberg, Tyler, Texas, in 1923. Moeller's best round was 75.

Moeller started his rounds at 4:30 a.m. Tuesday.

## College All-Stars Favored In Friday Scramble With Pros

CHICAGO—(P)—There is a strong feeling in this football mecca that the College All-Stars, denied a victory since 1950, are ready and able to snare one from the Los Angeles Rams Friday night.

The big show in Soldier Field will be seen or heard by millions on television and radio and an estimated 90,000 will attend.

The squad of 50 stalwarts who a year ago made collegiate football headlines has been rolled into a ponderous, terrifying T-formation machine by Head Coach Bobby Dodd of Georgia Tech and his staff.

It seems to have batches of everything in the way of gridiron material with the exception of a brace of breakaway runners.

Oklahoma All-Stars Selected For Annual Oil Bowl Grid Tilt

WICHITA FALLS —(P)—Fifteen Oklahoma all-stars have been named to meet the cream of the Texas football crop when the two states battle it out in the 15th annual Oil Bowl football classic in Wichita Falls, Coyote Stadium August 22.

The players were named at a meeting of the Oklahoma Coaches Association's annual convale in Oklahoma City Tuesday. The Sooners' all-star coaches for the big charity affair, Early Presley of Duncan and Jack Cox of Sulphur made their announcement of their selections shortly after the acceptance of Texas' Governor Allan Shivers to attend the Oil Bowl game and make pregame presentations of letter jacket awards.

The game is sponsored by Market Shrine Temple and Midwestern University. Half of the proceeds will go in charity in Wichita Falls and the other half will be given to the Oklahoma Crippled Children's Hospital at Oklahoma City.

## Texans To Compete In Wichita Tourney

WICHITA, KAN.—(P)—Ten more teams were certified to the 18th annual national non-pro baseball tournament Tuesday night.

Added to the 32-team title bracket were the Perry Oilers, Oklahoma champions; Fort Meade, Mr., winner of the Delaware tourney when its own state had no meet; and six state tourney-winning teams previously scheduled for bi-state playoffs including the El Paso, Texas, Alpines.

# KEEP COSTS DOWN, PERFORMANCE UP... WITH A DODGE!

"My Dodge trucks save a lot of money on gas!"  
... says H. A. ROBINSON, Contract Hauler, Mobile, Ala.

"On a 200-mile run I save 1 1/2 to 2 gallons of gas. I get this saving every day a week, and on my two trucks that means I save over \$300.00 a year on gas alone. That's good, because each of my trucks makes an average of 50 stops per day hauling mail. My first Dodge truck cost me only \$54.00 of repair expense in two years. I ran my second Dodge over 103,000 miles in two years and spent only \$15.50 on it for repairs. If I'd known what I know now about Dodge trucks, I'd have switched to them long ago and saved myself a lot of money."

- ▶ Haul at lower cost with a Dodge truck that's "Job-Rated" to fit your job and save you money—1/2- through 4-ton.
- ▶ Boost gasoline mileage with features like high-compression ratio and special gas-saving carburetor.
- ▶ Reduce upkeep with such wear-saving features as floating oil intake and positive-pressure lubrication.
- ▶ Enjoy super-smooth performance with glyrol Fluid Drive, an exclusive wear-protecting advantage available on all 1/2-, 3/4-, 1-ton and Route-Van models.
- ▶ Come in today for a demonstration—and a good deal!

Save on gas and oil. All 8 Dodge engines give economy with plenty of power. You get advantages like aluminum pistons, improved fuel system with economy control, precision-balanced crankshaft, other money-saving features.

Save on maintenance. Rugged engines and chassis make Dodge trucks famous for dependability. Upkeep costs stay low because of features like 4-ring pistons, chrome-plated top ring, and exhaust valve seat inserts.

Save with long life. Dodge trucks depreciate less and trade-in value stays up. Long life is the result of such features as special alloy steel springs, shot-peened axle shafts, and deep, extra-sturdy frames.

# Little League Baseball Tournament Starts Here Wednesday

## Sluggers Bolster Lineup For Defending Champs

A North Little League squad which boasts eight hitters with a better than .400 batting average, was to defend Midland's title in the Section Seven, Region Four, Little League Tournament here at 2:30 p.m. Wednesday in a game with a Del Rio nine.

In the second contest, an Abilene Little League club which is considered a strong threat for the Section title, will play a Carlsbad American League nine at 4:30 p.m.

All of the games in the tournament will be played on the Midland Little League Field, located at the corner of West Carter and Johnson Streets.

Pacing the defending champs at the plate are the following 400-plus hitters: Gary Littlejohn, .470; Calvin McKenzie, .446; Arnulfo Velarde, .441; Elton Howard, .440; Gary Samford, .436; Morris Joe Taylor, .430; Tommy Johnson, .424; and Don Archie, .424.

And if that is not impressive enough, they do not have a single man batting under .300. Check this slugging row list of 300-plus hitters: Clay Stringer, .375; Jack Wilkinson, .351; Dickie Roberts, .351; Fred

Hedges, .335; Allen Bryson, .325; and Eddie Pierce, .310.

But the Midlanders will not go very far on their past averages with the competition they have to face.

If they should get by the Del Rio nine, they will play the winner of the Abilene-Carlsbad game at 4:30 p.m. Thursday in the semi-finals.

In the other semi-final contest, Portales, N. M., will play El Paso Highland, a team which drew a bye in its first round, at 2:30 p.m. Thursday.

Action actually started in the section tournament Tuesday when Portales, N. M., winner of district five, defeated Santa Fe, N. M., winner of district six, 7-4, in a game played at Clovis, N. M., to eliminate undue travel expenses.

And plenty more baseball is on tap with a chance to enter the regional playoffs at Longview, Texas, at stake for the finalist of the Midland tourney.

Del Rio arrived Tuesday night and had a practice workout at 10:30 a.m. Wednesday on the Midland Little League field.

Following the opening day's contests, all players, their managers

and their families will be treated to a barbecue at Pagoda Park.

In charge of the concessions at the barbecue will be Mrs. Ed Voelker, assisted by Mrs. Frank Taylor while Mrs. E. C. Samford, assisted by Mrs. Lloyd Campbell will dish up the barbecue.

The starting lineups for the first game Wednesday follow:

Del Rio: Kent Babb, 3b; Chico Valades, ss; Bill Sinclair, c; Duan Deaton, rf; Rudy Longoria, lf; Chris Grimmer, lb; Andy Porras, p; Ramon Garcia, cf; Jim Cauthorn, 2b.

Midland: Gary Littlejohn, 3b; Freddie Hedges, p; Elton Howard, ss; Gary Samford, c; Tommy Johnson, cf; Jack Wilkinson, rf; Morris Joe Taylor, lf; Clay Stringer, lb; Calvin McKenzie, 2b.

### Iron-Man Stunt Mistfires As Braves Divide With Rockets

ROSWELL — (AP) — Right-hander Joe Langdon had his bid for an iron-man stunt marred by a teammate error here Tuesday night.

Langdon pitched his Sweetwater Braves to a sterling 3-1 win over the Roswell Rockets in the first game of a doubleheader, only to have Third Sacker Ernie Cortez boot a ground ball and let in the winning run in the eighth inning as the Rockets salvaged a 4-3 victory in the nightcap.

Langdon gave the Rockets only five hits in the first game. His bid for a shutout was spoiled in the fifth when the Rockets bunched two singles and a base on balls for their only tally.

In the second contest, the Brave moundsman began to tire badly in the late innings, allowing the Rockets to tie up the game in the seventh.

Then in the eighth, Van Huppert doubled with one away and went to third on Andy Alonso's ground out. Bob Lemmel then grounded sharply to Cortez at third, and Cortez, who had handled six assists cleanly, booted his seventh chance to let in the winning run.

Rocket Manager Al Monchak was tossed out of the game for protesting too long and too loudly a first base decision.

First game:

Sweetwater	301 000 0-3 5 0
Roswell	000 010 0-1 5 9

Langdon and Pinley; Grantham and Calo.

Second game:

Sweetwater	011 100 0-3 8 2
Roswell	000 010 0-1 5 2

Langdon and Pinley; Ralat, Alonso and Calo.

**MURDERERS ROW, JUNIOR VARIETY** — These members of the Midland North Little League have a batting average of .420 between them. They are expected to provide plenty of scoring punch when the Midland nine seeks to defend its title won in the Little League Tournament here last year. They are, left to right: Gary Littlejohn, .470; Fred Hedges, .335; El-

ton Howard, .440, and Gary Samford, .436. The quartet of sluggers figured prominently in the success of the North Little Leaguers in both Midland play and the district competition. The North Little Leaguers beat the South Little Leaguers for the district pennant.

### Stengel Still Thinks Yanks To Take Flag

NEW YORK — (AP) — Casey Stengel is worried about his bench and bullpen but he still thinks his New York Yankees will win the American League pennant.

"I think we're gonna win all right," he said. "But I think it's going to be a little tougher this way than it would have been if we had fellows like Bobby Brown, Gerry Coleman and Tom Morgan who went back into service."

"Some people are criticizing this team, saying it doesn't hustle. Well, we look bad now and then, like everyone else, but mostly, my men are giving their best at all times. The trouble is that the best isn't as good as it was when we had those other fellows."

Stengel is particularly concerned about the failure of the Yankees farmhands from Kansas City to live up to their reputations when they hit the Yankee Stadium.

"It's hard to believe they can't do any better up here after those big averages in Kansas City," he said. "I guess the triple A ball has gone down even more than the majors have. This isn't too good a league but the association must be awful."

Bob Cerv, a heavy slugger in Kansas City last season, failed to hit with the Yanks and went back to the minors. Kal Segrist was a .325 hitter in Kansas City but had only one hit in 24 trips with the Yanks. When they sent Segrist back, Andy Carey came up. He hasn't had a hit in 16 at bats.

The pitchers also failed to click. Harry Schaffer and Tom Gorman, two more Kansas City grads, have made a total of four starts without pitching a complete game.

### BENCH JOCKEY

By BOB ADAMS

Irish Pat Murphy, the former pro fighter who has been working with amateur boxers in Midland in recent months, has called off the professional heavyweight fight between Marshall Patton of Midland and Bruce Smith of Pecos.

The bout had been set tentatively for August 20 in Midland Indian Park, instead of holding a pro fight, Murphy will train amateur boxers for an area tournament here the latter part of September. The bouts will be sponsored by the Midland Optimist Club.

In addition to training amateur fighters, Murphy is taking care of the Optimist Boys' Work Shop at East New York Street and South Lamesa Road.

"Our only trouble right now is that we don't have enough boys," said Murphy.

The Boys Work shop has facilities where boys can play basketball, hit bar bells, punch a bag or just do exercises in general. When they get through, there is a nice shower where they can bathe.

And it's all for free. The work shop is the result of hard work on the part of the Midland Optimist Club, an organization which is known for its motto, "The Friend of the Boy."

This annual favorite of the fans, Old Times' Night, will be made an annual affair, according to Horace Busby, business manager of the Midland Indians.

The night features a ball game between old-time players, including some 65 years old and older.

A few of the old-timers who carved on the diamond last year include Chester Shepard, John Butler, Zeke Bonura and Tex Carleton. Col. C. E. Wright, 82-year-old Midland fan, was one of the umpires. Busby said he hopes to hold the game this year around September 1.

Busby also announced a pennant fund probably will be set up again this year as it was last year.

Object of the fund is to provide a little extra financial inducement to the players to make the playoffs.

A total of \$1,000 was raised last year, making it possible for each of the players to get \$100, even if they didn't make the playoffs.

A box probably will be set up at Indian Park where fans can contribute to the pennant fund if they wish.

Tribe Manager Jay Hancy has been driving from Lamesa to Big Spring daily recently so he could be with his family.

While staying with the club, he assists Pitcher Herb Dwire with the bus driving.

Both Boyd Huff and Jay McClure, golf pro and assistant pro at the Midland Country Club in that order, plan to enter the Odessa Pro-Am Golf Tournament September 4-7.

Each pro entered invites the amateur of his choice. Huff probably will ask Bob French of Odessa or Vann-tigon of Midland to play with him while McClure will ask young Graham Mackey to be his partner.

### PORTALES WINS OVER SANTA FE

CLOVIS, N. M. — In the opening game of the Section Seven, Region Four playoffs, a Portales, N. M. nine, winner of District Five, eliminated a Santa Fe, N. M. squad, winner of District six, 7-4, here Tuesday.

The elimination battle was staged at Clovis to prevent one of the clubs from having to make the costly trip to Midland.

All of the remaining games in Section Seven, Region Four, will be played at Midland.

In Tuesday's battle, Rayburn Corbett took credit for the win but he had to receive help from the Portales ace, Nix, in the fourth inning.

The score:

Portales	011 110-1 8 1
Santa Fe	000 000-4 4 1

Corbett, Nix and Shaver; Samby and Martinez.

## Plastics Defeat Standard To Wrap Up City Softball Crown

The ghost of a team which they had defeated three straight times during regular season play came back to haunt the Standard of Texas softball rule Tuesday night in the Jay-Cee Softball League playoffs here.

The ghost, which appeared to be surprisingly real Tuesday night, was Western Plastic.

And Western Plastic not only knocked off Standard in three out of five games for the City Softball title, but defeated Standard's ace hurler, 3-1, for the first time this season in the process.

Right-hander Mill Montgomery, who carried a season record, including the playoffs, of 14-0 into the fray, went down to defeat for the first time this year.

And the loss was doubly hard for Montgomery to take. He was sailing along on a no-hitter for six and one-third innings in his victory bid. But with one man away in the bottom of the seventh, to add insult to injury, the bottom half of the Plastic line-up rose up to pin a defeat on him.

Plastic First Baseman Driggers started all the fuss when he swatted a double. It looked easy to King and Flourney, the succeeding batters, so they stepped to the plate and blasted singles which were good enough for two runs to tag Montgomery with the loss.

Plastic had taken a 1-0 edge in the

third frame on an error and a walk. However Standard evaded the game in the sixth by tallying a lone run of a circuit blast off the bat of first baseman Bernard Sells.

Then came the fateful seventh which saw the city title slip from the grasp of Standard.

In the second game of the twin bill, Humble literally "pulled one out of the fire" when it staged a five-run uprising in the seventh inning to trounce Henderson, 5-4, to even their series at 2-2 for third place in the final standings.

The final game to determine the third-place spot now will be played at 8 p.m. Wednesday at Wadley Park with Barney Highower slated to toe the rubber for Humble and Jack Smith scheduled to go for Rendezvous.

In Tuesday night's game, Rendezvous ran up a three-run margin in the third frame on two hits, a walk and a fielder's choice. They added a lone run in the fourth on hurler

Malone's home run for a 4-0 lead. But in the seventh, First Baseman Groeciose put Humble back in the game by leading off with a triple. Mason reached first on an error, Walhall walked, Huffman was safe on an error, Burnett singled and Young was hit by a pitched ball and the damage was done.

## Eagles, Cats, Oilers Win As Tibe, Missions Split

By The Associated Press

The bargain-bill Indians of Oklahoma City, way behind schedule, are proving that you can't get ahead playing San Antonio in doubleheaders.

The clubs, fighting over fifth, Tuesday night split two, and dividing they both faltered while Tulsa, winner 5-2 over Houston, fortified its fourth-place hold.

Wearied from 26 innings of a

twin-bill Monday, Oklahoma City struggled through a 4-3 triumph in the seven-inning game before San Antonio's Harry Heslet homered the Missions out of a 6-3 finale decision.

Meantime, Tulsa gained ground on third-place Shreveport, now four games out. Higher up, both leading Dallas and Fort Worth won.

Front-running Dallas saved its feelings for a previous six-straight victory run by Shreveport, copping a two-game series. Dallas nabbed the final game Tuesday night, 5-1, behind Dave Hoskins' seventeenth triumph.

Fort Worth's tigerish Cats got new life with a nine-run inning and plastered Beaumont, 11-2, to end a five-game losing streak.

Jerry White blasted his first homer in a month and a half at Houston, but his change of luck didn't help the Buffs' nor that of its loser, Floyd Woodridge. Woodridge dropped his fifteenth decision as Tulsa backed Tommy Reis with 11 safeties. Gail Henley and Fletcher Robbe homered in three of the winners' runs.

In a new flurry of political activity, Texas had a Republican candidate for Congress Wednesday — perhaps two.

## Texan Faces Charge In Alabama Murder

TUSCALOOSA, Ala. — Slaying of an elderly roadside tavern keeper, shot 11 times, and a woman, another man is sought.  
Solicitor J. Monroe Ward said he would file murder charges against Keith G. Farley, 30, and Miss Letch Skidmore, 23, both of Fort Worth, Texas, and Roy Jones, who lives near the scene of the shooting.

## Services Conducted For Mrs. Hunsinger

Funeral services for Mrs. J. E. Hunsinger of DeLeon, 67, mother of C. J. Hunsinger and Mrs. Thomas Maddiera of Midland, were held Sunday at the First Assembly of God Church in DeLeon.  
The Rev. Frank Hoop of Midland assisted in the services.  
Mrs. Hunsinger died in a German hospital August 9, following a two-month illness.  
She was born March 15, 1885 at Marble Falls.

## Air Terminal Is Rated Superior

Midland Air Terminal has been rated "superior" by the Airplane Owners and Pilots Association.  
City Aviation Director Clyde Sharner said Wednesday he had received a letter from the association, representing some 40,000 members in the United States.  
The letter, informing Sharner of the rating, said many of its members had landed at Midland Air Terminal and were impressed by the facilities and the service available here.

## El Paso To Get Points From Air Terminal Operation

El Paso, planning some improvements for its El Paso International Airport, wants to get a few points from Midland Air Terminal.  
George Kistenmacher, assistant city engineer of El Paso, arrived here Wednesday to tour the air terminal with City Aviation Director Clyde Sharner.  
Kistenmacher said El Paso was planning a program of improving its runways and installing high intensity lighting similar to that at Midland Air Terminal.

He said he would consider the nomination but gave no hint whether he would accept.  
There were other developments, too, as state politics—in the dollars since the Democratic primaries in July—took on new life:  
1. GOP representatives from four of eight counties of the Fifth Supreme Judicial District in Dallas crossed the name of Dick Dixon for chief justice of the Court of Civil Appeals.  
2. Judge Frank P. Culver scheduled a tour of East Texas in his runoff campaign for the State Supreme Court against Houston's Spurgeon Bell.  
3. The State Democratic Executive Committee's canvass of votes showed four Congressional seats involved in runoffs and one Civil Appeals Court judgeship due for decision in this month's runoff primary, August 23.

## IRAAN Youth Found Dying Near Highway

IRAAN — (AP) — An Iraan youth found beside the highway near here at 3 a.m. Wednesday died a few hours later.  
He was Clyde Teal, Jr., 18, all-District 5-A football tackle for Iraan High School last year.  
Officers from three West Texas counties—Pecos, Upton and Crockett—came here to study the case. An inquest has not been held yet.  
The youth was found by three unidentified soldiers who notified authorities. He was unconscious. Doctors said there was a deep laceration on his forehead and bruise on the back of his head.

## UN Demands Ko-Reds Pinpoint POW Camps

MUNSAN, KOREA — (AP) — The United Nations Wednesday accused the Reds of endangering the lives of UN soldiers in North Korean prison camps by failing to pinpoint camp sites.  
The UN asked the Communists to furnish the information "without further delay."  
The request was in a letter from Maj. Gen. William K. Harrison, chief UN truce delegate, to North Korean Gen. Nam Il, top Red negotiator.  
The letter was handed over at a liaison officers' meeting Wednesday afternoon at Panmunjom. The main delegations are in recess until Tuesday.

## 7,072 Persons Get Chest X-Rays Here

The fourth annual Midland County TB Chest X-ray Survey closed Tuesday after 7,072 persons X-rayed since the survey began 10 days ago. A record 1,278 persons had X-rays made on the final day, the most active day of the survey.  
Officials of the sponsoring organizations were extremely well pleased that so many Midlanders took advantage of this free chest X-ray service. They see this fine response as a big step toward reducing the incidence of tuberculosis in Midland County.

## Nixon Tags Demo Nominee Truman's Hand-Picked Man

SPRINGFIELD, Ill. — (AP) — Senator Richard Nixon asserted Wednesday that Gov. Adlai E. Stevenson, the Democratic presidential nominee, met with President Truman "to get a briefing on how he can carry forth the Truman policies."  
Nixon, Republican nominee for vice president, also charged that Stevenson sought "to mislead for his campaign the great resources of the federal government which, incidentally, belong to the American people and not to any political party."  
He said this is the only possible interpretation of what he termed "the unprecedented action" of Governor Stevenson's meeting with Truman in Washington Tuesday.  
In a speech at a Republican rally at the Illinois State Fair—the very backyard of the Illinois governor—Nixon hammered at his theme that Stevenson is the "captive candidate" of the boss.

## Stevenson Silent To Truman's Offer On Whistleblowing

WASHINGTON — (AP) — Gov. Adlai E. Stevenson of Illinois tightened his lips Tuesday when he was offered an authoritative source as offering to undertake a whistlestop tour for the Democratic ticket, but as telling Stevenson: "You are the one who has got to run the campaign—it is up to you."  
Stevenson apparently made no direct reply.  
But some of his friends believe about the last thing he now wants the President to do is to take to the whistlestops, since any such move might distract attention from the nominee's own efforts to carry his cause to the country.

WINNING BY ONE RUN  
ST. LOUIS — (AP) — One reason for the success of the St. Louis Cardinals this season is their habit of winning one-run decisions. Through August 4 Eddie Stanky's team had taken 22 decisions by one-run margins.  
The first annual North Plains Fair will be held in Perryton, August 28-30.

## Speaker Explains Worship Service To Midland Lions

The workshop service furnished Midland schools by the University of Texas was described Wednesday before members of the Lions Club at their regular luncheon at the Midland High School cafeteria.  
The principal speaker was A. C. Murphy, a member of the university staff, who explained that the workshop functions include a three-fold plan for graduate extension work for teachers, in-service training for teachers and other phases of general work.  
Members of the club welcomed back one of their former members, Carl Peay, who has returned to Midland from Abilene to be district manager of the Banner Cigarettes. Among the guests of the club were Dr. Vincent Bush, Dick Hamp, Dr. Larry Rutledge, Glenn Allison and Woody Carter.

## Drachma Cache Stuns Finders

ATHENS, GREECE — (AP) — Athens papers reported Wednesday police in the small western Greece town of Agrinio still are waiting for the person who lost a bag with seven billion drachmas in it. That's Greek for something more than \$200,000.  
The newspapers said two peasants found the cache abandoned three days ago and "nearly fainted" when they opened it. The police chief told them he would "try to persuade the owner to give a handsome reward, if and when he turns up to claim the fortune."

## Hamilton Rancher Stricken By Anthrax

HAMILTON — (AP) — Rancher G. D. Neal is in Hamilton Hospital with anthrax and about 60 of his sheep have been killed by the dread livestock disease.  
Dr. H. B. Nassour said Neal, about 55, is suffering from anthrax. Dr. A. A. Moore, Hamilton veterinarian, said he received confirmation from Texas A&M Wednesday it was anthrax that killed Neal's sheep.  
Anthrax is an affliction of cattle and sheep but occasionally strikes humans. It usually is fatal. The disease also is known as blackleg.

## Blind Bus Crash Victim Identified By Shotgun Pellets

WACO — (AP) — Shotgun pellets that caused his blindness led to the identification of one of the victims of the bus crash south of here August 4.  
Henry Stanley Ivory, 58, blind Dallas negro, was identified Tuesday along with the boy who was his traveling companion, Leroy Harris, 12, also a Dallas negro.  
Identification of the two left only one unnamed victim among the 28 who died in the crash.  
Ivory had been blinded several years ago by the accidental discharge of a shotgun. Not all of the pellets had been removed from his body. Investigators found several pellets in the remains of the victim.  
Identification was confirmed by dental charts.

## Expert Sees Four Years Of Tax Cuts

NEW YORK — (AP) — The prospect of successively lower federal taxes in the years immediately ahead was held Wednesday before retailers attending the annual trade show of the American National Retail Jewellers Association.  
Beadley Ruml, author of the "pay-as-you-go" tax plan and former president of the Federal Reserve Bank of New York, told the convention he believes federal taxes will be reduced every year for the next four years.  
Ruml said tax cuts are in prospect for business and for individual incomes, no matter who wins the November elections, because it's "good politics" to grant tax relief and it's economically feasible at this time.

## Orange Mayor On Deep Blue

ORANGE, TEXAS — Mayor Sid J. Callavert was sworn into office Tuesday night by a radio-telephone hookup that allowed him to take the oath aboard the USS Dixie somewhere between Pearl Harbor and San Diego.  
Callavert, 58, is a guest of the Navy at the ship. The Navy arranged the hookup so his inauguration wouldn't be delayed by his trip.

## Girl, 10, Treated By 'Rip Van Winkle' Method For Tetanus

OKLAHOMA CITY — (AP) — Kathryn Slater, 10, is a modern Rip Van Winkle—but physicians believe her drug-induced sleep will save her life.  
Kathryn is afflicted with tetanus. Her doctor put her to sleep 22 days ago and has kept her asleep while her body fights the disease. If she wakes up, he said, she would have convulsions that in all probability would kill her.  
The physician described the treatment as "routine."  
Kathryn cut her foot while playing in her yard 10 days before she was admitted to the hospital. She visited a farm later and doctors assume that is where she picked up the germs.

## Jury Indicts Five Judges In Election Of Louisiana Man

NEW ORLEANS — (AP) — Five Plaquemine Parish (County) election officials were indicted by a federal grand jury on conspiracy charges following an investigation of the 1950 election of U. S. Rep. F. Edward Hebert.  
The five were named in the indictment as supporters of Hebert, who last month was reelected.  
Indicted were: Angelo Trumbauer, Henry Gebauer, Sr., Emil Murphy, Anthony Murphy and Joseph Basile.  
The investigation began after J. Ben Meyer, unsuccessful candidate in 1950 who lost again to Hebert last month, complained recently that names of persons were listed as having voted when they actually did not cast ballots. He also said some of the voters in Plaquemine Parish were residents of New Orleans.  
Records show Meyer received only three votes in that precinct in 1950.

## Idahoans Name Foe Of Race For Congress

BOISE, IDAHO — (AP) — Rep. John T. Wood, one of the most outspoken foes of the United Nations in Congress, won the Republican nomination from Idaho's First Congressional District in Tuesday's primary.  
The big, bald physician, who served a term as Socialist mayor of Coeur d'Alene in 1912, charged in his campaign that the UN Charter was written primarily by the Russians, and blasted UNRRA as "the greatest subverted plot in history."  
Complete returns from 230 of 269 precincts gave Wood 14,379 to 12,266 for his opponent, State Senator Erwin Schwiebert. Schwiebert conceded Wood's nomination early Wednesday.  
Wood will be opposed in the November general election by Mrs. Circle Frost of Nampa, a redheaded real estate dealer whom he defeated in the 1950 general election by but 783 votes.

## Rider Awakens With Hot Seat

CHICAGO — (AP) — Allen Schmitt awoke to find himself sitting in a hot seat about a crowded rush hour bus. His trousers were afire.  
Schmitt, 25, told police he had no idea what caused his rayon trousers to ignite as he dozed on his way home from work.  
Police swept up remains of the trousers and took them to a laboratory.  
Schmitt suffered second degree burns, a woman passenger was burned slightly and another's ankle was kicked in the panic.

## Arkansas Governor, Truman Pal, Loses Race To Cherry

LITTLE ROCK, Ark. — (AP) — Gov. Sid McMath, a political pal of President Truman, was defeated for a third term nomination Tuesday by a one-time college classmate, Judge Francis Cherry.  
It was apparent early as returns from the runoff Democratic primary poured in that McMath had suffered the first setback in his rapid six-year political rise. McMath conceded his defeat and promised to support Cherry's administration.  
Unofficial reports from 2,040 of the state's 2,286 boxes Wednesday gave Cherry 190,524 votes to 110,675 for McMath.  
Cherry, a 43-year-old Chancery Court judge from Jonesboro, is a newcomer to state politics with a new political weapon — the radio talkshow on which he answered questions from all comers and discussed issues for as long as 24 hours at a time.  
He frankly credits his use of the "talkshow" with being the "difference that lifted him from comparative obscurity to a close second place in the July 29 preferential primary and victory in the runoff."  
Democratic pommotion — such as Cherry obtained Tuesday — always has meant election in this Southern state.  
Cherry, a native of Fort Worth, Texas, and a former resident of Oklahoma, is serving a second term as judge of a Northeast Arkansas chancery district. He left the bench temporarily to serve two years in the Navy in World War II.  
His father, Haskell Scott Cherry, a retired railroad conductor, lives in El Reno, Okla. His mother is dead.  
Cherry has a sister, Mrs. Pauline Dean of Oklahoma City. His three brothers are Claude, a Los Angeles attorney, Clem of El Reno, Okla., and H. C. Cherry, Jr., of Dallas, Texas.  
Chancellor and Mrs. Cherry have three children — Charlotte, 10, Scott, 12, and Francis, Jr., five.

## Bullet Hits Near Terminal Worker; Culprits Confess

CECIL Grumble was working peacefully on his job as a carpenter, repairing the roof on a building at Midland Air Terminal Tuesday.  
Suddenly there was a crack of a rifle. A limb of a tree splintered a few feet away from Grumble's face and Grumble climbed quickly to the ground.  
Police investigated, scoured the neighborhood and found only a couple of 10-year-old youngsters reading comic books in a second story window a short distance away.  
Detective Sgt. Bill Adair said the two youngsters finally admitted firing the shot, explaining they were aiming at a bird with a .22 rifle and did not see the carpenter.

## JUST THE THING SOMEONE NEEDS

SAN FRANCISCO — (AP) — Anybody want a piece of John Brown's hair? Or a lock of the scaffold on which the famed abolitionist was hanged before the Civil War?  
The items were found in a safe deposit box and belong to the estate of Mrs. Helen Meany Hubbard, 77, who died recently.  
The bank, named executor, doesn't know what to do with them.

## Skipper Of Hobson Blamed For Tragic Collision Of Ships

WASHINGTON — (AP) — The mid-Atlantic collision of the carrier Wasp and the destroyer-mine-sweeper Hobson at a cost of 176 lives has been blamed on an "unexplained left turn" ordered by the Hobson's commander.  
A Naval Court of Inquiry announced late Tuesday that a "grave error of judgment" by Lt. Cmdr. W. J. Tierney caused the April 20 collision that sent the Hobson to the bottom and the Wasp limping back to New York, badly damaged.  
All other officers were cleared of any responsibility for the tragedy, one of the worst maritime disasters in U. S. Navy history.  
Commander Tierney of Philadelphia, the only person blamed in the incident, went down with his ship and a Navy spokesman said the court's findings probably would end the case. The court said the reasons for Tierney's actions "will never be known."

## Three Midlanders Injured In Auto Crash At Hadacol

Three Midland men, all employed by Big West Drilling Company, suffered minor injuries in an automobile accident southeast of Hadacol at 4:25 p.m. Tuesday.  
Receiving emergency treatment at Midland Memorial Hospital were: James C. Bowman, contusions and abrasions of both knees; Walter R. Roberts, lacerations of right knee and arm and multiple abrasions of face and hands; and Earl Roberts, abrasions of this. Bowman, Roberts and Tierney were occupants of an automobile that was involved in a collision with an automobile driven by B. F. Walker.  
Dust was reported to have blinded the drivers temporarily, causing the accident.

KEY, WILSON & MAXSON'S REAL ESTATE Bulletin Board REPORTING THE TOP NEWS IN REAL ESTATE

EXCLUSIVE COUNTRY CLUB DRIVE, where magnificence in homes predominates, owner reluctantly is moving out of Midland. Constructed of Austin Stone exterior and best of materials throughout. Three bedrooms, two tile baths, lovely living room with picture window, and full dining room. The selectively paneled kitchen with breakfast room is dream materialized. Two-car attached garage, utility room, water well and pump. Of course, central heating and air conditioning. If you desire comfort and graciousness of living, this home must be seen. By appointment only, please.

PRICED \$1,500 BELOW THE MARKET in order to facilitate your immediate purchase. Two bedroom and den, tile bath. 12x23 rear porch, and tool workhouse. And here are only some of the wonderful features: central heating and central air-conditioning, YOUNGSTOWN metal kitchen cabinets, washer connection, Venetian-Blinds, and of course, hardwood floors. Fenced yard with nice lawn in front and rear, paved street, and the house is only 18 months old. Just to prove that your best deal is with KEY, WILSON & MAXSON, this home priced at a low \$9,990. FHA financing.

CLOSE IN, ON ANDREWS HWAY, where the homes ramble on ample lots, the 2-year-old home has 3 lovely bedrooms, pine paneled den, huge living room and full dining room. The kitchen is elongated, with one end being used as the breakfast area. Two-car garage. You'll love the wood-burning fireplace in the living room, the vanity in one of the baths, the extra-large closets throughout. Nicely landscaped. This spacious home could be purchased for as little as \$5,500 down.

FINANCIAL ADVERTISERS means that we have to start with something unfamiliar yet not squeeze ourselves. Continual rent payments frustrate that start. Why, no, then, buy a home for as little as \$1,800 down—and get off to that better start? This one has two very nice-sized bedrooms, long living room, and convenient kitchen with extended dining area. Attached garage, furnace heating, large window air-conditioner, nice lawn. If you can assume the FHA loan, your payments will amount to only \$52 per month. Total price is \$8,250.

ATTENTION! When October comes, you will find that the number of homes that are now available will be drastically curtailed. We urge you to suggest that those of you who contemplate purchasing homes in the very near future, contact us immediately. We have a wide selection of homes to show you—NOW. You will regretfully find that shortly, the number of homes for sale will discourage you because of their limited adaptability or suitability. Please, be astute. We want you to secure the best buys possible... but we can't do this unless you contact us. Do it now, won't you?

WANT AN OLDER HOME located in the 700 block on North D Street? Two bedrooms, large and quiet living room, full dining room, and family type kitchen. Here is a home that could be worked over and made into a most pleasant retreat. It has the type of construction that lasts a lifetime. Detached garage, private and fenced yard. Owners leaving for Colorado.

NEAR NEW BELLEVUE BAPTIST CHURCH and only three blocks from Sam Houston Grade School. You will like the clean, artistic lines of this magnificently constructed home. Three bedrooms, 2 tile baths, spacious living and dining room combination, and two-car garage which easily and inexpensively converts into a ball-room sized den, central heating and air-conditioning, guest closet, mahogany doors. Completely carpeted in warm tones, tile wainscoting in kitchen with loads of cabinets, and a world of other convenient features not found in other homes of this class. It's brick, it's new, it's on paved Storey, and it's priced at an exceedingly low \$23,500.

OWNER SACRIFICING his Midland home and must leave by September 1. Here is the kind of proposition that you have been seeking. It is located on West Storey—and it's paved. Constructed of cream brick and paneling, it has 3 bedrooms, 1 1/2 baths, inviting living room, and a really beautiful and picturesque kitchen—which is paneled and about 32 feet in length. Carpeting in the living room and hall, central air-conditioning, distributed heating, and has approximately 1,500 sq. feet of living space. Large corner lot. Price drastically slashed for immediate sale: \$17,500. Can be purchased for \$6,000 down. Better hurry to your phone—and call 2-1693.

COMMERCIAL AND BUSINESS LOTS? We have fine combed the city for the best available, and we do have some attractive listings. You can prove this by making one call by phone.

SAFETY FOR THE YOUNG CITIZENS of your family is the concern of all parents—and here it is fool-proof. Located northwest of town we have a home surrounded by 2 1/2 acres of Texas soil, off the beaten track. And there's a lot more than just run-around space. Three bedrooms, living room, separate dining room, attached garage. Additional yard building being used as utility room and large workshop, with plumbing. Acreage is fenced, water well, butane, septic facilities. Only 9 minutes from town. Asking \$11,500.

SPACE MEANS LIMITATION, and limitation means that all of the wonderful listings that we have cannot be delineated in these columns. As salespeople, we do not confine our services to showing you only the homes that we have listed—we actively pursue a home for you if we know what type of home you need. We love Midland, and have unparalleled confidence in its future. We go beyond the menial call of duty for our clients so that they, too, will love living here as we do. Won't you call us and become acquainted with our staff, our services, and our experience? You'll always return gratefully.

**Permian Basin Oil And Gas Log-**

(Continued from Page 1)  
County, has been completed for a daily flowing potential of 91.47 barrels of oil.

Production was through a 24/64-inch tubing choke and perforations opposite the Mississippi at 8,070-94 feet, according to the same source.

The pay section had been treated with 800 gallons of regular acid. Estimated gas-oil ratio was 300-1. Tubing pressure was from 10 to 80 pounds.

No. 1 Ellwood Estate is located at the center of the northwest quarter of the northwest quarter of section 78, block 18, RP survey and 13 miles northwest of Sterling City.

**Tubb Flow Gauged At Gulf Wildcat In Crane Sector**

Gulf Oil Corporation No. 11 Estes, project in the Sand Hills, West (Holt) field of Central-West Crane County, has been assured a new pay for the area.

During the last 11 hours of flowing to test and clean out, the project made 137 barrels of new oil and 15 barrels of water in 11 hours through a one-quarter-inch tubing choke.

That flow was from perforations in casing opposite the Tubb, from 4,630 to 4,700 feet.

Ellenburger Dry  
No. 11 Estes was drilled to 8,220 feet in the Ellenburger, where it failed to make a well and then plugged back to 4,712 feet.

It is now shut in for storage. Operator has not determined the source of the water, but believes when the well is tested further, it will clean out and eliminate the water.

Location is 1,980 feet from north and 660 feet from east lines of section 4, block B-28, pal survey. It is 10 miles northeast of Grandfalls.

**Gas-Cut Mud Is Found On DST In Andrews Wildcat**

Gulf Oil Corporation was drilling on packer rubbers at 12,399 feet in No. 1-DP State, wildcat in Central-East Andrews County, after a drillstem test in the Ellenburger.

The test was from 12,372 to 12,399 feet. Tool was open one and one-half hours. Recovery was the 1,500-foot water blanket used and 40 feet of slightly gas-cut mud.

Open flowing bottomhole pressure was 685 pounds and 15-minute shutin pressure was 4,190 pounds. The Ellenburger was topped at 12,374 feet, no elevation available.

Location is 1,980 feet from north and east lines of section 42, block 7, University survey.

**Pumping Tests Are Underway At Yaokum Wildcat**

Murchison, Fikes & Hall No. 1 Mattie Neely, wildcat in South-Central Yaokum County, was pumping to test from the San Andres.

This wildcat, which had failed in the Devonian at 11,474 feet, is at plugged back total depth of 5,260 feet.

After testing five barrels of oil hourly on the pump, the pay section was acidized with 7,500 gallons. Recovery increased to eight barrels of oil hourly, but dropped back to five barrels.

Location is 660 feet from south and 1,980 feet from east lines of section 604, block D, John H. Gibson survey and six miles southwest of Plains.

**Ellenburger Well Completed In New SE Andrews Field**

Gulf Oil Corporation No. 1-000 Texas, one location north extender to the discovery well of the recently opened Tripple N (Ellenburger) field in Southeast Andrews County, has been completed for a daily flowing potential of 986 barrels of 48-gravity oil through a one-quarter-inch tubing choke and perforations at 12,470-970 feet.

The pay section had been treated with 1,000 gallons of acid. Gas-oil ratio was 324-1.

Location is 1,980 feet from north and 660 feet from west lines of section 21, block 9, University survey.

**El Tee Schedules Another Test In NW Dawson Pool**

El Tee Oil Company staked location for a 2,000-foot Pennsylvania test one location west of the discovery well of the Mungerville (Pennsylvanian) pool of Northeast Dawson County.

It will be drilled as No. 2-90 Brey, 1,874 feet from east and 330 feet from north lines of section 96, block M, EL&RR survey.

It is on a 160-acre lease and 12 miles northwest of Lamesa. Operations are to start at once.

**Hanley To Test Wolfcamp Zone In Ector Well**

Hanley Company No. 1 C. V. Headlee, Northeast Ector County possible discovery well of the Wolfcamp-Permian is to set and cement 5 1/2-inch casing and test the zone which flowed oil in a drillstem test.

This prospecter bottomed at 11,178 feet in dry Pennsylvania lime. It did not find any shows of possible production in that formation.

Electric logs have been run and now operator will set and cement the casing at approximately 10,225 feet to allow testing the Wolfcamp pay.

Flows Naturally  
No. 1 Headlee flowed oil at the estimated rate of between 20 and 25 barrels per hour naturally on a drillstem test at 10,060-143 feet.

There was no water in that zone. No shows of possible production were logged between 10,143 feet and the total depth at 11,178 feet.

Through Perforations  
The testing on the Wolfcamp pay will be through perforations in the casing.

Location is 10 miles west of Midland, 10 miles northeast of Odessa and five miles northwest of the Midland Air Terminal. It is just inside the east city line of Ector County.

The drillette is 660 feet from north and west lines of section 39, block 41, T-1-B, T&P survey.

**Ohio Schedules South Offset To New Loving Pool**

One location south of The Ohio Oil Company No. 1-B Minnie Kyle, discovery well of the Mason, North (Delaware sand) field of Northwest Loving County, Ohio will drill No. 1-A-C-1 TXL.

It is 660 feet from north and west lines of section 11, block 55, T-1, T&P survey and 24 miles northwest of Mentone.

It is to drill with rotary to 4,200 feet. Elevation at drillette is 2,400 feet. The project will be dug on a 160-acre lease.

**C-E Lea Wildcat Is Shutin For Storage After Flowing Oil**

Tide Water Associated Oil Company No. 1 H. T. Monteth, wildcat in Central-East Lea County, N. M., is shutin for storage after flowing oil from perforations in the Strawn between 11,264 feet and 11,280 feet. It was swabbed in and flowed 98.19

barrels of oil per hour for two hours through a two-inch opening on tubing. The perforations were treated with 5,000 gallons of acid.

Through a one-inch choke it made 75.9 barrels of oil the first hour; 77.28 barrels of oil the second hour. On a one-half inch choke the well made 49.66 barrels of oil the first hour, 48.94 barrels of oil the second hour and 49.86 barrels of oil the third hour.

Top of the Strawn was called at 11,207 feet. Location is at the center of the southwest quarter of the southwest quarter of section 20-16-97e.

**NW Kimble Gets 2,200-Foot Test; To Start At Once**

R. F. Schoolfield and Associates of San Antonio have staked location for a 2,200-foot cable tool wildcat in Northwest Kimble County.

It is No. 1 Dan Morales and is located 2,170 feet from northwest and 1,250 feet from northeast lines of Heirs of H. Grote survey No. 423, abstract 148.

Drillette is also about six miles southeast of the Rust field and 11 miles northwest of Junction townsite on a 1,373-acre lease.

**NE Fisher Venture Is Testing Strawn**

Texas Pacific Coal & Oil Company No. 1 Eva Lena Johnson, wildcat in Northeast Fisher County, is testing the Strawn between 5,100 feet and 5,200 feet.

The well flowed 65 barrels of oil in 10 hours through a 20/64-inch choke with no water. Tubing pressure was 120 pounds.

Testing will continue. The project was drilled to a total depth of 6,375 feet in the Ellenburger, from which point it was plugged back after testing water.

Location is 660 feet from south and east lines of section 196, block 1, BBB&S survey and three and one-half miles southwest of Hamlin.

**Shallow Wildcat Is Set For Tom Green**

P. Q. Echols of Crane will begin drilling immediately on his No. 2 Bubenik, shallow wildcat in Central-West Tom Green County.

Location is 2,000 feet from south and 330 feet from west lines of H. Fey survey No. 827 and 12 miles southwest of San Angelo on a 100-acre lease.
