## Daylight Time To Debut On Sunday

If you have been enjoying those last few minutes of sleep these spring mornings, we have a bit of bad news.

Daylight Savings Time will begin its run on Sunday, April 4, this year, instead of the last Sunday in April. So you're going to have to retire earlier, in order to get the same amount of sleep Saturday night.

At 2 a.m. local time Sunday, residents will observe the "spring forward, fall back" rule, which will give everyone except residents of Arizona, Hawaii, most of Indiana and Puerto Rico an extra hour of daylight in the evening.

Daylight Savings Time has been virtually a national phenomenon since 1966, when Congress passed a law setting Daylight Savings Time from the last Sunday in April to the last Sunday in October.

## Club Sets 4th Dinner Production

The Modern Study Club announced the schedule this week for its 1987 Dinner Theater. This year's show, entitled "Made in the U.S.A.," will be held on Friday and Saturday night, April 24 and 25.

The festivities will begin each night at 7 p.m. with K-Bob's furnishing the meal and local talent furnishing the entertainment.

Ticket prices are \$12.50 each and can be purchased from any Modern Study Club member. If you need more information on where you can get a ticket call Lois Norwood at 247-3209.

Eva Miller will be directing the show which will include a men's chorus, an ensemble, and a special mystery guest. Archie Echols and Jim Tucker are co-emcees this year and Jo Witten will provide music during the meal.

This year's "Made in the U.S.A." is the fourth Dinner Theater to be held by the Modern Study Club with the first three being "Down Memory Lane," "Down Memory Lane Again," and "Down Memory Lane 3," respectively.

The "Made in the U.S.A." theme is in honor of the 200th birthday of the Constitution of the United States of America, and an encouragement for citizens to support the country by buying products made in the United States.

## L.L. Tryouts Slated Here On April 11

Friona's Kids Inc. baseball registration and tryouts are scheduled for 2 p.m. Saturday, April 11 at East L.L. Park.

All kids in first grade through 12 years of age who want to play summer baseball need to attend the meeting.

Those who know they can't

Prior to 1966, Daylight Savings Time had been invoked in some localities during the summer months, beginning as early as 1920. This made it a bit confusing, however, as to what time of day it was in various locations.

## Election Is Slated Saturday

Saturday will be election day in Friona, as the school board and city council will elect members to their respective boards.

Eight candidates are seeking three positions on the school board.

Three names are on the ballot for the regular three-year terms. They are Dee Willard, the incumbent, Kathryn Goddard and Troy White.

Two people are seeking a two-year unexpired term. They are Danny Black and Jayson Grimsley.

In addition, Butch Preston, Terry Wilcox and Dave Buske are seeking the one-year unexpired term.

For the city council, only the incumbents are on the ballot for the regular spots: Jim Zorns, Mike Hanes and Joe Tongate. In addition, Bobby Jordan has filed for the one-year unexpired term.

Voting in both races will be held at the Friona Fire Station from 7 a.m. until 7 p.m. Saturday.

## Squaws Get

### More Honors

Three members of the 1986-87 Friona Squaws basketball team have received additional honors.

Ronda Ratcliff and Lacye Osborn each were named to the All-South Plains team named by the Lubbock Avalanche-Journal.

There were only seven girls chosen for the 1987 team, and Friona furnished two of the players. Miss Ratcliff averaged 14 points and eight rebounds per game. Miss Osborn contributed 10.3 points and eight rebounds per game.

In addition, Miss Ratcliff was named to the second team of the TABC All-Regional teams. Shannon Atwell was named to the third team. Miss Atwell had a 7.3 scoring average. She played the latter part of the season with a foot injury.

In order to register and try out, players will need to bring their glove, a parent or guardian to sign them up, and a \$10 registration fee.

Any player from last year who has not turned in their uniform is asked to bring it on April 11 or return it to their coach.

The league vice presidents are in need of coaches, so if you are willing to help, please contact one of the following:

If you can't reach one of these officials, call Charles or Randie Hamilton at 247-3356.

DETAILS ARE GIVEN

# Child Abuse Is Scored By Group

April is National Child Abuse Prevention month. The Parmer County Child Welfare Board asks you to take time to listen to "A Cry for Help."

Some children can't or won't cry for help when they need it...even when their lives may be in danger. They are the thousands of victims of child abuse and neglect whose suffering may go unchecked for years, often permanently impairing their health and development and sometimes costing their lives. Such children may be too young, too terrified, or simply too confused to tell anyone about it.

But even without being told, you can spot the symptoms of abuse and neglect if you know what to look for in a child's behavior. When you think you've seen evidence of abuse or neglect, it is essential that you report it. The law requires that you make a report to the Texas Department of Human Services (364-1266) or a law enforcement agency.

Your phone may be that child's only cry for help. Persons making reports are protected by law from liability and identities are kept confidential. The Abuse Hotline number is 1-800-252-5400 and may be called 24 hours a day from anywhere in the state. The number is listed in the phone book.

There are three kinds of child abuse: physical, sexual and emotional. There are also several kinds of CHILD NEGLECT. Physical neglect is failure to provide enough food, clothing, shelter or medical care. Failing to provide adequate education, guidance or supervision is also neglect. Emotional neglect is failure to give children the love and affection they need.

In 1985, investigations confirmed that 59,863 children were abused or neglected. Victims of child abuse and neglect range in age from infants to adolescents. More than half are under seven years old. These figures reflect only REPORTED cases. Figures also show 409,196 of the state's children are in danger of being abused and neglected. A comparison of these figures shows

few children are being brought to the department's attention.

People who abuse and neglect children can be found at every social or economic level and in all ethnic and religious groups. Their victims are mostly their own children or those of a close friend or relative. Some abusers were abused by their own parents.

There are many signs of child abuse and neglect. Some are obvious while others are not as obvious. When subtle clues recur or appear in combination with other signs you should suspect and report it.

Another very important issue concerning the abused and neglected child is the two budget proposals being considered in Austin. The Governor's budget would reduce Department of Human Services by 65 per cent. The House and Senate budget would result in a reduction of 27 per cent of funding. When asked, DHS made a 13 per cent budget cut just last year.

If you would like to voice your opinion, write to: Foster Whaley, Committee on Appropriations; Pete Laney, Government Organization; and, Richard Waterfield, Texas House of Representatives, Box 2910, Austin, Texas 78769. Also Chet Brooks, Chairman of Health and Human Services Committee and Bill Sarpalius, Texas Senate, Box 12068, Austin, Texas 78711.

The Parmer County Child Welfare Board purchased Christmas and Easter gifts for eight children in or from Parmer County in the past year, also clothing for school was furnished, either new or from our emergency clothes closet, along with other miscellaneous needs. The Board is not budgeted and must rely on the kindness of individuals or groups for funding.

If you would like to make a donation, have children's clothing or would like a Board member to speak at your meeting, please contact Jo Blackwell at 247-3922 or any Board member.

Children are our future. We hope you will help us to put hope into the future.

**MONTH DESIGNATED...Friona mayor Clarence Monroe, seated, declares the month of April as Child Abuse Prevention month, as members of the Parmer County Child Welfare Board look on. From the left are Dixie Jesko, Barbara Hall, Jo Blackwell, Rev. Larry Reed-Farris and Debbie Sweatt. Also present was Jason Jesko, at the mayor's right.**

# Chieftains Shine In San Angelo Relays

The Friona Chieftain track and field team had some outstanding marks at the San Angelo Relays last Friday and Saturday.

In a 15-team field featuring the toughest competition Friona has faced all season, the Chieftains placed third with 79 points. They were edged for second by Dalhart with 80 points.

Always tough Breckenridge won the meet with 90 points.

"The fact that we were in the running to win the meet was exciting. These kids always feel like they're going to win their event, regardless--and that's what it takes," said Coach Steve Williams.

The Chieftains' 1600-meter relay team clipped five seconds off their best time of the season, winning that event with a time of 3:28.38. Members of the team are Toby Gibson, Stephen Thornton, Cody Bracken and Daniel Echols.

Echols had a time of 49.3 on his anchor leg of the mile relay, to give Friona the win by .27 of a second over Breckenridge.

Echols won the 400-meter dash with a time of 50.62. "I think Daniel will break the 50-second mark in the 400-meter race before long. He could do it this weekend at Amarillo, if the weather is good," Williams said.

Daniel Padilla, who has been improving as the season has progressed, won the discus throw with a toss of 145 feet, ten inches.

High jumper Shy Burney lost his event for the first time this spring, being pushed for the first time. Burney had quite a duel with Brit Pursley of Merkel. The Merkel jumper cleared 6-10 for the win, and Burney had to settle for second place with a jump of 6-8.

"Shy had cleared 6-10, but knicked the bar with his heel. He had cleared the bar with some to spare," Williams commented.

Rod Britting continued to be consistent in the pole vault, clearing 13 feet, but had to settle for second place as the same Merkel kid--Pursley, had a vault of 14-6. Albert Trevino was third in the event with a jump of 12-6.

Jerry Lafuente, a sophomore, not only came up with his best

**RELAY FOURSOME...**The Chieftains' 1600-meter relay team brought home the trophy from the San Angelo Relays. From the left are Toby Gibson, Stephen Thornton, Cody Bracken and Daniel Echols. In addition, Echols won the 400-meter dash and Thornton was third in the 300-meter hurdle race.

off stride, so it was a double-mark of the season in the 3200-meters, but also set a new school record of 10:37.83. He had to settle for fourth place.

In the 300-meter hurdles race, Peter Malouf clocked his best time of the season in the preliminaries, but had some rough luck in the finals.

Malouf fell down while running the finals, and finished last. The winning time was slower than Malouf's preliminary time. When Malouf fell, he also hit teammate Stephen Thornton, knocking him

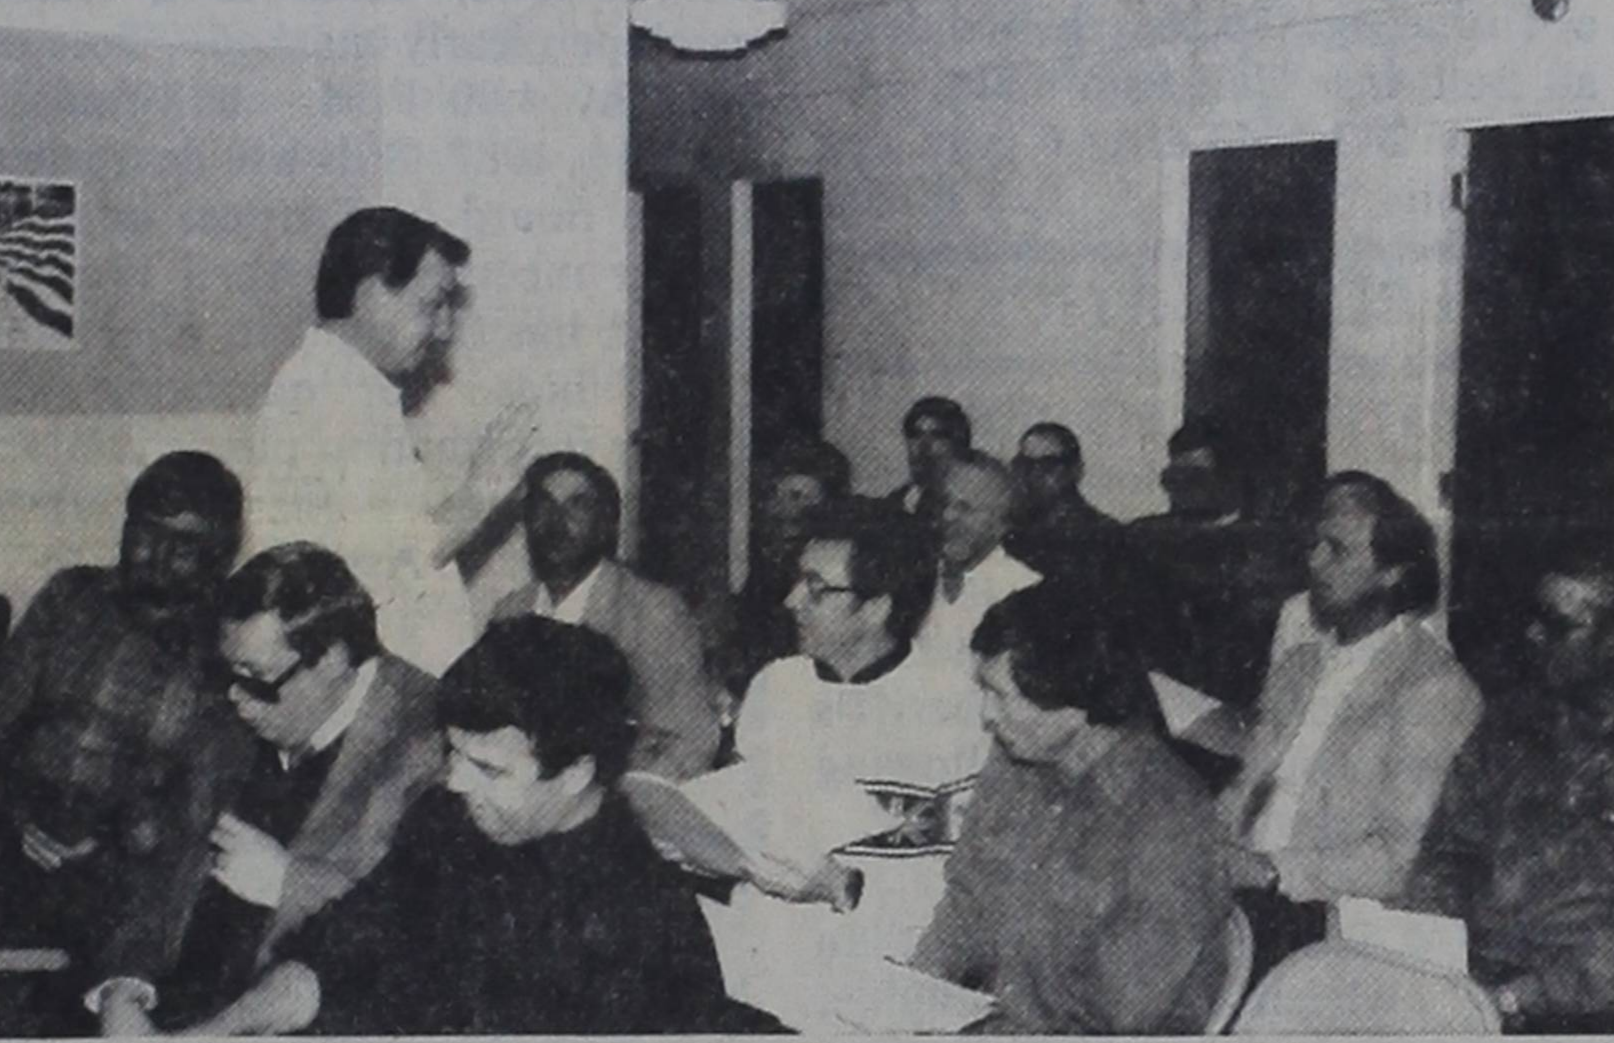

whammy. Thornton recovered to place third with a time of 41.47.

Jeff Chaney got his best discus throw of the year, 138-0, to place fourth in that event.

Friona's 400-meter relay team placed fifth with a time of 45.1. Team members are Glen Trimmell, Gibson, Thornton and Malouf.

Cody Burney placed sixth in the high jump, clearing 6-2.

The meet was held in nice weather on Friday. However, on Saturday, the temperature was 50 degrees, with a 20-25 miles-per-hour wind.

**MEN'S CHOIR...**A portion of the men's choir is shown rehearsing with director Geary Brogden. The choir rehearses Sunday at 3 p.m. at First Baptist Church.

## Squaws Do Well At Abernathy

The Squaws' track team placed fourth in a 17-team field at Abernathy last Saturday.

Lacy Osborn won the 800-meter run in 2:43.1. Ronda Ratcliff was second in the high jump at 5-1 1/4.

Miss Ratcliff was also second in the 400-meters at 67.7, and Dara Wells was fourth.

Sindy Preston placed third in the 200-meter run, and the Squaws' mile relay team placed second.

Times for the meet were hampered by the strong north wind, making chill factors well below zero for the entire meet.

## Teams Eye District In Track

The Friona Chieftain and Squaws track and field teams will enter their district meets next Friday and Saturday at Tulia.

(For the current weekend, the Chiefs are entered in the Amarillo Relays, and the Squaws are at White Deer. Both are two-day meets.)

At the district meet, the accent will be on qualifying participants for regional, as the first two in each event will qualify for regional action.

The Chiefs, who have won three meets and threatened to win the competitive San Angelo Relays, should be favorites to win their district team title.

## Girl Golfers Win

FHS' girls' golf team won a tournament Monday made up mostly of county schools. Mika Maddox was medalist with a 102. Other scores included Genda Ellis 129; Jana Renner 128; Toni Chapman 133; Holly Tatum 134 and Kenda Atwell 134.

# Town Talk

By June Floyd

Call 247-3681 With Your News Item

If there's a more beautiful spot in town this week than the front yard of the home of John and Louise Hays, I haven't seen it.

Their creeping phlox show up from one block away and are in two colors--lavender and pink. Apparently they didn't suffer any serious damage from their early Monday morning coating of ice.

The Hays home is at the corner of Jackson and Thirteenth, so if anyone wants a glimpse of color amidst all the wintry scenes we're having, just drive by and take a good look.

Several local residents and a few out-of-state visitors have been delayed by temporary weather problems several times this month. Clarence and Eva Baxter, former residents who now live at Rye, Colorado, came down to purchase grass seed, so decided to include a visit with local relatives before returning home.

Due to the intense storm in the Raton, New Mexico area, they had to extend their stay here. However, they were able to go home on Monday. They're a part of the late J.W. and Emma Baxter family, so have several relatives here. They were house guests in the home of Mr. and Mrs. Clarence Martin several days and spent some time visiting other kith and kin.

Betty Louise Rector spent

Sunday night with her daughter, Sheri, and granddaughters, Christi, D'wann and Natasha, who live in Amarillo. She started home about 10:30 a.m. thinking she had plenty of time to make preparations for overnight guests.

By the time she had driven to Bell Avenue, she realized she was in trouble due to low visibility caused by blowing snow, but thought she wouldn't have any trouble after turning west at Canyon. She soon learned that her idea was all wrong.

She ran into a road block and had to turn back. Motorists were being directed to Barrington Motel, where all available rooms were soon rented. Betty Louise reported near panic on the part of some out-of-state motorists, but within a few hours she was able to continue on her way.

By the middle of the afternoon, she was home and ready to enjoy having Gladys and Gene Awtry of Ulysses, Kansas as overnight guests. The Awtrys are former Parmer County residents.

Seems like Loyd and Betty Louise came home from Zapata too soon.

Another couple who apparently came home too soon is David and Frankie Carson. These two had been at Mesa, Arizona, where they have a winter home and thought they had stayed until spring.

David said, "Looks like we kind of missed our guess about the end of winter."

Mrs. Ruth Bass of Muleshoe, who is the mother of Jonell Clark, was transferred to Parmer County Community Hospital Monday evening. Her condition is reported to be serious.

Johnny and Beulah Miller returned from Stockton, California late last week. These two were accompanied to Stockton by Beulah's parents, Mr. and Mrs. Carlos Moore of Clovis.

The Millers and Moores were guests in the home of Mr. and Mrs. Leslie Mayes and attended the

wedding of one of their sons, Dean Mayes.

Mrs. Mayes is the daughter of the Moores and Beulah's sister.

Bula Hopkins, who lives at 1707 West Ninth, is in the local hospital. She's one of the daughters of the late Mr. and Mrs. Charles Schlenker, pioneers of the Rhea Community.

Recent visitors in the home which she shares with two sisters, Mabelle Hartwell and Florence Dorsey, have been Mr. and Mrs. Kendall Schlenker of Albuquerque, New Mexico, Mr. and Mrs. J.R. Schlenker of Portales, and Charles Schlenker and Dorothy Schueler, who live in Tehachapi, California.

Are you a regular reader of Heloise's column? If not, you may have missed a contribution by Friona's Hazel Baxter, which was in Friday's Lubbock paper.

She recommended substituting a flat plastic juice bottle for an ice pack.

Three Friona residents, Thelma, Velma and Glendel Jones recently spent a long fun filled weekend in Ruidoso, New Mexico.

They were joined there by Mr. and Mrs. J.O. Wall, who live in Albuquerque, Woody Wall and family of El Paso and Mike Wall and family of Amarillo.

Mrs. Wall is the former Billie Jones and Woody and Mike are her sons, so Thelma had most of her family together, which is a rare occurrence.

Thelma reported, "The kids enjoyed the snow and skiing and those of us who are older visited, played 42 and ate."

Kay Johnson Van Valkenburg and children, Joel, Sarah and Angela Joy, who live in Englewood, Colorado, arrived in Friona early Saturday for a visit in the homes of Mr. and Mrs. Herschel Johnson and Mr. and Mrs. Bob Johnson and daughters, Mindy, Abbey and Joni.

This is little Angela Joy's first visit to Texas.

Mitchell Welch of Austin, who spent several days in a Denver hospital following an accident on a ski slope, has been dismissed and is recuperating at the home of his sister, Lisa Welch, who lives there.

However, he is scheduled for more reconstructive surgery on his face.

He's the grandson of Eugene and Doris Boggess, who live here. His mother is the former Robbie Boggess.

## WHO IS GOING TO PROTECT YOUR CROP INVESTMENT AFTER APRIL 15?

It can be a long time from spring to fall. And if the weather isn't cooperative — or is downright bad — the days and weeks can seem mighty long. In times like these, it can be a big comfort to know that — come what may — your crop investment is protected. But there's only one way you can be certain it's protected: By carrying crop insurance. And there's only one time to do it: Soon. Because after April 15, it will be too late to apply for insurance.\*

\*April 15 is the deadline to apply for crop insurance on most spring-planted crops in most areas. Check with an agent for information about insurance for the crops you produce.

## Court Approves Space For MH/MR

Discussion with the MH/MR county office officials from Friona highlighted a meeting of the Parmer County Commissioners on March 9.

The mental health officials explained to the commissioners about their need for more office space. A building has been located that will be more adequate, which rents for \$150 per month, which would be shared with the City of Friona.

A motion was passed to pay \$75 per month rent on the building as the county's share, if the City of Friona agrees to pay the other half.

In other business, Sheriff Bill Morgan was given approval to send two dispatchers to a week-long school in Amarillo for certification. During this period, the sheriff was allowed to hire Robyn Palady to fill in as dispatcher.

The sheriff was also authorized to have the fire extinguishers serviced in the courthouse.

A check in the amount of \$2,411 was received from General

Revenue Sharing. This is the final payment of the entitlement period that ended the Revenue Sharing program, according to Judge Porter Roberts. A motion was passed to divide the check equally among the four precincts.

A motion was passed to pay the boarding care bills on the county foster children, in the amount of \$3,108. This amount will be reimbursed to the county.

Motion was passed to pay a bill from the Denver, Colorado, sheriff's office, for attempted service of a citation from the District Court for an indigent.

## DPS Gives Accident Summary

Capt. Bob Russell, District Supervisor of the Amarillo Highway Patrol District comprising 31 counties said, "For the month of February, our troopers investigated four fatal accidents, 126 personal injury accidents, and 219 property damage accidents. There were four persons killed and 165 persons injured in these accidents."

Sgt. Billy Don Scott of Hereford stated, "In Parmer County, our troopers investigated no fatal accidents, four personal injury accidents, and ten property damage accidents in the month of February. No one was killed and three persons were injured in these accidents."
