Lake Thomas could catch 2,000 acre feet of water

Colorado River Municipal Water District general manager Owen Ivie said today that, despite the recent big rains, another three or four inches of wet stuff would be nice.

"Lake Thomas is only at 5 per cent of capacity," said Ivie, and added, "and Lake Spence didn't catch a thing from the recent rain."

"We expect to catch about 2,000 acre feet of water in Lake Thomas. The river there was running at about seven and one-half feet at the upper

end of the lake, and we had caught, this morning, 1,500 acre feet already."

The new water in the lake, according to Ivie, will have no dramatic effect on area industries or residents. It is simply more in reserve.

And while it is nice to have some in reserve, Ivie would welcome another hard rain.

Additional rainfall totaling .10 of an inch fell on Big Spring between 8 p.m., Thursday and daybreak this morning.

Former CIA Director Helms faces quiz

Assassination plots probed

WASHINGTON (AP) — House investigators want former CIA Director Richard Helms to explain why the agency withheld significant information from the Warren Commission's investigation of the murder of President John F. Kennedy.

Helms, the top U.S. spymaster from 1966 to 1973, was scheduled to testify before the House assassinations committee today.

Although John McCone was CIA director when the commission was conducting its probe in 1964, Helms was head of the agency's clandestine services and was heavily involved in its dealings with the commission.

The committee was expected to seek Helms' explanation for the agency decision to withhold information about these matters:

—Bizarre CIA plots to assassinate Cuban leader Fidel Castro, possibly with the help of U.S. crime syndicate figures. Some conspiracy theorists have suggested Cubans were involved in Kennedy's murder as retaliation for the plots against Castro.

—A Russian defector, Yuri Nosenko, who claimed he had been a high-ranking Soviet intelligence official with direct knowledge of Lee Harvey Oswald's activities during a

three-year stay in Russia. The Warren Commission identified Oswald as Kennedy's killer and said he acted alone. The CIA believed Nosenko was a Soviet-planted spy at the time and thought he would offer no truthful information about Oswald.

—Discussions within the CIA about attempting to use Oswald as a source of information about Russia after his return to the United States in 1962. Helms told the Warren Commission the agency "never contemplated" such an effort, but CIA documents

Odessa woman charged with killing three children

ODESSA, Texas (AP) — A 20-year-old unemployed waitress, who says she has lost three infant children to "crib death" in the last four years, has been charged with three counts of murder by suffocating the infants.

Emma Jean Berry had each of the children by a different husband, police said Thursday, but the husbands have not been charged.

She was charged Wednesday after giving a statement to officers at the end of a two-week investigation, District Attorney John Green said.

Mrs. Berry was lodged in the Ector County Jail in lieu of bonds totaling \$300,000.

Green said officers began an investigation after Mrs. Berry's 2-week-old son was dead on arrival Sept. 17 at

an Odessa hospital. Officers said Mrs. Berry blamed "crib death" for the child's death.

Green said that in addition to the recent infant death here, Mrs. Berry is charged with murder in the deaths of a 2-month-old baby on Sept. 16, 1976, in Odessa, and a 10-month-old son on Jan. 27, 1974, in Houston.

The investigation into the deaths

began after an autopsy on the latest infant showed it died of suffocation, Green said.

Investigators said they learned Mrs. Berry had blamed the two previous deaths on crib death also.

Green said the case would be presented to the Ector County Grand Jury on Monday.

Millionaire celebrates birthday in jail

Davis trial moved to Houston

FORT WORTH, Texas (AP) — Millionaire Cullen Davis celebrated his 45th birthday in jail today as the spotlight in his celebrated legal saga shifted to a Houston court presided over by a former wartime fighter pilot.

Visiting Judge Arthur Tipps, after a three-day change of venue hearing, Thursday moved Davis' latest trial to Harris County's 184th District Court, presided over by Judge Wallace C. Moore. Both defense and prosecuting attorneys agreed an impartial jury could probably be found in the state's largest city.

Moore, a chain-smoker who wears a lucky coin on a chain around his neck, admitted Thursday that he is a "close personal friend" of defense attorney Richard "Racehorse" Haynes, but said he will try the case "like any other felony."

Moore has not yet set a court date, but attorneys in the case have speculated the trial will probably begin the week of Oct. 16.

"When the indictment and files are transferred here and they are all in place we will have an early as possible pretrial setting to determine exactly where we are and what we are going to do," Moore said.

"But you can be assured it is going to be done very quickly."

That may have been in reference to the prosecution's desire to start the

trial before Oct. 20. Davis was arrested Aug. 20 and state law requires that a defendant be released

Davis was transferred this morning to the Harris County jail from the Tarrant County jail where he was

'Linda Jane Doe' recalls score of Rams-Cowboys game

AMARILLO, Texas (AP) — Doctors at Northwest Hospital are working with a woman who cannot remember much about her life except several sports scores, recent sports trades and a few book titles.

One score she kept telling doctors was of last Sunday's Dallas-Los Angeles football game.

Linda Jane Doe, as she is now called, was found Tuesday night on the traffic island of a busy intersection in this Panhandle city.

A passerby saw her slumped down, one hand on her stomach and one hand on the back of her head, which still carries a knot.

Police theorize the mystery woman, estimated to be in her early 30s, may have been a robbery victim.

Doctors said she remembers she attended parochial schools somewhere when she was very young. She also is familiar with some names of places in Amarillo.

"I really think it's coming slowly," she said. "It's kind of weird it's not coming real fast, but I think it's coming."

Doctors told her she has borne a child before.

Miss Doe said she came to Tuesday night lying face down in mud two or three blocks from where she was found. She said her head hurt and she could not find her purse.

Police and doctors are convinced she cannot remember her past.

She is still in the intensive care unit at Northwest because of her need of constant supervision.

The Amarillo Globe-News has published her picture three times but police feel they have had no valid responses among the several people

'MYSTERY WOMAN'

who have called to say they might know her.

Dr. Louis A. Finney, a neurologist, said he believes the cause of her problem is "emotional or relational trauma" in her personal life.

"This girl is sort of denying everything," she said. "Little by little she's sort of identifying some things—some difficult relationships in the past."

Finney said he believes the woman has lost her memory but is not ready to say if it's a true case of amnesia.

"I think she's disassociated who she is very effectively."

Action/reaction: Not unusual

Q: I just moved here from Killeen and am astonished to learn that Big Spring does not have a curfew for young people to be off the street. Is this not unusual?

A: No, it is not unusual. Very few cities in Texas have a curfew restriction, although it can be done by local ordinance of the city council.

Offbeat: Conscience wins out

CINCINNATI (AP) — "There's a bad man out there with a conscience," said suburban Mount Healthy Police Chief George Hunt.

Hunt said last Monday there appeared to be a break-in at an office on the town's main street, but nothing was taken.

On Thursday, a letter arrived addressed to Hunt and his secretary. "Money for damage and expense to building at Main Theater. No theft intended. Stupid vandalism on 17 September '78," the note said in part. There were five \$20 bills in the envelope.

"I've been a police officer since 1961 and I've never heard of anything like this before," the chief said. Hunt turned the money over to the building's owner to pay for repairs to a door.

"It wasn't \$100 worth of damage, but who's he going to give the change to?" Hunt wondered.

Tops on TV: Donny and Marie

Donny and Marie return with their season's first show on ABC, starting at 7 o'clock this evening. Bob Hope and Olivia Newton-John will be among the guest stars. The hit film, "The Bad News Bears," starring Walter Matthau and Tatum O'Neal, can be seen an hour later on the same network. Matthau takes the role of a beer-guzzling pool cleaner frustrated in his job as manager of a Little League baseball team until he cons a tomboy into pitching.

Weather modification voted CRMWD directors eye drought contingencies

While Colorado River Municipal Water District directors did their budgeting for 1979 with an eye on potential supplies of water from Lake J.B. Thomas, they also eyed other drought contingencies Thursday.

If there is not sufficient water in Lake Thomas to pump it to Big Spring and points west, that means it will have to be made up in increased deliveries from Lake Spence. Just to make certain that this can be done is going to cost half a million dollars or more.

Directors approved a recommendation from O.H. Ivie, general manager, that pumping ability from Lake E. V. Spence to Big Spring be upgraded from 30 to 40 million gallons a day. This will call for additional pumps at Moss Creek station and for larger motors on Spade station booster pumps. They also approved buying standby motors and pumps which can be substituted in event of failures during the peak seasons next year. Ivie figures these steps will cost around \$533,000.

The Lake Spence pipeline has a capacity of 45 million gallons of water a day, but increased friction at higher heads would mean that unit costs would quadruple present ones in order to achieve the maximum, Ivie told the board. Thus, trying to get that last five million gallons would be a last resort.

In other actions, the board offered to deed land, which it now has leased to Coke County for 60 years, to the county in order that it can apply for a Federal Aviation Administration grant for

Just a little water means lot to CRMWD

Just a little water could be worth a substantial sum of money to the Colorado River Municipal Water District in the 1979 budget.

When the directors of the District adopted a budget Thursday envisioning the "worst" possible conditions, they left the door open for alternate budgets depending on runoff into Lake J.B. Thomas. Should the lake catch enough to deliver 7,200 acre feet to Big Spring and points west during 1979, it would mean a savings of \$130,814, or if the inflow were to be enough to pump 5,700 acre feet to Big Spring and points west next year, it would mean a savings of \$84,544.

(By coincidence, there was some inflow into Lake Thomas at the time the directors were meeting, but its extent was inconclusive beyond assurances that it would mean enough to meet Snyder's needs next year. Rains over the drainage area ranged from two to four inches, but much of it fell

Weather Cool air settles over West Texas

The calendar says Fall arrives Saturday, but Texas temperatures would lead one to believe Fall arrived slightly early.

Cool air settled over most of West and North Texas today, one day before the official arrival of Fall. Fall's arrival is scheduled for 4:23 a.m. Saturday.

Forecasters called for scattered rain and thundershowers over most of the state today. Highs were expected to range from the 60s in West Texas to the 70s and 80s over the remainder of the state.

Scattered light rain fell during the night over south and southwest portions of the state, but rainfall amounts were generally light.

Early morning temperatures were mostly in the 60s and 70s with extremes ranging from a chilly 46 at Dalhart in the Panhandle to a balmy 80 degrees at Galveston.

Some early morning readings included 49 at Amarillo, 61 at Wichita Falls, 68 at Texarkana, 64 at Dallas-Fort Worth, 71 at Austin and Lufkin, 74 at Houston, 77 at Corpus Christi and Brownsville, 67 at Del Rio, 61 at San Angelo, 57 at El Paso and 54 at Lubbock.

Sun sets today at 7:43 p.m. Rises Saturday at 7:35 a.m. Highest temperature this date 102 in 1975. Lowest temperature 41 in 1975. Most precipitation 2.05 in 1952.

Forecast: WEST TEXAS - Partly cloudy Panhandle through Saturday otherwise scattered light rain and few thundershowers rest of area through Saturday. Warmer Saturday. Highs 60s. Lows 50s through Saturday/Sunday.

Weather Forecast - Warm temperatures are expected in the forecast period, today until Saturday morning, for the South. Cool weather is expected elsewhere. Showers and rain are forecast from Georgia-Alabama to the Ohio Valley.

HARMONIZING FOR THE DALLAS COWBOYS - The Tumbleweeds, a Big Spring group who combine western tunes with four-part harmony, will sing for the Dallas Cowboys, their wives, and radio sportscasters Saturday in Irving. From left to right, Terry Stovall, his uncle Jack Stovall, Adolph Supak, and Terry's father, Cliff Stovall, (in front) have been together for a year and one-half.

Tumbleweeds to sing for Cowboys

Sunday's game between the Dallas Cowboys and the St. Louis Cardinals might be a big event for some. But for four Big Springers, the big moment will be Saturday night, when they will play for a crowd of 500, including the players, their wives, and the Cowboy Cheerleaders.

Adolph Supak, and Jack, Cliff, and Terry Stovall are known collectively as the Tumbleweeds, and they will be tumbling their way east Friday to entertain a banquet affair hosted by Ray Stone, Dallas Cowboy announcer.

due to some medical problems, but Supak says they are ready for their debut in the Texas Stadium Club.

The band has been together for about a year and a half, and have performed in several places throughout Big Spring. They are travelling to Dallas in a motor home donated by Don Crawford Pontiac-Datsun.

The church nursery will be open for preschool children for all services.

The evangelist for the week will be Rev. Mell R. Plunk, Southern Baptist Missionary to Argentina, who is at the present time in Texas on furlough. Rev. Plunk is a native of Dallas, having graduated from W.B. Ray High School in Corpus Christi in 1955 and earned his B.D. degree from Southwestern Baptist Theological seminary in 1963.

Rev. Plunk and his wife, the former Carolyn Sue Briggs, were appointed by the Foreign Mission Board of the Southern Baptist Convention, for Jamaica in May of 1963, after having served as pastor in the First Baptist Church, Skidmore, Bethel Baptist Church in Duncan, Oklahoma, and the Beckley Wynwood Baptist Church in Dallas.

After one year of service in Jamaica where they worked in student work, they transferred to Argentina in general field evangelism.

While in Argentina, Rev. Plunk has served as pastor of several churches and

missions in La Plata, as well as associational missionary. At present he is coordinator for the Mendoza Baptist Association and director of the Mendoza Baptist Bible Institute.

The institute presently has 90 students enrolled. Rev. Plunk is also pastor of the Oeste Baptist Church, one of the fastest growing churches in Argentina. This church has baptized 151 persons in the last two and one-half years.

While serving in Argentina Rev. Plunk has served as president of the Argentine Baptist Mission on two different occasions, president of two different associations and was elected to "Who's Who in La Plata", a city of 600,000 people and the capital of the province of Buenos Aires.

The Plunks have three sons: Jamey, 16; Danny, 13; and David, 9. They are presently living in Dallas while on furlough.

Jerry Newman of Lubbock, will be in charge of the music for the revival at East Fourth Church. Jerry served with this church as music and youth director from May, 1974 to August, 1975. He is a graduate of Denver City High School and has attended Hardin-Simmons University, Abilene, as a music major. He is a very talented soloist as well as music director. He is presently living in Lubbock, with his wife, Tammie, and working with an insurance firm, and at the same time, continuing to serve in music ministry in various churches in that area.

Mormon Church holds a 'first'

For the first time in the Mormon Church history, a special meeting was called for the women in the church in conjunction with the priesthood holders.

Twice a year, in the spring and in the fall, a General Conference session is held in Salt Lake and on the Saturday evening previous to the Sunday morning session, the men (Priesthood) are called together for a special meeting.

Bishops, Seventies, Stake Presidents, and other various leaders of the Church gather in Salt Lake for these sessions. Those who could not attend, would listen on a closed circuit broadcast in the various meeting houses all over the world.

This year, President Spencer W. Kimball called a special session for the "sisters". This was to be a fireside visit to the women all over the world, and they would be given specific instructions on church responsibilities just as the men would. President Kimball paid a special tribute to all the "sisters" of the world. He also paid a special tribute to his lovely wife Sister Camilla Kimball.

He stated that Mormon women were basically strong and independent, and had a noble calling. He said that woman was placed on earth to guard her home and keep it safe from outside strife. "Self pity is a sad thing to see," he said, "but

that most women were willing to sacrifice their own comforts, to care for their family."

He said that they should have a special program of personal improvement. To reach for new levels of achievements, such as management of time, developing righteous endeavors, preservation of food, learning to care for the family's needs, learning appreciation of the past, and shaping a better future.

He said it was unfortunate that some of the women had to work out side their home, but this was no excuse for not teaching their family the principles of the gospel.

His talk was preceeded by special music from the Bountiful stake chorus. Relief Society officers, greeted the women who were privileged to travel to Salt Lake and meet at the Tabernacle and Salt Palace for this special Fireside.

"A Farthing's Worth"

DOES THE GOOD ALWAYS OUTWEIGH THE BAD? EVER WISHED YOU WERE DEAD? No one that has ever lived has escaped pain, heartache, or difficulties. We all must deal with them — some more than others, of course. How do you handle them? Do you simply cling to your belief that the good always outweighs the bad? Or do you find yourself so deep in depression that you wish you were dead? Christ will not eliminate all the pain, heartache, or difficulties from your life, but He has provided the means to help you turn difficulties into sources of blessing. This Sunday morning I will be speaking on this topic. Wouldn't this be an appropriate time to visit "Big Spring's Biggest Small Church"? We're having record attendances. Come find out why.

Gleaner's Class installs new officers at meeting

Mrs. Eunice Page installed officers for the Gleaners Sunday School Class of Baptist Temple when the class met in the home of Mrs. Addie Hill Thursday.

She used "Shoes for Christian Service" as the theme for the ceremony. She stated that no one can fill your shoes, "so wear them well as you go into the new work. Shoes may take you to difficult places, but judge no man when you have not walked his path of service for a week.

Officers installed included Mrs. Mable Kirkland, teacher; Mrs. Louise Dunlap, assistant; Mrs. Mae Edwards, outreach leader; Mrs. Ethel Simmons, class president; Mrs. Nannie Garrett, secretary and Mrs.

Jo Reynolds, treasurer. Regular group leaders include Mrs. Dorothy Steele, Mrs. Gracie Lee Grider, Mrs. Rosilee Hill and Mrs. Olean Melton.

The associate group leader will be Mrs. Mable Cravens and Mrs. Hill will serve as extension group leader assisted by Mrs. Winifred Wood. Mrs. Melton will be reporter.

Mrs. Dunlap gave the devotional on the theme "A Job Well Done". Mrs. Kirkland, Mrs. Dunlap and Mrs. Garrett will serve on the yearbook committee. Plans were made for Thanksgiving benevolence projects.

The Dec. 14 meeting will be hosted by Mrs. Kirkland, Mrs. Cravens and Mrs. Garrett.

Bible Call due in local area

A new public service will soon be introduced in Big Spring. Bible Call is a unique telephone tape library with community needs in mind. It will be sponsored by the Birdwell Lane Church of Christ.

Minister, Byron Corn said the Bible Call service is presently used in more than 160 cities in 36 states as well as provinces in Canada. In Big Spring, dial 267-6346 between 9 a.m. and 9 p.m.

In further explaining the program Corn said, "Bible Call is a free public service religious information library consisting of hundreds of different five minute tape recorded messages on a wide variety of subjects.

"The library is arranged to provide a means by which the public can quickly and accurately locate Bible information on almost any

important topic. This is done by simply dialing the Bible call number and asking the tape librarian to play a recording of any of the listed subjects one may wish to request."

A brochure with all the topics listed will soon be mailed to each mailing address in Big Spring and the surrounding area.

Many topics under such general groupings as "Morality", "Family Life", "Especially for Young People", "Personal" and others, make the service of interest to all as it meets special needs.

One may hear in the privacy of the telephone, Biblical answers. Bible Call will begin September 27, and will then be in service 24 hours a day.

"...AND SAID, VERILY I SAY UNTO YOU, EXCEPT YE BE CONVERTED, AND BECOME AS LITTLE CHILDREN, YE SHALL NOT ENTER INTO THE KINGDOM OF HEAVEN, WHOSOEVER THEREFORE SHALL HUMBLE HIMSELF AS THIS LITTLE CHILD, THE SAME IS GREATEST IN THE KINGDOM OF HEAVEN." MATTHEW 18:3-4.

Miss Lillian unshaken by airplane trouble

WICHITA, Kan. (AP) — The pilot of a single-engine plane carrying President Carter's 80-year-old mother said his star passenger "wasn't nervous at all, I think," when told there might be a problem with the plane's landing gear.

The aircraft carrying Lillian Carter landed safely at Wichita's Mid-Continent Airport Monday night after the pilot, James Smith, radioed the control tower of the possible problem.

"She was very gracious. I certainly appreciated it," Smith said.

Smith was flying Mrs. Carter from Pittsburg, Kan., to Wichita after she had made appearances in Emporia and Pittsburg on behalf of Don Allegrucci, Democratic candidate for Congress.

aircraft had slowed to 35 mph.

"There was no problem," said Smith, a 36-year-old attorney from Humboldt, Kan. "All I feel was that I was loaded near gross (weight) and it was night time and Miss Lillian — I probably overreacted, I don't know."

Allegrucci and his wife were on board, along with reporter Al Polczinski of the Wichita Eagle and Ray Hatcock, a Georgia State Patrol trooper who was accompanying Mrs. Carter.

When they were informed of the problem, Polczinski said, Mrs. Carter turned to him and said quietly, "I don't like this much, do you?"

Shower fetes Mrs. Coleman

Gayla Kerby Coleman, bride of Reggie Coleman, was the honoree of a formal tea and bridal shower Sept. 16 in the home of Mrs. Rick Canup, Lubbock.

Hostesses were Nelouise Canup, Sue Davis, Darlene Strickin, Leta Conger, Shirley Evans, Jolene Jantzen, Jean Wiley, Gladis Robertson, Carolyn Lockett, Gayle Langston and Geneva Boren.

Others were Lauena Doggett, Ruthie McCoy, Carolyn Maze, Sharon Morse, Veretta Malone, Marianne Cassell, Jan Mote, Ann Chatfield and Marquita Patterson.

The hostesses presented the honoree with a large scripture picture and \$40 for the newlyweds' home.

The honoree and mothers of the couple, Mrs. H.L. Kerby and Mrs. Woodie Coleman, were presented corsages of yellow carnations tied with brown ribbons.

The 50 guests were served yellow pineapple fruit punch and hot tea, with wedding decorated teacakes. The serving table was draped with a chantilly-ruffled lace cloth and was centered with a dried arrangement of yellow, brown and rust. A silver candelabrum holding yellow wedding tapers stood on each side. Silver and crystal appointments were used.

Mr. and Mrs. Coleman have made their home at 2107 Cecilia St.

Shortly after takeoff, Smith said, he felt a vibration from the nose area of the Cessna 210 and suspected there might be a problem with the landing gear. He notified Federal Aviation Administration controllers, who informed the Wichita control tower.

Bob Buck, tower supervisor, said an emergency was declared so that fire equipment could be dispatched to the runway. Runway lighting was turned up and spotlights from emergency vehicles were focused on the aircraft as it flew over the runway 50 feet above the ground.

When they had determined the landing gear was undamaged, Smith landed the plane but kept its front wheel off the runway until the

TwEEN 12 and 20 — Straight advice

By Robert Wallace, Ed. D.

Welcome to our two guest writers this week, Cecil McGregor, 17, of Pattstown, Pa., and Marsha Conner, 16, of Florence, Ala. They will help Straight of Vancouver, Wash., stay straight.

Dr. Wallace: Last year I got involved in selling marijuana at school for some older guys. They paid me a commission and I was averaging about \$50 a week. Now I've decided to quit selling pot, and go straight.

These older guys are on my case and said they would report me to the police as a pusher, and also tell my principal I sold pot if I do not continue to sell the stuff.

I'm scared and don't know what to do. Please help me! — Straight

Straight: Chances are great they won't do either for fear of implicating themselves.

You have got yourself in a mess and only you can get yourself out of it.

Refuse to sell at any cost. If they continue to harass you, let your parents know what is happening.

I realize this will be difficult for you to do, but parents have a way of understanding and forgiving. It's your best solution.

Hi Straight: These "dudes" are just trying to scare you. "Shine them on." Get involved in positive aspects of school such as athletics, music, or clubs. Avoid these guys and find new friends.

It won't take long before they forget who you are. — Peace, Cecil

Hello Straight: Go to your principal and tell him everything. Explain that you are now straight and that you intend to stay that way. Your principal (I know mine would) will know how to handle the matter professionally.

Needless to say, stay straight at any cost. Keep up the good life. — Marsha

If you would like to be a guest writer, please write to me in care of this newspaper. State your sex and age.

For Dr. Wallace's teen booklet, "Happiness or Despair," please send \$1 and a 28-cent stamped large self-addressed envelope to Dr. R. Wallace, in care of this newspaper.

Others were Debra Robinson, one blue and three red; Lacy Robinson, one blue, two red and three white; Mrs. Ben Boroughs, one blue, two red and one white; Zula Rhodes, one blue, two red and one white; and Linda Bennett, one blue, two red and one white.

More ribbons were won by Kay Shaw, one blue, one red, and one white; Helen Sequest, one blue, one red, and one white; Sharon Settles, one blue and two red; Reba Ward, one blue, one red and one white; Alene Griffith, one blue and one red; Evelyn Paul, one blue and one red; Michael Bowling, one blue and one red; and Ruth Mitchell, one blue and one white.

Other blue ribbon winners were Mrs. Joe Paul Beall; Leah Hughes; Patty Schuelke; Hazel Rupard; Barbara Hipp and Lola Mitchell.

Jowili Etchison took five red and two white ribbons while Mrs. John Hughes won three red and one white.

A red and white ribbon were each won by Ann McCoy, Virginia Roberts and Jerry Faqua.

Additional red ribbons decorated the entries of Mrs. B.N. Boroughs, Faye Roberts, Kathy Epley, George Van Hassell and Mrs. O.H. Ivie.

White ribbons were awarded to Terry Faqua, Inez Petty, Polly Talton and Mrs. A.A. Early.

UT professor discovers value of women in primitive society

AUSTIN — When Annette Weiner traveled to the Trobriand Islands seven years ago on her first field trip, she went as a graduate student in anthropology who wanted to study the islanders' folk art.

Today, she's an assistant professor of anthropology at The University of Texas at Austin whose book, "Women of Value, Men of Renown," is the first to re-evaluate the classic Trobriand exchange system described by the pioneer ethnographer Bronislaw Malinowski.

Back in 1971, Dr. Weiner had been settled in her home, built by natives of wood and palm leaves, for only a few hours when her attention was drawn to an extraordinary exchange ritual conducted by the women of the village.

She never began her work on folk art. Instead, her study of the mortuary exchange ceremonies controlled by Trobriand women enabled her to show that women played a vital role in the Trobriand culture and economy — a role that was completely overlooked by Malinowski.

After her first exposure to the mortuary exchange, Dr. Weiner reread Malinowski's work to find out more about what she had witnessed. It was clear, Dr. Weiner said, that Malinowski must have seen the ceremonies, but he neither described nor explained them. How could he overlook such an obvious ritual?

"I can't know," Dr. Weiner said. "But, I imagine him watching the ceremony and turning to one of his male informants and asking: 'What are all those women doing?' The informant probably said, 'Oh, that's just women's business.'"

"He meant you have to ask the women about it," Dr. Weiner said. "But the basic components of Malinowski didn't have women as informants."

What amazes Dr. Weiner the most is that while government officials, traders, missionaries and Army personnel have lived in the Trobriands over the last 80 years of colonialism, none of them ever knew what it was women were about. And no one ever seemed to realize the banana leaf bundles were wealth.

Dr. Weiner's book is about the women and men of Trobriand society, but she points out that "regardless of the variation between the economic and political roles of men and women, the part that women play in society must be accorded equal time in any study concerned with social organization."

Dr. Weiner's book, published by The University of Texas Press, is making an impact in social science circles. Book reviewers for Man, the journal of the Royal Anthropological Institute, termed it "a very important book for anyone interested in Trobriand ethnography, exchange theory and the status of women in society."

American Ethnologist called it "a significant ethnographic event," while American Scientist said "it is an important addition to social science because it applies contemporary theory to a society with which we have been acquainted through the writings of Bronislaw Malinowski and others."

Dr. Weiner said she could have written a book just about the women of the Trobriand Islands. But, she said, "if I overemphasized the role of women, it might have diluted what I had to say."

By talking only of Trobriand women, she would have picked up some of the pieces left out by Malinowski. She talked of women and men, however, and believes that as a result she was better able to analyze the society as a whole.

In Trobriand society, women are important to the economy. They manufacture, distribute and control their own wealth, Dr. Weiner explained. In this case the wealth includes bundles of dried banana leaves and women's fibrous skirts.

The women's wealth is distributed to hundreds of people during the mortuary exchange ceremonies by the deceased's female relatives. Without the ceremonies and the exchange of wealth, social relationships would stagnate in Trobriand culture.

After a person dies, the mortuary exchanges are held to continue old relationships and establish new ones that are needed as a result of the death of a friend or relative. Often the amount of wealth exchanged by women during the mortuary ceremonies equals

Ridin' fence

They call it Snyder

with Marj Carpenter

Snyder is the county seat of Scurry County and one of Big Spring's neighbors...

Then he got a little wanderlust and moved out to Snyder in 1877 and established a trading post amid buffalo hide tents and dugouts.

It was buffalo hunting country and the white buffalo statue in Snyder is in memory of the rare white buffalo killed by J. Wright Moor about the turn of the century.

The informal name of the settlement near Snyder's trading post was Robert's Roost because so many outlaws hid out over there amongst the dugouts.

Further up the way, at a place that later was Clarendon, the West Texas travelers called that location Saint's Roost because a Methodist minister named Lewis Henry Carhart had established that town, made everybody check their guns at the city limits and nobody could drink or play cards.

Snyder, in the early days was a roaring drinking buffalo hunter's paradise. Somewhere along the line it became one of the dry communities in West Texas.

Civilization cleaned up their act and took away their excitement. By 1911 when the first mechanized bus in Texas clattered into Snyder from Colorado City, the Snyder preachers called it an "instrument of the devil," classing it with playing cards.

In 1972, Snyder had a wet-dry election and voted to remain dry. Immediately afterward they had a flood with eight feet of water in some parts of town.

The townsites of Snyder was laid out in 1882 and they advertised for people to move there. Some of the early settlers descendants were durn glad they moved in there because in 1950, they had a big oil boom.

Snyder, along with Odessa and Big Spring were the far-seeing communities that set up Lake Thomas and the Colorado River Municipal Water authority, predicting that they were going to need water to develop this area.

Snyder hosts Steers

By NATHAN POSS
The Snyder Tigers hope to continue their winning ways against the Big Spring Steers tonight when the long time rivals meet for the 26th time. Snyder leads the series by one game, 13-12. The Tigers own a personal six-game winning streak, with the Steers last victory being a 27-0 homecoming conquest in 1971.

The Steers have been in the process of learning a new system, as former mentor Don Robbins resigned in late July. Ron Logback took the reins in the unenviable position, and progress is on the way.

The Steers played a ragged game in their opener, but regrouped to play decent football against Hobbs, only to be stopped in their drive to victory by the turnover disease. Logback is hoping for more improvement this week. Big Spring displayed an effective ball control offense against Hobbs, with tailback Eddie Puga carrying the brunt of the ball carrying chores. Puga rambled for 188 yards last week, and the Tiger defense will probably key on him. If this does happen, fullback Ricky Cluck will be called on to block less and run more.

But the Steers will more than likely stick with the slippery tailback until the Tigers prove they can stop him.

The Steers are hoping to mix in a potent passing attack as needed. They were victimized by the Hobbs secondary on three occasions last week, and they cannot afford this. The interceptions were all in the intermediate to deep range, and the Steers will have to take the short passes in order to open up their long range aerials. Big Spring goes into the game in good physical condition and no major injuries. Offensive tackle Robbie Wrinkle is expected to suit up after missing the Hobbs game with a strained knee.

The starting lineup for tonight's game.

Homecoming at Forsan

The Forsan Buffaloes, fresh from a decisive victory over Garden City, will try to make it two in a row as they host the Robert Lee Steers in an 8:00 game. It is also homecoming for 1978.

Robert Lee has been impressive on defense thus far. They shut out Sterling City by a 21-0 count and beat Roscoe 19-2.

Forsan's offense should provide the stingy Steer defense with quite a challenge. They have been led by Randy Cregar and Rusty Henderson in their first two contests.

paradox in that Forsan was moved to Class A from Class B this year, with Robert Lee dropping to B from Class A. The Forsan offensive line will start with Will Gressett at center, D.F. Stanley and Kevin Low at guards, Todd Underwood and John Summers at tackles, and Dayton Robertson at tight end. Tim Decker and David Bates will alternate at split end. The backfield will feature Joe Kinder at quarterback, Cregar and Henderson at the halfbacks, with flanker being shared by Weldon Nichols and Ernie Strickland.

PERRY WINS TWENTIETH — Gaylord Perry, San Diego Padres pitcher who was 40 years old last week, won his 20th game of the 1978 season Thursday night defeating the San Francisco Giants 6-1. This is the fifth time Perry has won 20 or more games during his career.

The Chicago Cubs called on the reserves, but still couldn't stop the Pittsburgh Pirates.

Despite the use of a National League record-tying 27 players Thursday, the Cubs were found lacking in the defensive area and as a result dropped a 3-2, 14-inning no decision to Pittsburgh.

"It was just a typical Pirate battle," said Pittsburgh Manager Chuck Tanner, whose Pirates have been winning close games all year to stay in contention in the hot National League East race.

Pittsburgh's four-hour, 40-minute marathon victory moved the Pirates within 1 1/2 games of the Philadelphia Phillies, who were rained out at Montreal Thursday.

This latest Pirate victory was fashioned with the help of Matt Alexander's running and two wild throws by the Cubs. Alexander, a pinch-runner in the 14th when he stole second and continued home on a pair of poor throws on the same play.

cisco Giants 5-1; the Houston Astros blanked the Atlanta Braves 2-0 and the St. Louis Cardinals took a 6-2 decision over the New York Mets.

The 27 players used by the Cubs tied an NL record set Sept. 13, 1974 by Philadelphia in a 17-inning game against St. Louis. The Cubs and Pirates used a total of 45 players, falling six short of the NL mark set in the Philadelphia-St. Louis contest.

Padres 5, Giants 1
Gaylord Perry, who turned 40 last Friday, became the first NL pitcher to win 20 games this year as San Diego beat San Francisco.

Jerry Turner singled home two runs as the Padres broke open a close game with a four-run seventh. Gene Richards, who went 4-for-4, and Gene Tenace added RBI singles in the inning.

Perry, who last won 20 games in 1974 while pitching for the Cleveland Indians, was removed in favor of Rollie Fingers after pitching

four-hit ball for seven innings. Perry, 20-6, retired the last 10 batters he faced, and 18 out of the last 20.

Astros 2, Braves 0
Ken Forsch pitched a five-hitter and struck out 10 while establishing a personal high with his 10th victory of the season as Houston blanked Atlanta.

Forsch, 10-6, walked only one and allowed only one Atlanta runner to reach third base. Phil Niekro, 19-16, absorbed the loss.

Cardinals 6, Mets 2
John Urrea combined with Buddy Schultz on a four-hitter and belted a two-run single to lead St. Louis over New York.

Urrea, 4-9, who entered the game with a 5.64 earned run average, permitted just one out-single to Doug Flynn in the fifth inning and struck out four and walked three in seven innings. Schultz pitched the last two innings, allowing a run in the ninth on a triple by Lee Mazzilli and single by Tim Foli.

Coahoma visits Crane

CRANE — The Coahoma Bulldogs travel to Crane tonight in hopes of ending their non-district schedule with a perfect record. The Big Red Machine has already taken victories over Well and Stanton.

Tonight's opponent, the Golden Cranes, are also undefeated, having garnered decisions over Denver City and Marfa.

Crane will be led offensively by quarterback Rocky Rives, a 175-pound junior, and fullback Dewayne Draper, a 155-pound senior. The defense is especially tough up the middle, with 200-pound Monty Gothard at tackle and Ismael Heredia at linebacker. They are coming

off an impressive shutout against Marfa. In that contest, the Golden Cranes limited their foes to a mere four first downs.

Coach Roy Winters has indicated that his Bulldogs are healthy and ready to go. The return of Tracy Frazier should help the offense considerably. Frazier has been out in the first two games with a knee injury.

The Bulldogs will start Jerry Roover at center, Kyle Bennett and Mike Ritchey at guards, James Devers and Gary Eaves at tackles with Randy Phillips and Jim Bob Read at the ends. In the backfield will be Gary Gee at quarterback, Frazier at fullback, with Tim Childers and Ronald Sundy starting at the halfbacks.

Catfish, Goose 5-hit Toronto

By FRED ROTHENBERG
AP Sports Writer
The New York Yankees have the Boston Red Sox on an electric treadmill, and it's been a couple of Yankee right arms turning on the switch.

Catfish Hunter started and Rich Gossage finished in a

story that has been repeated numerous times since Hunter came off the disabled list in the middle of July.

And as been their custom since the end of July, when Bob Lemon became the manager, the Yankees won. This time they beat Toronto 7-1 as Hunter and Gossage combined on a five-hitter Thursday night. The Red Sox, who have been winning of late — four of the last five games — beat Detroit 5-1 but went nowhere because of the Yankee victory.

With each team having nine games left, the Yankees lead the Red Sox by two games in the American League East.

"We don't have to turn it on," said the inspirational Hunter. "It's going just like last year."

Last year, the Yankees won the World Series, but they looked like also-rans until Lemon's easy-going style allowed them to concentrate on baseball rather than the hysteresis of the Billy Martin regime.

Elsewhere, Texas beat Minnesota 6-3 and Kansas City whipped Milwaukee 8-4 moving 5 1/2 games ahead of idle California in the AL West race.

Legendary Houk retiring

DETROIT (AP) — The Major's quitting baseball to, among other things, go fishing — but the Detroit Tigers don't have to worry about fishing for a new manager.

Les Moss, a successful manager in their minor league system, will take over the team next year as the replacement for Ralph "The Major" Houk.

Houk, in his fifth season with the Tigers and 40th in baseball, announced his retirement Thursday night at a news conference shortly before Detroit's 5-1 loss to the Boston Red Sox. It will take effect at the end of the

season. "I finally came to the conclusion it's time for me to go fishing," said the 59-year-old Houk, who has a home in Pompano Beach, Fla.

The Tigers, officially eliminated from the race Thursday, are fifth in the American League East with an 81-71 record. They are 11 1/2 games out of first. Last year they wound up fourth, but at the same point they were 71-81 and 22 1/2 games behind.

On Oct. 11, 1973, — after 35 years in the New York Yankees organization, 11 as manager — Houk took over a

Tigers team of aging veterans, holdovers from the 1968 World Series championship team. He suffered considerable fan abuse while Detroit built from scratch with players from their farm system.

Houk was manager of New York's Denver farm club of the American Association from 1955 through 1957, then took over from fabled, popular Casey Stengel with the Yankees in 1961 and held the job for 11 years.

His first three New York teams won the World Series and the fourth finished 10th.

Peewee action

A Saturday afternoon grid iron doubleheader highlights the opening of the Pee Wee Football season. In the lid lifter at 2 p.m. Buster Gartman's Dolphins vie against the Vikings, coached by Mike Faulkner. The second game is between Leo Williams' Champion Cowboys and the Bulldogs of Jerry Robinson at 3 p.m. Doubleheaders are scheduled every Saturday through October 21st with a postseason all-star game to cap off the 1978 campaign.

All games will be played on the football field behind Howard College. Admission is free to the public. League sponsors include Cosden, Elks Lodge, Optimist Clubs, Greater Big Spring Rotary Club, Tomco and Damson Petroservices.

Red Sox 5, Tigers 1
Dennis Eckersley, the stopper of the staff, pitched a six-hitter for his 18th victory and his ninth this season following a Boston loss. He also won Sunday, beating the Yankees and salvaging the final game of a crucial three-game weekend series.

Carlton Fisk snapped a 0-for-22 slump with an RBI single in a three-run first inning. After Fisk's two-out hit, Fred Lynn walked to lead the bases and Butch Hobson singled in two runs.

Jason Thompson's 25th homer leading off the seventh was the only run for the Tigers, whose manager, Ralph Houk, announced his retirement before the game, effective at the end of the season. Les Moss, manager of the Tigers' top farm club, will get the promotion.

Rangers 6, Twins 3
Jon Matlack, 14-13, fired a five-hitter, winning on the road for only the second time in 12 decisions. The hard-throwing left-hander struck out five and walked two for his 17th complete game of the season.

Pinch-hitter Johnny Grubb broke open a 3-2 ballgame with a two-run double that keyed a three-run eighth inning.

Ali honored in hometown

LOUISVILLE, Ky. (AP) — Muhammad Ali proved that you can, indeed, go home again — and to a hero's welcome if you're a three-time heavyweight boxing champion.

"I've been honored everywhere in the world, but there's nothing like being honored in my hometown," Ali told about 3,000 fans at a public reception at the Kentucky State Fairgrounds Thursday night.

They came from all over — inner-city youths from Ali's former turf, former associates who guided then-Cassius Clay as a young

Golden Gloves champ, dignitaries including Mayor William Stansbury and Gov. Julian Carroll — and a throng of news reporters.

Carroll, noting that "Kentucky has been delinquent in honoring its most favorite native son," bestowed Ali with the Distinguished Service Award and proclaimed 1978 as "the year of Ali."

Joe Martin, the former police officer who guided Ali toward the Golden Gloves championship, observed, "If he loses once, I never saw him when he didn't come back and win it. He's got a lot

THE CHAMP SPRUCES UP — World Boxing Association heavyweight champion Muhammad Ali straightened his tie in his hotel room prior to a here's welcome at the State Fairgrounds stadium Thursday night. At host of dignitaries, including Gov. Julian Carroll, were joined by Ali's friends and hometown associates for the public reception.

BANDIT BUSTED IN BUSSING ATTEMPT — Morganna, center, who bills herself as baseball's kissing bandit, is stopped by a Kansas City police officer, left, before she could run to home plate to kiss Kansas City Royals' Fred Patek who was at bat against the Oakland A's during Thursday's game at Royals Stadium.

Rams prep for Oilers, Earl

HOUSTON (AP) — Los Angeles Rams Coach Ray Malavasi says the Rams won't be singling out Houston Oiler rookie Earl Campbell, the National Football League's leading rusher, for any special treatment Sunday when LA brings its unbeaten record to the Astrodome.

The Rams, after a preseason of discontent, go into the game with a 3-0 record and an impressive 27-14 victory over Dallas last week in which the Rams short-fused Cowboy star Tony Dorsett with 38 yards rushing. Dorsett leads the National Football Conference in rushing.

"You don't go into a game saying you're going to stop this guy or that guy," said Malavasi, who replaced George Allen in a preseason coaching shakeup. "You go in with an overall defensive scheme."

"We stopped Dorsett because we have tremendous defensive speed and on that particular day we had

USC invades Bama in college spotlight

By BOB GREENE AP Sports Writer

The plot is the same: only the scene and players have changed and the rankings are reversed.

Last year Southern California was ranked No. 1 in The Associated Press college football poll and had the nation's longest winning streak at 15 games. Alabama won 21-20 in Los Angeles.

Now Alabama is ranked No. 1 and holds the nation's longest winning streak at 12 games. Southern Cal is Alabama's foe Saturday at Birmingham, Ala.

"If we win and somebody says, 'You're No. 1,' I'm going to say they're crazy," said John Robinson, coach of the seventh-ranked Trojans. "If we lose and somebody says, 'There goes USC's season,' I'm going to say they're crazy, too. Our goal this year is to improve as the season goes on."

Alabama Coach Bear Bryant also remembers 1970. "Southern Cal embarrassed us the last time they came to Birmingham," Bryant said. "We talked about how the heat would effect them, and you know what happened."

The Trojans, led by Sam Cunningham, won 42-21.

At South Bend, Ind., Michigan and Notre Dame, a series that has been dormant for 35 years, resumes Saturday in what was billed in preseason as a battle for the national championship. But Notre Dame suffered a

great pursuit to the football."

But that doesn't mean the Rams defense won't be aware of who's carrying the football.

"He's different than Dorsett," Malavasi said of Campbell. "He's bigger and more powerful."

Campbell goes into the game with 322 yards on 62 carries and two 100-yard performances in his first three professional games and is a major reason the Oilers have developed a bonafide running game instead of the touchdown bomb offense of Dan Pastorini to Ken Burrough.

After a season opening loss to Atlanta, the Oilers have won two straight in the fourth quarter by putting together groundoriented drives, usually with Campbell leading the charge.

Oiler Coach O.A. "Bum" Phillips realizes however that Oilers are going to have to discard their fourth quarter comebacks against the Rams.

Runnels win over Snyder

The Runnels Yearlings won their second consecutive game by a score of 10-0. As in their opener, the Yearlings of coach Bobby Zellars played outstanding defense.

Runnels opened the scoring with 1:26 remaining in the opening period. John Smithwick tackled a Snyder ball carrier in the end zone to give the Yearlings a 2-0 lead.

Despite keeping the ball in Snyder's territory nearly the entire contest, the Yearlings were not able to add to the safety until 38 seconds remained in the contest. Gerry Hamilton intercepted an errant Tiger aerial, his second robbery of the night, and returned it to the Snyder 23. On the next play, Kenny Hart raced in for the touchdown. Jesse Woodruff and George Bancroft threw crushing blocks to clear the way on Hart's run. Hamilton then ran across the stripe for the two-point conversion.

Offensively, Zellars praised ends Cliff Baker and Fred Rubio, tackles Phillip Harrison and John Smithwick, guards David Moore and James Stroud, center Mike Rountree, quarterback Adam Rodriguez and fullbacks Rick Patton, Bancroft, and Woodruff.

Defensive stars included Ricky Garcia, Keat Wilkins, Rod Harris, Pernel Parker, Pete Campos, Harrison, Smithwick, Stroud and Woodruff.

Next week the Yearlings will split the teams, with the Whites hosting Pecos at Memorial Stadium and the Reds playing Sweetwater at Blankenship.

BREAKING LOOSE...Michigan quarterback Rick Leach will lead the Wolverines into South Bend, Indiana tomorrow for a matchup with Notre Dame.

Steelers-Browns key NFL

By HAL BOCK AP Sports Writer

It is kind of early in the 16-game National Football League season for showdown games, but Sunday's test between Cleveland and Pittsburgh certainly qualifies.

Here are two unbeaten teams from the same division colliding head-on with first place in the American Conference Central waiting for the winner.

The Steelers, who lead the conference in total defense and lead the league in rushing defense, are favored in this one because of their record at home, especially against AFC Central opponents. Since the division

was created in 1970, Pittsburgh has a 22-2 record against Cleveland, Houston and Cincinnati. What's more, the Steelers have won eight straight at home against the Browns since 1969, when Three Rivers Stadium, where the Steelers play these days, was nothing more than an architect's sketch.

Upsets continue to bedevil the pickers. They took their toll last week, causing a 9-5 log and season's figures of 25-17 and 505. Six hundred, here we come.

The picks: Steelers 31, Browns 14

Regardless of the record, the Browns simply aren't in Pittsburgh's class quite yet and the Steelers will let them know it, emphatically.

Oilers 20, Rams 17

Upset Special. Los Angeles is ripe for a letdown after stunning Dallas last week, and Houston can pull it off, especially at home in the Astrodome.

Raiders 27, Pats 20

Oakland gets home at last after three games on the road and the Raiders won't be perfect hosts for New England, still wondering what happened last Monday night against Baltimore.

Redskins 21, Jets 20

Washington should prevail, but not by much. The 'Skins are not as good as their 3-0 record indicates and the Jets are not as bad as their loss to Seattle last week indicates. Are they?

Cowboys 34, Cards 10

Playing the Cowboys has been a tough enough task for St. Louis. Playing the Cowboys after they lost last week makes it even more difficult.

Astros boss rehired in 79

HOUSTON (AP) — The Houston Astros may be just a game and a half out of the cellar in the National League's Western Division, but manager Bill Virdon and his staff will be back in search of improvement next season.

The announcement that Virdon has been rehired for 1979 was made Thursday by Tal Smith, president and general manager of the Astros.

Virdon, fired by the New York Yankees in 1975 before he came here, acknowledged Houston's 69-83 record through Thursday has been disappointing.

Virdon said his coaching staff would return intact in 1979.

"We had the idea in our minds we were not good enough to win the division but that we could make it interesting," he said.

"It didn't work out that way. There have been a lot of disappointments but probably the biggest thing that didn't materialize has been our pitching."

Overall play has not been good, he said.

"I'm talking about fundamentals, things like mistakes on the bases," he said.

Fabulous . . . that's the view from the Golden Gate. Linking Oakland and San Francisco, the majestic sight of this famous bridge has thrilled the hearts of weary travellers, inspiring all with its promise of new opportunity.

Catching the morning sun or the evening twilight, the Golden Gate whispers its own welcome to those who near its watch. "Welcome to my beautiful city," or "Come again, old friend," it sighs. It seems to know and understand the problems of each human heart, and like a true friend, it is always there for all to share its strength and beauty.

There is another bridge of inspiration and truth where burdens may be lightened and courage renewed. People everywhere have drawn from its stabilizing influence, and you, too, will always be welcome within the fellowship of the Church. Find out for yourself this week.

Yesterday's Jumbles: MERGE CHICK PLENTY REDUCE Answer: What you might like the butcher to slice—THE PRICE

Your Daily HOROSCOPE

from the CARROLL RICHTER INSTITUTE

FORECAST FOR SAT., SEPT. 23, 1978

GENERAL TENDENCIES: Not a good time for taking chances with others by not carrying through with what you have agreed to do. Use your best judgment to ward off temptations to go off on tangents.

ARIES (Mar. 21 to Apr. 19): Take care you do not make any errors in statements or reports or you could get into serious trouble. Don't expect help from an associate who has worries.

TAURUS (Apr. 20 to May 20): Cut down on expenses right away since you have been extravagant lately. Listen to what an adviser has to suggest so you can build up reserves and add to present income.

GEMINI (May 21 to June 21): Make those changes in your environment that will make you happier and bring more success in the future. Think clearly and logically.

MOON CHILDREN (June 22 to July 21): Work early on those restricting conditions and improve them efficiently. Steer clear of a social function where big arguments could start.

LEO (July 22 to Aug. 21): Your friends may be too busy now to go along with you for recreation, so be patient and find something constructive to do. Don't try to force your ideas on others.

VIRGO (Aug. 22 to Sept. 22): It is important that you follow through with the ideas of higher-ups otherwise you lose their support. Attend to that credit matter even if it is irritating. Avoid one who has peculiar ideas.

LIBRA (Sept. 23 to Oct. 22): You have to use diplomacy if you are to gain those aims now, since forcefulness could mean failure. Study new contacts well before accepting.

SCORPIO (Oct. 23 to Nov. 21): Get at responsibilities ahead of you early and they are soon completed. Be sure to acquiesce to some request your mate makes of you.

SAGITTARIUS (Nov. 22 to Dec. 21): You are not getting the cooperation of others today, so wait until a better time to work on your plans. Be patient about some civic matter. Take time for recreation.

CAPRICORN (Dec. 22 to Jan. 20): Study well that work you have to do before tackling it. Don't let a co-worker who is having troubles bother you.

AQUARIUS (Jan. 21 to Feb. 19): Be more tolerant of those you love and help them with their problems. Use your finest talents and have things as you like them.

PISCES (Feb. 20 to Mar. 20): If you are more objective at home, you find you get matters handled better. Get everything in fine order. Accept any invitations you receive but don't do any entertaining at home now.

IF YOUR CHILD IS BORN TODAY... ...he or she will want to get involved in everything without accomplishing anything. Teach to finish one thing before going on to another and then the chart becomes a successful one.

"The Stars impel, they do not compel." What you make of your life is largely up to you!

Rule that poor make cash outlay to obtain food stamps eliminated

AUSTIN, Texas (AP) — The Texas Board of Human Resources voted Thursday to end the requirement that poor people make a cash outlay to obtain food stamps. Board members made the decision at their meeting in Amarillo, and it was announced here. Jerome Chapman, commissioner of the Texas Department of Human Resources, said he hopes to make the no-cash rule effective around Dec. 1. He must await authorization from the U.S. Department of Agriculture, which runs the food stamp program nationally. He said dropping the cash requirement would add 102,000 persons in 30,000 households to the 773,000 Texans now receiving food stamps. Chapman said he expects

Group will seek recall of officials

ODESSA — The Concerned Taxpayers of Ector County organization has called for the ouster of the mayor and the entire city council citing what it calls "lack of concern for the citizens of Odessa." Lou Triplett, spokesperson for the group said that the movement was prompted because the council "refused to rescind the 1978 property revaluations, refused to apply the entire \$5.4 million surplus to the 1978-79 budget and made no acknowledgement of the 4,000 signatures on petitions asking for that action." Petitions bearing 4,000 signatures were handed to Odessa Mayor Dick McManigle at the last meeting of the council.
