General Rains Dampen Dry Texas

Eden, Brady Get Heaviest Falls In State

The sky dumped as much as 10 inches of rain on heat-cracked Texas Wednesday, raising a flood threat in at least one area.

The Weather Bureau said the rains were the most general since Spring. South and West Central Texas were soaked. Substantial showers dotted other parts of the state as far north as the Panhandle.

Dry Midland Sector Gets Golden Rain

Golden rain continued to fall on the drought-raked Midland sector Wednesday morning and murky skies underscored the forecast of increased thunderstorm activity Wednesday afternoon and night.

The pre-Autumn spell moved in Tuesday afternoon, dumping scattered showers which appeared heaviest in Martin County and on east to Big Spring.

The temperatures dropped 30 degrees here Tuesday, sliding from a maximum of 94 to 64 degrees. The mercury remained in the high 60's Wednesday morning.

Heavy, scattered showers were reported Wednesday in all directions from Midland. Powdered dust was washed to the ground.

Service to approximately 100 telephone customers was disrupted Tuesday night in the Midland High School area, when an electric wire burned a telephone cable.

Repairs for Southwestern Bell Telephone Company still were endeavoring to restore service at noon Wednesday.

Telephone service to Midland High School was affected as result of the blast.

Substantial rains fell Tuesday night and Wednesday around Brownwood in West Central Texas. Winchell, between Brownwood and Brady, recorded three inches. Winters, on the Colorado River, had four inches.

Other points in the area recording rainfall were Ballinger, 3.5, Menard 3.35, Santa Anna 2.65 and Bangs 1.65.

Six inches of rain were reported south of Paint Rock. The Colorado River watershed had been one of the driest sections of the state before the rains.

Elsewhere the rains ranged from good showers to trickles.

\$230 Said Stolen From Coffee Shop

More than \$200 in cash was reported stolen Tuesday night from the Hotel Schaeffer Coffee Shop.

Police said the money, \$230 in bills and rolled-up coins, was taken from a locked drawer beneath the cigarette counter.

The loss was discovered when the coffee shop opened for business Wednesday morning.

Detective Lt. Dick Hemingway said a door on the west side of the coffee shop was found standing open. Nothing else was disturbed.

GOP Cheers Demo Swing Toward Ike

AUSTIN—(P)—State Republican leaders Wednesday hailed the Texas Democratic convention's endorsement of Dwight Eisenhower as swinging the state definitely into the Republican column.

National GOP Committeeman Jack Porter and State Executive Committee Chairman Alvin Lane predicted an easy majority for Eisenhower in the November 4 election.

Porter said the majority would run "about 65 per cent" state-wide. He said the Republican campaign would be coordinated with efforts of Democrats for Eisenhower.

No Inter-Party Frictions

"There will be no friction between Republicans and Democrats for Eisenhower in this state," Porter said at a press conference preceding the meeting of the State Republican Executive Committee here.

Porter also foresew a two-party government in Texas within two to four years if Eisenhower is elected.

"Until now we have been in the position in this state of having conservative sentiment divided. When the conservative people work together as I'm sure they're going to in this election, the barriers will be broken down," he said.

Truman's Charley McCarthy "I am glad to see a clear-cut contest between Eisenhower and Truman's Charley McCarthy, the court jester for the mess in Washington," Porter commented.

He was referring to the fact that the State Democratic Convention voted Tuesday to put Adlai Stevenson on the ballot as the Democratic nominee but instructed party officials to vote for an Eisenhower victory.

"All Democratic candidates who ran for the Democratic nomination on a platform critical of the Truman-dominated National Democratic Party now have an opportunity to deliver," Porter said.

Body Of Midlander Arrives In States

Mr. and Mrs. Pless C. Richters, 609 South Minola Street, have received word from the Department of Defense that the body of their son, Pfc. Johnnie D. Richters, arrived Tuesday in San Francisco on the Oberlin Victory.

The Midland youth was killed in action in Korea in July.

Richters is one of 172 American war dead brought home on the Army transport for interment. The bodies will be sent with an escort to the point designated by each individual next of kin.

Midland Ready For Change On Felt Hat Day Saturday

"It's time for a change!" cry the politicians.

And in Midland the cry reverberates—but it's a different kind of change they have in mind here.

Come Saturday, straw hats will go by the wayside and Midlanders will don fedoras of felt. It's officially "Felt Hat Day."

The Panamas and straw sombreros served long and well, and little unexpected rain managed to wash away their sharp creases. Their day, however, is almost done for 1952.

On the shelves of many merchants new apparel appear for headwear in many varieties. There are Westerns, park pies, derbies and other chaparral of many hues and styles.

"Felt Hat Day" is for the women as well as the men, and Midland will take on a new look Saturday to herald the arrival of Autumn, not far away.

"It's time for a change!" cry the politicians. Midland will do its changing Saturday.

Timothy Taxpayer Checks Police, Fire Protection Angles Of City Bond Issues

By COPE ROUTE

Timothy Taxpayer, his eyes burning with accusation, practically pounced on the two startled men.

"Aha," he cried, "just the two men I'm looking for."

Police Chief Harold Wallace put down his cup, glanced nervously around the coffee shop, and looked across the table at Fire Chief Melvin Little.

"What's the matter, Timothy," asked the police chief, "somebody break into your house last night?"

"Certainly not," snapped the little fellow.

"Is your house on fire?" asked Little.

"It is not," retorted Timothy, "and don't try to get me off the subject."

"Well, what's the matter, then," asked Wallace, "sit down and have some coffee and tell us about it."

Charles Voters Guide

Timothy sat down, ordered his coffee and produced a copy of the Voters Guide, mailed out this week by the League of Women Voters of Midland to explain Saturday's \$4,500,000 bond issue election.

"I'll start in on you, chief," he began turning to Wallace.

"It says here that part of that \$4,500,000 is for a new building for the police and fire departments."

"That's right," answered Wallace.

"In fact, they've set up \$500,000 for a building to house the police headquarters and central fire station, a new suburban fire station and remodeling part of City Hall."

"Well, what I can't figure out," retorted Timothy, "is what you need with new police headquarters. If all your men were out working like they are supposed to, you wouldn't need much space."

The police chief goggled at a mouthful of coffee, and looked at Timothy like a school teacher would look at an innocent high school freshman.

City Hall No Jail

"It's not quite that simple," he started in.

"First, let me point out that we have no City Jail.

"The old jail, a makeshift affair which finally was condemned, was abandoned more than a year ago and since then we have been using the county jail."

"What's wrong with that," asked Timothy.

"Everything," answered Wallace. "Just take a case in point. One of our patrolmen, say, picks up a drunk at night.

"First he brings him to police headquarters, formally books him with the desk sergeant and takes away his personal valuables for safekeeping.

"Then he puts him back in the patrol car. Then he goes to the County Courthouse and waits until Sheriff Ed Turner or one of his deputies can get out of bed and come down and open the jail.

"That takes from 45 minutes to an hour and, besides the trouble it causes, it means the patrolman has

TEXAS POLITICS SIZZLE—Gov. Allan Shivers, left, outlines to Democratic National Committeeman Wright Morrow his stand against Party Nominee Adlai Stevenson at the Texas Democratic Convention in Amarillo. Texas Democrats Put Adlai On Ballot, Then Pledge All-Out Campaign For Ike

AMARILLO—(P)—The organized Democratic Party of Texas has marched lock, stock and barrel into the camp of Dwight D. Eisenhower and the Republicans.

It also made certain that other Texas Democrats—thus far unorganized—could vote for Adlai Stevenson on the general election ballot in the usual Democratic column.

The Democrats, who hollered themselves hoarse in convention Tuesday caucusing and hooting Stevenson, President Truman and Administration policies, fulfilled the pledge made by their leader to win seats in the National Convention at Chicago.

Gov. Allan Shivers had promised to do all in his power to put Stevenson's name on the ballot as a Democrat, and he did.

Then, with the governor's blessing, the convention gave every Democrat in Texas the green light to join the Eisenhower force that has high hopes of carrying Texas this year.

Its resolution, adopted by a whooping voice vote, went further and asked the governor and other party officials to campaign for Eisenhower.

It was an unique alliance in Texas' colorful political history. The convention's total action in going overboard for the Republican presidential nominee was something that never had happened before in a Texas Democratic session.

When Texas Democrats go to the polls in November they will have these major choices:

1. They may vote for Stevenson in the Democratic column and scratch everything else on the ballot.

2. They may take advantage of Texas law that permits ticket splitting; voting for Democratic candidates for state offices, scratching

Stevenson, and voting for Eisenhower.

3. They may scratch both Stevenson and Eisenhower, as Governor Shivers has indicated he intends to do. Shivers said that as a nominee for reelection on the Democratic ticket he does not see how he could vote the Republican ticket.

4. Or they may be able to vote the Republican ticket all the way, from President down. The Republicans have nominated a full slate of already-nominatee Democrats, including Shivers, for state office. They will stay on the ballot unless they withdraw, and none has so far. Only time will tell what effect

Corky Moss Said Critical

HORACE V. (CORKY) MOSS, 18, former Midland High School basketball star, was in a critical condition in an Omaha hospital Wednesday as result of an automobile accident Tuesday near Omaha.

The attending physician said Moss, son of Mr. and Mrs. Earl Robertson, 1408 West Washington Street, was suffering from a severe concussion, undetermined internal injuries, and rib fractures.

Another Midland youth, James Gary Throckmorton, 18, son of Mr. and Mrs. R. E. Throckmorton, Jr., 2006 West Washington Street, also was hospitalized with less serious injuries as result of the accident.

Throckmorton, who is expected to be released from the hospital Thursday, suffered a slight fracture of his elbow, multiple cuts and abrasions.

The two were enroute to Lake Walk, near Del Rio, on a fishing trip when they lost control of their vehicle 20 miles north of Omaha on Highway 163. It overturned several times.

They were May graduates of Midland High School, where Moss was a three-year letterman as forward on the basketball team. They had planned to enroll Monday as students at Texas Technological College at Lubbock.

San Antonio Man Charged In Valley Political Slaying

ALICE—(P)—District Attorney Homer Dean said Wednesday a San Antonio bar owner known as "El Turco" has been charged with assault to murder in the fatal shooting of Jake (Buddy) Floyd, Jr. He identified the man as Marie Sept. 45, and said the charge would be changed to murder.

Shortly before the youth died Tuesday afternoon Rangers arrested a San Antonio bar owner and rushed him to an undisclosed jail for questioning. The man was moved from Alice when feeling reached a high pitch here.

Young Floyd was wounded fatally by 38 caliber pistol slugs which entered his head and arm when he stepped into the family's dark garage late Monday night.

Frank A. Reid, South Texas fingerprint expert, said a 38 caliber pistol found in a trash can near the Floyd garage soon after the shooting carried a set of "very clear" fingerprints. The gun was rushed to Austin for tests and fingerprint comparisons.

The elder Floyd is a reputed adviser to District Judge Sam Reams. A candidate backed by political leader George Parr defeated Reams for reelection in this summer's Democratic Primary.

Floyd has long been an opponent of Parr in the South Texas political wars.

HOUSTON—(P)—The Houston Chronicle said Wednesday that District Judge Sam R. Reams of Alice has been warned that he is marked for assassination.

The story was written by staff writer Curtis Vinson.

Vinson, former editor of the Alice Echo before joining the Chronicle staff recently, said there is a "general belief that politics is behind the slaying of young Floyd and the report that they" also planned to "get" Judge Reams.

Reams, a foe of political leader George Parr of San Diego, Texas, was defeated in the Democratic primary.

Vinson's story said 14 local candidates in Starr County had contested the Democratic primary election and succeeded in getting the absentee ballots thrown out.

The story said there is a report that some persons fear a contest might be filed in behalf of Judge Reams or a write-in campaign started for Reams in the November election.

Flowing Oil Is Developed In Andrews Test

Anderson-Prichard Oil Corporation appears to have an Ellenburger discovery in sight at its No. 1-34 Paken, Southeast Andrews County deep well, 18 miles southeast of the town of Andrews.

This possible new field opens in 25 miles northwest of the city of Midland.

Location is 280 feet from north and east lines of the southeast quarter of section 24, block 43, T-1-N, G-5-M-B-A survey. The discovery is surrounded by production from the Grayburg lime in the shallow Grand Farms field from pay above feet.

Anderson-Prichard No. 1-34 Paken had its oil in the Ellenburger in a drillstem test at 12,818-700 feet. The tool was open for one and one-half hours.

The 2,550-foot water blanket started flowing out in 50 minutes. Gas surfaced in 55 minutes and oil started flowing at the top in 60 minutes.

The oil was flowed to tanks for 20 minutes. The flow totaled 26.24 barrels of 48-gravity oil. There was no formation water.

No gas gauge has been reported. Operator was pulling the tester at last report. The project will drill deeper into the Ellenburger.

Another Pay Found In Phillips Project SW Ector Area

Phillips Petroleum Company No. 1-3 Millard, Ellenburger project in Southwest Ector County, one location west of a recently completed five-eighths-mile northwest extension to the Fenwell (Ellenburger) field, has apparently found discovery production from the Wadwell Sand.

A drillstem test was taken in the interval from 6,245 to 6,410 feet. Tool was open 170 minutes. Gas surfaced in five minutes and oil in 10 minutes. It flowed 41.55 barrels of oil in one hour through a five-eighths-inch chok.

Gravity was 48. Gas-oil ratio was 18-1. Operator reversed out the fluid left in the drillpipe. No water was found.

Operator was drilling ahead.

No. 1-3 Millard already has been credited with finding the first bitumens production for the field.

Location is 980 feet from north and 625 feet from east lines of section 11, block 15-15, plat survey.

SW Andrews Gets Three More Deep Field Explorers

Three more deep projects have been staked in Southwest Andrews County.

The Atlantic Refining Company will drill No. 3-N and No. 4-N Tex. in the Block 12 (Ellenburger) field. No. 3-N is 600 feet from north and 1,900 feet from east lines of section 17, block 12, University lands survey. It is five-eighths of a mile north and slightly east of the closest completed well.

No. 4-N Tex. will be dug 600 feet from east and 1,900 feet from north lines of section 17, block 12, University survey.

Both will drill to 11,900 feet to test the regular pay found in the field.

The Superior Oil Company will drill No. 2-11-C University as a 6,000-foot Devonian test in the block 11 (Devonian) field. It is one-half mile southwest of the closest completed well and 1,900 feet south and east lines of section 7, block 11, University survey.

IE Concho Gets Shallow Wildcat

Midland Oil Company of San Antonio will drill a 1,400-foot wildcat in Northeast Concho County as a No. 1 Banson Land & Cattle company.

Location is 200 feet from south of 2,324 feet from east lines of section 23E, block 7E, T-2N0 survey and seven miles southeast of Aint Rock.

Constitution Called Government's Bible In Talk By Brown

"The constitution is to government what the Bible is to religion," Hulton Brown, state representative-elect, said in a "Constitution Day" address at the Tuesday noon luncheon meeting of the Midland Real Estate Board at Miller's Restaurant.

Brown said that the men who wrote the federal constitution had greater visions of the future than the present administration as the men named to the Supreme Court to interpret the document were qualified appointees instead of political judges and jurists.

The speaker outlined a history of the formation of the constitution and the qualifications of the men that wrote it. He pointed out that these men had lived under various forms of government in Europe and were well qualified and close students of government.

Since the constitution and its amendments were ratified by the people of this country, or their elected representatives, it is a fundamental law, Brown said.

Approximately 30 members of the real estate board attended.

Nixon Plans Talk At Tri-State Fair For Texas Voters

FORT WORTH—The Republican candidate for vice president, Senator Richard Nixon of California, will give the GOP bid for Texas' 34 electoral votes a kickoff September 26 in Amarillo.

Ben Gull, manager of the Eisenhower-Nixon campaign headquarters here, Tuesday announced Nixon's scheduled appearance in the Panhandle city during the Tri-State Fair.

Gull, former Republican congressman from Pampa, said W. E. Izzard, publisher of the Amarillo Daily News, will introduce the GOP vice presidential candidate.

Gull said Eisenhower, the presidential candidate of the Republicans and favorite of many Texas Democrats, will follow Nixon within a short time.

It was announced earlier this week that Eisenhower would make at least two speeches in Texas early in October.

Directors of the organization are W. W. Williams, D. O. Lawson, B. T. Graham, J. C. Franklin and Mike Anderson.

Counties served by the association are Martin, Midland, Upton, Ector, Crane, Andrews, and Winkler.

Quadruple Births Set Mark For America Early In 1952

NEW YORK—U. S. quadruple records have been broken in 1952. With several months of the year remaining, four living sets have been born. Three sets who all remained alive made 1946 the previous record year. The only other years in which at least two sets were born and stayed alive were 1931, 1944 and 1941.

Marine League Asks A Bombing In Korea

LOS ANGELES—A resolution calling for use of atomic bombs in Korea is scheduled to be proposed to delegates at the twenty-ninth annual National Convention of the Marine Corps League.

Paul Corbin, the league's national chief of staff, said in opening sessions of the convention Tuesday that "A-bombs across the Yalu River" offer the only way to end the war in Korea.

He predicted almost unanimous endorsement of the resolution later this week.

Munitions Shortage Found 'Not Critical'

CENTRAL FRONT, KOREA—Ten U. S. congressmen toured the Korean battlefield Wednesday and reported they found no critical shortage of ammunition.

They issued a statement saying the ammunition supply is enough to meet the present tempo of the war.

They are members of the appropriations subcommittee of the House Armed Services Committee.

JOHNSON IN HOLLYWOOD Ex-King's Wink Was No Link In Chain Of Royal 'Romances'

By JOAN FONTAINE For Erika Johnson

Let's nip it in the bud before the "King and I" story gets around in Hollywood.

It happened in the dining room of the Palace Hotel in Madrid a few days after I had arrived in Spain to make "Decameron Nights," with Louis Jordan, Binnie Barnes, Godfrey Tearle and Joan Collins, for Mike Frankovich.

My daughter, Martita, kept turning her head to look at an elderly gentleman a few tables away. He winked at Martita once, twice, three times.

She blushed and hid her face in her napkin. Finally the distinguished-looking man left, without so much as a wofish leer my way, and I was told by a waiter that he was ex-King Umberto of Italy.

This, then, is little Martita's "romance," NOT MINE. As for me, let me paraphrase Stevenson:

The world is so full of a number of things And I'm doing fine without princes or kings.

On my last trip to Europe, I was linked with every title but Baron Leone and Duke Ellington. When next time I listen to an orchestra play "In a Little Spanish Town," I shall think of a raggle-taggle company of Americans and Britishers filming three of Boccaccio's stories in a country where a movie star of Hollywood origin is regarded with the awe that Americans would reserve for a Martian who has just stepped out of a space ship.

And of the two days I spent in a monastery at Guadalupe where the ancient building was used in a sequence.

Pointing in a monastery. That's a switch!

And of our essay caravan moving across the land from location to location—a string of limousines, buses and trucks carrying the actors crew members and equipment.

And of Faith Domergue, who came along to be with her husband, director Hugo Program, and volunteered to serve as an interpreter.

Faith had great difficulty understanding the accent of a British electrician. Once he asked her to convey his request for what sounded to her like 380 oz.

In frantic Spanish, Faith called for 380 animals and sent the Spanish company members into a jabbering, incredulous chorus of protest. Faith stood by her point. She even made gestures to indicate that these creatures had long horns.

Finally, she went back to the Englishman for further instructions. This time she understood that he wanted 380 arcs. As in arc lamps. Didn't know I could!

And the night the manager of a theater in Sitges, a little coastal town about 30 miles south of Barcelona, ran a Spanish-dubbed print of "Jane Eyre" for me.

There I was, spouting Spanish on the screen as fluently as Dolores Del Rio, Maria Felix and Mario Cabre. I can't wait to hear myself speak Russian, Finnish, Dutch and Tagalog.

And the three children of Binnie Barnes and Mike Frankovich. They were born in Hollywood, but now, after living in Spain for several

Louisiana Demos Ponder Ike Votes

BATON ROUGE, La.—Louisiana's political storm swirled with new intensity Wednesday with the disclosure that some Democratic leaders are considering whether to help Republicans swing this state to Dwight Eisenhower.

Several officials said the Democratic State Central Committee is being sounded out on a proposal to make technical changes in the ballot form to make it easier for Democrats to vote for the GOP presidential nominee.

The leaders asked not to be identified. They gave no hint about how party leaders would receive the proposal.

Gertrude Lawrence Interment Rites Held Wednesday

NEW YORK—The St. James Theater reopened Wednesday, the name of Gertrude Lawrence missing from its signs.

And as it reopened after a day of mourning, the body of its fallen star—a trouper in the greatest tradition to the painful end—went to a final resting place.

The St. James, where Miss Lawrence played the leading role in "The Kink and I," canceled its performance Tuesday for her funeral services.

Other theaters along the Great White Way—and in London's West End—dimmed their marquee at curtain time in a silent tribute to the English girl who touched theatrical heights on two continents.

Miss Lawrence died Saturday of cancer. So well had she played her role that none knew of her final weeks of great pain.

Wagner To Be Freed From Hollywood Jail

LOS ANGELES—Film producer Walter Wagner will be freed from jail Saturday after serving three months and nine days for shooting and wounding Jennings Lang, agent of Wagner's wife, actress Joan Bennett.

Hollywood still is speculating whether Wagner's freedom means a reconciliation. He has said he is hopeful, but Miss Bennett, now appearing in a play at San Francisco, has been non-committal.

Martha Holmes, Billy Boykin Are Married In Pecos Church

PECOS—Martha Holmes, daughter of Mr. and Mrs. H. S. Holmes, became the bride of Billy Jo Boykin, son of Mr. and Mrs. Bryan Boykin of Fort Worth, in a ceremony at 7 p.m. Saturday in the First Baptist Church.

The Rev. W. M. Turner, church pastor, read the double ring ceremony. The marriage vows were repeated before an arch of greenery, which was flanked by floor baskets of white gladioli. Background for the scene was of greenery and cathedral tapers in floor candelabra. Music was furnished by Ed Wittner, vocalist, and Mrs. Harvey Tinkler, organist.

When the couple left for a wedding trip to Ruidoso, N. M., and El Paso, Mrs. Boykin was wearing a gray suit with matching gray and flamingo accessories and a white orchid corsage.

The bride, who was given in marriage by her father, wore a white gown of imported French chantilly lace and nylon tulle. The long-sleeved bodice and double-tiered skirt flounces were of the lace, with a skirt of nylon tulle extending into a chapel train.

Seed pearls decorated the scalloped neckline of the dress and the lace cap, from which cascaded a triple-tiered, fingertip veil of illusion. The bride carried a white orchid showered with stephanotis on a Bible and wore earrings belonging to her grandmother.

Pat Holmes, sister of the bride, was maid of honor and bridesmaids were Margene Hannon of Pecos and Mary Lou Nix of Dallas. They wore identical waist-length gowns of Cotillion blue, with bouffant skirts and slipper satin bodices. Their slippers were in matching color and their halo caps were of nylon net. Miss Holmes carried a bouquet of pink asters and the bridesmaids carried bouquets of deep rose asters.

Attendants named

Corby Sparks of Fort Worth attended the bridegroom as best man, and groomsmen were Eddie Curtis and Clint Brisendine, both of Dallas. Candles were lighted by Gard and Gerald Stafford. Stevie Holmes, brother of the bride, was ringbearer. The garden reception was held in the home of the bride's parents.

Library Hours Are Changed

Changes in the hours of the Terminal and Dunbar branches of the Midland County Library have been announced by Mrs. Lucile Carroll, Librarian.

Woman Professor Sees Son Stab His Father To Death

GALVESTON—(P)—A shocked, horrified woman college professor watched her son stab his father to death here.

The 27-year-old psychiatric patient, found exhausted Tuesday by the knife-carved body of his father, faced an examining trial Wednesday.

Detective Chief W. J. Burns said a charge of murder had been filed against Frank Deupree, Jr.

Frank Deupree, 58-year-old vocational agriculture instructor, was stabbed and hacked at least 25 times with a butcher knife.

Burns said the son, a Navy veteran who has been under psychiatric care at John Healy Hospital here since 1946, was being kept under armed guard at the hospital.

Young Deupree's mother, Mrs. Irene Deupree, told police she found her husband and son fighting on the second floor of a rooming house Tuesday afternoon. Her son had a knife. Mrs. Deupree's statement said, and the elder Deupree was covered with blood.

When officers arrived they found the father dead and the son unconscious beside the body.

Mrs. Deupree, professor of home economics at Southwestern University, Georgetown, said she and her husband had been in Galveston about a week visiting the son, an outpatient at John Sealy.

Monday night, she said, doctors had decided her son was so dependent that he should be readmitted to the hospital.

After his readmission, the mother said, the son—not kept under close confinement—came to visit them while they packed to return to Georgetown. "He seemed perfectly normal," she said.

Mrs. Deupree said she left the room unattended, heard screams, and rushed back to see the two men sufficing.

LOCKHART—SHERIFF REGIONS FROM POST

Alleged Bootlegger Released; Liquor Control Men At Odds

By The Associated Press
A man being tried on a bootlegging charge has been acquitted after two State Liquor Control Board officers gave conflicting testimony in a trial at Snyder.

One of the officers testified the defendant was arrested August 15. The other officer argued from the witness stand that the arrest was made the night of August 16.

One of the Liquor Board men admitted on the witness stand that the pair had been drinking when they arrested the defendant. Although the defendant said he did not have money to hire a lawyer, an attorney at the trial in the role of spectator arose and was allowed to defend the man. He represented the defendant as "friend of the court" and made the final argument.

The county attorney concurred in asking for an instructed verdict of acquittal.

Shivers Speaks Up
Against such a court room scene in Snyder, Gov. Allan Shivers offered the "full cooperation of any state agency" in a grand jury investigation of what he terms "general state-wide corruption resulting from administration of the State Liquor Control Act."

The Potter County Grand Jury made its seathing report Monday at Amarillo.

Shivers told newsmen, "I am glad the grand jury is looking into this matter," but he asked that the investigating body not be made blanket charges without backing them up by returning indictments.

Rep. Waggoner Carr of Lubbock, a member of the Texas House Investigating Committee, said the group had taken under advisement the grand jury report. He said it might be several days before an announcement could be made concerning a further probe into the situation.

Odessa, Big Spring
The grand jury report said a multi-million dollar bootlegging syndicate operated in West Texas and was headquartered in Odessa and Big Spring.

The report said some Liquor Control Board employees knew of the 30-county operation but that it continued to function through pay-offs and bribery to key employees of the board.

The grand jury also said that "wrecking squads" from the board destroyed the business of bootleggers who attempted to sell whiskey outside control of the syndicate.

Coke Stevenson, Jr., liquor control administrator for Texas, said he would welcome a full investigation "from top to bottom."

found dead and his sister, Mrs. Vauria Hassell, was found dying in a cabin Tuesday afternoon.

Mrs. Hassell, 18, died about six hours later at the U. S. Naval Hospital. She was the wife of a sailor. A verdict of accidental death due to suffocation was returned. A gas flame in a refrigerator, officers said, probably consumed the oxygen in the tightly closed cabin.

M. E. Brittain, 28, an oil field derrickman, was injured fatally Tuesday when his light plane crashed at a Kermit airport. Witnesses said Brittain's plane crashed when it stalled while he was practicing landings.

School Child Killed
Near Greenville, Linda Lee Timberlin, six, was struck and killed by a car shortly after she stepped from a rural school bus.

Highway Patrolmen were investigating the child's death. She was the daughter of Mr. and Mrs. C. H. Green, Greenville.

Robert C. (Bob) Compton, 45, a Brownsville businessman, was killed early Tuesday when his car left the road and overturned near Bayview in the Brownsville vicinity.

Compton was the Rio Grande Valley's sixty-fifth traffic fatality of the year.

In Galveston, a 27-year-old psychiatric patient was held for observation Tuesday night after he was found lying exhausted beside the body of his father.

Seven Texans Die As Wave Of Violence Crosses State

By The Associated Press
A wave of violence across Texas Tuesday left at least seven persons dead.

Jake (Buddy) Floyd, Jr., 29, was fatally wounded by pistol shots from the gun of an assassin at Alice, where the youth's father is a political leader.

In Corpus Christi, Miss Doris Channell, 17, of Miami, Ariz., was

Mayor Of Odessa Talks To Baptists At Crane Meeting

CRANE—Mayor Fred Gage of Odessa delivered the main address, "Promoting Christian Fellowship Among Our People," at a quarterly meeting here Tuesday of the Baptist Brotherhoods in the Pecos Valley Association.

Approximately 200 persons attended an evening meal in the Community Hall, followed by the program.

Gage also appeared in a special musical program in a male trio with his brothers, Harold and Carroll. Gilbert Griffin of Grandfalls, president, presided.

Churches represented included Barstow, Grandfalls, Imperial, Iran, Kermit, McCamey, Monahans, Odessa, Pecos, Pyote, Rankin, Royalty, Sanderson, Sheffield, Todd Field, Toyah, Wickert, Wink and Crane.

Machine Gun Slugs Spray City As Fire Destroys War Plane

MADISON, WIS.—(P)—An estimated 900 rounds of .50-caliber machine gun slugs were sprayed over this capital city Tuesday night by an Air Force F-51 Mustang which crashed flames at Trux Field.

The pilot walked away from the crash but Ethel Pierce, 46, and William Eikenstein, 15, were wounded by slugs that ripped into their living rooms. They were believed to be in good condition.

Capt. William Brownell, the pilot, a member of the Iowa National Guard, said he turned back with a leaky fuel line after taking off for Sioux City, Iowa. Flames burst from the plane as he came in for an emergency landing.

Air Force officials said the fire may have triggered the guns.

Union Calls Texas War Plant Strike

HOUSTON—(P)—A walkout Tuesday of CIO United Steelworkers Local 2883 shut down the Rheem Manufacturing Company's fabrication plant here.

About 650 workers left the job. The Rheem plant includes facilities for manufacture of 43-inch mortar shells.

Although union officials could not be reached for comment, a company spokesman said union spokesmen gave a "vague statement that it wants assurance that its contract will be adhered to."

No pickets were posted.

Farmer Survives Plunge Into Well

BINGHAMTON, N. Y.—(P)—A 27-year-old farmer was cleaning a well pump with gasoline recently when he was overcome by the fumes and toppled over into a seven-foot well.

He landed in four-inches of water but his wife said he was still unconscious 15 minutes later when she pulled him out.

A physician who examined him said he didn't have a scratch.

Johnson Stays Mum On Amarillo Action

STONEMAN—(P)—U. S. Senator Lyndon B. Johnson had no comment Tuesday on actions of the State Democratic Convention in Amarillo.

Johnson has expressed his advocacy of the candidacy of Gov. Adlai Stevenson, Democratic nominee for President. The Amarillo convention put organized Texas Democrats in the camp of Gen. Dwight D. Eisenhower, the Republican presidential nominee.

Galveston Arrests 18 In Vice Roundup

GALVESTON—(P)—One man and 18 women were arrested and charged with vagrancy here Tuesday in what was described as a crackdown on bawdy houses catering to juveniles.

Three deputies from the office of Sheriff Frank Biagone raided three houses.

Officers said the 44-year-old man arrested ran two of the houses. He was released on \$10,000 bond. Each of the women were freed on \$1,000 bonds.

Reds Lift Blockade On German Highway

BERLIN—(P)—The Russians suddenly lifted their blockade of a highway between Berlin's American sector and a U. S. checkpoint to West Germany Tuesday night following a strong protest from the U. S. high commissioner.

The Russians let a U. S. military police patrol proceed without hindrance shortly after Commissioner Walter J. Donnelly verbally protested to Gen. Vasily Chuikov, chief of the Soviet Control Commission for Germany.

Earlier Tuesday gun-waving Russian entries had prevented an American military vehicle from driving along the strip. The West recognizes it as part of the Russian zone, but the Reds had allowed Americans to use it as an access road.

80 Defense Plants Get Tax Write-Offs

WASHINGTON—(P)—The Defense Production Administration Wednesday announced approval of Federal tax benefits for 80 defense plant expansion projects to cost almost \$3 billion.

Among the projects given "certificates of necessity" for the rapid write-off, and the percentage of outlay apply in each case, were:

Phillips Chemical Company, \$5,000,000 for fertilizer production at Pasadena, Texas, 45 per cent.

\$4,760,550 In Insurance Approved By School Board

Insurance amounting to \$4,760,550 as coverage of Midland Public School facilities for the next five years was approved by the board of trustees in a meeting Tuesday night at the high school.

The five-year insurance program

was presented by Roy McKee, president of the Midland Insurance Exchange, Charles R. Ervin and Edwin L. Stephens, members.

Each of the members of the insurance exchange will share equally in the policies.

In a move to relieve overcrowded conditions, the trustees decided to purchase two additional new school buses.

Basin Venetian Blinds of Midland had a low bid of \$8,883 for contract to supply venetian blinds at the new San Jacinto Junior High School building.

Two additional churches, that have outgrown present facilities, were given permission to use Crockett and West Elementary buildings for Sunday School classes during the next six months.

The board decided that in April, 1953, all church requests for use of school facilities will be re-studied subject to determining a policy by the new trustees.

Certain adult classes for the 1952-53 year were approved, and a decision made to teach elementary Spanish in grades one through three.

Supt. Frank Motzke announced teacher resignations and made recommendations for hiring of new teachers, which were approved by the trustees.

New teachers hired are: Mrs. Olga Banks, Iyl K. Cox, Mrs. Laverne Fry, Mrs. Robert J. Hester, Mrs. Vera M. Lord, Momi Pace, Mrs. Vada Jo Padgett, Mrs. Georgia Porter, Joe Beth Powell, Patsy Standefer, Mrs. Willie White, Mrs. Siffie E. Willingham and Marjorie Wilson.

Resignations accepted were: Mrs. Frances Bradley, Charlene Burleson, Mrs. Marjorie Calhoun, Mrs. Frances McKee Hutton, Bobby Joe Jones, Mrs. Mary Logan, L. E. Lyon, Patricia O'Brien, Tom Tibbetts and Mrs. Hollye Woolcock.

Trustees attending included John Cornwall, Thornton Hardie, Jr., Mrs. Rosalind McFadden and Ralph U. Fitting, Jr.

Kermit Man Dies When Light Plane Crashes In Takeoff

KERMIT — Fatal injuries were suffered by M. E. Brittain, 23, Kermit, when his light airplane nosed over about 12:30 p.m. Tuesday at the Robinson Airport here.

Brittain was taken the Kermit Memorial Hospital, where he died at 2:10 p.m. without regaining consciousness. He had been alone in his two-place airplane, and it was believed the accident occurred as he was trying to take off.

A resident of Kermit the last two months, he was employed as a derrick man for Superior Oil Company.

Funeral services will be held at 3 p.m. Thursday in Wheeler.

Survivors include the widow and a son, Larry, both of Kermit; the mother, Mrs. Juanita Brittain of Los Angeles, Calif.; a brother, Dewey, a prisoner of war in Korea, and a grandmother, Mrs. Bill Brittain of Wheeler.

Safety Engineers To Form Chapter

Plans for the organization of a Permian Basin chapter of the American Association of Safety Engineers were announced Wednesday with the first meeting scheduled next Monday night.

E. N. Giddon, safety engineer for the Humble Oil and Refining Company, said all interested persons are invited to attend the 8 p.m. meeting at Jimmy's Barbecue restaurant at Texas and Marfield Streets.

"Our organization," he said, "will be concerned not only with industrial safety but with traffic safety problems here in our own city."

C. E. Cure, safety engineer for the Phillips Petroleum Corporation, will preside as acting chairman.

But there's a happy ending. An insurance agent who was unable to contribute time or material to the house donated an insurance policy.

Water, Sewage Men Attend School Here

Twenty-seven water and sewage plant operators from Midland and half-dozen other West Texas cities are enrolled in a school underway here under the direction of the extension division of Texas A&M College.

Henry E. Nunn, city sewage and water engineer and Wednesday that Midland, Odessa, Stanton, Wink, Crane, Monahans and Andrews are represented in the three-week school which began Monday night in the Midland County Court House.

Sessions will be held Monday, Tuesday and Thursday nights. The class is being taught by I. N. Romhovde, of the Texas A&M College extension division.

At the conclusion, examinations will be given for Class B and C operators' licenses.

Stevenson Defends Truman's Policy, Warns Of War Danger

SAN FRANCISCO —(P)— Gov. Adlai Stevenson stood solidly Wednesday on the foreign policy of the Truman Administration and, with a warning of peril, outlined a program for action in Asia.

"America is threatened as never before," he said.

The way to avert it, he told a nation-wide television and radio audience from San Francisco, is to give material aid to the new nations of Asia, to recognize their desire for independence, and to show them that the United States is not pursuing a policy of domination.

Speaking with unusual seriousness, the Democratic candidate for the presidency made these points Tuesday night:

1. "I do not think war is an inevitable part of this contest between freedom and tyranny."

2. "With 68 per cent of our budget allocated to defense, it is the Soviet Union which now fixes the level of our defense expenditures and thus our tax rates."

3. Republican Nominee Dwight D. Eisenhower's "10-point program" does not contribute much to our foreign policy discussion."

4. "I believe we may in time look back at Korea as a major turning point in history—a turning point which led not to another war, but to the first historic demonstration that an effective system of collective security is possible."

5. "I want to assure our friends in Asia that America will never seek to dominate their political and economic development."

This was Stevenson's most important effort on foreign policy. It was a peak point as well in the whole campaign he is waging through the West.

Almost 1,900 persons—seated on two floors of Veterans Memorial Auditorium—heard the address. The basement audience watched him via a projection on a screen.

His demeanor, and the whole pattern of presentation, indicated how much importance Stevenson himself placed on this address.

He dispensed with the quips and jokes that usually take up the first four or five minutes of his talks.

His face was solemn, almost grimly serious. He put more emphasis into the strategic areas of his text. And

he did not, as usual, taper off with ad-libbed remarks. He just stopped.

Slips Into Eisenhower

He began by ripping into Eisenhower's speech on foreign policy, delivered last week in Philadelphia. He said seven of the general's 10 points were echoes of the program

he made no promises of an early peace.

Stevenson was applauded heartily at nine points. He squelched three or four other beginnings of applause by continuing to talk.

Stevenson boarded a train Wednesday for the first time since he left Springfield, Ill., Friday—and started "whistle stopping" the 400 miles to Los Angeles. The governor has been traveling by air.

He will make another major speech in Los Angeles Thursday night.

He plans to go then to Phoenix, Ariz., and Albuquerque, N. M.

ALWAYS TALKED LIKE AN ANGEL

SAN FRANCISCO —(P)— Gov. Adlai Stevenson got an angel food cake with white and pink icing Tuesday—from his old grammar school teacher.

Mrs. Bessie M. Moore, 76, now of Redding, Calif., who taught him at Washington School at Bloomington, Ind., said:

"I don't know why I chose angel food. He certainly was no angel in school. But he was a good student—expressed himself beautifully, just as he does now."

The Democrats have been following. The other three, he said—and his voice was icy with sarcasm—were simply "Throw the rascals out."

Actually, there were points of similarity in the statements of both candidates.

Both said peril confronts the United States. Both said the United States has not adopted an imperialistic course of action.

But whereas Eisenhower called Korea a case of errors in judgment Stevenson strongly defended the actions of the Administration. He said:

"As an American, I am proud that we had the courage to resist that ruthless, cynical aggression; and I am equally proud that we had the fortitude to refuse to risk extension of that war despite Communist provocations and reckless Republican criticism."

Contest With Tyranny

He said the Communists, having failed to win on the battlefield, are now trying to outlast the free nations for a cease-fire. "The contest with tyranny," the governor said, "is not a 100-yard dash—it is a test of endurance."

This statement, and all his references to Korea, drew roaring applause from the crowd.

Provide Says Germans Pose Threat To West

MOSCOW —(P)— Pravda warned Wednesday that when the West German Army is built up by the Allies, it may strike towards the West—like Hitler did.

Comparing the situation with that existing after World War I, the Communist party organ said the United States has allied itself chiefly with West German "revengers."

The aims of this group, it said, are directed just as much against the West European nations as against the "camp of peace and democracy" in the East.

Midland Firemen Make Two Runs

Midland firemen made two runs Tuesday to extinguish vehicle blazes.

The first was at 3 p.m. to the Permian Building where a 1947 Studebaker, belonging to the University of Texas, had become ignited. Damage resulted to upholstery in the back seat, firemen said.

A cigarette was believed to have caused the blaze.

The other run was at 4:18 p.m. to Big Spring and West North Front Streets, with superficial damage to a Ford dump truck. Cause of the blaze was undetermined.

School Bells To Ring Again For Many Midland Adults

Now that the youngsters are getting settled in class, the school bells began ringing Wednesday for a lot of grown-ups.

Charles Mathews, director of curricular services for Midland public schools, announced Wednesday that the Fall term of Adult Education classes will begin next Tuesday night.

The classes will meet on Tuesdays and Thursdays, from 8 p.m. until 8 p.m., at the Midland High School. The cost will be \$10 for the 15-week course.

A special course in shop crafts, from 7 p.m. until 9 p.m. the same nights, will cost \$20 for the 15 weeks. The regular courses include beginning and advanced shorthand (Gregg simplified), beginning and advanced typing, bookkeeping and business English.

Registration blanks will be secured in Room No. 114 at Midland High School. The phone number is 4-5588.

McCarthy Wins in Wisconsin Landslide; Seven Other States List Primary Choices

By The Associated Press
Senator Joseph R. McCarthy, controversial storm-center of the national presidential campaign, won a smashing primary election victory Tuesday which he said endorsed his Communist-in-government drive.

The Republican senator's chief opponent, Len Schmitt, bitterly conceded McCarthy's renomination to a second term with the comment that in time Wisconsin voters "will recall their support of McCarthy in this election with shame."

The vote was one-sided. Late returns: McCarthy, 232,883; Schmitt, 130,438.

Seven other states also held primary elections Tuesday. They were New Hampshire, Vermont, Minnesota, Washington, Arizona, Colorado and Utah. Virtually all incumbents were reelected.

The big news, however, was the McCarthy sweep in Wisconsin. The jubilant senator called his victory an endorsement of the people "of my campaign to rid the government of subversive forces that would destroy it."

Schmitt, the loser, said McCarthy had won the election through "an amazing and fraudulent hoax" perpetrated on the voters who, he said, some day would be ashamed of their support for McCarthy.

To Face Democrat
McCarthy's victory will pit him in November against either Thomas Fairchild or Henry Reuss, Democratic candidates. The outcome of their race was still undecided early today, although Fairchild was leading.

Other Wisconsin primary contests saw all incumbent congressmen—eight Republicans and one Democrat—apparently winning renomination.

In the Seventh District, State

leading; GOP—(W) Gov. J. Bracken Lee, incumbent, (L) Dr. Cyril A. Callister of Salt Lake City. First Congressional District: Demo—(W) Ernest McKay, (L) Mayor George Frost of Ogden (close); GOP—(W) Douglas Stringfellow, (L) George Staples. Second Congressional District: Demo—(W) Rep. Neva Beck Rosope, (L) Charles Pedersen; GOP

—(W) Former Representative Dawson, (L) Don Mack-Dalton.
New Hampshire—Governor's race, GOP—(W) Hugh Gregg, 34, war veteran—lawyer, making first bid for state-wide office, (L) former Gov. Dr. Robert O. Blood and two others; Demo—(W) Attorney William H. Craig, Manchester, (L) Mayor Laurence M. Pickett. Gregg seen as certain winner in November because state traditionally Republican. Congressional races: Both Republican incumbents renominated. They are Rep. Chester K. Merrow and Norris Cotton.

The Vermont Race
Vermont—Governor's race: GOP—(W) Gov. Leo E. Emerson, incumbent, (L) State Senator Henry D. Vail; Emerson certain of November victory as Vermont traditionally Republican. Senate: GOP—(W) Senator Ralph S. Flanders, incumbent, (L) William Smerdon; landslide for Flanders, Congress, GOP—(W) Rep. Winston L. Prouty, incumbent, (L) George H. Abbott.

Washington—Governor: Demo—(W) U. S. Rep. Hugh B. Mitchell, (L) State Senator Albert D. Rosellini of Seattle. Congressman-at-large: Demo—(W) Don Magnuson of Seattle, inexperienced politician, others trailing by large margin; GOP—(W) Senator Harry P. Gath, incumbent, far ahead of (L) Carl Viking Holman, Seattle; Demo—(W) U. S. Rep. Henry M. Jackson, unopposed Second Congressional District: Demo—(W) Harry Hansen, state chairman of Democratic Party running to replace Jackson, (L) State Rep. John Dootson; GOP—(W) Jack Westland, U. S. amateur golf champion, (L) Herb Wilson, 1950 GOP standard bearer.

Minnesota—Senate: GOP—(W) Senator Edward J. Thye, incumbent, (L) Edward C. Sietedahl, St. Paul; Demo—Farmer—Labor—(W) William Carlson (L) John McConough, St. Paul. Governor: GOP—(W) Gov. C. Elmer Anderson, incumbent, (L) State Auditor Stafford King; D-F-L—(W) Orville Freeman, (L) Sheriff Ed Ryan of Hennepin County.

RETURN TO FLORIDA

HONEST THIEF RETURNS LOOT

NEW YORK—(AP)—An "honest thief" paid off Tuesday. Last July a young negro held up a 42nd Street candy store, took \$30 from the saleslady, her name and address, and promised to return the money in 30 days.

"This is the first time I ever did anything like this, but I need the money bad," he said.

A letter came to the saleslady, Mrs. Bertha Romano, Tuesday. There was \$30 and a note, signed "Your friend."

"Sorry I couldn't return it sooner," the note said.

Officials Suspended After Condemned Men Escape From Prison

TORONTO, ONT.—(AP)—Ontario's Premier Leslie Frost Tuesday night suspended the prison governor, deputy governor and six guards of Don Jail, where four death house criminals broke out Monday.

Frost declared there was "something rotten in Denmark" when four condemned men—including one with a wooden leg—could pull off such an escape.

Commenting on the eight suspended prison officers, Frost said, "This doesn't mean these men are guilty of anything. But they were in charge and the investigation should disclose who was actually responsible."

A Canada-wide hunt is under way for the escapees.

Mysterious Lump In Earth Becomes Guarded Treasure

ARDMORE, OKLA.—(AP)—For years 70-year-old Bob Dodson, an Oklahoma Park Service employee, had begged scientists to investigate a hard, black object which was sticking out of the ground in a scrub oak patch at Lake Murray State Park.

But nobody paid any attention. Then, at last, scientists decided to have a look.

Today, guards maintain a 24-hour vigil while investigators probe the object.

Dr. Lincoln La Pan, University of New Mexico scientist, said it is a nickel-iron meteorite, probably the largest recovered in this country.

YOU'RE WRONG — Diane Morgan isn't lying down in a brick catacomb. She is standing 18 feet above the floor, at the entrance to a powder magazine at historic Fort Clinch, Fla. Brickwork of the fort, built in 1861, is said to be a masterpiece of the mason's art.

Indians Slip By Big Spring; Odessa Stops Artesia

Tribe Throttles Ninth-Inning Rally To Nip Staseymen, 5-4

By COPE ROUTE
Reporter-Telegram Staff
BIG SPRING—The Midland Indians, their teeth still chattering from a cold north breeze and an almost disastrous Big Spring rally, held a one-game lead Wednesday after their opening round in the Longhorn League's O'Shaughnessy playoff.

It was by the skin of those chattering teeth that they slipped past the dangerous Bronco by a 5-4 score Tuesday night and headed for the Big Spring stadium. Game time is 8 p.m.

Indian Manager Jay Haney said he would rest the Midland fortunes in the second game on the strong right arm of Rookie Herb Dwive

(5-4) while the Bronco will turn the mound chores over to versatile Bert Baez.

Shiver Is Pain
Sturdy Eddie Jacobs was the fair-haired hurler for the Indians Tuesday night in the opening game before some 1,000 fans who shivered in the 64-degree temperature which accompanied a fine, misty rain during most of the game.

At least, he was for the first eight innings as he held the Bronco to four scattered singles while his own teammates piled up a comfortable 5-1 lead.

But in that ninth inning, the Bronco began solving the mystery of his sweeping curve ball and staged a three-run rally that could have been worse if some of their

own offensive strategy had not backfired at the crucial moment.

But a futile attempt at an old-fashioned double-steal with two out in the ninth brought an ignominious end to the rally which had nicked Jacobs for five hits and three runs in that one frame.

Tribe Starts Early
The Indians showed they meant business from the opening inning.

With two away in the first, little Scooter Hughes dumped a single along the third base line, moved to second on Bronco hurler Gil Guerra's bad throw to first and skipped into third on a passed ball. But he died there as Guerra knocked down Glenn Selbo's grounder and threw him out.

They kept up the pressure in the second inning as Guerra, the league's leading hurler, walked two men and gave up a single by Earl Bossenberry and a two-bagger by Julio de la Torre to let the Indians score two runs.

They counted again in the third inning, while Jacobs was mowing down the Bronco without a hit.

Selbo led off with a walk, stole second and then scored on the first of Manny Temes' two safeties of the night.

Villarreal Puts Clamp On Sluggers

ODESSA—(AP)—Carlos Villarreal stopped Artesia's slugged blows Tuesday night as he hurled Odessa to a 7-3, first-game Longhorn League playoff victory.

He allowed more than one hit in only the seventh inning, when the Drillers collected two; passed only two despite a hard breeze, and never was in serious difficulty.

Meanwhile, the Oilers were pounding Driller Ace Mike Rodriguez for 15 solid runs, including a third-inning homer by Bill Cearley.

Artesia used three consecutive Oiler errors and Jim Alonso's single for one run in the second.

But Odessa picked two in the same inning on singles by Cearley and Felix Castro, plus two walks.

Cearley's homer put the Oilers ahead to stay in the third.

Artesia narrowed it with one in the fifth but two Driller miscues and three singles gave Odessa two more in the sixth. The final pair came in the eighth on three more singles and a walk.

Bronc Fans Couldn't Take It!

By JIM LINDSEY
BIG SPRING—Defeat cuts deep in the hearts of Big Spring fans. They lose as hard as Odessa. Big Oil Guerra didn't get the Midland-like applause when he was knocked from the mound. The 26-game winner for the Steeds in regular season play received some love. Labels like "most head" were tossed verbally at him.

There was only a sprinkling of handclaps. It was a poor demonstration from the home followers.

It is heart-warming to hear Midland's baseball faithful cheer a pitcher who has been relieved in

times of stress. It is sportsmanlike for Indian fans to utter words of comfort when a batter goes down. It is Midland-like to accept defeat and look to victory in the next game.

Midlanders have added tremendously to the high spirit prevailing in the Indian ranks by an unbroken display of backing, even when the chips are low. Players absorb words from the stands. That verbal backslap helps.

Manager Jay Haney had unfurled the Steeds by signaling the usually long-hitting Glenn Selbo to hunt in Earl Bossenberry on a ninth-inning squeeze. The run proved the difference in the 5-4 triumph.

A long-mouthed Big Spring fan shouted down from his grandstand perch:

"You boys learnin' anything tonight?"

Clerks Tuesday had an apology for Longhorn League President Hal Sayles when he checked in at a Big Spring hotel to await the inaugural of the O'Shaughnessy playoff between Midland and Big Spring. The weather, damp and chilly, alerted the hostelry to make an explanation.

"We are sorry all of our best rooms have been taken," Sayles was told. "We will have to give you an air-conditioned room."

Sayles believes the Indians came out on the best end of the Selbo-O'Keefe deal. Selbo has become the possession of the Tribe in exchange for O'Keefe and \$500. The swap had been made on an option basis.

Sayles watched Selbo with the Abilene Blue Sox of the WT-NM League. He also has seen O'Keefe perform in his home city.

Selbo wanted to play under Jay Haney, Sayles pointed out. And Haney is more than glad to have him.

The Longhorn League president plans to attend one of the Midland-Big Spring games in Midland this week. He is making the round during the playoffs.

Sayles maintains close contact with the arbiters. He had a short session with the umpires before the

Bronco-Tribe game Tuesday night. Special instructions, no doubt.

Rhubarb was conspicuous by their absence in the playoff contest in Big Spring. Indian Catcher Gordon Tanner turned jumping jack to show his disgust with a call by Plate Umpire Bill Frank. Tanner thought the throw was a strike instead of a ball.

Tanner didn't turn to the ump. He just bounced in frog-like fashion.

Midland fans were fewer in number than Big Spring's representatives. But what they lacked in total, they made up in vocal volume. It was easy to spot the visitors. They let themselves be known.

Mrs. Jay Haney probably was more nervous than her manager-husband when the Cayuses rallied in the ninth and threatened to knot the score. Her nerves stretched to the breaking point. She obviously was "sweating it out" to the point of suffering.

Scooter Hughes was his usual, sparkling self afield. Bill Brown turned in another rolling catch in left. . . . Gahlen Dinkle roamed center with a far-reaching glove. . . . Jean Visteur looked like a big leaguer with a running, leaping back-handed stab of one of those Manny Temes drives to right center. . . . Selbo ran the right field foul line with the speed of a deer. . . . Julio de la Torre and Temes contributed ably to a sparkling infield. . . . it all summed up to the customary performance under Jay Haney.

Bulldog Starters Still Not Named

"We don't know yet just who we will start in our opening game," Coach Tubgot Jones said at a meeting of the Midland Bulldog Boosters Club held Tuesday night in the high school cafeteria.

The Midland mentor was the principal speaker at the gathering. He explained that he did not know what the team has to offer as yet, since only limited practice has been held. He said that the team is weak in some phases which are being ironed out, and his big problem is finding the elusive key to a starting lineup.

He went on to praise the prospects of Roy Kimsay, the left-handed passer, who is being developed. He emphasized that he is working hard to develop Darrall Spivey as a fast-charging fullback.

Some of the top prospects of the team, although they are subject to change, include: center, Milton Jones, with Don Evans and Clinton Hamlin ready to move in; right guard, Bill Leonard, with Calvin Hancock as an alternate; inside tackle, Keys Curry, with Reagan and John Petty backing him up; outside tackle, Red Cost, with Jerry Balk as a substitute; right end, Bill

Mims, with Walter Cremin and Harold Paden standing by, and left end, Robert Kealing, with Paul Davis right behind him.

In the backfield, Coach Jones has M. A. Rose, at tailback, with Jesse Hatfield and Rusty Rutledge coming along fast; fullback Darrall Spivey, with Clinton Noble and Dick Spencer in reserve; blocking back, Dale Jobe as wingback, with the capable support of Larry Friday as a blocking back, and Bill Erskine and Ervin Townsend prepared for action. All are ready for duty except Larry Friday, who is expected to recover soon from his knee injury.

Dell Taylor, vice president of the Boosters, is completing plans for a membership drive which will be launched in the near future.

Paul Laverty, treasurer, reported that the club now has a nucleus of 87 paid-up members. He expects the number to increase many times through the membership campaign.

A film of last year's Midland game with Breckenridge was shown with Coach Jones carrying on a running commentary of some of the Bulldog team's strong points and weaknesses in both offense and defense.

Miners Ready To Vie NTSC In Opening Tilt At Odessa

EL PASO—A starting offensive line-up composed of 10 lettermen and one squadman for the Texas Western College Miners is beginning to take shape as the season opens September 20 in Odessa against North Texas State Tuesday.

"The boys are looking more like a football team every day as they are showing rapid improvement," Coach Mike Brumbelew said.

Presently running as the number one offensive unit is a fast and

versatile backfield, matched by pass-snagging ends and big, fast linemen.

Guiding the eleven from the all-important Split-T quarterback post is Dick Shibaust, 175-pound junior who does just about everything in football well. He played the position last year for the first time and has made remarkable progress.

At the right halfback post is Clovis Riley, 180-pounder who lead the team in ball-carrying last year with an average of 4.9 yards on 97 carries. He is from Albany and was a standout on the Odessa Junior College team two years ago.

Jack Burris, 175-pound speedster from Midland, is at left half. He is a hard-running sophomore letterman who broke into the starting line-up last season.

Filling the fullback hole is Noel McCormick, 150 pound sophomore speedster from El Paso. He is one of the top track men in the Border Conference.

Flanking the line at ends are John Birkhead, 175 pound senior letterman from El Paso, and Gene Odell, 170 pound squadman from Yalata. Both excel in the pass receiving department which could indicate that the Miners will do a lot of aerial work.

Running at tackles are King DuClos, 220-pound co-captain and one of the top linemen in the conference, and C. A. Davis, 195 pound senior from Houston.

Holding down the front-running guard positions are Harold Crenshaw, 225 pound sophomore letterman from Kilsen, and Harris Cantrell, 190 pounder returning regular from Yalata.

nightmare looms.

It looked like an insurance run only but it proved the victory margin as the Bronco moved into their half of the inning which almost turned into a nightmare.

Bronc Manager Pat Stasey started it off with a single to center, followed by Juan Visteur's safety into right. Grimes flied out but Costa singled to score Stasey and a moment later Al Valdes smashed one into center to score Visteur.

Arencibia drove in Costa with a ground-ball out and after Baez singled into center, Valdes stood on third, the tying run of the ball game.

Then it happened.

Baez streaked for second hoping to lure Catcher Gordon Tanner into throwing. Tanner threw, all right, and Valdes headed for home as Temes fired the ball right back from second. Valdes was tagged five feet away from home without even trying to duck.

That was the game, except for some spectacular play in the outfield.

In the second inning, Selbo made a hard running catch of Costa's foul fly along the right field line and in the ninth, Visteur made a running one-handed catch of Temes smash which fell just short of the scoreboard in right center field.

No. 1 Odessa High Quarterback Lost For Several Weeks

ODESSA—Carl Schlemeyer, No. 1 quarterback of the Odessa High School football team, is hospitalized with a fractured left collar bone and will be lost to the Bronchos for four to six weeks.

Schlemeyer was injured when tripped attempting to pass in last Saturday night's scrimmage. Broncho Trainer Delmar Burt said Schlemeyer will be in the hospital most of this week. There was a slim hope that he would be ready for the opening district game October 10 against Lubbock.

The veteran Tommy Harris is expected to return to the Broncho quarterback post in the Port Arthur game Saturday with Troy Moody taking over for Harris at fullback.

Revenge-Minded Former Teammates Block Yankee, Dodger Pennant Paths

By JOE REICHLER
AP Sports Writer

The weary New York Yankees and Brooklyn Dodgers, stumbling along the rocky road to Pennantville, are finding their paths blocked by revenge-minded former teammates.

The Yankees' lead over Cleveland was a skimpy one game Wednesday following Tuesday night's 5-4 loss to the Browns in St. Louis and the Indians' 6-1 triumph over Bobby Shantz and the Philadelphia Athletics.

Brooklyn's once seemingly safe 10 1/2-game buge over New York dwindled to four as a result of Tuesday's 7-1 loss to the Chicago Cubs, several hours after the Giants had thrashed the Pittsburgh Pirates, 11-6.

Brooklyn's woes further were increased by the rapid climb of St. Louis' "longshot" Cardinals, who pushed back into the pennant picture with a 7-5 victory over the Philadelphia Phillies that left them six and one-half lengths off the pace.

Two former Yankees—Dick Kryhoski and Clint Courtney—teamed up to bring victory to the Browns. Kryhoski, pinch hitting for Winning Patcher Dick Littlefield, doubled off Ray Scarborough to open the home. Ray Coleman, running for Kryhoski, with the winning run. It was four-time loser Littlefield's first win of the season.

At Ebbett's Field, former Dodgers Dea Fendy and Toby Atwell proved the big hatchmen as Knuckeball.

Warren Hacker stifled the Brooklyn hitters with seven safeties. Fendy smashed a run-scoring triple and Atwell chipped in with a single that drove in one of the tallies in Chicago's big five-run, fourth-inning rally against Loser Ray Moore and Joe Landrum.

Early Wynn reached his 20-victory goal for the second straight season as he pitched the Indians to their sixth straight triumph. Held scoreless through five innings by Shantz, the Indians rallied for two runs in the sixth and added six more in the eighth to hand the little left-hander his seventh setback.

A dozen Giant hits, including homers by Monte Irvin, Don Mueller and Alvin Dark, helped Rookie Bill Connelly rack up his fifth straight success since joining the club in mid-August. Five Pittsburgh errors helped considerably, presenting the Giants six unearned runs.

Solly Hemus' bases-loaded single and Red Schoendienst's two-run double featured a five-run, ninth-inning uprising that gave the Cardinals their uphill triumph over the Phillies. Stan Musial got one hit—his 2,000th major league hit for St. Louis.

Chicago's White Sox advanced to third place in the American League, taking a pair of 3-3 decisions from Washington. Pitcher Saul Rogovin batted in the first two runs and scored the winning run on a twelfth-inning single by Nellie Fox in the opener. Pinchhitter Sam Mele homered in the last of the ninth to give Harry Dorish the second game win over Rookie Mike Furnieles.

Successive homers by Cliff Mapes and Joe Ginsberg in the last half

of the eleventh gave Detroit a 4-3 victory over Boston, dropping the Red Sox into fourth place.

Cincinnati and the Braves swapped shutouts in their (twi-night twin

bill in Boston. The Red Sox' Harry Perkowski bested Max Surkont, 2-0, after the Braves' Warren Spahn had taken a 1-0 hurting duel from Rookie Joe Nuxhall.

FATHER KNOWS BEST—Amos Alonso Stagg trots out on the Selinsgrove, Pa., field at the head of his Susquehanna squad. Co-coach with his son, the 90-year-old father of football is drilling a team for the sixty-first consecutive year.

Lippy Leo Faces Third Suspension

NEW YORK (AP)—Leo Durocher started serving his third suspension of the season Wednesday as his New York Giants prepared to face the Pittsburgh Pirates in the second of their three-game series.

The latest suspension is a two-day vacation handed to the fiery manager by National League President Warren Giles for the bean-balling incident in the New York-Brooklyn game of Monday afternoon.

Durocher was held responsible for Monte Kennedy throwing at Joe Black but the suspension was held to a minimum because the Giant pilot removed his pitcher after a warning by the umpire. Leo also was fined \$100.

Other Giants fined were Kennedy and Larry Jansen, who hit Billy Cox with a pitch in the ninth inning and was ordered from the game by Plate Umpire Lee Ballanfant. Kennedy was fined \$50 and Jansen \$25. Because of Jansen's excellent record, his fine was remitted.

Big Merv Connors Hits Three Homers For Gold Sox Win

By The Associated Press
Big Merv Connors has had a pro baseball career of 18 years, for all he's admitting, but never one like this in the West Texas-New Mexico league!

He slammed three consecutive home runs earlier in the season during one game and if that wasn't a unique record—then the fact that he hit three each in two games over the season more than likely is.

Connors' three round-trippers Tuesday night paced the Amarillo Gold Sox to an 18-6 decision over the Lubbock Hubbers, which protected the Sox' hold on a first-division berth with only one scheduled game remaining.

Third-place Borger beat Pampa, 14-1. First-place Clovis whipped Abilene, 13-8, in a game honoring pioneer Manager Grover Seitz.

Ed Arthur won his twenty-second decision in the other game, Lamesa's 7-4 margin over Albuquerque.

Vern Stephens of the Red Sox, led the American League shortstops in errors from 1942 through '48.

World's Top Skeet Figures To Enter West Texas Open

A number of the top figures in the skeet shooting world will be entered in the sixth annual official West Texas Open Skeet Shoot in Midland, September 13-14, George Glass, president, reported Wednesday.

Included in the group will be D. W. Conway, Clint, national 20-gauge champion and member of the all-American team; Charles Paulson, San Antonio, state 20-gauge champion, member of the national five-man team and member of the all-American team; Henry Adler, Dallas, member of the national five-man team, and Col. F. Oliver, Lubbock, new shooter.

Dallas Eagles, Shreveport Sports Take Playoff Leads

By The Associated Press

Any resemblance between the regular Texas League race and Tuesday night's first round playoff game is strictly accidental and not according to the form chart.

Dallas, the regular pennant winner that is way down the list in club batting, tore a page from Oklahoma City's book and produced a volume of 30 hits, good for an 11-4 victory.

Defense-proud Fort Worth was embarrassed on misjudged fly balls that led to Shreveport's 9-1 victory. Both victors had their best-of-seven game series one game to none. The teams remain at the same Dallas and Fort Worth stands again Wednesday night.

Two of the league's winningest and stingiest hurlers got involved in Dallas' victory. All-the-way Winner Dave Hoskins, who copped 21 triumphs, was shelled for 13 hits by Oklahoma City. His All-negro duel with Bill Gresson, who had a 9-1 mark, failed to develop.

Dallas rapped Gresson out in the second inning after four walks, two singles and Bob Bundy's three-run double. The Indians went ahead, 4-2, in the third but Jim Atchley lost that to a two-run fourth-inning spree. He took the defeat. Shreveport, collecting eight hits,

'SEE CASEY STENDEL'

Yankee Coach Jim Turner Won't Talk To Newsmen

ST. LOUIS (AP)—"I won't talk, I won't talk. See Casey Stengel tomorrow."

That's all Coach Jim Turner had to say as he escorted a reporter and photographer out of the New York Yankee clubhouse Tuesday night.

The thing he wouldn't talk about was the Yanks' 5-4 loss to the St. Louis Browns just a few minutes previously. Turner had been acting manager for the ailing Stengel during the game.

Turner wouldn't let the players talk to the newsmen about the weather, let alone the defeat. The room wasn't too gloomy, but it was quiet.

"I can't talk for the club," Turner

said. "I'm not the manager. Casey Stengel will be happy to see you at his hotel tomorrow afternoon."

Stengel is suffering from a virus infection in the stomach.

It was a pitch by Ray Scarborough to St. Louis catcher Clint Courtney's thigh that lost the game. The bases were loaded and the score tied at the time—the last of the ninth.

Courtney prudely showed off a bruise from the ball in the Brown's dressing room.

"That's an easy way to win a ball game," he said.

Courtney said Dick Littlefield, with his seven-hit pitching, really beat New York.

He didn't do as well as in his two-hitler against Chicago, but he was facing a harder-hitting club.

GRID LEGIONS MARCH—

250 Games Dot Schoolboy Card

By HAROLD V. RATLIFF
Associated Press Sports Editor

The legions of schoolboy football begin the long march in Texas this weekend. More than 250 games will be played in the four divisions fighting through to state championships. Opening the wild and furious week will be a scrap at Dallas Wednesday night between Adamson (Dallas) and Highland Park, both top-rated teams in Class AAAA.

There will be a smattering of games Thursday night but the big rush comes Friday night when teams play from El Paso to Texas and from the top of Texas to the Gulf Coast.

Banner attraction will be the clash of Odessa and Port Arthur at Port Arthur Friday night. Odessa is from the rough-and-tumble District 1 of Class AAAA, producer of state champions. Port Arthur, always a powerhouse, is in the same district as mighty Baytown, the team that fought Lubbock in the state final game last year and is back with another outstanding eleven.

Rivaling the Odessa-Port Arthur struggle for interest will be a melee at Baytown in which Texarkana, now a AAA team, meets the Odessa.

Class AAAA's headliner pits Denton with Temple at Temple Friday night. Temple is considered the top team of the lower division and is picked as a most likely state finalist, a position the Wildcats attained last year although losing to Breckenridge in the title game.

Another attractive early season

game sends Vernon against its ancient rival, Wichita Falls, Friday there in different classes—Wichita Falls in AAAA and Vernon in AAA—but it will be a tough ball game. Still another good one will be the battle of Kerrville of AAA and Austin of AAAA at Austin Friday night.

AA Stephenville goes out of its class for a swipe at heralded Brownwood of Class AAA and Pecos, a top-rated title contender in Class AA, tries another always-strong team in its division—Brownfield.

Big Spring at Breckenridge. Two of the four defending state champions will see action—Breckenridge Friday night, and Giddings, Class A king, against Le Grange of Class AA.

Lubbock, defending titlist of Class AAAA, and Arlington, which took the Class AA crown, do not open the season until next week.

There are 22 games in Class AAAA, 21 in AAA, 116 in AA and 148 in A, but there are many duplications because of the inter-class schedule.

Class AA games by districts include: 5—Roscoe at Colorado City, Balinger at Merkel, Stamford at Haskell, Lake View at Rotan.

6—Matador at Post, Slaton at Abernathy, Sundown at Tahoka.

7—Loveland at Sweetwater, Pecos at Brownfield, Dalhart at Littlefield.

8—Monahans at Wink (Saturday), Crane at Andrews, Denver City at Seminole, Hobbs, N. M., at Kermit.

9—Hamlin at Winters, Anson at Coleman.

Midland, Odessa Grid Loop Opens Card September 27

Action will get underway in the Midland and Odessa seventh grade league with a twin bill scheduled at 10 a.m. Saturday, September 27.

Bowie of Odessa will play Cowden here, while San Jacinto will meet Crockett there.

Other games on the schedule, all to be played at 10 a.m., follow: October 4, San Jacinto vs. Bowie at Odessa, Crockett vs. Cowden at Midland; October 11, Bowie vs. Crockett at Odessa, Cowden vs. San Jacinto at Midland; October 18, Cowden vs. Bowie at Odessa, Crockett vs. San Jacinto at Midland;

October 25, Bowie vs. San Jacinto at Midland, Cowden vs. Crockett at Odessa; November 1, Crockett vs. Bowie at Odessa, San Jacinto vs. Cowden at Midland.

Champion of the double round robin play will be determined by percentage basis. In event two or more teams tie in percentage, co-champions will be named. There will be no playoff.

Quarters will be of eight-minute duration with a spalling 140 (Junior Varsity) football to be used. No boy shall participate in any game who has reached his fourteenth birthday before Sept. 1, 1952.

Ike Returns To Washington After Hoosier-State Swing

WASHINGTON—(AP)—Gen Dwight D. Eisenhower flew into Washington Wednesday for a series of briefings between campaigning conferences with Republican National Committee leaders.

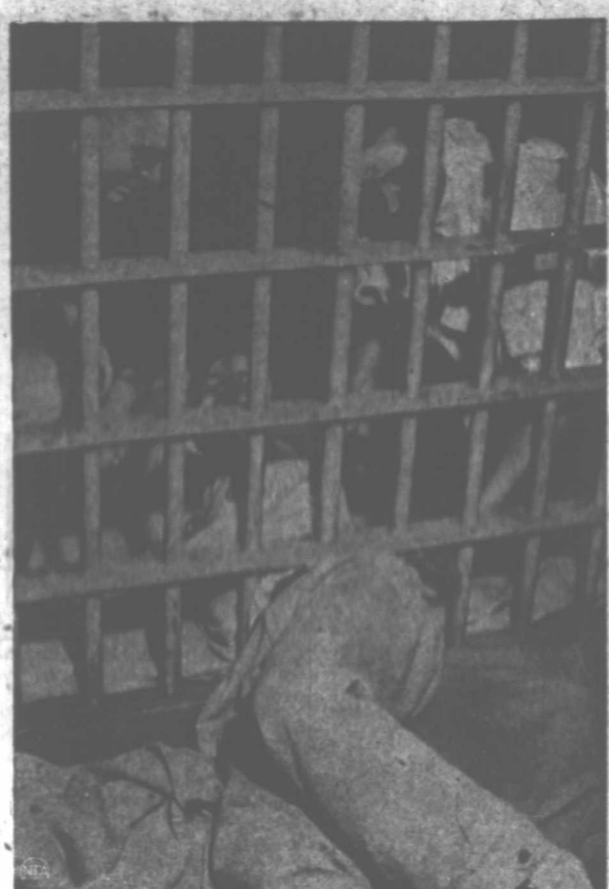

ONLY ONE CAN 'REIGN'—Each of these lovely "queens" hopes to reign as Queen of the Los Angeles County Fair, to be held at Pomona, in mid-September. However, only one can hope to hold the reins of "California Kay" during the gala celebration. Top, left to right: Carol Englehardt, Ruth Pierce, Shirley Lacey, Jeanette Mowbray. On the horse, left to right: Linda Galliano, Lorna Post, Mariene Reiley, Pat Finell, Joyce Jewell, and Barbara Steele. Gayle Smith holds reins of "California Kay."

along almost every foot of the five-mile route. Police estimated this outpouring at 125,000. The field house itself was packed to the rafters with about 15,000 persons and another 10,000 were seated in a football stadium nearby to listen to the speech over an amplifying system.

Jobs At Adlai
In the speech, broadcast nationwide, Eisenhower delivered another of his increasingly frequent gibes at his Democratic opponent for the presidency, Gov. Adlai E. Stevenson of Illinois. Hitting the Democratic Administration of President Truman as one that "fumbles and stumbles and falls flat on its face every couple of weeks," Eisenhower said: "Why, my distinguished opponent is using every trick in the book to get himself off the hook of the present Administration's record." "When the hand-picked heir wants no part of the heirlooms, why should we?"

The Allied wartime field commander was interrupted 45 times by applause. Eisenhower said he went into politics because "no American can stand to one side while his country becomes the prey of fear-mongers, quack doctors and bare-faced looters." He drew a laugh when he said a heavy registration to vote would mean an election day turn-out that would "dwarf every statistic—except the Democratic nation debt."

FACE ON THE BARRED-ROOM FLOOR—Robert Miller, 23, of Cassopolis, Mich., finds it isn't so easy to escape from jail. Miller, who attempted to squeeze under his cell door, was pinned to the floor for over twelve hours. Sheriff E. Edgar Frost, of Cassopolis, left, and Fire Chief Donald Rhodes, right, finally had to cut the imprisoning bars with an acetylene torch to free Miller so they could put him back in jail.

NEWARK, N. J.—(AP)—A woman called police when she heard Gerald Grande, Jr., screaming from his 12-foot-high perch in a nearby tree. When the emergency squad arrived they found Gerald's right knee securely wedged into a crotch of the tree. After pulling and tugging efforts had failed the youngster was freed when a small hydraulic jack finally forced the branches apart.

Arkansas Revokes Grubaugh's Parole From Penitentiary

The State of Arkansas Wednesday had revoked the parole of Oran Leo Grubaugh, 25-year-old construction worker awaiting trial here September 23 for the shooting of his 25-year-old wife. Sheriff Ed Darnell said he had been informed that the parole from a burglary sentence had been revoked for Grubaugh, who was indicted by a Midland County grand jury last week on a charge of attempted murder. "He will stay here to stand trial, of course," said the sheriff. "But if he attempts to make bond, he still can be held for the State of Arkansas."

Timothy Taxpayer—

(Continued From Page One) lost that much time from his job of guarding the city. "So this new Public Safety Building—as we call it—will include a modern jail, capable of handling our needs for years to come. Costs \$200 A Month "It also will mean that the crowded conditions in the county jail will be eased and the city no longer will have to pay that \$1 a day per prisoner to the county. That, incidentally, mounts up to more than \$600 a month." Timothy put sugar in his coffee, stirred it well and tasted it. "The jail section alone will cost more than \$60,000 and a like amount will provide additional space for other police needs," continued the chief. "Such as what," asked Timothy, skeptically. "Well," answered Wallace, "we need a larger records room, where we keep fingerprint files and all other data on law breakers. Then, there's the dispatcher's room with its telephones, radio equipment and burglary alarms. "We need storage space for our uniforms and in the new building, we plan on having a recreation room, where the officers can take it easy when they get off duty. "There's not a thing there we don't need to make our police force the best in the state. "There's one other thing, too. "At present, the Corporation Court meets daily in an old barracks building which the First Baptist Church is loaning to us. This new building will include a courtroom for that court as well as offices for the city attorney. Fire Station Crewed "Hmm," mused Timothy, taking another sip of coffee. "But what about all this new fire station? I thought we already had a central fire station." "We have," broke in Little, the fire chief, "but it is not adequate. "We just barely are able to crowd our equipment into it and that leaves us absolutely no room for a training program. "Well, what will happen to that space, if and when you get a new central fire station," asked Timothy. "Don't worry about that," answered Little, "just stroll through City Hall and you'll find the answer. There's not an office there that's not crowded and, in fact, they don't even have room for some of the badly-needed new equipment which already has been purchased. "The bond issue includes \$20,000 for remodeling City Hall to convert our present fire station space into badly needed offices. "You see, Timothy, some 300 persons now work for the city and at least a third of them either work inside the building or have their desks there, coming and going through the day. "West End Protection "Timothy thought that over. "What about the new suburban fire station," he asked, after a pause. "I thought we just built two new suburban stations?" "We have," answered Little, "and they've already proved their value in answering alarms in the north and south sections of the city. "But, just drive out west and you will see what expansion has been going on out there. And the closest fire-fighting equipment is in the business area. "As far out as some of those new residential areas are, a few minutes can make a big difference during a fire. "Our next suburban station will be located in the West End and will be equipped to furnish top fire-fighting services to the people out there. Little and Wallace drained the last drop of coffee and waited for Timothy's verdict. "I see your points all right," he finally admitted, "and I guess it's something we'll need. Let me talk it over with Matilda—that's my wife—and I'll let you know Saturday."

Food Price Index Declines Sharply

NEW YORK—(AP)—Wholesale food prices this week posted their sharpest overall drop in almost two years, according to the Dun & Bradstreet food index. The index dropped from 66.75 last week (the year's high) to 66.80 this week, and was 2.5 per cent below the year-ago week's 69.75. This represented the largest week-to-week decline since early October of 1950 when wholesale food prices turned downward briefly after weeks of spiraling higher following the outbreak of the Korean War.

World Adventurer Wants To See U. S.

BALTIMORE—(AP)—You'd think Bill Murnan, a youthful 36, would be ready for a rest after a five-year-trip around the world in a 30-foot-yawl. But Bill, who stopped here en route to New York, plans to sail to tour the United States. "I've been at sea since 1919," he says. "There are a awful lot of things I have to do on land." He started from Los Angeles and visited the West Indies, Ascension Island, South Africa, Australia, New Guinea and Hawaii. Illness forced his wife to abandon the trip in Samoa. She's been knocking around in Europe awaiting his return.

Texas Democrats—

(Continued From Page One) those multiple choices will have on which presidential candidate wins Texas' 34 electoral votes. The convention adopted a resolution asking for legislation to permit filing of two states under the Democratic column in Presidential years just in case a situation like this arises again. The pro-Eisenhower resolution urged Democrats to work for Eisenhower "either under the label of the Republican Party or the label of any other party that may have electors identical with the electors of the Republicans." But the States' Rights faction said it plans no new party. Midland Woman Named The convention also named a new executive committee dominated by Shivers' friends. Its chairman is Wallace Savage of Dallas and the vice chairman is Mrs. Hal Peck of Midland. They succeed J. E. Wheat of Woodville and Mrs. Claude Hudon of San Antonio. Mrs. Peck long has been active in political, club, church, civic, social and cultural affairs here and in West Texas. She is a former mem-

Which way

do you look at things?

WHETHER YOU SEE EYE-TO-EYE with Adlai or Ike, one thing is certain: From now till November 4th, you'll want to know how they look at all the big issues... Europe... Korea... taxes... controls... income... all the problems that reach into your daily life here in our town.

And to help you weigh each candidate day by day as each issue comes to light—you turn to your newspaper. Just as you've turned to it daily for dozens of other reasons since you first learned to read.

For the latest facts... for goings-on in our town, our state, our entire world... to see what's for fun and what's for sale. Not only what—but where and when and how much it costs.

And in the newspaper we read all about it... or only as much as we want... as many times as we want.

We read any time we choose... any place we choose. That's why nearly everybody reads the newspaper nearly every day.

That's why so many people who sell advertised products insist that they be advertised in newspapers.

Because in newspapers an advertising message has a chance to reach all people who can buy. Not just sports fans or quiz fans or music fans or comedy fans... but everybody.

That's why all advertisers—both "national" and retail—invest more money in newspapers than in any other form of advertising.

The newspaper is first with the most news... first with the most people... first with the most advertisers.

The newspaper is always "first with the most"

WE PAY FOR OUR MISTAKES!

During the many years we have been in the building business, we have occasionally made bids so low that we lost money on homes and commercial construction jobs. Before you let a contract on your new home, be sure that your builder will be able to complete the job in case he bids so low he loses money on it... otherwise, you may wind up in a legal tangle. Our complete service includes building locations, plans, construction and financing. Together with a GUARANTEED BID!

REPORTING THE TOP NEWS IN REAL ESTATE

IN TERMS OF SPACE AND SENSE OF economy, beauty and location. Located in the N-W section, this attractive new home has 3 lovely bedrooms, Wellex paneled den (just off the kitchen), 2 tile baths, and a 2-car attached garage. The kitchen is just what you've always wanted—and there is 24 feet of L-shaped living and dining room arrangement which is ideally designed. Central heating, carpeting throughout, electric stove connection, washer connection, and lots of closets with sliding doors. Excellent financing. Priced at a remarkably low, low \$19,250.

MODESTY WITH GREAT FEATURES is what you will find in this lovely 2-bedroom home located in TOWN NORTH. Comfortably large living room, delightfully arranged kitchen, tile bath, detached garage. Featuring such conveniences as: Central heating, central air conditioning, YOUNGSTOWN metal kitchen cabinets, washer connection, Vent-A-Heed, paved street. And it could be purchased for as little as \$2,000 down with \$19 closing costs. Priced at only \$10,550.

BECAUSE IT'S BIGGER all the way through, you'll really appreciate this home. Two huge bedrooms, spacious living room, separate dining room, delightful kitchen with a separate breakfast room. Over-sized garage, distributed heating and air-conditioning. Carpeting in living and dining rooms and hallway, insulation, aluminum windows, ceramic tile features in kitchen and bath. High tile fence, beautiful lawns in front and rear yards, paved street. It's in perfect condition throughout, and it's 3 years old. Price: \$15,750.

LOVELY, LIVABLE AND LOW PRICE. This is the one that's got it—with 2 bedrooms, den, tile bath, cheerful kitchen with breakfast area, and nice living room. There is a high fence around the rear yard, nice lawns, and paved street. Central heating, natural woodwork throughout, and solid plaster walls. Located in the Western section of town, near school and bus line. If you desire a really nice home with comfortable living, at a price you can easily afford, you must see this home immediately. And it's ONLY \$10,750.

IT'S YOURS RIGHT NOW if you could put \$1,500 down. And here is what you get: A wonderfully nice home located on a paved corner of West Kentucky with nice lawn in front and rear and about 12 huge trees. Two nice bedrooms, exceptionally neat kitchen with run-in dining room, comfortable living room, and clean bath. There is a high fence surrounding the property which affords you wonderfully private outside living. Attached garage that could convert into a huge den. If you don't have much down payment, and want a nice home, we urge you to inquire and see this home immediately.

LIKE KITCHEN ENTERTAINING? Even if you've never done it before, you'll really enjoy it in this home. The kitchen is approximately 22 feet in length with the lounge area done in paneling (with a picture window), natural-finish kitchen cabinets with rustic hardware and built-in breakfast bar. As if as warm and comfortable as red flannels! But there are other things: 3 nice bedrooms, 1 1/2 tile baths, and lovely living room. Well arranged heating system, central air-conditioning, some nice carpeting, large permanent water-softener. Attached garage with storage space, large corner lot on paved Street Street. Excellent financing. ONLY \$17,500.

AMERICA'S PROSPERITY is reflected in the number of homes that are directly owned by the occupants—and home ownership is a privilege zealously guarded by all of us. There are a million good reasons for owning a home—and the high rental in Midland is just one more. It doesn't cost much—as a matter of fact, it pays. For only \$1,750 down, you can proudly purchase a lovely 2-bedroom home located in TOWN NORTH. Warmly decorated living room, 17 foot kitchen with breakfast area, and antiseptic bath. Natural-finish woodwork, mahogany doors, oak floors, attic insulation. It's only 6 months old. Owner transferred. Full price \$6,550.

FOR MR. MODESTY AND FAMILY we have what we believe is the perfect home. It is located in TOWN NORTH on a paved street, and consists of 3 bedrooms, den, large living room, wonderful kitchen with a 10 foot walk-in pantry. Panel-rail heating, central air-conditioning, oak floors. Lots of wonderful neighbors with young citizens like you and yours. And bring along the dog! Priced far below the market at ONLY \$9,900, and excellent financing. Owner transferred.

A Housing Plan For Oil Personnel

A Lease-Rental Plan... Popular With Oil Companies That Want Homes Without Owning Them

Here is a unique and practical plan for a qualified oil company that wants a few houses or a large group, on a 20-year plan. ABSOLUTELY NO CAPITAL INVESTMENT on the part of the company. The wise, monthly rental paid for the dwellings is all deductible as an expense item. A stipulated rental per month per unit runs for the term of the lease, which may be made for 10, 15, 20 years or longer. At the termination of the lease, ownership of the dwelling reverts to the oil or gas company. The homes are built in the conventional manner, so that quality is never sacrificed. The distinctive designs are varied, so that each home has its own personality. A few homes or any larger amount may be built in the oil field, in town, or at your direction.

If you are interested in finding out more about this unique and popular plan, get in touch with R. C. Maxson, of the firm of
