AIR RACES TO BE HELD AT ST. LOUIS

Superairplane of The United States Army Will Be On Exhibition at International Meet

MORE THAN 200 ENTERED

Italy, France, Canada, Mexico And The United States Will Be Represented

By The United Press.

ST. LOUIS, Sept. 25.—The Barling bomber, superairplane of the United States army, whose initial flight at Wilbur Wright Field, Dayton, Ohio, attracted wide attention, will be on exhibition at the International Air races to be held here October 1-3.

General Mason M. Patrick, chief of the Army Air Service, has promised that the plane which is the most powerful in the world, will fly to St. Louis for the air meet and aeronautical exposition. It is planned to have daily exhibition flights.

More than 200 airmen are expected to participate in the races. Italy, France, Canada and Mexico will be represented, and efforts have been made to induce other foreign fliers to enter. The cash prizes and trophies, respectively \$13,000 and eight cups, will be awarded the evening of October 3.

The third National Aero Congress will be held in connection with the races, and secretaries Weeks, Denby and Hoover, postmaster General New and General Pershing are expected to deliver addresses.

In an effort to retrieve its laurels, the navy has nominated only its speediest craft and most experienced fliers and will have two new planes entered which are expected to develop a speed of 20 miles an hour. It is asserted.

General Patrick has advised the committee that among the army entries will be the two Curtis racers and the Verville Sperry, which were in last year's races at Detroit.

Mrs. Bayala Dale Hornbush of Kansas, who recently set a new altitude record of 16,366 feet for women, was one of the first formally to announce her entry. She will compete in the "On-to-St. Louis Race," an event for civilians who will fly their planes here from various parts of the country.

The principal event of the meet will be the Pulitzer Trophy race, in which fliers will contest for \$1,000 in cash prizes and a trophy, which is the emblem of superiority in the air so far as speed is concerned. The trophy now is held by Lieut. Russell Maughan of the U. S. Army. Entries in the Pulitzer event include:

Brack-Papa, Italian, Flying Fiat racer.

First Lieutenant A. Pearson, U. S. Army, Verville-Sperry racer.

First Lieutenant J. D. Corkill, U. S. Army, Curtis racer.

First Lieutenant W. Miller, U. S. Army, Curtis racer.

Lieutenant S. W. Callaway, U. S. Navy, Wright racer.

First Lieutenant L. H. Sanderson, U. S. Marine Corps, Wright racer.

Ensign A. J. Williams, U. S. Navy, Curtiss racer.

Lieutenant H. J. Brow, U. S. Navy, Curtiss racer.

It is expected that a speed between 210 and 250 miles an hour will be attained in this event.

In addition to the regular three-day program, exhibitions will be given of various types of aircraft which recently have won distinction, such as the Barling Bomber and the ZR-1, first American built Zeppelin. Both of these recently have made their maiden flights.

What is described as the greatest searchlight in the world will be mounted at the flying field, and will throw its rays 60 miles.

GRANT INJUNCTION

Knights of Kamelias Restrained By Imperial Wizard Evans

By The United Press.

AUSTIN, Sept. 25.—The temporary injunction reported granted yesterday by Federal Judge West at San Antonio, was served on officials of the local Chapter of the Ku Klux Klan here today by representatives from the sheriff's department.

The injunction seeks to restrain local officials from further degree work for the Knights of the Kamelia. It was granted on the petition of Imperial Wizard H. W. Evans of Atlanta.

RECONVENE GRAND JURY

Error in Indictment of John Smith, P. Hinger Negro

Special to The Reporter.

BALLINGER, Sept. 25.—The grand jury for the present term of district court was called together again Monday afternoon to reindict John Smith, the negro charged with the murder of F. J. Kuhn near Rowena a short time ago. A technical error was discovered in the first bill returned against the negro, but it was discovered before the case was set for trial. It is not expected that any delay in the trial of the case will be caused by the technical error, and the negro will be arraigned for trial on Monday, Oct. 1st.

PROTESTS SALE OF POWER PLANT

Representative Oliver of Alabama Says Alabama Power Co. Will Not Be Permitted to Rob Farmer

WITHOUT INFORMATION ON SALE

War Department Has Not Heard From Henry Ford Relative to Gorgas Power Plant—in Maine

By The United Press.

WASHINGTON, Sept. 25.—The War Department was without information today from Henry Ford concerning his future intention with regard to Muscle Shoals, it was stated today at the office of Secretary Weeks. Weeks denied he had received any statement from Ford relative to the elimination of the Gorgas Power plant from the Ford offer to lease Muscle Shoals from the government.

In a vigorous protest against the sale of the plant to the Alabama Power Co., Representative Oliver from Alabama declared the War Department had hurried into a sale in spite of the contract with the government to supply power up to June 1924.

In spite of the sale of the power plant, the congressman declared that Ford and his friends would see to it that neither the Alabama Power Co., nor any interest allied to them would get Muscle Shoals and thus destroy the hope of the farmer for cheap fertilizer.

TO ADD TEACHERS

High School Faculty to be Enlarged Owing to More Students—Rives Issues Statement on Discipline

Two more teachers have been engaged in the High School faculty; made necessary by the large additional registration. The engagement of the two additional teachers, will, according to Superintendent J. Stone Rives, prevent a recurrence of a disturbance in the study hall Monday, caused, he said by an insufficient number of teachers to provide one to take charge of the period.

Mr. Rives made the following statement:

The breach of discipline which occurred yesterday at the High School during the Fourth Period Study hall such as might have occurred anywhere under similar circumstances. I desire the public to know that we are and have been running two teachers short in the High School. One has now been secured and the employment of the other pending. I was away on duty, sent by the School Board to negotiate the employment of two more teachers. Every teacher there was on duty at the time but being two short, there was no one for the Study Hall. I especially desire the public for the next few days to be charitable in their judgement and not blame the teachers for a condition for which they are not responsible. When the corps of teachers is full, I am perfectly willing then for any neglect of duty to receive its just recompense of reward.

SHOT; DYING

Father-in-Law, Surrenders And in Brown County Jail; Cotton Row

Special To The Reporter: BROWNWOOD, Sept. 25.—Luther Windham, is in a dying condition as the result of shotgun wounds and W. J. Lewis, his father-in-law is in the Brown County jail after surrendering to officers.

A quarrel over cotton is alleged to have led to the shooting.

WALTON SAYS TO APPROPRIATE \$50 SHOOT TO KILL FOR CLUB EXHIBIT

Orders Militia to Prevent Threatened Meeting of Legislature Regarding Of Measures Necessary

MEETING IS BEING PLANNED

Walton Holds up Million Dollar Road Contract Charging Representative Is in Cahoots Cement Trust

By The United Press.

OKLAHOMA CITY, Sept. 25.—The members of the Oklahoma legislature moved today to hold their extra session scheduled for tomorrow noon in the federal building, according to a story in a local afternoon paper. The decision to arrange for the meeting in the federal building came after an all night session which extended late today following the issuance of an order by Governor Walton to "shoot to kill" if necessary to prevent the scheduled meeting.

Leaders of the legislature were in session with federal officers today relative to the use of the Federal building.

Members of the legislature are continuing to assemble despite the edicts of Governor Walton that all able bodied men between the ages of 21 and 45 must hold themselves in readiness to repulse any attempted meeting of the legislature tomorrow.

"We will be there, we are not children to be intimidated," was the answer of W. I. Cunningham, representative from Sapulpa speaking of the proposed special session.

The troops continued their vigilance today as the zero hour for the special session loomed less than 24 hours away.

With the legislative showdown in sight, the trial of N. C. Jewett, grand dragon of the Klan, was continued for two weeks on request of attorneys for Jewett.

The first kickback of the governor on the legislature came today with the announcement that Governor Walton had held up a million dollar road contract in Stephens County, which was being built with Federal aid. The governor held that McBee was using the influence of his office in the interest of a Cement Trust. The charges will be investigated immediately. It was said.

By The United Press.

SAPULPA, Sept. 25.—Governor Walton's soldiers invaded Sapulpa last night and took down the Klan cross on the hill overlooking the city. In spite of Governor Walton's edict that all fiery crosses must be taken down in Oklahoma, the emblem has blazed forth every night from its commanding position. Recently an attempt was made to dynamite its base but this did little damage.

A captain of militia appeared here yesterday afternoon. Shortly after 9 o'clock a truck containing 10 soldiers drove into town. They stopped at a hotel and asked the way to the cross. Receiving the directions, they set out for the hill and in about 15 minutes the lights on the cross went out.

There has been no other movement here.

WEATHER

Tonight fair, cooler in west portion. Wednesday fair.

Board of City Development at Meeting Monday Evening Votes To Aid Club Show

SECRETARY MAKES REPORT

Data Concerning Building And Loan Project Is Being Gathered—40 To 50 Houses Needed Soon

Appropriation of funds to aid the exhibits of boys and girls of the county to be shown here shortly, discussion of traffic problems, housing shortage and other matters occupied the major portion of the session of the Board of City Development Monday night.

The exhibit is the annual Show of the work accomplished during the year by the members of the Boys and Girls and Women's Clubs under the direction of County Agent W. C. Calvert and Home Demonstrator Miss Mabel Span. Plans to surpass the splendid show of last year are under way. The Board appropriated \$50 to aid in putting over the project. The show will be held Saturday, October 6th.

Secretary McCurdy reported on the Building and Loan project. Data is still being gathered. It was pointed out that 40 or 50 houses would be needed very soon for employes of the technical and other high salaried men connected with U. S. Gypsum Co. The labor to be used in mining which will include several hundred men, will possibly be housed outside the city. Real estate men reported that 50 houses were needed right now to take care of the demand, to say nothing of any future demand from other sources.

There was a long discussion with Mayor Boothe relative to the traffic congestion and parking problems. The mayor reported that Chief Johnson had been instructed to mark diagonals in parking curbs to guide motorists in parking correctly so as to use the minimum amount of space and permit all the cars possible to park. Center parking as practiced in some cities was discussed. This was advocated to permit keeping the curbs clear in front of merchant's places of business but it was pointed out that only half as many cars could park that way.

Carelessness around filling stations was warned against by M. C. Manroe, who stated that gasoline now being sold in filling stations was much better than for years past, with more danger from matches, cigarettes, etc. Mayor Boothe took this suggestion under advisement to see whether or not an ordinance could be drafted to aid in preventing any accident.

FIRST GAME OCT. 10

By The United Press.

NEW YORK, Sept. 25.—The first game between the Yankees, winner of the American League pennant and the winner in the National League will be played at New York Oct. 10. It was announced today.

SPINDLES INCREASE

By The United Press.

WASHINGTON, Sept. 25.—There were 37,430,195 cotton spindles in place during the month of August, 1923, as compared with 34,237,880 in operation during July, the Bureau of the Census reported today.

AGAIN This Week

Thousands of sample copies of the Weekly Reporter being mailed out in a big circulation drive. Business men who want to ride with us in the fall drive for new business will please get copy to us early tomorrow. Lots of cotton money in the country, more coming all the time—and the goose hangs high.

SEND QUOTA

Nolan County's Share of \$300 Japanese Relief Sent to Red Cross

Nolan County's quota of \$300 in the Red Cross drive for funds for Japanese relief has been sent to the Red Cross. Mrs. Wm. Wight, chairman, reported Monday.

Owing to Mrs. Wight's absence from the city a part of the time and the lack of time, there was no formal canvass for funds. The Elks sent in a subscription and the balance was made up from funds in the local treasury. The treasury will be replenished at the Annual Roll Call, Armistice Day, Nov. 11. Mrs. Wight stated. Plans for the Roll Call are now under way.

GERMANY'S STATE PREMIERS CONFER

Fully Approve Abandonment of Passive Resistance as Conference With Chancellor

LOST "WAR AFTER THE WAR"

For Internal Political And Especially Financial Reasons, Policy Must Be Discontinued

By The United Press.

BERLIN, Sept. 25.—The German state premiers, in conference with Chancellor Stresemann here today fully approved the abandonment of passive resistance without further condition.

The official statement issued after the meeting said that "complete agreement had been reached that passive resistance for internal political and especially financial reasons must be discontinued."

Approval of the Rhineland and Ruhr regions had already been given.

It was indicated that this would be the final step before Stresemann formally acknowledged to the world that Germany had lost the "war after the war," and would throw herself upon the mercy of the Allies.

There would be little attempt to try and save the face of Germany, it was indicated, and facts would be told without excuses in the public document to be issued by Chancellor Stresemann.

KILLED BY HORSE

Mertzon Boy Crushed When Horse Stumbles Over Mesquite Root—in Injury Prove Fatal in Few Hours

Special to The Reporter.

SAN ANGELO, Sept. 25.—A crushed chest and abdomen, causing internal hemorrhages proved fatal at 10:20 Monday night to John Hauter, 19, of Mertzon, five hours after his horse, stumbling over a mesquite root, had fallen on him.

The accident occurred on the Iron County ranch of J. D. Sugg of San Angelo, where Hauter was employed.

He is survived by his parents, a brother and a sister.

He was buried at Sherwood Tuesday afternoon.

DIED ENROUTE

C. A. Cross of Canyon Dies in Local Sanitarium After Operation

The body of C. A. Cross will be shipped to Canyon on the morning Santa Fe, following his death Monday night at the Sweetwater Sanitarium. He failed to recover from an operation for appendicitis, which he underwent Sunday.

Mr. Cross, accompanied by his wife and two children was taken sick here Friday while enroute to Canyon from Oklahoma, following a visit to Mrs. Cross' parents.

He had taught school at Silverton and other points for the past few years and had attended Canyon Normal the summer term. He is survived by a father and several brothers and sisters at Canyon and other points.

ARGUE OVER HORSE

An argument over a horse drifted into court Tuesday when Mr. Warren swore out a warrant for the arrest of John Chamberlain who lives north of town. The complaint was filed at Roby and alleges that Chamberlain took the horse, whereas Chamberlain alleges that he bought the animal. It was indicated that bond would be made in the case.

INSTRUCTIONS TO COUNTY JUDGES

Explanatory Communication on Road Maintenance by State Received By Commissioners

NO CHANGE IN TYPE OF ROADS

State Highway Commission Will Maintain Roads in as Good a Condition As When Taken Over

The following from State Highway Engineer, J. D. Fauntleroy, is explanatory of road maintenance by the State To All County Judges, County Commissioners and County Engineers.

Dear Sir:

In accord with the provisions of H. B. 361 of the regular session of the Thirty-Eighth Legislature, the State Highway Commission expects, on January 1st, 1924, to take over the maintenance of all the designated state highways.

For your further information we wish to advise that the State Highway Commission considers maintenance to mean keeping a road in as good condition as it may be at the time that it was taken over. No extensive improvements, either in quality or type, will be made upon any road by the maintenance organization, for the reason that the funds provided are insufficient to make such improvements a part of maintenance, and still have sufficient funds to continue assisting those progressive counties that have voted bond issues, in building their roads.

There is reason to believe that in a number of counties, the Commissioners' Courts are not expending their respective portions of the Motor Vehicle Fees in maintaining the designated state highways, but are neglecting the maintenance of such highways in anticipation that the State Highway Commission will, on January 1st, do the necessary maintenance work which the Commissioners' Court have failed so far to do.

If, in these counties, roads are allowed to get in bad condition for lack of maintenance, the Highway Commission, as stated before, will only maintain these roads in as good condition as they may be in when taken over January 1st, 1924, and the citizens of these counties will have only their respective Commissioners' Courts to blame for this condition. If funds were available, the Highway Commission would gladly improve and maintain all the roads on the system for the benefit of the State as a whole, but as a matter of fairness and justice to the counties who have bonded themselves for the purpose of building good roads, the Commission must keep in a position to assist them. The law directs the counties to use their registration fees until January 1st, 1924, in maintaining the designated state highways. Many of the counties of the state are doing this and it would be an injustice to these counties for the Highway Department to improve the roads of other counties that have failed to do their duty under the law.

It is therefore hoped that the Commissioners' Courts of the different counties will make every effort to keep the designated highways not only in the best condition possible, but to improve them far as their funds will permit in order that they can be turned over to the Highway Department in good condition and be kept this way by our maintenance organization. We know that many counties are loyally trying to do this and we hope that all of them will realize the importance of such action.

Very truly,

J. D. FAUNTLEROY,
State Highway Engineer.

INDICT SHERIFF

Eastland County Official Faces Embezzlement Charges From Ward

Special to The Reporter.

EASTLAND, Sept. 25.—Among true bills returned by the grand jury in session here was one against Sheriff Barton, charged with embezzlement of funds belonging to his ward, alleged to be of unsound mind. The sheriff has made bond.

Sixteen indictments were returned in all, four misdemeanors and twelve felony charges. More interest has been aroused than in many years by the current session of the grand jury, which is said to have probed much more deeply than usual. Several fog-gins were investigated.

BIRTHDAYS

According to an editorial in the Big Spring Herald, the publishers have rounded out 19 years of continuous service and are starting on their 20th. The Herald is one of the liveliest weeklies of West Texas and its publishers have shared the vicissitudes and the ups and downs and have aided in the growth and development of the territory for two decades. That is a long period of service and they are to be congratulated for the manner in which they have met the test.

MEETING TODAY

R. M. Chitwood Attending State Educational Survey Committee Meeting

By The United Press.

AUSTIN, Sept. 25.—Members of the Educational Survey Commission of Texas were scheduled to meet here today to receive a list of persons considered desirable to act as directors of the survey.

The list was to be submitted by a sub committee of the Commission consisting of Dr. P. W. Horn, president of Southwestern University; Dr. S. P. Brooks of Baylor University, and Gus Taylor, of Tyler.

The object of the survey is to increase the efficiency of state schools. Every educational institution from the smallest rural school to the higher institutions of learning are to be included.

Governor at M. Neff is president of the Commission and Tom Flint, Jr., of Dallas is secretary. Among those attending is R. M. Chitwood of Sweetwater.

The postoffice department is calling for bids on a mail route from Ballinger to Bronte, via Norton, Maverick and Marie, according to a telegram from Congressman Thomas L. Blanton to Postmaster J. A. Reese. Mr. Blanton was on the job at Washington assisting those interested in the new route in getting it approved, and the message from him Friday comes as good news to the people of the towns to be served.—Bronte Enterprise.

FRESHMEN ORGANIZE

The freshmen class at the High School met for the first time Monday and organized for the year. The following officers were elected: Paul Bowers, president; Cleo Davis, vice-president; Frances Lou Payne Secretary; Margaret Meyers, press reporter. The class motto and flower will be chosen later.

CONFESSES TO THEFT

Local Authorities Get Word From Hamlin Money is Recovered

Eugene McClung is reported to have confessed to the charges made against him in connection with the blowing of the safe in the Katy depot at Hamlin recently, according to local authorities.

The location of the cash box containing the money taken was also revealed. City Marshall Brittain told local officers.

CORN IS CANNED

Ladies of Nolan Meet at Residence of Mrs. Lewis Mayhew

More than 100 cans of corn were prepared by the ladies of Nolan, who met at the residence of Mrs. Mayhew Monday. The corn was canned under the direction of Miss Mabel Span, Home Demonstrator, and the occasion was the regular meeting of the Home Demonstration Club of that community.

GEO. COWAN BIDS GOOD-BYE TO PATRONS IN LAST ISSUE

ROBERT LEE, Sept. 25.—George Cowan, former publisher of the Robert Lee Observer, has sold the paper to Albert Lamb and J. B. Berryman. The last weekly issue of the paper was the last over which Mr. Cowan will have control. He says he is not yet decided as to what he will do, but feels as free as a bird out of a bush and may go to the border or take up some light occupation, such as preaching.

In the last issue of the paper, Mr. Cowan sang his "swan song," bidding good-bye to the good people of Coke County. Mr. Lamb recently was with the Crosbyton paper. Mr. Barryman resides at Robert Lee. Robert Lee gins have turned out about 1,500 bales of cotton this season.

SENIOR GIRLS ORGANIZE

Senior girls of the High School organized for the year late Monday with more than 40 members enrolled. Officers elected included Ina Lee Ely, president; Frances Fitzgerald, vice-president; Verna Sheppard, secretary and treasurer and Leah Davis, reporter. Following the election of officers committees for selecting suitable name, motto, color and flowers were named. Regular meetings will begin in October with Miss Newell Gubbs as first hostess.

SHOW AND SALE

Midland Hereford Me to Auction Choice Stock

Special to The Reporter.

MIDLAND, Sept. 25.—The Midland Hereford Breeders Association will hold its 2nd annual show and sale at Midland on October 4th and 5th, wherein they will show and offer at auction 1500 head of choice Hereford feeder calves and yearlings. There will also be more than 15,000 head back on the ranches owned by members of the association, for immediate delivery.

The Association holds its only sale at home, contending that it is more satisfactory and more profitable for the feeder to go to Midland and ascertain at first hand all the conditions under which these animals are raised look over all the different herds and be able to select the exact kind and type that is suitable to his needs, then give definite shipping instructions and avoid all the unnecessary delays and handling.

The baseball fans of San Angelo have been entertained during the seas on just closed with games between four Sunday school clubs composing the San Angelo Sunday School Baseball League. The Presbyterians won the pennant in the final game of the season Wednesday, defeating the Christians by a score of 12 to 2, after the Christians and Presbyterians and tied two games for the championship. The city Sunday school league furnished much amusement for the fans, six teen games being played.—San Angelo Standard.

The West Ward Parent-Teacher Association will hold their first meeting Wednesday afternoon at three o'clock, at the school building. All omthers and members of the association are urged to be present.

Mrs. Jim Dulaney will be hostess Wednesday at a meeting of the 1922 Bridge Club.

Mrs. Robert Withers has been elected as head of the Expression department of the city school, to take the place of Mrs. Lucile Rutherford, resigned.

PLANTING FALL GRAIN

Quite a bit of grain is being sowed in this section following the recent rains. The ground is in good shape and every farmer should sow some kind of grain on every bit of the land that he has available. It will make a good winter pasture for stock, and with favorable conditions a good yield may be made next year. It may be that next year will be a good year for all kinds of small grain.

Mrs. W. W. Hudson is visiting her sister Mrs. E. R. Bryant at Stanford. Her little niece, Martha Jane Bryant will return home with her.

Miss Venie Roberts broke her left arm Saturday in a fall on the porch at her home.

Reports from the bedside of Frank Murchison state he is resting well today, although he passed a restless night.

KILLED MONSTER RATTLESNAKE

While employed in assisting W. S. Crawford in putting up a woven wire fence on his place south of town, last week, John E. Wilkinson ran across a

monster rattlesnake, which he shot with his rifle. Mr. Crawford stated that after rattles were removed and its head had been cut off a half hour previously, the reptile raised its body a foot above the ground and crawled around as if seeking something to attack. The rattles numbered 16, not including a number that had broken off. The Observer is the possessor of the snake's hide, which not counting parts removed, measures 5 feet 2 inches long and 9 inches wide.—Christoval Observer.

—what oil your car needs**

No. 5 in the series

**Perhaps you own
a Chevrolet**

(Superior or 490)

If you don't own a Chevrolet, cut this out and hand it to a friend who does

Your Chevrolet engine is of valve-in-head construction and designed for high compression pressures of approximately 87 pounds.

The lubricating system is of the splash circulating type. The gear type oil pump is in an exposed position directly in back of the radiator, and is considerably above the level of the oil in the reservoir. There are long lengths of exposed oil piping on both the suction and discharge sides of the pump.

All engine parts except the centre crank-shaft bearing are lubricated by an oil mist caused by the dipping of the connecting rod splashes in the oil troughs provided under each cylinder. Oil is forced under pressure to the centre crank-shaft bearing.

Carbon deposits in this engine, because of the high compression pressures and combustion chamber construction, are particularly objectionable. Correct lubrication is essential to the maintenance of high efficiency. Gargoyle Mobiloil Arctic will leave a minimum of carbon deposits, and is of the correct body and character to provide adequate engine lubrication under all operating conditions.

The use of Gargoyle Mobiloil Arctic both summer and winter will assure correct engine lubrication and lead to the satisfactory performance you have a right to expect of your Chevrolet.

next friday,
we will tell you about
the Correct Lubrication
of another car. It may
be yours. Watch for it.

OUR FLAG
A few evenings ago our flag was carried in a parade in the streets of Sweetwater. That flag, the American flag, has stood for more than a hundred and forty years a flag of a free people. It has stood for more than a

hundred and forty years as the only flag to which weary and oppressed people might look for hope, inspiration and courage. That flag has stood for more than an hundred and forty years as the light of the world. The light of the world, but not because of eucharistic feasts and ceremonies. The light of the world, but not because of the length and breadth of our domain or of hoarded treasures. The light of the world, but not because of the strength of our army, nor the power of our army. It has stood as the light of the world, but not because of principles of right and liberty we now enjoy. As that flag was carried by, regardless of in whose hands, did you not realize the fact that that flag stands for the protection of you and yours in the pursuit of peace, happiness and prosperity. Did you not experience a feeling of pride, of gladness and of safety as that flag was carried by? If you did, why did you not give that flag the civilian salute? If you did not have these experiences it is time, you, as an American citizen studied the Declaration of Independence, the Constitution, and American history.

DISTRICT COURT CASES NUMEROUS

Heavy Docket, Both Civil and Criminal, Await Convening First Week in October in Sweetwater

THERE IS ONE MURDER TRIAL

The State of Texas vs. Wm. Meador Will Be Tried Here on Change of Venue From Barstow

A very heavy docket, both civil and criminal, await the convening of the District Court here the first week in October. The criminal docket has one murder trial, the case of the State of Texas vs. Wm. Meador, which comes here from Barstow on a change of venue. The docket follows:

Criminal Docket
The state of Texas vs. Wm. Meador charged with murder, (transferred from Ward County).

Wallace Perry, charged with burglary (continued).
M. H. Roberts two charges of swindling.

Earl Buzbee, bond forfeiture on a charge of larceny.

Hugh McGue alias McClure, two charges selling intoxicating liquor.

Fred Higham bond forfeiture on a previous charge of transporting intoxicating liquor.

Bill Robertson, indicted for selling intoxicating liquor.

Tom Oliver, charged with the manufacture of intoxicating liquor.

Dick German, charged with transporting and possessing liquor.

Civil Docket

S. D. Myres vs. Thomas Trammell Co., application for a receiver.

S. B. Flynn et al vs. S. Richardson et al. division of estate.

Allen, collection on oil lease.

P. C. Moore, trustee vs. R. L. Ray, cancellation of mortgage.

Gillis Cox vs. Laura Hattie Cox, divorce.

R. S. Stovall vs. J. E. Brandon et al. suit on note.

M. C. Robinson vs. Snyder National Bank, trespass to try title.

A. Johnson vs. Lois Johnson, divorce.

A. J. Roy vs. W. A. Summers, continued for service.

J. T. Taylor vs. J. L. Litchfield, Jr., et al. suit on note.

W. L. Flatt vs. W. T. Brozell, foreclosure.

Aims Hardin vs. Tom A. Hardin, divorce.

LABORERS WANTED
Apply Foreman United States Gypsum Co.

"Merrily We Roll Along"—But—

YOUR children play hard and spend great energy. That's how they keep healthy and grow.

But the energy they spend must be replaced by health building and energizing foods.

To keep robust and healthy, children must get nutritive food. Because Karo contains a very large percentage of the indispensable energy element,

Dextrose, it is one of the healthiest of all foods for children. Spread it on bread, make it into home-made candy and use Karo for all cooking and baking.

Ask for Blue Label or Red Label Karo—both equally nutritious.

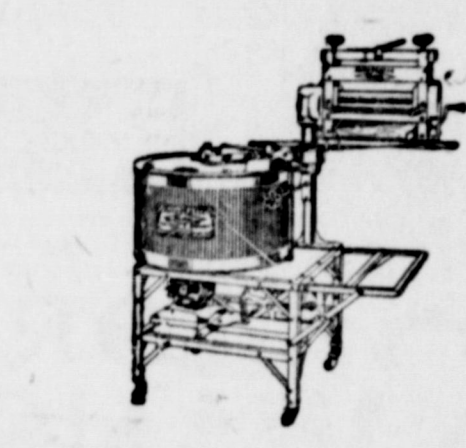

FREE—A booklet about Dextrose every mother should read. Explains why children thrive on Dextrose. Sent free with beautifully illustrated 64 page Cook Book. Write

Kingsbury Brokerage Co.

Get this Beautiful Aluminum Syrup Pitcher Worth \$1.00 for 40c and 5 Karo Labels

Buy 5 cans of Karo from your grocer, send labels to address above with 40c and you will receive the Syrup Pitcher by parcel post.

Let the **Auto Matic ELECTRIC WASHER** SERVE YOU

Cotton picking has just begun, and this is the time to think of an electric servant which will pay for itself in a short time. The elimination of the wash day worries and its after effects is just one of the advantages to think of. The uncertainty of help will never enter into the affairs of wash day. Let the Auto-matic Electric Washer be your servant.

I am now located in Sweetwater at Geo. Allens Music House and expect to make this my permanent headquarters. If you want your piano, player-piano or Grand Piano tuned, repaired, or rebuilt, leave your order at Geo. Allens Music House. It will have prompt and careful attention, you will thus be taking no chances as I have tuned and rebuilt more than one hundred pianos in Sweetwater in the past three years, and as far as I know 100 per cent of them are satisfied with my work. Local references: Mrs. John Hubbard, Mrs. Rufus Wright, Mrs. John J. Perry, Geo. Allen Music House. Telephone 546.—C. M. Bryant care Geo. Allens Music House. 2027c

HUNG HIMSELF

By The United Press. AUSTIN, Sept. 25.—King "Tut" in dog form became disgusted with this life and committed suicide.

The dog, the property of the adjacent general, hanged himself while playing about the kennel. He was buried with ceremonies.

ANNOUNCEMENT

Mrs. Robert E. Withers elected Teacher of Expression in the City Schools, announces that she will be at the High School, East Ward, West Ward and South Ward, Wednesday and will arrange to begin classes at once.

BORN WITH TEETH

By The United Press. EL PASO, Sept. 25.—A girl was born to Mr. and Mrs. Earl Anderson here with two fully developed front teeth. Dr. T. J. McCamant, attending physician, said it was the first time in his experience that he had ever seen a baby with teeth developed at birth.

BIG MELONS

By The United Press. DENTON, Texas, Sept. 25.—One of the interesting sights visitors will see at the annual state fair this fall will be three watermelons grown in this county by J. P. Carter, weighing 132, 99, and 96 pounds respectively.

WOMEN TO SPEAK

By The United Press. AUSTIN, Sept. 25.—Nationally known women political leaders will address the state convention of the League of Women Voters in San Antonio next month.

Word has been received here that Mrs. Emily Newell Blair, vice chairman of the Democratic National Committee and Mrs. Harriet Taylor Upton, national chairman of the Women's Republican Organization have accepted invitations to appear on the program.

AIRPLANE GOLF

By The United Press. EL PASO, Sept. 25.—Airplane golf, the newest innovation in the ancient Scottish pastime was introduced to local golfers when airplanes flew over the city links and players dropped ball from the cockpit of their machines.

The person dropping the ball nearest the hole won the game. No holes in one were reported.
