TWICE-A-WEEK

VOLUME 27. NUMBER 55

PLAINVIEW, TEXAS, TUESDAY, JULY 11, 1916

## ELEVEN TOWNS SEND MEN TO FREIGHT RATE MEETING

Will Compile Data to Present to Railroad Commission, at Austin, August 8.

Saturday representatives from eleven South Plains towns met at the Hotel Ware, on invitation from the Plainview Chamber of Commerce and Young Men's Business League, and discussed the question of railroad rates on the Panhandle and Santa Fe. Judge J. E. Lancaster was elected chairman of the meeting and A. G. Hinn, secretary. The Railroad Commission of Texas has issued a call for the Panhandle and Santa Fe and the Gulf, Colorado and Santa Fe to appear before it on August 8 and give reason why the differential rate between Fullerville and Canyon City should not be abolished and why the Panhandle and Santa Fe and the Gulf, Colorado and Santa Fe should not be combined.

It is the purpose of the committee which assembled Saturday to enlist the support of every commercial organization in the territory and compile statistics on the freight tonnage from the territory and present it to the commission. It was the sense of the meeting that if the investigation should disclose the fact that differential rates were necessary in this territory that the shippers represented would not urge their claims, but this is not thought probable, for at the time the differential rates were granted the railway traffic over the lines in question was very light, whereas now a splendid traffic is enjoyed and the section bearing differential rates is the best paying portion of the Panhandle and Santa Fe. The Crosbyton and South Plains and the Floydada branches of the Panhandle and Santa Fe are affected by the commission's order.

It was pointed out that the removal of the differential rate would effect a saving to every merchant in the territory, and every farmer and livestock shipper as well.

Each of the towns represented will send one or more delegates to Austin at the hearing. A. G. Hinn will appear as the witness for the interested communities.

Present at the meeting Saturday, in addition to the members of the executive committee of the Y. M. B. L. and the industrial committee of the Chamber of Commerce, were J. P. Moore, Kress; S. L. Forrest, Slaton; A. A. MacWhinnie, Post; J. W. Skipworth, Kress; C. W. Warwick, Canyon; Jno. R. Ralls, Ralls; W. R. McClusky, Muleshoe; R. E. Baker, Lockney; Geo. E. Lader, Floydada; A. V. Haynes, Floydada; R. W. LeMond, Hale Center; Elbert Overton, Abernathy; E. M. Hester, Obernathy, and A. B. Spencer, Crosbyton.

## B. C. JOHNSON EXAMINES LAND PURCHASED SOME TIME AGO.

B. C. Johnson, of Abilene, was in Plainview last week looking after property interests. He has recently purchased a half section of land west of Plainview. Mr. Johnson is a brother of T. A. Johnson, who formerly lived at Paris, and who owns considerable city property in Plainview. T. A. Johnson has removed to Houston and B. C. Johnson to Abilene since the Paris fire. They are in the cotton brokerage business.

## BREAKS LEG WHEN TEAM RUNS AWAY WITH LOAD OF PIPE.

Carl Gundrum suffered a compound fracture of his right leg Saturday, when a team ran away with him. On his wagon was a load of pipe which was being carried to the country for an irrigation well. When the team became unmanageable and ran away with him the pipes crushed his leg. He is now doing nicely, despite the painful nature of his injury.

## WILLIAMS' MOTHER BETTER.

E. R. Williams returned Saturday from Dallas, where he has been with his mother, who was seriously injured recently in an automobile accident. His mother is much improved.

## HALE CENTER HOGS BRING TEN CENTS AT FORT WORTH.

Seventy hogs shipped from Hale Center by Quisenberry & Sanders were sold for \$10.00 at Fort Worth Friday. They averaged 221 pounds.

## MAYOR FORCED TO DRIVE OUT OF WAY BY NEW ORDINANCE

But He Doesn't Mind It—He Believes the New Rule Will Make for Safety.

Do you like Plainview's new traffic ordinance? If you don't you probably will for the city is determined to enforce it, not because our government is arbitrary, but because it is believed that the ordinance is a good one and will make our streets safer.

Mayor W. E. Risser is put to as much inconvenience as anyone, probably, by the new ordinance. When he drives to town in the morning he has to go up to Broadway, having passed the City Hall, and come back nearly a block to park. Or if he parks at the curb west of the City Hall he must drive to the Baptist Church when he goes to town.

"We have found the people anxious to co-operate with us," Mr. Risser stated this afternoon. "They want to understand the ordinance and seem to like to have order and safety on the streets."

Mayor Risser states that he appreciates the co-operation that has been given the city officials by citizens who realize that the traffic ordinance is a good thing. On the contrary, he says that he will be rigid in the enforcement of the law. This morning a man who persisted in violating the ordinance and attempted to drive his team into a traffic director was hailed before the corporation court and fined. A charge against the driver of a horse hitched to a buggy, who has been persistent in the violation of the ordinance, has been preferred, and he will be arraigned before the court this afternoon.

The officers are lenient on one who ignorantly violates the ordinance for the first time, but will become more strict in the enforcement as the provisions of the law become better known.

## WOULD MANUFACTURE PUMP FOR IRRIGATION HERE.

Plainview appeals to T. J. Hardey and H. F. Smith, the latter from Houston and the former from El Campo. These gentlemen are interested in a company which has been manufacturing pumps in Houston, Texas. The El Campo field has been the outlet for their products. During the past two days they have conferred with officials of the Texas Land and Development Company and the Chamber of Commerce in regard to the possibility of putting in an assembling plant or a manufacturing plant in Plainview.

## PAUL PITZER INJURED WHEN AUTOMOBILE BREAKS DOWN.

When a car he was driving broke down, Paul Pitzer, wife and baby and other occupants of the car were thrown out. Mr. Pitzer was painfully bruised about the face and shoulders, but his injuries are not serious. He is on duty at the fountain of the Temple of Economy.

Mr. Pitzer and family were returning from Tulla, where they spent the week end.

## BIRTHS.

Born, to Mr. and Mrs. W. L. Hutchison, July 5, a girl.

Born, to Mr. and Mrs. Clyde McClean, July 6, a boy.

Born, to Mr. and Mrs. J. F. Mackenzie, July 5, a girl.

Born, to Mr. and Mrs. H. B. Tillery, July 1, a girl.

Born, to Mr. and Mrs. Jesse F. Delaho, July 8, a boy.

Born, to Mr. and Mrs. John Q. Johnson, July 8, a boy.

## DALMONT HAS FINE CHERRIES.

L. N. Dalmont, proprietor of the Plainview Nursery, brought to The Herald office this morning a limb from a tree of Compass cherries grown on his place north of town. The branch was less than a yard long and had 147 cherries on it.

## COMMISSIONERS' COURT MEETS.

The Commissioners' Court met yesterday in regular session. The claim docket was approved this afternoon and adjournment was made.

Lee Kemble and family are now en route to Vandalla, Mo., where they will visit for several weeks. They are making the trip in Mr. Kemble's car.

## R. U. A. J. DRIVE TO THE RIGHT

Are you a jay? There has been many a laugh in Plainview during the past two days at the man who violates the city's traffic ordinance. It has been good natured. The violator didn't know.

Just like every other up-to-date city, Plainview has a traffic ordinance. It has been enacted to prevent accidents. Only last week a car was badly damaged by an approaching car while backing into the street. The driver of one car didn't know which way the other would go. There was no system.

If you are in keeping with the ordinance in your movements, and an accident happens, the burden is laid on the man who is not travelling as the ordinance directs.

Are you a jay? Keep to the right. All that there is to the new ordinance is that you are to keep to the right. Any boy who drives a farm wagon knows that much about the law of the road. Don't turn until you come to a corner. That's why the corners are put there—to turn on.

If you overtake a man on the road, he being there first has the right to the right side, and you are to take the left. Keep to the right and turn only at the corners. That's the gist of the new ordinance. When you stop, pull up to the curb at an angle of forty-five degrees, with your car headed in the direction of traffic on that side of the street.

Are you a jay? Keep to the right. All that there is to the new ordinance is that you are to keep to the right. Any boy who drives a farm wagon knows that much about the law of the road. Don't turn until you come to a corner. That's why the corners are put there—to turn on.

## PHOTOPLAY SPECTACLE SHOWS AT THE MAE L.

Today and tomorrow The Mae L. Theatre presents "The Battle Cry of Peace," by J. Stuart Blackton. Charles Richman is featured.

The splendid music furnished by Jesse's Orchestra, of Amarillo, is an interesting feature.

Hudson Maxim, international authority on arms and ammunition, delivers a lecture, graphically describing America's defenseless condition.

John Harrison, inspired by Maxim's disclosures and realizing the awful consequences to which our national unpreparedness may lead, resolves to consecrate his every effort to the cause of adequate defense. John is engaged to Virginia Vandergriff, whose father is an advocate of national disarmament and "peace at any price." John makes a fruitless effort to show Vandergriff the fallacy of his stand. Vandergriff's friend, Emanon, ostensibly a peace propagandist, but in reality a foreign spy, is the head of a band of conspirators plotting the invasion of America.

The invaders approach New York. John breaks the news to a huge peace mass meeting, at which Vandergriff is a speaker. A shell crashes through the walls of the building into the midst of the meeting. The battleships of the enemy, out of range of the guns of Forts Hamilton, Hancock and Wadsworth, are able to bombard New York. Shells are devastating the buildings in the down-town district; homes are desecrated; citizens are slain without mercy. Terror reigns. John's mother and sister are killed. Vandergriff is shot down in the street. John is bayoneted in defense of the girl he loves. As a climax to the horror, Virginia's mother, to avoid disgrace at the hands of the enemy, kills her two daughters and herself.

An allegorical masterpiece is shown, contrasting Columbia, crushed, bleeding and trampled upon by a merciless foe, with Columbia as she should be—proud, commanding, supreme.

"Yes, there shall be peace—but peace with plenty—peace with honor."

## THAD PIPPIN IS WINNER AT THE COWBOYS' REUNION.

Miss Floy Pippin returned this morning from Las Vegas, New Mexico, where she attended the Cowboys' Reunion.

Ten thousand people were in attendance at the reunion held on the 6th, 7th, 8th and 9th. Thad Pippin, brother of Miss Floy, won first place in the relay race and tied with Salem Curtis for first place in the roping contest. Thad also won first in the cow pony race and third in the pack race.

Miss Pippin says one of the great events of the reunion is the cowboys' dance.

## MOVEMENT OF LIVESTOCK FROM PLAINS STILL STEADY.

Saturday four cars of hogs were shipped from Plainview to Fort Worth. Today six cars of stock, one of hogs from W. A. Watson, one of hogs from H. W. Knupp, two of hogs from Joe Kelleher, and a car of mules from Clint Shepard, were shipped to Fort Worth.

Mrs. W. Y. Price left Saturday for a visit with her daughter, Mrs. Adams, at Slaton.

J. K. Milwee returned this morning from a visit on business in Iowa and Illinois.

## CIVIC LEAGUE NOTES.

Wednesday, July 5th, the Civic League met in the club room at the City Hall. In June there was no meeting, as there was no quorum. Last week only six were present. There is a lack of general or community interest. Perhaps the June and July weather has something to do with it.

The matron at the Rest Room has been paid till the 13th of June. An interesting discussion was held on the subject of assisting and encouraging the good work being done by the Cemetery Association. We are looking forward with interest to its future work.

In its desire for better living conditions, the League discussed ways and means of getting rid of weeds on vacant lots and near sidewalks. They soil the ladies' dresses and are a menace to health.

A rug will soon be needed in the Rest Room. The members of the League are sincerely desirous of performing a useful service, but there can be no profitable meeting without a fair attendance. That is a matter which is badly in need of adjustment.

SECRETARY.

## OLD SETTLERS' DAY AT PANHANDLE STATE FAIR.

President Thomas F. Turner of the Panhandle Old Settlers' Association has issued a call to those who have lived in this section for twenty five years to turn in their names to him at once for registration. All such persons are urged to join the association and to be present at the annual convention, which is to be held in connection with the Panhandle State Fair on September 13th.

Colonel Goodnight, of Goodnight, Texas, and other old settlers are collecting an exhibit of guns, saddles, Indian goods and other trophies of the early days to be shown at the Fair. Those who have articles of interest in this line are urged to communicate with Colonel Goodnight. Fair officials are planning to place a part of a building at the disposal of the old settlers, either at the coming exposition or later.

## SMALL CHILD OF MR. AND MRS. G. E. PENNINGTON IS DEAD.

The two-year-old child of Mr. and Mrs. C. R. Pennington, who live near Silverton, died Sunday morning, at the residence of Mr. and Mrs. D. W. McGlasson. Interment was made at the Plainview Cemetery. The service was held at the McGlasson home by Rev. I. E. Gates, pastor of the Baptist Church.

## GIANT GERMAN UNDERSEA SHIP RUNS THE BLOCKADE

SUBMARINE LANDED IN BALTIMORE IS 315 FEET LONG; HAS UNEVENTFUL VOYAGE.

## BRINGS DYES TO AMERICA

Cargo of 750 Tons Will Be Unloaded and Rubber and Nickel Carried Back.

NORFOLK, Va., July 9.—Bearing a message from Emperor William to President Wilson, running the gauntlet of innumerable dangers from mines, sea sweepers and enemy warships and bringing a cargo of dyestuffs, chemicals and mail, the German undersea merchantman the Deutschland quietly slipped into Chesapeake Bay this morning.

The Deutschland carries, mounted in her conning tower, two small guns, of about three-inch caliber. No torpedo tubes are visible. She is capable of submerging in less than two minutes. On the surface of the water the submersible has a speed of two to three knots more than the average merchant steamer.

According to Captain Frederick Cooke, a Norfolk pilot and the first American to board the Deutschland, the crew wore regulation uniforms of German merchant seamen.

Captain Cooke said the commander of the Deutschland was extremely frank in stating his mission to the United States—that of instituting an undersea merchant service and export business between the United States and Germany. The Deutschland left a German port June 23, and although she encountered a number of merchant ships and one warship, the commander said he easily escaped detection by submerging. He declared the entire voyage was uneventful.

Reaching the vicinity of the Virginia coast Saturday morning, the Deutschland remained far outside, knowing that the capes were guarded by enemy warships and came in last night under cover of darkness. He declared that at one time he was within 500 yards of a French cruiser outside the capes, but passed in unobserved.

According to reports brought into Norfolk and credited to members of the Deutschland's crew, the submersible arrived off the capes late Thursday afternoon, but was detected by the English and French cruisers on guard, and was forced to run, the chase lasting until Saturday morning before the warships gave up the hopeless task and returned to their stations. This report, which had not been confirmed tonight, was that the Deutschland went to sea nearly 300 miles before she got rid of her pursuers; that she was fired at several times, and that the delay prevented her from reaching her destination on schedule time, early Friday.

Navy officials give little credence to the story, declaring that it would have been no hard matter to submerge and evade the enemy ships with the loss of a few hours at the outside.

## ROOKIES FROM AMARILLO ARE SENT TO THE BORDER.

This morning twenty-two recruits from Amarillo passed through Plainview en route to the border. They will join Troop B, an Amarillo cavalry detachment. They were in charge of John W. Puckett, Jr.

## ELLERD TO KNOX COUNTY.

R. M. Ellerd, candidate for Congress from the Thirteenth District, left this morning for Goree, Knox County, where he will speak at a picnic. He will work in that section of the district from now until the primary, Saturday, July 22.

CATTLE—3,000, including 300 calves; steady. SHEEP—1,000; steady.

Mrs. Faith Moore and children, Lucille and Oscar, of Venus, Texas, are visiting with Mrs. Moore's sister, Mrs. E. E. Warren.

## The Herald's Review of the Movies

Another episode of the "Who's Guilty?" series is coming to The Olympic Theatre Thursday in the "Weaker Strain."

If the wife of a young man, just climbing toward success in his profession, is gifted with an unusually splendid voice; and if she can add to their income by singing in public and if the

husband believes that it is his duty to support his wife and her duty to be content to live within his income—under these conditions, is the wife justified in deciding on a career for herself? In other words—and to use a more or less common expression these days—is woman's place the home?

This is the motif of a theme worked out with dramatic intensity in "The Weaker Strain," the latest of the "Who's Guilty?" series, to be shown Thursday at The Olympic Theatre.

Anna Nilsson plays the role of Laura Price, wife of a rising young architect, Tom Price, played by Tom Moore. Her voice brings her fame and adoration, much to the discomfort and final jealousy of her husband, for whom she finally commits an offense for which the law prescribes a terrific penalty.

"When a Wife Worries," a comedy number, is an additional feature at The Olympic Theatre Thursday, by Hal Clotworthy, featuring Jane Bernoudy, Victor Potel and a clever baby. The young husband tries to find a wishbone of a cuckoo for his child to cut its teeth on. The situations are quite novel and amusing.

"Her Husband's Faith" concludes the program at The Olympic Theatre Thursday, in which is shown how the husband preferred to believe in his wife and her version of her past rather than to take a derelict's explanation of her former days. Emory Johnson, Dorothy Davenport and Throckwood Crittenden are the leads in this release, which is averagely strong.

"Beyond the Law" is the first number for the Thursday program at The Ruby.

There are life, vigor and a brave showing of primitive passions in this three-reel drama, made by Henry Owen from a well known novel of the Northwest. The Snowburner, the principal character in the story, and his fight with Shanty Moir for the possession of old man MacGregor and his gold, are worth while. The scenes in the North, with the real dog sleds and the ice and snow, are full of local color. E. H. Calvert, Jack Meredith, Hugh E. Thompson and Marguerite Clayton are capital in their several roles.

The second feature at The Ruby Thursday is "Hamlet Made Over."

This presents Billie Reeves in a good vehicle by Mark Swan. Reeves is an actor and plays Hamlet, modernized to such an extent that the audience employs fruit and eggs of the ancient variety to stop the show.

Carrie Reynolds is Ophelia. This ought to register, because it has moments that are really funny, despite the hoary appearance of the theme.

"Putting the Pep in Slowtown," a rural comedy, with Mary Anderson, is the third and last attraction of the program at The Ruby Thursday. There is lots of action in this farce, which is good for a number of laughs.

"Maria Rosa," as reviewed by Harvey F. Thew, of The Motion Picture World, will be presented at The Olympic Friday.

"The manner of the telling makes this old story of the triangle seem new. Its mountings, settings and acting are sufficient to make it distinctly a 'worth-while' picture, and its star, Geraldine Farrar, is a guarantee of box-office quality.

"Miss Farrar is a charming Catalonian. She is supported by an excellent company, while locations, architecture, and even manners are unusually convincing. The atmosphere of the mountains of northern Spain is compelling, and it is difficult to realize that the picture was actually made about as far from the real Spain as it is possible to get in this country. The make-ups and costumes appear to be faultless, and there is something ultra-Gallic in the work, not only of Miss Farrar, but also of Wallace Reid, Pedro de Cordoba, Horace Carpenter and Anita King, her principal support.

"Maria Rosa, a peasant, is loved by Andreas, whom she also loves, and by Ramon, his friend, whom she does not. Ramon kills Pedro, a fisherman, and manages to throw the blame on Andreas so successfully that the latter goes to the Ceuta Penal Colony for ten years.

"Ramon takes advantage of Andreas' absence to press his wooing, but is unsuccessful. He then causes a letter to be written saying that Andreas has died in prison. Maria, broken-hearted, still refuses to marry Ramon, until he compromises her in the eyes of the villagers, and then she capitulates, and an elaborate and typical wedding is staged.

"In the meantime, Andreas has been released because of an act of heroism. He appears at Maria's home just before the party returns from church, and dashing into her room, while the others are at the banquet, Maria finds him hiding. When she has recovered from her great shock at seeing the supposed dead man, she tells her story, and promises to find out whether Ramon was a conspirator in reporting Andreas dead. She lets Andreas out through a window and returns to the revellers. When all are gone but she and Ramon, she plies her new husband with wine, and then he confesses all.

"In a rage she stabs and mortally wounds him. The uproar brings the neighbors, including Andreas, who is near by. As best reparation he can make, Ramon declares with his last breath that he stabbed himself accidentally, and Andreas leads Maria Rosa out to happiness.

"James Neil and Ernest Joy play smaller parts with earnest and conviction."

There are four numbers on the program at The Ruby Theatre Friday. First is "The Mark of a Gentleman," in two reels, showing how an athletic millionaire shed his name and posed as a physical trainer and how, while in this position, he won the heart of a young girl. This is one of the most entertaining and pleasing comedies-dramas that Universal has issued for some time. Herbert Rawlinson and Agnes Vernon are featured in romantic parts one can go a long way before finding their equals. F. McGrew Willis prepared the scenario for Director William Worthington.

"Animated Nooz," No. 6, with another contribution to Wallace A. Carlson's amusing burlesque on "Animated Weeklies," is the second feature at The Ruby Friday.

A Kalem comedy, "Mabe Moonshine," is one of the attractions at The Ruby Friday. In this one-reel comedy Ham and Bud are shown as small boys, children of rival mountain clans. When they arrive at manhood they become ardent moonshiners and feudists. The picture contains considerable laughable burlesque, and the two stars are assisted by Adoni Fovieri and a well selected cast. William Beaudine is the author and producer of the reel.

The last number on the program at The Ruby Friday is a Nestor comedy, written by Louis J. Habene, featuring Betty Compson, Eddie Lyons, Ed Burns and others. The girl is made a police officer. The reporter writes a josh story about her, but afterwards apologizes, when she captures a thief. Good light comedy.

The thirteenth episode of "The Strange Case of Mary Page" will be

offered at The Olympic Theatre Saturday. The action of this instalment of the Essanay serial shifts from the trial, and shows Langdon on a still hunt after the gambler, Jim Bates. The lawyer locates him in a saloon, and Bates tries to get away. Langdon follows the gambler to his lodgings, is made a prisoner, escapes, and chases Bates into a freight car as the gambler boards a western-bound train. The two reels are highly dramatic.

"Heartaches," a two-reel number, by Grant Carpenter, is the second feature presented at The Olympic Saturday.

The third number at The Olympic Saturday is "When Slim Picked a Peach," a domestic comedy, written by Roy Clements, featuring Victor Potel and Jane Bernoudy. The story shows how a benighted husband flirts with the new hired girl, who leaves the imprint of her hands on the back of his coat. His father-in-law comes and also falls a victim to her fascinations. This is quite amusing in a conventional

way and makes about an average release.

The first feature offered at The Ruby Saturday is "La Paloma." This Broadway Star Feature, in three reels, was written by Daisy Eloise Smith, and produced by William Wolbert. Its story is dramatic, strongly emotional, and skillfully put together. Its heroine is a young Spanish girl who came to this country with her father, and almost becomes the victim of a man of wealth. The production and the acting of the cast, in which Mary Anderson, George Stanley, Corinne Griffith, Otto Lederer and Jack Sherman have the leading parts, are both well done.

Another feature at The Ruby Saturday is "The Girl Telegrapher's Nerve." Anna Nilsson, Hal Clements, Guy Combs and Henry Hallman appear in this one-reel railroad drama. As the girl telegrapher, Miss Nilsson mounts the footboard of an engine and chases after a crook who is trying to escape on another locomotive.

## Motor News of General Interest

### MAXWELL COMPANY PAYS ITS MEN WHO FIGHT IN MEXICO.

In accordance with a statement issued last week by Walter E. Flanders, president and general manager of the Maxwell Motor Company, Inc., of Detroit, that institution has adopted the broad plan of action relative to the relief of the families of its employees who have or may enlist, for military service in connection with the present dispute with Mexico.

Mr. Flanders' announcement is as follows: "The Maxwell Motor Company, Inc., will hold positions open for any of its employees who have been in its employ more than four months, who enlist or have enlisted for the Mexican trouble. While engaged in the Mexican trouble, the company will continue the pay of such employees who have others dependent upon them at the rate of one-half their present salaries, for one year from this date (June 30), unless the Government shall have made adequate provision sooner."

A number of Maxwell employees had enlisted before Mr. Flanders made the announcement of the company's intentions, and judging from the enthusiasm with which the announcement was received at the various Maxwell factories when the notice was posted, it will have the effect of stimulating recruiting from the great army of Maxwell workers.

### Many Go from Detroit.

More than a score of factory workers had enlisted from the Detroit plant of the company by July 1, and many others announced their intention of

going as soon as they learned that their families would not suffer during their absence. In the company's plants at Newcastle, Ind., and Dayton, Ohio, a similar situation obtained.

The Maxwell announcement is in direct line with the company's policy of rendering all possible aid to the United States Government in the Mexican crisis.

### Maxwells on Border.

All during the border trouble, Maxwell cars have rendered efficient service, and because of its ability to take the rough roads in the southern country it has been a favorite with the soldiers. Maxwell cars have penetrated far into the Mexican country, and the famous non-stop car gave a good account of itself when it was commanded by United States troops patrolling the Arizona border.

General Pershing has benefited by the service of more than 100 Texan owners of Maxwell cars, who volunteered themselves and their cars when the punitive expedition headed across the border.

Over forty motor reservists, all driving their own Maxwell cars, both men and vehicles being equipped completely for service, have volunteered from the State of California and are ready to move on order from General Pershing.

### EVERY CONVENIENCE AT BIG TRACTOR SHOW FOR VISITORS.

In connection with the Tractor Demonstration to be held at Dallas July 18 to 21, the local committee has made arrangements with the telephone and

telegraph companies to run wires to the ground, so that direct communication may be held with any point visitors to the demonstration may want to reach. The Southwestern Telephone and Telegraph Company will have all kinds of private wires and booths on the ground, the equipment offered for service being as complete as the office at town. The Western Union Telegraph Company has arranged to run wires to the ground, and will have in charge a competent force of operators.

The committee also decided upon the location of the headquarters tent. This will be placed on the east side and adjacent to the interurban railway. The location of the tents will be on an elevation overlooking the demonstration site, and no better view could be obtained of the work going on than from this location.

A. E. Hilderbrand, manager of all the demonstrations, will reach Dallas Sunday, and will remain until the demonstration at this point closes. Upon his arrival he will take active charge of the final arrangements for the demonstration, and with his arrival the demonstration site will present a scene of activity, as additional machinery and tractors will begin to arrive at once, exhibition tents will be put up, and the ground gotten in final shape for the reception of visitors on the opening day, July 18th.

The committee has already granted concessions for lunch, cold drinks, fuel oil, and many other things which will be necessary both for the demonstrators and visitors on the field. A few small tractors will pull tanks of

ice water around the grounds during the demonstration. A competent photographer has been engaged, whose services will be available to those wishing illustrations. Badges for exhibitors and their employees are already in hand.

The officials of the Dallas Demonstration believe that practically every tractor manufacturer in the United States will be represented, in addition to nearly 100 manufacturers of accessories. Space in the exhibition tent is already at a premium, and the great difficulty of the committee has been the necessity of rejecting the numerous requests for exhibition space of manufacturers of goods other than tractors and operated machines.

From replies received from a very small number of exhibitors, about 150 tractors of all sizes and types are assured for demonstration and exhibition purposes. When all of the 102 exhibitors are heard from, it is believed that nearly 250 tractors will be listed for appearance at this initial demonstration.

### BARNEY OLDFIELD PUTS PEP IN ANCIENT MODEL.

Barney Oldfield is noted for doing "stunts." Just before the Indianapolis elimination trials, Barney got into a Premier built 13 years ago. It looked like a page out of ancient history. It had no hood, its valves were rusted, and every minute the spectators expected it to crumble like the old One Hoss Shay.

Well, Barney tinkered with levers, and before anybody knew what was going to happen he was shooting away down the track like a streak. If you'd seen an old-time trotter emerge from the past and caper around the lot like

a three-year-old, you couldn't have been more surprised than the people who witnessed this old war horse lumber up.

But the surprise of all was the actual speed the 1903 model attained. Those who figured it might get up to 25 or 30 miles an hour rubbed their eyes in wonder when it came down the stretch. Flames were shooting out from behind. It was puffing and chugging and belching smoke and fire.

It stopped finally with a proud snort, its engine all aglow. It had gone 63 miles an hour. Never, even in its prime, had it gone that fast before, and it was equipped with Goodrich Silvertowns.

The first automobile race in the United States was held in Chicago in 1895. The average speed was 7.5 miles an hour.

### SANDERS TRACTOR PLOWS

Prejudice probably as much as level-headed judgment directs the casting of ballots.

Soon will be the season of concerts and artists' recitals, and we have no place to hold them.

Wayland College is confidently expected to make the best showing in its history this year. It deserves the support of every citizen of the town.

With the development of the livestock industry, and especially the hog-raising branch of same, Plainview's need of an east-and-west railway becomes more apparent.

Plainview and the other South Plains towns need double daily mail service. Apparently traffic is heavy enough to justify double daily passenger train service, and it is nothing more than the towns deserve.

Plainview citizens haven't lost sight of the Chautauqua proposition. Plainview's trade territory appreciated the 1916 Chautauqua. It's a good thing for the citizens of the town and the surrounding country. Plainview should have another Chautauqua by all means.

Auto supply stations and garages in Plainview and Plainview's merchants realize the benefit to the town good roads are. There are no better natural roads for motoring than the roads on virgin Plains soil. The Plains country should be much interested in the good-roads meeting to be held at Medina Lake in August.

The Wichita Beacon sees the Dallas News as one of the least prejudiced papers of the Southwest. It probably intends a compliment when it says: "The Dallas News is not so hide-bound in its Democracy as the general run of Texas papers. It frankly admits that Charles Evans Hughes has one of the most interesting grandsons in the country."

**TREES A CIVIC ASSET.**

"That attractive trees are a genuine asset to any community is now generally recognized. The attractiveness of well treed streets is not only a thing of beauty, but also marks material prosperity. When it is also borne in mind that natural growth of street trees, with proper care, nearly or quite doubles in value every year for a number of years, the economic value of this improvement is easily seen.

"The trees on our streets do not stand for beauty alone, but are of very great economic importance, as they shade the streets, cool the atmosphere, take certain impurities out of the air and give us back pure air instead.

"Personally, we believe the greatest asset of all in beautiful shade trees is the fact that they foster civic pride, and tend to make every individual home owner and renter plant more trees, more flowers, take better care of his lawn, and often stimulates an additional coat of paint to his house."

We have quoted from a speech by F. K. McGinnis, city forester of Dallas, Texas:

Plainview has more trees than any other West Texas town. She has more trees in proportion to her size than any town in the Panhandle of Texas, except Charendon, which is justly famous for her splendid trees. She can and should have more.

**Food for Thought**

Let every dawn of morning be to you as the beginning of life, and every setting sun be to you as its close; then let every one of these short lives leave some sure record of some kindly thing done for others, some goodly strength or knowledge for yourselves.—John Ruskin.

There is no cutting of the Gordian knots of life; each must be smilingly unraveled.—Robert Louis Stevenson.

Teach us, Father, how to reach the higher patriotism. Help us to dedicate ourselves to the cause of freedom, equality and justice, and make us conscious members of the brotherhood that encircles the globe.—Jenkin Lloyd Jones.

A competent program for National preparedness must comprehend and meet the social, economic and spiritual needs of the people. Mere military preparedness alone is inadequate for the safeguarding of the Nation's life, even in time of war. The final issue of the titanic struggle that now convulses Europe will be decided in the homes, workshops, fields and laboratories of the peoples now at war. Any program for National security in time of war that does not involve social and economic security in time of peace is false to the needs of the Nation's life, and arouses suspicion as to the good faith or intelligence of its advocates. The great nations now at war have developed and organized co-operative industry, capable of economic production, unprecedented in the history of international commerce. To meet these new economic weapons in the markets of the world, American industrial life must undergo complete reorganization. The old wastes must be eliminated and the old methods transformed.—From the address of Temporary Chairman Raymond Robbins in opening the Progressive National Convention, in Chicago.

**EAST TEXAS MOVES TO THE LONE STAR COMMUNITY.**

LONE STAR, July 11.—Our farmers are now ready and anxious for a rain, as the harvesting and threshing is all finished up now, and they are ready to prepare their land for wheat sowing.

Mr. and Mrs. Hatchett motored to Dimmitt Sunday with Mr. Bobbitt and wife. Mr. Bobbitt carried Mr. Estes there to teach a singing school. We can highly recommend Mr. Estes as a teacher.

Mrs. Bryant, of New Mexico, is visiting her sister, Mrs. Raxrode.

Mr. Mason and family, of Central Texas, came in last week to make their home on the Plains. Mrs. Mason is a daughter of Mr. and Mrs. Hooten.

Fred Weyl and family spent Sunday afternoon at the home of E. C. Dodson. Bob Reeves attended church at Providence Sunday.

Mr. and Mrs. Clyde Reeves, of Lockney, visited in the home of his father, W. T. Reeves, Sunday.

Mrs. McGeehee entertained company from Lockney Sunday.

Mrs. Daniels' sister returned home Sunday, after several days' visit with Mrs. Daniels and family.

Miss Flora May Scudder, of Plainview, spent several days with Marie Dodson last week. Miss Scudder is teaching a music class at Providence and one at Whiteflat, and is giving good satisfaction, so we are told.

Miss Hazel Ooley, of Providence, was visiting in our community last week. The singing at Mr. Hooten's Sunday night was well attended.

Miss Cornelia Gowin, of Amarillo, who has been visiting with Miss Adelle Melton, returned home this morning.

Mr. and Mrs. J. H. Hall, of Childress, Texas, are visiting in the home of Mrs. S. E. Melton.

**Here, There and Everywhere**

A warrant has been signed by Governor Ferguson for the fifty-acre tract on which the original Texas capitol was located. It is to be converted into a public park. This land is situated at Washington, Washington County, on the Brazos River.

Among the cities which have recently taken steps to improve their sewage-disposal plants in accordance with the requirements of the anti-stream pollution law of the last Legislature, which becomes effective January 1, 1917, are Jefferson, Lufkin, Celina, Willis Point, Lancaster, Plainview, Tyler, Melvin, Seguin, Mineral Wells, Arlington, Gonzales, Forney and Whitewright.

Members of the Kansas National Guard on the Texas border may vote in the Kansas Statewide Primary in August, according to a decision of the Kansas Supreme Court. They will vote by mail.

President Wilson is to be in El Paso October 5th.

**INTERESTING HAPPENINGS AT SPRING LAKE CHRONICLED.**

SPRING LAKE, Texas, July 11.—Wheat threshing is now the order of the day. Farmers are all rejoicing, as the yield of wheat is considerable more than expected.

The merry "chug" of the gasoline engine can be heard on some of our farms pumping water for stock. The wind has been very quiet this summer.

We now have preaching services every Sunday. Rev. McRoy, of South Carolina, is the new minister. He is a very learned man, and Spring Lake is very fortunate in securing him.

Otis Brown was in Plainview Monday.

L. F. Harris made a business trip to Muleshoe Saturday.

M. E. Cleavenger and family and Rev. McRoy ate fried chicken with Mr. and Mrs. Milton Ott Thursday.

Ralph Packard was in Plainview the last of the week for oil for threshing purposes.

W. S. Hall was a Plainview visitor Monday.

Miss Hazel White is visiting relatives in New Mexico.

M. E. Cleavenger and family and Rev. McRoy ate fried chicken with Mr. and Mrs. Milton Ott Thursday.

O. C. Axtell was in Dimmitt Monday.

Every Saturday afternoon at 3 o'clock is the new time set for the meeting of the Junior Christian Endeavor, after which games of all kinds are indulged in by all.

Mr. and Mrs. J. D. Trumbull were in Plainview Monday.

M. E. Cleavenger was in Muleshoe on business Monday.

A creamery man was in these parts this week talking with some of our people about the advisability of selling cream. He met with encouragement.

Spring Lake celebrated the Fourth with a good old-fashioned picnic and program. While we were disappointed in not securing the speaker which we expected, we thoroughly enjoyed Rev. McRoy's talk. Another part of the program was a flag drill by the young people. There were twelve young ladies and 12 young men who participated. The young people did credit to themselves and to Mrs. Packard, who had the drill in charge. The outdoor program consisted of pole climbing and races of all kinds. A very interesting thing was the parade by the children. This indeed was enjoyed by all.

W. B. Martin, C. C. Whipp and Fred Miller, of Plomot, and Jack McCuthey and A. B. Crump, of Whiteflat, are in Plainview today.

We do all kinds of Upholstering—Auto Backs and Seats, Davenport, Chairs, etc. THE HANDY MAN'S SHOP. Phone 475.

## ANNOUNCEMENTS.

This afternoon Miss Edna Harrington and Mrs. Chas. Saigling will entertain in honor of Miss May Kinder, at the home of the former.

Thursday night the Berean Class of the Baptist Church will present Miss Patti Thrash, Mrs. Grady Lindsay and Geo. Hutchings in a recital at The Mae I. Theatre.

Tomorrow evening, honoring Miss May Kinder, Miss Nell Jones will entertain with a dinner party.

Wednesday afternoon Miss Daisy Gidney will entertain the Wednesday Bridge Club.

## MISS KINDER HONOREE.

Last night the Misses Gidney entertained a number of young ladies with a theatre and slumber party, in honor of Miss May Kinder, whose approaching marriage to Ben F. Smith has been announced.

This morning a delightful home breakfast was served to the guests.

## MISS QUISENBERRY IS GUEST OF HONOR.

Miss Sammie Mounts entertained a number of her friends Thursday at her home, northeast of Hale Center, with an excellent dinner, in honor of her visiting friend, Miss Claudia Quisenberry, of Plainview.

A feast of good eatables, excellent music and delicious refreshments made it a most enjoyable and long-to-be-remembered occasion. Misses Eula Elliott, Elizabeth Henry, Elizabeth Webb, May Monroe, Grace Ferguson, Mavis and Vera Terry, Mrs. J. L. Jetton and daughter, Miss Lola May, were the pleased guests.

## SHOWER HONORING BRIDE-ELECT, MISS MAY KINDER.

Mrs. D. H. Collier entertained Saturday afternoon with a bridge party and miscellaneous shower in honor of Miss May Kinder, a bride-elect. Punch was served during the games.

At the conclusion of the games little Virginia Hinn, who was mounted on a rocking horse in the dining room, rang a bell and called Miss Kinder from the guest room into the dining room, where she found a shower of gifts. Virginia handed to the honoree each gift one by one.

Pink was the color scheme carried out in the decorations and refreshments.

Ice cream and cake were served to the Wednesday Bridge Club and a few invited guests.

## DeWALD-LIPSCOMB.

In Saturday's issue of the Wisner Chronicle, Wisner, Nebraska, appeared the announcement of the marriage of Miss Jennie Martha DeWald, of Wisner, to Robert G. Lipscomb, of Plainview.

Mr. Lipscomb is a son of Mr. and Mrs. D. T. Lipscomb. Miss Mary and Roy Lipscomb both attended the wedding.

## PICNIC AT LAKE.

Friday night Misses Hattie Clements, Fanny Sheffy, Clara Hooper, Elsie Wolverton, Dollie Wilson, Lela McVicker, Louise Duckwall, Minnie Wolverton, Ruth Duckwall, Blanche McVickers and Nell Myers, and Mrs. Chas. Clements and Mrs. W. C. Clements met at the lake, where a bountiful picnic supper was spread and enjoyed by all.

Later boat riding furnished the amusement, and at a rather late hour the "picnickers" departed for their homes, each declaring they had had "one good time," and hoping to have another outing soon.

## WILSON-MADDOX.

Miss Claire Bell Wilson, daughter of Mr. and Mrs. Tom Wilson, was married Monday night to H. C. Maddox, of Austin. The ceremony was pronounced by Rev. J. A. Sweeney, pastor of the Methodist Church of Lockney, at his home.

Mr. and Mrs. Maddox are visiting with her parents, on the Wilson ranch, near Lockney.

## PRESBYTERIAN PICNIC.

The First Presbyterian Church and Sunday School will have their annual picnic, at Pioneer Park, next Thursday. All members of the church and Sunday School and the members of their families, and those who usually worship with us, are invited.

Conveyance for all will be provided, and all will leave the church at 2:30 p. m. and return by moonlight.

Every family is requested to bring a basket, but in case you cannot, you are to come just the same. No dishes or table cloths are wanted; bring a cup and fork for each.

## COMMITTEE.

## HOME ECONOMICS DELEGATES LEAVE FOR AUSTIN SATURDAY.

The Plainview Home Economics Club, No. 1, met this morning, with Miss Margie Saffle. Two new members were enrolled and a new leader was chosen, as the present one, Miss Saffle, will be away for the rest of the summer.

The delegates to the State Convention, at Austin, will leave next Saturday.

The next meeting will be with Mary Bryan, next Tuesday.

After a delightful tea served by the hostess, the club adjourned.

# Make Cooking a Real Pleasure

As soon as you have an OIL STOVE cooking will be a real pleasure. They are always ready when you are. They save fuel, save health, save temper, save food, and save money for the owner. There should be an immense amount of satisfaction in the increased efficiency and the comfort in ownership of a modern appliance like a guaranteed oil stove. Wouldn't it be a boon to the housewife in your home if she could eliminate the heat and worry of the old fashioned method of cooking and have the advantage of the coolness, comfort and quickness of a real oil stove? The heat is right under (and hence goes up into) the "cooking" and not out into the room. The heat is always under perfect control.

You can keep one or four burners at an intensely hot flame, or a mere simmer. To regulate the heat you turn a lever according to a dial.

Oil stoves are clean, safe, economical, reliable. No wicks to trim nor valves to leak. The oil supply is automatically constant.

Water heaters give you plenty of hot water—any time—without heating your kitchen.

Glass door ovens are perfect bakers, insulated with air space and asbestos, retaining heat for the cooking.

We sell The Florence and other high-grade makes of oil stoves and invite your careful inspection of their merits.

**CITATION BY PUBLICATION.**  
**THE STATE OF TEXAS.**  
 To the Sheriff or any Constable of Hale County—GREETING:  
 YOU ARE HEREBY COMMANDED, That you summon, by making Publication of this Citation in some newspaper published in the County of Hale, if there be a newspaper published there in, but if not then in any newspaper published in the 64th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest district to said 64th Judicial District, for four weeks previous to the return day here-

of, T. H. Davis, whose residence is unknown, to be and appear before the Honorable District Court, at the next regular term thereof, to be holden in the County of Hale, at the Court House thereof, in Plainview, Texas, on the 7th day of August, 1916, then and there to answer a Petition filed in said Court, on the 24th day of January, A. D. 1916, in a suit numbered on the docket of said Court No. 1206, wherein Annie May Davis is plaintiff and T. H. Davis is defendant. The nature of the plaintiff's demand being as follows, to-wit:  
 THE STATE OF TEXAS,  
 COUNTY OF HALE,  
 IN THE DISTRICT COURT OF HALE COUNTY, TEXAS, AUGUST TERM, A. D. 1916.

To the Honorable District Court of said County:  
 Now comes Mrs. Annie May Davis, hereinafter called plaintiff, who resides in the said Hale County, Texas, complaining of T. H. Davis, hereinafter called defendant, who resides in Hale County, Texas, and, praying for a divorce, for grounds, says:

1. That on or about the 24th day of November, A. D. 1907, plaintiff was duly and legally married to defendant in the County of Oklahoma, State of Oklahoma, and continued to live with him as his wife until about the 27th day of November, A. D. 1915.  
 2. That plaintiff has been an actual bona fide inhabitant of the State of Texas for a period of twelve months, and has resided in said County of Hale, where this suit is filed, a period of six months next preceeding the filing thereof, having become an inhabitant of said State in the year of our Lord 1909, and a resident of said County on the 10th day of April, A. D. 1915.  
 3. That at all times, while married to the defendant, plaintiff has conducted herself with propriety, doing her duty as a wife, has at all times treated defendant with kindness and forbearance, and has been guilty of no act bringing about or causing the herein-after described acts, omissions and conditions on defendant's part.  
 4. That defendant disregarded the solemnity of his marriage vow, and his obligation to treat plaintiff with kindness and attention, within about a year after their said marriage, commenced a course of unkind, harsh and tyrannical conduct toward her, which continued, with very slight intermission, until she finally separated from him, on or about the 27th day of November, A. D. 1915. That on divers occasions, while plaintiff lived with defendant as aforesaid, he was guilty of excesses, cruel treatment and outrages toward her, of such a nature as to render their living together insupportable.  
 5. That on or about the 1st day of February, A. D. 1913, at Newsome, Camp County, Texas, when plaintiff's and defendant's oldest child was sick, defendant, in a harsh and brutal manner, told plaintiff to bring him some medicine. That plaintiff was so hurt and shocked by said conduct of defendant that she hesitated or paused in going for said medicine and stopped by a window. That defendant became so enraged at plaintiff that he approached her in a very threatening manner and took hold of plaintiff's person in a cruel and brutal manner and addressed to her most opprobrious epithets and made threats of personal violence, saying "G—damn you, I've a great notion to kill you," under circumstances which showed utter disregard for plaintiff's health, if not her life, and plaintiff was greatly frightened.  
 6. That, in Vernon, Wilbarger County, Texas, in the month of December, A. D. 1913, defendant made arrangements with one Professor Gilley for defendant and plaintiff to live in the house with said Prof. Gilley which was at that time occupied by said Gilley. Defendant had agreed that he would furnish groceries for the common table and that plaintiff would cook and keep house for them, and that said Gilley would furnish the house and its furnishings. That plaintiff's wishes were not consulted in regard to said arrangement before said arrangement was made, and that plaintiff, upon learning of same, objected to agreement on the ground that said house was too dirty to live in. Defendant, without just cause or provocation, became angry at plaintiff and addressed to her such opprobrious epithets, saying "You G—damn whore," etc., and threats of personal violence as to put her in great fear of her health if not her life. That plaintiff, always solicitous of the welfare of defendant's financial interest, agreed and did accept with defendant said proposition of said Gilley, and moved into said house occupied by said Gilley. That sometime afterwards, the plaintiff being unable to fix the exact date thereof, the wife of said Gilley returned to live with him in said house. That, although plaintiff endeavored to be compatible with said Mrs. Gilley, their association together in the same house became unbearable to plaintiff, and plaintiff told defendant that she could no longer live under the existing arrangement. Defendant said that that was the best that he could do at that time. Plaintiff then suggested that she would go to visit her sister, who resided in Wichita Falls, Texas, until defendant could make other arrangements for a house, and thereby relieve him of the expense of paying hotel fare for that time. That defendant did not want plaintiff to go to Wichita Falls, and said that he would not let her have the money to pay her railroad fare. That defendant, for no reason known to plaintiff, became angry at plaintiff, and addressed to her such opprobrious epithets and threats of violence, saying "G—damn you, I have a good notion to cut your G—damn throat," all of which put plaintiff in great fear of her life.  
 7. That defendant, within a year after their said marriage, commenced cruel, harsh and indifferent course of conduct toward plaintiff, which continued throughout the time that she lived with him as his wife. That defendant, utterly disregarding plaintiff and unmindful of plaintiff's refined nature and her social position, continually, upon leaving home on business, or for other reasons, would leave plaintiff without funds with which to purchase the daily necessities for herself and children. That such treatment was not only embarrassing to the extent of cruelty, but it often left plaintiff without food sufficient for her absolute needs, and as a result of such treatment plaintiff's health was damaged and plaintiff was made to suffer needlessly therefrom.  
 8. That on or about the 27th day of November, A. D. 1915, plaintiff tried to talk over long distance telephone to defendant, who was at that time in Amarillo, Texas. That defendant, after being told who wanted to talk to him, denied that he had a wife and that any such person wanting to talk to him was an imposter and a fake. That such denial of marriage was of a most cruel and inhuman character, and that plaintiff suffered great mental agony therefrom, being destitute and among strangers.  
 9. That in consequence of the cruel and inhuman treatment above mentioned, together with the threats aforesaid, and such brutal and outrageous conduct towards her as rendered it unsafe for her to live with him or remain within the reach of his violence, she was, on or about the 27th day of November, A. D. 1915, obliged to leave, and did leave, the house of said defendant and go to her friends, since which time she has not dared to return to his said house or to live with him.  
 10. That during the marriage of plaintiff and defendant, they have had born to them as issue of such marriage, two children, both female: Feraby Mae, age 7 years, and Neva E'Lois, age two years, who are still living that plaintiff is able to bring up and educate said children properly in that plaintiff has relatives who are provided with means and who have expressed assurance that they will assist plaintiff in bringing up and educating said children; that defendant is not able to bring up or educate said children properly, because his business takes him from place to place, and he would not be able to care for said children if he was so inclined; that plaintiff is and would be prudent toward such children, but defendant would not because he often becomes intoxicated and remains so for days at a time, and is not therefore morally fit to be custodian of the persons and education of such children; that it would be right and proper to award the custody and education of said chil-

**RECORD-BREAKING YEAR FOR TOURING AMERICA.**  
 Reports from all parts of the United States indicate that touring this season is going to reach a stage that will eclipse anything in the history of the automobile world. In fact, the touring passion is going to go far beyond the most exaggerated dreams of a few years back. This is largely due to the European war, which has shut Americans out of traveling abroad; but it is due also to the natural, tremendous increase in the automobile industry, and to a steady improvement in road conditions.  
 If you fear War and want to know how to escape its horrible consequences

KANSAS CITY STOCK MARKET IN DETAIL.

KANSAS CITY STOCK YARDS, July 7.—Cattle receipts this week were light, but there are indications of a seasonable increase next week. Prices were stronger Monday, lower Wednesday, with some improvement yesterday, especially on quarantine cattle, the week closing actively at strong prices. The 2,000 head received today included 1,200 quarantine cattle. The best beef steers here this week sold at \$10.35 to \$10.60, Missouri corn sold at \$10.35 to \$10.60, Missouri corn and grass fed, these being about the best coming now, some as low as \$9.75. Kansas wintered steers were offered pretty freely, selling at \$8.25 to \$9.30. Texas steers grazed in Kansas and Oklahoma, 900 to 1,100 pounds average, sold at \$6.90 to \$7.75, light-weight Oklahoma grass steers \$6.50 to \$7.00. Good Western pulp steers sold at \$10.00 to \$10.20. Another good run of North Texas fed steers arrived in the quarantine division, and buyers took them quickly at strong prices, sales mostly \$8.00 to \$8.85. South Texas grass steers sold during the week at \$6.55 to \$7.30, a train of common canner Coatsers at \$6.25. Butcher grades hold up firm on account of scarcity, best cows \$8.25, some grass cows Thursday at \$7.25, best heifers \$10.00, veals today \$11.25. Trade has been light because of small receipts, and prices are about steady, except for the usual week-end bargains today. There is a demand for fleshy feeders 1,200 pounds or more, prices up to \$8.50, plain feeders \$7.35 to \$7.75, most of the stock steers \$7.25 to \$7.50, a few at \$8.00 or better. Best stock cows and heifers bring \$6.00 to \$7.00, some Arizona wet cows today at \$4.85, Arizona stock calves \$9.00. Hogs sold steady to 5 cents lower today, receipts 4,000 head. It looked like a lower market at the start, but shipping orders were good, and packers followed the pace. Local top was \$10.10, as compared with \$10.00, highest price at any other Missouri River market. Bulk of sales ranged from \$9.80 to \$10.00, light weights \$9.60 to \$9.90, pigs \$9.25 to \$9.50. Packers buy pigs within 50 cents of the fat-hog market, competition from immune stock hog plants keeping pigs at the prevailing high range of prices. Outlook points to moderate receipts, and high prices. Receipts were only 1,300 today, following a light supply all week. Prices are working higher, lambs up to 25 cents today, and 30 to 50 cents higher for the week. Native spring lambs sold at \$8.00 today, 83 pounds average, the feeder end at \$7.45. Best ewes bring \$7.10, wethers \$7.50, feeding lambs \$8.75, breeding ewes at \$7.00 to \$8.50, including yearlings. J. A. RICKART, Market Correspondent.

OF LOCAL INTEREST

Some People We Know, and We Will Profit by Hearing About Them. This is a purely local event. It took place in Plainview. Not in some far-away place. You are asked to investigate it. Asked to believe a citizen's word; To confirm a citizen's statement. Any article that is endorsed at home is more worthy of confidence than one you know nothing about. Endorsed by unknown people. Mrs. W. J. Mitchell, W. California Ave., Plainview, says: "Doan's Kidney Pills are a good medicine for weak kidneys. We got our supply from the Long Drug Co. and gave them to a child who had trouble with the kidney secretions. Doan's Kidney Pills were the only medicine that brought beneficial results." Mrs. Mitchell is only one of many Plainview people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mrs. Mitchell recommends—the remedy backed by home testimony. 50c at all stores. TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts Your Liver Without Making Every Druggist in town—your drug—You Sick and Can Not Satisfy.

Every druggist in town—your druggist and everybody's druggist—has noticed a great falling off in the sale of calomel. They all give the same reason—Dodson's Liver Tone is taking its place. Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs 50 cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back. Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition. -Adv

Put Mother, Not Baby, on Bottle

You never heard this argument before. We all know Mother's milk is best for baby. But what to give the mother to enable her to supply baby with a sufficient amount of nourishing milk is the problem. We have found in hundreds of cases that HEMO is a nourishment that will increase the milk supply and at the same time enable mother to get much needed strength. Then too, it is so appetizing and delicious that it is welcomed at a time when most foods are not. Makes a delicious food drink by simply adding water. We suggest that you try a 50c package with our guarantee of satisfaction. Long-Harp Drug Co., Plainview.

\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. GIBNEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.

The Strong Withstand the Heat of Summer Better Than the Weak. Old people who are feeble, and younger people who are weak, will be strengthened and enabled to go through the depressing heat of summer by taking regularly Grove's Tasteless Chill Tonic. It purifies and enriches the blood and builds up the whole system. 50c.

Bell Connection

Adds to Farm Cheer. It was a blustery March evening, but inside the cozy sitting-room of the Brown's all was cheery and bright. Mrs. Brown stepped to the telephone. Her husband smiled—for he knew the pleasant custom for years had been to call the daughter, in the distant village, each week. Have you a Telephone connected to the Bell System?
