### Official Count of The Democratic Primary.

Tudor, Chairman of Reeves County Democratic Executive Committee, with the other members of that committee, met in the sheriff's Saturday and canvassed the votes cast at the recent pri-

votes were nearly the same as published in last weeks, there being two exceptions in the county vote, one that Tom Harrison had majority instead of 43, and Ross received 2 votes at Water, making his majority 47 instead of 45. There were a few other changes but they do not make any material difference.

Gilbert Wilhite, from Weston, Tenn., who was at Pecos Sunday to meet his father, and accompanied by Miss Golda, and accompanied by Midland, "got left" at Pecos, for instead of meeting at Barstow, the trains did not mind this much and gave him a chance to stay in his old home town and see his many friends, who greeted him.

Have, who for the past several years, has been one of the most efficient of the postoffice's most efficient employees, left yesterday for El Paso where he expects to see work. Mrs. Have went to Barstow for a visit with her mother. These good people from Pecos with the best wishes of their hosts of warm welcome, and **The Times** joins in expressing good wishes for their success.

Lunday and children on Monday for Dallas where they will join Mr. Lunday and family and place their home in the city. We understand Mr. Lunday has secured a job there. They will be missed by their many friends, and **The Times** wishes them the very best success.

Jas. Harper of El Paso, left off No. 6 Tuesday morning and shook hands with numerous friends who were on the train. He was on his way to Fort Worth to join his father for a short visit with relatives and friends. The trip looks as natural as ever.

Hall left Sunday afternoon on No. 6, for his home at Barstow, after a short visit with Mrs. Hall and A. Hall. They are here with their mother for a time. Sam has a number of friends here who are anxious to see him any time he comes to call.

Eberstadt left yesterday morning where he and other secretaries will meet with the Pecos Company's representatives to make arrangements for their appearance here at

### Sully Vaughan at Work on City Delinquent Tax List.

The city council have made arrangements with Sully Vaughan to straighten out and to bring up to date the back list of the taxes due the city, so that they may be put in shape for collection. After the list is made out it will be published and suit will be brought on the unpaid taxes.

We do not believe that the city could have secured the services of any person who could do the work more fully and correctly than Sully can and will. It is a long job and a hard one as the records in the past have not been as carefully and fully kept as they should have been, especially as to the stubs, for, in fact, the blanks were not furnished in proper shape.

### I Heartily Thank You.

Pecos, Texas, July 25th.  
To the voters of Reeves and Loving Counties:

I greatly appreciate the vote given me at the primary held on the 22nd of July, also the work done for me by all who supported and assisted in any way and, although I did not receive a majority of the votes cast, I heartily thank you one and all.

I am already busily engaged in getting out among the citizens to put forth my claims for re-election to the office of Assessor, trusting that I can secure the help of those who were against me in the first race to give me a majority in the second primary which will be held on Saturday the 12th of August, 1916.

Again thanking you I remain  
Yours very truly,  
W. W. CAMP.

Wednesday the following stock were shipped out from Toyahvale over the Pecos Valley Southern, and on to Fort Worth over the Texas and Pacific: One carload of fat hogs and two cars of fat beef cattle, both shipment from Sol Mayer consigned to Cassidy Southwestern Live Stock and Commission Co.

Mr. and Mrs. F. G. Pomeroy returned Tuesday from a visit of a month with the former's parents at Wichita, Kansas. They report having a nice time despite the fact that it is much hotter there than here.

E. H. Block of Barstow, was over Monday shaking hands with his many Pecos friends.

### J. E. Starley Elected As Mayor of Pecos City.

At the election held Tuesday for the purpose of electing a Mayor to fill the unexpired term of E. C. Canon, resigned, there were 115 votes cast, and Judge Starley received 90, Oram H. Green 23, and two "scattered."

Everything passed off very quietly. The following gentlemen held the election at the fire house: A. S. McChesney and E. S. Alley, judges, F. P. Richburg and Haldane McChesney clerks.

We feel sure that the voters have made no mistake in electing Judge Starley to this position and that he will fill it with honor to himself and credit to the city.

### Democratic County Convention

Pursuant to call the Democratic County convention met in the court room last Saturday and organized by electing Col. S. E. Waskom of Saragosa, as chairman, and J. A. Drane, as secretary.

W. A. Hudson was elected as delegate to the State Convention which meets at Houston, Tuesday, August 8th, 1916, and J. A. Drane was elected as alternate.

J. G. Love and Steve Ward were elected as delegates to the congressional convention. Resolutions were adopted by unanimous vote.

Pecos, Texas, July 29, 1916. WHEREAS, the second primary is to be had to determine who is the choice of the Democratic voters of Texas for the United States Senate as between O. B. Colquitt and C. A. Culberson; and:

WHEREAS, the Republican leaders challenge the loyalty of the Texas Democracy on the ground of Mr. Colquitt's having had a larger vote of the five candidates for senator; and this indicates the resentment of the Texas Democrats toward President Wilson's Mexican policy; and whereas this indictment is made on the ground of Mr. Colquitt's defiant attitude to Mr. Wilson's dealing with Mexico while governor, and since, by proclaiming to the world last December that the Wilson administration was the worst failure in the history of the government; and:

WHEREAS, the Texas delegation at Baltimore was mainly instrumental in securing the nomination of Mr. Wilson; and

WHEREAS, through Mr. Colquitt, the representatives of the Republican party are making political capital out of the supposed defection of our great state in allegiance to Mr. Wilson; now the second time the standard bearer of Democratic principles;

THEREFORE, BE IT RESOLVED: That we, the loyal followers of one of the greatest Democrats since Jefferson, assembled this day in our county convention, repudiate O. B. Colquitt as a loyal Democrat, and declare that he can never be so accepted until his treasonable aspersions against President Wilson are erased from the Congressional Records, where Republicans, in hilarious zeal, had them recorded, and they still stand as an impeachment of Texas Democracy.

Be it further resolved that this expression of the unanimous will of the Reeves County Democrats be published by every paper in Texas loyal to President Wilson, and in the determination of preserving our record un sullied; and that our faith in C. A. Culberson, a life long Democrat without a blot upon his escutcheon, may be recorded as a rebuke to O. B. Colquitt's disloyalty. And we pledge ourselves to work work and vote for Senator Charles A. Culberson in the next primary.

Attorney Clay Cooke and wife left Tuesday afternoon on No. 6 for a two weeks visit to relatives and friends at Dallas, Galveston and San Antonio. Clay feels the need of a vacation after his month's strenuous campaign.

### New Night Clerk At The Orient Hotel.

B. T. Peasley, who for some time past has been the night clerk at the Orient Hotel, has decided to take a two months lay-off, so left Tuesday for a trip to his old home at Poseyville, Ind., to see the "folks at home."

Ed Loper has accepted the position and is now holding it down in fine shape. Ed can easily adapt himself to a new job, and he will undoubtedly make a good clerk.

E. R. McCarthy, who is a first-class tinner, takes Ed's place in Max Krauskopf's tin shop.

### Had Fine Time Fishing and Caught Lots of Fish.

D. Wood Bozeman, Ora Beauchamp and R. P. Hicks returned Saturday from their fishing trip to the Devil's River country near Cbmstock, and report having had a fine time, catching all the fish they possibly could eat, and then some.

They say that the road from Ozona to Fort Stockton is just like riding on the paved streets of a city.

### W. W. Camp For Assessor.

We are authorized to state that W. W. Camp is still a candidate for the nomination of Assessor of Reeves and Loving counties, subject to the will of the voters at the second primary to be held on Saturday, the 12th day of August, 1916.

Mr. Camp has made a good record during his incumbency, always attending to his duties in a conscientious manner, as he saw them, and had no favorites, treating everyone in the right way. He earnestly solicits your support and vote, and if re-elected will undoubtedly do even better service in the future as he has the past experience to profit from.

THE TIMES, ever progressive, has added a feature that we feel sure will interest those of our readers who contemplate building a home. On this page will appear, each week, The illustration of a home, and, occasionally an interior. A wide range will be covered, so no matter what your taste regarding how a home should be, you will find just what you want. The reading matter, too, will be of a nature that has to do with the home.

Put Your Money in the "Bank of Improvement."

What can be a more safe investment than money put into attractive improvements. So make your home a place to live in and be comfortable in, not merely a place to stay.

Your first duty is to your family and what would be more beneficial to them than to furnish them with an attractive place in which to live, which means not only your home, but the immediate surroundings.

A Very Pretty Home.

If you have a west front lot and want a five room house with a sleeping porch, this house commands your attention. Why? Because you can't keep that coveted breeze out of your sleeping rooms, bed room and porch; in fact the whole house.

The built-in breakfast alcove is just one of those details that gives your house that distinctiveness and prestige over the ordinary house that is not specially planned.

You ask "How can I appearance of the home?"

Here is the answer. Suppose you make your next door neighbor, not her home is being shabby very poorly by comparison. It points it out to Mr. S. if there's a spark of pride in him you will see improvement in his home shortly.

You simply start a chain by your example or it will appear in your pride in the home.

Local Press in Town Building.

In a recent article I gave a somewhat vehement imitation that to build a town safely the country must be taken into consideration for cooperation with the town. But town and country together can't do much at the job without the cheerful agency of the local press, and the help of the home papers is usually cheerful beyond the encouragement they receive.

Indeed the help of the home papers is given so cheerfully, comes so easy in fact, that I am afraid we come to regard it too much as a matter of course. In other words do not appreciate the help of the home papers to the extent they deserve. This must be so, as it often happens that the town after drawing to the limit upon the patriotism and space of the local press sends printing away from home to concerns from which no reciprocal good is expected or received. From which it would seem that towns as well as republics, may be ungrateful.—R. R. Claridge.

Scoffers Pay The Penalty.

Those who ignore warning signals of disordered kidneys and scoff at dangers of serious consequences often pay the penalty with dread diabetes or Bright's disease. If you have lame back, pains in sides, sore muscles, stiff joints, rheumatic aches—take Foley Kidney Pills and stop the trouble before it is too late. For sale by Pecos Drug Co.—Adv.

More than a million jobs in the United States, it is authoritatively stated, are closed to the man who drinks intoxicating liquors. And this means that the employe should not only abstain while on duty but he shall not frequent drinking places while off duty.

He Could Hardly Walk.

Deranged kidneys cause rheumatism, aches, pains, soreness, stiffness. Ambrose Gary, Sulphur, Okla., writes: "I was bothered with kidney trouble ten years and at times could hardly walk. I began taking Foley Kidney Pills. I got relief from the first but continued until I had taken three bottles. I feel like a new man." For sale by Pecos Drug Co.—Adv.

The Cow as an Ally to the Drys

Leading scientists of the Pasteur Institute have discovered that cow's milk is one of the most powerful stimulants that is known. It keeps up the human system without interfering with common sense and clear judgment. Milk has been the only "bracer" used for months by the French soldiers in the trenches and it is said that a liberal use of it before going into battle has had a wonderful effect so much that the French government is urging its sale in preference to other soft drinks when the men are off duty. "As mild as milk" is a phrase now quite up to date. Tell it to soldier and civilian, to pugilist and pacifist, that their old friend, the cow, furnishes a stimulant as vitalizing as the product of the distillery and the brewery. The discovery will mean much to the farmer and the cattle-raiser, to the captain of industry, to the working man and to everybody who desires to conserve his strength, his personal liberty, safety, happiness and prosperity.

The Best Laxative.

To keep the bowels regular the best laxative is outdoor exercise. Drink a full glass of water a half hour before breakfast and eat an abundance of fruit and vegetables, also establish a regular habit and be sure that your bowels move at least once each day. When a medicine is needed take Chamberlain's Tablets. They are pleasant to take and mild and gentle in effect. Obtainable everywhere.—Adv.

The United States Public Health Service Asks

Do you think muzzling a dog is cruel and then marvel at the spread of rabies?

Do you carefully select your brand of liquor and then feed your children on unpasteurized milk?

Do you repeat the Golden Rule and then sneeze in somebody's face?

Do you go camping for your health and then place your toilet so that it drains into your water supply?

A Woman's Kindly Act.

Mrs. G. H. Eveland, Duncan Mills, Ill., writes: "I was stricken with lumbago, unable to turn in bed. A neighbor then bought Foley Kidney Pills. She had been similarly affected and they cured her. I was cured by three bottles." If the kidneys do perform their function lumbago, rheumatism, aches and pains are apt to result. For sale by Pecos Drug Co.—Adv.

WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every 3 minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some of this impure matter is left in the blood. This brings on so many diseases and symptoms—which vary widely but may include pain in the back, headache, nervousness, hot, dry skin, rheumatic pains, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right the danger is overcome. Doan's Kidney Pills have proven an effective kidney medicine.

H. A. Clifton, Sixth street, Pecos, says: "I have been troubled with my kidneys off and on for quite a long time. My back always seems to be the source of most trouble. It gets weak and lame, and aches. I find it hard to do any bending or lifting, and at times the kidney secretions are too frequent in passage and highly colored. Every time I am in this condition I get a box of Doan's Kidney Pills at the Pecos Drug Co. and they never fail to relieve me in a short time."

Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Clifton had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

"I am bothered with liver trouble about twice a year," writes Joe Dingam, of Webster City, Iowa. "I have pains in my side and back and an awful soreness in my stomach. I heard of Chamberlain's Tablets and tried them. By the time I had used half a bottle of them I was feeling fine and had no signs of pain." Obtainable everywhere.—Advt.

**Victory For Cardui.**  
We are rejoiced at the great victory won by Z. C. Patten Jr. and the Chattanooga Medicine Co., at Chicago.  
The jury returned a verdict in favor of the makers of Cardui, the woman's tonic, and held the American Medical Journal guilty of libel for publishing that Cardui is a nostrum without merit.  
In short, the United States Court has placed the seal of its approval upon the remedy Cardui after one of the most exhaustive trials in the history of the country.  
All Chattanooga will rejoice and the verdict will attract nationwide attention.  
The above is from an editorial in the "Hamilton County Herald of Chattanooga, of June 23, 1916. We have carried the advertisement of these people for a number of years, and the result of the trial should be a source of pleasure to every paper, that, through its columns, have recommended the remedy to its readers.

**CITROLAX**  
CITROLAX  
C. I. T. R. O. L. A. X  
Best thing for constipation, sour stomach, lazy liver and sluggish bowels. Stops a sick headache almost at once. Gives a most thorough and satisfactory flushing—no pain, no nausea. Keeps your system cleansed, sweet and wholesome. Ask for Citrolax. Sold by Pecos Drug Co. (Advt.)

**Prohibition Goes Marching On.**  
It is significant that while rejecting a prohibition plank as politically expedient, the progressive convention gave unqualified approval to prohibition as a principle. Four years ago the new-born party could not have made such a practical unanimous showing of anti-liquor enthusiasm as did the delegates of 1916. Indeed, in 1912 much pressure was then brought to bear to prevent the word prohibition being mentioned in the convention. This progressive prohibition sentiment now of necessity goes into other party organizations and will continue to progress accelerating thereby the process of dry cleaning the two old political parties. The Progressive party is dead. Ling live the progressive party!

**Lax-Fos, A Mild, Effective Laxative & Liver Tonic**

In addition to other properties, Lax-Fos contains Cascara in acceptable form, a stimulating Laxative and Tonic. Lax-Fos acts effectively and does not gripe nor disturb stomach. At the same time, it aids digestion, arouses the liver and secretions and restores the healthy functions. 50c.

If you want to know where to find something good to eat, look in the Pecos Times.

**PAINFUL EFFECT OF Rheumatism, Lumbago, Gout.**  
It is now asserted with confidence that these painful effects due to uric acid in the system are entirely eradicated. A new remedy, called "Anurie," has been discovered by Doctor Pierce, which he finds is 37 times more potent than lithia, and is the cause of a drainage outward of the uric acid with which it comes in contact within the body. It will ward off backache, headache, and the darting pains and aches of rheumatism, lumbago, neuralgia—of those diseases which are caused by too much uric acid, such as gout, asthma, sciatica, renal calculus. "Anurie" prolongs life because old people usually suffer from hardening and thickening of the walls of the arteries, due to the excess of uric acid in the blood and tissues.  
Send Dr. Pierce, chief physician at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., 10 cents for large trial package, or obtain 50c. package now at you. (Advt.)

The women folks can use it in doing their washing, to run the separator, the grindstone or any light power machine they may want to operate.

Your children can take care of the pumping and see that your cattle and live stock have plenty of fresh cool water.

Your hired man and even yourself will find it comes in mighty handy many times during the day. It's the best little Labor Saver you can put on your farm.

The cost is very low and the fuel expenses hardly worth mentioning. It comes all complete in one crate with everything necessary to operate except the gasoline. It does not require belts, braces, special platform or extra of any kind whatever. It is absolutely iron-proof and will not overheat.

Farmers everywhere are buying these engines, putting them on their farms and letting the women folks take care of them. They are simple, easily understood and entirely safe to operate and in addition to relieving the farmer's wife of many disagreeable jobs about the house, will take off from the shoulders of the farmer himself the lost time in bothering with the many round-the-house jobs.

It will be worth your while in making a short trip to town to come in to our store and show you all about the celebrated FULLER & JOHNSON FARM PUMP ENGINE.

**Let Your Boys Run It**
