NUMBER 254

CLUB PRESENTS GREAT PROGRAM

Large Crowd Hears Splendid Addresses at Ladies' Night of Sweetwater Club.

"ABOLISH DEATH TRAPS"

Benefits of Paving and City Beautiful Stressed—Abilene Mayor Delights Audience.

—Abolish the Grade Crossing Death Traps in Sweetwater.—R. M. Chitwood.
—The city that doesn't pave will be lost in the shuffle.—Mayor C. E. Coombs of Abilene.
—A City Beautiful Means a Loyal Citizenship and Individual Responsibility.—Mrs. R. C. Ledford.
—Your present city commission is ready to pave. Let's go.—Mayor Joe H. Boothe.
—Beware of selfishness.—Henry C. Harris of Dallas.

These were high points in one of the most inspirational meetings in the history of the Sweetwater Club. The Hotel Wright diningroom has a capacity of more than 200 and it was taxed very nearly to that limit Thursday night when Ladies' Night was observed, with members of the Sweetwater Club, their wives, members of the Women's Auxiliary to the Board of City Development and others present. While the exceptionally well prepared turkey dinner was being served, members of the Sweetwater Orchestra under the leadership of H. M. Rose provided entertainment as well. The Boys' Glee Club from the High School were liberally applauded after each of the several selections they rendered. In the meantime the "Ladies Own Journal, Vol. II" was being read over very carefully by B. C. McCall and several others conspicuous in the preparation thereof.

Abolish Deathtraps.
R. M. Chitwood presided as toastmaster in his own inimitable manner after James Henry Beall Jr., president of the Sweetwater Club had officially welcomed the guests. In the course of his opening remarks Mr. Chitwood said that it was imperative that the grade crossing deathtraps on the Pacific railway in Sweetwater be removed.

"It is inconceivable that a railroad that has done so much for West Texas and that West Texas has done so much for, will permit such a condition to exist longer," he declared.

In an address marked by exceptional beauty of thought, language and diction, Mrs. R. C. Ledford said that a "City Beautiful" depended upon a "Loyal Citizenship" with "Individual Responsibility."

"We must love loyalty, be willing to serve and to serve intelligently. In the two and one-half years that I have lived in Sweetwater I have noticed several worthwhile movements collapse because of lack of intelligence."

"To some a city beautiful means one with trees, flowers, paving. To others it means one where educational facilities are most fully developed. Our pastors believe that it is dependent upon large churches with every man, woman and child in the city worshipping therein on Sunday. To a doctor it means a city with perfect

(Continued on back page)

AL AND CAL

Al Jolson, famous Broadway comedian, headed the group of actors who recently had breakfast at the White House with President and Mrs. Coolidge. Al says that Cal has a real sense of humor. He tells how he made the President laugh in Sunday's Western Weekly.

The result of the recent election, says Will Rogers, was just as big a surprise as the announcement that Xmas would come in December. You will get plenty of laughs out of Will's "Political Autopsy."

Have you ever tuned in and heard the "Joy Digger", Radio's Wandering Minstrel? His picture will be in the Western Weekly Sunday. The magazine supplement of the Sunday Sweetwater Reporter is always entertaining and instructive. Be sure to get your copy.

Auto Robe Brings To Light Liberty Bonds, Securities

By The United Press.
YOUNGSTOWN, O., Nov. 21.—A soggy automobile robe crammed into a crevice in a bridge near here revealed \$517,800 in Liberty Bonds and other negotiable securities when three workmen stumbled on to it while going to work today.

CROP ESTIMATE BEATS LAST YEAR

Department of Agriculture Estimates Total of 1924 Crop at 12,992,000 Bales.

GINNING	RUNS	HIGHER
Up to November 14, Cotton Ginned	From 1924 Crop Totaled 11,147,524 Bales.	

By The United Press.
WASHINGTON, D. C., Nov. 21.—The cotton crop this year will total 12,992,000 bales, the Department of Agriculture estimated in a report issued today.

Last year's total was 10,139,671 bales.

The cotton of the 1924 crop ginned up to November 14 totaled 11,147,524 bales against 8,369,498 bales ginned in the corresponding period last year, the Census Bureau reported.

HONOR PIONEER

Hollywood, From Stars to Property Men, Pays Tribute to Thomas H. Ince, Famed Producer.

By The United Press.
HOLLYWOOD, Cal., Nov. 21.—Passing by the pier in an unending stream, Hollywood, from the best known stars to stage carpenters and property men, today paid last tribute to Thomas H. Ince, pioneer director and producer, who died suddenly Wednesday.

Following an hour in which the body lay in state, private services were held with an "United Lodge of Theosophists" speaker delivering the funeral oration. Ince was not connected with any church, but was interested in theosophy, it was stated.

BARTLETT GAINS

City Secretary Slightly Improved, Although General Condition Shows Little Change.

The condition of City Secretary W. H. Bartlett was slightly improved Friday afternoon, according to Dr. A. H. Fortner. Mr. Bartlett seemed to be resting a little better the physician said. He is still in a semi-conscious condition, however.

His condition as a whole, shows practically no change from the first, it is believed, and the City Secretary is still hovering between life and death. Members of his family and his relatives have been allowed to see him at the Sweetwater Sanitarium.

RESISTS ATTACK

Large Crowd at Dinner. Approximately 200 persons at turkey dinner at the First Christian Church at noon Friday, those in charge of the dinner served by the ladies of the church reported.

HULK OF BATTLESHIP WASHINGTON TO BE BOMBED FROM AIR AT NAVY DEFENSE TRIALS

By The United Press.
NORFOLK, Va., Nov. 21.—Sturdily riding the waves after a battering attack by the most powerful guns of the U. S. Navy, the hulk of the battleship Washington was today subjected to still further hammering as naval experts used her to test their devices of destruction.

The final attempt to sink the great vessel was to be made when airplanes in battle formation were to shower her with huge bombs.

CISCO CONSIDERS INVITATION HERE

Daily News Answers Reporter's Invitation to Meet Vernon—Lobos Play Stephenville.

ABILENE FILES PROTEST

Action to Be Considered by State Authorities Monday—Cleburne Matched Against Lampasas.

Although the two teams that are to play for the West Texas high school football championship have not yet been definitely determined, newspapers of both Vernon and Cisco, the probable opponents for the right to meet Waco for the championship of the state, have replied to the invitation of The Sweetwater Reporter to play here, expressed their appreciation of the invitation, and given assurance of its fullest consideration.

A. B. O'Flaherty of the Cisco Daily News wired The Reporter late Thursday that Abilene had filed a protest against one of the Cisco players, and that the protest would be decided by state authorities at Austin Monday. Following Cisco's victory over Comanche, 30-0, Monday, the Lobos were advised over long distance telephone by Roy B. Henderson, interscholastic football head at Austin, that Cisco would play Stephenville next and that Cleburne would be matched against Lampasas, class B winner in the Southwestern part of the state.

Vernon replied to The Reporter's invitation Thursday, expressing her appreciation and stating that the matter had been referred to school authorities.

Cisco's message of appreciation follows:

"Cisco people appreciate your nice offer and will give it fullest consideration when the time comes. Abilene filed a protest against one of our players yesterday, and this will be settled at Austin Monday. Should Vernon and Cisco meet at Sweetwater, we are positive both cities would be treated royally and that a great throng would witness the contest.

"A. B. O'Flaherty, Cisco Daily News."

Under the heading "Sweetwater felicitates Lobos and invites Cisco to play the West Texas Champ game there," the Cisco Daily News published the Reporter's invitation in a two-column box on page one:

Sweetwater, Texas, Nov. 18, 1924. Cisco Daily News, Cisco, Texas: "Allow Sweetwater, through the Sweetwater Reporter, to congratulate the Cisco Daily News and the people of your community on Cisco's victory over Comanche, and her right to meet Vernon—conqueror of Amarillo—for the West Texas championship.

"May we offer Sweetwater as the locally located neutral city in which Waco's opponent for the state championship will be decided. Ideal rail connections will serve both cities, and the throngs of West Texas rooters who should be here.

"Hospitality is our Mayor's middle name, and he is a first cousin of everybody in Sweetwater.

"We can handle the crowds, so come to Sweetwater and bring everything but the jail. We won't have any use for that.

"Yours for West Texas,
"Sweetwater Reporter."

BARING SCANDAL

Pretty London Woman Tells of Relations With Prince in Blackmail Extortion Plot.

By The United Press.
LONDON, Eng., Nov. 21.—A pretty blonde English woman, fashionably gowned, testified here this afternoon for five hours of her intimate relations with an Eastern potentate of fabulous wealth, which has rocked England and threatens an international scandal.

The woman was Mrs. Charles Robinson, wife of a boot maker and the alleged pawn in an extortion conspiracy by which a blackmail gang extorted three-fourths of a million dollars from an Eastern princeling. A fashionable audience which crowded the court room to capacity heard the testimony.

NEW SCHEDULE ON T-P RAILWAY

Effective Sunday, Oil Belt Special Will Run to Big Spring, West, 5:25 a. m., East, 9:35 p. m.

CHANGE TIME OF 5 AND 6

Sunshine Schedule Unchanged—Thru Pullman From San Angelo to St. Louis via Sweetwater.

The new schedule for Texas and Pacific passenger trains has been officially announced, and will go into effect at midnight, Saturday, November 22. The new time calls for four passenger trains each way daily, making the total number of passenger trains in Sweetwater daily for the three railroads, fourteen.

There will be no change in time of T-P Sunshine Specials No. 1 and 2, nor in the arrival or departure of No. 3 and 4, the "plug."

The most important change consists of a new train which will run as No. 15, west bound, and No. 16, east bound. This train was formerly the Oil Belt Special, and only went as far west as Cisco. It will now be run to Big Spring. This train is a local, and will make all stops, and will also carry mail and baggage. No. 15 will arrive in Sweetwater at 5:25 a. m., west bound, and will leave at 5:55 a. m. No. 16, east bound, will arrive at 9:35 p. m., and leave at 10 p. m.

No. 5, west bound, which heretofore arrived in Sweetwater at 5:45 a. m., will, beginning Sunday, arrive at 6:30 and leave at 6:40 a. m. No. 6, east bound, which formerly arrived at 10:35 p. m., will arrive at 11:30 p. m., and depart at 11:40 p. m.

Another feature of No. 15, the new train, is that it will handle the San Angelo Pullman into Sweetwater, from where the Pullman will be handled over the Orient to San Angelo. No. 16 will handle the Pullman out of Sweetwater and the Pullman will go direct to San Angelo to St. Louis. The car formerly only went from San Angelo to Dallas via Sweetwater. Under the new schedule, it will come from San Angelo to Sweetwater over the Orient, and from Sweetwater to St. Louis over the Texas and Pacific.

VETERANS DINE

Daughters of Confederacy Entertain Veterans With Turkey Dinner at Noon Thursday.

The Daughters of the Confederacy honored the Confederate veterans of the S. W. T. Lanham Camp Thursday with a turkey dinner as has been their custom since the organization of the local chapter.

The dinner was spread at the noon hour in the dining parlor of the new First Baptist Church, which had been beautifully decorated with the national colors and stars and stripes of the U. S. and the flags of the stars and bars of the Confederacy, floating peacefully above all. Lovely bouquets of flowers adorned each table, where the six veterans and their wives, four other veterans and four widows of those who wore the grey sat down to feast together and spin yarns between courses of turkey, more turkey, and everything that it takes to make up a good old southern turkey dinner.

Dr. Morony offered thanks and gave the first of the informal addresses on the program following dinner. His address was in the nature of greetings from the local American Legion, after a very appropriate introduction from Mrs. R. C. Crane, president of the U. D. C. and toastmistress of the day. He was followed by Mrs. Warren of the American Legion Auxiliary, Judge Hightower, Mrs. R. C. Ledford and Rev. J. C. Moore.

Veterans present and their wives were: Mr. and Mrs. W. B. Wimberley, Mr. and Mrs. S. W. Crutcher, Rev. and Mrs. J. C. Moore, Mr. and Mrs. James T. Bishop, Mr. and Mrs. J. W. Herndon, Mr. and Mrs. P. R. Demere of Champion; widows of veterans, Mrs. E. V. Grogan, Mrs. George Outlaw, Mrs. M. A. Fowler, Mrs. Taylor of N. Y.; W. T. Hightower, A. M. Sheppard, J. T. Johnson, Mr. Adams of Mulberry Canyon.

Weather.
Tonight fair. Saturday fair and some colder.

Says Bootleggers Got Tenth of U. S. Controlled Alcohol

WASHINGTON, D. C., Nov. 21.—Startling charges that 6,000,000 gallons of government controlled alcohol, one-tenth of all used in the United States, has reached the hands of bootleggers so far this year, was made by Wayne Wheeler, general counsel of the Anti-Saloon League.

DEATH COMES TO MRS W G HARDING

Wife of Late President Dies Quietly and Peacefully at White Oaks Farm, Marion, Ohio.

FUNERAL SERVICES MONDAY

Will Probably Place Body Beside That of Husband—Ill in October, Life Ebbs Gradually.

By The United Press.
MARION, O., Nov. 21.—Mrs. Florence Kling Harding, widow of the late President, died today. Weakened by the shock of her husband's death and the ordeal of his public funeral a year and a half ago, Mrs. Harding was unable to throw off the recurrence of the malady that brought her to the gates of death in 1922.

Dr. Carl W. Sawyer, who has been almost constantly with Mrs. Harding during her illness, announced her death. His eyes were filled with tears as he said quickly: "She has died. She went peacefully and quietly. I may issue a formal statement later."

Mrs. Harding became seriously ill in October. Then, except for brief intervals of improvement, her life ebbed gradually until she died at 8:55 this morning, at White Oaks Farm.

With here were her brother, Clifford Kling, of Florida; George Christain, former secretary to the late President; Dr. Carl W. Sawyer, and Dr. Charles E. Sawyer. Mrs. Harding passed into a state of coma yesterday morning and early today became unconscious.

Funeral Services Monday.
The body of Mrs. Harding will probably be placed beside that of the president in the vault at Marion Cemetery. Funeral services will be held Monday afternoon at 2 p. m., at the Epworth Methodist Church, of which Mrs. Harding has been a member since girlhood.

Dr. Jesse Swank, pastor of the Epworth Methodist Church, and Rev. George M. Landis, pastor of the Trinity Baptist Church, will officiate. Mrs. Harding's body was taken from White Oaks Farm to the home of Mrs. Frank J. Longshore today.

Weeks and Work to Attend.

By The United Press.
WASHINGTON, D. C., Nov. 21.—Secretary of the Interior Work and Secretary of War Weeks will represent the administration at the funeral of Mrs. Harding, it was announced at the White House today.

LEE STACK DEAD

British Government to Demand "Complete Satisfaction" For Assassination of Governor-General.

By The United Press.
LONDON, Eng., Nov. 21.—The British government was today preparing to make strong representations to Egypt, demanding "complete satisfaction" for the assassination of Sir Lee Stack, Governor-General of the Sudan and Sirdar of the Egyptian Army since 1919.

Stack died at midnight in Cairo from bullet wounds received when he was attacked in the streets Wednesday. The affair has created "a most tense situation," it was admitted in official circles.

ASK COMMISSION TO PAVE BOWIE

Residents Meet With Officials—Petition Now Being Circulated Among Property Owners

DISCUSS T & P ACTION

Chief Engineer Replies to Mayor's Letter—Invite Officials to Inspect Situation.

A number of Bowie street property owners met with the City Commission in regular session Thursday afternoon and formally requested that steps be taken to forward the paving of that street. The Commission assured the Bowie street residents that plans would be considered immediately for the project. The paving of the street at present hinges on a petition which the Bowie street property owners are preparing, and if the residents on the street are in favor of paving, Bowie street will doubtless take its place in line with the other streets that have already lined up in the paving program.

"If they want paving, we would like to see them have it," Mayor Boothe stated Thursday, "and we will try to lay it."

Preliminary plans for the project call for paving the street 30 feet wide from the T-P railway to the highway. The approximate cost for the entire length as a unit, was estimated to be about \$6.65 per running foot. A bridge or dip across the creek on Bowie street was also discussed in connection with paving.

Louis Polk was appointed assistant City Secretary and is discharging the duties of that office.

Further discussion of the prospective milk ordinance was made with a city health official, and the Commission, Mayor and health officers of the city will meet shortly for complete discussion of the advisability of adopting the law. The ordinance in regard to side walks on Crane street was passed at the meeting.

The City Commission and Mayor are leaving no stones unturned in seeking a solution of the hazardous railway crossings in town, it was brought out at the meeting. Mayor Boothe has notified E. E. Mitchell, chief engineer, T-P, at Dallas, that the cost of a viaduct here would be very expensive, and that traffic was becoming more heavy. The best solution, Mayor Boothe wrote Mr. Mitchell, seemed to be the removal of the yards to the edge of town.

In reply, Mr. Mitchell's letter stated that the company was taking under consideration, plans which, if carried out, would reduce trackage and switching across important streets, and for early action was "asking the executive department for authority to construct passage tracks east of Sweetwater which will help the situation."

In his reply to that letter, Mayor Boothe told of fire trucks being held up here by cars across the tracks, and of delay of vehicles by blocked tracks. He suggested that instead of building more tracks east of town, that the yards be moved from the present location. He also invited Mr. Mitchell and Mr. Lancaster to Sweetwater to discuss and observe the situation.

In a letter to Mr. Mitchell on Nov. 19, Mayor Boothe told of the accident in which City Secretary Bartlett was seriously injured at the Hailey street grade crossing. The accident "has emphasized the necessity of immediate action," Mayor Boothe wrote. He asked for electric bell system on that crossing, and suggested the Galveston street sub-grade crossing, which is a natural crossing under a bridge, as the only safe crossing in town. He further suggested that if a widened, concrete bridge was put in there, it would divert fully fifty per cent of traffic from the dangerous yard crossings.

The commission had received no further information from T-P officials Thursday.

WIN STOCK SHOW
Merkel Man Tops K. C. Hereford Exhibition.

KANSAS CITY, Mo., Nov. 21.—New royalty was created in the animal kingdom today when awards were made in numerous classes of entries at the American Royal Livestock show here.

In the fat cattle competition, Guy Ladd 59th, exhibited by C. M. Largent and Sons of Merkel, Texas, was chosen champion of the Hereford class. Sni-a-bar Snowball of Sni-a-bar Farm, Grain Valley, Mo., won the blue ribbon in the shorthorn class, and in the Angus Division, Silver Blue, owned by Oklahoma A. and M. College, was the winner.

ADD SWITCH ENGINES
Santa Fe Uses Four Shifts at Lubbock.

Special to The Reporter.
LUBBOCK, Texas, Nov. 21.—With business increasing it has been necessary for the Santa Fe railway company to increase its number of switch engines and add to its force. A. P. Dodridge, has been placed in Lubbock as yard master and a total of four switch engines are being used to spot cars both day and night in the local yards.

Business from both a passenger and freight standpoint, has increased be-

Pepsinated Calomel Is Better than the Old-Time Sickening Kind

It is gentle, imported English Calomel, combined with Pepsin and other helpful ingredients. It is mild but certain, causing no harshness or unpleasantness and will absolutely relieve indigestion, biliousness, bad colds, constipation and sick headaches. And best of all it does it so quickly and pleasantly. Take one small tablet at bed-time and you will get up hungry and feeling fine. Recommended by
Bowen's Drug Store

twenty-five and fifty per cent over this date last year, the station master said and double the number of switch engines are needed to shift the cars about the yards. The trackage has already been increased to care for the business.

Along the first part of the coming year the passenger and freight depots will both be remodeled, improved and enlarged, Bayless stated, and also said such arrangements were being placed on the budget at the present time. The Santa Fe has also been doing extensive improving at Lamesa.

TREES IN STREETS

Preliminary Plans For Holiday Decorations Made.

JAMESTOWN, Nov. 21.—Christmas trees will decorate the business section of the city during the holidays according to plans under consideration by local merchants.

The trees will be placed in the small holes drilled in the sidewalks of the business section where flags were set on Armistice Day and at evening will be electrically lighted with small red and green lamps. Selection of the Christmas trees will be made from a stock owned by a local concern. They will be approximately seven feet in height and of uniform shape.

MENNONITES EN ROUTE

Immigrant Train Passes Through Bound For Old Mexico.

An immigrant train of 27 cars passed through Sweetwater over the Texas and Pacific during the week with 280 Mennonites enroute to Old Mexico from Canada. Large colonies of these people are being settled in the interior of Mexico, the majority of whom come from Canada.

The train which passed through here Tuesday included four coaches and 23 stock, box and baggage cars. The Mennonites were taking all their possessions along with them to settle in a new land. Horses, cattle, hogs, farming implements and other possessions were loaded on the train. This is reported to be the 27th train load of these immigrants who are making up the colony in Mexico. It is the first train, however, that has passed thru here over the T-P, the other trains

traveling over various lines. This special group will settle about 200 miles in the interior of Mexico, they stated. Only a few spoke English. The majority of the Mennonites here were Russians, while a few were Poles and other foreigners.

MARRIAGE IN HEAVEN

Hope For Those Who Fail to Find Mates on Earth, Says Preacher.

By The United Press.
CHICAGO, Ill., Nov. 21.—There is hope for the bachelors and bachelor maids, for there are marriages in heaven, according to the Reverend Walker Brown Murray, pastor of the Kenwood New Church here. However, no children are born in heaven, Mr. Murray said in his sermon on "The Beauty of Marriage."

Marriage is the perfect state of happiness, therefore, all persons should marry, Mr. Murray held. If they do not marry on earth, they will find perfect mates in heaven.

"In heaven no children are born," he said, "though there is a continuation of the marriage relationship in every way."

Card of Thanks.

We wish to thank our friends for the many acts of kindness shown us during the illness and death of our husband and father, J. T. Robertson. We also deeply appreciate the flowers sent.

Mrs. J. T. Robertson and Family.
2541c

Ed Ailes of the West Texas Construction Co., which has contracts for paving on several Sweetwater streets, was in Sweetwater Thursday. Mr. Ailes stated that the company was opening an office here shortly and the company's plant would also be moved here. He left Friday morning for Abilene.

HOW DOCTORS TREAT COLDS AND THE FLU

To break up a cold over night or to cut short an attack of grippe, influenza or sore throat, physicians and druggists are now recommending Calotabs, the nausealess-Calomel tablet, that is purified from germs and sickening effects. Those who have tried it say that it acts like magic, by far more effective and certain than the old style calomel, heretofore recommended by physicians.
One or two Calotabs at bed time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with eating, work or pleasures. Next morning your cold has vanished and your system feels refreshed and purified. Calotabs are sold only in original sealed packages, price ten cents for the vest-pocket size; thirty-five cents for the large family package. Recommended and guaranteed by druggists. Your money back if you are not delighted.—adv.

ITCHY!
MONEY BACK WITHOUT QUESTION
IF "HUNT'S GUARANTEED SKIN DISEASE REMEDIES" (Hunt's Salve and Soap) fails in the treatment of Itch your druggist is fully authorized to return to you the purchase price.
A Medford, Oklahoma man, among thousands who praise HUNT'S SALVE, says:
"Some people dislike to call it the Itch, but cancer compels me to admit I had it badly. Your Hunt's Salve, however, cured me after many other remedies had totally failed."
"HUNT'S GUARANTEED SKIN DISEASE REMEDIES" (Hunt's Salve and Soap) are especially compounded for the treatment of Itch, Eczema, Ringworm, Tetter and other itching skin diseases, and is sold on our money-back guarantee by all reliable drug stores.
Remember, if it fails it costs you nothing, so give it a trial at our risk.

HOLD ENJOYABLE MEETING

Social and Calendar Clubs Meet With Mrs. Mauzey.

The ladies of the Methodist Church who compose the Woman's and Gleaners' Missionary Societies, met Monday afternoon at the home of Mrs.

A. S. Mauzey for one of the most enjoyable social affairs they have held this season, attended by sixty women and a number of children.

The first part of the program was devoted to a scripture reading from Acts 2, 1 to 4; Romans 10-12; Hebrews 13-8; by Mrs. W. L. Kinsey. "Sufficient Power" was the subject

emphasized in the songs, readings and talks. Mrs. L. C. Tatum, first vice president of the Woman's Missionary Society and chairman of the Calendar Club, gave a very helpful talk. Mrs. N. L. Hall led the prayer. There was an air of happy expectancy when it was announced that all "capsules" would be revealed and many exclamations of surprise were heard as the names were read. Very few had even guessed who had been so nice to them for the past two months. "Capsules" were again chosen for another two months.

Mrs. A. J. Wimberly for the Woman's and Mrs. M. C. Manroe for the Gleaners' Missionary Societies, collected \$30 calendar dues, which they will use in their local church work.

During the social hour following, Mrs. Ted Hall, "month" and her "weeks," Mrs. Mauzey and Mrs. A. B. Chambers, served refreshment plates holding jello topped with cherries and whipped cream, angel food cake, coffee and whipped cream. Mrs. J. S. Schooler and Mrs. Joe Boothe are Mrs. Hall's "weeks," who were not able to be present.

Mrs. Mauzey's home was fragrant and beautiful with its decorations of chrysanthemums, roses and potted plants from her own flower garden.

DELEGATES' REPORT

Eastern Star Holds Enjoyable Meeting—Initiate Candidates.

The meeting of the Order of Eastern Star Tuesday evening was especially pleasant. One feature of the evening was the wonderful reports that Mrs. Ed Bradford and Mrs. J. D. Dulaney brought back from the State

meeting at Galveston where they represented the local order. Mrs. Dulaney was made state chairman at this meeting of the transportation committee for the next meeting, at San Antonio.

Another interesting item was the initiation of Mrs. J. W. Bibb and Mrs. P. E. Cravy into membership. Seven new candidates are reported for the December meeting. Mrs. Bradford, was the presiding officer and it was decided to give a Christmas Tree for the members, the third Tuesday evening in December. Mrs. Willard Gibson, Mrs. E. P. Reese and Mrs. M. C. Manroe was appointed a committee to arrange the program for that occasion. Visiting members were present from New York City, Oklahoma, Indiana, San Angelo and Abilene, and enjoyed the ice course which the ladies served in the banquet room at the close of the evening's program.

Send Orphans Boxes.

The Woman's Missionary Society of the First Baptist Church met at the church Monday afternoon and packed two nice big boxes for Buckners Orphans' Home at Dallas. At a low estimate the boxes were valued at \$107.50 and were filled with clothing. They were shipped Tuesday and were accompanied with a substantial cash offering. Mrs. G. Tyler, chairman of the "Sunbeam" department gave an interesting "Sunbeam Program," with all the little folks taking part. At the close of the program the children were served ice cream cones. Next Monday's meeting will be devoted to a Bible study directed by Dr. Morony at the church.

BRIDE ELECT HONORED

Entertainment and Shower Given For Miss Leah Davis.

Mrs. T. H. Hampton, Mrs. L. M. Hubbard, Mrs. L. H. Thompson and Mrs. N. P. Tuttle were hostess Monday evening at a reception and shower at the Woodmen Hall honoring Miss Leah Davis who will become the bride of Dell Dennis of this city Thanksgiving evening.

The whole affair was a complete surprise to Miss Davis as she was only invited to a "meeting." Preceding the special feature of the evening Miss Eva Berman gave a beautiful piano solo and was followed by Miss Pauline Weatherby with another piano number. Miss Evelyn Lohman favored with a reading and an encore. Next Mrs. Robert Andrews announced that cards would be passed and the one holding the lucky number would draw a prize, which, of course, fell to the winsome bride elect. A great heaped up basket of all kinds of beautiful and useful gifts were presented her. Refreshments were served.

AMUSEMENTS

One of the reigning beauties of the screen, who also reigns supreme as an emotional actress, is Virginia Valli, who plays the enthralling role of "Sally Taylor" in "The Signal Tower," new Universal-super-Jewel production. Her dark, exotic loveliness is a wonderful background for her artistry as an actress.

Miss Valli has given the screen many notable roles: as Glorinda Wildairs in "A Lady of Quality" she re-lived Frances Hodgson Burnett's heroine in a manner that made her name a by-word wherever the picture has gone. In "The Storm" she was a storm center of human emotions.

Now, "The Signal Tower" shows another side of her versatility. As the wife of the railroader in his lonely cabin in the mountains; a woman of the stuff that the pioneers were made of, she portrays a role so intense and dramatic that one wonders if this is the same woman who plays the stately lady of the Burnett story.

"The Signal Tower" will be seen at the Palace Theater commencing today. Supporting Miss Valli are Wallace Beery, Rockliffe Fellowes, J. Farrell McDonald, Dot Farley, James O. Barrows and Frankie Darro.

Clarence L. Brown who made the prize mystery story of the past season, "The Acquittal," directed "The Signal Tower" from the celebrated story by Wadsworth Camp.

Celebrates Birthday Anniversary.

Master Billy Mitchell was assisted in celebrating his sixth birthday anniversary Wednesday afternoon by a dozen of his little friends who enjoyed every minute of the party. He had a big birthday cake, candles, lots of good things to eat and presents from everyone, and what else did a boy need to make him happy? Those who played games with Billy were Edna and Bobbie Yarbrough, Doris Belle Tatom, Anna Lou and James Thornton, Laura and Richard Blanchette, Agnes and Henry Bouyer, Joyce and J. C. Lanthrop and W. E. Wade Jr.

OTTO CARTER

Walter P. Chrysler Announces

25 Miles to the Gallon
58 Miles per Hour
5 to 25 Miles in 8 Seconds

With a full sense of the seriousness of the statement—carefully weighing the meaning of every word—Chrysler-Maxwell engineers, without reservation, promise you, in this new Maxwell, performance surpassing in every essential any four-cylinder car in the world today.

To make that sweeping assurance more definite and specific—we promise you in speed, in power, in pliability of power, in swift response, and even more particularly in riding steadiness and comfort, results no four-cylinder car has yet been able to attain.

To go still further into details, the new Maxwell has speed capacities far beyond any car of its type and class, and in the rare instances in which they may have to be used, will register them with an absence of vibration without precedent in four-cylinder construction.

Chrysler-Maxwell engineers have been actuated by the conviction that in addition to its inherent

and natural economies, the four-cylinder principle possessed possibilities of power and speed capable of being translated into ease and steadiness which have never been fully developed.

They set out to overcome what have all too readily been accepted in the past as limitations in the four-cylinder engine and to convert these limitations into positive advantages.

No one can doubt that success has crowned their efforts, after even so short an experience as a half hour's driving demonstration of the car.

Judged by the unusual and extraordinary character of its performance, this Maxwell is literally a new and immeasurably better type of four-cylinder motor car.

PAINS IN BACK

Arkansas Lady Says Mother Gave Her Cardui and She Had No More Trouble of This Kind.

Lamar, Ark.—Mrs. Edith Seaman, here, recently made the following statement describing her experience in the use of Cardui:

"I had pain in my back and sides; had sick headaches and my nose would bleed. I couldn't sit up at all.

"My mother gave me Cardui. I took about a half bottle and at this... I was able to get up and help with the work. Next time I took it again, and now, after taking two bottles, I do not have any trouble at all at this time. I gained, my skin cleared up, I am healthy and strong.

"My mother took Cardui for a weak, run-down condition. It did her more good for weakness and nervousness than any medicine she has ever taken. She took six bottles in all. We recommend it and certainly know its worth."

The foregoing is one out of thousands of statements which have been received from users of Cardui, the woman's tonic. If you are a sufferer from womanly ailments, try Cardui. It may be just what you need. At your dealer's. NC-156

SWEETWATER CLUB

(Continued from page one)

sanitation. To an old grey-haired mother, I know, it means a city of homes full of children."

A succeeding speaker declared that C. E. Coombs, Mayor of Abilene was a mixture of three "Bills"—Bill Nye, Bill Bryan and Billy Sunday. The Bill Nye mixture was on tap first and as story after story was reeled off, the audience rocked and roared in helpless laughter.

Passing on to paving, Mayor Coombs declared that in his opinion the large paving program undertaken by Abilene was more responsible than any other factor in an increase in the population of Abilene of more than 5,000 people.

"People want city conveniences when they move to the city. If they didn't they would stay in the country." Mayor Coombs said that in 1922 Abilene had 140 miles of streets. Over 30 miles have been paved at an expenditure of \$890,000. Three types

of paving have been laid—brick on old gravel, brick on concrete, concrete and Warrenite bithulithic. The latter type had proved the most successful, he said.

Cost of Paving.

The average cost of paving ran from \$225 to \$310 per 25 foot lot, according to the type and width of paving adopted.

"There was lots of objections to paving," he said. "A man who owned some lots on Hickory wanted \$500 each for them and could not sell them at that price. He claimed that paving would bankrupt him, that the lots would not sell for enough to pay for the \$268 per lot the paving would cost. When the order for paving this street was let, he sold one lot for \$1,000 with cost of paving to be paid for by the new owner. When the paving was laid he sold two more at \$1500 per lot with cost of paving to be paid by the new owner. Lots on adjoining streets, graveled, are selling from \$500 to \$700 if they sell at all."

Money Not All.

"What does it profit a man if he gain the whole world and lose his own soul? Money is not everything in life. We cannot take it with us. Those of us who have lived on the frontier, have built up this section to what it is now, are entitled to the conveniences of life. We are living one of the great main highways of the Southwest. What will people think of the town that does not pave? It will simply be lost in the shuffle, that is all."

Mayor Joe H. Boothe said that the City Commission had let contracts for paving and was "rainin' to go" on some more.

Then came Henry C. Harris, superintendent of agents for a large Dallas life insurance company. In an address of finished eloquence, interspersed with sparkling wit, Mr. Harris outlined the five great links in city building—religion, education, government, the press and commercial organizations. Sweetwater is well equipped in

each "link" he said. He paid high tribute to R. M. Chitwood as one of the outstanding men of the state, to J. A. McCurdy and to Mayor Joe H. Boothe.

Mr. Harris closed by reciting an old Hindoo legend on "Selfishness" that left nothing in doubt as to his meaning.

Make Farming Business.

OKLAHOMA CITY, Ok., Nov. 21.—"Make farming a business" was the keynote of the national convention of the Farmer's Educational and Co-Operative Union of America which opened here for a three day session ending Thursday. Delegates from 26 States are in attendance.

The Chesney Shoe Shop has moved from its quarters on the north side of the square to a new building on N. W. 3rd street.

Mr. and Mrs. Robert Withers announce the birth of a son, born Friday morning at 3:15. The young man weighs eight pounds.

Electric Heaters

Are small, easily carried from place to place where needed.

No smoke, no smell, no disagreeable features in their operation.

Just the thing for cool mornings or evenings, for the bathroom, for baby's bath. They are especially needed in sick rooms on account of the fact that they do not use up the air in the room.
