

Weather

West Texas to have spring-like weekend

Shower activity was expected over Southeast Texas today as a weak upper level disturbance moved eastward into Louisiana.

The remainder of the state was to have partly cloudy skies and mild temperatures. Highs were to be in the 60s over the northern half of the state and in the 70s over the southern half.

The same weak upper level disturbance had triggered shower activity earlier in the week in South Central Texas and South Texas.

Rainfall during the night along the upper Texas coast and in Southeast Texas was mostly light. Houston had .25 of an inch, Palacios had .16 and Beaumont had .15.

FORECAST		TEMPERATURES	
CITY	MAX	MIN	
WEST TEXAS	Fair		
Panhandle and extreme west	Partly cloudy		
remainder	Partly cloudy tonight and Saturday. Warmer. Highs 60s and 70s. Lows 30s and 40s.		
EXTENDED FORECAST			
WEST TEXAS: Scattered showers and a few thunderstorms south Sunday otherwise fair through Tuesday. Warm afternoons except not so warm north Tuesday. Highs Sunday and Monday mid 60s north to lower 80s southwest and high Tuesday upper 50s north to upper 70s southwest. Lows in 30s north to near 50 south through early next week.			

WEATHER FORECAST — The National Weather Service forecast for Saturday predicts showers in most of New Mexico and Texas.

One of three households receive some federal aid

WASHINGTON (AP) — The Census Bureau, in its first look at who gets government help, reported Thursday that federal benefit programs reach one out of every three American households.

The agency studied non-cash assistance programs as of 1979, reporting on the recipients of food stamps, school lunch aid, subsidized housing, Medicare and Medicaid.

According to the report, these programs reached 27,190,000 households, total of 79,108,900.

Medicare is the single largest program, covering one or more persons in 18,526,000 households.

Gordon W. Green Jr., author of the report, cautioned that the large number of people covered by Medicare means the totals do not merely reflect a picture of assistance to the poor.

Medicare eligibility is based on age or being disabled, he noted, not income. Green said that people receiving only Medicare totaled more than half of those studied. Thus, those receiving assistance based on income level accounted for about one household in six.

Ninety percent of the people covered by Medicare were white, 9 percent black and the rest were listed as Hispanic.

According to the report, 15 million of the involved households included someone aged 65 or over.

Forty percent of the covered individuals either lived alone or with other people not related to them, and in 78 percent of the cases the householder was female.

The median income of households with someone covered by Medicare was \$18,533 for all households in the country. Green noted that most Medicare recipients re over age 65 and living on retirement income.

While Medicare is aimed at the aged and disabled, Medicaid tries to help needy families with dependent children. It covered 18.1 million people in eight million households under a complex array of rules which vary from state to state.

The median income of households with Medicaid coverage was only \$5,990.

Of them, 68 percent had a white householder, 30 percent were black and 9 percent Hispanic, according to the figures.

Those totals, and some others, will add up to more

than 100 percent because some Hispanics list themselves as white or black as to race, and Hispanic as to national origin. This can result in a household being counted as Hispanic and also under the white or black category.

Pancake supper set March 26

The Big Spring Kiwanis Club will stage its annual pancake supper from 5 to 8 p.m. Thursday, March 26, in the Howard College Cafeteria.

Tickets will sell for \$3 each and are being made available to the public through members. It will also be possible to purchase tickets at the door.

Proceeds above expenses go to support Kiwanis charities.

The menu will include pancakes, bacon and — or sausage, milk and — or coffee. A person will be allowed to eat all he can.

The Kiwanis fed about 800 people last year and expect to sell even more tickets this year. Kiwanis Club members will do the cooking and handle the other chores that go along with the supper.

Judge overrules jury; gives death sentence

TAMPA, Fla. (AP) — Harry Lee Coe sentenced Derwin Norris to die for the beating death of Cara M. Brooks during a Feb. 14, 1980, burglary of the home she shared with her 72-year-old sister.

Jurors who found Norris guilty of murder had recommended a life sentence.

CHOOSE SUCCESS

"My business failed, but it wasn't my fault!"

"What do you mean?" I asked my friend. He went on to describe all the factors that led to his failure — the unions were corrupt, the myriad governmental regulations were backbreaking and the tax structure and competition were lined up against him. I looked him in the eye and said, "Roy, in the final analysis, you threw in the towel. You gave up. Only you had the power to choose failure!" After a moment, he thoughtfully nodded in agreement.

If you fail, you do so because you choose to fail! Failure occurs when we yield to the temptation to take the easier path. Resist that temptation! For there is no satisfaction that can compare with becoming the success that God wants you to be.

Mr. G's Pointers

Maybe you have already discovered the difficulty in ridding a lawn of weeds. If you are planting a new lawn, do a thorough job of soil preparation — include a pre emergent weed control, then plant quality seed or sod. If you have an existing lawn and weeds are a problem use one of the weed controls when weeds are actively growing and temperatures are above 65 degrees. You may have a thatch buildup which is a thick layer of decomposing stems, roots and debris. You need to dethatch by scalping the lawn. Then you may need to aerate it. Spring and late summer to fall are the best times to fertilize. Formulas of nitrogen, phosphorus, potassium plus sulphur are excellent for this area. Slow release fertilizers are favored because they make heavier application of nitrogen possible.

Whitefield to observe anniversary

Carolyn Whitefield of McKinney will celebrate her 25th anniversary with Southwestern Bell Telephone Co. on March 19.

Miss Whitefield began her career as a junior operator in Big Spring, and is presently manager-operator of services. She is an active member of the Dallas Council of American Business Women, as well as the Business and Professional Women's Association.

She is the daughter of Gertrude Whitefield, 1301 Settles, and the late J. O. Whitefield.

Rogers, Mahon are guests at BPW meeting

The Business & Professional Women's Club met March 10 at 7 p.m. in the Pioneer Gas Flame Room for their regular monthly covered dish business meeting. Louise Nuckolls, president.

The Young Career Women Committee, headed by Mamie Roberts, was in charge of the program. She was assisted by Marie Affleck, Edwina Welch and Pyrl Bradshaw.

Two young career women were guest speakers: Janet Rogers, County Extension Agent, Home Economics, and Nina Mahon, County Extension Agent 4-H Clubs.

Mrs. Rogers is a graduate of Texas Tech and now working on her Masters Degree. She has been in Big Spring for five years as County Extension Agent, Home Economics, on the adult level.

Nina Mahon works with 4-H programs in County Extension work.

She is now in charge of five 4-H clubs in Big Spring and Howard County. Her duties are similar to those of Mrs. Rogers, except that her duties are on the youth level.

Lois Eitzen gave a report on the M.D. Anderson Cancer Research Center fund. It is called the Chloe Monroe Fund in honor of past state B&PW president, Chloe Monroe who initiated the fund project. The club voted to donate \$200.00 to this fund.

Announcements were made concerning the Howard County Library Silver Tea and Coffee, March 17, from 11 a.m. to 3 p.m. at the library. An invitation was read from the Centennial Committee to participate in the "Decades of Progress," centennial parade, May 25. An invitation was also extended from the County Home Extension agent to sponsor or co-sponsor a Family Living Conference.

Also, the club will participate in the Centennial Belles project of which Mamie Roberts is chairman.

Next meeting will be at K-Bobs restaurant, March 24 at 7 p.m., with Carla Warrington as guest speaker. The young careerist committee will be in charge of the program.

Cancer society Board accepts new members

The Big Spring Board of the American Cancer Society met at noon Tuesday at Alberto's Restaurant.

New members accepted to the board were Tom Balderach, Joyce Wash, Nikki and Frank Broyles, Del Shirey, Paula Duncan and Madeline Boadle.

Proceeds from the Wine and Cheese party held recently, \$2,377.06, were sent to National Headquarters. Memorials amounting to \$547.50 during the month of February. Memorials should be sent to Cancer Society, Box 2121, Big Spring, Tex. 79720.

Two cancer patients were helped with travel expenses in February to the M.D. Anderson Hospital in Houston.

The board will meet next April 14 at noon at Alberto's.

Invalid's Live-In Help Might Take Out Jewelry

DEAR ABBY: My mother is an invalid, close to 80. She has live-in help to look after her, and she changes help very often. With so many strangers coming and going, a problem has come up.

Several years ago, when Mother first became ill, we agreed that I would place her jewelry (which is very valuable) in a bank vault. Now she wants me to bring all her jewelry home.

I told her that I would be glad to take out special pieces for her to wear on special occasions, but this doesn't seem to please her. She wants all her jewelry at home.

I am so afraid it will be stolen. It's her jewelry, Abby. What to do?

WORRIED DAUGHTER

DEAR DAUGHTER: One of the most controversial issues people must deal with is, "How much can one properly do for somebody else's 'own good'?"

Your reluctance to let your mother keep her valuable jewelry at home is understandable, and very wise indeed. It may be her jewelry, but you are her daughter and responsible for her welfare.

Bring all the jewelry home for Mother to see and handle, and then return it to the bank for permanent safekeeping. Continue to reassure your mother that it's much safer there. And keep reassuring her. And reassuring her.

DEAR ABBY: I am 11 years old and have a big problem. My mom and dad fight at night, and last night they had a big one. There was loud yelling and I woke up scared and sick. I started to cry and my dad came into my room and gave me a glass of water. I asked him why they had to argue all the time, and he said, "Your mother is not well."

Abby, they act like children. My mom puts my dad down, and I don't like to listen to it. Please print this to let them know that I love them both, but I sure wish they wouldn't argue so loud. Thank you, Abby.

PROBLEM CHILD

DEAR CHILD: I am printing this letter because you aren't the only child with this problem. I hope all parents will realize that little pitchers have big ears. And are easily shattered.

DEAR ABBY: I went to a shower for an acquaintance. The hostess was a lady I had met only once before. We played a game and I won a darling stuffed animal. I was delighted, and planned to give it to my youngest child.

In the hustle and bustle of leaving, I left my prize behind. The next day when I went to pick it up, the hostess told me that she had given it to the guest of honor. She said it was customary that all prizes be turned over to the honored guest! She said she assumed that my leaving my prize behind meant that I wanted her to have it.

I thought this was rather presumptuous and felt quite annoyed that she didn't leave that decision to me. Am I wrong for feeling that way? And are prizes won at a party traditionally turned over to the guest of honor?

WONDERING

DEAR WONDERING: Some prize-winners do give their prizes to the guest of honor, but it is not traditional. Your hostess should not have assumed that because you left the toy behind she had the right to dispose of it.

Getting married? Whether you want a formal church wedding or a simple, "do-your-own-thing" ceremony, get Abby's new booklet. Send \$1 plus a long, self-addressed, stamped (28 cents) envelope to: Abby's Wedding Booklet, 132 Lasky Drive, Beverly Hills, Calif. 90212.

Centennial projects are discussed at club meeting

The Sew and Chatter Club met in the home of Mrs. Della Nobles March 11 with 13 members present.

Birthdays of Mrs. Marie Daniel and Mrs. Salena Sewell were celebrated with song, cake, candles and cards.

The Centennial information packet was discussed and the charter signed. It was noted that two of the charter members of the club, founded in March of 1937 were present, Mrs. Neva Clinkscales and Mrs. Lona Crocker. President Allie Moore announced that materials for centennial dresses and bonnets were available at the meeting. The club members also discussed the possibility of a float and display booth for the event.

Several members displayed afghans and explained various crochet stitches. Next meeting will be March 25 at the home of Mrs. Louise Porter.

Club hears history of Howard County Library

Bernice Davis and Pyrl Bradshaw were hostesses at a "Dutch Treat" dinner meeting Tuesday evening for the Past Matrons' Club of Big Spring Chapter No. 67, Order of the Eastern Star, in the La Macarena Room of Alberto's Restaurant.

Dorothy Hull, president, called for committee reports.

Vera Gross read a message from Lena May Cook, Worthy Grand Matron, Grand Chapter of Texas, Order of the Eastern Star.

Fearl Urey invited the members to a reception April 4, 3-5 p.m. at the Canterbury House.

Bernice Davis introduced Judith Gray, librarian of Howard County Library who reminded the members of the Silver Tea to be held March 17, 11 a.m.-3 p.m., during the open house at the library. She traced the history of the library from its origin to the present and expressed the need of an elevator to utilize the space in the basement. Ms. Gray told members "The library has something to offer each person in Howard County" explaining the many services and activities available with over 43,000 books on hand. The members voted to make a donation to the library.

Mrs. Raymond Andrews gave the program "What do we know about St. Patrick's Day?" It is a many-sided holiday—a religious, political, and joyous affair full of the pleasures of good fellowship and conviviality. The anniversary of the saint is celebrated as Ireland's national holiday with green, the color of the day, significant of undying gratitude to his memory. The shamrock is worn everywhere to commemorate its use by him as symbolic of the Trinity.

Mrs. Andrews concluded the program, "Whether or not St. Patrick ever heard this ancient Irish blessing I don't know, but it is one of the most beautiful adieus ever written: May the road rise to meet you, may the wind be always at your back, may the sun shine warm upon your face, the rains fall soft upon your fields, and until we meet again, may God hold you in the palm of His hand." Author unknown.

Bernice Davis served refreshments after the meeting. Hostesses for the next meeting, April 14, will be Vergie Dyer and Sue Stripling.

I shall not want

Sheep and shepherds are mentioned more than two hundred times in the Bible. Economically, that reflects the importance of sheep raising as a means of livelihood in Bible times. Religiously, it suggests that men saw in the pastoral scene vivid implications of religious experience.

Probably the best known passage in the Old Testament is the Twenty-third Psalm. Among the most beloved parables of Jesus in the New Testament are the Good Shepherd and the Lost Sheep. In these and many other verses of scripture the shepherd and his sheep are seen as symbols of God and man. Particularly they emphasize God's faithfulness to us and our dependence on God.

Sheep raising is not the heart of our economy today. But discovering our spiritual needs and realizing God's readiness to fulfill them—that is the religious quest to which the Bible continues to call men.

REV. OLE V. OLDS

Church's revival progresses

The Rev. Ole V. Olds, National Evangelist for the Church of God, will conduct revival services at the College Park Church of God, located at 603 Tulane, according to the pastor, Earl Akin.

The revival began on Wednesday and will continue nightly at 7 p.m. through Sunday.

Evangelist Olds has been in the ministry for thirteen years and is an ordained minister in the Church of God. Prior to his present responsibilities, the Rev. Olds served as a pastor for eleven years and as a state evangelist for two years. He has been the guest speaker for numerous religious convocations.

His ministerial experience and speaking ability make him an effective preacher and soul winner.

The Church of God will be the site of the Women's Christian Fellowship Saturday at 10:30 a.m.

Everyone is asked to bring a dish beginning with the first letter of their last name except those celebrating birthdays in March. Ideas to help the fellowship grow will be solicited.

'Called to Be' is topic for meeting

A Texas Baptist Woman's Missionary Union Mini-House Party will be conducted March 20-21 at the First Baptist Church in San Angelo.

Theme of the two-day regional meeting is "Called to Be" and is being sponsored by Texas Women's Missionary Union, auxiliary to the Baptist General Convention of Texas.

Purpose of the meeting, for local WMU leaders and members and other persons interested in missions, is to consider corporately the priorities that could result in life-changing commitments. Fred Roach, president of Texas Baptist Men, and his wife, Gloria, will be the

leaders for the couples conference.

C. Welton Gaddy, pastor of Broadway Baptist Church in Fort Worth, will be the Bible teacher for the meeting. Missionary speakers will be Rebecca and Allen Alexander, missionaries to Mexico.

Pre-registration cost is \$6.50 per couple or \$5 per person. Registration deadline is today and should be mailed to Woman's Missionary Union, 102 Baptist Building, Dallas 75201.

Everyone is responsible for their own lodging and meals. For more information contact the Texas WMU Office.

Man served part of prison term, now indicted for violent crimes

DALLAS (AP) — In 1965, Isaac Blassingale Jr. received the longest sentence in Dallas history — 199 years — for robbing and assaulting a woman cashier in a liquor store.

The jury deliberated 20 minutes, and one juror recalls the panel wanted to send a message to prison and parole officers that they "did not want him on the streets of Dallas."

But Blassingale was paroled in 1976, after serving little more than one-twentieth of that sentence.

Since then, he has been arrested, charged and indicted for four violent crimes and convicted of driving while intoxicated.

Officials with the Board of Pardons and Parole say when Blassingale was convicted in 1965, parole laws required the board to review all inmates for parole when they served either one-third of their sentences or 15 years.

The law since has been changed to make inmates eligible for parole when they have served one-third of their sentences or 20 years.

Blassingale was reviewed before the 15-year mark, a parole board spokeswoman said, because he was a model prisoner and had earned trusty status. Trustees earn double credit for time served.

His parole was denied in October 1975, but a year later, it was granted.

The board would not be affected by the dramatic sentence, she said, because "we don't know what the jurors are thinking when they set a sentence. We don't even know whether it was set by a judge or jury."

River project funding eliminated by Reagan

WASHINGTON — Funding for the Red River Project, to make the Northeast Texas boarder waterway more useful for boating and commerce, has been eliminated under President Ronald Reagan's proposed budget for fiscal 1982.

Reagan said \$120 million requested by the Carter administration to continue the project began in 1973 was "incompatible with the current austere budget environment."

He recommended eliminating a total of three Corps of Engineers projects (including the Red River) and slicing 15 percent in funds for 300 other water projects, according to a staff aide for Sen. Russell Long, D-La.

Participants will break into small groups to attend workshops on topics of concern to young people such as child abuse, health, dealing with death, self defense, drugs, teenage pregnancy and parenthood, shoeing interior decorating, developing self confidence, and understanding the needs of the handicapped and elderly.

Future Homemakers who have achieved unusual accomplishments will be recognized during a special general session Saturday afternoon. The area choir, with members from throughout the area, will make a presentation: members of this group who have won the honor of singing in the State Chorus at the State FHA-HERO Meeting in San Antonio April 30-May 1 will be announced.

Participants in Encounter, a personal growth and development program, will be honored as well as chapters who have led the area in various achievements during the year. Adults having made outstanding contributions to the organization will be presented honorary membership.

Installation of the 1981-82 area officers will climax the Saturday afternoon session. A newly elected president will receive the gavel from Rita Escarrega, out-going president from El Paso.

Sponsors for the trip to Midland are Mrs. Barbara Justiss, Mrs. Mary Thorpe and Mrs. Doyle Bussell.

Future Homemakers of America is a vocational youth organization sponsored by the Division of Homemaking Education, Texas Education Agency.

Coahoma is represented at FHA area convention

COAHOMA — Representatives of the Coahoma FHA Chapter, Future Homemakers of America are attending the 1981 Area II Convention along with 800 other members and advisers from the West Texas area today and Saturday.

The business of the Area II Association will be conducted this evening at the House of Delegates meeting. Also conducted will be a dinner meeting of HERO members of the organization; this portion of the organization is composed of students from the Home Economics Related Occupations instructional programs. Other representatives at the convention will be involved in leadership development workshops this evening.

Keynote speaker for the general session Saturday morning will be Elvin Caraway, former State President of the Texas Association of Future Farmers of America.

Villarreal faces three murder charges in Dallas

DALLAS (AP) — Three murder charges have been filed and two more are pending against a 25-year-old drifter who has described for police a total of seven brutal murders, some with homosexual overtones, investigators said.

Assistant District Attorney Lem Brotherton accepted the three charges in Dallas against David Villarreal, but said arraignment was pending. The charges were filed after Villarreal told police of four Dallas killings following his Tuesday arrest for questioning in a double homicide, said police spokesman Ed Spencer.

Meanwhile, San Antonio Police Lt. W.R. Hall said paperwork was under way there on two murder charges against Villarreal.

Villarreal remained in Dallas city jail in lieu of \$90,000 bond.

"I can say that homosexual overtones are present in the killings," said Dallas homicide investigator John Landers.

Villarreal was charged with the spring 1979 deaths of three Dallas roommates. Charles Edward Moya, 30, and Tony Natal Gutierrez, 32, were found dead in a

Meet Slaton tonight
Coahoma boys go for region title

LUBBOCK — The Coahoma Bulldogs will be one of four teams battling for the Region I-AAA boys basketball title when action gets underway tonight in Lubbock's Coronado High School Gymnasium.

The Bulldogs of Coach Doug Harriman, which carry a season record of 21-9, advanced into the regional tournament by whipping Kermit 68-53 in bi-district. The Coahomans won District 6-AAA in a playoff after finishing in a three-way tie with Seminole and Denver City.

Slaton toppled Childress to advance into the Region I-AAA Tournament.

Should the Bulldogs topple Slaton, they would then meet the winner of Friday night's last battle between Perryton and Coleman.

That I-AAA championship game will be played at 1:30 p.m. Saturday.

Most inside observers rate the winner of the Perryton-Childress game as being the favorite to advance on to next week's state tourney in Austin.

Perryton was the number one rated team in the state in Class AAA in the final regular season poll, while Coleman is a sparkling 33-1 on the year.

The Region I-AAA Tournament will also be run off this weekend at Coronado High.

It begins at 4:00 p.m. today when Morton, champions of District 5-AA, meets Sanford-Fritch. In the 5:30 p.m. contest, Shallowater meets Crowell.

The survivors of these two games meet in the I-AA championship game at 10:30 a.m. Saturday.

Finley leaves Klondike for Comanche job

COMANCHE — Mickey Finley has been hired as the Head Football Coach at Comanche High School, leaving a similar position at Klondike.

Finley, a 29-year-old native of Andrews, is scheduled to take over his new job in Comanche on March 23.

He had served as the head coach at Klondike for the past five years. Last season, he helped direct the Klondike team to the Class A quarterfinals before losing to Valley.

A former collegiate griddier at Angelo State, Finley will replace Fred West at Comanche. West went to Boswell.

Big Spring tracksters in rugged field today

ODESSA — Both the Big Spring High School boys and girls track teams will be among 40 teams being represented today and tomorrow when the prestigious West Texas Relays unwind at W.T. Barrett Stadium.

It will be the second meet of the year for both of the Steer teams. The boys opened up two weeks ago with a sixth place finish in the Comanche Relays in Fort Stockton, while the Big Spring girls were an impressive second last weekend in the San Angelo Relays.

There are four divisions in the West Texas Relays, and all four champions are back.

San Angelo is back to defend the Class AAAAA title, with Odessa Ector defending AAAA and Slaton AAA.

Ector is the defending girls champion.

Friday's events begin at 2:30 p.m., with the eight field events finals and the running preliminaries.

The running final begin at 12:30 p.m. Saturday, and conclude at 5:30 p.m.

Mavs win 2nd straight

By the Associated Press

Their record is only 12-61, but Dallas Coach Dick Motta likes the way the expansion Mavericks are finishing their first National Basketball Association season.

"I'm happy we're on an upbeat," said Motta after the Mavericks trimmed the Golden State Warriors 120-118 Thursday night. "This team has had a thousand opportunities to just play-act out the rest of the season, but we're going to finish strong."

"I don't know how many games we're gonna win, but this will make our preparation for next fall much easier. And it will

Nerves, luck help Sun City leader

SUN CITY, Ariz. (AP) — Alexandra Reinhardt came into the LPGA Sun City Classic with a new swing and a "nervous" feeling about her game.

When she came off the course Thursday, nothing much had changed — except for her name appearing atop the leader board.

Reinhardt, who has never won a tournament on the women's professional tour, shot a 6-under-par 67 to take a 2-stroke lead in the \$100,000 event entering Friday's second round.

"I boyeyed the first hole," she said. "I hit my drive behind a tree and I thought 'Oh boy, another one of those days.'"

That was the closest her game came to falling apart, as the 27-year-old former New Mexico State Women's Amateur champion then went out and birdied seven holes to grab a 2-stroke lead over Patty Hayes and Kathy Young.

"I still feel shaky," Reinhardt said.

"I think some of my putts were lucky. There were a few I pushed."

UP AND AT 'EM — Dartez Talbott (22) of Mercer makes his way to the basket to score in this action from their midwest regional NCAA game at Austin Thursday night. At left is Scott Hastings (44), of Arkansas. Partly hidden is U.S. Reed, of Arkansas who fouled Talbott on the play. Arkansas won, 73-67.

Sellout expected in Chap Center

MIDLAND — Four teams with high hopes of advancing to the Class AAAAA state tournament put their lofty marks on the line tonight when the Region I-AAAAA Basketball Tournament begins at Chaparral Center.

Tonight's first game at 6:30 p.m. no doubt will create the most fan interest, as a pair of teams that ended in the state's regular season Top 10 collide when the Midland High Bulldogs meet the renowned Fort Worth Dunbar team of Coach Robert Hughes.

The two teams have not met this year, but should be no big strangers to each other, as Dunbar eliminated Midland High in the 1979 regional tournament.

Dunbar, 32-4 on the year, slipped past Arlington in bi-district action by a score of 75-54, while Midland High had a tougher time, easily handling Denton by a 67-53 count.

Tournament Director Delnor Poss is expecting a large crowd in the 6,500 seat Chaparral Center, with a sellout most probable.

Midland High will naturally bring many fans to the game in their own city, and Poss had indicated that Dunbar tickets for their fans. That is considerable for a high school basketball regional game, as Fort Worth is some 300 miles from Midland.

But when a school has had the basketball success in the past five years that Dunbar has enjoyed, it is understandable.

Midland, with a 32-4 record this year, is no stranger to the playoffs. They were in this same tournament last year, and advanced to the state tourney in 1972 and 73.

The 8:30 p.m. game tonight features Pampa and El Paso Eastwood.

Both teams got into the Region I-AAAAA tourney the hard way, taking narrow one-point wins in bi-district action.

Pampa outscored Plainview 24-13 in the final stanza to take a 53-52 win, and Eastwood defeated El Paso Burges by 31-30 on a tip in with but four seconds remaining.

Eastwood owns the best overall record in the Region I-AAAAA affair, having 34 wins against only four losses. But one of those losses was a 72-52 setback to Midland High in the Tall City Invitational in December.

Pampa is 23-11 on the year. The championship game in the tourney which sends its winner to the state tourney next week in Austin is set for 2:30 p.m. Saturday.

As NCAA playoffs get started
Lamar gets big revenge in win over Missouri

By the Associated Press

Back in December, the Missouri Tigers thrashed the Lamar Cardinals in the "Show Me Classic."

Thursday night, it was the Cardinals' turn to show the Tigers.

Getting revenge for a 92-70 rout in the holiday tournament, the Cardinals upset the Tigers 71-67 in the NCAA basketball tournament and headed for a second round game of the Midwest playoffs Saturday.

"We wanted the game real bad," said Lamar Coach Pat Foster. "I think we had an advantage coming into the game with Missouri having beaten us as bad as they did the first time."

With center B.B. Davis of the Southland Conference champions in foul trouble, the Cardinals played at a deliberate pace most of the game. And it paid off.

"We had to get deliberate," said Foster. "We didn't feel we could run with Missouri. The first time we tried to run with them, they blew us out."

A 25-point performance by Mike Oliver led the Cardinals, who pulled off their second upset in as many years in the NCAA playoffs. Last season, they knocked off Pac-10 winner Oregon State in an early round. The Cardinals advanced to the second round Saturday against No. 4 Louisiana State.

In Thursday night's other Midwest game at Austin, Tex., 20th-ranked Arkansas held off upset-minded Mercer 73-67. Darrell Walker came off the bench to score 19 points for the Razorbacks, who advanced to a meeting Saturday with Louisville.

Atrocious free-throw shooting by the Razorbacks helped keep the 13-point underdog Bears in the game. Arkansas hit only 19-of-40 free throw attempts and Walker could hit just 3-for-13. But the Razorbacks just had too much depth for the Bears, who finished third in the Trans America Athletic Conference but won the postseason tournament.

In other tournament play Linton Townes led James Madison on a nine-point run midway in the second half, and the Dukes held on to beat Georgetown 61-55 in the first round of the East Regionals at Providence, R.I. The victory sent the Dukes into a Saturday game with seventh-ranked Duke.

Danny Acredt's points and Ben Young University solved Princeton's deliberate offense in the second half to beat the Tigers 60-51 in the other first-round East game. The 16th-ranked Cougars will face 10th-ranked UCLA Saturday.

"It's not as big a surprise as some thing," said James Madison Coach Lou Campanelli of the upset. "I know a lot of people will pick up their newspapers tomorrow morning and be pretty surprised, but we thought all along that we could beat Georgetown."

"This is the best victory ever for our basketball program. To have the opportunity to compete against Notre Dame Saturday on television will be a tremendous thrill."

Tony Costner's 14 second-half points, including two free throws with three seconds left, rallied St. Joseph's of Pennsylvania to a 59-57 victory over Creighton in NCAA Midwest Regionals.

Costner finished with 18 points and John Smith added 20 for the Hawks in the game at the University of Dayton Arena. Kevin McKenna had 18 points for Creighton and George Morrow added 17.

In NCAA first round

Georgetown upset by James Madison

(Con't from 1-B) Coast Conference champion, moved into Saturday's second round game against DePaul. "Tony in a quiet way has had as productive a season as any freshman out there," said St. Joseph's Coach Jym Lyman of Costner. "We have come from behind to win several games and the big fellow has played an important part in all of them." Albert King scored 25 points to lead Maryland to a come-from-behind 81-69 victory over Tennessee-...

Chattanooga in the night's second game. The Terps, of the Atlantic Coast Conference, will meet No. 9 Indiana Saturday. Held in check most of the way, Rolando Blackman put Kansas State ahead to stay with 2:19 remaining as the Wildcats rallied for a 64-60 victory over the University of San Francisco in the West Regionals at Los Angeles. Randy Reed led the Wildcats with 24 points. The Wildcats moved into Saturday's second round against second-ranked Oregon State.

"I never got loose during the whole game," said Blackman, who finished with just eight points. "In fact, I never even got into the game. My last four points were just a matter of being at the right place at the right time." Kansas State Coach Jack Hartman, whose team trailed by as many as 12 points early in the second half, praised the Dons of the West Coast Athletic Conference, calling them "a very fine and talented team."

From Herschel Walker as NCAA Indoor Track unwinds

Georgia's other sprinter stealing show

DETROIT (AP) — Overlooked in all the publicity centered around Herschel Walker, the University of Georgia's All-America football sensation and track standout, has been the performance of his teammate, Mel Lattany. But Lattany, a member of the honorary 1980 U.S. Olympic Team and ranked fifth in the world in the 100-meter dash — behind indoor record holder Stanley Floyd, Olympic champion Allan Wells of Scotland, two-time Pan American Games champion Silvio Leonard of Cuba and James Sanford, rated No. 1 in 1979 — has been overshadowing Walker in the sprints, if not in fanfare, this year.

Going into the trials of tonight's NCAA Indoor Track and Field Championships at Joe Louis Arena, the fun-loving Lattany, a senior from Brunswick, Ga., had run two of the fastest sprint times of the year (6.09 seconds and 6.10) among the entrants in the 60-yard dash. The fastest clocking (6.06) belonged to University of Houston sophomore Carl Lewis. But the trials and the quarterfinals of the 60 were to be held at the same time as the final of the long jump, in which Lewis is the defending champion. With Lewis likely out of the

semifinals and final will be held Saturday, along with the semifinals and final in the 60-yard high hurdles and nine other finals. Today's first final was the 35-pound weight throw, at Eastern Michigan University, with six finals scheduled tonight. Texas-El Paso, with virtually the same team that won last year's championship with a record 76 points, is an overwhelming favorite to capture its sixth title in eight years.

Fidyrych, Rookie of the Year with a 19-9 record in 1976 but injury plagued since then, gave up six earned runs on five hits and two walks.

NBC gets small measure of revenge

NEW YORK (AP) — In the continuing war between the television networks, NBC has won a battle over CBS for regular season college basketball, taking some of the sting out of CBS' shocking steal of the NCAA Basketball Tournament from NBC.

Thursday a two-year extension on its deal with TVS to broadcast regular season college basketball in 1982 and 1983.

The NBC deal does not affect CBS' newly won three-year contract to broadcast the NCAA Tournament, beginning in 1982.

GENERAL TENDENCIES: A good time to consider the problems and perplexities that face you, and to plan a better way to operate in the days ahead. Take positive steps to gain your most cherished aims.

ARIES (Mar. 21 to Apr. 19) Study your financial status and make plans to have more security in the future. Find a better way to be more productive at work.

TAURUS (Apr. 20 to May 20) You want to have more practical. Relax at home tonight.

GEMINI (May 21 to June 21) Don't do anything at this time that could jeopardize your fine reputation. Sidestep one who is detrimental to your progress.

MOON CHILDREN (June 22 to July 21) You are tempted to be too extravagant now, so take right steps to control this. Clear up whatever is in error.

LEO (July 22 to Aug. 21) Contact a most successful person who can give you good ideas. Avoid the social today and concentrate on business affairs.

VIRGO (Aug. 22 to Sept. 22) Forget ideas of expansion right now and take care of problems at hand. Take pains to handle routine tasks in an effective manner.

LIBRA (Sept. 23 to Oct. 22) Make sure to carry through with promises you have made. Keep busy at tasks that could bring you increased income.

SCORPIO (Oct. 23 to Nov. 21) Applying yourself with more vigor at this time can result in added income. Don't neglect to pay an important bill.

SAGITTARIUS (Nov. 22 to Dec. 21) Use your ability to solve a difficult problem. You have excellent judgment now and can easily gain your aims.

CAPRICORN (Dec. 22 to Jan. 20) Strive to be more efficient at work and have more rapport with co-workers. Be more serious and get good results.

AQUARIUS (Jan. 21 to Feb. 19) Study whatever has been puzzling you in the past and come up with the right answer. Your hunches are accurate now.

PISCES (Feb. 20 to Mar. 20) Be sure not to invest more than you can afford or you could regret it later. Take modern treatments to improve your health.

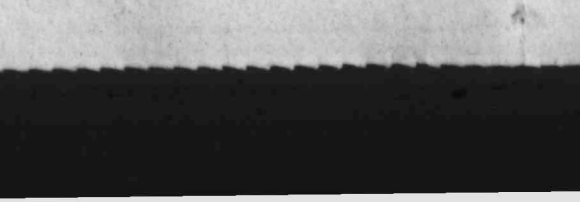

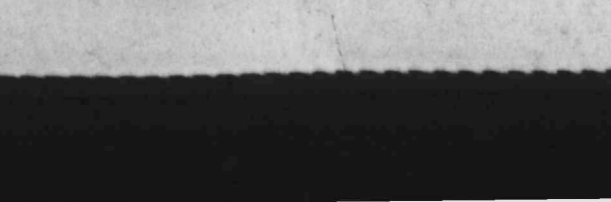

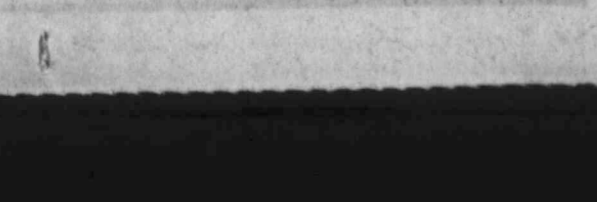

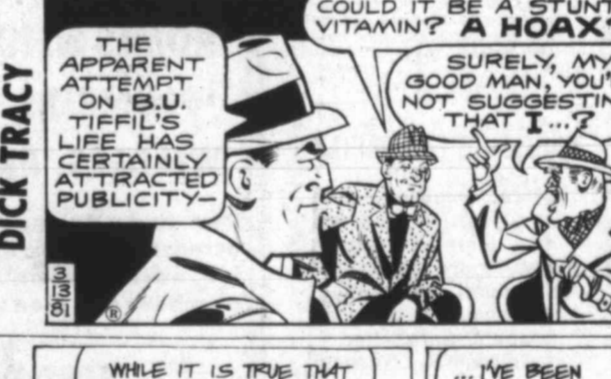

IF YOUR CHILD IS BORN TODAY... he or she will be a clever person who can solve problems easily and should be given as fine an education as possible to make the most of this quality. There is musical ability in this chart. Teach good manners early in life.

Reagan's reforms to encourage investment in small companies

WASHINGTON — President Ronald Reagan's financial reforms will encourage investments in small companies, a South Texas business executive told a Senate committee earlier this week.

Melvyn Klein, Corpus Christi president of Altamil Corp., told the Senate Select Committee on Small Business that the administration's proposals would "restore broad-based confidence" in the economy.

Klein after the hearing. Congressional committees are in the process of considering Reagan's proposed \$41.5 billion in budget cuts, part of a proposed \$554 billion budget for Fiscal Year 1982.

He praised the Reagan package for its goals of a balanced budget, less spending by government, incentives for the supply side of the economy, cost-effective government regulation, and tax cuts to increase productivity and combat inflation.

Small businesses in the 1970s had a hard time raising capital because of high interest rates, Klein said.

Christi and has two children, is a graduate of Colgate University and Columbia Law School. He has served as a former congressional legislative assistant on Capitol Hill and as a lawyer for the Department of Commerce.

Air Force to hold hearing on alternate MX proposals

WASHINGTON (AP) — The Air Force will hold public hearings next month in seven cities on alternative proposals to locate the MX missile system in West Texas and eastern New Mexico.

The Texas-New Mexico hearings will follow a series to be held March 30 through April 9 in Nevada and Utah, the area identified by the Air Force as its preferred location for the massive mobile missile system.

The hearings were scheduled to collect public comment on the draft environmental impact statement the Air Force released in December.

The first is scheduled April 13 in Santa Fe, N.M., followed by hearings in Austin, Texas, April 14-15.

Lubbock, Texas, April 16; Amarillo, Texas, April 20; Dalhart, Texas, April 21; Clovis, N.M., April 22; and Roswell, N.M., April 23.

The Air Force has scheduled afternoon and evening sessions in each city on the same day, except in Austin where an evening hearing is scheduled April 14 followed by an afternoon session the next day.

The exact time and location for the hearings will be announced at a later date.

Six of the eight possible choices outlined in the draft environmental impact statement would locate the entire system of 200 missiles and 4,600 shelters in Utah and Nevada.

The seventh alternative would place the entire system in eastern New Mexico and West Texas, with support bases at Clovis and Dalhart. Under the eighth choice, half of the system would be in Utah-Nevada while the other half would be located in eastern New Mexico with its base at Clovis.

A representative of a group will have five minutes to speak while an individual will be able to spend three minutes at the microphone. Speaking order will be determined by a random drawing.

Written comments can be submitted for the official record.

The Air Force schedule was made available to reporters by the office of Rep. Kent Hance, a Lubbock Democrat.

The Reagan administration has started two new studies of the plan to base the MX system on land, saying they will decide by early summer on whether to proceed with it or switch to a sea-based system.

122 firms nationally that each have annual revenues between \$20 million and \$1 billion.

Klein said the ABC supports even those Reagan spending cuts that may hurt ABC member business because "our economy is finally beginning to move in the right direction."
