Asbury WSCS Circles Meet For Study, Planning Sessions

Circles of the Asbury Methodist Woman's Society of Christian Service held study meetings and planned future activities Monday.

It also was announced that the JR Report has been awarded to all three circles for 1952, and the JR Report made by Mrs. Albert Russell was selected for display in the School of Missions in Lubbock.

Mrs. J. A. Tipton conducted the business session and led the lesson on "Ambassador for Christ" from the "Methodist Woman" when the Friendship Circle met in the church parlor.

She mentioned the year's goal to have every woman member of the church also a member of the WSCS. She also stressed the necessity to devote daily living to being good Christians and to the responsibilities of the church.

Plans were discussed to hold a turkey dinner for members and their families when the circle completes its study series. It was announced the circle will meet next Monday at 9:30 a.m. in the home of Mrs. J. A. Andrews, 420 South Lorraine Street.

Mrs. Andrews called the meeting to order and gave the closing prayer. Others present were Mrs. Jim Horton, Mrs. Clyde Gwyn, Mrs. Lucille Howell, Mrs. W. G. Wightman, Estella King and a new member, Mrs. Laies Hughes.

Members of the Builders Circle

met in the home of Mrs. Dennis Ford, 3300 Sycamore Street, to hear Mrs. R. M. Smith open their study series on Africa.

Plans were discussed for a kidnap breakfast to be held this week and it was announced the circle will meet at 9:30 a.m. next Monday in the home of Mrs. Preston Pirtle, 907 South Colorado Street.

Mrs. Smith conducted the business session, Mrs. Pirtle led the devotional, and the opening prayer was given by Mrs. G. W. Damron.

Attending were Mrs. Theo Ferguson, Mrs. Grace Wright, Mrs. Damron, Mrs. Pirtle, Mrs. Smith and Mrs. Ford.

Plans for a men's fellowship supper to be held in the church January 23 were announced by Mrs. G. H. Kinard when the Samaritan Circle met in the church parlor.

Speaker for the supper is to be the Rev. Edwin Parker, pastor of the First Methodist Church of Odessa.

Mrs. Kinard led the study, "Why understand and Read the Bible?" from Georgia Harkness' "Toward Understanding the Bible."

A devotional from "Our Living Book" by Faye Flint was given by Mrs. W. L. Gibson, and the opening prayer by Mrs. J. W. Rosenbergs.

It was announced the next meeting will be at 3 p.m. Monday in the church.

Attending were Mrs. Kinard, Mrs. Gibson, Mrs. W. J. Wilson, Mrs. Rosenberg, Mrs. J. P. Carson, Jr., and Mrs. J. A. Graham.

Empire Bodice Dress

For winter parties and dinners, nothing could be prettier than a dress in clear, beautiful red. This one, by Mollie Parnis, is in peau d'ange, has a soft skirt with two draped panels at the front. An empire bodice outlined the bosom. Sleeves are short and shirred.

Scout Association Slates Meeting

The annual meeting of the Midland Girl Scout Association will be held at 7:30 p.m. Monday in the Little House, it has been announced.

Guest speaker will be Mrs. John F. Camp of San Antonio, member of the regional Girl Scout committee and the board of directors of the National Girl Scout Association. A brief business session also will be held.

All Permian Basin cities and a number of Midland organizations have been invited to send representatives to the meeting.

"Body Beautiful"

HORMONE LOTION

the finest hormone lotion to help your body look young!

Most women let skin care stop with their face, forgetting that the body is an important part of beauty. Skin everywhere on the body can be kept just as young-looking and young-feeling. All that's needed is proper skin care all over the body.

For just that purpose COTY has developed an entirely new lotion, called "Body Beautiful" Hormone Lotion. Scientifically blended from hormones and other beneficial ingredients, this new lotion lets every single inch of your body benefit from hormones—one of the most momentous of modern scientific discoveries for care of the skin.

Natural Hormones, Estradiol and Other Beneficial Ingredients Help Retain Skin Moisture

Thanks to estrogenic hormones and estradiol, your skin can be helped to keep the moisture, and suppleness it would naturally have. It's only when dryness creeps in that you begin to notice criss-cross wrinkles on your hands—runs in your stockings caused by roughness and flaky skin on legs and ankles—"sand-paper" elbows that mar otherwise pretty forearms. That's exactly when "Body Beautiful" Hormone Lotion can help you retain the proper degree of moisture in skin and under-tissues...regain the thrill of looking young...feeling young from the tips of your fingers to the tops of your toes.

Beta Sigma Phi Council Plans Future Activities

Reports and plans for future activities were discussed when the City Council of Beta Sigma Phi Sorority met Monday night in the home of the president, Elizabeth Knox, 2603 West Kentucky Street.

A formal notice from the sorority's international headquarters in Kansas City, Mo., stating that Girlstown, U. S. A., has been selected to participate in the Beta Sigma Phi international endowment fund was read by Miss Knox.

Mrs. V. F. Chancellor reported on her recent trip to Girlstown to present Christmas gifts from Midland Beta Sig chapters for the home to Amelia Anthony, Girlstown founder.

Plans were discussed for the Beta Sigma Phi Valentine dance and for preparations to be made for the meeting of the sorority's area council next Fall in Midland.

It was announced that Beta Sigs will furnish ushers for the presentation of "The Gondollers" in January and February. The operetta is being presented by the Midland Community Theater and the Midland Music Club.

Verda Bartlett attended the meeting as a new delegate from Xi Theta Chapter, succeeding Mrs. W. W. Weems.

Others present were Betty McWhorter, Mrs. Ralph Mills, Mrs. Harry Bryson, Helen White, Flo Lamp, Mrs. Lucille Johnson, Mrs. Rudolph Rubin and Mrs. V. A. Reinholz.

Daddy Ringtail

Daddy Ringtail And How To Make A Door

The Huffen is a friendly wolf, but there he was in his hollow tree house, trembling with fright. It was only an accident that he had hit the lion with the arrow, but the

lion was now outside—trying to get in! "Ooooooh!" said the Huffen. He stacked all the chairs and the table and the bed against the door.

"Huffen Puffen?" said Daddy Ringtail behind him.

"Ooooooh!" said the Huffen in fright, because he thought at first that the lion was inside. And when Daddy Ringtail explained that he wasn't a lion, and that he had just come in the back door, the Huffen said "Ooooooh!" again in another fright. He had no more chairs to put at the back door to keep the lion out.

The Huffen ran as fast as he could for a hammer and nails. He nailed the back door together. "Rapp-py-tap-tap! Rapp-py-tap-tap!" said the hammer and nails until the door was nailed as shut as shut could be.

No lion was going to get hold of

the Huffen, the Huffen was thinking. There was only one thing wrong. If the lion did get in, the Huffen couldn't get out. The front and back doors were locked and nailed and crowded shut. "Ooooooh!" cried the Huffen in fright with a thought of how he could get out.

But the Huffen knew what to do. He found some chalk. He drew a door on the wall where there had never been a door before. He chuck-

led and laughed while he drew. He had a door to get out now—if the lion ever managed to get in.

Silly wolf! Silly Huffen! Imagine! Imagine his drawing a door on the wall, and thinking he could run through it.

Then the lion did come in. He crawled through the open window. "Ooooooh!" cried the Huffen. Away he ran through the door that was drawn with chalk. Crash! bump and splinter.

Now there was a sure-enough door where a door had never been before. The Huffen had knocked it out of the wall as he ran to escape the lion. The new door was right where the Huffen had drawn it.

Well, the lion was really a friendly fellow. I am happy to say. He gave Daddy Ringtail the arrow and asked him to tell the Huffen please to be more careful where the Huffen shot it. Happy day!

German Siamese Twins To Undergo Severe Surgery

DUESSELDORF, GERMANY—The father of 18-month-old Siamese twin daughters joined at the tops of their heads has given permission for an operation to separate them similar to that performed on the Brodie twins of Chicago.

The father, George Knaath, said Dr. Peter Koettgen of the Bonn University Clinic was preparing to perform the operation on the twins, Rosemarie and Lotte.

Report Of High Desertion Rate Brings Probe Demand

WASHINGTON—(AP)—Senator Bridges (R-NH) called Wednesday for "an immediate investigation" of reports that many young men are deserting from the armed services to avoid Korean combat duty.

The Pentagon discounted the seriousness of the situation.

Any probe should be by the Senate Armed Services Committee or its preparedness subgroup, Bridges told a reporter.

Bridges soon may be chairman of the subcommittee.

Pentagon officials said the current count of deserters who had not been picked up, or had not returned voluntarily, ran about 13,790. Under service regulations, a man normally is not counted as a deserter unless he has been absent at least 30 days. The total of those

merely absent without leave (AWOL) would be much higher.

The Pentagon figures were given in comment on a copyrighted article in the Louisville (Ky.) Times, which said Tuesday that on any given day "enough able-bodied men to make up two complete combat divisions are classified as deserters or AWOL." This would mean about 36,000.

The Army said about 46,000 enlisted men have deserted since the start of the Korean War, but all except 11,000 have returned to duty or have been picked up. The Air Force reported 851 deserters unreturned as of October 31, the Navy 1,242 as of the end of December and the Marine Corps 697 for the same date.

ARMED TRUCE COMES AT LAST

SEATTLE—(AP)—Goldie Z. Payne and her ex-husband, Verne, were divorced three years ago after 34 years of marriage. But since their separation they have been living on adjoining properties.

Tuesday they agreed in Superior Court that henceforth:

1. Goldie will refrain from tossing garbage over the fence onto Verne's property.

Verne will discontinue throwing water on Goldie's property; quit yelling at night to disturb her; refrain from entering her residence during her absence and will no longer dump advertising material in her front yard.

Winnie's Ideas On Korea May Block Bid By Congress

WASHINGTON—(AP)—Winston Churchill's remarks about the Korean War seemed likely Wednesday to block a move to invite him to address Congress.

Senator Bridges (R-NH), acting president of the Senate, told reporters he will discuss with other Republican leaders a proposal made Tuesday by Senator Smathers (D-Fla.) that the British Prime Minister be asked to talk to a joint Senate-House session on his forthcoming visit to Washington.

But Bridges added: "Americans are always glad to see and pay tribute to a great leader of another nation, but many Americans—including myself—are disturbed about the Prime Minister's statements about the Korean War."

Churchill told a news conference on his arrival in New York for con-

versations with President-elect Eisenhower that there could be worse things than a stalemate in Korea and that Britain was against any "indefinite extension" of the conflict there.

Senator Watkins (R-Utah) voiced the evident opinion of a number of his colleagues when he observed to a reporter that Churchill seemed to be "speaking out of turn."

Senator Taft of Ohio, the Republican leader, wouldn't comment on Smathers' suggestion for the invitation to Churchill. But Taft said he had received a great many letters "from mothers who don't want their boys to be sent to Korea."

Damascus, Syria, is said to be the oldest continuously inhabited city in the world, according to the Encyclopedia Britannica.

Rabies Shots Supplement Prayer By Order Of Court

MEMPHIS—(AP)—A five-year-old girl was undergoing stepped-up rabies treatment Wednesday despite her parents' belief that prayer had healed the mad dog bite on her face.

Linda Carole Smith was made a ward of juvenile court Tuesday and Judge Elizabeth McCain ordered her to a hospital for the rabies injections.

Dr. S. L. Wadley said since the

bite on Linda's cheek was six days old, he had decided she should be given two shots daily for three days then one a day until further notice. Normal treatment is one a day for 14 days.

Physicians said the anti-rabies injections usually prevent the disease if given in time. However, once rabies develops, death is virtually certain.

Linda was bitten on the cheek New Year's Day by her pet dog Lucky. The dog died of rabies in the humane society shelter Monday.

Linda's parents, Mr. and Mrs. Herbert E. Smith, had refused treatment on the ground that their pastor's prayer and "the touch of God" had healed the bite.

Second Trial Set For GI Who Slept

PORT MEADE, MD.—(AP)—Second Army headquarters has set January 15 as trial day for Pfc Warren McConnell, facing for the second time charges he went to sleep at his post in Korea.

A general court martial in Korea about a year ago resulted in a sentence of 10 years at hard labor for the 21-year-old soldier from Alloway, N. J.

The court also ordered a dishonorable discharge and forfeiture of all pay allowances during the time in prison.

The conviction was set aside by the Court of Military Appeals in Washington, which ordered McConnell be tried again.

Then the dogs disappeared, eluding a dragnet of police armed with rifles and under orders to shoot on sight. Police could not explain the attack.

Economist Accused Of Communist Ties Quits High UN Post

UNITED NATIONS, N. Y.—(AP)—Economist David Weintraub quit his high UN job Tuesday night under the pressure of State Department charges that he is a communist under Communist discipline.

Charges Weintraub has denied emphatically.

The 48-year-old New Yorker, in a letter to Secretary General Trygve Lie, said he resigned to save the world organization from embarrassment.

Lie, in reply, said he appreciated Weintraub's motives and regretted the "developments" that prompted the resignation. The secretary general expressed appreciation of the "outstanding contribution" Weintraub made to work of the organization.

Weintraub, \$12,000-a-year director of the UN Division of Economic Stability and Development, was named in a State Department list of 11 allegedly disloyal Americans employed by the UN. The list was made public Sunday by the Senate Internal Security subcommittee.

Midlander's Kin Killed By Truck

Mr. and Mrs. Alvin Attaway, 1800 West Tennessee Street, and H. D. McCullough, 2207 Harvard Street, were expected to return Wednesday from Hewitt, near Waco, where they attended funeral services Tuesday for Attaway's brother, Morris Glenn Attaway, 43.

The Midlander's brother was killed Monday when struck by a truck as he directed traffic at a road construction project on Highway 81 near Lorena. He was the first traffic fatality of the New Year in McLennan County.

Conflict Changes Kansas Float Plans

WASHINGTON—(AP)—A sunflower rather than the planned replica of a President-elect Eisenhower's boyhood home at Abilene, Kan., will be featured on Kansas' float in the inaugural parade January 20.

The change was made necessary to avoid conflict with Texas plans to depict Eisenhower's birthplace in Denison, Texas, explained Maurice Fager, director of the Kansas Industrial Development Commission.

"The houses are pretty much alike," Fager told a reporter, "so we decided to change the Kansas float."

SMOKE EATERS GET NO RAISE

AMARILLO—(AP)—Voters here Tuesday rejected a City Charter amendment which would have raised the pay of firemen to equal that paid city police.

The measure, which also would have reduced the firemen's work week, was defeated, 2,963 to 1,420. It had been proposed by members of the Amarillo Fire Department.

Houston Repudiates Title Of 'Murder Capital' Of Nation

HOUSTON—(AP)—Despite a record number of slayings in 1952, Houston wants it known that it is not the nation's murder capital.

Houston had 132 murders in 1952 and 118 in 1951. That is an average of 22 per 100,000 for last year and 19 per 100,000 for the previous year.

But a Houston Chronicle survey, conducted among the nation's largest cities, showed Atlanta, Ga., with 31 per 100,000 residents, 102 murders, led the rest of the nation in slayings. In 1951, Atlanta's average was 25 per 100,000.

Most of the figures reported by the Chronicle were taken from the FBI's uniform crime reports for 1952. Ratios for other cities last year included: Chicago 249 murders for a ratio of seven for each 100,000; New York City, 128 slayings the first six months of the year, or an annual rate of three per 100,000; St. Louis, 64 and 7.5; New Orleans, 52 and nine; Dallas, 56 and 13; Fort Worth, 36 and 13; San Antonio, 29 and seven.

All the ratios were based on 1950 populations.

MUNICH, GERMANY—Cpl. Alex Abeyta, a Texas boy, has been in Munich four years.

He's learned to ski in his frequent visits to such pleasure resorts as Garmisch. He goes ice skating almost every night in Munich. As a staff car driver, he's frequently called upon to take VIP's on special sight-seeing trips over Germany.

And you know what? Corporal Abeyta wishes he were in Texas.

An Odessa boy, and the son of Mr. and Mrs. J. Abeyta of that West Texas city, the corporal likes Munich, but he still likes Texas better.

"It's hard to get home, though, once you get over here," he says. "He went in service in 1948, before he had finished Odessa High School.

From the Munich Army Educational center, he was able to get his high school degree, however.

Not only has he seen all of the famous cities of Germany as staff car driver, but he has learned German, something few servicemen with whom I have talked have accomplished.

"I just picked it up as I went along," the corporal explained.

In the four years overseas, Abeyta has had one 90-day furlough. That was in 1951, when he returned to Texas and got married.

His wife, the former Irma Lejan, is in Houston.

"She's having a house built," the corporal said. "When I get out of service next December, I'm going back to Texas and just settle down. I've had a good time and seen a lot of things, but I've had just about enough now. I'm ready to settle down, and you can say, I'll sure be glad to get back down to Texas."

Have you tried the first truly balanced car in the low-priced field?

new '53 Plymouth

1 **Balanced Ride** New truly balanced suspension controls roll, pitch, and bounce... thus levels the road three ways... and gives you the softest, steadiest, most restful ride you've ever experienced!

2 **Balanced Vision** With 16% more glass area, you get all-around, close-in vision. New one piece windshield is more uniformly curved so you get an undistorted view of the road. Constant action electric windshield wipers.

3 **Balanced Styling** Here's a new way of balancing smart exterior styling with more space inside! The new '53 Plymouth is sleeker, yet offers more head room. In sedans there's 8 inches more hip room for rear-seat passengers.

4 **Balanced Braking** Where other low-priced cars have but one hydraulic cylinder in each front brake, Plymouth has two—to give you balanced control, the exact amount of stopping power you want and expect.

All-around balance is only part of the '53 Plymouth story. You'll want to see the smart, gleaming new colors and color harmonies—the luxurious new interiors—the rich, refined appointments that make this the most beautiful low-priced car you've ever seen. Your Plymouth dealer is eager to arrange your demonstration drive now.

PLYMOUTH Division of CHRYSLER CORPORATION, Detroit 31, Michigan

5 **Balanced Power** The stepped-up 100-horsepower Plymouth engine—with new, higher compression ratio of 7.1 to 1—floats in balance on cushions of live rubber... to give you smooth, quiet operation and long car life.

6 **Balanced Steering** Plymouth's shock-proof steering is better than ever because of the new suspension system and true balance of the car. You drive relaxed with your car under perfect control.

7 **Balanced Budget, Too** Your pocketbook benefits from the greater quality engineered into the Plymouth. You get longer, trouble-free service, day-after-day dependability with lower maintenance cost.

There's more quality in it—you get more value out of it
