PAVING PETITIONS FILED WITH CITY

Property Owners on Locust and South
Fourth Streets Ask City Com-
mission to Pave

HOLD SESSION THURSDAY

Important Business Postponed Ac-
count Commissioner Bardwell's
Absence—Fishing Protest

Two more paving petitions have been filed with the city commission for paving on two important residence section streets, it was revealed Thursday afternoon when the commission met in regular session at the city hall. Both petitions were well signed by property owners along the two thoroughfares and asked for paving of Locust street and of South 4th street to south 12th street.

Owing to the absence of Roy Bardwell, water commissioner who is seriously ill in a Temple sanitarium, all business with the exception of routine matters, were postponed for future action. The paving petitions were filed, as a full commission is necessary to pass on such petitions.

Other petitions received by the commission and filed for further consideration, included a protest against the city's acceptance of paving along a certain alley on N. E. 3rd street. The petition was signed by Mrs. Mattie Slater and R. A. Ragland, property owners along the alley. It was set out in the petition that the grade of the alley-street intersection was below the regular grade, and below the sidewalk, making the crossing of the alley hazardous.

Citizens of the Ada community, in the Lake Trammell section, have filed a petition with the city commission, asking that "fishing and hunting at Lake Trammell on Sunday" be halted. The petition was signed by many farmers and residents of that section. It was filed without discussion.

A committee from the Board of City Development appeared before the commission in connection with plans of reaching an agreement on the maintenance and support of the band. The matter was discussed thoroughly, but no definite action resulted from the conference.

SHOW INCREASE

Local Postoffice Gains \$2,201.90 Postal
Receipts First Half 1925—
Now First Class

An increase of \$2,201.90 in postal receipts during the first six months of 1925 as compared with the same period in 1924 is reported by Postmaster Howard.

The 1924 receipts were the largest in the history of the local office and were sufficient to put this office into the first class, which was done officially July 1.

The receipts for the first half of 1925 were \$20,531.09 as compared with \$18,329.19 during the first half of 1924. If the next six months show a corresponding increase over that of 1924, receipts for 1925 will run somewhere around \$46,000 it is estimated. Total receipts in 1924 were \$40,700.

BUY MORE LAND

Deal Pending for Purchase of New
Dumping Grounds by City—
Located West of Town

The city commission has a deal pending for the purchase of a large tract of land a short distance west of town, which, when the purchase is completed, will be converted into a city dumping ground.

The land is in the Musgrove tract, and is considered very suitable as a dump ground, both as to location and size.

The purchase is a result of recommendations by health authorities that the old dump grounds north of Sweetwater be condemned. The grounds there are full of trash and the ground also drains toward the City Lake, officials stated.

This deal, when completed, will make the third piece of property purchased by the city since the first of the year. The first was a city hall site on Locust and East 4th street, and the other was the 50-odd acres for additional park grounds.

Santa Barbara Will Celebrate Despite Quake

By United Press.
SANTA BARBARA, July 3.—A Fourth of July celebration will be staged here Saturday despite the chaotic conditions of the city as a result of Monday's earthquake. Civic and patriotic organizations are promoting a parade, which will pass thru the residential district. The parade will include a number of floats and bands. A yacht race is being planned for the afternoon.

Thomas Pappas, president of the Goldfish Cafe, went through his third catastrophe here Monday.

Pappas posted a crudely designed show card in his window which reads: "San Francisco earthquake—1906—lost everything."

"San Antonio Flood—1921—lost everything "Santa Barbara earthquake—1925—down, but not out."

Pappas opened the first restaurant in Santa Barbara after the quake when he began to serve "hash" in the public square.

—Will Teach Here

Special to Reporter.
ABILENE, July 3.—Miss Lavina McDaniel, daughter of Mr. and Mrs. George W. McDaniel of Abilene and Rufus Carol Ward, son of Mr. and Mrs. J. A. Ward of Sonora, were married here at the First Presbyterian church by Dr. T. S. Knox, pastor. The couple will go to San Angelo for a day or two where Mr. Ward's parents are opening a new home, and from there will go to California for six weeks' honeymoon. In September they will return to Texas and go to Sweetwater where Mr. Ward is a teacher in the high school.

Mrs. Ward will teach in the East Ward School there.

Both are A. B. graduates of Simmons University, where their romance began six years ago. Mr. Ward is a member of a family of ranchers in the Sonora country, while his bride is a member of one of the oldest families in Abilene.

NOEL BROTHERS PAY WITH LIVES

"Black Terrors" or Dallas Die in
Electric Chair at Huntsville
Early This Morning

BOTH CONFESSED CRIMES

Gave Statements To Officers Admit-
ting Guilt In Murders and As-
saults on Women

By United Press.
HUNTSVILLE, July 3.—Frank and Lorenzo Noel, Dallas "Black Terrors" paid with their lives in the electric chair early today for the confessed murder of two men and assault upon their woman companions a few weeks ago.

Shortly before they marched to the death chair, the pair made confessions to Dallas county officers and State Rangers.

Frank Noel, in a signed statement, admitted murdering W. L. Milstead and attacking his companion, Mrs. Mabel Berry, on the outskirts of Dallas.

Both Frank and Lorenzo Noel confessed complicity in the murder of Ryan Adkins and assault on Mrs. Mary Steer, confessing confessions secured in Dallas by officers.

Frank Noel was sent to the chair first. The electric current was applied at 12:22 1-2 A. M. and he was pronounced dead in 3 1-2 minutes.

Lorenzo Noel followed. He was dead 4 1-2 minutes after he was strapped in the chair.

Both bodies were buried in the prison graveyard. The request of Dallas relatives for the bodies was denied.

Attempts of officers to secure admissions that would throw light on other crimes proved unsuccessful.

UNCERTAINTY OF GAME

Baseball is filled with uncertainty.
Last season four pitchers in the
American League won 20 or more
games.

Two of the quartet were right-handers, Walter Johnson and Hollis Thurston, the others, south-pawers, Joe Shantz and Herbie Penock.

Of the four winning pitchers of the American League last season, the Veteran Walter Johnson is the only one to pitch consistently good ball this year.

Perhaps the biggest disappointment of the four is Hollis Thurston of the Chicago White Sox. He surely is, if you consult Eddie Collins on the subject.

Thurston has his usual amount of stuff, in fact he says he is faster than ever before, is pitching the same intelligent baseball that has always characterized his work, yet he is unable to win with any degree of consistency.

If Thurston was traveling at last season's gait, Eddie Collins' record as manager of the White Sox would be considerably more imposing.

Thurston in baseball circles is what is known as a smart pitcher. His fast ball doesn't whiz past the batters ala Dazzy Vance and his curve isn't as good as "Matty's" when he was at his best.

When Eddie Collins took over the management of the White Sox, Thurston was the one pitcher on the staff he banked on to win a majority of his games.

The ace of the White Sox staff got away to a good start, the nslumped badly and for the past month has had his troubles finishing a ball game.

No one is more bewildered than Thurston himself. True, the breaks have not favored him, they seldom do smile on a loser.

Last year if the opposition made six runs, the White Sox would make seven or more for Thurston. If the rival pitcher went big, Thurston would invariably step a little faster.

This year everything seems to break badly. If he gives a base on balls it usually results in a run. If some player makes an error it starts a rally. When he pitches well his mates won't hit. When they hit, he doesn't pitch well.

In one respect Thurston appears to be several shades below last season's form. That is the cause of most of his trouble.

Mr. and Mrs. W. A. Stephenson reached home Thursday night from a two weeks trip to Chicago and points of interest in the north. Mr. Stephenson was a state delegate at the recent National Convention of the Modern Woodmen of the World, which met at Chicago.

Miss Faye Howe of Abilene is visiting Miss Arvilla Clayton of Bowie street.

Officials Chase Antelopes For Lubbock Zoo

Special to Reporter.
LUBBOCK, July 3.—Two live antelopes were added to the menagerie at the County Park this week, after sixteen Lubbock citizens, including county commissioners, game warden Gene Wofford, the chief of police, the county judge and others had gone out to the Dalton place about sixteen miles east of Lubbock and given the fleet footed animals a four hour chase over a 160-acre pasture where they were feeding.

The animals were excited and fatigued after the chase and the ride and one died the following day while the other became more excited and trotted from one corner of the small pen at the park to the other with no rest. His case is getting serious today and Mr. Pipkin, care taker of the park, stated that he expected the animal to die during the night unless he quitted down and rested.

Mrs. L. C. Vinson left this afternoon to spend her two weeks vacation visiting friends at Galveston, Longview, Orange and three brothers at Beaumont and Lake Charles, La. She will also spend several days with Miss Blanch Adams, an old school mate, at Alexandria, La.

Thousands of Visitors Attend Legion Picnic

Pound Keeper Kills 100 Dogs In Two Months

Nearly 100 dogs have been killed in Sweetwater during the past two months and the slaughtering campaign is still on, according to members of the city commission who received a report from the pound keeper this week showing the number of canine deaths during June.

During the month just ended, 46 dogs were impounded and killed. This amount is a addition to dogs killed by local officers in a few days' campaign here last month.

George Caution, pound keeper, will impound any dog found on the streets without a tag or muzzle, and all stray dogs, it was said by a city official.

Local officers last month killed nearly two score dogs in less than a week.

Mrs. John Hanson and two sons, Charles and Gerald, of Shawnee, Oklahoma, left this afternoon for home following a two months visit here with her parents, Mr. and Mrs. S. A. Sartain. Her sister, Miss Alma Sartain, accompanied her home.

The meeting of the West Side Embroidery Club scheduled to meet this afternoon was postponed on account of the Legion picnic and will not meet until July 17.

MANY PERMITS

June Building in Sweetwater Totals
\$33,775—Many Residences Under
Construction

Building permits issued in Sweetwater during June totaled \$33,775, according to records in the city secretary's offices. Although no permits of exceptionally large sums were secured during the month, an unusually large number of residence permits were issued.

An unusually large number of permits were issued during May, the previous month, for business buildings, warehouses and other business structures, the records show.

The building permits in June which totaled \$33,775, were in most instances for residences. A total of 18 permits were issued during the month, ranging from \$100 to \$7,500.

City In Gala Dress For Mammoth Celebration Which Opens Auspiciously For Two Great Days Of Annual Affair.

PARADE MOVES ON SCHEDULE TIME

Preceded By Colors And The Band, Gorgeous Spectacle Presented By Decorated Cars and Floats in Procession.

With bands playing and flags floating from scores of masts throughout downtown Sweetwater, the second annual American Legion July 3 and 4 celebration got under way early Friday morning when thousands of West Texas citizens from many counties swelled the city's population to over 15,000 persons. All the highways leading into the city were dotted with automobiles from many surrounding towns and rural communities, as all the countryside journeyed to Sweetwater to be the guests of the city for the two day jubilee.

Sweetwater was in gala dress for the reception of visitors, and practically all the residents of the city turned out for the opening of the super-celebration which has been planned on a greater scale than ever before attempted in this section of West Texas.

With a slight breeze blowing and the temperature standing just right to indicate that a pleasant day awaited celebrators, Old Sol peeped down from a few scattered clouds to assure picnic attendants that this day of celebration would be in marked contrast to that of last year when the bottom dropped out of the thermometer and the coldest Fourth of July in history chilled those who attempted to celebrate Independence Day.

Hundreds of Boy Scouts in full uniform mingled with the picnic crowds early Friday morning, adding a colorful touch to the crowds that packed downtown Sweetwater before the opening parade got under way shortly after 9:30 o'clock. The Scouts were here from Mitchell, Scurry, Fisher and Nolan counties to attend the Buffalo Trail Council field meet which featured the first day of the American Legion celebration.

Parade Opens Picnic
Over three blocks in length, and featuring many beautifully decorated cars, hundreds of Boy Scouts, numerous orchestras and bands, and rodeo performers, the opening parade was one of the most colorful processions seen in Sweetwater in years. Huge crowds packed the sidewalks along all streets to witness the long line of the parade.

The procession formed on N. W. 3rd street, marched down Oak street to Second street, around the square and up Oak Street to the City Lake Park, the center of all celebration activities.

The American Legion colors, a large United States flag and an American Legion flag, with a uniformed color guard headed the procession. This was followed by the 35 piece Sweetwater band.

Boy Scouts from the Buffalo Trail Council were next in line. The 200-odd Scouts carried the regulation Scout staffs, and Boy Scout flags, patrol banners and United States flags floated over the khaki-clad lads. A color guard headed the scout aggregation, and many scoutmasters and other Buffalo Trail Council officials were in the group.

War Veterans Parade
Confederate veterans in automobiles followed the Boy Scouts, with a large confederate flag floating over the leading car. A decorated truck carrying a number of members of the United Daughters of the Confederacy followed the Veterans' cars. The U. D. C. members were in costume and added a pleasing touch to the long procession. Several cars carrying Sweetwater men, members of the Sons of the Confederacy, were next in line.

Next came the decorated automobiles and trucks of various Sweetwater business firms. Many beautifully decorated cars, covered with clever and unique designs, decorations and advertising novelties, brought much praise and compliments from crowd, who witnessed the parade.

Among the business firms having representative cars in the procession were Hubbards, Bowen Drug Store Sweetwater Dry Goods Co., Davi Drug Co., Wade Market, Keen Bottling Co., Graves Furniture Co., Glass Dairy, Henth's Tailor Co., George Allen Music Co., Quick Service Grocery and others.

Davis and Wade Win
Judges in the best decorated car contests faced a difficult problem in selecting the winning cars out of the splendid entries in the contest. After a close voting by the judges the winner in the best decorated car contest was announced as the Davis Drug Co. The best advertising stunt was that of the Wade Market, according to the judges' decision. The prize for the best decorated car was \$25, and for

the best advertising stunt, \$10. The judges were A. J. Parker, Roscoe, G. P. Jones, Breckenridge, and L. T. Youngblood, Blackwell.

The Davis Drug Co. car was covered with white crepe paper with hundreds of papare flowers in colors adding to its attractiveness. A half shell in white arose over the back of the car. Under the shell were a number of young ladies in white, singing to the accompaniment of ukuleles. Mrs. Lawrence Davis was the driver of the car. Little Martha Jane Bryant rode on the front of the car holding to long ribbon lines that reached to a huge white pelican perched on the front of the automobile.

Four young girls on horse back were the first unit of the Wade Market advertising display. The girls carried Wade Market signs, and were clad in pretty riding costumes. A decorated automobile featuring "The Wilson Label Protects Your Table" was another attractive unit of the Wade Market display.

Other stunts that drew much favorable comment included the Glass Dairy car, carrying two huge "milk bottles", the Graves Furniture Co. ship on wheels, the Heath Tailoring Co. comedy orchestra, and Geo. Allen Co. car with a string orchestra.

Bands Play
A massed band concert from the bandstand at City Lake Park followed the morning parade. Musicians from the Colorado, Hermleigh and Sweetwater bands played together with director Henderson in charge. Picnic crowds packed the arbor and that portion of the park around the bandstand to hear the morning concert.

Shortly after 10 o'clock the Boy Scout Field Meet and rally got underway in Sweetwater Park. Scores of Scouts participated in the events while a large picnic crowd witnessed the activities of the trained youths.

The barbecuing of over 30 hoeses started Thursday night, and hundreds of pounds of meat were ready for serving at noon Friday. Scores of cooks and meat carvers were at work on the 150 foot carving table, while more barbecue was being prepared over the long pit.

Hundreds of loaves of bread, a keg of pickles and large pots of coffee were served to the thousands of picnic visitors with the delicious barbecue. Crowds filed by the long table and were handed plates stacked high with choice cuts of barbecued beef.

MOUNT OLIVE

Everybody is busy working their crops after the nice rain. Crops are growing nicely.

WELCOME

Sweetwater is glad to greet the thousands of visitors who, in true West Texas spirit, are gathering here today and tomorrow to celebrate the great National holiday.

This city is indeed appreciative of its friends in surrounding territory and it is with real pleasure that citizens have arranged this two-day program for your entertainment.

A little joy and happiness is a very essential thing as we go along thru life and it is Sweetwater's sincere wish that all visitors enjoy the proceedings as much as Sweetwater does in giving it.

The latch string is always out in Sweetwater; but really there isn't much use of saying that because everybody knows it anyway.

HOST TO BOYS

The old saying "Like father, like son" is very apt to be borne out in the usual run of proceedings. Heredity plays a part of course. But young folks are naturally imitative. They are apt to see their elders. And if that is the right kind of a dad, and does not disturb the idea all boys have that "Dad" is the most wonderful man in the world, chances are that the boy will turn out to be very much like dad.

early years. Deeper impressions are made then. Memory is keener, especially if it is something that the boy has learned to become interested in. And young lads are very apt to find most everything of interest. It is important that they learn what not to become interested in.

It was a fine thing for the Luncheon Club to arrange a special program for boys and for the members thereof to enter into the spirit in which the program was arranged. That is just one of the many fine things the Luncheon Club is doing.

PIMPLES AND BUMPS TAKE THE JOY OUT OF LIFE

Girls, and boys, too, whose faces are "broken out", rough, pimply and blotched, imagine all sorts of weird things.

The worst fault it leads to is using just anything which promises them relief from their condition, which of course makes their troubles worse. Never put anything on your skin which has not been proven by the test of time and public opinion to be right. In this connection the phenomenal success, which is called Black and White Ointment, and the soap, too, of fers sufferers from such skin disease the one reliable means of relief and restoration of their skin to that clear smooth and lovely condition it was in their youth.

Black and White Ointment and Soap are economically priced; in liberal size packages. The 50c size of the Ointment contains three times as much as the 25c size. All dealers have both the ointment and the Soap. (adv.)

AMUSEMENTS

PALACE

One of the most interesting scenes in Richard Barthelmess' new First National picture, "Classmates," now at the Palace Theatre, is an actual view of "Camp Illumination" at West Point.

This is the first time the United States Military Academy authorities have ever permitted the filming of any part of their grounds or activities by private motion picture companies and "Classmates" is replete with new scenes.

While limited as to the money they can spend, the future generals, by employing false canvas fronts and myriads of electric lights, succeed in contriving amazingly fantastic scenes.

One scene this last year was the replica of Hollywood boulevard, Hollywood, in honor of Dick Barthelmess and his moving picture company, who lived with the cadets three weeks of filming of West Point scenes and action for "Classmates."

Many of the cadets acted as "extras" in the picture "for the fun of the thing."

LYRIC

Prior to and immediately following 1860 the Civil War was the supreme national issue. Nevertheless, other vital history-making problems were in process of development. It was during the same period that what was then known as "Idaho Territory" became the scene of an unprecedented gold rush.

Among the leading citizens of Carter's Creek, a gold mining camp and locale of the exciting events that take place in the Pathe serial, "Idaho!"

showing at the Lyric Theatre, were fugitives, deserters and desperadoes. It was known that there was less law and more gold in the vicinity of Carter's Creek than there were bullets back in the battle scenes.

QUEEN

Accidents not appearing in the script of the screen story often happen during the filming of a picture, adding unexpected thrills to the photoplay.

This is the case during the taking of Hoyt Gibson's latest picture, "Taming the West," a Universal-Gibson special, now showing at the Queen theatre.

One of the most exciting bits of action is an automobile piloted by Gibson in a chase over the plains of a western ranch. The chase is replete with skids and wild driving. Speeding along at 45 miles an hour, Gibson struck a bad bump which broke an already weakened steering knuckle with the result that the car careened badly, taking a dangerous skid before it could be brought to a stop.

ATE TOO FAST

South Carolinian Took Black-Draught For Indigestion, and Says He Could Soon Eat Anything.

Ballentine, S. C.—Mr. W. B. Bouknight, of this place, gave the following account of his use of Theodor's Black-Draught.

"Just after I married I had indigestion. Working out, I got in the habit of eating fast, for which I soon paid by having a tight, bloated feeling after meals. This made me very uncomfortable. I would feel stupid and drowsy, didn't feel like working. I was told it was indigestion. Some one recommended Black-Draught and I took it after meals. I soon could eat anything any time.

"I use it for colds and biliousness and it will knock out a cold and carry away the bile better and quicker than any liver medicine I have ever found."

Eating too fast, too much, or faulty chewing of your food, often causes discomfort after meals. A pinch of Black-Draught, washed down with a swallow of water, will help to bring prompt relief. Bloating sensations, eructations, bad breath and other common symptoms of indigestion have disappeared after Black-Draught had been taken for several days. NC-164

HOUSEHOLD HINTS

HOT WEATHER MENU

iced Cubed Watermelon or Mixed Fruit Cocktail
 Tomatoes stuffed with flaked crabmeat on lettuce with a boiled dressing (minus oil)
 Garnish with Olives
 German Fried Potatoes or Potato Chips
 Hot Asparagus
 Drawn Butter Sauce
 Hot Baking Powder Biscuits or Parkerhouse Rolls
 Iced tea Orange Ice (Hot Water) Sponge Cake

MENU II
 Cold Veal Loaf
 Creamed Potatoes
 Sliced Tomatoes and Cucumbers on Lettuce (French or Thousand Isle Dressing)
 Hot Biscuits or Parkerhouse Rolls
 Hot or Iced Coffee

Drawn Butter Sauce
 1-2 cup butter, 1 1-2 cups hot water, 3 tsp. flour, 1-2 teaspoon salt, 1/2 teaspoon pepper.
 Melt one-half of the butter, add flour and seasonings and pour on gradually the hot water. Boil five minutes and add remaining butter in small pieces. Serve hot over asparagus.

Veal Loaf
 Wipe three pounds of lean veal, and remove skin and membrane. Chop finely or force through meat chopper, then add one-half pound fat salt pork (also finely chopped), six common crackers (rolled), 4 tablespoons cream 2 tablespoons lemon juice, 1 tablespoon salt, 1-2 tablespoon pepper, and a few drops onion juice. Pack in a small bread pan, smooth evenly on top, brush with white of egg, and bake slowly three hours, basting with one fourth cup pork fat. Prick frequently while baking, that pork fat may be absorbed by meat. Cool, remove from pan and cut in thin slices for serving.

HOUSEWORK TO RADIO

Not the least of things interesting and electrical is the radio set so frequently found in the modern house. This wonderful invention enables the listener-in even of the lonely prairie to hear the music, lectures and news broadcasted from various stations. The housewife who can "tune in" will get information and enjoyment, will learn the latest market reports and

prices on food products, whether it is going to snow tomorrow, and will be able to set all the clocks right by adjusting them each evening to "standard time" as given via radio. And as a sickroom visitor or one to amuse the children when they are confined to bed, radio is a real pal.

One may also lessen the fatigue and monotony of many tasks by doing them to the tune of radio music. Dishwashing does not seem drudgery and goes much faster accompanied by sprightly jazz, while brushing up the living room is more fun if done to a gay two-step. Beating cake, making beds and other housework duties, involving repetitive motion are performed more quickly and with more enjoyment with music's aid and rhythm.

SUGGESTIONS FOR SUMMER MEALS

Most people get tired of the same old combinations of foods, especially in the summer time. They want a change, yet do not know that vegetables lend themselves to various kinds of meat.

These suggestions were prepared by Miss Gudrun Carlson, director of the Department of Home Economics of the Institute of American Meat Packers.

Lamb roast and sauted egg plant.
 Spare ribs with mashed turnip or rutabaga.

Cold roast beef with stuffed baked peppers.

Cold tongue with spinach timbales.
 Lamb or veal steak with squash souffle.

Cold corned beef with browned parsnips.

Fried salt pork with corn pudding.
 Baked ham with orange fritters.
 Roast beef with Brussels sprouts in cream sauce.

Mutton in almost any form with raisins.

Veal steak or cutlets with broiled tomatoes.

Pork Roast or Steak with baked onions.

FRIDAY and SATURDAY

Our colors are flying high this week—for we admit we've never had more applause or cheers from our audiences.

The nation is proud of him—

For bringing the life of West Point, the world's greatest Military Academy, to the screen. Few people know what romance, adventure and valor hide behind its guarded door. Only a few may go each year, but for every one who is chosen a thousand others hope and try for the chance. And now Barthelmess mirrors it all. He brings for you that wonderful life that makes great manhood of our nation's youth. Yes, you'll see the Cadets parading down the grounds; see them, at studies; see the uniforms they wear; you'll know the code they learn—"Honor above all else." And through it all you'll thrill to a story of love and sacrifice when Our Dick takes the blame for shame, is degraded to the depths, and then comes fighting back to victory.

No greater love story ever touched your heart.

RICHARD BARTHELMESS
