apply sage tea

This is to women and men not con-tent to grow gray. Who rebel at looking years older than they should. It is unnecessary. A simple, easy means brings back the dark, glossy hair of a girl

of a girl.

No need to dye hair. That often spoils it. The old way is best—the way of sage tea and sulphur. Millions have used it for many years. But the way was mussy and hard to prepare.

Now science presents a refined form, ready to apply. It combines new factors of importance to quick, permanent results. Your druggist supplies this ready-made formula under the name of Wyeth's Sage and Sulphur Compound.

the gray hair is gone. Apply it once or twice more, and you return to the dark, glossy hair of youth. And nobody knows of the change—it is so even, so

t dye hair. All of us scientists, hese decades, have found nothing Try this way tonight. Watch the results tomorrow. Then see how those results improve with one or two more applications. You will be delighted. You will start a new cra of youth.

Just ask your druggist for

OIL MAKING SCHOOL RICH

ed in \$42,272.

The shortest month in the year, and returned this morning. dispatches from Austin indicating \$47, went to Fort Worth Saturday night run, but the faster they ran the faster 272 was poured into the State school to attend the Fat Stock Show. the dog and dynamite came after coffers from this source, breaking all previous records. The highest mark before that was January, when the total reached \$41,000. The royalties are climbing monthly, all of which means more funds for the University.

In connection with the increase in royalties there is pending a bill which would permit the University to use the whole royalty income for the erection gers . Our neighbors are the ones of buildings. Under present conditions who tell on us. it goes to the University permanent fund and is then invested in bonds. In that way the University can use only tery. It is nine parts envy, always. the interest from the bonds to erect new buildings. The bill would also have the grass rentals go to the avail- have nothing to worry about except able building fund instead of to the static. permanent account.

Mrs. R. D. Cox will be hostess Tuesday afternoon at 3 o'clock at a meeting of the United Daughters of the Confederacy and she nrges that every member be present, as some important plans are due to be made Mrs. M. A. Belcher will be assistant hostess.

Lady Says She Took Cardui and Never Saw Such Improvement-Was So Weak Couldn't Stand.

Weathersby, Miss.-Mrs. James M. Hall, of this place, writes that she was "getting weaker all the time" when Cardui, the woman's tonic, was first brought to her attention. After she had taken Cardui a while. she writes that she "never did see such an improvement."

"I suffered all the time and had pains all over," says Mrs. Hall. "I was so weak I could not stand." My skin was cold and flabby. I did not have any color. I had always

not have any color. I had always been a very active woman—used to outdoor exercise, walking and going where I pleased, and to get down, not able to get myself a drink, was indeed a hardship.

"Nothing seemed to help me, till I began on Cardui. The first bottle seemed to strengthen me, and I sent for five more. By the time I had taken these, I was on my feet, going around, dolzg my work, gained in health and *crength.

"I took two more, bottles, and I am well and strony. Can work my garden. I have at had any more sickness."
