## around Amarillo-Lubbock muleshoe Caravans Scheduled with the journal staff For Agnew Visit

Lyndall Black, manager of the Custom Farm Services location at Muncy, has been promoted to area manager by the firm.

Black is the son of Mr. and Mrs. L.R. Black of the Needmore community and his wife is the former Kay Wilson, daughter of Mr. and Mrs. Chester Wilson of Muleshoe.

The Blacks graduated from Muleshoe High School and are the parents of three daughters, Vina, Keiva and La Shell.

The Chamber of Commerce has complimented Ira Martin for the fresh vegetables enjoyed by persons in Muleshoe Tuesday for the All Texas Air Tour. Chamber Manager Jerry Hutton said Ira Martin and Gid Howell picked the tomatoes served at the Muleshoe Airport.

Rosemary Pool furnished hot peppers which were displayed.

Mrs. A.M. Bradley's guests for dinner Saturday evening, October 3, were Mr. and Mrs. Woodrow Montgomery, superintendent of the Antelope School, Antelope, Texas; her sister Mrs. Lennie Hawkins of Wellman; and her son and family, Mr. and Mrs. Sam Bradley of Lazbuddie. Her brother and sister were with her for the weekend, returning home Sunday.

## Absentee Vote To October 30

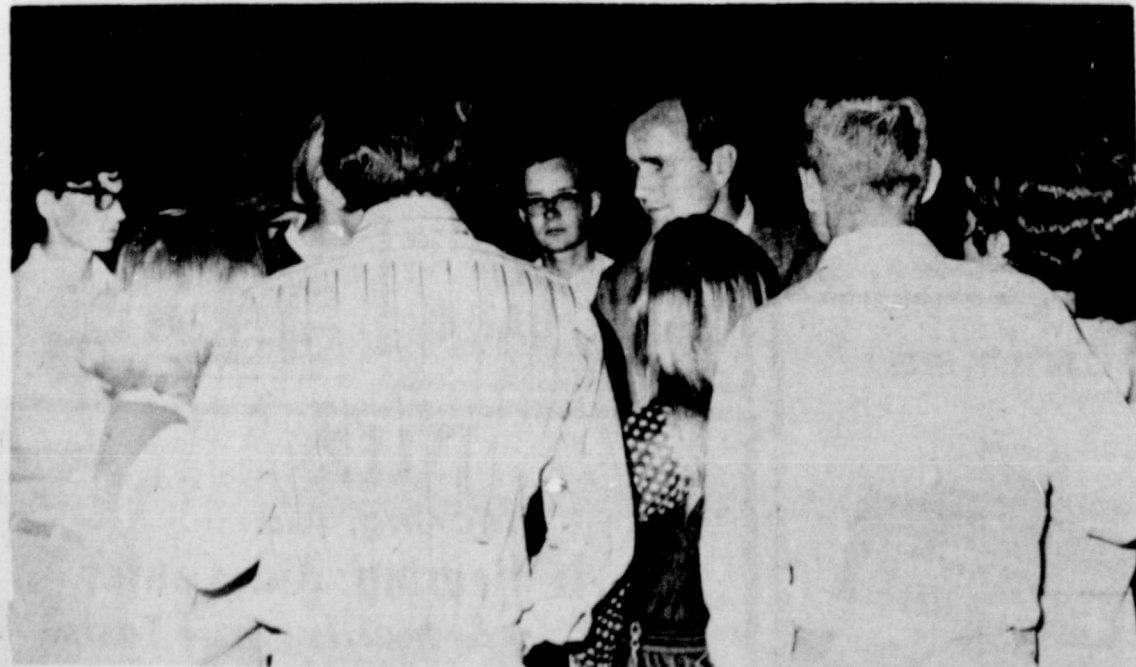

Wednesday, October 14, to Friday, October 30, both inclusive, will be the period for absentee voting by personal appearance in the November 3 general election, according to Bailey County Clerk Hazel Gilbreath.

She commented, "Any qualified voter in this county who expects to be absent from Bailey County on November 3 may cast an absentee ballot. To do so, he should take his voter's registration certificate to the county clerk's office during the hours of 8 a.m. to 5 p.m. during the absentee voting period."

In addition to state, district and local races, the November 3 ballot will include seven proposed amendments to the Texas Constitution.

By subject, the proposed amendments relate to: (1) censure and removal of judges; (2) authority for mixed beverage law; (3) assessment of farm, ranch and forest lands; (4) reconstitute State Building Commission; (5) county road bonds and assessed valuation; (6) increase value of homestead exemption from forced sale; and (7) authority to consolidate functions of government.

Texas has a record 4,150, 645 registered voters this year. Normally, absentee voting accounts for approximately five percent of the total vote turnout.

LOCAL RESIDENTS ATTEND GEORGE BUSH FETE--As Republican Candidate for U.S. Senate George Bush is surrounded by young people during a supper at Plainview last weekend, a local resident was pictured standing nearby. Shown in the center, facing the camera, is Ed Mason, Bailey County Young Republican chairman. He was appointed Youth for Bush Chairman during the meeting.

Arrangements were announced Friday for Vice President Spiro T. Agnew's visit to the Panhandle-South Plains area on Monday when he will speak in both Lubbock and Amarillo in behalf of George Bush's candidacy for Senator from Texas. George Bush will accompany the Vice President.

Mr. Agnew, one of the most controversial, outspoken, yet entertaining personalities of his time will speak at a noon Lubbock airport rally. A reception, fund-raising dinner, and after-dinner speech are scheduled for Monday evening in the Civic Center Coliseum, Amarillo.

The colorful political figure who generates such a strong reaction in both his friends and others will arrive in Lubbock at high noon. A car-caravan is organized from the Muleshoe area for both the Lubbock rally and Amarillo reception and dinner. The public is invited to attend.

Room for all interested persons is to be provided by the transportation committee, Republican officials announced Friday. Monday morning's caravan to Lubbock will meet at 10 a.m. at the west side of the courthouse. Persons are invited to telephone Mrs. Vic Benedict at 272-3233 in advance if possible. However, any person is urged to meet the group Monday morning at the last minute as arrangements are being made for such last minute arrivals.

Those in the caravan and others interested are invited to join the local group at the airport, watching for the "M-u-l-e-s-h-o-o-e" red-white and blue signs for the delegation's location. All interested are urged to join the caravan group for a quick luncheon in Lubbock before returning directly to Muleshoe, Bush County Chairman Mrs. L.B. Hall announced.

## Hospital District To Consider New Appointees

Business at the Bailey County Hospital District's October board meeting Tuesday night included setting of a special call meeting for Tuesday, October 13, eight p.m., at West Plains Memorial Hospital Director's Room.

The purpose of the called meeting is to interview and discuss filling the vacancy existing on the district's board, and to fill the vacancy "if possible" after the meeting. Notice has been posted, a board member said Friday. Eight persons were mentioned as prospective candidates.

In other business authorization was given for payment of all existing, approved bills of the hospital district's election. The \$550 in donations received are to be used to pay expenses of the election, which totaled approximately \$465. Another decision was that the district open a bank account styled Bailey County Hospital District. Because of the change from daylight savings time in October, regular monthly meetings will be held at 7:30 p.m., still on the second Tuesday of each month. Discussion, of the board and others present, also included possible procedures for setting up the district's tax structure and rolls.

A letter received by the board from Crenshaw, Dupree and Milam, the District's Lubbock attorneys, reviewed legal proceedings, including Judge Boone's signing and entering an order overruling Contestants' motion for new trial in which the Contestants have 60 days from that date in which to file their statement of facts and transcript in the Court of Civil Appeals. The Contestants have 30 days from the date the record is filed in the Court of Civil Appeals in which to file their brief, the letter advised.

Board members present included Dr. Charles G. Lewis, presiding; Eddie Beene, Sam Damron, Mrs. J.G. Ann, Freddie Parkman; and Barry Lewis, Ross Goodwin, Richard Black, Noland Harlan, Cecil Jones, Max King, Marshal Cook and Mrs. Larry Hall.

## Rams Edge Mules With 12-8 Score

With cheering fans in the background almost filling the grandstand Friday night, the Muleshoe Mules edged into the shadows of the goal posts several times before being thrown back by toughened up Portales Rams defenses. By the end of the final non-conference tilt for 1970, the Mules lost 12-8 to the high rated New Mexico team.

During the first quarter of the game, shortly after kickoff, Bobby Hayes broke loose and scampered downfield for a 57 yard touchdown. The TD proved to be a heartbreaker as it was called back on a Mule penalty.

By the time the rough and tumble first quarter had ended, both teams were cautiously showing more respect than perhaps they had at the beginning of the game. The slapping and cracking of football gear was heard loud and often as the tough defensive players stubbornly refused to give ground to the faltering offensive teams on either side. No score was officially recorded in the first.

Edging into the second, speedy Gary Griffin, who, ironically enough wears jersey number 44 on the Rams team, broke through following a downfield struggle and scored from the Mules six yard line. An attempted pass for extra points failed, and the Rams led 6-0.

Digging in, the teams saw-sawed back and fourth, with several fumbles for both teams causing frequent exchanges of the pigskin. A heartbreaker interception in the end zone during the second quarter, when quarterback Mike Riley attempted a pass to Johnny Hays ended scoring possibilities during the first half for the stubborn Mules. At halftime, the Rams led the game, still 6-0.

The Rams led until more than halfway in the third, when Mike Riley slammed over

VCS Officer  
Morris Nowlin  
In Conference

Morris Nowlin, Veterans County Service Officer for Bailey County attended the 23rd annual statewide rehabilitation conference for veterans service officers last week. He attended the meeting in Austin.

This conference was conducted by the Veterans Affairs Commission of Texas, in cooperation with the American Legion, Disabled American Veterans, AMVETS, Jewish War Veterans, Veterans of Foreign Wars, Veterans of World War I, and the Veterans County Service Officers Association of Texas.

The purpose of the meeting was to offer Service Officers from the entire state of Texas an opportunity to gain firsthand knowledge of recently enacted legislation dealing with benefits to veterans and their dependents and survivors.

Conducted annually, this conference serves as an in-service course of training for all national, state, county, post and chapter veterans service officers.

through the middle from the Portales eight and the Mules took the lead briefly with Randy Field's extra two point conversion. He blasted into the end zone to put the frosting on the cake, 8-6.

Taking the ball, the Rams began a determined drive which ended two minutes and 12 seconds later when they powered around the end in a sweep from the four. Gary Griffin tabbed the second Ram TD to again put the Rams out front. The PAT attempt failed to jail.

Although the Mules worked back downfield and were with-

PRESERVED FOR POSTERITY--One of the earliest snows recorded began falling in the area Thursday morning. This sign was scratched on the back window of a snow covered automobile around 8:30 a.m. Thursday, October 8. Intermittent snow fell until shortly after noon, but melted rapidly.

## Soybean Producers Approve Referendum

The Texas Soybean Producers Board authorized in a 23-county area election September 26, was officially organized Tuesday in Lubbock at a joint meeting of the newly elected Producers Board members and the Board of Directors of the Texas Soybean Association. The T S A was sponsor of the election and referendum which established a one-half cent per bushel self assessment on soybeans produced in the area. Proceeds from the program will be used for research and promotion of new markets for the crop, according to W.B. Tilson, T S A President and chairman of the joint meeting.

Officers elected to two-year terms on the Texas Soybean Producers Board were E.O. Feagley, of Littlefield, Chairman; Royal D. Burnside Jr., Baytown, Vice-Chairman; and Wesley A. Schumacher, Plainview, Secretary-Treasurer.

In a drawing for terms of office to establish a revolving board, six year terms will be served by Clarence R. Mason, Muleshoe; R.G. Dunlap, Floydada; Royal D. Burnside Jr., Baytown. Four year terms were drawn by Carl Pate, Kress; Wesley A. Schumacher, Plainview; and Raymond L. Tidwell, DeKalb. Officers serving two-year terms are Loyd Goldston, Petersburg; W.A. Mabry, Petersburg; and E.O. Feagley, Littlefield.

The T S P B authorized the Texas Soybean Association to administer the collection program and other business re-

lated to the use of funds supervised by the Board. An office for this purpose has been established at 2700 Yonkers in Plainview, center of the High Plains soybean production.

Tilson said that soybeans are an 8.5 million bi-crop in Texas and the producers one-half cent assessment for better production practices and new markets should help assure its growing future in Texas agriculture.

The self-assessment commodity programs are supervised by John C. White, Commissioner of Agriculture. Programs now in effect by approval of producers are grain sorghum, peanuts, turkeys, and soybeans.

## Weather Slows Cotton Maturing Process

Stunned Muleshoe area residents woke up Thursday morning to a world of white. Light snow blanketed the entire area stretching from the far north where snows up to a foot were recorded in Wyoming to the trace that turned Muleshoe into a white, white area.

Along with the snow was a drastic drop in temperature. Wednesday's high was nearly 90 degrees and when the arctic cold front passed the temperatures had dropped to 30 degrees in Muleshoe, for the first official freeze for this year. On Thursday night, the temperatures slipped downward a little more to 28 degrees.

Although intermittent snow showers continued until just after noon Thursday, the snow melted rapidly and no trace of the snow was evident Friday morning.

High winds which accompanied the cold front all but eliminated corn which had not been harvested and was expected to knock down some grain sorghum which was still in the fields. With sundown Thursday, the wind had abated, but had already wreaked what damage was possibly done to crops. Almost all grain sorghum has already been combined and minor damage was expected to have occurred to that crop.

Although only a thin layer of snow was recorded by the official US weather bureau for Muleshoe on Wednesday night, the snow was perhaps the earliest recorded for this area.

Weather bureau records note that two inches of snow were recorded in October of 1936 and four inches of snow fell in October, 1941. However, although no date during October was shown for either of the years, it is thought that the snow was recorded later in October.

On October 13, 1969, Muleshoe's first freeze was recorded, with the temperature dipping into the mid-20s and dryland cotton crops were all

## Doc Blanchard Demo Rally Guest Speaker

H.J. (Doc) Blanchard, State Senator from Lubbock, will be special speaker at a Democratic Rally in Muleshoe Monday night.

It had been previously announced that the rally would be held at the Harvey Bass Appliance Store, but due to increased interest in the rally, the location has been changed. The rally will now be held at the Bailey County Cooperative meeting room at 8 p.m.

Lee Pool, who announced the rally, said all Democrats and interested persons are urged to attend the meeting and hear the Democrats explain the issues involved in this year's election. There is no admission charge, and refreshments will be served.

planted cotton had not had time to mature by the time of the early freeze.

Even though a hard freeze at this time would be a serious blow to cotton producers, cotton is not expected to be drastically hurt by the light freezes of the past two nights. Cotton has possibly received a setback in maturing, but Friday's sunshine brightened the cotton outlook for this area once again.

The first of this week, the Lubbock Cotton Exchange and Plains Cotton Growers Inc. upped their early production of cotton on the South Plains and set potential production at 1,852,700 bales in the 25-county area served. This figure is up 1.4 million from last year and the two cotton officials reported the potential is for the largest crop in the area since 1965.

the last 49 seconds of the game and slowly ran out the clock to hold on to their slender lead.

A Portales coach commented at mid-point in the game that the Mules were the 'roughest, toughest team they had butted heads with this year.'

Muleshoe Athletic Director Fred Hedgecock complimented the performance by the Mules against New Mexico's Portales team, who maintain third-ranking position in the state. He also expressed his appreciation and the team's appreciation by the excellent turnout for the game and enthusiasm shown by the fans in the grandstand.

The Vice President of the United States, will speak at the \$100 per plate fund raising dinner in behalf of Bush at eight p.m.

At seven p.m. a champagne reception will be held in the foyer of the Civic Center Coliseum for holders of \$100 dinner tickets. The Vice President is expected to make an appearance at the reception.

The \$100 per plate dinner, catered by the County Barn, is scheduled for eight p.m. on the covered ice rink floor where preparations are being made to seat one thousand diners.

Seated at the head table with Vice President Agnew will be George Bush, Paul Eggers, Bob Price, Peter O'Donnell, Ann Armstrong, and Malouf 'Oofie' Abraham, candidate for Texas State Senator from the 31st District.

Mr. Agnew is scheduled to speak for approximately half an hour at nine p.m. Following the banquet the Vice President and his party will depart for Amarillo Air Terminal where they will emplane for Dallas, their destination for the evening.

The public is invited to attend both the Lubbock and Amarillo airport ceremonies. Special arrangements are being made to accommodate the audiences at the terminals, where the Vice President will greet the welcoming committee and speak briefly. Welcoming committee is tentatively composed of Bob Price; Paul Eggers; Malouf Abraham; Peter O'Donnell, National Committee Chairman from Texas; Ann Armstrong, National Committeewoman from Texas; and representatives of the cities and various Republican candidates from this area.

From the Amarillo airport a motorcade of approximately 12 automobiles including the Vice President's car which is being specially shipped in, police and secret service vehicles, V.I.P.'s, the wire car, the photo car and two buses containing the staff and traveling newsmen will proceed to the Holiday Inn West where Agnew's party will be staying.

At 3 p.m. Mr. Agnew will play tennis with George Bush, Republican Senatorial candidate from Texas, Tommy Thompson, Editor of the Amarillo-Globe paper and Jose Rael at the Amarillo Tennis Center near Stephen F. Austin School. While the public is invited accommodations are sparse and security will require all persons not previously cleared by the Secret Service to remain outside the fence.

Mrs. Agnew is not making the trip.

Mrs. R.E. Scott

Dedication services for the Texas Highway Comanchero Trail Marker were held Sunday afternoon, Sept. 27, at 2:30.

The marker is located on the highway overlooking Bull Lake from the south side.

In charge of the dedication service was the Lamb County Historical Survey Committee and R. E. Scott, County Committee Chairman, welcomed those present and introduced Mrs. S. D. Hay, Historical Marker sub-committee Chairman of the county organization.

Lamb County Judge G. T. Sides was Master of Ceremonies introducing Guy Walden who gave the dedicatory address. Cletus Hollman also appeared on the dedicatory program. The Rev. Glem Sorley of Littlefield gave the invocation and Leonard Tittle, Amherst, gave the benediction.

### Bentsen Asks Welfare Reform Drug Laws

Democratic senatorial candidate Lloyd Bentsen expressed pleasure this week that interest in the November 3 general election is picking up and that the issues "are beginning to come into sharp focus."

"Many Texans who have been too busy during the past few months to pay much attention to the campaign are beginning to realize what a big stake they have in this election," declared the Rio Grande Valley native. "This is good, because I hope every qualified voter will go to the polls and exercise the right to vote—a right for which many Americans have sacrificed their lives.

"This election is going to have a tremendous impact on our lives and on our children's lives. It's going to affect our pocketbooks, our safety, the air we breathe and the water we drink. It is going to determine how we go about solving such crucial problems as inflation, unemployment, crime and drug addiction, air and water pollution.

"For Texans, I think the choice in the U.S. Senate race is relatively simple," said Bentsen. "We can either elect a Democrat, who will represent the people of Texas and work with our overwhelmingly Democratic delegation in Congress, or let Texas be represented in the U.S. Senate solely by two Republicans.

"I think our economy can be straightened out—but not with the Republicans' high interest rates and tight money, which have put more than 1,500,000 people out of work since January, 1969, without stopping inflation.

"Some of the Republican economists tried to tell us re-

Warren Field (Muleshoe Airport) was buzzing Tuesday morning as the All Texas Air Tour made their first stop in Muleshoe. We want to thank Morgan Locker for his work in getting Muleshoe included on the air tour. We are proud of the work Morgan has done over the years in building one of the best airports in our area, Muleshoe Airport is the home of the first public glider school in Texas, and is one of the best in the Southwest today, especially with the addition of the new Schwitzer 232 competition glider.

The All Texas Air Tour participants passed many compliments on our nice airport, good vegetables, and the warm welcome extended to them by Muleshoe residents.

Special thanks goes to Ira Martin who furnished several bushels of good old Muleshoe tomatoes and bell peppers. We would like to say thanks to several others who helped: Pat Keese, Mildred Howell, Gid Howell, Mrs. Bill Loyd, Omer Kelton, Marie Bass, Louise Williams, the Red Coaters and Ambassadors.

cently that they were succeeding in trying to stop inflation," said Bentsen. "But even while they were talking, the grocery stores were marking up higher prices on coffee, the automobile manufacturers were announcing price increases of well over \$100 per car, and even the Bureau of Labor Statistics was announcing that wholesale prices had gone up again.

"I think crime can be reduced significantly, by making the punishment more sure and swift—by breaking the logjam in our courts that makes it take years sometimes to get a final decision in a criminal case.

"I think drug abuse can be cut drastically, through an intensive education program, through compulsory treatment for addicts, through stiffer penalties for dope-pushers and through economic sanctions against foreign countries in which most of our illicit drug traffic originates," said Bentsen. "In addition, I think we can establish a 10 percent credit for

industries which locate plants in small towns and rural areas --to help cut down on such problems in the cities as pollution and, at the same time, to rejuvenate the economy and strengthen the tax bases in our small towns.

"I think we should revise our welfare laws to take care of people who can't help themselves but to make those who are able-bodied go to work," he added. "I oppose the guaranteed annual income bill and also the gun control bill, both of which my Republican opponent voted for.

"I want to guarantee our people opportunities—for education, a good job, health care, decent housing and food," he said. "And I think that is what our people want."

### Big Mining Operations

More than 100,000 wet short tons of nickel ore per day are hoisted from the 12 producing mines of The International Nickel Company of Canada, Limited in Ontario and Manitoba.

### Eggers Wants More Crime Control Laws

Paul Eggers, Republican candidate for Governor, proposed an intrastate electronic communications network for law enforcement agencies this week.

Appearing before the Senate Penal Servitude Interim Study Committee hearings on crime in Dallas, Eggers proposed development of a statewide network of crime control centers linked by computers, which, according to Eggers, "would promptly supply needed information to law enforcement officers anywhere in the state.

"Such an intrastate electronic communications network has helped other states coordinate the isolated efforts of their individual local law enforcement agencies," said Eggers. "The results have been encouraging. Initially, the computer services could be made available by reorganizing the state's existing equipment and shifting some equipment that

is not now being fully used."

Later in the week, Preston Smith said that Eggers should "learn what is going on in Texas," and said that Texas is one of 10 states which already has such a system.

Eggers replied, "This is a fabrication. Texas has no such system of crime control and I hereby challenge the Governor to produce evidence to support his claim that we do.

"Texas does have access to a national interstate crime information network which operates out of Washington. This is not, however, what I am calling for and the Governor knows it."

When all is done and said, in the end thus shall you find.

He most of all doth bathe in bliss that hath a quiet mind.

-Thomas Vaux.

## Young Homemakers Meet, Have Style Show

The Muleshoe Young Homemakers heard city manager, Albert Fields, speak on "The Mechanics of Local Government" at their regular meeting Thursday, October 8 in the Muleshoe High School Home Economics Department. A Question and Answer period followed his talk.

"Fashions for Milady", a style show emphasizing sewing for economy was then held in which each member modeled a garment she had made and explained the cost. Mrs. Jimmy White modeled a knit suit with a white top with red accents and a pleated red skirt. Her daughters, Kristi and Kathi, wore western styled pants and vests. Other young models were Lee and Lance Free, sons of Mrs. Bobby Free, who modeled coats made from tiger print fake fur. Mrs. J.C. Pearson wore a printed corduroy jumper with a coordinating red

blouse. Maternity top in printed red, white, and blue corduroy with navy pants and a matching blue scarf was worn by Mrs. George Nieman. Mrs. Thomas Melton wore a navy blue knit dress. Mrs. Elmer Downing showed a gold knit dress with a matching striped sleeveless coat. Mrs. Eugene Buhrman exhibited a blue pants suit and a blue and brown coat made from upholstery fabric; she reported that the coat was very warm and comfortable.

Mrs. Charles Hamilton modeled a pants suit with a colorful printed top and purple pants; she also showed some lingerie she had made. A pink knit pants suit was also made and worn by Mrs. Jimmy Dale Black. Mrs. Kenneth Powell exhibited a dress with an embroidered design in black and silver that was economical because the material had been a

gift from a pen pal in India. Mrs. Jay Harbin wore a gray knit dress that cost only \$2 as she had got the material on sale. Mrs. Roland McCormick wore a brown, long-sleeved dress with a pleated skirt.

President Mrs. Elmer Downing presided over the business meeting. Mrs. Robert Hunt, projects chairman, reported on the Panhandle South Plains Fair in Lubbock to which seven members had sent items to be judged. Mrs. Jimmy White received a ribbon for the western suit she made for her husband. Mrs. J.C. Gatewood won ribbons for her original oil painting and in the antique division for the wedding dress her maternal grandmother wore in 1907.

Plans were made for a cake sale to be held November 18 at Chubby's Beauty Shop. Orders will be taken any time before that date. Mrs. Eugene Buhrman, Mrs. Charles Hamilton, Mrs. George Nieman, and Mrs. Kenneth Powell are in charge of publicity for this cake sale.

The Young Homemakers were happy to welcome Mrs. Herbert Whalin and Mrs. J.C. Pearson as new members. Present at the meeting were Mrs. Elmer Downing, Mrs. Eugene Buhrman, Mrs. Charles Hamilton, Mrs. Jimmy Black, Mrs. Kenneth Powell, Mrs. Robert Hunt, Mrs. Jimmy White, Mrs. Willie James, Mrs. George Nieman, Mrs. Thomas Melton, and Mrs. Bobby Free and sponsors, Mrs. Roland McCormick and Mrs. Jay Harbin.

**BENEFITTING AT BRIDGE** --- An afternoon of cards and hospitality was enjoyed by more than 40 women who attended the Hospital Auxiliary Bridge Benefit Thursday. Proceeds go to the nursing home. At first table (l to r) are Mrs. Jerry Don Haley, Mrs. Glen Watkins, Mrs. Charles Smith, and Mrs. Max King. In background are Mrs. Sam Damron, Mrs. Ted Slemmons and Mrs. Oscar Allison. Mrs. Allison was high winner of the afternoon.

## Bridge Benefit Is Successful

The Bridge Benefit, sponsored by the Ladies Hospital Auxiliary, was held Thursday, October 5, at the day room of the Muleshoe Nursing Home. Nine tables were set up and eight winners were presented \$10 gift certificates donated by the Art Loft, Damron Drug, Western Drug, Poyner's, Cobb's, Higginbotham-Bartlett, Williams Brother's Of-

face Supply and Perry Brothers. First winner was Mrs. Harold Allison, second winner was Mrs. Rufus Gilbreath, third winner was Mrs. Cecil Tate, fourth winner was Mrs. Dudley Malone, fifth winner was Mrs. Morris Douglass, sixth winner was Mrs. Dick Willman, seventh winner was Mrs. Eddie Faust and eighth winner was

Mrs. Joe Ferris. All proceeds from the benefit will go to the Nursing Home to buy draperies and a reclining wheel chair. Mrs. Frank Ellis announced plans for the Christmas Card Campaign for the Hospital and Nursing Home. Refreshments were provided by the Auxiliary and eight of the members were on hand to make the benefit a success.

**ENGAGEMENT ANNOUNCED** . . . Mr. and Mrs. Bob Thornton of Van Alstyne, Texas, announce the engagement and approaching marriage of their daughter, Miss Brenda Thornton to Larry Dale Allison, son of Mr. and Mrs. Gerald Allison of Muleshoe. The wedding has been set for November 27 in the First Christian Church of Van Alstyne.

FHA RIBBON WINNERS--Some of the prize winners at the Lubbock-South Plains Fair included, standing, left to right: Nanette Morris, Danita Throckmorton, Santiago Lozano and Vicky Copley. Seated, left to right, Vowery Throckmorton, Lerina Whalin, Sonnie Glaze, Kathy Vaughn and Peggy Carter.

## Editorials Go, Muleshoe, Go!

Jerry Putman, Student Council President

Are you a student, teacher, coach or principal backing Muleshoe High? Where does your spirit stop or do you feel a mighty FIGHT! GO! for each group?

The football team deserves your support. Back the Mules because they are your Mules and FIGHTING MULES. Let them know you are behind them. Don't the Mules assist all other organizations?

Did anyone congratulate the Mighty M Band for representing YOUR SCHOOL at Lubbock, winning first place and \$100? Like it or not, they are a part of YOUR SCHOOL and were representing YOU, Muleshoe.

Class groups working can have 100% cooperation in their efforts. Does your class have 100%, 50% or 10% participation? Where were you when the work was being done? The parade and bonfire were a success. Some guys can always be counted on to clean up afterwards. Were you one of them?

FTA, FHA, FFA are working. Is your school spirit active for the good of all? Do you reserve your time and effort for one group alone? United we stand, divided we fall. What was your excuse?

The success of every organization can help boost the morale of the entire school. Can anyone be truly successful alone?

Sez I to myself, as I grumbled and growled I'm sick of my school and then how I scowled, The members unfriendly, the classes too long; In fact it seems that everything's wrong.

I don't like the teachers and coaches Football and hand a disgrace, For signs of school spirit is not in the place, I've quit going to meetings, or helping with my time, I can drag Main and get a coke for a dime.

Then my conscience sez to me, sez he, The trouble with you is, you're blind to see That your school reflects you, whatever it be, Now come, work and serve cheerfully!

Stop all your fault-finding and boost it up strong, You'll find you'll be happy and proud to belong, Be friendly, be willing and sing as you work, For good student bodies are not built by MEMBERS WHO SHIRK.

## Spirit--What Is It?

—By Gary Kincaid

What is the meaning of spirit? Is it yelling at the top of one's lungs? Is it wearing the school colors or painting posters? Any one of these things can be an expression of spirit, but none of these expressions alone can truly be called "spirit."

Spirit is a deep feeling that comes from within. It is a pride in school, a faith in God and fellowman, and a hope for the future. In essence, spirit is just another word for caring.

A democratic country without patriotism is a disaster. Likewise, a school without spirit is a disaster. For what would a school be like where no one cared enough to stand up for it?

During the past four years, spirit in Muleshoe High School has grown in magnitude and quality. If spirit continues to grow, MHS can never lose.

SPIRIT BUS ENTHUSIASM NOTED--Pictured as they head out for Boy's Ranch last week are these students on the MHS Spirit Bus. The buses take students to the varsity football games so the students can help cheer the Mules on to victory.

## Spirit Is High!

By Jeanene Freeman

After an exciting 34-27 victory over the Boy's Ranch Roughriders, the spirited Pep Club held its second meeting, Monday, October 5. Seventy-seven students rode the Pep Club buses to Boy's Ranch.

Plans were made for those interested in attending the next out-of-town game at Tulia on October 30. There are high hopes that three buses will be needed!

The members also voted on ordering black and white pom-poms. These are expected to be in by November 6.

Anyone wishing to attend the game at Levelland can turn in his money to Mr. Gist. Everyone is urged to attend. Let's show the Mules MHS is behind them all the way!

## School Officials Study Heritage

By Betty Chandler

Mr. Fred Mardis, Principal, and Mr. Jim Jennings, Chairman of the Social Studies Department, were among those in attendance at a recent meeting of The Plains American Heritage Association at Wayland Baptist College, Plainview, Texas.

The Plains American Heritage Association is a special program funded by the Texas Bureau for Economic Understanding and is administered by Wayland Baptist College. Its two-fold purpose is to aid the teacher in his presentation of the American Story and to help the students come to a better understanding and appreciation of their rich cultural heritage.

The latest audio-visual materials and equipment available to enrich the teaching programs were seen at the workshops. At a dinner meeting, a very fine program on "The Ethnic Flavours of Texas" was presented by Dr. Seymour V. Connor of Texas Tech University.

Plans were also announced to again sponsor local speech or essay contests on some phase of American Heritage. This will be a strictly local program conducted in Muleshoe High School. More details will be announced on this program at a later date.

## Three MHS-FHA Chapters Tab Winning Fair Entries

### Numerous Ribbons Won At Lubbock

By Brenda Tiller

The Future Homemakers from all three Muleshoe High Chapters capped enough ribbons at the South Plains Fair to win third place and a cash prize for the number of winning entries.

Winning first place blue ribbons were Peggy Carter, Regina Poteet, Kathy Vaughn, Santiago Lozano, Sondra Glaze, and Danita Throckmorton. Winning second place red ribbons were Peggy Carter, Terina Whalin, Vicki Copley, and Vowery Throckmorton. Winning third place white ribbons were Vowery Throckmorton and Nanette Morris. Other entries were by Cathy McCormick, Mariann Madrid, Kathy Burris, Sharon Lang, and Connie Daniels.

## Student Council Selling Licenses

Reporter Becky Sain

The MHS Student Council met Monday, Oct. 5, before school. Several projects and plans were discussed.

Twirl licenses are now on sale. All students who do not plan to go to "Kangaroo Court" are asked to buy twirl licenses from members of the Student Council. This signifies that girls can speak to boys without being penalized and vice-versa. This week girls will be asking boys for dates so the girls are reminded to have licenses.

All students must sign up with their representatives at the home games in order to gain points for the spirit contest. The Junior class has first place in the spirit contest; the sophomores have second place; the seniors have third place; and the freshmen have fourth place. Plans are being made for

Overcoming a half-time deficit of eleven points and a fired up Boy's Ranch team, the Mules showed their coaches and fans that they are developing a winning character. This pride shown by the Mules is essential before a group of young men can consider themselves a team. There can be no roses thrown in any one direction in the Boy's Ranch game because each Mule was going tough when the going got tough.

The Mules met their largest opposition Friday night against Portales. Portales plays platoon football which means they have an offensive and a defensive team. This will be a great challenge for the Mules for the obvious reason that it places eleven Mules against twenty-two Rams.

Monday night is professional football night; however, if you really want to see those boys who have given Muleshoe its major publicity since the postmark act, come to the high school cafeteria at 7:00 p.m. Monday evening and back the Mules. Freshmen and Sophomore game highlights will also be shown at the meeting.

newer bonded and knit fabrics. Homemaking III students have chosen more difficult garments such as coats, capes from the new fake furs as well as pantsuits, matching bold plaids and learning new ways to make accessories such as purses, necklaces and scarves which are so popular this fall.

## Bruns; Gunter FFA Choices Of Top Girls

By Greg Little

The Muleshoe Chapter of Future Farmers of America met Monday night, October 5 at 7:30 p.m., with C.L. Myers presiding. Following the initiation of over 40 Greenhands, the Chapter Sweetheart and Plowgirl were elected, Debbie Bruns and Lizan Gunter was elected plowgirl. They have a big responsibility and will be very busy this year. They must keep the Chapter Scrapbook, represent the Chapter in the District Beauty contest, and spread good public relations among the boys. Congratulations to these two girls!

## DE Instructor At In-Service Training Meet

By C.L. Myers

On Saturday, Oct. 3, Mark Gist, Distributive Education teacher, attended an area In-Service Training meeting at Estacado High School in Lubbock. Ronald Upton, who was previously a D.E. teacher in Muleshoe, was the coordinator of the program.

The speakers for the morning program were Robert Luter and H.P. Batts from the University of Texas. The theme of the morning program was "Management by Objective." Mr. Luter spoke on the instructional material Laboratory stressing the use of instructional manuals more effectively. Mr. Batts showed new training manuals for D.E. and ideas for manuals for future use.

Following the morning program, D.E. teachers attended a luncheon at the Holiday Inn Parkway. The theme for the afternoon program was "Instructional Information for Planning Participation in D.E. Competitive Events."

The meeting was for all D.E. teachers in Area I and there were approximately 75 teachers in attendance.

## NHS Hosted A Breakfast

Reporter Dellinda Henry

The National Honor Society met Tuesday, September 29, 1970 for breakfast at the Corral. The members are planning a trip to Lubbock for dinner and a show in the near future. Regular business meetings will be held the last Tuesday of every month at 7:30 a.m. at the Corral Restaurant.

## Freshmen; Junior Down Morton

Thursday, Oct. 8, was a big day for the Junior Varsity and Freshmen teams when they both had victories over Morton. Dennis Parker scored for the Junior Varsity making the final score 6-0. David Wheat, Loy Dominguez, and Don Long scored for the Freshmen team making the score 36-20. Congratulations to the Junior Varsity and Freshmen teams.

The next game for the Sophomore and Freshmen teams will be Thursday, Oct. 15, at Morton.

THE NEW FFA SWEETHEART and Plowgirl, discussing the animals Muleshoe placed in the major shows. The trophy was for the Grand Champion of Bailey County, who also placed Reserve Champion Carcass at Lubbock.

FFA GREENHANDS--James Kinard (L) gets his greenhand signed by Larry Ross, Ricky Black and Kenneth Ragland, during the special FFA greenhand week.

## 40 Greenhands FFA Initiated During Meeting

By Greg Little

Greenhand Week started with a bang Monday, Oct. 5, when over 40 Greenhands were initiated at the monthly meeting.

The Greenhand degree is the first step in the series of FFA degrees, Chapter, State, and National degrees follow for the hardworking member. The Greenhand must be enrolled in a Vocational Agriculture class, must have started a project, and stated the FFA Creed.

## Goldiggers; Untouchables Square Off

By Sonnie Glaze

On Oct. 13, 1970, at 7:30 p.m. the Goldiggers (Senior and Freshmen) and the Untouchables (Sophomores and Juniors) will scramble for the football. Goldigger colors are blue and gold and the Untouchables have chosen green and white. The cheerleaders for this outstanding game are David Williams, Kenneth Carpenter, Frank Ellis, Matt Street, and Tony Poteet for the Goldiggers; and for the Untouchables are James Slaughter, Robbie Green, Randy Burrows, Richard Warren, Kevin Tucker, John Colburn and Mike Morris, the coaches for the Goldiggers are C.L. Myers, Terry Gunter, and Steve Black. The coaches for the Untouchables are Keith Turner, Gary Merriot, and Danny Noble. Tickets are on sale and may be purchased from any FFA member. The cost for everyone is 75 cents.

Art I, having investigated the possibilities of depth in space through perspective, has turned to designer's temperas for monochromatic design studies. This media does not resemble the old form of powdered or bottled tempera and students are enjoying the new experience of tube tempera.

## Senior Class To Host Supper

By Becky Sain

The Senior Class met Tuesday, Oct. 6, during orientation period. Plans for the senior class supper to be held November 6 were discussed. Vice-President Greg Litt gave a talk to boost the spirit of the class.

## WORLDS TO Conquer!

Many Young People have just recently stepped out of the world of training and study, and now look to make their spot in the world. These words of encouragement are written for you.

New frontiers are still there to be conquered, there is a place of service for you. Do not be afraid, for in the strength of your youth, you can accomplish much, however, do not shun the advice and help of others. Above all, seek the knowledge of the Lord.

*"Thou shalt guide me with thy counsel." Psalm 73:24*

### ATTEND CHURCH REGULARLY

**EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE**

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**Bula News**

By Mrs. John Blackman

Bula School will be sponsoring a harvest festival, on Saturday night October 31. Each room will be responsible for a booth. Patrons of the school always enjoys these entertainments, so lets keep this in mind and help our teachers

and students to make this a success.

The different classes are out working this week on their fund raising projects for the year. The 8th grade is selling candy to raise money to help sponsor the athletic banquet later on during the year. Sophomore class are selling magazine subscriptions and the FFA boys are selling boxes of

grapefruits and oranges, these will be delivered in December. If you need any of these articles contact one of the students of these classes.

**Strong Reserves**  
The ore reserves of International Nickel contain some 12,370,000,000 pounds of nickel and 7,890,000,000 pounds of copper. Because of an extensive exploration program, these reserves increase nearly every year in spite of record nickel production and deliveries to the free world's industries.

**Another "MoorMan First"!**  
**Roughage Buster 100**  
-with Biuret

Here's the new, low-cost way to supplement beef cattle on pasture, crop residue or other roughage: Self-feed MoorMan's® Roughage Buster 100™ containing Biuret—slow-release nitrogen source. Roughage Buster 100—blocks or granular—also supplies complete, balanced minerals plus vitamins A and D. It stimulates rumen microorganisms to break down coarse, fibrous forage and build protein. Roughage Buster 100 was designed by MoorMan Research for consumption of about ¼ lb. per cow daily. This supplies her needs even with low-protein, low-quality pasture or roughage. And it encourages wide, uniform grazing. I'll be glad to tell you more about it. Your MoorMan Man.
