PLAINVIEW PUBLIC SCHOOLS HAVE LARGEST ENROLLMENT

1,182 PUPILS—333 HIGH SCHOOL,
476 CENTRAL, 338 LAMAR—
NEED MORE TEACHERS

Plainview public schools opened Monday with the largest enrollment in the history of the schools. Supt. W. E. Patty informs us that the enrollment Tuesday was 1182. The high school has an enrollment of 333, the Central school 476, the Lamar school 338, and 35 are in the primary department at the high school for small children in that vicinity.

Every room is badly crowded, and it is contemplated to have a half-day attendance in the primary departments as there are not enough desks or room in the buildings for all the primary pupils.

Mr. Patty says another teacher and maybe two will have to be added to the high school faculty.

Pupils have come from all over the Plains to attend high school, one from sixty miles west of Plainview.

The faculty of the schools is exceptionally capable this year, most of those in high school being degree holders. Mr. Patty says it is due to a good year's work, and says the only handicap is the crowded condition of the buildings.

WAYLAND SAYS HOTEL WILL BE ENLARGED

Material Has Been Ordered and Contract Let for Big New Addition

The Wayland Hotel here will be greatly enlarged in the near future. Dr. J. H. Wayland, owner and manager, announced Tuesday that he will have the present two stories extended to the alleys and that another floor would be added. On top of the third story will be fine roof garden. Some of the material for the addition has been ordered and construction work will begin as soon as it arrives.

The Wayland Hotel was established less than a year ago, but Dr. Wayland states that he has been unable to care for all the trade available at any time and that the growth of the tourists and traveling trade in Plainview has made the addition necessary.

Secretary Jamison Here

Frank Jamison of Amarillo, secretary of the Panhandle-Plains Chamber of Commerce, was here yesterday on business. He says the organization's work is moving along nicely. He is still at work trying to relieve the freight car shortage, and says that while cars are being secured more rapidly, it will be several years before the situation is again normal.

Many Going Away to School

Almost every train is now carrying Plainview and Hale county boys and girls off to college. More young people will attend higher institutions of learning away from home this year than ever before. The people of the Plains are prosperous, they believe in education and are anxious to have their children get the best of everything.

No Street Paving Soon

It is not likely that Plainview will do any additional street paving soon. Under the charter the city must pay at least one-fourth the cost of the paving, and it is impossible under the mixed up state of affairs relative to the charter to finance the matter. The \$70,000 worth of city sewerage warrants have not been sold yet.

Town Being Cleaned Up

The people are co-operating with a view in cutting weeds and cleaning up the town before the fair. Everybody should clean up their premises, so as to give the town the most attractive appearance possible.

Floyd Makes Great Gain

The census shows Floyd county has 9,758 people, a gain of 5,120, or 10.4 per cent. Floydada has a population of 1,318 and Lockney has 1,118 people according to the census report.

Thirty-Nine Negroes in Plainview

It is said there are now thirty-nine negroes in Plainview. They are coming in rapidly.

L. J. Pierce has been refused bail at Amarillo on a charge of rape upon a girl under fifteen years.

M. J. Lenham, who is in Lakeville, Minn., organizing a party of home-seekers to come to Plainview, writes to us that he won't be able to come for several weeks, as the passenger rate is tied up with an injunction. Under the increased rate he would lose \$42.50 per person.

FIRST NATIONAL BANK TO INSTALL NEW FIXTURES

Will Be of Marble, Glass and Cabinet Work of the Most Modern Kind

The First National Bank of Plainview, which prides itself on being the "largest bank in the United States in a town the size of Plainview," is to install a new set of furniture and fixtures of the most modern type, composed of Tennessee marble, plate glass and cabinet work.

A carload of marble has already been received and the glass and cabinet fixtures have been shipped from Houston.

Mr. E. C. Lamb, president, says the bank's business has outgrown its present equipment, and in order to accommodate its increasing volume and handle the business conveniently and efficiently the new equipment is necessary.

The arrangement will be in the shape of a U in the center of the building, with the customers' windows on the south side and the officers' desks on the north side.

The installation of the fixtures will be started in a week or ten days.

PHOTOGRAPHERS MEET NEXT AT PLAINVIEW

Sometimes in April at the Beery Studio—Meeting in Amarillo Good.

Photographers of the Panhandle and Plains will hold their next convention in April in the A. A. Beery Studio at Plainview, according to the decision reached Wednesday afternoon at the business session of the first meeting of the Panhandle Photographers Association in Amarillo, since it was organized last April at Dallas.

The exact date of the meeting with Secretary Beery at Plainview has not been set.

Bomb Kills Thirty-one People

Yesterday about noon a time-bomb, evidently planted by an anarchist, exploded in front of the banking house of J. P. Morgan & Co., in Wall Street, New York City. Thirty-one persons were killed outright and many others injured. It exploded just as the clerks and others in the district were pouring out of the buildings into the street at lunch time.

Special Legislature Session Called

Gov. Hobby has called the legislature to meet in special session Sept. 21, for the purpose of enacting a law permitting all those who have not paid poll tax this year to do so in order to vote in the November election (this is caused by the adoption of woman's suffrage), also to prescribe qualifications for voters. Also other matters will be put before the legislature for consideration.

Buy Farms Near Petersburg

Mr. White from Crowley has bought the W. C. Lutten farm of 160 acres eight miles north of Petersburg, paying \$62.50 an acre or \$10,000 for it. Mr. Lutten will buy a farm somewhere else on the Plains.

Mr. Hildreth from Birdstown, Tenn., has bought the Hefner farm of 160 acres, near Petersburg, and will occupy same. The price paid was \$68. Mr. Hefner will also buy another place.

Zeigler Sells Grocery

Chas. Boles from Wellington has bought the Westside Grocery from R. S. Zeigler, and has taken charge of the business, being assisted by his son, J. Lloyd Boles.

Mr. Boles has bought J. J. Bromley's new home and will occupy it about October 5th, when the residence Mr. Bromley is erecting next door north will be completed, which the Bromley's will occupy.

500 Cars Wheat Shipped

Since July 14 about five hundred cars, almost 750,000 bushels, of wheat has been shipped from Plainview and Finnie switch, so Grain Inspector Wallace informs us.

He has inspected 1250 carloads, which were shipped out of this territory.

Will Erect Filling Station

We are informed that J. N. Donohoo has sold the property at the corner of Austin and West Sixth streets, across from the Woolbridge lumber yard, and that a modern brick filling station will be erected. Likely a brick garage will also be erected.

Paid High Prices for Hogs

At the Ludwig Irbeck sale of registered Poland China hogs at Happy Saturday, A. M. Griffin of Hale Center, paid \$150 for a gilt, H. Davenport of Kress, \$395 for a sow, and Elliott & Rudd of Kress, \$650 for a sow.

Thousands of Idle Men

Texans returning from trips to Northern cities say thousands of men are idle in the North. In Detroit alone there 75,000 idle auto mechanics.

PLAINVIEW TO BE GIVEN OVER TO NORTHWEST TEXAS FAIR

EXHIBITS WILL BE IN TENTS, BUILDINGS AND COURT HOUSE

Plainview will be given over completely to the Northwest Texas Fair, to be held here September 27, 28, 29, 30 and Oct. 1.

Four large tents have been ordered to house the exhibits, besides Overall's barn, White Seed Co. building, the court house, and other places have been secured for fair purposes.

The agricultural and poultry exhibits will be housed in tents on the vacant lots on the west side of the square, the merchant's exhibits will have two tents on the vacant block north of the Guaranty State Bank, the automobile accessory exhibits will have a large tent just south of the Nash boarding house, the live stock exhibits will be in and about the Overall barn, the tractor and farm machinery will be exhibited on the blocks on Ash street from the Missouri Hotel to Coleman's grain and coal yard, the woman's departments will be in White Seed Co. building on east side of the square, the better baby conference in the front of the court house, and the shows and other attractions and exhibits will be put up here and there about the town. The horse races and roundup will be at the park north of the depot and the auto races just southwest of town.

The floral parade on the second day in addition to having the floats in line, will also have many beautifully decorated cars, a number of ladies are planning to compete for the prizes to be offered.

Amarillo will have a special day, the second, and in addition to a special train from that place, a caravan of cars will come through. The caravan is being arranged by the secretary of the Amarillo Board of City Development, and will include many cars, properly decorated. Mr. Benton, county demonstrator, is preparing an exhibit of agricultural products from Potter county.

Brunk's band will furnish music the second, third and fourth days of the fair.

Clovis, N. M., wants to make an exhibit at the fair, and will likely do so.

Auto Races at Fair

Each afternoon beginning at 2 o'clock there will be automobile and motorcycle races on the track one mile southwest of town.

A. C. McClelland who is superintendent of this division, says the most successful and interesting auto races ever held on the Plains is promised. Among the entries so far made of cars are four from Plainview, four from Floydada, four from Lockney, three from Tullia, three from Canyon, one from Amarillo, and several other towns will be represented. The motorcycle races include four entries from Plainview, three from Amarillo, three from Canyon, one from Floydada and one from Lubbock.

The committee has worked out a program which provides for the interests of the non-professional drivers of the Plains, so that one or two professionals will not be able to capture all the purses. This will be but fair play for all concerned. The purses aggregate about \$3,500.

Will Publish Fair Supplement

A staff correspondent of the Amarillo News was here the fore part of the week, soliciting advertisements and getting data for a supplement of six pages to be published Friday of next week, promoting the Northwest Texas fair. The Amarillo paper has a circulation of more than one thousand copies, covering Northwest Texas, Western Oklahoma and Eastern New Mexico, hence the publicity will be valuable to the fair.

The fair is being well advertised, all over this section of the state and in New Mexico. Besides the local papers, ads are appearing in the following: Snyder Signal, Post City Post, Slaton Slatonite, Lubbock Avalanche, Crosbyton Review, Ralls Banner, Spur Texas Spur, Motley County News at Matador, Silverton Star, Floydada Hesperian, Lockney Beacon, Hale Center Record, Tullia Herald, Clovis Journal, Dalhart Texan, Hereford Brand, Randall County News at Canyon, Amarillo News, Amarillo Tribune, Panhandle Herald, Clarendon News, Childress Index and Hall County Herald at Memphis.

Littlefield Lands on Market

It is announced that Major Littlefield has again placed some of his land at Littlefield on the market—about 16,000 acres of the un-lotted land. W. R. Allison from Houston has permanently located at Littlefield, and will have charge of the sales.

Shriners to Have Banquet

The old members of the Shrine will give a banquet Tuesday night at the Masonic Temple to the Shrine who recently joined in Amarillo.

DEMOCRATIC CANDIDATE COX MAY ATTEND PLAINVIEW FAIR

EFFORT BEING MADE TO BRING SPECIAL TRAIN FROM AMARILLO

Gov. James Cox of Ohio, presidential candidate of the democratic party may attend the Northwest Texas Fair in Plainview, and an effort is being made to bring him here for an hour or two.

He will be passing through Amarillo en route to New Mexico to fill a speaking date, and it is hoped to provide a special train for a run to Plainview, and then run back to Amarillo and catch a train out of there.

If he comes here he will doubtless make a speech, and his coming would possibly bring fifty thousand people to Plainview. It is really thought possible that he will be at the fair.

WILL ERECT MANY NEW MODERN RESIDENCES

Five Now Under Construction, Will Begin Five More at Early Date

The residences for the syndicate composed of Messrs. Slaton, Carter, Maxey and others, informs the News that five residences are under construction on the block in front of Central school, that two more will be started this week and three more soon. Many others are to follow as those now being erected are sold.

The residences will be thoroughly modern and complete, with garage cement walks and curbs, yards graded for grass, and will sell for \$6,000 to \$14,000, on easy terms with about one-third down as initial payment. Some of the houses will be two stories. None of the houses will be rented.

GUARANTY STATE BANK WILL OCCUPY NEW HOME

Hopes to Move in Next Week—Fixtures are Being Rapidly Installed

The Guaranty State Bank hopes to move into its handsome home the early part of next week, so as to be ready to welcome the people during the fair.

The fixtures are being installed and everything is almost in readiness to move in.

The building is one of the most modern in Northwest Texas. The fixtures are marble, plate glass and the finest cabinet work, the floor is of mosaic tiling.

Zeigler Buys Shiffett Grocery

R. S. Zeigler has bought the Shiffett Grocery Store on the northside of the square, and has taken charge of same. He was in the grocery business in East Texas prior to coming to Plainview some months ago, and still owns an interest there. He has been conducting the Westside Grocery here, but sold it a few days ago. He is an experienced groceryman.

Mr. Shiffett, Sr., has not announced his plans. Victor Shiffett has become bookkeeper for the Plainview Mercantile Co.

Fine Weather Prevailing

The weather continues fair and very warm, which is just what the farmers want on their crops. Cotton is beginning to open, and the first load of new maize heads was brought in this week. Much wheat is yet to be threshed.

Visits of the Stork

Born to Mr. and Mrs. Wm. F. Nix, near Happy Union, Sept. 15, girl; named Dorothy Larue. W. O. Speck, two miles west of Plainview, Sept. 3, girl.

Train Tender Jumps Track

The tender on this morning north-bound passenger train jumped the track this side of Hale Center and was three hours late.

Dublin Buys Hart Farm

R. C. Dublin has bought from J. L. Hart a farm of 320 acres five miles south of Plainview.

R. E. Prewitt and family this week moved from Happy to Helen-Temple farm, five miles northwest of Plainview. He will be manager of the farm. He brought with him his well known herd of Duroc-Jersey registered hogs, and flocks of R. C. Rhode Island Red chickens and Mammoth Bronze turkeys.

The Dahlia is very pretty and grows luxuriantly on the Plains. Many homes in Plainview are made more attractive by these beautiful flowers, which are now in bloom.

Memphis has a population of 2,893. In 1910 its population was 1,910.

NEW GIN MAKES SUCCESSFUL TEST RUN

is in Good Shape to Begin Work When Cotton Season Opens in Few Days

The cotton gin just erected in Plainview, was given a test run and try-out of its machinery the fore part of the week, to see if everything was in proper working order, and it was found to be so.

The gin company is composed of local stockholders and has a capital of \$30,000. The gin is of the most modern type, and is capable of being enlarged as the business necessitates.

Mr. T. J. Vines, manager of the gin, is an experienced ginner, and is as proud of the plant as an old-fashioned country boy used to be of a pair of red-top boots.

Cotton is beginning to open, and the present fair and warm weather will mature it rapidly. It promises to average a half-bale to the acre, though some farmers think their crops will make as much as a bale or more to the acre. Several thousand acres of cotton is being grown in Plainview gin territory this year.

There are also gins at Abernathy, Petersburg and Hale Center and large acreages are being grown in those sections of the country. Cotton is destined to be an important crop in this county.

500 POUND BALE TEXAS COTTON COULD BE WORTH MILLIONS

Austin, Sept. 4.—A 500 pound bale of cotton, worth \$150 at thirty cents a pound, if made into Valenciennes lace, one of the most expensive forms in which cotton is used, would be worth \$3,000,000, according to an estimate by officials of the Texas Bureau of Markets and Warehouses.

The same bale made into baby ribbon would be worth \$1,500,000 at prevailing prices. Made into gingham it would bring \$730 at the mills, and as cheesecloth, the cheapest product of the loom, would be worth \$1.10 a pound.

It was pointed out, however, that the grade of cotton used to make cheesecloth now sells on the market at about fifteen cents a pound.

Poisoned Eating Fresh Syrup

Messrs. E. Lam and Wayne Mullins of the Fuller Gin Co., were poisoned last Saturday when they sampled some new syrup at a farmers house in the rural district. Mr. Mullins was confined to his bed for over forty-eight hours. Mr. Lam was also quite ill for a time. It is supposed the vat where the syrup was being made was lined with zinc, causing ptomaine poison. We are glad to report the victims able to be about at this writing.—Tahoka News.

Henry C. Van Struve was in town Wednesday. He is American consul at La Guaria, Venezuela, the port of entry for the capital, Caracas, eight miles away. He has been home for several weeks on a vacation with his family at Abernathy and his other relatives in this county. He will leave in about ten days for New York City, to take steamer for his post of duty. Since he went into the consular service several years ago he has served on the Dutch West India Islands off the coast of South America, in Germany before this country went into the war, in Havana, Cuba, until Christmas, since which time he has been in Venezuela. He tells very interesting stories of the people and customs of Venezuela.

Mr. and Mrs. T. W. Sawyer and children passed through here on yesterday mornings' train for Amarillo, where they will make their home. They moved from Plainview to Orlando, Fla., some months ago, where he sold Texas automobiles. Mrs. Sawyer's health was not good there, and she recently suffered a stroke of paralysis, hence the family decided to move back to the Plains.

Henry Ford is reported to have placed an ice-crawling tractor at the disposal of an explorer of North Greenland who will use it in an effort to reach the North Pole across the wild wastes of that unknown far north land. A motor vehicle may succeed where every other device has failed.

An aerial daily mail service has been established from San Francisco to New York, to cover the distance in twenty-six hours—which is going some.

Evidently the bunch on the corner thinks it a disgrace to work. If so, some of the members haven't been disgraced for a long time.

The United Typotheta declares that the average price of print paper and job stock has increased 400 per cent. within the last several years.

The Ralls Banner has placed an order for a linotype.

WILL ESTABLISH COTTON YARD IN PLAINVIEW

DeLeon Parties Will Erect Sheds for Storing Cotton... Expert Grader At Yard

Messrs. W. E. Butler and G. E. Morton late of DeLeon, will establish a cotton yard in Plainview, and bend their efforts to make Plainview the central cotton market of the Plains.

They are negotiating for land near the gin in the east part of town, and will erect sheds for the protection of cotton stored in the yard.

They are experienced cotton men, Mr. Butler being one of the best cotton classers in the state.

Messrs. Butler and Morton have recently bought property here. The editor of the News knew them down in Comanche county. They are good folk and we are glad to have them as citizens.

RAND FORECASTS LOW SHOE PRICES

President of Big Shoe Manufacturing Company Says Paek Passed

St. Louis, Sept. 11.—Lower shoe prices were forecasted in an interview here tonight by F. C. Rand, president of the International Shoe Company, one of the largest shoe manufacturers in the world.

According to Rand, the new price level, while lower than prevailing prices, will be approximately fifty per cent. higher than the pre-war prices. "Shoes which sold for \$4 before the war will probably sell for \$6 when the new level is reached," said Rand.

The shoe industry, Rand said, has "cleaned house" and now stands on a firm basis and intent upon taking advantage of readjustments offered during the period of reconstruction to reach a price level in accordance with the pocketbook of the legion of ultimate consumers.

"Step by step, we will reach a lower level," he said. "The shoe wholesaler is cooperating with the retailer to give to the public shoes at the lowest possible prices."

FLOOD OF IMMIGRANTS POURING INTO COUNTRY

New York, Sept. 12.—Disruption of passenger schedules was said by steamship men to be threatened by the flood of immigrants flowing into New York so swiftly that Ellis Island cannot accommodate them. More than 20,000 aliens were brought in last week, but 10,000 of them have not yet been inspected because of inadequate facilities.

Bob Collier was here the fore part of the week, en route from Louisiana to Lockney, where he will work for the Beacon. Several years ago he worked in the News office as a printer. During the war he was in the navy and the boats on which he served made trips to the Asiatic seas, visiting Vladivostok, Russia, and other ports, later coming to the Atlantic ports of Europe.

Twenty-five years ago men were criticizing the women for wearing skirts that touched the ground and gathered up the germs on the streets. Nowadays men are criticizing women for wearing shorter skirts. No matter what women do they can't please some men.

I. F. Botts, formerly of near Kress, but who recently returned with his family from a sojourn in North Arkansas, writes to us that they have located at Farwell, "and can't do without the News."

Mrs. J. M. Graham and daughter, Miss Otelia, have gone to Wichita Falls to visit, after which Miss Otelia will go to Austin, where she will enter the State University.

H. H. Hawley of Dallas is here on business. He formerly owned a thousand acres of land north of town and the building adjoining the News office to the south.

Ralp B. Leonard of Dallas, representing the Irving National Bank of New York City, was here yesterday, the guest of Messrs. Halley and Fowler of the Guaranty State Bank.

About one-tenth of the people of the United States live in the cities of New York, Chicago and Philadelphia while more than one-fourth live in sixty-eight cities, having a population of 100,000 or more.

During the thirty days between Aug. 15 and Sept. 14, thirty inches of rain fell at Gail, Borden county.

J. I. Crump of Brownfield was in Plainview Monday.

DOWN ON THE RIO GRANDE

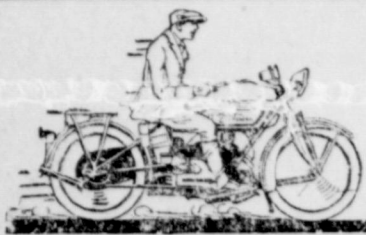

Read your future in these lines
You who long for sunny climes
Where the cool sea-breezes blow
Where oranges, grapefruit and lemons grow
Down
On
The
Rio
Grande.

If you wish a life ideal
Where you have the comforts real
Linked with a beauty's radiant glow
Come with where there's no snow.
Down
On
The
Rio
Grande.

Where no winters fierce assail you
No coal bills rise up to fright you
So your fortunes with us cast
Before Opportunity has hurried past
Down
On
The
Rio
Grande.

—Join the excursion to the Rio Grande Valley every Monday night.

Number of Harley-Davidson Riders Increases with Price of Gasoline

WHETHER the number of Harley-Davidson riders increases because of, or despite the advance in the price of gasoline does not detract one atom of strength from the fact.

A few years ago, because of low priced motor fuel and lubricating oil, the upkeep cost of a Harley-Davidson Motorcycle was RIDICULOUSLY low. Today it is still UNUSUALLY low, enabling the solo mount rider to travel at less than 1 cent a mile. A sidecar costs very little more than that to operate.

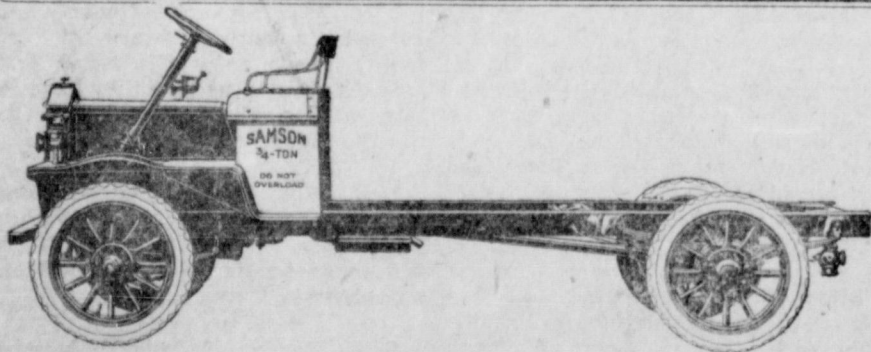

Forty to sixty miles on a gallon of gasoline! 800 to 1000 miles per gallon of oil! These are average consumption figures, proving to you that the Harley-Davidson excels in economy as well as in many other respects.

Consider this, and then drop in and see the classy, efficient, compact new models. Harley-Davidson Motorcycles can be bought on the easy payment plan.

PRODUCERS' PRICES ARE GOING DOWN

Cost of Grains, Fruits and Vegetables Shows Big Decline In August

Washington, Sept. 10.—Prices paid producers of food are going down, according to the Department of Agriculture.

A review of crop conditions on September 1, made public today shows that the prices paid farmers and live stock men during August underwent a unmistakable decline. This, the review makes plain, can in no way be attributed to ordinary seasonal conditions.

Prices farmers receive for the principal crops decreased 10.6 per cent during August, the department announced. The normal seasonal decrease for August is only 1.2 per cent.

Included in what the department designated as principal crops are grains, fruits and vegetables. Prices paid live stock and poultry raisers also decreased 2.3 per cent from July 15 to August 15. During this period in the last ten years live stock prices have increased on an average of 1.2 per cent.

PETERSBURG

Sept. 16.—Our people are very busy now, since the rain has ceased. Maize is being headed, Sudan cut and shocked, land prepared for wheat and soon the cotton will be opening.

Mr. and Mrs. Marx Wiese have returned from Springfield, Mo., and will once more make this place their home.

Monwell Ott, the venerable uncle of John Hegi, who was hurt by an angry bull last week, is still in a critical condition in the Lubbock sanitarium.

Grandpa Reagan, who with his wife returned to the home of his son E. C. Reagan recently, has been quite ill this week.

The marriage of Ivey Moon of Hale Center and Miss Aita Smith of Canyon, in Denver, Colo., came as a pleasant surprise to their many friends here, where they both once lived, and many kind wishes are tendered them for their future happiness.

Elmer Hegi has returned from the Lubbock sanitarium.

The Cumberland Presbyterian congregation have their church begun and are getting along fine with it. Miss Mattie Gregory is teaching in the Estacado school.

Our school opened Monday with a fine attendance.

Misses Darby and Gray are at home to their friends in the L. C. Claitor home.

Miss Annie Hegi spent a few days in Plainview this week, the guest of Mrs. Mattie Collier.

Work on the new gin is being pushed now as the balance of the machinery came in this week.

Don't Pay Cash Deposits

Do not buy anything from an outside firm whose salesman demands a cash deposit, no matter how small. Always investigate firms offering goods on such terms.

Recently down at Vernon a transient "salesman" worked a number of car owners out of considerable money. He represented himself to be a salesman for the Iowa Automobile Tire Co., and sold tires at very low prices, taking deposits of \$25 on each bill of goods, the balance to be paid on delivery. "And he never came back," neither is there such a firm, so later developments proved—and each person who made a deposit lost the money paid.

Many agents are going about the country taking orders for tailor-made clothing at ridiculously low prices. They take a customer's measure—also a cash deposit. That is the last ever heard of the agent.

Another swindle being worked by transients is to pose as magazine agents, making special clubbing rates. Such an agent can pick up from \$20 to \$100 a day—and those who bit never get any copies of the magazines they subscribe for.

In a prosperous section like the Plains just now all kinds of grafters and swindlers are met with, for they are flocking here to prey on the people.

The best plan is to buy from local people, whom you know are reliable and can be found if anything is unsatisfactory. It is better to take no chances with transients.

To Fly at Plainview Fair

C. Lawrence Smith, aeronaut of Enid, Okla., is in Amarillo to visit his mother-in-law, Mrs. Finklea, for several days prior to going to Plainview, where he will do stunt flying at the fair. Mr. Smith flies for the Knode Aerial Service of Enid. He was in the aviation section of the Navy during the World War, and is an old friend of Chief Petty Officer Ferguson of the Navy Recruiting Station here. He left his plane at Elk City, Okla., where a new motor will be installed before flights are started at Plainview.—Amarillo Tribune.

AT LAST

We Are in a Position to Make IMMEDIATE DELIVERY OF DODGE CARS

As soon as large shipments now in transit reach us. Our Mr. White is in Detroit. Twenty jobs are now rolling and he is arranging other large shipments.

The Dodge Touring car at \$1450 delivered, has no equal on the American market.

If you have been waiting for a Dodge, mail us your order with a deposit of \$25.

We will have roadsters, touring cars, sedans, coupes and business cars.

Carter-White Motor Co.

Plainview, Texas

FOR SALE

BY

PERRY & CRAM

We are offering for sale in tracts of 160-320 and 640 acres, what is known as the Price Bros. land, west and north of Whitfield and northeast of Plainview.

There is no finer land in Texas.

It has the great advantage of being especially adapted to the raising of both wheat and cotton.

It is located close to school, church and country store and 9 miles east of Kress.

If you are looking for a choice investment you should inspect this magnificent of land. There is none better.

If you prefer some other location, let us know your wants. We have a very large land list and will guarantee to meet requirements if you will put your time against ours.

IN CITY PROPERTY

We have an extensive list and will be pleased to show you. Make your wants known and leave the rest to us.

We have moved to our permanent quarters at 627 Broadway, 2 doors south of Guaranty State Bank.

MOTOR CAR CHARACTER AND HOW TO JUDGE IT

"Every automobile has a character distinctly its own," says Mr. Blair of Hart & Blair, local dealers in Chevrolet passenger and commercial cars.

"Today we see many different makes or motor cars all built for the same general purpose—convenient individual transportation. The character of each one must be judged by the manner in which it serves this purpose.

"It does not take a trained eye to do this. Of course, the man who has a mechanical knowledge of automobiles can form an accurate opinion by inspecting the materials of which a car is made, its design and general construction. He is also the better judge of these points in operation.

"But anyone can estimate the character of a car by what it actually does. And in the long run performance is the best test.

"The particular purpose of the manufacturer is building a car that is justified by the measure in which it serves. And time is the greatest factor in proving the honesty and thoroughness with which he has done his work.

"The reputation a car has won in years of service, therefore, is the true indication of the character that is built into it. A reputation for economy, convenience, comfort and dependability is the highest mark of quality in an automobile.

"And the cars that are most widely known to possess these characteristics are those which are sold in the greatest quantities. Their sales are steadily increasing. And the number of such cars in use is another measure of their character."

WANTED—People to work at Plainview Nursery to pick tomatoes; 40c and 50c an hour. 36-2t

SHERIFF'S SALE THE STATE OF TEXAS, County of Hale,

By virtue of an order of sale issued out of the Honorable District Court of Hale County on the 6th day of August, 1920, by the Clerk thereof, in the case of Guy Jacob versus A. E. Harp, R. H. Wilkins, Mrs. Geo. M. Slaughter and the heirs of Geo. M. Slaughter, deceased, No. 1834, and to me, as sheriff, directed and delivered, I will proceed to sell within the hours prescribed by law for Sheriff's Sales on the First Tuesday in November, A. D. 1920, it being the 2nd day of said month, before the court house door of said Hale County, in the town of Plainview, the following described property to-wit:

Lot 5, block 28, in the town of Plainview, Texas.

Levied on as the property of A. E. Harp, R. H. Wilkins, Mrs. Geo. M. Slaughter and the heirs of Geo. M. Slaughter, deceased, to satisfy a judgment amounting to \$424.86 in favor of Guy Jacob and the cost of suit.

Given under my hand, this 17th day of September, 1920.

J. C. TERRY, Sheriff.

Grandpa Rallings Dies
Grandpa Rallings died at the home of his son-in-law, Tom Randolph, northwest of Lockney, yesterday morning at 7 o'clock. He was very aged. The remains were shipped last night to McCauley, Fisher county, for burial.

Phillips Buys Rex Cafe
C. I. Phillips has bought the Rex Cafe, in the Finnie building, on the north side of the square, from G. L. Blanton, and will continue the business at the same place.

Any Hale county person who fails to attend the Northwest Texas Fair is a slacker and deserves to be bumped against a corner fence post. Something doing every minute.

No Matter What

Your building requirements may be, our Service Department can be of assistance to you.

We have actual photos of homes and buildings, furnish plans and estimates and assist you in getting proper workmen to build it.

Remember, whether you are building a new home, shed, garage or just some small repair work, we are anxious and ready to serve you.

The Plainview Mercantile Co.

September
1920

Anniversary Announcement

Three years ago the third day of this September month we opened our Mercantile doors in Plainview in the little brick building, size 25x76 on north east corner of the square. We soon realized this building was too small to handle our stock and the splendid business accorded us and in March, 1918, we moved to the north side of square in a building 25x100. This, too, we soon decided was too small to accommodate our fast growing business and in October of this same year we bought the Plainview Mercantile Co's. stock and leased the building for five years. We do not intend to move our location any more, but do promise to continue to move onward and forward in our progress and in keeping with the growth of this city and progress of its people. Note carefully our Third Anniversary Prices.

Eighty-Three Additions at

Baptist Revival

To last night there had been eighty-three additions to the church in the Baptist revival. Rev. W. H. Virgin, who is assisting Pastor H. J. Matthews, will return Saturday morning to his home in Amarillo. The meeting will be conducted by the pastor Saturday night and Sunday, when it will close. There will be baptizing at the church Monday night.

Staked Plains Baptist Association Holds Annual Meeting

The annual meeting of the Staked Plains Baptist Association was held with the Baptist church in Hale Center Tuesday and Wednesday. The attendance was large, the reports of the year's work the best in the history of the association, and the meeting was very interesting. The report of the treasurer showed the missionary's salary paid in full and more than \$900 in the treasury.

Rev. G. I. Britain presided as moderator and was re-elected. The other officers are W. A. Bowen of Lubbock, clerk; D. W. McGlasson, re-elected as corresponding secretary and treasurer.

Rev. C. E. Painter has served as associational missionary during the past year. The board will meet in Plainview next Monday at 10 o'clock to take action on employing a missionary for the next year.

The next meeting of the association will be held at Kress.

Watson's Business College News

A number of students have enrolled the past two weeks, and there does not seem to be any let up as many have announced their intentions of entering our school next week. As the work of the college is so arranged that a student may enter any time there will be a constant enrollment through the remaining of September and October. The following towns and communities are represented in our recent enrollment: Olton, Abernathy, Lockney, Meadow, Crosbyton, Petersburg, Post, Kress, Ft. Worth, Chilli-cothe, Silverton, Texline. Plainview and Hale county is well represented.

Miss Mary Johnstone, who graduated several weeks ago, was a visitor Monday. She was en route to Des Moines, N. M., where she has accepted a position as instructor of book-keeping, shorthand and other commercial branches, the Des Moines Public School having adopted the de-cent courses as taught in our school.

Miss Daisy Burns has accepted a position with the city secretary.

Mrs. T. C. Bigham (Nee Miss Leta Leslie) has accepted a position as bookkeeper for Wayland Baptist college. Mrs. Bigham was employed by the Citizens National Bank for a number of years, she also served as teller of a prominent Dallas bank for some time.

Several of the students have been doing stenographic work for Carter-Houston Dry Goods Co. this week.

Miss Ruby Curtis spent the week end at her home, Petersburg.

Jas. E. Cheyne spent the week end with relatives at Petersburg and Floydada.

J. N. Jordan spent the fore part of the week here with his family. He is engaged in doing some street pay-

SHERIFF'S SALE

(Real Estate)
By virtue of an execution issued out of the Honorable District Court of Hale county, on the 9th day of August, A. D. 1920, in the case of Donohoo-Ware Hardware Co. a corporation, versus N. B. Mayhugh and J. T. Mayhugh, No. 1819, and to me, as Sheriff, directed and delivered, I have levied upon, this 10th day of Sept. A. D. 1920, and will, between the hours of 10 o'clock A. M. and 4 o'clock P. M., on the first Tuesday in October A. D. 1920, at the court house door of said Hale county, in the town of Plainview proceed to sell at public auction, to the highest bidder, for cash in hand, all the right, title and interest which N. B. Mayhugh and J. T. Mayhugh had, on the 9th day of Aug. A. D. 1920, or at any time thereafter, of, in and to the following described property, to-wit: 640 acres of land, section 14, block J. K. and located 12 miles west and 4 miles north of Plainview, said property being levied on as the property of N. B. and J. T. Mayhugh to satisfy a judgment amounting to \$1149.62 in favor of Donohoo-Ware Hardware Co. and costs of suit.
Given under my hand this 10th day of Sept. A. D. 1920.
J. C. TERRY,
Sheriff Hale County, Texas.

WOLFE CITY, TEXAS

THE "STANDARD OF FASHION"

PRESENTS

ALL THAT IS NEW IN INDIVIDUALIZED READY-TO-WEAR at ECONOMY PRICES

Our buyers spend from two to three months each year searching the Eastern markets for the latest creations in Ready-to-Wear. We spare neither time nor expense in assembling our stock each season and this Fall we have surpassed all previous efforts.

As a result we are showing the largest collection of Individual garments in our history.

We realize that every woman desires to be correctly and exclusively dressed at the minimum cost and every woman knows that "Jacobs" has the reputation of being the STANDARD OF FASHION in addition to their MATCHLESS VALUES.

We take pleasure in showing you the new styles that come in with every express.

Distinctive Fall Coats in All the New Materials and Shades

In cities many times the size of Plainview you will find a more extensive collection of coats—and surely you cannot duplicate our values as quick sales and small profits prevail in this department as well as the other departments of the store.

Materials — Duvet de Laine, Chamoisine, Veddyse, Marvella, Cor duvel, Evora Superior, etc. Priced
