Mrs. J. W. Coppedge will assume duties as secretary to the Chamber of Commerce manager October 13. She will work next week with Mrs. Hutchins in training for the job and then report the thirteenth for permanent duty.

Sgt. Richard Hutchins will be rotated to the States October 21 and his assignment for stateside duty will be given later. Mrs. Hutchins will accompany her husband to his next station.

Mrs. Richard Ellis and Mrs. Bob Harvey of Clovis recently Mo. where they visited their parents, Mr. and Mrs. D. Warner. Warner had been hospitalized but was returned to his home.

In the Red Raider Newsletter this week, J. T. King said that Muleshoe's Jerry Don Sanders kicked a 42 yard field goal and five extra points after TDs. He also commented that young Sanders is a very capable young man.

Alex Williams, Williams & Merriman, and Muleshoe City Council member, attended a meeting of the SOUTH Plains Association of Governments in Lubbock Friday.

At the meeting, Williams was named to the Board of Directors to represent Muleshoe.

Lubbock Mayor W. D. 'Dub' Rogers was named president of the organization.

Williams said there are 15

REMAINS OF KITCHEN AFTER EXPLOSION...A fallen ceiling, curtains tattered and torn down, leaning appliances, a table was flung against the cabinets, a huge beam in the foreground and scattered debris are a grim mark in the kitchen of the M. W. Vise home fifteen miles northwest of Muleshoe. The house exploded Friday morning around 10:20. Mrs. Vise, who was in the house alone at the time, escaped serious injury.

Olton Mustangs Top Mules 40-0

Muleshoe's downhearted Mules failed to scratch in Friday night's homecoming game against the Olton Mustangs as they watched the scoreboard tick off the score and time running out. Olton defeated the Mules 40-0.

Fumbles for both teams and penalties for the Olton team marked an even-seven first quarter. It broke down to strictly a defensive game during the first as neither team was able to make much headway and at the end of the first the score was 0-0.

Olton managed to move into Mule territory one time during the first quarter and Carlos Talamantez scampered 43 yards for a Mustang TD which was called back because of a holding penalty on the Olton team.

With one minute and one second gone by in the second, Olton made their first TD on a 70 yard pass play run by Ronnie Key. He received the pass from quarterback Steve Stockdale, found a hole in the defensive line and was gone. The quarterback kicked the extra point to make it a 7-0 game at 10:59 of the second.

Bob Hayes added a spark to the Mules for a time as he pushed, shoved and made his way 30 yards on the runback after the kick. He got from approximately from the 15 to the

45 yard line before being dragged down. Stockdale, who worked in the air, passed to Talamantez in the end zone at 5:40 of the second for a six yard TD play. The PAT attempt failed and Muleshoe took over.

The Mules had penetrated just inside the Mustang line and were on the 49 at halftime, with the score standing at 13-0.

During halftime, the homecoming queen was named. She is Karen St. Clair, daughter of Mr. and Mrs. Bill St. Clair. Karen was escorted by Dennis Beene. The other candidates for homecoming queen were Ann Douglass and Gayetta Gable.

Shortly after the beginning of the third quarter, a Muleshoe fumble gave the ball to Olton on the Mules 26-yard line. A series of passes by quarterback Stockdale moved the ball deep into Mule territory and a 10-yard Stockdale-Talamantez pass put six more points on the scoreboard of Olton at 9:27 of the third. Stockdale's toe made it a 20-0 game.

A see-saw tilt with both teams losing out on fumbles marked the game down to the six second time in the third. Capping a march which covered seven plays, Olton had moved to

the Muleshoe four yard line where Gary Durham plunged over to make it a 26-0 one-sided tilt.

Quarterback Stockdale hit paydirt at 6:48 of the fourth as he rolled left and plunged across from the six yard line, then added insult to injury by kicking an extra point to make it 33-0.

Mules running back Bob Hayes was injured just after the runback and had to leave the game. He saw only limited action during the last few minutes of the game.

Explosion Destroys Area Farm Home

Mrs. M. W. Vise probably counts herself among the world's luckiest women right now. Mr. and Mrs. Vise live, of did live, four miles north west of Clay's Corner. Until Friday morning around 10:20, they had a nice stucco home on the Irvin St. Clair farm.

Friday morning all of that was changed. Mrs. Vise was in the kitchen of her home and walked out the kitchen door and started into the bathroom just off the kitchen. At that moment, a tremendous explosion lifted the floor of the house, blew out windows and doors, upended furniture and appliances and totally demolished the kitchen and den area of the home.

St. Clair talked with Mrs. Vise after she left a local doctor's office around 1 p.m. and Mrs. Vise said she had x-rays and a complete physical in the doctor's office. The only apparent injuries were a knot on top of her head and bruise

over her entire body. In the bathroom was a hole in the ceiling and St. Clair said it was thought that Mrs. Vise was blown upward by the explosion and her head went through the ceiling and hit a rafter before she was dropped to the floor.

Totally demolished was the kitchen, den and bathroom. Extensive damage was done to the living room of the home and moderate damage to the southeast bedroom. The outer walls of the home were blown outward although they did not fall. Daylight could be seen in various rooms where the roof was separated from the outer walls. Glass from blown out windows was scattered in all directions from the house and aluminum storm window frames were twisted out of shape. Curtains and drapes were sagging and tattered.

A couch from the den in the south end of the kitchen area was tilted upward, covered with sheetrock and jagged lumber. A large beam was across debris just inside the kitchen door and the door itself was angled across the floor. The television was on its side and the combination refrigerator-freezer was leaning at an odd angle. The stove was leaning backward and electric units were sprung from their holders on the stove. Cabinet doors swung crazily open and dishes were askew on the shelves.

In the bathroom, the bathroom fixtures were torn from the wall and a metal shelf had toppled, dumping bottles across the floor.

School Picture Schedule Set

Muleshoe School Superintendent Neal Dillman announces the following picture taking schedule which will be followed by each of the four campuses of the Muleshoe Schools:

Wednesday, October 1, in the morning will be Mary DeShazo Elementary School and Muleshoe Junior High School in the afternoon. On Thursday, October 2 Richland Hills Elementary in the morning and Muleshoe High School in the afternoon.

Cattle Accidents Keep Patrol Busy

Highway Patrolman Gene Sisemore has had more than his share of accidents during the past few days, with five accidents investigated within less than a 24 hour period on September 24-25.

Four of the five accidents

involved cattle on the highway and the patrolman asked that all farmers who have cattle to inspect their fences and see that they are strong enough to hold the cattle within the boundary of the pasture.

The first accident was a 5:15 a.m. Wednesday, September 24. It occurred on FM 54 about .8 miles east of Enochs. Involved was a 1968 Chevrolet pickup driven by William Quinton Lasley of 1101 E. Nobles, Midland. He struck and killed a cow which was owned by Harold Pollard.

The pickup sustained extensive damage, but there were no injuries reported.

At 9:45 p.m. Wednesday the

Red Cross Plans Ditty Bag Mail For Servicemen

The Muleshoe Chapter of the American Red Cross plans again this year to mail Ditty Bags to American servicemen who will be stationed in Southeast Asia over the Christmas Holidays. These Ditty Bags are prepared and donated by interested individuals, service clubs and organizations.

If you have the name, rank, serial number, organization and station of a serviceman who will be in the Southeast Asia area during this period and who is a resident of the Muleshoe area, please notify the office of the County Judge in Muleshoe at 272-3077 so that his name may be added to the list.

Highway patrolman was called to an accident on Highway 214 at Needmore.

The accident occurred as Alejandro G. Siseros of Needmore was attempting a left turn into a private drive. He was driving a 1955 Ford two door and was struck on the left by a 1969 Chevrolet pickup driven by Herbert L. Cadenhead, Morton who was pulling a horse trailer and traveling south as was the Siseros vehicle. Moderate damage was reported to both vehicles, and no injuries.

Sisemore had been in bed about two hours Wednesday night when he was called to a location three and two tenths miles northwest of Muleshoe on Highway 84 where three accidents in a chain reaction had happened.

The first of the three accidents was at 3:25 a.m. Thursday, involving a 1969 Pontiac driven by Leslie Dan Smith, Muleshoe and a calf owned by Raymond Scott, Smith, who was traveling southeast toward Muleshoe, ran upon a herd of cattle on the highway. In a pea-soup thick fog, he could not avoid the calf. Moderate damage was done to the Pontiac and the calf was killed. Smith was not injured.

Five minutes later a 1968 Chevrolet pickup, owned by Randy Johnson and driven by Robert Allen Tims of Earth, struck and killed a large cow at the same location. Extensive damage was done to the pickup in the accident, and the cow was killed.

No Further Meeting Until February '70

A called meeting of the Muleshoe Area Agricultural Housing Association was held in the Bailey County Courtroom at 8 p.m. on Thursday, Sept. 25.

John Smith, secretary-treasurer of the group, had mailed letters to the more than 75 members of the organization calling for the meeting to decide whether or not to liquidate the organization and return the full membership fees to all members.

Approximately 15 members were in the courtroom during the lengthy discussion which was conducted by Irvin St. Clair. "In July," said St. Clair, "we received a letter from Washington that they could not accept the farm labor housing grant request as we sent it in."

TAP Farm Tour Slated Tuesday, September 30

The Bailey County Technical Action Panel is planning a farm tour for Tuesday, September 30, at 2 p.m.

This panel is composed of USDA agencies, Extension Service, and Vocational Agriculture. Rather than have two or three field trips as has been held in the past, the panel will combine their efforts in one trip.

Clinton Kennedy of the Local Farm Home Administration office, urges all interested persons to attend.

The program calls for visiting three farms in the northeast part of the county. The group will meet on the west side of the courthouse and depart from that location.

"They said at the time they were reviewing grants on non-profit organizations and thought if we could get the membership to sign individually for responsibility for the loan and re-submit that it would go through."

He said that the board decided not to make a decision for the entire organization but to call a meeting for September to decide what action to take.

Clinton Kennedy of the local Farm Home administration office was asked to report on information that he had obtained just prior to the meeting.

He said there had been no developments since the last meeting so he called Arch Fowler, area supervisor in Lubbock, on Monday.

Fowler told him that FHA had met in Oklahoma City last week and at the meeting decided that there would be no further government grants to non-profit organizations. Fowler also told Kennedy, he said, that there would continue to be grants to Public Housing Authorities of government entities such as the city or county.

Kennedy added that he thought the main problem would be in making a labor housing project work without a government grant.

St. Clair asked the group if they were still interested in Farm Labor Housing.

Jammie Dale Black, who has worked on the farm labor housing project for the past five years, said he definitely thought there was still a need for such housing, although maybe not as much as had been needed.

However, he stated, "the farmers are looking for a new cash crop, and when we decide what vegetables they are going to plant, we will need a place

Grass Seed Study Conducted in Area

Plant material technicians of the Soil Conservation Service studied grass seed production in the Muleshoe area Tuesday, September 23. Technicians making the study included D. S. Douglas, Head Plant Materials Specialist, Washington, D.C.; W. C. Young, Regional Plant Materials Specialist, Fort Worth; D. C. Merkel, Plant Materials Specialist, Albuquerque, N. Mex.; H. W. Miller, Regional Plant Materials Specialist, Portland, Oregon; Arnold Davis, Plant Materials Specialist, Temple and Leaford Windle, Plant Materials Center Manager, Los Lunas, N. Mex.

Local Soil Conservation personnel said that grass seed production from the Muleshoe area have been used all over the United States and in many foreign countries for erosion control, pasture and range improvement and beautification. They stated that thousands of plants have been selected throughout the world for their special characteristic; whether it be for beauty, drought resistance for forage production. Plant materials technicians of the Soil Conservation Service work with other scientists to

select those grasses which could be useful in solving some soil and water conservation problems. Many of the most popular grasses known today came from a few weed plants that were selected from native habitat and increased and improved. Plants that appear to be useful in soil and water conservation work are selected from native habitat and increased by Plant Materials technicians of the Soil Conservation Service. Promising plants are then delivered to Soil and Water Conservation District cooperators for seed production or further field tests, added the local Soil Conservation Official.

Cotton, soybeans, castor beans and peanuts .25 Sorghums, small grains, sugar beets alfalfa and warm season grasses .30 Vegetables such as carrots, onions and potatoes .20 per day. Soil is a store house of plant nutrients, a habitat for bacteria, an anchorage for plants, and reservoir that holds the water needed for plant growth.

Water holding capacity of the soils in Bailey County sandy soils about 1.2 per ft., and mixed lands about 1.8 "per ft. depth."

Many Irrigation Systems, both surface and sprinkler, are poorly adapted to the soils and topography. Intake rates and water holding capacities of the soils often were not known before a field was laid out for irrigation. Improper operation of well-designed irrigation systems also has wasted water, and damaged land, and reduced production and net income.

Also Mr. and Mrs. Martin Maxwell and Mr. and Mrs. Raymond Maxwell of Sudan.

The 90 year old sister of Mrs. Knighten, Mrs. Lizzie Maxwell of Las Vegas is a sister-in-law of Mrs. V.C. Weaver and Mr. Martin Maxwell.

Chamber Corner

Jerry Hutton

C of C Manager

For this week's chamber Corner, I would like to say a few words about a very important Muleshoe representative--the Muleshoe High School Football team.

We should be proud of our boys, because they have displayed much enthusiasm and a "Never-give-up" attitude. These boys have had their backs to the wall for some time now, yet they seem more determined than ever to represent Muleshoe an admirable way.

We, as citizens of Muleshoe, should express our appreciation to our coaches and our boys for their determination by attending the games and encouraging them in every way possible. One way to encourage them would be to take a minute to go by and pat them on the back and tell them that we appreciate their courage and attitude.

We can not continue to expect these boys to do their best out on the football field when we don't do our best to back them. It takes everyone's cooperation to have a successful football team, not just the players and coaches. Let's show the Mules that we are backing them all the way!!

Soybean Group Postpones Plans For Referendum

Texas Soybean Association officials of Plainview have postponed plans for a referendum among growers under a commodity check-off plan, Agriculture Commissioner John C. White, announced today.

W. B. Tilson of Plainview, president of the association, requested a temporary delay of proceedings, following a public hearing which was held in Austin on September 15.

Although the group fulfilled legal requirements for certification by Commissioner White, additional time was requested in order to explain the proposed program to soybean growers in the 23 county area

which will be involved. "We definitely plan to petition for certification at a later date," Tilson said. "However, we feel more time is needed to get information on the necessary election to potential voters."

Under the program, soybean growers would consider a proposition to assess themselves for crop promotion, research, education, and disease and insect control. A nine-member commodity producers board would be proposed to administer the program if established.

Got A Laugh
The wedding presents were on view. Displayed in a prominent position was a check for \$1,000, the gift of the bride's father.

"I say, who is that chap laughing at your father's check?" exclaimed the bridegroom, feeling annoyed.

"Oh, that's the bank manager said the bride."

Some Difference
Teacher: "What is the difference between a primitive man and a modern man?"

Pupil: "When his wife talks too much, modern man goes to his club, while the primitive man reached for it."

Fine Arts Club News

By Jane Griffiths, Reporter

The Fine Arts Boosters regular meeting was Monday, September 22 in the high school band room.

Plans and arrangements for the Halloween Carnival were discussed. The carnival will be Saturday night, November 1 due to a conflict with the Muleshoe and Tulla football game. This game is October 31, Halloween so the carnival will be held the following night.

A most informative and interesting program was presented by the Fine Arts teachers and this is only a brief summary of the program.

Mrs. Elton Davis teaches speech in junior high. She has 17 students in her seventh grade speech class. She begins by teaching these students "How to make a Speech." In making a speech, a student develops confidence and this is most important.

The seventh grade class covers many other things during the year such as Parliamentary Procedure and how to meet special speaking situations.

Mrs. Davis' eighth grade class is a little more advanced and there are 26 students in this speech class. This class studies interpretation of narratives, dramatic literature, poetry and choral interpretation. Play production is another field covered and a favorite of the students.

There is a speech tournament planned for the seventh and eighth grade speech students. This tournament will be conducted in the spring and sponsored by the high school Speech II class.

Mrs. Davis also teaches all of sixth grade reading.

Mrs. C. E. Moore told of her plans for her 136 junior high art students. "These students look forward to their art class as this is a class they seem to enjoy," said Mrs. Moore. Mrs. Moore will be giving instructions in the basic principles and fundamentals of art which will include drawing, lettering, cutting and pasting, painting, print making, simple sculpture, puppet making and possibly some stitching.

One of the projects which these junior high art students have planned is to display their art objects in the library for all junior high to see. They will also make and keep the bulletin boards in the junior high library.

Jeff Ingham has 157 choir students. One hundred nineteen junior high and 38 high school choir students.

The junior high choirs are working out of new text books this year. Mr. Ingham is giving these students a chance to become familiar with all types of good music.

The senior high students are being taught a new approach to choir. This choir is well

organized and has a lot of enthusiasm and spirit this year. Kerry Moore, high school speech instructor, reported there will be three one-act plays presented on October 21 by his speech students. There will be a charge of 75 cents per person.

Muleshoe will host a debate tourney on October 11. Approximately 40 debate teams will compete.

The speech students will enter eight invitational tournaments and two drama festivals before entering the UIL competition in April and May.

Mr. Moore has a total of 66 high school speech students. Bob Badger and Jim Harvey reported that bands aren't through with one project until it is time to begin working on another one.

Mr. Badger said the junior high band has plans for some projects of their own this year in hopes of someday having blazers for the junior high band.

This band will enter two contests this year and they play and perform at the junior high football games.

Mr. Badger has plans of starting a junior high stage band this year.

Mr. Harvey reported that the Mighty 'M' Marching Band came in third Monday in the "Parade of Bands" marching in Lubbock. The band received \$50.

Muleshoe's Mighty 'M' Marching Band will go to Lubbock November 4 for the AAA marching contest.

In December, these students will help the Fine Arts Boosters with our fruit cake sales and give a Christmas Concert on December 18.

High school band students will begin try-outs for all state in January. Regional tryouts will be January 10, area tryouts January 24 and those who make all state will go to Austin on February 14.

Try outs for all region band will be January 17. The students making all region band will go to Lubbock January 29 through 31 to perform with the all region band. Muleshoe had 16 students to make this band last year and we hope to have more this year.

Solo and ensemble tryouts will be February 28. The students making a I (one) on these tryouts will go to Austin to compete again in the summer.

April 23 is when the band will go to Lubbock to perform in the AAA concert contest.

If the Mighty 'M' Marching Band students sell enough subscriptions to the Muleshoe and Bailey County Journals and magazine subscriptions to raise the necessary funds they will attend the statewide Six Flags Over Texas Festival May 7 through 9.

Last, but not least, the Mighty 'M' Marching Band will give a spring concert on May 14.

The one project that all Fine Arts Department work together on each year is a musical. This year it will be "The Un-

sinkable Molly Brown." The date set for this is January 22 and January 24.

Mrs. Elizabeth Black was not at the meeting, due to illness. She has 46 high school art students. She also teaches freshman remedial English.

Coffee and homemade cookies were served to approximately 30 boosters at the close of the meeting. The boosters were disappointed that more parents were not present to hear the aims and goals of these enthusiastic teachers because we believe any parent present would share their enthusiasm and want to get involved and be a backer and booster of these students and instructors.

The Fine Arts Boosters next regular meeting will be the fourth Monday in October.

CHARRED REMAINS--Following the Tuesday night fire at Muleshoe Country Club, only charred remains can be seen of the former kitchen, dining room, lounge and ballroom on the south side of the building. Sustaining heavy smoke

damage was the new brick portion of the building in the background of the picture. Members of the Bailey County Volunteer Fire Department and others fought the stubborn blaze for several hours.

Highlights AND Sidelights

by Vern Sanford

AUSTIN, Tex.--Gov. Preston Smith has signed into law a \$5.8 billion 1970-71 state budget. This was after vetoing \$4.4 million in miscellaneous spending items. Yet the expenditure set an all-time record.

Earlier, Smith approved a new record \$348.6 million tax bill which takes effect October 1. (In addition to state revenue, cities will get an estimated \$6 million a year due to extension of the sales tax to beer and liquor. Sales tax rate goes up from 3 to 3.25 per cent.)

Smith also signed other acts of the special session, including legislation creating 28 new Texas district courts. He will name all judges to serve until the next general election. This may be the largest single amount of judicial patronage assigned a Texas governor at one time in state history.

Tax bill as passed by the Legislature provided plenty of revenue to fill the State's needs, but Smith said his vetoes are "justified for the sake of economy perhaps more than for anything else." Many of the

items vetoed, he noted, were not part of the original House or Senate appropriations acts, and some were not even requested by agencies.

Governor Smith vetoed the following items as now "unjustified or non-essential": Construction funds totaling \$2.9 million for the Dallas Neuro-psychiatric Institute; \$262,717 for the Department of Public Safety sub-district headquarters in McAllen; \$250,000 for the Junction adjunct of Texas A & M; \$160,000 for Texas Maritime Academy Pelican Island Development.

Also an appropriation of \$225,000 for contracts of private lawyers to assist the Attorney General in tort claims cases in 1971; \$172,000 for park land acquisition in Hardeman and/or Motley counties; \$207,500 for acquiring land and development of Port Lavaca Causeway State Park; \$50,000 for drilling a water well at Lyndon B. Johnson State Park in Gillespie County; \$25,000 for Longhorn Cavern State Park; \$29,000 for completion of a master plan for the Red River Authority; \$60,000 for a

fish raising facility at Stephen F. Austin College in Nacogdoches, and \$65,000 for environmental pollution control studies at Prairie View Agricultural and Mechanical College.

BARNES FORSENATE?--Is Lt. Gov. Ben Barnes, 31, about to become a candidate for the U.S. Senate against Sen. Ralph W. Yarborough, 66?

Nobody can truthfully claim to know the answer to that, including Barnes himself, who says he has not yet made up his mind.

Yet, Governor Smith opened up new speculation on the subject during the recent Southern Governors' Conference at Williamsburg, Va.

Asked by reporters if he thinks Barnes could beat Yarborough, Smith said he believes that is possible--depending on the kind of races run by each, their financial resources and a lot of imponderables.

Smith didn't claim to know, but the fact he was willing to discuss the prospective race at all was an indicator of the widespread circulation of the Barnes-Yarborough contest ru-

mor. Smith also told newsmen he feels Yarborough is in the best political position he had enjoyed since he went to Washington more than a decade ago. Smith will, he emphasized, take no hand in the Senate race no matter who the candidates are.

ATTORNEY GENERAL SPEAKS--University of Texas cannot strip Dr. James McCrocklin, former Southwest Texas State University president, of his Ph.D. degree, and court action would be necessary to annul it, Atty. Gen. Crawford Martin said.

In other recent opinions, Martin concluded that:

Commercial feeding lots "finishing out" cattle for market must provide county tax collector a list showing the numbers of cattle they need for each owner, on January 1.

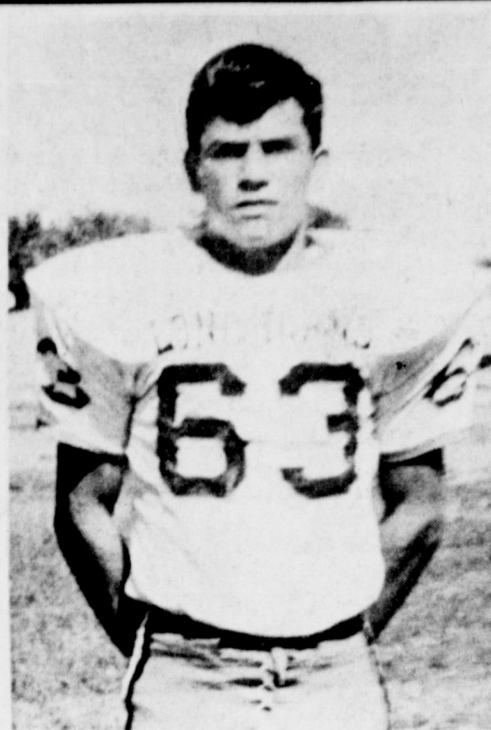

New type liquor wholesalers permit does not discriminate against other permit holders, and is constitutional.

Harris County commissioners may grant the county sheriff and his deputies the same authority DPS officers have, to remove vehicles from county roads.

Miss Ellis, Larry Gulley Pledge Vows

Miss Brenda Sue Ellis and Larry Don Gulley exchanged wedding vows in a double ring ceremony performed in Progress Baptist Church, September 27 at eight o'clock by Rev. A.L. Burchel, pastor of the church.

Parents of the couple are Mr. and Mrs. Richard D. Ellis of Route 3, Muleshoe, and Mr. and Mrs. Elton Gulley of Route 2, Muleshoe.

The couple pledged their vows before an altar decorated with cathedral candelabra which was dressed in Commemor.

Given in marriage by her father, the bride wore a formal gown of Alencon lace over wedding satin, the Empire bodice fashioned with batteau neckline and underlined with seed pearls, the long fitted sleeves ending in petal points at wrist. The cathedral train

fell from the neckline in scalloped tiers which were accented by iridescent clusters. Observing tradition, the bride wore a blue garter, her new wedding dress, a handkerchief which had belonged to her step-great grandmother, Mrs. J.H. Engham, and borrowed her veil from Mrs. Danny Gulley, cousin of the bride and sister-in-law of the groom. The fingertip veil of illusion was caught to a lace

covered pillbox. Her bouquet was a cascade of white daisies around a single white orchid. Matron of honor was Mrs. Danny Gulley of Clovis, N.M., cousin of the bride. Bridesmaids were Miss Janet Ellis, sister of the bride, and Miss Becky Gulley, sister of the groom, both of Muleshoe. Little Miss Gina Phipps, daughter of Mr. and Mrs. Kenneth Phipps of Clovis and niece of the groom, was flower girl.

The attendants wore long A-line gowns of olive green Sorrento fashioned with Empire waist, velvet streamers, long chiffon sleeves, the cuffs matching the dress and accented with velvet bows. The matron of honor and bridesmaids carried nosegays of white daisies and the flower girl a basket of love knots.

Candles were lighted by Robbie Phipps of Clovis, nephew of the groom, and Laura Ellis of Friona, cousin of the bride. Danny Gulley, of the U.S. Army in San Antonio, served his brother as best man.

Groomsmen were Lee Embry and Jerry Don Redwine, both of Muleshoe, Gilbert Dale and Max Eubanks, both of Bovina, were ushers.

Mrs. Kenneth Phipps of Clovis furnished traditional wedding selections and accompanied Mrs. Max Eubanks as she sang "More", "The Twelfth of Never" and "The Wedding Prayer".

The bride's mother chose a street length dress of celery green reemboirered lace with matching accessories and wore a corsage of orchids.

Mrs. Gulley, mother of the groom, wore a deep wine knit dress, with matching accessories. Her flowers were white orchids.

Immediately following the ceremony a reception was held in Fellowship Hall of Progress Baptist Church. Guests were registered by Miss Treena Bryant of Muleshoe. Others assisting with hospitalities were Miss Cynthia Harris of Seymour, Mrs. Gilbert Dale of Bovina, and Miss Debbie Reed of Amarillo.

The bride's table was covered with white linen and centered with an extended three-tiered wedding cake which was decorated in green and white with lovebirds and wedding bells. The bridal bouquet was placed atop an overturned snifter with figures of bride and groom underneath.

For a wedding trip to Ruidoso the new Mrs. Gulley chose a blue and green plaid dress with matching solid blue coat and accessories to match.

Both the bride and groom are 1968 graduates of Muleshoe high school and both have attended Clovis Community College. The bride is employed by the Journal and Gulley is a farmer. He will enter the U.S. Navy in January.

A rehearsal dinner at Progress Baptist Church September 25, hosted by the groom's parents, Mr. and Mrs. Elton Gulley.

Tables were decorated with white accordion bells decorated with silver doves and flowers, flanked by lime green candles in crystal holders.

Following the wedding trip, the couple will be at home at 1308 W. Ave. B.

Scarfs are very popular—they may be short or long enough to reach the hemline of the skirt. Colored wool scarfs or white silk go with appropriate costumes.

Mrs. George Cabrera Jr.

George Cabrera Jr., Bride To Nassau

St. Ann's Catholic Church of Canyon was the scene of a double ring ceremony September 20 at 5:30 p.m. which united in marriage Miss Dolores Juliana Gutierrez of Canadian and George Cabrera Jr. of Muleshoe. Fr. George Sallaway officiated at the nuptial mass.

Parents of the couple are Mr. and Mrs. Jose Gutierrez of 918 Elsie, Canadian, and Mr. and Mrs. George Cabrera Sr. of Muleshoe.

The couple stood before the altar decorated with twin baskets of white chrysanthemums and a background of twin tall gold candelabra holding 32 candles.

Mrs. Lynn Crabtree of Canyon was the organist.

Escorted to the altar by her father, the bride wore a formal A-line gown of Chantilly lace and silk organza, fashioned with batteau train banded with scal-

loped Chantilly lace and accented with matching appliques. The Empire bodice of Chantilly was banded with identical lace and joined by long, fitted sleeves, flounce cuffed, and a stand-up collar edged in shirred, scalloped Chantilly. Her mantilla type veil, cathedral length, fell from a coil pillbox, the illusion completely edged in scalloped Chantilly. The bridal bouquet was a cascade of white baby roses and white pom-pom mums.

Maid of honor was Miss Juliana Gutierrez of Canadian, sister of the bride. Bridesmaids were Mrs. Raymond Cabrera of Dimmitt, sister-in-law of the groom and Mrs. Ruben Zamora of Dimmitt. Bridesmaids were Miss Estrella Pesina of Dimmitt; Miss Rosemary Urenda of Amarillo, cousin of the bride; Miss Yolanda Torres of Big Spring; Miss Paula Moore of

Canadian; Miss Sylvia Urenda of Amarillo, cousin of the bride; and Miss Randi Sisco of Dallas.

They wore formal A-line gowns of moire taffeta in antique gold and Kelly green, alternating, fashioned with Empire bodice, short sleeves and round neckline. Each carried a nosegay of a single large white mum surrounded by green satin ribbon and streamers.

Flower girls were Amelia and Martha Gutierrez of Canadian, sisters of the bride. They were gowned identical to the other attendants.

Trainbearer was Agnes Aragon of Canyon. Ringbearer was Raymond Cabrera Jr. of Dimmitt, nephew of the groom.

Best man was Desi Pesina Jr. of Amarillo. Serving as groomsmen were Raymond Cabrera of Dimmitt, brother of the groom; Ruben Zamora of Dimmitt; Jimmy Cabrera of

Muleshoe, brother of the groom; Earnest Castaneda of Amarillo; Arthur Torres of Big Spring; Jimmy Gutierrez and Robert Gutierrez of Canadian, brothers of the bride, and Mike Felder of Dallas.

Following the ceremony a reception was held in Canyon community hall. The house party was composed of Miss Mary Short and Mrs. Charles Short, of Friona; Miss Beverly Barrett of Hereford; Miss Romanita Lucero of Hereford; Miss Anita Carmona of Lubbock; and Mrs. Pete Correa of Amarillo, aunt of the bride.

The bride's table was covered with white net over white and accented with three gold bows with white wedding bells. A four-tiered wedding cake decorated with gold and green roses and gold bells, and evergreen punch were served against a back drop of tall candelabra with draping below the candles, and twin baskets of white mums and greenery.

For a wedding trip to Miami, Florida and Nassau of the Bahama Islands the new Mrs. Cabrera chose a three piece suit of tan and purple, skirt and vest, the crepe blouse fashioned with long flounce sleeves.

The bride is a graduate of Canadian high school and received a BA degree from West Texas State University in 1969. She was a member of Alpha Delta Pi social sorority and Sigma Delta Pi, Spanish ho-

nor society. The groom is a graduate of Muleshoe high school and a 1968 graduate of West Texas State University with a degree in Business Administration. He was a member of Alpha Kappa Psi, business fraternity and American Marketing Association.

After September 28 the couple will be at home in Biloxi, Mississippi where Cabrera is retail manager for PX stores with the Army and Air Force Exchange systems.

Out of town guests at the wedding were Dr. and Mrs. Charles Pummill, Aurelio Cuevas Jr., Mr. and Mrs. Raymond Gonzales, Mr. and Mrs. Jesse Flores, Mr. and Mrs. Joe Gonzales, Mr. and Mrs. Solomon Madrid, Mr. and Mrs. Joe Yruegas, Mr. and Mrs. Jacinto Gas, Mr. and Mrs. Jacinto Luera, Romona Espinosa, Mary Helen Gutierrez and Fr. Robert O'Leary, all of Muleshoe; and Bishop Lawrence De Falco of Amarillo.

A luncheon following rehearsal was hosted September 20 by Mr. and Mrs. George Cabrera Sr., parents of the groom, at Sutphens Restaurant in Amarillo.

KKK Have Backyard Social

Mrs. Charles Pummill was hostess to members of the Kappa Kappa Iota Sorority of the

Iota Conclave, Thursday evening, at her home. Mrs. Ralph Stevenson and Mrs. Jack Beddingfield were co-hostesses.

Grilled hamburgers and cokes were served in the backyard, and after the business meeting ice cream and cake were enjoyed by the group.

The president, Mrs. Pummill, appointed committees, previewed the new year's programs and projects, and instructed officers and chairmen concerning their responsibilities.

Membership was discussed and dues were paid. Members and guest enjoyed conversation and decoding of well-known proverbs during the "socializing time."

Those attending were: Mrs. Eric Smith, Mrs. Fred Mardis, Mrs. Neal Dillman, Mrs. C.E. Moore, Mrs. Jack Beddingfield, Mrs. Margaret Slemmons, Mrs. Jeff Ingham, Mrs. Tom Jinks, Mrs. Joe Costen, Mrs. E.W. Johnson, Miss Gretchen English and Mrs. John Watson, Miss Elizabeth Wilson and hostesses.

Mrs. Danny Gulley

'Sealed Orders' Given Mrs. Gulley

Mrs. Danny Gulley was honored Wednesday afternoon with a most unusual wedding shower in Muleshoe State Bank Community Room.

Mrs. Kenneth Phipps, sister-in-law of the honoree, registered the guests from a table covered with a white crocheted cloth and centered by a large yellow candle on a white candleholder decorated with artificial fruits.

Special guests attending were the honoree's mother, Mrs. Bob Harvey of Clovis; her mother-in-law, Mrs. Elton Gulley; Mrs. C.F. Garth, her great grandmother, and Mrs. Cecil Harvey, her grandmother, both of Muleshoe.

The bride's colors of yellow and white were used at the serving table which was covered with a white crocheted cloth over yellow and decorated with an arrangement of white mums and greenery in a tall white vase. White cakes decorated with wedding bells, yellow punch and coffee were served.

The theme of the party was

"Sealed Orders". A devotional was presented by a recording which "ordered the couple to make a thrilling choice" in their marriage. The record was to self-distract within seconds after the orders were given.

All the suspense connected with "sealed orders" filled games and a short drama which entertained the guests.

Sharon's orders were to proceed to San Antonio with pots and pans to set up Operation H-O-M-E. This is where Danny is stationed with the U.S. Army. The guests' orders were to present gifts for the honoree's home.

The honoree's mother and mother-in-law assisted her in opening gifts.

The hostesses were Mrs. D. O. Smith, Mrs. John Mills, Mrs. Robert Hunt, Mrs. V.T. Tanner, Mrs. Willie James, Mrs. E.W. Locker, Mrs. D.L. Redwine and Mrs. Elmer Downing. Their gift to the honoree was a poppy colored electric skillet.

Lockers Host Lobster Boil

Mr. and Mrs. Morgan Locker hosted a lobster boil for contestants in the spot landing competition at Muleshoe Airport last week. Also guests were the wives of the contestants.

The fifteen contestants were Carl Bamert, Larry Bynum, Stan Williams, Ronnie Spies, Herb Ramage, Ted Harrison, Joe Mack Wagon, Dee Chitwood, Dick Chitwood, Delbert Watson, Don Locker, Don Sanderson, Weldon Bradley of Sunnyside, and Paul Ivy and Charles Jones, both of Dimmitt.

The six finalists were Joe Mack Wagon, Larry Bynum, Ronnie Spies, Don Locker, Herb Ramage and Stanley Williams. Carl Bamert won consolation prize.

The lobster were cooked and served in the backyard of the Locker home.

Joyce Hill Circle Meets

Mrs. Larry Combs was hostess to Joyce Hill Circle of WSCS, United Methodist Church, Wednesday at her home, 1525 West Avenue B. Mrs. Jack Rennels, vice chairman, presided in the absence of the chairman, Mrs. C. A. Black and opened the meeting by leading the prayer circle.

The program, the introduction of the study "The Revelations of Jesus Christ" by John F. Walvoord, was conducted by Mrs. Rennels and Mrs. Reagan Cox.

They quoted the author as saying, "Some believe Revelations is to be left unstudied and that God will reveal its meaning in time." He expressed the feeling that "God would not have given this book in the Bible if He had not intended for us to study it".

Walvoord feels Revelations gives particular instructions to the generation which will see its fulfillment and it won't be completely understood until that time.

"The objective of Revelation is to reveal Jesus Christ as the glorified One in contrast to the Christ of the Gospel seen in humiliation and suffering", the author said.

He also said, "No book of scripture more specifically sets before the believer in Christ his eternal hope in the New Heaven and Earth and gives greater assurance of God's triumph over wickedness, rebellion and unbelief".

The lesson was based on Rev. 1: 1-7 and was followed by much discussion, a spokesman said. After the program a sharing session was held and business discussed.

The next meeting will be October 8 in the home of Mrs. Butch Cox.

Attending were Mrs. Rennels, Mrs. Combs, Mrs. Reagan Cox, Mrs. Keith Taylor, Mrs. Butch Cox, Mrs. Bob Badger (new member), Mrs. Kenneth Everett, and Mrs. Kenneth Larue.

3 to 5 p.m. at the Bula school lunchroom. Twenty-five guests were registered in the baby book.

The serving table was laid with a white cutwork cloth over with, centered with an arrangement of pink and white flowers. Miss Barbara Clawson and Mrs. Dennis Turney served the pink punch and white cake squares decorated with pink and yellow booties.

Hostesses presented Mrs. Fred with a high chair and diaper bag. She received several gifts from friends that were unable to attend.

Hostess for the occasion were Mrs. Bill Sowder, Mrs. Pat Risinger, Mrs. Buck Medlin, Mrs. Glenn Salyer, Mrs. Ivar Clawson, Mrs. Barbara Clawson, Mrs. Myrna Turney, Mrs. Dennis Turney, Mrs. Randal Robertson and Mrs. Larue Davis.

Progressive Home Club Meets

Mrs. Leon Lewis was hostess to Progressive Home Club Thursday.

Members attending were Mrs. Vera Engleking, Mrs. J.E. Embry, Mrs. Minnie Dunn, Mrs. Mable Ryan, Mrs. Ray Black, Mrs. C.D. Hoover and Mrs. Lewis. Mrs. Bessie Meyers was a guest.

The meeting was opened with the president, Mrs. Embry, reading a poem "Just For Today". Roll call was answered by the women giving household hints, plus some jokes.

The chief item of business was voting to purchase Christmas cards to be sold for the club money raising project. The club also voted to have each member bring lingerie to be sent to Girlstown, this to be the club project.

An especially good time of fellowship was enjoyed, a spokesman said, because the club did not meet the previous month.

Hostess gift was drawn by Mrs. Meyers.

The next meeting will be October 23, the place to be announced later.

October 1 at 1:30 p.m. the Circle will take children of the Special Education Class to the fire station.

Voter Registration

EDITORIAL

by Leland Ferris

In today's fast-paced, highly competitive world, more and more demands are being made of the younger generation. MHS is no exception. In keeping with today's trend of making teenagers more responsible, the Student Council has instigated a voter registration plan.

It has many of the qualities that students will be exposed to when they reach the magic age of 21. Basically, it places the responsibility of voting almost entirely on the voter. If one does not register, then one does not vote. Is MHS really trying to prepare itself for what lies ahead in society?

The Student Council believes it is!

MR. AND MISS SPIRIT--Bright-eyed and bushy-tailed Mr. and Miss Spirit are Betty Harbin and Leland Ferris who were chosen as Mr. and Miss Spirit for showing the most spirit before, during and after the Abernathy game.

Fantastic Freshmen Elect New Officers

by Tani Murray

The new and fantastic fish with a total enrollment of 191-flooded the MHS cafeteria on the 18th for their first class meeting.

Leland Ferris conducted the meeting.

Chosen to sit on the throne of leadership was David Harris. Stephanie Bryant will be sitting on the throne on his right hand. Elected to do the secretary work of the class was Tani Murray.

The other nominees were: President-Brent Blackman, Terry Burchel, Dub Ivy, Terry Wheeler, and Roger Williams; vice-president-Tracy Cowan, Perry Hall, Felix Lopez, Joe Lopez, Boyd McCamish, Armando Porras, and Charlie Vela; and secretary, Brent Blackman, Stephanie Bryant, Freddy Farias, Trina Gutierrez, Dennis Parker, and Kathy Pena.

Class sponsors are Mrs. Brown, Mr. Landers, and Mr. and Mrs. Jennings.

Sharp visibility surprised the Apollo crew.

TWISTED--Several members of the DECA class are shown in twisted up positions as the attempt to follow all the orders in a game at the backyard party held Tuesday night at the Wilcy Moore home. It was doubtful as to who assumed the most twisted positions during the game.

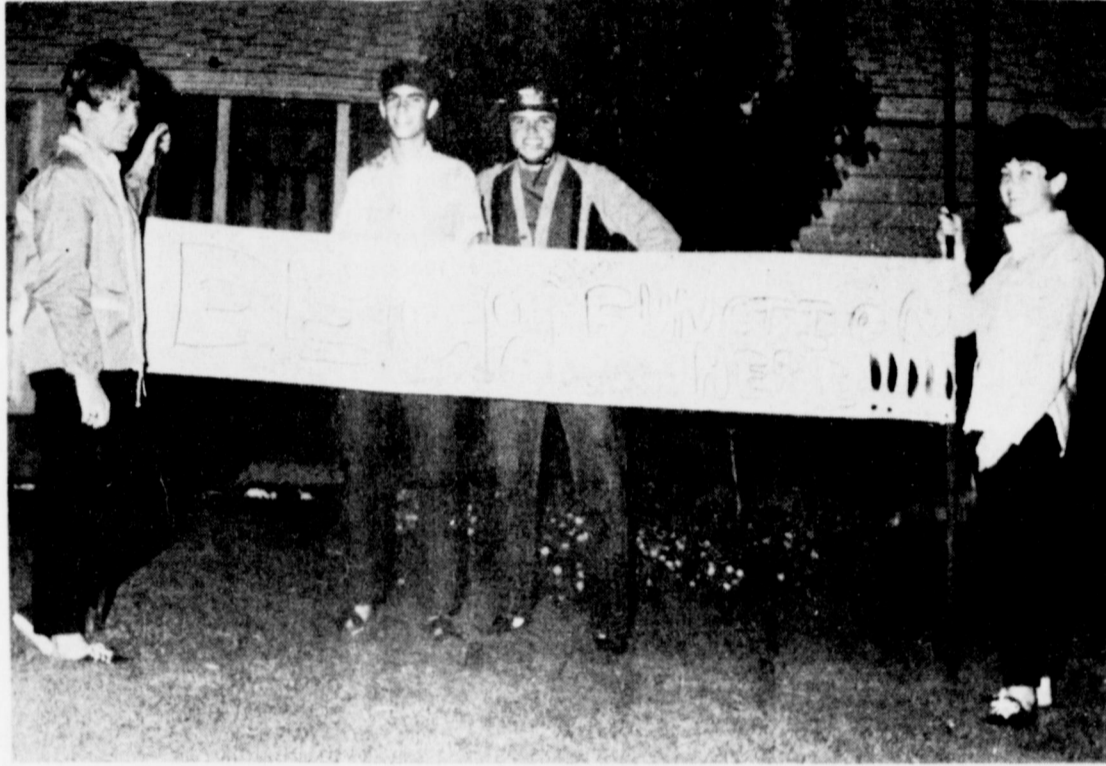

Dennis Beene New President Honor Society

by Dennis Beene

Muleshoe High School's National Honor Society held its organizational meeting Wednesday, September 24. The nine members elected officers for the school term, Dennis Beene was elected president; Debra Hayes, vice-president; Treena Bryant, secretary; Darla Kendall, treasurer; Liz Seales, bulletin board chairman; and Betty Harbin, reporter.

The group set a regular monthly meeting date for the third Thursday of every month. Breakfasts will be held at the Corral Restaurant at 7:15 a.m.

Members also discussed the initiation of a tutoring program in Muleshoe High School. The activities of the society will be sponsored by Mrs. Eric Smith.

WOULD YOU BELIEVE?---Liz Seals, left, Waid Griffin, Larry Meason and Devona Bradley were on hand at the first DECA party of the year last Tuesday to help greet and entertain all those who attended the party at the Wilcy Moore home.

Monthly Honoree Is Richard Fox

This year, the Mighty "M" Band plans to have a monthly outstanding bandsman. Each month Mr. Harvey will choose the boy or girl who has shown the most effort in marching and playing his instrument.

Richard Fox was chosen as the first outstanding bandsman. He is a senior in Muleshoe High School this year. He plays the trombone and is the band president. Richard is an excellent marcher and player in the band. He is a very hard worker for the band and believes in getting things done. Richard is well deserving of this honor. We are proud to have Richard as a member of the Mighty "M" Band.

Monday, September 22, the band participated in the annual Panhandle Parade in Lubbock. They placed third which was \$50.00. It will be added to the travel fund.

This week and next week both

High School and Jr. High bands will be selling subscriptions to the Muleshoe Journal and magazines. This is one of the band's money making projects.

This week the band has been working on a show for the Homecoming Football Game. Each member will be trying hard to do his best.

Senior Class To Sponsor Chili Supper

The Senior Class is having its second great chili supper. It will be on October 3, 1969, in the high school cafeteria from 5:30 to 8:00.

Featured on the menu will be delicious chili, beans, cole slaw, and cherry cobbler. The charge is \$1.25 per person.

You may buy your tickets from any member of the Senior Class. Ya'll Come!

MHS Students Tell of Summer

by Jabier Garcia, Senior
I, Jabier Garcia, had to work this summer like everybody else. In my daily work routine, I chopped weeds. During the summer I did a few drawings and paintings.

This school year I'm working to get an art scholarship, under the watchful eye of Mrs. Elizabeth Black.

Last year I had the honor of receiving one of the first places in the New York Art Exhibition, and was then first place winner in the Texas Fire Poster Contest. This year I am hoping to do better.

In our world today where many adults condemn young people, it is especially gratifying to be associated with young men who share common goals of responsibility. The improvement the Mules showed during the Abernathy game was due to a common goal. The struggle was hard but our young men took the challenge. As coaches, we were proud to see that the Muleshoe Mules have such character.

There is a saying, "When the going gets tough, the tough get going". We found who the tough were last week and the cheerleaders and band were not excluded.

Getting Stronger
"I must be getting stronger."
"How can you tell?"
"Well, a few years ago I couldn't carry \$10 worth of groceries and now it's easy."

by Sonnie Glaze, Junior
Like a lot of other young people, the first of the summer was boring to me. My days consisted of nothing but running around and swimming.

But it began to speed up as the days went by. You see, I was one of the privileged ones who went to Glorieta. There were fifty-four of us.

We left August 14 and came back the 20th. We met young people from just about everywhere. But I met the most wonderful person of all, God. Many miracles were performed while we were gone.

After coming back to Muleshoe, I was ready to start back to school because I came back with a new friend walking right beside me, guiding ever step I make. Yes, this summer meant the world to me.

by Bryan Brady, Sophomore

Had I been a cactus this summer I suppose the "vacation" would have gone off at least a little better. I was in Oklahoma this summer where we had 28 days in a row with a temperature ranging from 101 to 110. But since I haven't met too many personable cacti lately I'm glad the transformation didn't occur. The ground was so hard you couldn't drive a nail in it, much less plow it.

The most interesting thing I did was to attend the National Angus Conference in Columbia, Missouri. They had a heifer

show and several panel discussions concerning Angus.

On the way up we stopped at Claremore, Oklahoma and visited the National Monument to Will Rogers. In the museum were many of his private collections and a tape recording of some of his early radio broadcasts. They even had the goggles he was wearing when he and Wiley Post were killed when their plane crashed.

In Claremore also, there is the J.M. Davis gun museum in which there are 33,000 hand guns, all of different types. They ranged from a hand-held 6-inch cannon to a 7-barrel rifle.

I had the opportunity to observe a family of Monkey-faced owls growing up. There were two adults who raised four young ones in our water tower.

The rest of my summer consisted of a word that begins with a W and ends with a K. There are two letters in between but you know that!

Two Changes Announced By Academy

New London, Conn. Two significant changes have been announced by the Coast Guard Academy that will affect seniors making application to become cadets.

For the first time, College Entrance Examination Board test scores will be accepted for the tests taken prior to the December 6 date, as well as the December 6 test. In years past only the December test scores would be accepted.

The second major change is in the eyesite requirement which for years has been 20/30, correctable to 20/20. Now, applicants may have a visual acuity of only 20/40, correctable to 20/20. In addition, the Superintendent of the Academy may grant a waiver to outstanding applicants whose visual acuity is 20/100.

These changes are to a program of admissions that is unique among the nation's four military academies. There are no congressional appointments made to the Coast Guard Academy, and there are no quotas of any kind. Those who are accepted as cadets make the grade solely on personal ability.

Additional information and application forms can be obtained from the school guidance counselor or by writing to the Director of Admissions, W.S. Coast Guard Academy, New London, Connecticut, 06320.

by Mike Slayden, Freshman
To start the summer, I had a job moving sprinkler pipe. Most of the time I moved it in the mornings and went swimming in the afternoons. I worked until July 10 which was the first day of our vacation.

On our vacation, we went to East and South Texas, where we have relatives.

First we went to Dallas, where we stayed a couple of days. Then we went to Lindale, a small town fifteen miles north of Tyler. There we stayed about a week.

From there, we went to Victoria. While we were there we saw the battle grounds of the Goliad Massacre. We also saw the Presidio La Bahia which was a mission built by the Spaniards in the very same place Fort St. Louis, of the French, was built.

On our way home we came through San Antonio where we saw the Alamo and the World's Fair grounds.

After we got home I worked until school started.

Seniors Decorate For Homecoming

by Debra Hayes

In preparation for the Homecoming football game with Olton, the Seniors were assigned the task of decorating the gymnasium. They were hard at work both Tuesday and Wednesday after school. The results showed creativity and support for our football team.

Tickets for the Chili Supper sponsored by the Senior class are now on sale. Supper will be served from 5:30 to 8:00 p.m. on October 3rd in the high school cafeteria. Tickets may be purchased at the price of \$1.25 from any member of the Senior Class. The supper will be prepared by Senior mothers and will be well worth the price of a ticket. Following the Chili Sup-

per, the Muleshoe Mules will meet the Denver City Mustangs in Benny Douglass Stadium.

Dusty Pages Elects Officers During Meeting

The Dusty Pages met in the library September 12, 1969 to elect officers for the new year. The officers are: President-Delinda Henry, Vice President-Ronald Bryd, Secretary-Cheryl Gable, Treasurer-Judy Dodd, Reporter-Debra Rudd.

The Dusty Pages decided that dues for the year would be \$1.25. They also voted to enter the Spirit Contest.

Teacher Profile

Mrs. Murray, Mr. Jink's very competent secretary, is one person this school could not do without.

Her husband, Lindal, Patty, a sophomore, and Susan, a 7th grader, reside at 217 Elm here in Muleshoe. Mr. Murray is the manager of C.R. Anthony's. Mrs. Murray attended Oklahoma College for Women, now OCLA, in Chickasha, Oklahoma for two years majoring in music.

Mrs. Murray is very patient. She has to be because she listens to lots of weird stories from the students who need excuses.

Mrs. Marlin Mills, the president, conducted a business meeting during which reports were heard on projects completed during the summer. They included the barbeque at Muleshoe Country Club in May, the Little Miss Muleshoe contest, and the decorations for Miss Muleshoe contest. Mrs. Blackwell was chairman of Little Miss Muleshoe contest.

Mrs. Bob Stovall reported on potato salad served to the parade participants at the Fourth of July celebration. Mrs. Blackwell was appointed

chairman of project to help the Good Will Center. Swings for the children had been considered but after it was learned another group has already purchased swings for the center, it was decided to purchase

\$35.00 worth of educational type toys.

Mrs. Christian was appointed chairman of the booth for the Halloween Carnival, November 1, at which Jaycee-ettes will sell carnal apples.

Mrs. Christian was presented the "Hopping Hen" award for last year. This is given for having over 200 points in driving to different conventions and Jaycee or Jaycee-ette functions.

Fortune cookies and sherbet were served at the conclusion of the evening.

Lydia Class Elects Officers

GS News, Troop 288

BY DORIS BARTHOLOMEW
We meet every first and third Tuesday at the Girl Scout Little Hut. We are going to wear black skirts, white blouses and our green sash instead of our official uniforms.

We have already elected officers. Our president is Donnan Harmon; vice president is Pam Cleavenger; secretary is Carol Brown; treasurer is Janet Hopper; reporter is Doris Bartholomew; parliamentarian is Susan Cardwell; Historian is Debbie Kennemer.

We voted to pay \$6.00 per year for our dues.

We thought of some things to do, like making baskets, having skits and puppet shows. We thought we might make a dress for a contest and give prizes.

We have thirteen members in our troop; other than the officers they are Erna Kelly, Alice Lopez, Tammy Webb, Sheila Daniel, Sheryl Brown and Sheryl Rasco.

Library News

By Anne Camp

The following boys and girls have qualified for a Certificate from the Texas State Library for Summer Reading, 1969, at the Muleshoe Area Public Library. They read 12 or more books from the library and have turned in to the library the list of books they have read.

These boys and girls will be honored at assembly programs at schools in the near future. If there are any questions the librarian should be notified immediately.

Our summer reading program was the best we have ever had, and more books were checked out than have ever been. Award ribbons will be given in addition to the certificates earned, and the highest readers will have special recognition and their picture in the Journal.

The schools, readers and number of books read are listed by grades.

SEASONS CHANGE

For a time leaves are green, then in early fall they become brilliant with many colors. Finally they turn brown and fall from the trees, leaving them drab and lonely looking.

God never changes, he is an ever present help.

"For I am the Lord, I change not" Attend church and learn more of God's wonderful and never changing love.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Bula News

By Mrs. John Blackman

At 2:30 each afternoon this week the WMU has met at the church for prayer service, this being the "Mary Hill Davis" week of prayer for missions Mrs. Rowena Richardson having charge of the services. Mrs. Hazel Cook, a friend of many years of the W.T. Thomaspent a week recently with the Thomas family. Mrs. Cook is from Port Isabel.

A very successful meeting closed Sunday night at the Baptist Church, with Rev. Dale Cain of Godley, Texas doing the preaching.

Thursday night was youth night. Following the regular services the young folks heard the record "New Kind of Dream", a folk musical. Cokes and cookies were served, Young people from Enochs, Threeway, and Littlefield were guests.

Mr. and Mrs. R.L. Parker are visiting this week in the homes of his sisters, Mrs. Edd Crume and Mrs. J.W. Layton, also Mrs. H.H. Snow of Muleshoe. The Parkers are visiting in this part of the country for a month. They made a short visit here two weeks ago then went to Arizona, with his mother Mrs. Parker of Hereford accompanying them, for a visit with relatives. Following their visit here, they will visit with relatives in Eastland and Fort Worth before returning to their home in Portland, Maine.

We are very sorry to hear of the illness of A.J. Wallace. He spent several days recently in the Methodist Hospital, Lubbock, then was able to return home for a few days and was rushed to the Medical Arts hospital Wednesday.

Attending the Workers Conference.
