New Mexico Demo Rally Attracts Crowd

TERRY DEMOCRATS GREET NATIONAL CHAIRMAN — Some 60 Terry County residents were among the 800-plus who gathered Sunday at the Crossroads, N. M., ranch home of Mr. and Mrs. U. D. Sawyer. Among the crowd were those pictured above. From left: Leonard Lang, Terry County Democratic chairman; Mrs. George Weiss of Brownfield; Paul Butler, Democratic national chairman; W. A. (Judge) Bynum and George Weiss of Brownfield. (Staff Photo)

More than 60 Terry County persons gathered Sunday at the Crossroads, N.M., ranch home of that state's national Democratic committeewoman, Mrs. U. D. Sawyer.

The Terry contingent helped swell to more than 800, the huge crowd attending the annual Democratic Party rally given by Mrs. Sawyer.

Biggest Demo in attendance was the honor guest and principal speaker, Paul Butler of South Bend, Ind., national Democratic Party chairman.

(Additional pictures of Mrs. Sawyer's party are on Page 1, Section 2.)

Before he left Sunday night for Albuquerque, Butler, reading from a prepared paper, told his audience that he "should like to invite President Eisenhower to join with Gov. Stevenson in a mutual effort to halt the atomic arms race."

In the audience were these Terry County persons: Mr. and Mrs. Leonard Lang, Mr. and Mrs. H. L. King, Mr. and Mrs. J. D. (Jot) Akers, Mr. and Mrs. Raymond Simms, Mrs. R. L. Bowers Sr., Robert L. Bowers, Jr., Mr. and Mrs. J. O. Gillham.

Mr. and Mrs. Dennis Q. Lilly, Mr. and Mrs. Tom J. Cornett, Mr. and Mrs. George Weiss, Mr. and Mrs. Alton Loe, Mr. and Mrs. Robert Beasley, Mrs. P. R. Cates, W. A. (Judge) Bynum, Ralph Bynum, Curtis J. Sterling.

Mr. and Mrs. Orb Stice, Mr. and Mrs. Coy Barnett, Mr. and Mrs. Willie Blair, Mr. and Mrs. Louis Peeler, Mr. and Mrs. Jesse Brooks, Levi (Happy) Roston, Mr. and Mrs. Earl Jones, Mr. and Mrs. Morgan Copeland, Mr. and Mrs. F. H. Sharp, Miss Anne Hamilton and Mrs. Bit Copeland.

About One-Half of The Yield Has Been Ginned

A total of 43,437 bales of Terry County's 1956 cotton harvest had been ginned by late Wednesday. The tally was released this morning by Aubrey T. Jones of Texas Employment Commission, and represents about 58 per cent of the estimated yield.

Ginning to date in Yoakum total 10,785, said Jones, which is some 56 per cent of the neighboring county's expected crop yield.

Warren Ranks Tops In Football Contest

Gerald S. Warren picked Brownfield to beat Seminole 33-20, and, although his prognostication was incorrect he was the winner of last week's NEWS football contest with 17 correct choices.

No one with 17 winners had chosen Seminole to defeat Brownfield. Two other entries had 17 winners but fell down on the score. They were Ted Hardy and Mrs. H. D. Boston. Roger Kent Pendley had only 8 correct choices and won the prize for low. Leading the grand total scoring is Ted Hardy with 69 correct winners through Oct. 13.

Close behind with 63 right are Johnny Rodgers, Don O'Neal, Teena Gillham, J. E. Gillham, R. J. Clements and Rose Mayfield. Bill Cope, Leonard Isaacs, John Jennings, Guy Nowlin and Mrs. Jack Shirley, all have 67 correct.

With 66 right are Gerald Warren, Charles E. Mayfield, N. L. Mason, Gene Mason, Mrs. Harold Crites, Jim Dudley and Jack Bailey. There have been a total of 170 entries to date.

The 10th annual Harvest Festival parade and thousands of acres of open Terry County cotton—the rain played hob with both this morning.

Scheduled by Brownfield Rotarians to enter the line of march at 11 a.m.—which it did—straggling and bedraggled bits of a once proud 81-unit parade made its way through the heart of town.

Only one queen contestant's float managed to make its appearance, the Kay Kessinger float.

Rotary officials, determined in the face of adversity, put the remainder of the show through its paces this afternoon in Brownfield High School auditorium.

The untimeliness of the morning downpour was offset somewhat by the air of adventure which the Harvest Festival throngs appeared to take on and by the "traditional seasoning" which the rainfall was putting into Terry soil.

One of these three contestants was to be named Queen of the 1956 Harvest Festival about 9 p.m., today: Miss Sarita Serenil, sponsored by League of United Latin American Citizens; Miss Janth Spears, Terry County Little League, and Miss Kay Kessinger, Brownfield oil industry.

REALLY, IT RAINED—The Rotarians pictured above, after watching rain knock out most of the floats in their Harvest Festival parade, grimly marshaled the remnants this morning and had—a parade. From left, they are Phil Gaasch, Al Muldrow, Newell Reed, Clovis Kendrick and Chief of Police Nolan Lassiter.

In second picture: Members of Girl Scout Troop 2 displayed their pluck and went through with the show. In third picture: The famous McMurry College caliope rings out with "It Ain't Gonna Rain No More." Lower panel: General Telephone's huge telephone. (Staff Photos)

News Views

It was our privilege to attend the Democratic rally Sunday afternoon at the U. D. Sawyer Ranch at Crossroads, N.M. It was enjoyable to visit with some of the dignitaries from around the state, including: Mr. and Mrs. Ralph Yarborough, Waggoner Carr, Preston Smith, and many friends from this area.

It was also the pleasure of your publisher and editor to meet Paul Butler and set in the one-hour press conference with other press people from Texas, New Mexico, and Oklahoma. Butler impressed us as being a capable and personable fellow.

It was also our pleasure to visit with our old friend, Jerry Hall, former Avalanche-Journal and Fort Worth Star-Telegram reporter, who is now George Mahon's public relations man. He informed us that Mahon was not present because of a birthday party being given for his father in Weatherford. Mahon's father was 96 years old last Sunday.

Mrs. Yorborough had a nice time visiting with old friends, but was a little amused that she and her husband had traveled 700 miles to attend a party.

Over \$1,000 in door prizes will be given away to some of the people attending the showing of the 1957 Chevrolets this coming Friday. Bob Clements, manager of Jack Bailey Chevrolet, informed us that they were going all out to get every person in this area in to see their new cars. See the list of door prizes in this issue of the Brownfield News.

Sandy Casstevens was by the other day and told us of her application for admission to medical school. It is a little out of the ordinary to see women doctors; however, we want to join with her many friends in hoping she will be admitted next year.

As all of you know, this is Oil Progress Week, and a week in which you and I should express to all the many wonderful oil personnel in our town how much we appreciate them as friends, neighbors and business associates. They play a vital part in our PTA's, our churches, our civic clubs, our

Pedestrian-Car Mishap Is Fatal To Child

Stephen Louis Luippold, 2½-year-old son of Mr. and Mrs. W. L. Luippold of San Francisco, was killed when he ran in front of a car at 10 a.m., Wednesday, in front of his uncle's home on Farm Road 269, about 2 miles west of Wellman.

The Luippolds were visiting in the home of George Martin, the boy's uncle. The child was playing in front of the Martin home when he ran into the path of a car driven by Ola Daugherty, 58, of Denver City. His death raised to four, the number of fatal traffic mishaps this year in Terry County.

The child's body will be returned to San Francisco for burial.

TCFB Leaders Endorse Plan

Terry County Farm Bureau leaders said Saturday that the stepped-up drouth aid program announced earlier this week by the government was substantially what the Texas Farm Bureau had sought.

TCFB members said they "strongly endorsed" the new program.

J. T. (Jake) Fulford, president of the Terry farm organization, also explained that efforts of TFB to insure accurate classing of cotton by the government now has the wholehearted support of the American Farm Bureau Federation.

Among other things, the new drouth aid program provides an additional \$5 million for buying hay and roughage to maintain foundation herds in the drouth-hit areas.

"Terry County is not listed as an emergency area at the present time for purposes of participating in the aid program," said Fulford.

Some results of the new classing procedures apparently have been felt favorably already by Terry County producers, explained Fulford.

stores and so on on right down the line. In fact, we just could not get along very well without them that they have become such a vital part of our community.

Several of West Texas' top oil editors have described the future of the oil industry in the area as the "brightest ever" in an article in the October issue of West Texas Today, monthly publication of the West Texas Chamber of Commerce.

The FIRST rains, Sunday and Monday, dropped considerable moisture over the county, ranging from very little up to three inches. See NEWS-VIEWS, Page 4

Annual Oil Week Barbecue Attended By A Record Crowd

"I say Christian love is practical and we need it today," said Tom Reavley, Texas secretary of state, speaking last Thursday to a record audience at the annual Oilman-Businessman Banquet.

The secretary's address followed a barbecue dinner, during which an estimated 600 men were served, and his crowning of Miss Oil Progress of 1956, Miss Kay Kessinger.

Reavley dwelt lightly on the subject of oil, talking more of his philosophies, a summation of his way of life in which "all of us work to remove everything which retards or impairs growth."

He deplored the present world wide situation, in which "parties fight each other, white is against black and religious clash".

He offered his audience his solution to all problems: "simple old-fashioned virtues, honesty and, above all, Christian love."

The secretary was introduced by Al Muldrow who jokingly said: "I have often said that you're the second best secretary of state we have ever had." (Reavley succeeded Muldrow as secretary.)

Registered by members of Desk & Derrick Club, the huge crowd heard an invocation by Joe Satterwhite, Brownfield Chamber of Commerce director, and viewed a colored motion picture dealing with the oil industry. Entertainment was provided by Coleman Williams of Brownfield, Honolulu Oil Corporation's district supervisor, and Miss Janiece Meek, accordionist-singer.

TCFB Resolutions To Be Drawn Up Saturday

The resolutions committee of Terry County Farm Bureau will meet Saturday to draw up a list of proposals which will be submitted to TCFB membership next Thursday.

Committeemen are Chairman Kenneth Partell, Delton Tatum, D. C. Flowers, Carl Hogue and Winfred Tucker. Taking part in the Saturday session will be Robert Bowers, representative-elect of the 98th District.

Those resolutions adopted Saturday and next Thursday will be placed before the membership at the bureau's annual barbecue-convention, Nov. 2.

Ropesville High School Homecoming Scheduled

ROPEVILLE (Special) — The annual homecoming at Ropesville High School has been scheduled for Oct. 26, according to Hulon Moreland, president of the ex-students.

Planned activities include registration and a barbecue at 5:30 p.m., in the school cafeteria. L. F. Rawson of Leveland will speak at a business session following the supper.

Reservations for the barbecue may be made with Moreland or Mrs. C. E. Bradshaw, both of Ropesville.

Concluding the celebration will be the football game between Ropes and Frenship School of Wolforth.

Potential Filed For San Andres Opener In Northwest Terry

Lubbock independent George P. Livermore has filed potential rating with the Railroad Commission for his recently completed small San Andres discovery in northwestern Terry County, the No. 1 Pool.

Producing from three sets of casing perforations, 5,120-5,132, 5,135-5,145 and 5,150-5,166, well pumped 54 barrels of oil and 60 per cent water on 24-hour potential gauge. Gravity checked 33.6 degrees and gas-oil ratio measured 1,228-1.

Completion was effected after intervals had been treated selectively with a total of 8,000 gallons of regular acid. Hole was bottomed at 5,237 feet, cased with 5½-inch to 5,235 feet, with pay top called at 5,095 feet. Ground elevation surveyed 3,537 feet.

Pumper spots 660 feet from north and 1,980 feet from west lines of Section 15, Block D-14, C&MRR Survey, 10 miles north of Tokio townsite on a 160-acre lease.

Voters Will Decide Fate of \$770,000 Bond Issue at Polls Tuesday

Texas and Nation's Turkey Crop in 1956 Establishes Record

The nation's turkey producers are raising 16 per cent more turkeys this year than last . . . 29 per cent more heavy breeds and 19 per cent less light breeds. Texas producers are raising about 47 per cent more birds than in 1955, reports John McHaney, extension economist. Production of light breeds is down 4 per cent but heavy breeds are up 55 per cent in the state. McHaney says the expansion was caused primarily because prices during the last half of 1955 were 7 per cent higher than for the same period in 1954 and feed prices were down by 10 per cent.

Two bond issues — one for \$500,000 and one for \$270,000 — will be put to the vote Tuesday.

Brownfield property owners will say "yes" or "no" in the bond election to proposed improvements of their power-light plant and their water supply system.

If approved, the \$500,000 will be spent purchasing and installing a Nordberg electric generator. Actual cost of the P&L work will be about \$50,000 more than the bond issue.

City manager Eunice Jones explained that the \$270,000, if approved by the voters, would finance a new water pumping station and three new wells in the field south of Brownfield.

Too, he adds, turkey prices for the first half of 1956, which covers the main hatching season, were about 6 per cent higher than for the same period in 1955 and feed prices average 7 per cent less. These factors were enough to encourage expansion.

McHaney says the record number of turkeys raised this year is sure to sell for less money than last year's crop. In fact, he says, prices to growers will probably be much lower.

Just out and just wonderful!

The beautifully new Bel Air Sport Coupe with Body by Fisher.

SEE THE '57 CHEVROLET FRIDAY! IT'S SWEET, SMOOTH AND SASSY!

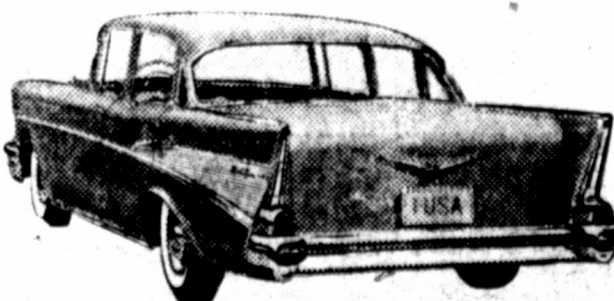

Chevy goes 'em all one better—with a daring new departure in design (looks longer and lower, and it is!), exclusive new Turboglide automatic transmission with triple turbines, a new V8 and a bumper crop of new ideas including fuel injection!

New right down to the wheels it rolls on—that's the '57 Chevrolet!

By now you know it's new in style. You can see that Chevy's longer, lower—and every inch a beauty.

But Chevrolet's new in lots of ways that don't show up in our picture. It's new in V8 power options that range up to 245 h.p.* Then, you've a choice of two automatic drives as extra-cost options. There's an even finer Powerglide—and new, nothing-like-it Turboglide that brings you Triple-Turbine take-off and a new flowing kind of going. It's the only one of its kind!

Come see the new car that goes 'em all one better—the new 1957 Chevrolet!

The new Bel Air 4-Door Sedan—one of 20 striking new Chevies.

*270-h.p. engine also available at extra cost. Also Turboglide fuel injection engines with up to 288 h.p. in Corvair and passenger car models.

Only franchised Chevrolet dealers display this famous trademark

Jack Bailey Chevrolet Co.

News-Views—

(Continued From Page 1)

inches about 5 miles south of Brownfield. But it was spotty, as was the hail, which accounted for the real damage.

—n-v—

One of the worst spots was north of Wellman. A belt two or three miles wide and several miles long east and west centering on the Foster Road south of Brownfield was most heavily hit. Insurance adjusters are still busy on the crop insurance claims, some of which will run nearly 100 per cent.

—n-v—

Leonard Lang, with large acreage north of Brownfield,

Harvey Smith, George Bentley, John Hill, W. M. Dubose and several suffered heavy losses. Virgil Burnett and A. C. Pace had about half their cotton gathered.

—n-v—

The Meadow area got as high as three inches of rain with hail losses small in proportion to the area covered. Jack McCrary, who lives 3 miles east of Meadow, suffered nearly a complete loss as did the Russell farm adjoining.

—n-v—

Leonard Lang, with large acreage north of Brownfield,

mostly open and unpicked, it wouldn't damage "too much even with more rain.

—n-v—

Loop area had heavy rain and there was a strip north of Tokio at the county line near Johnson with moisture. The hope for further damage rests upon fact that it seldom rains even through it may threaten considerably!

—n-v—

Over east of town, two three sections suffered by Farms of Doyle Johnson, Brian, Hinson, J. V. Riley, Delton Tatum were hit.

Why Should You Join The American Legion?

1. **Peacetime Service.** The button of The American Legion testifies your honorable service during World War I, World War II or the Korean conflict.
2. **Rehabilitation.** Every member helps toward providing adequate care and protection for the disabled of World Wars I, and II and the Korean conflict and their dependents.
3. **Child Welfare.** Every member helps to carry out the child welfare program through which the organization stands in place of the father to thousands of needy orphans.
4. **Americanism.** By being a member, the veteran gives full support to the principles of Americanism through which un-American influences are counteracted. He supports patriotic education and helps make all communities better places in which to live.
5. **Junior Education.** Through membership the veteran supports the teaching of sportsmanship and high ideals to the youth through activities such as Junior Baseball, Boys State and Boys Nation, Oratorical Contests, Boy Scouts and the School Medal Award.
6. **National Security.** Every member will help the organization in attaining its goal for an adequate national defense to insure the nation against attack.
7. **Legislation.** While practically every piece of legislation beneficial to veterans of World Wars I and II and the Korean conflict has had the full support of the American Legion, a greater membership will insure the success of future legislative programs.
8. **Non-Partisanship.** By joining veterans become members of the most democratic organization in the world. There is no rank in the Legion, no race, no creed.
9. **Comradeship.** Veterans enrolling in the Legion join a real outfit of he-men who serve together in time of war. Friendships made in war service endure. Friendships made in The American Legion likewise endure.
10. **Voice Heard.** The voice of the single veteran is not heard, but the voice of millions of veterans in The American Legion are heard and heeded.

The Cubs, to date, have won but two games of five, but that record is certainly no indication of the brand of football the boys have been playing.

Last Friday's game against Seminole, for instance, was one that all the fans who took the trip were pleased with, although there was some long and loud conversation about the officiating. Be that as it may, the Cubs are giving their supporters a look at some good football each Friday night.

For the first half of the ball game against Seminole the boys appeared to have found themselves and went to the dressing room for the intermission on the long end of the score.

During the second half of the game Indians gained some new life while the Cubs retained their spirited play and as the score indicates (28-27) it was a nip-and-tuck ball game with good offensive maneuvering by both teams. Colorado City is this week's opponent for the Cubs and the game will be played in Cub Stadium, beginning at 8 p.m.

Members of the Rotary Club citizens of Brownfield and staff of the Chamber of Commerce, the following is for you:

You have been congratulated all of you, by the governors and official personnel from the rest of the states that make up our wonderful United States. Letters and telegrams have

THE DISCUSSION? — What else but Little League. The director of Region 7 of Little League Baseball, Marvin Bradford of San Antonio, talks the great American pastime with Troy Noel, Jr., son of Mr. and Mrs. Troy Noel of 201 West Broadway. The occasion was the

barbecue supper given Wednesday night by Terry County Little League. Other honored guests included the World Championship Little League team from Roswell. The event was held in Veterans Hall, attended by some 200 persons. (Staff Photo)

Eighth Grade Cubs Grab Football Win

The eighth grade Cubs beat the Seminole Eighth grade in a battle to the finish last Thursday night. Seminole scored first and the score at the half was 7-0 in their favor. In the final

Pete Ellis and Richard St. John, of Roswell, are the two coaches who guided the Roswell Little League team to victory and brought the title of World Champions to our southwestern section of the nation this year.

Orchids and thanks to these two men and the entire Little League team for their appearance here. The boys are: David Smith, Tommy Jordan, Blaine Stribling, Farrell Dunham, Randy Willis, Richard St. John, Mike Sandry, Albert Palmino, Dick Story, Guy Beville, Harold Hobson, Randy Willis, David Serrod, Jimmy Valdez and Teddy Garrett.

These boys, along with Region 7 Director Marvin Bradford, were feted Wednesday night when the local Little League had a real old-fashion barbecue in their honor. The event was attended by many of the local citizens who enjoyed the program and the food.

NO CRAZED COMANCHE—it's only Red Ingle, the musical zany who will bring his Un-Natural Seven to Odessa for the Permian Basin Oil Show, October 18-21. A former Spike Jones band member, Ingle is responsible for such mauled arrangements as "Timtaysun," "Serutan Yob", and "Cigareets, Whuskey and Wild, Wild Women."

running both touchdowns. The seventh grade team also played a good game, but were defeated by Seminole. Both teams played good games, and we know they will keep up the good work.

At the half of the ninth grade game, the band marched. They formed C-U-B-S for Brownfield and a tomahawk for Seminole. They did a fine job and we hope to be seeing them in the Harvest Festival parade.

We have had the last two pep rallies outside as it seems to give everyone more school spirit and pep. We dread cold weather because we sure do like rallies outside so... "wait awhile, Winter".

Last week we had a magazine sale. The high salesman was allowed to reach into a fishbowl containing \$30 in charge and pull out all he could. The high salesman was Judy Moore, who drew out \$9.

There was also another event, a mystery student. All students were asked to put their names on a piece of paper. If the person's name who was drawn had sold at least one subscription, they were given \$20. The person's name who was drawn hadn't sold any, so she was given a consolation prize of a nickel.

The P. E. classes are working hard to get a show up for the Harvest Festival this year. The show is called "Flying High". The show is an hour long, with many exciting attractions. So we hope to see you out there.

More Profits In New Grain-Dryer System, Studies Show

One of the first users of the new grain dryer-storage system: Arnold Kraft, grain farmer of Davenport, Iowa.

A new method of drying and storing grain is showing amazing results—results which mean large savings and profit-increases to farmers—according to recent studies and field-tests made by Stran-Steel Corporation, manufacturer of the famed Quonset steel farm buildings. These results are supported by additional studies conducted at various state agricultural experiment stations.

The system consists of the Quonset storage building, a fan which supplies unheated air, and manifolds and tunnels which distribute the drying air uniformly through the grain. In a matter of weeks, the moisture-content of the grain is brought down to a level safe for indefinite storage. Once the grain is dry the fans are reversible for cooling to prevent surface crusting.

According to three state experiment stations studies, reduction of mechanical losses of grain alone amounts to five percent. Another five percent in field losses due to wind, insect or hail damage is eliminated because the farmer is enabled to get his crop in off the field early. Other possible storage losses avoided through use of this modern process amount to probably another five percent due to the accurate control of moisture-migration, insects and molds.

What does this mean in dollars and cents? Farmer A, who until last year had no storage, raises 100 acres of corn. Usually, he has a yield of 75 bushels an acre and sells it when the market is glutted. In 1954 he sold his yield

of 7500 bushels at \$1.15 per bushel for \$8,625. In 1955 he bought a Quonset Grain Drying and Storage building. This time he realized a yield of 8400 bushels which he was able to sell at the government loan rate of \$1.50 per bushel, or \$12,600—thus gaining an increased return of \$3,975.

A second farmer, with the same acreage and yield, up until 1955 uses on his farm the traditional type of storage which promises to become obsolete by this new method. He usually sells his corn at the best market price or secures a government loan. In 1954 he sold his yield of 7125 bushels—\$8,187.50. In 1955 he purchases a Quonset with its grain drying system and realizes a yield of 8400 bushels which he sells for \$12,600—an increased return of \$4,412.50.

At the end of five years, under optimum circumstances, an average farmer using the 8800 bushel system would have his complete building and drying system paid for and realize a net return of approximately \$15,000.

With cold weather coming on and the program about to close, the wrestling matches which are held each Monday night are beginning to get more of a following than they had during the hot months. No one seems to know exactly when the American Legion, which sponsor the events, are going to officially call it a season, but rumor has it that the matches will run only a couple of more weeks.

It might be said that the boys who have been furnishing the grunt and groan girations for the past few weeks have been putting on a better show than those who started the season. Perhaps you didn't know, but the Legion boys changed promoters four weeks ago.

SECTION TWO

Brownfield News

And Terry County Herald... Terry County's Oldest Business Institution

Vol. 19 Brownfield News-Herald, Thursday, Oct. 18, 1956 No. 42

NEW MEXICO PARTY ATTRACTED THEM—Brownfield, state representative; Mrs. Hub Jones of Lubbock, State Democratic executive committeewoman of the 28th District, and George Weiss of Brownfield. Mrs. Gillham sits in front. (Staff Photo)

FACES THE PRESS—Democratic National Chairman Paul Butler sits at his ease as he faced a corps of reporters and cameramen last Sunday at the ranch home of Mr. and Mrs. U. D. Sawyer, Crossroads, N. M. Said Butler, at one point in the hour-long meeting: "I should like to invite President Eisenhower to join with Gov. Stevenson in a mutual effort to halt the atomic arms race." The national chairman impressed guests and newsmen, alike, with his quietly confident manners and approach to the situation at the big Demo party. Apparent consensus: He's the man for the job he has. (Staff Photo)

DEMO HEADQUARTERS OPENED—From left above: Mrs. Jesse Brooks of Meadow, lending a helping hand at newly opened Stevenson-Kefauver headquarters at 510 West Broadway; Adlai Stevenson of Springfield and Chicago, dental ticket; Mrs. Willie Blair of Meadow, Ill., currently heading the Democratic presi-

who's also lending a helping hand, and Estes Kefauver of Nashville, Tenn., second man on the national ticket. The headquarters were opened Wednesday, under the direction of Leonard Lang, Terry County Democratic chairman. (Staff Photo)

YOUNG DEMOCRATS—Whatever their party affiliation when they reach the voting age, the Robert Beasley children felt very much like their father, who farms west of Meadow, is Terry County Democratic chairman, Precinct 3. (Staff Photo)

AT DEMO RALLY—The quartet shown above was among the huge crowd which gathered Sunday at Crossroads, N. M., to attend the annual Democratic party of Mr. and Mrs. U. D. Sawyer. From left: Curtis Sterling, publisher-manager of The Brownfield News-Herald; Preston Smith, who'll assume his duties in January as the 28th District's new senator; Mrs. Fern Eidson, Mr. and Mrs. Sawyer's daughter, and Ralph Yarborough, shaded by Price Daniel in the August runoff election for governor of Texas. (Staff Photo)

MEADOW DEMOS CAMPAIGNING—Democrats at Meadow were among thousands in the area who took part Tuesday in "Dollars for Democrats Day." To generate a little party spirit, the quintet above trotted out the donkey, traditional emblem of the party. From left, they are Mrs. Louis Peeler, Mrs. C. E. Hicks, Mrs. J. T. Fulford, Mrs. Robert Beasley and her husband. He is Democratic chairman for Precinct 3. The sign advertises the coffee held that night in the Peeler's Meadow home. (Staff Photo)

TEXAS, NEW MEXICO AND INDIANA DEMOCRATS—Among principals at the Sunday Democratic whingding of Mrs. Dess Sawyer were, from left: Mrs. J. D. (Jot) Akers of Brownfield, Mr. and Mrs. Ralph Yarborough of Austin, National Democratic Chairman Paul Butler of South Bend, Ind., and Mrs. U. D. (Dess) Sawyer, hostess for the party given at her ranch home at Crossroads, N. M. Mrs. Akers and the Yarboroughs arrived at the ranch after attending a luncheon in Lubbock as guests of Mr. and Mrs. Bryan Edwards. Others at that event were Mrs. P. R. Cates of Brownfield, Mr. Akers, B. Sherrrod of Lubbock and Phillip Edwards of Lubbock. Mrs. Akers was chairman of Congressional District 19, in the "Yarborough for Governor" campaign. (Staff Photo)

TERRY WELL REPRESENTED—Some 60 persons from Terry County took part last Sunday in the Democratic Party rally at the New Mexico ranch home of Mr. and Mrs. U. D. Sawyer. Part of the Terry contingent is shown above. From left seated: Mrs. R. L. Bowers and Mrs. Dennis Q. Lilly. Behind them stand Mrs. Tom J. Cornett, Dennis Lilly, Cornett, Robert Bowers, Ralph Bynum, Raymond Simms, Mrs. George Weiss and W. A. Bynum. Others in the picture are not identifiable. (Staff Photo)

It's Harvest Festival time again! Support your queen and enjoy the show...

The seniors and freshmen of B. H. S. spent Monday and Tuesday in the gym taking The Iowa tests of Educational Development. Dr. Hoey was in charge of the testing program, and he was assisted by various members of the faculty.

Double Features: Ann Lee-Ellis Cox, Linda Gaunt-Danny Powers, Sandra Moore-Preston Glenn, Jorita Fulford-Tommy Street, Jeanie Criswell-E. V. Murphy, Mary Ruth Venable-Tom Chisholm, Kay Kessinger-

family from California are here visiting his parents, Mr. and Mrs. Arthur Curtis, and family. Mrs. Lee Walker and Mrs. W. T. Arnett were in Brownfield Monday on business.

The W. M. U. met at the church Monday afternoon for a Royal Service program. Mrs. R. E. Ruthledge had charge of the program in the absence of the president, Mrs. Curtis Ritchey. Mrs. Gladys Moorhead and Mrs. Era Moorhead of Brownfield visited Mrs. W. A. Hinson Wednesday afternoon.

The three gins here had ginned 6378 bales up to Sat. Oct. 13.

Shower Is Honor For Mrs. Collier

A miscellaneous shower honored Mr. and Mrs. Pate F. Collier Monday, Oct. 15 from 3 to 5 p.m. in the Fellowship Hall of Crescent Hill Church of Christ. The Colliers' home burned recently.

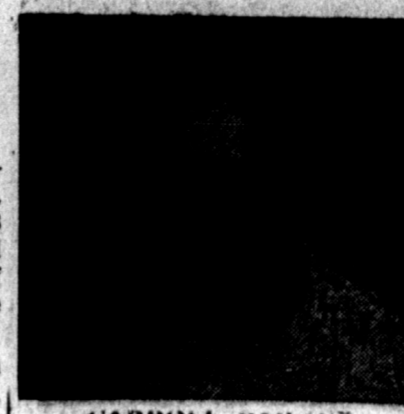

Hostesses for the occasion were Mesdames J. E. Eakin, Leonard Lang, Ned Self, Harley Starnes, Alvin King, Sam Teague, Tommy Hicks, Holland Boring, R. L. Bowers, Sr., and Tress Key.

The table was laid with an ecru hand made cloth and was centered with an arrangement of salmon gladiolus. Coffee and cookies were served by Mrs. Self and Mrs. Lang.

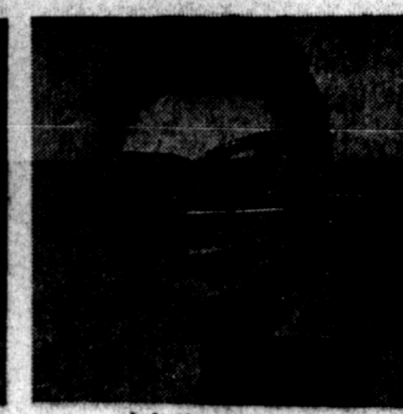

Jerry Don Huckabee, Juanema Denson-Gene Mason, Brenda Barnett-Robert Butler, Patil Wilder-George Fugitt, Jerré Sue Estes-Ernest Hyman, Janel Bragg-Delbert Bradley, Gail Cottrell-Lee Dale Rowden, Betty Hargrove-Bobby Casey, Dale Wilson-Leslie Britton, Dale Joe Christian-Mike Hamilton, Kay Hamilton-Ronnie Grant, Reudell Bradley-Hollis Smith, Ann Lemley-Johnny Cabiness, Linda Bost-Herbie Pickett.

Brief Notes: Bobby Jo Bagwell "ran into a rock", as she puts it, and received an injury to her right eye recently. She seems to be fully recovered now, we're glad to say.

Mr. and Mrs. Alvin Davis welcomed a son born Tuesday, October 9. Mrs. Davis formerly taught a homemaking course in B. H. S. Another new arrival is La Rue Dawn, born to Patsy

CARROLL FAKKER

LA RUE DAWN

... Down Wellman Way ...

Hi! Six weeks tests are over and we are ready to start another six weeks. The report cards were given out Wednesday. We hope everyone passed.

Last Thursday our boys played Union in football and were defeated. The Junior High boys played Smyer before the high school game. The Junior High boys had better luck than the high school boys. They won by a score of 26-13. One of our high school boys received a head injury in the game with Union. Our boys will go to Pettit Friday night. Well, it is about time for girls basketball to get underway. The girls look like they are going to have a very good team this year.

The Sophomore class had their rummage sale Saturday. They made about \$85.00.

The Juniors have decided to extend their magazine sales until this coming Friday. They have also decided not to have a high salesman.

Some of the F. H. A. girls and their sponsors went to Ackerley Saturday for the District F. H. A. meet.

Larry Cabe received a head injury last Thursday night in the game with Union. He was in the hospital at Seagraves from Friday until Monday. We were glad to see him back in school Tuesday. He

and Larry Fulford, October 3. Still another visit from the stork was paid to Mr. and Mrs. Doyle Bradley, who have a son, Doyle Scott, born October 12.

Karen Foshee hosted a surprise birthday party for Delma Fox Saturday night. About 35 guests enjoyed the wiener roast type celebration... Eight girls stayed for the slumber party which followed the main party.

Janel and Betty Bragg and Juana Jay Barret attended a meeting in Abilene to help plan youth caravans in connection with the Westminster Fellowship of the Presbyterian Church.

The First Baptist Church will sponsor a party after the football game Friday night with refreshments and games for all. Last Friday night the scoreboard registered another bare one point loss for the Cubs 28-27. This week it's back to Cub Stadium for the game with Colorado City.

James Milburn Is Promoted in ROTC

James E. Milburn of Brownfield recently was appointed cadet sergeant first class in the ROTC Corps of Cadets at Tarleton State College in Stephenville.

Milburn is the son of Mrs. Margie Milburn of Route 1, Meadow, and is a Brownfield High School graduate.

His appointment was announced by the school's professor of military science and tactics. Milburn was promoted on the basis of his leadership, knowledge and proficiency in military subjects, and his academic standing, explained the professor.

announced by the school's professor of military science and tactics. Milburn was promoted on the basis of his leadership, knowledge and proficiency in military subjects, and his academic standing, explained the professor.

LOSE UGLY FAT IN TEN DAYS OR MONEY BACK

If you are overweight, here is the first really thrilling news to come along in years. A new & convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger & appetite. No drugs, no diet, no exercise. Absolutely harmless. When you take DIATRON, you still enjoy your meals, still eat the foods you like but you simply don't have the urge for extra portions and automatically your weight must come down, because, as your own doctor will tell you, when you eat less, your weight less. Excess weight endangers your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this GUARANTEE: You must lose weight with the first package you use or the package costs you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by: **FRANK DRUG STORE—Brownfield** Mail Orders Filled

IS YOUR JOB Hazardous?

Clear, sharp vision may be the difference between "a job well done" and a painful, costly accident... lost time, lost pay.

Don't gamble with your vision... see your local professional eye examiner and make sure your vision is adequate for the requirements of your job. The most valuable thing in your life is "vision."

Business Women Elect Officers

The Business Women's circle of the First Baptist Church met Thursday, Oct. 11, in the home of Terry Lou Moorehead.

New officers for the coming year were elected as follows: Mrs. Claude Merritt, chairman; Mrs. T. G. Sexton, vice president; Mary Louise Riley, secretary-treasurer; Mrs. Glen Mitchell, Bible study chairman; Lucille Hinkle, study chairman; Terry Lou Moorehead, mission study chairman; and Mrs. Clemmie Hamilton, community mission chairman.

The Royal Service program was presented to six members and one visitor.

What put the magic in the new kind of FORD?

The new Ford Fairlane 500 (418-inch wheelbase). Longer, lower, larger than many medium-priced cars, yet lower in price than most of them!

Here's what put the magic in the new kind of FORD!

It started with the "Inner Ford." When Ford planned this baby, they thought in terms of a car through-and-through new.

The wheels got smaller. This Ford is so new that even the wheels have changed. Now smaller and broader, they help you take off quickly.

The wheelbase got longer... so now you can choose between a Ford that's over 16 ft. long—or one over 17 ft. long!

The frame got wider. Side rails bow out to give a more stable, safer riding platform... a lower, sleeker silhouette.

The ride got smoother. With new suspension, new springing front and rear, the ride this new Ford gives is the smoothest ever.

The handling got easier. Poised and balanced like a panther, this car has swept-back front suspension that works its magic when you need it most.

The power got hotter. There's a wide range of Silver Anniversary V-8's to fit every horsepower need*... plus a new Mileage Maker Six.

The roof got lower. And it's designed to let you make the easy entries and graceful exits you've always known.

The body got quieter. It's the strongest body built for a low-priced car. No car in Ford's field has such generous sound-proofing.

The room got bigger. There's head room to spare for a two-ton-type hat. There's real stretch-out leg room, too.

The lines got sweeter. They have the Touch of Tomorrow. Each graceful contour says, "Let's go!"

The style got smarter. With this new look Ford you have a car that belongs anywhere! All Fairlane models look like hardtops.

The value got greater... the price is still Ford-low.

*A Special 870-hp Thunderbird 518 Super V-8 engine available at extra cost. Also, an extra-high-performance Thunderbird 518 Super V-8 engine delivering up to 285 hp.

SEE IT FOR YOURSELF! So now you know the magic of the '57 FORD!

Brownfield Bankers En Route to Meeting

J. O. Gillham and Leo Holmes, president and executive vice president of Brownfield State Bank, left Lubbock this

morning for Los Angeles, where they will attend the annual convention of American Bankers Association. The two men and their wives will be among 350 persons aboard two special Santa Fe trains taking Texas Bankers Association members to the

California session. The quartet is expected to return to Brownfield Oct. 27. Jujitsu means literally "the gentle art". It takes 10 inches of snow to equal an inch of rain.

County 4-H Group Sees Club Film

The 4-H club of Terry County met Monday, Oct. 15, at 8 p.m. in the party house at Coleman Park. The scheduled time has been changed from 8 p.m. to 7 p.m. during the winter.

The meeting was called to order by chairman Hilburn Briscoe, assisted by co-chairman Janelle Cornett, Winnie Schultz and Freddie Pickett led the group in songs.

Miss Shirley Holbrooks, home demonstration agent, showed a film on 4-H work. Following the program, the group played games and a new member, Johnny Roe, was introduced.

WE GIVE S&H GREEN STAMPS

GEE GEE'S

Welcome, welcome, to the Harvest Festival. Hold the winning ticket and you may receive one of \$5500 worth of prizes donated by Brownfield merchants.

Speaking of the festival, there have been many, many man-hours put in this week, building floats for the big parade. Mary Dee, of course, is working on the Little League end of it and she said that quite a few of the parents were working away Tuesday night. Bill McGowan was wielding a hammer (evidently about like I use one) and Johnny Benson told Bill, "It's a good thing you're a lawyer, because you'd never have made a carpenter."

Incidentally, Britt Pounds, co-owner with "Was" Gee of Green Hut Grill, donated the coffee to keep that particular crew of float-builders awake long enough to put the finishing touches on the float. Britt is always hounding me to "Say something nice" about him, and I'm glad I could do so. Much better than having to say, "don't go to the Green Hut . . . they feed you broken glass", or some such thing. Incidentally, some e

night when you don't feel like firing up the stove, let the Green Hut send you out a meal. They box it up beautifully, with potatoes, thick toast, and salad. And it doesn't take them all night to deliver it, either.

Marge Williams, secretary, asked me to remind all members of the Brownfield Country Club Holiday Dance club that there will be an important meeting at the club Monday, Oct. 22, at 8 p.m. Purpose is the election of new officers.

Am happy to learn that parents of the Junior Band members have organized a parents club. Jim Williams, the director of the band, has certainly done a magnificent job with these kids and it's gratifying to know that the parents appreciate his work enough to form a club to assist with activities. It's also gratifying to know that the fine work being done by Fred Smith with his high school group extends clear on down through the junior band.

Sorry to learn that W-H-B company is moving off down to Denver City. Brownfield will miss Lloyd Shraeder and his bunch.

Be sure to plan to attend the grand opening of Canipe's Fashion Fabrics, formerly House of Fabrics, at 417 West Main. Jack Canipe moved here from Lubbock (family will follow as soon as he can locate a teepee, dugout, or something for them to live in) and we're happy to welcome him to Brownfield. I know you've noticed the striking window displays he's concocted for you. And if you're handy with a sewing machine, Jack's offering you some really great buys during his opening . . . a complete line of sewing needs.

One of the hardest workers in preparing for today's big festival has been John Hansard who has stood hand in hand with the Rotarians to combine the festival and Oil Progress Week. I don't know whether you know much about John or not, but he happens to be one of these characters who doesn't say too much, but does a whale of a lot. And if this turns out to be one of the biggest celebrations we've ever had in Brownfield, you can hand one bouquet to John and if it falls flat of its face, you sure can't say that it's John's fault. See you at Cub Stadium tomorrow night.

GOMEZ NEWS

By ERA SEARS
NEWS Correspondent

Mr. and Mrs. Jack Mason were hosts Friday through Sunday when Mrs. Mason's brothers and sister and their families met in the Mason home for a get-together of the Motley family. It was the first time since the death of their parents six years ago that the family had been together.

The Masons entertained with a barbecue supper Saturday night in their back yard. Those attending were: Mrs. Mason's sister, Mrs. Everett Olmstead, Mr. Olmstead and Larry, of Frederick, Okla.; her brother, C. A. Motley and wife of Chico; a brother, Vestie Motley and wife of Boyd; a brother, Olga Motley, wife and Billie, of Denver City; and the following relatives: Messrs. and Mmes. R. L. Motley, Richard and Robert, Alvord; Glen Lowrance, Brenda and Stan, Monahans; Ervie Motley and Linda, Arlington; Preston Harris, Saginaw; Raymond Motley, Weldon and Carl, Otton; and James Motley, Jimmy and Johnny, Lubbock.

Mrs. Grady Warren and children of Lubbock visited with friends and attended church at Gomez Sunday. The Warrens are former residents of this community. Mr. Warren re-enlisted in the Air Force and is now stationed in England.

Frank Jordan is a medical patient in West Texas hospital in Lubbock. His condition was reported and improved Tuesday and it was thought he would be able to return home this week.

Mr. and Mrs. Gordon Cart-

er are visiting at Hereford with their son, Oscar Carter, and family.

Mrs. Spencer Murphy and daughter of Brownfield visited Sunday with her parents, Mr. and Mrs. Denver Kelly.

Here! New Task-Force 57 Chevrolet Trucks!

Performance-proved in a history-making test on the ALCAN Highway to Alaska

The Alcan Highway is the road where trucks grow old before their time. The road where gravel endlessly sledhammers the life-out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts subject chassis to months of wear in a few hundred miles.

Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B.C., through 1,520 miles of mountains and mire, rain and hail to Fairbanks, Alaska. Running around the clock, they made this tortuous trip—normally a 72-hour run—in less than 45 hours. As a special test during the run, two of the trucks went the entire distance without once having their engines stopped!

Come in and see how well these new Alcan champs measure up to your job.

FIRST WITH THE MOST MODERN FEATURES!

New 283-cubic-inch Taskmaster V8 is standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's complete line-up of modern V8 and 6 truck engines.

Revolutionary Powermatic Transmission—exclusive with Chevrolet trucks! This six-speed automatic, designed specifically for heavy-duty hauling, is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 3000 and 4000 Series models at extra cost.

L.C.F. models outdate C.O.E. trucks in every way; yet offer all the traditional C.O.E. advantages.

Heavyweight Champs with Triple-Torque tandem are rated at 32,000 lbs. GVW, 30,000 lbs. GCW. Special features include built-in 3-speed power divider.

Alcan fleet reports up to 18.17 miles per gallon! That's the mileage reported by the Cameo Carrier, with Thriftmaster 6 and Overdrive (optional at extra cost).

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor traveled the Alcan Highway in a single forward-speed range!

the farming angle

By DON RYNUM

A New York Times reader inquired of that newspaper, "I am seeking the author of the following lines, referring to woman's frailty: 'She sins more off for gay attire / Than from passion's blinding fire.' I read them first some 60 years ago."

Anybody in Terry County familiar with that poetic bit and its author?

Several Terry residents are expected to take part in the Short Staple Cotton Research Conference, Nov. 1-2, in Lubbock.

The event will be sponsored by Plains Cotton Growers, Inc., of which Al Muldrow and R. D. Jones Sr., both of Brownfield, are directors.

Terry county farmers will get 100 per cent or more of their 1956 cotton allotments for the 1957 planting year, Cong. George Mahon said he believed Friday after talks with Washington officials.

Records from the 27 agricultural experiment stations and field laboratories of the Texas A&M College System show that none received normal rainfall for the crop year, Sept. 1, 1955, through Aug. 31, 1956.

Come Nov. 11, Terry County Farm Bureau will send its delegation to the 23rd annual convention of the Texas Farm Bureau, to be held this year

year in Houston.

Paul Butler, national Democratic chairman, sat completely at ease during his hour-long press conference last Sunday at the New Mexico ranch home of Mr. and Mrs. U. D. Sawyer. Butler answered all queries with ease, smoked his cigars with ease, drank his hostess' punch with ease and put everyone else at ease.

The national chairman's only uneasy moments seemed to crop up when he reacted to the mention of Ezra Benson's name. Consensus: Mr. Butler doesn't like Mr. Benson.

Typical Butler-newsmen repartee:

Reporter—In Roosevelt County, we raise peanuts. We tried to get our allotted acreage increased. The government refused. We hear that peanuts are being imported. What about that?

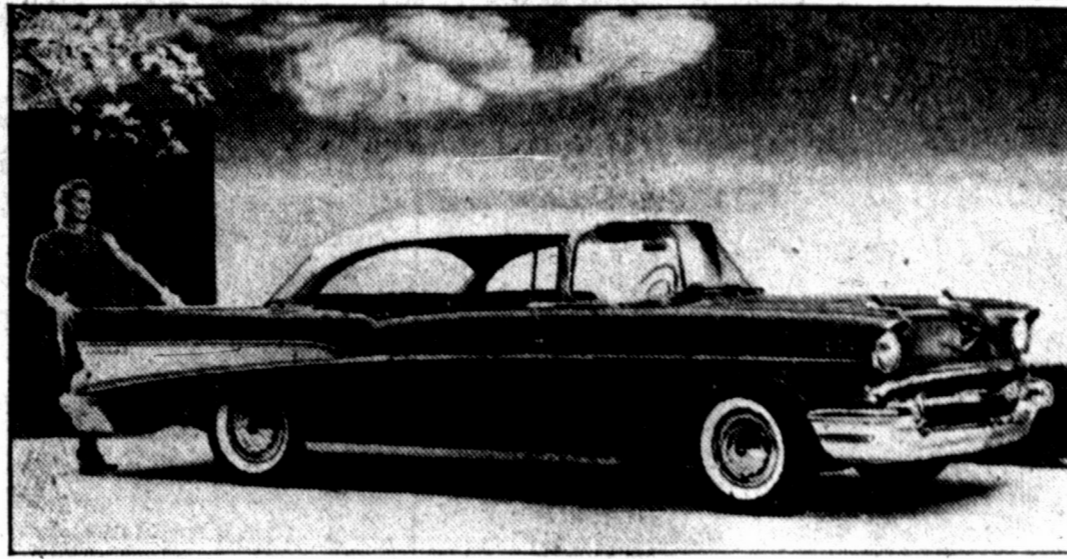

Butler—I'm of the belief that all acreage restrictions for a particular crop should be lifted entirely if any of that crop is imported!

Another reporter—Mr. Butler, do you mean that such might be the thinking of a Democratic administration concerning even cotton?

Butler—Yes, given the right set of circumstances.

Reporter—Mr. Butler, short-

Bel Air Coupe Mirrors New Styling

Longer, lower "in motion" emphasis on design sport coupe. Along with the exciting exterior and of Chevrolet's three series of passenger cars for interior styling, a higher performance peak and 1957 is evident in this view of the new Bel Air marked mechanical advances are among features.

HANDSOME PRIZES IN OFFING

Jack Bailey Chevrolet Will Show 1957 Models Beginning Early Friday Morn

staple, or upland, cotton is the basis of the economy of West Texas. There was the chance earlier this year that Benson would change the loan basis from 15/16 to 7/8-inch staple. Would a Democratic administration dare do a thing like that to us?

Butler—If it were for the benefit of the nation as a whole and if the circumstances demanded it, yes.

"Plains Area Farms Get A New Look" is the title of Bill Durham's spread in the October edition of the Star-Telegram's monthly magazine section.

Durham, the Star's farm editor, shows an awareness of the new look which is taking shape concerning Terry County agriculture. Bill gathered his material during the third annual Field Day sponsored in September by Terry Soil Conservation District. It's good reading.

In an 1857 address at Buffalo, N. Y., Edward Everett said: "As a work of art, I know few things more pleasing to the eye, or more capable of affording scope and gratification to a taste for the beautiful, than a well-situated, well-cultivated farm."

Jack Bailey Chevrolet becomes the second Brownfield automobile agency to display its 1957 models when the firm opens its doors at 8 a. m., Friday.

In addition to showing the new, the dazzling '57 Chevies, Bailey will offer an all-day open house—with some \$1,000 in prizes.

Here's a line-up of the prizes, to be won by registering only: 21-inch TV set, automatic coffee maker, automatic Westinghouse clock-radio, Sunbeam electric skillet, three sets of tailor made seat covers, \$50 in groceries, \$400 discount on new 1957 Chevrolet at regular list price, and a special drawing for a child's bicycle.

Bailey will be showing his Brownfield audience the widest selections in Chevrolet's history.

The customer will have his choice of 460 model-color combinations, almost one-third more than available at the outset of 1956 production.

Here's how the variety in

WARPED VIEWPOINTS ARE SCORED

The Farmer: He Is A Political Stormcenter

By JOHN C. WHITE
Agriculture Commissioner

With the 1956 presidential election campaigns currently reaching their peak, the farm issue has graduated to an all-time high in political debate. The farm problem is a living

campaign issue—more than a political football to be booted around and more than an interesting debate to be observed by the voting public. And the point in question is not whether something should be done, rather exactly what must be done.

None one will fail to recognize that American farmers are living in a state of depression completely out of keeping with the overall picture. However, few people really understand why the problem is so acute with farmers, and even fewer know how seriously the farm problem could affect other areas of American economy.

Joan Vaughn To Be In Competition For Farm Bureau Queen

Pretty Miss Joann Vaughn of Tulia will represent 17 counties in this area at the Texas Farm Bureau queen contest Nov. 12 in Houston. She will compete against 12 other Farm Bureau district queens.

Miss Vaughn was chosen District 2 queen in a contest held Sept. 13 at Lubbock.

Miss Vaughn, 17, daughter of Mr. and Mrs. Marshall Vaughn of Tulia, is a senior in Tulia High School. Her school activities include Thespians, Future Teachers of America, speech (drama), and band. She plays clarinet in the Tulia High School Band and is a major-ette.

The brown-haired beauty plans to attend West Texas State College at Canyon and major in elementary education with a minor in speech.

All contestants will receive expense-paid trips for themselves and their matron escorts to the state contest which will be held in connection with the 22nd annual convention of the Texas Farm Bureau in addition they will receive beautiful wrist watches.

All except the one chosen state queen will receive a week's stay at the Crazy Hotel in Mineral Wells, compliments of the management.

The lucky girl chosen state queen will receive \$500 expense money for herself and her matron escort to attend the 37th annual convention of the American Farm Bureau Federation Dec. 9-13 in Miami Beach, Fla. They will make the trip on a special train carrying the Texas delegation to the convention.

tured of the greedy farmer who wants everything for nothing. That just isn't so. Necessity of government control in agricultural economy can be explained through its unique position as an individual, dependent economic segment.

In nearly all phases of economy there are checks and balances which will keep the costs of labor, living, production and marketing in near-balance because of their strict inter-dependence.

Unhappily with the farmer, his dependence on other areas of trade is not reciprocal except where his purchasing power is concerned. And this is very important.

By this reasoning, the farmer's parity ratio now should range at least up to 100 per cent because everything he buys, plus his taxes and interest rates, are at an all-time high.

But under present "flexible" price supports, parity ratio has plummeted while farm costs have skyrocketed. The parity formula has been completely cockeyed.

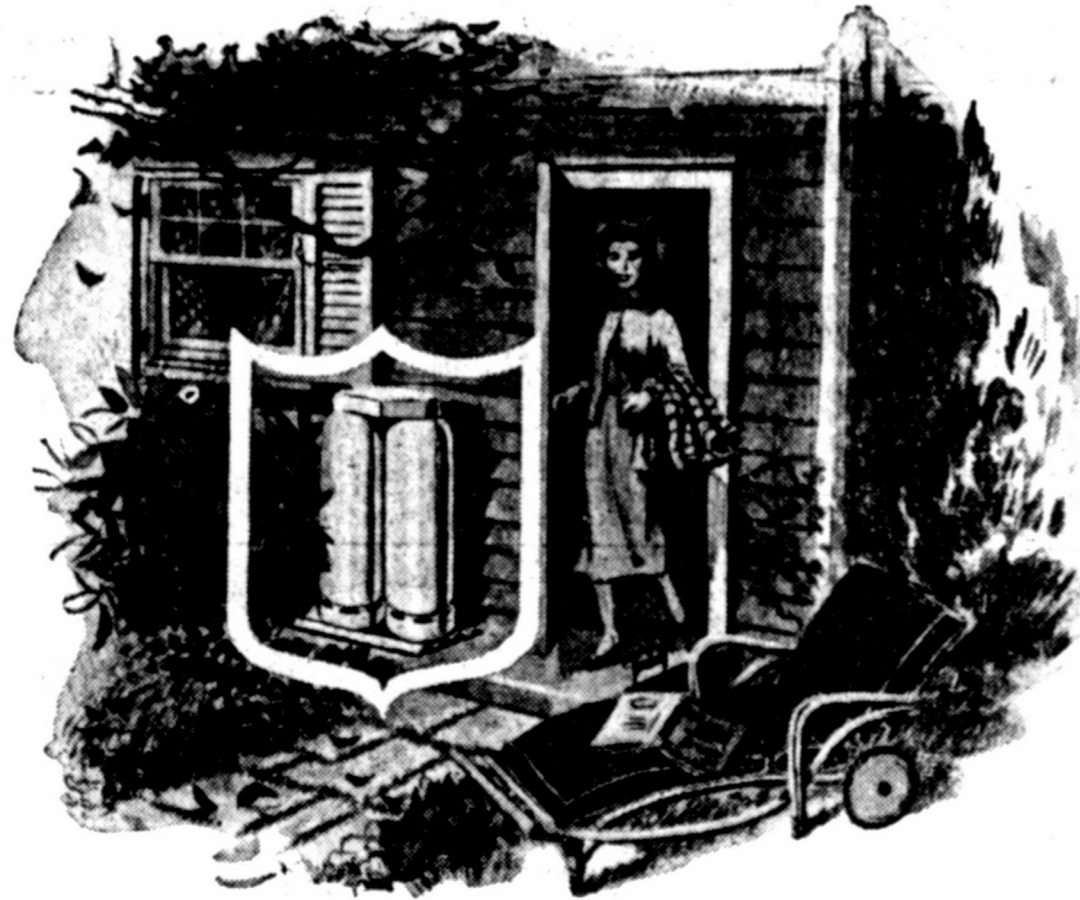

In any other business this could never work; increased costs would be passed on to the next in line and so on down to the consumer. Why should the farmer have to suffer the brunt of economic shock?

He can not prosper under present controls, nor can he survive without proper controls.

The issue must be resolved. And it will be, one way or another, on election day, November 6.

ALL ROADS LEAD—to the Permian Basin Oil Show, says pretty Judy Cranfill of Odessa. To prove her point, she is busy helping nail up the arrows that will lead visitors into the city and to the site of the world's biggest oil show for 1956. Printed in reflectorized green, the arrows will be equally visible by day or night.

Badge of Better Living

Whenever you see a Liquefied Petroleum Gas container on a home, you know there's comfortable living inside. A product of petroleum research—Liquefied Petroleum Gas means fast, easy cooking, instant automatic hot water, dependable refrigeration and generally better living for millions of families throughout the nation.

We'd like to tell you a lot more about Liquefied Petroleum Gas, so phone us today. Let us show you what progress in the competitive, progressive oil industry can mean to you and your family—how much it can add to your living enjoyment.

Amendment 2 Can Mean Money Saved for Terry Taxpayers

Voters of Terry County will have an opportunity in the general election Nov. 6 to make the most progressive change in county fiscal operation seen in 100 years or more, according to County Judge Herbert Chesshir.

That will be to vote for House Joint Resolution No. 23, which would amend the Constitution of Texas to allow commissioner's courts to reallocate the tax levies for the four regular county operating funds on an annual basis without the necessity of holding reallocation elections.

Adoption of the amendment will do more to put county government on a business-like operating basis than anything that has been proposed in many years, Judge Chesshir declared.

Under this basis the commissioners court could levy only the amounts actually needed in operating funds instead of the amounts now fixed by the Constitution, which are, General Fund 25 cents, Road and Bridge 15 cents, Permanent Improvement 25 cents and Jury Fund 15 cents, this being on a \$100 value.

The full amounts fixed by the Constitution are not always needed in a certain fund, but a larger amount may be needed in another fund.

Under the present law, the only way the amounts can be changed is for the commissioners court to call a reallocation election every six years or oftener. Holding these elections, of course, costs the counties thousands upon thousands of dollars, Judge Chesshir pointed out.

By voting for this amendment, the taxpayers can save themselves money in two ways. First, by making it possible for their commissioners court to operate on a more business-like basis, and second, by eliminating the cost of expensive reallocation elections.

Under no circumstance could adoption of the amendment cause an increase in county taxes, because it fixes the maximum county levy for the four regular funds at 80 cents on the \$100 valuation, which is the same as the present maximum.

"Sometimes it seems that few proposals are presented to the taxpayer which gives him an opportunity to save some money. But this is just what adoption of this amendment would do. So we hope the voters of this county will give it an overwhelming majority on Nov. 6", Judge Chesshir said.

Pulling Together

THE AMERICAN WAY

FOOTBALL PROFESSORS

By George Peck

(EDITOR'S NOTE: George Peck is Chairman of the Board of the National Labor-Management Foundation and Executive Editor of its official publication, PARTNERS.)

There is grave doubt in the minds of many American adults as to whether the quality of students being graduated from our universities and high schools is as good as the brand turned out two generations ago. That there is such a doubt is a sad commentary on the teaching personnel of our higher educational system.

When one takes into consideration the billions of dollars that have been spent by the taxpayers, augmented by further billions bequeathed to it, our educational system should be grinding out a vastly superior product to that of a few decades ago.

In searching for the reason for this failure to produce a much better product in the face of greatly improved plants and machinery, plus a higher-paid personnel, one is forced to the conclusion that what our educational system really lacks today is the good, old-fashioned American competitive spirit.

Too many of our college professors have grown fat (mentally, not physically), supported not only by the taxpayers, but by legacies (endowments, if you please), left to our colleges by men who amassed fortunes through sweat, toil and thrift. And further, many of our educators have turned to biting the very hands that feed them. Having the minds and training of social workers, they know only how to spend money, haven't even the remotest idea as to how wealth is produced. They are suggesting that "The American Way," our free enterprise economic system, is all wrong, and are instilling in the minds of the students (our

AUSTIN, Tex. — Texas' drought relief program is in high gear again. President Eisenhower announced a double-barreled shot in the arm for cattlemen's feed buying projects.

Grain subsidies were increased from \$1 to \$1.50 per hundred-weight and the aid period extended 60 days to Dec. 31.

An additional \$5,000,000 was allocated to the hay and roughage buying program. This had been stalled for nearly a month after the original \$1,000,000 grant ran out. Certificates good for a \$7.50 per ton subsidy are grain available to eligible livestock owners through the Farmers Home Administration.

To increase effectiveness of this project, officials said western railroads agreed to make a 50 per cent reduction in freight rates on carload lots of hay sent to drought areas. Reductions were to take effect this past weekend.

Both parties lost no time in making political hay with the new farm assistance. GOP National Committeeman Jack Porter said, "This will help greatly to win Texas for the Republican."

State Agriculture Commr. John White, a staunch Demo-

crat, expressed gratitude, "regardless of the political aspects". But, he pointed out, help needed several months ago didn't come until just before the election.

Both sides are rolling out heavy artillery in one of the most feverish campaigns for Texas' electoral votes in presidential campaign history.

Democrats will have an all-star cast of seven U. S. Senators stumping the state from now until Nov. 6. They are Sens. Stuart Symington, Missouri; Michael Mansfield, Montana; Russell B. Long, Louisiana; John Kennedy, Massachusetts; Albert Gore, Tennessee; Robert S. Kerr and Mike Monroney, Oklahoma.

In addition, Texas' own top Democratic brass, Sen. Lydon Johnson, Speaker Sam Rayburn and Governor-Nominee Price Daniel, will be in the field.

For the Republicans, Vice President Richard Nixon made a second visit and termed the Texas race "neck and neck." But, he contended, Eisenhower represents Texas Democrats' views better than Stevenson.

Each party has a "big event" within days of each other. Republicans saluted Texas-born Ike with a statewide birthday party Saturday. Democrats, hard-pressed for operating funds, slated doorbell ringing

Texans Find Ike Stands For Same Things We Do

A fellow was in our town the other day selling men's suits. He was from St. Louis, and he said he was a manufacturer's representative. Grandpa would have called him a dry goods drummer, and Papa would have referred to him as a traveling salesman. This shows you how things change with time. But actually that fellow from St. Louis was doing just about what the earlier visitors did—trying to sell suits.

You might say that he stayed in the same place but the names went off and left him. Reminded me some of the political situation in Texas.

I was reading a letter in the daily newspaper last week, from a man who said he was going to vote for Eisenhower. "I am a Democrat," he wrote to the editor of the paper, "but I feel like the party has run off and left me."

Come to think of it, a lot of conservative-type Texas Democrats are in that shape today. They haven't changed their views much on such things as local control, government spending, bureaucratic red tape, and freedom of the individual; they still travel down the same road they did 20 or 30 years ago, even if they do it at 70 miles an hour instead of 25.

They grew up believing that a man could live down nearly any thing except voting for a Republican. They always voted "er straight, until a good many of them jumped over the traces in '52 and went for Ike.

"I can't figure out what's happened," one of them told me. "Seems like Eisenhower talks like a Democrat and Stevenson talks like a college professor."

The other day this same fellow said: "I think I've got it figured out. Ike stands for the things us Texas Democrats have always stood for. Adlai is too thick with Walter Reuther and that crowd to suit me. I'm going for Ike again."

That's the way with most folks in our town. They decided to give Ike a try at it in '52, and they like the way he has gone about the job. There are some things they wished he'd done a little different, but by and large they think he has made us a fine President. At least all the hometown boys are back from Korea, and as far as we can tell the government is being run honestly.

Somebody asked that Missouri suit salesman how Mr. Truman was getting along, and he said he didn't know. "He isn't in the clothing business any more," he explained. "In fact, as far as I can tell, he is clear out of all kinds of business."

Yours Truly,
Tex

(Pol. adv. paid for by Texas Democrats for Eisenhower. Weldon Hart, Director.)

ducing some 4,500,000 pairs of plates and 392,000 single plates. They go on sale Feb. 1.

Expenses Up, Income Down—Texas government spent \$11,000,000 more than it took in during September, according to Comptroller Robert S. Calvert. Expenditures totaled more than \$70,000,000, and revenue receipts came to only \$59,000,000. A net cash balance of \$32,671,870 was left in the general revenue fund.

Last year September was much better. Expenditures were \$63,000,000; revenue, \$69,000,000.

Short Snorts—Jim Lindsey, outgoing speaker of the Texas House of Representatives, has resigned as executive vice-president of the Texas Good Road Association. He aims to devote more time to his new post as State Democratic Executive Committee chairman.

Cochran, Gaines, Lamb and Yoakum Counties have been added to the state's drought disaster area. This brings the total count to 218 of Texas' 254 counties, according to the governor's office.

U. S. Dept. of Agriculture's October survey estimates Texas sorghum grain harvest for 1956 at 93,480,000 bushels, corn at 25,528,000 bushels. Other state crop forecasts: rice, 10,891,000 (100 lb.) bags; oranges, 2,300,000 boxes; grapefruit, 3,500,000 boxes.

Texas Boy Scout officials in 531 towns are conducting a drive to raise \$2,500,000. Scope of the coming year's program for some 200,000 boys from 8 to 18 hinges on the campaign's success.

Applications are being received to take competitive exams for four job classifications in the State Health Department. Tests will be given in the categories of food and drug inspector, junior sanitarian, junior engineer and health information specialist.

Merit Building, Austin, will send information on Celebrations, programs and exhibits will be held across the state this week by the thousands of

Texans in the petroleum industry. Gov. Allan Shivers designed Oct. 14-20 as Oil Progress Week to point up the contributions of oil to the state's economy.

Fall opening of the Texas School for the Deaf has been delayed a second time by the \$2,500,000 construction project on the campus. Previous opening day was Oct. 15. Now completion of 19 new cottages and two class buildings is not expected until sometime in being added to the Texas State November.

Two new medical and surgical buildings Hospital System are said to be among the nation's best. Washington experts inspected the new unit at Austin State Hos-

Pvt. Martell Smith Completes Training

FORT GORDON, Ga. — Pvt. Martell Smith, son of Louis C. Smith, Route 3, Brownfield, Tex., recently completed the communications center operation course at the Army's Southeastern Signal School, Fort Gordon, Ga.

The eight-week course trained Smith to receive, process and relay messages by various means of communications. Coding and decoding also were included in the course.

Smith entered the Army last May and completed basic training at Fort Hood.

The 22-year-old soldier is a 1953 graduate of Wellman High School.

Mr. and Mrs. M. H. Rich and son Harold attended the Rich family reunion Sunday in Childress. About 50 were present.

"You can still win, friends. Gulf's gala 'Life of Riley' Contest closes October 31!"

WILLIAM BENDIX, star of "The Life of Riley" TV show...and your royal Riviera playground.

GRAND PRIZE: LIVE THE LIFE OF RILEY IN A PALACE ON THE RIVIERA

WIN 30 FABULOUS DAYS WITH \$200 A DAY TO SPEND

Fly via a luxurious PAN AMERICAN Super 7 Clipper!

Fly direct to Nice, France in 20 hours via the world's most experienced airline. Live in a magnificent Riviera mansion for four fabulous weeks. Reign in a royal home, with all modern conveniences. You have everything for sports, amusement, exciting vacation adventures!

Servant staff, luxury furnishings, glamorous patio, private swimming and boating facilities... all this and more... all yours in a stunning Mediterranean setting!

It's a once-in-a-lifetime opportunity for two. You enjoy scores of happy holiday experiences—and get \$200 to spend for every unforgettable day!

Your own limousine whisks you through a gay round of gala events in nearby Nice, Cannes and other famous Riviera playgrounds. Golden beaches, festive occasions, dazzling scenery... sport, pleasure, regal relaxation... you live the Life of Riley for a magnificent, memorable month!

SIMPLE TO ENTER—EASY TO WIN!

Just complete this jingle. Enter as often as you wish. All entries must be on official Contest Entry Blanks, which contain complete contest rules. Get yours free at any Gulf station. Contest closes midnight, Oct. 31.

Gulf No-Nox is the gasoline That's famous 'cause it burns so clean. Fill up at Gulf, and you will see

(Make your last word rhyme with "see")

Here's why clean-burning No-Nox gives you many more miles of new-car power!

HINTS TO HELP YOU WIN!

1. No-Nox burns clean because Gulf refines out the "dirty-burning tail-end" found in ordinary gasoline.
2. No-Nox combats formation of carbon deposits which "shrink" engine power.
3. No-Nox protects your engine, keeps new-car power intact far longer.
4. Gulf No-Nox is a high-octane gasoline that gives you more miles per gallon in short-trip driving.

GET FREE ENTRY BLANKS FROM YOUR GULF DEALER

MYSTERY FARM NO. 54 — The MF of last week — whose is it? We don't know . . . and there were no attempts at identification by any one. Like all others, and like the one shown above, it is located in Torry County.

American Way

(Continued From Page 2)

ing war on our American Capitalistic System of Free Enterprise.

Readers of this column can help make a good start in that direction by first finding out

just what the teachers are teaching in their community. If they find that the teachers are not on their toes, that students are not being given the fundamentals with which to fight successfully the battle of life; if they find that the pedagogues are feeding the youngsters a mess of socialistic "pap,"

Services Held For Mrs. Carl Bierwirth

The body of Mrs. Carl Bierwirth, 57, of Childress, who died last Thursday in Treadaway-Daniell Hospital, was taken Friday to Childress by Brownfield Funeral Home for burial.

Services were held here Friday in First Christian Church, with the Rev. W. J. Spreen, pastor, officiating.

Survivors include her husband; one son, Artis Davis of Anchorage, Alaska; two brothers, Gaylord Aschenbeck of Park Hawl, Me., and J. H. Aschenbeck of Plains; and two two sisters, Mrs. Bertha Awbrey of Odessa, and Mrs. Elizabeth Simmons of Brownfield; parents, Mr. and Mrs. G. C. Aschenbeck of 705 East Oak, and three grandchildren.

Mrs. Bierwirth died following a short illness. She was a native of Milam County, and lived in Childress since 1907.

they should get busy with their local School Board, Parent Teacher Association, or any agency working in the education field.

This job must stem from the individual communities, not from the county seats, the State or Federal capitals. Do your bit toward cleaning up the situation in your city, town or village (provided your investigation shows the need of it). Let's light a fire under those scholastic professors that will inspire them to raise themselves to the highly efficient level of the football professors. Let's have winners graduating from the classroom, as well as from the gridiron.

Hope you enjoy your football this Fall and that your football professor produces a winner.

Local Legionnaires To Go To Upcoming District Convention

Members of Brownfield Post 269, American Legion, will go to Colorado City Saturday and Sunday for the annual fall convention of the 19th Congressional District.

The two-day junket was announced this morning by H. B. Virgil Crawford, commander of 269.

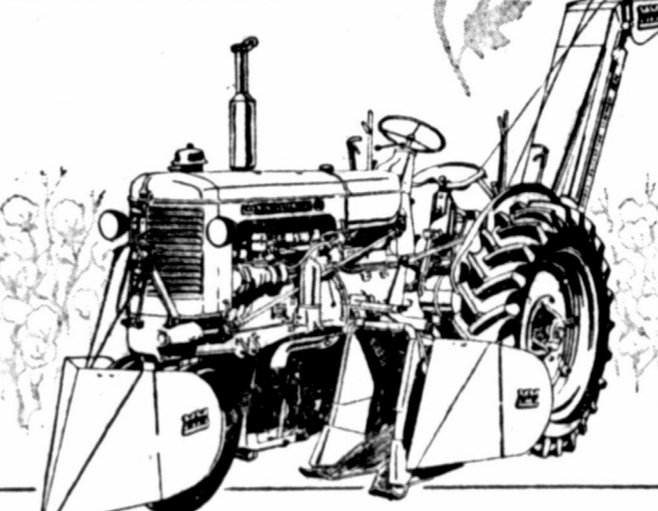

Among other events to be discussed by the Brownfield group with Warren Liner of Seminole, district commander, will be 269's current membership drive, which ends Nov. 11.

WARREN LINER

A major business item will be discussion of the Veterans Land Amendment to be voted on at the general election Nov. 6.

NEW COTTON STRIPPER

SAVES COTTON HARVEST DOLLARS AS NEVER BEFORE!

Here's the high-speed, high-capacity cotton harvest machine that can make the BIG profit-difference on your cotton crop. By the bale, by the acre, by the hour worked, this new Minneapolis-Moline 2-Row Cotton Stripper pays you dollars you never thought you could make on cotton! MM cotton stripping lowers labor costs, protects you from untimely labor shortages.

LOOK AT THESE NEW ADVANTAGES!

- Mounts in units...not in parts
- Easy-to-lubricate bearings reduce service time
- Big capacity 16-inch elevator directs cotton to all parts of the wagon...you don't need an extra man to build the load
- Overshot blower mounted on elevator aids distribution
- Handles row widths from 36 to 42 inches
- Hydraulic height control of stripper units
- Separate hand levers control height of each stripper and angle and height of plant lifters
- Thorough cleaning with 12-inch louvers along the auger trough and the entire length of the elevator.

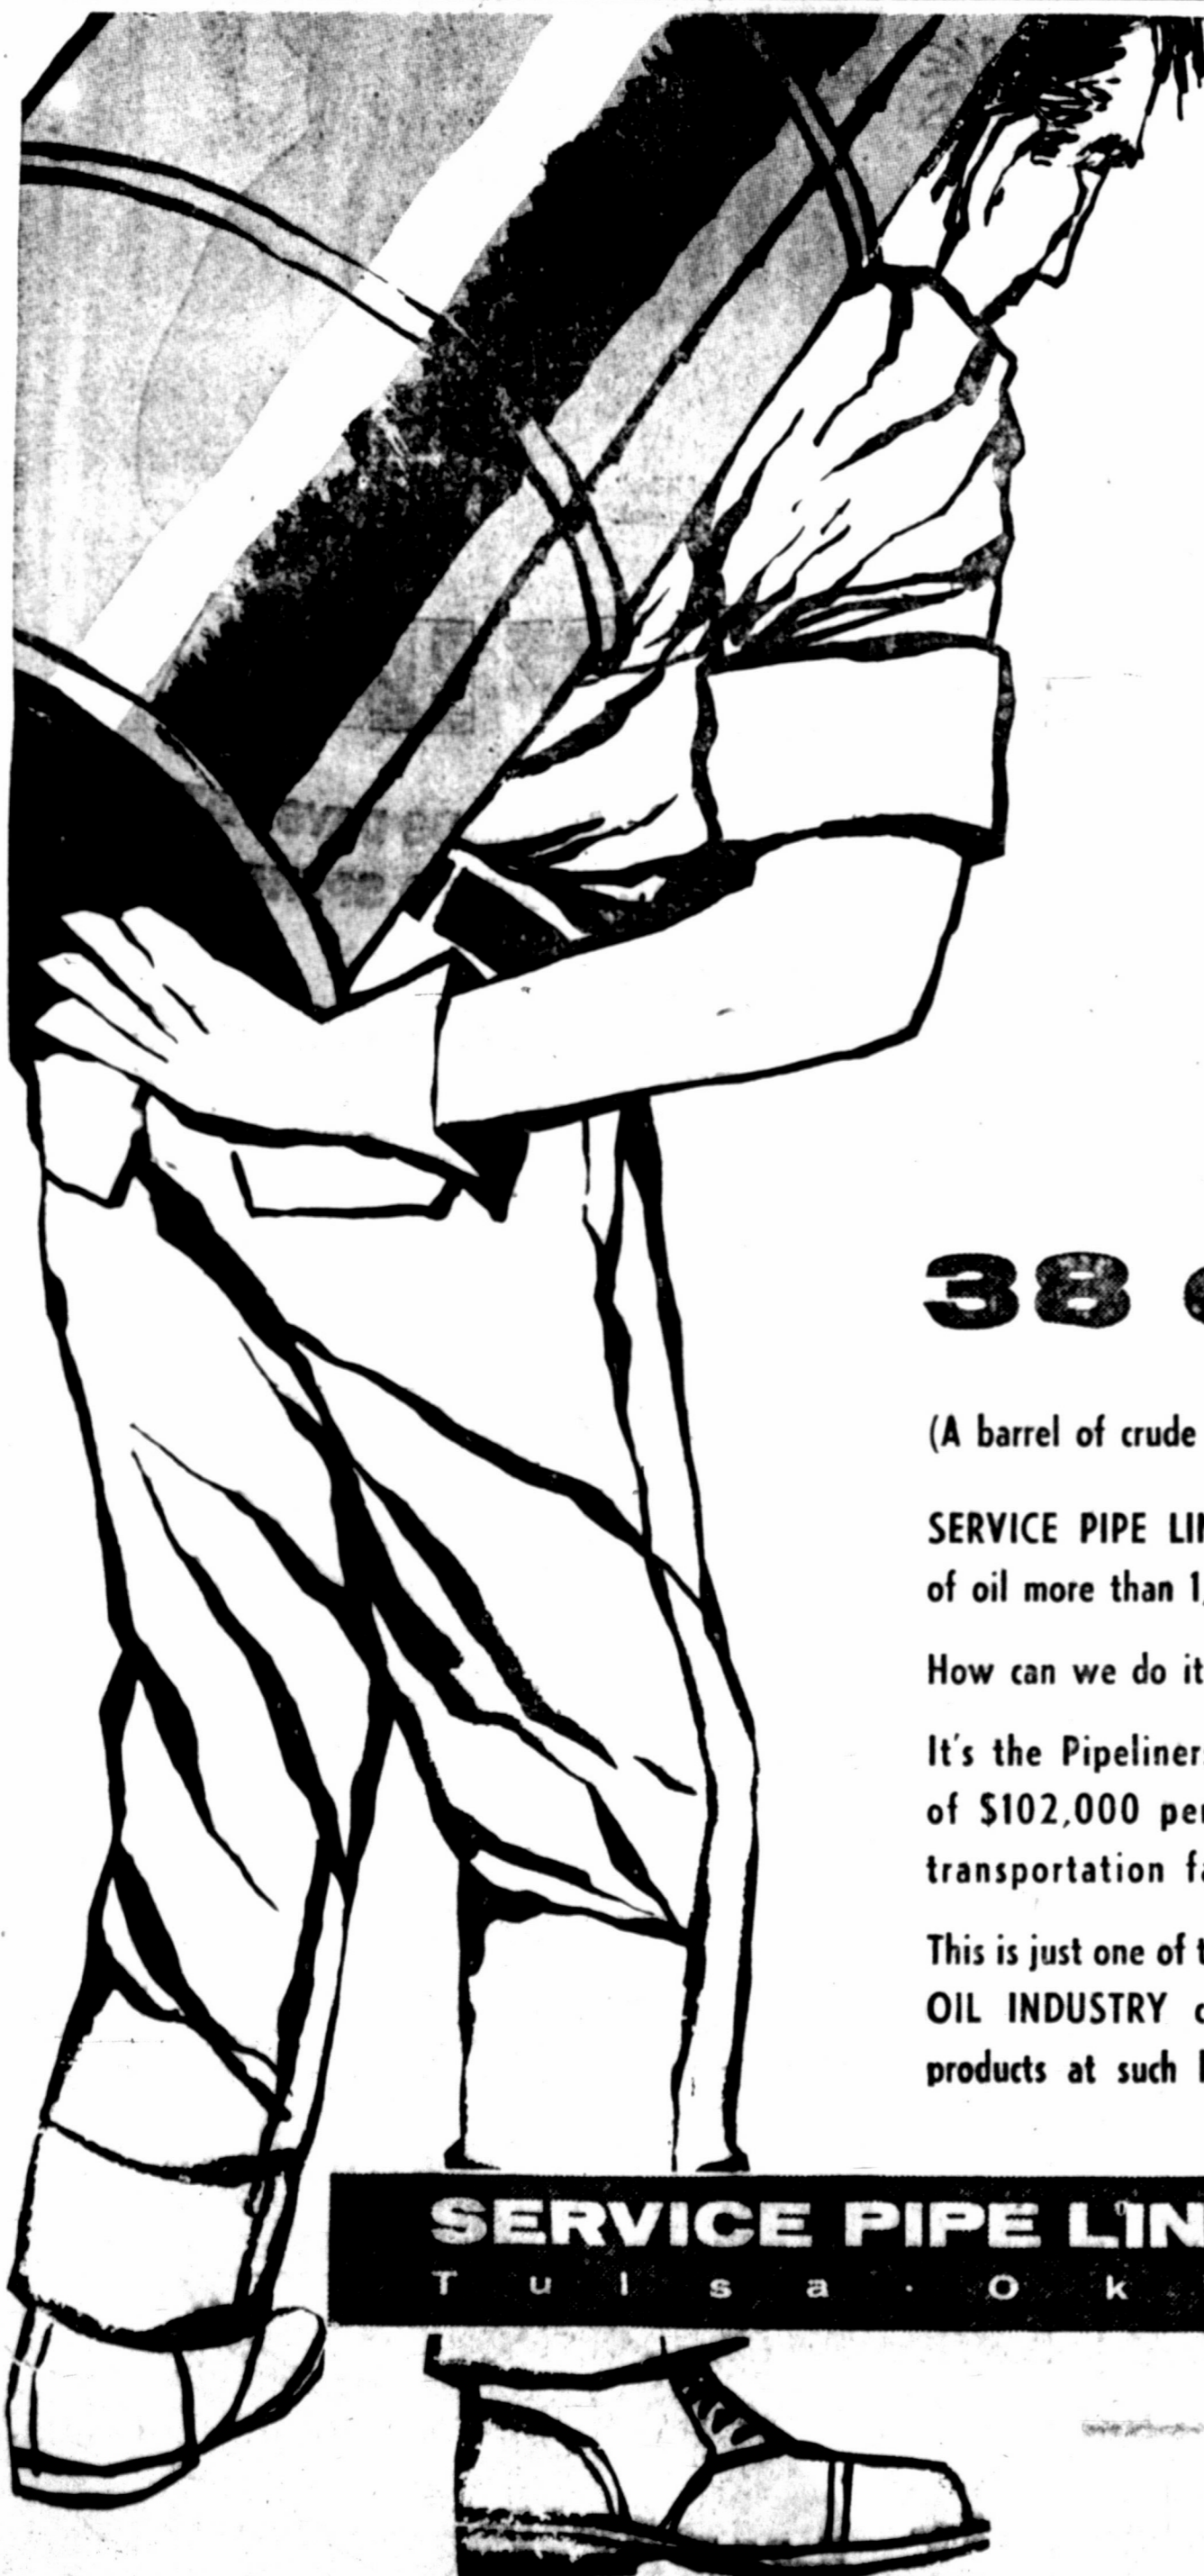

See all the many new advantages of this MM Cotton Stripper for yourself! Stop in the the next time you're in town!

THE ANSWER: YES AND NO

May You Earn Social Security Credit For Income From Land You 'Rent Out'?

Do you get social security credit for your income from land you rent to someone else for farming? What do you have to do to "materially participate" in the management or production?

First, there must be an arrangement between you and the renter that you will take part in the management or production. This arrangement may be either written or unwritten.

Second, you actually must take some part in the production or management of the production.

Even if you don't actually do any physical work, you must be materially participating in the production or management of production if you:

1. Advise and consult regularly with the person who rents the land on the operation and management of the farm.
2. Inspect the production activity regularly.
3. Furnish part or all of the equipment, machinery, or livestock.
4. Pay part of the expenses of production.

Mr. Hutton pointed out that each of these must be considered, together with any work you may do on the farm and management of the enterprise. It's not necessary that you do everything listed above to qualify; in some cases it is sufficient if you

Under some circumstances your income from the land may be "rental income" and not covered by the law; under other circumstances your earnings will be considered "earnings from self-employment" as a farmer.

If you simply rent the land in return for cash or a share of the crops or livestock, and you take no part in the production or management of the production of the crops or livestock, then the cash or crop share you receive is rental income and it does not count toward social security.

But for taxable years ending after 1955, you can get social security credit for your income from land you rent to someone else under an agreement that you will "materially participate" in the management or production of the farm commodities.

See SOCIAL SECURITY Page 8

We're in Business to Please CUSTOMERS . . . Not Ourselves!

THESE nothing we'd like more than to have every farmer leave our store with a smile . . . a smile of satisfaction that tells the community he's pleased with the goods we sell . . . the services we perform.

Frankly, that's our goal; we're in business to please customers, not ourselves. With this in mind, we offer the best of farm equipment—John Deere. Our lot has top-quality "Value-Checked" used equipment on display. We've stocked our parts department with genuine John Deere Parts; our shop is fully equipped and manned by capable mechanics trained in John Deere servicing methods.

All this has been done with you in mind . . . to help make you a more satisfied customer. The latch string is out; may we be of service to you . . . soon?

Dear Friends

A farmer friend of ours paid Humble's field men a fine compliment recently.

He said, "There's one thing about you Humble people, you close gates."

Well, of course we do.

All of us at Humble want the good will of the folks with whom we do business. And among those folks, the farmers and ranchers who lease their land to us for exploration and production are right at the top of the list.

In fact, you farmers are partners with us in the development of a vital natural resource. If our efforts are successful then everyone involved benefits.

Keeping the gates closed and the fences mended—things like that are the least we can do.

We know. A lot of us grew up on farms and ranches.

SHOULD RAINS COME THIS FALL
Aids Listed for Keeping Water Where It Falls
 It is not the rain you get but the rain you keep that counts, says G. O. Hoffman, extension range specialist.
 It is going to take a lot of good soaking rains to break the present drouth, but if history repeats itself, he adds, heavy downpours usually follow long dry periods and, unless provisions have been made to hold such rainfall, too much will be lost.
 Hoffman offers several suggestions for holding a maximum amount of these heavy rains should they occur this fall. Don't, he cautions, go out and buy expensive equipment for doing the necessary work, but do use what is available on the farm or ranch.
Net wire spreaders do an effective job of slowing down runoff water. They stop drift and hold water well even on slopes. Too, says Hoffman,

brush scattered over the pasture holds water and helps grass seedlings get started by giving them protection.
 A range which is dotted with wire spreaders, pits and piles of fallen trees and brush holds many times more water than a range which is bare of vegetation or man-made constructions.
 The bare areas should be pitted, says Hoffman, for little water will be absorbed if measures are not taken to break the surface crust which will shed water, especially, if the rain comes as a downpour.

We Are Moving To Denver City

So as to better serve the majority of our customers, we are relocating our business in Denver City.

Considering that 80% of our past year's business has been with farmers who are within a twenty mile radius of Denver City, we feel we have an obligation to those farmers to make ourselves more readily available to them.

This does not mean we will cease to serve our local customers. It only means we have to travel farther to do so which we will be happy to do just as though we were still in Brownfield.

We have enjoyed being a part of the Brownfield Community and give a special thanks for the courtesies shown our business and families by the townspeople, business men and farmers alike.

Wedding In Odessa Church Unites Miss Gunn, Mr. Coleman Oct. 5

The Sherwood Baptist Church in Odessa was the setting Oct. 5 for marriage of Miss Billie Frances Gunn to Billy Max Coleman. The double ring rites were read by Rev. Harvey Wolfe, pastor of the church, before an altar banked with tall baskets of bronze crystalline and a candlelight archway.

Family pews were marked with large white satin bows. Tommy Gass, cousin of the bride, and Bernard Gunn, her brother, lighted candles.

Parents of the couple are Mr. and Mrs. J. L. Gunn, 3214 Chestnut, Odessa, and Mr. and Mrs. Deck Coleman of Johnson Lease, Odessa.

The traditional wedding marches were offered by Mrs. Harvey Wolfe, organist, and she accompanied Miss Deanna Day as she sang "I Love You Truly" and "The Wedding

Prayer".

Imported Lace Gown

Given in marriage by her father, the bride chose a carpet length gown of white lace over satin designed with decollete neckline. Accentuating the elongated French imported lace bodice was a nylon tulle yoke, outlined with bridal satin, ended in points over the hands. The bouffant skirt was of nylon net and tulle over satin, featuring wide lace inserts outlined with hand clipped roses. Her fingertip length veil of imported French illusion net was secured to a double crown tiara trimmed with iridescent sequins, seed pearls, and rhinestones.

The bride carried a cascade bouquet of white pom-poms, centered with a white orchid, atop a white satin

MRS. BILLY MAX COLEMAN

Bible. She had the traditional something new, borrowed, and blue. Her father-in-law placed a lucky penny in her shoe.

Miss Coda Jean Gunn attended her sister as maid of honor, and Becky Gunn was bridesmaid. Their gowns were made identical, in different colors, and both carried cascade bouquets of white pom-poms. Coda Jean wore a Neptune green taffeta gown designed with long torso bodice and full skirt,

marked with a large bow in the back, and Becky wore cinnamon pink.

Little Beth Gunn was her sister's flower girl and strewn shattered petals in the path of the wedding party, from a basket tied with bronze and yellow steamers. Her dress was gold antique taffeta fashioned with scalloped hemline over lace. All gowns were designed by the bride and made by her mother.

Gary Coleman attended his

brother as best man. Ushers were Bill Perry and James L. Gunn, Jr.

Mrs. Gunn, mother of the bride, was dressed in a black cotton silk dress with white accessories and the bridegroom's mother, Mrs. Coleman, wore a black silk faille taffeta sheath dress with white accessories. Both had corsages of white feathered chrysanthemums.

See RITES Page 2

DISTRICT PRESIDENT SPEAKS — Mrs. Robert R. Lindsey, district 7 president, TFWC, was guest speaker at a tea given by all Brownfield federated clubs at Seleta Jane Brownfield club house Tuesday at 3 p.m. Shown with Mrs. Lindsey, left to right, are Mrs. A. T. Cocanougher of Lubbock, district vice-president; Mrs. Otis Lerner, president of Maids and Matrons Study Club; Mrs. Weldon Callaway, president of Delphian Study Club; Mrs. Tommy Hicks, Alpha Omega Study Club president; and Mrs. E. B. McBurnett, Jr., president of the Brownfield Junior Women's Study club. (Staff Photo)

Reid-Shannon Vows Exchanged

Miss Melba Reid, daughter of Mr. and Mrs. Charles D. Reid of Route 1, became the bride of A/3c Johnny Shannon of Walker Air Force Base, Roswell, N.M. on October 4. The bridegroom is the son of Mr. and Mrs. Bob Shannon of Andrews.

The double ring rites were read in the Calvary Baptist Church parsonage by Rev. Warren Stowe.

Given in marriage by her father, the bride wore a white nylon lace dress over white satin, with white accessories and a white carnation corsage.

Miss Neva Shannon, sister of the bridegroom, was bridesmaid. She wore a pink orlon dress with a pink carnation corsage.

Ollie Little of Andrews was best man.

Parents of the couple and Mr. and Mrs. Herb Hvamyers of Andrews were the only wedding guests.

The couple will make their home in Roswell.

Mrs. Robert R. Lindsey, District President, Speaks To Local Clubs

All federated clubs of Brownfield met jointly at a tea at Seleta Jane Brownfield club house Oct. 16 at 3 p.m., honoring Mrs. Robert R. Lindsey of Borger, new district president.

After being received by Mrs. Tommy Hicks, president of Alpha Omega Study Club; Mrs. Lindsey; Mrs. Otis Lerner, president of Maids and Matrons Study Club; Mrs. A. T. Cocanougher, first vice president of District 7; Mrs. Weldon Callaway, president of Delphian Study Club; and Mrs. E. B. McBurnett, Jr., president of Brownfield Junior Women's Study Club, guests were served punch, iced cookies, and nuts from a table centered with beige spider chrysanthemums and brown tapers. Mrs. Grady Goodpasture presided at the punch bowl.

Mrs. Lerner conducted the meeting. After a prayer by Mrs. Tim Faulkenberry, Mrs. Lerner welcomed the guests and recognized Mrs. Cocanougher before introducing

Mrs. Lindsey, guest speaker.

Role of Club Women

Mrs. Lindsey spoke on the role of clubwomen in advancing our society. She complimented Maids and Matrons club on their heritage. When the local club was founded 50 years ago, Sarah Platt Decker was federation president. She urged all women to keep in step with all projects and movements for improvement of the community.

Mrs. Lindsey told the group that clubwomen of then and now were of two types: the candle who must be helped to shed its light and the electric light that is always ready to work.

"To think of the federation," said Mrs. Lindsey, "is to think of Jennie June Croley, who organized the first club of five women. Now there are 11,000,000 women who belong to federated clubs. It is the strongest and largest organization in the world and its scope is international."

The purpose of these clubs, Mrs. Lindsey said, has been to educate women in order that they may serve humanity. Each woman must give something of herself, so we honor the women of the past. "First we honor the women who improved our schools," Mrs. Lindsey continued, "through beautification and added curriculum. Eighty seven per cent of the libraries in the country were put into existence by women's clubs. Women gave us a Pure Food and Drug Act for See CLUBS Page 4

"Telerama of Fall" Will Be Staged By Brownfield Garden Club Oct. 25

"Telerama of Fall" is the theme of the third annual flower show sponsored by the Brownfield Garden Club to be held at the party house at Coleman Park Thursday, Oct. 25 from 3 to 5 p.m. No admission will be charged for the show, which is open to the public.

Flower show chairman is Mrs. Virgil Travis and club president is Mrs. L. M. Lang. Mrs. Travis stressed the

importance of entries being made between 9 and 11 a.m. the day of the show. Late entries will be shown, but will not be eligible for ribbons. Entries will be judged on the Standard system, and awards will be blue ribbon, first; red, second; yellow, third; and white, honorable mention. Sweepstake award will be given to the exhibitor of horticulture specimens winning the greatest number

Gala Bridge Club Met With Mrs. Chesshir

Gala bridge club met with Mrs. Herbert Chesshir Oct. 9. Mrs. Eddie Ballard scored high, and Mrs. Frank Ballard was second high. Mrs. Eddie Ballard and Mrs. Burton Hackney binged.

Dutch chocolate cake and coffee were served to the above and to Mesdames Harry Cornelius, R. N. Lowe, J. O. Rodgers, Leonard Chesshir, Coy Barnett, Clovis Kendrick, O. L. Stice, Troy Neol, and Howard Hurd.

of blue ribbon points, and tri-color awards will be given for the most outstanding arrangement in the artistic arrangement section and one to the corsage receiving the greatest number of points for distinguishing qualities.

The show will fall into two divisions, artistic arrangements and horticulture specimens. In the artistic arrangements will be 11 sections: section 1 is Appointment with adventure, hogarth curve arrangement; 2, Strike It Rich, arrangement in a silver container; 3, Recipe Round-Up, arrangement using a kitchen utensil, with flowers, fruits, and or vegetables; 4, Notes of Harmony, arrangement monochromatic in feeling;

Section 5, Climax, dried arrangement; 6, Ding Dong

Kappa Zetas Vote To Support Groups

Kappa Zeta chapter of Epsilon Sigma Alpha met at 7:30 Monday night in the home of Donna Bagwell, 1003 E. Hester.

During the business meeting, members voted to contribute to the children's clinic for mentally retarded in Lubbock, and to distribute pamphlets during the Heart fund drive. Refreshments were served to John Lou Callison, Rita Holmesley, Mickey Freeland, Maxine Steele, Fern Niles, Sue Whitson, Jean Dodd, Ann Dugger, Laura Clark, Merle Kemper, Frances Gillham, Evelyn Hopkins, Helen Meyer, Josh Sweeten, and Reta Williams.

School, crescent arrangement depicting nursery rhyme; 7, Faith For Living, mass arrangement suitable for church sanctuary; 8, Hospitality Time, mass line arrangement using a coffee or tea pot; 9, Your Hit Parade, arrangement depicting a song title; 10, Corsages, to be made with garden grown flowers in two classes, sport (tailored) and evening; and 11, Plains Talk, educational display, and Bird Feeding Station.

Horticulture Classes The horticulture classes fall into five sections, as follows:

\$100 SMILES — "They waited so long that I finally threw away the carbon copy of my safety essay. Two days later they notified me that I had won \$100!" Nevertheless, Mrs. Marge Milburn, forefront, accepted the first prize in a recent safety essay contest sponsored by the U. S. Agricultural Stabilization and Conservation. The \$100 check and a certificate of merit were presented to Mrs. Milburn last Thursday in Amarillo. She's chief clerk in the ASC office here of Looe Miller. Her principal clerk, Mrs. Juanita Sewell, checks the check. The orchid is a gift of the office staff. Mrs. Milburn's subject: "How We Could Eliminate an Accident Hazard." (Staff Photo)

spider, exhibition, pompon, button, and double hardy; 2, Roses; 3, Dahlias, decorative formal, informal, cactus, semi-cactus, and pompon; 4, Perennial, Salvia, Snapdragon, Pyracantha, Nandina, and Tritoma; and section 5, Annual, Petunias, Zinnias, and Celosia.

The following chairmen are serving with Mrs. Travis:

Rites—

(Continued From Page 1)

Reception in Parlor

The bride's parents hosted a reception in the church parlor. The table was laid with a handmade white and bordered organdy cloth bordered in yellow taffeta. The three tiered wedding cake was ornamented with white and bronze, harmonizing with the bronze candles and center arrangement of styrofoam centered with a heart and cupid. The arrow was of bronze ribbon, bearing the names of the couples in yellow.

Punch was served from a crystal service by Mrs. D. C. Dunn of Seagraves, Mrs. Nell Barrier of Meadow, and Miss Joyce Allen of Odessa, Mrs. Gene Joplin of Seagraves registered guests. Mrs. Dunn, Mrs. Barrier, and Mrs. Joplin are aunts of the bride.

For travelling, Mrs. Coleman chose a brown gabardine sheath dress with white accessories. She is a 1956 graduate of Odessa High School and attended Odessa College.

Her husband is a 1955 graduate of Odessa High School and is a sophomore student at Odessa College, where he is vice president of Phi "Theta Kappa" social fraternity. He is employed with Great Western.

Out of town guests attended the wedding from Brownfield, Meadow, Midland, and Seagraves.

Miss Patsy Jean Hill visited in the home of her parent, Mr. and Mrs. John Hill, last Friday and Saturday, Miss Hill, who has been a dietitian in the Veterans Hospital in Big Spring, has moved to Bonham where she will be assistant dietitian in the Veterans Hospital.

Miss Patsy Jean Hill visited in the home of her parent, Mr. and Mrs. John Hill, last Friday and Saturday, Miss Hill, who has been a dietitian in the Veterans Hospital in Big Spring, has moved to Bonham where she will be assistant dietitian in the Veterans Hospital.

Mrs. Mike Barrett Entertains Players

Mrs. Mike Barrett entertained members and guests of Pleasure bridge club Oct. 9. Those attending were Mesdames Lee Brownfield, J. T. Bowman, Joe Henson, Grady Goodpasture, Jack Hamilton, Ed Wilder, and Joe Henderson. Mrs. Henson scored high, and Mrs. Bowman and Mrs. Henson binged.

Mrs. Barnes Leads Colonial Program

Colonial Heights PTA met Thursday, Oct. 11, at 7:30 p.m. in the school cafeteria.

The meeting was called to order and reports were given. Mrs. Curtis Sterling was named to represent the group at the PTA convention to be held in Amarillo next month. It was reported that a parliamentary and procedures course will be held, and members voted to help with the PTA float to be entered in the Harvest Festival parade.

Mrs. Wanda Barnes and her associates presented the program, continuing the study discussion series with "Feeling of Security and Adequacy". Three high school students gave a skit.

Mrs. Weigle's room won the room count.

Approximately 100 attended.

How Far Can You See?

How distant is your horizon?

That depends on your point of view... where you are when you look. Of course, the higher you are the farther you can see. Jesus said, "Friend, come up higher."

He wants you to see better... to see the world's misery and needs through His eyes. He wants you to see one-third of the earth's population going to bed hungry every night... one-fourth of the world existing on less than the average American spends for cigarettes and alcohol. Are you guilty?

God wants you to look at the world as He does. He wants you to see the people of other races and nationalities as He sees them... your neighbor, around the world, as your brother. Maybe you need to go to church Sunday and let Him take away the dimness of your eyes. He can open up new horizons for you to view. He wants you to do something about your own shriveled soul and for the souls of His people throughout the world.

You can see farther when you look through Jesus.

YOU IN THE CHURCH
THE CHURCH IN YOU

There is a blessing in the church. It is here that you can find the help you need to overcome your weaknesses and to live a better life. The church is a place where you can find the love and support you need to overcome your sins and to live a better life. The church is a place where you can find the help you need to overcome your weaknesses and to live a better life.

This Feature Is Being Published With The Hope of Getting More People To Church, And Is Paid For By The Undersigned Business People.

standardizing food products. Women worked for and improved shorter working hours and better working conditions. Women are now counted on the census because of the efforts of club women. Women gave us a modern way of life. They planned and set up the first model home on the White House grounds. They have influenced freedom of dress. We must remember the privilege of women's voting and, lately, the privilege to serve on juries."

Importance of Home
Mrs. Lindsey also said, "I enjoy working with and for club women in all the divisions of service. First we must stress the importance of the American home where respect for rights and country are taught. A mother can teach at home what is taught nowhere else."

Closing, Mrs. Lindsey said federated clubs must work with vision in the future, for "task without vision is drudgery. Vision without task is fantasy, but task and vision is victory."

At the conclusion of her talk, Mrs. Lindsey was presented a cut glass cruet by Mrs. Grady Goodpasture on behalf of all federated clubs of Brownfield. Hostesses for the tea were Mrs. A. A. Sawyer and Mrs. A. J. Stricklin, Maids and Matrons; Mrs. Faulkenberry and Mrs. George Steele, Delphians; Mrs. Arlie Lowmore and Mrs. Clarence Lackey, Alpha Omega and Mrs. Jerry Gannaway and Miss King, Junior Women.

Mrs. Earl Jones Is Hostess to Players

Mrs. Earl Jones was hostess to her Wednesday Afternoon bridge club Oct. 10. Cake and coffee were served to Mesdames Robert Knight, Carol Collier, L. J. Richardson, Morgan Copeland, Sherwood Gill, Sammy Jones, and Marion Bowers. Mrs. Knight was high player. Mrs. Gill bingood, and Mrs. Sammy Jones received the travelling prize.

Gomez Church Host To Baptist Group

The Brownfield Baptist Association Worker's Conference met at the Gomez Baptist Church Sunday, Oct. 16. Theme for the conference was "A Church Using Its Sunday School".

A board meeting and W. M. U. meeting began the conference at 6 p.m., followed by supper served by the Gomez church. Odus Walsler of Brownfield conducted a song service at 7:30 p.m., and Ray Cunningham gave the scripture and prayer.

Clifford Harris of the First Baptist Church at Tahoka discussed "Using Tested and Proved Methods."

Following announcements and special music, Ernest Stewart, pastor of the First Baptist Church of O'Donnell, spoke on "A Church Using Its Sunday School".

Approximately 150 persons, representing 21 churches in the association, attended.

Troop 2 Patrol Has Meeting At Park

Troop 2, patrol 2, of the Girl Scouts met Tuesday afternoon in the Girl Scout Little House. The patrol walked to the park for a play and song period. Ten members attended. Hamburgers, chocolate cake, and hot chocolate were served.

Adlai Stevenson

WHAT STEVENSON STANDS FOR

"It is time to start thinking again in America in terms of people — in terms of individual human lives. To believe in the New America is to commit ourselves to fighting with every resource at our command these ugly patches of poverty and insecurity which still deny dignity, even decency, to the lives of almost one-fifth of all American families."

"Let's face it. Let's talk sense to the American people. Let's tell them the truth, that there are no gains without pains, that we are now on the eve of great decisions, not easy decisions, like resistance when you are attacked, but a long, patient, costly

struggle which alone can assure triumph over the great enemies of man—war, poverty and tyranny."

"I say it is wrong that 14 million of our fellow Americans live today in families whose income is less than \$1,000 a year."

"Small business has been a neglected stepchild of the Republican Administration, and we Democrats propose to bring it back into the family."

"Sometimes we get so mired down in the problems of today that we forget the possibilities of tomorrow."

Estes Kefauver

WHAT KEFAUVER STANDS FOR

"Democracy cannot be strong — nor can it be democracy—if it is afraid."

"We want to keep America a nation which appreciates the fact that ideas are important, that the Constitution and Bill of Rights are not only pillars of Strength here at home but are also recognized as symbols of American freedom around the world."

"The growing problems of a growing people seem beyond the Republican's grasp. They see the dollar sign but they do not see the man."

"Our principle as a democracy in the development of our natural resources still must be the greatest

use for the greatest number."

"I see no other way to get a few dirt farmers in the Department of Agriculture than to bring in the Democrats."

"I conceive true liberalism to be an appreciation of, and a concern for, the inherent dignity and the supreme importance of every individual man and woman."

"In actual fact, the size and scope of the Republican giveaways under Eisenhower makes picayune by comparison the Teapot Dome scandals."

The Democratic Party

Stands Today . . .

As Always For . . .

- Prosperity for the many — instead of the few.
- A sound diplomacy, without bluster or threats
- Protection of the rights and economic security of working people
- Prosperity for all business — small as well as large
- A good living for the farmer, adequate return for his own investment and labor
- Government officials dedicated to the interests of all the people, not just special interests of their own. AND, of course — a FULL-TIME President!

Get Rid Of GOP! Vote DEMOCRATIC

The Ticket for YOU, Not Just the Few . . . **ADLAI STEVENSON
 ESTES KEFAUVER**

NIXON TO VOTE DEMOCRATIC IN 1956

From left: John W. Nixon; Democratic donkey, and Bill Gouldy, Hale County Democratic Campaign Chairman.

John W. Nixon, of Plainview, Texas, a cousin of Vice President Richard Nixon whom he voted for and supported in 1952, will vote DEMOCRATIC this year. Says Nixon, "I have had enough of the Republican farm promises of 90% parity and better. I cannot make a living on a 1300 acre irrigated farm under the REPUBLICAN BENSON FLEXIBLE FARM PROGRAM. Everything the farmer sells brings less and less, everything the farmer buys costs more and more. Look at the increased cost of all farm machinery and all other expenses including the peak cost of the living index. FOR ME . . . I HAVE HAD IT . . . HOW ABOUT YOU?"

This tight money policy of THE REPUBLICANS IS NOT ENOUGH, they have had to raise the interest rates to the highest rates since Hoover Days.

My Grandmother is 98 years old and has never voted anything but the Democratic ticket, so what is good enough for Grandmother will be good enough for me from NOW ON!

Mrs. Bob Luker Elected President Of Union Parents Club For Year

The Union Parents Club held its first meeting this year on Sept. 12 in the cafeteria. Officers were elected for the coming year.

Mrs. Bob Luker was named president of the group. Other officers elected were: Mrs. Claude Montgomery, vice president; Mrs. Rufus Dill,

secretary treasurer; Mrs. Leon Foote and Mrs. Homer Bearden, first grade committee; Mrs. Doyle Moss and Mrs. Barnes, second grade; Mrs. Harvey Smith and Mrs. Homer Faught, third grade; Mrs. Cletus Floyd and Mrs. Troy Phillips, fourth and fifth grades; Mrs. Hancock and Mrs. Earl Cornett, sixth and seventh grades; Mrs. Bill Holliday and Mrs. G. C. Shults, eighth grade; and Mrs. Frank Sargent, Mrs. Joe Cabe, Mrs. Olan Herring, and Mrs. Leo Huddleston, ninth through 12th grades.

The club held its first regular meeting Sept. 26 in the cafeteria.

Mrs. Luker called the meeting to order. A finance committee, composed of Mrs. Odus Walser, Mrs. M. G. Garp, and Mrs. Clarence Faught, was appointed.

The new meeting times for the club are the second and fourth Monday nights at 7:30.

Coffee Courtesy To Miss Kelly

Miss Pat Kelly, bride elect of Jerry Anderson, was honored with a coffee given Tuesday morning in the home of Mrs. Ross Black, 520 E. Cardwell.

Carrying out a Fall theme, the serving table was laid with a white linen cloth and featured two large bronzed coffee cups lettered in gold "Pat and Jerry" and holding crysanthemums and surrounded with autumn leaves. Appointments of china and silver were used.

Assisting with hospitalities were Mesdames J. B. Jobe, R. C. Askew, and Bobby Latham.

Miss Kelly was presented a hostess gift of holloware, and each guest wrote down their favorite recipe for her.

Mrs. H. N. Key, grandmother of the honoree, presided at the guest register.

Approximately 50 guests called during the hours of 9:30 and 11 a.m.

Hesters Entertain Relatives Sunday

Heard and Claud Hester entertained relatives Sunday with a chicken dinner.

Those present were Mr. and Mrs. O. L. Goin of Stinnett; Mrs. Eva Patterson, Choudrant, La.; Mr. and Mrs. Charles W. Ward and children of Lubbock; Mr. and Mrs. J. H. Guber, Meadow; Mr. and Mrs. Gene Wilson, Mr. and Mrs. Bryant Jones and children, Mrs. J. N. Hester, Mrs. Walter Ward, and Miss Mattie Hester, all of Brownfield; and a friend, J. P. Martin of San Angelo.

Beta Theta Has Model Meeting

A model meeting was held by Beta Theta chapter of Epsilon Sigma Alpha Tuesday at 7:30 p.m. in the home of Mrs. Pat Hipp, 1302 E. Buckley.

Mrs. Jimmy Billings, president, conducted the meeting. Each officer outlined her duties and committee chairmen gave reports. Miss Mary Paul Long of Lubbock gave the scope and history of ESA.

Pledges present were Miss Shirley Holbrooks, Mrs. Bobby Coats, and Mrs. Jim Williams. Two visitors attended: Miss Billie Tuttle of Sweetwater and Mrs. Chesshir Kingston of Lubbock.

Members present were Mesdames Gordon Newsom, J. C. Jennings, Steele Bayless, Billings, Dale George, Erd Johnson, Barney Vachal, R. T. Wilson, Jerry Kehoe, Alfred Gore, Bob Callaway, and Hipp, and Miss Gladys Swain.

Refreshments were served

Forty-eight guns one for each state, constitutes a national salute.

Wellman Future Homemakers Attend District Meeting At Ackerley

The Wellman F. H. A. girls went to Ackerley Saturday, Oct. 13, for the district meeting. Those who went were Janelle Hulse, Barbara Watkins, Mary Adair, Karen Hamm, Velda Hill, Margaret Ingram, Martha Goza, Mrs. Ingram, Mrs. Hulse, and our sponsor, Miss Hines.

Each girl took a sack lunch and ate in the school cafeteria at Ackerley.

The theme of the program was "Understanding Thy Neighbor". The guest speaker was Mr. Lee Lemón from McMurry College.

In the afternoon session different chapters put on skits about F. H. A. The meeting was dismissed at 3:00 p.m.

Some of the F. H. A. girls will present a play Wednesday afternoon. It is entitled "Sally

to the Rescue." The characters are as follows: Margaret Ingram, Mrs. Slump; Martha Goza, Susie; Pat Runnels, Sally; Foxie Oliver, Frances; Danny Loe, Director.

At the football game last Friday night the F. H. A. girls took in approximately \$45. We had a big crowd so the hot dogs sold like "hot-cakes".

Among State Fair visitors at Dallas over the week end were Mr. and Mrs. Herb Chesshir and girls. Their son and brother, James, a student at North Texas State College in Denton joined them in Dallas for the weekend.

Mrs. Sewell Dean has returned to her home in Wellman after spending five months with her children, Mrs. Don Neilson, and H. A. Dean, in Orem, Utah.

Union 4-H Club Is Organized

The Union 4-H club met in the Union school Oct. 16, in an organizational meeting.

Co-chairmen elected were Eva Sue Hester and Darwin Cheatham. Other officers named were: Darlene Baccus, secretary; Sharon Kay Thomas, reporter; and Diane Montgomery and Mickey Cabe, council of delegates.

Terry County agents Miss Shirley Holbrooks, Jim Foy, and Bob Etheredge met with the group.

Christian Women's Fellowship Meets

Christian Women's Fellowship met at the First Christian Church Oct. 8 with 11 members and one guest present.

The meeting opened with a prayer by Mrs. William J. Spreen.

After a short business meeting, Mrs. Schroeder gave the worship, and Mrs. Jack Hamilton presented a program on "Whom Should I Send?"

Special music was given by Miss Claudia Jones, accompanied by Mrs. Truett Flache. The program closed with two musical prayers.

Refreshments were served by the hostesses, Mrs. Woody Frymire and Mrs. A. A. Sawyer.

Mrs. Bearden Is Shower Honoree

Mrs. Ray Bearden of Tokio was complimented, with a layette shower Tuesday afternoon in the home of Mrs. Lewis Waters.

Hostesses with Mrs. Waters were Mesdames W. E. Chenuit, Paul Cobb, W. P. Turner, Harvey Romans, R. D. Romans, M. C. Duffey, I. W. Lovelace, and I. W. Bailey.

The serving table was laid with white lace over pink and was centered with an arrangement of pink mums and white candles.

Guests registered in a white baby book at a table decorated with a pink stork.

Refreshments of punch and iced cake squares were served to approximately 40 guests who called between 2:30 and 4:30 p.m.

From where I sit... by Joe Marsh

Barnyard "WHOOdonit"

The Barn Owl Controversy still rages in our town. One group claims owls should be protected because they eat vermin. The other faction holds that those little howlers also eat chickens... and should be shot.

Now Pops Parker claims both parties are right. All owls clean up vermin. Some owls also clean out an occasional hen yard.

The way to spot a bad owl, according to Pops, is to put up a 10-foot pole in the chicken run with a No. 2 trap on it. A mauling bird generally perches to

look over the situation before he strikes, giving you your evidence, and the culprit!

From where I sit, I doubt if this will end the owl argument. People have different opinions on the subject — just as they have different opinions about whether beer, tea or what-have-you makes the best thirst quencher. Examine the facts and make up your own mind, I say... and be thankful we live where that's possible.

Joe Marsh
