And the green Bermuda glistens in the spray. I can see the Rio fllowing down the rows of cabbage growing, And the sweet Bermuda onions scent the air. Oh! the broom corn is growing, alfalfa's ripe for mowing, And the Indian corn is nodding to the sun. Mrs. Bobwhite is chiding Mr. Bobwhite who is riding On a billowy wave of sorghum, having fun. The tangerines are mellow, the little qumquats yellow; There's black dewberries sparkling on the vine, The Catawba grape is growing in the vineyards overflowing-There's a million watermelons, Baby mine, There the mocking bird is singing, in the dells his music ringing And the meadow lark is calling to hs mate. The Turtle dove is "booing" to Mrs. Dovey who is cooing To her babies in the date palm by the gate. On canals bananas growing, 'neath their leaves the water's flowing, In the back ground waves a field of ribbon cane. In the pastures sheep are ambling, in the lettuce pigs are rambling. And I see the Jerseys homing down the lane, O'er the hills the sun is sinking and the baby stars are winking And re long the silv'ry moon begins to shine, And dthen I'll close my story for the Valley's in its glory When the harvest moon moon shines o'er it, Baby mine. We are not publishing this list in a spirit of boasting, but with the object of showing to our customers that we have the properties from which to select either homes in town or farms and ranches, and also to prove to those who list their property with us that we can deliver the goods if the properties are good and prices are right.

Our connections are becoming more extensive all the time, and we are in better position today than ever before to serve our clients. And another most pleasing fact is that so far as we know we have not had a dissatisfied Customer in either purchaser or seller.

We have adopted as our slogan, "EveryCustomer a Friend." That is the best advertisement any firm can have, and it is our intention to make it apply in every instance.

Tell us of your wants and let us submit our propositions. We have the most extensive list of any firm in West Texas, and no matter what a purchaser may want, we will fill the bill if given the opportunity.
