TWICE-A-WEEK

VOLUME 27. NUMBER 86

PLAINVIEW, TEXAS, FRIDAY, OCTOBER 27, 1916

TARIFF 2-B PROBABLY WILL BE SUSTAINED

EACH SHIPPER MUST BRING SEPARATE CASE BEFORE I. C. C. FOR ADJUSTMENT.

TEXAS SHIPPERS PROTESTING

Attorney General Looney, Texas Railway Commission and Shippers in General Indignant.

A merry little war is being waged between the shipping interests of Texas, Attorney General of Texas B. F. Looney, Texas Railway Commission and the Interstate Commerce Commission. Just now Attorney General Looney, with Texas shippers, is in Washington conferring with the Interstate Commerce Commission. The shippers and the Attorney General are protesting against tariff 2-B and asking for its suspension. This tariff will go into effect on November 1, next Wednesday, if the petition for suspension is not sustained. Shippers in the Panhandle and South Plains district will be hard hit by the new tariffs, a resume of which appeared in The Herald some two weeks ago.

The policy of the Texas Railway Commission has been to allow as long hauls as possible on intra state business for a light rate, thus developing new sections of the country. The Interstate Commerce Commission desires everything to be in proportion to the distance the commodity is hauled. It will be remembered that Commissioner Earle B. Mayfield, when in Plainview in the spring, stated that a conflict was brewing between the two commissions, which threatened the very life of the Texas Railway Commission.

That the matter of rate discrimination can be adjusted only by separate and special cases before the Interstate Railway Commission is the opinion of those who are keeping closest in touch with the rate situation. It is considered highly probable that the I. C. C. will sustain tariff 2-B and that it will become effective as per railway announcements. Adjustments will have to follow suits filed after the rates have been put into effect.

From Austin, Texas, of Tuesday's date, the daily press of the State carried the following story:

"There are ten extra clerks employed in the Attorney General's Department at this time compiling exhibits to be used in the various phases of the rate litigation now on between the railroads and the Railroad Commission and the commercial interests of the State. They are working under the direction of Assistant Attorney General Luther Nickels, who has charge of the litigation on behalf of the State. As is usual with rate cases, the record will be most voluminous and the statistical tables endless. Both sides have large forces at work preparing the latter.

"Assistant Attorney General C. A. Sweeton, in charge of anti-trust matters, is at work on the anti-trust phase of the situation. It was first raised in the injunction suit brought against thirty-four lines and granted yesterday as to thirty-two. It is hinted at the Attorney General's Department that it is probable that penalty and forfeiture suits may be brought against the lines parties to Tariff 2-B on account of alleged violation of the anti-trust statutes. Practically every railroad in the State is a party to this tariff, and a suit would include them all."

TAKING STRAW VOTE.

The Rexall stores of the United States have been called on from the offices of the corporation for a straw vote on the presidential election. Each store in the chain sends in a daily report. The Dye Drug Company, of Plainview, is taking a straw vote of Plainview. The returns from the various stores will be tabulated and a summary made.

There are more than 8,000 Rexall stores, located in every city and town of any consequence in the United States. The population of all the towns runs into the millions, and 2,500,000 people are served at the various stores. This gives an idea of the comprehensiveness of the straw vote.

DUCKS ARE PLENTIFUL.

Ducks are plentiful on the lakes near Plainview. Many hunting parties are out each afternoon and morning, and they are generally successful.

ELECTION RETURNS WILL BE POSTED BY THE HERALD

Three Bulletin Boards Will Be Maintained—Returns to Be Furnished to Theatres.

Returns from the general elections will be secured by The Herald by wire, a continuous service being maintained. The bulletins will be posted at the R. A. Long Drug Store, where the only complete returns of the primary election were given in the city by courtesy of The Herald, in July. Not only will the information be available at the R. A. Long Drug Store, but The Herald has arranged to furnish the service to The Mae I. and The Olympic theatres, where bulletins will be flashed on the screens. The theatres plan to give their regular show, confining it, however, to only one exhibition, giving election returns after the early-evening show. This will give the ladies who care to see the returns an opportunity to be comfortably seated.

The election in Texas will be of only passing interest, the Democratic Party's nominees being conceded all state offices, but returns on State offices will be furnished on request. The service will be furnished by a competent agent, and special arrangements have been made with Western Union Telegraph Co., through the local manager, Miss Polansky, for prompt service. The Herald assures the public that it will have the returns as complete and as soon as they can be furnished by wire.

SWINE BREEDERS WILL MEET SATURDAY AFTERNOON.

The regular monthly meeting of the Hale County Swine Breeders' Association will be held at the Court House Saturday afternoon at two o'clock. Geo. R. Quisenberry, president of the association, states that important business is to be transacted, and urges the attendance of every member.

HALE CENTER WON MANY PREMIUMS AT STATE FAIR.

Hale Center had a good exhibit at the Texas State Fair. It was the only town in the county represented. The premiums won by this exhibit were: First on apples, first on maize, first on pumpkins, first on alfalfa, first on cabbage and first on beans.

WILL IMPROVE NEW FARM.

P. D. Henders arrived this morning from Ottawa, Ill. He has a tractor here ready to unload, preparatory to making a wheat farm out of section 13, block R, south of Plainview. He expects to plant 160 acres immediately and will prepare the remainder for another year.

BUILT A NEW STUCCO HOUSE ON FARM NORTH OF TOWN.

Henry W. Garrett has built a nice stucco house and other improvements on his farm a mile and a half north of town, and has moved his family to their new home. Mr. Bailey, of the Bennett Grocery Company, has moved to the house just vacated by him, in the west part of town.

HUNT COUNTY MAN WILL IMPROVE A NEW FARM.

R. S. Blakemore, of Commerce, Hunt County, is here arranging to improve land which he recently purchased sixteen miles west of Plainview. Mr. Blakemore will live in town until he gets his improvements made on his farm, at which time he will be joined by his brother-in-law from Hunt County and move to his farm.

IN THE COURT OF CIVIL APPEALS, SEVENTH DISTRICT.

The Court of Civil Appeals, Seventh Supreme Judicial District, at Amarillo, has affirmed the case of A. L. Anderson vs. P. H. Farmer, et al., appealed from Hale County. Set for submission on November 15 are the cases of P. & S. F. Ry. Co. vs. T. A. Morrison and P. & N. T. Ry. Co. vs. C. A. Malone, appealed from Hale County.

MOTOR CAR LICENSES.

During the week motor car licenses have been issued by County Clerk B. H. Towery to: J. H. Johns, No. 1054, Ford; Wilson Motor Co., No. 1055.

HALE COUNTY TO SHOW AT THE COTTON PALACE

EIGHTEEN HUNDRED POUNDS OF PRODUCTS SHIPPED TO WACO WEDNESDAY.

DR. J. D. HANBY HAS CHARGE

Bale of Upland Cotton Grades Strict Good Middling and Weighs 685 Pounds.

An exhibit characteristic of the South Plains products is being prepared for the Cotton Palace, which opens in Waco November 4. It is to be supervised by the veteran agricultural showman, Dr. J. D. Hanby.

Wednesday 1,800 pounds of produce were shipped to the Central Texas city. It included a 685-pound bale of upland cotton, raised by Ray Young and purchased by J. N. Jordan, who lends it to the exhibit with the understanding that it be sold in Waco at the current market price after the exposition. It is strict good middling. Other products will be sent later.

There are also samples of various grains, wheat, rye, barley, millet, oats, speltz, black emmer, buckwheat, threshed grain and heads of red milo maize, white maize, white and red kafir, and fetterita. Other garden and field products, such as sweet potatoes, Irish potatoes, beans, kershaws, onions, cabbage, squash, pie melon, carrots, stalks of cotton, cotton bolls, Spanish peanuts, soy beans, radish, cow peas, alfalfa hay, Indian corn, Sudan hay, Sudan seed, millet seed, Johnson grass hay, broom corn, broom corn seed, cotton seed, etc., will be sent.

The exhibit has the sanction of the Chamber of Commerce.

GOES TO WILSON TO CONDUCT FUNERAL OF A SMALL CHILD.

This morning Rev. A. L. E. Weber, Lutheran minister, left for Wilson, where he will conduct the funeral service of a small child of one of the members of his congregation there. He will be in Littlefield Sunday.

A PROMINENT NEW MEXICO RANCHMAN VISITING BROTHER.

D. D. Shipley is enjoying a visit from his brother, Alex Shipley, of Clovis, N. M. Mr. Shipley is a prominent ranchman and has extensive interests in the Clovis country. It will be remembered that he was host to the Panhandle Bankers' Association in their recent meeting in a very novel and elaborate barbecue.

TRACTOR SHOW MASS MEETING A "FIZZLE"

ONLY FIFTEEN RESPONDED TO CALL FOR GENERAL MASS MEETING AT COURT HOUSE.

TO MEET NEXT WEDNESDAY

Believe Merit of Proposition Warrants Calling Again on Citizens of Plainview.

The mass meeting at the Court House Wednesday evening was a "fizzle." The meeting had been jointly called by President Chas. Reinken of the Chamber of Commerce and President E. B. Miller of the Y. M. B. L. The purpose of the meeting was to discuss the matter of Plainview's securing one of the national tractor shows.

In the belief that the people of Plainview did not understand just the purpose of the meeting, it was decided by those in attendance to ask for another meeting. President Reinken of the Chamber of Commerce insisted that those present, in talking the meeting to their friends, state that there would be no collection or subscription taken. The real purpose of the meeting was to discuss whether Plainview desires to entertain the tractor show.

The proposition in a nutshell is this: For more than a year Col. R. P. Smyth, secretary of the Chamber of Commerce, has been corresponding with Mr. Bartholomew, president of the national tractor manufacturers' association. While in Dallas last summer Colonel Smyth was given assurance by this gentleman that two tractor shows would be held in Texas this year, one in East Texas and one in West Texas, and that Plainview was the foremost city for the western show. The matter is now referred to the citizens of Plainview, to see if they consider the proposition worthy of their support. If they do, a proposition will be made that they can act on it at their meeting in November.

It is desired by those who are promoting the meeting for Wednesday evening, November 1, that not only the business men, but the citizens of the town and farmers of the surrounding country attend and express their views on the subject at hand.

JUDGE JOINER WILL HOLD COURT FOR JUDGE HUMPHREY.

Judge R. C. Joiner left yesterday morning for Amarillo, where he will hold District Court for Judge Hugh Humphrey, who is disqualified in an election-contest case.

NEW BRIDGE WILL SPAN RED RIVER ON ROAD TO PLAINVIEW

Ox Bow Crossing, Near Memphis, Will Be Passable for Motorists on New Highway.

Chas. Vincent, who has just returned from Memphis, where he went to inspect Memphis Commandery No. 50, Knight Templar, states to a representative of The Herald that the people of Memphis are very enthusiastic about the new bridge which will be erected across the Red River. Mr. Vincent says that it is his opinion that the contract has already been let for the structure. It is to cost \$30,000, and will be located at the old Ox Bow crossing. Heretofore tourists who wished to come from Memphis to Silverton or Plainview, were forced to go to Estilline, fourteen miles south, and then come back to a point almost opposite Memphis.

The river has been impassable there on account of quicksand. Only a few days ago a Memphis man drove a Jeffery Six into the river there, and was forced to desert it on account of water and sand. On his return to remove the car from the river only the top part of the windshield was visible. This new bridge will be the crossing place for the Mangum-to-Plainview Highway which is proposed.

AYRES RETURNS TO CHICAGO.

Fifty-Two New Members Received Last Night—Treasurer's Report Is Gratifying to Members.

Fifty-two applications for membership in the Young Men's Business League were passed upon last night by the league in its regular meeting, in the show room of the Barker-Winn Building. This makes a total of 109 members received since the new secretary, Z. E. Black, assumed his duties. The total membership of the organization is now about 300. The new members are: Fred C. Pearce, W. W. Kirk, E. S. Keys, W. H. Dickinson, R. F. Stuart, Hal Lattimore, Lee McGown, Dr. M. T. Griffin, J. M. Johnson, L. N. Dalmont, Jas. Story, Dr. R. L. Ramsdell, Fred Bartsch, W. A. Nash, T. L. Gordon, P. Davis, J. D. Harris, J. D. Stockton, Albert E. Allen, Austin Miller, Ed Calhoun, Carl Brask, H. D. Hyde, B. E. Mitchell, W. M. Watson, Frank Blank, A. J. Davis, E. C. Lamb, A. J. Lamb, G. W. Graves, Dan C. Ansley, Wallace Settoon, H. N. Stone, A. G. Cox, L. F. Cobb, H. H. Churchwell, A. E. Harris, C. S. Woodrow, J. M. Frogge, Jake Burkett, B. C. Holle, Prof. J. W. Campbell, Dr. E. F. McClendon, Mason Rountree, Tom J. Foster, Prof. R. F. Hare, E. C. Hunter, L. J. Warren, Marshall K. Warren, Jas. T. Phelps, Elvin Pendley and E. W. Malone.

A special committee which was appointed to complete collection of funds for the auto road to Silverton, had no report, its members having been too busy with their own business to attend to the matter, and the committee, composed of Ben O. Sanford, Maple Wilson and H. L. Shafer, was discharged, and a new committee, W. A. Nash, J. B. Maxey and W. F. Garner, appointed.

On the freight-rate meeting which was recently held in Amarillo, P. J. Woodridge reported, stating that he did not have a full and complete report to make, and asked that the league defer receiving a report until the chairman of the committee, A. G. Hinn, shall have returned from Washington, where he is now in conference with the Texas delegation before the Interstate Railway Commission.

Dr. R. F. Hare made a short talk on his trip to El Paso and the work there accomplished, stating that Mr. Henderson, representing the Chamber of Commerce, has a definite report to make to that body relative to the beet-sugar industry, upon his return from Dallas.

Auto Road to Silverton Logged.

That right-of-way had been secured for the automobile highway from Plainview to Silverton and that the road has been logged by himself and T. B. Carter, was the report made by J. M. Waller, chairman of the committee. This committee will be ready soon to let the contract for construction of cattle guards, and for the grading of low places and installation of cattle guards. For the wagon-road-to-Silverton committee, Mr. Waller reported nothing can be done for a few weeks, the present commissioners of Briscoe County desiring to defer action, leaving the matter in the hands of the new commissioners, whose duty it would be to construct the road if such action shall be determined upon. Mr. Waller also reported that a wagon road is to be soon constructed due south from Silverton and that the proposed wagon road might be made to connect with that route.

New Street Names Recorded.

For the street-sign committee, G. Graham reported that the names of the streets as proposed by the Young Men's Business League, have been made a part of the records. The committee is now corresponding with manufacturing concerns relative to signs to be used on the streets.

Following a report by proxy for the sidewalk committee, J. B. Maxey reported that the council hope to have a sidewalk completed from the new High School Building to Broadway by the time the building is ready for occupancy.

DALLAS COUNTY FARMERS BUY DAIRY CATTLE, ALSO.

With a view of improving the class of dairy cattle in Dallas County, the Chamber of Commerce and Manufacturers' Association, through its bureau of agriculture, yesterday telegraphed C. O. Moser, who left here recently for Chicago, to purchase thirty head of Holstein yearlings for Dallas dairy farmers. This carload of yearlings will be distributed among Dallas County dairymen at actual cost upon receipt at Dallas, in the near future.

Mr. Moser was sent to Chicago to purchase a number of Holstein and dairy cattle for farmers in Lubbock and Hale counties.

The opinion is rapidly gaining in favor, said William G. Breg, of the bureau of agriculture, that the Holstein is the most satisfactory breed of cattle for practical dairy purposes. It is the hope of the bureau that Dallas County dairymen will take advantage of this offer to add additional yearlings to their herds, he said. A similar movement is to be introduced throughout the State of Texas.—Dallas News.

RESOLUTIONS OF RESPECT.

WHEREAS, on last Saturday morning, God, in His infinite wisdom, saw fit to remove from our midst Mr. Jos. H. Wayland, our worthy citizen, friend, and brother in Christ; and

WHEREAS his life at all times has been one of honest manhood and Christian citizenship—so worthy of that love and high esteem in which he was held by the faculty and students of Wayland College; and

WHEREAS, in the death of this good saint, Wayland College has lost a devoted friend and the beloved founder of this institution has sustained the loss of a loving father; therefore be it

RESOLVED (1) That we use this method to convey to the bereaved ones our heartfelt sympathy in the great sorrow which has befallen them;

(2) That we commend them to God for cheer and comfort—the One to

whom their departed loved one always looked as a Guide and as a Savior in this life;

(3) That a copy of these resolutions be sent to the local papers for publication, and that a copy be sent to the bereaved widow and to Dr. J. H. Wayland.

SUNSHINE COMMUNITY WANTS TO BE REPRESENTED IN HERALD

New District Twenty-Five Miles West of Town Will Be Featured in Community News.

SUNSHINE SCHOOL. Oct. 23.—There is a new district twenty-five miles west of town named "Sunshine," which would like to be added to your list of community correspondents. We are small, but are very strong. Just watch us grow! I am sending you a few items.

The farmers are busy trying to save their crops before it all falls down. These mornings remind us that winter is close by.

Sunshine School opened October 2, with fifteen pupils and Miss Gladys Thomas as teacher. We are doing good work, and expect to do better.

Mr. and Mrs. L. H. Triplett spent last Sunday with Mr. and Mrs. C. W. Boyd. In the afternoon Mr. and Mrs. W. F. Beard made a pleasant call.

Mr. and Mrs. Thrush, from Oklahoma, are visiting their daughter, Mrs. Charlie Redinger.

Hobby Thomas and Jim Cunningham left Friday for the Dallas Fair.

Misses Mary and Dot Cunningham, from Center Plains, spent the week end with their parents.

Mr. and Mrs. W. F. Beard and family, Mr. and Mrs. C. W. Boyd and Mr. and Mrs. Bowers are among some of the community that motored to Plainview last week, if it did rain.

Mr. and Mrs. C. W. Boyd and family and Miss Gladys Thomas attended the play given at Center Plains Friday night.

LAMB COUNTY SUNDAY SCHOOL CONVENTION MET AT OLTON.

SPRING LAKE, Texas, Oct. 25.—We have been having such fine rains we haven't had time to write.

Judge Curl was shaking hands in this community the past week.

Miss Nettie Miller, who has been visiting relatives here, has returned to her home, in Kansas.

Mr. Smith, the telephone man, was putting his lines in shape Friday and Saturday.

Mesdames Cleavenger and Harris visited the school Wednesday.

H. M. Packard had the misfortune to get very seriously kicked recently by a cow while branding.

P. D. Vore made a trip to Plainview Thursday.

Our first killing frost arrived Thursday night.

After the fine rains our farmers are again busy putting in more wheat.

J. D. Trumbull is enjoying a visit from his mother, of Topeka, Kansas.

Owing to the county convention, there were no services at Spring Lake Sunday afternoon.

Mr. and Mrs. L. F. Harris and Misses Fern Axtell and Myrtle Vore attended the Panhandle Christian Endeavor Convention, at Amarillo, going Tuesday and returning Monday.

The "Dorcas" met with Mrs. P. D. Vore and daughters Thursday afternoon. A pleasant time was spent with needlework. Very dainty and delicious refreshments were served by the hostesses, which was greatly appreciated by all.

The meetings at Sunny Side school house are very interesting. An all-day meeting was held Sunday, with three sermons and Sunday School, and a basket dinner. A large number from Spring Lake attended.

Owing to the meeting at Sunny Side, not so many from this community attended the County Sunday School Convention, at Olton, Sunday. The following were present: O. C. Axtell and family, J. L. Linville and family,

M. E. Cleavenger and family, Messrs. D. G. Axtell, Ralph Packard, Arthur Bales, Anset Bales, J. B. Linville, Gordon Boles, W. S. Hall and family, Miss Johnston, Mrs. H. M. Packard, Miss Mary Axtell, Rev. McRoy and J. D. Trumbull, wife and mother. A very fine program was rendered, and everyone reports a splendid, good time.

PREPAREDNESS

On every hand, claim is being made for preparedness, some really worth while others simply taking advantage of the popularity of the word.

Electrical Preparedness

Is perhaps as vital as any ever suggested. To prepare the home, the office, the work shop, or any other place where men and women gather, means to increase the efficiency, to lessen the cost and the labor, to protect the eyes, and to cut out dirt and oil or gas smells.

The Winter Reading

Absolutely demands that you have the pure light furnished by electricity to preserve the eyes of the little folks who study, and the older ones who read for pleasure and profit. The long evenings will be a pleasure if you will wire your home for electric service.

We will be glad to figure your wiring job without any obligation on your part. Phone 13 for wiring service.

TEXAS UTILITIES CO.

WE HAVE INSTALLED OUR HOT DRINK APPLIANCES

and are about ready to meet your requirements of what we think a particular public will want this winter in the way of hot drinks. Our steam table will be connected up in a few days and this will enable us to serve light lunches and hot drinks both day and evening to you and your friends singly or in large parties. We especially cater to matinee or evening parties in the service of selected menus.

The time has come for the family reading—some of you will want books but most of you will want lighter short story reading, or perhaps the heavier magazines dealing with the coming election will most interest you. Anyway we have the magazines and receive daily two of the best newspapers published in the west—The Kansas City Star and The Kansas City Times.

We are featuring Nobility Chocolates and King's Candies to those of you who especially want to please HER with a box of dainty sweets.

Every day we add new cigar and tobacco customers. They find our stock fresh and in good shape and they find a wider selection than in most places. If you are not patronizing this department Mr. Smoker we invite you to do so.

We ask you also to permit us to sell you your fruits this winter.

LONE STAR FARMERS BEHIND IN HARVESTING THEIR FEED.

Good Rains, However, Insure Fine Wheat Season; Much More Wheat to Be Planted.

LONE STAR, Oct. 24.—There have been fine rains in this locality the past two weeks, and our farmers are somewhat delayed in getting their feedstuff gathered. However, we welcome the good rains, as there are thousands of acres of wheat sown, and much more to be sown.

G. C. Hartman and wife are in Dallas attending the Fair this week.

J. B. Stevenson and family visited Mr. Stevenson's father, who lives in Silverton, last Saturday and Sunday.

Miss Ona Thomas, of Floydada, is spending a few weeks with her sister, Mrs. Albert King.

Orval Thompson, of Canyon, visited his home folks last Monday, S. H. Thompson and family.

J. H. Ratjen says the recent rains have destroyed 200 bales of cotton for him. Mr. Ratjen's cotton crop is near Gasoline.

Norton Baker and wife, of Lockney, and E. C. Dodson, wife and daughter, Beula Mae, motored to Canyon last Sunday in Mr. Dodson's new Buick.

Rev. S. W. Smith filled his regular appointment here Sunday and preached at eleven o'clock.

Mrs. W. H. Bradford, of Tullia, who has been visiting her brother, E. G. Foster, for some time, returned home Tuesday.

Mrs. E. C. Dodson spent last week in Canyon visiting her son and daughter, Virgil and Marie, who are attending school at that place.

MANY LAND SALES ARE MADE IN ABERNATHY NEIGHBORHOOD.

ABERNATHY, Texas, Oct. 25.—The recent freeze damaged the feed crops to some extent, but still we will have an abundant harvest. The late rains have benefited the large wheat acreage.

J. B. Grants has just finished a nice home in Northwest Abernathy.

The Fair Special carried 20 passengers from our station, among whom were Mr. and Mrs. R. M. Hester and daughter, Nona Lee; Wilma Herral, W. E. Evans, Mrs. Spivy Barnes, Mr.

and Mrs. Tom Fletcher, Mr. and Mrs. John Wilkins, Bruce Hannah and a number from Petersburg.

Gene Legg, while playing around the school house the other day, ran into a buggy wheel and fractured his collar bone.

A Literary Society has been organized here, to meet at the school house every two weeks, on Friday nights.

Hugh Ragland has been home from the Overton Sanitarium, at Lubbock, for several days. He was there for an operation for appendicitis.

H. Darden has sold his dray and wagon-yard business to Mr. Crow, and will work his farm east of town.

Mr. O'Neal has bought the house recently built in South Abernathy by Ed Crow, and is enlarging and improving same to make it his home.

Miss Pauline Patton, who has been spending the summer with her sister, Mrs. B. Y. Dickinson, has returned to her home, in Itasca.

A traveling picture show is entertaining the Abernathy citizenry this week.

Much land is being sold around here, which indicates prosperity. Smith

Shaw has sold half a section to Mr. Stovall, of Anson, and D. N. House, of Bangs, has bought a quarter section adjoining the town section and will move here within the next few days. Rev. A. L. Moore, of Plainview, has

been down here holding the fourth quarterly conference for the Abernathy circuit. Much has been accomplished this year, and it is hoped to have a good report at Annual Conference, at Stamford, November 8.

SPECIAL DEMONSTRATION AND SALE

Great Majestic Ranges

"The Range With a Reputation"

FOR ONE WEEK ONLY

Commencing October 30th to November 4th

Many styles and sizes—with or without legs

During this week we will have a special demonstrator from the Majestic Factory to explain how the Majestic is made and why it is absolutely the best range; why it lasts longer and cuts down repair expenses; why it bakes bread evenly, top, sides and bottom without turning; why it uses so little fuel and saves food waste. He will explain its labor saving construction and why it heats an abundance of water good and hot—a mighty convenient and useful thing to have a big supply of hot water always on hand isn't it.

To buy a range by mail is almost certain to end in disappointment and loss of money. It may be "exactly as represented" yet not be what you thought it was nor what you wanted.

Here you can see every part of the Majestic—you can know what you are getting before you buy. Decide now that you will discontinue using that old, worn-out range. You will save money in fuel, repairs, and cooking. Buy a Majestic—the range with 25 years' reputation. The demonstrator will answer any questions relating to stoves.

This \$8.00 Set of Granite and Copper Ware

FREE

As a special inducement during our demonstration week only, we will give with every Majestic sold, one handsome set of kitchen ware as illustrated. Every piece is the finest of its kind and the entire set cannot be purchased for less than \$8.00. The price of the Majestic remains the same as always and the quality of the stove is the same. This kitchen ware is an out and out present. See it at our store.

Everybody Welcome

Even though you do not want to buy a new range right now, it will be worth your while to attend this demonstration and know all about the Majestic Range. You are placed under no obligation to buy.

CHILDREN'S SOUVENIR DAY

Tuesday of demonstration week 3 to 5 p. m.

125 MAJESTIC AEROPLANES FREE FUN FUN FUN

Boys and girls, old and young, you can have a world of fun with the Majestic Aeroplane. It is easily made to fly from 10 to 50 feet in the air. You will all want one. Don't fail to get yours. The first 125 boys and girls who present to the Majestic Range Salesman, at our store, between 3 and 5 p. m. on Tuesday, written answers to the following questions will receive one of these aeroplanes free.

1. What is the name of your mother's range and how long has it been in use?
2. Give names of any persons you know needing a new range.
3. Why is the Majestic known as the Range with a Reputation?
4. What is your age.
5. When is your birthday.

\$1.00 ARTICLE FREE

The boy or girl giving the neatest and best answer to the third question may select any \$1.00 article from our stock in addition to the souvenir.

A PRIZE FOR EVERYBODY

Don't be discouraged if you are not one of the 125 to get an aeroplane. You will receive a Majestic Puzzle Card that will afford you many hours of amusement. Be sure to have your answers ready to hand in at our store Tuesday afternoon, between 3 and 5. They must be written if you wish to receive a souvenir or prize.

THE SECOND LARGEST WEEK ON RECORD AT KANSAS CITY.

KANSAS CITY STOCK YARDS, Oct. 23.—The cattle market showed extraordinary capacity last week, completely absorbing the run of 37,000 cattle and 2,000 calves, second largest week on record here, and 5,000 cattle besides, held over from previous week. Not only that, but the market Thursday and Friday showed an advance of 10 to 25 cents on steers of all kinds. Receipts today dropped to 25,000, and prices are 10 to 25 cents higher on practically everything.

Beef Cattle.

Choice, heavy fed steers sold up to \$10.50 today, not quite the limit of the market for prime beefs, no fancy yearlings here. Good grass steers got competition from feeder buyers up to \$8.60 today, middle-class weighty steers around \$8.00, medium weights \$7.00 to \$7.35, light steers \$5.75 to \$6.75, some thin Oklahomas in the quarantine division at \$6.00. Colorado beef steers sold at \$7.00 to \$7.35, as compared with \$6.90 a week ago for same brand. Cannors and cows are firm, at \$4.75 to \$7.00.

Stockers and Feeders.

A total of 53,592 cattle were bought and shipped to the country last week, a record week in that trade, exceeding the week ending October 27th last year, when 51,707 head went out, former record. Competition was keen after Wednesday, and prices advanced a quarter in many cases, total hold-over at the end of the week 5,000 less than at end of previous week. Sales today are 15 to 25 cents higher, sometimes 35 to 50 cents higher than middle of last week, heavy feeders \$8.60, choice Panhandle, New Mexico and Colorado yearlings \$7.75 to \$8.35, medium cattle \$6.25 to \$7.25.

Hogs.

Lower reports from Chicago at the start failed to produce any effect here, and sales were steady, top \$10.20, bulk \$9.75 to \$10.15, receipts 11,000 head. Mess pork made a big advance today, and it looks like a higher market for live hogs tomorrow. Packers are not accumulating any material, and the advance in futures today indicates their weak position. Receipts of hogs are fairly liberal, but fresh-meat trade requires large numbers, leaving an inadequate remainder for smoked and salt meats. Corn at a dollar a bushel makes present hog prices legitimate, and any economical system of fattening hogs will get highest rewards the coming winter.

Sheep and Lambs.

Receipts of 13,000 head sold at

steady prices, best Westerns \$10.50, middle-class Westerns \$10.15, feeding lambs \$9.00 to \$9.75, a drove of New Mexico feeding wethers weighing 90 pounds at \$7.60, fat ewes worth around \$7.25, feeding ewes \$5.25 to \$6.25, breeders \$7.00 to \$8.50, practically no choice young ewes coming, which would sell around \$9.00. Receipts are running behind last October, and the situation here favors the selling side, top lambs here last Thursday 15 cents above Chicago, and 10 cents above Chicago Friday.

TEXAS U. CORRESPONDENCE COURSES PROVING POPULAR.

AUSTIN, Texas, October 25.—The number of individuals now engaged in correspondence work through the Correspondence Division of the University of Texas is estimated at one thousand. Courses are offered in a large variety of subjects from the three main de-

parts of the University—Engineering, Law and Academic. Ninety-four per cent of the courses taken by correspondence are of such nature that credit toward a degree from the University is given upon their successful completion. During recent months there has been a decided impetus in the number of registrations coming from traveling salesmen, while the registration of women for courses in

business training is also steadily increasing.

FRENCH NEWSPAPERS REDUCED.

To help relieve the paper crisis from which France has been suffering for several months, an important organization of French newspapers, known as the "Groupement des Interets Economiques de la Presse Quotidienne

Francaise," recently adopted a resolution by which it was agreed that the size of the papers should be reduced by one-half twice each week. The organization asked the Government, by a unanimous vote, to make this arrangement compulsory by law, and to enforce it upon all daily newspapers throughout France, whatever their present size or price. The publisher of the Oeuvre, one of the smaller Paris

dailies, estimates that at the present price of news-print paper this arrangement will represent a saving of 1,000,000 francs per month in the expenditures of the newspapers affected. Several of the Paris papers and of the provincial dailies, however—especially the evening papers—for some time have been appearing with only one sheet, or two pages.—Daily Commerce Report.

Thousands Behind

Three to fifty per hour on high—that's the speed report we get from owners all over the country.

And 20 to 25 miles per gallon of gas is the economy report.

A corking good car—

A price that makes it the greatest value on the face of the earth—

That combination has kept the factory thousands of cars behind sales for weeks and weeks.

But we're getting them in right along.

Cold Days Require Coal

Why is it that some folks always delay their coal buying and the installing of their stoves until the last minute when every member of the family has run the risk of serious cold or pneumonia and until all of the coal and stove dealers are so busy they cannot give the best service? Surely the wise man will not be caught in a blizzard with his coal supply not yet laid in.

We have the supply of coal, we have the prompt service, and the prices are lower now than they will be when winter gets here. Isn't it good health insurance, isn't it good business, isn't it the sensible thing to do to place your order now?

Just phone us at 162 and we will do the rest.

ALLEN & BONNER

WHY A SEPARATOR?

A famous dairy expert asserts that installing a good centrifugal cream separator in a four-cow dairy is the full equivalent of adding another cow, because the separator gets more cream from four cows than can otherwise be gotten from five. In other words, five cows without a separator will not produce as much butter as four cows with one, and in the former case you have to feed and take care of one more cow. By selling one cow and using the money to purchase a separator you can make more profit from your dairy—in fact, without a separator no real profit can be made.

When You Get the Full Meaning of this Question

You will want to investigate which is the simplest, the most economical and the easiest to handle of the many separators offered today.

HERBERT S. HILBURN, Editor E. B. MILLER, Business Manager

Entered as second class mail matter July 1, 1914, at the Post Office at Plainview, Texas, under the act of March 3, 1879

\$2.00 a Year; \$1.00, 6 Months. Advertising Rates on Application.

The cow, the hog and the hen are a trio which will make for permanent South Plains prosperity.

The 1916 turkey crop is moving. Each year shows increased sales of turkeys from the South Plains country.

By saving the late-maturing kaffir corn and milo maize the silo has again demonstrated its usefulness in the Plainview country.

Donley County will issue deferred certificates for the construction of cardinal roads. They particularly want to build a road which will be acceptable as part of the "Ozark Trail." A building company will handle the construction for them.

For the protection of the public, many cities are enacting ordinances prohibiting the use of the flash light or glaring headlights on city streets. The time will come when the same precautionary step will be taken to protect the life and safety of the public on the country highways.

"Please don't shoot my birds" is the sensible request a sign adjacent to a typical South Plains orchard makes of hunters. That farmer realizes that the birds are his friends and that they mean fewer insects in his orchard. There are several farms adjacent to Plainview where there are quail which are as tame as chickens. The farmer who protects his birds is protecting his fields and orchard.

Prosperity smiles on the United States. We certainly have our portion of it. The movement to help suffering Armenians by sending them supplies and money to stay off the hardships of winter in a devastated country is commendable. Certainly Plainview will do her part generously in the contribution to help these sufferers. Your presence at the mass meeting called for the purpose of presenting their claims at the Methodist Church Sunday afternoon and your check is the most tangible evidence of sympathy.

IS FOOTBALL GOOD OR BAD?

Plainview High School has probably the best football team it has ever had. Wayland College, which has produced some good teams is showing good class in the early season. Plainview should appreciate these two teams, and her basketball and baseball teams, and give them liberal support. Saturday Wayland plays Lubbock High School. A majority of the games are booked for the home grounds. Plainview should show her appreciation of the faith of the managers of these teams by supporting them with their presence and the required entrance fee. It's not a good sport who will drive just outside the grounds and watch the game and not pay his admission fee. That's downright dishonesty, and you can't make anything else out of it.

Athletics in our public schools and colleges fill a peculiar office. There are those who believe football, baseball and basketball distract from school work. Very often—too often—this is fact. Generally it is the result of poor discipline, however. Athletics in the schools is designed to produce the all-round development of as many of the pupils as possible. Of course, there are those who will excel in some particular form, and they may specialize in athletics to the injury of their primary school work. The well regulated school, however, makes it one of the conditions of team membership that the grades must be satisfactorily made before they can represent the school. In other words, to represent a school a man is to be an all-round good student—good in his studies, of good moral character, of good physique. Football has been an incentive to better work to many a boy who otherwise would have become disinterested in his studies. He wants the honor of representing his school in interscholastic contests, and he must make his grades to do so.

Experience has shown that the American school boy or college student is likely to subordinate sportsmanship to the mere satisfaction of being champion. As a result athletics has been commercialized, even in some of our best colleges and universities. But there has been a reaction, and the schools are binding themselves not to play professional players and to allow no one but students who are taking a required course and making passing grades to represent the schools on teams. The Panhandle Interscholastic Association and the High School League are designed for this very purpose, and insure the co-operation of faculty with students in seeing that all teams are composed of bona fide students. It is one of the greatest moves we have to keep interscholastic and intercollegiate athletics on a sportmanlike basis.

Claude Beck has returned to Lubbock, where he is employed by the Texas Utilities Co.
 Glenn McKee and family, of Crosbyton, were here Sunday.

Miss Lizzie Mae Rook returned from Lockney this morning, after a few days' visit with friends and relatives.
 C. E. Hartshorn, of Childress, was here this week on business.

NEW SILVERTON AUTO ROAD IS NOW ASSURED.

(Continued from Page One.)
 Quesenberry, chairman of the pig club committee, stated that the arrangements have been completed for the pig show Saturday at the Overall barn. With much interest the report of the paving committee, through its chairman, Chas. Reinken, was heard. Following his report, many interesting questions were asked by members of the league. On call, Dr. C. C. Gidney stated: "I think we have reached the point where we must pave. It seems to be necessary to pave the public square, one block from the square in each direction, and to the depot." One thing I believe is essential, a good, competent engineer. We should know when we invest our money in paving that it is to be permanent and that the drainage is cared for properly."

To the same question, W. A. Nash said: "I think paving is the best thing we can do. Why, actually when I came back to Plainview from a trip I made a short time ago, I was ashamed of it. The streets looked so bad! There are towns smaller than Plainview, and in Arkansas, too, where I visited, which have paved streets. That country has a shallow rock bottom," he concluded, his humorous point being well taken by the members.

At the call of the chairman, W. S. Ayres, of Chicago, a visitor, stated: "Good streets are necessary, and the greatest improvement Plainview can make is to pave her streets. One objection I have had to meet most in bringing immigrants into the Plainview country is the unpaved streets of Plainview."

A new census of Plainview is to be taken in the near future. A committee to arrange the details of the census is P. B. Randolph, W. F. Garner and W. E. Winfield.

Will Install Drinking Fountain.
 From the board of directors the recommendation was made that at least one modern, sanitary drinking fountain be installed on one of the streets of Plainview. The committee recom-

mends that this fountain be placed at the curb on the south side of the First National Bank, a tap on the main being available there for use. T. A. Miller, J. B. Maxey and E. H. Bawden are a committee to carry out this plan.

The treasurer of the league reports \$563.75 in the general fund, \$55.50 in a special fund and \$195.00 in dues and application fees not yet deposited.

Professor Frederick A. Hermann, formerly instructor in piano and pipe organ at Seth Ward College, is now teaching in Los Angeles, Calif. A friend of The Herald has been kind enough to give us a clipping from the *Monrovia, Calif., Messenger* telling of the successful recital of one of his pupils, at Seynyborg Hall, Los Angeles.

ANNOUNCEMENTS.

The Five Hundred Club will meet with Mrs. H. W. Harrel Tuesday.

The Epworth League of the Methodist Church will give a Halloween social Tuesday night. They will meet at the Methodist Church in mask at 7:45.

On next Tuesday night, October 31st, there is to be a Halloween masquerade ball at the skating rink at Lubbock. The Herald has been requested by the Lubbock committee in charge to extend a cordial invitation to Plainview, Hale Center and other points. Masking for visitors is optional.

FOUR CELEBRATE BIRTHDAYS WITH BIG TURKEY DINNER.

Wednesday Mr. and Mrs. Grady Gentry and their fathers, S. L. Gentry and Jos. Carter, celebrated their birthdays with an old-fashioned turkey dinner, given at the Carter home.

Wednesday, the 25th, was Mrs. Gentry's birthday, the 23rd was Mr. Gentry's, and his father's, S. V. Gentry's, birthday came in the 18th and Mr. Carter's comes on the 27th. Each were remembered with handsome presents.

Covers were laid for Messrs. and Mesdames S. V. Gentry, Grady Gentry and Jos. Carter.

DINNER HONORING MISS BROWN, OF PHILADELPHIA.

Mr. and Mrs. E. E. Roos entertained Tuesday evening with an informal dinner party, at the Ware Hotel, in honor of Miss Della Brown, of Philadelphia, who is a guest in the home of Mr. and Mrs. G. C. Keck. Covers were laid for Miss Brown, Mrs. J. R. Kerley, of Amarillo; Earle Keck, Mr. and Mrs. G. C. Keck and Mr. and Mrs. Roos.

After dinner they enjoyed the program at The Olympic Theatre.

Following the show Victrola music and conversation made pleasant another hour, in the home of Mr. and Mrs. Keck.

MRS. WOOD ENTERTAINS.

Mrs. J. M. Wood was charming hostess yesterday afternoon to a number of her friends, at the home of Mr. and Mrs. J. T. Hartley. Music and conversation afforded pleasure, and before the close of the afternoon delightful refreshments were served.

The invited guests were: Mesdames E. B. Hughes, W. E. Risser, C. A. Gilbert, Christy, of Odessa, Missouri; L. V. Dawson, T. P. Whitis, S. W. Meharg, W. R. Simmons, Fred L. Brown, Jos. Buchheimer, Jim Green, T. B. Haynie, J. M. Sanderson, W. M. Jeffus, G. Graham, E. Graham, W. A. Todd, W. E. Armstrong, Dan F. Morgan, G. Melton, W. I. Scudder, R. L. Peters, Jack Gallaway and R. E. Cochran, and Misses Sarah Ross, Lola Adams and Mary Gilbert.

Rev. and Mrs. W. H. Phillips left Wednesday morning for Abilene, where they will attend the Hamlin District Assembly. Rev. Phillips has been employed for another year as pastor of the Nazarene Church. This church has gained 130 in membership during his three years' pastorate.

THURSDAY BRIDGE CLUB MEMBERS GUESTS OF MRS. DELAY

Mrs. Jas. R. DeLay, of West Twelfth Street, entertained the Thursday Bridge Club this week.

Roses and chrysanthemums in profusion beautified the rooms, where five tables were placed for bridge. Mrs. Hugh Burch gained top score among the guests, and among the members Mrs. J. J. Bromley was fortunate player.

At the close of the games a delightful salad course was served.

Those present other than the club members were: Mesdames Elmer Sansom, May Kinder Smith, L. S. Kinder, J. R. Kerley, Wm. Cook, C. Wilson, R. B. Tudor, E. Lee Dye, L. A. Knight, J. O. Wyckoff, Paul Barker, Chas. Saigling, E. L. Doland, E. E. Roos, Hugh Burch, Wallace Settoon, and Nelson Hemman, of El Paso, a guest of Mrs. B. C. Holle, and Misses Lucile Kinder and Nell Sansom.

FANCY-WORK CLUB HAS REPRESENTATIVE ATTENDANCE.

A number of lovers of fancy work who are organized into the B. F. Club met yesterday afternoon with Mrs. Fred L. Brown, at her home, on West Seventh Street.

The membership is limited to twenty. At yesterday's meeting seventeen were present, and a very delightful meeting was held. First they were busy with needles, shuttles and crochet hooks; then they were invited into the dining room, where dainty refreshments were served. Yellow chrysanthemums were given as favors.

Mrs. C. J. Brown, of Onarga, Ill., was a guest. She is visiting in the home of her son, Mr. Fred L. Brown.

The next meeting of the club will be with Mrs. W. A. Nash.

DINNER HONORING MR. AND MRS. JAMES WILLIAMSON.

Wednesday, complimentary to Mr. and Mrs. James Williamson, whose wedding took place Tuesday evening, Mrs. Emma F. Williamson gave an elaborate dinner.

The colors of yellow, white and green were effectively carried out, using ferns mingled with the white and yellow chrysanthemums, and attractively arranged about the rooms.

Menu.

Roast Turkey
Boiled Ham Baked Chicken
Dressing Green Peas

Those present were: Messrs. and Mesdames James Williamson, Sam McLaughlin, E. Graham, Lee Armstrong, W. T. Mize, S. W. Meharg, Ed Hays, Chas. Houston, Jas. Heard, Chas. Clements, Garret and Irwin; Rev. and Mrs. J. W. Story; Mesdames S. S. Daniel, Bruner, Dot McLaughlin, W. C. Clements, F. A. Lockett, Yoakum, Texas; Roy Irick, B. T. Ansley, Sr., and Harp; Misses Betty Clements, Martilla Espy, Claudia Quisenberry, Minnie Belle Clubb and Rebecca Ansley; Thomas and John Williamson; little Misses Ina

Mildred Armstrong and Mamie Daniel, and H. W. Garrett, James Heard, Jr., and Charles Hayes.

Mr. and Mrs. Williamson received a number of handsome and useful gifts.

J. C. Wayland left this morning for his home, in Kansas City. He has been visiting with his brothers, Jo, Dr. L. C. and Dr. J. H. Wayland.

DANIEL-WILLIAMSON.

A wedding that will be of interest to a wide circle of friends is that of Miss Lois Daniel to James Williamson. They were married Tuesday evening at eight o'clock, at the Daniel home, three miles south of the city, by Rev. J. W. Story, pastor of the Methodist Church, in the presence of a host of friends and relatives.

Vases holding clusters of chrysanthemums artistically arranged about the rooms lent a touch of charm and beauty.

There were no attendants, and as Miss Betty Clements played the wedding march the bride and groom entered together. Miss Daniel was very charming in a handsome dress of blue satin.

After receiving the hearty congratu-

lations of the host of friends present, they were invited into the spacious dining room, where a bounteous supper was served.

The bride is the daughter of Mr. and Mrs. S. S. Daniel, and during her years

of residence here has gained the friendship of all who know her. Mr. Williamson is a son of Mrs. Emma F. Williamson.

Many handsome gifts were received, attesting the esteem with which Mr.

and Mrs. Williamson are held. The out-of-town guests were: Mr. and Mrs. O. Byars, of Post, Texas; Mrs. F. A. Lockett, of Yoakum, grandmother of the bride, and J. W. Rittler, of Waco, Texas.

DETAILS OF THE FOOTBALL GAME BETWEEN CANYON AND WAYLAND

Before a very large crowd, at Canyon, Monday, October 23, the Canyon heavyweights went down in defeat to the tune of 28 to 6 before the fast-thinking squad from Wayland. Canyon won the toss and defended the west goal. They advanced the kick-off ten yards. On a series of side plays, they failed to gain. Kiker received the punt and advanced the ball 20 yards. On a sweeping end run, Blakemore carried the pigskin across for the first touchdown, after 3 1/2 minutes of battle. Wayland kicked goal. Canyon received, and the ball saw-sawed up and down the field, mostly in Canyon's territory. First quarter ended Wayland 7, Canyon Normal 0.

Canyon gained through Wayland's line. Wayland penalized 15 yards for holding. Wayland penalized 5 yards off-side. Canyon relied now on her weight to send the ball over. Jones playing for Dillard. On a fake line-buck, Kiker ran 80 yards for a touchdown. Wayland kicked goal. Kiker got away with a pass for 40 yards. Within 2 feet of Canyon's goal, Wayland lost ball on downs. Canyon Penalized 5 yards off-side. Canyon punted out of danger. Hannah got away with a forward pass for 40 yards. First half up, Wayland 14, Canyon Normal 6.

Wayland received. Ran the kick-off back 20 yards. Wayland lost the ball on downs. Canyon fumbles. Sanders receivers and runs 78 yards. In the mix-up, a Canyon hero was laying on the ball within 1 foot of Normal's goal. Canyon made their only successful pass for a gain of 20 yards. Quarter ended. Wayland Baptist College 14, Canyon State Normal 6.

Kiker intercepted pass for a run of 50 yards. Canyon held Wayland on the 2-yard line for downs. Canyon punted out of bounds on the ten-yard line. Hannah went through center for a touchdown. Wayland kicked goal. Canyon received, trying a forward pass, which was intercepted by Blakemore, who ran 30 yards for a touchdown. Baptists kicked goal. Canyon received, but lost on a fumble, the game ending on Canyon's 12-yard line, and the machine from Plainview was still working. Final score, Wayland College 28, Canyon Normal 6.

Touchdowns—Blakemore 2, Kiker 1, Hannah 1. Time of quarters—12-15-15-12.

Line-up for Wayland: left end, Hanks Blakemore; left tackle, Bolton; left guard, Garrison; center, Hollis Blakemore; right guard, Shepherd; right tackle, Dillard; right end, Sanders; right half, Kiker; left half, "Dad" Blakemore; fullback, Willis; quarterback, Hannah. Jones substituted for Dillard. Hale substituted for H. Blakemore. Referee, Dr. Parcell, Northwestern University, of Amarillo. Umpire, Black, of Canyon. Time-keepers, Willis and Terrell.

Canyon's average weight, 171; Way-

land's average, 151.

On returning to Plainview, Tuesday morning, the team was met at the station by the president, several of the trustees, all the faculty and the entire student body. After parading through town and giving a number of college yells, they assembled in chapel. After singing a religious song, we were led in prayer by our president, followed by several speeches. Then Prof. J. E. Willis, Prof. J. E. Watson and Prof. R. M. Crabb, who accompanied the team to Canyon, presented Coach Thomas and all of his men with a nice silk necktie. After the benediction, the class rooms and study halls were soon filled with the busy students. REPORTER.

GASOLINE MEASURING PUMPS.

Aid for those who seek accuracy in the measuring of gasoline is offered by a recent publication of the United States Bureau of Standards. The importance of efficient measuring apparatus is emphasized by the steady increase in the quantity of the fluid that is consumed and its present high price.

On account of the convenience of the measuring pump in delivering gasoline to the consumer with a minimum of evaporation, spillage, and fire hazard, by far the greater part of this commodity is sold through this type of measuring apparatus. There are several types of measuring systems in use in this country, the most common being the piston type, in principle the same as the ordinary plunger pump, equipped with stops to define the volume discharged. Other familiar types of gasoline measuring apparatus are: Second, the meter type, in which the gasoline is discharged through a meter by displacement of the oil over water, or by pneumatic pressure or by mechanical pumping; third, the overflow measuring-chamber type, in which an excess over nominal delivery is supplied to a visible measuring chamber and the excess removed by air pressure or other means to a definite level; fourth, the gauge glass, or float-gauge type, in which the amount of liquid drawn off is read in a transparent gauge glass or by a float traversing a scale graduated in suitable units.

The principal causes of short delivery are leaks in valves or piping; formation of vapor due to excessive suction lift, or to the introduction of air under the piston; failure to correct for the inertia of a long column of moving liquid; the use of long filling hoses with a low connection at the pump, making proper drainage of hose an impossibility; "short stroking" or operation of pump at less than full stroke (usually deliberate); and slip-page past valves and piston.

Proper Routine for Inspectors Described.

A proper routine for inspectors to use in testing measuring pumps, as well as the requisites for sealing and

the manner of keeping detailed records, are completely described in the full paper.

Of numerous measuring systems of various types chosen at random and tested by the Bureau of Standards' inspector in a number of different cities, 70 to 80 per cent had excessive errors. There were many outfits so constructed as to be absolutely unsuited for retail liquid dispensing. Of those outfits which were incorrect, nearly all were delivering in deficiency, which is unfortunately a characteristic of the types of measuring pumps now most commonly used. This tendency toward deficient measurement is worthy of careful consideration, as it results in the aggregate to enormous monetary losses to the public.

Since this paper was written, subsequent tests in many cities corroborate

the figures given above in every essential, and it is safe to say that in all localities not under an efficient and competent weights-and-measures administration, and in a large majority of those which do have a relatively competent weights-and-measures administration, the condition of measuring pumps is such that the motoring public is being subjected to regular and continuous shortages in its purchases of gasoline. Figures based on the best estimates obtainable show that in the State of Illinois, the losses to the people of the Commonwealth, due to short measure in gasoline, are not less than \$530,000 annually.

Copies of this publication, Technical Paper No. 81, may be obtained by applying to the Bureau of Standards, Washington, D. C.

Worth Careful Thought

Do you read the label to know whether your baking powder is made from cream of tartar or, on the other hand, from alum or phosphate?

Dr. Price's Cream Baking Powder is made from cream of tartar, derived from grapes, and adds to the food only wholesome qualities.

Some baking powders contain alum or phosphate, both of mineral origin, and used as substitutes for cream of tartar because of their cheapness.

Never sacrifice quality and healthfulness for low price.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea. If you feel bilious, headachy, constipated and all knocked out, just go to

your druggist and get a 50-cent bottle of Dodson's Liver Tone, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful, and if it doesn't start your liver and straighten you up better and quicker harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose day's work! Take Dodson's Liver 'one instead and feel fine, full of vigor and ambition. -Adv.

MASQUERADE SOCIAL AT METHODIST CHURCH.

The Epworth League of the Methodist Church is planning a Halloween social for Tuesday night, and they urgently request the presence of all the young people of the town over 18 years of age to meet with them at the Methodist Church at 7:45, masked and ready for fun.

Delightful means of entertainment has been planned, and a good time is guaranteed.

Below is the novel invitation they extend:

"A Halloween party there's going to be,

And we want you there, as sure as can be.

There'll be joy and laughter by the ton;

Please say you'll come and join in the fun.

Halloween fun!—at Goblintown!—on Spookville Road!

Hobgoblins and witches, how fearful your fate

If not in the church at a quarter to eight.

"Does any dare to learn his fate? Then let him at the church door wait.

SPECIAL CLOSING OUT SALE OF CHINAWARE, BRASS GOODS, PLAIN AND FANCY GLASSWARE, CROCKERY, BASKETS, ETC.

Beginning Saturday the 28th

Going Out of Business

The advancing prices of all merchandise has forced us, for the protection of ourselves and our customers, to store large stocks of staple piece goods.

Our balcony that has been used for displaying chinaware, etc., has become so crowded that we can no longer give space for these bargain lines.

The tinware and enamelware has already been sold at wholesale and the lines mentioned above are to be closed as soon as possible. Many goods will be offered in this sale at much less than the manufacturer's price today.

The chinaware consists mostly of plain white ware, plain gold band, green and gold band and floral decorations.
