Black-Draught Found Valuable by a Texas Farmer, Who Has Known Its Usefulness Over 30 Years.

Maples, Texas.—"I have used Thed-fort's Black-Drr.ight for years—I can sately say for more than 30 years," de-clares Mr. H. H. Cromer, a substantial, well-known farmer, residing out from here on Route 3.

here on Route 3.
"I am 43 years old, and when a small boy I had indigestion and was puny and my folks gave me a liver regulator. Then Back-Draught was advertised and we heard of it.

"I began to take Black-Draught, and have used it, when needed, ever since. I see Black-Draught now in my home, aid certainly recommend it for any liver

"I have given it a thorough trial, and after thirty years can say Black-Draught is my stand-by. It has saved me many sick spells."

Mr. Cromer writes that he is "never out of Black-Draught," and says several of his neighbors prefer it to any other liver medicine. "I always recommend Black-Draught to my friends," he adds.

This valuable, old, powdered liver medicine is prepared from medicinal roots and herbs, and has none of the bad effects so often observed from the use of calomel, or other powerful mineral drugs.
