GUARANTY FUND BANK

This is Potato Month in the United States

SURPLUS OF 90,000,000 MAKES IT IMPERATIVE THAT WE EAT MORE TO AVOID WASTAGE

The month of April is the month of potatoes. This is the edict of the Federal Food Administrator for the State of Texas and it is made so not because the Food Administrator desires to be arbitrary in the matter of appetites but because there is a surplus of 90,000,000 bushels of potatoes in the United States and of this amount fifty cars or 2,000,000 pounds are spoiling on the tracks in Texas because there is no public to consume them. The potato should be available to all housewives at 1 1-2 to 2 cents a pound, which contrasted with the price for April is 3 1-2 to 4 cents cheaper. In April 1917 the same grade of potato was selling for five and six cents a pound.

"The reason for an increased consumption of potatoes campaign" says Administrator Peden, "is that the food bins are heaped with potatoes as the answer of the farmers to last year's appeal for a bumper war crop. The potato grown through patriotism should be eaten through patriotism. With so many other things scarce potatoes, which are plentiful, should not go to waste. And they will go to waste if they are not eaten in the next few weeks. To eat potatoes is the best kind of local, home-grown patriotism."

"In spite of its adoption in other countries, however, the potato proved it was a true American last year when the crops were called to the front for war service. It enlisted in the front ranks of the food forces, with the result that we have such a potato crop as was never known in this country. Europe does not need to share our potatoes. They are too bulky to ship at this time when ships must be saved for troops and for the most essential and concentrated of foods. Therefore, the best form of patriotism is to eat our bumper crop and make it help save the wheat."

"The potato has done its 'bit' by us. Shall we not do our 'bit' by it? It's a good soldier. Help to fight the kaiser."

WSS DIED AT OCEAN PARK

Word received yesterday by relatives in Pecos announced the death of Mrs. Frank Thayer at Ocean Park, Calif. Mrs. Thayer was a daughter of Mr. and Mrs. Chris Ritz, and a sister of Mrs. Joe Caroline, Ed and Max Ritz, of this place.

WATCH US GO OVER THE TOP !!

Word received yesterday by relatives in Pecos announced the death of Mrs. Frank Thayer at Ocean Park, Calif. Mrs. Thayer was a daughter of Mr. and Mrs. Chris Ritz, and a sister of Mrs. Joe Caroline, Ed and Max Ritz, of this place.

At this juncture Judge Ross arose to see what effect the speakers had on the people and subscriptions to the loan began. These good people were "raring" to go, and the first subscription was for \$5,000. In a short time nearly \$8,000 was subscribed.

In anticipation of the meeting a short program was prepared which included the singing of patriotic songs, a well-rendered vocal solo by Mrs. Bob Baker, entitled "What Are You Going to Do?" and a violin duet by the Tetter children.

On Tuesday, April 23, a meeting of the character will be held at Balmorhea, and at Toyan Wednesday. The enthusiasm that is being manifested in the prosecution of the campaign, by both the committee and the citizens, leaves no doubt in the mind of The Enterprise that the full quota will be raised.

WSS
Miss Glover, a teacher in the Pecos High school, was called to her home the forepart of the week on account of the illness of her parents. Her place in the school is being filled by Mrs. McCasland, formerly teaching the fourth grade. The services of Mrs. Shappert, who recently moved here from Gilmer, has been secured for the fourth grade pupils.

Favorable Action on Bill Expected Soon

MEASURES AFFECTING NATION IN GREAT WAR TAKING TIME OF BODY AT PRESENT

Mr. V. L. Sullivan, who was sent to Washington recently by the people of the Pecos Valley of Texas, in the interest of the passage of the Chamberlain bill, returned Wednesday. Mr. Sullivan states that the situation in the National Capital is tense, and that everything, practically, has been laid aside and the legislators are concerning themselves with problems that have to do with the present world war. "The war condition is considered the most serious of any time in the history of the world," he stated.

The Chamberlain District Irrigation Bill, in which Mr. Sullivan interested himself while in Washington, was in a fair way for favorable passage, and would have passed before this time had it not been for the tremendous German drive that is now being made in France and Belgium against the Allies. The bill in which the various communities up and down the Pecos River are so vitally interested in would have been taken up for action in the senate two or three weeks ago but for reasons above set forth. There is no doubt in Mr. Sullivan's mind that the bill will be passed as soon as it is brought up in the senate. This view is shared by the many senators who have expressed themselves in the matter. When the bill does come up for action Senators Snappard, Borah, Fieland, McNary, and many other will be on hand to defend the measure on the floor of the senate. The committee in the House has already promised to report it out immediately and favorably on its passage through the Senate.

The prompt success of the bill depends upon the outcome of the present drive largely, though it is possible that it may be called up for occurs.

Mr. Sullivan expects to called the committee of the Water Users of the Pecos Valley together at an early date to discuss other plans in regard to the bill.

A very encouraging feature of the situation is the fact that delegations from other points in Texas, Arizona, and Oregon, were in Washington at the same time Mr. Sullivan was, interesting themselves in this bill, giving a very strong backing from the entire West and a goodly portion of the South. Plans are under way to keep a delegation in Washington at all times until the final and favorable passage of the bill.

A strong delegation from Wichita Falls, headed by J. A. Kemp, has been in Washington in the interest of this same measure and will return there the latter part of this week.

Mr. Sullivan states that Congressman Blanton is untiring in his efforts for the favorable passage of the bill, and has done good work for its present progress.

WSS NEW MEXICO-WEST TEXAS MISSIONARY CONVENTION

Pecos will have the honor this year of entertaining the convention of the Churches of Christ in New Mexico and West Texas. The meetings will be held from April 30 to May 3, the first session to be Tuesday afternoon and the closing session the following Friday morning. There will be morning, afternoon and night sessions during which all the interests of the church will be discussed.

Besides the attendance of local preachers and members from the territory embraced, there will be present C. M. Yocum of Kansas City, representing the Foreign Christian Missionary Society; Jno. H. Booth of Kansas City, Church Extension Secretary; Mrs. J. M. Stearns of Indianapolis, Secretary of the Christian Women's Board of Missions; Chas. W. Dean of Denver, Supt. of Bible school work in the Rock Mountain District; J. B. Holmes, Supt. Texas Missions, and others.

The sessions will be open to the public and everybody is invited to attend, and not only enjoy, but also receive the benefit that always come from such meetings. Further notice will be given next week.

County Responding Nobly to Third Loan

EVERY TOWN VISITED AND EVERY RESIDENT INTERVIEWED BY LOAN COMMITTEE

One of the most intensive campaigns ever waged in Reeves county is now under way, having for its objective the subscribing of the county its full quota of \$10,000 to the Third Liberty Loan. To many this sum, considering local conditions, is staggering, but The Enterprise is of the opinion that the people are awaking to what is expected of us, and are facing the Third Loan with a spirit that is ready to really sacrifice in order to come up to the expectations of our Government and the standard of patriots.

Under the leadership of the county's chairman, Judge Ross, an intensive drive is being made and arrangements have been made that include not only a visit of the committee to every town in Reeves county, but a heart to heart canvass to every citizen who has not expressed a desire to aid this nation in its hour of peril.

The first town visited was Saragosa on last Saturday evening.

To aid in the good work a delegation from Pecos composed of Judge Ross, F. W. Johnson, W. A. Hudson, Clay Cooke, Ben Palmer, Monroe Kerr, backed up by the Pecos band, left here in autos early Saturday evening and at about nine opened with one of the most enthusiastic meetings The Enterprise has had the pleasure of witnessing.

After listening to patriotic music by the band, a feature that these good people certainly enjoyed, the chairman, R. E. Erwin, called the people to order and stated the purpose of their being together, adding a word in regard to the crisis that is confronting the country and appealing to the farmers of the Valley to do, not their "bit" but their best.

W. A. Hudson was then introduced to explain "How Easy It Was To Buy Bonds." He explained the terms of the 3rd Liberty Loan, and stated that he believed the government had in mind the Tovar Valley when fixing the dates for the several payments, and showed how each payment came at the end of each cutting season, if the same conditions obtained in 1918 as in the preceding years.

"Why We Should Buy Liberty Bonds" was handled by Clay Cooke, and his discourse was a review of the many things leading up to the present war, and showed beyond the shadow of a doubt that Germany has had design on the United States for more than forty years back, and that her hypocritical friendship for us was but a blind to saturate our citizenship with the insidious poison of one of the greatest spy systems the world has ever known. His evidence of deep-laid plots in the United States by Germany was from the files of the German spy system.

In succession were introduced W.

A Slogan for the Eleventh District

Hon. Jas. F. Ross, Pecos, Texas.
The dashing cavalry officer who stood in his stirrups and with drawn sword cried to his men to remember the honor of their regiment as he led them in a charge is passing, and giving way to the more prosaic type. It is largely grim determination that counts now—that spirit of "Keep on Keeping on".
Trench life, barbed wire work, long range artillery work—these are the things that are growing in importance. The magnificent enthusiasm of April 6th, the opening day of the Liberty Loan campaign, must not give place to indifference now the bands have stopped playing and the flags ceased waving. We must get down to the more difficult and less attractive work of seeing the people in their homes and securing their names on the subscription blank. This is the self-imposed and, therefore, solemn duty of every Liberty Loan worker. This represents trench work, the work back of the lines which makes the army a solid menace to the enemy.
"KEEP ON KEEPING ON!"
HOOPES.

W. Stewart of Balmorhea, Bros. C. A. Dickson and Brooks, of Saragosa, F. W. Johnson and Ben Palmer, of Pecos, who made strong appeals for the people's support to this loan, and to any other measure that will aid in making the world a safe place in which to live.

At this juncture Judge Ross arose to see what effect the speakers had on the people and subscriptions to the loan began. These good people were "raring" to go, and the first subscription was for \$5,000. In a short time nearly \$8,000 was subscribed.

In anticipation of the meeting a short program was prepared which included the singing of patriotic songs, a well-rendered vocal solo by Mrs. Bob Baker, entitled "What Are You Going to Do?" and a violin duet by the Tetter children.

On Tuesday, April 23, a meeting of the character will be held at Balmorhea, and at Toyan Wednesday.

The enthusiasm that is being manifested in the prosecution of the campaign, by both the committee and the citizens, leaves no doubt in the mind of The Enterprise that the full quota will be raised.

WSS
Miss Glover, a teacher in the Pecos High school, was called to her home the forepart of the week on account of the illness of her parents. Her place in the school is being filled by Mrs. McCasland, formerly teaching the fourth grade. The services of Mrs. Shappert, who recently moved here from Gilmer, has been secured for the fourth grade pupils.

Our District May Be First Over the Top

For every town city and county that reaches its quota in the Third Liberty Loan a Flag of Honor has been prepared which will be presented to them to fly from their flag-poles, a sign to all that the community is an abode of patriots.
That the Eleventh District, of which Reeves county is a part, has an excellent chance to be the first "over the top" is evidenced by a telegram from J. W. Hoopes, to Judge Ross. The message says:
Jas. F. Ross,
Pecos, Texas.

Figures from Washington indicate that the Eleventh District has an excellent fighting chance of being the first "over the top". Bend every effort to obtain additional subscriptions as rapidly as possible, so we be awarded first Honor Flag in the United States. It will be an exceptionally hard fight but I have faith that the good Americans of the Eleventh District can and will do it. Urge banks to report subscriptions promptly.
"KEEP ON KEEPING ON!"
HOOPES.

CITY PURCHASES BOTTLING WORKS BUILDING FOR HALL

In a recent deal the Town of Pecos became the owner of the cement building formerly owned by I. T. Kessler, in which he conducted the Pecos Bottling Works. General loss were included in the deal. The Enterprise is informed. Additions will be added to the present building, which is a substantial one, and the whole will be used by the City as a fire-station and city hall.

Noted Geologist Here to Make A Survey

TINNALLY AND ASSOCIATES WILL SPARE NO EXPENSE TO DEVELOP MINERAL RESOURCES

Dr. Emil Bose of San Antonio, is in Pecos for a week or more, at the expense of Mr. Alfred Tinnally, making a study of petroleum conditions around Pecos.

Dr. Bose was formerly connected with the National Geological Survey and later connected with the State Economic Survey, and is considered one of the finest geologists in the United States.

Mr. Tinnally is a geologist of national reputation himself, but he is securing the very best judgment of seven other noted geologists before starting his wells here for oil.

Mr. Tinnally, at his own expense, which will be very great, proposes to come to the judgment of these men in the location or a spot on which to drill that he may make no mistake. Already four of these gentlemen have visited Pecos and in company with Mr. Tinnally and Mr. Biggs have gone over the entire field.

In the honest opinion of The Enterprise Mr. Tinnally is one of the finest acquisitions to Pecos' business men we have had for years. He takes a keen interest in everything of local interest and is a worker as well as a spender.

WSS RED CROSS TEA

Those who attended the Red Cross benefit tea given last Saturday afternoon at the home of Rev. and Mrs. C. S. McCarver, by the Euterpean Club, report a most delightful time. The pastime for the afternoon was interesting games of "42" played at seven tables. An ice course was served at the conclusion of the games.

Sanitary Dangers from Domestic Pets

SPREAD OF CONTAGIOUS DISEASES IN MANY INSTANCES ATTRIBUTE TO THEM

A report on an epidemic of virulent smallpox in one of the southwestern states, submitted to the Surgeon General of the Public Health Service by one of the officers of that corps, sets forth with renewed emphasis the role that domestic pets may play in the transmission of disease, especially among young children. The instance cited was that of a fatal case of smallpox in an infant in arms. The nearest case of the disease was in a house a block or so distant and although the two families had no social relations, this apparently did not deter a dog belonging to the infected family from dividing his attention impartially between these two homes, eating at one place and sleeping at the other.

In no other way could the infection of the baby be explained, than that the dog fondled by the children of the smallpox family carried the disease to the neighbor's baby. Similar instances have been noted before in connection with smallpox transmission, and cats and dogs both have been incriminated as carriers of plague-infected fleas. Cases of the bubonic plague so contracted having been observed by Public Health officers working in recent plague epidemics. The same household pets also have been charged in certain instances with the responsibility of carrying the infection of diphtheria, scarlet fever and other communicable diseases of children, as well as various intestinal parasites.

A disease that annually causes, in this country, more than 100 deaths is rabies, and the role of domestic animals in spreading this disease is definitely proven, speculation or circumstantial evidence being discarded entirely.

Altogether, therefore, it is perfectly evident that the citizen who keeps domestic pets maintains at the same time a very potential source of danger; a sanitary menace to his own household and to that of his neighbor. While this aspect of the subject applies year in and year out, it may well behoove the city dweller in these times of urgent demand for the conservation of food to seriously take council with himself as to whether he is justified in continuing to keep his dog or his cat, both of which are casual sources of mental annoyances to neighbors as well as agents for very graver potentialities.

REGULATING SALE OF SUGAR

In a communication from C. N. Bassett, District Food Administrator, at El Paso, to County Food Administrators, the following form is authorized as correct, and is to be used by merchants selling sugar for preserving purposes. The present regulations prescribe so much sugar per family for ordinary consumption, but realizing the urgent need of an increase in the event canning or preserving is to be done, have provided the form as follows:

"This is to certify that I require _____ pounds of sugar at this time to be used by me for preserving purposes exclusively, and if same is not used by me within the next twenty days after purchase, I agree to return same to the merchant from whom purchased.

(Name of Purchaser) _____

For Indigestion, Constipation or Biliousness

Just try one 50-cent bottle of LAX-FOS WITH PEPSIN. A Liquid Digestive Laxative pleasant to take. Made and recommended to the public by Paris Medicine Co., manufacturers of Laxative Bromo Quinine and Growth Tasteless Chill Tonic.

Let your idle books help our soldiers—You can do your bit.

A Word to Families of Enlisted Men

ARE ADVISED NOT TO FOLLOW MEN TO CAMP TOWNS FOR MANY GOOD REASONS

The fact that the cost of living in San Antonio is unusually high, coupled with the extremely crowded condition of the city with reference to the housing of visiting families, as compared with the other smaller cities of Texas and Oklahoma, has led the commanding general of the 90th Division at Camp Travis to take steps to discourage the families of men in his command from coming to San Antonio. Directly the effort is being made to discourage families of enlisted men reliant upon the small pay of the soldiers and the government allowance in coming to San Antonio.

There is no certainty as to the delivery of allotment checks. As a result the families of many enlisted men have suffered from hunger and cold. In many instances they have made calls upon local charities which have been unable to handle the large number of applicants. At the Red Cross headquarters announcement has been made that chapters of the Red Cross in the localities from which men come are responsible for these people.

Social workers in San Antonio have found that the conditions arising from the influx of soldiers' families have a tendency to endanger moral and health conditions. Frequently families are grouped together in houses and rooms without sufficient ventilation and sanitary arrangements. Much sickness has been caused thereby. Attention has also been directed to the temptations to be thrown in the way of those who are left in the city without sufficient money to get away.

There is no determined period as to the number of weeks any soldier in Camp Travis may remain in the city. For that reason it has often happened, and is liable to happen, that families and wives of soldiers are left stranded in the city when husbands or fathers have been ordered to move on short notice.

There is no work for transients in San Antonio. Manufacturers, of which there are only a few, and other business concerns do not care to employ soldier assistance because of the unreliability of the length of service. Therefore, even when parties have desired work to stay they have been unable to get it.

It has been further noted that soldiers are able to render better service when they are aware that their families are cared for and located. The advantages and the desirability of soldiers' families remaining in their home towns rather than coming to San Antonio in the idea that they can secure employment or by using the government allotment are many. It may be months before the allotment checks will reach families at regular intervals.

Efforts are being made to have the families of enlisted men reliant on the government allowance and soldiers' pay to return to their homes, where war time prices are not so high as in San Antonio, where work is possible, where health and moral conditions will not be endangered. A census is being made to determine the number of cases at Camp Travis.

WSS— TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts Your Liver Without Making You Sick and Cannot Salivate

Every druggist in town—your druggist and everybody's druggist, has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tonic is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tonic is perfectly safe and gives better results," said a prominent local druggist who sells it. Dodson's Liver Tonic is personally guaranteed by every druggist who sells it. A large bottle costs 50 cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tonic is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach, or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tonic instead and feel fine, full of vigor and ambition.

\$28 DONATED FOR BALL AND BAT FUND IN PECOS

Every good cause in connection with the present war receives a hearty response from the people of Pecos and Reeves county. During the past week a subscription list was filled with names of many donating to the Ball and Bat Fund, whose mission is to provide everything that will enable the soldiers to indulge in that pastime of pastimes—baseball.

The barbers of Max Ritz's shop, under the leadership of Jno. Brocat, have pushed the list to the limit during the short time allotted to them, and succeeded in swelling the fund in Pecos by \$28, which is not so bad. Wednesday a draft was obtained at the Pecos Valley State Bank, and is now on its way to Washington to Mr. Clark Griffith, who heads the move in providing baseball for our soldier boys. It is needless to say that Brocat or his co-workers received nothing for their efforts. Every cent went to the fund. Mr. Griffith, too, is doing this good work without one cent in recompense.

A list prepared, of those who had a part in this good work, follows: Alfred Tinaly, \$2; H. R. Anderson \$1.00; A. G. Taggart, Cliff Birdwell, J. E. Starley, Cash, 50 cents each.

The following 25 cents each: Jno. Brocat, Max Ritz, Albert Ross, C. H. Gunn, Sid Kyle, A. G. Armstrong, W. S. Johnson, Bob Cooper, F. W. Johnson, Van Camp, B. A. Toliver, Walter Browning, Ben Palmer, L. W. Anderson, J. E. Eisenwine, Batter Up Play Ball, J. D. Woods, A. Kyle, W. B. Oates, Tom Harrison, H. F. Woods, W. H. Browning, Jr., H. N. Lusk, R. R. Rodgers, Monroe Kerr, M. M. Lee-man, W. A. Hudson, Jim Camp, J. N. Heard, C. E. Criswell, R. W. Roddy, Jack Linton, J. J. McCasland, J. S. Johnson, Will Cowan, B. G. Smith, Harry W. Hinkle, W. W. Camp, W. E. Turner, Chas. Fitzgerald, C. H. Taul, R. L. McKnight, J. L. Arnold, D. J. Moran, David Adams, Geo. B. Finley, O. J. Green, Wm. Garlick, M. W. Collie, Joe Langham, J. B. Hightower, Jno. Lilley, J. F. Ross, Jack Hubbs, R. D. Beckham, J. A. Drane, J. E. Wells, J. D. Yates, W. G. Yates, Geo. Duncan, C. B. Jordan, Pat Fulgrim, R. P. Verhalen, John Baker, J. C. Camp, M. L. Todd, S. C. Vaughan, R. R. Youngblood, Jno. Hibdon, E. B. Kiser, L. M. Lawson, H. H. Johnson, E. J. Moyer and Chas. Manahan.

Out of town visitors to our city contributed to the fund as follows:

W. D. Johnson, Kansas City, 25c; A. H. Gooch, Austin, 25c; Batter Up Play Ball, El Paso, 50c; Sol Mayer, Balmorhea, 50c; Charley Haughton, Barstow, 25c; M. A. Young, Blanket, 25c; O. W. Hollebeke, Orla, 25c; W. L. Beckham, Jal. N. M., 25c; W. H. Goss, Porterville, 25c; Pink Harbert, Saragosa, 50c; C. B. Brooks, Fort Davis, 25c; W. R. Black, Saragosa, 25c; Jno. J. Bush, Saragosa, 25c; E. D. Balmom, Balmorhea, 50c.

RED CROSS SOCIAL

The Hoban Red Cross Unit held a very pleasant and profitable social meeting last Saturday night, at the home of Mr. and Mrs. R. P. Verhalen. Misses Ora Pruett and Marie Grafius of Pecos were present, giving some interesting musical numbers. An ice course was served. A purse of seven dollars was realized for Red Cross work. The next meeting will be held at the home of Mr. and Mrs. John Wendt on the first Saturday night in May.

Why Suffer?

Mrs. J. A. Cox, of Anderson, W. Va., writes: "My daughter . . . suffered terribly. She could not turn in bed . . . the doctors gave her up, and we brought her home to die. She had suffered so much at . . . time. Having heard of Cardui, we got it for her."

CARDUI
The Woman's Tonic

"In a few days, she began to improve," Mrs. Cox continues, "and had no trouble at . . . Cardui cured her, and we sing its praises everywhere. We receive many thousands of similar letters every year, telling of the good Cardui has done for women who suffer from complaints so common to their sex. It should do you good, too. Try Cardui. E-77"

E. G. Doty came in the forepart of the week from El Paso for a couple of weeks visit with relatives and friends in and around Pecos. Ed has lots of friends in Reeves county who are always glad to see him and glad to note that on this occasion he is looking unusually well.

OUR LINE OF DEFENSE

It is a moment of tense nerves—ready to slip out of the trench at the word of command—and at the enemy. Our men on the firing line are physically fit for military service because only about one man out of five was chosen to endure the hardships of this fearful war. But we must not be content with 20 per cent. in physical health of our American youth. We cannot afford to lose four men out of five because of physical unfitness. Such weaknesses can be cured. Many times the kidneys are to blame.

If the kidneys are clogged with toxic poisons you suffer from stiffness in the knees in the morning on arising, your joints seem "rusty," you may have rheumatic pains, pain in the back, stiff neck, headaches, sometimes swollen feet, or neuralgic pains—all due to uric acid or toxic poisons stored in the blood and which should be swept out.

Then procure at your nearest drug store Anuric (double strength). The cost is 60 cents. This An-u-ric drives the uric acid out. Drink plenty of pure water, take Anuric three times a day for a month.

Send Doctor Pierce, Invalids' Hotel, Buffalo, N. Y., 10 cts. for trial package.

DAWSON, TEXAS.—"For the benefit of others, I gladly give this statement regarding the merits of Dr. Pierce's Anuric Tablets. Am nearly 75 years of age. I suffered from backache, weak back, rheumatism, and could not control the kidneys. I can safely say that 'Anuric,' the new discovery of Dr. Pierce, has done me more real good than anything I have ever taken for these ailments."—Mrs. N. M. FLINT.

QUAY, OKLA.—"My bowels were constipated, joints were stiff, ankles and feet swollen, and I had pain in hips and knees. I realized that I had uric acid in the system and sent for a trial package of Anuric. I then got three or four packages of the Anuric Tablets and also started taking the 'Pleasant Pellets' regularly. Now I am free from pain, the joints have hardened up, and I am enjoying very good health for an old man seventy-nine years of age."—MARRION SPENCER.

Lend Him a Hand!

Here Is YOUR Boy—going over the top, his gun in hand, his jaw set, his heart on fire. It is the most dramatic moment in the life of this soldier—and in the life of this nation.

His heart and mind are set on one thing—VICTORY—victory over an enemy who stands for acts and ideas which this soldier despises—which he is ready to give his life to destroy.

We here at home hate these things, too. We are pledged to their destruction—to our last dollar and our last man. But this soldier can actually—get-his-hands-on-them—and root them out of the world forever—if we will lend him a hand.

This Boy Is the Symbol of Fighting America

He stands for the aspiration, the conviction of a hundred million people translated into *action*. He is *doing* what the rest of us are *dreaming*. Only through him can we win the Victory.

But He Can't Do It With His Bare Hands! He asks you to back him up with guns, shells, tanks, airplanes. Let's lend him a hand by lending our dollars. Then no power in the world can prevent him from winning the Victory.

The long fighting ages of the world have never seen a better soldier than this boy of yours—your son—your husband—your brother—your friend. He stands for the sons of America, hundreds of thousands strong, soon to be millions. He is doing his part—we must do ours!

He Is the Symbol of the Liberty Loan

Lend Him a Hand!

- For Commissioner Prec. No. 4
SID KYLE (Reelection)

... This paper has enlisted with the government in the cause of America for the period of the war ...

To make the thermometer rise requires heat. WARM UP!

The time for doing our "bit" is up. Nothing short of our "best" will suffice in this hour.

As a song bird the English sparrow may be considered nit. But this is more than offset by their ravenous appetite for young lettuce and sundry other vegetables of the garden. They are obstructionists of the worst sort and The Enterprise respectfully submits they be interned.

To speak disloyally of the United States, or about its acts in helping down the greatest herd of vandals that ever disgraced civilization, is getting to be a decidedly unpopular pastime in these here United States, and The Enterprise notes with pleasure that the people of Pecos and Reeves county are setting the fireworks off under this class. It is indeed a healthy sign of the times. We are getting into the war; we're going over the top; woe betide those who stand in our path!

In this time of stress, when the acts of those who stay at home have much to do with the success of those who are baring their breasts to the enemy that we may have homes in which to stay, it is well to remember that experimenting with food may turn out to be more wasteful than any other practice. It will be well for those who handle food to stick to only the tried and true recipes. Your neighbor can help you out or you can secure one of the many economy cook books issued by the government and others. To save food is vital to our national life.

Secretary Baker has returned from France where he visited with our soldiers and those of our allies in the front line trenches. Gazing through a trench periscope into No Man's Land, the secretary exclaimed, "This truly is the frontier of civilization!" He comes back, like all others who have been "over there", with tales of super heroism on the part of the Allies, but underneath he has grasped the full responsibility of America's

part to extend the civilization of the world beyond the trenches. This is emphasized by his urgent request for an army of five millions.

The Enterprise this week is devoting its space mainly to issues that will be of help to the Nation generally. It has no apology for this action, and believes its readers are patriotic enough to ask none. The all-absorbing question right now it that of war—what we at home can do to aid the government in prosecuting it to ultimate victory. The requests of our Government to buy bonds, Thrift and War Savings Stamps, to observe wheatless days, and above all avoid the least waste in the matter of food, should be carried out to the letter. The Enterprise is endeavoring to so place before its readers every phase of duty that our readers will not hesitate to recognize what is duty and what is not. This will be its policy to the end of the war.

ACTIVITIES IN RED CROSS WORK DURING PAST WEEK

On Saturday, April 20th, at the Elite Stand, under the auspices of the Surgical Dressing Class, a most appetizing menu of pies, sandwiches, drinks and ices will be served. Come and take dinner and supper with us and help your Red Cross.

Red Cross social activities were much in evidence the past week.

At the hospitable home of the Misses McCarver a most pleasant afternoon was spent last Saturday. An offering for Red Cross work amounted to \$5.00.

Porterville gave a Red Cross party last week at which \$3.00 was contributed to this good cause.

Hoban Auxiliary had a pleasant social one evening the past week and dropped \$7.00 into the Red Cross plate.

The following activities were reported by the different units:

Merry Wives had 12 members present; finished 8 garments, and cut 30 garments.

Twentieth Century Unit with 8 seamstresses made 18 garments.

Friday Red Cross Unit, under Mrs. Bryant, during which 2 sewed, finishing 2 garments.

Some 60 ladies worked during the sessions of the Surgical Dressing class since our last report, showing a very marked increase in attendance and interest over all previous meetings.

Thursday Red Cross Unit, under Mrs. Collier, had 6 present, completing 7 garments.

Don't forget the Red Cross Lunch, at the Elite Stand tomorrow, Saturday, April 20th.

RED CROSS REPORTER.

O. E. S. TO HOLD DISTRICT SCHOOL OF INSTRUCTION

On May 3rd and 4th the Second District School of Instruction, Order of the Eastern Star, will hold forth in Pecos, at the Masonic Temple. All members of the order are urged to attend with the assurance that they will be warmly welcomed and royally entertained.

The arranged program covers every phase of instruction in the work of the order, and will be of untold benefit to the members who will be fortunate enough to attend. Grand Matron, Mrs. Cora M. Cohen, and other Grand Officers will be here.

The program for Friday, May 3rd will be as follows:

- Opening Ceremony by Pecos Chapter No. 81.
- Presentation of Grand Officers.
- Song, "America."
- Address, on Behalf of the Masons, Rev. W. A. Knight.
- On Behalf of Pecos Chapter, Mrs. Lila B. Brooks.
- Response, Mrs. Lora B. Pence, Assistant Deputy Grand Matron.
- Opening of School of Instruction, Mrs. Cora M. Cohen, Grand Matron.

At 8:30 there will be held a reception and an exemplification of Degrees by the Pecos Chapter.

Saturday at 9:30 a. m., following a musical program, the order of business will be:

- Esoteric Drill, Mrs. Mattie A. Sebitts.
- Balloting Exemplified by delegates.
- Study of Ritual and Constitution.
- Question Box.
- Examination, Mrs. Rebecca Robinson, Committee on Work.
- From 12:30 to 1:30 a recess for luncheon will be taken, and after musical numbers, the program will continue as follows:
- Address O. E. S. Home, Mrs. Rebecca Robinson.
- Why We Should Understand Parliamentary Law, Members of Pecos Chapter.
- Parliamentary drill, Grand Matron.
- Exemplification of Degrees, by delegates.
- A Point I Wish Made Clear, by Delegates.
- Examinations, by Mrs. Rebecca Robinson.
- Reports of Committees.
- Closing.

Texas Adopts a Wheatless Program

FROM APR. 15 TO JUNE 1 TEXAS WILL MAKE SACRIFICE, AND LONGER IF NECESSARY

Based upon voluntary, unsolicited resolutions passed in numerous counties and by various organizations to abandon the use of wheat until the new crop, and on account of assurances received at this office from the wholesale and retail grocers, I am today telegraphing Mr. Hoover, telling him that the great State of Texas, effective April 15th, goes on a wheatless basis until June 1st, and longer, if necessary. After feeling the pulse of the people carefully through our district and county administrators, I am convinced that the citizens of Texas really want to make this sacrifice as a proof to the world of their willingness to make any contribution within their power toward not only winning the war, but in winning it as speedily as possible.

In order to accomplish the result desired, the plan to be carried out is as follows:

First: Present stocks of flour in the hands of consumers and retailers are to be consumed slowly or rather conserved as far as possible for the use of babies, young children and invalids. It is desired that these stocks of flour may be made to last indefinitely or until Texas resumes the consumption of wheat-flour generally.

Second: Wholesale and retail grocers so far as heard from have voluntarily proposed not to order further supplies of flour for their Texas trade but to allow all their unshipped orders at the mills to be packed in 140-pound jute sacks for export and diverted to Europe. All wholesale and retail grocers should be requested to follow this course and consumers should be strongly urged to fall into line and cooperate, and every effort, if any, on their part to secure or to hoard flour during this period should be vigorously discouraged.

Third: The Administration at Washington for very wise reasons has concluded to have the bakeries continue supplying Victory Bread containing not less than 25 per cent substitutes in order that those families who are not in position to bake their bread may be taken care of through this source. You will please make it clear to the bakers that they should confine their sales to their regular customers and not seek new outlets for their products.

Fourth: It is urged that each district and county administrator handle all problems arising in connection with this new program wisely and conservatively with the idea always in mind of accomplishing fully and promptly the desires and results that are outlined above.

Undertaking this flour abstinence can undoubtedly be accomplished with ease and comfort at this season of the year than at any other time, in view of the great abundance of fresh vegetables, berries, etc., resulting from the unprecedented number of well-worked, prolific home gardens throughout the state.

From a telegram received a few days ago from Mr. Hoover, I can assure you that this action on the part of Texas will be most welcome to him and our great State in adopting same is taking the lead and setting an example in accomplishing that conservation in wheat flour which is now so extremely urgent and the importance of which the great battle raging in France emphasizes so strongly.

Thanking you one and all for your assistance and hearty cooperation in this movement, I beg to remain,

Very truly yours,

E. A. PEDEN,

P. S. The Administrators will please take notice that the above plan is not covered by a mandatory law but is the result of voluntary, enthusiastic and patriotic decision and action of Texas.

Wholesale and retail grocers should be urged to provide promptly all necessary substitutes and maintain ample supplies of same.

—WSS—

FOR CONGRESS

I am a candidate for Congress subject to the Democratic primaries. For Woman Suffrage. Was Wilson delegate at Baltimore. Was Wilson Collector of Customs at El Paso. Resigned to run for Congress. PLATFORM—100 per cent. Americanism; Stand by the President; Help Whip the Kaiser. ZACH LAMAR COBE. (Political Advertisement)

Glass in Food at Camp Travis False

OFFICER RESPONSIBLE FOR RUMOR NOW IN HOSPITAL FROM NERVOUS BREAKDOWN

"There has been no ground glass found in the food served to Camp Travis soldiers. No Mennonite preachers are under arrest at Camp Travis on charge of disloyalty." This is the statement of Major General Henry T. Allen, commanding the 90th Division at Camp Travis.

General Allen emphatically denies the rumors to the effect that many soldiers and their families have become ill as a result of eating food in which ground glass has been added presumably by alien enemies. Rumors had been current of the action of aliens in placing ground glass in food in all sections of the United States, but direct charges alleging detection of such work at Camp Travis had never been made until recently when an officer formerly connected with the camp military police was given as authority.

Every instance reported to the 90th Division Headquarters has been thoroughly investigated. Every report was carefully traced down, but absolutely no grounds were found to warrant belief that ground glass had been placed in foods, nor has there been any case of illness that could be attributed to such a cause.

Parents of the thousands of soldiers at Camp Travis have been misled in believing that the soldiers were being fed food that contained ground glass. As a result numerous letters and telegrams have been received asking confirmation of rumors. In order to put at ease the minds of all persons interested in men at Camp Travis, General Allen has issued a flat denial of any of the statements made either as to ground glass or the detention of Mennonite preachers within the camp on the grounds of disloyalty.

The officer responsible for the rumors is now in the hospital, suffering with a nervous breakdown.

About Reeves County Boys Now at Camp Travis

J. C. Edwards finds plenty of extra time to compose verse, and that it takes time will be vouched for by any who have tried the gentle pastime of spring. Evidently the boys at Travis are not worrying much for they snore at night and the snore results only from the deep sleep of the just. Here's how Edwards pays his respects to the snorers: I have a midnight orchestra That plays for me just when I choose; It plays the selfsame air each time And always in the key of "snooze". It is composed of twenty men Or more whose bunks are close to mine; And when I come in late at night The snore serenade is simply fine.

—WSS—

Private Preston Glover, Co. F. of the 315th Supply Train is on special duty at the Motor Group, Fort Sam Houston, Texas. Private Glover enlisted at Pecos last September.

Private 1st Class Dan Mount, Co. F, 315th Engineers has returned from the Base Hospital, where he had been for fifty-three days, due to a severe attack of pneumonia. But you wouldn't think he had been sick at all judging from his appearance, and we are, in fact, wondering if he has really been sick all this time or just "bidding time" with the "nurses" over there.

Wagoner Wm. H. McEachern, Co. A, 315th Ammunition Train, is now attending the School for Mechanics at the Depot Shops at Ft. Sam Houston. He is making a splendid showing, as William has had several years' experience as an automobile expert before entering the service. He recently received a promotion from a Private of the first class to Wagoner which carries a nice increase in pay.

—WSS—

COUNTY FOOD ADMINISTRATORS TO HOLD MEET

All District and County Administrators in the Texas organization of the United States Food Administration will be expected to attend a two days' conference in Houston, Saturday and Sunday, April 27 and 28. Mr. Hoover is sending a representative from his office in Washington to confer with you.

Travel authority and government requests for transportation will be forwarded to you covering railroad fare and where necessary, Pullman fare. Each administrator will also be allowed a per diem of \$4 for each day absent from home. Please make your arrangements accordingly. Very truly yours, E. A. PEDEN, Federal Food Administ'r. for Texas

Will You HELP Bring Back The Boys of This Community?

Our boys, the boys from this town and this county and this state, are fighting the Huns, They are in the trenches in France, they are sailing the U-boat-infested seas, they are going "over the top" in the face of German cannon and machine gun fire.

Many, many more of our boys are now training and will soon be in France, and more are yet to be called.

And, remember, these are our boys; those who are near and dear to us. They are doing their ALL. They are giving their ALL. They are prepared to make the extreme sacrifice that our homes, our town, our nation, may escape the ravages of the Hun.

We want them—one and all—to come back to us—

Will You Help to Bring Them Back?

Will you help to provide them with the things they need, with clothes and food and munitions, that they may complete as quickly as possible the terrible task assigned to them?

Will you support our boys while they are fighting for us, fighting the German autocracy that seeks to destroy our ideals of liberty and justice?

Compared to their heroic sacrifice our part is but small—that of providing the funds to keep them equipped; to build and man the ships that will transport their food, their clothes, their guns and their ammunition, and to pay for these things.

Yes, we, the people of this community, will support our boys.

ALFRED TINALLY

FICNIC

The Young People's Missionary Society of the Methodist church, with their invited guests had planned for a picnic yesterday afternoon at the Morris place, beneath the spreading (chestnut) cottonwood trees. but a West Texas rain in the form of a sand storm that blew up, caused them to change their minds, and so they gathered at the Methodist parsonage, where the latch string always hangs on the outside, and which is a mecca for any and all who chance to pass that way, and especially so with the present rector and family in charge, and so they spread their picnic supper in the spacious dining hall of the parsonage and doubtless enjoyed it as much as they would have under the spreading chestnut trees had there been no storm. At any rate a very delightful time is reported to the editor.

OFF TO MIDLAND

Prof. J. J. McCasland and Thos. E. Hayden of the Pecos High School, together with the winners of the Pecos school in the recent interscholastic county meet held here, left yesterday afternoon for Midland where the district meet will be held today and tomorrow. Those who went as winners from the Pecos school are: Burette Hefner, in the senior boys' declamation contest; John Gill, in the junior boys' declamation contest; Julia Magee, in the junior girls' declamation contest; Estelle Durdin, in the senior girls' spelling contest; Hoyt Jones, in the senior boys' athletic contest; George Ross, in the junior boys' athletic contest; Jim Prewit and Hilliard Camp, as winners in the tennis tournament. Mrs. H. L. Magee went as chaperon to the girls. In the party also were Ruby Mae Beauchamp, Hattie Durdin and Zara Sims.

METHODIST CHURCH

Sunday school at 10:45 a. m. New pupils are being enrolled each Sunday. The contest is proving a great success. Preaching at 12 m. and 9 p. m. Complying with the request of our Board of Missions the pastor will preach a sermon on prayer at the morning hour and enroll all who will unite in the "Fellowship of Intercession" in behalf of the Centenary Celebration. Junior League at 5 p. m. Young People meet at 8. p. m. "Forsake not the assembling of yourselves together." J. H. WALKER, Pastor. —WSS—

CHURCH OF CHRIST

There was just one point between the schools at Crowell and Pecos last Sunday: Crowell 1237, Pecos 1236. Wake up! some of the sleepy ones, and let us be strong in our report for next Sunday. The preacher feels now that he will be able to preach at the morning hour, at least. "The Dangers We Need to Fear in the War and How to Meet Them" will be the theme. We are anxious for the membership and as many others as can to hear this, for we feel it a vital message for this hour. *Junior and Senior C. E. services as usual. Announcement will be made at the morning service as to evening preaching. HOMER L. MAGEE. —WSS—

C. E. PROGRAM

At the Christian church Sunday evening, 8:15 o'clock: Song, No. 114. Subject, "How and What to Read." Leader, Hilliard Camp. Scripture Lesson, from Phil., 4:8; 1st Tim., 4:13. To be quoted by the Leader. Song, No. 275. Prayer. "How Should We Read," by Irene Prewit. What of the Bible as Literature?" Bro. Magee. "By What Standard Would You Test the Literature of Any Book?" Mr. Moran. Special Song, "God's Holy Book," Annie Wright and Julia Davis.

"What Are Some Types of Reading that You Should Absolutely Avoid," Miss Dyer. Select Clippings. Business and Benediction. —WSS—

THE BAPTIST CHURCH

"Grasshoppers or Heroes"? Come to the Baptist church Sunday night and find out which you are. In the morning hour the pastor will preach on "Suffering and Co-quest." We will have Sunday school at the usual hour. Let every teacher be on hand promptly with prepared lessons and a heart message. Come and worship with us. W. A. KNIGHT —WSS—

DISTRICT COURT TO CON- VENE MONDAY MORNING

The April term of the District Court of Reeves county will begin next Monday morning, April 22, and the grand jury selected will be composed of the following citizens: T. Y. Casey, Clyde Cargill, J. J. Pope, F. A. Bessire, E. B. Daniel, Ed Vickers, J. B. Heard, A. W. Wigley, A. G. Schreyer, S. T. Dial, M. M. Lee- man, W. A. McWhorter, Albert Kyle, I. J. Sims, W. H. Browning, Jr., and L. W. Anderson. The petit jury selected for the second week of court, called for Monday, April 29, is as follows: Joe Breed- love, A. H. Bugg, J. L. Mellvane, W. W. Massey, Chas. Fitzgerald, W. E. Poer, W. W. Stewart, Jr., W. B. Oates, Ed Ray, V. H. Derrick, J. A. Davis, R. M. Stevenson, F. R. Macek, Sam Nolan, H. Buchanan, F. M. Hall, H. A. Beasley, A. Hedblom, V. D. Hav- is, Monroe Slack, L. F. Buchanan, S. T. Hobbs, R. E. Erwin, R. G. Har- graves, J. E. Hubbs, Claud Elkins, A. J. Bumgarner, R. P. Hicks, J. Q. Ad- ams, S. E. Ligon, W. E. Peck, A. P. Bell and A. B. Bryant. The coming term promises to be one of the lightest that ever burden- ed this good county in many a day. The fact that only eleven cases for the district court have been filed since adjournment of the last term as against sixty-five for the same pe- riod preceding looks very good. —WSS—

War Frightfulness Taught by Germany

DESCRIBED IN IMPROBANT WAR
BOOKLET JUST ISSUED BY
THE U. S. GOVERNMENT

"It is permissible to destroy private property, to devastate systematically evacuated regions, to terrorize the civil population of invaded districts, to deport people for compulsory service in the enemy country, thereby releasing its own men for the army, to compel them to aid the enemy in the construction of fortifications, to dig trenches, to serve as guides, and even furnish information regarding their own army."

The teaching of the German Official War Manual is thus summarized in a booklet issued this week by the Government through the Committee on Public Information, Washington, D. C. The title of the book is "The German War Code." It is one of a series of war information booklets, and a copy will be sent free to anyone who will address the Department of Distribution, 8 Jackson Place, Washington, D. C.

The authors of "The German War Code" are Professors G. W. Scott, formerly of Columbia University, and J. W. Garner of the University of Illinois. In interesting fashion they analyze the official German War Manual, with its sneers at the sickly sentimentality of all rules of war dictated by chivalry, honor and generosity to the enemy, and they contrast it with the war manuals of Great Britain, France and the United States which are declared to be "the very opposite of the German in the law which their governments have laid down for their armies to observe in their dealings with the enemy."

The German War Manual was prepared by the German General Staff and was first issued in 1902. "It would seem," says Professors Scott and Garner, "from the way in which most of the Hague provisions are denounced, ridiculed and sneered at, that the real reason for issuing revised instructions was to counteract any influences which these provisions might have been expected to have upon German military officers, through Germany's having ratified the Hague's treaties." The German War Manual is shown to be the text book of that philosophy which has expressed itself in the form of "frightfulness" in Belgium, Poland, Serbia, Armenia, and wherever German officers have held sway. This booklet shows that the brutality, ruthlessness, terrorism and violence of the German forces have been coldbloodedly planned for years by the German authorities. It shows that the wholesale violation by Germany of the most sacred standards of human society caused our Government to enter the war.

What the effect of such teachings and such practices must be upon the rest of the world is indicated by the authors of this pamphlet as follows: "Made in their (Germany) ambition to win, the German rulers have forgotten that the German people must live and do business with the other peoples of the world after this war is over. Though International Law lacks the administrative means to judge and punish violations of its better established rules, it is, like all laws and customs supported by a public opinion which never fails to manifest in numerous ways its detestation and horror for those who flagrantly misconduct themselves.

For years the German government and individual Germans in their intercourse with foreign people will be made to feel the suspicion and distrust in which they are held. This is bound to be a tremendous handicap. It is the penalty which mankind will inevitably exact from those who, while sneering at chivalry and characterizing the humanitarian tendencies of modern times as "flabby emotion," have carried on a system of terrorism that knows no bound."

DESERVES A GOLD MEDAL FOR THIS

Cincinnati authority tells how to dry up any corn or callus so it lifts right off

You corn pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezezone applied directly on a tender, aching corn stops soreness at once and soon the corn loosens so it can be lifted out, root and all, without a bit of pain.

A quarter of an ounce of freezezone costs very little at any drug store, but is sufficient to take off every hard or soft corn or callus. This should be tried, as it is inexpensive and is said not to inflame or even irritate the surrounding tissue or skin.

If your wife wears high heels she will be glad to know of this.

"Save Animal Fats. Use Vegetable Fat. Substitution will do more for food conservation than the strictest economy."

U. S. Food Administration

YOU have probably been told of the world's shortage in fats—animal fats particularly. Has the force of this condition come home to you?

Our fighting men need fats for their energy. Our Government needs fats for munitions. Millions of devitalized women and children abroad need fats for life itself—does this appeal fall on deaf ears?

Does so much as an ounce of lard or butter steal its way into your cooking? If so, there is not the slightest necessity or excuse for it.

Do you realize that this country produces vast quantities of pure, nutritious cooking fats

derived from vegetable sources?

From these fats we make Cottolene.

When you use vegetable fats in place of lard and butter, you are doing a patriotic duty. You are sacrificing nothing in wholesomeness, economy and good eating. You are simply making an easy change in the way you cook—for your own good and the good of your country.

"Every pound of vegetable fat used in place of butter or lard is as sure of service as a bullet."

* * *

Get on the firing line in your own kitchen today with Cottolene.

"Blue Bonnet—Debutante," L. H. Richards.

The Carnegie Library reports that the people of Pecos and Barstow contributed 136 books during the past week for the use of our soldiers and

Whenever You Need a General Tonic Take Grove's.

The Old Standard Grove's Tasteless chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 60 cent.

sailors, and that more books are still coming in.

It is hoped that week after week they will continue to come in steadily, for our men will need books as long as the war lasts, and the supply must be constantly replenished. All stations which have been opened for the receipt of books will be continued indefinitely and the public is urged to form the habit of turning in their new books as soon as they have read them. In this way a constant stream of fresh books into the camps will be assured and a most effective barrage established against the blights of loneliness and depression.

All books received will be prepared for use in accordance with the simple rules laid down by the Library War Service of the American Library Association and will be shipped to such points as the Association may designate. The needs of all camps and stations in this vicinity will be taken care of first. Most of the books collected along the Atlantic seaboard will be shipped to France as rapidly as possible. At least half a million are needed there at once, and a constant stream of replacements must be maintained, for the wastage will be very great. Hence the call for books, books, and more books.

The American Library Association has built up an organization capable of handling thousands and thousands of books. That the books will be forthcoming cannot be doubted.

THE BEST PROOF

Pecos Citizens Cannot Doubt It.

Doan's Kidney Pills were used—They brought benefit. Time has strengthened the evidence.

Has proven the result lasting. The testimony is from this locality. The proof convincing.

W. H. Moode, painter, 606 E. 4th St., Big Spring, Tex., says: "The kidney secretions passed too frequently and I had to get up six or seven times at night. I couldn't lift without my back giving out. Black specks appeared before my eyes and I was subject to fluttering of the heart. I got Doan's Kidney Pills at the Ward Drug Co. and they cured me."

In a later statement, Mr. Moode said: "The cure Doan's Kidney Pills gave me has been permanent." Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Moode had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.—Advt.

—WSS—

CITATION BY PUBLICATION

THE STATE OF TEXAS
To the Sheriff or any Constable of Reeves County—Greeting:

You are hereby commanded to summon Chas. D. Lyon by making publication of this Citation once in each week for four successive weeks

previous to the return day hereof, in some newspaper published in your County, to appear at the next regular term of the District Court of Reeves County, to be holden at the Court House thereof, in Pecos, Texas, on the 4th Monday in April, A. D. 1918, the same being the 22nd day of April, A. D. 1918, then and there to answer a petition filed in said Court on the 27th day of March, A. D. 1918, in a suit, numbered on the docket of said Court No. 1781, wherein J. G. Massie is plaintiff and Chas. D. Lyon is defendant, and said petition alleging that the defendant executed a certain promissory note bearing date of June 17, 1911, as follows: On the 17th day of each and every month after the 17th of June, 1911, the said Chas. D. Lyon promised to pay to John H. Wolf the sum of Twenty (\$20.00) Dollars, until the full sum of \$1320.00 was paid, with interest thereon at 5 per cent from date, interest payable \$20.00 per month after the principal of \$1320.00 had been paid, said note providing that failure to pay any installment when due thereon should, at the election of the holder, mature said note; said note providing for 10 per cent attorney's fees, and being signed by Chas. D. Lyon and payable to said John H. Wolf. That said note was given for a part of the purchase money of the following described land situated in Reeves County, Texas:

The East one-half of Subdivision No. 2, in Section No. 1, in Block No. 2, H. & G. N. R. R. Company's survey, containing 20 acres. That said property was on said above named date conveyed by said John H. Wolf to said Chas. D. Lyon, and a lien was retained in said conveyance to secure the payment of the note described above. That said John H. Wolf transferred and sold said note to the plaintiff, J. G. Massie, and that defendant has failed to pay the installment of \$20.00 due on January 1st, 1917, as well as a number of installments previous thereto and that he has paid none of the installments subsequent to said date. That the plaintiff has declared said note due and has placed the same in the hands of attorneys for suit, and prays judgment for the amount of said note, principal, interest and attorney's fees, and for a foreclosure of his lien on said above described land, and for costs of suit.

Herein fail not but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said court, at office in Pecos, Texas, this 17th day of March, A. D. 1918.

(Seal) S. C. VAUGHAN,
Clerk Dist. Court, Reeves Co., Texas
By Maggie Glover, Deputy.

LIKE BACON

YOU know how cooking brings out all the rich pungent flavor of bacon—there's nothing that tastes better. But you wouldn't like it raw.

IT'S TOASTED

So we toast the Burley tobacco used in LUCKY STRIKE Cigarettes for exactly the same reason—to bring out the rich, solid flavor.

Guaranteed by The American Tobacco Co. INCORPORATED

John Price and Sam Gates of Midland were in Pecos on business yesterday.

Mrs. Bob Sanders was in from the XX ranch in lower New Mexico Monday visiting friends.

Piles Cured in 6 to 14 Days
Your druggist will refund money if PAZO OINTMENT fails to cure any case of Itching, Bleeding or Protruding Piles in 6 to 14 days. The first application gives ease and rest. 50c.

Warning to Relatives of Enlisted Men

ADVISED NOT TO PAY FEES FOR COLLECTION OF CLAIMS UNDER WAR RISK MEASURE

I am in receipt of the following letter from Wm. G. McAdoo, Secretary of the Treasury in regard to the collection of War Risk Insurance:

Washington, D. C., Mar. 26, 1918. Chairman Legal Advisory Board, Pecos, Texas.

My dear sir: The American Bar Association desires to cooperate with the Treasury Department in combating illegal and reprehensible activities on the part of certain claim agents, pension attorneys and other persons in seeking to obtain employment in connection with the collection or preparation of claims under the War Risk Insurance Act.

There is no necessity for the employment of claim agents or attorneys for the collection of the benefits granted by the War Risk Insurance Act because the process of such collection is exceedingly simple and the Bureau of War Risk Insurance stands ready to render any and all assistance required. A great service can be rendered by making these facts clear to the dependents of soldiers and sailors who are being approached by unscrupulous persons. The suggestion of the American Bar Association that the patriotic lawyers of the country advise claimants free of any charge of their rights under the law is deeply appreciated by the Treasury Department and affords a splendid opportunity for service to the nation and to the men who are facing the fire of battle for us.

I earnestly hope that you and your associates will respond to the enclosed appeal.

Sincerely yours, WM. G. McADOO, Secretary of the Treasury.

I have also received a letter from the American Bar Association asking that I give publicity to this matter.

I am sure there are no claim agents or pension agents or attorneys in this section who have been soliciting claims under this War Risk Insurance Act, as has been done in the larger sections. However, I publish this letter as requested with the further information that in case any citizen of Reeves county has a claim under the War Risk Insurance Act by reason of any relative injured, disabled or killed in the military or naval service, who has insurance under said Act, they need not pay any fee for the collection of such insurance. If they will consult any member of the bar in Pecos such attorney will attend to the collection without charge.

CLAY COOKE.

The Quinine That Does Not Affect the Head
Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness nor ringing in head. Remember the full name and look for the signature of E. W. GROVE. 50c.

AUTO CATCHES FIRE

O. N. Rogers, who lives on the other side of Pyote, was on his way to Pecos the forepart of the week when the fuel pipe sprang a leak, the gas dropping on the exhaust pipe which soon ignited. When the fire was discovered Mr. Rogers was on the top of a high rocky ridge, but he lost no time in "unloading" and with a shovel he spaded dirt and with that and a few sacks, etc., succeeded in putting out the blaze. However, before this was done his car was considerably scorched and otherwise burned.

Mr. Rogers says he certainly had the hardest time of his life in finding dirt on this occasion.

GIRLS! LEMON JUICE IS SKIN WHITENER

How To Make a Creamy Beauty Lotion For a Few Cents

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quarter pint of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of the ordinary cold creams. Care should be taken to strain the lemon juice thru a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it and hands.—Adv.

Sacrifice is the Measure of Real Service

THE QUESTION IS NOT HOW LITTLE OR HOW MUCH—HAVE WE DONE OUR BEST?

Some people seem to think that a small service to a great nation like ours is not worth while, and feeling themselves incapable of a great service, they fail to do anything.

At a time like this, when fundamental right is in a death grapple with fundamental wrong, the true measure of service is not the amount given, but it is the depth of consecration behind the gift. At this time every American citizen can do his duty only by doing his BEST.

Complete cooperation with every war movement is of vital importance. When the government asks all the people to save food, duty demands a full compliance with governmental regulations. When we are asked to organize thrift societies and to pledge ourselves to rigid economy to the end that savings may be invested in War Savings Stamps, we cannot justify anything short of complete support of the program laid out.

When our government wants to borrow our money on a fair rate of interest, what sacrifice is there to make the loan? In this great time, no man has done his duty until he gives of his time or money until it hurts. The more we sacrifice here, the less will our boys and the French and English soldiers have to sacrifice in France and Belgium. Money and food will save lives. And what is the utmost we can do compared with what the soldiers are doing over there? We live in safety and go about our business with little interruption. They have left the blessings we still enjoy—homes, fathers, mothers, children, everything! They have torn themselves away from all business and profit and pleasure to stand in shell-torn, blood-soaked trenches under a rain of bullets sent by Autocracy as messengers of death to democratic freedom. That is the sacrifice of the Allied armies to save freedom to the world. What are we doing to lessen the burdens of these armies.

The American citizen who does not put himself and his resources into this struggle to the point of real sacrifice will be classed in history as a slacker. The person who in any way obstructs the war program is a traitor who has proven false to his country in the hour of her greatest trial.

With everything else you can do, buy War Savings Stamps. Buy and Buy and Buy!

GEO. T. WILSON, Dist. Adviser War Savings Com.

"Gets-It"—2 Drops—Then to the Dance!

"Goodnight to Corn Pains—Corns Peel Off With 'Gets-It.'"

"Say, girls, you can laugh at tight shoes, or damp, corn-pulling weather, big bumpy corns, calluses on the soles of your feet, corns between the toes, hard and soft corns.

"It's All Off With This Fierce Corn Now—'Gets-It' is Magic."

If you will just touch the corn or callus with a few drops of 'Gets-It.' What a blessed relief it gives to corn pains! You won't limp any more; you can enjoy the dance every minute. Then to see how that corn or callus will come right off complete, like a banana peel and without the least pain, is just wonderful. 'Gets-It' is the biggest seller among corn removers in the world today, simply because it is so wonderfully simple and always works. Be sure you get 'Gets-It.' 'Gets-It,' the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. M'd by E. Lawrence & Co., Chicago, Ill.

Those who have been under quarantine on account of smallpox have been released and no new cases have developed. So it appears that there is no further need of anxiety on account of the spread of the disease. E. R. Cox and son, Thelma, of Saragosa, were Sunday visitors in Pecos. Rev. C. S. McCarver is visiting relatives and friends in the eastern portion of the State. T. B. Pruett was in Dallas last week in attendance upon the Lumbermen's Convention. Pony Andrews and W. H. Williams of Monahans were in Pecos Monday laying in a goodly supply of food stuffs and other goods. Mower repairs of all kinds at Zimmer Hardware Co's. Cheaper for cash. 35-t2 Advertisement Judge and Mrs. W. W. Hubbard and daughter, Miss Frances, spent Sunday on a ranch near Alpine with their son, who is working there. They went up Saturday, returning Monday. Judge J. F. Meier of Balmorhea, was among the many visitors in our city Monday and called at The Enterprise office while here and had his date set a year ahead. The judge was on his way to Sweetwater on business bent. Judge Ben Palmer, candidate for District Attorney, was a visitor in the east end of the district the forepart of the week doing some advertising and putting up some political fences. The judge says he receives a warm welcome wherever he goes and feels sure of his election at the coming primaries. WSS Cattlemen Attention! Do you borrow money? The National Stock Yards National Bank of East St. Louis, is in the market for cattle and sheep loans. Either write them direct at National Stock Yards, Illinois, or writ or wire me at El Paso. W. B. SILLIMAN, Texas Representative. Advertisement
