AID AND MISSIONARY SOCIETY MEET IN JOINT SESSION

Mrs. L. C. Brite, assisted by her daughter, Miss Hester Brite and Mrs. T. C. Crosson, delightfully entertained the Aid and Missionary Societies of the First Christian church Tuesday afternoon at her beautiful home in West Heights.

In honor of the occasion, the reception hall, parlor and dining room were artistically decorated with American Beauty roses and dark red dahlias.

The Aid society had charge of the devotional exercises, followed by a short business session, then the meeting was turned over to the Missionary society, and the subject for the afternoon study was India. Interesting papers were read by Mrs. Rice, Mrs. Simpson and Mrs. Pearce.

At the close a social hour was enjoyed in which the hostess served delicious salad, wafers, hot chocolate and cake.

In addition to the regular members, ten guests were present.

"B SHARP" MUSIC CLUB MEETS

The B Sharp music club met October 9, at 7:30 p. m. with Miss Marie Grionde, at the home of Mrs. Tease. A business session was held at which time Miss Katherine Mitchell put in her resignation as corresponding secretary and Miss Hester Brite was elected in her place. Miss Blanche Avant and Miss Myrtle Rawls were taken into the club as new members.

After the business part of the program, an interesting study of the opera—Cavalleria Rusticana—by Pietro Mascagni, as taken up. Miss Elbertine Williams gave a very interesting sketch of the composer's life, after which Miss Tommie Simpson briefly but interestingly, told the story of the opera.

The following musical program was rendered:
Violin Solo — Miss Pickett
Vocal Solo — Miss Williams
Piano Solo — Miss Dorothy Mitchell
Vocal Solo — Miss Lorene Settle

At the conclusion of the program, lovely refreshments were served, then the members departed, anticipating another enjoyable evening the second Monday in November, with Miss Gladys Johnson.

TO HAVE FOOD SALE

The ladies of the Marfa Christian church will hold a food sale today (Saturday) October 14th, at the Community House, beginning at 3 o'clock p. m.

This sale promises to be a good one, for there will be many good things to eat, such as sandwiches, cakes, pies, coffee, chocolate, and in fact, all sorts of goodies that will be offered the public at reasonable prices.

Everybody invited to attend, especially those who wish to buy something good for their Sunday dinner.

CASHIER OF MARFA STATE BANK RESIGNS

Mr. Karl H. Word, for the past three and a half years, cashier of the Marfa State Bank, has resigned his position to accept again the position as bank examiner, and will enter upon his new duties on October 16. Mr. Word has many friends in Marfa who will miss his genial countenance at the bank, but will be very glad to know that he has been assigned to the El Paso district, which includes Marfa, and that he and his estimable family will continue to reside at Marfa. The banking department is to be congratulated in securing a man of Mr. Word's ability to become a member of the Examining staff.

Mrs. O. L. Shipman left last Thursday for a few days visit in Terlingua.

Mrs. Lee Sprout of Fort Davis, chaperoned five young ladies to Marfa last Wednesday night to attend the Queen theatre.

PARENTS-TEACHERS ASSOCIATION TO MEET

The Parents-Teachers Association of Marfa will meet next Friday afternoon, October 20th, at the Marfa High School auditorium at 4:15 o'clock, and a full attendance is requested for this will be a very interesting program for the occasion. The program as outlined will be as follows:

A musical number by Miss Francis Mitchell.

A report by Mrs. Marrs to be read by Mrs. R. S. McCracken.

An address, by Prof. J. E. Conner. "The value of regular school attendance."

An address, by Mrs. W. B. Mitchell, subject: "The manners of Children."

HOUSEHOLD SCIENCE CLUB RAISE FUND

The ladies of the Household Science Club have been quite busy this week selling family tickets for the Queen theatre.

The tickets sold for 70 cents and entitled the entire family to pass into the Queen theatre Friday to see Shirley Mason in "Very Truly Yours."

From the sale of each ticket a liberal portion was credited to the Tourist Camp Fund that the ladies of the Household Science Club are raising.

Since the ladies have taken charge of the task of raising a fund with which to build the tourist camp, it will be a sure thing, for without their help we doubt seriously that enough money could be raised in Marfa these hard times to build such a camp, even though it is necessary that Marfa should have one.

The New Era wishes the ladies much success in their undertaking and we hope the camp will soon be built.

RED CROSS MEETING

The Marfa Chapter of the Red Cross held their regular business meeting last Wednesday morning at 9:30 in the Community House.

Quite a number of the active members reported present and a very interesting meeting was held.

The report from the Chairman read, covering the past year's work, and a statement of the financial condition of the order was presented, showing a net balance up to September 1st, of \$619.26 on hand.

A nominating committee, composed of Mrs. W. P. Fischer, chairman, M. D. Bownds and H. M. Fennell was appointed to nominate officers for the ensuing year.

THE SUL ROSS NORMAL

The Sul Ross State Normal College opened its third term September 26th, 1922. An analysis of the enrollment shows the following facts: The number of students enrolled to date is 140. This does not include the children who constitute the training school. Of these there are five grades, aggregating 49 children. This enrollment of 140 is 60 above the enrollment for the same time last year which is an increase of 75 per cent. The average age of the student body is 19 1-5 years. There are 37 men and 103 women. These represent 36 counties and two states. The parents of these students represent twenty-three occupations. There being forty ranchmen, twenty four farmers, eleven teachers, and the remainder are bankers, contractors, etc.

When students enroll they are asked to indicate their church membership or preference only. This is voluntarily supplied. Only seven failed to indicate their church relationship. Analysis shows the student body to consist of: Methodist, 44; Baptist, 38; Christian, 24; Presbyterian, 12; Church of Christ, 4; Episcopalian, 6; Catholic, 2; Christian Science, 1; Nazarene, 1; Lutheran, 1; None, 7.

The grand total number of students under the care of the faculty training school, normal school and Normal college totals 189.

At present the students are housed in good comfortable homes and of the institution, however, is a dormitory for women which will adequately care for at least 100 students. With this for a beginning, the housing problem could be easily taken care of as the student body grows.

The winter term begins January 2, 1923, at which time considerable increase in the enrollment is expected.

OUT IN THE COUNTRY

Out in the country at eve I stole,
To revive my body and renew my soul—
Out in the open beneath the blue,
Where the air is fresh and moist
with dew.

I like to stroll away from the city;
Away from its sorrows and those
I pity,
And from its rush and restless din,
Away from the city that's made
by man.

Out in the country, my native home,
Grandly furnished, with plenty of
room;

Away from the city and away from
myself;
Closer to God and closer to His
help.

Let me walk in the country at the
close of day;
Away from the seller and away
from his pay;

Away from the buyer, with his bargain
close;
Away from business and away
from its ghost.

Go, walk in the country and lift
thy thought;
Above what you sold and above
what you bought;
Forget thy poverty or thy gold,
And fling wide open the door of
thy soul.

And sit you down on the near by
heights,
And watch the city turn on her
lights,
And contemplate for just a spell,
The many souls that therein
dwell.

How each one tells his separate
story,
Of life and death and love and
glory;
How the rich and the poor mingle
together,
With little pity one for the other.

And how He who numbers the
hairs in our heads,
Hears every word or prayer that's
said,
And sees the widow as she plies the
thread,
With her hungry children asleep
in bed.

And the rich, with their bank de-
posits,
And the skeletons that lurk in the
closet,
Where one and all can chose and
take
The path that leads them to their
fate.

Then turn thy face toward the
Western glow,
And watch the day take leave and
go;
How he strips from the earth the
garments of light,
And wraps her to sleep in the
mantle of night,
And then in the quiet of the gloam-
ing,
While thy soul is overflowing,
Stroll softly back to the city again,
And shed thy light in the hearts
of men.

ATTENTION PUBLIC

—Owing to the steady increase in the most of feed stuff and the lack of grass in my pasture on account of the drouth, I am compelled to advance the price of my dairy products slightly. Beginning on Tuesday morning, October 10th, the following prices will be in effect: Milk, per pint, eight cents, per quart fifteen cents and per gallon, fifty cents. These prices are consistent with the cost of production and as much as I hate to increase the price of my milk, I am forced to do so under existing circumstances.

TO MY CUSTOMERS AND Prospective Customers

I am still able to take care of my Customers on a thirty day basis and intend to do so until conditions get worse than at present.

By taking care of my Customers I mean that I will sell goods to you as cheap as any of my Competitors will as long as you pay your bills by the tenth day of the month following the one in which they are made.

Many people are being deceived by so-called "Sacrifice" and "Special" Sales in which they often pay more than regular prices for goods and frequently buy many things they do not need at all because they think they are getting bargains. When you buy goods at these Special Sales you must pay your part of the expense of a lot of high priced advertising and wages of "High Salaried Imported Salesmen" who put on Sales.

MURPHY-WALKERS BIG SALE

Today is the day that the Big Store of Murphy-Walker Co. open their mammoth Bargain Sale.

This sale promises to be one of the largest sales ever conducted, not only in Marfa, but in Presidio County.

Thousands of dollars worth of high grade merchandise will be thrown on the market at unheard of low prices.

J. M. Creath, an expert salesman representing the Connors Sales Company out of San Antonio, is in full charge of this big sale.

Mr. Creath comes highly recommended as being a sales manager of unusual ability and has already demonstrated his ability in the way he has gone about displaying the merchandise in the big store and in his big advertising signs. He is a live wire business man and has kept not only the clerks of the Murphy-Walker Co. on the jump since his arrival in our city, but the New Era as well, for we have been busy all week getting out circulars and other advertising matter.

The coming week will be a banner week for the bargain hunters of Marfa and Presidio county.

Prices have certainly been cut and everything in the entire store, including Hardware, Groceries, and Dry Goods.

Manager W. P. Murphy says that it will be a genuine stock reduction sale and nothing will be reserved.

RECEIVES ORDER FOR CAR FAT CALVES

W. B. Mitchell received this week an order from Majorie E. Place of Adrian, Michigan, for one car fat Hereford calves.

These calves are to be distributed among the boys and girls club of the city, who in turn, will fatten them for exhibition purposes.

Mr. Mitchell sold the same party a car of calves last year and they made such a wonderful showing that he received a duplicate order this year.

Last years car of calves sold from \$12.00 to \$14.00 per hundred and won first, second and third prizes at the Adrian Stock Shows.

RACHMEN ATTENTION

The shipment left Marfa at 1:40 p. m. Monday and only a few stops will be made between Marfa and Suffren, Ill. where the cattle will be sold.

Hershel Hord of Alpine, was a visitor in our city last Tuesday.
