

THE PLAINVIEW EVENING HERALD

Official Paper of the City of Plainview.

TWICE-A-WEEK

Official Paper of the County of Hale

VOLUME 28, NUMBER 61

PLAINVIEW, TEXAS, TUESDAY, AUGUST 21, 1917

BOARD OBTAINS THIRTY MEN FOR ARMY SERVICE

TWENTY-FIVE MORE HALE COUNTY MEN TO BE EXAMINED TOMORROW.

DEPENDENCY IS EXPLAINED

Officials Are Instructed to Work in Interests of Government and Not Individuals.

More than thirty men from Hale County have been enlisted for service in the citizen army through the draft, was the announcement made by Fred Pearce, chairman of the local exemption board, this morning. It is believed by the members of the board that the quota for Hale County will be complete by the time all the men summoned for examination this week have appeared.

Yesterday the board examined thirty registrants, ten of which were non-residents. Several of the men examined offered claims for exemption, and according to Dr. J. P. Lattimore, there will be several rejected owing to physical disqualifications. The board will decide tomorrow on those to be rejected.

The twenty-five men summoned for today are being examined, and up to a late hour this afternoon most of them had appeared for their examination. It was announced that today was the last day for the men examined on the first call had for filing proof to their exemption claims. Those who fail to file proof will be considered accepted for service, according to the regulations received by the exemption board from the Government.

The local board received from the Provost Marshal General Crowder today the following instructions:

"There are no forms for affidavits in support of claims of discharge under section 44, Rules and Regulations, for the reason that the affidavits will be too diverse in substance to prescribe a form to fit all cases. The requirements of section 44 must be complied with and affidavits filed must be acknowledged as in case of affidavits filed in support of other claims.

"The Government can no longer undertake to make free distribution of forms for individual use in filing claims for exemption or discharge. Forms now on hand in local or district boards or State headquarters may be distributed without charge, but no further free distribution of these forms will be attempted from Washington."

General Crowder Explains Allen Point.

In explaining the alien question, General Crowder says:

"The belief prevails that friendly aliens, who have not declared their intention to become citizens but are ready and willing to serve, are disqualified from entering the military service of the United States, and, therefore, that they must take out first papers before they can be accepted. The qualifications for voluntary enlistment in time of war are no more restricted for service in the new National army than for the Regular Army. Such alien nondeclarants are virtually volunteers.

"The selective-service act provided for their registration; but it did not regard them as being under any liability to serve, and it therefore gave them full liberty to claim exemption when called by local boards. Now that information reveals their willingness in large numbers to decline this exemption and to accept service in this war against the common enemy of our civilization, it should be fully understood that their service is heartily welcomed, and they should be accepted whenever upon summons they fail to claim their right of exemption."

Dependency Renders Discharge.

"A clear case of dependency ordinarily renders discharge advisable," said County Attorney L. D. Griffin this afternoon in explaining the grounds necessary for appeal proceedings on a dependency claim, "because, since the drafted person loses his civil income and thus loses his means of support, the wife is left without support, and this lack of support is the effect which the act aims to avoid. But wherever such effect does not in fact follow, and the wife is not left without reasonably adequate support, but will receive such support from other sources, there is no real dependency rendering discharge advisable. Exemption will not be granted in the following cases:

(Continued on Page Eight.)

Contracts Are Let for Two More Brick Business Buildings

Another expression of progress and modernism materialized yesterday afternoon, when Guy B. Speed and C. A. Bowron let contracts to the firm of Harrison & Kerr for the erection of two new brick buildings on Broadway where the present jewelry store and the South Plains Motor Company are located. The construction of these buildings will begin sometime during the latter part of the week.

The estimated expenditure for the erection of these two buildings has been placed at the \$20,000 mark. The building undertaken by Mr. Speed will be rented to the South Plains Motor Company, and Mr. Bowron will continue to maintain his jewelry business in his new building.

J. M. Lipscomb, manager of the motor company, announced this morning that an up-to-date service station and stock room will be operated in the new building for the motor company. Most of the space will be given over to a sales room.

The plans for the front of the two buildings are so arranged as to make an attractive entrance to both buildings. Toward the center of the two buildings in front an inward curve will be made, branching off into an entrance to both buildings. The floor space in the building to be erected by Mr. Speed will be twenty-five by a hundred and twenty feet.

GENERAL RAIN FALLS OVER PLAINS COUNTRY

ONE AND ONE-HALF INCHES RECORDED AT WEATHER STATION IN 3 DAYS.

Heavy downpours prevailed throughout the Plains country the last few days. Since last Friday more than one and one-half inches of rainfall have been recorded here by the Government weather station. The rain that fell here Sunday night amounted to forty hundredths.

A report from Floydada and Lockney yesterday stated that the rainfall was heavy throughout those districts both Saturday and Sunday. Kress, Hale Center and Petersburg report more than an inch in rain the last three days. The heaviest rains Saturday fell south of Plainview, and Sunday the heaviest rains were reported from the northwest of this city.

The Santa Fe officials reported yesterday that the rains around Amarillo and surrounding country have been heavy, and that several bridges were washed out last week. The rain at Slaton, Sweetwater and Abilene were only showers.

The rainfall here up to date has amounted to two and sixty-three hundredths inches this month, while at the same time last year only one and ten hundredths inches were recorded for August. Eight and twenty-nine hundredths inches of rain have fallen here this year, which is ninety-seven hundredths less than at the same time last year.

Reclamation Issue Is Before Citizens for Adoption Today

Throughout the State the people are voting on the conservation and preservation of all natural resources of Texas, an amendment provided for by the last session of the General Assembly. In accordance to the election proclamation issued by Governor Ferguson, the county officials distributed the ballot boxes to the various precincts yesterday, and the polls were opened this morning. The county officials look for a light vote in Hale County on this issue.

JOHN VAUGHN GOES TO FORT WORTH HOSPITAL.

Chief of Police John Vaughn left Sunday afternoon for Fort Worth, where he will undergo an operation. Mr. Vaughn was thrown from a horse sometime ago, and since that time has experienced trouble with a fractured leg. During his absence, Night Captain Andrews will take his place.

Mrs. Homer Steen of Floydada was a visitor in Plainview yesterday.

DAIRYMEN WILL MEET HERE NEXT SATURDAY

PROF. L. R. POU OF A. & M. COLLEGE WILL HEAD PROGRAM OF SPEAKERS.

TO GATHER AT COURTHOUSE

Persons Interested in Industry Will Be Guests of South Plains Association.

All arrangements are complete for the Dairy Congress to be held in this city next Thursday, was the announcement sent out by the officials in charge yesterday afternoon. The various teams selected at Amarillo last Saturday to make the dairy campaign throughout the Panhandle and Plains started on their respective tours yesterday morning.

The meeting here will be held at the Courthouse and will be under the direction of the South Plains Dairy Association. The speakers will be those who compose what is designated as team number three, which will cover the territory between Amarillo and Ra'gs on the Santa Fe Railroad.

This team is headed by Prof. R. L. Pou, head of the Bureau of Animal Industry at the Agricultural and Mechanical College of Texas. Professor Pou will speak about the development of the dairy industry in Texas and the possibilities of its growth in the future.

Accompanying Professor Pou will be M. W. Cartwright of the Nissley Creamery Company of Fort Worth, who will speak about the creamery industry in Texas. Other speakers for the Dairy Congress here will be D. L. Harecourt, rural dairy expert of the National Dairy Association, and Professor Alvord, editor of the Progressive Farmer.

It was stated today that the campaign is being made in anticipation of a heavy importation of dairy cows into this territory this fall, and also for educational purposes. The trip is being supported by the Government on the grounds that it will encourage the farmers to give more attention to the industry which at this time is giving the nation considerable trouble, said one of the members of the South Plains Dairy Association yesterday.

CITY COUNCIL HEARS ASSESSMENT "KICKS"

ALDERMEN CONCLUDE THAT PAVING WILL ENHANCE VALUE OF PROPERTY.

The resolution adopted by the City Council yesterday afternoon after being in session the whole day listening and considering complaints offered by property owners whose property is abutting on the particular paving districts eight, nine, ten and eleven was that property in these said districts would be enhanced in value in excess of the paving assessments.

A. E. Harp and R. H. Wilkin were represented by A. B. Martin in their protest against any assessment for paving in what the City Council has designated as Blocks 1 C P and 2 C P, which property has a respective depth of ten and twenty feet on Broadway Street.

The Council found and concluded that all of the property abutting on these said districts would be enhanced in value in excess of the special assessments against the property for the paving improvements and that the actual benefits to the owners of said property will be in excess of said assessments.

FOUR CASES OF TYPHOID FEVER IN CITY.

Dr. E. F. McClendon reported to the City Council last night in its regular session that there were four cases of typhoid fever in Plainview and gave a summary of his recent survey of the health conditions in the city.

The other business before the Council was the question of the assessment for paving in front of the City Hall. The Council ordered that the city treasurer be instructed to pay the full assessment in the front of the City Hall, with the understanding that the contractor is to discount the two deferred payments and 3 per cent for cash.

RED CROSS CHAPTER WILL BEGIN KNITTING

RESPONSE IS TO BE MADE TO URGENT CALL FROM NATIONAL HEADQUARTERS.

MORE WORKERS NEEDED

Membership Campaign, Under Direction of Mrs. Knight, to Start This Week.

In a communication from the national headquarters of the Red Cross Society received here last Saturday, an urgent call is made for knitted woolen articles. The announcement urges that the knitted woolen articles be made and supplied to the headquarters just as soon as possible, so that the Red Cross relief work may not be delayed when cold weather begins in France.

Mrs. Tom Carter, chairman of the local chapter, said this morning that knitting committees have been formed among the auxiliaries under the jurisdiction of the Hale County Chapter, and that an appeal had been made to these committees to devote as much time as possible to this work.

The knitting work here will begin immediately in response to the demand of the national society. Committees will be formed to handle the work and persons will be enlisted to help in carrying out the proposed work. Various clubs will be given this class of work immediately and individual assignments will be made to any person who volunteers for it.

Look to America for Help.

The following announcement was received from the national headquarters:

"The Red Cross Society has an urgent call from Major Grayson Murphy for an enormous quantity of knitted woolen articles. Here is the cablegram from Major Murphy: 'Last winter broke the record for cold and misery among the people here. We inexpressibly dread the coming winter finding us without supplies to meet the situation. We urge you on behalf of our soldiers and those of our allies, who will suffer in their frozen trenches, and also thousands of French and Belgian refugees and repatriates

(Continued on Page Eight.)

GOOD ROAD BOOSTERS TO LEAVE TOMORROW

O. M. UNGER, PRESIDENT, WILL LEAD DELEGATION TO BIG SPRING CONVENTION.

Tomorrow morning Plainview's highway booster delegation will leave to attend the annual convention of the Puget Sound-to-Gulf Highway Association at Big Spring Thursday. The delegates will assemble at 7:30 o'clock at the Plainview Machine and Auto Company, and will leave this city about 8 o'clock.

O. M. Unger, president of the association, announced yesterday evening that all the managers of the garages in the city have promised to send at least one delegate, and other persons interested in the highway association and good roads also would make the trip to Big Spring.

Those who are contemplating making the trip at a late hour this afternoon were O. M. Unger, E. E. Roos, W. P. Madsen, E. H. Perry, Tom Carter or E. L. Doland, Col. R. P. Smyth and a representative from the Knight Garage. Others are expected to join the excursion through the canvass that will be made tonight by Roy Pearson, president of the Y. M. B. L., and Mr. Unger. Hale Center sent word here today that a delegation of boosters from that place will make the trip tomorrow.

GEORGE PERDUE TO ENTER OFFICERS' TRAINING CAMP.

George Perdue, bookkeeper for the Texas Land and Development Company, will leave tomorrow morning for Leon Springs to enter the Second Officers' Training Camp. Will Stockton, and other Plainview applicants, who was accepted, has not decided whether he will become a member of the camp.

Honor Guard Girls Will Give Minstrel In Airdome Tonight

When the curtain goes up at the Maxwell Park this evening at 8:30 o'clock, Miss Nelle Sansom, the interlocutor of the performance, will introduce to the public of Plainview the members of the Girls' National Honor Guards decorated in the color and the garments of the minstrel man.

The program for the evening performance is as follows:

Part One.

Interlocutor—Miss Nelle Sansom.
Bones—Mrs. John Boyle and Miss Lacy Dalton.

Tambos—Mrs. George Wilson and Miss Celestine Harp.

Chorus—Mrs. John Boyle, Miss Celestine Harp, Mrs. George Wilson, Mrs. Mildred Doland, Mrs. George Salgins, Miss Georgia Brashear, Miss Lizzie Mae Rook, Miss Vada Bussell, Miss Lorena Stockton, Miss Mildred Farmer, Miss Hattie Dillingham, Miss Akard Britain, Miss Pattie Dalton, Miss Lacy Dalton, Miss Lena Donohoo, Miss Electra Anderson, Miss Elaine Wood, Miss Sadye Earl Adams, Miss Isabel Bayless, Miss Mary Wayland, Miss Zella Hulen, Miss Kathleen Joiner, Miss Madge May, Miss Daisie Gidney, Miss Louise Donohoo, Miss Mildred Vickers, Mrs. Beulah Kler, Miss Lucile Klander, Miss Nelle Sansom.

Part Two.

Resanne Hulen and Farmer Boys.
Comedy Quartet.

Lacy Dalton, Stump Speaker.

Polka Dot Girls.

Mrs. Kler and Sextette.

Performance will be concluded with a Tango Cake Walk.

GRAND JURY BEGINS ON SECOND SESSION

CIVIL JURY CASE AGAINST SANTA FE RAILROAD IS BEFORE COURT TODAY.

The grand jury for the August term of District Court, that has been out on recess the last week, went into session again yesterday morning to consider the other cases filed for consideration of this term of court.

Most of yesterday afternoon and up until noon today the District Court was in session hearing a damage suit brought by W. R. Matsler against the Santa Fe Railroad for a shipment of livestock. The case will probably be completed with the argument of the defense this afternoon.

In the case of the State vs. J. G. Garrison, on the charge of swindling in connection with the Lockney State Bank, nine of the jurymen were for acquittal and three for conviction. The case, after being before the court for more than three days, went to the jury late Friday afternoon and the jury remained in session until Saturday noon.

According to Judge R. C. Joiner, the case has been up in court twice before, and that the State made a motion Saturday evening to dismiss it. The defendant was represented by H. C. Randolph, W. C. Mathes and L. C. Penry of Fort Worth. A. B. Martin and Dennis Zimmermann assisted District Attorney A. C. Hatchell in the prosecution.

Four Minute Men Will Begin Talks Tonight at Shows

"Why We Are at War With Germany" will be the theme of the Four-Minute addresses to be made tonight at the theatres by R. A. Underwood and E. B. Miller. The speakers will appear during the intermissions. Mr. Miller will speak at the Mae I Theatre and Mr. Underwood will appear at the Olympic Theatre. Next Saturday evening the topic of the national Four-Minute speeches will be "The Nation in Arms."

BURIAL OF INFANT DAUGHTER TO BE AT OLNEY.

The funeral services of Nora Dieter, the infant daughter of Mr. and Mrs. G. J. Dieter, were held at the family residence Monday afternoon. The body was sent to Olney and burial will be in the Olney Cemetery today.

Congressman Jones at Home.

Congressman Marvin Jones is spending a few days in his home in Amarillo.

ITALIANS AND FRENCH BEGIN MONSTER DRIVE

GERMANS ARE HIT HARD NEAR VERDUN AND AUSTRIANS AT PLAVA.

BRITISH TANKS EFFECTIVE

Another Triumph for Allies Against Teutons in Neighborhood of St. Julien.

BRITISH FRONT IN FRANCE AND BELGIUM, Aug. 20.—British tanks scored another triumph in the capture of important German positions yesterday morning in the neighborhood of the Ypres-Poelcapelle road, north of St. Julien. It was a tank show from the start, and the infantry in this case played the part of supernumeraries in support of the leading actors, while large numbers of the enemy troops added a final melodramatic touch by surrendering abjectly or fleeing in terror as the heavy leads lumbered on the stage and "reached for their shooting irons."

With the British troops busily engaged in the successful parrying of German counter attacks against the newly won ground in Flanders, the French and the Italians have started monster offensives—the French against the Germans near Verdun and the Italians against the Austrians from the region of Plava to near the headwaters of the Adriatic Sea.

Sharp, decisive blows have gained for the French positions held by the Germans on a front of more than 11 miles, extending from the Avoucourt wood eastward across the river Meuse and into the Bois de Chaume, while the Italians, after a bombardment of an intensity never before experienced in that theatre, have levelled Austrian defenses, crossed the ruins and also the Isonzo River and now are at deadly grips with the enemy along a front of about 37 miles.

Nearly 12,000 prisoners already have been counted by the French and Italians, and doubtless this number will be materially augmented when full details of the fighting are at hand. In addition, the Germans and Austrians lost heavily in men killed or wounded and in guns and machine guns captured.

TO REGULATE FUEL PRICES.

WASHINGTON, D. C., Aug. 17.—The production and distribution of coal at fair prices is one of the objects of the so-called food bill. "Food, feed and fuel"—the law reads.

Hoover says he has his hands full with the food problem, so the President will have to find someone else to be "coal dictator."

GERMAN CASUALTIES REACH 4 AND HALF MILLION.

LONDON, Aug. 17.—German Casualties reported during July in the German official lists but not necessarily having occurred in July, amount to 89,863, as follows:

Killed or died of wounds or sickness, 21,389.

Prisoners or missing, 14,620.

The Great Total.

Severely wounded, 13,896.

Wounded and slightly wounded, 39,958.

The total German casualties of all classes since the beginning of the war exceed 4,500,000.

TEXAS MAN TO HELP IN FOOD SURVEY.

WASHINGTON, Aug. 17.—Clarence Ousley of College Station, Texas, and Raymond A. Pearson of Ames, Iowa, were nominated today by President Wilson to be assistant secretaries of agriculture under the provisions of the food survey law.

WACO GRAIN BUYER COMES TO PLAINS AGAIN.

J. M. Clements of Waco, a prominent grain dealer of that city, is here this week looking over the grain situation. Mr. Clements bought a considerable quantity of grain in this section last year.

Mr. and Mrs. George Bennett and Mr. and Mrs. H. W. Nichols, who spent the last two weeks on a touring and outing trip through the mountains in Colorado, have returned to this city.

FOOD ECONOMY PRINCIPLES DESIRED BY GOVERNMENT OFFICIALLY PROMULGATED.

The food economies which Herbert C. Hoover of the food administration desires to suggest to the American people were officially promulgated recently.

They constitute the cardinal principles of the food campaign and are set forth in clear type on a small card in terms so definite and concise that all will know exactly what and how to save.

The food administration card will soon hang in every American kitchen and its directions followed with scrupulous care by the homemakers of the land. Already the appeal has met with a generous response. The information is at hand that 1,000,000 food pledges have already been signed.

A reading of the card, which is printed in full below, shows that to follow its suggestions entails no real hardships. The rules are concise and simple. Less wheat, meat, milk, fats, sugar and fuel. More fruit, vegetables, foods that are not suitable to be sent to camps or firing lines. No limiting the food of growing children; no eating by anyone of more food than is necessary. Buying food that is grown close to the home.

United States Food Administration.

"Win the war by giving your own daily service.

"Save the Wheat.—One wheatless meal a day. Use corn, oatmeal, rye or barley bread and non-wheat breakfast foods. Order bread twenty-four hours in advance, so your baker will not bake beyond his needs. Cut the loaf on the table and only as required. Use stale bread for cooking, toast, etc. Eat less cake and pastry.

"Our wheat harvest is far below normal. If each person weekly saves one pound of wheat flour that means 150,000,000 more bushels of wheat for the allies to mix in their bread. This will help them to save democracy.

"Save the Meat.—Beef, mutton or pork not more than once daily. Use freely vegetables and fish. At the meat meal serve smaller portions and steaks instead of steaks. Make made-dishes of all left-overs. Do this and there will be meat enough for everyone at a reasonable price.

"We are today killing the dairy cows and female calves as the result of high prices. Therefore, eat less and eat no young meat. If we save an ounce of meat each day per person we will have additional supply equal to 2,200,000 cattle.

"Save the Milk.—The children must have milk. Use every drop. Use buttermilk and sour milk for cooking and making cottage cheese. Use less cream.

"Save the Fats.—We are the world's greatest fat wasters. Fat is food. Butter is essential for the growth and health of children. Use butter on the table as usual, but not in cooking. Other fats are as good. Reduce use of fried foods. Soap contains fats. Do not waste it. Make your own washing soap at home out of the saved fats.

"Use one-third ounce less per day of animal fat and 375,000 tons will be saved yearly.

"Save the Sugar.—Sugar is scarcer. We use today three times as much per person as our allies. So there may be enough for all at reasonable price, use less candy and sweet drinks. Do not stint sugar in putting up fruit and jams. They will save butter.

"If everyone in America saves one ounce of sugar daily it means 1,199,000 tons for the year.

"Save the Fuel.—Coal comes from a distance and our railways are overburdened hauling war material. Help relieve them by burning fewer fires. Use wood when you can get it.

"Use the Perishable Foods.—Fruits and vegetables we have in abundance. As a nation we eat too little green stuffs. Double their use and improve your health. Store potatoes and other roots properly and they will keep. Begin now to can or dry all surplus garden products.

"Use Local Supplies.—Patronize your local producer. Distance means money. Buy perishable food from the neighborhood nearest you and thus save transportation."

HOOPER PUTS BAY ON SUGAR EXCHANGE.

NEW YORK, Aug. 16.—Speculation in sugar, which has been advancing in price for months, was banned on the New York coffee and sugar exchange today at the instance of Herbert C. Hoover, food administrator.

UNCLE SAM'S ECONOMY THOUGHT FOR TODAY.

Keep milk continuously clean, cold, and covered.

This injunction applies equally to the producer, the wholesaler, the dealer, and the consumer.

Unclean milk sent from the farm sours and spoils more quickly than clean milk. Pasteurization makes milk safer.

Milk, to keep properly, should never get warmer than 50 degrees F. until it is consumed. The lower the temperature the better the milk will keep.

Bacteria—such as those which cause milk to sour—develop very slowly and cause little change in milk kept at such low temperatures.

A slight rise in temperature, even for a short time, permits, these bacteria to multiply rapidly and bring about rapid deterioration of the milk, which may render it unfit for ordinary use.

Don't leave your milk bottles on a hot porch or doorstep. A short exposure in the sun or a warm place hastens the spoiling even of cold, bottled milk.

Have the milkman put your milk into the refrigerator. If this is impossible, provide, in warm weather, a box with ice, or a bucket of water in a shady place, for the milk.

EDUCATED ANIMALS COMING.

Yankee Robinson Show to Be Here September 20.

Think of a circus performance given almost entirely by wild animals and domestic animals. Can you imagine acrobatic lions, riding leopards and tigers, juggling sea lions, high-diving monkeys, pigs that do everything but talk, waltzing zebras, baseball playing elephants, high school horses, clown elephants, comedy Teddy bears—bears that actually do more comical stunts than the modern clowns? All of these animals appear with the big Yankee Robinson Wild Animal Circus. In addition to the big wild animal circus, all of the popular features of the old-time circus are carried, together with a complete wild west show, which brings the performance to a wonderful close. The Yankee Robinson circus this season maintains it has the most wonderful, sensational and pleasing exhibition before the American public. On circus day you will also have an opportunity of visiting the Parker Carnival Company, which will exhibit day and night with the big circus. All the latest riding devices are carried. This stupendous aggregation of shows—fifteen in number—will exhibit at Plainview Thursday, September 20.

WHAT IS HIS RANK?

You can tell the rank of an American army officer by knowing that:

A second lieutenant has an epaulette with no bar.

A first lieutenant has an epaulette with one white bar.

A captain has an epaulette with two white bars.

A major has an epaulette with a gold maple leaf thereon.

A lieutenant colonel has an epaulette with a silver maple leaf.

A major general has an epaulette with two silver stars thereon.

A brigadier general has an epaulette with two silver stars.

A major general has an epaulette with two silver stars.

A lieutenant general has an epaulette with three silver stars.

A general is exceedingly rare. Thus far in our history there have been only two. They were Washington and Grant.

BOTH PLEASED.

A golf enthusiast was describing to his friend the varied joys the game afforded him. Finally he wound up by saying:

"Do you know, I'd rather play golf than eat?"

"But whatever does your wife say to that?" inquired the friend.

"Oh, well, you know," was the response, "she's rather relieved, because she would rather play bridge than cook!"

Community Correspondence

HALFWAY, TEXAS, Aug. 20.—The farmers are all busy preparing for an increased acreage of wheat.

The Rev. S. J. Upton is holding night services here this week.

Miss Coleen Hatcher of Plainview, after visiting Miss Mavis and Miss Kathleen Smith, returned to her home Saturday.

Miss Roberta Tudor of Plainview visited a few days with Miss Nannie McComas and returned home Saturday.

Mrs. W. W. Collins and children of Plainview are visiting Mrs. Collins' parents, Mr. and Mrs. B. B. Huguley.

Mrs. G. W. Lewellen and sons, Djalma, Clayton and Tom, and daughter, Aylene, left Sunday in their car for San Antonio, Lockhart and other points in Texas to visit relatives.

Mr. and Mrs. J. W. Dye and son, Willard, are visiting Mrs. Dye's mother, Mrs. E. A. Puckett of Merkel.

Miss Almira McComas returned from the Canyon Normal on Sunday.

Mr. and Mrs. Horace Henderson and children of Commerce, after a two weeks' visit with their parents, Mr. and Mrs. Will Henderson, left for their home on Monday.

Mr. and Mrs. W. P. Evans of near Kress visited Mr. and Mrs. B. B. Huguley on Sunday.

Mrs. D. W. Miles of near Kress is visiting relatives here this week.

C. A. Bickett and Carl Weingest sold out to Messrs. Gibson and Severe of Runningwater, and have bought more land three or four miles southeast of Halfway.

Mr. and Mrs. J. H. Helm, son and daughter, and brother, Frank, returned Sunday from a visit to Center, Colorado.

SERVICE.

A man who had spent several years of his life selling express service was talking to a friend. "I never realized until I stopped to think of it the other day how much service counts for in business. I bought a pair of shoes last week. The salesman looked at my old pair, and suggested that I was hard on heels. I admitted it. Promptly he suggested that I come in after I had worn my new shoes a few days and allow him to put in, free of charge, some extra brads to keep my heels in shape. I liked that salesman instantly. He was offering me service plus shoes.

"I noticed it the very next day, when a clothing man sold me my fall overcoat. He told me to come in any time I wanted to and take advantage of their free pressing service. Service plus coats!"

"I was riding down the street a while ago in my new runabout. As we

passed the garage where I bought it the manager, standing in the doorway, motioned me to stop. He had heard a squeak and, by George, he wouldn't let me go until he had eliminated it. He said it was his business to see that cars which he sold didn't squeak. More service.

"There you are. My shoes, my coat, my automobile. I get service on them all. Trifles? Of course, they are trifles. But they show a big spirit of willingness to serve, and that's what makes you friendly to a man.

"As true as two plus two makes four. And who knows it better than we do. Service, willingness to serve in trifles as well as larger affairs, here is the widespread order of the day."

Byron Gist and family living near Littlefield were here last week visiting relatives. They will visit in Memphis before returning home.

A Special Exhibition of the New Mechanical Bookkeeper at THE THIRD NATIONAL BANK

A cordial invitation is extended to you to come into this bank and inspect the wonderful Burroughs Bookkeeping Machine which we have just installed. This "bookkeeper with brains of steel" that cannot make a mistake is on exhibition in our banking room.

We want you to see just how this machine operates—how it adds, subtracts and figures balances without an error. Our bookkeepers will show you exactly how our books are posted by machinery. The demonstration will be both interesting and instructive. Samples of the work will be distributed to everyone present.

This machine has been installed for the purpose of giving added protection to our depositors. We urge you to call and become acquainted with this improved method of handling your account.

Third National Bank

NEW FALL SHOES BOSTONIAN SHOES FOR MEN

We have on display the most comprehensive stock of Fancy and Staple Shoes, in which we are featuring the famous Bostonian Shoe, in all styles and widths.

The boys tell us we are about \$1.50 a pair cheaper. Come in and look them over.

KRIPPENDORFF-DITTMAN SHOES FOR LADIES

In our Ladies' Shoe Department we are featuring Cincinnati's best make of shoes, are made expressly for Jacobs Bros. in the new shades and styles. Our Opportun bookings enable us to sell our Boots from \$2.00 to \$3.00 cheaper than the present market permits.

We invite your most careful inspection at all times.

USES NEW PROCESS IN TANNING HIDES.

It is claimed by a person in Melbourne, Australia, that by a newly discovered process, even with the present crude equipment, sole leather can be tanned in seven days, sheepskins in one hour, ordinary hides in from one to six hours (according to weight), calfskins in six hours, and fur skins such as rabbit, etc., in three days. The process plumps the leather as little or as much as is desired until the maximum is reached, and increases the strength as much as 500 per cent over normal. The durability of the leather is also said to be increased, and leather ropes and buckets in use in Australian mines for the past 60 years, the leather of which was tanned by practically the same method, are offered as proof of the claim.

The process is provisionally patented in several countries, and absolute patents have been applied for in the United States and Canada.

The writer saw two sheepskins tanned by a new process. The skins were pickled pelts. First they were soaked until clean and reasonably free from pickle. Then they were immersed for 10 minutes in a pall containing a solution. They plumped rather quickly. At the end of 10 minutes they were put into a wattle-bark extract tanning solution 50 per cent strong. The solution being in an ordinary tub, the skins were manipulated by hand. In exactly an hour they were taken from the tan, washed, and stretched out to dry.

HOG RAISERS' PROBLEMS ARE FEEDING, MANAGING AND PROTECTION FROM DISEASE.

The hog raiser's problem divides itself into three parts: (1) The management of the herd; (2) skillful feeding; and (3) protection from disease.

Choose a breed and stick to it. Get a good herd leader buying when a pig, and after a year's use have another ready. Efforts should be made to grade up the herd as rapidly as practicable, as there is no comparison between blooded animals and mongrels; and pure-bred sows should ultimately be substituted for grades.

If hogs are kept clean, they will generally be healthy. The ideal keep is on pasture with sheds to protect them from heat and bad weather, and an abundance of clean drinking water always at hand. With these requirements observed and the feeding troughs and floors washed periodically with scalding water, and whitewash plentifully applied to all houses, pens and runways twice a year, the owner should have to guard only against cholera, etc. If there should be trouble with vermin, provide scratching posts with gunny sacks dipped in kerosene nailed to them, or use a spray.

Feeding should be studied, as it is a science. The ration requires 44 pounds of dry matter per 1,000 pounds live weight with a nutritive ration of 1:4 at two to three months, the animal weighing about 50 pounds. The ration should be 25 pounds of dry matter per 1,000 pounds live weight with a nutritive ration of 1:7½ at eight to twelve months, when the hog would weigh 250 pounds and be ready for market.

Hogs should be raised on pasture. Pasture crops for fall planting are: Alfalfa, bur clover, wheat, rape and oats with vetch; for spring planting: Cowpeas, pennants, sorghum, soy beans, oats and sweet potatoes. Planting should be made so as to have a crop ready for the animals at all times, and with such a scheme and a small amount of corn, kaffir or milo heads, pork can be produced at the least cost. Hogs should be kept on every dairy farm in the proportion of two hogs to each cow, to utilize the skim milk. The Texas Industrial Congress has a bulletin, "Fattening the Hog," with a number of balanced rations for animals of all sizes, an dit will send you one free of cost if you ask for it.

WHEAT SHOW IS OPEN TO ALL, SAYS MR. UNDERWOOD.

R. A. Underwood stated this morning that many farmers are not sending in their wheat exhibits to the "Wheat Show," as they entertain the opinion that the contest is open only to customers of the bank. Mr. Underwood wants it understood that the "Wheat Show" is open to every farmer, whether he transacts business with the bank or not. "If a farmer has some wheat he should like to display and contest for the prizes offered, he is urged to enter it in the 'Wheat Show,'" said Mr. Underwood this morning.

CLEVER BUT CRUEL.

The vicar of the parish when out walking one day met a former lady member of his congregation. After exchanging salutations, he observed: "I don't see your husband with you so much as when you were on your honeymoon. Has he grown cool?" "Not if what you preach be true," was the reply. "He is dead!"

KANSAS MAN URGES EARLY PLOWING FOR WHEAT.

Land Should Be Broken as Soon as Possible After Harvest.

Plow early for wheat and insure a better yield, is the suggestion of S. C. Salmon, associate professor of farm crops in the Kansas State Agricultural College.

Early plowing is desirable because it kills the weeds, destroys the Hessian fly larva, puts the land in condition to absorb moisture and liberates plant food, especially nitrogen.

When land is left in stubble without plowing the weeds soon grow and use the moisture and plant food which should be left for the wheat crop. If plowing is done soon after the previous crop has been harvested the weeds will not have had time to make an extensive growth and mature seeds. Early plowing will destroy the larva of the Hessian fly by covering them.

On unplowed land much of the rain is lost because the land is too hard for the water to be absorbed as rapidly as it should be. This moisture should be stored in the soil, and to do this the soil must be put in a condition that will best hold the moisture.

One of the difficulties of plowing early is the fact that the soil is frequently dry and difficult to work. This can be helped somewhat by disking the land immediately after the binder. The disking will prevent the growth of weeds and will aid in conserving moisture.

To get the best results the land should be plowed before the first of August. After plowing is done the land should be disked as frequently as is necessary to keep down the weeds. Where the farmer has a large acreage to be planted to wheat it is often necessary to list a portion of the land. The listed land should be harrowed with a disk harrow so as to level the listed furrows and get the soil ready for seeding. Listing is not as good practice as plowing when done at the same time. Early listing, however, is better than late plowing. It can be done cheaper and will insure a higher yield than will late plowing.

Volunteer wheat should be killed regardless of the method of preparing the land for wheat. This should be done especially where the Hessian fly is numerous. If the volunteer wheat is allowed to grow the Hessian fly is sure to damage the crop on the same or adjoining fields.

SCOUTS TO CHECK UP HOMES.

The Boy Scouts of America, who are raising beans as their part in food production, are now called on by Mr. Hoover for a prime sacrifice in food consumption. They are asked to give up eating wheat bread as much as possible. This background for jam and honey and molasses is to give way to corn, rye and rice, of which there will be an abundant harvest this year. The Boy Scouts also are to be members of the new American order—the "Knights of the Clean Plate." Table waste is to be cut down, and all homes are to be asked to sign a pledge to rearrange their methods of living. A window-card is to be displayed in all homes following the plans of the food administration. It will be a shield surrounded by heads of wheat.

SOMETHING every family in Hale County needs. If you want to work and make good money, call and see me at building next to Green's Market, in back end of Talley's Jewelry Store. Experience unnecessary. L. E. MALONE.

HOGS THRIVE ON WASTE PRODUCTS.

WASHINGTON, D. C., Aug. 14.—Even though the hog furnishes the most meat from a given amount of feed and will produce it in the quickest time, the Department of Agriculture points out that this meat should be produced mainly from food wastes and not from good grain that would furnish food directly to man. The great economy in pork production comes from the fact that pigs furnish a food by-product from these wastes and do not need the high-grade feeds that beef cattle must have.

Wastes on farms and in towns make good hog feed; by-products from canneries, bakeries, fisheries, packing plants and the like can be utilized as hog feed and to better economic advantage than in any other way. Dairy wastes are particularly valuable as hog feed and promote rapid growth with a good money return for every gallon fed.

The farm orchard furnishes large quantities of windfallen or defective fruit, which is relished by hogs, and is beneficial if fed in small quantities frequently, and not all at once feed. Garden wastes, tops of vegetables, culls of all sorts, even weeds, are readily eaten, and such as may not be eaten will be worked over, going into the bedding and adding to the manure.

Kitchen wastes are an excellent source of food for hogs, but should be kept at a minimum, because practically all food prepared for man's use should be eaten by him.

GOVERNMENT FOOD BILL PROVIDES SCIENTIFIC PRODUCTION.

Eleven million three hundred and forty-six thousand four hundred dollars to be used in stimulating production, for protecting and conserving foods, and for a survey of the country's food resources.

Staff of county agents to be increased until at least one agent will be stationed in practically every agricultural county in the United States that will co-operate with the department and the State Agricultural College.

Women county agents for demonstration work in home economics to be increased in rural counties and similar agents to be placed in town and cities for first time.

Farm-help service to be extended in co-operation with United States Department of Labor to assist in bringing farmers and farm laborers together.

Country-wide survey to be made of food on farms, in storage, in shops and in homes. Estimates of family consumption of food to be made.

Extension of crop estimating to crops not hitherto reported and to in-

clude special inquiries to gather information on extraordinary farm conditions.

Hog and poultry production to be stimulated as far as practicable.

Increased production and conservation of dairy foods to be encouraged.

Animal diseases to be combated on larger scale.

Increased efforts to be made to combat insect pests of plants and animals.

Further steps to be taken to destroy animal pests and predatory animals which injure crops and kill live stock.

Work for the control of plant diseases to be extended.

Survey of seed supplies and needs to be made and results published so that farmers will be assisted in obtaining a sufficient supply of good seeds. Seed to be purchased and sold to farmers by the department if necessary in restricted areas.

Demonstrations to be carried out in the proper handling, packing, shipping and marketing of perishable fruits and vegetables to decrease spoilage.

News service for various farm products to be extended so that producers and consumers can be better informed as to the supply and demand and can sell and buy with less expense, less spoilage and less lost motion.

550 HORSES WITH CIRCUS.

Yankee Robinson Show Has Fine Display of Animals.

It has been said that one of the greatest assets of a circus is its horses. If this is true, the Yankee Robinson three-ring wild animal circus is the Standard Oil of the show business. Over five hundred horses and ponies are carried by the big show. Among them are the finest dapple grays and blacks in the country, most of them being purchased from the heart of the best horse country in the world, Dallas County, Iowa.

If you are a lover of fine horses, you should not fail to visit the stables of the Yankee Robinson Shows. A majority of these horses are displayed the morning of the exhibition during the street parade.

With the big wild animal show this year, sensation after sensation in the animal line will be shown. The wild animals are all actors with the Yankee Robinson Circus.

The big circus will exhibit at Plainview Thursday, September 20.

VOLUNTEERS ARE MANY.

WASHINGTON, Aug. 17.—War volunteers for the regular army have reached a total of 190,347 men, bringing the roll to 7,600 in excess of the authorized war strength.

Wayland Baptist College—This institution offers excellent advantages in the Departments of Music, Art, Expression, Business, Education etc. Students who finish in our Academy will be admitted to schools or colleges of university rank. Students who complete our two years of regular College work will be admitted to the Junior year in the best Colleges or Universities.

Best Educators are now agreed that it is better to take Academy or Junior College work in a regular Junior College. Young and immature students can not have the personal attention and individual attention in larger Colleges or Universities which they would have in a school like Wayland or other Junior Colleges.

The Department of Education which has been recently added will be in charge of Dr. W. A. Wilson, an educator of long and successful experience, who has made special study of educational problems in America and Europe. Special attention will be given to those who wish to prepare themselves for the work of teaching. Write for catalogue of courses with us personally. R. E. L. FARMER, President

—unusually charming are the new fall hats—Our advance showing includes such a variety, we will not attempt description, but invite the ladies to call at our shop and see the many new shapes and colors.

R. & H. Millinery Co.
"The Up-to-Date Hat Shop."

The Rain Did It

The splendid showers of the past few days have assured a good feed crop for Hale County. The wheat crop was much heavier than was expected. Reports by the government say that the corn crops of the corn states will be unusually large. Everybody is happy and everybody is prosperous.

Are you keeping up with prosperity? If you are, look prosperous, feel prosperous, and talk prosperity. To look prosperous means to be well dressed, not over dressed, but well dressed. To be well dressed you should avail yourself of the double service in

The Waller Tailoring Co. Way

Learn that our clothes, cleaning and pressing, as well as repairing, will make old clothes look like new. Learn that when your clothes do finally wear out that our Chicago tailors, Ed V. Price & Co., have the goods and the tailors to make you look and feel new again.

Dry Cleaners Tailors Telephone 188

Distinctive Floor Coverings Bought with an Understanding

We make every effort to buy our floor coverings to suit the tastes and buying desires of our customers.

Such a display of rich rugs and art squares are now on display here ready to adorn your home and give honest wear and honest color retention. They were bought for your service and it gives us pleasure to place one or more in your home for we know that they will deliver the service.

You will soon be planning your fall changes in the home and we want you to see these floor coverings now whether you are ready to buy or not.

THE PLAINVIEW EVENING HERALD TWICE-A WEEK

Published Every Tuesday and Friday Evening by THE HERALD PUBLISHING COMPANY, Corner Broadway and Second Sts. H. S. HILBURN & E. B. MILLER, Owners.

OWNED BY M. RICHARDS, Editor E. B. MILLER, Business Manager Entered as second class mail matter July 1, 1914, at the Post Office at Plainview, Texas, under the act of March 3, 1879.

\$5.00 a Year; \$1.00 6 Months. Advertising Rates on Application.

CAN AMERICANS ANSWER THESE QUESTIONS

Just a few months ago, H. G. Wells, a British writer, made a few statements in regard to the slacker in Great Britain that fit the situation in America at this hour.

"Any man or woman," said Mr. Wells, who is not fully occupied, either in actual war service or in the necessary work of keeping England going, is dead weight for our country to carry.

Mr. Wells asked a list of questions, rather blunt, it's true, but nevertheless questions he thinks every loyal British subject must meet face to face without flinching.

- "Am I occupied fully to the best advantage in producing or preparing food or useful clothing?" "Or in distributing the same?" "Or in making or transporting munitions?" "Or in some approved or profitable export trade which enables my country to buy necessities abroad?" "Or in public work that can not be done by anyone older or weaker than myself?"

The writer believes that until the people of England answer these questions, and rightly, they are parasites upon their country.

The American people are facing these same questions. The citizens of this land are going to be forced to answer these questions and more before the end of the war comes.

MARRIED MEN AND PATRIOTISM

Can patriotism express itself only by shouldering a gun or wielding a sword? Patriotism is, like most other emotions not an independent causeless something found in the breast of every normal man or woman.

The fear expressed by a few Americans that our flag and nation are not sufficiently revered by the common people is unjust and ill founded. The flag is the symbol of the people's life under the flag.

Constructive patriotism of the highest type for the United States is that patriotism which arouses in Americans a better realization and understanding of their opportunities, freedom and justice and not that which compels allegiance to the nation.

America is facing this danger at this hour. There is trouble in the air in various parts of the country. It is not due to a lack of patriotism, but the lack of understanding.

True there are a few elements such as those leaning toward the principles of German propaganda, and those elements must be handled in a different manner. These elements are neither patriotic or loyal, but only trouble makers and parts of the Teutonic war machine.

THE POSTOFFICE AND YOUR SIDEWALKS

Postmaster Ben O. Sanford has been notified that the inspector will be here within a short period to determine whether or not Plainview is to have city free delivery.

Upon the last inspection, every requirement for the service was satisfied with the exception of the sidewalk qualification.

Up to date there are a few persons who have refused or neglected to have their sidewalks put in as requested. These persons are not acting in the spirit of reasonableness.

PETER PAN MODEL HATS WORN BY MOTORISTS.

Among the late models in touring coats one is in a grayish mixed tweed. It is made in a straight, full model with convertible collar, wide coat sleeves and broad belt.

"IGNORANCE OF THE COTE."

Judge M. W. Pinckney, at a recent banquet, recalled an incident to show that there is some humor associated with such a serious thing as the law.

APPROPRIATIONS FOR NEW SCHOOLS MAY BE REPEALED

West Texas A. & M. College and Rural School Funds Are Included in Floyd Resolution.

Special to The Herald.

AUSTIN, Texas, Aug. 21.—At noon today the resolution proposing submission of laws appropriating funds for new schools in Texas was unveiled.

Senator Floyd's resolution contemplates the submission by the Governor of the matter of repealing the laws establishing several new State institutions.

Among the most important insertions was that to submit the repeal of the \$2,000,000 appropriation for rural schools, which was advocated by the Governor.

As recommended to the Senate, the resolution asked for the submission for the purpose of repeal, if desired, the laws creating the West Texas A. & M. College, the Sul Ross Normal at Alpine, Kingsville Normal, the Stephen F. Austin Normal at Nacogdoches, "several junior A. & M. Colleges," the Northwest Texas Insane Asylum and the \$2,000,000 rural school appropriation.

The total amount which would be repealed under the terms of the resolution, if the laws are repealed, would be \$3,700,000, as follows: Alpine Normal \$240,000, Kingsville Normal \$180,000, Nacogdoches Normal \$180,000, West Texas A. & M. College \$500,000, East Texas Junior Agricultural College \$200,000, Northwest Texas Insane Asylum \$400,000, and rural school appropriation \$2,000,000.

The two-million-dollar rural school fund which was appropriated by the Legislature this year is a sequel to the funds which Hale County's rural schools have drawn for the past two years.

John Anderson, who has been visiting relatives here the last two weeks, returned to his home in Wichita, Kan., last week.

Mrs. J. T. Ross and children of Sylvester, who have been visiting Mrs. Ross' father, A. B. Rosser, returned to their home last Saturday.

Mr. and Mrs. L. A. Knight and Mr. and Mrs. Robert Malone, who have spent the last month touring New Mexico, returned to this city last Friday evening.

Judge and Mrs. W. M. Key of Austin are the guests of their daughter, Mrs. T. P. Whittis.

D. E. Autrey, district plant chief, and D. H. Scruggs, district traffic chief for the Southwestern Telegraph and Telephone Company, were here today from Amarillo on business.

John T. Street, his mother, Mrs. Steen, and sister, Mrs. Gus Shaw, were here last week shopping from Littlefield.

Y. M. B. L. TO MEET THURSDAY.

The Young Mens Business League will meet at 8:30 o'clock Thursday

Leather hats in the Peter Pan model that turns up at the back and side and down in front are come to wear with the new autumn leather coats in Norfolk model.

"Kapo" is the name of a silk floss mattress that is light, rolls into a small roll and is altogether a worthwhile camp convenience.

Peanut straw farmers' hats are used to make attractive knitting bags by adding a gathered silk top drawn with ribbons or cords to match.

BOOKS FOR TEACHERS' INSTITUTE ARE HERE.

County Judge Charles Clements announced yesterday that the two books, "Methods of Teaching," by Parker, and "How to Teach Fundamental Subjects," by Kendall & Myrick, to be used as textbooks for the Teachers' Institute, which is to be held here during the first week in September, have been received.

AUGUST MARRIAGE BUSINESS IS GOOD, SAYS COUNTY CLERK.

"August has been a good month for marriages," said County Clerk Jo W. Wayland, this morning. Eight marriage licenses have been issued up to today, which is one more than for the same month last year, with ten more days remaining in this month, according to Mr. Wayland.

PROGRESS IS MADE IN FORMING CITY LEAGUE.

The city league certainly will materialize, according to J. M. Lipscomb, who is canvassing the various business firms and organizations to form teams to compete in the league.

Second Lieutenant Herbert S. Hilburn, who has been attending the Officers' Training Camp at Leon Springs the last three months, arrived here Sunday morning to visit friends during his furlough.

Mr. and Mrs. D. E. McGlasson of Waco, Robert McGlasson of Valley Mills and Mr. and Mrs. C. R. Pennington and daughter of Silverton are visiting Mr. and Mrs. D. W. McGlasson and family.

WOULD BUILD STEEL SHIPS OF TEXAS ORE.

WASHINGTON, D. C., Aug. 19.—In its proposal to build steel ships at Beaumont, Texas, out of Texas materials, the Texas Steel Company has been joined by one of the leading ship-building concerns of the East.

LOCAL FIRM GETS ORDER FOR 300 PUMPS.

Writtenhouse & Dittwiler of Phoenix, Ariz., signed a contract with the Green Machinery Company last week for three hundred Green Geared-Head Pumps to be delivered within the next three months.

Mrs. R. A. Adams of Dublin is visiting at the homes of her sons, J. M. and H. B. Adams.

Miss Pearl Harp, who has been visiting friends in Amarillo, returned to Plainview Saturday.

E. E. Roos went to Amarillo Saturday on business.

Telephone Number 72

ANDERSON-POWELL

BY A GUEST.

On Friday evening at 7:30 o'clock, at St. Mark's Episcopal Church, Captain Austin F. Anderson, O. R. C., and Miss Kathryn Powell were united in marriage. The church was effectively decorated in palms and lighted candles. Miss Lena Williams and Miss Madge May acted as ushers. Previous to the wedding ceremony a short musical program was given by Mrs. E. L. Doland, soprano, and Laurence Gray, organist.

"To a Wild Rose" McDowell
Mr. Gray.
"At Dawning" Cadman
Mrs. Doland.
"Intermezzo" (from "Cavalleria")
..... Rusticiana
Mr. Gray.
"Oh, Promise Me" DeKoven
Mrs. Doland.
"Humoresque" Dvorak
Mr. Gray.

Just before the wedding march was sounded, the groom, accompanied by his brother, Jennings Anderson, entered and proceeded to the altar, followed by the Rev. J. S. Wicks, rector of the church. With the first strains of Lohengrin Wedding March, Misses Mary Bullard and Electra Anderson entered, followed by Little Sydney Margaret Hamilton, niece of the bride. The bride came in with her sister, Mrs. Rufus Rush. The Reverend Wicks read the ring ceremony, and the bride was given in marriage by her father, John S. Powell. "Love's Old, Sweet Song" was played during the ceremony and Mendelssohn's Wedding March was used as a recessional.

The groom and his best man wore the regulation field uniforms, both having recently been commissioned in the United States army. Miss Electra Anderson, sister of the groom, wore a pink voile dress, a blue halo, and carried a basket of pink sweet peas. Miss Mary Bullard wore a white net dress, a pink halo, and carried a basket of blue sweet peas. Little Sydney Margaret Hamilton was dressed in dainty white organdie, and held the ring in a basket of pink and white sweet peas. The matron of honor's dress was of white batiste, her halo white, and white sweet peas were in the basket which she carried. The bride wore a hand-made dress of white organdie and lace, and a short veil. She carried a white prayer book.

After the ceremony intimate friends were invited to an informal reception at the home of Dr. and Mrs. J. C. Anderson. The wedding cake was cut and cream and cake were served to about fifty guests.

Out-of-town friends present were: Mr. and Mrs. John S. Powell of Brownfield, parents of the bride; Mr. and Mrs. Rufus Rush of Littlefield, Mrs. George Benson and Miss Nan Jennings of Lubbock, Miss Ann Hamilton of Brownfield, Miss Mary Bullard of Waxahachie, Lieutenant Anderson of Leon Springs, and Mrs. Chas. Triplett of Brownfield.

Captain and Mrs. Anderson will leave this week for San Antonio, Texas, where he will be stationed with the new army at Camp Travis.

WACO GUEST IS HONORED.

Saturday afternoon the Misses Ida McGlasson and Irene Lamb gave a reception honoring Miss McGlasson's sister-in-law, Mrs. D. E. McGlasson, of Waco, Texas.

Those on the receiving line were Mrs. I. G. Dodd, Mrs. W. J. Lloyd, Mrs. D. W. McGlasson, Mrs. D. E. McGlasson and Miss Irene Lamb. About one hundred guests were present.

THE NEWLY COMMISSIONED OFFICERS GUESTS AT DANCE.

Monday night the members of the Elks Lodge gave a dance at the Elks' Home, honoring the recently commissioned officers, Captain Austin F. Anderson, Second Lieutenants Jennings Anderson, Ernest Fowler, Casey Hughes, Herbert S. Hilburn, Robert Brahan and Sim E. Sheffy, who returned from Leon Springs last week. Jesse's Orchestra furnished the music.

Among the out-of-town guests were Captain Homer Merrill, Lieutenant Armstrong and Mr. and Mrs. J. Penney of Lubbock, Roy Snodgrass, Mrs. Tom Triplett, Wade Roberts and Arthur and Bird Barker of Floydada, Miss Henry of Lockney, Miss Bonnie Hudgins of Hale Center, and Miss Mildred Vickers of Roswell, New Mexico.

Those present were the honored guests and Mr. and Mrs. J. M. Waller and children, Miss Amy Glenn, Miss Irene Lamb, and Mr. and Mrs. D. W. McGlasson and family.

GUESTS HONORED AT D. W. McGLASSON'S HOME.

Mr. and Mrs. D. W. McGlasson gave a four-course dinner Sunday, honoring their guests, Mr. and Mrs. D. E. McGlasson of Waco, Texas; Mr. and Mrs. C. R. Pennington and daughter of Silverton, and Robert McGlasson of Valley Mills.

Prof. John C. Granbury, of the Southwestern University faculty, was the guest of the Rev. Ernest E. Robinson here last week.

Mr. and Mrs. W. J. Klinger returned to this city Sunday, after visiting relatives and friends the last ten days in the eastern part of the State.

Mr. and Mrs. Evans Erskine of Chillicothe, Mo., who have been visiting their niece, Mrs. S. E. Burgess, of this city, left last week for their home.

R. D. Crawford of Boulder, Colo., is visiting friends here and looking over business.

Mrs. D. H. Taylor and child returned to their home in Amarillo last week, after visiting Mrs. Taylor's mother, Mrs. R. M. Trick, of this city.

Mrs. Prudie Wright has been appointed to arrange room and board accommodations for teachers of the public schools here. Those who have available rooms for this purpose should phone 280.

D. E. Beach, of Albany, Ill., was a visitor in Plainview last week.

Mr. and Mrs. L. T. Hutchings returned to their home in Kansas City this morning, after visiting relatives near Plainview.

The Rev. R. C. Schleuder from Madison, Wis., is visiting at the home of the Rev. A. L. E. Weber.

The Rev. Henry Hagemeyer spent last week at Floydada, assisting in the revival services held at that place.

D. A. Lipscomb of Plainview was a visitor August 13 at an exhibit of Southern California products maintained free to the public in the Los Angeles Chamber of Commerce. Before returning home, Mr. Lipscomb expects to visit several of the many other places of interest in Southern California.

Mrs. L. C. Ketten and daughter, Hazel, left yesterday for their home in Wichita, Kan., after visiting friends and relatives for the last three weeks at Floydada.

Miss Eva Harrington left this afternoon for Austin, after visiting relatives here and Hale Center.

Mrs. E. A. Hannaford of Granbury arrived Saturday for a visit with her sister, Mrs. L. B. Humphries.

L. D. Sewell and three children returned Saturday night from an auto trip through New Mexico. Mrs. Sewell returned with the party and remained there for a visit.

Mrs. Clark Smith and daughter, accompanied by John Testman, left Sunday for Texico, where the family now lives. They were the guests of Mr. and Mrs. J. A. Testman at the Ware Hotel for a few days.

Dr. J. J. Breaker of Silverton was a visitor in Plainview Friday afternoon.

C. M. Billings, chiropractor, of Dallas, who was formerly a resident of Plainview, is here on business.

J. O. Minter and son of Madill, Okla., who are the guests of Edgar Ramey, who lives near Dimmitt, were visitors in Plainview yesterday. Mr. Ramey was accompanied home by Professor E. F. and Lieutenant Sim E. Sheffy, who are guests of their parents, Mr. and Mrs. W. B. Sheffy, who live six miles south of Plainview.

Thelma Bryant, who has been visiting friends here the last few days, returned to her home in Amarillo Sunday afternoon.

Mr. and Mrs. Alex Summert left Sunday to visit friends in Nebraska.

Mrs. Mary Banks and Mrs. Ida Maxwell of Snyder and Mrs. Velma Terrell of Lorenzo are visiting their parents, the Rev. and Mrs. A. B. Roberts.

Dr. C. C. Gidney left Saturday morning for Corpus Christi, where he will spend two weeks on business.

Z. E. Black, who resigned from the secretaryship of the Young Men's Business League, left yesterday morning for Dallas, where he will begin his work with the Dallas News today.

Hilton R. Greer, managing editor of the Dallas Evening Journal, is visiting at the home of W. J. Williams.

Miss Lucy Howard and Miss Della Sampa, who have been the guests of friends in this city and Floydada the last two weeks, returned to their homes in Oklahoma City this morning.

Mrs. Charles Clements left last week for Carrollton, Mo., to visit her parents, Mr. and Mrs. Arnold.

F. M. Ryburn and H. C. Pipkin of Amarillo are in Plainview attending District Court.

H. W. Wiseman, formerly of Plainview, now with Barker & Winn at Littlefield, was here last week visiting.

OUR STYLES ARE RIGHT

We have always held that merchandise bought right are half sold. That quality and style must have first consideration.

That's the reason you find us making so much of our buying. That's the reason we spend more time and money getting together our lines of Ready-to-Wear, Millinery, etc., than any other firm on the entire plains.

There is one fountain head of style making in America, one dominant trading center, where the shrewdest buyers of the world congregate, where ability, experience and cash alone count—that's New York.

To this home of fashion and finance we send each season searching for new ideas, new creations of styles.

We know the market—we buy right. That's the reason Rich-lier Garments are classed in First Rank by Plains people. That's why we can offer newest styles even in moderately priced garments. That's why you don't find last season's garments here and why our patrons have months more to wear a garment while its in style.

Richards Bros. & Collies
WHERE PEOPLE WHO DRESS BEST TRADE

Miss Mary Bullard, who returned from Waxahachie, where she spent the early part of the summer, to attend the wedding of her friend Miss Kathryn Powell, will remain in Plainview during the remainder of the summer.

Miss Irene Keller returned to Amarillo this morning, after visiting friends at Lockney.

Mr. and Mrs. Carl L. Dunning passed through here this morning from Floydada on their way to Canyon.

John Gist and daughter, Miss Cleo, were in Littlefield last week.

Second Lieutenant Casey Hughes arrived here Friday evening from the Officers' Training Camp at Leon Springs.

New Fall Dresses Suits and Coats

Our Mr. Jacobs, who has been in New York for the past three weeks, has expressed us some real nobby garments, and we want you to come in and see the new arrivals.—Remember you are not obligated to buy when you visit our store.

Mr. Jacobs together with his brother, buyer for our Wolfe City store, have been concentrating all their efforts in buying the most exclusive line of Ready-to-Wear ever shown in our respective stores.

As usual you will find the very newest on display and without the high prices you would expect to pay as QUICK SALES and SMALL PROFITS are our watchwords.

Jacobs Bros. Co

With The Home Economics Club

Austin, Texas, Aug. 6, 1917.
Dearest Club Girls:
I suppose all delegates reached home in due time, tired and sleepy. I hope every one enjoyed those three days as much as I and were able to take back to your clubs real inspiration and help for future work.
Before I go further, I want to say that I will expect every club girl to be able to say when the season is over that she has learned to can various products and to show in a home club exhibit one jar of each. Please don't let the season go by without performing this part of your club lessons. It will be the means of passing you in an examination that is to come later, and you will be glad to have your sample to show. They will not be collected—just exhibited to a committee of local judges, who will pass upon your qualifications as canners. The same with bread; so don't be idle the rest of the season.
Now for lost articles left at the convention home. Mrs. Ridings of Dorchester reports having lost a necklace and a diamond ring, and Beadie Jones of Gunter lost a lavender silk dress. If any one found these articles in their hurried departure, kindly return to these parties. I have on hand one pair of new black bloomers, one small pair black bloomers, one white blouse, yellow cuffs, one towel with crochet edge, one large white apron, and one dark blue dress. I have had these things things laundered and will send to owners upon application. I also have one nice note book from the Jericho club. I think the losses were wonderfully few compared to the number of girls in attendance, and I congratulate the girls upon their care and attention to things.
Again, a good many of the girls left their tin plates, knives, forks, spoons, and cups. I suggest that you donate these to the Deaf and Dumb Boy Scouts. If you wish your articles, however, and will write me and send postage. I will try my best to pick out each article as you describe it and return to you. This is only a suggestion.
I am returning all needlework and hope it reaches each dear girl safely. It is all insured, so please report any articles that don't reach you. The canned goods are safely stored waiting for the Waco Cotton Palace. The only tinned goods we had were readily sold, and were put up by Alberta Smith of San Benito. At that time we will award the ribbons they should have had here. I will not give you any lessons this month, but will continue to send you club letters. I start this week on my vacation, which I so badly need. My heart will be with you

girls, however, wherever I go.
I did not appoint girls to report the convention to their local papers, but will ask that every club in attendance make a report to your local paper and send me a copy of it for our annual proceedings. Remember that I want a copy of your story to your local paper, and state on your copy to me the paper you sent it to. I am offering a prize to the girl that sends to me the best essay upon "The Advantages of My Trip to Austin to the 1917 Convention." Let's get busy while facts are fresh in our minds.
The club pictures are fine, and if any of the girls wish their county picture you can write Luck Brothers, photographers, Austin. The county pictures are 35 cents each and the group pictures 75 cents each.
Now, with a world of love to you all, I am,
Cordially,
MRS. J. L. LANDRUM,
Organizer and Supervisor of Home Economics Clubs, State Department of Agriculture.

BULLETIN SAYS SILO IS GREAT ADVANTAGE

SANTA FE BOOKLET CLAIMS IT WILL PRESERVE 90 PER CENT OF CROP.

"It is highly important to save the largest amount of feed this fall," states a Santa Fe agricultural bulletin. "The silo will preserve 90 per cent of the entire feed crop which if cured in the field loses 50 to 60 per cent. And the field-cured forage soon becomes unpalatable, wasting greatly in the feed lot; silage does not.
"This is a live stock country. Every additional pound added to the weight of the steer, lamb and hog means extra profit. Prices will stay up. Cattle have been rushed to market in unheard-of numbers the first seven months of this year. The July record at ten leading markets is 1,181,369 head, and for the seven months 7,338,965 head of cattle, a net increase of 1,595,303 head, or 27.77 per cent, and for July 52.43 per cent.
Drouth conditions in the Southwest and high prices caused this rush to market. This section faces a golden opportunity. Every hoof retained at home until a material gain in weight will increase the meat supply of the nation and also pay handsomely.
"This will require feed, and feed, therefore, must be carefully saved. The silo never was so necessary. Some feed crops may not mature. These

may be preserved in the silo. Every pound of feed thus saved will make more beef, mutton, pork and butter. It is patriotic and profitable.
"There is yet ample time to build more silos. The cost, even in these days of high prices, is not prohibitive. Talk it over with the banker, the business man, and the county agent."
The Santa Fe Railway is making a free distribution of the booklet on silos. Persons may obtain copies by writing to L. L. Johnson, agricultural and industrial agent at Amarillo.

HIGHWAY WILL PASS THROUGH PLAINVIEW

COL. R. P. SMYTH HEADS FORT WORTH, PANHANDLE AND LAS VEGAS ASSOCIATION.

The idea of a highway from the northwestern part of New Mexico and Texas midway between the Colorado-to-the-Gulf Highway and the Northern Branch of the Southern National Highway, through Plainview, Mineral Wells and Fort Worth, materialized at the highway meeting at Seymour last week, when an organization was perfected with Col. R. P. Smyth of this city as the president of the new association.

The highway is to be known as the Fort Worth, Panhandle and Las Vegas Highway, and will run through Fort Worth, Weatherford, Mineral Wells, Graham, Throckmorton, Seymour, Benjamin, Crowell, Paducah, Matador, Floydada, Lockney, Plainview, Olton, Muleshoe, Texico and to Las Vegas.
Delegates in attendance were: Fort Worth, Joe B. Hines, rep-

resenting the Chamber of Commerce; Graham, P. C. Walker; Throckmorton, Rev. W. C. Childress, W. D. Howsley, L. F. Thomas, and others; Crowell, C. F. Sandifer, J. D. Leeper, R. W. Self, E. Swaim and J. W. Beverly; Floydada, Judge Henry and W. R. Cope; Matador, Roy Carter and Judge Crane; Plainview, Col. R. P. Smyth, Z. E. Black, J. M. Waller and P. W. Madsen; Paducah, Mayor D. E. Jordan, Jess W. Harvey, C. A. Craven, C. C. Renfro, Judge Doolen, and many others.

TRUE ALMOST ANYWHERE.

A story is going the rounds concerning the inquiry in London into the best method of checking extravagance in restaurants and hotels, says Pearson's Weekly.

Among the witnesses before the committee was a certain stolid-looking waiter. The particular article of food under discussion at the moment hap-

pened to be margarine, and one of the members asked, incidentally:

"How do you call it in the restaurant business—'margarine' or 'marjorine'?"
"Neither, sir," blandly replied the

waiter: "we call it 'butter'!"

Mrs. Holt Loveless visited her friend, Mrs. Lillie Britton, at Lockney last week.

Smith \$350
Form-a-Truck
F.O.B. Chicago

Haul Anything With This 8in1 Body

WHEN you come to town now with your ordinary horse drawn farm wagon, you have got only one type of body.

If you raise live stock, you must keep a live stock body in addition to your rack body, body for hauling lumber and other material.

When you come to town with Smith Form-a-Truck equipped with the famous Eight-in-One Convertible body, you have got every type of body you can ever use.

You can make the change from one to another in a minute, simply by turning the adjusting levers.

Drive in with a load of corn, grain, hay or live stock; use whichever type of body you require for this hauling. Drive back with supplies,

lumber, lime or anything else you may want to buy, and carry it in a body built for this special type of hauling.

You get them all in this Eight-in-One Convertible Body. There never was a farm body that equaled this for convenience.

Combined with the Smith Form-a-Truck it adds the wonderful convenience—the most remarkable economy—ever established in farm hauling.

Use Any One of Six Chassis

Using any one of six chassis, Smith Form-a-Truck combines with any Ford, Maxwell, Dodge Bros., Buick, Chevrolet or Overland chassis to make a fully guaranteed one-ton truck. It gives you real truck construction that will stand up under the hardest hauling you could ever do.

When you are in town drop in and see Smith Form-a-Truck. It will pay you well.

ARTHUR L. TALLEY

Refractionist.

LIFT YOUR CORNS OFF WITH FINGERS.

Tells How to Loosen a Tender Corn or Callus So It Lifts Out Without Pain.

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called freezezone, which the moment a few drops are applied to any corn or callus the soreness is relieved and soon the entire corn or callus, root and all, lifts off with the fingers.

Freezone dries the moment it is applied, and simply shrivels the corn or callus without inflaming or even irritating the surrounding tissue or skin. A small bottle of freezezone will cost very little at any of the drug stores, but will positively rid one's feet of every hard or soft corn or hardened callus. If your druggist hasn't any

freezezone, he can get it at any wholesale drug house for you.—Adv.

UGH! CALOMEL MAKES YOU DEATHLY SICK

Stop Using Dangerous Drug Before It Sallivates You! It's Horrible!

and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today, and tomorrow and believe you need vile, dangerous calomel to start your liver and clean your bowels.

Here's my guarantee! Ask your druggist for a 50-cent bottle of Dodson's Liver Tonic, and take a spoonful tonight. If it doesn't start your liver you will feel weak and sick and nauseated. Don't lose a day's work. Take

1 spoonful of harmless, vegetable Dodson's Liver Tonic tonight and wake up feeling great. It's perfectly harmless so give it to your children any time it can't salivate, so let them eat any.

To Cure a Cold in One Day. Take LAXATIVE BROMO Quinine. It stops the Cough and Headache and works off the Cold. Druggists refund money if it fails to cure. E. W. GROVE'S signature on each box. 50c.

What is LAX-FOS LAX-FOS IS AN IMPROVED CASCARA A Digestive Liquid Laxative, Cathartic and Liver Tonic. Contains Cascara Bark, Blue Flag Root, Rhubarb Root, Black Root, May Apple Root, Senna Leaves and Pepsin. Combines strength with palatable aromatic taste. Does not gripe. 50c

L. A. KERR, Architect. Office at Fulton Lumber Co. Phone 107. House Phone, 423.

DR. PENNOCK, OSTEOPATH. Grant Building, Room 22. Wednesdays and Saturdays.

Whenever You Need a General Tonic Take Grove's. The Old Standard Grove's Tasteless Chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 60 cents.

HARRISON & KERR CO., General Contractors. Office at Fulton Lumber Co. Phone 107. House Phones, 428 and 423.

Piles Cured in 6 to 14 Days Your druggist will refund money if PAZO OINTMENT fails to cure any case of Itching, Bleeding or Protruding Piles in 6 to 14 days. The first application gives Ease and Rest. 50c.

W. A. TODD, Agent All Kinds of Insurance Office No. 14, First National Bank Building. Phone 129.

The Quinine That Does Not Affect the Head Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness nor ringing in head. Remember the full name and look for the signature of E. W. GROVE. 50c.

Farmer Friends,

How about building that implement house to protect your machinery? They have cost you too much good money to allow them to remain out of doors this winter. Don't say lumber is too high, the little additional cost in advance of lumber, you will not notice it. We have a heavy stock of lumber on hands, and will be glad to help you plan and estimate cost of your buildings. Come, we will talk it over.

A. G. McAdams Lumber Co.

Cold Days Require Coal

Why is it that some folks always delay their coal buying and the installing of their stoves until the last minute when every member of the family has run the risk of serious cold or pneumonia and until all of the coal and stove dealers are so busy they cannot give the best service? Surely the wise man will not be caught in a blizzard with his coal supply not yet laid in.

We have the supply of coal, we have the prompt service, and the prices are lower now than they will be when winter gets here. Isn't it good health insurance, isn't it good business, isn't it the sensible thing to do to place your order now?

Just phone us at 162 and we will do the rest.

Women's New Autumn Suits are Delightful to See

Featuring the Longer Coats.

You'll want to take a peep at them and when you have done so, you will have an easy mind concerning the new fashions, yes more than that you will look forward eagerly to the pleasure of wearing them.

The longer suit coats are so becoming, the simplicity of cut so elegant, the lack of ornamentation so refreshing, they have that severity sometimes called "manish" but surely nothing could be more beautifully feminine than the new soft-as-wool fabrics, the crushed collars that muffle up so softly around the neck, and the soft clinging skirts, comfortably short and a little less full.

Among the new arrivals are Velours, Broadcloth, Homespun, Gaberdeen, Serge, Tricotine, Poplin, Chevoit, new Oxford Cloth and the new fabric known as "Silver-ton."

PRICES \$18.50 TO \$75.00

Blue Serge Frocks in Autumn Models For Young Women.

Sometimes these smart little one-piece dresses are altogether of firm, deep blue serge; sometimes soft, lustrous charmeuse of the same hue is combined with the cloth.

New as can be—there is something interesting and different to see on each frock.

Waist lines are shorter, or fitted. There is much flat black braid for trimmings, skirts are draped, collars and cuffs quite frequently are of colored satin. Coat dresses are in new effects and quite smart. 14 to 20-year sizes.

\$17.50 to \$28.75 each

Silks for Autumn Brides-to-Be

Prospective autumn brides and bridesmaids are finding ours a wonderful silk stock these days. New silks suitable for all important occasions are arriving almost daily. Variety in weaves and shades is so great that the stock in no other store can compare with ours. Silks for every taste and type are here including Bridal Satin, Satin Radium, Chiffon, Taffeta, Satin Imperial Crepe Meteor, Crepe de Chine, Crepe Georgette, Satin de Luxe, Messaline, Canton Crepe and Faille Francaise.

(All of these in a complete line of Street and Evening Shades)

Now its Velvet Millinery. All Black; Black with White All-Purple and Oxford Gray. At \$3.50 to \$10.00

The new smartly draped turbans and tams, the new broad-brimmed sailors, the new tricorne and some fascinating new flare brims, and the new collapsible tops.

Big pearl pins, hand-made ribbon motifs and "feathered fancies" are the favorite trimmings.

The New Autumn Blouses

Showing the new colorings and combinations for fall, Georgette Crepe in the following colors:

Gray Georgette with Rose Trimmings.

Tan Georgette trimmed in Copen.

Rose Georgette with Yellow Trimmings.

Copen Georgette with "vestee" in flesh color. Sizes 36 to 44.

Prices \$6.75 to \$10.00

New Fall Frocks in Blue Silk for Young Women.

Advance fall styles coming just in time for young women going on vacations for after all what's more practical than a blue silk? There are ever so many occasions on which it can be worn.

A varied line of models \$12.75 to \$25.00.

Some of the new features on pointed over skirts, bodices crossing in front and fastening at side with soft girde pleated coat effects with reverse and large collars.

A collection well worth choosing a frock from.

New Fall Boots for Women and Young Women.

Most each day now the new boots for fall are coming in on account of the short length skirts the prevailing heights will be "9-inch Boots." Colors are

Coffee La Mode (Grayish-Brown), Magenta (the new Red), Gray (Silver and darker shades), Canary, Champaign White, Black.

In widths from AAA to D. Prices begin at \$6.00

You can pay five dollars for a hat and be no better satisfied than with a

Hawes for three.

\$35.00	Three-Piece Suits now	\$24.75

A MAN and HIS SHIRT Ought To BE In Harmony

—they have to stay close together, and if the shirt doesn't fit the man isn't comfortable, and the shirt doesn't wear as well as it might when subject to undue strain at the non-fitting places.

Moreover the man has a grouch against the store that sold him what he is apt to call a "punk" shirt isn't it the truth?

The Mercantile's shirts fit—and that takes care of both wear and comfort.

Men's New Autumn Soft Shirts Just \$1.25

Woven and printed Madras; soft double cuffs and just the shirts for now and fall wear and by good luck, here at the same old price. \$1.25

Men's New Autumn Ties at the Same Old 50c

Hundreds of new autumn ties showing a wide range of colors and styles both four-in-hands and bows, and prices are just 50c.

PLAINVIEW MERCANTILE COMPANY

RED CROSS CHAPTER TO BEGIN KNITTING.

(Continued from Page One.)

"1. Where the parents or other relatives of the wife or the husband are able, ready, and willing to provide adequate support for her (and children, if any) during the absence of the husband.

"2. Where the wife owns land which has produced income by the husband's being returned through Switzerland to France. Everyone here looks to America. Begin shipping at once 1,500,000 each of warm knitted woolen articles, already requested. They must come before the cold winter, and in view of the shortage of fuel and other discomforts they will be of incredible value in both military and civilian work."

"Full instructions will come to your chapter within a few days. Ask your members to finish all knitting work now on hand, and clear the decks for action. We want every chapter to have a chance to do its part in making good on this call for France."

To Campaign for Members.

"We want women to help in this work," said Mrs. Carter, when interviewed today. "It is not necessary that a woman belong to some club or society to be of use to the local chapter. There are many members working individually and are fitting in splendidly in the Red Cross machinery here. Any person may go to be an effective cog in the local machine if that person will offer to help."

It was announced at headquarters this morning that the local chapter is still in need of workers. The amount of work on hand to be accomplished by the members of the chapter is more than can be accomplished unless more women voluntarily offer their services to the organization, according to Mrs. Carter.

Mrs. L. A. Knight, chairman of the membership committee, who has been out of the city for the last few weeks, will take active charge of the rejuvenated membership campaign to be launched throughout the city. The business and residential districts will be canvassed by the members of the membership committee to increase the membership rolls of the Hale County chapter.

E. K. Bain of the District Court here yesterday. Rube Beard and E. Bowman of Jattfield were here last Tuesday on business. C. S. Jarrett of Lubbock was here today on business.

BOARD OBTAINS THIRTY MEN FOR ARMY SERVICE.

(Continued from Page One.)

labor, but which could with reasonable certainty be rented during his absence, to other persons so as to produce an adequate support.

"3. Where there exists some arrangement by which the salary or wage of the husband is continued, in whole or in part, by third persons, being employers or insurers or others, and such portion of the salary or wage, either alone or with an allotment of his soldier's pay or with other definite income, will furnish a reasonably adequate support.

"4. Where in one of the foregoing ways a reasonably adequate support is provided for a widowed mother, infirm parent, or orphan child under 16 years of a son, brother, or father called into service."

The men who have been notified to appear before the board tomorrow are as follows:

- 134-571 Guy Scott Morton, Runningwater.

- 155-1102 Virgil John Stewart, Plainview.
- 156-556 Lawrence Roderick Gray, Plainview.
- 157-154 Marlon Allison Meredith,

COUNTY SCHOOLS TO OPEN SEPTEMBER 10

STATE APPROPRIATES \$7.50 PER SCHOLASTIC INDIVIDUAL FOR COUNTY.

Thirty-two county schools outside of the city schools, under the direction of more than forty-five teachers, will open the doors September 10, was the word given out by County Judge Charles Clements this morning. This year there will be two more county schools than any previous year, and the individual scholastic appropriation by the State is \$7.50, which is .50 cents more than last year.

Three new schools have been built this year. The new schools are located in the Bellview, Happy Union and Cousins school districts. The Abernathy school district, No. 20, will become an independent district for the first time this school year.

The classification of the county schools last spring makes Petersburg a first-class school, including the eleventh grade. Runningwater, Halfway, East Mound, Bellview, Lakeview, and West Side have been classified as second-class schools, including the tenth grade.

HALE COUNTY BOUNDARY LINE OF 1891 TO STAND.

The boundary line surveyed by Ira Millington in 1891 between Hale County and Lubbock County is to be the recognized boundary line between the two counties. This was determined by the decision of the Supreme Court and revokes the decision handed down by the court at Sweetwater in 1915, and upholds the decision of the Fort Worth Court of Civil Appeals.

This decision of the Supreme Court removes the possibilities of Hale County losing the disputed strip of land and having to pay the taxes collected from property owners of that district for the last twenty-five years, as ordered by the lower court in 1915, according to Hale County officials.

District Attorney Is Back on Job.

After being confined to his home with sickness last Friday and Saturday, and unable to attend court, District Attorney A. C. Hatchell was back on the job yesterday morning.

FLOYDADA CITIZENS TO DECIDE PAVING QUESTION TONIGHT.

The citizens of Floydada will hold a mass meeting in that city tonight to decide on the material to be used in the paving of the streets there. It has been stated that six blocks will be paved in Floydada.

THREE CARS OF LIVESTOCK SHIPPED TO MARKETS.

Two cars of market cattle were shipped from here last Saturday to the Kansas City livestock market by J. C. Hooper and A. M. Anderson. Only one other car of livestock was transported from Plainview last week. This third car was a shipment of hogs by Watson & Son to the Fort Worth market.

BIRTHS.

Born to Mr. and Mrs. A. M. Hickman, twenty miles west of Plainview, August 18, a boy, Roy Randolph Hickman.

Born to Mr. and Mrs. A. N. Nye, Runningwater, on June 21, twin boys.

INFANT SON BURIED YESTERDAY.

The funeral services of Dennis Austin Wheat, the infant son of Mr. and Mrs. W. E. Wheat, were held yesterday afternoon at the home of the parents. Burial was in the Plainview Cemetery.

An early showing of New Fall Styles in Women's and Misses' Suits Coats and Dresses

There is something new every day and each garment may be confidently depended on as a faithful reflection of a style favored by fashion for the autumn season.

CARTER-HOUSTON'S IS A RELIABLE FASHION GUIDE.

This store is in touch with style developments and it is in position to know—it does know—and it will never be guilty of selfish misinformation to its patrons.

WE INVITE ALL WOMEN who may be interested to visit our Apparel Department frequently. They will find a fascination in the changing display of fall outer garments as the season advances.
