Jolting Oil Flow Cutback Ordered

Three Midland Residents Die In Road Crash

Three members of the family of a Midland fireman were killed Tuesday night when the automobile in which they were riding collided with a truck 11 miles north of Stanton.

Killed almost instantly in the crash were Mrs. Minnie Lee Cantrell, 21, wife of Fireman James Cantrell; Joyce Maxine Cantrell, their three-year-old daughter, and Louie A. Burris, 22, a cousin of Cantrell.

Apothor daughter, 18-month-old Jackie Lee Cantrell, was injured but her condition was not believed serious Wednesday at the Martin County Memorial Hospital.

The three were killed only a few hours after another Martin County traffic tragedy took the life of Bertha Clementina Hurley, 50, of Los Angeles, Calif.

She was killed when her automobile overturned Tuesday two miles east of Stanton on U. S. Highway 80. She was reported enroute to Hawthorne, N. J., to visit a son, Harry Hurley.

The accident Tuesday night, at the intersection of the Stanton-Lamesa Highway and the Big Spring-Andrews Highway, happened as the four were enroute to visit relatives in Lamesa.

Truck Driver Charged
Leo Odell of Odessa, driver of the truck, escaped injury.

Sheriff Dan Saunders of Stanton said charges of negligent homicide had been filed against Odell, who was driving a pipe truck owned by the Zephyr Drilling Company of Midland. He is being held in the Martin County jail.

The Cantrells formerly lived in Lamesa but moved to Midland within the last year, when he joined the Midland Fire Department. Cantrell and Burris were nephews of Capt. Hoyt Burris, commanding officer of the North Side suburban fire station. They lived at 708 South Loraine Street.

Bodies of the three victims were taken to Lamesa where services, which probably will be held Thursday, are being arranged by the Higginbotham Funeral Home.

Mrs. Hurley's body is being held at the Arrington Funeral Home in Stanton pending arrangements. In addition to her son, she is survived by a sister in California.

McKnight Gets Job Of GOP Organizer

HOUSTON—(AP)—Texas Republican National Committeeman H. J. (Jack) Porter Wednesday announced appointment of Peyton McKnight, Jr., Quitman, executive assistant and director of organization for the Republican Party in Texas.

The 28-year-old McKnight resigned Tuesday as a member of the State Democratic Executive Committee.

Porter said McKnight's appointment is an important step in plans to build in Texas a permanent, active Republican organization. He said state headquarters will be opened here "within two weeks."

Regan Doesn't Expect CAB To Reverse Pioneer Verdict

Congressman Ken Regan said Wednesday in Washington he sees little chance that the Civil Aeronautics Board will reconsider its final subsidy order affecting Pioneer Air Lines.

In a long-distance telephone conversation with The Reporter-Telegram, Regan acknowledged receipt of numerous telegrams from Midland and area residents concerning the Pioneer-CAB subsidy controversy.

He said he also had received a copy of a Midland Chamber of Commerce resolution concerning the matter.

"I have been before the CAB, speaking in behalf of Pioneer and stressing the importance of the fine air service it is providing there and elsewhere in Texas," Regan said.

"But frankly, I don't see any chance for reconsideration of the order by the CAB."

"I am informed that Pioneer Air Lines is operating trunk line planes on a feeder line service against the advice and recommendation of the Civil Aeronautics Board."

He expressed the opinion it may be necessary for Pioneer to replace its larger Pacesetter ships with smaller planes, in line with the CAB's recommended operation procedure for feeder airlines.

Regan said members of the CAB are interested in Pioneer's problem and are anxious to cooperate in line with CAB policies.

"I also am advised by the CAB it will do everything possible to see that needed airline services are continued throughout the territory served by Pioneer," Regan stated.

AMARILLO—(AP)—B. L. Morgan, Sr., 62, Amarillo attorney since 1926 and past president of the Amarillo Bar Association, died Wednesday of a heart ailment.

MATCH FOR MIG'S—Newly arrived U. S. F-86 Sabre jets, one of the few planes considered a match for Russia's MIG-15, appear on the flight line at Fierstefeldbruck Air Base near Munich, Germany. Piloted by American veterans of the Korean war, they have just completed their first patrol of Germany's Iron Curtain countries under orders to shoot back if attacked.

House Economizers Win First Skirmish

AUSTIN—(AP)—A conservative-low spending, 90-new-tax faction won a skippy, 70-88 test vote in the House Wednesday.

It defeated a motion to postpone debate on a stern austerity budget to freeze state spending at present levels.

Charges were hurled and denied that the Appropriations Committee was trying to ram the low spending bill down the throats of House members.

Rep. George T. Hinson, Mineola, denying he was a "free spender" or liberal, asked for postponement on grounds the House needs a new official estimate from the comptroller on revenue before it can act wisely.

"I believe in sound, safe economy, not false economy," Hinson said. Chairman Max Smith of the Appropriations Committee and Rep. H. A. Rull, Fort Worth, argued against postponing action.

"We can only do what we can afford to do," Hill said.

The spend-and-tax forces said they had one amendment ready that would add 18 million to the \$181,000,000 budget that faced its first test in the Legislature.

"And we have plenty more to fight with," snapped Rep. Maury Maverick, Jr., San Antonio, a leader of the House faction which wants more spending. That would demand new taxes.

The conservative House faction is fighting to hold the line on spending and stand pat on present taxes.

U. S. Dares Russia To Show Sincerity Behind Peace Talk

UNITED NATIONS, N. Y.—(AP)—The U. S. challenged Russia Wednesday to demonstrate in the current UN disarmament debate that Prime Minister Malenkov sincerely wants to settle world problems peacefully.

The challenge was made by U. S. Delegate Ernest A. Gross, who led off the disarmament discussions in the General Assembly's 60-nation Political Committee. As he spoke, Soviet Delegate Georgi N. Zarubin listened intently.

At the outset, Gross said Soviet leaders have talked too much about peace in the last few days. He added:

"I hope Prime Minister Malenkov's use of the word 'peace' is the same as the word is understood by the rest of the world."

Five Die, Five Hurt As Fire Levels Hotel

TICONDEROGA, N. Y.—(AP)—At least five persons died and five were injured Wednesday in a fire that destroyed the Ticonderoga Inn.

Tito Watches As Jet Crash Kills Britons

DUXFORD, ENGLAND—(AP)—Two British jet fighters collided Wednesday before the horrified gaze of President Marshal Tito, killing both pilots.

Then the shaken Yugoslav leader, for the first time, saw and heard another jet crash the sound barrier.

Britain trotted out its highest military aircraft for inspection by Tito, who is anxious to get similar planes for the Yugoslav Air Force.

The collision occurred during tight formation flying by Meteors. Twenty-four jets in all were involved. As four of the Meteors were changing position one ran into the tail of another. The wreckage fell six miles away from the air field.

The accident wiped the marshal's usual smile from his face. He leaped up in horror as the planes came together.

An RAF officer said that before the flying began, Tito twice had asked to cancel the display because of the weather.

Floyd-Alaniz Talks Cleared As Evidence In Brownwood Trial

BROWNWOOD—(AP)—Jacob S. Floyd was to tell again Wednesday details of what he said was a murder plot against him that went very bad and resulted in his son's death.

The judge in the case ruled that Floyd could testify on a secret meeting with one of two men charged in the slaying of Jacob B. (Huddy) Floyd, Jr., and tell fully of the conversation that took place.

Actual trial of swarthy Mario (El Turko) Sapet, San Antonio bar owner, ex-convict and one-time deputy sheriff for George B. Park, long the dominant political force in the turbulent South Texas area, where on last September 8 young Floyd was shot—began at 11 a. m.

The defense had asked that testimony of Floyd in his conversation with Nago Alaniz, dapper Alice attorney also charged in the slaying, be not permitted on the ground it was hearsay and not admissible as testimony of a co-conspirator until the state proved there was a conspiracy by other evidence.

Young Floyd was shot in Alice as he went to get his automobile and Floyd, Sr., said that the killer meant to get him but killed his son by mistake. The elder Floyd was the first major witness for the state.

The last juror to hear the case was picked up at 10:58 p. m. Tuesday.

April Decree Lops 119,366 Barrels Daily

AUSTIN—(AP)—A jolting cut of 119,366 barrels a day in the Texas oil allowable for April was ordered by the Railroad Commission Wednesday. It will drop the permissive flow to 2,921,875 barrels daily.

It was the second consecutive sharp reduction in Texas crude production. The commission slashed 118,000 barrels a month ago.

The cut will be effected by trimming two days off the "state-wide producing pattern, lowering the number of days of flow to 19.

The big East Texas field will remain on 18 days.

There was little discussion of the reason underlying the cutback, which is the fourth in five months, but Commission Chairman Ernest O. Thompson noted that imports of foreign oil still are at a high level.

Hugh Stocks Chief, Ralph Dietler, Tulsa, Stanolind Oil Purchasing Company's board chairman, renewed his arguments of previous months that there is too much oil above ground.

Urging the two-day curtailment in Texas production, Dietler Wednesday told the commission: "We feel national stocks of 175 million barrels of crude are wastefully high—particularly when they are 19 million barrels higher than a year ago."

"We feel actual production should be cut substantially."

Advance demand of purchasers indicated a need for a permissive flow of 3,074,155 barrels daily next month, down 250,000 barrels from their nominations a month earlier. But spokesmen for four companies revived their demand downward at Wednesday's hearing.

Some cut in April production had been anticipated, but the big slash caught many by surprise.

Want To Know Score? Thompson caustically commented that if this country's need for crude oil totaled six million barrels a day and imports totaled six million barrels, "then we (Texas) wouldn't have to produce a drop."

"If they (the importers) are going to preempt the field that way, we want to know the score, and we're just trying in our feeble way to find out that score," Thompson added.

The April allowable was figured on the basis that the Fort Chadbourne Field will continue to produce only one day, pending commission decision on whether adequate steps have been taken to stop flaring of captured gas. The field might be restored to the 19-day producing pattern, but such a

Winds To Buffet Midland, Basin

The howling winds were to return Wednesday afternoon.

Gusts up to 35 miles an hour were expected to whip sand in Midland with visibility limited to three miles. CAA observers at Midland Air Terminal said calm should return by dusk.

Traces of rain—not enough to measure—fell Tuesday at Big Spring and other scattered West Texas points. No major additional rain was forecast within the next 24 hours for Texas.

County Livestock Brings Climbing Average Prices

The highest average prices in many years for FFA and 4-H livestock were paid Tuesday at the Midland County Livestock Show's auction with lambs going at 69.7 cents, calves 69 cents and hogs at 42.3 cents a pound.

The annual auction was the climax of the show which attracted entries by 50 FFA and 35 4-H youths, who offered the cream of 61 lambs, 47 hogs and nine calves for sale.

The grand champion lamb, a lightweight Southdown exhibited by Harold Merritt, 17-year-old Midland FFA chapter president, was purchased by Andy Faska at the high price of \$2.75 a pound. The lamb weighed 100 pounds and was bred by J. R. King of Denver, Colo.

Norman Drake, 17, 4-H Club boy, sold his grand champion calf, a 950-pound milked Whiteface bred by J. J. Willis, to H. E. Chiles, Jr., The Western Company, at \$110 a pound.

The grand champion hog shown by James Brooks, Greenwood 4-H Club boy, was bought by The First National Bank of Midland at \$1.50.

The hog was a 151-pound Poland-China gilt.

The reserve champion lamb, also exhibited by James Brooks, was bought by The Reporter-Telegram at \$1.19. The lamb weighed 110 pounds.

The reserve champion calf, a 950-pound milked Whiteface, was bought by Gaylon Howard, 4-H, was bought by Ralph Lowe at 70 cents.

Bill Snow's reserve champion hog, a 237-pounder, was bought by Buck York at 65 cents, and then given back to the FFA.

Don Estes of Midland and San Angelo was the auctioneer and ring workers included Charlie Blacklock, L. T. Sledge, Jr., and John Dublin, Jr.

The sales committee included Charlie Blacklock, Bill Moore, Nub Jones, John B. Mills, L. T. Sledge, A. G. Bohannon and Les Floyd.

A total of 49 individual buyers vied for livestock at the auction (Continued on Page 16)

First Votes Cast In City Election

Two Midland residents, who planned to be out of the city in early April, showed up bright and early Wednesday to cast their votes in two elections.

They cast absentee ballots with County Clerk Roselle Cherry for the April 4 school board election in the Midland Independent School District.

Then they cast their absentee ballots with City Secretary J. C. Hudman for the April 7 City Council election.

Absentee balloting in both elections began Wednesday.

HIGH-PRICED BEEF—Norman Drake, 4-H Club boy, received \$110 a pound for this grand champion calf Tuesday. H. E. Chiles, Jr., right, paid the top price at the auction climaxing the annual county livestock show.

SONG ENDS BUT MELODY LINGERS

WASHINGTON—(P)—Price control is ended but its enforcement lingers on. The Office of Price Stabilization, which abolished the last remaining ceilings Tuesday, said Wednesday it intends to press compliance cases against 5,300 alleged violators of the ceilings while they were in effect.

6,300 Servicemen Back From Far East

SAN FRANCISCO—(P)—Two transports from the Far East arrive Wednesday with more than 6,300 servicemen. The Gen. M. C. Meigs is bringing 4,379 Korean veterans—4,106 Army men, 268 Marines and four Navy personnel. The General Maun is carrying 1,776 servicemen from duty in Japan—999 Air Force, 442 Army, 270 Navy, four Marines and 208 civilian dependents. A third transport, the President Jackson, was due from Hawaii with 398 servicemen and dependents.

Red Propaganda Mill Talks Peace

VIENNA, AUSTRIA—(P)—The Communists made another appeal Tuesday night for the signing of a Big Five peace pact. This one came from the World Peace Council, the propaganda agency which pushes the Kremlin's "peace" offensive. A public statement to the press said "all questions at issue" in international affairs could be settled through a pact by the United States, Britain, France, the Soviet Union and Communist China.

SHIRLEY, GARY LOOK BEST—

Top Contenders To Skip Annual Oscar Ceremonies

By BOB THOMAS HOLLYWOOD—(P)—If Academy Awards can be doped like horse races, Shirley Booth and Gary Cooper should be crowned the best actress and actor at Thursday night's Oscar sweepstakes.

On the basis of past performances in other races this year, Cooper and Miss Booth are the heavy favorites. The pair has won more honors in the pre-Academy Awards circuit than any other duo in recent years. Usually the awards are scattered among a number of contenders.

TAKING IN THE SHOW—Dressed for the occasion, two Midland youngsters watch the judging in the annual county livestock show. Kay Davis, five, is the daughter of Mr. and Mrs. H. E. Davis, Jr. Her escort is Pete Vaden, three, son of Mr. and Mrs. L. B. Vaden.

Justice Attorneys Receive Pink Slips

WASHINGTON—(P)—Dismissal notices in substantial numbers are fluttering down this week on the desks of Justice Department attorneys who are holdovers from the Truman Administration. Just how many has not been established. Department officials decline to discuss the matter in any way. All available information comes from those receiving pink slips, or their friends.

U. S. Presses Claim

WASHINGTON—(P)—The United States is pressing a \$637,894 claim against Russia and Communist Hungary for the seizure of four American fliers and their plane 16 months ago—but prospects of collecting are dim.

ACTRESS HURT IN FALL

HOLLYWOOD—(P)—Movie actress Faith Domergue will be hospitalized 10 days because of a spine injury she suffered in a fall.

Congratulations To:

- Mr. and Mrs. C. L. Lovett, 706 Andrews Highway, on the birth Wednesday of a daughter, Susie Belle, weighing seven and one-half pounds.
- Mr. and Mrs. Horace Underwood, 103 East Oak Street, on the birth Friday of a daughter weighing five pounds, two and one-half ounces.
- Mr. and Mrs. Bill R. Oliver, 1911-B North Tyler Street, on the birth Friday of a daughter weighing seven pounds, 13 ounces.
- Mr. and Mrs. Y. Sustillo, 506 North Lee Street, on the birth Friday of a son weighing seven pounds, 13 ounces.
- Mr. and Mrs. Gustave Lens, 809 North D Street, on the birth Friday of a son weighing six pounds, 15 ounces.
- Mr. and Mrs. E. F. McGee, 118 West 61st Street, on the birth Friday of a daughter weighing seven pounds.
- Mr. and Mrs. Fred D. Bostwick, 2704 Mariana Street, on the birth Saturday of a son weighing eight pounds, one ounce.
- Mr. and Mrs. William Bachmann, 1006 Almslee Street, on the birth Saturday of a daughter weighing eight pounds, six ounces.
- Mr. and Mrs. Kenneth Gibbs, 3102 Thomas Street, on the birth Saturday of a son weighing six pounds, four ounces.
- Mr. and Mrs. James Merriman, 212 East Longview Street, on the birth Saturday of a son weighing six pounds, two and one-half ounces.
- Mr. and Mrs. A. W. Moffatt, 604 West Jersey Street, on the birth Saturday of a son weighing eight pounds, nine ounces.
- Mr. and Mrs. Luther E. Mooney, 205 West New Jersey Street, on the birth Sunday of a son weighing seven pounds, 10 1/2 ounces.
- Mr. and Mrs. Robert H. Brown, 1811 West Ohio Street, on the birth Sunday of a daughter weighing seven pounds, four ounces.
- Mr. and Mrs. Otto Davis, 3217 Roosevelt Street, on the birth Sunday of a daughter weighing six pounds, eight ounces.
- Mr. and Mrs. Jesse Lutz, 800 North Terrell Street, on the birth Sunday of a daughter weighing six pounds, 10 1/3 ounces.
- Mr. and Mrs. Philip D. Lundy, 3408 West Louisiana Street, on the birth Sunday of a son weighing eight pounds.
- Mr. and Mrs. Roy Roilan, 428 South Fort Worth Street, on the birth Sunday of a daughter weighing five pounds, four and one-half ounces.
- Mr. and Mrs. Lorenzo Westbrook, 206 South Adams Street, on the birth Monday of a daughter weighing six pounds, 11 1/2 ounces.

Milk Prices Level Off Across Nation

WASHINGTON—(P)—A two and one-half cent uptrend in milk prices in the nation's urban markets has come to a halt. Reporting this, the Agriculture Department said Wednesday fluid milk prices early this month averaged 22.2 cents a quart at retail, the same as a year ago. This is the first time since August, 1952, that the average retail price has not exceeded the level of the same month a year earlier.

Same Songs, Same Jeanette Enter Night-Club Spotlight

By ERSKINE JOHNSON NEA Staff Correspondent

Guys and Dolls: Nelson Eddy has added be-bop and comedy falls to his night-club appearances, but Jeanette MacDonald is being just herself for her return debut at the Hotel Sahara in Las Vegas.

Besides, she doesn't think Eddy, once her film musical co-star, has changed at all. "He always did have a sense of humor and loved to clown. I howled through every movie we made together. But he never got the chance to be funny when the cameras were turning."

There were lifted eyebrows when Jeanette, now a concert star, agreed to sing in the lead of dice tables and roulette wheels, but with Enzo Fines and Laurie Melchior also playing Las Vegas, she isn't blushing.

All the night clubs are bagging into the concert field, so what's wrong with the concert field bagging into night clubs? she's asking. The red-haired star is warbling light-opera songs she sang on the screen and saying, "Just because it's a night club I don't feel I have to inject any tricks."

A movie role coming up for still-scorge Jeanette? "Not that I know of. I just turned down a script that was sent to me from England. How it got to England I don't know. I turned down the same script a year ago in Hollywood."

Bad news for Bill Lancaster fan-virtue, brawny but is about to cut down on his movie appearances and will limit himself to three picture-ettes a year beginning in 1954.

Inside reason is his desire to turn director, but there are some added here-why details, such as "my age." But Lancaster says, "I'll soon be 40 and I feel that at best, I have 10 years left as an actor. I want to set up the future so that I won't have to depend on my looks or my physical agility. Besides, I've done just about all the films I care to do."

Burt's new desire for living, he confided on the set of "The Magnificent Seven," "I want to do a play with a six-week stage tour in 'The Lady's Not for Burning'—his first spotlight appearance since 1945. There will be other stage ventures in the years to come."

The late Glenn Miller's widow, Helen, and his one-time business manager, Don Haynes, are first exacting, hearing over U-F's first script of "The Glenn Miller Story" slated for Jimmy Stewart. They feel the band leader is lined up with too much glamor and that the story has not captured his personality.

Disc jockeys soon will be spinning a new hit song, titled, "Angel or Devil," introducing the vocalist as Kay Malone. For their information, and yours, Kay Malone is the former big star, Katherine (Sugar) Kane, who warbled in movies with Bing Crosby, Ken Murray and Johnny Downs back in 1938.

"I wanted to keep my identity a secret," gorgone Katherine told me, "because of the ex-kid-star tag. I was only 15 when I was at Paramount and Universal and I was afraid people would remember me as a kid. But what the heck, it's bound to come out sooner or later."

She retired nine years ago when she married Bill Boas, heir to a Los Angeles cafeteria fortune. "It took me nine years to talk him into letting me sing again," she smiled.

Ann Blyth is exercising her vocal pipes for MGM's "Indian Love Call" and the Mario Lanza film if it's ever put back into production—and smiling indulgently at people who are astonished that she can hit high C.

"Hollywood's forgotten," she told

me, "that I started out as a singer in my first four pictures as Universal with Donald O'Connor. Then I did a dramatic part in 'Mildred Pierce' and everybody forgot about those early films."

Ann in answer to the "What will be most important when you marry Dr. James McNulty—family or career?" question: "Family!"

Hurray and hot steamy-droopy-bottomed slacks are on their way out as the off-screen costume of movie sloopy Bess and the era of the "tighties" has been ushered in.

"Tighties are glamor pants that hug the derriere, the hips and everything else, and keep up the wallpaper look until they end at the mid-calf point."

And who's whipping 'em up?—a six-foot Beverly Hills designer named Jan Hanson who once played professional football.

Says he: "At first the stars were scared. They thought it was vulgar that 'tighties' should fit so tight. Now they can't get them to fit tight enough."

Vivien Leigh Plans Return To England

HOLLYWOOD—(P)—British actress Vivien Leigh is dropping out of the movie "Elephant Walk" now under production, and will return to England with her husband, Laurence Olivier, as soon as her physicians say she can travel. Miss Leigh returned here by air from Ceylon, where she had been on location, and was forced to go to bed last Wednesday. Her studio said Tuesday she was quitting the picture because of an acute nervous breakdown.

McCarey, Malone Win Catholic Awards

HOLLYWOOD—(P)—Annual awards of the Catholic Film and Radio Guild this year go to producer Leo McCarey and actress Dorothy Malone.

They will receive statuettes of St. Patrick and St. Bridget for "traditional faithful ideals of the Irish people as set forth in the Constitution of Ireland."

New Zealanders eat about 39 pounds of butter a year on the average, which is believed to be more than is used by the people of any other country.

THE MIDLAND REPORTER-TELEGRAM, WEDNESDAY, MARCH 18, 1953-3

North P-TA Names Officers

Mrs. B. B. Seawright was elected president of the North Elementary Parent-Teacher Association Tuesday at a meeting in the high school auditorium.

Mrs. A. A. Jones was elected first vice president; Mrs. Lewis W. Davis, second vice president; Mrs. Olympus Young, secretary, and Mrs. Eton Tucker, treasurer.

R. C. Michener, music consultant in the Midland schools, outlined the schools' music program and discussed their search for methods to make music more interesting to the child. Michener works with the music teachers in each school.

Following his talk Paul Hicks discussed plans for a YMCA, stressing the need for such an organization and pointing out how youth would benefit by such a planned program. Each individual, he said, can help make a YMCA possible.

Girl Scout Troop 51, led by Mrs. Walter Beadle, gave the devotional. The choir under the direction of Carolyn Wyatt sang several selections and Mike Brady played a piano solo. Ann Barnes and Mrs. Hazel Cobb's rooms won the room count.

WSCS Circles Meet For Study

Circles of the First Methodist Woman's Society of Christian Service held study meetings Monday.

Mrs. H. E. Cummins, 1703 Bedford Drive, was hostess to 13 members and two guests of the Laura Haygood Circle. The guests were Mrs. Luther Kirk and Mrs. Helen Wassap.

The program on Africa was given by Mrs. B. F. Haag and Mrs. Morgan Gist. Mrs. Kirk, assisted by Mrs. W. F. Prothro and Mrs. Gist, led a prayer service.

Mrs. Haag, circle chairman, announced that prayer services are being held at 9:30 a.m. daily, through this week, in the home of Mrs. Sam Preston.

It was announced that the circle will meet with Mrs. W. B. Hunter on April 6.

The Eleanor Luton Circle met in the home of Mrs. Louis Bohn. Mrs. Reo Goodwin gave the opening prayer and Mrs. Guy Willis, the devotional.

Mrs. Matthew Lynn prepared the study which was presented by Mrs. J. Y. Brown. Others attending were Mrs. A. W. Augustson, Mrs. Ernest Nance, Mrs. F. W. Schall, Mrs. John Burnett and Mrs. Jack Carmichael.

OKLAHOMAN HERE
Bill Harkrider of Seminole, Okla., was a business visitor in Midland Tuesday and Wednesday.

PLANS WEDDING—Mr. and Mrs. Elmer Smith, 915 Holly Drive, announce the approaching marriage of their daughter, Ann Buckingham, above, to Thomas R. Smith, son of Mr. and Mrs. Preston L. Smith of Midland. The wedding will be held Saturday in the home of the bridegroom's parents, 1309 East Lynn Street, with the Rev. Cecil Clay Smith, Jr., officiating. Miss Buckingham's fiance is employed in Midland by the Pittsburgh Plate Glass Company.

Midlanders To Attend District TFWC Meet

A number of Midland clubwomen will participate in the seventeenth annual convention of the Sixth District, Texas Federation of Women's Clubs, opening Thursday in Odessa.

Mrs. J. Howard Hodge is to be a featured speaker for the Thursday night session. She will present a panel of high school students from Midland and Odessa in a "safety discussion" on high school driver education.

Mrs. Hodge is safety chairman for the General Federation of Women's Clubs and a past president of TFWC. She will attend the convention as the delegate from the Past Presidents' Club, which she serves as president. She also is a member of the Fine Arts Club.

To Be Candidate
Another Midlander, Mrs. Henry D. Murphy, member of the Fine Arts Club, is candidate for the district office of second vice president. A partial list of Midland women planning to attend the convention had been completed Wednesday morning.

Mrs. William L. Kerr, incoming president of the Woman's Wednesday Club, will be the delegate from her group. Mrs. Perry Pickett is the Progressive Study Club delegate. Other members of her group planning to attend are Mrs. W. E. Cox, the club president, and Mrs. H. B. Welch.

The Modern Study Club is sending its president, Mrs. Bryan Denison, as delegate, and planning to accompany her are Mrs. Brandon Rea, Mrs. T. J. Smith, Mrs. C. C. Keith, Mrs. Harry W. Denton and Mrs. Earl Johnson.

Mrs. Tom C. Bobo, president of the Fine Arts Club, will be a delegate, with Mrs. Guy Brantley as alternate. Delegate from the Twentieth Century Study Club is Mrs. R. L. Merrill, president-elect. Also planning to attend the convention from the club are Mrs. J. B. Bain, the retiring president, Mrs. Everett Shipp, Mrs. J. O. Simmons, Jr., Mrs. H. H. Redding, Mrs. Charles Snure and Mrs. W. Harry Rhodes.

The list of representatives from Midland's seventh federated club, the Junior Woman's Wednesday, was incomplete Wednesday morning. The convention will open with registration, an executive board meeting and general sessions Thursday afternoon and night. It will close with an awards breakfast Saturday morning.

A highlight of the Friday general sessions will be an address by Mrs. Van Hook Shubb, TFWC president. The president's dinner is scheduled Friday night, when all visiting presidents will be recognized.

LOOK LOVELIER OFFER
40¢ NOXZEMA for only 29¢ plus tax
Try doctor's home facial! Look lovelier in 10 days—or your money back!

Have you been longing for a complexion that wins compliments—that looks softer, smoother? Then try this Noxzema Home Beauty Routine. It was developed by a great skin doctor with greaseless, medicated Noxzema. And in clinical tests, it helped 4 out of 5 women with skin problems to have lovelier-looking skin.

MORNING:
1. Apply medicated Noxzema over face and neck. Using a damp cloth, "cream-wash" your skin. Noxzema is greaseless—you actually wash it off with water! Add no dry, drawn feeling after "cream-washing"! 2. Now smooth on Noxzema for a long-lasting powder base.

EVENING:
3. "Cream-wash" again with medicated Noxzema. See how it washes away make-up, dirt. 4. Apply Noxzema as night cream to help soften, smooth. Pat a bit extra over any blemishes to help heal them—fast! It's medicated!

look lovelier offer!
40¢ NOXZEMA only 29¢ plus tax
1. see trial jar—see how much lovelier it helps skin look.
2. then save money by getting almost 10 oz. jar only 8¢ plus tax! Drug or cosmetic counters.

Dry Skin? "Noxzema does wonders for my dry skin," says Florence Murray of Lawrence, Mass. "Cream-washing" helps it look softer and smoother!"

Noxzema works or money back! No matter how many other creams you have used, try Noxzema. This greaseless beauty cream is a medicated formula. That's one secret of Noxzema's amazing effectiveness. Try it for 10 days. If you are not delighted with results, return jar to Noxzema, Baltimore, Md. Your money back! Take advantage of Look Lovelier Offer below—limited time only! Externally-caused.

Manners MAKE FRIENDS

Mrs. Smith gets a new hair-do and it's a decided improvement. So, do you tell her she looks a hundred per cent better? Or that you're glad she did something about her hair? Not unless you want to win a citation for cattiness. If you really want to pay her a compliment don't tell her how much better she looks. That carries the implication that any change would have been an improvement. Just tell her that you like the new hair-do and that it is very becoming. The latter is a real compliment.

The former carries a hidden dig.

Coming Events

THURSDAY

The Midland Woman's Club, Inc., will meet at 3 p.m. in the home of Mrs. Miles Hall, 1500 Outhbert Street. Mrs. J. B. Bain will be narrator for "Trash and Treasure" a show of individual collections to be presented by the hostess group, the Tejas Garden Club.

The Night Star Study Club will meet at 7:30 p.m. in the home of Mrs. John R. Campbell, 2407 West Brunson Street.

The Midland Country Club will have family night. Dinner will start at 8:15 p.m., movies will be shown at 7 p.m. and games will start at 8:15 p.m.

The Midland Camera Club will meet at 7:30 p.m. in the Palette Club, 604 North Colorado Street.

XI Theta Chapter, Beta Sigma Phi, will hold a model meeting at 7:30 p.m. in the home of Mrs. Luther Tidwell, 1512 North Weatherford Street, with Mrs. John Rhoden as hostess.

The Board of Directors of the JayCee-ettes will meet at 8 p.m. in the home of Mrs. O. F. Hedrick, Jr., 1127-B North Carrao Street.

The Palette Club, 604 North Colorado Street, will be open all day for persons who want to paint. Lunch will be served.

The Midland Garden Club will meet at 9:30 a.m. in the home of Mrs. Arthur Yeager, 1704 West Missouri Street.

The Ranchland Hill Country Club will have a buffet supper and games for members and their guests.

The Terminal Baptist WMU will meet at 2:30 p.m. in the church.

The Yuca Garden Club will meet at 9:30 a.m. in the home of Mrs. H. L. Landus, 1205 Bedford Drive.

An intermediate fun night program will be held at 7:30 p.m. in the First Methodist Church.

The Hughes Circle of the First Baptist WMU will meet at 8 p.m. in the home of Mrs. R. O. Stone, 1110 East Jay Street.

The "Preparing Your Child for College" Study Group of the High School P-TA will meet at 9:30 a.m.

Midland Symphony Cancels Concert

Wally Jackson, president of the Midland Symphony, announced Wednesday the program of chamber music, scheduled to be held Sunday in the City-County Auditorium, has been cancelled because of inability to obtain the necessary music.

The organization regrets the necessity for the action, Jackson said, but because of the symphony's full schedule the concert can't be played later in the year. Another concert, however, has been announced for May 2. It will be a pop concert, offering selections by both orchestra and chorus. These will include "Rhapsody in Blue," "Tales from Vienna Woods" and "Bolero," performed by the orchestra, and "Deep River," "Ain't That Good News" and "Moon Glow" as the choral numbers.

Also May 2 a children's concert will be given featuring "Peter and the Wolf." Further details of the programs will be announced later, Jackson said.

RETURN HOME
Mr. and Mrs. James Walton and family returned Monday to their home here after a visit in Mineral Wells and Fort Worth.

BUSINESS IN CITY
Don Hector and J. L. Groves of Lovington, N. M., were business visitors Tuesday in Midland.

4-H Clubs Sew, Elect Officers

The Lucky Clover 4-H Club sewed Monday at its meeting in the assembly room of the courthouse. Assisting the group were Inez Smith and Pauline McWilliams, county home demonstration agent. Others present were Sandra Norwood, Glenda Thomas, Kay Barnes, Virginia Sherill, Janis Merritt, Sandra Stewart, Jane Dowdle and Sue Hinsley.

Ray Ann Caudle was named president of the Junior 4-H Club at Terminal when the group held a re-organization meeting in the school.

Other officers chosen were Jamie Flowers, vice president; Mary Elna Barrett, secretary-treasurer; Jo-wanna Grisham, reporter; and Edith Broadus, song leader. Miss McWilliams gave a demonstration on dish-washing.

Those attending were Miss Caudle, Miss Barrett, Gay McDonald, Linda Avory, Johnny Fay Berry, Miss Flowers, Maxine Ferguson, Re-Lois Dunsworth, Kaye McCabe, Virginia Welch, Miss Broadus, Mary Blanche Duke, Terrell Goodson, Sharon Evans, Phyllis Morehead, Oleta McDaniel, Linda Lou Brady, Sheila Jean Grumbles and Miss Grisham.

Bifocal glasses were invented by Benjamin Franklin.

True Image Of U. S. Lacking

A German fighter pilot named Heinrich von Einsiedel was shot down over Stalingrad in 1942 after bagging 35 Russian planes.

Now he has written a book called "I Joined the Russians," in which he unfolds with clarity and commendable honesty the story of his embrace of communism and then, at length, his rejection of it.

All aside from the elemental fascination of this tale, growing out of its adventure and the inside picture it gives of Communist strategy, it has a lesson for Americans—and for Europeans who think they know us.

For as one analyst of communism, Edward Crankshaw, points out, the really astounding thing about Einsiedel was that it took him so long to turn away from communism.

This man knew at first hand the worst communism had to offer. Yet he hung on and on far past the point of reasonableness. Why?

Because, quite plainly, he could see no decent alternative. This must come as a shock to us, for we think of American notions of freedom and material standards as presenting a pretty respectable future for anybody.

But Einsiedel, like many of his German countrymen, like many Frenchmen and Britishers and Italians, has a badly warped image of America. He sees it as given over almost wholly to crass materialism, to all the externals of a good life but little of the substance.

Americans partly are to blame for this false portrait. Some who travel or live abroad do not represent our best traits. On top of that, our books and our movies put extraordinary stress upon our faults and too little upon our virtues.

But the Europeans themselves are much to blame. Of course they can't afford to travel to see us first hand, as we do to see them. Still, they could make a far greater effort to report American life through European eyes, through the eyes of their own correspondents.

European coverage of America always has been ridiculously insufficient. And for the most part what coverage they do have gives them a distorted, outdated, unreal picture of this country.

We have our job to do to correct the false image. But so have the Europeans. Long enough have they warmed themselves with comforting reports which merely confirm their prejudices that America is "not so much."

If it weren't for mirrors, how would we know who is to blame for most of our own troubles?

What Mother Hasn't Wished For A Third Hand?

The Washington Merry-Go-Round

By Drew Pearson

Copyright, 1953, By The Bell Syndicate, Inc. Drew Pearson says: Defense cuts should include super airplane carriers; Carrier planes made poor showing in Korea; Small carriers are needed for submarine warfare.

WASHINGTON—The joint chiefs of staff are sitting most of this week in a difficult hassle over the \$4,250,000,000 budget cut handed them out of the blue by Secretary of Defense Wilson.

The question of carriers has created storms in Congress and helped bring the resignation of one Defense secretary—Louis Johnson. Nevertheless, it remains a fact that the Defense budget cannot be cut by trimming down every item a little bit; it must be cut by drastically trimming the least-needed weapons of defense, a lot.

All the secret studies show that the supercarrier is in this category. Not only is it least-needed, but many military experts consider it a liability. It takes too many other vessels to protect it. This was the report of the British joint chiefs of staff following NATO naval maneuvers in the Baltic.

Although the report was held up in Europe by the office of Vice Adm. Arthur D. Davis, it can be revealed that the British claimed it would be "suicidal" to throw a nuclear aircraft against Russia's superior land-based planes, and that carriers are needed "mainly to protect shipping."

On top of this, the U. S. Navy has suppressed vitally important facts about the poor showing of carrier planes in Korea. By stamping all embarrassing statistics "top secret," the Navy has been able to conceal the facts not only from the public but from Congress, and perhaps even from Secretary Wilson's budget pruners.

Alfred Sorensen in Korea. However, this column, after detailing details which might aid the enemy, now is able to report the score on Navy planes vs. Air Force planes from the Korean outbreak until Jan. 1, 1953:

1. Slightly under 75 per cent of our combat aircraft were land-based. Yet these land-based planes flew 93 per cent of the total offensive missions. The remaining 25 per cent of the planes based on carriers flew only 17 per cent of the missions.

2. The Navy's few land-based planes did not measure up to the Air Force. Of all the combat planes based on land, the Navy operated four per cent. Yet it flew only one-fourth of the missions.

3. The Navy's few land-based planes did not measure up to the Air Force. Of all the combat planes based on land, the Navy operated four per cent. Yet it flew only one-fourth of the missions.

4. One-fourth of the Navy's "combat sorties" have been restricted to circling over the carriers as protective cover. In other words, the Navy's seven carriers assigned to the Korean war have been in the battle zone only half the time, have kept their planes on deck half of the time, then have sent only three-fourths of their planes against the enemy.

JACOBY ON BRIDGE

By OSWALD JACOBY, Editor for NEA Service

There was nothing much to the play of the hand shown today. West hopefully opened from his seventh heart suit, and East, gratefully ruffed. North and South were having such a fine time congratulating each other on the bidding that it took them several seconds to see East played a trump and that the grand slam was defeated.

As a matter of fact, South thought his opponents were joking until they showed their hands on the table. East and West generously allowed their opponents a minute or so to complain about their hard luck. Actually, however, North was directly responsible for this little tragedy.

Table with columns for NORTH, WEST, EAST, SOUTH (D), and Opening lead.

Whenever you have good reason to consider a grand slam, you should also consider the possibilities of playing the hand at no-trump to avoid a ruff of the opening lead.

In this case North used the Blackwood Convention by bidding four no-trump to find out how many aces his partner held.

Carrier planes, of course, could blast the minor, coastal targets, but Secretary of Defense Wilson's capricious question, whether this is worth the tremendous cost of the supercarriers.

In order to sell Congress and the public on the supercarriers, the Navy has spread the propaganda that its carriers are not tied down to land bases. At the same time, the Navy has taken care to classify as "top secret" a list of 26 carrier bases in the Mediterranean area.

Carrier planes actually land and take off from the 26 bases, which are scattered throughout North Africa, Spain, Portugal, Italy and Turkey. Huge supplies of aviation gas, ammunition and spare parts are also kept on hand at the Navy bases for the carrier forces.

Carrier planes actually land and take off from the 26 bases, which are scattered throughout North Africa, Spain, Portugal, Italy and Turkey. Huge supplies of aviation gas, ammunition and spare parts are also kept on hand at the Navy bases for the carrier forces.

So They Say

The ground commander can radio in (for air support) just like putting in a request for a taxi. And sometimes you don't get that taxi.

I don't believe the defense appropriations are any sacred cow. I think they can be cut.

The Soviet bloc has deliberately closed the door on an early armistice.

Women always run through a wolf's mind. They wouldn't be safe if they walked.

EARTH ABIDES

by GEORGE R. STEWART

Water supplies remained scanty throughout the day, but at least no one suffered from thirst.

Yes, that's the old speech, but maybe there's a new point there. How about that business of sending out an expedition?

To Ish's surprise a vigorous discussion arose, and in its course he was struck again by the unpredictable quality of people, particularly in a group.

His original idea of an "expedition" had merely been that they should explore the country for 100 miles or so roundabout, but he found that the others had understood him to envisage more.

Next morning Ish went over to talk with Ezra. Before long, more people came along, and a little group formed, as always happened when anybody seemed to be having an interesting conversation.

WASHINGTON COLUMN

Humphrey, Stickler For Facts, Makes Haste In Policy Slowly

By PETER EDSON, NEA Washington Correspondent

WASHINGTON—Secretary of Treasury George M. Humphrey has emerged rapidly as one of the solidest citizens of the new Eisenhower Administration.

His counsel is being sought on almost every new issue that comes up. Sixty-three years old and with a broad experience in law, engineering, manufacturing, the management of banks, iron and steel and industrial rayon mills—he has the background necessary to run the fast-changing conglomerate that is the U. S. Treasury.

He now is boss of 85,000 employees with a finger in tax collection, narcotics, customs, the mint, the Secret Service, the Coast Guard with another 85,000 hands. Left, but not least of his responsibilities, is the vast \$260,000,000,000 hole in the ground—the public debt.

Money may not be everything, but in government operations everything is money. The team of top lieutenants that Humphrey has assembled swears by him. Included are Undersecretary Marion E. Folsom of Eastman Kodak, Deputy Secretary Randolph Burgess of National City Bank, Assistant Secretary's own Hanna Company in Cleveland, Assistant Secretary Andrew N. Oveby of the International Monetary Fund, General Counsel Elbert Parr Tuttle of Atlanta, and Commissioner of Internal Revenue T. Coleman Andrews of Richmond.

Humphrey always has prided himself on being able to pick good men. Delegates Authority. This sextette meets as a group once a week with Humphrey in the secretary's private dining room for a broad look at all their problems. Otherwise, they say, he lets them pretty much alone. He is a great believer in delegating authority. He wants reports as progress is made. And he is a demon for facts. All his life every decision he has made has been based on facts.

There have been no announcements of any great changes of Treasury policy since Secretary Humphrey took over on January 20, largely because he did not have his facts. He has recognized his fact-finding agency—his research and analysis staff. But it will be some time before they will have all the information he wants, on which to base his decisions.

Before he came to Washington, it is reported that Humphrey told an acquaintance it might be some time before any reforms could be effected and any results obtained. "Oh," said the friend agreeably, "I wouldn't expect any results at all in the first 30 days."

One timid experiment was made on refinancing a short-term government loan for a longer period and at a higher rate of interest. The experiment later was described as "a successful operation, but the patient died."

The climate wasn't right; the time wasn't ripe for this particular change. So the new team at the Treasury will feel its way cautiously and conservatively, making haste slowly. That appears to be the sound Humphrey way.

New Way To Run Things. This Washington experience is proving to be something of a revelation to almost all of the big businessmen of the Eisenhower Administration. Like Secretary Humphrey, they are sticking their own toes into the political puddles for the first time.

Their past belief has been that the responsibility of the businessman was to raise money for the best candidate available, then leave it to him to run the government. Now they are a part of government itself. In the business world they made their big decisions with only two or three other executives, meeting privately. Their belief was that any time larger groups got together, all they did was make speeches at each other.

Now, in government, they make their decisions in Cabinet meetings of 10, with another 10 or 20 advisers sitting around the edges. And they get their authority from a majority of 531 congressmen.

There is no conviction among the businessmen in government that the government way of doing business is the wrong way—for government. But they are having to learn to do things the political way. So it will be several months before the new team knows exactly what it is going to do or how it is going to do it. It will take that long to get the facts together.

The Ainu of Northern Japan are believed to be descendants of the primitive Neolithic inhabitants of the country.

W & R

What is the variation between the Gregorian year and the solar year?

At present the average Gregorian year is about 263 seconds longer than the solar year and will gain one day on the sun by 4316 A. D.

Which state claims the "oldest government building in the United States?"

New Mexico's Palace of the Governors at Santa Fe, was built in 1610.

When were comic strips first published? In 1844.

Have A Laugh

By BOYCE HOUSE

A man was running against a governor (let's call him Jones) who had made a record for granting pardons.

The opponent was speaking near the county jail and there came a shout from within of "Hurrah for Jones."

The speaker replied, "Yes, I'd be yelling Hurrah for Jones, too, if I was where you are."

Two Midland Students Pledge Social Clubs

ABILENE—Two McMurry College students from Midland, Fred Bilbo and Mary Frank Smith, are pledging social clubs this semester.

Bilbo, freshman and the son of Mrs. F. E. Hightower, 227 North Fort Worth Street, is pledging K. Psi.

Miss Smith, also a freshman and the daughter of Mrs. Vera Smith, 501 North Big Spring Street, is pledging T. P.

HOLLAND'S HORSE MEAT. Horse meat can be sold only in special shops in Holland. National laws make it illegal to sell it in shops where beef, pork, or mutton are purveyed.

Gardeners See Film On Holland

A color movie, "Springtime in Holland," was featured Tuesday morning when the Pyracantha Garden Club met in the Church of Christ annex.

The film showed a great variety of bulbs grown and sold in Holland, how the bulbs were packed and shipped and the activities highlighting the annual flower festival. Mrs. H. S. Murray, Jr. was in charge of the movie.

Hostesses were Mrs. E. W. Cowden and Mrs. Joe Smith. Mrs. E. V. Mitchell presided during the business session. An arrangement of Job's tears in a black pottery container was displayed by Mrs. L. F. Uhrig. Mrs. Harry Russell was program leader.

Plans for the proposed Woman's Club building were shown by Mrs. Coe Milk. A plant exchange was held following the meeting.

Others attending were Mrs. Frank W. Reeves, Mrs. E. A. Wahlstrom, Mrs. Max David, Mrs. R. G. Brantley, Mrs. Barney Graft, Mrs. H. W. Mathews, Mrs. Frank Downey, Mrs. Paul Lathrop, Mrs. J. J. Travis, Mrs. George Putnam, Mrs. J. H. Free, Mrs. L. A. Kuykendall, Mrs. Ed Shakely, Mrs. James E. Peck, Mrs. Earl Johnson, Mrs. W. E. Scott.

Mrs. Morgan Gist, Mrs. Charles Sherwood, Mrs. I. W. Hynd, Mrs. W. B. Johnson, Mrs. W. H. Dunn, Mrs. John Stulley, Mrs. Frank Shriver, Mrs. Clyde Sharrer, Mrs. C. D. Templeton, Mrs. E. C. Rühmann, Mrs. Cal Boykin, Jr., Mrs. E. D. Williams, Mrs. John M. Cantner, Mrs. A. B. Jenks, Mrs. Jo Chastain, Mrs. Coe Mills, Mrs. H. S. McFadden, Mrs. A. J. Hill, Mrs. Richard Hinkle and Mrs. Willard Bumpas.

FROM ODESSA

Mrs. F. A. Thorpe and Julia Madrox of Odessa visited here Tuesday.

FROM SNYDER

Mrs. E. D. Bailey and Frances McWilliams were in the city Tuesday from Snyder.

MAKE BELIEVE WITCHCRAFT—Three cast members from the Midland Community Theater production of "Bell, Book and Candle," a fantasy on modern witchcraft, prepare a "hek" for an old enemy. Pictured to the right is Betty Simpson as Gillian Holroyd. With her are Robert Bickham as her brother, Nicky Holroyd, and Betty Gaines as their Aunt Queenie Holroyd. The play will have two more performances, at 8:30 p.m. Wednesday and Thursday in the City-County Auditorium.

Lubbock Firm Bids Low On Ward Project

AUSTIN—(P)—Twenty-two road jobs attracted low bids totaling \$4,411,248, the Texas Highway Department reported Tuesday.

Bids on additional projects were being tabulated Wednesday. Bids Tuesday included: Ward—Farm 871, 872 and 1219, 16.5 miles grading, structure, base and surfacing; Henry Stafford, Lubbock, \$159,813.

Pains, distress of "those days" stopped or amazingly relieved in 3 out of 4 cases in doctors' tests!

Here's wonderful news for women and girls who—each month—suffer the tortures of "bad days" of functionally-caused menstrual cramps and pain—headaches, backaches, and those "no-good," dragged-out feelings.

It's news about a medicine famous for relieving such suffering! Here is the exciting news. Lydia E. Pinkham's Vegetable Compound—gave complete or striking relief of such distress in an average of 3 out of 4 of the cases in doctors' tests!

Yes! Lydia Pinkham's has been proved to be scientifically modern in action!

This news will not surprise the thousands of women and girls who take Lydia Pinkham's regularly and know the relief it can bring.

And it should encourage you (if you're not taking Lydia Pinkham's) to see if your experience doesn't match theirs... to see if you, too, don't avoid the nervousness and tension, weakness, irritability—and

How Lydia Pinkham's works. It has a "calming" and soothing effect on the uterus... quieting the contractions (see the chart) that so often cause menstrual pain, cramps, other distress.

pain—so often associated with "those days!" Remember Lydia Pinkham's, too—if you're suffering the "hot flashes" and other functionally-caused distress of "change of life." Get Lydia Pinkham's Compound or new, improved Tablets with added iron (trial size only 50¢). Start taking Lydia Pinkham's today!

Spring Fashion Show Held At Country Club

Spring fashions were previewed by 350 members and guests of the Midland Country Club who attended a style show and tea given Tuesday by the club's Ladies Golf Association.

Twenty models showed the fashions in the club ballroom, decorated as a Spring garden. The models entered the ballroom on a miniature stage which was decorated with a plume-bedecked trellis, and promenade down the center of the ballroom to the stage proper.

Decorations for the large stage featured a stone fountain and a white trellis, which was entwined with flowers.

Presented in three sections, the fashion show opened with morning and informal wear, such as bathing suits, dusters, brunch coats and tesorador pants.

The second section of the showing featured luncheon and afternoon ensembles. Typical of the garments in this division were the linen suits and shantung dresses. Colors ranged from white, blues and yellows to beige and green.

Short formal dominated the third division, which included evening wear. The concluding division was climaxed with a grande finale, when all models re-entered the ballroom.

Commentator Named Mrs. James Martin was the commentator for the event. Background music was furnished by O. E. Vaudell, organist.

Business firms assisting included The Dunlap Company, Colbert's, The Sweater Shop, the Maternity Shop, Hinkel's Department Store, Francis Cole's, Balaban's, Gibb's, Blatherwick, Dana's, Grammer-Murphy and Barnes & Company.

A tea was held following the fashion show. Centering the large, round refreshment table was a birdcage filled with yellow gladioli and carnations. Greenery combined with the flowers spilled out onto the table, which was laid with a yellow cloth fringed in green.

Others attending were Mrs. W. B. Caldwell, Mrs. D. K. Spellman, Mrs. G. H. Dunnagan, Mrs. F. M. Breene, Mrs. F. E. Marriah, Mrs. C. Snodgrass, Mrs. O. E. Vaudell, Mrs. Kate Black and Mrs. R. W. Walls.

Assisting in the presentation of prizes for the afternoon were Liza Jane Payne, Lynn Stoltenberg and Sue Ann Stoltenberg.

Tejas To Fete Woman's Club

The Tejas Garden Club will be hostess to the Midland Woman's Club, Inc., at a tea from 3 to 5 p.m. Thursday in the home of Mrs. Miles Hall, 1500 Outhbert Street.

In keeping with the theme, "Trash and Treasures," each Tejas member will display a collection of sentimental value. The exhibit will include silver spoons, china plates, cups and saucers, pitchers, rocks, string and costumes from foreign lands.

Mrs. D. E. Smith will be co-hostess. Others assisting will be Mrs. Fred Girdley and Mrs. K. W. Edmondson, refreshment committee, and Mrs. H. W. Colbert, hospitality chairman. Mrs. W. Harry Rhodes is president of the Woman's Club and Mrs. R. L. Spencer heads the hostess group.

All individual and prospective members of the Woman's Club, as well as members of share-holding clubs and the garden clubs are invited to attend.

Alumnae Meet In Country Club

Mrs. J. T. Miller, Mrs. John Holland and Mrs. Harold Schull were hostesses to the Chi Omega Alumnae Association Tuesday at a meeting in the Midland Country Club.

A centerpiece of lilies and ranunculus on the table carried out the St. Patrick's theme. Those attending were Mrs. W. R. Berber, Mrs. Dick Calkins, Mrs. Ed McCollum, Mrs. Cyrus Kilgore, Mrs. W. H. Fryor, Mrs. Malcolm Powell, Mrs. Russell Cornell, Mrs. Nick Carter, Mrs. Jack Huff, Mrs. H. D. Teal, Mrs. Fred Howard and Mrs. Fred Wright.

Marine Training Unit To Meet Thursday

The U. S. Marine Corps Volunteer Training Unit No. (G) 8-11 will meet at 7:30 p.m. Thursday in the McClintic Building, Room 310, with Lt. Col. Philip J. Yeckel in charge.

Instruction will be given by Malcolm McCurdy of Big Spring, who will speak on "Unit Tactics in Korea," and Len McCormick, Midland attorney, who will lecture on "Uniform Code of Military Justice."

All Marine Corps reservists are asked to attend.

Scholastic Boost Forecast At Pecos

PECOS—Approximately 90 percent of the Pecos school census task has been completed, according to Superintendent Ray Whitley. The deadline is April 1.

Whitley said incomplete figures reveal that the school census this year will be much higher than the last report of 2,962.

THE MIDLAND REPORTER-TELEGRAM, WEDNESDAY, MARCH 18, 1953—5

SRO Audience Sees P-TA Fashion Show

On a stage decorated as a make-believe Bunny Lane, 45 models presented fashions for the younger set in the third annual Easter style show of children's clothes sponsored by the David Crockett Parent-Teacher Association.

The fashion show was given for a standing-room-only audience Tuesday night in the David Crockett Auditorium.

Decorations for the stage featured a large Easter bunny and tumbleweeds sprayed with pastel colors to simulate clouds.

Glenda Gayle Anderson, a sixth grade student in the school, was commentator for the event. She was wearing a dress of blue dotted swiss, with a pink corsage.

Business firms participating in the show were The Dunlap Company, the J. C. Penney Company, W. W. Virtue, Inc., Hinkel's Department Store, The Fair, The Mayfair, Hyde's Tot Shop, the Kiddies Toggery and S&Q Clothiers.

Tryouts Planned For MCT Play

The time has been changed for the tryout sessions for the next production of the Midland Community Theater. They now are scheduled for 3 p.m. Sunday and 8 p.m. Monday and Tuesday in the City-County Auditorium.

The forthcoming production is "Joan of Lorraine" by Maxwell Anderson, which will open about April 30.

There are seventeen parts for men and five for women. Candidates are asked to attend at least two of the three tryout sessions.

SMU Exes Plan Corral In Pecos

PECOS—Staging of the 30th annual Mustang Corral has been scheduled for 8 p.m. Tuesday, March 24, in the Pecos Country Club.

The Corral is an annual get-together for former students of Southern Methodist University in celebration of SMU's Alumni-Founders Day.

President Mrs. James Gallemore and Claude Ferebee, chairman of the 1953 Corral, point out, in urging all exes to attend, that the Pecos club's charter will be presented at the event. Entertainment will be the SMU-Texas A&M football picture.

★ Daddy Ringtail ★ Daddy Ringtail And Pencil Pusher

Daddy Ringtail, your monkey friend, and Mugwump monkey, the monkey boy, live far away in the Great Forest, up in the top of a very tall tree, up in a monkey house.

Now they were down on the ground by the Elephant Path. They were sitting on a rock. They were waiting for the Pencil Pusher to come along. They wanted to see what he looked like.

"Daddy Ringtail," said Mugwump, "the Huffen phoned a while ago. He said the Pencil Pusher was pushing past his house while he told me about it."

"Well," said Mugwump, "it sure does take him a long time to push down our way."

Mugwump waited. Daddy Ringtail waited with him. They waited and waited and waited—there where they sat on the rock, waiting to see the Pencil Pusher. Why, it was

almost time for supper, and still the Pencil Pusher hadn't yet come along—but—wait!

Daddy Ringtail could see a something coming. It was some-

down the Elephant Path. He was coming oh! so slow.

Daddy Ringtail waited for him to come. Mugwump waited. It was almost time for supper now sure enough, but then—at last—the Pencil Pusher had pushed his way up at last.

He was a fat little old man with long nose like a banana. The nose

The BIBLE —Can You Quote It? —LAVINA BOSS FOWLER

By Wesley Davis

He was pushing along on his hands and knees, pushing a pencil with his nose, pushing it along the ground.

"Why do you do it, Mr. Pusher?" Mugwump asked.

Mr. Pusher laughed to hear the question. "Because it gets me attention," Mr. Pusher explained. He said he always got much attention from all of his pencil pushing. Why, often too, folks would ask him to eat supper with them, and so Daddy Ringtail asked him to supper, and Mr. Pusher said yes indeed, he would be happy to have his supper at Ringtail's house. And after supper, he pushed his way down the Elephant Path on and away, pushing the pencil in front, all to be at someone's house in time for breakfast if they asked him, which Mr. Pusher was sure they would. Happy day!

(Copyright 1953, General Features Corp.)

Famed Chicago 'Boul Mich' Turns Into Hole In Ground

CHICAGO—(P)—Michigan Avenue is being turned into a hole in the ground. Chattering pneumatic hammers bit into the pavement of one of the world's most famous streets Wednesday, and chugging scoop shovels dug huge divots of dirt. Only a three-block section, between Randolph and Monroe Streets, is being torn up. And the defacement is only temporary—if you can stretch the term to cover a nine-month period. The digging is being done for the city's first underground garage. Parking space for 2,350 cars will be provided under the boulevard and adjacent Grant Park. Meanwhile, "Boul Mich," from the Chicago Public Library to a point near the Chicago Art Institute, will look like a garbage dump.

The smartly groomed people who operate the swank shops along the avenue take a dim view of the project. Automobile and bus traffic has been diverted into a bypass. The first thing that was removed from the path of progress was the park. Poles used to stand in the shade of the classic columns and feed the pigeons. A reporter asked the Chicago park district what had happened to the pigeons. "They went back to the library," a spokesman said. "They are very erudite pigeons." The library confirmed that the pigeons were back, but said that "erudite" wasn't the word for them.

Eden Stands Pat Against UN Place For Chinese Reds

LONDON—(P)—Foreign Secretary Anthony Eden says Britain's Conservative government will oppose UN membership for Communist China as long as the Chinese Reds are "in full aggression against the United Nations and shooting down our troops." His statement in the House of Commons Tuesday night was cheered by members of his party. It replied to a question from Laborite Clement Attlee, the ex-prime minister and opposition leader. Attlee described the Peiping regime as "the real and effective government of China," and asked why it was not on the UN Security Council instead of Chiang Kai-Shek's Nationalists.

Civilian, Soldier, Scientist Learn New Lessons From Latest Atomic Test Blast

By BILL BECKER

LAS VEGAS, NEV.—(P)—On a friendly practice field of the Atomic Energy Commission, American civilian and soldier alike may have learned new lessons to wrest victory out of atomic war. These are the pointers indicated by Tuesday's double-barreled nuclear test:

JAP CHRISTINE BECOMES CHRIS

NIGATA, JAPAN—(P)—A successful change of sex the reverse of Christine Jorgensen's Danish transformation was reported Tuesday in domestic court here. Kiyoko Hirose, 26, asked for a name change to the masculine Kiyoshi. Since birth Kiyoko had been regarded as a female. She attended girls' school and joined the young women's association of her village. She entered Kobayashi Hospital in Arai February 6 for three operations and a month later, Kiyoko was pronounced a man.

you have a solid concrete basement. 3. If caught in the open, lie flat on the ground if no good shelter is available. For soldiers: 1. Crouch in a foxhole or lie flat. Army officers think now that the dug-in soldiers could have remained above ground, lying prone, at their two-mile distance from Tuesday's blast tower on Yucca Flat. Bomb Can Be Friend 2. Watch the wind and stay behind it. The breeze after the detonation at 300 feet swept the radioactive column and cloud eastward across the flat, where it hung threateningly for hours. But troops were able to march north through the vicinity of ground zero. 3. The bomb can be a friend if instructions are followed. Like their predecessors in atomic maneuvers, the 1,000 foot soldiers and 500 observers found little to fear in foxholes. Most said it wasn't as bad as they expected. Elton Fay, Associated Press military affairs reporter, found himself most impressed by "the unearthly white light" as he crouched face down in a five-foot trench. 4. Earth shock can be as potent a weapon as blast in a low-level explosion. Fay concluded. The prolonged shuddering of the desert, Fay and other observers believe, contributed greatly to the quick collapse of the first civil defense test house, 3,500 feet from the tower. For the scientist, the first atomic test of 1953 brought reaffirmation that: 1. Smaller bombs can pack a

real wallop. The device packing the explosive power of 15,000 tons of TNT and only three-quarters the strength of the Nagasaki or normal A-bomb, made itself heard or felt in a number of communities including Las Vegas, 76 miles away, Medford, Ore., about 600 miles distant, and Los Angeles, almost 300 miles away. 2. The U. S. civilian and soldier are growing up to the atomic age. Reporters covering the AEC and FCDA events of the last three years sensed increasing awareness of the importance of survival measures. The AEC scientists found an eager audience in civil defense workers. Civil Defense Administrator Val Peterson, one of the front-line observers, indicated he will seek a considerable boost in the civil defense budget. Budget deficiencies, FCDA said, enabled it to build only two houses for the test. Besides the demolished first home 3,500 feet from ground zero, the second— at 7,500 feet— stood up through the blast, but suffered about 50 per cent structural damage. Basement Safest Place Flying glass from shattered windows might have killed or badly injured tenants. Of the make-believe family of mannequins, those upstairs were knocked down or broken, those in basement shelters were virtually unharmed. Most of the 59 cars on the flat were damaged. Two at distances of 3,800 and 5,000 feet burned; three others at a half-mile were twisted into scrap. In many cases where all windows were left closed, the tops of the cars were caved in by the

blast pressure. Other landmarks of the test: Joshua trees set aflame at one and one-half miles; wood stakes charred at 4,500 feet; a bunker left intact at 3,000 feet, but supporting sandbags partly burned; the sand scorched black in a 1,700-foot ring; an M-24 tank weighing 22 tons moved 50 feet by the blast at less than a quarter-mile; and within the 500-foot mark, a landing craft with tractor treads torn apart. But the most impressive point of all was ground zero. The steel shot tower was gone, vaporized by the tremendous blast heat, leaving only the concrete base. There was no reports of any injury to soldiers. The effect on animals in various bunkers, some as close as 400 yards, was not disclosed immediately.

GREED WAS HIS UNDOING

NEW YORK—(P)—Herbert, the only walrus in the United States died Tuesday while still a baby of 858 pounds.

Bronx Zoo officials said the two-year-old walrus would have reached maximum weight of about 3,000 pounds in a few years.

Herbert's death was attributed to an intestinal obstruction caused by a rubber ball which he swallowed last week.

Make biscuits tonight...extra light! Make them with new Crisco!

New Crisco—the one and only—does wonders for your hot breads!
YES—to turn out the lightest, most tender biscuits possible—the answer is new Crisco! There's just no carton shortening to match it.
You see, Crisco is pure, it's all-vegetable. And the new Crisco now at your dealer's is creamier than any other leading vegetable shortening... so creamy it blends with a fork. Why, with new Crisco, even a beginner can turn out tender, golden-brown biscuits... as digestible as they are airy-light.
Prove it! See how different new Crisco is. How much whiter it looks, how fresh and sweet it smells. And Crisco keeps fresh without refrigeration, never varies as even the best of carton shortenings do. Once you bake with new Crisco you'll agree... it's America's finest shortening!
use **Crisco** it's digestible
MORE WOMEN BAKE AND FRY WITH CRISCO THAN WITH ANY OTHER BRAND OF SHORTENING

Doran Favors Stepped-Up Campaign To Sell Turkeys

A stepped up campaign to sell more turkeys during Easter and a program to make the Texas turkey industry less dependent on government controls and price support is favored by Hill Doran of the Doran Produce Company, Andrews Highway, Midland.

Commenting on the results of a recent meeting of the Texas Turkey Federation at Dallas, Doran said that he will go along with any program to remove excess stocks of turkeys now on hand before new turkeys start coming in and hurt turkey growers, distributors and retailers.

"I think the government should buy the type of turkeys the growers have a surplus of, which is usually the Big Toms and which are

suitable to their needs. It isn't necessary for the federal government to guarantee prices; we can get along without that," said Doran.

The Midland turkey man said that the Doran Produce has approximately 3,000 pounds of turkeys here in Midland and more than 5,000 pounds in its Brownwood branch. Most of the birds weigh 14 pounds and up and are in frozen form. Doran said sales have been good this year.

Present retail turkey prices are 10 to 15 per cent lower in most sections of the country as compared to 1952 levels, according to the Associated Press.

GRIPING FEMS SAY TOO MUCH

DETROIT—(AP)—Ernest Hazelton, a bus driver, abandoned his load of 30 work-bound riders Tuesday when he became rankled by women passengers' comments about his driving.

"All right, ladies," he shouted, "you want to drive the thing. Drive it."

Hazelton grabbed his jacket and disappeared.

"I'm sick of people," he said. "I quit."

Commons Approves Denationalization Of Steel Industry

LONDON—(AP)—The Conservative government's bill to repeal the previous Labor regime's nationalization of the steel industry won House of Commons approval Tuesday night and was sent to the House of Lords for final action. Little effective opposition was expected in that predominantly Conservative body.

Commons voted, 304-271, to approve, on its third reading, the legislation authorizing Prime Minister Churchill's government to auction off the vast industry after April 5.

In a noisy debate before the vote, Supply Minister Duncan Sandys, who is Churchill's son-in-law, said the measure will "undo the folly" of the Nationalization Act of 1949, passed by the previous Labor government.

Former Laborite Supply Minister George Strauss charged the Conservatives with "political expediency and prejudice." Labor party leaders have said they again will take the iron and steel industry—a main sinew of the British economy—out of private hands if they get back into power.

Casualties in Korea

WASHINGTON—The Department of Defense Tuesday night identified the following Texas casualties in the Korean area:

Wounded, Navy: HM-1 Donald A. Russell, Houston.

Wounded, Marine Corps: Pfc. Mitchell Doggett, Orange; Pfc. Samuel Myers, Flour Bluff.

Patterson Upped To Lieutenant

The promotion of Bill Patterson from sergeant to lieutenant in command of the Detective Division was announced Wednesday by Police Chief Harold Wallace.

At the same time, Wallace announced that Wayne Taylor had been promoted to detective sergeant.

Airt Passenger Halts Runaway Cab

GLENDALE, CALIF.—(AP)—Taxi driver Arthur Stafford, 66, collapsed at the wheel Tuesday. The taxi swerved across the center line of traffic and headed for crowds of shoppers in front of a department store.

His passenger, Mrs. Virginia Rives, 25, climbed into the front seat and brought the vehicle to a stop.

Stafford was dead of a heart seizure when he arrived at a hospital.

Pecos Bank Gains In National Lists

PECOS—The Security State Bank of Pecos has gained 166 places in its standing among the 2,900 largest banks in the United States according to the Daily American Banker, the trade newspaper.

Reporting deposits of \$7,175,344 last December 31 the Security State jumped to the 2,824th largest in size compared with 2,990th at the end of 1951.

The gain by the Security State was revealed in the 1953 annual roll call of the larger banks in the United States published in the Daily American Banker. There are 14,000 banks in the United States.

Criminal Career Ends Early For Five-Year-Olds In City

The criminal career of a couple of five-year-old youngsters came to a sudden halt Tuesday and their mother was happy to apply the proper punishment.

Detective Sgt. Wayne Taylor tracked down the tiny tots after W. F. Tedford, who lives in a trailer house at Washington and Weatherford Street, reported someone had stolen a suitcase and metal box from his home Monday night.

The missing articles, valued at \$125, were found in the possession of the youngsters at their home a short distance away.

"We didn't even have to give them a lecture," reported Sergeant Taylor. "Their mother said she would take care of them and she already had started by the time I left."

Spiritual Diary for Lent

They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.—Isaiah 40:31.

Today's Message
The redeemed nature seeks the higher altitudes of the Spirit. The carnal nature seeks the low altitudes of the flesh. Modern mechanics have overcome the law of gravitation, so that men may fly aloft in defiance of the physical law that would pull them down. The gravitation of sin in the flesh, but the indwelling Holy Spirit in the Christian lifts him into the higher altitudes with God, where he receives the renewed strength that issues in the ability to perform the tasks of life; to overcome the difficulties of life; and to conquer in the battles of life.

The secret of victorious Christian living is with them who, through waiting upon the Lord, rise to the higher spiritual altitudes with Him. The soul that dwells in these uplands, and breathes their invigorating atmosphere of faith and hope and love and peace and joy and assurance, will run without weariness and walk without fainting.

—MILLARD A. JENKENS
Baptist Church Evangelism and Bible conference work.
Abilene, Texas

Today's Prayer
Our Heavenly Father, may we ever seek those things that are above, where Christ is and, through godly living, so adorn our holy religion that others may see Jesus in us, and want Him too. For His sake. Amen.
(From "The Spiritual Diary," published by Austin-Phelps, Inc. Copyright 1951, by Bennie Caroline Hall, Editor. Distributed by NEA Service.)

Permian Basin Oil And Gas Log—

(Continued from Page One)
The six miles southwest of the town of Lovington.
More hole was being made below 9,889 feet.

Good Attendance Is Expected For Drillers' Dinner

More than 100 persons are expected to attend a dinner meeting of the Permian Basin Chapter of the American Association of Oilwell Drilling Contractors Wednesday night.
The affair will be at Ranchland Hill Country Club. It will start at 6:30 p.m. with a fellowship hour. Dinner will be served at 7:15 p.m.
There will be two speakers. Each will present short addresses on safety activities.
Speakers Listed
H. L. Lanier of Hobbs, N. M., safety engineer with Makin Drilling Company, will talk on "Training and Safety." C. J. (Dutch) Jensen of Midland, president of Carl B. King Drilling Company will speak on "Economics of Safety."
J. S. (Mickey) Bell of Midland, with Henry Black & Sons, president of the regional organization of the contractors, will preside. Clyde D. McHam, also of Midland, with Rowan Drilling Company is secretary-treasurer of the chapter.

Inca Completes Morris Opener In C-N Runnels

Inca Drilling Company has completed No. 1 W. H. Cole as a discovery from the Morris sand in Central-North Runnels County.
It flowed 336 barrels of 39-gravity oil per day through a 12 5/8-inch choke and perforations from 3,678 to 3,678 feet. Gas-oil ratio was 996-1 and flowing tubing pressure 155 pounds with packer on the casing.
Location of the new opener is 1,262 feet from south and 3,300 feet from east lines of the Thomas J. Hardeman survey and six miles northeast of Winters.
That makes it one mile west of the Sykes (Morris) pool but separated from it by a 4,573-foot failure.

WT Counties Get Five Dry Testers

Five wildcats have been plugged and abandoned in West Texas Counties.
La Gloria Corporation and Cummins, Berger and Smith No. 1 Shannon Estate, tester in Northeast Crockett County, was quit at 7,660 feet. Elevation was 2,858 feet.
Location was 1,900 feet from south and 896 feet from east lines of section 23, block UV, GC&SF survey.
In Central-East Runnels County, John J. Elaner No. 1 M. Thompson,

was abandoned at 3,785 feet. The following tops were reported on Kelly bushing elevation of 1,948 feet: Canyon, 2,882 feet and Strawn 3,280 feet.
Had Gas Cut Mud
On a 30-minute drillstem test between 3,442 and 3,460 feet, recovery was 30 feet of slightly gas cut mud. Shutin pressure was zero.
Recovery was 30 feet of drillstem mud with no shows on a drillstem test of unreported length in the Caddo lime at 3,735-43 feet.
No. 1 Thompson was 560 feet from north and 1,065 feet from west lines of section 114, A. C. Kelsey survey and one-quarter of a mile west of Talpa.
C. L. Norsworthy, Jr., of Dallas has plugged and abandoned his No. 2 Mrs. R. F. Spencer, wildcat in Southeast Schleicher County. It was drilled to total depth of 6,510 feet.
Location was 660 feet from north and west lines of section 49, block A, John H. Gibson survey and 15 miles southeast of Eldorado.
Another Failure
Ray Morris Drilling Company No. 1-A Arthur Stuart is a dry wildcat in Southeast Sutton County. Total depth is 4,325 feet.
It was 660 feet from south and 550 feet from west lines of the southeast quarter of section 68, block 7, TW&NG survey.
In Southwest Tom Green County, Jones and Lyons have abandoned No. 1 Mrs. Ann Sharp, on total depth of 403 feet in red sand.
It was located 330 feet from south and 2,380 feet from east lines of section 1195, HE&WT survey and one mile east of Knickerbocker.

Ellenburger Wildcat Set For Schleicher
Taylor Oil & Gas Company No. 1 J. F. Webster is a new wildcat in Northeast Schleicher County.
Location is 330 feet from north and west lines of section 1, block 8, TW&NG survey and 26 miles east of Eldorado.
Rotary tools will be used to drill to 6,000 feet for a test of the Ellenburger. Operations will begin at once.
Drillsite is one mile west of a recently completed Ellenburger gas-distillate discovery.

SE Reagan Gets Shallow Wildcat
Philip R. Johnson of Midland has staked location for his No. 1 O. H. Walters and others as a 2,800-foot rotary wildcat in Southeast Reagan County.
Drillsite is 330 feet from south and west lines of section 1, GC&SF survey, certificate 5036 and two and one-half miles southeast of Big Lake.
Operations will begin at once.
It is four and one-half miles west of the Barnhart (Ellenburger) field and four and one-quarter miles southeast of the Big Lake, West (Ellenburger) pool.

Slight Change Made In Culberson Site
El Paso Natural Gas Company has made a slight change in the location for its No. 1 J. M. Montgomery-State, slated 8,000-foot wildcat in Central-East Culberson County.
The new location is 1,300 feet from north and 960 feet from west lines of section 17, block 100, psi survey. It is 33 miles northwest of Kent. Drilling is to start soon.
The location originally announced for this project was 1,320 feet from north and 960 feet from west lines of section 17, block 100, psi survey.

Indicated Opener In SE Nolan Gets Water On Tests
Stanford Oil & Gas Company No. 1-E TXL, wildcat and indicated King sand discovery in Southeast Nolan County, has developed water on a drillstem test from 4,685 to 4,740 feet.

FUNNY BUSINESS

"For heaven's sake, stop dreaming about the coronation—this is the second time you've crowned me with the lamp shade!"

Death Strikes Cattle Cargo

SANDERSON—Approximately 80 head in a shipment of 205 mixed-age Hereford type steers are dead here with the cause believed to be a form of poisoning.
The cattle were loaded out of Spofford on the Southern Pacific Railroad lines at 8 p.m. Monday. They were being sent to Brawley, Calif. Spofford is southeast of Bracketville.

Before arrival in Sanderson Tuesday, 44 of the animals were dead. About 30 more have died since workers started unloading the steers into stockpens here.
A veterinarian called in from Del Rio performed post mortems on two steers. Stomach and intestinal samples were flown to San Antonio Tuesday night for analysis.
The veterinarian said he thought the animals died of some form of poisoning. The cattle, reported to be from Mexico, had been on the five freight cars 13 hours before unloading operations started in Sanderson.

Six Midlanders Enter Military
Six Midlanders qualified Tuesday at the Army-Air Force Recruiting-Induction Main Station at Abilene and left Tuesday night for Fort Sill, Okla., where further steps for admission into the military started Wednesday.
Sent to Abilene by the Midland board were Arthur L. Sam, Jose A. Pierre, Jesus G. Corrales, Theodore G. Lascello, George L. Langston and Amos J. Jackson.

Crane Couple Attends Funeral For Relative
CRANE—Mr. and Mrs. Roy Ward left Crane Tuesday to attend funeral services for an uncle, Lee A. Ward, planned Wednesday in Weatherford. Lee Ward, a pioneer of Weatherford, died of a stroke.
He is survived by two daughters, Mrs. Mary Ruth Sharp of Weatherford and Mrs. Yearby Ward of Pennsylvania.

Tennessee Is To Dig Prentice Flanker
Tennessee Production Company of Midland No. 1 H. A. Hedberg is to be a steppout to the proven area for Clear Fork-Permian production on the northwest side of the Prentice multiphase field in Northeast Yoakum County.
Location is 1,380 feet from north and 660 feet from east lines of section 32, block D, John H. Gibson survey. Drilling to 7,000 feet is to begin at once.
The drillsite is eight miles northwest of Tokio.

Tom Green Field Gets Second Well
Taylor Oil and Gas Company No. 1-B George Foster Rust, southwest offset to the discovery well of the Rust, South (Strawn) field, of Tom Green County, has been completed as the second oiler for the area.
Operator reported a daily pumping potential of 25.79 barrels of 36.1-gravity oil, plus 45 per cent water from perforations at 4,528-538 feet. Gas-oil ratio was 842-1.
Location of the new oiler is 963 feet from south and 330 feet from east lines of I&ON survey No. 15.

Largest Amphibious Vehicle Sinks; Three Crewmen Die

SAN FRANCISCO—The U. S. Army's newest and largest amphibious cargo vehicle—the BARC—sank Tuesday night and all three crew members were drowned, the Sixth Army said Wednesday.
The craft, completed only last September and still under test, went down suddenly and unaccountably off Pigeon Point, about 20 miles south of here. It was being towed by an Army tug from Monterey Bay to San Francisco. Rough weather made it impossible to determine the cause, the Army said.
A Coast Guard cutter recovered the bodies. It also picked up debris from the craft, which will be studied for clues to cause of the sinking.
Capt. Marshall W. Eslinger of Fort Eustis, Va., was captain of the vessel.
Names of the two crewmen were withheld.
The BARC (barge, amphibious, resupply cargo) had its first demonstration at Ft. Ord, Calif., and is to be publicly shown here Thursday. The craft was then to be shipped to Ft. Story, Va., for further testing.
The BARC, designed to carry up to 100 tons in emergency, was 61 feet long, 27 1/2 feet wide, and 15 feet high. It moved on the largest tires ever built commercially—almost 10 feet high. Each wheel was powered by a 165-horsepower diesel engine.
Afloat, the BARC was driven by two propellers in its stern.

Midlander Heads Area Contractors

Houston Hill, Midland construction contractor, was installed Tuesday night as president of the West Texas chapter of the Associated General Contractors at the annual membership meeting in Abilene. He succeeds Frank Cannon of San Angelo.
J. L. Hair of Wichita Falls was named vice president and Ed Belanz of Abilene was re-elected secretary-treasurer.
New directors include Oscar Rose of Abilene, Bill Warner of San Angelo, W. O. McMillan of Lubbock and Hair.

THOUGHTS at 4 A.M.

It's four o'clock in the morning, and all the world's asleep.
But one man's head shifts upon his pillow. He looks again at the green-glow of the dial on his alarm clock. He hears the plaintive whistle of a train somewhere in the distance, and the murmur of the wind in the trees. They seem to echo his thoughts.
The thoughts that will not let him sleep.
"What will happen to Janie and the children if anything happens to me? How can I be sure they'll be secure?"
His mind flashes back to the terrifying moment a week ago when a truck shot out of a side road without warning. If he hadn't been able to swerve his car just in the nick of time... what then?
He recalls friends he'd known and newspaper stories he'd read—and all the things that had happened to other people. Things that could have happened to him.
"Am I getting morbid," he wonders, "...or am I being realistic? At any rate, it's high time I stopped just thinking about my family's future and started doing something about it."
What can he do?
That's entirely up to him... his personal decision.
But there are millions of family men among the 5,500,000 members of The Equitable Life Assurance Society who have faced this same problem... and who have done something about it!
They realize that regardless of inflation or

deflation, war or peace, fire or flood... life insurance is every man's "best buy."
They also realize that the dollars they pay in premiums for their life insurance do more than just provide protection for their families... because these same premium-dollars contribute in large measure to the overall security of their country.
While earning interest for the members of The Society, these premium-dollars build railroads and factories, finance homes, participate in a score of industries, help maintain millions of people on

payrolls, contribute materially to the highest living standards known to man.
Whether you are interested in figures or not, The Equitable's 1952 financial statement testifies to America's faith in life insurance as the basic means of providing for one's family and for one's self... protection that lets a man sleep soundly at 4 A.M.—or any hour—365 nights a year.
So... to the man in the picture above we say, "To be sure your family will be secure, call your Equitable representative today. He is as close as your telephone."

Condensed Statement of Condition as of December 31, 1952

\$70 SHORTAGE MADE GOOD—

Probers Look In Treasury Of U. S., Find Every Cent

WASHINGTON—(AP)—An unprecedented check of the nation's gold and silver and coin has ended and, a Treasury official said Wednesday, "everything is there."

That was a short report from Leland Howard, assistant director of the Mint, on a big subject: Almost 23 billion dollars' worth of gold at Ft. Knox, Ky., and elsewhere, plus two billions' worth of silver bullion and about 301 million dollars worth of coin not in circulation.

One shortage did turn up during an audit of the books of the former treasurer of the United States, a lady Democrat.

Don't look for a congressional investigation though.

Receipt Signed

The missing sum was only \$10, the government got it back, and the rest of the \$32,410,269,786.10 plus two-thirds of a cent is right where the former treasurer, Mrs. Georgia Neese Clark Gray, said it would be.

So the Treasury is sending Mrs. Gray a receipt from her successor, Republican Mrs. Ivy Baker Priest, and everybody is happy.

Mrs. Gray herself disclosed the "shortage" in an interview.

She said it was discovered during a separate audit of currency and securities, mostly foreign, which were in her custody.

Receipt Signed

The \$10 discrepancy, she said, turned up in the currency redemption division. Nobody knows just how it happened. Apparently somebody forgot to report the replacing of a beaput old \$10 bill by a new one or something of the sort.

Anyway, the chief of the division, J. T. Baczenas, promptly shelled out \$10 from his own pocket, Mrs. Gray said, and she sent him a check for the same amount.

Now about that two-thirds of a cent at the end of Mrs. Gray's cash-and-securities-on-hand total: Congress Reluctant

It's an odd amount based on the alleged value of some old state bonds in the treasurer's possession, Mrs. Gray said, and personally she wouldn't give you two-thirds of a cent for the lot of them.

"I wanted to write them off, as we'd do in the banking business," she said, "but I never could get Congress to do anything about it."

In its quest for any discrepancies between the amount the government carries on its books and what it actually has, the investigating committee of businessmen and government officials:

Big Piggy Banks

1. Counted the bars in about 10 per cent of all storage vaults. These

are at mints in Philadelphia, Denver and San Francisco; assay offices at New York and Seattle and the U. S. bullion depository at Fort Knox, Ky. About half the nation's gold is at Ft. Knox.

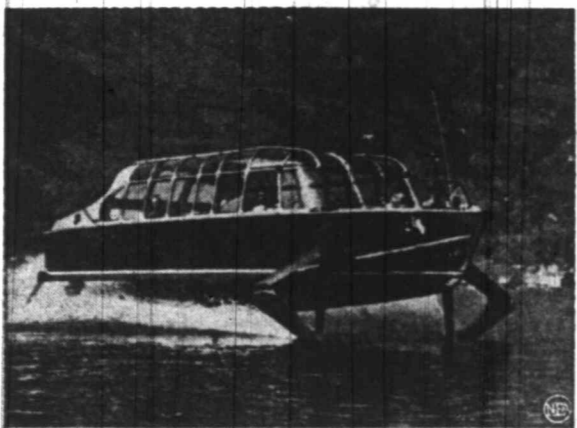

2. Weighed about 10 per cent of the gold bars counted.
3. Assayed a "moderate number" of the gold bars, to make sure they have the proper gold content. Each gold bar is worth about \$14,000.

Reds Charge U. S. Charity Just Plug For Chewing Gum

WASHINGTON—(AP)—U. S. government monitors reported Wednesday this domestic broadcast by the Budapest radio in Communist Hungary:

"During the recent floods in Holland one of the old churches in The Hague, the Grote Kerk, was badly damaged. The Americans, in their effort to spread the American way of life in Europe, in the sphere of religion as well as in other fields, have offered a large sum for the restoration of this church.

"In return for their pious generosity, the agents of gangster civilization demanded only one thing from the Dutch church: that once the restoration work is completed they should be allowed to put up Coca-Cola and chewing gum advertisements on its spire. U. S. capitalists are of the opinion that business advertisements and the cross can safely go together."

FLYING SHARK — Part bird, part fish, the "Flying Shark," a new type of boat, is thrilling visitors to Lake Maggiore, Italy. Forty-five feet long, with a capacity of 32 passengers, it is capable of speeds up to 50 miles an hour. At top speed long fin-like outriggers suddenly appear, lifting the boat above the water and giving passengers the sensation of actually flying.

Moslem To Show Exclusive Religious Pictures In City

Abdul Ghafor Sheikh, a young Moslem now studying in the United States, will be presented in a public lecture in the Midland High School Auditorium at 8 p.m. Friday, March 27, under the sponsorship of the Permian Basin Rifle and Pistol Club.

"Into Forbidden Mecca" will be the subject of his address, which will be illustrated with color slides and pictures. The pictures are believed to be the first to come out of forbidden Mecca.

John I. Moore, president of the

Rifle and Pistol Club, said the program will be one of the most interesting and informative ever presented here. He said the lecture will deal with the workings of the Islamic religion and with the customs and traditions of the Moslems.

Sheikh, who visited Moore in Midland about two years ago, is widely known as the Moslem "ambassador of good will."

He is a graduate of Dartmouth College and now is taking a post

The son of Sheikh Iliani Fazal of East Africa, Abdul Ghafor Sheikh returned to his native land last year for his third pilgrimage to Mecca, Islam's holy city in Saudi Arabia.

Concealing a camera in his flowing robes, Sheikh passed through guarded barriers to photograph unprecedented views of mystic rites. He also photographed hundreds of thousands of Moslem worshippers pitching camp on the desolate Plain of Arafat, then rushing pell-mell toward Mecca as sunset ended the ceremony.

The speaker will explain the ceremonies and the beliefs of the Moslems in his lecture here.

Sheikh is a native of Nairobi, Kenya Colony, British East Africa.

Tickets to the lecture may be obtained at the door on the scheduled date of the program.

Moore said the proceeds from the program will be used by the gun club in financing the building of a new shooting range.

The Permian Basin Rifle and Pistol Club has approximately 150 members in Midland and Odessa.

Abdul Ghafor Sheikh in rab costume

Taft Says Budget Cut Of Four Billion Will Balance Books

WASHINGTON—(AP)—Senator Taft (R-Ohio) said Wednesday a four billion dollar cut in former President Truman's spending estimates may be enough to balance the federal budget in the year beginning July 1.

Taft, the Senate Republican leader, said he believes from one and one-half to two billion dollars can be whacked off the cost of civilian activities but the remainder will have to come off the military program.

His budget-balancing estimates are much lower than those previously made by other congressional leaders.

Truman estimated that during the fiscal year the government will pay out \$78,600,000,000, about 10 billion more than expected revenues. But Taft said he doubts expenditures will rise much, if any, above the present annual rate of about 72 billion.

The Ohioan opposes a move by Rep. Daniel A. Reed (R-NY) to advance to July 1 a 10 per cent cut in income taxes that otherwise would become effective next January 1. Taft says the resultant loss of revenue would make it that much more difficult to balance the budget.

★ DR. JORDAN SAYS ★

Pesticides Used On Foodstuffs Are Possible Danger To Health

By EDWIN F. JORDAN, M. D. Written for NEA Service

No one needs to be told that the food we eat is important to the maintenance of health. In recent years a whole new set of problems has arisen with regard to our daily diet.

Briefly, these may be considered to be the effects of artificial fertilizers on the foods raised in soil so treated, the effects of dusts or sprays aimed at animal or vegetable pests, fungi or weeds, and finally, the influence on the body of chemicals added to foods to preserve their freshness, softness, or other qualities.

It is not possible to consider all these things in a brief newspaper column, and it must be confessed that the answers to many questions raised on these subjects are not known.

Some people feel, for example, that the artificial fertilizers may have a serious effect on the health of the nation, through altering the food products grown under such circumstances.

There is, however, little definite evidence that the effect is either harmful or healthful, and until the scientists are able to obtain more information, there is not much we can do about it. Personally, I am not alarmed unduly.

With regard to the substances used to attack insects and other pests on food-bearing plants or animals, it has been recognized that hazards are created. Two of the scientific councils of the American

Medical Association have been interested in this subject, as have other organizations.

It is recognized that when pesticides are poisonous to insects they usually are poisonous to man. They are less poisonous to human beings than to insects, of course, but pesticides carry possible dangers to those who come into direct contact with them. Every effort should be made to keep the amount which is eaten with the food down to the lowest possible level.

In closing an editorial discussion of this subject in the Journal of the American Medical Association it was said:

"Now physicians ask that foods be free from toxic residues of pesticides. . . . This is a subject that requires continued study and in which the efforts of all should be engaged in order to guard our foodstuffs from dangerous contamination."

Study Other Chemicals

Another enormous question relates to the addition of chemicals to various foodstuffs. Work on this subject also is going forward under the auspices of many agencies. In closing a report on this subject, for example, the Council on Foods and Nutrition said:

"Intentional chemical additives, especially those likely to find their way into basic foodstuffs or to find widespread application in a variety of foods, each of which may be frequently eaten, must not be permitted until the complete harmlessness of these agents can be demonstrated beyond reasonable doubt. Furthermore, the use of additives which lead to a significant decrease in nutritive value should not be permitted."

Leading Producers List For Equitable Includes Midlander

Gilvin (Gil) Broxson of the Equitable Life Assurance Society's Midland District staff, placed among the company's 100 leading producers for the month of February, it was announced here Wednesday.

Broxson started with Equitable in 1947 and has lived in Midland continuously since that time, with the exception of one year spent in Austin as district manager.

He contributes his success to his speciality in business insurance along with the rapid expansion of business interests in the Permian Basin Empire.

The society, according to its annual report, recorded an increase of \$476,000,000 in assets during the year, to bring its total to \$6,571,700,000. Individual life insurance paid for in 1952 totaled \$10,259,000, and new paid-for group life amounted to \$781,943,500. The report said 1952 was the largest year in Equitable's history.

JOINS HUSBAND

Mrs. C. H. Pearson, 403 Oak Street, left Wednesday for San Angelo, where she will join her husband for a few days' visit.

Available only at your **CONOCO Dealer**

CONOCO

DRAIN AND REFILL WITH CONOCO Super MOTOR OIL

While the engine is hot, he'll drain your winter-worn oil. He'll recondition air and oil filters, and most important of all, he'll refill your crankcase with the right grade of CONOCO Super—the motor oil that OIL-PLATES metal surfaces to help your engine *eat less—run better—live longer!*

CONOCO Super is a HEAVY-DUTY OIL

BUMPER-TO-BUMPER LUBRICATION

Using Conoco's special Check-Chart for your make of car, he will get to every single lubrication point, assuring smooth, squeak-free riding. And he'll replace winter-worn transmission and rear-axle lubricants with correct Spring-grade Conoco lubricants for quiet, wear-free operation.

FREE BATTERY CHECK-UP

Your Conoco Mileage Merchant will clean battery terminals and make sure your battery is in top condition.

FREE RADIATOR SERVICE

He'll tighten hose connections, flush the radiator if you wish, and see that your entire cooling system is set for warm-weather driving.

50,000-MILE TESTS PROVE THAT CONOCO HELPS ENGINES Eat Less! Run Better! Live Longer!

In 50,000-mile road tests, with 1000-mile oil changes and proper filter service, engines lubricated with Conoco Super Motor Oil delivered gas mileage 99.41% as good for the last 5000 miles as for the first 5000. And cylinders and crankshafts showed less average wear than 1/1000 of an inch. Proof that CONOCO Super, with Oil-Plating[®], helps engines *eat less gas and oil, run better and live longer!*

P.S. Fill your tank with CONOCO "Spring-Tailored" gasoline!

Dykes Choice Over Langlois

DALLAS—(P)—Bobby Dykes, the lanky Texan whose fistic fortunes struck a snag of three straight losses, expects to begin a climb back Wednesday night as he meets the slyer Frenchman, Pierre Langlois, in a 10-round nationally-televised bout in Dallas.

Still ranked No. 9 among the middleweights, Dykes is a mild favorite to beat Langlois, rated No. 4, in the first Texas fight ever to be on a nation-wide TV hookup.

There was little betting but what there was favored Dykes. The odds were six and five and take your choice. Dykes will weigh 156, the Frenchman 161.

A crowd of more than 5,000 is expected to be in the Sportatorium when the two battlers start trading punches at 9 p.m.

Dykes, 24, is from San Antonio. He has been fighting over six years and first attracted attention last year when he went 15 rounds with Kid Gavilan, the welterweight champion, losing a split decision.

Bobby has been in 100 fights, won 85, lost 10 and drew in five. He won his last two fights against

minor foes—after losses to Lester Felton, Gil Turner and Joe Miceli—beating Joey Arthur at San Antonio March 2 and Dick Vess at Corpus Christi March 9.

Langlois, 28, the artist with the left jab, fought as an amateur for a decade, and turned pro five years ago. He has had 68 fights, winning 54, losing 10 and getting a draw in four.

ARCHIE FELS ANOTHER GIANT

SPOKANE, WASH.—(P)— Archie Moore stopped 210-pound Al Spaulding in three rounds Tuesday night and then clamored again for Harry, Matthews, pride of the Northwest, or Rocky Marciano, king of the heavyweights.

The light heavyweight champion said he'll continue his one-a-week schedule until "I can smoke out Matthews or get the big guy."

Nats Stretch Hit Idea, So Do Enemies

ORLANDO, FLA.—(P)—The Washington Senators may have lost to the Brooklyn Dodgers Tuesday, but all was not in vain.

The hitting-conscious Nats found out one thing: Their Grapefruit League batting spree isn't all a fluke.

The Nats had been looking forward to the three-game Dodger series because they expected to see some good pitching. Nevertheless, the Washington hitters chalked up a respectable total of 18 hits and 10 runs for the full game.

Only trouble was, their mounds-men were pitching 17-hit ball against Brooklyn for 11 runs.

REDS TURN SLUGGERS
CLEARWATER, FLA.—(P)—Ted Kluszewski hammered out two home runs and Jim Greengrass added another as the Cincinnati Phillies handed the Philadelphia Phillies their ninth setback in 11 Grapefruit League tilts, 7-6, Tuesday.

MANTLE STREAK ENDS
ST. PETERSBURG, FLA.—(P)—Mickey Mantle's nine-game exhibition game hitting streak was at an end Wednesday.

The brilliant New York Yankees' centerfielder went hitless in four trips at bat Tuesday against the combined offerings of Boston Braves' Pitcher Warren Spahn and Virgil Jester.

JACKIE TIRED OF RUNNING
VERO BEACH, FLA.—(P)—Brooklyn's Jackie Robinson isn't a bit unhappy about shifting from second to third base.

"It'll be a pleasure to get away from having to pivot for the double play," he said Wednesday. "I sort of suspected they'd want me to move to third when I heard about Billy Cox becoming a utility man."

GRISSOM TRIES FLIPPER
SARASOTA, FLA.—(P)—Marv Grissom—who came to the Red Sox in the deal that sent Vern Stephens to the Chicago White Sox—will test his ailing pitching arm Wednesday against the Cincinnati Reds.

Manager Lou Boudreau also plans to use Bill Henry on the mound.

McMILLAN HITS SKIDS
TAMPA, FLA.—(P)—The Cincinnati Reds are going to have to do something about slick fielding Roy McMillan's hitting—the lad's batting average has slumped to .478. He was batting .528 until going hitless four times Tuesday in Cincinnati's 7-to-6 victory over Philadelphia.

Every regular in the National Hockey League has incurred at least one penalty this season.

TAKING IT OFF—Big league ball players learn this time every year that extra poundage comes off harder than it goes on. Here Bob Feller wipes perspiration off Cleveland teammate Early Wynn, shown losing weight in sweat box at Tucson, Ariz. (NEA)

SPORTS PARLEY

By CHARLEY ESKEW

It's almost enough to call off the West Texas Relays: First Andrews, then Midland, then all of Texas entered at the Border Olympics—they knocked the Bronchos of Odessa, like humpty-dumpty, off the high wall of Texas track supremacy.

Coach Pop Taylor, consequently, puts his host Broncos on the field Friday and Saturday with heavy heart, his three-year reign as schoolboy champs ending. His hopes—as he yields the favorite's role—remain in picking up individual prizes and, at most, getting a place-or-show spot in the ninth annual Odessa event.

Odessa is down in track this year, mind you, not out. When it scored only two and one-third points last week at Laredo's Olympics, Odessa's defending champion team boasted only a football-shortened group. Troy Moody, of the great Bronco sprint relay team of 1952, cut short football practice to enter the Laredo games. At that he placed.

Billy Joe Harville, the discus titlist at Odessa last year, is back now in the line of things but hardly at peak since he played basketball until a few weeks ago.

A host of gridders also rushed out Monday to boost Taylor's squad—to salvage the crumbling, golden fortunes of three straight state championships. Still the fact remains, this is the year the kingpin of Texas track is dead.

Who'll take over? Ray of Corpus Christi? It won't be the Border games. The Gulf Coasters may take charge but no one will give points on that bet until the West Texas Relays are run.

They're calling Amarillo the club to beat at Odessa Saturday and if that's right, then the Sandies also can be king in the state. For, with a big entry list reading 38 or 40 schoolboy squads, the West Texas games well could determine Texas' best squad.

Amarillo, incidentally, had the upper hand in prefiguring at Laredo but as a team fared poorly. It was reported that the Sandies were half-hearted in their efforts on the Border and their down-the-line finish shows the evidence.

One sprinter, in fact, was horseplaying in a room on Friday night, injured his foot and spent Saturday as a spectator instead of a finalist in the meet. It isn't likely Amarillo will spend two weeks in a row just enjoying the races. Presumably they'll come back strong at Odessa.

And that last item will be to Odessa's displeasure. A team trophy won Saturday by Amarillo would give the Sandies four of nine championships at Odessa, one more than the Bronco.

As for Midland entering the Relays, someone put them in a dark-horse role, for which Coach Edwin Nixon gives him thanks. But he says that's too high.

Naturally he was happy when his team outpointed Odessa in a dual two weeks ago yet it was no time for extolling MHS as a darkhorse favorite because of it.

Nixon said then, "We'll get our share of points." That's all. A little bit of something lacking in team strength (the way to pick up second, third and fourth place points in the majority of events) handicaps the Bulldogs. Midland's totals more than likely will be compiled as a few win blue ribbons, and by no means more.

For instance, Midland took its "winners" to Laredo and Coach Nixon was proved wise in his choice. Four runners—Bob Keisling, Dale Jobe, Roddy Braun and Roy Kimsey—all shared the mile relay championship in near record time. Kimsey copped the quarter-mile wreath. As a consequence, Coach Nixon's enthusiasm is at zenith over the West Texas Relays. He is sure his mile quartet will defend a 1952 title. "We're gunning for the record (3:32.2)."

Midland, too, gains by the end of Spring football practice and the thinly-dressed Bulldogs now are 21-strong instead of 14, the number which won that dual two weeks ago.

Bill Mims, a jack of all trades, went full blast at the outset Monday and already has earned a position on the sprint relay team. Don Evans, miler; Lionel Crisp, and Lee Wood, weight men; Orman Hubbard, high jumper, and Kenneth Schrum and Jimmy Watson, sprinters, go along now to Odessa. And their new presence should help a bit in Midland's keeping with that "darkhorse" role.

BORDER LOOP HONORS SCOTT

ABILENE—(P)—Bill Scott of Hardin-Simmons University here has been named the Border Conference's Coach-of-the-Year.

A poll conducted among coaches and athletic directors of the loop by the Arizona Daily Star gave Scott the recognition. His Cowboys won the conference title, recently.

Doyle Brunson, H-SU guard, was voted the most valuable player in the conference.

Bobby Avila of the Cleveland Indians was the only member of the Tribe in '52 to bat 300 or better against Reynolds, Raschi, Lopat and Spantz.

Pereni Confident Owners Will Allow Boston Transfer

ST. PETERSBURG, FLA.—(P)—The Boston-to-Milwaukee franchise shift hung in the balance Wednesday as the National League and American Association met to vote on the transfer.

Owner Lou Pereni was confident he would get approval to move his Braves into the minor league territory where he already operates a farm club.

"Somebody has to tell me why it isn't a good move," he said. "If they can show me it would be detrimental to baseball, I'll go along. But I won't be put off by any talk about this being too late to move. I'm apologetic about the timing. I'm sorry about it. But this is an

entirely different proposition than he talked with him.

The American Association, which was to meet an hour before the National League session, also was an important factor.

Bruce Dudley, American Association president, said it would require a 6-1 vote, with Milwaukee abstaining, to approve any transfer.

Pereni said he had contacted all National League owners, except Phil Wrigley of Chicago and John Galbreath of Pittsburgh. He said he had found no opposition.

"I have not stirred up an anti-movement," he said. "The owners are honorable men. I am sure they will make their decision on the basis of what is good for baseball. After I tell them my story I am confident they will say 'If that's what you really want, okay.'"

In the National League, a unanimous vote is necessary to approve transfer of a franchise. One club can block it. Although Walter O'Malley, Brooklyn owner, hinted he might oppose the move, Pereni said he had not so indicated when

'52 Champion Peoria Quint Joins AAU Quarter-Finals

DENVER—(P)—Six games Wednesday will complete the selection of eight teams for Thursday's quarter-finals in the AAU Basketball Tournament.

The defending champion Peoria, Ill., Diesel Cats slipped into the round of eight Tuesday night with a cake-walk over the Fort Sam Houston Rangers from San-An-

tonio, 91-62.

A husky crew of Marines from Quantico, Va., followed suit by brushing aside Milwaukee Allen-Bradley, 94-68.

Four other games Tuesday completed the first round. The Kelly-Ryan team of Blair, Neb., pulled a mild surprise by tipping over the REA Travelers of Artesia, N. M., 81-73.

The Travelers, composed of veteran AAU performers in the National Industrial Basketball League, didn't have the hustle to match the Blair team, made up of players from the Nebraska Collegiate Conference.

Everybody's Drug of Eugene, Ore., a team including some former University of Oregon stars, edged by Armstrong Vendors, Indianapolis, Ind., 68-62.

The Oregonians, however, bump into the Phillip 66ers of Bartlesville, Okla., in what appears to be the biggest mismatch Wednesday. The 66ers, champions seven out of the last 10 tournaments, butchered the Brooks Medical men from San Antonio, 105-67, in their initial outing Sunday.

The U. S. Air Force champions, Sampson AFB, Geneva, N. Y., meet Kirby Shoes, Los Angeles in one of Wednesday's top games. The Sampson club showed speed, team play and sharpshooting in disposing of a talented Young Men's Institute team from San Francisco, 78-62.

Bulldog Nine Opens At Odessa Thursday

Midland High School, which hasn't competed in baseball since 1949, puts the game back on the school's sports calendar Thursday with a non-district contest at Odessa.

The encounter is the first of two with the Bronchos, who return here March 26. The Thursday battle is set for 3:30 p.m. at Oiler Park while the return at Midland's Indian Park will be at 4 p.m.

Coaches Keith Bobo and Louis Grevelle Wednesday trimmed down the possible starters to about 14 from the 30-man traveling squad. Bobo said four hurlers probably will see action in Odessa—Boyer

McKnight, Snooky Roberts, Jack Harris and J. N. Steele. All are right-handers. The rest of the lineup was pretty well set with these: Jesse Hatfield, catcher; Walter Bingham, first base; Don Hudson or Charles Worthen, second base; Owen Grisham, shortstop; Billy Kiser, third base; and Bill Crenshaw, James Claiborne and Gerald Holt, outfield.

Since it ends a three-year drought of baseball at MHS, none of the players are lettermen. Most, however, have considerable experience as American Legion players. Coaches Bobo and Grevelle were determining their batting order for Thursday's game as the club worked out in Indian Park Wednesday.

Besides the starting group, the others bidding for the team are: Catchers Dick Spencer, Wayne Cooper and Joe Bowman; First Baseman Walter Cjimin, Second Baseman Johnny Burrows; Shortstops Bobby Green and Robert Payne; Third Baseman Joe Nicholson, Outfielders Joe Morris, Jack Don Stringer, Jerry Morris, Jack Shirley, Charles Hodges and Frank Hopper; Pitchers Johnny Warren and Roger Coll, and Manager Bill Cothran.

KU, Indiana Tussle Over NCAA Title

By SKIPPER PATRICK KANSAS CITY — (AP) — Phog Allen's "half scared and skinny legged" Kansas Jayhawks will defend their National Collegiate (NCAA) Basketball Championship against Indiana's high-strung Hoosiers Wednesday night.

Cochs Branch McCracken's Indiana, Big Ten champions and voted No. 1 nationally, followed the form chart in beating Louisiana State, 80-67, in the opening game of the National Collegiate Athletic Association's semi-finals Tuesday night.

Kansas, with only one of its five starters back from the NCAA and Big Seven Conference's 1952 champs, humbled Washington's Huskies, the country's No. 2 quintet, 79-53.

Washington and Louisiana State will meet for consolation honors beginning at 7:45 p.m. (CST). Kansas and Indiana tangle about two hours later.

Actually, neither of the semi-final games was much of a contest. Both of the winners took a substantial, early lead and made it more decisive as the games drew on.

Walt Cartier Held Turpin, So British Hold Fight Purse LONDON — (AP) — America's Walter Cartier did the holding Tuesday night in his short and unhappy middleweight fight with Randy Turpin but Wednesday the British were holding—holding up his purse money pending an inquiry into the fiasco which ended in disqualification.

The bout was stopped in the second round when Referee Tommy Little ordered Cartier out of the ring.

Cartier, a New Yorker, had been warned at least seven times to stop pinning Turpin's arms to his hips with the insides of his elbows.

Just after Little called off the remainder of the 10-round fight and while 18,000 fans in Earls Court screamed and booed at Cartier, the British Boxing Board of Control took over.

J. Onslow Paine, chairman of the board, said an inquiry would be made immediately and Cartier's purse would be withheld pending the investigation.

GAGEY CASEY — Manager Casey Stengel is a study of deep concentration watching his Yankee hitters step in and take their cuts in batting cage at the World Champions' St. Petersburg, Fla., training camp. (NEA)

AGGIES WIN SECOND COLLEGE STATION — (AP) — Texas A&M's tennis team defeated Southeastern State College of Durant, Okla., 7-0, Tuesday. It was the Cadet netters' second straight win of the season.

During the 1953 season the Los Angeles Rams topped the NFL in pass interceptions. Opponents tossed 360 forwards against the Rams of which 38 were intercepted. The average return was 18.7 yards.

Senators Ask Deer Season For Archers AUSTIN — (AP) — Bow and arrow can't compete with guns, a Senate committee decided Tuesday.

It approved a bill letting the State Game and Fish Commission set a special 10-day archers' deer season before the regular period. This carries the question to the Senate floor.

Proponents indicated hunters with guns are a menace to the bowmen, who sneak through bushes stalking deer.

Only negative vote came from Senator Carlos Ashley, Llano.

PONY NEWMEN WIN DALLAS — (AP) — Southern Methodist University whipped Texas Christian University, 5-1, Tuesday in a dual tennis meet here. A second match scheduled Friday between the two clubs was cancelled.

Cats were losing, 5-3, to the Brooklyn Dodger "B" team at Vero Beach, Fla. Jim Crandall's San Antonio Missions were opening their pre-season schedule with a 15-8 win over the Little Rock Travelers of the Southern Association.

A rookie pitcher from the Greenville roster did mid-season hurling for the Dallas nine and got credit for the win. Bill Lemishan allowed only two hits and held the Indians scoreless for the first five innings.

Country Club Sets Sale Of Property, New Construction

A proposed new half-million dollar clubhouse and swimming pool for the Midland Country Club has been given the "go ahead" signal by stockholders.

Recommendations made by a special committee and approved by 197 stockholders this week included the selling of the nine-hole South Course and the sale of bonds on the 18-hole North Course to raise funds to build the clubhouse with full facilities on the North Course.

The committee headed by Karl E. Nichols includes three board members, Robert I. Dickey, R. R. Herrell and Calvin Glass, and three stockholders, who are Nichols, Dave Henderson and John Parker.

This special committee was formed at a regular stockholders meeting Jan. 19, 1953, for the purpose of studying the future of the Midland Country Club, with particular emphasis on the construction of a new clubhouse and sale of the in-town course.

Plans Take Shape Nichols said that action would begin immediately on the designing of the new building and on plans for carrying out the financing, subject to the decisions of the board of directors.

He said that the present clubhouse and the South Course would either be sold at public auction or through sealed bids.

Engineers' estimates, Nichols said, indicate that the new clubhouse alone will cost approximately \$350,000 and the furnishings and swimming pool will cost about \$150,000.

The sprawling handsome North Course of the Midland Country Club is about two miles north of the present city limits and includes 583 acres in Section 11; Block X, E. P. Hilliard Survey.

A. A. (Jack) Bradford is president of the club.

North Texas Relays Entry List Swells DENTON — (AP) — Number of colleges and universities entered in the North Texas Relays, set here April 2, had reached an even dozen Wednesday.

Oklahoma University's Sooners entered Tuesday to round out the 12 teams. Others already entered are Texas Christian, Southern Methodist, Hardin-Simmons, Abilene Christian, McMurry, Howard Payne, Sam Houston State, Texas Tech, Stephen F. Austin, Southwest Texas State and North Texas State.

Cranes Stop MHS String Of Net Wins

Crane's Golden Crane boys net squad dominated singles play in its duel with Midland High here Tuesday afternoon and ended a four-match winning streak compiled by the Bulldog netters.

Crane won the battle, 5-4, winning three of five singles matches during the busy afternoon.

Midland's doubles teams of Clayton Tatom-Bill Vandeventer and Ken Hughes-Ken Freeman gave the Bulldogs a 2-1 edge over Crane tandems. The Tatom-Vandeventer duo whipped Hugh Neal Green and Riley Hood, 2-6, 6-2, 7-3.

Hughes and Freeman put down D. H. Cup and Joe Dan Ash, 8-4, 6-2. Cup then bowed to John McGulgan, 6-4, 6-0, and Green to Johnny Godwin, 6-3, 2-6, 3-4 (the last set out short by agreement), as Midland scored its other two points.

Crane victories were George Thompson over John Galle, 6-1, 6-3, in the No. 1 match; A. J. Smith over Jimmy Garvin, 6-4, 7-5; Hood over Vandeventer, 6-2, 6-2, and Ash over Charles Bleiker, 3-5, 6-3, 6-4, all in singles.

Godwin and Garvin fell to Smith and Thompson, 7-5, 4-4, in Crane's lone doubles triumph.

SPORTS MIRROR BY THE ASSOCIATED PRESS A YEAR AGO—Laurent Dauthuille of France won a 10-round decision over Norman Hayes of Boston in a Paris middleweight fight.

FIVE YEARS AGO—Kentucky defeated Columbia, 74-53, and Holy Cross trounced Michigan, 83-45, at Madison Square Garden to gain the finals of the Eastern Regional NCAA Basketball Tournament.

TEN YEARS AGO—Jackie Callura outpointed Jackie Wilson to retain his NBA featherweight title.

JayCees Risk Lead In Civic Keg Chase The JayCees, leaders in the Civic League Bowling League by a single game, risk their margin Wednesday night action against the sixth-place Schlitz Beer team.

While that match goes on, the runner-up Eagles face Kiwanis with either of the teams able to take over second place in the race and possibly first. Other matches put VFW against Ralph Love and Lions against Central Barbers.

Last week winners were Ralph Love over the JayCees, Kiwanis over Central Barbers, Eagles over Lions and VFW over Schlitz, all 2-1 scores.

Macon's mound corps did pretty well for itself.

The free-swinging affair in Dune-din, Fla., between the Little Rock and San Antonio nines saw George Kress, Claudio Salano, Gerry Jacobs, Vic Passero and Charley Hopkins starting with the stick.

Kress got three out of three and Salano, a Mexican League product, got three out of five trips to the plate. The Missions piled up 16 hits in their relentless attack but the Little Rock knockers gathered 10 bingles in the error-flecked loosely-played game.

Wednesday, the Missions meet Montgomery, Ala., of the Class A Sally League at Lakeland, Fla., and Dallas plays Oklahoma City at Galveston.

TRAVELING MEN STOP at the Caprock Hotel, in Lubbock. You'll find the accommodations to your liking and the service unexcelled. Make the Caprock your headquarters when visiting the only Metropolitan area between Fort Worth and Denver, Oklahoma City and El Paso. Pete Cooper Sets Pace In Seminole PALM BEACH, FLA. — (AP) — Pete Cooper led 87 other professionals into the final round of the 36-hole \$10,000 Seminole Golf Club's Pro-Amateur Tournament Wednesday with 4 six under par 66. Cooper put together 34-33-66 to give him a two-stroke margin over Herman Scharlau, Boon Eaton, Fla. Doug Ford, Ben Hogan and Jerry Barber were tied at 69, one stroke better than five other pros—Cary Middlecoff, Art Wall, Jimmy Demaret, Al Besselink and Sam Snead. Rocky Bridges, Cincinnati infielder recently acquired from the Brooklyn Dodgers, is the shortest player on the Redleg squad. He is five feet eight inches tall.

DISCUS-SHOT PUT SWEEP—Hooper After Triple Crown

LAWRENCE, KAN. — (AP) — Darrow Hooper, Texas A&M's Olympic weight man, will take aim at the first double "triple crown" in Kansas Relays history here April 18.

Hooper already owns two legs of this feat, having won the shot put and discus the last two years. As a sophomore the 6-4, 220-pound cadet trajocted the big iron bulb 58-8 1/2 and the discus 145-5 1/2. Last year he improved those marks to 53-9 and 152-8 1/2 on his way to a berth on Uncle Sam's Olympic team.

No weight man in the 27-year-old history of relays ever has completed a triple crown in both these events. In fact no discus thrower ever has claimed three successive titles here. And the meet has sported the likes of Texas' Jack Hughes, Bob Fitch and Fortune Gordien, the listed world record holder, of Minnesota; Archie Harris, Indiana, and Hooper's predecessor, George Kadera. Harris stopped a Hughes' triple in 1941 when he unwound a heave of 171-6 3/4, still the relays' record.

Only two men, Nebraska's hefty football tackle, Hugh Bea, and Elmer Hackney of Kansas State have engineered shot-put triples.

During the 1953 season the Los Angeles Rams topped the NFL in pass interceptions. Opponents tossed 360 forwards against the Rams of which 38 were intercepted. The average return was 18.7 yards.

Hooper, a towering Aggie grid end, owns two shot pitches beyond the 57-foot level in which Jack Torrence held lonely vigil for 14 years.

He used the best of these, 57 1/2, to win the final U. S. Olympic trials last Summer beating his arch rival, USC's Parry O'Brien, by less than an inch. The brawny Trojan reversed the tables at Helsinki with a peg of 57-1 3/8 against Hooper's 57-5/8 as the pair finished one-two for Uncle Sam.

Look on the Best Deal in town on the Best Tire money can buy! We'll pay up to full retail price for the tires you turn in on... ALL-NYLON CORD Double Eagle by GOODYEAR Think of what our big trade-in deal means to you! A chance to drive on the best tire money can buy... at a price much lower than you'd expect because right NOW our allowances are at a peak. We'll pay you up to the full retail cost of your present tires. No one can offer you a better deal... no one offers you a better tire. The all-Nylon Cord Double Eagle is by far the safest tire you can get. It's up to twice as strong... gives as much as 42% more safe mileage. Stop in and see all the great "plus" features of the Double Eagle. Take advantage of our big trade-in offer that makes it easy for you to own this finest of all tires... all-Nylon cord Double Eagle by Goodyear. FEATURES: All-Nylon Cord Body. Exclusive "Resist-a-Skid" tread protects against skids. Up to 26% more tread depth for longer, safer mileage. Gleaming white sidewalls protected from curb rubs by tough "Scuff-Rib". TRADE NOW! REPORTING THE TOP NEWS IN REAL ESTATE
IS IT POSSIBLE for a home to be constructed as solidly and as beautifully as is a Cadillac? Let us show you one which is. Constructed of wine-colored brick, it has 3 lovely bedrooms, 2 ceramic baths, cheerful kitchen, and 2-car attached garage. The spacious living room is truly magnificent—with brick planks and corrugated glass separator. Central heating and cooling, warmly carpeted in soft hues, and generously sprinkled with closets. Expulsion fan, electric stove and washer connections. Disposal unit, and water softener. High tile fence and rear patio. Urbandale. \$24,000.

2804 ROOSEVELT is available to a GI. White asbestos siding for easy maintenance. It has two large bedrooms, living room, dining area, and attractive kitchen. The attached garage can easily convert into a den. Good closets, air-conditioning unit, and lawn established. Priced at \$7,750. Take about \$450 down.
IF YOUR VIRILITY has been proved by a display of a LARGE FAMILY, then you'll be interested in the LARGE HOME that we have available for immediate occupancy. Nine rooms, 3 baths, and in excellent condition. About 5 years old, this home can be purchased for only \$3,500 down. Full price is \$11,500. Don't miss this once-in-a-lifetime deal! Convertible to excellent revenue property.

YUHANNA SEE something nice for \$1,400 down? Take a look-see at 916 North Edwards. 2 nice bedrooms, comfortable living room and dining area, and compact kitchen. Attached to the rear of the garage is a rental unit which comes completely furnished right down to the sheets and blankets. Rented for \$60 per month. 4 years old and in good condition. Total price is only \$8,200.

TAN BRICK & SHAKE SHINGLES make a terrific combination for a home. But spread it for 80 feet across the front, and divide up the interior into 3 bedrooms, den, 1 1/2 tile baths, a lovely living room, separate dining room, and a 2-car garage—then you really have something! Tile wainscoting in kitchen, completely carpeted, loads of closets, central heating and air-conditioning. Touch-plate electric switches, Draperies, and in excellent condition. Tile floors, excellent water from the well, and nicely landscaped. \$26,500.

YOU CAN STILL see the downtown buildings from Loma Linda because it's much closer than many new additions. And the grass is turning greener there and the trees are putting roots. On Oak Street, we have a cute 2-bedroom home which can be purchased for only \$1,950 down. Asbestos siding, it has an attached carport, and fence for the children. All the streets are paved. Total price is \$8,420.

CONGRATULATIONS & BOUQUETS to the Reporter-Telegram on its 25th birthday: to the FFA and its 25th clubs. Hey, did you know that my boss-man is running for Position No. 2 on the City Council in April? When he gets in, he'll still leave a lot of dimes for your coffee and mine.

THEN THERE IS 2612 Roosevelt. 2 nice bedrooms, living room, dining area, tile bath, kitchen large enough for your breakfast suite, and attached garage. Assume GI loan and make monthly payments of only \$48.50. Can be handled for less than \$2,000 down. Priced at \$8,500.

THE OWNER IS SHIVERING in North Dakota, but he was forced to leave this "hot" deal for some lucky family: 2 lovely bedrooms, tile bath, nice kitchen with Murray metal cabinets, huge pantry, and storage room. Opening from the living room is the huge, pine paneled den, separated by French doors. You'll like living and entertaining in it. ONLY \$2,900 down. \$9,800.

RIDGLEA-LOCATION HOMES aren't found too easily. But we have a clean-cut 3-bedroom asbestos siding home which is a golf ball's throw from the Country Club. And this one's got the ribbed illness of owner forces him to take \$2,000 loss if sold within the next 15 days. To put it succinctly, it's really ideal. By appointment only. \$13,500.

U. S. Bomber, Two MIG's Exchange Shots Near Alaska

FAIRBANKS, ALASKA—(AP)—The quick-acting commander of a U. S. Air Force plane said Tuesday night he ordered the chief gunner to "fire back" when his B-50 bomber was attacked by a Russian-type MIG-15 high off the coast of Siberia Sunday.

Lt. Col. Robert S. Rich, 35, told a press conference at Eielson Air Force Base near here he tried to escape the attacker with a 300-mile-an-hour dive into a cloud bank and fired only after the MIG had opened up.

The attack occurred as the U. S. plane, on a routine weather flight, cruised north 25 miles out to sea from the Siberian coast. The Air Force said apparently neither craft was damaged in the third such sky encounter between planes of the East and West in a week.

First Alaska Incident

It was the first incident reported by the Air Force in which an Alaska-based plane actually had been fired on by a Red aircraft.

President Eisenhower declined comment, but there were congressional demands for an investigation.

The B-50, on temporary duty with the 15th Weather Reconnaissance Squadron at Eielson from Forbes Field, Topeka, Kan., was approximately 100 miles east and slightly north of the huge Russian military base at Petropavlovsk on the Kamchatka Peninsula.

Rich gave this account of the skirmish:

The B-50 had flown from Eielson over the Aleutian Islands to a point off the Kamchatka Peninsula and had been flying north about 25 miles off the Siberian coast for 30 to 40 minutes when the vapor trails of two planes were sighted 10 miles eastward from the U. S. plane.

He said the two planes vanished and appeared a few minutes later behind the B-50 and some 5,000 to 6,000 feet higher than the U. S. craft, which was at an altitude of 35,000 feet.

Rich said the planes, which were then identified as MIG-15s, "kept coming on our tail" and suddenly one heeled over into a "pursuit dive" and made directly for the B-50.

Rich said he immediately ordered the pilot of his plane, 1st Lt. Harry F. Welch of Fort Huron, Mich., to dive into a layer of clouds

ARCTIC FLIGHTS WILL CONTINUE

WASHINGTON—(AP)—The U. S. Air Force will continue to fly its world-wide missions despite Russia's shooting challenge to the use of air space over international waters of the North Pacific.

That was the word which top Pentagon spokesmen gave out after their study of reports on the first confirmed two-way flight between U. S. and Red military planes outside the Korean war zone.

At the 10,000-foot level.

As the B-50 screamed toward cover, Rich said, he heard three or four of the crew members shout

over the intercom system: "They're firing at us."

"I issued the order 'Fire back,'" Rich said.

The Baraboo, Wis., colonel said members of the crew could see smoke trailing from the MIG's guns as it fired "three or four" bursts from 1,000 yards away.

T/Sgt. Jesse L. Prim of Ozark, Ark., central flight control gunner, waited until the MIG was within 400 yards and then fired, by remote control, a burst of 20 shots from each of six .50-caliber machine guns.

All of Prim's shots passed behind the MIG, which dove underneath the bomber, came up on the other side in a high climb and vanished.

The whole episode lasted about 14 minutes, Rich said.

BRINGS \$2.75 A POUND—Harold Merritt, Midland FFA youth, realized \$2.75 a pound for his grand champion lamb. The premium price was paid by Andy Fasken at auction Tuesday.

A-Bomb Cues Cat Marauder

LIVINGSTON, MONT.—(AP)—Just as the radio brought word of the atomic test in Nevada early Tuesday, a double front window of the H. O. Rice home here caved in with a crash.

"It seemed possible it could have been broken by superheated steam of the atomic explosion," Mrs. Rice said later.

Instead the Rice discovered an inquisitive mountain lion had smashed the glass, then left a trail of blood through snow-covered yards in their neighborhood.

Hounds treed the animal after it swam the Yellowstone River and a hunter shot it.

Water Permit Bill Clears House Panel

AUSTIN—(AP)—All persons, firms, counties, cities and water districts would have to get a permit from the Board of Water Engineers to use public waters under a new water measure.

The bill—one of eight recommended by the governor—was approved by the House Conservation and Reclamation Committee Tuesday and sent to the House.

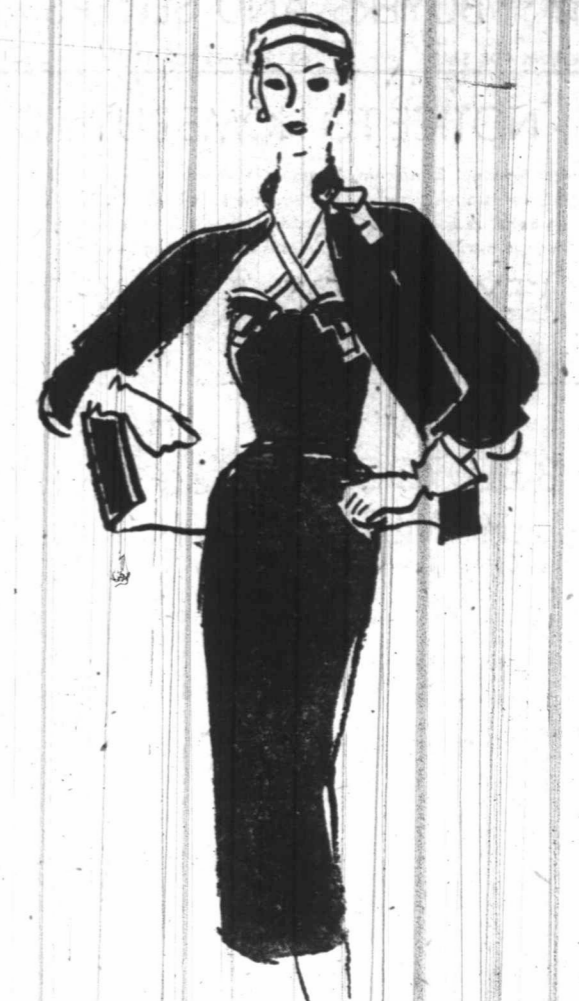

It applies only to future water appropriations and does not affect the riparian rights of a land owner to use waters on his land for domestic use.

NO SERVICE SLASHES WANTED—

Midland C. Of C. Urges Pioneer, CAB End Fight

The Midland Chamber of Commerce, concerned over the possible disruption of Pioneer Air Line Service to Midland and other points in Texas and New Mexico, has called upon the Civil Aeronautics Board and the airline to make every effort to settle their subsidy controversy promptly.

Copies of a resolution adopted Tuesday afternoon at a meeting of its Aeronautics and Executive Committees with city officials, were dispatched by the Chamber to CAB and Pioneer officials and to Senators Lyndon Johnson and Price Daniel and Congressman Ken Reagan.

The resolution, stressing the importance of the service provided by Pioneer and calling attention to the fact loss of the service would be detrimental to general welfare of the city and section, asks the CAB and Pioneer "to make every effort to reach a prompt and mutually satisfactory agreement in order that Pioneer service will not be curtailed, disrupted or cancelled."

Pioneer, protesting a government reduction in airmail subsidy payments, Tuesday began curtailing its services and threatened temporary suspension of its entire operations if the CAB order is not reconsidered.

Hoyt Morgan, station manager for Pioneer here, said Tuesday afternoon the company's 21 employees at Terminal have received two weeks notice and that "unless a miracle happens" Pioneer will suspend operations within that time.

The city and Chamber of Commerce representatives attending the Tuesday meeting made it plain they are interested in Pioneer's problems and are willing to help solve them, but that sufficient information is not available on which to take a definite stand.

The airline was lauded upon the type service it has provided here.

The C. of C. had not been contacted directly by Pioneer concerning its current controversy with the CAB.

W. W. Beene, Pioneer's Midland district manager, attended the meeting.

Pioneer Must Fly Or Some Other Line Will, Says CAB

DALLAS—(AP)—Pioneer Air Lines President Robert J. Smith and Civil Aeronautics Board Chairman Oswald Ryan found themselves at cross purposes Wednesday.

Smith said the air line may shut down its entire operations in Texas and New Mexico by Saturday if CAB refuses to reconsider an order denying Pioneer higher mail subsidies.

But Ryan said Pioneer "is under the obligation of its certificate" to continue its Texas and New Mexico services.

"The board has no intention," Ryan said, "of permitting people of Texas and New Mexico to be deprived of those services."

Six Flights Cancelled

Six flights in and out of Dallas—one-third of the line's operation and about 3,500 flight miles—were cancelled and some 415 employees began receiving furlough notices Wednesday in Texas and New Mexico.

Asked about the cancellations, CAB has—and probably will use—the power to have the service rendered by some other air line if Pioneer should suspend its operations.

Missing Body Of Infant Boy Starts Study By Grand Jury

SAN ANTONIO—(AP)—The missing body of a 28-day-old boy is scheduled to bring the Bexar County Grand Jury into special session here Thursday.

The case began recently when Belton Littlefield, Sr., complained to the district attorney's office that a grave digger at a San Antonio cemetery told him the body of his son, Belton Jr., was not in the grave he was examining.

A subsequent opening of the grave revealed the child's body was not in the grave. Charges were filed against funeral director F. E. Lewis in connection with Texas statutes covering violations of the Vital Statistics Code.

The grand jury, however, is expected to cover other aspects of the law, including desecration of a grave or a body, either a felony.

Littlefield said the child died January 31 when he was 28 days old and neither he nor any of his family was able to attend the funeral. He said Lewis was paid \$20 to bury the child and he had no further contact with the funeral director.

Lewis told the district attorney's office the child's body was placed in the grave and he has no idea why it is not still there.

Lions Club Elects Jimerson President; Pine, Hyde Elevated

Duke Jimerson was elected president of the Midland Lions Club for 1953-54 at the club's annual officer election meeting Wednesday noon in Hotel Scharbauer. He succeeds L. V. Bannham.

Bob Pine was named first vice president and Carl Hyde second vice president, both without opposition.

The tabulation of votes for the contested offices continued at press time.

The candidates for third vice president were Morris Howard and Gerome Grayson; Lion Tager, Yates Brown and Victor Horn; directors (two) Art West, Norman Taylor, Red Roberts and Walter Beardsley.

Campaign managers for four tall twister candidates spoke at the election meeting—Bob Pine for M. L. Webb; Duke Jimerson for James L. Daugherty; Carl Peay for Frank Stubbeman, and Copper Daugherty for Red Roberts.

The new officers will take office July 1.

Oil Cutback—

(Continued from Page One)

move would have only negligible effect on the total allowable for the state.

Gulf, Humble and Atlantic joined Stanolind in asking only 19 state-wide days of flow, Phillips Petroleum, Shell, Magnolia, and The Texas Company wanted 20 days, which would have meant a mild cut of some 30,000 barrels. Cities Service, which originally nominated on the basis of 21 days, amended its request to fit a 20-day pattern, as did Pan-American Production Company.

Sun, Sinclair Ask Hike

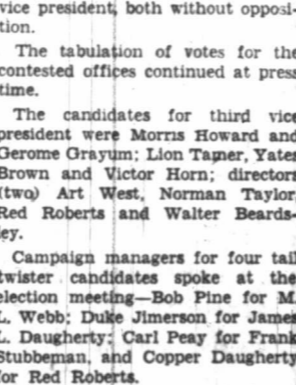

Sun and Sinclair were the only ones advocating higher production. They suggested continuation of 21 state-wide producing days in the 30-day month of April, which would have meant a substantial increase.

Fields other than East Texas restricted to less than the state-wide number of days in April will be Hawkins, down one day at 17; Pickton and Pantex, both unchanged at nine and 16 days, respectively.

The 14 West Texas fields connected to Phillips' Goldsmith Plant will be cut one day to 18.

Pewitt Ranch, limited to 10 days this month, was restored to the state-wide schedule.

When the United States bought Alaska from Russia in 1867, it is estimated that there were about 30,000 people in the area about two-thirds of whom were Eskimos and Indians.

Duke Jimerson

Blackman, Limestone County Jurist, Dies

GROESBECK—(AP)—Augustus Monroe Blackman, 81, Limestone County jurist, former county bar association head and one-time mayor of Groesbeck died Tuesday.

Blackman was Limestone County judge two terms and judge of the 87th Judicial District 14 years.

Funeral services were held here Wednesday.

Scandinavia May Choke Red Shipments

HONG KONG—(AP)—A Norwegian shipping executive who declined to be named, predicted Wednesday the Scandinavian nations soon would follow Britain's lead in taking steps to choke off strategic supplies to Red China.

Be popular... get more fun out of life

COME IN TO Arthur Murray's NOW

and be a sought-after dance partner

EVERYBODY KNOWS that good dancers have the best times. How about your dancing? Does it get you invitations? If not, let one of Arthur Murray's talented experts show you the shortcut to popularity. You'll be amazed how easy it is to learn to dance the Arthur Murray Way. And it's such fun—you will wish you'd started years sooner. So come in now and be sure of having the time of your life at your next party. Come in for your complimentary dance lesson.
