Anonymous Note From The Liquor Element.

The following was received Monday by one of our citizens who is a strong prohibitionist, and was undoubtedly sent to him by mistake. It is certainly to the point and our people should be awake to the fight that is before them and get busy, for if they do not, the battle will certainly go against them and their candidates on next Saturday. So take another hitch in your belt and work all the harder.

Here's the note:
"Our cause is defeated unless there is some active and effective work done at once.

Emphasize the importance of this matter. See that our forces understand the serious situation that we are now facing.

It is equally essential that the corporations and their allied interests be made to realize that their life hinges upon the election result, July 22nd.

This slip is sent to you and several thousand other dependables at this critical time (you will understand by whom and from where), as an appeal and demand that every vote rallied to the ticket given below.

You must understand that in addition to a solid liquor vote and a solid Mexican vote, we must secure a good number of independent voters to enable us to overcome the Morris-Campbell - Garret - Hagger-Looney-Jenkins-Hall combination.

The administration must gain this fight, or it will mean disaster to our organization.

Make memoranda of the following ticket, which should be voted without deviation—Then DESTROY THIS SLIP.

For Governor,
JAS. E. FERGUSON.
For Congressman-At-Large,

For U. S. Senator,

For Attorney General

Bert C. Bose Shot By Mexican At Balmorhea.

Word was received Wednesday morning from Balmorhea that Bert C. Bose had been shot thenight before by a Mexican named Jesus Costa.

As best we can learn the facts are as follows: Bose, in company with about a dozen of the other young fellows were near the upper bridge having a fish fry. About 12 o'clock the Mexican's dog came out from the house at the boys and some stones were thrown at it, some of them possibly hitting the house. While the boys were eating Costa came out and fired over their heads; the boys broke and ran and the Mexican fired two more shots one of them striking Bose in the side and passed through his stomach, lodging near the skin on the other side.

Assistance was given to Bose as soon as possible, but they could not save his life, and he passed away about 2 o'clock.

County Attorney Drane was out there at the time and he phoned sheriff Harrison who went at once to the scene and has been out there ever since searching for the murderer.

The latest report that we have received is Friday evening and it is to the effect that they had not yet caught Costa but that they were hot on his trail.

The remains of Mr. Bose were interred at the Balmorhea cemetery Wednesday evening.

The affair is greatly to be deplored and it is hoped that the murderer will be apprehended.

Brooks in the Lead.

The following telegram was received in Pecos this week:
Waco, Tex., July 19.

E. L. Collings, Pecos.
Many opposition papers and majority of the opposition supporters concede that Brooks will lead in the first primary. Good reports from western, northern, northwestern sections indicate landslide. Gaining in eastern and central sections. Fine reports from south with many strong antis as well as pros coming to us to keep up the good work.

JOHN K. STRECKER,
Secretary.

Married in Pecos.

Rev. J. H. Walker united in marriage at the Methodist parsonage, Tuesday of this week, Miss Effie Cowder of Carlsbad, N. M., and Mr. Claude Dannelley, of Hurley, N. M. The young couple left on the T. & P. train No. 5 for the home of the groom.

Mr. and Mrs. Walter Browning and little daughter, Christine, have returned home from Lampassas where they had a delightful visit with the parents of Mr. Browning.

H. C. Zimmer Fixing Up His Building.

H. C. Zimmer one of our hustling hardware merchants, is having the corner building fixed up for occupancy in the near future.

He is having a cement floor laid in the front half of the building on the corner and will later have the entire room fixed up, putting down the rest of the floor, plaster the sidewalls and also put on a new ceiling, and when completed he will have one of the neatest store rooms in Pecos.

Hugh Roberson, Pecos' popular cement man, with his efficient corps of helpers is doing the work, which insures that it will be done right.

Jim Baker Able to Walk on Crutches.

The many friends of Jim Baker will be pleased to learn that he is now able to walk around the house and yard a little with the aid of crutches.

Wednesday was his first effort, after forty days confinement, with a broken limb, in bed. The limb is still encased in the plaster cast and is very cumbersome but Jim is sure glad that they allow him to be up. We trust that he may soon fully recover, for his hosts of friends will be glad to see him among them again.

The Knights of Pythias Install Their Officers.

At their meeting held Monday night the Knights of Pythias installed the following officers who hold their places for the ensuing six months:

Max Ritz, C. C.; Ed Read, V. C.; D. J. Moran, Prelate; Hugh Roberson, M. of W.; J. E. Wells, M. of F.; George Brooks, M. at A.; Clay Slack and John Lopo, who were elected to the offices of I. G. and O. G., respectively, were absent at this meeting, and will be installed later. A. G. Tag was the outgoing C. C.

The installation ceremony was conducted by Max Krauskopf, Special Grand Chancellor for Texas.

There was a good attendance, and all present had a good time and enjoyed the ceremony.

Clay Cooke and T. T. Garrard in Joint Debate.

Clay Cooke and Tom T. Garrard met in joint debate at the court house last Saturday evening and discussed their qualifications as to who is better equipped to be District Attorney in this District.

There was a good sized audience present to hear them, and so far as we could learn, after the "battle of words" there was little, if any, decided change of thought among their hearers.

Oh, You Bunch of "Grass Widowers."

Quite a bunch of our married men are left in the lurch this week and are "Grass Widowers," some for a short time, others longer. Among the ladies and children leaving we notice the following:

Mrs. M. A. Churchill left on Monday, via the Santa Fe, on a two months visit to Salina, Kansas, where she will visit with Mr. Churchill's brother, and from there will go on to Cambridge, Neb., to visit her uncle.

Mrs. R. R. Smothers and her daughter, Miss Roberta Nell, accompanied Mrs. Churchill to Salina, and will remain there visiting her uncle and cousins.

Mrs. J. W. Moore left Sunday for Cedarvale, Kan., where she went to be the matron of honor at the Dosbagh-Bishop wedding, and elaborate affair to take place there in a few days.

Mrs. J. I. King and baby went out to the M. M. Leeman ranch Tuesday for a week's visit. They were accompanied by Mrs. Lou Walron, Mrs. King's mother.

Mrs. Evy Bowles and that wonderful baby, E. G., Jr., left Tuesday afternoon for an extended visit with relatives and friends at her old home in Uvalde. Her mother, Mrs. W. C. Club, who had been here visiting her, accompanied her.

For State Treasurer.

To the Good People of Texas: I am again asking the favor of you to be made your State Treasurer and since I have not the time nor the money to visit you, I take this method of earnestly soliciting your support.

Two years ago when I then sought to be your State Treasurer, you honored me with 183,843 votes and gave me a majority in 107 counties, which leads me to indulge in the hope that I may have the honor then sought conferred upon me this time. The present State Treasurer, who is seeking re-election was chief clerk in the Treasurer's office for more than five years and is now asking for his fourth term (third elective) as State Treasurer, and should you believe he has enjoyed the honors that go with this office sufficiently long, and feel like electing me, I shall make you an honest, faithful and efficient public servant.

Born and reared on the farm but for the last eighteen years actively engaged in business, my friends who know me believe that my training has fitted me well for the discharge of the duties of this high office, and if you feel this way, I shall be very glad indeed to have your support.

Sincerely yours,
JNO. W. BAKER.

School Interests in Texas.

The political aspirations and fortunes of a great many men hang in the balance next Saturday; in some instances they stand for well defined principles but in a majority they represent personal ambitions. I would not disparage either, but I would like to call the attention of the voters of this section to the fact that the children and the schools of Texas have a claim that far transcends the ambition of any man in its importance.

It is indeed fortunate for the interests of the schools of the state that there is to be no unseemingly scramble for the office of State Superintendent of Public Instruction. It is even more fortunate that the present incumbent, Hon. W. F. Doughty, has seen fit to give the schools of the state the benefit of his ripe experience, broad scholarship, and wise administrative ability. Our state has at all times been blessed with capable men in this high office; men who were quick to respond to the call of educational progress, but the questions that have come up during the past two years for solution have been peculiar in their nature and far reaching

Another Letter From Ferguson Supporters.

The following clipping was handed us for publication. It shows how desperate the antis are becoming, and they are leaving no stone unturned to get Gov. Ferguson re-elected:

(Note.—The following letter was picked up on the streets of Sheffield. It is written on the letter head of the "Food and Drug Department of the State of Texas, Austin.")
The original is in the possession of Rev. Atticus Webb, Ft. Worth, Texas.)

Letter follows:
Austin, Tex, June 7, '16.

Mr. Sam Murry, Sheffield, Tex.
Dear Sir: I hope that all the voters in your box will come out and vote July 22 for State and district officers, as we are going to need all the votes we can get, especially for the Governor.

I was at the San Antonio convention and we succeeded in whipping them there, but they never know when they are whipped, and it is one continual fight. So please tell all the voters in your box, and in the county to come out and just roll up all the votes we can for Governor Ferguson.

With very best wishes,
Your friend,
JOE JAYNE.

(Note.—Mr. Murry above is saloon keeper at Sheffield, and Mr. Jayne is said to be connected with the Food and Drug Department. This was picked up by a citizen of Fort Stockton.)

From W. R. Smith.

To the Democrats of the Sixteenth Congressional District of Texas:

The Congressional campaign in this district is about to close. I wish to thank the loyal friends in every precinct who are so actively at work in my behalf and to assure them that all indications point to an overwhelming victory for us on the election day. I regret that I have been unable to visit all parts of the district during the campaign, but my inability to do so has been due to the fact that important duties kept me at my post of duty in Washington until too late. My appeal to the voter is upon my record and my loyalty and support of President Wilson and his administration.

The character of the campaign which has been waged against me makes it necessary to warn my friends ever where against eleventh-hour campaign falsehoods. Already I hear of secret circulars, letters, and conversations putting into circulation false statements and misrepresentations designed to mislead the voters. But these of themselves should discredit and condemn the authors as they were sprung too late to be answered.

Yours very truly,
W. R. SMITH.

Miss Mary Ellen Coon is in Pecos from El Paso visiting her father, Geo. D. Coon, and expects to leave about the first of next week for Wellington, Kans., where she will visit with an aunt for some time. Miss Mary Ellen has been sick for the past six months and is going up to Kansas to see if the change will benefit her.

Miss Annie Richburg left on Wednesday afternoon for a two weeks recuperating trip, going to Spur, and will also visit at other points in the Panhandle country.

in their importance. That Mr. Doughty has no opponent today is proof of the fact that his administration has been entirely satisfactory to the teachers of the state and to the friends of education generally.

To show our appreciation of the splendid services of this leader let us give him the unanimous verdict of our approval and appreciation at the polls next Saturday.

Sincerely,
T. J. YOE.

Has String of Horses At the Fair Grounds.

Dave Christian is here from Big Springs with a string of five running horses at the Fair grounds track, training them, having arrived over a week ago. Some of them are young and all are in splendid condition. Mr. Christian is one of the best horsemen in West Texas and believes in having his animals in the pink of condition.

The following constitutes his string at present: Over Knight, Certain Point. Satisfied, Aunt Nan Noo, and Don. They are a fine looking bunch and he will undoubtedly pull down several of the prizes offered at the Fair.

Attorney J. A. Buck arrived home Tuesday afternoon from his business trip to Rusk, at which place he had been for the past week as attorney for the plaintiff in the S. F. Tucker et al., vs. D. H. Lynch, in a land suit. Mr. Buck said that he had a hard fought case, but won out, the jury being out only a few minutes. J. A. is a hard fighter in his cases and he leaves no stone unturned to get at the bottom of a suit, and always studies untiringly.

Mrs. Pat Wilson and children came over from their Quito ranch for a visit with the home folks, Mr. and Mrs. Ed Vickers.

Water Works System Will Soon Be Commenced.

H. LaSalle, who has the putting in of the water system over at Barstow, accompanied by F. P. Ingerson, postmaster, and W. C. McAfee, alfalfa raiser, was in Pecos several hours on Tuesday transacting business.

Mr. LaSalle informed us that they would begin work on the system about the 1st of August, as all deeds for right-of-way were signed up and that the work would be pushed as rapidly as possible to completion.

He also was conferring with several of our citizens in regard to the piping of soft water to Pecos. This would be one of the very best things that we could get for our little city, and would be worth many thousands of dollars to us.

Mrs. Earl Ligon and baby, also her father and mother, arrived here the first of the week from their visiting trip, having come back sooner than they expected on account of the illness of the baby. They first visited with the son and brother, A. E. Bell at Alpine, then went to Elida, N. M., and visited their daughter and sister, Mrs. L. M. Tipton, from which place they came home. We are pleased to state that the baby is much better.

If you want to buy anything, read the Pecos Times.

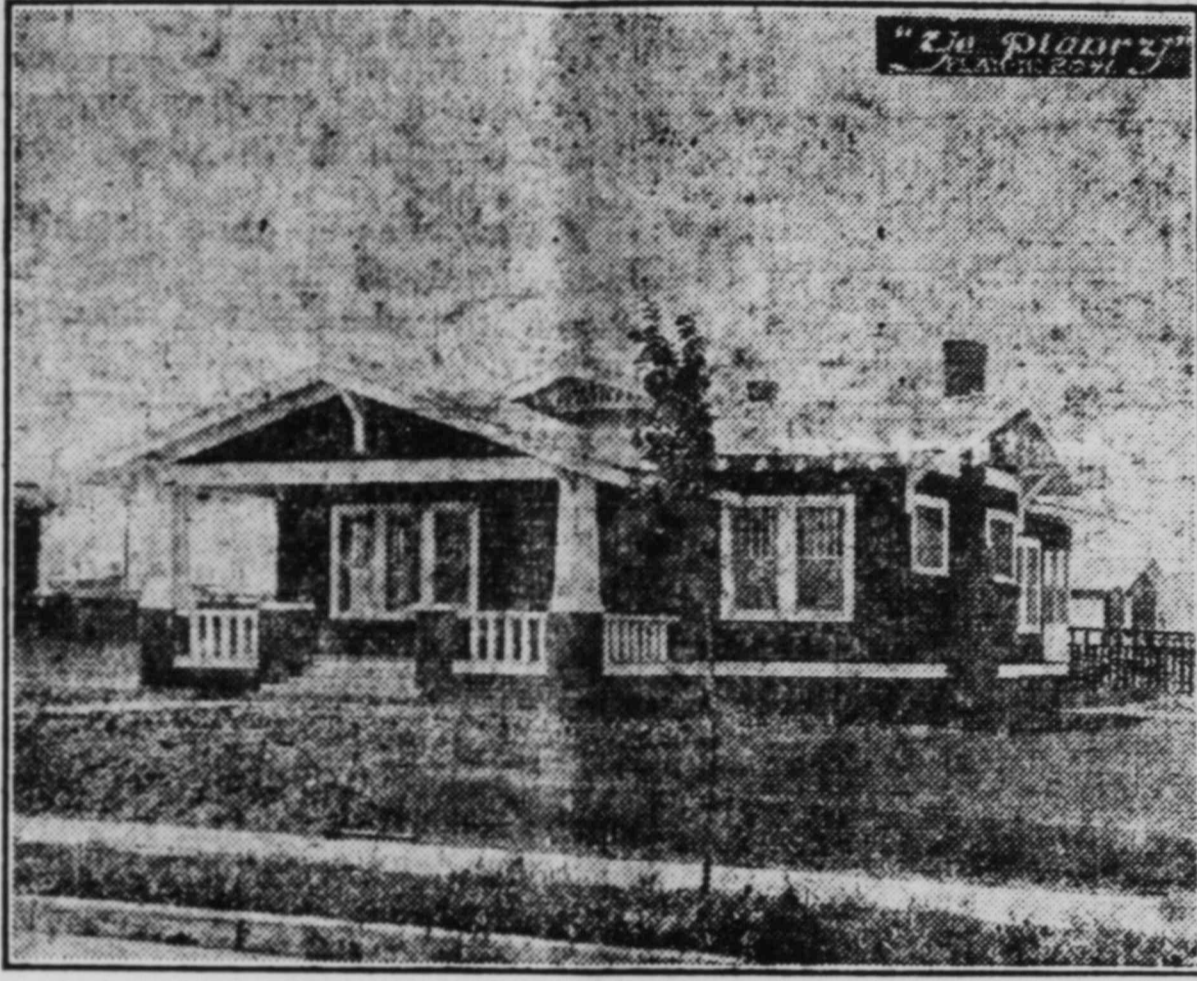

THE TIMES, ever progressive, has added a feature that we feel sure will interest those of our readers who contemplate building a home. On this page will appear, each week, The illustration of a home, and, occasionally an interior. A wide range will be covered, so no matter what your taste regarding how a home should be, you will find just what you want. The reading matter, too, will be of a nature that has to do with the home.

Life's Most Important Undertaking.

Yes we feel that the planning and building of your home, especially if it is to be your permanent dwelling place is by far the all important factor in your life. It means so much to your future existence. It is the standard by which you are judged by your friends and neighbors. Again, often it means the expenditure of a fund set aside for that purpose that has cost much effort and sacrifice. This means that you should make every assurance of securing a home that not only meets with your every requirement, but one wherein you will secure value for every dollar invested.

Right here let us warn you against building on the "guess work" plan—building your home or having it built from vague verbal ideas or rough sketches. **Have plans and specifications prepared by experts.**

Suppose you had built thousands of homes—you would of

course know how to save space where and what conveniences to install, how to place openings to afford the greatest wall space and attractiveness of design. These are things that only an expert designer can know, and are yours for a very small expense.

Study carefully each feature you may wish to incorporate in your home its relation and bearing on the adjoining rooms. Remember the walls of your room are only a background for the furnishing and people, and therefore always should be in subdued tones. The woodwork and permanent fixtures are in reality immovable furniture—be sure it is not of a "finger-bread" variety that will grow tiresome when its novelty finally wears off.

Manufacturers of building materials of all kinds offer many valuable suggestions on the various points of home construction. Study them all. They may prove interesting as well as helpful.

"Cured"

Mrs. Jay McGee, of Stephenville, Texas, writes: "For nine (9) years, I suffered with womanly trouble. I had terrible headaches, and pains in my back, etc. It seemed as if I would die, I suffered so. At last, I decided to try Cardui, the woman's tonic, and it helped me right away. The full treatment not only helped me, but it cured me."

It is with a deep feeling of satisfaction that **The Times**, on the eve of election can say that it no wise, by insinuation, or other method, sought to discredit a single candidate in the county race. True, our hands trembled every time we picked up the pen, but our sense of justice to all helped overcome the temptation. We felt that as all seekers of office are intimately known, that is county offices, that the people could cast intelligent votes according to their respective merits. In the race for Congress, we had much to say, and would again repeat every word, in favor of Mr. Smith, believing that the best interests of this section depended entirely on the consummation of the great work he has begun in the matter of irrigation. We felt confident and still do, that he is the logical candidate as the cards now lay. We made no prophecies, whatever, so no matter the outcome, we can face the future with the same determination that has ever made our path and that is to work for the best interests of our community, our County and our state.

Olin Wilson formerly of Pecos but now holding a responsible position with the Peak Undertaking Co. of El Paso, sent several of his friends a collection of relics and photos taken by him on his way to Carrizal, Mexico, where he went to exhume the bodies of the U. S. soldiers who were killed in battle there, and prepare and ship them to their homes in different parts of the United States.

Forethought.

People are learning that a little forethought often saves them a big expense. Here is an instance: E W Archer, of Caldwell, Ohio, writes: "I do not believe that our family has been without Chamberlain's Colic, Cholera, and Diarrhoea Remedy since we commenced keeping house years ago. When we go on an extended visit we take it with us." Obtainable everywhere.

The bond of S. B. Short as a master plumber, with the Lion Bonding & Surety Co., for the sum of \$1000, was approved by the mayor, pro tem.

Treasurer's report No. 4 was presented, examined and approved.

The tax collector made his reports as to moneys collected for the following years: Delinquent taxes, report No. 6, for 1911, \$3.72; No. 7, for 1912, \$8.12; No. 8, for 1913, \$15.23; No. 9, for 1914, \$11.81; No. 10, for 1915, \$8.74; also No. 11, for occupation tax 1916, \$1.50, all examined and approved.

On motion the services of M. L. Roddy was secured as caretaker of the fire department's apparatus, instead of E. B. Kiser, this in connection with his duties as city marshal, and he to have \$25 per month for this work. The city secretary being instructed to draw warrant in favor of Mr. Kiser for services up to date.

On motion it was ordered that at the next regular meeting of the council, which meets on Monday, August 21, final steps be taken for the preparation of a complete tax roll that shall be up to date, the same to be published, and arrangements be made for their collection.

E. L. Collings, J. W. Moore, and F. P. Richburg were appointed as an equalization board to review the tax renditions for the year 1916, to meet on Monday, July 24, and from day to day as they may elect.

The following communication from Mayor, E. C. Canon was presented and, upon motion, was accepted:

Pecos, Texas, July 17, 1916.
To the City Council,
City of Pecos.

Gentlemen: Having decided to move back to Waco, my former home, I hereby tender to the City Council my resignation as mayor of Pecos City, and ask that it be accepted, to take effect immediately.

It is a pleasure to me to be able to state in this communication to you that I appreciate to the fullest extent the assistance the members of the City Council and officers of the city government have given me during the years I have served as your mayor, and I desire to express to each of you, and to the public, my sincere gratitude for that spirit of cooperation which I am happy to state has made possible such progress and advancement as we, as a people and a city government, have been able to achieve; and I feel sure that the same spirit of progress and cooperation in the management of the city affairs will mark your future course and will lead your town to that greater growth and advancement it so richly deserves.

Respectfully submitted,
E. C. CANON.

The following election proclamation was issued by S. M. Prewit, mayor, pro tem:

In the Realm of Society

In Honor of Mrs. McGlassen of Bonham, Texas.

Mrs. H. H. Johnson entertained with 42 on last Friday morning, to meet her friend, Mrs. McGlassen of Bonham, the house guest of Mrs. O. J. Bryan.

Mrs. Johnson's neat country home was elaborately decorated with sun-flowers. Little yellow birds were used as table and tally cards.

Each table was requested to cut for the sunflower, and thru great excitement Mrs. Starley, Howard, and MsGlassen came out winner.

The hostess was assisted in entertaining by Mrs. Col Prewit and Mrs. O. J. Bryan.

The luncheon consisted of nasturtium sandwiches, peach salad topped with lemon jelly, mint tea, loaf cake with a touch of yellow and orange ice.

Birthday Party.

One of the most delightful affairs of the past week was that given by Miss Rosa Thomason at her home, Monday evening in honor of Miss Mildred Obitz' birthday.

This club of charming young ladies is nearly entirely composed of this season's debutantes. They "bade time in her flight make them a child again just for one night."

They played games of their childhood days, took joy rides over the city, ate ice cream cones and cake and drank punch until a late hour.

Those who composed this merry party were: Misses Marion and Jane Looby, Mildred Obitz, Dorisse Jones, Gladys Prewit, Nannie Mae and Warren Collings, Jewel Cowan, Edna Johnson and Miss Robbins.

Bunk Party.

The always hospitable home of Mr. and Mrs. W. A. Hudson was a scene of much gaiety on Tuesday evening when the younger set were invited for an all night party.

Tea on the beautiful lawn began the program, then a box party at the moving picture theatre, auto rides, and every kind of amusement was enjoyed together with the serving of delicious cream and cake at a very late hour in time to meet Hilliard Hudson on the midnight train; then more fun and frolic.

Those present were: Jewel Cowan, Gladys Prewit, Mildred Obitz, Rosa Thomason, Alice Hankins, Dorisse Jones, Jane and Marion Looby, Warren Collings and Hilliard Hudson.

His Backache Gone.

Just how dangerous a backache, sore muscles, aching joints or rheumatic pains may be is sometimes realized only when life insurance is refused on account of kidney trouble. Joseph G. Wolf of Green Bay, Wis., writes: "Foley Kidney Pills relieved me of a severe backache that had bothered me for several months."

Mrs. S. E. Eberstadt Entertains at 42.

Mrs. S. E. Eberstadt entertained a large party at her home Thursday afternoon in honor of Miss Eva Eberstadt, of Jefferson, who is to be her guest for several weeks.

42 was the diversion for the afternoon, 7 tables being filled. The house was attractively decorated in green crepe bows and the initial "E" was hung from the chandelier and folding doors.

The table and tally cards were the letter "E", the progressions being made by a smaller "E". The tally cards bore the names of the hero and heroine of familiar books.

At the close of seven games Mrs. Ed Doty held the highest score and was awarded a box of beautiful silk hos. The guest prize, a lovely cut-glass perfume bottle, was presented to Miss Eberstadt.

A delicious course consisting of shrimp salad, tomatoes, potato chips, wafers, tea and nuts was served.

Mrs. and Miss Eberstadt invited to this lovely affair were: Mrs. McGlassen of Bonham, Mrs. Kirksey of San Antonio, Rarey, Sisk, Rowden, Tudor, Douglas, Schermerhorn, Hudson, Charske, Hankins Collings, Doty, Howard, Casey, Parker, Weyer, Ward, Moore, Johnson, Woody Browning, Kunnels, Buck, Drane, Love, Hibdon, Hubbard, Meriweath, Bryan, Misses Eva Eberstadt, of Jefferson, Warren Collings, Rose Thompson, Mc Carver, and Beauchamp.

Bridge Party.

Mrs. W. R. Hankins entertained in a delightful manner, two tables of bridge, at her home Wednesday afternoon.

After seven most enjoyable games, Mrs. Hankins served a lovely two-course luncheon. Those enjoying Mrs. Hankins hospitality on this occasion were: Mesdames Hudson, Rarey, Doty, Weyer, Eberstadt, Howard, Misses Eva Eberstadt of Jefferson, and Leota Beauchamp.

Fishing Party.

Friday morning early a jolly party, like the "Arabs" silently folded their tents and motored out to the head spring, for a few days outing.

They caught an enormous lot of fish of every size and kind, so the fish story goes, and had a most delightful time and returned Monday feeling unusually rested. Those who enjoyed this party were: Dr. and Mrs. O. J. Bryan and guest Mrs. McGlassen of Bonham, Mozelle Bryan, Mr. and Mrs. Earl Collings, Hilliard and Keith Camp.

Mrs. O. J. Bryan entertained with a 42 party on Friday afternoon, for her guest, Mrs. McGlassen of Bonham. An account of the affair will appear in next week's issue.

Dinner Party.

Miss Rosa Thomason entertained with a dinner party at her home Sunday night, complimentary to a number of visiting friends.

An elegant five-course dinner was served. This always hospitable home has added to its charms again this summer, Miss Rosa, who is a delight to all who know her.

Covers were laid for Mrs. Ward, Kirksey, and Simpson, Misses Minnie B. Jordan, of Lampassas, Mildred Obitz, Rosa Thomason, Mr. Roy Cornany, of Rural Retreat, Va., and Henry Ousley of El Paso.

RAILROAD WAGES

Shall they be determined by Industrial Warfare or Federal Inquiry? To the American Public:

Do you believe in arbitration or industrial warfare? The train employes on all the railroads are voting whether they will give their leaders authority to tie up the commerce of the country to enforce their demands for a 100 million dollar wage increase.

On all the Western railroads in 1915, seventy-five per cent of the train employes earned these wages (lowest, highest and average of all) as shown by the pay rolls—

Table with 3 columns: Position, Passenger, Freight, Yard. Rows: Engineers, Conductors, Firemen, Brakemen.

The average yearly wage payments to all Western train employes (including those who worked only part of the year) as shown by the 1915 payrolls were—

Table with 3 columns: Position, Passenger, Freight, Yard. Rows: Engineers, Conductors, Firemen, Brakemen.

A 100 million dollar wage increase for men in freight and yard service (less than one-fifth of all employes) is equal to a 5 per cent advance in all freight rates.

The managers of the railroads, as trustees for the public, have no right to place this burden on the cost of transportation to you without a clear mandate from a public tribunal speaking for you.

The railroads have proposed the settlement of this controversy either under the existing national arbitration law, or by reference to the Interstate Commerce Commission. This offer has been refused by the employes' representatives.

Shall a nation-wide strike or an investigation under the Government determine this issue?

- National Conference Committee of the Railways. ELSHA LEE, Chairman. F. E. ALBRIGHT, Gen'l Manager, St. Louis & San Francisco Railroad. C. W. KOUNS, Gen'l Manager, Atchison, Topeka & Santa Fe Railway.
