SWEETWATER, TEXAS, MAY 28, 1922

WIFE SLAYER TO PRISON FOR LIFE

W. R. Jones of Yantis Gets 99-Year Sentence Upon His Twenty-Third Birthday.

DISPUTE CAUSED THE MURDER

Husband Wanted Door Closed and Wife Wished It to Remain Open—Struck With Hammer

TYLER, May 27.—Sentenced to serve a term of ninety-nine years in the penitentiary, upon his twenty-third birthday, for the murder of his 14-year old wife is the record of W. R. Jones of Yantis. He was sentenced because of his desire to close the door and his wife didn't, according to the story told by the Assistant County attorney of Smith county.

Jones and his young wife lived near Yantis in Wood county, where a dispute arose in the home one day in regard to whether a door should be closed or left open. Jones closed the door twice and was slapped by the wife Mrs. Jones, according to the testimony at the trial.

Jones is said to have struck his wife twice with a hammer but she did not collapse. Two more blows and the wife fell. The husband went to Yantis where he surrendered to the authorities. Mrs. Jones lingered several days before she died from the hammer blows.

TO TRY FOR RECORD

Galveston Stakes Hope On Beating Its 1921 Wheat Exporting Amount—Railroads Helping.

The United Press. GALVESTON, May 27.—While the shipping world is wondering whether Galveston will in 1922 even duplicate her wheat exporting achievement of 1921, which outstripped every other American port, elevator interests at Galveston, are staking big capital to prove their faith that a still greater year is beginning.

Pointing in from the vast mid-western grain belt, and Texas own wheat were cleared for overseas shipment during the calendar year of 1921. That Galveston elevators could dispose of this unexpected surplus was the more surprising in the light and previous records, including 44,726,184 bushels for 1920.

How the problem of storing the ever arriving cargoes into ships was solved is a romance of business on which a volume might be written. But the elevator companies themselves are looking to the future. The biggest of the four, Elevator A, owned by the Galveston Wharf Company, already capable of meeting the maximum conceivable demand that may be imposed upon it, while Elevator B, of the same company, will have its present 600,000 bushel capacity increased by 40 concrete bins to a total of more than 2,000,000 bushels within the next ninety days. The Suncoast, operated by the J. Rosencrans Grain Co. and having facilities to unload 112 cars a day, can pour grain into ships at the rate of 40,000 bushels an hour. This elevator has a storage capacity for 1,000,000 bushels.

The Star Elevator, of the Texas Star Flour Mills, will have its number of spouts increased and has storage capacity for 650,444 bushels. The Gulf, Colorado and Santa Fe Railroad has plans drawn for a fifth elevator at Galveston.

HELD SAFETY MEETING

Employees of West Texas Electric Co. and of Ice Co. Held Joint Session

The regular quarterly safety meeting of the West Texas Electric Co. was held in the general offices of the company at Sweetwater May 25. Employees of the Sweetwater, Ice and Cold Storage Co. participated.

C. J. Rutland, Safety Engineer addressed those present and there were short talks from employees concerning various phases of safety and accident prevention both among employees and the general public.

A point strongly emphasized was the extreme desirability of letting broken wires along that might happen to fall in the street or elsewhere and notifying the electric company employees or police.

Interesting moving pictures were thrown on a screen on various phases of safety work by Mr. Rutland, together with a film showing the development of the electric locomotive from its infancy to the present time.

"Proper relations with the public" were discussed by L. G. Geer, who emphasized the point that the public should always get what it pays for, with promptness, accuracy and courtesy. "Don't give a man 45 pounds of ice when he pays for 50" he said.

THE WEST SWAMPS THE EAST CAMBRIDGE, May 27.—California University won the intercollegiate track championship Saturday with a score of forty-one and a half points. Princeton was second with thirty-one and Leland Stanford third with twenty-six and a half.

ADVICE TO STUDENTS

Mrs. F. G. Robertson Will Give Information Concerning Student's Loan Fund.

It has been the custom of the Texas Federation of Women's Clubs to give away a limited number of scholarships each year to High School graduates meeting the necessary requirements. Any information regarding these scholarships may be obtained from Mrs. F. G. Robertson of Sweetwater, who is chairman of the Scholarship and Loan Fund in the sixth district. She will also take advantage of the T. F. W. C. which students may be enabled to complete. The list of colleges giving these scholarships and their location is as follows:

- Baylor University, Waco, Texas
- Stephen F. Austin University, Nacogdoches
- Simon's University, Abilene
- San Angelo; Martha Fanks, Home School of Expression, Waco; Wesley College, Greenville; Howard Payne College, Brownwood; Texas Woman's College, Metropolitan Business College, Simmons College, Baylor Woman's College; Southwestern University, Daniel Baker College, College of Industrial Arts, Grubb Vocational School, Terrell School.
- Scholarships in music are offered by the following institutions: Stephens University, Abilene; Baylor, Belton; C. I. A., Denton; Trinity, Waxahatchie; Mrs. Roland Harrison, Waxahatchie; Miss Elizabeth Jones, Dallas; Miss Martha Rhea Little, Dallas; Grace Switzer School of Music, Dallas; Gilbert Schramm, San Antonio; Theo. Lindberg, San Antonio; Hector Goux, San Antonio; Walter Romberg, San Antonio; Mrs. Clara Dugan-Madison, San Antonio; Miss Elsie Thomas, San Antonio; Kidd-Key, Sherman; Dr. George P. Briley, Waco; Fort Worth; E. Clyde, Fort Worth; Guy E. Pitner, Fort Worth; San Marcos Academy, San Marcos; T. P. C. Milford; Mrs. M. D. Thomas, Marshall; Mrs. Eugene McNeil, Waco; Mrs. Helen Fouts-Ga. Waco; Mrs. Virginia Ryan, Waco; Mrs. Zona Wallace, Waco; Mrs. Debra Dunne, Waco; Mrs. W. F. Sanor, Corsicana.

CAPTURES NARCOTICS

Two Men, Suspected Jail Breakers Prove to be Dope Smugglers—U. S. Marshal in Charge

Two men, who gave their names as C. B. Smalley and E. W. Schrimpt, were turned over to the United States Marshall here Saturday morning by the Sheriff's department.

The two men were arrested Thursday night by the Sheriff's department as suspected jail breakers from Breckenridge, who had penitentiary sentences hanging over them.

Later developments proved that the men were cocaine peddlers and were on their way from El Paso with a consignment of the narcotic to the Mexico oil fields. Some difficulty was experienced in making the arrest and placing the men in jail and in capturing the handling in which later proved to be the drug.

The men were taken to Abilene where a complaint has been filed in the United States District Court.

NEGRO CHURCH IS BURNED

DALLAS, May 27.—Fire, which is thought to have been of incendiary origin, destroyed the Emanuel Baptist negro church which is located in "disputed territory" here Friday night and was to have been officially opened Sunday morning. This is the third negro building that has been destroyed under mysterious circumstances during the past few weeks.

SODERMAN FIVE-YEAR

Jury Returns verdict of 5 Years and Passes the Sentence

"UNWRITTEN LAW" PL

Attorneys for Defense Will Fight for a New Trial Immediately

By The United Press. DALLAS, May 27.—The plea of "unwritten law" failed to gain for Dave E. Soderman, who pleaded guilty to the murder of Jay Clay in the lobby of the Waldorf this city recently.

Soderman was found guilty of the murder in connection with the trial of Powers by a jury in the 11th District Court here Friday which assessed the penalty of years in the penitentiary. The verdict was rendered after the jury had deliberated 4 hours and 45 minutes.

Powers was shot April 18 and a short time later upon an operating table in a local hospital. Soderman's defense at the trial was based on the unwritten law. His wife testified to improper relations with Powers. The State attacked the testimony to show the killing followed between the two men over business matters.

Judge W. W. Nelms, counsel for the defense, said that a motion for a new trial will be filed immediately.

NEBRASKA WINS VALLEY MEET

LAWRENCE, Kan. May 27.—Nebraska won the Missouri Valley outdoor track and field meet here Saturday with a score of forty-nine. Kansas was second with thirty-four points and Oklahoma sixth with one point.

SPEEDWAY IS READY

Eddie Rickenbacker To Start Indianapolis Races—Four Former Winners Are Race Entrants

INDIANAPOLIS, Ind., May 27

When starter Eddie Rickenbacker opened the 1922 season in Sweetwater, he opened it with a bang. The speedy action that greeted the start of the 500-mile drive of 93.34 miles per hour made by Ralph De Palma in a Mercedes in 1915 will be shattered by the smaller cars in vogue today.

The drive will be a "bone wolf" at fair, for there will be little or no teaming. Every driver either owns his car or has leased it and shares only in the prize money earned by the car he is driving. So pooling is eliminated and it is a case of win something or get nothing.

There will be two distinct styles of driving, however. One set of pilots will attempt to get out in front and stay there for the entire distance, as De Palma did in 1915. Others will try to hang back at a slightly slower pace, but be in a position to close up the gap and step into the positions they believe their fast drivers will create as their cars break up from the tugging pace.

There are four former winners in the drive and each is after the coveted honor of winning twice, a feat that has never been performed. Jules Goux, French, winner in 1913. Ralph De Palma, Italian, winner in 1915; Howard Wilcox, 1919 victor, and Tommy Milton, last year's winning pilot, are all entered.

There are several youngsters in the running. Harry Hartz, who flashed into fame since his first drive last Thanksgiving day and Peter De Paolo, nephew of Ralph De Palma, are among the younger set.

Rather Neat, Doncher Know!

While Jack Dempsey was in Europe, he acquired the monotic habit. This shows the champion—and his monotic habit—after landing in New York.

NEGRO ASSAILANT SHOT TO DEATH

Harris, Father of Woman Assaulted By Black, Kills Prisoner After His Recognition is Made

CHARGES ARE NOT TO BE FILED

Burns Body—Later Dragged Through Business Section of Town—Tenth Lynching

The United Press. WACO, May 27.—In all probability there will be no charges filed against Sam Harris, father of Mrs. George Hays who shot and killed Jesse Thomas, a negro, after the black had been identified as the man who had Harold Bolton and attacked his companion.

The man who assaulted Mrs. Hays had been identified as Jesse Thomas, a negro, who had been identified as the man who had Harold Bolton and attacked his companion.

Following this demonstration the mob dispersed and the town is again quiet. This incident is the tenth lynching that has taken place in Texas in May.

CHAUTAQUA OPENS TODAY

Opening performance begins at 2:30 P.M.—An Appropriate Number

The Redpath-Horner Chautauqua will open its 1922 season in Sweetwater at 2:30 o'clock this afternoon with an appropriate program fitting the day and occasion. This system comes to Sweetwater highly recommended from other towns, where it has appeared this season, and is reported to have one of its best programs of the season.

Hundreds of tickets have been distributed by the business men of Sweetwater to their friends in the surrounding Sweetwater area to the residents of nearby towns. These tickets are good only to those who live outside the corporate limits of Sweetwater and can only be used at the opening performance Sunday afternoon. Meet your friends in Sweetwater Sunday and enjoy yourself.

Proclamation

Whereas Decoration Day is a day now loyally observed throughout our nation as well as in many other lands;

And Whereas observance of this day is but just recognition of some of the facts of history and of the causes and ideals for which thousands of our patriotic fellow citizens have offered up their lives in their country's altar;

And Whereas since the World War and the ideals for which our country entered that contest have been won, Decoration Day has a bigger and a more sacred meaning for mankind.

Now, Therefore, I, George Sheppard, Mayor of Sweetwater, Texas, in recognition of the observance due the day and of the spirit that should imbue every American citizen to observe things patriotic, hereby call on every person engaged in secular business, to close up his place of business on May 30th, 1922 from 9 a. m. to 11 p. m., and along with every other citizen, as far as practicable, to attend the ceremonies of that day to be held under the auspices of Oscar McDonald Post of the American Legion Park in Sweetwater, in which has been planted a tree in commemoration of every Nolan County boy who lost his life in the Great War.

In witness whereof, I hereto set my hand and official seal, this, the 26th day of May, A. D. 1922.

GEORGE H. SHEPPARD, Mayor of Sweetwater, Texas.

POP BOYS' CREW WINS TWIN BILL

Local Aggregation poured it on the Eagles to the Tune of 6 to 4 and 6 to 2.

MASON ONE HOMER A GAME

Registers in Each Tilt—Sheppard Slams Three-bagger—Several Two-baggers Marked Up

Special to The Reporter. ABILENE, May 27.—The Sweetwater Swatters won both ends of a double bill here today from the Abilene Eagles. The first game being 6 to 4 and the second 6 to 2. Mason featured at bat with a homer in each game. The decision of umpire Davis found considerable disfavor with the fans, and soda pop bottles were thrown into the field at the conclusion of the game.

ROBY SHOW BURNS

Flames Cause \$3,000 Damage in Fisher County Seat—Kirk Allbright Burned

Special to The Reporter. ROBY, May 27.—Fire destroyed the Colonial Theatre here tonight with a loss of approximately \$3,000. Hard work on the part of the volunteer fire department prevented the blaze from spreading, saving the Roby Garage, adjacent.

The fire started from the film which was being shown at the time and Kirk Allbright operating the machine was badly burned about the face and hands while trying to extinguish the flames.

The theatre was owned by Kirk Allbright and J. C. Hilburn and was filled with the usual Saturday night audience when the fire started about 9 o'clock. It was under control in about thirty minutes. The bucket brigade and chemical engine performed valiant service.

WELLS DEFEATS GODDARD

LONDON, May 27.—Frank Goddard, former British heavyweight champion, was knocked out by Bombardier Wells another former champion in the 6th round of a scheduled fifteen round bout.

The wood of 500 trees must be manufactured into paper to provide material for the publication of a novel that reaches the circulation of 25,000 copies.

(Additional sports on page 2)

FREIGHT CARS DERAILED

Six freight cars were derailed west of Toyah Saturday morning when a journal on a freight car burned in two. Several feet of track were torn up but no one was injured. Number 5, eastbound passenger train of the T. & P. arrived late in Sweetwater Saturday night as the result of the freight wreck.

MINE LEADER ACQUITTED

CHARLESTON, W. VA., May 27.—A verdict of "not guilty" was returned in the case of Bill Blizzard, who was charged with treason, in the first of the West Virginia mine war hearings. The verdict was returned late Saturday night after a careful consideration of the evidence submitted in the five weeks trial.

SWATTERS ALLOW She Spurned A Samoan Chief SPLIT IN TWIN BILL

Pop Boy's Aggregation Takes First Spasm With Eagles Friday — Drops Second.

GRESSETT IS WINNING PITCHER

Errors Help Richburg In Letting Abilene Count In The Second Frame 4 To 3.

Special to The Reporter.

ABILENE, May 27.—Charlie Gressett led the Swatters to a neat victory over the Abilene eagles in the first game of Friday's double-header. The score was 8 to 3. Gressett kept his hits well scattered and with a commanding lead let up slightly in the ninth when the home guard got to him for a pair of useless runs. The hitting of Frierson, Gressett and Sheppard, a new infielder from Anson, was the features of the first game.

Murry Richburg, pitted against Edgar in the second affair, was very stingy with his hits, giving up but four, but was touched at appropriate time and with the aid of four misplays by his team mates lost a hard 4 to 3 contest.

The two clubs play another twin bill today and wind up the series with a single game on Monday after which the Swatters journey over to San Angelo for a flock of games.

SAN FRANCISCO, May 27.—For subtle courtship, girls hand the trophy to his majesty the Samoan chief!

Miss Catherine Keppie, pretty California girl, who has just returned from Pago Pago, Samoa, knows. She unwittingly became engaged to wed Chief Pellisier and only the sailing of a trans-Pacific liner broke the troth.

"I was accustomed to the rather straightforward, blunt methods of the American men," she explained in relating her experience here. "And hence I was unprepared for what happened."

"When we visited Pago Pago, the chief invited myself and some shipmates to a party. I'll admit here, that in his peculiar fashion Chief Pellisier was a good scout. "I noticed—for women no those things quickly—that he had attracted to me, but such conversation as I could understand was very formal."

"Upon the third meeting I went to his tribal hut and he called a native to bring a coconut. This broke formally and handed me. Of course I drank the milk and broke into a joyful laugh. Immediately he hung two strings of sea around my neck."

"To my amazement I found at this was both a proposal and engagement ceremony. "My friends told me about the ceremonial when I returned. The chief expected me to go through with it. I was much frightened and left on the next boat."

going to stage three doubleheaders to run up our average with the running is easy. Abilene Eagles Report.

Cells in the Funny Factory are said to be overflowing? Boy, you can't even think that. And to think that the thing was printed on YELLOW paper! Some folks surely do raise funny children.

About the time Jimmie Flagg was made manager at Ranger old Hank Baldrige was given the pink slip. In fielder Bellah also got his walking papers. Evidently Jimmie intends cleaning house and it must be admitted that he is making an excellent start.

Sheppard, the grasshopper infielder from Anson, again joined the Swatters Friday and will attempt to fill the well known "yawning chasm" at second base. Ho, hum, as Pop Borne would say, how we yearn for Paul Obst. Slow going but steady "put-out Paul" would certainly look good in there now.

San Angelo beat Amarillo Friday. But that doesn't mean anything.

Can you imagine five umpires working in a class X league? Tim Price and four guessers are at present on the payroll. What is a couple of hundred berries to a loop that is burdened with an excess of filly lucre?

Everybody is going to Abilene today. They want to see those "eight scrubs" run till they get freckles in their tongue. Don't forget, Abilene is only ten kilometers out of Tye and baseballically speaking, about the same size. Zowie!

Another thing. The open season on umpires begins today.

THIS TIME LAST YEAR

Willie Hunter, Englishman, on the British amateur golf championship defeating Allen Graham 12 and 11. Mad Hatter won the Metropolitan Handicap at Belmont making a new record of 1:37 2/5 for the event.

NOTICE OF SALE.

The State of Texas, County of Nolan:—

Notice of Sale of Four Automobiles.

Whereas we the undersigned mechanics, laborers and material men, who furnished labor and material in the repair of the herein described automobiles, have for the past more than seventy days retained possession of certain personal property belonging to T. S. Rominger, of Rotan, Fisher County, Texas, described as follows, to wit:—

One Dodge Sedan, Model, Five Passenger, One Five Passenger Chandler Car, One eight cylinder, Oldsmobile, One five passenger Overland, being the same cars now in our possession, and which were retained and held by the undersigned as they were empowered to do, to secure their charges amounting to Three Hundred Eighty-eight & No/100 Dollars, and the storage charges against said automobiles, and charges for labor and material having been due for more than seventy days past, as per contract between the said T. S. Rominger, and the undersigned, and such charges being also the reasonable, usual and customary charges for such services and material so furnished; and whereas, the said T. S. Rominger, though duly notified as required by law on the 20 day of April A. D. 1922, to come forward and pay such charges, has failed and refused to do so: Therefore notice is hereby given that after the expiration of twenty days from this date to wit on the 6th day of June A. D. 1922, being the first Tuesday in said month of June, between the hours of ten o'clock A. M. and 4 o'clock P. M. at 314 Oak Street, in the city of Sweetwater, in Nolan County, Texas, being the most convenient place to display and exhibit said property to purchasers, at such sale, we shall sell said property at public sale, following the manner of sale under execution, and apply the proceeds to the payment of such charges, and such storage charges as may accrue, and may have accrued against such property, any balance to be turned over to the person entitled to the same.

Witness our hands this the 9 day of May A. D. 1922.

WANT to hear from owner having farm for sale; give particulars and lowest price. JOHN J. BLACK, Texas street, Chippewa Falls, Wisconsin.

BY BERTON BRALEY. THE boys who play the ponies. The lads who buck the wheel. The men who rig the market. In railroads, mines or steel. May seem like reckless gamblers. And yet their ways are tame. Compared to all the chances of The Farmer's daring game!

HE gambles with the sunshine. He bets upon the rain. He shoves his stack around the board. With all to lose or gain; Against hail, frost and tempest. He coolly lays his odds. While from the daylight to the dark. He plows and tills the cloids.

HE bets his time and labor. His everlasting toil. Against the locust and the worm. That make his crops their spoil; Each year he risks his fortune. His strength and thought as well. Upon a shifting market. Which no man may foretell!

THROUGH all his life he plunges! A gambler unafraid. His bets with nature and with man. Upon the board are laid; Upon the very wheel of fate. His wagers bold are hurled— The greatest gambler of them all. Who feeds a hungry world!

PRINTER'S INK PROVES POWER

Hupmobile Distributor is An Ardent Booster For Newspaper Adv.

It required just one small display advertisement in 15 local newspapers in Western Texas to sell 32 1922 Hupmobiles, according to J. R. Overstreet Hupmobile distributor for this territory with headquarters in Fort Worth.

"It has been an eye-opener for me," declares Overstreet, "and I am thoroughly sold on newspaper advertising from now on. Not only did we sell 32 Hupmobiles the week following the insertion of this advertisement, but we secured several very good dealers to handle the 'Hub' in their local territory. We still have a few

good openings for live and any business man tie up to a real account advantage of this opportunity on a line of cars that re

"ACE OF HEARTS CO

New Photoplay Has Lon Chaney Leading

Gouverneur Morris, the Eminent Author, who wrote "The Penalty" and "A Tale of Two Cities" has succeeded in adding another successful story to his Goldenwyn play with the production of "Ace of Hearts" which will be shown at Queen Theatre Monday. The author has expressed as fortunate in having such players as Lon Chaney, Leah and John Bowers in the leading roles. Mr. Chaney will be remembered for his uncanny impersonation of less criminal in "The Penalty" and "The Penalty" in "Ace of Hearts" his role is that of a dreamer, that he will not even stop at to reform the world. The story itself tells of the attempt of a group of reformers to rid the world of men who have

the weak and helpless. Their eyes, have been social criminals matter how rich and powerful criminals may be. The only member of the group is pay Leatrice Joy and she is quite as with one of them. From this the story is one of self-sacrifice which many of the members that their aims may be good their methods futile. See Kirkland, Edwin N. Wallace Wardlaw complete a carefully selected cast. Wallace Worsley "Ace of Hearts" and achievement unusual effects in staging atmospheric background.

"ACE OF HEARTS CO

Senior Class will present "Clar

a three Comedy by Booth Tarkenton at the Lyric Theatre Monday evening. An all star cast has selected from the class which has some of the best amateur actors in the city. Several have entered Sweetwater audiences before their efforts Monday evening will see any thing of the sort they attempted before. The story of the play centers around an army mule driver who had a bug inspector and has a queer experiences in connection with a goggled-eyed botanist. There is a love story of course to see the play which furnishes an opportunity for some good acting. The comedy too, and places for a good laugh.

ACE OF HEARTS

BY GOUVERNEUR MORRIS

Though they fled to a secret mountain retreat, they could not escape the dreaded symbol of death. How the surviving member of the band exacts his revenge is one of the unusual twists of this stirring melodrama.

Who Won The Battle of Jutland

The most stupendous battle of modern times when the great fighting machines of the German High Seas Fleet under Von Scheer assayed the demolition of the English fleet.

Just what happened in the misty wastes of the North Sea off Jutland? Shrouded in mystery—with a terrible toll in lives and ships—the Battle of Jutland was one of the most thrilling events of the great war. Be sure your children see it. A great educational film of gripping interest.

Ideal Laundry Service

The installation of a Water Filter and a new dry tumbler has improved the good service rendered by this laundry very much. The Water Filter takes all the dirt out of the water, filters it clean. The tumbler dries the clothes first by a stream of hot air and then by a stream of cool, fresh air, direct from outdoors. Come and let us show you how it works and the splendid results it achieves.

Just a few of the reasons for sending the family drudgery to the laundry. It isn't drudgery here where we have the machinery to take care of it.

CURSING OR BLESSING Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the Lord.

Blessed is the man that trusteth in the Lord, and whose hope the Lord is. Jeremiah 17: 5, 7.

GLOOM FOR THE G. O. P.

Probably no President of the United States has ever had occasion to view with dismay a greater revolt within his own party than that which confronts Mr. Harding. The result in Indiana was sufficient to give alarm, but the bloody defeat of the most powerful Republican machine in the United States, that in Pennsylvania, is almost tragic in its forecasts and portents. The machine has gone down to defeat before one of the most pronounced leaders of the progressive movement of 1910-12. Gifford Pinchot, the friend of Roosevelt. Probably in all the history of machine politics there has never been an organization more unscrupulous in its methods or more saturated with graft. Only a few years ago it was shown that one ward organization in Philadelphia, in the insolence of its power, had registered and voted a saloonkeeper's bulldog, thinking, doubtless, that it was a fine jest at representative government. But the dog probably cast as patriotic a vote as the ward boss himself was capable of. It also came out in the same investigation that the ward leaders, in order to return certain majorities which they were expected to maintain in the city cemeteries in order to get lists of fictitious voters. Mrs. Penrose, whose last act was to force Harding's nomination, is dead. It looks like his Pennsylvania machine is also ready to be confined.

EDUCATION AND SUCCESS

A class of over fifty just now concluding the four years' high school course here have the all important problems of life yet to solve. What attitude they take in the next few years will likely determine the success they will attain. With an aim and an ideal as theirs, much may be gained, but for the drifter, there can be but little. How long to rise to the top of the ladder, is the question uppermost in the minds of these young folks on the threshold of life. It is partially answered in the claim of a Harvard Business College that its graduates usually reach an executive desk in six months.

New Light on Batteries

"Since all batteries look so much alike on the outside, how am I going to tell which one has the most value inside?" That is a practical every-day question—and it has a simple every-day answer. What greater assurance could you possibly have than the following combination of facts: 1—Extraordinary quality in the battery itself, as shown by the choice of the Willard Rubber Battery as standard equipment by the manufacturers of 173 cars and trucks. 2—A national wide organization to serve you. 3—A record for city and service during back country trips. 4—Supremacy of the Willard Battery.

You don't need a formal invitation. Come in any old time and get some new light on this battery question. SWEETWATER BATTERY COMPANY. Phone 346 Phone 346 Willard Batteries

usually reach an executive desk in six months.

The average successful business man will look back and recall that it took him from 2 to 3 years to become an executive after leaving high school and striking out for himself.

Young men, now graduating and ready to begin the battle of life, can make a short-cut to success by realizing that this is an age of specialization, with victory quickest to the man who trains for a definite goal. Drifters usually fail.

GLOOM CHASERS

Price war in tobacco trade will save cigaret users \$60,000,000 this year, says C. A. Whelan, president of United Cigar Stores. He says the retailer now is in control of the tobacco situation, having passed the burden to the manufacturer, who had control a year ago.

First coal strike settlement, by union district miners and operators, results in return to work of 3000 strikers in east Tennessee and southeastern Kentucky. The mines affected by this settlement have a combined capacity of only 60,000 tons a week.

General coal production rising very slowly, though jobbers report sales growing heavier. Prices are up, following competitive bidding by steel manufacturers, seeking coal to replace the shut-off Connellsville supply.

Domestic buying of copper is more than a third bigger than a year ago, but exports continue in same volume as 1921.

Copper stocks (stored above ground) now about 625,000,000 lbs. compared with 800,000,000 pounds January 1.

Heavy buying of equipment by railroads continues. New business booked by Baldwin Locomotive Works so far this year is a third bigger than corresponding period of 1921. This company, however, still is at only a third of capacity.

Only an eighth of Germany's total exports are coming to our country. Holland continues as Germany's largest customer.

Big spurt is under way in American foreign trade. March exports totaled \$332,000,000, against \$259,748,000 in February.

Food made up 29 per cent of March exports. Tonnage of 29 leading export commodities in March was 7 per cent more than the average in 1913.

March rubber goods exports gained two-thirds over February.

Government estimates world will consume 21,000,000 bales of cotton in the trade year ending next July 31, getting back to the pre-war level for first time in five years. The world carry-over into next season also is estimated in advance at 8,000,000 bales, or normal.

SENIOR CLASS RECEPTION

One of the most enjoyable of the numerous school affairs given this year was the beautiful reception given the Senior Class of the High School and a few of their friends Thursday evening at the home of Mr. and Mrs. C. E. Hiale on Cedar Street.

The party was given as a special compliment to Misses Pauline Clary, Me rose Myers, Laura Sheridan, Kemble Roy, Ethel Harkins Audie Davis, and Gifford Cox. Kirby Kinsey Weldon McGlaugh who formed the receiving line with Mrs. Halle, Mrs. F. L. Hutchinson, Mrs. Vinson, Misses Katharine Poffenbach, Ada Halle Mr. and Mrs. Chapman.

The reception rooms were adorned in a most artistic manner, featuring the Senior Class colors of purple and white. Ribbons of purple and white formed a pretty arch between the living room and dining room and were draped over windows and curtains. In the dining room was noted the clearest decorative scheme of all. A high trellis of white entwined with roses and ferns filled a whole corner of the room and the ribbons wreaths continued over windows and doorway forming a pretty nook which half hid the "Cuthbirth Orchestra" who gave number after number throughout the evening. The Orchestra is formed by Mrs. Cuthbirth who plays the piano and her four gifted daughters, Misses Eulalie, Lucy, Lady Betty and Dorothy who played 1st, 2nd and bass violins. Cello and sometimes a tambourine. The music was castly the feature of the evening. Others giving piano numbers were Misses Edith Moody, Mable Johnson, and Laura Sheridan, during the refreshment hour. Several songs were also sung by the class. Miss Katherine Poffenbach contributed to the evening's pleasure with a well rendered reading which was doubly enjoyed after her year's absence from the city.

A program of toasts was also an enjoyable feature of the evening. Mrs. Vinson acted in the capacity of Toast Mistress and introduced each speaker with a few appropriate remarks. The toasts and speakers were as follows: "Superintendent Chapman" — Miss Ethel Harkins: "How often some passing word will tend, in vision to each of you recall, to all."

Your Dear old "Appreciation of them, He also thanked them heartily for the lovely Sweetwater souvenir spoon with a picture of the High school building engraved in the bowl which had been presented to him by Miss Harkins for the class. "Our Sweet Girl Graduate"—Mrs. L. C. Vinson: "Here's to the Sweet Girl Graduate. This is her season of the year. In her this is centered more than the mere interest bearing upon her record in the classes from which she graduates. There never was a time when Woman was more surely an active factor in the civilized world, as in the year 1922. Whether the "Sweet Girl Graduate" prefers the quiet life of home, the life of an artist, or a professional career, the way is open for her to choose with the same freedom as that accorded her brother. Your preparations for these new obligations have just begun. Let your High School Commencement be an on-door way through which you pass upward and upward until you are equipped to meet your destiny in life with courage and intelligence: Here is joy and gladness to you. We drink to the sparkle in your eyes—to your ruffles and laces—Oh, out you, our sweet little—pretty little—dear little girl graduate. Miss Edith Moody responded to Mrs. Vinson's toast as follows: "In response to your toast, expressing your high estimate of our value, we thank you. May we realize the blessings and privileges accorded up by the glorious age in which we live and may we fulfill the expectations of our friends. In behalf of the girls of class 1922, I thank you. "Our Hostess"—Mrs. F. L. Hutchinson: Here's to our hostess—so good and true. Here's to our "Good Angel"—And here's looking at you! A large bouquet of roses and ferns was presented to Mr. and Mrs. Chapman by Mrs. Vinson at the close of the program of toasts for Mrs. Halle, Misses Francis Fitzgerald, Brilla Halle, Willis and Ruth Davis, wearing dresses of white and sashes of purple served the refreshment plates holding a delicious salad course, prettily arranged. Miss Pauline Clary, class Salutatorian, presided over the punch bowl and served delicious ice cold fruit punch throughout the evening. As a tribute of love and respect and an expression of appreciation, the class presented Mrs. Halle a large photograph of the entire class beautifully framed with a Rahl, Rahl, for fully framed with a Rahl, Rahl, the "Fairy Godmother" of Class 1922.

We'll drink a toast to all. We'll wish him success and health. Class of 22—wish him health and wealth. A happy vacation to you, dear. A good location and through the "Class 1922"—Mrs. "When you essay will to train the world as I wish you health and And as the years creep Each hopes to become a doctor. I drink to you, with a The class—of 1922. "Our Valetictorian" We cannot tell just that All who know you pay. It is not you—beauty power to sway. We cannot escape you haven't mad Your sunshine and a brought good of Your power for good a bathy our trouh Though school days are ness over me at This only commencement good-bye—to our I. "Our Musicians"—Mr. His toast was a beautiful Mrs. Cuthbirth and her hers. Music as a "Divina praised and commended refining Art. Mr. Chapman opportunity to respond takes toast and to tell the class

MISS MORROW'S RECITAL
Miss Christine Morrow, presented her piano pupils in recital, Thursday evening at the High School Auditorium before a representative audience composed of parents and friends of the class. Miss Morrow has had an interesting case this year who have done good work and the rendition of their music clearly reflected the careful training they have received. Their interpretation of even the most difficult selections were beautiful and left nothing to be desired.

EASTERN STAR ELECT OFFICERS

New Officers Chosen At Tuesday Evening's Meeting.
The election of officers for 1922-23 was the main feature of the Eastern Star meeting Tuesday night. Officers chosen were as follows: Worthy Matron Mrs. R. C. Crane; Worthy Patron, Mrs. J. J. Erwin; Associate Matron, Mrs. Tom Moore; Conductress, Mrs. M. C. Manroe; Associate Conductress Mrs. Royal Headrick; Secretary, Mrs. M. D. Willis; Treasurer, Mrs. J. D. Dulaney. These officers will be installed June 20th, the next regular meeting of the order. Mrs. Roach, Grand Worthy Matron of Texas, will visit the local Order on June 15th when a class of new members will be initiated.

BIRTHDAY PARTY

Even though this has been an unusually busy week for the grownups the little folks have had their share of the "Good Times" too. When 3 p. m. noon at the home of little Jimmie Louber of them gathered Tuesday afternoon and assisted her in passing her fifth milestone. Each little friend remembered her with pretty birthday gifts which was the best part of the party for the little hostess. All kinds of jolly games

were played on the lawn and the big porch. Music was also enjoyed. The crowning joy of the party was cutting the big birthday cake for its fortunes after the five little pink candles were blown out. John Barry Hubbard cut the ring. Leona Ruth Butler, the dime and Jimmie Lou Coughran the button.

With the cake was served ice cream to the following guests. Joan Bowen, John Barry Hubbard, Alden Buree, Leona Ruth Butler, Martha Carter, E. Q. Daniel, Jr., Josephine and Geraldine Fitzgerald, Jim Boothie, Louise Toler, W. E. Wade Jr., Johnnie Watson, Edna Yarbrough, Mary Ann McClark, John Dalton Moore, Jr., L. A. Ritter, Jr. Claire Marie Doak.

MAXWELL IS HOME CAR

Only One Shown At "Own Your Own Home Exposition" in New York.

At the "Own Your Home Exposition" recently held in New York City, the committee in charge paid a high honor to the good Maxwell when they selected it as the only car to be exhibited at the show. "This is a fitting tribute to those qualities of the good Maxwell which will make it essentially a car of the home," commented Hubert Toler, local Maxwell dealer, upon hearing that the good Maxwell had been chosen to represent the entire automobile industry at the exposition. "The moderate price, the beauty, the comfort and roominess, the reliable low-cost service for which it is noted, stamp the good Maxwell as the logically ideal car for the family. It is the finest equipment to a complete home. And the decision of the executive committee of the exposition to include a line of motor cars among the exhibits, is recognition of the great importance of the automobile as a means of trans-

TEXAS LEADS AS ONION PRODUCER

Ranks With California And Florida As Shipper Of Early Vegetables To Northern Points.

SHOWS BIG INCREASE OVER 1921

Total Amount Of These Crops Estimated To Be Valued At \$6,000,000.

Special to The Reporter.

DALLAS, May 27.—Texas will ship upwards of 15,000 car loads of early vegetables this year, according to figures compiled by the Texas Chamber of Commerce from various government and private reports. This figure does not include the heavy shipments of later vegetables and other small crops, which will bring the probable total to 60,000 car loads for the year.

TEXAS KEEPS AHEAD.

During the past few years Texas has kept ahead of Florida and California as an early shipper to northern and eastern markets. According to recent government reports, Texas had, up to the close of April, shipped approximately 10,000 car loads of cabbage, onions, spinach, white potatoes, straw-

berries, and mixed vegetables of the 1922 season, and government estimates show that approximately 9,000 more car loads of these products will be of the early market season. This is an increase of 2,000 car loads over shipments to April 30th of last season, and government statistics show that the total early vegetable production in Texas will run about 7,000 car loads ahead of the total production of approximately 11,000 car loads last season.

Texas has shown a large increase in cabbage production over the past year, 3,596 cars having been shipped to the close of April as against 1,646 to the same date last year. The production of cabbage this season will run upwards of 5,000 car loads as against a production of 1,671 car loads last year. The early cabbage production is practically all in the lower Rio Grande valley.

Texas is the premier Bermuda onion shipping state in the union, and this year's crop shows an increase over that shipped previous to April 31st according to government reports as against 2,104 cars of the same date last year. The 1922 production of onions is estimated at 4,400 car loads as against the production of 4,208 car loads last year. Texas onion crop is grown largely in Webb county near Laredo.

The early potato movement has begun with the shipment of several hundred car loads. The total production for this year is estimated at about 1,573 car loads which is slightly larger than the production of last year. This includes the extremely early potatoes of the lower Rio Grande valley and the Gulf Coast country below Houston, as well as the crop which comes on slightly later in the East Texas territory.

The tomato production of Texas is also split in two crops, one of them coming from the Rio Grande valley very early in the season and the other following later from the East Texas territory, but coming far ahead of the

tomato crop of the north. It is estimated that Texas crop comes to some 1,100,000 bushels, enough in the season to be 600,000 bushels as table stock. Both territories: Crawford and Clayton; sections of Texas will show a decrease of production this year. The Rio Grande valley will according to government estimates Houston approximately 1,167 car loads season. 778 car loads last year. Conditions change conditions change conditions, Glazie and Eifert; Slight East Texas, that territory will Lingle. over 3,000 car loads of tomatoes year as against a production of 1,171 car loads last year. Though Texas does not report among the states as a shipper, Flaherty, Perryman, Lee berries, yet the Lone Star territory, Slattery and D. Barnes. nishes more of this product than the average citizen. state would guess. The production year will be approximately 880,000 bushels in 1921. Outside of the above more vegetables, there has been from the state this season, at San Antonio loads of mixed vegetables as a shipment of 1,078 car loads. The total shipment of 1,078 car loads last season. The total shipment of 1,078 car loads last season. The total shipment of 1,078 car loads last season.

STUDENTS GIVE RECITAL

Mrs. F. L. Hutchinson presented pupils in a recital at the High auditorium Saturday night. The was a simon-pure success from angle and bore evidence of the with which the children were trained.

The Announcement That

S. & H. Green Trading Stamps

would be given with each purchase of 10c or over in this store brought us many expressions of pleasure from pleased patrons—especially from those who were acquainted with the merits of the S & H. Green Trading Stamps from other cities! Many people of Sweetwater are of course unacquainted with this plan. It is simply this: When you purchase merchandise at this store, we give you stamps in proportion to the amount of your purchase. These stamps you paste in a little book we give you free. The premiums require more or less stamps, according to the article. When you have saved enough stamps to acquire the article you want, simply come here and exchange your stamps for it. No red tape, no waiting. We expect to carry a full line of premiums at all times. The stamps cost you not one red cent extra. It is simply a sort of cash discount that all cash purchases are entitled to receive—and which all merchants receive. And a token of appreciation for your patronage.
