Water, Soap, Fresh Air Sunshine Best and Easiest Disinfectants

Denton, March 26.—Speaking of precautions that should be taken in households during and after an illness from any of the "catching" diseases, which are prevalent at all seasons, Dr. Geo. Cox, State Health Officer, said today: "Any plan for the prevention or control of this sort, depends upon the intelligent cooperation of individuals and community with the medical profession and the health authorities for its success."

Those who are in charge of those suffering from influenza, pneumonia, tuberculosis, scarlet fever, measles, infantile paralysis and other of the diseases spread by droplets from the nose or mouth, are urged to have the patient use paper handkerchiefs or tissues, which can be discarded or burned or otherwise disposed of.

The sterilization of dishes and linens used in the sick room, by boiling after each use of them, and the patient's clothing, sheets, pillow cases, are equally necessary. Thus, at the close of illness, a thorough cleaning of room, bedding and personal belongings of the patient, scrubbing floors and woodwork, and hanging the place to fresh air and light, are urged as a final preliminary measure.

Fortunately, the best disinfectant yet discovered are within reach of everybody. They are plenty of hot water and soap, fresh air and sunshine."

NTSC Sponsors Idea Of Old Maid's Day to Become Annual Event

Denton, March 26.—That old maids will have "their day" again this summer is almost certain, since the story of North Texas State College's spinster, Miss Dorothy Babb, appeared in the March Reader's Digest.

Miss Babb of the college's English and Latin departments gained recognition last summer when she estimated that she had spent at least \$1500 on bridal, baby and all types of gift showers . . . plus weddings . . . during the last 25 years and decided that old maids should have a day of their own. The Reader's Digest pointed out that "as a result, by proclamation of its mayor, Denton, Texas, celebrated August 15 as Old Maid's Day."

Denton opened its heart and treated the lassies to free movies, a tea, corsages and gifts on that day. "The whole celebration went over with such a bang that a movement is now afoot to make Old Maid's Day a national institution," the article concluded.

Last note of progress was a few months ago when Miss Babb and one of her unmarried colleagues visited Gov. Allan Shivers and asked him to consider a state-wide proclamation this coming August for Texas old maids.

Letters, telegrams, and newspaper comments from throughout the nation and even from foreign countries, have indicated hearty approval of the idea. More than 1500 communications have reached Miss Babb and her friends, urging that she attempt to get the idea "nationalized."

Large crowds have answered to the theme of the Baptist Revival now in progress, according to a report by Rev. L. H. Davis, pastor. Theme of the revival is "Crusade for Christ." Services are scheduled to continue through Sunday, with both morning and evening services to be held that day.

GRAND CHAMPION FAT CALF and owner, Jessie Green, of Pottsville (pictured, top left) both proudly received honors bestowed Wednesday, March 21, at Hico's 4th Annual FFA Livestock Show and Sale. Jessie is a 4-H Club member at Pottsville.

DAIRY FARMING has become an important and profitable industry in this area as evidenced by the healthy animals shown, last week at the Show. First place senior bull in the dairy division was entered by S. L. Whitley (pictured, top right). Second place winner belonged to Fred Payne, and third place dairy bull was entered by George Holladay.

FIRST PLACE DAIRY COW and owner, J. H. Johnson, are pictured on the far left, second row. S. L. Whitley and George Holladay took second and third places, respectively, on their dairy cows. Mr. Johnson moved here recently from Eastland.

TOP HONORS BY SON OF J. H. Johnson were awarded for this feeder calf in beef division. Hubert Johnson and his first prize calf are shown in the middle picture, second row. Future Farmer Hubert sold his calf Wednesday at the sale for 35c a pound.

JAMES LEWIS, Future Farmer, shows B. N. Strong's fourth place winner among the junior bulls, beef division (second row, right). John D. Smith of Iredell entered the first place junior bull; John Golightly, second; and James Youngblood of Carlton, third.

ROLINE CHANEY and his feeder calf (bottom row, left) took second place in the beef division. The calf brought this Future Farmer 41 cents per pound at the livestock sale Wednesday.

ANOTHER FUTURE FARMER, Bruce Slaughter, is pictured (bottom row, right) with his second place fat barrow in the swine division. This animal brought \$21.75 per cwt at the Livestock Sale. First prize barrow belonged to Dennis Stipe, also an FFA boy. Several other Future Farmers, not represented in pictures here, took honors, as well as working hard to make the event a success. Other divisions of the Show not represented in these pictures were Poultry, Dogs, Sheep and Goats.

FFA Boys Receive 2530 Day-Old Chicks From Erath Egg Farm

Members of the Hico Chapter of Future Farmers of America were the recipients of 2530 day-old roosters given them last week by Erath Egg Farm, Charles D. Deisher, Stephenville, manager. These chickens were allotted, in groups of from 25 to 225, to 24 vocational agriculture students, according to a statement from J. Doyle Love, FFA sponsor.

These boys, Love said, are keeping records on their chickens and using them as projects in their agricultural work. At the end of the feeding period a report, including the number raised, pounds of feed consumed, pound of feed required for a pound of gain, weight of each chicken raised, and selling price of fryer, will be made to Deisher. The boys are using both home-made brooders and electric brooders.

The 24 boys who are raising these chickens are as follows: Steve Garrison, R. W. Leeth, Jimmy Adams, Dennis Stipe, Bruce Slaughter, Roy McWilliams, Fred Jones Jr., Jimmy Tooley, Bobby Watkins, Mack Hicks, Horace Williams, Sammy Collins, Freddie Howerton, Benny Terry, Buck Terry, James Lewis, Ross Baldwin, Jimmy Ables, Billy Loden, Henry Williams, Clinton Roberson, Don Ross, Paul Giffentine and Bob Hasley.

Selective Service Lists Status Changes to Be Reported to Board

Austin, March 26.—Brigadier General Paul L. Wakefield, state director of Selective Service, today advised all men registered with local draft boards that the law requires them to report any change in personal status to their respective boards.

"Young men have asked us by telephone and letter just what changes are required to be reported," General Wakefield said. "Generally, anything which may have a bearing on classification should be reported."

The state director pointed to the following things which would be called a change of personal status:

1. Change of address. This is a change in the address at which a man expects to receive his mail.
 2. Change in marital status. If a man marries, he should advise the local board of the name of the person he marries, and name of county in which the marriage is recorded. If he has children, date and place where birth is recorded. If he becomes separated, divorced, or his wife dies, this should be reported.
 3. Change of job. The local board should be advised only if this is a permanent change.
 4. Change in physical status. If a man has had a serious injury or has otherwise acquired a physical defect, it should be reported. It should be reported whether it is permanent or temporary.
 5. Students. If a man becomes a student in a school, college, or university, this fact should be reported.
 6. Members of armed forces reserves or National Guard. If a man enters any of these, he should advise the local board, giving date of entry and name of organization.
 7. Rejections by the armed forces. If a man has attempted to volunteer for the army, navy, air force, or any other branch of the armed services and has been rejected, he should advise the local board.
- Much of this information is vital in determining proper classification of any man. The law requires men to keep local boards advised about such matters. All such information, if submitted by letter or card, must be signed by the man himself.

MAYOR DECLARES CLEAN-UP WEEK TO FIGHT POLIO

Next week, April 2 through April 7, has been proclaimed by Mayor W. H. Greenalt as Anti-Polio Clean-Up Week in Hico.

Trash placed in containers and set at the curb will be hauled off free by the city, the Mayor announced, on three days next week. The first part of the week will be given to cleaning up around private premises in preparation for hauling off trash on Thursday, Friday and Saturday.

The mayor called upon every citizen to render all the aid and cooperation possible. In view of the fact that polio cases have been increasing in this state in recent years, and because fifth is considered a factor in causing this disease, both state and local officials have deemed it advisable to prescribe an organized clean-up drive each year.

In February, the local citizens responded admirably to the call of polio victims in the March of Dimes, and it is hoped that cooperation will be just as wholehearted in this move to strike at the source of infantile paralysis.

Men Commissioned And Deferred in ROTC Will Be Called First

Austin, March 26.—Texas has been assigned a quota of 931 officers, 729 lieutenants and 202 captains, in the fourth program ordering civilian component company grade officers to active duty announced by the Department of the Army this month. Colonel C. M. Culp, Chief of the Texas Military District, announced today.

The quota includes all the basic arms and services as well as five lieutenants and one captain of the WAC. The combat branches will furnish the largest number, Infantry, 187 lieutenants and 42 captains; Field Artillery, 154 lieutenants and 25 captains; Armor, 53 lieutenants and 11 captains. The Corps of Engineers requires the largest number among the services, 89 lieutenants and 18 captains.

Volunteers will be given first priority and every effort will be made to fill as much of the quota as possible from those submitting voluntary applications, Culp said.

The priority in which non-volunteers will be ordered to active duty is:

- a. Members of the Active Reserve only of the Organized Reserve Corps commissioned from the ROTC who were deferred from Selective Service under an ROTC deferment agreement and have had less than two years prior active Federal service as officers.
- b. Members of the Active Reserve only of the Organized Reserve Corps commissioned from the ROTC who did not execute an ROTC deferment agreement and who have had less than two years prior active Federal service as officers, warrant officers or enlisted men.
- c. Members of the Volunteer Reserve.

National Guard officers will only be ordered to active duty under this program as individuals and provided they submit voluntary applications. No members of the Inactive Reserve will be ordered to active service unless they volunteer.

Officers with four or more dependents will not be ordered to active duty if they request exemption because of hardship. Dependents for this purpose are defined as wife, legitimate children and dependent parents. Members of the Women's Army Corps with dependents under 18 years of age will not be ordered into active military service.

Under this program, veterans who have completed the Advanced Course ROTC and are now completing a college course, will not be ordered to active duty prior to graduation or withdrawal from college.

Officers who are drawing pensions, disability allowance or disability compensation may be selected an dordered to active duty, provided they are otherwise qualified. In physical examination, special attention will be given to the disability for which they are being compensated.

Company grade officers of both the Active and Inactive Reserve are requested to submit applications through local Unit Instructors to the Chief, Texas Military District, National Guard officers will submit applications through the National Guard channels to the Adjutant General of the State.

All orders to active duty will be for a period of 21 consecutive months, or such other period as may be authorized by law, unless sooner relieved. Officers will be given at least 30 days in which to finish personal and business affairs prior to reporting, unless they request an earlier reporting date.

Slim And His "Ali Species"

Slim Baker, who's always doing something crazy, had a lot of people smiling last week because his entry won a ribbon in the Women's Club Annual Pet Show.

Seems as though Slim saw a strange-colored alley cat with no tail over at Central City and brought it home. He washed, combed, and brushed it and put a collar on it with a card reading "Ali Species." Then he enters it in the show.

Hanged if the ladies didn't think it was some rare kind of cat and gave it a special award! When

one of them asked Slim where she could get one like it, he said, "It's all yours, M'am—I can get an 'Alley Cat' anytime I want!"

From where I sit, some of us are pretty easily "taken in" just because someone else says it's so. Whether it's awarding prizes or passing judgment on a person's right to enjoy a temperate glass of beer—let's take a good look from stem to stern, and learn what it's all about before making up our minds.

Officers were elected for 1951, as follows: President, Mrs. Henry Mayfield; vice-president, Mrs. Frank Johnson; secretary and treasurer, Mrs. L. Dowdy; flower refreshment committee chairman, Mrs. Reno Dunbar; entertainment committee chairman, Mrs. Artie Thompson. Several women who once were members of this club live in different sections of the State. Up to this date there are still six charter members and several ladies who have been members almost as long as the charter members. One visitor, Mrs. Ethel Self, was present besides the members.

A plastic party was held in the home of Mrs. Jewell Wolfe Wednesday afternoon. A representative out of Fort Worth sponsored the party.

**"Let's Talk
Live Stock"**
By TED GOULDY

Fort Worth, March 26.—Settle-
ment of the threatened walkout of
packinghouse workers by the six-
week extension of their contract
was the bright side of the news for
the livestock industry in the past
few days.
The fact that industry spokes-
men apparently made no headway
in Washington trying to convince
OPS authorities that livestock ceil-
ing prices were unworkable was
not so good.
It all stems from the general
public's lack of understanding of
livestock and the industry.
It is not at all uncommon for
highly educated men who have
been successful lawyers, doctors,
and businessmen to call up their
livestock commission men and ask:
"What are cows bringing today at
Fort Worth?" Now a shelly can-
ner cow weighing maybe 600 pounds
at, say \$17 per hundred, brings
\$102.00 and is one kind of cow.
Another kind of cow would be
say, 14 head of big range Hol-
steins like Cates Dairy of Hale
County sold at Fort Worth last
week that averaged 1,297 pounds
at \$25 and brought \$323.25 per head.
Still another variety of cow
would be one like the 20 head of
canners from L. E. Weeks & Co.
of Taylor County, that averaged
757 pounds and brought \$20.75 per
hundred, worth \$157.17.
Or, a cow might be one like the
13 head that I. S. Scott of Castro
County sold at Fort Worth. They
weighed 1,340 pounds at \$28 per
hundred, worth \$375.20.
A cow could even be a young
one like two that J. F. Svetlik of
Buckholts sold at Fort Worth last
week, weighing 723 pounds and

bringing \$35 per hundred, making
the pair worth \$253.87.
One could say Tom Holman of
Hamlin had some cows, too. His
load weighed 845 pounds at \$30 per
hundred and their calves weighed
328 pounds at \$47 per hundred, the
pairs bringing \$407.60.
Now, in the face of a question as
commonly asked and by people who
probably own a few cows as, "What
are cows bringing at Fort Worth
today?" (and some of our business
and professional men own a lot of
cows) then it is surprising that
the people in Washington are
hard to convince that a ceiling
price on LIVE animals is impossi-
ble to apply?
We can easily understand why
these Washington desk workers
cannot understand why a cow
ain't just a cow, like a pair of
spectacles are a pair of eyeglasses.
What we can't understand is why
the livestock industry has been un-
able to bring this matter up in
such a way that the Washington
control officials can understand it.
Is it that Washington official-
dom distrusts the industry and the
men in it, or, are they just bull-
headed?
Whatever the reason for this
lack of understanding and failure
to agree, it is regrettable. Especial-
ly in view of the fact that more
meat is being produced and much,
much more is on the way.
The all-time record for cattle
population in the United States was
85 million head on Jan. 1, 1945.
Right now the population is within
one and one-half million head of
that record.
The percentage by which hog
marketings will over-run last year
is expected to rise. Supplies of
1930 Spring hogs are dwindling but
marketing of the 1930 Fall crop
is increasing. For several weeks
yet, a large movement of 1930 Fall
pigs will be hitting the markets.
According to the USDA end of
January survey, there was a 10-
year record of 666 million pounds
of pork in cold storage facilities.
Frozen pork made up 426 million
pounds of the total.
Current peace talk, which
smacked down the stock market
at the close of last week, may take
some of the heat off livestock in
so far as controls are concerned.
Lamb's continue to make record
prices at Fort Worth. Woolled
lambs like the club lambs from
Midland at \$41.50; and those com-
mercially fed lambs from Allen,
Kellum, Briscoe County, at 95
pounds and \$40; some \$40 lambs
from C. E. Arrott & Son of Bronco;
clipped lambs, No. 2 pelts at \$33.50,
like those from Joe B. Smith, Cole-
man, Louis Pittard, Gouldbusk,
and R. E. Johnson, Rockwood, are
all time highs.
Perhaps the reason is that re-
ported in the current World Wool
Digest. It says ceiling price regu-
lations do not apply until April 1,
1934, on materials being used in
defense contracts and lists much
woolen material and most kinds
of wool as exempted. The April
deadline is explained by the fact
that some very large Navy and
other current contracts need to be
filled.

**CITIZENS URGED TO MAKE
PLANS FOR FLOWER SHOW**
"Let's begin now making plans
for the Spring Flower Show, to be
held May 5" is the admonition re-
ceived in a letter this week from
the Garden Club Committee.
"Plant all the flowers you can
for display," the message contin-
ues. "Let's make it the best
we ever had."

Mr. and Mrs. Silam M. Decker

**MRS. MONT YOUNG DIES
SUDDENLY AT STEPHENVILLE**
A pall of sadness fell over this
and adjoining communities last
Friday afternoon when a phone
message from Stephenville was re-
ceived by H. S. Pitts and family
stating that his sister, Mrs. Mont
Young, had passed away very sud-
denly about 3:30 while she and her
husband were gardening. A party
came by to see Mr. Young, he
walked out to the visitor, while
Mrs. Young remained in the gar-
den and was dropping some beans.
A neighbor happened to see Mrs.
Young when she collapsed, and
ran over and informed Mr. Young,
who reached her as she breathed
her last. She was rushed to the
hospital, but was pronounced dead
on arrival. Death was thought to
have been due to a heart ailment.
Mr. and Mrs. Young were former
residents of Fairy, having been
born and reared in this com-
munity. They moved to Stephenville
about 13 years ago, but were fre-
quent visitors here, since they
owned and operated extensive
ranching interests in this com-
munity.
Mrs. Young, who was the former
Miss Mattie Pitts, was born on
February 20, 1883, to the late Mr.
and Mrs. J. N. Pitts. She was a
member of the Fairy Baptist
Church.
She was married to Mr. Young
in December of 1903. Their only
child, an infant son, passed away
at birth in 1909. She leaves to
mourn her passing, her husband,
one brother, H. S. Pitts of Fairy,
one sister, Mrs. Alice Crow of Tu-
lia, and a host of nieces and
nephews.
Mrs. Young was very industrious.
She was fond of out-of-door life
and spent much of her spare time
beautifying her yard with various
decorations of beautiful rock. Both
their farm home here and their
Stephenville home yards display
much of her rock work. There are
also several monuments in the
Fairy cemetery which she directed
and assisted in the construction of.
Funeral services were held at
the Fairy Cemetery Saturday after-
noon at 3:00 o'clock, with Rev.
L. H. Davis of Hico officiating.
Luke McGothlin of Hamilton was
song director. Pallbearers were
J. N. Pitts, Curtis Wright of Fort
Worth, Wilford Pitts and Louie
Helbert of Hamilton, Hall Morris-
son of Stephenville, and Herbert
Crow of Tullia.
The beautiful floral offering was
very beautiful. Mrs. Young's bur-
ial at the Fairy cemetery marks
the first in some 13 months.
We extend deepest sympathy to
the bereaved husband and other
relatives in these hours of sorrow.

Mr. and Mrs. H. S. Pitts and Ima
and their children and families
who were here to attend funeral
services for their aunt, all spent
Sunday with Mr. Mont Young at
Stephenville and to be with other
relatives here for the services on
Saturday who remained over the
week end. Two couples who had
driven most of the day Saturday
arrived too late for the funeral
services.
We received more than an inch
of rainfall here Monday, for which
we feel sure all are very thankful.
Yards have been bare and gardens
will be late due to the extremely
dry weather we had for several
months. Many shrubs are dead.
Mr. and Mrs. Raymond Driver
and family of Texas City and Mr.
and Mrs. Milford Miller and little
son of Fort Worth spent the Easter
holidays here with their par-
ents. Mr. and Mrs. Frank Driver,
Mr. and Mrs. A. J. Miller, and the
ladies' parents, Mr. and Mrs. M. E.
Parks, and family.
Mr. and Mrs. W. E. Goynne and
daughters and Mr. and Mrs. Carl
Ray Sellers attended a sunrise
Easter service last Sunday morn-
ing at the Otto Neje farm near
Lanham, where members of the
Lanham Methodist Church were
met by about 50 members of the
Cranfills Gap Methodist Church.
Rev. Terptrat of Brownwood deliv-
ered the Easter sermon, after
which part of the members re-
mained and cooked breakfast in
the open. All enjoyed the occasion
very much. After Sunday school
at the Lanham church, the congre-
gation went on a picnic and Easter
egg hunt at the Corbett ranch
near Lanham.
Week-end visitors here over the
Easter holidays were the former
Miss Otha May Grimes and her
husband of Amarillo, Mr. and Mrs.
Lester Betts and daughters of Aus-
tin, who were visiting his parents,
Mr. and Mrs. T. L. Betts; Mr. and
Mrs. Edwin Sellheimer and little
sons of Fort Worth, who were vis-
iting her parents, Mr. and Mrs.
Edd Allison and Texie. Also the
Olga Duncan family had some of
their children and families at home
for Easter.
Mr. and Mrs. Frank Sellers and
family of Hamilton visited a while
Sunday afternoon in the home of
his brother, Mr. and Mrs. Carl Ray
Sellers and family.
Alton Parks, son of Mr. and Mrs.
C. C. Parks of near Fairy, and
Miss Helen Whitehead of Carlton
were united in marriage last Sat-
urday night at Carlton. We refer
you to the Carlton news letter for
further information concerning
this affair. Alton has been work-
ing in Fort Worth since his gradu-
ation from high school here in
1930, and is a young man of ster-
ling qualities. We wish for them
much success and happiness all
through their married life.
The writer and her mother, Mrs.
A. L. Newman, motored over to
Duffau Sunday afternoon, where
we viewed our old home sites
where we resided while living
in that vicinity years ago, and
stopped for short visits at the
homes of Frank Stipe, Elmer Gies-

ecke, and Mrs. Blanche Holland.
The writer has visited there at
intervals since our residence there,
but it had been many years since
our mother had been there. Many
changes have been made in the
past 40 years or more, but many
of the dwellings were still stand-
ing. The school grounds where we
gathered daisies in the woods dur-
ing our first school days were all
that looked natural there, since the
school buildings have all been re-
placed by rock buildings and a
large rock gym. On our return
home, we visited in Hico with the
Roy French family.
Mr. and Mrs. Carl Ray Sellers
and children and the writer were
in Dublin Tuesday where we vis-
ited in the home of our daughter
and sister, Mr. and Mrs. D. E.
Allison and family, while Mr.
Sellers did some concrete work at
the home.
Miss Daphne Hoover of Lub-
bock spent the Easter holidays in
the home of her parents, Mr. and
Mrs. E. M. Hoover, and also visited
other relatives here.
The Sullivan family who reside
in Mrs. Emma Ogle's farm have
been victims of the flu for the
past week or more, with members
of the family being hospitalized at
the Hico Hospital at intervals dur-
ing this period. The Oran Willi-
ford family have also been ill with
the flu.
Mrs. Emma Lackey has returned
home from Turnersville, where she
visited her sister, Mrs. Mary Bow-
den.
Mrs. J. C. Sills is at home at this
writing. She has been staying
with an invalid patient near Lam-
pass for several weeks.
Mrs. J. E. Blakley has returned
home from the hospital, where she
underwent an operation. Some of
their children were home for Easter,
including Mr. and Mrs. J. R.
Ogleby and family of Killeen.

Lamplighters Are Becoming Well Known For Singing Ability

These students here in Hico High School are very proud of our all-male quartet, composed of Jimmy Kennedy, Billy Loden, Roy McWilliams and Kenneth Harvey. These boys have wonderful voices, and in our estimation are as good as any male quartet. They sing religious, popular, and classical music.

They sing locally at church singings, school programs, and at other organization in this city. Although married, Jimmy never lets that stand in his way of singing bass. Billy and Roy sing tenor and Kenneth sings alto.

These boys we would like to recommend to you. If they can serve you in any entertainment you plan, they would be glad to attend and entertain to the very best of their ability, which we hope you will enjoy.

BASKETBALL GIRLS PLAN TRIP TO MERIDIAN LAKE

When our basketball season was over, the town people gave us basketball girls \$80.00 in which to plan a trip. We discussed along this line the thought of going to Possum Kingdom Dam, and to the A. I. U. in Dallas, but have finally decided to go to the Meridian lake. We plan to swim, skate, fish, and go boat riding all in one day. This trip is postponed until the weather is warmer.

THE ANNUALS ARRIVED

On Tuesday of last week the 1951 issue of THE TIGER'S LAIR arrived. For several days all of the kids and teachers were busy getting autographs. Almost all of the students agree that this is the best they have ever had. It is dedicated to Mrs. Segrest, and has five printed pages and 30 picture pages.

We wish to thank all of the people who have made this annual

possible, especially our 35 advertisers.

WORM'S EYE VIEW

This week I got caught out in the rain without my umbrella. I got so soaking wet that my whiskers were waterlogged. And little trickles of rain seeped through the roof of the school all day Monday! One extra large drop hit me on my head and I was knocked out cold for twenty minutes. My worm-mate came along and revived me for I might have been tramped by the High School boys and girls.

Margaret Hampton came whizzing down the hall. She seems aw-

fully happy about something. Of course it couldn't be because she got a letter from Ben Martin! That beautiful ring she is wearing on her left hand is certainly not made of glass.

Margaret is a Junior this year and is manager of the girls' basketball team. She was also assistant business manager for the annual and junior reporter for The Mirror. She is an "A" student and an officer of the FHA. Margaret is five feet, five inches tall and a very pretty blonde. She is popular with the entire student body.

I got to rush to town and buy my vegetable seeds so I can start my spring garden. So long.

WITH OUR SUBSCRIBERS

Henry Burks of Ireland-Texas, that is—a ubiquitous sort of a fellow. Before he gets mad at what we called him like Rufus Higgins, Stephenville editor, once did, we hasten to explain that by that we mean he seems to have the faculty of getting around a lot. For instance, he explained Saturday while renewing his subscription, that he gets his mail out of Ireland, attends church at Ohio, has one child in school at Liberty and another at Evans, has his tractor and work done in Farnela, and trades some in Hamilton because it's closer to his present location than is his former home town of Hico. But he and his wife and daughter, Betty, had to take the longer trip up here last week to find a pair of shoes for the young lady. They got them, of course, and at a fair price. (You local dry goods magnates may take a bow and reciprocate anytime you wish). Mr. and Mrs. Burks have really established themselves in a commendable way on their fertile farm in the south part of the county. During the time they have owned the place, they have improved the soil and appearances, are living in a modern, slightly home with all city conveniences, and through hard work and foresight have prospered accordingly. Parents of six children, they are looked upon as excellent citizens in spite of the fact that some practical joker gave them a rough introduction in their newly adopted community when they went there. Two of their sons are now in service, two have married and moved away, and only two are left at home. It's always a pleasure to see this brother-in-law of Jake Blair's, and he ought to come up here oftener. Friends of Mrs. Burks will regret to learn that her mother, Mrs. Walter Hanchew, is seriously ill at Sweetwater.

A letter from Mrs. Claude Beck, Gainesville, brought an order for a renewal subscription to the News Review last week. "We have to keep up with all you people and what you are doing these days," she wrote. "That's a good way to keep up all right, but we wish Margie (nee Parker) and Claude would come by to see us the next time they can get around to actually see what people are doing in their former home."

A new subscriber on the Hico News Review list is J. E. Thomason, Coolidge, Ariz. He was added along with other subscribers last week, following a request by mail.

C. L. Spinks, Hico Route 5, is another new subscriber through News Stand Agent Leonard Howard. Leonard said he lost one of his regular weekly paper customers through this deal, but he didn't mind giving up the nickel a copy in order that Mr. Spinks could get his copy through the mail.

A. A. (Doc) Brown came by last Wednesday to have a subscription entered for his daughter, Mrs. Ralph Horton, and family in San Angelo. Just consider that you owe us a letter, Mary, in return for all the news we'll send you each week.

Henry Nix came in Friday to tell us his wife had missed the paper that morning, so he thought he'd better renew.

Mrs. H. Williamson renewed her subscription Friday. She reports that she and her two sisters, Mrs. B. N. Strong and Mrs. J. D. Farris, received a good response since their recent purchase of the Hico Florist shop.

Mrs. H. T. Bramblett, nee Ruby Lee Malone, was persistent enough to come back to see us while visiting here last week and, after coming in once when the manager was out for coffee. Maybe she didn't exactly understand the situation that took the whole family and force out of the office at one time, but she was nice enough not to complain. Included in her business trip was a renewal for herself and husband in Lubbock and one for her parents, Mr. and Mrs. W. L. Malone, City.

M. J. Chaney renewed a subscription for his son, Jesse Chaney, and family in Amarillo. When asked about his new granddaughter (whom they visited recently in Amarillo), he was too modest to brag very much, but finally admitted the little lady is pretty.

J. T. Jackson, Hico Route 3, renewed his subscription Saturday, after checking to see if their time wasn't about out. He said his wife always keeps up with it, and she figured pretty close to the expiration date.

"I wonder if I would have to pay off to keep on getting the Hico paper," innocently inquired Leonard Hunter, Route 5, Monday morning as the drouth was gradually being broken.

"Well, it's customary, but perhaps not absolutely necessary," the editor replied.

"I don't want to break custom," he insisted as he forced two pictures of George Washington on us and we handed him four bits in change.

Mrs. C. H. Leeth was in this week to renew a subscription for her mother, Mrs. Anna Wilson, and we all talked parties of a sort for a spell. Everybody misses her husband, Charley, who has been working at Consolidated in Fort Worth for several months and has not had time to tell the editor what

he thinks about the situation here and abroad. Mrs. Leeth said she wished she had acquired Charlie's nature of not caring what people think, as evidenced by some of the statements in those want ads he used to run. "He doesn't even care what I think," Mrs. Leeth declared.

Mrs. Lora Jenkins, who returned home last week after visiting in the home of her son, Rev. Bob Jenkins of Harlingen, came by Tuesday to renew her paper and have her address changed back to Hico.

"That sure was a short summer we had," said B. F. Rainwater when he came in during some of the breezy weather we had this week. He just blew in to renew his subscription for another year in advance, as his time doesn't expire until the latter part of April.

J. H. Johnson, Hico Route 5, added his name to our list of subscribers Monday. Mr. and Mrs. Johnson and three sons, Floyd Hubert, James and Jerry, moved here from Eastland a month ago, occupying the home vacated by the M. H. Johnson family, on the place formerly known as the E. S. Jackson place. The Thompasons moved from here to Eastland at that time.

EASTER EGG HUNT GIVEN FOR THIRD GRADE

Mrs. W. C. Watkins entertained with an Easter egg hunt for the third grade class of Hico Public Schools last Friday afternoon from 12:30 to 2:00 o'clock. About 200 eggs were hidden, and after the hunt, refreshments were enjoyed by the children present and four ladies, Mrs. O. C. Cook, teacher of the class, Mrs. George Griffiths, Mrs. Paul Drake and Mrs. Watkins. Favors of candy and chewing gum were given the guests, and refreshments consisted of cold drinks and cookies. Ray Scott and

Gail Ratcliff won prizes for finding the most Easter eggs.

Others present were Billy Morgan, James Jordan, Shelly Hooper, Wayland Wooton, Edyth Johnson, Elam Berna, Patsy Williams, Juan Williams, Carolyn Patterson, Jerry Jackson, Netty Jo Chew, Alan Hedges, Tommy Johnson, Judy Griffiths, Martha Petry, Carroll Aikman, Floyd Drake, Clara Hyles, Bonnie Pack, Joy Carol Akin, Judy Moore, Jerry Johnson, Judy Ogle, Wanda Chew, Jerry Don Chew and Elnora Watkins.

MISS ETHEL HANDER IS GUEST MONDAY AT SOUTH HICO CLUB

Miss Ethel Hander, county home demonstration agent, attended the meeting of the South Hico Home Demonstration Club Monday, March 26, in the home of Mrs. Lenard Weaver, with Mrs. V. D. Ditmore as hostess.

The program was on insect control on shrubs and pruning shrubs, which Miss Hander explained and showed us. She also had two groups of groceries. One was expensive and the other inexpensive. She compared prices, food values, etc. in each group.

Mrs. Woodie Garner gave the council report.

We each took a gift and drew numbers to exchange.

All visitors and new members are always welcome and are invited to attend. After the adjournment, cake and coffee were served to one visitor, Mrs. Hardy Parker, and to the following members: Mrs. W. R. Churchhill and baby, Mrs. Byron Hawthorne, Mrs. Rankin Jones, Mrs. Garner and baby, Mrs. Kyle Archie and Becky, Mrs. D. F. Dunn, Mrs. Weaver, Mrs. F. E. Stane and Linda, Miss Hander, and the hostess.

Our next meeting will be April 17, again with Mrs. Weaver. We have invited the Carlton club to a book review to be given by Mrs. Faye Simmons on that date.
