## SANTA FE'S WAGE RAISE AFFECTS PLAINVIEW EMPLOYEES

E. P. Ripley, president of the Atchison, Topeka and Santa Fe Railway Company, has given out the following statement:

"In the last two years, especially since the influence of the European war has been fully felt, our railway system has enjoyed what appears to be an abnormal prosperity. The same factors which have produced this prosperity have made substantial increases in the cost of living, which it is hoped will be temporary. In recognition of these conditions, our Board of Directors today authorized us to make in a lump sum the distribution of additional compensation equal to ten per cent of a year's pay to all employees who have been in the service of the Atchison, Topeka and Santa Fe System for at least two years, and whose annual compensation does not exceed two thousand five hundred dollars and whose compensation is not paid according to present or former contract schedules. The payments of the amounts thus authorized will be made as soon as the necessary computations can be completed. It is estimated that the amount thus to be distributed will be approximately two million seven hundred and fifty thousand dollars."

## A. & M. HEAD OPPOSES NEW INDEPENDENT COLLEGE.

FORT WORTH, Texas, Dec. 5.—Dr. W. B. Blizzell, president of the Agricultural and Mechanical College of Texas, indicated in his address before the State Teachers' Association that he would oppose the establishment of an independent A. & M. College in West Texas, as has been advocated in some quarters. He declared that he did not believe the establishment of such a school practicable, but that he did believe that four junior agricultural schools should be established in the four different sections of the State, and that one of these schools be in the northwestern part of the State and one in the southwestern section.

Dr. Blizzell also said in the course of his address that there could be no complaint on the volume of agricultural legislation that had been enacted in Texas, but that it did not harmonize and the conflicts in various places should be abolished.

## MUNICIPAL TREE IS NOT DESIGNED FOR POOR ALONE

It is for All Plainview; Seven to Eight O'clock Evening of December 23 Is Date.

A mistaken idea is prevalent among many people of Plainview," said Mrs. H. A. Wofford, chairman of the committee arranging for the municipal Christmas tree for Plainview. "Many seem to think that it is for the poor people of Plainview alone. It is not. Irrespective of class or creed, everyone in Plainview is invited. We want it to be all that the name implies—a tree for all Plainview."

"We have fixed the date. The exercises will be given Saturday evening, December 23, from seven to eight o'clock. The tree will be erected in the street between the First National Bank and the band stand. The Texas Utilities Co., through its manager, Mr. R. A. Drumm, has consented to take down the light pole there and furnish current for the tree decorations. Singers and musicians will give the Christmas carols from the band stand.

"There will be no gifts on the tree, although at this time the committee is considering small favors for the children who attend."

Mrs. Wofford requests The Herald to announce that a meeting of the advisory committee will be held at the City Hall, in the library room, at two-thirty o'clock next Wednesday afternoon, and that a full attendance is much desired.

The case of Hale County vs. Lubbock County, appeal on boundary-line suit from the District Court at Sweetwater, has been argued before the Court of Appeals at Fort Worth by A. B. Martin, representing Martin, Kinder, Russell & Zimmermann, who are counsel for Hale County. It is probable that a decision will be handed down by the court Saturday.

Moore, president of the South Plains Dairy Association, from Monticello, Wis., states that the committee is having trouble in getting cars to ship the dairy cows purchased. The letter was posted on Sunday, and states that up to that time the shipment had not been loaded. It intimated that there was hope of getting cars soon, however, and it is expected that the cattle are now in transit.

## LLOYD-GEORGE IS NEW PRIME MINISTER OF GREAT BRITAIN

New Government of England Will Be Coalition, Like the Old One, but With Harmony Lacking.

LONDON, Dec. 6.—David Lloyd-George has overthrown the Asquith cabinet and will become prime minister himself. The new government will be coalition, like the old one, but probably without the same measure of harmonious support which attended the formation of the first coalition government, because its birth has created additional factional differences.

This result has emerged from another day of active and hurried party conferences and a day of intense suspense and interest throughout the country.

There was a prospect this afternoon that the personal offices of the king might solve the situation, and many thought that the Asquith regime might be continued. The king called the party leaders to Buckingham palace and conferred with them for more than an hour. Mr. Asquith and Mr. Lloyd-George, of the Liberals; Mr. Bonar Law and Mr. Balfour, of the Unionists, and Mrs. Henderson, of the Labor Party, were with the sovereign. It is many years since a British ruler assembled the representatives of the different factions face to face when they had shown themselves unable to settle their differences. But no such serious crisis has before arisen to require such action by the king.

Whatever passed in council is held secret, but the inference that the king tried to arrange a reconciliation appears a most natural one. The five statesmen departed separately, four in their motor cars and the working men's spokesman afoot.

Afterwards the king gave an audience to Mr. Bonar Law, who declined to undertake the formation of a new ministry, and then to Mr. Lloyd-George, who accepted the responsibility, as everyone anticipated he would if the opportunity came to him.

The official announcement tonight that Mr. Lloyd-George had undertaken the task, with the co-operation of Mr. Bonar Law, was a notification that the new government would be coalition. Any party government would be impossible, because neither the Unionists nor the Liberals have a majority in the House of Commons; either one attach the Irish Nationalists Laborites to itself to command a majority. The Nationalists had to participate in the government home rule becomes established Laborites are sworn enemies of Lloyd-George, because of his accusations that the work put their personal interests at time national interests at time.

#### THANKSGIVING ENTERTAINMENT AT PETERSBURG WAS ELABORATE

Gia at That Town Runs Late at Night to Get Through With Cotton.

PETERSBURG, Texas, Dec. 3.—We are having delightful weather now, and the people are busy. The Claiborne gin is running every day and till late at night. The threshing is progressing fine, yet there is not a great deal of grain to thresh this winter, not as much as usual. Some are selling the heads.

Your correspondent wishes to correct a mistake in the report of the Mothers' Club meeting of last week, in regard to those who served refreshments. Mrs. R. I. Moon served in Mrs. Groer's place, but the change was not reported. We regret the seeming slight, and hope this explanation is satisfactory. Mrs. Moon is treasurer of the club and one of its most earnest workers.

The spirit of Thanksgiving was abroad in the land Thursday. At eventide the Needlecraft Club, with their husbands and children and the young ladies of the club, came together in the lovely home of True Rosser, seven miles out of town, and in a truly holiday frame of mind celebrated the occasion.

The supper was served banquet style, the long table being adorned with baskets of fruit—and all kinds of eatables were there too!—three large turkeys, chickens, croquettes, dressing, pumpkin pies, cakes galore, several different kinds of salad, etc., etc.

The married ladies conducted the gentlemen to the table—after drawing their escorts' names, so each lady took some other lady's husband. The rooms were aglow with appropriate decorations. The acetylene lights made everything look cozy, and about forty couples took their places at the table.

The hearty welcome was given by Kate Rosser in loud, clear tones, as she stood near the head of the table. Then little Lauraine Rosser gave the toast, which was responded to in behalf of the gentlemen by L. B. Rosser, from Plainview, father of True Rosser. Everyone did full justice to what was before them.

The young people and children had

quite a nice time when their turn came. There was plenty for all—and some left over—though eighty had been served.

A program had been planned, consisting of music, readings and one dialogue, and all did their part creditably. Mrs. L. B. Rosser, who has already passed the seventieth milestone, gave some fine selections on the piano. She played the music of long ago, and in fancy we went back to childhood days in the Sunny South, when our uncle and aunt used to play those old tunes, he with his violin and she on the guitar, and we thought "Fisher's Hornpipe" and "Bonaparte's Retreat" were just "too lovely."

Mr. and Mrs. Lee Armstrong and Ina Mildred were there as guests. Mrs. Armstrong is quite a fine musician, and added very much to the entertainment.

Just before we took our departure, L. B. Rosser, for the gentlemen, made a short address, thanking the ladies for the entertainment and assuring them of their appreciation. (From his talk, we inferred he had just concluded that ladies' clubs were grand affairs.)

Mrs. I. Z. Smith tendered the thanks of the club to Mr. and Mrs. True Rosser for their hospitality in throwing their home open for the occasion. Then we sang "God Be With You Till We Meet Again," said goodbye, and with thankful hearts were soon in our respective homes, feeling that it is "good to dwell together in unity."

The stork has been in our midst lately, and left a fine baby boy with Commissioner Roberson and a wee baby girl in the home of Roy Bailey, our telephone manager, and a tiny girl and a bouncing boy (twins) with Mr. and Mrs. Milford Williams.

Miss Maggie McDuff has accepted a position as saleslady in the store of Moon & Bell at Estacado. Miss Ola Moon has taken her place again in her brother's store here.

Among the social affairs of the week was a Forty-two party Saturday evening given by Misses Hughes, Gartin and Claiborne, at the Claiborne home, honoring Miss Mattye Gregory, of Rule, Texas, who is attending the State Normal at Canyon. She spent the holidays at Plainview with Miss Gilbert and here among her relatives and friends. Quite a lively time was spent by the young folks playing Progressive

Forty-two, and in the geographical contest Poe Greer carried off the prize, a box of candy. Refreshments were served by the young ladies.

Messrs. H. A. and J. E. White and Ed Martin are in New Mexico this week looking after some land bargains.

YOUR friends can buy anything you can give them except your photograph.

Thirteen shopping days before Christmas!  
 Do your Christmas shopping early, and, by the way, let it include a poll-tax receipt.  
 Some ingenious Californian has sent to President Wilson for his phonograph a record entitled "I Love You, California."

**AS TO WEST TEXAS A. & M.**  
 In asking for an independent A. & M. College for West Texas, that section west of the 98th meridian has met some opposition. Dr. Bizzell, president of the present A. & M. College, is opposed to such a move, as are the regents of the old school. West Texas will do well to secure an adjunct school. It has been the intention of the board of regents for many years to ask for secondary A. & M. Colleges as soon as they thought the plan could be carried through successfully.  
 It will be remembered that some two years ago Mr. Walton Potcet, then with the Extension Service, stated, while visiting in Plainview, that such was the case, although he was not speaking in official capacity at the time. Mr. Potcet was for a number of years a regent of the Texas A. & M. College, and has been closely in touch with the school.  
 What the campaign committee will do toward framing a bill is problematical, but it is practically certain that some concession will necessarily be made and the hope of securing a co-ordinate school dispensed with, at least until some constitutional amendment may be made, which in our judgment postpones it indefinitely. Good junior agricultural colleges will help fill the need in West Texas, even if such a plan is not as comprehensive as this section desires.

**ARE OUR COUNTRY ROADS GOOD ENOUGH?**  
 Are the roads of Hale County good enough? Every man who is interested in the welfare of this section might well ask himself this question.  
 That Hale County should have better roads is The Herald's belief. There are many things which come to mind favoring the building and maintaining of better roads, but the benefit to the motor traveller, to the teamster, and to the county in general is too self evident to need even statement.  
 The one thing which is arousing most interest in the Panhandle and Plains country in good roads is proposed automobile highways which may receive aid from the Federal Government. There is good basis for hope that such aid could be received in Hale County, at least on one cardinal road. Even if the expense were shared by property owners on a basis of taxation, good roads will pay for themselves.  
 If the amount of money available for road construction and road maintenance in the hands of the county now is not sufficient to construct good roads, a bond issue, carrying the obligation to pay over a number of years, is equitable. Hale County now expends enough money in keeping up ordinary roads to maintain first-class roads. The initial cost of permanent roads can be met with a bond issue, and money now available will be ample to maintain these roads in a first-class condition.  
 Are our county roads good enough? If they are we should be contented with them; if they are not we should improve them.

**TRINITY CHURCH, PROVIDENCE, TO HAVE CHRISTMAS SERVICE.**  
 Rev. A. L. E. Weber, pastor of the Lutheran Trinity Church, at Providence, requests The Herald to announce that there will be services at that church Sunday morning, December 24, as usual, and that in the afternoon at 3:30 o'clock there will be a special children's Christmas service.

### DEFEATED "REDS" ARE GOOD HOSTS FOR WINNERS IN CONTEST

The "Reds" of the Baptist Sunday School proved to be charming hosts and hostesses last night, when they entertained the winners, at the Baptist Church.

They were divided into three groups, one representing Mexico, one Japan and another Italy, and each group served refreshments that were in keeping with the custom of the country

they represented. The Mexicans served chili; the Japanese, tea and wafers, and the Italians served punch. The group representing Mexico delighted their guests with a Mexican song.

A number of interesting talks were made. Among them was a talk by Rev. J. R. Balch, pastor of the Baptist Church at Matador, which was very much appreciated. Rev. Holland, a student of Wayland, also made a good talk.

### CIVIC LEAGUE NOTES.

The Civic League had a most interesting meeting at its regular monthly session, December 6th, quite a number being present.

Mrs. H. W. Harrel, of the Finance Committee, reported an assessment of 25 cents against each club member for the benefit of the Municipal tree. Same being discussed, it was decided by the League that inasmuch as they did so much for the public, that an assessment of only 10 cents each be levied.

The committee on selecting Municipal tree reported that same had been purchased for \$1.00, which was ordered paid. On account of absence of outstanding committees, they were continued until next meeting.

A motion was adopted that each member burn paper and trash and dispose of old cans and clean off their premises, as an incentive to others in the city to do likewise.

 on theed Saturday. Re-  
 were 100 cattle, steers steady,  
 pts with, stockers and feeders  
 cows. The hog supply was 10,000,  
 market 10 to 15 cents higher, top  
 \$10.00, sheep 10 cents higher, lambs  
 \$12.35.

### Beef Cattle.

Branded yearlings brought \$10.85, and some pretty good heavy steers sold at \$10.90, strictly prime steers worth up to \$12.00. These \$10.90 steers today were mates of steers from same shipper at \$10.90 last Wednesday. Medium to plain short-fed steers sold at \$8.50 to \$10.50, some Missouri steers at \$10.50, 1,400 pounds average, that cost \$7.50 here in September. A train of 23 cars of cattle from Red Rock, Montana, arrived, containing 10 cars of steers around 1,200 pounds at \$7.85, and 13 cars of cows, of which 1 car brought \$7.25, 1 car \$7.00, the main drove \$6.65, balance \$6.00 to \$6.40, a few throw-outs \$5.25. The cow market was a shade higher, including canners, the latter at \$4.50 to \$5.00.

### Stockers and Feeders.

On the discovery of the harmless nature of the disease affecting the sick cattle here, all embargos have been lifted, and trade is on a normal basis. Receipts of stockers and feed-

ers were sent, and the feeling was weak, prices quotable at \$5.50 to \$7.50 for steers and \$5.00 to \$7.00 for stock cows and heifers.

### Hogs.

The morning estimate of 8,000 head was raised to 10,000, and there was a very active market at 10 to 15 cents higher prices, the close 20 cents higher in some cases. The top was \$10.00, bulk of sales \$9.40 to \$9.90, medium weights up to \$9.90, light hogs \$9.75. The market showed the good effect of the order-buying trade, which was operating today, top here being 10 cents above nearest Missouri River market, and only 10 cents under Chicago top today, bulk of sales here today actually above bulk in Chicago. Killers have a place for hogs in practically unlimited numbers, and present price adjustment is making them good money.

### Sheep and Lambs.

The market was stronger, and there were several important features. Four cars of pea-fed lambs from the Monte Vista district, sold at the top price, \$12.35, 76 pounds average. Four cars of feeding lambs from Roswell, New Mexico, sold at \$11.00, a new high figure for that class, 65 pounds. A carload of prime Kansas-fed Nevada wethers and yearlings, 110 pounds, sold at \$9.75, an offer of \$10.25 for the yearlings and \$8.50 for the wethers in this lot being refused. The wethers cost \$4.50 and the yearlings \$7.00 here in August. Fat ewes sell at \$7.35 to \$8.25.

### BONDS OF LAMB COUNTY OFFICIALS APPROVED BY COURT.

OLTON, Texas, Dec. 5.—Mr. Millan, who received a stroke of paralysis about two weeks ago is reported to be no better.

Mr. Courtney is now living in the Pugh house.

Commissioners' Court met last Monday. The bonds of L. E. Ensign for county judge; E. G. Courtney, sheriff and tax collector, and L. W. Willis, tax assessor, were approved.

Last Saturday night a box supper was held at the school house. The purpose was to secure money to purchase song books for the church. About forty dollars was collected.

The Hale Center basketball boys and girls will come to Olton next Friday afternoon to play the Olton boys and girls.

Not often a day passes now without bringing prospectors to Olton, and we expect some of them to return to make their home with us.

Miss Pearl Cowart, who has been in a sanitarium at Plainview for an operation, returned to her home Monday.

We will appreciate a share of your barber trade.

### THE REASONS FOR THE CLUB.

To provide a way for those of moderate and even small means to bank their money.  
 To teach "the saving habit" to those who have never learned it.  
 It makes your pennies, nickels and dimes, often foolishly spent, grow into dollars; dollars grow into a fortune. Start your fortune today.  
 To give you a Bank connection and show you how our Bank can be of service to you.

**FOR OLD AND YOUNG.** The sensible thing for all parents to do is to join our Christmas Banking Club and also put every member of their family into it. This will teach them the value of money and how to bank and HAVE MONEY. Maybe this little start you give them now may some day set them up in business or buy them a home.  
 How often have you wished that your parents had taught you early the value of banking your money. You would be well-off today. Don't make the same mistake with YOUR children.

# The Public School News

Volume 1 December 8, 1916 Number 6

Pupils contributing news this issue are from the Tenth Grade: Ralph Garrett, Minnie Woolverton, Maurine Richards, Eva May Merrill, Lucile Glenn, William Knapp and Bernice Graves.

The Juniors of Plainview High School organized a class this week. The following officers were elected: President—Chauncey Gidney, Secretary—Willena Winfield.

Our class colors and flower will be decided in our next meeting.

The Board of Trustees gave two days' holiday for Thanksgiving, and both days were appreciated by all the students.

The roof was being placed on the new High School Building Monday. As soon as that is accomplished, then work on the interior can be kept up, even in bad weather.

A football game between the Juniors and Seniors combined and the Freshmen and Sophs combined will be played Friday evening, on the gridiron at the Central School. Rates of \$2.00 a room have been made for the game.

The boys' basketball team is practicing hard for the game which they expect to play with Hale Center about the last of this week.

The tenth grade was given an examination on the first book in plane geometry Tuesday. We were afterwards told that it was final.

Monday afternoon Mr. and Mrs. Hill, from Lockney, accompanied by Mr. Campbell, visited the High School for a few minutes. Mr. Hill is principal of the Lockney school.

Tuesday afternoon the faculty met and discussed some very important business of the High School.

The Juniors have had many tests this week.

Many pupils are sorry to hear that Dennis Scalling has broken his arm.

The Seniors had a meeting yesterday evening after school. Their purpose for meeting was to decide whether the Juniors could have an assistant editor and business manager on the editorial staff for the annual. The Juniors and Seniors cannot decide what part of the management the Juniors will have, so the faculty is going to decide it.

The J. U. G. Club did not meet this week, because there was a faculty meeting and Miss Briggs could not meet with them. Both the J. U. G. Club and the Sav-a-Bit Club are helping start the school library.

The basketball girls are practicing now to play Hale Center either this

week or next. Hale Center has a good team, and the Plainview girls will have to practice hard to beat them.

Armina and Willie Webb have moved to Crosbyton.

### Seniors Give Party.

Friday night Miss Ada Clark gave an entertainment for the Seniors and a few other members of the school. Many games were played, and were full of wit and humor. After the games, refreshments were served. Everyone reported a good time.

Monday afternoon Thomas Burgis visited the tenth-grade room.

Joe Lee Ferguson, of Hale Center, was in Plainview yesterday on business.

Rev. and Mrs. J. A. Sweeney, of Lockney, were visitors in Plainview yesterday.

BIG HOLIDAY SALE begins Monday at CARTER-HOUSTON'S.

## Forty-Room Hotel Planned For North Broadway Street

Mrs. Mollie Hill has purchased a fifty-foot-front lot north of The Herald Building, and will erect a forty-room hotel on it in the near future. A permit has been granted by the city for the erection of the building.

A. A. Highbarger is in Springfield, Mo., on business.

P. J. Naab is planning to leave tomorrow for Hampton, Iowa, where he will spend several weeks on business. Ruthven Armstrong, county surveyor of Comanche County, was a visitor in Plainview this week.

### CARD OF THANKS.

We desire to thank each and all of the young ladies and gentlemen who made possible the comedy "Microbe of Love," given Wednesday night; and to any who helped make it a success we extend our thanks. Especially do we thank Mr. C. D. Powell, who so faithfully assisted in the work throughout without charge.

## WHY THE PRICE IS SO LOW ON THIS CAR OF QUALITY

If the 6-30 Chalmers were built at the rate 2000 a year the chance are you might have to pay \$1600 or more for one. But more than twelve times that number is made. So that the price comes only \$1090. Quality runs all the way through. It is the quality at a quantity price.
