## TULIA MAN KILLS SELF

WILLIE CAVET FOUND DEAD IN ROOM THURSDAY AFTERNOON

Tulia, July 12.—A bullet wound through the temple, said to have been self-inflicted with a 44-calibre pistol, ended the life of Willie Cavet, 27, traveling salesman for the Watkins Medicine Co. this afternoon at 3:30 o'clock, while in his room at the White Hotel at Tulia. The bullet entered the left temple and came out at the right temple, killing him instantly. Cavet was attired in his night clothing and had apparently just gotten up for the day.

Cavet is said to have been in ill health for the past several years. He is an ex-service man, and immediately after his discharge from the army, he was injured in a threshing machine. His right arm was taken off, and since that time he has suffered intensely.

Efforts are being made to get in touch with Cavet's mother, Mrs. Emma Cavet, who is either in Fort Worth or Memphis, Tenn.

The county attorney has investigated the case, and it is the opinion of officials that the wound was inflicted with suicidal intent. No inquest was held on account of the absence from the city of the justice of the peace.

Funeral arrangements have not been announced and are pending advice from Mrs. Cavet.

## SEWER GAS COMES NEAR KILLING MAN

Fireman Pat McWhorter Succumbs And Amos Mangus Affected While Working In Man Hole

Pat McWhorter came near losing his life from asphyxiation by gas while assisting Amos Mangus in some work on a broken sewer main Monday. Mangus was also partially overcome. McWhorter had become unconscious when Mayor J. M. Waller came and helped Mangus rescue him, by dragging him from the sewer manhole.

It seems that the sewer had broken some days before and had stopped up. Mangus is repair man and was sent to locate the break and fix it, and was being assisted by McWhorter, who had been running the pump on the fire truck and pumping water out of the sewer main. McWhorter had been called to come down in the manhole just a few moments before. Mayor Waller was near by in his car and heard Mangus call and went to their assistance. In a few minutes more McWhorter would possibly have been dead.

The break in the sewer is now being repaired. It was likely caused by somebody putting pieces of clothing through their sewer. It is astonishing what some people in this town put through the sewers. Scraps of food, ashes, pieces of cloth, and most everything—all of which is unlawful, and if the parties could be caught they would be severely punished.

**Teachage Bonds Invalid**  
The attorney general's department has notified Judge Nelson of Floyd county that the department will decline to approve the bonds issued by school districts for construction of teachers' homes, on the ground that the legislature was without authority to authorize such issues.

## BARGAIN SALES ARE NOW ON

SEVERAL PLAINVIEW STORES OFFERING BARGAINS IN CLEAN-UP SALES

It will pay the people of the entire Plains country and below the caprock to come to Plainview to do their trading while the present summer clean-up sales are now in progress in this town.

Among those who have on big clean-up sales are A. L. & K. Dry Goods Co., Jacob Bros. Co., and Carter-Houston's, and they have big ads. in the News of Tuesday and today. A perusal of the bargains offered will convince the shopper that much money can be saved on goods that are reasonable for the summer season here lasts for several months longer.

Other local stores are also offering special bargains on summer goods, which it will pay to take advantage of.

The Plainview stores have large stocks of choice goods to make selections from, and through these reasonable clean-up sales maintain new stocks each season. By taking advantage of the clean-up sales people save much money.

## TEACHERS' INSTITUTE WILL BE HELD IN CANYON

Many Panhandle-Plains Counties Will Participate—Will Be Held At Normal Sept. 3-7

Preparations are under way for the annual Institute of the West Texas Teachers' Association of the Panhandle and Plains counties, which will take place in Canyon from the third to the seventh of September and which will be attended by the teachers from at least nineteen counties of this section of the state. R. P. Jarrett, head of the Department of Education at the West Texas State Teachers College, will be conductor, taking the place of W. H. Morelock, who has severed his connection with this school to become president of the Teachers College at Alpine. Mr. Jarrett is well known throughout the Panhandle of Texas, having lectured in many of its towns and having assisted in the Institute for several years past.

President P. W. Horne, of Southwestern University, for many years superintendent of the Houston schools and a school man whose worth is recognized all over the state, will be in charge of the intermediate grade section.

W. H. Carothers of the Department of Education of the State Teachers college at Emporia, Kan., will be special lecturer in the high school section. Mr. Carothers was a lecturer before the Institute last year, and his presence this year will be a real drawing card.

H. L. King, of the East Texas State Teachers College at Commerce, Texas, an authority on rural school administration, will be one of the lecturers before the rural school section.

The first and second grades of the primary section will be in charge of Miss Julia Lipscomb of Dallas, Tex. Miss Lipscomb is a teacher who has been conspicuously successful in her line of work. The third and fourth grade of the primary section will be in charge of an expert in this field.

Miss Laura V. Hamner, County Superintendent of Potter county and one of the "livest wires" among the teachers of this section of the state, will act as publicity agent for the Institute. Miss Hamner's methods are well known, and everybody will know that there is a real teachers' institute going on in Canyon.

L. F. Shetty of the Department of History, Miss Edna Graham of the Department of Mathematics, Miss Darthula Walker of the Department of Geography, and Mr. Ford Fronbarger of the Department of English will do special work in their respective lines.

It is expected that several other counties will decide to join this institute, which will undoubtedly be one of the best in the state, as additions are being made rapidly as possible to the program as outlined here. Hale and Floyd counties belong to this association.

## Visits from the Stork

Born to Mr. and Mrs. F. E. (Pete) Norfleet, Hale Center, July 9, girl; named Florence Elizabeth.

1 Roy Schwantz of Wichita, Kan., near Hale Center, July 4, boy; named Richard LeRoy.

F. A. Fleming, 12 miles northwest of Plainview, July 10, girl.

W. L. Ruddick, Hale Center, July 8, boy; named Everett Lee.

## Furniture for Court House

Supt. Webb of the Olton school was here yesterday. He said the commissioners' court has bought the furniture for the new court house and also let the contract for the installation of the heating plant. The new brick court house is nearing completion.

## Castro County Looking Fine

C. H. Buttolph, manager of the telephone exchange at Dimmitt, was in Plainview Tuesday. He said crops are surely looking fine in Castro county, and everybody is optimistic.

## May Locate in Plainview

Dr. Barnes, physician of Hubbard City, was here this week prospecting with a view of locating. He was greatly impressed with Plainview. He is a brother of Dr. C. L. Barnes of Hale Center.

## Beacon Buys Printing Machinery

The owner of the Lockney Beacon has bought a Babcock cylinder printing press, folder and other machinery for the further equipment of that office.

## Form Mutual Insurance Association

The West Texas Mutual Life Insurance Association, with J. G. Haltom as secretary and manager, has been formed in Plainview, and will write life insurance on the "home circle" plan.

## W. T. AND P. P. C. C. REPUBLICANS FORM MERGER ARE SCARED

TWO ORGANIZATIONS BECOME ONE—RALLY WILL BE HELD IN AUGUST

Amarillo, July 11.—Merger of the West Texas and Panhandle-Plains Chambers of Commerce was effected here late Tuesday afternoon, following a conference lasting more than five hours between officials of the two organizations.

The merger became effective Tuesday, immediately following the closing of the conference. A district office is to be maintained in Amarillo through the merger. President Spencer announced that S. J. Cole, who has been traffic manager for the Panhandle-Plains Chamber of Commerce, has been named the new district manager.

A rally will be held here early in August to celebrate the merger, of the two organizations, said President Spencer Tuesday. Directors of the West Texas Chamber of Commerce will be called here and will lay out a program of work that will include the Panhandle as well, he said.

A. B. Spencer, president, represented the West Texas Chamber of Commerce and Sam M. Braswell, president, and a committee of the Panhandle-Plains Chamber of Commerce. In the district manager's office here will be maintained traffic work, including the tracing of cars and checking of rates, as has been done in former years.

**Means Larger Body**  
The West Texas Chamber of Commerce is today considered the largest regional organization in the United States. The Panhandle-Plains Chamber of Commerce merged with the West Texas body will mean a still larger organization.

Officials say that the merger will prevent any overlapping of work in West Texas. Former paid-up members of the Panhandle organization will become full-fledged members of the West Texas Chamber of Commerce.

**The Panhandle-Plains Chamber of Commerce** was organized in Amarillo in June, 1919, with A. S. Stinnett as the first president and F. R. Jamison as secretary. Mr. Stinnett served as president for two years and was succeeded by B. E. Finley of Pampa. Mr. Finley was succeeded by Mr. Braswell as president in September, 1922. Mr. Jamison resigned as secretary in November, 1921, to enter the newspaper business and was succeeded a few months later by W. N. Blanton, now manager of the Shreveport, La., Chamber of Commerce. During the intermission, the late Hamlin Palmer served as acting secretary.

**Fielder to Leave**  
R. M. Fielder, who has served as secretary the past four months, is expected to leave today for Vernon, where he will become secretary of the Chamber of Commerce. Mr. Fielder came here from Tulia, where he was secretary of the Chamber of Commerce.

## Elks Will Hold Boxing Bout

A boxing bout will take place at the Elks club rooms tonight, and all members of the lodge and ladies are invited to attend. The Boys Band will furnish music, and refreshments will be served.

## UNIQUE SALE FOR THURSDAY

SIX FIRMS WILL PUT ON DOLLAR DAY AND COUNTRY STORE

There will be no general Dollar Day Bargain Sale in Plainview this month, but six of the local merchants have co-operated on a unique dollar day sale and country store feature next Thursday, and full information about it can be found in a page ad. on another page. Those joining in this bargain sale are A. L. & K. Dry Goods Co., Dowden Hardware Co., Burns & Pierce, Perkins & Stubbs, Carter-Houston, Plainview Produce Co., and they offer exceptional bargains for that day only.

There will be a country store drawing at five of these stores each half-hour in the afternoon as follows: 3 o'clock at A. L. & K. Dry Goods Co. for ladies house dress and men's dress shirt; 3:30 at Dowden Hardware Co., for set cups and saucers and coffee percolator; 4 o'clock at Burns & Pierce for two merchandise due bills valued at \$2.50 each; 4:30 o'clock, Perkins & Stubbs, for automobile gauntlets and pair boys' calf shoes; 5 o'clock, Plainview Produce Co., for choice of any Dollar Day specials.

## ROSS AND GOOD CASES MOVED TO ABILENE

Will Be Tried for Killing of H. L. Roberson at Seminole—May Be Set July 30

Lubbock, July 10.—Tom Ross and Milt Good, charged with the murder in connection with the killing of H. L. Roberson, cattle inspector at Seminole on April 1, will be tried at Abilene in Taylor county, on change of venue, made by Judge Clark M. Mullican today. The court term begins at Abilene Monday and it is believed that the cases will be tried during the present term.

Ross was given a thirty-five year sentence and Good was sentenced to twenty-six years in the penitentiary at their trials in Lubbock in connection with the killing of W. D. Allison, cattle inspector at Seminole on the night of April 1. Allison and Roberson were killed on the same night. Good and Ross were indicted for murder in connection with both killings.

Attorneys for the defendants made a strong plea before Judge Mullican today for bail, claiming that the sentences warranted the granting of bail but Judge Mullican refused to grant the application and ordered the sheriff to deliver the prisoners to the sheriff of Taylor county in time for trial.

## Abilene Family Likely Poisoned

Four members of the Allen Williams family of Abilene were this week in a local sanitarium suffering from what physicians believe to be a bad case of ptomaine poisoning. Those stricken are Roger Williams and his 12-year-old daughter, Beth, his brother, W. G. Williams, 25 years old, and his 17-year-old sister, Myrtle.

There will be no fatal results, although all four cases were at once considered serious. The family had eaten a light lunch near Slaton at noon. The victims were stricken on the road between Lubbock and Plainview and were hurried to Plainview. Allen Williams and his wife, parents of the three older children and grandparents of Beth, were in the party, but were not made ill. The family was on its way to visit relatives near Kress, north of Plainview.

## Cotton Chopping Being Done

Cotton chopping on the Plains is now in full blast and farmers are rushing the work, and hands are needed. The cotton in most communities is very fine, and promises a fine yield. Where showers have fallen in the past week, in many localities, the plant is especially good. In some parts, however, there have been no showers and cotton is beginning to suffer.

The wheat harvest also continues, and the harvesters are very busy. Practically no wheat is being held on account of low price.

Federal Inspector J. B. Wallace of the Plainview Grain Exchange inspected about 250 carloads of grain, about forty carloads being out of Plainview.

## Submits County Jail Plans

L. J. White of Dallas, representing the Southern Jail Mfg. Co., was here yesterday conferring with the county judge, sheriff and other officials relative to the building of a jail for the county. He had with him plans and elevation of a three-story modernly equipped jail, which can be built for about \$40,000. The editor of the News looked over the plans, and they seem to be just about what the county needs.

The county is considering building a jail, as the present one in the basement of the court house is unsafe, inadequate and unsanitary, and a number of prisoners have escaped from it.

## North Texas Crops Fine

J. B. Maxey was in Dallas and Collin counties last week, and states that he had never seen crops any finer, though he was raised in that section. The cotton and corn are in almost perfect condition. Wheat made about thirty bushels up and oats as much as 100 bushels to the acre.

## Mrs. Elizabeth Bruce Dead

Mrs. Elizabeth Bruce, for many years a resident of Tulia, and well known in Plainview, died in Georgetown the fore part of the week, and her remains were shipped to Tulia, where interment took place yesterday afternoon beside her husband who died several years ago.

## Kress Child Dies Here

Helen, eight-year-old daughter of Mr. and Mrs. J. J. Williams of near Kress, died at the sanitarium here Wednesday afternoon from pneumonia. The body was taken to Kress where the funeral took place Thursday morning.

Wisdom is learning from failure as well as from success.

## COTTON SHOULD SELL FOR 30c

TERRELL STATE COMMISSIONER AGRICULTURE FORECASTS GOOD PRICE

Austin, July 7.—Cotton acreage in Texas has been increased 15 per cent over last year, and the crop in the main is clean and promising, but a cotton crop can promise more at this time, and make less, than any other crop," according to Geo. B. Terrell, state commissioner of agriculture, in a cotton report just compiled. Commissioner Terrell declared "it would be foolish to estimate the production at this time. Estimates of production will be made Aug. 1 and Sept. 1."

"The recent United States government report of acreage and condition is a very fair report," continued Terrell. "This report forecasts a production of 11,412,000 bales in the South, and on this basis Texas world makes 4,000,000 bales, and present conditions warrant that estimate, but the next 30 days could change conditions materially."

"Texas has the best prospects for a good crop of any state in the South and if the South does not make more than 11,412,000 bales, the crop should readily bring 30 cents a pound, and it is the imperative duty of every citizen of the South to help make the crop bring that price."

As to present crop conditions Commissioner Terrell stated that the average for the state compared with normal shows: Cotton, 75 per cent; corn, 75 per cent; oats, 78 per cent; wheat, 77 per cent; hay, 84 per cent; kafir, 80 per cent; sorghum, 81 per cent; sweet potatoes, 75 per cent; milo maize, 73 per cent; peanuts, 73 per cent; ribbon cane, 78 per cent.

"Feed crops in that section are good, with some damage by drought. Central and North Texas show the best conditions of the cotton crop, with corn and other feed promising. East Texas shows cotton in good condition, but two or three weeks late. This section will not make enough corn and other feed crops. South Texas is picking cotton, but the picking had not progressed far enough to estimate the probable yield."

"Boll weevils are doing some damage in all parts of the state, except Western and Northwestern districts. Grasshoppers, worms and other insects are doing considerable damage."

"Summing up the situation, the report indicates that Texas will make enough feed to supply the state, but some sections will have to buy feed from other sections."

This report covers 220 counties with three to 16 reports from each county.

## Crisis Ahead in Europe

London—Political observers here see this week as the most critical in the post-war history of Europe. France and England are at odds over the French reparations policy. France and Belgium have threatened to break off diplomatic relations with Germany unless the government officially disavows the Duisburg bombing of a Belgian troop train and other acts of Ruhr sabotage.

Chancellor Cuno replied the acts were the result of the population's mood and that he had no means of investigating the incidents. Meanwhile, sentiment in France and Belgium for pushing the military occupation on to Berlin, is said to be crystallizing.

Premier Baldwin of Britain seems to be facing a choice of saving his own position or breaking with France. In event of a break, Italy is expected to side with Britain.

## Wheat At Lowest Level

Chicago, July 11.—For the first time since before the world war, July wheat today dropped below a dollar a bushel on the Chicago Board of Trade, selling as low as 97 1/8c. Reports of excellent wheat weather, bumper crops and immunity of the northwest growing area from black-rust also sent other wheat prices tumbling. September went to 78 5/8 and December sold at \$1.01 but reacted 1 1/2c at the close.

The four great wheat exporting countries, Canada, Australia, India and the United States were said by statisticians, to have more wheat than the importing countries need. This assertion, together with the report that Russia has a bumper crop is said by brokers to have been responsible also for pulling down the price.

## Band Concert Saturday Night

The Boys' Band will give concert Saturday nights instead of Sunday afternoon, so Director Ihfeldt informs us.

The jury in the case of C. B. Berry who killed Wood Barton, son-in-law of J. B. Sneed, at Paducah several months ago, returned a verdict of acquittal at Seymour yesterday.

The Hale Center American has just completed its first year of publication. Editor Merritt is giving his community a neat and very newsy paper, and well deserves the support he is getting.

It is announced that President Harding will find "A Modern Alaska" in his visit to that territory. Among other modern features President Harding will find thirty-six government bureaus, with their full quota of government job-holders, administering the affairs of twenty-five thousand white inhabitants.

In telling of the beneficial things the republican administration and congress have done for the farmers, it is significant that President Harding in his speech to the farmers at Hutchinson, Kansas, did not mention the Fordney-McCumber tariff law which is more detrimental to the farmers than all the beneficial acts of the republican congress combined.

Democracy is permeating Japan. It is announced that the emperor and the royal family will in the future adopt a more democratic attitude in its public activities, and much of the pomp and ceremony which have accompanied the social functions of the royal house in the past will be eliminated. Members of the imperial family will mingle with the people more frequently and with greater freedom. In old times the mikado was looked up to by the Nippons as God upon earth. The world is moving forward and upward.

Acting Governor T. W. Davidson has declared open war on mobs and masked bands, and has offered \$500 rewards for apprehension of parties responsible for the Lang killing at Somerville. A masked mob went to the Lang home, called him to his door and shot him down. Davidson declares "mob violence in Texas must cease," and he should be backed up by every good citizen in the state. No mercy should be shown mobites and masked parties, and if a few of them could be legally hanged it would have a deterrent effect upon all other criminally minded cowards of that ilk.

The people of Montana, where the Dempsey-Gibbons encounter was pulled off July 4th, don't want any more prize fights, for it "busted" three banks and a bunch of promoters in Shelby, where it took place, and Great Falls nearby. Dempsey got \$262,000 in cash for his forty-five minutes in the ring. Fight fans from over the nation failed to attend, and this left the promoters and banks to face a great loss. There is nothing particularly wrong about amateur boxing, but prize fights are very demoralizing to any community or state that permits them. It is a penitentiary offense to take part in or promote a prize fight in Texas.

The cost of a super-dreadnought battleship, such as the largest fighting ships the United States has, is about \$43,000,000, and the daily maintenance cost in time of peace is said to be \$50,000 a day. The money thus spent building and equipping one battleship is sufficient to erect a high school in each of the 260 counties in Texas at an average cost of \$160,000, and the \$50,000 per day maintenance of the ship would more than pay the salaries of all the teachers necessary in these high schools. Militarism is the "Old Man of the Sea" upon the shoulders of America, and it is a damnable curse to the nations of the old world. It does seem that modern civilization, led by Christianity, should be able to do away with war. It could if it would.

The secretary of the I. W. W. has threatened to send twenty thousand members to Port Arthur, near Beaumont, and order them to do something to get in jail, and eat the taxpayers of that city in bankruptcy. It seems that the people of Port Arthur have not been treating I. W. W. walking delegates as hospitably as the secretary should like. Of course the threat is an idle one, for we take it that it would be impossible to mobilize that many I. W. W's. However, Port Arthur has several remedies it could use to thwart the invasion and menact if it were attempted. The peace officers and state troops could be used to turn them back for the gathering of such a horde of ruffians, bums and loafers would in itself be a conspiracy against the peace and dignity of the state and be nothing less than a mob bent on mischief. Then, the city and county could arrest the invaders and put them to work on the public roads, and this would surely break up the invasion, for I. W. W. also means "I don't want to work."

C. A. Leddy of Dallas, former general attorney for the federal land bank, thinks the Texas homestead laws are very unjust to the farmer as the homestead cannot be mortgaged for "things the farmer needs or wants." No matter how young Mr. Leddy is he will never see the day when the Texas homestead law is amended, nor will his son or grandson. It's a good law, and the people of Texas are not going to risk anybody tampering with it.

## WOULD ROB PEOPLE AND RETARD DEVELOPMENT

In his address in Plainview Friday night, State Railroad Commissioner Walter Splawn stated that the most menacing thing hanging over the head of West and Northwest Texas is, and build up Ft. Worth and one or two other large cities in Texas, seeking to destroy the "common point" freight rate for the western half of the state, and putting freight rates on a mileage basis.

A hearing has been granted by the Interstate Commerce Commission and will be held soon. The transportation committee of the West Texas Chamber of Commerce has already organized to fight the petition.

As we understand it, if this petition is granted and West and Northwest Texas put on a mileage basis it will cost the people of this large territory many millions of dollars each year in increased freight rates, on products shipped out and stuff shipped in, and built up Ft. Worth and Dallas in North Texas and Houston and Galveston in South Texas into very large cities, as the manufacturing and jobbing interests will have to consolidate their businesses in those cities, for all freight must then needs move through or by the pleasure of those several large cities.

Plainview grain men and other large shippers unhesitatingly declare that if the petition is granted this section will be dealt a terrific blow, which will rob the people and retard development. Every effort should be made to defeat the proposition.

The merging of the West Texas Chamber of Commerce and the Panhandle-Plains Chamber of Commerce will doubtless please the progressive people of West and Northwest Texas. There was no need of the two organizations, as there was much duplication of work and additional expense. Now, if the West Texas Chamber of Commerce will curtail its territory to say west of Cisco and north of Austin and make itself really a "West Texas" institution it will be more effective in its work. At present it covers entirely too much territory.

Beginning this or next month the postal department is to inaugurate a regular twenty-eight-hour air mail service from New York to San Francisco, a distance of 3,000 miles. The mail will leave each terminal at noon one day and arrive late the next afternoon at the other, the airships by relays maintaining continuous flight from ocean to ocean. Special postage stamps will be attached to letters to go by airplane. This is a wonderful age—science and progress are working miracles in these times.

A scientist predicts that the whole world will be crazy in the year 2123. But the rest of us, who are not scientists, therefore more cheerful, hope that, on the contrary, the world will have learned a little sense by that time.

## NO RESPECTOR OF PERSON

Then Peter opened his mouth, and said, Of a truth I perceive that God is no respecter of persons, but in every nation he that feareth him, and worketh righteousness, is accepted with him.—Acts x, 34 and 35.

**Funeral of H. L. Sammann**  
The funeral of H. L. Sammann, who died Monday, took place at the old home near Providence Wednesday afternoon, with Rev. A. W. Weber, Lutheran pastor, in charge of the funeral. Interment followed in the Plainview cemetery, beside his wife who died a few years ago. The floral offerings were profuse.

All the sons and daughters of the deceased were present—Mrs. F. I. Hubert of Hamilton, Mrs. S. D. Struve of Olton, Mrs. A. J. McCollum of Kress, H. Henry, B. F., J. F. O. and Willie H. Sammann and Mrs. W. I. Kramer of Providence and Prairieview communities northeast of Plainview. He leaves one brother, H. E. Sammann of Providence, and many grandchildren.

The family asks that we express their heartfelt thanks to the people who were so kind, sympathetic and helpful in the death of the father, for it proved "that a friend indeed is a friend in need."

## Fine Watermelon and Fruit

Yesterday was a very fortunate day for the editor of the News. Rev. E. H. J. Andrews of the Episcopal church in the morning brought a generous plat full of delicious ripe apricots and peaches grown in the orchard at his home. In the afternoon D. C. Aylesworth sent us a very large Tom Watson watermelon which he had shipped in from Weatherford in a carload; it was luscious and fine.

You cannot afford to buy what you cannot afford to own. Happiness is more a matter of appreciation than of possession.

## WILL DEFEND INTERESTS OF WESTERN TEXAS

W. T. C. C. Will Oppose Attack of Fort Worth and Dallas on Common Point Territory

Cisco, July 9.—A committee to prepare necessary data and conduct the defense of the interests of the West Texas Chamber of Commerce and its members in the forthcoming hearings caused by filling of complaints by Dallas and Fort Worth interests, attacking the common point adjustment in Texas and asking for preferential treatment for Dallas, Fort Worth and other cities located in the so-called Northeast Texas group, was appointed at a meeting of the transportation committee of the West Texas Chamber of Commerce Saturday afternoon. The defense committee is composed of J. W. Chatham, Jr., of Wichita Falls, E. I. Jackson of San Angelo, U. S. Pawkett of San Antonio and A. B. Spencer of Crosbyton, president of the West Texas Chamber.

President Spencer, who presided, explained the situation and said that the positios of the West Texas Chamber should be as outlined at the meeting at Sweetwater on June 16, standing uncompromisingly for the amendment of the present Texas common point situation.

## Sets Financial Deal Record

Washington—The largest financial deal in history was completed last week when Great Britain handed to the United States 4,600 million dollars in its government bonds and received in return the canceled I. O. U. for \$4,074,818,358.44 Britain gave when the huge war borrowings were made.

This exchange of definite British government bonds for the demand note was made in accordance with terms of the debt-funding agreement reached here some time ago.

## About People You Know

Frank Ryburn, well known attorney of Amarillo, and representative of the Santa Fe railroad interests, will move to Dallas Sept. 1st and enter the practice of law. He has many friends in Plainview.

S. W. Cain of Plainview has accepted a position as bookkeeper in the Thompson Hardware Co., and is moving his family from that city.—Canyon News.

## Santa Fe Will Get Busy

The Secretary of State for Texas has issued a charter for the Panhandle and Gulf Railway Co. This is the road that Maj. Powell has been promoting for the last year, which is to run from Fort Worth to the state line near Farwell, Texas, while the charter does not mean the road will be built, yet it shows the proposition is gaining strength which may result in the building of the road within a few years. The building of this road will cause the Burlington and the Santa Fe systems to begin to look out for the territory and build some extra feeders.—Childress Index.

## Turk War Menace Ended

Lausanne—An agreement between the Turks and the allies on near East problems has been reached here and peace probably will be signed within a week. Signal victories were won by the Turks in Ver Ismet Pasha after three months of negotiations which at times threatened to break down.

Under the terms of the agreement Turkey comes back into Europe thru her re-entry into Eastern Thrace, Turkey and Greece lay down their arms, European troops will evacuate Turkish soil, and Turkey, with her new type of government, will be free to fashion her destiny unfettered by European domination.

The agreement believed to removed one of the most serious dangers to peace on the continent.

Word came from Mrs. Gidney at Seattle that she and her father, Col. Wm. Kellehor arrived there safely Monday.

## ADJOINING COUNTY NEWS

**AIKEN**  
July 8.—W. S. Marley and son, Arceel, from Cap Rock, N. M., are here working through the harvest. Mr. Marley is a brother of Mrs. W. C. Christopher.

Mr. H. Scarbrough and family from Amarillo, celebrated the Fourth by visiting relatives in this community. Mr. Scarbrough is a nephew of Mrs. R. (Grandma) Day. He had not seen his aunt for 14 years, so his visit came as a very joyful surprise.

L. E. James of Slaton, an employe of the Santa Fe, was here Thursday and put up a new name sign over our box car depot.

A car of distillate was received by the Aiken Trading Co. last Saturday.

The Floyd County Elevator Co. loaded out six cars of wheat last week.

The showers yesterday and today have put a check on the harvest. Not much rain has fallen yet. The row crops are needing rain badly.

Bro. Charley Elam filled the pulpit at the Baptist church Sunday night. Bro. Lemons, pastor, preached at the morning hour.

Much of the wheat throughout our community is not making as good a yield as was expected. The best so far reported is fifteen bushels to the acre.

Mr. McAfee and daughters, Mrs. Ruby Walters and Mrs. Hightower, have been visiting their daughter and sister, Mrs. H. F. Kidd, for the past several days. Mrs. Hightower formerly resided in our community.

**IRICK**  
July 10.—Rev. Lemons of Plainview preached at Trick Sunday.

The Irick Sunday school is still progressing.

The young people of Irick were entertained at the home of Mr. A. McDougal's with a kid party Saturday night, which everyone enjoyed.

Mrs. C. W. Murphy and daughter have been visiting her daughter, Mrs. Lawson Moreland of Plainview.

Mr. and Mrs. W. E. Taack visited relatives at Idalou Sunday.

W. J. Thompson's brother and wife has been visiting with him the past week.

The people of this community have been harvesting the past week, but the rain stopped the work for Monday.

Myrtict Rowden of this community has been very ill.

Miss Nell Hampton has been visiting with Mr. and Mrs. Olin Miller of Floydada.

Several of the Irick people spent the Fourth of July at Floydada.

**HALE COUNTY  
HAPPENINGS**

**PETERSBURG**

July 10.—We were visited by a  
heavy rain, with some wind about  
1:30 o'clock today. The harvest had  
just begun in some of the wheat  
fields so this will cause a delay. The  
wind did some slight damage here,  
blew down the auto house at R. A.  
Jefferies' home, out houses at the  
Spiller place and chicken house at  
the Carl Foster home. This will  
benefit the row crops wonderfully  
however.  
The Methodist-Presbyterian meet-  
ing will continue during the week. It  
will close Sunday night.  
Rev. Parr was quite sick Friday  
for a few hours, but was able to take  
his place in the pulpit Sunday. Quite  
a large crowd was present at both  
services. Bro. Blevens with the as-  
sistance of the singer, Prof. Edwards,  
carried on the work during Bro.  
Parr's absence. Now everything is  
moving on admirably and everyone  
enjoying these services.  
Miss Maye Cliff from the Canyon  
Normal spent the week end with  
home folk, and attended the meeting.  
Mrs. Lucile Curtis Heath and lit-  
tle daughter, from Tahoka are the  
guests of Miss Jessie Mae Goodner.  
Mrs. Heath has many friends here,  
where she lived till her marriage  
three years ago, who are glad to see  
her.  
Ernest Hughes who is in Uncle  
Sam's service and stationed at Den-  
ver, Colo., is here on a visit to his  
parents. Ernest has been in the hos-  
pital there, but is slowly recovering  
his health.  
Miss Constance Iverson came over  
with Chas. Schuler, Jr., Sunday and  
spent the day with Miss Lily Dendy,  
returning to her home at Abernathy  
Sunday night.  
Ed Carmichl's relatives succeeded  
in raising the bond required, and he  
is at his farm attending to harvest-  
ing his wheat.  
R. A. Jefferies, R. P. Davis, Chas.  
Jay and Clyde Martin motored to  
Lubbock Sunday afternoon.  
Mrs. R. C. Hannah and son, Brow-  
ner, returned from Lubbock Tuesday.  
Mrs. Hannah has been taking treat-  
ment at the sanitarium. She is hav-  
ing trouble with one of her ears late-  
ly.  
Rev. Chas. Joiner and Mrs. Joiner  
are moving over to Abernathy. We  
regret to see them leave. He will  
continue to fill his appointment here  
every 4th Sunday, however.  
The row crops in this community  
are looking fine. With the moisture  
that is in the soil now cotton will  
surely be a success. We will hope  
for a good price this fall and the  
"hard times" will cease to be so  
pressing.  
Our farmers are very much dis-  
couraged, almost ready "to give it  
up" but we trust a brighter day is  
dawning for them. Better prices is  
what they need.

**LAKEVIEW**

July 3.—Mrs. Henry Tucker who  
has been sick for several days was  
taken to a Lubbock sanitarium Fri-  
day for treatment. We hope she  
will soon be able to come home.  
Mrs. Dunn and son J. A., of Dunn,  
Scurry county, are guests in the  
home of her daughter, Mrs. C. S.  
Smith.  
Mrs. Tom McCray was taken to a  
Lubbock sanitarium Saturday, where  
she underwent an operation for ap-  
pendicitis.  
A number from this community at-  
tended the singing at Petersburg  
Sunday afternoon, by Prof. Dyass and  
quartet of Lubbock.  
Mrs. W. H. Ragland and grand-  
daughters, Misses Gladys and Verla  
Ragland, and Mr. and Mrs. U. L.  
Moreland were guests in the home of  
Henry Ragland last Sunday, helping  
him to celebrate his birthday.  
Mrs. Jim Bennefield is on the sick  
list this week.  
Miss Audie Moore of Lubbock  
spent a few days with home folk the  
past week.  
Misses Lizzie and Eva Vineyard  
spent the week end in Abernathy,  
guests of relatives.  
John Moreman of New Mexico  
spent Saturday night in the home of  
his sister, Mrs. Harry Ragland. He  
was on his way to Happy to work in  
the wheat harvest.  
Portions of this district were vis-  
ited by a good rain Sunday night.  
Mr. and Mrs. C. S. Smith and daugh-  
ters visited Mrs. Henry Tucker at  
the West Texas Sanitarium Sunday  
afternoon.  
Mr. and Mrs. Lewis Wimberly of  
Plainview visited home folk Sunday.  
Prof. Dyass and quartet of Lub-  
bock sang at the school house Sun-  
day night.  
July 10.—Farmers are very busy  
now fighting General Green. He is  
about to capture some of the cotton  
patches.  
Rev. and Mrs. C. A. Joiner were  
with us Sunday. Rev. Joiner preach-  
ed two fine sermons.  
Rev. L. H. Davis failed to fill his  
appointment in the afternoon. The  
weather, out here, looked rather  
threatening and we suppose he  
thought it was raining. We did have  
a shower; however a few were at  
the church.  
There was some very good rains  
and some hail in portions of the dis-  
trict today.  
Mr. and Mrs. N. A. Myers and Mrs.  
H. A. Looney of Center were visitors  
in the home of Mr. and Mrs. Ernest  
Jones Friday.  
Mrs. W. H. Ragland and daughter,  
Mrs. U. L. Moreland, of Abernathy,  
were visitors in the Lemmie Rag-  
land home one day last week.  
O. P. Wyatt of Cleburne is a guest  
in the home of his sister-in-law, Mrs.  
J. M. Craig.  
A number of our citizens attended  
the picnic at Floydada the Fourth.

the week end in the home of a broth-

**HAPPY UNION**

July 11.—A part of this commu-  
nity was visited by more showers Sat-  
urday, Sunday and Monday. Most  
everyone is harvesting their grain.  
Wheat is very light and the yield is  
not going to be very much. A part  
of it won't make enough to pay for  
the harvesting.  
The Co-Operative club met with  
Mrs. Luten Friday with a good at-  
tendance. Mrs. R. L. Moore and daugh-  
ter, Mrs. Tipton, and Mrs. Avery  
were enrolled as new members and  
Mrs. J. M. Buchanan and daughter,  
Miss Lee, were the guests. The sen-  
ior girls served with cake and cream.  
Clarence Luten was honored the  
same afternoon with his sixth birth-  
day party. The big birthday cake  
was beautifully decorated with six  
lighted candles. Quite a number of  
little tots were present and enjoyed  
the occasion very much.  
Mr. and Mrs. N. Harless and son,  
and Mr. Christopher Pate of Collin  
county, near Farmersville, were  
guests in the home of W. C. Willis  
Saturday night. They are here pro-  
specting and think now they will move  
this fall. Everyone that sees our  
country is always pleased with it.  
Mrs. Byrd Murphy has accepted a  
position with the Ellen school for  
his to m. We certainly congratulate  
them for having such a well qualified  
teacher. They could have found none  
any better had they searched the  
state.

### Episcopal Picnic

The first of the social affairs planned by the entertainment committee of St. Mark's Episcopal church was a picnic Wednesday evening for the members of the congregation and their families. Mrs. J. C. Anderson, Jr., is chairman of this committee and much of the pleasure of the occasion is due to her energy and executive ability.

After meeting at the home of Mr. and Mrs. Anderson the crowd went out to the farm of W. L. Harrington, where in the pastures of the old times there is plenty of grass and water.

Upon arriving, fires were built, coffee boiled, weenies cooked, bacon broiled and tables spread from overflowing lunch boxes.

The singing of "Praise God from Whom All Blessings Flow," led by Mr. Andrews, was a fitting prelude to the supper, for everybody felt particularly grateful just about that time. The half about that supper can never be told in mere words.

Those who stayed at home missed something worthwhile in this lean and hungry age. Fruit in abundance grown right here in Plainview provided by Mr. and Mrs. Andrews was the crowning feature of the feast.

Mrs. Ernest Lawson of Huntington West Virginia, who is spending several days in Plainview en route to California, was a charming addition to the company. Guests other than the members of the congregation were Mr. and Mrs. B. F. Jarvis, Mrs. Will Graham, Miss Frances Nisbet, Katherine Malone, Elizabeth Putnam and LeVerne Lezelle of Sulphur Springs, who is visiting Mrs. J. M. Malone.

### Plainview Couple Marry in Floydada

Miss Georgia Young and Mr. Gilbert Davis of Plainview were married in Floydada July 3rd, at 10 o'clock, the Methodist pastor performing the ceremony.

She is the daughter of Mr. and Mrs. James Young and his parents live in Seth Ward addition. They are well known young people. They will be at home at 701 Cedar street, this city.

### Circle A, Baptist Women

Circle A entertained the Baptist Woman's Auxiliary at the home of Mrs. R. F. Ivey Monday, July 9th, in the regular monthly missionary meeting.

The lesson topic was "Evangelistic Agencies of our Foreign Board." Mrs. Atwood led and the following ladies took part on the program: Mrs. Patterson, Mrs. Turner, Mrs. Williamson and Mrs. Barber.

During the social hour Miss Dorsett and Forester gave delightful readings. Refreshments of punch, sherbet and wafers were served to 50 ladies.

### Yokahoma Girls

The Yokahoma Girls of the Methodist church met in regular weekly meeting Monday evening with Misses Beulah Mae and Ruby Henderson.

The girls were enthusiastic in discussing plans for the summer camp to be held in Palo Duro Canyon August 1st to 10, under Mrs. Delaney, conference superintendent of young people.

Each girl pledged herself to earn \$1.00 to be used for Connectional work and tell in rhyme how it was earned at the next meeting, which will be held Monday night, July 16, with Miss Juanita Largent, 805 Columbia, instead of Miss Louise Fuller, as was announced.

Eighteen girls enjoyed the delightful refreshments served by the hostesses.—Reporter.

### McGlasson Family Has Picnic

The McGlasson families enjoyed a picnic on the lawn at the paternal home of D. W. McGlasson Monday evening. About thirty-five members of the families were present. Games were played and refreshments served.

### Work of Panhandle Pen Women Showing Growth

The quarterly convention of the Panhandle Pen Women's Association,

which was held in Amarillo last Tuesday, and was characterized by the evidence of much having been accomplished by the members of this assembly of thinking and ambitious women.

The sixth issue of the "Panhandle Pen-Points" was distributed at this meeting. It is a small paper published quarterly by the Panhandle Pen Women, containing original work of the various members, and plans for activities in different phases of journalism. The July number is a very interesting one, embracing articles of interest to almost any reader. Among other things, there is a department called "Our Doings" in which are told the recent activities and accomplishments of the members. These things include completion of a number of short stories, poems, songs, and special articles, most of which have already found a market.

Active membership in the Panhandle Pen Women is composed of women whose original productions meet the public in printed form. In the future, it is the plan to make the restrictions to active membership greater, thereby stimulating more effort among the members in their literary work.

The next quarterly meeting, which will take place in October, will be in the form of an open program. At this meeting, the program will consist entirely of original work of the members, including poetry, short sketches, songs, and a one-act play. All members will send in contributions, the best being selected for the open meeting by a critic secured for that purpose.

At each meeting of the Pen Women there is a literary contest of some sort, in which each member is expected to participate. The essays for the July contest were criticized by Mr. Horace Russell of Amarillo. The subject was "My greatest Outdoor thrill." The story which won first place in this contest was that written by Eva Kathryn Harris, of Amarillo, formerly connected with the editorial staff of the Amarillo Tribune.

The officers of the Panhandle Pen Women are the following: President, Mrs. R. B. Masterson, Jr., Amarillo; first vice president, Mrs. George H. Saigling, Plainview; second vice-president, Mrs. W. R. Silvey, Pampa; third vice-president, Mrs. Annie Dyer Nunn, Goodnight; recording secretary, Mrs. S. E. Fish, Amarillo; corresponding secretary, Miss Laura V. Hamner, Amarillo; treasurer, Mrs. R. S. Thompson, Amarillo; parliamentarian, Mrs. Joe Smith, Amarillo; general chairman of program committee, Miss Hamner, Amarillo; editor of "Panhandle Pen-Points," Miss Ruby Cook, McLean.

### Attractive Program and Features Of Panhandle Baptist Assembly July 24th to Aug. 1st

A strong program has been provided this year. Dr. John L. Hill of Nashville, will speak throughout the assembly and teach a class. Dr. W. T. Rouse of Snyder will preach each evening the first week. Rev. Jeff Davis of Abilene will be the Evangelistic preacher, and also teach the fine book, Training in the Baptist Spirit. Dr. J. M. Price of the Southwestern Seminary will lecture each morning on the Vacation Bible School and preach on Sunday. Our State Sunday School and B. Y. P. U. Secretaries Phillips and Garner will give addresses and teach classes respectively on Building a Standard Sunday School and B. Y. P. U. Prof. J. D. Sandefer will give two addresses. Four classes in the Sunday School Study Course will be taught, and five in the B. Y. P. U., and two or three in the W. M. U. For detailed information ask your pastor to let you see the program book.

Prof. J. J. McCasland is Recreation Leader and with the help of a social committee will see to it that the campers have tennis and ball games and all kinds of good times together. The afternoons of each day except Sunday are given over to recreation and social fellowship.

Miss Alline Ballard will entertain the children each morning in the Story Hour and with the hand work used in Vacation schools.

Mr. and Mrs. J. L. Blankenship, Gospel singers, will lead the singing and have a big chorus using all the talent present in special songs.

Sunday will be a great day for worship with a full program. Price, Hill and Davis will preach.

Let's come and camp all the time. Pray for the assembly that many souls may be saved and many surrendered for service.

Write Manager B. F. Fronabarger, Canyon, Texas, if you want him to provide a tent or other equipment.

E. D. MORGAN, Program Com.

### Should Live to Be 140

Modern people should live to be 140 That is what Dr. Leonard Williams, prominent British practitioner of London, says.

The gist of what the physician believes may be summed up in the statement: "It is folly to be sick."

In these days, according to Dr. Williams, with the many resources of modern medicine and surgery, or advanced sanitation, dietary knowledge and information with regard to ways and means for not only the cure of almost all the ailments, but for the correction by surgery of nearly every consequence of accident not immediately fatal, man is in a very much better position than he ever

### PERSONAL MENTION

Mrs. A. P. Barker and Mrs. Thomas of Lockney were in Plainview yesterday.

Mrs. L. W. Sloneker left Wednesday for Allerton, Iowa, to visit relatives.

Mrs. C. F. Gideon of Bronco is here visiting her daughter, Mrs. T. R. Butler.

Ira Broyles and family of Lockney were guests of Plainview friends Monday.

Mrs. A. VanHowelling left Wednesday for Iowa points for a visit with relatives.

Mrs. B. E. Hurlbut of Brownwood has been here visiting her son, Fred Hurlbut.

Mr. and Mrs. W. T. Mize have returned from a visit with their daughter in Slaton.

J. H. Ritchey and grandson, Leo Ritchey, went to Tahoka yesterday to visit his brother.

Orville McMennamy of Slaton was here Sunday visiting his sisters, who are nurses in the sanitarium.

Miss Isla Counts went to Tulsa this morning, the J. E. Counts family having moved to that place.

Mr. and Mrs. M. F. Brashear left yesterday for Hannibal, Mo., to visit his brother for about ten days.

C. R. Pennington and family of Silverton have been here this week visiting at the McGlasson home.

D. E. McGlasson of Waco arrived this morning to visit his father, D. W. McGlasson and other relatives.

Mr. and Mrs. A. E. Boyd and children left last week for a trip in their car to the mountains in Colorado.

E. C. Lamb went to Amarillo this morning. His new residence in that city will be completed in about sixty days.

Mrs. Chas. Saigling left this morning for Dallas to visit her sister, and from there she will go to Galveston to spend awhile.

H. V. Tull returned from Houston Friday, having attended the meeting of the secretaries of the Federal Land Bank in that city this week.

N. C. Danner of Texola, Okla., took the train here yesterday for his home after a visit of ten days with his sister, Mrs. H. P. Webb at Olton.

Mr. and Mrs. Guy Jacob who attended the meeting of the secretaries of the Federal Land Bank in Houston, have gone to Galveston for a stay of ten days.

Pastor Fike of the Tulia Methodist church returned home yesterday morning. He underwent a surgical operation for appendicitis recently in the Plainview sanitarium.

Miss Katherine Murray of Dallas has been here visiting Mrs. J. B. Wallace, but went to Tulsa for a visit of several days, after which she will return here for several days.

Miss Mattie Givens and Miss Sloan arrived Wednesday to visit Mrs. S. C. Auld, sister of the former. Miss Givens now lives in Electra; she formerly was saleslady in a dry goods store here, and Miss Sloan was employed in the Guaranty State Bank. They had been on a vacation in Colorado.

W. L. Garner and son Babe of Abilene were here today. He was until last year publisher of the Chilli-cothe News, which he sold on account of declining health. He is now seeking a new location. Babe used to be a star performer on the Clarendon college football team, and played here in games with Wayland college.

has been in the past to avoid not only illness, but to prolong a normally healthy life.

Epidemics of many diseases, such as smallpox, have been checked and several have disappeared from modern communities.

If a person now gets a disease, Dr. Williams says, it is his own fault.

"One of the best ways of achieving age and avoiding illness is by getting as large a supply of vitamins as possible; vitamins, I mean, as found in natural food. They are contained mostly in raw foods and are relatively absent from cooked foods. Dairy products and salads are best among the foods. Fresh air is the best tonic."

Returning Straw to the Soil  
Straw contains more potash than the best barnyard manure. Potash is the mineral which gives to the straw its strength and enables it to stand up and bear the weight of the head of grain. Grain will not make a good stand in soil that is deficient in potash. Therefore it is of extreme importance that the straw be returned to the soil unless it proves to have a greater value as a feed.—Farm & Ranch.

Less Government, Less Taxes  
Defenders of soaring tax rates usually attempt to justify their position by contending that the government is rendering a greater service to taxpayers should therefore be willing to pay for it.

In many instances these extra services are unnecessary or not worth the cost and some are positively injurious to the taxpayer.

As long as the government undertakes to regulate minutely the lives of individuals and the conduct of every business great and small, the tax burden will be exorbitant.—Lubbock Avalanche.

Next to acquiring good friends, the best acquisition is good books.—Colton.

### Church of Christ

Horace W. Busby will begin a meeting for us Friday night before the first Sunday in August, under a big tabernacle which will be built on the church lawn. We are making arrangements for one of the biggest meetings we have ever had.

Bro. Busby is known as one of the best speakers and most successful evangelists in Texas. If you have not heard him do not miss this opportunity, if you have heard him, of course, you will want to hear him again. He will be assisted by Bro. O. M. Reynolds, who will have charge of the song service, and this assures this part of the service a success, for he is an excellent song leader.

The church work is getting along very nicely, though we miss Bro. Reynolds very much. He has been away in meetings for some time, in California, Denver and different places in Texas. He has had fine meetings wherever he has gone.

Our Wednesday night Bible study is still very interesting.—Member.

### Camp Meeting Will Be Held August 17 to 26 at Floydada

The Northwest Texas Camp meeting of the Christian church will convene in Floydada from Aug. 17th to 26th. This meeting was an annual event until the war and attracted hundreds of people from all parts of West Texas. Cots and tents will be provided for all who will attend the camp. The services will be conducted in the City Park Auditorium and ample camping ground will be found close by. It is estimated that seven hundred and fifty will attend the encampment. All churches in West Texas are being urged to encourage their membership to take this opportunity and spend their vacation in Floydada attending a real old fashioned camp meeting. An active publicity campaign is being launched by the local church.

### Presbyterian Announcements

WHEAT AVERAGES FIFTEEN BUSHELS IN FLOYD  
Floydada, July 10.—Floyd county has passed the busiest part of the harvest season. Over twelve hundred outside hands are now in the county and since completing the cutting of nearly all of the major portion of the wheat the same hands are assisting with the threshing. No other outside labor will be needed by farmers until cotton picking time. The average wheat yield is 15 bush-

els an acre.  
An average of ten cars of wheat are being shipped from Floydada now. According to J. B. Wallace, inspector of grain at Plainview to the no car of wheat testing lower than sixty-one pounds has left Floydada. He has examined a number of cars. The highest test wheat reported belonged to F. T. Emert east of Floydada and tested sixty-three pounds averaging seventeen bushels to the acre.  
The late wheat has some smut in it but not enough to materially affect the total production. County Agent T. Scott Wilson estimates the amount of wheat to be marketed at Floydada from seven hundred and fifty thousand to one million bushels.  
On account of the price paid which is considerably below normal, nearly all farmers are planning to hold their crops.

ship of County Agent Wilson and are now bending their efforts to the production of high grade grain sorghums in Floyd county. County Agent Wilson furnished the seed and directed the culture. The quality of the grain sorghums is expected to far excel that ordinarily produced. All the members employed the wide row method of cultivation that has proven so successful in this county during the past few years. It is likely that the winners will be awarded a substantial prize for their efforts.

# Weak Back

Mrs. Mildred Pipkin, of R. F. D. 8, Columbia, Tenn., says: "My experience with Cardui has covered a number of years. Nineteen years ago... I got down with weak back. I was run-down and so weak and nervous I had to stay in bed. I read of

# CARDUI

## The Woman's Tonic

and sent for it. I took only one bottle at that time, and it helped me; seemed to strengthen and build me right up. So that is how I first knew of Cardui. After that... when I began to get weak and 'no account', I sent right for Cardui, and it never failed to help me."

If you are weak and suffering from womanly ailments, Cardui may be just what you need. Take Cardui. It has helped thousands, and ought to help you.

At all druggists' and dealers'.

# ASPIRIN

## WOMEN GIVE OUT

Housework is hard enough when who is having backache, blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to heed this Plainview woman's experience:

Mrs. T. A. Alexander says: "My back began to give me trouble. It was so sore and lame I could hardly stoop to do my work and it ached all the time with a steady, bearing down pain. At times the pains shot up through my shoulders. When I bent I got dizzy and black specks seemed to float before my eyes, blurring my sight. I also suffered from severe headaches and my kidneys were weak and acted irregularly. I was advised to try Doan's Kidney Pills, so I purchased a supply from R. A. Long's Drug Store. The gave me instant relief, regulating my kidneys and put me in fine shape."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Alexander had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

# YOU CAN'T TRUST CALOMEL AT ALL

It's Quicksilver. Salivates. Causes Rheumatism and Bone Decay

The next dose of calomel you take may salivate you. It may shock your liver or start bone necrosis. Calomel is dangerous. It is mercury, quicksilver. It crashes into sour bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

Don't take calomel! It can not be trusted any more than a leopard or a wild-cat. Take Dodson's Liver Tonic which straightens you right up and makes you feel fine. No salts necessary. Give it to the children because it is perfectly harmless and can not salivate.

Some people will buy anything if only they may have it charged.

## GOOD RAINS FELL SUNDAY AFTERNOON

From yesterday's Lockney Beacon. Much of the territory of the Lockney section was visited Sunday afternoon by good rains, which was beginning to be needed, and has proved very valuable to row crops. Heavy rains fell west, east and north east of town, according to information coming to the Beacon office, and helpful showers came in most all directions from town.

As a first step toward securing better roads leading into Lockney from the Flomot and Quitaque sections, a large delegation of business men and citizens of the town drove to Floydada Monday afternoon of this week and appeared before the commissioners' court, the principal object being to explain to the court and county judge the bad condition of the roads leading up the caprock, and to stress the importance of having them put in good condition as quickly as possible.

An invitation was extended the court and county judge to visit the Flomot caprock, that they might see for themselves the bad conditions of the Floyd county roads in that section of the county. The invitation was accepted and today is the date which was set for the visit. It is understood that a delegation of business men from Lockney and Floydada will go in company with the court, hoping that some plan may be arrived at by which the roads leading up the caprock may be put in first class condition without further delay.

Wiley Brashears of Plainview, traveling salesman for Wilson Packing Co. of Oklahoma City, was in Lockney Wednesday in the interest of his firm. He was accompanied by his 15-year-old daughter, Evelyn, who will visit for a few days with her grandparents Mr. and Mrs. S. W. Perry.

Mr. Wm. H. Hill, father of Mrs. Wallace McGehee, died in a sanitarium in Kansas City June 30th, according to word received by Wallace's parents, Mr. and Mrs. Wm. McGehee of Lockney. Mr. Hill underwent an operation about three weeks previous to his death. We extend sympathy to the bereaved ones.

A. B. Brown, president of the First National Bank, has received appointments from the governors of Texas and Oklahoma, to represent the Panhandle of Texas and Western Oklahoma, to be held in Wichita, Kansas, on Monday, July 16th.

One of Aiken community's progressive farmers, D. B. Wingo, was in Lockney Tuesday on business. Mr. Wingo says that he has thirty-six acres of very pretty cotton, most of which is in excellent condition. It is putting on squares, he says, and prospects for a good yield are flattering. That community had a nice rain Monday, and the ground was not dry enough Tuesday to cultivate.

Last Saturday evening at about eight o'clock, Miss Theresa Hamilton of Lockney and Mr. Elmer C. Caudle of Floydada, called at the Baptist parsonage in Lockney, where they were united in marriage. Rev. Y. F. Walker, pastor of the Lockney Baptist church, officiating.

Mr. Caudle is a young business man of Floydada, and has resided there for some time. He is at present connected with the South Plains Grain Co. at that place. His bride is a daughter of Mr. and Mrs. Warner Hamilton of Lockney. She has been on the faculty of the Floydada schools for the past two or three years.

After the marriage ceremony the young couple went to Plainview for a short visit, and are now at home in Floydada.

R. M. Peace of Plainview was in Lockney last Sunday, and preached in the forenoon for the Christian church, worshipping at the college. A large crowd attended and enjoyed the services. Bro. Peace was accompanied from Plainview by his wife.

## HOWELL CASE REVERSED; NUNLEY CASE AFFIRMED

The Court of Criminal Appeals in cases passed upon and reported the latter part of last week, included two from Floyd county in which considerable interest has been shown.

One of these was the J. W. Howell case in which the defendant was charged with arson. It was alleged that he had burned the barn of Morgan Lawson in the north part of the county more than two years ago. The case was tried in District court here and appealed to the higher court about 18 months ago. The court reversed the decision of the trial court and remanded the case for retrial.

In the Claude Nunley case, in which the defendant was given a two-year sentence on a charge of the unlawful sale of liquor, the court of Criminal Appeals sustained the decision and jury verdict of the lower court. The case was tried here last September.—Hesperian.

## France Ratifies Ship Pact

Paris—The French chamber of deputies ratified Saturday the Washington treaty for the limitation of naval armaments and capital ships by a vote of 460 to 106. The chamber ratified also the 4-power Pacific treaty.

## Citation By Publication

THE STATE OF TEXAS, To the sheriff or any constable of Hale County—GREETING:

You are hereby commanded, that you summon, by making publication, of this citation in some newspaper published in the county of Hale, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published once each week for four consecutive weeks previous to the return day hereof, J. J. Eller, whose residence is unknown, to be and appear before the honorable district court, at the next regular term thereof, to be holden in the County of Hale, at the court house hereof, in Plainview on the first Monday in August, A. D. 1923, the same being the sixth day of August, A. D. 1923, then and there to answer a petition filed in said court, on the seventh day of December, A. D., 1922, in a suit numbered on the docket of said court No. 2142, wherein T. H. Dollar is plaintiff, and J. J. Eller, Jasper R. Eller, A. G. McAdams Lumber Co., a corporation, C. H. Curl, R. W. Brahan, Trustee, Newton Gilbert, Mary Gilbert, Joe Gilbert, Eleanor Gilbert and Donohoo-Ware Hardware Co., a corporation, are defendants.

The nature of the plaintiffs demand being as follows, to-wit: Suit on a vendor's lien note in the sum of \$1085.54, dated May 9, 1921, payable to the order of J. J. Eller, on or before August 16, 1921, being one of a series of six notes given by Jasper R. Eller to J. J. Eller as part payment for lots five and six, block six, Highland addition to the town of Plainview, Hale county, Texas, and providing for 8 per cent interest and 10 per cent interest on interest and principal past due, interest payable annually and for 10 per cent of the principal and interest past due as attorneys fees; said note being No. three of said series of six notes, and being transferred by J. J. Eller to plaintiff before maturity, in due course of business and for a valuable consideration, alleging that the defendants C. H. Curl, R. W. Brahan, Trustee, Donohoo-Ware Hardware Co., a corporation, Jasper R. Eller, A. G. McAdams Lumber Co., a corporation, Mary Gilbert, Eleanor Gilbert, Joe Gilbert, and Newton Gilbert are asserting some claim to said premises adverse to plaintiff's claim; alleging that Jasper R. Eller has since the transfer of said note to plaintiff, conveyed said land and premises to J. J. Eller, and that plaintiff has turned said note over to Kinder and Russell, and Meade P. Griffin, attorneys for collections, and has contracted to pay them the 10 per cent attorneys fees in said note provided; and paying for judgment against Jasper R. Eller, and J. J. Eller, for his debt, interest, and attorneys fees, that defendants be cited according to law and for foreclosure of his vendor's lien as against each and all of the defendants, and that the property be ordered sold in pursuance of such lien, and the proceeds applied to the payment of plaintiff's debt, and for general and special relief, etc.

Herein fail not, and have you before said court, on the said first day of the next term thereof, this writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said court, at office in Plainview, Texas, this the 26th day of June, A. D., 1923.

# LONG LIFE

In buying a motor car, consider what the cost will be when divided over a period of years.

What is the car's reputation for satisfactory service after the first year? After the second? And after the third—and fourth?

These considerations, in the final analysis, are the true basis of economy in motoring.

And it is this attribute of long life to which Dodge Brothers Motor Car owes its chief claim upon the unalterable loyalty of its owners.
