50¢ 14 PAGES & SUPPLEMENT

Star Lites
By Bill Ellis

OUR FRIEND, Jim Dixon brought us the following. Maybe you have seen it, but even if you have, it would bear re-reading.

The article is headed: "For all those born before 1945: We are Survivors! Consider the changes we have witnessed.

We were before television, before pencilin, before polio shots, frozen foods (let alone frozen embryos), Xerox, contact lenses, frisbees and the PILL.

We were before radar, credit cards, split atoms, laser beams and ball-point pens; before pantyhose, dishwashers, clothes dryers, electric blankets, air conditioners, drip-dry clothes, and before man walked on the moon.

We got married FIRST and then lived together. How quaint can you be?

In our time, closets were for clothes—not "coming out of." Bunnies were small rabbits and rabbits were not Volkswagens. Designer Jeans were scheming girls named Jean or Jeanne, and having a meaningful relationship meant getting along well with our cousins.

We thought fast food was what you ate during Lent, and Outer Space was the back of the Regal Theatre. Gay was cheerful or fun.

We were before house-husbands, gay rights, computer dating, dual careers and commuter marriages. We were before day-care centers, group therapy, and nursing homes. We never heard of FM radio, tape decks, electric typewriters, artificial hearts, word processors, yogurt and guys wearing earrings.

For us, time-sharing meant togetherness—not computers or condominiums, a chip meant a piece of wood; hardware meant hardware; and software wasn't even a word!

In 1940, "Made in Japan" meant junk, and the term "Making Out" referred to how you did on an exam. Pizzas, McDonald's and instant coffee were unheard of.

We hit the scene when there were 5 and 10-cent stores where you bought things for five and ten cents. Sanders or Wilsons sold ice cream cones for a nickel or a dime. For one nickel, you could ride a street car, make a phone call, buy Pepsi or enough stamps to mail one letter and two postcards. You could buy a new Chevy Coupe for \$600, but who could afford one? A pity, too, because gas was only 11 cents a gallon.

In our day, cigarette smoking was fashionable, GRASS was mowed, COKE was a cold drink, and POT was something you cooked in.

ROCK MUSIC was Grandma's lullaby, and AIDS were helpers in the principal's office. Queer meant unusual or strange.

We were certainly not before the difference between the sexes was discovered, but we were surely before the sex change. We made do with what we had. AND, we were the last generation that was so dumb as to think you needed to have a husband to have a baby!

No wonder we are so confused, and there is such a generation gap today!

BUT WE SURVIVED!
(Jim added that he also was before Zip Codes, and 25-cent stamps, and also that he survived Texas Tech referees. Since I have the last word, I could say that I've survived a few "Aggie referees" in the past as well, or would that be nice?)

Thanks, Jim. Boy, you must be a lot older than ye editor, if you remember all of that stuff.

UNCLE AUSTIN SAYS: Bad luck comes by pounds and goes away by ounces.

Be Sure To Cast Your Ballot Tuesday, Nov. 7

FIRST COTTON...Troy White, left, ginned the first bale of cotton at Friona Farmers Co-op Gin. White is congratulated by gin manager Jerry Butman. Producer of the cotton was 5-S Cattle Co. First bale was ginned on October 26, and over 200 bales had been ginned by Thursday, November 2.

Light Turnout Likely Tuesday

Judging by the absentee voting, a light turnout of voters is likely in Tuesday's constitutional amendment election.

County Clerk Bonnie Warren said Thursday afternoon that 18 people had cast absentee votes.

Sample ballot for the election is included inside this issue of the Star.

Pros and cons on the proposed amendments are included in the "Voters Guide," sponsored by the League of Women Voters and the Friona Star, included as a supplement to this week's issue.

Polling places are as follows:

Precinct 1: Tri County Elevator; Precinct 2: Friona Fire Station; Precinct 2-1: Calvary Baptist Church; Precinct 2-2: Community Center; Precinct 3: Bovina American Legion Hall; Precinct 4: Farwell Community Center; Precinct 5: Lazbuddie School; Precinct 6: Oklahoma Lane Community Center; Precinct 7: Rhea Community Center; and Precinct 8: Dee Willard residence.

Deadline Nears For Crop Compliance

Have you developed your conservation compliance plan yet?

To stay eligible for USDA programs, all crop land has to have a conservation plan on all highly erodible fields by the end of the 1989 year.

This time frame may be deceptive. Some people may think that all they have to do is come by during the last part of December and sign-up, but it is more involved than that.

When these plans are developed with the landowner or operator, decisions are made and recorded. Then the paper work starts. Technical decisions are checked to see if erosion control is within limits.

Next, technical descriptions are inserted and all work is duplicated for the landowner's or operator's copy. All this is sent to a checker.

If everything is in order, then it is time to get the necessary signatures. The Parmer County Soil & Water Conservation District meets the first Tuesday of each

month, and they approve or disapprove the plans at this time. If it is approved and signed, it is assembled, recorded and mailed. It is not until this time that the plan is considered complete.

Looking at this time schedule, if the plan is not ready for review and signatures by the end of November, it will not be until January 1990 that the plan will be complete.

The law is, if it is not complete by December 31, 1989—that farm is out of compliance.

People who have not yet accomplished this may be upset because they will be put out of compliance. Remember, you have had more than three years to accomplish this requirement.

If you have any questions about the conservation compliance plans, please call the Soil Conservation Service at 247-2220 in Friona.

Programs and services of the Soil Conservation Service are offered on a nondiscriminatory basis

CONTEST WINNERS...Larry Rogers, left, was first place winner, and Koby Rogers, center, placed second on the Friona Star football contest this week. Presenting the winning checks on behalf of the Star is Larry Rector, right, of Mission Cable, one of the contest sponsors.

IN SUNDAY SERVICES

Methodist Church Observing 75 Years

Friona's First United Methodist Church will celebrate its 75th anniversary with special activities Sunday, November 5.

Lois Norwood, one of the committee chairmen for the celebration, said this week that indications are that six former pastors of the church will attend the services.

Those planning to be here November 5 include the Reverends Albert Lindley, Bobby McMillan, James Price, Sammie Ellis Rainey, Clifford Trotter and Archie Echols.

The Sunday morning service will begin at 10:50 a.m., and the speaker for that service will be Rev. McMillan. As a part of that service, the church's new stained

glass windows will be dedicated. Rev. Lindley, who is presently serving as District Superintendent for the Methodists, will be in charge.

A catered meal will be served to all church members and friends at 12:30 at the Friona Junior High Cafeteria. K-Bob's of Hereford is catering the meal.

Rev. Echols will direct a program of "Memories," which will cover particularly the church's last 25 years, beginning at 2:30 p.m. back at the church.

Several musical numbers will also be presented. These will feature the men's quartet, the ladies trio and the children's choir.

Members have been asked to bring their old pictures, to be displayed at the church.

A reception will be held at the church's fellowship hall following the afternoon service.

Sharon White is general chairman of the anniversary celebration.

Members of the program committee are Lois Norwood, Valoris Osborn, Lewis Gore, Charlie Mercer, Andy and Winifred Hurst.

Lunell Horton has served as historian and has written a comprehensive history of the church.

Other committee chairmen include: stainglass window, brochure and printing of history and program booklet, Deke Kendrick; design of covers, Dianne Tatum; luncheon, Karen Harrelson.

Also, hospitality, Kathryn Smith; music, Jim Parker; banners, Karene Cass and children's classes; decorations, Melanie London; publicity, Hollis Horton.

Also, collecting and organizing pictures from the past, Raygene London; photographer, Lewis Gore; registration, Nellie Shelton; ushers, Roger Nelson, and resource consultant, Lilah Gaye Gee.

Area Has Low Temps

November may have signaled the end of the area's "Indian Summer," as the first full day of the month saw the lowest maximum temperature for the season (37 degrees), and the morning of November 2 the mercury dipped to another season low of 17 degrees.

Wednesday was a cold, bitter day, with high winds causing the chill factor to be near the zero mark early in the day.

TEMPERATURES

Date	hi-Low
Saturday, October 28	75-35
Sunday, October 29	76-35
Monday, October 30	62-26
Tuesday, October 31	53-26

Chiefs Are Visiting Muleshoe

The Friona Chiefs were visiting Muleshoe Friday, still in hopes of breaking into the win column.

The Mules went into the game with a 0-7-1 record, compared to Friona's 0-8.

"We just made too many mistakes against Dimmitt, especially on our pass defense. If we play better defense Friday, I think we should be able to move the ball well enough to win," said Coach Tommy Moss.

Toby Brito has a sprained knee, and will be out the rest of the season, and Anthony Padilla had to have surgery on a shoulder injured against Littlefield. Otherwise, the team is in pretty good shape, Moss said.

Yearbook Sales Set

Orders for the 1990 Chieftain Yearbook will be taken the week of November 6-10 in each of the Friona school buildings.

Price for the yearbook is \$16.80, the same as last year. If a name is added to the cover, an additional \$2 is charged, and the full amount (\$18.80) must be paid at the time the order is placed.

Otherwise, a deposit of \$10 will hold a yearbook until it is picked up.

Gustin Will Seek Office

Leland Gustin, 51, Friona, said this week that he will be a candidate for Parmer County Judge, subject to the action of the Democratic Party, in 1990.

Gustin, a longtime county resident, said he would make his official announcement after January 1, 1990.

Father-Son Duo Place 1-2 In Event

A father and son in Friona usually wage their own individual competition in the Friona Star's Football Contest, and most of the time this year, the son, Koby Rogers, has outscored his dad, Postmaster Larry Rogers.

But this past week, Larry edged Koby out by a point, and in so doing, won the weekly first place honors in the contest. He also posted the highest score of the season in the process, an 18.

But Koby probably didn't mind too bad in losing the weekly honors, because his good score of 17 enabled him to take a firm grip on first place in the overall standings, with a score of 111.

First place in the weekly event earns \$10.00 cash and second place wins \$7.50.

Third place went to Brenda Patterson, one of six contestants correctly picking 16 games. Mrs. Patterson won the weekly prize by missing the Dallas-Phoenix score by only six points.

Other contestants who picked 16 games but missed out by virtue of the tie-breaker score were J.O. Warren, Gena Hankins of Clovis,

Clint Mears, Jimmy Walker and Lon Outland.

Twenty-one other contestants had scores of 15 for the week and 22 others correctly picked 14 games.

Larry Rogers' only misses were in picking Penn State over Alabama and the L.A. Rams to beat Chicago. Koby missed Houston-Arkansas, the Rams-Bears and Denver-Philadelphia.

Mrs. Patterson missed Penn State-Alabama, LSU-Tennessee, Denver-Philadelphia and the L.A. Raiders-Washington.

In the grand prize race, Koby Rogers took a four-point lead with his score of 111. Rick Carr, Patricia Carr and Jimmy Walker are tied for second with scores of 107. Charlie Morgan, Tommy Moss and Don Max Vars are next at 106.

Scores of all the leading contestants can be found elsewhere in this issue.

Contestants are vying for the grand prize of \$100, to be awarded at the close of the 13-week contest, as well as the \$22.50 in weekly prizes.

FOOTBALL SWEETHEART...Jennifer Cass was named Football Sweetheart in pre-game activities last Friday. Her escort Benny Trevino.

V. Cooper Services Conducted

Memorial services for Vida Cooper, 79, were conducted at the First Baptist Church in Friona Monday afternoon.

Rev. Charles Broadhurst, pastor, officiated, assisted by D.L. Harguess, Dr. J. Dan Cooper and Wayne Wood.

Burial was in Dreamland Cemetery in Canyon with graveside services, under the direction of Ellis-Blackwell Funeral Home.

Mrs. Cooper passed away October 28, 1989 in Parmer County Community Hospital.

She was born December 9, 1909 in the Gracy Community, near McLean, Gray County, Texas. She married John Cooper May 31, 1930.

She moved to Tucumcari, N.M. from McLean in 1951, and to Friona in 1983. She had served as a homemaker, and as a bookkeeper for Cooper Grocery.

Survivors include her husband, John of Friona; three sons, Benny Cooper of Amarillo, Dr. J. Dan Cooper of Lexington, Kentucky and Joe Cooper of Tucumcari, N.M.; two daughters, Mrs. Ann Wood of Garland and Mrs. Ruth Harguess of Friona.

Also, one sister, Georgia Hogue of Dalhart, nine grandchildren, three great-grandchildren, three step-grandchildren and four step great-grandchildren.

The family suggests memorials be made to First Baptist Church, Friona; or to Prairie Acres Nursing Home or to Parmer County Community Hospital.

BANK COSTUMES... Among the Friona State Bank employees dressing up for Halloween were (back, l-r) Charlene Harper, Judy Martin, Janie Clements, Margaret Wilshire, Nelda Benge, Delphine Wied, Lou Fields, Susan London and Doris Sears. In the front are Reta Martin, Cathy Spencer and Brandy Ray.

OUT OF CHARACTER somewhat on Halloween were Friona State Bank employees. From the left are Jerry Hinkle, Jiselle Hand, Shirley Ferguson, Faith Herring, David Barnett, Peggy Monroe, Joe Mejia, Dorothy Jackson and David Hutson.

AN EDITORIAL

'Yes' On Prop. 17 Will Help Firemen

Fires cost Texas 322 lives and almost \$5 hundred million in property damage in 1987 and although no firm numbers are available, everyone associated with the fire service agrees that both numbers could be substantially reduced if a combination of more training and better equipment was available to the 53,000 plus firefighters across the state.

Texas voters have a chance November 7 to take a giant step in solving the problem when they vote on Proposition No. 17. Approval of the Constitutional amendment will create a bond which will oversee a special emergency fund created by the 71st Legislature to train and equip fire departments. The bill approved by the House of Representatives, Senate and signed by the Governor was the first positive step in several decades addressing a growing problem.

The legislation was passed and

Pay Raise Objection Is Given

I am opposed to Amendment 1 of the proposed 21 constitutional amendments on the November ballot.

This amendment would give the members of the Texas Legislature a pay increase from their present \$7,200 to \$23,000 per year. The problem is that the amendment language is trickery in that it ties legislative salaries to that of one-fourth of the governor's salary. This is, as we see it, an open-ended deal that would allow legislators to increase their pay anytime they choose, since they already set the governor's salary.

In other words, Texas voters would no longer have any say about legislative salaries.

Now, we think members of the legislature deserve a raise. Their present \$7,200 is preposterous. It's no wonder that some of them accept favors and gifts from lobbyists. We probably would also, just to make ends meet. And the \$23,000 proposal isn't too much; we just do not approve of the conniving manner in which it is being sought.

The legislature needs to come up with a clean, forthright proposal that asks for a pay increase and that does not have the open-end loophole that this Amendment 1 has. So we suggest they come back with such a proposal, and we think voters will go for it.

We do favor the per diem increase covered in Amendment II for legislators. They've not had an increase in that daily expense allowance in 14 years.

Neither have they had a pay increase in 14 years, and they deserve one. But not the way they are going about it. Just as did Congress, it appears they are trying to hoodwink their way to more pay.

--The Tulla Herald

A MESSAGE FROM THIS NEWSPAPER AND THE DPS TROOPERS

funding approved without any increase in taxes or fees. Now, it's up to the voters of Texas to decide the importance of the issue.

Too often as we go to the polls to vote on referendums or constitutional amendments, if we don't completely understand, we vote against the particular item. Often times that is a correct decision since the proposal may serve only a special interest group. In the case of Proposition No. 17 every man, woman and child in Texas will be served by a group of over 53,000 men and women, both paid and volunteer, from fire departments large and small whose only special interest is saving lives and property, often times at the risk of their own lives.

Certainly we owe them our vote of support in their attempts to protect us.

Vote FOR Proposition No. 17.

Prop. 4 Will Help Vet. Groups

"Veterans' organizations across the state have united in their support for Proposition 4," exclaimed J.P. Sims, Post Commander for the local VFW. He continued, "It's been some time since you've seen the American Legion, the VFW and the Disabled American Veterans (DAV) united; in fact, it's kind of patriotic."

Proposition 4 would help non-profit veterans' organizations by exempting a small portion of their business organization—their meeting facility—from local ad valorem tax. The impact, according to State Comptroller Bob Bullock, "is minimal." The president of the state organization of county tax assessors agrees "the amount of money currently being collected against these associations is significant, and when compared to the amount of revenue raised for civic and charitable organizations, the exemption is well worth it."

Why all the commotion about taxes? At stake is millions of dollars raised by veterans' organizations that get recycled through local economies by means of assisting the homeless, by helping disaster victims, by providing student scholarships and by providing recreation for nursing homes, VA hospitals and others.

Figures derived from the state departments of the American Legion and the VFW demonstrate that veterans' organizations already pay their share—millions each—of other taxes through local operations. "With this kind of revenue being collected at this level, I can't see why anyone would object to the property tax exemption," explained Sims, member of Post 206 of the American Legion. Sims claims, "We're really going to be hurt if this proposition fails, and we'll likely have to cut back on some of the community activities we've supported in the past."

For more information about Proposition 4 contact Sims at 247-2040.

Benefits Explained For Proposition 17

Special legislation passed by the 71st Legislature will give Texas voters the opportunity to have direct input into life safety and property protection for years to come. The special law creates an emergency fund for the fire service of Texas and does so without an increase in taxes or fees. Texas voters will decide the issue on November 7, in the general election.

The proposed constitutional amendment, Proposition No. 17 on the ballot authorizes the creation of the fund which can be used by all fire departments in the state, paid or volunteer, large or small. The fund may be used only for training and equipment and will be distributed on a priority basis with the most urgent needs being served first.

The fund will be administered by a board under the direction of the State Fire Marshall's Office. The

seven member board, appointed by the governor, will include fire members representing the fire service and two members representing the general public and will serve without pay.

If approved by a majority of Texas voters, the fund will address the serious problem of funding for the almost 2,000 fire departments in the state. Fire departments across the state will be eligible to apply for low interest loans or grants in an effort to address unnecessary deaths and injuries as well as the needless loss of property due to fire which could be prevented with better training and equipment. During 1987, 322 Texans died in fires which caused \$486,000.00 in damages.

State Representative Rick Perry, (R), Haskell, author of the bill, said "Voting against this proposition is the same as putting a \$99 price tag on a human life."

Letters To The Editor

Dear Editor:

There appears to be some bad information being spread around the state about Proposition 12 on the November 7 ballot. This is the amendment that would allow the Permanent School Fund to guarantee state revenue bonds issued for locally approved school construction.

I want to set the record straight about Proposition 12.

In 1983, the voters approved an amendment to the Constitution to allow the Permanent School Fund to guarantee local school bonds. Proposition 12 would just allow the same Permanent School Fund guarantee for state bonds issued for local school construction.

Earlier this year, the Legislature created a new program that I proposed to help reduce interest costs for local school districts by combining locally approved bond issues into a larger, more cost effective state bond issue. Proposition 12 would allow the Permanent School Fund to guarantee those state bonds to get a better interest rate.

If, in 1983, voters were willing to extend Permanent School Fund guarantee to locally issued school bonds, who would object to guaranteeing state revenue bonds that will be paid off by local school districts? The answer is the "consultants" who receive fees from local school district bond issues and who would get cut out of some of the action if the state helps districts combine their bond issues.

Proposition 12 would hit some local school district "financial advisors" in the pocketbook by cutting their fees. That's why they're against it. And their opposition alone should tell taxpayers that this is a good idea. Proposition 12 would not

increase administrative costs. The larger the bond issue, the more cost effective it is. Many school districts are now buying expensive bond insurance to get a high bond rating to produce a low interest rate. A Permanent School Fund guarantee backing state bonds would assure a high rating at no additional cost to local districts.

I can't say that in every case the state bond program will help a school district arrive at a lower cost. But if districts can get a better deal by banding together under the state's umbrella to lower their payments for legal and financial services, as well as reap the possible benefits of lower interest rates, they should have that choice.

Sincerely,
Bob Bullock
Comptroller of Public Accounts

Dear Editor:

The referendum election on November 7 could dramatically affect our local American Legion Post 206 in Friona. A "yes" vote will assure that we continue to support groups in our community such as the homeless, disaster victims, cancer research, Girls and Boys State sponsorship and summer camps.

A "yes" vote will mean that our veterans' organizations will be treated equally when it comes to paying property taxes. A "yes" vote means you support veterans. Voting "yes" is a good decision; in fact, our State Comptroller Bob Bullock supports passage of Proposition 4. He thinks veterans will actually be able to contribute more to their local communities if the proposition passes. I urge you to vote "yes" on Proposition 4 on November 7.

J.P. Sims
Commander
American Legion Post 206

Brown Re-Named To Rural Fire Advisory Council

Ernest Brown, secretary-treasurer of the Walcott VFD, has been renamed to the Texas Rural Fire Advisory Council. A volunteer organization, the fire advisory council has provided assistance and leadership in the development of current and long range goals for rural fire protection programs in Texas since 1985. Membership on the council comprises a cross-section of individuals and agencies interested and involved in rural fire protection matters in Texas.

Brown has played an active role in the council's push for establishment of a fund to help finance equipment needed by the state's rural firefighters. The resultant Fire-Safe Fund, administered by the Texas Forest Service, was created to finance the discount purchase of protective clothing by rural firefighters. Over \$450,000 worth of protective clothing and other fire gear has been purchased to date through this revolving fund.

The council also has given the state forestry agency direction in how the Rural Community Fire Protection (RCFP) fund could best be used to help communities across the state. Since 1973, the program has helped over 1,700 departments in Texas secure trucks, foam and

water units, radios and training.

The 1988 Governor's Conference on rural-Suburban Fire Protection, which was conducted by the council, identified major fire problems confronting rural Texans. These problem areas were specified in a subsequent conference report entitled "Wildfire Strikes Home in Texas," which was sponsored by the council, Texas Forest Service and USDA Forest Service. Problem areas identified in the report included funding for small fire departments; fragmented statewide fire service leadership; training; public education; fire, building and development code standards; and adequate fire protection statewide.

"Rural areas experience generally 40 per cent per capita greater losses of life and property than that which occurs in protected urban areas, according to reports from the state fire marshal," said Brown. "The 300,000 acre Shackelford County range fire served as the catalyst which brought together the many diverse elements involved with the Texas fire problem and helped stimulate the development of the governor's conference on rural and suburban fire protection."

Immunization Clinics Are Slated

Immunization clinics offering vaccines that give protection against several childhood diseases are scheduled for November. Protection is against polio, diphtheria, lockjaw, whooping cough, measles, rubella and mumps.

The Texas Department of Health is charging to help with the cost of keeping the clinic open. The amount of money charged will be based on family income and size, and the ability to pay.

The clinic closest to Bovina is at Hereford at the Texas Department of Health Office, 914 East Park Avenue and the days are November 2, 9 and 16 from 9-11 a.m. and 1-4 p.m.

Dimmitt's Passes Sink FHS In District Game, 28-7

The Dimmitt Bobcats found a chink in the Friona Chieftains' armor last Friday, and they took advantage to the fullest in a 28-7 win over the Chieftains.

Dimmitt rode the passing arm of Freddy Martinez to stay unbeaten in district play. The Bobcats gained 301 yards through the airways, completing 10 of 15 passes, including scoring plays of 70, 67 and 50 yards.

The Bobcats' first four passes went for 186 yards in the first half, as every time Dimmitt faced a need for yardage, they seemed to be able to come up with the big pass play.

The first came on third and ten on the Bobcats' first drive, when Martinez hit Daniel Espinoza over the middle on a play that covered 70 yards for the go-ahead touchdown. Robert Ruiz' kick was wide, but Dimmitt had a 6-0 lead after only 2:51 of play.

Nice runs by Andre Duran and Ismael Rocha moved the ball into Dimmitt territory, but Brian Brogden missed on two passes and Dimmitt took over.

The Bobcats drove 65 yards for another score. Big play once again was a 28-yard pass completion on a third and 18 situation from the Friona 48. Oscar Velasquez got the TD, and the Bobcats passed for two PATs to make their lead 14-0 just 1:09 into the second quarter.

It was three plays and punt for the Chieftains, and Dimmitt took over on their own 33.

Martinez hit 114-pound Johnny Ortegon over the middle, and Ortegon slipped his way past several Chieftain defenders enroute to a 67-yard scoring play. Ruiz' kick

made the score 21-0 with 8:37 left before halftime.

The Chieftains then put together their only scoring drive of the evening.

Rocha gained eight, then 16 yards as the Chieftains moved the ball across midfield.

Jeff Stowers gave the Chieftains a first down with a four-yard run to the 32-yard line.

On a big fourth and two situation from the Dimmitt 22, Rocha took the pitchout around right end on a sweep, and gained eight yards to keep the drive alive

to the Dimmitt 15.

A pass interference penalty against the Bobcats moved the ball to the four yard line to help Friona's cause.

It took three plays, but Rocha went over from the one, with a good second-effort dive across the goal-line.

Mike Scott's perfect kick made the score 21-7, and that turned out to be the halftime score.

Friona's score came with 1:25 remaining in the second quarter.

Friona had a few good gains in the second half, but could never

put two consecutive first downs together.

Brogden, who had had an impeccable passing night the previous week, couldn't buy a completion in this one, and interceptions by the Bobcats in the second half killed would-be Chieftain drives on two occasions.

Meanwhile, reserve quarterback Wayland Ethridge hit Ruiz on a 50-yard scoring play with 11:31 left in the game, for the final margin of 28-7.

Rocha, in his second varsity start, was Friona's offensive leader with 132 yards rushing.

Foster Kids Need Help For Holidays

PUNKIN PEOPLE...Mr. and Mrs. Pumpkin were all decked out Tuesday night for Halloween on a local porch. Carol Ellis was the designer of the pumpkin couple.

By KAY PECK
Hereford Brand Staff Writer
 Imagine Christmas without children. Makes for an empty holiday, doesn't it?
 Imagine children without a Christmas. That's a tragedy.

Without the help and support of area residents, foster children in Deaf Smith, Parmer, Oldham and Castro counties would likely face just such a prospect.

The time is here for the Golden Spread Foster Parents Association to solicit donations to fund a Christmas celebration for local foster children. While state funds are supplied to assist with foster children's daily needs, there is no allocation for the added expense of Christmas.

Anyone interested in giving can

make donations directly to a special account at Hereford State Bank or to any member of the association. If someone should want additional information, they can call Dee Hernandez at 364-8527 or Charlene Connally at 364-3936. Donations can also be mailed to P.O. Box 2062, in Care of Dee Hernandez.

"A lot of them (foster children), it's the only Christmas they have," said Charlene Connally, a member of the foster parents organization.

Although much of the money used to purchase Christmas gifts buys practical items such as clothing, the foster parents are well aware of a child's need to be a child.

"Children would like to have some toys, too, you know," Mrs.

Connally said.

The foster parents organization hopes to receive donations sufficient to allocate \$75 to \$100 per child for about 20 foster children in the four-county area. The money will also be used to fund a Christmas party—including Santa—for all foster children in the area.

During the party, Santa presents each child with one gift. The children will also celebrate Christmas in each of their individual foster homes.

Christmas funds are not the only need expressed by representatives of the 25 members of the parents' group.

"There's always a need for more foster homes," Mrs. Connally said.

Anyone interested in becoming a foster parent or in providing support for existing foster homes is invited to attend any of the association's monthly meetings. The group meets at the Community Center on the third Tuesday of each month.

One does not need to be a foster parent in order to be affiliated with the group.

"You can be an associate member and not actually keep kids," said Terry Connally, the association's president.

Individuals are able to provide support for the foster care program without becoming a foster parent.

"We could sure use some weekend babysitters," one woman said.

Prairie Acres Party Line

By JANICE STOWERS

Prairie Acres has been hustling with activity this week. We have had a range of visitors from "Spooks and Goblins" to numerous construction workers. Drive by our home and see the progress that has been made this past week. You will probably see many faces in the windows and doorways watching the activity, also.

We have had an eventful Halloween. Several trick or treaters visited and were greeted by our resident ghost, Ben Israel, and our clown, Janie London. We have enjoyed decorated oranges from the Calvary Baptist Church Acteens group. Thank you, girls. The women from Black Study Club brought everyone our own "treats" this week, also. Many thanks to those who remember our residents!

We would like to thank Mr. and Mrs. Jake Outland for their donation to our craft department and for the Christmas decorations. We have been working really hard to get our goods ready for the Christmas Bazaar.

We have had contributions by Lois Norwood and Lynn Nelson to our magazine department. We appreciate you ladies for your extra time and for remembering us.

Our Sunday service this week

was given by the Sixth Street Church of Christ. It means so much to our people to be able to hear these weekly sermons, and we are grateful that we live in a community where we have so many that are willing to volunteer their time. The Bovina Church of Christ ladies were here Tuesday for hair and nail care. We had lots of pretty ladies around here, thanks to them.

Our dining room is now looking like 'Festive Fall' with beautiful arrangements on each table from An Added Touch. These arrangements are colorful and are admired with each meal!

We would like to thank the Rene Snead family for the flowers they brought to us from the golden anniversary reception. We would like to express our sympathy to the Vida Cooper family, and to thank them for the beautiful plant.

The following memorials have been made this week to our Love Fund in the name of the following residents:

In memory of Mrs. Alice Allen from the Directors, Officers and Employees of Friona State Bank, Raymond and Lorna Schueler, John and Katherine Blackburn, Eddie and Anita Hall, Mr. and Mrs. Maynard Agee, Louis and Mamie Lou Welch, Mr. and Mrs. Clarence Martin, Zada and Tony

Milholen, Glenda Deatherage, Carol Dean Huggins, John and Jo Blackwell, Dale and Jane Houlette, Mrs. Wana Brewer, Mr. and Mrs. Charlie Owen, Herbert and Gladys Day, Jerry and Beth Shelton, Dean and Anna Jo Blackburn, Judy and Doyle Cummings, Mr. and Mrs. Bill Wilshire and C.H. and Joyce Veazey.

In memory of Luther Hall from John and Katherine Blackburn, Mr. and Mrs. Maynard Agee, John and Billie Jo Hand, John and Jo Blackwell, Dale and Jane Houlette, Herbert and Gladys Day, Dean and Anna Jo Blackburn, Judy and Doyle Cummings, Bill and Margaret Wilshire, C.H. and Joyce Veazey and Mrs. Lunie Fleming.

In memory of Mrs. Margareeta Agee from Eddie and Anita Hall, Mr. and Mrs. Clarence Martin, Zada and Tony Milholen, Glenda Deatherage, Carol Dean Huggins, Tom and Bettye Jarboe, Ray Ford and Family, Mr. and Mrs. Kenneth Ford, Mr. and Mrs. Jerry Shelton, Butch and Paula Fairchild.

In memory of Mrs. Bertha Young from Mr. and Mrs. Eddie Hall, Mr. and Mrs. Jerry Shelton, Mrs. Opal Baxter, Judy and Doyle Cummings, Mr. and Mrs. Larry Martin, Mrs. Ann Martin, Mr. and Mrs. Clarence Martin and Mr. and Mrs. Eugene Nidey.

In memory of Mrs. Vida Cooper from Kenneth Truelove, Baker and Margaret Duggins and Tom and Bettye Jarboe.

In memory of Artis Fallwell from Mr. and Mrs. Jim Zorns.

In memory of Mrs. Lucy Behrendsen from Mrs. Opal Baxter.

In memory of Calvin Talley from Judy and Doyle Cummings.

In memory of Vergie Jordan from Judy and Doyle Cummings.

Polio Group Is Organized

Do you know a post polio? Every year there are five hundred new cases of polio in Africa. To date the estimate of survivors in the United States is 1.5 million. In 1955, the Panhandle had an epidemic of the dread disease.

Almost every living person knows someone who had polio, often unaware of this knowledge. Some people have become hidden in the main stream of society. Over 250 support groups have been formed in the nation to offer information for the "second time around." Perhaps only twelve per cent are realizing syndrome symptoms and are instructed to "work at resting."

In Amarillo, the Top of Texas post polio support group started in September, 1987 and meets four times a year. They will meet at Bivins Rehab November 18 at 3 p.m. Lubbock will hold their first meeting November 11 at 2 p.m. Interested calls may be directed to the March of Dimes office in either city.

FHS Graduate Completes Army Basic

Pvt. Ruben Cuellar has completed basic training at Fort Knox, Kentucky.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

He is the son of Juan F. and Esther Cuellar of Friona.

The private is a 1989 graduate of Friona High School.

PROGRESS

Progress is on the march. There is a great boom in building. Cures are being found for maladies that have killed mankind for centuries. Industry is doing magnificent things. But what sort of progress is being made in human relations—this term that includes respect for the person and property of others and good will among men.

There is one agency striving for progress in this field. This agency is the church. At the birth of Jesus Christ, the following prophesy and promise was given to mankind by a host of angels: "Glory to God in the Highest Heaven! Peace upon earth among men of goodwill!" Luke 2:14. (Phillips translation). Only when the majority of men on earth are men of goodwill, will we have peace.

Attend church this week and align yourself with the forces of God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Town Talk

By June Floyd

Call 247-3681 With Your News Items

It's really great to be back in Friona after an absence of about three and one-half months. I spent the first three weeks of this time as a surgical patient at High Plains Baptist Hospital in Amarillo and the rest as a medical patient in the Morton County Hospital and home of Gerald, Jana and Sarah Floyd at Elkhart, Kansas.

I want to express my most sincere appreciation to every one of you for your phone calls, letters, visits, prayers and thoughts. Every one of them brought cheer and encouragement.

I also want to thank Geneva Williams for filling the Town Talk slot while I was gone. Everyone needs a good back-up and Geneva can always be depended upon to do the job when I'm gone.

Some wise guy once said, "There's nothing constant except change." Changes I've noticed that have been made since I have been gone include five new houses out on the north end of Springfield, which wasn't even paved in early July; a gorgeous new home, which looks like it will soon be ready for its owners, Joe, Daphne, Jenny and Jered Cunningham, to move into and the almost completion of the new home of Doris and Reba Buske. This one had been started before I left.

The Cunninghams will soon be living at 1706 West Tenth Street, which is the next door west of Frances Smith. The Buske home is one block south and a little west. They will be next door neighbors of Mabelle Hartwell and Florence Dorsey.

Also, Leroy and Terry Lynn Cox have a new storage, workshop and general purpose addition all the way across the north side of Hometown Hardware.

When Gene and Cheryl Weatherly bought the former home of David Lee and Carolyn Carson and children at 315 Fifteenth, there was kind of a "fruit basket turn over" series of moving. Mike and Nelda Ellis and family, who had been living there several years, moved to 1207 Maple, where Evelyn Hughes had been living before she moved to the country.

Now, we only have three Ellis families listed in our phone directories and two of them are next door neighbors. Bill, Carol and Rick Ellis live at 1201 Maple. Having two families living next door who have the same last name may be somewhat confusing to the postman and other delivery people.

After Gene and Cheryl and their daughters, Lisa and Katy, moved from 1111 Virginia, Kirk and Christina Wright and daughter, Brianna, who had been living at 610 Summitt, moved over there.

A new business, K K's Kloset, has also been opened. It is in the west side of the building occupied by Lillard Real Estate and is owned and operated by Karen Britting.

This little shop is very unique and is a nice addition to Friona's business community. You just about have to visit this shop to learn what is available, so if you haven't been out there, take time to look it over.

Leta Tannahill is home after spending a couple of weeks with her daughter, Elizabeth Ann Tannahill, who lives in Manchester, Connecticut.

She flew to Hartford, Connecticut by way of Dallas and reports good flights both ways and an enjoyable stay.

By the way, the list of former Friona residents currently living in Albuquerque is growing longer. In late summer Jim and Sheryl Long Snead and son, Clint, moved out there from Red River, New Mexico. Their daughter, Layle, is a student at West Texas State University, Canyon.

Jim's sister, Janet Payne, and her husband, John, have lived there several months. Of course, Keith and Jean Blackburn have lived there a long time and Carl and Lola White have been there the past few years.

Recently Leslie and Kimber Britting White and daughter, Brooke, also moved to New Mexico's largest city—an article in a recently published nationally distributed magazine referred to it as "the fastest growing city in the

entire Southwest."

I've been reading the letters on the editorial page of the Amarillo paper praising good teachers. Have only seen two names I recognized. One was Mary Sheehan of Dumas and the other was Mary Reeve of Pampa.

Congratulations ladies. Our community is proud of you!

I need some help. About the middle of November in 1988, I loaned by collar to someone one evening and the next day I went to Central Montana and stayed a couple of months.

By the time I got home and needed to use it, I had forgotten who borrowed it. I'll appreciate any help I can get.

We have some new neighbors in our block. Liz and Byron Buchanan and sons, Beau, who is four, and Eric, nine months, recently moved from Sheridan County, Nebraska to 1310 Columbia. He is employed by Excel.

Lois and Dora Norwood returned home Friday after spending ten days visiting in the home of Mr. and Mrs. Rick Sharp and son, Randy, who live at Maywood, Missouri.

Mrs. Sharp, the former Becky Norwood, grew up here and is the daughter of Jimmy and Nancy Norwood.

Dora reported they had a nice vacation and enjoyed seeing many interesting things in the Maywood-Hannibal area.

The low point this week for me was the loss of a good neighbor, Ann Martin. Even though I think she made a wise decision when she decided to move back to Creston, Iowa, where her daughter, son-in-law and grandchildren live, all of us in this block, as well as in other parts of town, regretted having her move away.

Her daughter, Betty Wallace, who came down to help her move, was accompanied to Friona by Mr. and Mrs. Wilbur Clayton and Barbara Stephens, all of Creston; and Kari Barton and son, Kody of Boone, Iowa, who had never been to Texas before. Kari is Betty's daughter.

It is some consolation to know

Happy Birthday

St. Ann's Dinner Is Sunday

The St. Ann's Catholic Church of Bovina is sponsoring their annual turkey and trimmings dinner Sunday, November 5, from 11:30 a.m. until 2 p.m.

The meal will consist of turkey, dressing, creamed potatoes, gravy, green beans, relish plate, cranberry sauce, bread, dessert, tea or coffee.

Donations will be \$5 for adults and \$2.50 for children under ten. Take-out plates will be 25¢ extra per plate. Door prizes will be awarded. A quilt will be raffled off at the dinner. Serving will be at St. Ann's Parish Hall on Third Street in Bovina.

that since Ann has Martin family here, she will be returning to visit, but losing a good neighbor you've had for fourteen years, just isn't a pleasant experience.

Lessie Watson, who had the misfortune of breaking a hip Thursday afternoon, had surgery in Deaf Smith General Hospital Friday morning and is making satisfactory progress.

Lee Campbell returned home recently after an extended stay as a surgical patient at Deaf Smith General Hospital. His wife, Elwanda, reported Wednesday morning that he is recovering nicely at home.

New residents in the Hub community are Andy and Kathleen Carr. They've been living at Bayard, New Mexico. They are Tommy's parents and live near Tommy and Kristi and their children.

A very dear friend gave me a copy of a poem which I like very

much.
"Hope you like it too. It's title is "Drinking From The Saucer."
*I've never made a fortune and I'll never make one now,
But, it really doesn't matter, 'cause I'm happy anyhow.
I go along my journey reaping better than I've sowed.
I'm drinking from the saucer 'cause my cup has overflowed.*

*I don't have many riches and sometimes the going's tough,
But, while my kids still love me I think I'm rich enough.
I thank God for His blessings and the many blessings He has bestowed.
I'm drinking from the saucer 'cause my cup has overflowed.*

*If He'll give me strength and courage when the road grows steep and rough,
I'll not ask for other blessings...
I'm already blessed enough.
May I never be too busy to help bear another's load.
I'm drinking from the saucer 'cause my cup has overflowed.*

Jan Douglas, Wayne Flake Exchange Wedding Vows

Jan Douglas and Wayne Flake, both residents of Phoenix, Arizona, exchanged wedding vows Saturday, October 21 at 7 p.m. in the Ford Chapel of the First Baptist Church in Lubbock.

Dale Cain, pastor of the Calvary Baptist Church, Lubbock, performed the wedding ceremony.

The bride is the daughter of Betty Douglas of Phoenix, Arizona and J.B. Douglas of Muleshoe.

The bridegroom is the son of Jim and Irene Flake of Seattle, Washington.

Vows were exchanged before an altar setting of brass candleabras and baskets of fern and palms. The candleabras, lighted with American beauty tapers, were entwined with fern and drapes of satin. The unity candle completed the altar setting.

The pews were highlighted with gypsophilia, fern and American beauty satin bows.

Larry Lunduskie accompanied vocalist, Kevin Synder, as he sang "Parents Prayer," "Household of Faith," and "To Me."

As the bride was presented in

marriage by her parents, she wore a formal length gown of candlelight satin which formed a chapel length train outlined with a wide satin ruffle. The fitted bodice of satin and silk illusion was covered with seed pearls and appliques of lace that also spilled down the front of the skirt. The long sleeves had cutouts of silk illusion and beaded appliques that came to points over her hands.

She wore a fingertip length veil which was gathered into a bouffant and attached to the headpiece with sprays of pearls.

The bride carried a cascade bouquet of American beauty roses and buds, stephanotis and sprays of pearls, tied with an elegant lace bow and streamers.

She wore a blue sapphire ring and pearl earrings.

The groom wore an American beauty rose and stephanotis boutonniere.

Marganne Rhea of Lubbock served as maid of honor. Bridesmaids were Marie Flake of Seattle, Washington, Dawn Rose of Lubbock and Leslie Mankins of Fort Worth.

The feminine attendants wore tea length dresses of teal and carried garden bouquets of large American beauty roses and teal gypsophilia tied with poufs of ivory tulle.

Kevin Snyder of Seattle, Washington served as best man. Groomsmen were Jon Douglas of Levelland, Jan Douglas of Levelland, Craig Nystrom of Riverside, California and Brian Davis of Irving.

The groom wore a black tuxedo and the male attendants were attired in black.

Jennifer Holmes, daughter of Roger and Carol Holmes of Lubbock, served as the flower girl. Jonathan Holmes, son of Roger and Carol Holmes of Lubbock, was the ring bearer.

Candles were lit by Mike and Judy Davis and Wesley and Doris Barnett.

The reception was held in the Ford Chapel parlor.

Julie Brown presided at the guest registration table.

The three tiered wedding cake was decorated with mixed flowers consisting of roses, alstromeria, stephanotis and gypsophilia in shades of the bride's chose colors of American beauty and teal.

Denise Scott served the wedding cake. Punch and coffee were served by Marci Williams and Barbara Brown.

For a wedding trip to Hawaii, the bride chose a two piece black and white checked suit.

The couple is making their home in Phoenix, Arizona where she is employed by Lancome Cosmetics and he is employed by Electronics Data Systems.

The bride is a graduate of Texas Tech University. The bridegroom is a graduate of the University of Washington.

Module XIV: Mutual Funds:
Define Goals Before Investing

With more than 2,000 mutual funds to choose from, which one is best for you? Should you invest your money in last year's big winner or look at long-term results? Do you need income now, or can you let your dollars accumulate for the future?

These are questions you should answer before investing in any mutual fund. Although answering these questions won't guarantee success, you will have a leg up on investors who make deposits with little thought as to how their money will be invested.

To be satisfied with your mutual fund, you must first determine your personal income objectives. There are four major areas to satisfy. The following questions should help with your decisions.

1. How much income do you expect? There are mutual funds designed for every need. One of these needs is income. If you depend upon a regular monthly income from your investment, a careful study of several income funds should offer a range of reasonable income. The key is to look for a history of consistent results. Don't be taken in by short-term dynamics. See how the fund's income payments are affected by a variety of market conditions.

2. How much share-price fluctuation can you tolerate? Unlike some investments, the value of your mutual fund fluctuates. That means it can drop as well as climb. If fluctuation in the value of your principal disturbs you, even though you don't plan to withdraw it, that's a good indication that aggressive growth funds may not offer the security you need. Again, a study of several funds' past performances can reveal the severity and frequency of market-

value fluctuation. If the numbers confuse you, look at the performance chart every fund offers in its annual report.

3. Do you need stable principal for the short term, or can you allow for some fluctuation in return for higher monthly income? Money-market funds offer an excellent opportunity to put money to work, usually with no sales or redemption fee, they allow you to withdraw money at any time with no penalty, and to still receive a reasonable return on your money. Although the return is variable, since it's paid from the income of short-term investments in the fund's portfolio, the principal is stable.

The income from money-market funds, however, is generally much less than you would receive from a long-term bond fund in which the principal is subject to some market fluctuation. The trade-off is high income vs. stable principal. The choice is yours.

4. Do you want income that's free of federal taxes? Of course, this is ideal. To accomplish it, however, you must sacrifice some current income. Keep in mind that the income you do get is yours to keep, free of federal taxes.

Your decision of taxable vs. nontaxable should be based upon the amount of taxable income you currently claim. If you're in a high income tax bracket, tax-free income is a smart move. For example, if you file a joint return and your taxable income falls between \$29,751 and \$71,900, you're in a 28 per cent marginal tax bracket. That means a tax-free return of 7.5 per cent gives you as much spendable income as 10.41 per cent of taxable income.

Selecting the right mutual fund requires understanding, study, and a clear definition of what you want your money to accomplish for you.

Some things are
so dependable, we can't help
taking them for granted.

It's easy to take your natural gas furnace for granted. It sits quietly in a dark room and year after dependable year, keeps your family warm and cozy through the toughest West Texas winters.

Comfort

Natural gas heat from your furnace is warmer than heat from a heat pump. Your furnace gets your home cozy warm in a hurry, and keeps it that way.

Very Low Maintenance

After its annual pre-season check-up, your natural gas furnace should require very little attention the rest of the winter. What peace of mind that is!

Low Cost

Over the life of your furnace, you'll save thousands of dollars compared to the cost of electric heating in West Texas, it just doesn't make sense to heat with anything but natural gas.

Dependability

From a chilly morning to the coldest days, you'll have plenty of natural gas from Energas to take care of your family. Just set your thermostat and have a great winter!

Dependable natural gas. It's still West Texas' best energy value.

ENERGAS

We're proud to be your gas company

BERNY and TERESA MESMAN, together with their parents, Mr. and Mrs. Russell Morris of Houston and Mr. and Mrs. Ben Mesman of Farwell, are proud to announce their engagement and approaching marriage November 25 at 7 p.m. at St. Ann's Catholic Church in Bovina. Invitations have been sent.

Meeting To Explore Drug Issue

As a follow-up to the recent "Red Ribbon Week" observation locally, the Friona Parent-Teachers Assn. is sponsoring a meeting on Monday, November 13 at 7 p.m. at the Junior High Auditorium.

Mike Whitecotton, a specialist in the field of drug prevention, will speak on "Parenting for Prevention."

DPS Trooper Trey Ellis will also speak on Friona's involvement in drugs and alcohol.

The public is invited and encouraged to attend the meeting.

DPS Gives Accident Summary

Capt. Rusty Davis, District Supervisor of the Amarillo Highway Patrol District comprising of 31 counties, said, "For the month of September, our troopers investigated eight fatal accidents, 65 personal injury accidents and 103 property damage accidents. There were nine persons killed and 98 persons injured in these accidents."

Sgt. Billy D. Scott of Hereford stated, "In Parmer County, our troopers investigated no fatal accidents, four personal injury accidents and six property damage accidents in the month of September. No one was killed and four persons were injured in these accidents."

Police Report

OCTOBER, 1989

The Friona Police Department received 229 calls during the month of October.

Fifty-one citations were issued. Sixteen arrests were made: four for public intoxication; one DWI/bail jump; five municipal warrants; two out-of-town warrants; one warrant aggravated assault (county); and two for disorderly conduct.

Fifteen man nights were spent in jail.

Twenty-two offenses were reported: six miscellaneous; three for criminal mischief; two for disorderly conduct; one assault; one aggravated assault/peace officers; two burglaries and seven thefts.

Eight accidents were investigated with two injuries.

Twelve vacation watches were requested and 180 security watches.

Notice Of Public Hearing On The Taxation Of Tangible Personal Property

House Bill 82, passed by the 71st Legislature, amends Section 11.14 of the Tax Code and provides that all tangible personal property, other than manufactured homes, that is not held or used for the production of income is exempt from property taxes. House Bill 82 further provides that the governing body of a taxing unit may, by official action, continue the taxation of tangible personal property.

The City of Friona will conduct a **PUBLIC HEARING** to continue the policy of taxing all tangible personal property on December 4, 1989 at 7:30 P.M. at the City Council Meeting Room at Friona City Hall.

All interested persons are entitled to speak and present evidence for or against the continued taxation of tangible personal property. This notice is published in compliance with the provisions of House Bill 82.
