Regular Bowel Move

ment a Sign of Health

While the bowel may rid itself of wastes after every meal (three times a day), the average is once a day. As long as the bowel works once a day it shows that it is doing its work of absorbing water from the wastes and pushing the rest of the wastes downward and out of the body. A healthy bowel is never empty but it should always be moving its wastes downward. It is only fair to say that some individuals who have "reguar" bowel movements every other day are quite healthy

Box Supper Last Thursday Reported "Financial Success"

Last week's box supper at the High School Gym was a financial success, but a social let-down. Cake walk and box and pie sales amounted to \$186.90 while the Boy Scouts took in another \$17.00 from cold drink sales

Prizes were awarded to: Miss Jo Ann Johnson for the most beautiful box, Mrs. Charlie Dowdy for the oldest lady with a box, and to Little Rosemary Norton for the youngest gal with a box.

Our hats are off to the ladies of the town for making the box supper the success that it was. For the men, we can't say so much as they didn't do their part. There were over 50 beautiful boxes and some 20 pies, so generously contributed by the ladies, and a mere handful of men to buy them. So now if any of you fellows feel bad about letting the ladies "out-do" \$100,000 machine shop at Waco's us, just sit down and fill in your Blackland Army Air Field to check for enough to make you feel good again and mail it to W. RECENT DOUBLE WEDDING ANNOUNCED THIS WEEK

The announcement has been made this week of a double wedding in which Miss Bette Doub became the bride of E. V. Meador, and Miss Louise Higginbotham was wed to T/Sgt. Lonnie Redden.

The ceremony was performed

Sunday, August 24, in Weatherford.
Mrs. Meador is the daughter of
Mr. and Mrs. Raymond Dodd, who
with her parents, moved to Hico
from San Saba two years ago. She
attended San Saba High School
and is now a senior in the Hico
High School where she was
elected head yell leader of the
Pep Squad last week.

Ernest Vines (Buck) Meador son of Mrs. Nettie Meador of Hico. attended Hico High School previous to serving in the U. S. Navy for 36 months, with 29 of these spent in the Southwest Pacific with the rating of MoMM 1/c. Since his release from the service he has been employed with the Hico News Review.

Mrs. Redden is the daughter of Mr. and Mrs. C. R. Higginbotham and was born and reared in this community. She also attended Hico High School before her mar-

and Mrs. Jim Lane of Hico.

The wedding took place on September 2. at the home of Rev. and Mrs. O. D. Carpenter in Stephenville, with Rev. Carpenter, former pastor of the Hico Baptist Church, officiating.

The bride attended Hico High School and for several months was employed at the Texan Cafe here. The groom also attended the Hico schools and served in the Army with an anti-aircraft artillery battalion in Germany until his return from overseas in December 1945, when he received his discharge. At present he is attending a G. I. trades school in Stephenville, but the couple are making their home in Hico.

Sincere Appreciation to Our Customers and Friends

Since we established our service station business in Hico thirteen years ago — on September 23, 1934 — we have been favored with a nice business all during good times and bad, and we want to express our sincere appreciation for this patronage. We fully realize that it is your patronage that has rendered it possible for us to continue providing you with your needs, and all through the years have been filled with pleasant memories of the associations we have had with you.

WE ARE INDEED THANKFUL THAT YOU HAVE MADE IT SO!

We sincerely believe that our products are the best on the market and it has been our custom to quit handling any item that proved unsatisfactory. We strive to give each car the best and most thorough LUBRICATION — and you can always depend on us to service your car right.

FRESH EGGS

Whether it's April or September, people like their eggs FRESH.

They're willing to pay a good price for them if they are fresh. If they are old and shrunken, they aren't interested.

That's why there's a good demand for fine eggs-and very little demand for eggs that show their age.

With fine eggs worth so much more than "hot weather eggs" you and your neighbors can get more per case for your eggs if you'll just keep them FRESH!

That means COOLING THEM QUICKLY —and KEEPING them cool!

We All Need Fun!

lazy (even though Pete Swanson's missus claims he sleeps till seven A.M.). But the hardest working man of all is Doc Hollister-on call, morning, noon and night.

Funny thing, Doc's favorite precription to his patients is: You ought to have fun. The pace of nodern living, even on the farm, emands some relaxation.

And as Doc says-fun is a personal thing. For the missus it may mean a movie or a good book; for Dad, a mellow and refreshing glass of beer; and for the kids, parcheesi or the radio. Doesn't mean everybody has to like the same thingso long as they relax, have fun, together, in the home.

Doc doesn't have much time himself. After a hard day, he'll relax before the fire with a glass of beer -and wait for the phone to ring again. And from where I sit, Doc deserves each well-earned min" of that relaxation.

We appreciate the co-operation of farmers who avoid planting young trees near telephone lines. Careful planting eliminates any chance for branches to endanger service. It also removes the need for tree trimming by the farmers or by us, in order to keep the wires clear. Trees are beautiful . . . careful planting will help to keep them that way.
