GREAT STEEL STRIKE BEGUN; CONTEST WILL BE BITTER

NEARLY 300,000 MEN ARE SAID
TO HAVE STRUCK—BLOOD-
SHED FIRST DAY

The great steel strike was begun yesterday morning, and it is reported that nearly 300,000 union men failed to show up for work yesterday morning.

At Farrell, Pa., there was bloodshed the first day, one man being killed, two state troopers shot and many other persons less seriously injured in an outbreak, caused by strikers throwing bricks at the state police and local officers. There was also rioting at New Castle, Pa., caused by union men assaulting workers who wished to enter the plant.

The disposition seems on the part of the steel companies to try out the matter now, with a hope of settling the strike question for good, and it is expected that the strike will be long and bitter, accompanied by much bloodshed, as the strikers are showing a disposition to resort to bloodshed and destruction of property.

The people of the country are seemingly of the opinion that it is just as well to have the fight out with the radical element now, as it is thought that it will take a long and bloody contest with the Bolshevist element before industrial peace can be assured.

The strike will for the time stop all building operations throughout the country.

High Land in South Carolina

Mr. and Mrs. H. A. Wofford and children returned last week from a visit to their old home in South Carolina. He says the old hilly lands of that state are now selling for \$300 an acre, having increased about \$100 an acre while he was there. Some of the land is so hilly and rough that he does not see how the people cultivate the land, but they do. Evidently, if that land is worth \$300 an acre, the smooth fertile lands of the Plainview country are worth up into the thousands of dollars an acre.

Rev. John Carney Here

Rev. and Mrs. John Carney were here Saturday, and he delivered an illustrated lecture from his car on the streets. He is a noted and sensational prohibition lecturer, and in old times went into the worst strongholds of the liquor business and preached prohibition. He and his wife now travel in a car, and he lectures wherever he goes.

Ten-Inch Rain at Muncy

A ten-inch rain fell in several hours about the middle of Friday between Lockney and Floydada, in the Muncy community. The tracks on the Santa Fe branch line were covered with water, and the dump so softened that trains have been forced to go very slowly over it since. The whole country was flooded, but little damage was done.

WILL URGE COMPANY TO ERECT SUGAR FACTORY HERE

Gets Data of Tests in Growing Sugar
Beets in the Plainview
Country

Fred L. Crawford, assistant treasurer and auditor of the Minnesota Sugar Co. and the Northern Sugar Corporation, whose home offices are in Detroit, Mich., and which own and operate a number of sugar refineries in the North, was here the past week visiting his father, W. C. Crawford. He used to live here and was connected with a local dry goods firm.

While here he secured data as to the actual tests made from sugar beets grown in Hale county, in past years, and informed the editor of the News this morning as he was leaving town, that this data is very convincing to him that a sugar factory here would be a success. He will lay the data before the head officers of his firms and ask that further investigation be made with the view of erecting a beet sugar factory here.

Tahoka Oil Co. Meeting

The local stockholders of the Tahoka Oil & Gas Co. held a meeting at the court house Saturday afternoon. It was decided to appoint a committee to go to Tahoka and confer with the stockholders there and those from Brownfield, with a view of taking over the company and drilling another well, provided the interests of Messrs. Shook and Herring could be secured. This committee, Messrs. W. W. Kirk, L. M. Blakemore, and Otus Reeves, went to Tahoka yesterday, and attended the meeting. The stockholders present were willing to join in another well, but Shook and Herring refused to turn over their interests unless the legal proceedings against them personally brought and about to be brought in Hale county matter up in the air," so said one of the local committee.

WILL DRILL FOR OIL NORTHEAST OF LOCKNEY SOON	STORM VICTIMS NUMBER 388; PROPERTY LOSS \$20,000,000
Contract Has Been Let For Well To Begin Drilling Before Dec. 4.	\$2,000,000 is Needed for Relief of People Along Coast—4,000 Homeless

Sol Jackson of Crosbyton and Geo. Brewster of Lockney were here yesterday and informed the editor of the News that they had let the contract for the drilling of an oil well on their large leases, the drilling to begin before December 4. The well will be at a point near the caprock, eighteen miles northeast of Lockney.

Up to Sunday night the official list of dead in the gulf storm in Corpus Christi and vicinity was given at 388, only two additional bodies being found that day. However, there is good reason to believe that many others have been covered in the sand or washed out into the gulf, and will never be found.

The property loss is estimated at \$20,000,000. Four thousand people are homeless.

It is said that \$2,000,000 is needed for the immediate relief of the destitute people. In all parts of the

ROUND ABOUT TOWN

Interesting Items Picked Up Here
and There by the Editor of
the News

J. A. Young of Amarillo will take the place of George Ward as day operator and ticket agent at the Santa Fe depot here. He held this position several years ago. Mr. Ward will likely go to Lubbock in a similar position.

E. L. Devore of Aurelia, in Northwestern Iowa, arrived Sunday to look after his farm near Olton, on the Hale and Lamb county line. He is greatly pleased with his investments here, and is enthusiastic over the good crops and the fine climate. He says he lives in a fine section of Iowa, where there has not been a crop failure since he moved there in 1875. He will leave this afternoon for Joplin, Mo., where his wife is visiting a son.

Mr. and Mrs. Cyrus Erb of Olton returned Saturday from a visit of five weeks to their old home in Marion county, Iowa. He says there have been good crops in that section this year, except the small grain was not as good as here. The corn crop is fine. He found land selling at \$150 to \$450 an acre, rents as high as \$18 an acre being paid. He is satisfied to stay on the Plains, as the climate here agrees with his family better.

City Charter Case Appealed

W. W. Kirk, one of the attorneys for the parties attacking the new city charter, informs us that all the papers in the appeal case will be ready this week for submission to the court of civil appeals, which will convene in Amarillo the first Tuesday in October. He is confident, so he says, the court will hold the charter invalid and void. This being a quo warranto proceeding, such cases have right of way over all other cases in the higher court, he says, hence an early decision is likely.

Stockton's Cousin and Family Lost

Mr. and Mrs. Hugh Stockton and two children were lost in the storm at Corpus Christi. Mr. Stockton was a cousin to T. and Will Stockton, and Mrs. E. F. Connell of Hereford is a sister. The deceased family were buried at the old family home at Badlett, i Benll county.

DR. WOFFORD, PRESIDENT OF WEST TEXAS DENTISTS

NEXT MEETING IN AMARILLO—
MEMBERS PRAISE HOSPI-
TALITY OF PLAINVIEW

Dr. C. D. Wofford of Plainview was elected president of the West Texas Dental Society, at the close of its annual convention held here Friday and Saturday. Dr. R. B. Hutchins of Lubbock was elected vice president; Dr. Sid A. Harris, re-elected secretary and treasurer, and Dr. R. L. Rogers of Amarillo, elected as a new member of the executive committee. The next meeting will be held in Amarillo, next September, that place winning over Abilene by a vote of 10 to 9.

Friday afternoon, after the business program there was a watermelon feast for the visitors, and at night there was a banquet at the Ware hotel, with R. A. Underwood as toastmaster. About thirty covers were laid, for the visitors, the local dentists, several of the local medical doctors and newspapermen. Prof. Crabb, on the violin, Mrs. Arilla Peterson, vocal, Mrs. Tom Carter and Miss Mildred Farmer, at the piano, furnished several musical numbers, which were applauded, and they responded to encores. The toasts were responded to by Dr. Neal of Abilene, Dr. Carl of Claude, C. B. Miller, Dr. A. H. Lindsay and J. M. Adams of Plainview.

Saturday morning there were clinics in the dental offices of Dr. Wofford and in the afternoon the members attended clinics at the Plainview Sanitarium.

At night the visitors were guests of the local members at one of the picture shows, after which refreshments were served at Dye Drug Co.

Afterwards the final meeting was held, at which the officers for the coming year were elected.

A committee composed of Drs. Neal, Ingham and Rogers presented the following resolution, which was adopted:

"The visiting dentists of the West Texas Dental Society wish to take this means of thanking the citizens of Plainview and the local dentists for their hospitality. We would like to express our appreciation of the courtesies shown to us by the Plainview Sanitarium and the management of the Hotel Ware. The musical program rendered by Prof. Crabb, Mrs. Peterson, Miss Farmer and Mrs. Tom Carter was enjoyed by all and added much to the evenings entertainment. We will always remember Plainview for its hospitable treatment and especially the Board of City Development and the Elk Club for the use of their rooms and hall."

The local dentists adopted this resolution: "We, the local dentists of the West Texas Dental Society, wish to thank the Board of City Development, the Ware Hotel, the entire musical body that furnished such a splendid musical program for our banquet, Mr. Cochran and the Plainview Sanitarium for their splendid x-ray clinic and entertainment; the Elks for the use of their building for the meeting, club rooms and assistance in entertaining, the Plainview medical profession, and every one who helped in making this meeting such a splendid success.—C. D. Wofford, W. S. Ferguson, W. J. Lloyd, F. A. Greene, P. E. Berndt."

Mrs. T. E. Richards Honored by Methodist Missionary Society
Monday afternoon at the home of Mrs. E. F. McClendon, Circle 3 of the Woman's Missiary Society of the Methodist church, held a social meeting in honor of Mrs. T. E. Richards, who is leaving this week for Dublin.
Bowls and vases of roses and asters were arranged throughout the rooms complimenting the honor guest and her work.
Contests, music and the serving of ices and cake was the program of the afternoon. At the close of these pleasant social hours, Mrs. E. E. Robinson in behalf of the entire Missionary Society, presented Mrs. Richards with a silver and cut glass mayonaise set as a slight token of the appreciation and love of the whole membership. In making the presentation Mrs. Robinson spoke of the great esteem in which Mrs. Richards is held and of the great loss she would be to the church. Too greatly overcome to make a studied response, Mrs. Richards could only express her thanks in faltering words.
Other talks were made by some of the members of Circle 3, of which Mrs. Richards has long been a useful member and for several years she was president of the Missionary Society.
Not only does the membership of the Methodist church regret the departure of Mrs. Richards, but Plainview as a whole feels as it had lost an efficient and beloved member of the community. She is an associate member of the Mystic club, and has taken part in many of social and intellectual movements of the city.

CHURCHES

Presbyterian Revival Services Largely Attended
Rev. Gordon Lang, pastor of the Presbyterian church, reports the revival meeting started off with large attendance and earnest co-operation on the part of the members and friends of the congregation.
Mr. Lang preached Sunday morning on "God's Punishment of Sin," and in the evening on "The Death Penalty." Both services were very largely attended. Many of the members of the congregation stated that Mr. Lang preached one of the best sermons Sunday evening that he has preached in the city.
Mr. Lauris Mallard arrived Sunday morning in time to lead the singing in both morning and evening services. Mr. Mallard has a rare voice, that is noted for its distinctness and sweetness, and his coming is greeted with enthusiasm on the part of the congregation, and his solos contribute greatly to the spiritual uplift of his hearers.
Dr. Arthur Haynes arrived Monday morning and preached at the morning services Monday and Monday night. Mr. Haynes is a pleasing speaker. His messages go straight to the point in lining out the problems of the Christian life. The success of this meeting only needs the co-operation of the Christian people of Plainview. The attendance Monday night was good for a Monday night service.
The pastor and leaders decided to forego the plan of a daily service for the children and are planning a big rally service for school children for Friday afternoon at 4 o'clock. The other services during the week will be a service in the morning at 10 o'clock for all, and the service at night beginning at 8 o'clock. Just before the latter service, at 7:30 to be exact, all the women who are interested in the salvation of the unconverted and Christian revival in Plainview will meet for prayer in the basement of the church.

Dr. E. C. Mobley Will Deliver Addresses Here
Dr. E. C. Mobley, pastor of the First Christian church, arrived this morning and will deliver addresses at the First Christian church tonight and Wednesday night, beginning at 8 o'clock. He is a very interesting and able speaker, and having recently returned from a stay of a long time in the war zones of Europe, his addresses will be the more interesting.
