

## Red Ribbon Week Here Oct. 20-26

"Choose To Be Drug Free!" is the theme for the "1996 Texas Red Ribbon Week." This campaign, symbolized by the red ribbon, began as a grassroots expression of concern and commitment to a drug-free, healthy lifestyle.

During the week of October 20-26, Friona Chamber of Commerce, Friona I.S.D., local businesses, community organizations and citizens will be participating in many activities to support the commitment toward creating a drug-free community.

The Friona Lions Club will display the American flags throughout the city. Friona State Bank and Friona Public Library will distribute ribbons proclaiming drug-free messages.

Friona I.S.D. students and faculty will be participating in many unique drug-free activities throughout the week.

A drug-free curriculum will be enhanced by films, posters, banners, speeches and announcements.

The high school campus "Red Ribbon" activities will include the following special activities:

Monday: "Grim Reaper Activity" and "Drug Awareness Day."

Tuesday: high school students will visit with elementary students about the danger of drugs.

Wednesday: assembly program/Scott Schultz.

Thursday: wear special caps, "Put a Cap on Drugs."

Friday: "Red Ribbon Day."

The Friona Junior High Student Council will sponsor the following day dress-up activities which include Hat/Cap Day, Sports Day, Tie Day, Hippie Day and Spirit Day.

Two assembly programs are planned. Scot Schultz's program on Wednesday at 3 p.m., will encourage today's youth to abstain from alcohol and drugs and an E.N.C.A.R.E. Program (Emergency Nurses Cancel Alcohol Related Emergencies), Thursday, at 2:45 p.m., will emphasize the dangers of alcohol and the importance of wearing seat belts.

The FUSD elementary campus will be participating in various instructional activities. In addition, the student body will participate in the following activities:

Monday: "Tie Day" (don't tie yourself down with drugs).

Tuesday: "Hippie Day" (it's hip to be drug-free).

Wednesday: "All-Star Day" (all-stars are drug-free). Students will dress in sweats or wear their favorite jersey.

High school students will visit elementary classes dressed in various uniforms such as cheerleaders, football players, band members, etc.

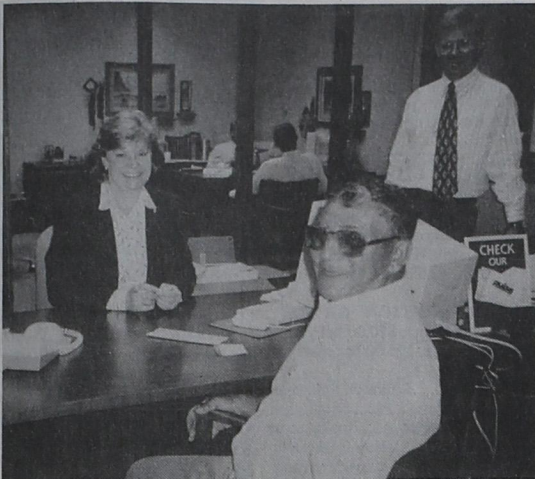

Thursday: "Mix and Match" (drugs and kids don't mix). The third grade will have a balloon launch at 12:30 p.m. at the west playground.

Friday: "Dress Red Day--The Friona elementary student body will have a drug awareness march down Main Street beginning at 1 p.m. The march will begin at Ninth Street and Main, down Main to Seventh Street, down Seventh Street to Euclid, then back up Euclid to the elementary campus.

There will be a drug awareness pep rally at the end of the march. Each homeroom class will have a Drug Awareness Party at the end of the day.

The Friona Primary School will participate in McGruff's drug prevention lessons and create hall displays pledging to be drug-free.

"Plan to be part of this initiative by wearing a red ribbon and make a commitment to make our community drug-free," said a spokesman for the school.

## Landon Martin Manages A Win in Week 6 Contest

GOTCHA!!! Even the best of our football contest contestants are on the injured reserve list after the week six contest.

The first two injuries were sustained in the high school contests. Amarillo High and Tascosa tied 14-14. Ties are a miss unless you predict the tie. No one did. That was a major injury.

Lowly underdog Hereford beat Favored Caprock. Most experts sustained a minor sprain on this one.

Then came the college games. A few bumps and bruises as Texas Tech beat Kansas. And the crippling injury which almost ended the season. Oklahoma won the annual OU-UT rivalry for their first win of this year.

In the pros, the Miami Dolphins over Buffalo and Oakland's win over Detroit sent some contestants in search of bandages.

When the team trainers finished checking for injuries, only four contestants managed 13 out of 16 correct guesses.

Winner of the \$20 top prize was Landon Martin of Friona. His tie-breaker guess of Dallas 27, Arizona 13, was 20 points off the actual score of Dallas, 17, Arizona, 3.

In a tie for second and third place were Joshua McDonald of Muleshoe and Ernest Miller of Friona. Both McDonald and Miller had 13 correct picks and both guessed Dallas 27, Arizona 14 as a tie-breaker, 21 points off.

In this case, the \$10 second prize and \$5 third prize are divided. Both McDonald and Miller receive \$7.50.

The fourth contestant to pick 13 correct was Colby Ingram of Friona, but his over zealous tie-breaker pick of Dallas 42, Arizona 10, was 32 points off and left him

MARTIN TO MARTIN.....A proud grandpa, Clarence Martin, presents the weekly \$20 top prize check in the Friona Business football contest to his grandson, Landon Martin. Mr. Martin and A-1 Service Center are contest sponsors. Landon is the son of Larry and Judy Martin and is a freshman at FHS.

## Especially For Friona Women

Car pools  
Delivering kids  
Cooking 15 minute meals  
Balancing work and a home  
Running your husband's errands  
School events and church activities

Do any of these sound like your life? Do you take time for everyone but yourself? If you do, come join the Women's Division for a program on "Women's Comfort," November 4 at 7 p.m. in the Community Room of Friona State Bank.

Not only will we teach you how to take a moment just for you, but we'll give you the tools to do it. There will be door prizes, food and fun.

"Call a friend or neighbor and come join us," a spokesperson commented.

## ERIN BARNETT Local Teacher Named Hero Of The Week

Friona second grade teacher, Erin Barnett was honored this past Wednesday by the Red Cross and Amarillo KAMR-TV by being named "Hero Of The Week."

Around the third week of school, Mrs. Barnett was on playground duty, when a neighborhood pit bull dog came onto the school grounds and attacked a child. Mrs. Barnett chased the dog away from the girl and was herself, bitten in the process.

Mrs. Barnett was nominated for the honor by the Student Council, headed by Haleigh Herbert and V'Lesha Wilcox. All three were interviewed on the Channell Four local news segment.

## United Way Helps Meals On Wheels

(Editor's note: Following is an article dealing with one of the recipient agencies for the local United Way drive)

Friona's "Meals on Wheels" is a fairly new organization that is assisted by Friona's United Way campaign, but probably exhibits the type of community project that makes you proud to donate to the local United Way drive.

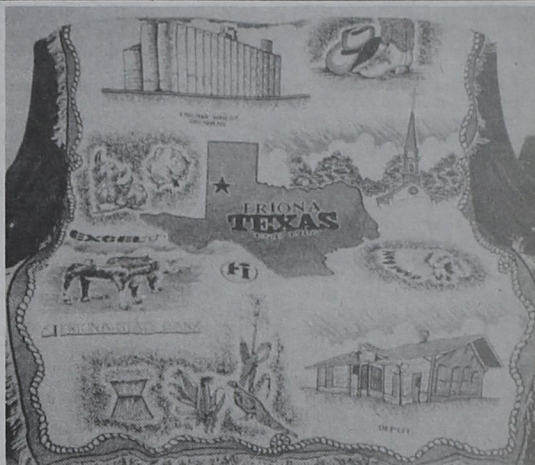

Established 16 years ago, the Meals on Wheels has been a God-send for local residents who are shut-ins, or someone recovering from surgery, or others with special needs.

During the past month, the meal program has been delivering meals to around 100 people each week.

The meals are prepared at the Parmer County Community Hospital kitchen. Those receiving the meals are asked to pay \$2.25 per meal. "They are always a good balanced meal, and most people are able to save enough on their tray to have at least a light supper," said "Wheels" spokesperson Ann Osborn.

The United Way money received by the M.O.W. organizations helps pay the cost of meals for those who cannot pay the full price.

Meals on Wheels is a completely voluntary organization. Meals are

AFGHAN ORDERS TAKEN....Here is a wonderful opportunity to order the design that was finalized for a custom woven afghan depicting Friona and various items that it is noted for. Orders are now being taken at the Chamber Office. These will make great gifts for all occasions including Christmas, birthdays and graduation. The cost of the afghan is \$46 each. Call 247-3491 or come by the Chamber at 621 Main Street, to place your order.

## Two Local Youths Earn Eagle Scout Rankings

Two young men from Friona were recently awarded the rank of Eagle Scout at a special ceremony held at the Hereford Country Club on Sunday, September 22.

Clint McCoy, son of Bill and Page McCoy, and Garland Buske II, son of B. K. and Janet Buske are members of Troop 56 which has had the honor of five of its members attain Eagle Scout. Scoutmaster of the troop is Gary Williams. Mercedes Williams, B. K. Buske, and Delwin Allen are assistant scoutmasters.

The young men, both 13 years-old, are among the youngest boy scouts to earn the Eagle Scout rank in the U. S.

They were presented the Eagle Medal, Certificate, and a letter from the President of the United States. Scoutmaster Gary Williams lead the Awards ceremony. Joe Bob Mann conducted the Eagle Ceremony and Delwin Allen and B. K. Buske participated in the awards presentation.

Garland Buske's Eagle project was erecting a flagpole and flag at the Friona Cemetery. The flagpole was destroyed by the tornado in June, 1995.

The plaque at the base of the flagpole reads, "In Dedication and Memory of Rhonda Bentley".

Clint McCoy's award was the culmination of several year's work, including a special project, the construction of a railroad-tie flower bed on the west side of Friona Elementary.

The flower bed will be used this current school year by the third grade teachers as part of their science curriculum.

McCooy is active in Friona Junior High band and athletics and participates in UIL science, one-act play, and other UIL competitions.

The Eagle Scout Award is the highest achievement in Boy Scouts. To receive the rank of Eagle, a scout must earn 21 merit badges, including 12 required merit badges.

An approved project is required that will benefit the community and show leadership. Only a very small percent of scouts ever achieve this rank.

Rep. Group Sets Meal Saturday

The Parmer County Republican Party is hosting a Mexican food dinner Saturday, October 19 at the Friona Community Center from 6:30-9 p.m.

County republican candidates Teresa Ancira, John Tannahill and Jerry Davis, and state representative candidate Hollis Cain will be attending to meet interested voters.

A freewill offering will be taken at the door to defray advertising costs in the county's three newspapers.

County republican party chariman, Teena Hughes stated, "We know this is a busy weekend, but we hope people will take a few minutes to come eat supper and meet the candidates."

# Offense Tops 400 Yds. As Chiefs Top Mules

The Friona Chieftain offense, which currently ranks first-or second in area 3-A according to which list you're following, was clicking last Friday, as the Chieftains disposed of visiting Muleshoe, 34-14. For the second week in a row, FHS gained over 400 yards, getting 411.

And the offense did a creditable job, holding the Mules to just 73 yards. And it might have been virtually zero except for an untimely penalty early in the fourth quarter, which revved Muleshoe into its only touchdown drive. The Mules then returned a fumble for a score, to temporarily shake the Chiefs, who saw their halftime lead of 27-0 dwindle to 27-14.

But the team kept its cool, driving for a clinching score.

Friona wasted its first scoring chance, after QB Kyle Grimsley pitched out to Andy Kendrick at the last minute. Kendrick went 40 yards up the sideline, being literally tripped by the last Mule who had a shot at him.

The Chiefs fumbled on the next play at the Muleshoe 16, and the ball went over. Shane Blackburn had a nice defensive play, knocking down a third-down pass attempt by Muleshoe, and Friona took over in good position, at mid-field.

On the second play of the second quarter, Grimsley faked a handoff, the defense bit, and Grimsley outran the defense 46 yards for Friona's first TD.

The team had a slight problem with the snap on the PAT kick, which went wide. But Friona had taken a 6-0 lead 58 seconds into the quarter.

Angel Vega, who had another great game for the Chiefs, saved the day following the next Muleshoe punt. The ball hit a Chieftain, and Vega, who was the deep man, ran in to recover the live ball.

From the Mules' 43 yard line, it took Friona only three plays to score their second touchdown. Daniel Cuevas gained four, and Grimsley danced 14 yards for a first down.

At that point, the Chiefs got one of a very few timely penalties in their favor all season, when a Mule defender was called for roughing the passer. The 15-yard penalty moved the ball to the Muleshoe 12.

David Shelby took the pitchout and raced around the right end untouched to the end zone, for his third TD of the season.

A running try for points failed, and Friona led, 12-0 5:10 before halftime.

But the team wasn't through scoring in the quarter.

Shelby ran nine yards and Grimsley 12, both for first downs, and then the Chieftain offense ran its option play to perfection. Grimsley pitched out to Kendrick, who raced 44 yards for the touchdown. Andy then ran the two-point conversion, and Friona had hiked its lead to 20-0 with 2:10 remaining on the clock.

Cecil Cooper sacked the Mule quarterback on first down, and Hugo Santiago stopped the Mules for no gain at their 18. The visitors were forced to punt, and Friona took over with 50 seconds left in the period.

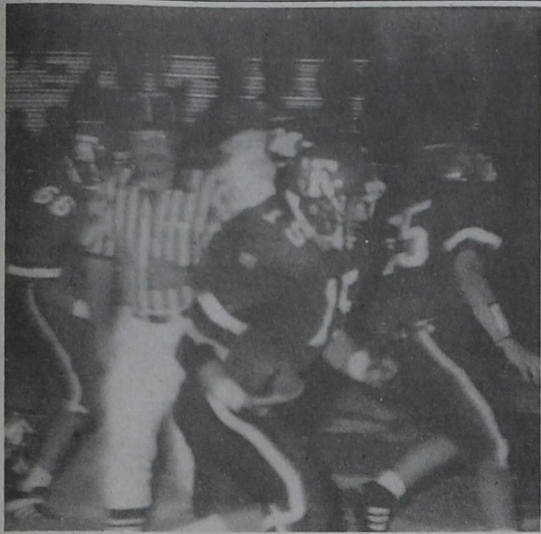

Angel Vega has been dazzling both the Friona fans and his defenders from his

## Sophomores To Host A Chili - Fest

The sophomore class of Friona High School is holding a chili supper on Friday, October 25, prior to the Dimmitt game.

The young people will host the chili supper from 5:30 p.m. to 7 p.m. in the high school cafeteria.

Tickets are \$4 for adults and \$2.50 for children. The community is urged to stop by for supper and support our sophomore class, then cheer the Chieftains as they battle Dimmitt.

**RAMBLIN' ANDY K.....**Senior back Andy Kendrick (15) rambles for another gainer against Muleshoe, ably assisted by Javier Lugo (66) and Perry Hanes (65). Hanes took over at center for the Chieftains when starting center Landon Wiseman injured a hand in a woodworking class accident. Kendrick carried 14 times for 172 yards and one touchdown against Muleshoe. (Photo by Don Spring).

## Chiefs-Wolves: It's District This Season

For the first time in many years, it counts as a district game, when the Chieftains visit Dalhart Friday (October 19).

Not since the early 1960s had the two schools been in the same district, although they have met several times as non-district opponents.

Dalhart has a 2-1 district record after a last-minute field goal gave the Wolves a 31-28 win over Dimmitt last week. Dalhart is 2-3-1 for the season.

Going into their seventh game of the season and fourth district tussle, the Friona Chieftains (5-1, 3-0) continue to rank at or near the top in all of the statistical departments, as compiled by the Amarillo Globe-News and the Lubbock Avalanche-Journal.

After trailing Dimmitt in the "team defense" department, Friona took over the lead after last week's games, having allowed 1119 total yards, or 186.5 yards

## Freshmen, JV Win At Muleshoe

Friona's freshmen and junior varsity teams scored wins over Muleshoe last week.

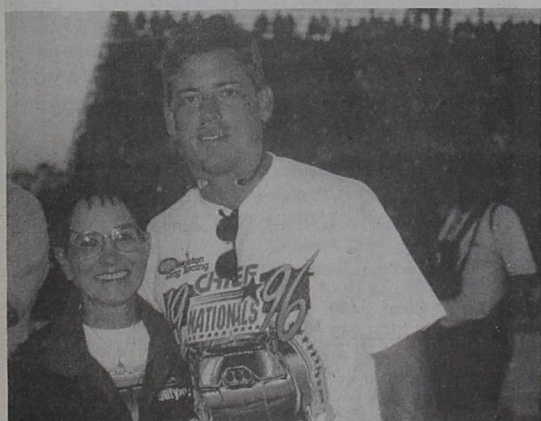

The freshmen scored a 42-12 win, and the JV outran their age group, by an almost exact score of 42-8.

Leading the freshman attack was Joseph Bandy, who carried the ball 19 times for 165 yards and scored three touchdowns.

Adrian Cruz added sixty yards on seven attempts, and Jessie Allen gained 35 yards on nine carries.

Bandy also caught a pass for nine yards. Landon Martin had ten tackles, Adrian Cruz had six, and Bandy five. The team's record is now 4-2.

Hugo Rivera and Jeff Rando scored two touchdowns apiece for the junior varsity Chieftains. Mario Pina and Justin Daniel each scored a TD. The win gave the JV team a 5-1 record for the season.

**DRAGGIN' WITH TROY.....**Elizabeth McLellan and husband, Kenneth, attended the NHRA Nationals drag racing competition in Ennis, Texas, on October 11. Elizabeth is shown with Dallas Cowboys quarterback Troy Aikman, who is a spokesman for Chief Auto Parts and was grand marshal of the event.

**LOOKING GOOD "D".....**Chieftain defensive standouts Quint Ellis (45) and Eloy Trejo (60) converge for another resounding smash of Muleshoe, as Luis Ramirez (30) provides some backup. Ellis suffered bruised ribs just before halftime. He was taken to the hospital for X-rays and did not return for the second half but is expected to play this week against Dalhart. (Photo by Don Spring).

wide receiver position. Grimsley tossed a long pass which was slightly underthrown. It looked as though the ball would either be knocked down by the defender, who was between Vega and the ball, or just fall incomplete.

But the Chieftain receiver made a quick turn, leaned forward, and somehow caught the ball. Then he made a move and was off on a 60-yard scoring jaunt. His kick made the score 27-0, and Friona had rung up 27 points in the quarter.

"It looked (on film) like the ball went between the defender's arm and a leg," said Coach James Morton. "He (Vega) still was only about 90 per cent of speed, after his injury against Tulia," Morton said.

On Friona's second offensive play of the third quarter, Kendrick turned in a great run, which would have been his eighth touchdown of the season. But a penalty called it back. What might have been a 34-0 blowout later became a closer game. Friona drove to Muleshoe's 29 but an option pitchout lost yardage, and the Mules dodged the bullet.

Friona had held Muleshoe without a first down in their first seven possessions! But on a third and ten play, Friona was called for a personal foul, and this seemed to ignite the visitors.

Muleshoe then drove for three legitimate first downs, and scored on a ten-yard pass. The kick made the score 27-7. This was a 14-point "swing," when you include the TD that Kendrick would have scored.

Then on Friona's third down play, the ball was knocked loose, and Muleshoe's Carlos Del Toro grabbed it in full stride and raced 44 yards for a TD. The kick made it a 27-14 game. Muleshoe, which came into the game having scored only 12 points, had scored 14 in 61 seconds of clock time.

But the Chieftains responded to their large and boisterous crowd, driving 60 yards in eight plays to douse

The classes are sponsored by the Friona Independent School District and Region

any Muleshoe hopes of an upset.

The Grimsley-to-Kendrick pitchout, which worked for some 120 yards in the game (and would have been 150 except for the hankie), paid off for a nifty 37-yard gain to the Mules' 24-yard line.

Six plays later, Grimsley faked a handoff and raced 15 yards into the end zone for his second TD of the night. Vega kicked the PAT, and the score became 34-14 with 4:51 left in the game.

Kendrick sparked with 172 yards rushing, and backfield mate Grimsley had an even 100. Vega, who is the leading receiver in the area 3A players, which includes all of Friona's district as well as all of district 2-3A, which extends to Denver City, had 69 yards, thanks mainly to his dippy-doodle catch, and ran his season total to 343 yards, which includes three touchdowns.

Fidel Rodriguez (11 tackles), Juan Santiago (nine) and Eloy Trejo (10) were the defensive names called out the most by the PA announcer. Cooper had three QB sacks, Juan Santiago and Luis Ramirez one apiece.

It was the 46th renewal of the oldest (in point of time)

# Hereford Concert Season Is Beginning October 20

The Hereford Community Concert Association will open its 1996-97 season by presenting the Little Eagles of Siberia on Sunday afternoon, October 20 at 3 p.m. in the Hereford High School Auditorium.

Admission to the concert is by season membership. Memberships for the season

will be sold at the door. They are \$20 for adults, \$10 for students and \$50 for families. There will be three concerts presented locally, and a reciprocal agreement with Plainview, Pampa and Borger allows members to attend their concerts for the price of a Hereford membership.

The Little Eagles, an ensemble of young singers and musicians, consist of 28 youngsters ranging in age from 11 to 19. Coming from the city of Krasnyarsk, 3000 kilometers east of Moscow, these youth are participating in their fourth tour of North America.

Under the direction of

Ludmila Stebnjkova, their founder, they have also been enjoyed by audiences in Poland, Romania, Czech Republic, Bulgaria, Mongolia, as well as throughout their Russian mother-land. Their programs feature Siberian songs and instrumental works as well as representative works from great Russian and Western international classics.

This season, the program will include instrumental works for balalaika, accordion and piano. The choice of repertoire and the polished choral arrangements by the director range from Glinka to Gershwin.

This being the first concert of the season, everyone is invited to attend—members or not—and may join as season-long members after the concert.

### Meals . . . From Page 1

The program is geared to allow for special needs of the meal recipients. Special meals can be prepared for diabetics; or those on a low-salt or no-salt diet. "Some people request 'no fish' and others want no gravy. These needs are strictly met," Mrs. Osborn said.

Those wishing to become a recipient of the meals are asked to call the hospital kitchen any weekday. Usually, a new recipient can be added on 24-hour notice. The regular recipients are asked also to call the hospital before 9 a.m. if they are going to be away from home or just not need the meal that day.

Members of the M.O.W. board of directors include Mary Joyce Barnett, president; Ann Osborn, treasurer; Betty Reeve, Glenda Sifford, Lavelle Lillard, Irma Hernandez and Judy Ichtertz.

"We appreciate the assistance from the United Way, as we could not serve nearly as many people without this help," Mrs. Osborn concluded.

Anyone with questions about the program is asked to call Mrs. Osborn at 295-3097 or Mrs. Barnett at 265-3583.

## First Freeze Threatens Local Area

Having boasted ten days out of 11 where the temperature hit the 80s (through Wednesday), our area was primed for at least a light freeze on Friday morning.

Almost perfect weather during the past month has allowed one of the most orderly grain harvests ever seen. Corn yields also exceeded many early expectations, as did the ensilage.

Beet harvest was begun this week, and the cotton harvest is expected to begin very shortly. Some farmers have sprayed their cotton with "Prep," which will kill the leaves whether the freeze does or not. The warm dry weather of October should have aided the crop.

Temps: Oct. 11: 87-47; Oct. 12: 89-54; Oct. 13: 88-53; Oct. 14: 86-51; Oct. 15: 90-51; Oct. 16: 82-46; Oct. 17: 60-37.

## YOUR EYES

### Are Your Eyes Middle Aged?

Exercise and a good diet may help you look and feel younger than your parents did at your age, but, as you approach the 40s, you still may have difficulty reading the small print. This condition has a name—presbyopia—and almost everyone gets it.

Key to the problem is the small lens within the eye that changes shape automatically as we focus on objects near and far. The lens is soft and flexible at first, but it hardens with age; in time, it's not flexible enough to focus on small-print matter held at the usual distance. That's when the reader starts holding the newspaper or book further and further away until—the old joke goes—"the eyes are fine, but the arms are too short."

Presbyopia is a normal and expected condition at middle age. Ignoring it usually results in headaches, blurring vision or tiredness when you try to read. Better: see the optometrist for reading glasses prescribed for your vision needs.

# New Building Set For "Blackwater"

A new building is being constructed as part of a conservation project for Eastern New Mexico University's Blackwater Draw Site.

The funding and architectural designs for the project are being provided through ENMU, the El Llano Estacado RC&D area, the State Historic Preservation Office and the Highway and Transportation Environmental Division. The building will make it easier for visitors to view the site and will help archaeologists by protecting the excavation from nature's elements.

Blackwater Draw Site was discovered in 1932 and has been excavated off and on for the last 63 years. The site exhibits a bone bed that is important in classic Paleolithic stratigraphy and has been accepted as the earliest culture in North America, which makes this site known world-wide. The Blackwater Draw Clovis Type Site (oldest) is followed by Folsom, Portales and Archaic

cultures which date back from 11,300 to 5,000 years ago.

The Blackwater Draw Site was privately owned until 1978 when it was purchased by ENMU. In 1991 it was opened to the public and visitors can take a 1/4 mile self-guided tour through a trail with information signs.

Curator and archaeologist of the site, Joanne Dickenson, said, "Our hope for the site is that we can create a place that people can feel is a walk through that time period."

Many of the artifacts from the site are now housed in the Blackwater Draw Site Museum, but eventually they hope to move the museum out to the actual site. It will be valuable for visitors to see not only what has been found, but also the archaeological digging and a tour of the site in the same area.

The completion of the building on the Blackwater Draw Site is set for March of 1997.

GEORGIA L. THOMAS

## Prairie Acres Resident Writes Her Life Story

Residents of Prairie Acres are chosen to write about their life history and the Friona Star is happy to re-print these stories. Georgia Thomas' story follows:

By Georgia L. Thomas  
I was born February 11, 1920 in Hereford, Texas to Robert and Katie Sisk. I had three brothers, Ovy, Cecil and Steve, and three sisters, Florence, Flossie and Zelma.

My father went to work for the Santa Fe Railroad and we moved to Summerfield. My father became section foreman, so we moved to Friona.

Mother died in 1928 when I was eight years old. Then we moved to Bovina, Texas. We all went to school there. Uncle Allen and Aunt Althea Pillow came to live with us. She raised my younger brothers! They also built a service station and ran it. Later, my aunt and uncle separated and she moved to Clovis, New Mexico.

After I finished school, I married Haskel Sudderth. The marriage lasted several

## CCC Hosts Art Display Through 31st

An outstanding collection of 29 original paintings from the Santa Fe Railway Company's Southwestern Art Collection will be open to the public Monday, October 7-31 in the Eula Mac Edwards Memorial Museum and Gallery at Clovis Community College.

The exhibit is a portion of the collection amassed over a period of nine decades by the Santa Fe Railway Company.

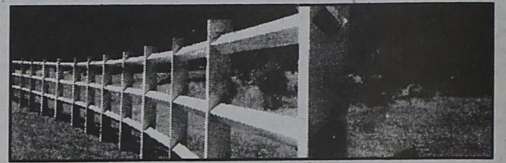

The Gallery, adjacent to CCC's Town Hall, is open from 8 a.m. to 4:30 p.m. Monday through Friday. Special viewing times and group tours may be arranged by contacting the Director of Community Services at 769-4115.

Congratulations to the winner of 30X Bailey Felt Hat at the Cowboy Symposium - Lanna Wooley, Clarendon, TX with a guess of 6687 beans.

With the Texas Legislature now dominated by members representing urban districts, it's a good thing we have Speaker Pete Laney looking out for the interests of rural Texans.

# Out Here

By RON CARR

This and that. Esto y lotro. Things I think about when I am out in left field. Not food for thought, just mulch for meditation.

As usual, I have some observations and questions.

The era of big government is over? On the contrary. If you elect Billy Jeff and Hill Rod, the era of "bigger" government is just beginning. Notice I said if you elect them. I ain't votin' for them.

At least Bob Dole resigned from the Senate so he wouldn't be campaigning while on the payroll. Of course, getting over \$60 million from the government to campaign with didn't hurt.

But, Billy Jeff is still on the payroll, and you are paying him to take time off to practice for the debates, and play some golf in Albuquerque, and fly around on Air Force One, and paying for his Secret Service, while he is on the campaign trail.

I don't blame him for wanting to hang on to the job though. He is not qualified for anything else.

Bob Dole and the Republicans are offering a 15% tax cut, but a lot of citizens don't want it because they say the Republicans have not explained how they will pay for it.

Folks, when governments, local, state, or federal, impose

tax increases on businesses and individuals, do they ask how you are going to pay for it? I think not.

If by some miracle of divine providence, the government did balance the budget and pay off the deficit, how would it change your daily life anyway? Could someone come by and explain that to me?

A lot of time is spent talking about the next millenium. The 21st century. We have to be prepared for it, they say.

So tell me, when we wake up on the morning of January 1st, 2001, in the infamous next millenium that everyone is concerned about building a bridge to, what will be different?

Everyone talks as though a new light will dawn on mankind in the 21st century. I don't think so. Many revelers will experience their very first 21st century hangover from bringing in yet another New Year with Dick Clark, who will be at least 139 years old by then, won't he?

Why are Supreme Court judges appointed for life? What is the logic?

Why are many college professors given tenure, which means they also have a job for life? What's the logic?

What do economists do and who pays them to do it?

What will all the preachers do if the devil is saved?

Do you really think that anyone who works for the government wants to downsize the government?

Do you really think the members of Congress want term limits? Of course they don't. They are lying to you. The only ones that want term limits are the ones who are not elected yet.

And then there is this new state education program which I will be following with some interest. It is called TEKS.

Elsewhere in this week's paper, you will find an article titled "Public Hearing In Amarillo For 21st Century (there is that term again) Schooling."

The Texas Legislature has apparently declared that students will need to learn something different for the 21st century. The focus should be on "what" the student learns rather than "how" the teacher teaches. Wow! Stay tuned to Out Here for the very latest in 21st century education.

In Azle, Texas, a 13-year-old boy was given two citations and made to appear before a judge for calling a female classmate a "fat cow" and for cursing during a flag football game.

Calling a classmate, or anyone else, a "fat cow" is not socially acceptable. Nor is using foul language.

However, neither instance is illegal. Sure, it could get you a suspension, or a visit to the principal's office.

But getting a ticket and appearing before a judge is not an acceptable punishment for calling someone a "fat cow" or cussin'. Even if she was fat, he shouldn't have pointed it out by calling her a "fat cow."

How much further will the government and the legal system go in an attempt to regulate morality and common sense?

For heaven's sake folks, if our school systems can't deal with these relatively minor discipline problems without help from the courts, we have a serious problem for the future of our young people.

My closing prayer: "Lord, thank you for your many blessings. I try not to ask for more than I deserve.

But, Lord, if it is your will, please deliver me now from Oprah.

Over the years, you have blessed me with visions of both the fat Oprah and the slender Oprah.

One time I remember her extolling the virtue of overweight people when she got too tired to lose weight again. But you gave her the strength to lose another 200 pounds, then the courage to feel good about herself while she gained it all back.

Only you, Lord, know the exact number of total pounds Oprah has lost and gained in her lifetime.

And while the studio audience applauded you let her take all the credit, Lord, and gave her the talent to become the richest entertainer in the country, if not the world.

Lord, I must not have been in church the Sunday you explained just exactly what Oprah's real talent is.

I don't want to be selfish, Lord, so please use Oprah to help someone else for a while. And most of all, guide and direct me so that I never have to see Oprah in a Spandex outfit again as long as we both shall live.

Thank you, Lord, and if you want to include Richard Simmons in the above, that's okay too. Amen!

Is Club Topic*

The purpose of the October 15 Modern Study Club meeting was to understand the basic issues of learning disabilities and to learn of existing programs for the learning disabled.

Program director, Donna Mears, introduced the guest musicians and Charles Turner introduced his piano pupils, Kayla and Ashley Smiley, who played several selections. Kim Smiley played two piano duets with daughter, Ashley.

Nellie Shelton, president, welcomed the members and guests. She stated, "Children have never been very good at listening to their elders but they have never failed to imitate them."

Donna Mears introduced Friona Special Education teachers, Shauna Fleming and Kristi Carr. Mrs. Fleming teaches at the elementary level and has ten students ranging in age from three-fifteen years.

The main goal is to teach these students self-confidence, independence and social skills and to educate the parents in a way that they can help their child.

Mrs. Fleming stated, "It takes time to train these children and some parents think you can push a button and perform a miracle."

Mrs. Carr teaches at the junior high level. She has 17 students and some of these have an aid who works on a one-on-one basis. They use many teaching materials to try to reach these students so they can survive in society.

One of our poets, who generally spends most of her time at home, has been on the go recently.

On Saturday, Mary Crump was accompanied to Amarillo to the monthly breakfast of Southwest Poet's Association at the Big Texan by Jonell Clark and Edith Johnson. Mary had a part on the program.

Then, Tuesday evening, she and Jonell attended the Annual Book & Author Dinner, sponsored by Friends of the Amarillo Library, which was held in the Grand Plaza, Amarillo Civic Center.

Mary, who has published two books of poetry, "Electric Fence" and "High Lonesome," this year, was an honored guest.

The evening's festivities began with an autograph party for all authors honored to inscribe and sell copies of their books.

Congratulations, Mary!

Lucretia Bracken, another Frionan who spends most of her time at home, has also been on the go.

In recent weeks, she accompanied her daughter, Melba Smiley, and granddaughter, Darla Perkins, to the Hot Springs,

Arkansas area.

They were guests in the homes of Walter and Barbara Hill, Virgie Coffman and Lona Shields. Barbara is Lucretia's daughter and Lona and Virgie are her sisters.

Later, she and Anna Mae Thomas drove down to Fort Worth and spent a few days visiting Corene Thomas and family. Corene, a former Friona resident, is Lucretia's sister and Anna Mae's sister-in-law.

Although Tera McGlothlin will not attain the status of nonagerian until early next month, she had a pleasant birthday surprise on Sunday.

Earlier two of her granddaughters, Tamara and Trista Hand, arrived to spend the weekend in the home of their parents and sister, Gary, Gail and Tania Hand.

Tamara is employed in Fort Worth and Trista is a student at Lubbock Christian University.

On Sunday, Gail and the girls decided to have an impromptu surprise for their mother and grandmother, so she had an early birthday dinner.

She remarked, "It really isn't my birthday and this is such a surprise, but since the girls will probably not be

here for my birthday, I'm enjoying it."

Celia Dee Lofin has been hospitalized in Methodist Hospital, Lubbock, but is at home now.

On Monday, she reported, "I'm showing some improvement, but will have to go back for more treatment."

\*\*\*\*\*

Tom and Bettye Jarboe had a fun filled weekend at their old home town, Floydada. The annual all school reunion was held and they're both graduates of Floydada High School.

Though they were not in the same class, the classes they were in had combined get-togethers which Bettye described as "the most fun."

For the past few weeks, Tom Bob has been battling a severe case of shingles and was far enough ahead that he felt like making the trip.

Out-of-state visitors in the home of Mrs. Cordie Potts, who lives in the Rhea community, were two of her late husband's brothers-in-law and sisters, Mr. and Mrs. Cecil Davis of Tuscon, Arizona and Mr. and Mrs. Pat Palmer of St. Louis, Missouri.

These four spent a couple of days with Helen before attending the reunion of the descendants of the late Mr. and Mrs. Walter Potts, Sr., who raised their family in the Holene, New Mexico area.

About forty other relatives from various parts of the country joined these five for a fun filled day at Rosedale on Sunday.

Claudie Potts of Lubbock was the only other sibling of Cordie's who was able to attend.

Another of our nonagerians has observed her 96th birthday. Florence Schlenker Dorsey of 1707 West Ninth, who is better known as "Jackie" was born in Iowa in 1900 and was six years old when she came to Parmer county with her parents, the late Mr. and Mrs. Charles Schlenker, and siblings.

Jackie lived in California many years before losing her husband and retiring in Friona a few years ago. At that time, she and two of her sisters, Mabelle Hartwell and Bula Hopkins, who are both deceased had the home

Jackie lives in built, so she became a Friona resident again.

Friday was her birthday and her sister and niece, Louisa Wilson and Mamie Lou Welch, honored her with a family birthday party.

\*\*\*\*\*

Gertrude Renner, a former resident who has been living in Amarillo several years has returned to Friona to make her home.

She first lived here when she was sixteen and has spent a great deal of her time here since that time.

In recent years, she has been a care giver for several of our older and disabled residents but her health has deteriorated to the point that it is now necessary for her to have home health care.

She moved into Ruby Barnett's house at 1310 Jackson so is kind of in our neighborhood.

Gertrude, we're glad to have you back among us.

Alton and Elizabeth Peak travelled a long distance Friday afternoon to watch a football game. They drove to Lubbock then flew to El Paso, where they attended the Hanks High School game.

His son, Jeff Peak, is the coach of the team and this is the first time this year his parents have attended one of his team's games.

They spent the night with Jeff and his wife, Brenda, and children, Kaylyn and Douglas, and returned home on Saturday.

Elizabeth reported, "Our plane was running late, so it was late when we arrived home."

\*\*\*\*\*

Doyle Cummings, who was admitted to Parmer County Community Hospital Sunday afternoon and later transferred to Methodist Hospital in Lubbock, is having a very difficult time.

He is a still a medical patient at Methodist.

## While Others Just Talk About Reforming Taxes

# HOLLIS CAIN IS PREPARED TO DO SOMETHING ABOUT IT!

### MY PERSONAL PLEDGE TO YOU:

- I will file the Taxpayer Protection Act and work with conservatives in the Texas Legislature to try and get it passed. Then you will be able to vote on a constitutional amendment to require a 2/3rds vote by legislators before they can raise your taxes.
- I will file legislation that requires local voter approval before property taxes can be raised.
- I will always vote against a state income tax
- I will work to repeal the corporate income tax.
- I will always ask before casting a vote, "How will this legislation affect the families in this district?" I will vote your values.

Please keep this pledge as my promise to you. If I violate any part of this pledge, I will resign from office and never seek public office again.

*Hollis Cain*

It needs to be tougher for State legislators to spend our money! That's why I'll file the *Taxpayers Protection Act* the minute my hand comes down from taking the oath of office as your State Representative.

When this bill passes, you'll be able to vote on a constitutional amendment that will require a super majority vote by legislators before they can raise your taxes.

District 85 needs a State Representative who will say NO to increased taxes, will say NO to a state income tax and will say NO to more government spending.

You can trust me to vote the conservative values of West Texas and to be a friend of the taxpayers. I will appreciate your vote.

# THE \$67 PER BALE ADVANTAGE FOR COTTON PRODUCERS

More than \$67 per bale paid in cash for the 1995 crop.

Your local and regional cotton cooperatives offer a vertically integrated system that takes your cotton from the field to the textile mill. It's a system that adds valuable income to your farming operation. Ginning, warehousing, marketing, textile manufacturing, and cottonseed processing all work to increase the value of your cotton crop every step of the way. For the 1995 cotton crop, combined cash payments from the local and regional cotton cooperatives averaged \$67.29 per bale, over and above the value of your lint cotton. Thus, the more cotton you send through the cooperative system, the more you can add to your net profits. Consider the cooperative advantage for your cotton crop - it's just good business. See your local or regional cotton cooperative today.
