

Urgent Bond Elections Set Wednesday

AT UNION HOMECOMING — More than 150 persons took part last Thursday in the annual homecoming of Union School exes. From left above: Pauline Helton, Mrs. Cletus Floyd, Anne Gibson and Doris Howell. Mrs. Floyd's children in front are Mont, 5, and Ronnie, 10. Mrs. Floyd and Miss Gibson are exes. Pauline is a junior and the daughter of Mr. and Mrs.

R. L. Helton of Star Route, Welch, Doris is a junior and the daughter of Mr. and Mrs. Clint Howell of Route 5. Guests were registered by Mrs. Vic Herring. After supper in the school cafeteria, the homecoming crowd saw the Union basketball team trounce Dawson, 45-28. (Staff Photo)

Terry County taxpayers will say "Yes" or "No" Wednesday to one or both of two \$100,000 bond issues.

If both propositions gets the nod of approval at the polls, here's what will be done with the money, beginning immediately:

The airport 4 miles east of Brownfield will be modernized, and 16 miles of farm-to-market roads in the county will be hard-topped.

A total of 13 polling places in the county will be opened at 8 a.m., and will be closed at 7 p.m.

Approval of the airport bond issue will be the signal for the federal government to match the \$100,000. Conservative estimates

are that the city and the county will get a \$200,000 airport for about \$30,000.

Four 4-mile stretches will be paved in the following areas:

From Loop due north to FM-213, from Tahoka Road to near the Ozark-Mahoning plant site, from near Tokio to the Prentice Gasoline Plant in northwestern Terry, and a 4-mile stretch in Precinct 2.

Approval of the road bonds entails a 5-cent hike per \$100 valuation in county taxes. A 4-cent hike in the statutory tax rate, on an ad valorem basis, is scheduled should the air port bonds get their OK.

The following polling sites and judges have been approved by

Terry County Commissioners

Court: Box 1 County Clerk's Office. Viola Simmonds, Gertrude Lowe, Mrs. J. T. Griggs, Miss Olga Fitzgerald.

Box 2. Jessie G. Randal School. Jim Foy, Mrs. Olan Evans, L. J. Richardson.

Box 3 County Judge's Office. Mrs. Gladys Moorhead, C. D. Wise, Louie Clay and Mrs. E. W. Farrar.

Box 4 County Superintendent's Office. R. B. Perry, Mrs. Alton Lee, Mrs. Monroe Rowden.

Box 5 Union Gin. Raleigh Luker, Frank Sargent, Mrs. Doyle Moss, Mrs. C. C. Faught.

Box 6 Meadow High School. B.

C. Horton, Mrs. Ann Brooks, Mary Fox, Floyd Cadenhead.

Box 7. Johnson Gin. Wood E. Johnson Sr., Mrs. B. F. Foshee.

Box 8. North Tokio. N. F. Lovelace, Mrs. L. W. Bailey.

Box 9. Pool School. Roy Barrier, Winfred Tucker.

Box 10. Wellman High School. J. T. Bryant, R. J. Rowden, Glen Baber, C. H. Betcher.

Box 11. South Tokio (Green Store). Reg Martin, J. C. Meeks Jr.

Box 12. The Party House. Murphy May, Arline White, Era Moorhead, Mrs. Harry Cornelius.

Box 13. County Tax Office. Ed Mayfield, Mrs. Claude Buchanan, Henry Newman, Mrs. Mayfield.

BROWNFIELD, LAMESA LIKELY SPOTS; TALK IS FAVORABLE

Cotton Classing Office Is Possibility

A government cotton classing office, either in Brownfield or Lamesa — the possibilities were discussed favorably Monday at the monthly meeting of Four-County Agricultural Workers Association.

Gathered in The Party House, some 75 farmers and businessmen listened as a trio of experts concluded that "two such offices could be established—one to the north and one to the south of Lubbock."

The three speakers were Kenneth Purcell, prominent Terry producer who is president of the Terry representatives of Plains Cotton Growers, Inc., L. O. Buchanan, head of the Lubbock Cotton Classing office, and Frank C. McLendon of Dallas, director of all classing units in this region.

Said Purcell: "If a group of our farmers, of sufficient strength and number, were to present the problem to proper government officials, they could have this office."

Additional classing offices in the immediate area are a logical result of the huge overcrowding of the Lubbock office, the speakers told the association.

Said Buchanan: "The Lubbock office has classed more than 17 million bales since it was established. This year, it has handled 1,650,000 samples. In Lubbock, we handle more samples than any other classing office in the United States."

"Should we ever get back to what we consider normal rainfall for this country, we would be extremely overcrowded in the Lubbock office."

Said McLendon: "An additional cotton classing office probably would be beneficial for your area. As of now, there are 37 such offices in the United States."

Purcell told the group, "The

farmers, especially in the southern part of the South Plains, have made great progress improving the quality of cotton brought to our gins, and it is our desire also to improve our cotton classing facilities. We have some of the nation's best gins in this area."

McLendon pointed out that the city or county in which another classing office is located would have to furnish facilities. "The facilities will, of course, have to be of government specifications. The government will pay all utilities."

Five New Directors To Be Elected For Brownfield Chamber

Voting will close Dec. 28 in the annual election of five new directors for Brownfield Chamber of Commerce.

Ballots have been mailed to all members, said B. F. Hutson, nominating committee chairman.

Nominees are D. L. (Dip) Pemberton of The Pemberton Agency, Perry Bear of A. W. Turner Agency, Earl Jones of Jones-Copeland Insurance Agency, Jack Bailey of Jack Bailey Chevrolet, Slick Collins of Collins Department Store, and Coleman Williams of Honolulu Oil Corporation, Charlie Parker of Halliburton Oil Well Cementing Company, Jim Bayless of Bayless Jewelry, Sammy Jones of Jones Theaters, and Charlie Price of Western Auto.

Hutson explained this morning that chamber members who failed to receive a ballot could use this news story, circling the names desired and mailing it to the chamber.

GRAND PRIZE WINNER — Pictured above is J. E. (Buddy) Gillham, Brownfield State Bank officer who is the grand prize winner in the NEWS 1956 football contest. He will receive an all-expense paid trip to the New Year's Day Cotton Bowl game at Dallas. Other winners, who also get Cotton Bowl tickets, were Teena Gillham, 10-year-old daughter of Mr. and Mrs. Gillham; R. J. Clements, general manager of Bailey Chevrolet; and Mr. and Mrs. Ed Mayfield of 409 West Lake. (Staff Photo)

BUILDING IS LOSS, INJURIES LIGHT, PUBLICATION CONTINUES

NEWS Ripped by Explosion

WORKERS FORGE AHEAD

Chest Drive Continues

Volunteer workers in the annual Terry County Community Chest campaign for 1957 continued to forge ahead this week in their attempts to reach the goal of \$17,743.

As of Wednesday morning, that goal was \$6,544.62 away.

Major hitch at the present stage, says campaign director Earl Jones, is that all Brownfield employees have not been contacted. That phase will move into next week.

Employee donations to date total \$606, said Jones. Mrs. J. E. (Buddy) Gillham and Mrs. Sam Privitt said this morning that they hoped the Employee Division could come "through with flying colors."

ANNUAL SCHOOL SCHEDULED FOR ADULTS

'Business Talk' Is Conference Theme

"Tell it well, to sell it well" — this will be the theme of four days of conferences beginning here Jan. 7.

The occasion will be the annual school for Brownfield merchants, employees and other salespeople.

Sponsors are Brownfield Chamber of Commerce and the Distributive Education Program.

Director will be Arthur M. Brown, retail training specialist from the University of Texas. He has been active in retail and wholesale selling for a number of years and has considerable experience with both large and small organizations.

C.C. Manager Joe Satterwhite said this morning that course participants will include owners, managers and employees of department stores, banks, furniture, variety and drug stores, automobile dealerships and other retail, wholesale and service firms.

Said Satterwhite: "This up-coming conference for our adult business leaders is one of the finest opportunities for special training dealing with effective business conversation the subject of the school."

BUSINESS SPEECH STRESSED

"Business speech in this program is approached on the basis that the best speaking is done by an able person, who has something to say and the ability to say it," explained R. T. Wilson, DE coordinator in Brownfield schools.

Beginning Jan. 7, experienced and inexperienced Brownfield businessmen and women will have the opportunity to gain understanding and practice in techniques of conversation designed to help them become better salespeople," Wilson explained further.

Enrollment is open to any person employed in retail.

By DON BYNUM
NEWS Editor

We know a veteran reporter in Lubbock whose favorite greeting to his news sources is: "Where are the bodies?"

At 11:30 a.m., Saturday, two minutes after the explosion which ripped apart the NEWS plant at 409 West Hill, we asked spectators, "Where are the bodies?"

There were none.

Seconds after the Saturday blast, the incident was a part of history. A unique part, we believe. Deaths have resulted in lesser explosions.

The NEWS has set up temporary quarters in the former Lindsey

Hardware building at 312 West Main, where it's business as usual. Our telephone number still is 2188, and there'll be no break in publishing dates.

We are going to use part of this space to thank, gratefully and publicly, the following men who are greatly responsible for this particular edition being in your homes:

George O'Neal of Gaasch-O'Neal Pipe Service; O'Neal's son, Richard; Joe Satterwhite, Brownfield Chamber of Commerce manager; Earl Jones of Jones-Copeland Insurance Agency.

D. L. (Dip) Pemberton of The Pemberton Agency; Paul Ward of Butler-Ward Contracting Company; Bob Noine Jr., of Noble Real Estate Agency; Roy Harris of Harris Flying Service; Johnny Jones of Lindsey Hardware; and Port Wood Motor Company, Jack Bailey Chevrolet, and Brownfield Police Department.

The foregoing rolled up their sleeves Saturday afternoon and helped move the NEWS to the West Main address.

Only person of the five who took the brunt of the blast to be hospitalized was Mrs. Jewel Moore, secretary. She was released late Tuesday from Treadaway - Daniel Hospital, where she had been treated for a bruised foot and a blow on the head.

Others in the plant at the time of the "big blow" were Publisher Manager Curtis Sterling, Shop Foreman Weldon Calloway, and employees Roy Snow and Bill Ham. All were examined and released immediately from the hospital.

Damage has been estimated as high as \$25,000. Cause: unknown, but thought to have been natural gas which had accumulated between a double ceiling. There was no fire to follow the blast.

Pioneer Natural Gas officials explained that the explosion probably snuffed out any resultant fire.

To date, we don't believe that any of our equipment was damaged. Other known damages: Mrs. John King's Chrysler sedan, company station wagon and a plate glass front of next-door Piggly Wiggly.

Force of the concussion was sufficient to drive a wee bit of glass through the hood of the 1956 company car.

At this writing, we are in the offices of the Lamesa Daily Reporter, whose publisher, Fred Barber, and editor, Jim O'Brien, graciously offered their services and facilities minutes after the mishap. The next three - four editions of the paper will probably be printed here, where a former longtime NEWS employee, Larry Speck, is shop foreman.

Current plans for the future, said Sterling, call either for erecting a new building "somewhere around or near the square, or renting."

Firecrackers Are To Be Taboo Here, Police Chief Warns

Brownfield Police Chief Nolan Lassiter this morning explained that "The department has strict orders to enforce the ordinance banning the sale or explosion of firecrackers within the city limits."

Nolan added his voice to those of other city officials, each asking that residents be faithful this coming Yuletide in observing the ordinance.

Said Lassiter: "A citizens arrest is legal in this case. We also are asking that our citizens file complaints when they see that the law is being broken. Arrests will be made."

Penalty for conviction in such arrests is not to exceed \$200, the chief explained. "However, we plan to prosecute to the limit."

City officials and city council men said this morning that they were not closing their eyes entirely to the need of "our youth to fire some firecrackers."

ARTHUR M. BROWN

Hold Your Hats! Count Of Bales Is Now 91,530

Hold your hats! Latest tally of bales ginned in Terry's 1956 cotton harvest: 91,530. Three of the county's 17 gins are incomplete.

The count was determined this morning by Aubrey T. Jones of Texas Employment Commission.

Neighboring Yoakum's ginnings: 26,000 bales.

Jones said that one Terry gin had closed for the season and that several more would do so this weekend.

EASIER ON FEATURES

New York (NFA)—Abe Simon, who twice fought Joe Louis for the heavyweight championship, has appeared in a moving picture and before television cameras more than 300 times.

IT WAS PUBLISHED HERE — Shown here is the Brownfield NEWS plant shortly after the terrific explosion Saturday noon. The front, facing south, was torn from its concrete base by the concussion. All wood work and walls inside were splintered. Only person identified above is Mrs. Bus (Mary Dee) Mason, advertising manager. A unique angle of the explosion is that no window panes in the rear of the building were broken. General path of the concussion appeared to be from the center of the building to the front. (Staff Photo)

W. E. Wright Enters Galveston Hospital

W. E. (Willie) Wright of Meadows was taken to John Sealy Hospital in Galveston Sunday night by a Brownfield Funeral Home ambulance for several days' observation.

Wright, longtime resident of Terry County, was paralyzed as a result of an automobile accident almost four years ago.

Sinclair Stakes Wildcat in Northwestern Terry

A wildcat has been staked by Sinclair Oil Company in the Western section of Terry County. The No. 1 A. R. Brownfield spots 400 feet from the north and 1,800 feet from the west lines of Section 60, Block D14, D&P Survey.

The prospector is 7 1/2 miles northwest of Wellman. Rotary tools will test to 13,250 feet. Site is on a 220-acre lease.

TERRY 4-H Roundup

By
B. L. ETHEREDGE
Assistant County Agent

The 4-H clubs were represented last Thursday at West Ward PTA program by Edith Martin, James Bandy, Mrs. A. T. Pickett, County Agent Jim Foy and his wife.

Miss Martin, daughter of Mr. and Mrs. Reg Martin of Route 2, told the audience of her projects and activities since joining 4-H. Bandy, son of Mr. and Mrs. D. L. Bandy of Route 1, told of his trips and projects in connection with 4-H.

Mrs. Pickett, adult leader, explained the role of the senior leaders. Cub Scouts and Brownies also played a part in the program.

Terry County 4-H Council met Saturday in The Party House. All but one club was represented. Order of business was as follows:

Council President Hilbert Bristoe read the standing rules and amendments were made. Bristoe announced that the annual 4-H Achievements Awards

program, scheduled originally for Dec. 17, was to be postponed until Jan. 21. Plans for regular club meeting on Dec. 17 were made.

Terry County 4-H Club will meet at 7:30 p. m. Monday, in The Party House. The business session will be followed by Christmas caroling. Refreshments will be served. All boys and girls in 4-H who are 13 years and older are invited to be with us Monday.

Wellman boys club met Dec. 4 at the high school and discussed projects and plans for the next year. Some 24 boys were present. Nine of the club members indicated they wanted to enter in the annual Terry County Junior Livestock show, coming up in April. Boys who already have a pig for the event are John Herron and

Clyde Watkins. Union 4-H club boy, also met Dec. 4 and 18 of them made their plans for the next year. Royce Cornett, son of Mr. and Mrs. E. J. Cornett of Route 5, said that he had weighed his beef calf last week and that a good gain had been made.

Let's not forget that the annual Terry County Cotton Contest closes Jan. 1. Let's get those record in ship - shape condition. You 4-H boys with calves should be working with them, training them to be led by halter.

Kuykendall Services Held on Wednesday

Funeral services for J. D. Kuykendall, 48, were held Wednesday in the First Baptist Church with the Rev. Jones W. Weathers, pastor of the church, officiating. Burial was in the Terry County Memorial Cemetery, under the direction of Brownfield Funeral home.

Kuykendall, an electrical foreman for Magnolia Petroleum company for 14 years, died at 2 p. m. Monday in an Andrews hospital following a heart attack. He had been a resident of Brownfield for five years, moving here from Kermit. He was a native of Bell County, and a member of the Masonic Lodge.

Survivors include his wife, Mrs. Kuykendall; his father, S. A. Kuykendall of Clyde; and a brother, W. K. Kuykendall of Midland.

FFA Boys Return From Huntsville Event

Two teams from Brownfield Chapter, Future Farmers of America, returned Sunday from Huntsville, where they participated in the annual State FFA contests.

The Brownfield youths brought back a "second" and a "third" from the event.

The Greenhand Farm Skill team of three men won the second-place spot, and the Senior Farm Skill trio took the third-place award.

Greenhands were Guy Benson, Joe Milburn and Jack Leach. Seniors were Bobby Whitney, Tommie Luma and Tommy Brooker. The sextet was accompanied by Ves Hicks and Walt Meyer, vocational agriculture teachers and FFA advisors in Brownfield High School.

A different light is thrown on the game made by Brownfield when it is known that 60 youths

competed in each of the contests. Some 400 boys from throughout the state took part.

The Brownfield group toured the Texas Prison System when they were in Huntsville and the Capitol at Austin.

Mrs. Brewer High in Football Contest

A Brownfield woman is winner of the \$75 color television set in the annual RCA "Pick the Score" contest.

She is Mrs. Vernon Brewer of 411 East Hill, whose husband is principal of Jessie G. Randall Elementary School. And she didn't have a TV.

Mrs. Brewer competed against hundreds of other persons in an area which included most of South Plains.

News & Views

Thank you, one and all, for everything. How wonderful it is to have friends who go all out to help when you're in trouble. We probably would never have known we had so many friends who cared had it not been for the Saturday explosion which wrecked our NEWS plant.

Friends helped us move to our temporary quarters at 312 West Main, donated pick-up trucks, labor, equipment. Practically every newspaper within a 50-mile radius telephoned to offer their aid in helping us get a paper "on the street" in time.

All in all, we are thankful that none of us was hurt and that our equipment suffered little damage. Now that we look

back over the whole event, we can't be depressed or sad. However, we do wonder why God left us unhurt, when so many times there are tragedies in similar mishaps. As I told my pastor, "We are not hurt physically or financially. We're probably strengthened spiritually."

Our present plans are to have our newspaper printed this week in Lamesa—and perhaps next week. After that time, we'll know when and where we can be quartered permanently.

—N.V.—

Our telephone number still is 2188. We're still in business. The 312 West Main address is that of the old Lindsey Hardware Building. Our neighbors to the east are the J. T. Hays, who only Monday brought us an elaborate bouquet of "glads and mums." Inscription on the card: "We are happy to have you as a neighbor. Sorry it had to be this way. The Hays."

The eight-foot striped candy canes—they'll not be available for adding to our street decorations this Christmas.

Brownfield Chamber of Commerce was notified this week by a Chicago firm, handling the canes that because of a strike in the Windy City the decorations would not be shipped.

C.C. Manager Joe Satterwhite expressed disappointment this morning, saying that the chamber would "try to make up the loss by hanging large stars at appropriate places." The stars have been hung.

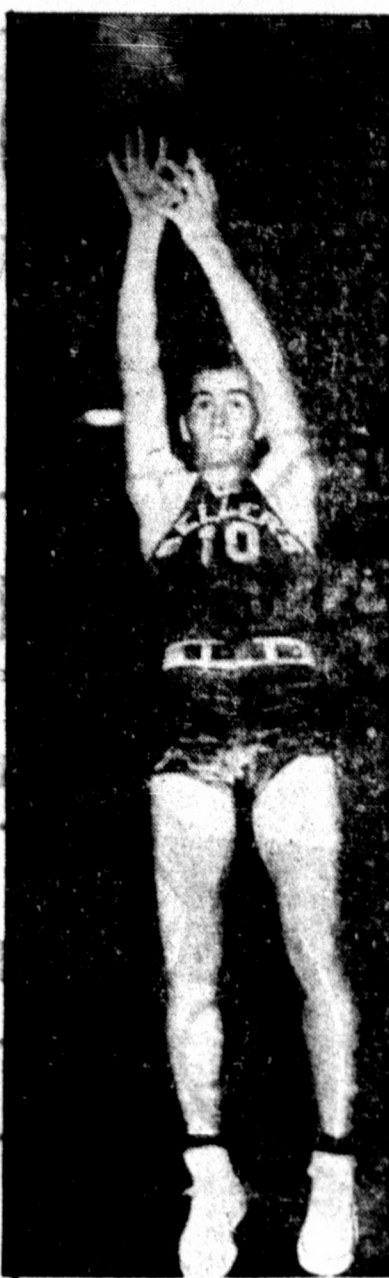

—N.V.—

Here's a lively bit of news: Sandy Casstevens has been accepted by Southwestern Medical School at Dallas. Which means: Sandy will enter the school after her graduation from Texas Tech to become a doctor. Are there any women doctors originally from Brownfield? Sandy is the daughter of Mr. and Mrs. R. H. Casstevens of 121 West Broadway.

Good hard-surfaced roads will pay for themselves in 10 years with the savings to the precincts in upkeep. An airport is needed to take care of the 44 planes currently housed there. In addition, a CAA-approved airport is the only way to get air service out of Brownfield for air mail, air express and air-passenger service (in the future).

Is now the time to do it?

—N.V.—
The Hitchin' Post—it will be opened Saturday at Broadway and Lubbock highway. Owners are Mr. and Mrs. R. M. Marchbanks and son, Maurice. The new eating place formerly was Nick's Cafe. Main

MAJOR SCHOOLS WANT THIS BOY—Ray Shaw, 6'1" forward for the Sellers High School Basketball Team from Perkinston, Miss., is a much sought after boy by at least three major colleges in the south. Shaw will appear at Ropesville with his team to compete in the Ropesville Invitational Tournament. The tourney will be played January 1, 3, 4, and 5.

food attraction at the new place will be barbecue—from the pit. The public is invited to come in Saturday and register for three turkeys and three hams, which will be given away at 7:30 p.m. Saturday. (See NEWS-VIEWS, Page 6)

PAGE SIX Brownfield News-Herald, Thursday, Dec. 13, 1956

Webster's New Collegiate Dictionary, a Merriam-Webster publication, defines the word miracle, "An event or effect in the physical world deviating from the known laws of nature, or transcending our knowledge of these laws; an extraordinary anomaly or abnormal event brought about by supernatural agency."

That event and effect occurred here last week. For its result we, who weren't in the building, are humbly thankful to GOD that our co-workers, who were, escaped serious injury.

To the many high school students, business men and organizations who assisted in our moving operations—"Thank you most sincerely."

STILL GOOD HUNTING
Mr. and Mrs. John Raybon, Mr. and Mrs. John Clark and Mr. and Mrs. Gene Watson were off on another deer hunt last week. This time Mrs. Clark and Mrs. Watson came home with a trophy head. Understand young Johnny, 13, bagged a deer. Congratulations! Incidentally, that party scored 100 per cent in two trips. That's a good hunting. Mr. Robert Noble got a deer, too.

CUBS LOOK BETTER
The Cubs did show some improvement against the Hereford Whitefaces, on the home court, last Friday night. At Hereford, on Tuesday, the Cubs were pretty miserable at the foul stripe but Friday the lads hit a healthy 16 or 23 and incidentally scored four more points against the taller Whitefaces. The cows had four less points Friday than on Tuesday so, as you know, the final score was 51-48, Hereford.

The attendance was most discouraging. As a matter of fact, it was pathetic. There was no official count insofar as I could learn but my guess would be about 150 at the most. How about that?

How about this? You sit out in the open and hear the cold weather and inconvenience to watch football when you are offered a game of tennis and skill inside a warm gymnasium, you stay home. Shame on you.

Don't misinterpret the above statement. I don't mean to infer that football is not a good game.

News-Views—

day. Free coffee and doughnuts all day.

Friday night will be occasion for the last VFW bingo party in Veterans Hall before Christmas. Next one is scheduled Dec. 28. As always, grand prizes, free coffee and doughnuts and soft drinks will be offered. The bingo parties are a weekly event, sponsored by Brownfield Post 6794, Veterans of Foreign Wars.

Cub Basketball Team Drops Two Close Ones Here to Hereford, Levelland

The Brownfield Cubs, opening their home basketball season last Friday night, were defeated by the Hereford Whiteaces, 51-48 and in their second home appearance, Tuesday night, the Cubs dropped a close one to the Levelland Lobos, 59-53.

Defense Stymies Cubs

The Cubs, in the opener, were stymied by a full court press employed by the Whiteaces during the final period of play. Although the lead changed several times throughout the game the Whiteaces outscored the Cubs 21 to 11 in the final period to pick up the win.

Kenneth Cason led the way for the Cubs, netting 16 points while Jim Cursinger dunked 25 points through the nets to lead the scoring for Hereford.

Hereford hit 20 for 61 for a 32.1 shooting percentage from the field while the Cubs netted 16 for 56 to finish the evening with a 27.1 percentage mark.

Lobos Show Class
The Friday night contest saw the Lobos from Levelland play a control game during the final period and wind up on the top end of a 59-53 score.

The Cubs took a 14-7 first period lead but Levelland went to work in the second stanza and

outscored the winless Cubs, 22 to 9, to enjoy a 29-23 half-time lead. The Lobos were never headed after that and had things well under control for the entire fourth period.

Jesse Sudderth, Lobo playmaker, led the Lobos through a tight control game through that final period and managed to keep the Cubs guessing before fouling out in the closing minutes.

Kenneth Cason and Leslie Britton shared scoring honors for the Cubs netting 15 points a piece and Burl Bailey along with Jimmy Johnson took the Lobo scoring lead. Both lads had 17 points.

Brownfield hit 21 for 64 for a 32.8 shooting percentage from a field while the Lobos hit 22 for 65 to gather a 33.8 shooting percentage.

Startling Mississippi Basketball Team To Participate in Ropesville Invitational

The Sellers High School Basketball team will journey from Perkinston, Miss., to Ropesville to take part in the Texas town's holiday Invitational Basketball Tournament.

The Delta country hoopsters come to Ropesville with a very impressive record thus far this season. They have won 13 games and are undefeated at this writing. The team, consisting of 10 players who have been together for the past four years, will feature a six-foot-one-inch forward who is no stranger to these parts. He is Ray Shaw, the nephew of the Rev. Alton Polk, the Baptist minister of Meadow.

DESIRE TEXAS SCHOOL
Shaw, a senior, is being sought by such major schools as Tulane, The University of Mississippi and LSU, to mention a few. However, Shaw's ambition is to attend college somewhere in the state of Texas.

The Sellers lads compiled a very impressive record over last season having won 40 games while losing only 6. Those six losses were in tournament play after the regular season had ended.

Sellers will meet Abernathy in their first tournament game on January 2nd, at 7:30 p. m.

Their starting lineup is as follows:

Ray Shaw — 6'1" — 175 — Senior
Wayne Ladner — 6'3" — 170 — Senior
David Smith — 6'4" — 195 — Senior
Carl Ladner — 6'1" — 160 — Senior

Democratic Goals Is Randal P-TA Study

"Democratic Values and Goals" was the topic for study and discussion when Jessie G. Randal PTA met Monday night at the school.

Roy Priest opened the meeting with a prayer, followed with a report on the state PTA convention held recently in Amarillo.

Mrs. P. R. Cates introduced a film entitled "A Day of Thanksgiving," followed by group discussions of the film.

Hot chocolate and coffee were served to approximately 40 members present.

Christmas in Puerto Rico Is Theme Of Cub Scout Pack 74 Program Thursday

Pack 74 of the Cub Scouts of America met last Thursday in the Legion Hall for their December pack meet and annual Christmas party. Approximately 125 Cub Scouts, parents, and visitors attended. Cans of food were brought by the Cub Scouts for the Goodfellows' Christmas baskets.

The program theme was "Puerto Rico." The program opened with a flag ceremony held by Den 3. Members carrying the American flag, followed by the Puerto Rican flag held by the Puerto Rican flag. A reading of "Castor Oil" Den 2 gave a stunt on Christmas in Puerto Rico. Den 1 presented a centerpiece of nuts and candy to Harold Wilson, Cubmaster. The group made the centerpiece in den meetings. A piano solo, "Jingle Bells," was played by Allen Hallbauer. A Christmas tree, donated

by Ralph Bailey, Boy Scout Troop 49, was decorated by the six dens. Decorations were made by the Cub Scouts in their meetings. Following this, Santa Claus arrived and left sacks of candy for each person present.

A count on attendance gave Den 3 the Cub Scout flag. Announcement were made inviting all Cub Scouts to the Planetarium at Texas Tech on Jan. 3 for an astronomy show. Announcement also was made of the Cub Scout Council to be held March 9 at the Coliseum in Lubbock. Tickets will go on sale in Brownfield Feb. 12. Pack 74 voted to participate.

Before Webelos received awards, they gave the Boy Scout Prom and the 12 points of the Scout Law. The group then gave a demonstration of knot tying.

The following boys received Webelos awards: Randy Williams, Archie Jennings, Robert Kimbrough, Richard Kimbro-

ugh, and Alton Nicholson. Randy Williams and Alton Nicholson were given a Boy Scout knit apron, as they are going into Boy Scouting.

Others awards made were: Webelos, Jeff Jarrett; Lion awards, Wayne Hall; Service stars, Larry Reich and Larry Simmonds; one year awards, Richard McPherson and Jon Calvin, two year awards, Alton Nicholson and Randy Williams, three year awards, W. H. arrow points, Robert McKee, Jeff Jarrett, and Jim Ward, gold, and John Blackburn and Tim Faulkenberry, silver; Bear arrow points, Jo Ned Barker and Floyd Ford, silver.

Visiting over the weekend in Abilene were Mrs. Norma Lewis, Mrs. Bob Simmonds, and Mrs. Roy Collier.

WOMEN'S NEWS

Vol. 17 Brownfield News-Herald, Thursday, Dec. 13, 1956 No. 50

Host Yuletide Party Saturday

The Party House was the scene of a Yule party at 8 p. m. Saturday. Hostesses and hosts were Linda Henson, Toni Lowe, Doug Mason, Anthony Adams, Jimmy Street, and Pat Root.

A Christmas motif was used in decorations. A centerpiece of a styrofoam Santa Claus, sleigh and reindeer on a Christmas cloth was used on the serving table. Sandwiches, potato chips, cookies and lemonade were served to 52 guests. Games were played and dancing was enjoyed by the group.

Also attending were Mr. and Mrs. E. L. Boots, Mesdames Mary Lou Adams, Doug Lowe, Charlie Street, and N. L. Mason; and Dave Burton.

B'ld CYF Hosts At District Meet

A district rally of the Christian Youth Fellowship was hosted by youth of the First Christian Church here Sunday from 3 to 6:30 p. m. The program topic was "This is CYF." District officers led discussion groups over various committees. The closing worship service was built around a model of CYF and tapers, constructed by Mike Hamilton of Brownfield. Sherry Don Spears of Brownfield sang "The Lord's Prayer" to close the meeting.

About 60 youths attended the meeting and a supper, which was served by mothers of the Brownfield group. Youth attended from Lubbock (three churches), Slaton, Lamesa, Littlefield, Levelland, Plainview, Plains, Post, Floydada, Seminole, Morton, Paducah, Spur, Aspermont, Muleshoe, Rosalia, and Brownfield.

Mary Jo Christian of Brownfield is district secretary, and Tommy Simes of Lubbock is district president. Mike Hamilton is president of the Brownfield CYF.

GIVE CHRISTMAS TREE — Members of the Brownfield Junior Women's Study Club gave away the Christmas tree pictured here Dec. 7 at a coffee held at the Seleta Jane Brownfield clubhouse. Gordon Patton of 806 South Sixth was winner of the tree. Pictured here are members of the club, stooping, Mrs. Erwin Moore, and standing, left to right, Mrs. Mack Ross, Mrs. L. G. Moore, Mrs. Gerry Gannaway, and Mrs. E. B. McBurnett, Jr., who is club president. (Staff Photo)

E-A-S-Y CHAIRS

This Christmas... give the ultimate in relaxing comfort... one of our fine handsome chairs... Made by such famous manufacturers as "Victorian Furniture Corporation," "Pullman," "Float-in-Ez," "La-Z-Boy," "Modern Upholstery," and "Olive Meyers."

Pictured at right is Miss Doris Ratliff demonstrating the three comfortable positions of the new, all new, La-Z-Boy! At top the back is the modern type low back chair, middle show the same chair with high back, by simply pulling up the back, and push button to lower... this is the more comfortable for the taller person. The bottom picture will automatically recline by pushing back while sitting in chair, and footstool raising at same time. To lower footstool—push button. The footstool will step up also in sitting position.

Just Snooping . . .

By GEE GEE PRIVITT
News Staff Writer

Sugar, 'n' spice, and everything nice, that's what little girls' Christmas gifts are made of at SHELTON'S.

From the wee-est one to the biggest one, there's surely something at Ida Mae's to thrill her. Some of her brightest stars are her holiday dresses for one and all, in every size and color under the sun. You wise gals who leave the surprises for the kiddies on Christmas morning may like to do as I do. I choose my Christmas present and get it so that I can wear it to all the gay holiday parties.

The only trouble now is trying to decide which ONE. I like the scarlet peau de soie sheath with crossed rhinestone straps and matching duster with white satin lining and shawl collar that makes a hood. Very chi-chi, and just your size. 15. Or perhaps, especially if you're size 10, you'd choose the aqua rayon and acetate flareback duster with Empire back over a matching sheath dress with tucked strapless top detailed with white lace dotted with rhinestones.

If you want to look as if you'd just stepped off Fifth Avenue, choose the gorgeous white brocade acetate and cotton sheath with square neckline enhanced with a sparkling rhinestone pin and dipping to a bare square back that's daintily cut to the waist. For you size 14 gals, you'll look elegant in bright printed cotton satin skirts sprinkled with g/ter and rayon mat jersey tops with small scooped neckline and three-quarter sleeves.

And just because the sizes get bigger is no sign that you won't look as smart as the half-pints. Perfectly luxurious navy peau de soie is styled with interesting neck line and sleeves of lace over flesh net to give you a really gay holiday gown.

Now that I've done it several times, I must tell you that the old word "duster" has now given way to "swish coat" and Ida Mae has them in smart rayon and acetate in brown, black, and creamy beige... perfect for party coats, formal or informal... and just \$29.95.

But if you simply CANNOT make up your mind, don't forget that you can always choose a gift certificate in any amount from SHELTON'S. (Adv.)

It's a foregone conclusion that people belonging to the fourth estate are only "half here" but after Saturday's explosion we must be pretty well inextricable, too. At least we at the Brownfield News must be. It certainly gives us pause, those of us who missed being in it by minutes and those of us who were actually in the building at the time, to wonder and, particularly to be grateful that we were all spared.

From this experience, I, personally, have gained an insight into the personalities of my fellow workers that I will never forget. Because I found courage in one, unselfishness in another... in all of them I found traits that I didn't know existed. This is all these people with whom I associate practically every day of my life. I think perhaps they got the same message. And just because we laugh gaily over some of the things that happened last Saturday at 11:28 a. m., don't forget that you also fervently thank God for his mercy last Saturday at 11:28 a. m.

As per usual, Granny (Mrs. Tom) may be one of the first to get her home decorated for Christmas, so that we may all look and enjoy with her a happy Yule season. I'm not going to go into great detail, because I want you to see for yourself the happy Christmas scene she has created in her new den, with the family around the tree. From time to time, I'll try to tell you where these unusual outside decorations are, for if you have children, especially, you'll want to see them.

All of us who are "boo boo pullers" like to get one off on a fellow human. You'll probably get as big a kick as I did over this one: Lee Brownfield, who also is my across-the-street-neighbor, decided to give up smoking and, to us, age that yearning for the weed, carried a package of Lifesavers around with him so that any time he wanted a cigarette, he took a mint, instead.

Comes hunting season, so Lee loaded his shotgun and shells up and took off for the hunt. Sighting a good covey (I think that's the word), he hastily loaded his gun, took aim, and sprayed his quarry with Lifesavers. Guess he'll have to start carrying his Lifesavers in an old coon's package.

I've been informed that the country club's teen-agers Christmas formal (slated for Dec. 27 at the club) will be from 8 to 12, with the music of Bernie Howell. This dance is for the high school and college crowd, with plenty of chaperones on hand. The people who put this dance on (it's an annual affair) work very hard to make it a success. I hope all you parents and kids appreciate that fact.

During these busy, busy days before Christmas when we're all rushing hither and yon with never enough hours in the day, we housewives are prone to serve up a few skimpy meals to our families. But (and this is especially a nice change from so much turkey and dressing) try heating up a can of the new barbecue sandwich spread marketed under the King's label. The 15 oz. can makes six delicious sandwiches, and I'm sure it's available at Kyle Grocery and more than likely in the other food stores. It's quick and it's good.

Since the Lamesa Reporter News has been kind enough to take on the printing of the Brownfield News until we get squared away, we have set up new deadlines. That means that, until further notice, the society headline is now noon on Tuesdays. If you can possibly get your news to me by that time, I'll be most grateful. And please don't hesitate to call me on Friday or Saturday (if you can catch me, that is) and give me your news.

From me at the Brownfield News your kindness and thoughtfulness to us will never be forgotten. It may sound corny, but you'll aid provided to us that a friend in need is a friend indeed.

ME Choir To Give Christmas Cantata

Christmas music will be presented by the choir of First Methodist Church, Sunday evening, Dec. 6 at 7 o'clock, as they sing the carol choir cantata, "The Child of Bethlehem."

Members of the cantata choir will be Mesdames John Badgwell, Leonard Chesshir, M. J. Craig, Jr., Carnea Davis, Foy Dickason, Harvey Gase, Bill Gorby, Ray Hardin, John Luckie, Ulee McPherson, Clifford Niles, Kenneth Platner, and James Thurman; Misses Mary Kate Ramseur, Patricia Dillon, and Wanda Williams; and Messrs. Perry Bear, Joe Collum, Foy Dickinson, Don Frederick, Myrl Gary, Bill Gorby, B. F. Hutson, Jr., Claude Lee, and Clifford Niles.

The cantata will be sung in the new sanctuary of the First Methodist Church, under the direction of Mrs. Newell Reed, with Newell Reed as organist.

GOMEZ NEWS

By ERA SEARS

Word has been received here that R. R. Robb, former longtime resident of this community now living in Nacoma, has recently suffered a severe heart attack and is a patient in a hospital where his won. Weidon, also is recovering from surgery. Mrs. Robb wife and mother of the Robbs, died in November after a long illness.

Recent visitors in the home of Mr. and Mrs. James Heartail

RECENT BRIDE HONORED — Mrs. Tommy L. Nipp of Midland was honored with a miscellaneous bridal shower Dec. 7 in the home of Mrs. J. T. Clement. Mrs. Nipp was Miss Ruby Lee Crabtree before her Thanksgiving marriage. Pictured here left to right are Mrs. Clement; Mrs. T. L. Nipp of Gomez, mother of the bridegroom; the honoree; and her mother, Mrs. C. A. Crabtree of Wilson. (Staff Photo)

were Mr. and Mrs. Harvey Davis and children of Hart, and Mr. and Mrs. Ernest Broughton of Odessa. Mr. and Mrs. Alfred Tittle went to Sweetwater to visit with their daughter, Miss Billie Tittle, who is ill in a hospital there with a

strep throat infection. Women's Missionary Union of the Gomez Baptist Church met Monday at the church for an all-day meeting in observance of week of prayer. Mrs. T. L. Nipp, prayer

chairman, was in charge of activities. The week of prayer program was climaxed with a program on Wednesday night, with Mrs. Hardin Joyce of the Johnson Baptist Church showing a film on mission work accomplished in foreign fields by the Lottie Moon Christmas offering.

Members of the Johnson church also attended the program. Linda Lee Kelly was honored with a birthday party on her ninth birthday party on her ninth birthday Friday night in the home of her uncle and aunt, Mr. and Mrs. Denver Kelly.

Refreshments of cake decorated with nine candles, and hot chocolate were served to the following: Mr. and Mrs. O. W. Kelly, Mr. and Mrs. Spencer Murphy and Cindy, Mr. and Mrs. H. N. Kev and Imogene, Mrs. Robert Hall and Wesley, Mrs. Jerry Anderson, and Mary Darlyne Jones.

Mr. and Mrs. T. C. Hogue and sons and Mr. and Mrs. Lee Howell visited relatives in Midland Sunday. Mrs. Howell remained and will go later in the week to San Angelo to be with her mother who will undergo surgery the first of next week.

Barbara Hodges To Wed O. D. Beadles

Mrs. Ina Hodges of 514 South Second Street announces the engagement and forthcoming marriage of her daughter, Barbara Kay, to Otto Dennis Beadles, son of Mr. and Mrs. S. F. Beadles of Route 4, Brownfield.

The single ring ceremony will be performed by Rev. James W. Wooten, pastor of the First Baptist Church, in the church parsonage at 10:30 a.m. Dec. 22.

Attendants to the couple will be Mrs. Joyce Toon of Brownfield, who will attend her sister as matron of honor; and Bobbie Kerneth Beadles, who will attend his brother as best man.

Miss Hodges is a student in Brownfield High School. Her fiancé is a graduate of Brownfield High School and is employed with Bowers Liquefied Gas Company.

The couple will live in Brownfield following their marriage.

Mrs. Tommy Nipp, Recent Bride, Honored With Shower December 7th

A miscellaneous bridal shower honoring Mrs. Tommy Nipp of Midland was given Friday afternoon in the home of Mrs. J. T. Clement at 501 East 14th. Mrs. Nipp is the former Miss Ruby Lee Crabtree.

Hostesses with Mrs. Clement were Mrs. Bill Blackstock, Kellie Esque, Lorie Bauman, Helen Martin, Hattie Decker, A. V. Patton, J. W. Stone, O. N. Kev, Junior Kellie, George Blackstock, C. L. V. Chambers, and George Ellis.

Mrs. Clement received guests and presented them to Mrs. Nipp and her mother, Mrs. C. A. Crabtree of Wilson; and the mother of the bridegroom, Mrs. T. L. Nipp. Mrs. Kev registered guests.

The serving table was laid with a white linen cloth and featured a single lighted glowcandle in the center of an arrangement of festooned wedding bells intermingled with

hatched sprays and silver leaves. Crestal and silver appointments were used to complete the setting. Mrs. Denver Kelly presided at the dinner service, and Mrs. Brannon and Mrs. Martin served decorated cake squares and mints.

Special music was offered during the coffee hours of 4 and 6 p. m. by Miss Emily Blackstock. Gifts were displayed in the bedrooms.

Mrs. Lee O. Allen Hostess To Friends

Mrs. Lee O. Allen was hostess Monday night for a party honoring friends who have birthdays in December. They are Mrs. Chas. Kendrick, Mrs. Al Muldrow, Mrs. Harry Cornelius, Mrs. Orb. Slice, and herself.

Sandwiches, coffee, and fudge were served to the above and to Mrs. Frank Ballard, Mrs. Ben Monnett, Mrs. Troy Noel, and Mrs. Don Graves.

The group played Tripoli and each guest was presented a gift. Mrs. Slice received the "very baby" prize.

G. W. Chisholm Feted On His 83rd Birthday

Honoring G. W. Chisholm on his 83rd birthday Sunday, a family dinner was given at the Parley House at 12:30 p. m. Hostesses were his grandchildren.

Christmas wreaths centered with candles decorated the tables, and the serving buffet was centered with a large glittered styrofoam "83." Turkey and ham were the main courses.

Approximately 80 of Mr. Chisholm's descendants attended.

BIGGEST SIZE INCREASE IN THE INDUSTRY—Mercury is now over 17½ feet long, more than 6½ feet wide. Wheelbase is a big 122 inches. Inside there are inches more headroom, leg room—as much shoulder room, for example, as in many of the most expensive cars.

3-WAY POWER CHOICE

New 290-hp Turnpike Cruiser V-8

Wait till you feel its silk-and-dynamite performance! Compression ratio is a power-boosting 9.75 to 1. Displacement is a mile-shrinking 368 cubic inches. Torque is a mountain-hungry 405 lb.-ft. Optional on all Montclair and Monterey.

New 255-hp Safety-Surge V-8 with Power-Booster Fan

This great new engine features a revolutionary Mercury "first" in the Montclair Series. The engine fan coasts when not needed for cooling. You save horsepower other cars waste. Engine sound is reduced, you enjoy a far quieter ride.

New 255-hp Safety-Surge V-8

Dream-car performance in the Monterey Series, Mercury's lowest priced line! Features another Mercury "first" which you get at no extra cost on all big M engines for '57—a Thermo-matic Carburetor. It automatically controls the temperature of the air the engine breathes—helps keep it uniform summer and winter. Engine starting is easier, usable power and economy are increased.

YEAR'S MOST IMPORTANT RIDE IMPROVEMENTS

Exclusive Full-Cushion Shock Absorbers—The first shock absorbers in the industry to give such amazing bump-smothering control on rough roads without sacrificing a soft, satin-smooth ride on average roads. They are teamed with Mercury's new improved springing action. Special high-speed valves built into the shock absorbers act as hydraulic cushions when there are rapid changes between bumps and ruts. Any bounce or rebound is controlled as if by a giant hand.

New Swept-Back Ball-Joint Front Suspension—Mercury introduces a new improved version of its famous suspension system—the finest, most advanced ball-joint front suspension on the market today. Because of the new swept-back design, the front wheels are now, in effect, pulled gently over bumps, rather than pushed into them. The benefits: easier handling, more responsive steering.

New balanced weight distribution greatly reduces nose dipping on sudden stops and lurching on fast starts. Mercury's extra weight, length, width, and wheelbase also add greatly to stability.

New road-hugging center of gravity—Everything is lower. Car height, passenger compartment, frame, and rear axle. You enjoy an amazing sense of "nailed-down" stability on curves.

You've got to feel Mercury's Floating Ride to believe it. We invite you to do just that, today, at our showroom.

The football boys received their football jackets Thursday. The jackets are grey with black and gold trimmings around the sleeves and the letters are black and gold.

Last Thursday night the boys' and girls' basketball teams went to Loop. Both of our teams were defeated. This Tuesday, December 11, both teams will go to Biedose Friday at 1 p.m., the girls will play New Home in the Meadow Tournament. The boys play at 2:15.

The English classes have been exceptionally busy the past week as students have begun gathering materials for term themes. They have learned how to make note cards, footnotes, bibliographies, and index materials. Many students have written business letters asking for information and pictures on various subjects. These letters are prerequisites for all students before they can begin assembling their notecards and information for these research themes.

Hammered Polished Cotton!

It really does have the smooth interesting appearance of hammered metal, but it's washable cotton, of course, and creates an unusually appealing frosting for all your slim dark skirts. Karachi Blue, Persian Pink or White. Sizes 8-18.

Skirt, slip-to-fit 4.95

Shelton's

Mr. Ancell has recently announced that each class in high school will be responsible for an assembly program in the near future. The first program, based on a Christmas theme, will be given by the senior class.

We are happy to learn that Peggy Burnett's family is moving into the beautiful home on the Seagraves road, that was recently vacated by the Clarence Lewis family.

In a recent contest at Hardin-Simmons, students were given prizes in money for readings. One of our former students, Charles Goza, won second place in the contest, winning a cash award of \$15. Winners of the first two prizes read their selections on Wednesday in chapel at Hardin-Simmons University.

We were happy to have three ex-students, Bob Womack, Claude Chambers, and Sam Sanders to visit with us Monday of this week. Bob and Claude are re-working for a telephone company. Sam is living in Muleshoe and plans to enter a business college in Canyon next month.

Work on the annual is progressing nicely. Most of us are trying to get our money in for the annual before the price goes up.

The principal's office has released the Wellman high school honor roll for the second six weeks. It follows: Freshman "A", Mary Adair, Peggy Burnett, Barbara Watkins, "B", Opal Hawkins, Mary Hoenberger, Virginia Thornton, and Velda Hill. Sophomores "A", Bar-

DECORATE HOSPITAL FOR CHRISTMAS — Members of the therapy committee of Brownfield Garden Club spent most of Tuesday decorating Treadaway - Daniell Hospital for the Christmas season. From right in the picture: Mrs. Jack Church, superintendent of nurses; Mrs. Joe Satterwhite, chairman of the committee, and Mrs. Leonard Lang, club president. In addition to the mantle decoration before which the trio stands, the committee placed attractive Christmas tree cut-outs on all doors.

In addition, the group spent last week in the home of Mrs. Drew Hobby making 216 favors which will be placed on patients' Christmas dinner trays here and at the Veterans Hospital in Legion. Committeewomen are Mrs. Hobby, Mrs. A. J. Bell, Mrs. Joe Jackson, Mrs. Bill Blackstock, Mrs. J. R. Hissom, Mrs. Lang and Mrs. Satterwhite. Other work of the committee includes the making of booklets for small children and babies.

Mrs. McBurnett Hostess to Club

The Junior Woman's Study Club met in the home of Mrs. E. B. McBurnett at 1205 East Buckley Monday at 3:30 p. m.

Mrs. McBurnett, president, called the meeting to order, after which Mrs. Jerry Gannaway, secretary, read the minutes of the last meeting. Reports were given by the finance and project committees and a treasurer's report was read by Mrs. Harley Rodgers.

The following members were appointed to the nominating committee: Mrs. Gannaway, Mrs. D. E. Hewitt, Mrs. Alvin King, and Mrs. Jack Hamilton.

Mrs. L. U. McPherson was program chairman for the day, and gave a reading on the Nativity.

Applesauce cake and spiced tea were served to Mesdames B. I. Blandish, Gannaway, Hamilton, Hewitt, Dub Holleman, King, McPherson, Erwin Moore, Rodgers, and Mack Ross.

Dec. 8: Mrs. E. L. Moore, accident.

Dec. 9: Leenell Chesshir, surgical.

Dec. 10: W. I. Cason, Sheree Dell Prady, Paul Agnew, and L. T. McCallister, medical; Alfonso R. Levario, Pedro S. Lopez, and George McKee, accident.

Dec. 11: Mrs. Walter McKee and Frank Sargent, medical; Gloria Carter, surgical.

Hi From Jr. Hi.

Well, we started a new six weeks. This is the third six weeks, and mid-term is right after Christmas holidays. We will come to school for our tests. We all had a really better study... and "hard."

Tuesday, Jr. Hi Cubs played at Denver City. There was a prediction that the eighth grade would make a score of 50, and the prediction was right. We beat Denver City with the high score of 50. Keep up the good work and you will win all the games for J. H. S.

Mrs. Teague took Sue Steele, Gayle Smith, Carolyn Cary, Barbara Kirschner, and Latrice Teague to the games and we enjoyed both a lot.

After the Christmas Concert Friday, Joyce Klein is having a party. The boys will stay awhile and then the raid of the icebox will take place when the girls have the slumber party.

The 111-school Christmas party will be a few days before the holidays. The party will be fun, we're sure, and we hope everyone will be able to come. Carol Taylor was killed in a wreck Friday at Pampa. He

Marion Bea Perry Birthday Honoree

Marion Bea Perry was honored on her fifth birthday when her mother, Mrs. Gerald Perry, was hostess for a party at the Party House from 4:30 to 5:30 p.m. Tuesday, Dec. 11.

Decorations carried out a Christmas stocking motif. The birthday cake was in the shape of a red stocking with smaller red stockings decorating the sides. Santa Claus made of apples and marshmallows adorned the serving table. Favors were miniature red Christmas stockings filled with toys and candies.

Guests included Steve Morris, Richie Pruitt, Linda North, Don Royce, and Steve Perry, Frances and Bobby Perry, Diane Sawyer, Nancy Dale Kerley, Susie and Karen Whiteside, Patti Gail and Danny Joe Starnes, Vikki and Kathy Winchester, Jane Treadaway, Lee Sloan, Johnny Hedrick, Kimberley May, and Mike Rogers, all of Brownfield; and Debbie and Pam Petersen of Ropes.

used to go to school here, and we are sure many remember him. We want to send our sympathy to his parents, who live in Pampa.

Five-Minute Fudge
(Makes about 2 pounds)

2 tablespoons butter 1 1/2 cups (about 16 medium)
3/4 cup (small can) diced marshmallows
unsweetened Carnation 1 1/2 cups semi-sweet
Evaporated Milk chocolate pieces
1 1/2 cups sugar 1 teaspoon vanilla
1/2 teaspoon salt 1/2 cup chopped nuts

Combine butter, Carnation, sugar and salt in saucepan over medium heat. Bring to a boil, and cook 4 to 5 minutes, stirring constantly. (Start timing when mixture starts to "bubble" around edges of pan.) Remove from heat. Stir in marshmallows, chocolate, vanilla and nuts. Stir vigorously for 1 minute (or until marshmallows are completely melted and blended.) Pour into 9-inch square buttered pan and allow to cool. Cut in squares.

FREE For your copy of Carnation's latest recipe booklet, send to: Mary Blake, Carnation Co., Dept. GS-164, Los Angeles 19, California.

POOL NEWS

By MRS. ELVICE DUNCAN
News Correspondent

Rev. W. E. Lynn preached here Sunday with 40 present for the morning services.

Mr. and Mrs. Leroy Barrier and boys spent Saturday night in Lubbock with Mr. and Mrs. Bradley Seaton and Brenda.

Mr. and Mrs. E. J. Duncan and girls visited Sunday evening with Mr. and Mrs. I. B. Green and family.

Mr. and Mrs. Roy Barrier and Jerry are visiting a few days in Austin with her mother, Mrs. Bohana.

Pfc. Donald Aldridge, who is home on furlough, is visiting his parents, Mr. and Mrs. O. Aldridge.

Mrs. M. J. J. and Johnny spent the weekend in Sagraves with Mr. and Mrs. Gene Joplin and Mary Lee.

Mr. and Mrs. M. C. Wade and family visited in Seminole Sunday.

While daughter, Mrs. Louise Joplin, and family.

A birthday dinner was given Sunday for Mr. W. M. Joplin of Meadow in the home of his son, Joe Joplin, in Brownfield. Others attending were Mrs. Joplin and girls of Meadow, Mr. and Mrs. Elmer Bramlett and family of Brownfield, Mr. and Mrs. J. D. Packler and family of Smyer, Mr. and Mrs. Lewis Joplin and family, Mr. and Mrs. Elmer Hartaraves and family, and Mr. and Mrs. W. M. Joplin, Jr., all of Lubbock, Mr. and Mrs. Elvice Duncan and daughter of Pool, and Mrs. Joe Joplin and boys.

Also Barbara Rich's of Meadow.

Mr. and Mrs. Carl Jones and girls spent the weekend with Homer Dunn and family.

WEBELOS AND PARENTS — The quintet of Cubs pictured above, members of Pack 74, received Webelos badges last Thursday night. Their next step—Boy Scouting. From left, they are John Jennings, Ronney Williams, Alton Nicholson, and twins Robert and Richard Kimbrough. From left standing: Mr. and Mrs. John Jennings, Mrs. Ronney Williams, Mr. and Mrs.

Davo Nicholson and Mr. and Mrs. W. A. Kimbrough. Not shown is Wayne Hall, son of Mr. and Mrs. T. W. Hall, who also received the Webelos award. Harold Wilson is Cubmaster of Pack 74, sponsored by Brownfield Post 269, American Legion. (Staff Photo)

CHALLIS NEWS

By MAE HENDERSON
NEWS CORRESPONDENT

Six members of the Women's Missionary Unit met Monday for Bible study. Mrs. Sylvia Clark, vice-president, led the business meeting and Mrs. Bagwell led in the study.

Mr. and Mrs. L. P. Russell visited Mr. and Mrs. Dewey Clark in Brownfield Sunday.

Three visitors in the L. R. Davis hall home Friday night were Mr. and Mrs. Curley McKee from Brownfield.

Mr. and Mrs. W. L. Johnson of Morton visited Sunday with her mother, Mrs. Lena Price.

Dinner guests in the W. J. Henderson home Sunday were their son and family, Mr. and Mrs. Bill Henderson.

The E. N. Corley family visited her sister-in-law, Mrs. Claud Jones, Sunday. Mrs. Jones has been ill for some time.

Those visiting in the church Sunday were Mr. and Mrs. Driffo of Levelland and Pro and Mrs. Jones and children of Levelland. Bro. Jones did the preaching in the morning and night services.

Mr. and Mrs. Jack Andrews of Anton visited Mr. and Mrs. Clarence Clark Wednesday.

We are sorry to report there are several over community who are on the sick list. We are hoping they will soon be back with us again.

"All right! Stop telling us how smoothly your OK Used Car ran and get on with the rest of your story."

POLICE DEPT.

It's sheer pleasure, in the first degree, to drive an OK Used Car. That's because it's inspected and reconditioned for safety and performance—then dealer-warranted in writing! It rates a big value-verdict, too. You always buy it where volume trading keeps selections high and prices low—at your Chevrolet dealer's.

NEWS STAFF CORRESPONDENT

Bob Warren and Carl Pritchard Jr. were in Paducah Saturday.

Mrs. Ruby Dalton and children, Wanda and Lennie, and Mr. and Mrs. Roy Gober spent the weekend in Clovis, N. M., visiting Mrs. Dalton's sister and family, the Joe Edwards.

Couples Club met Wednesday night in Fellowship Hall. After supper was served, Rev. Ray Elmore of Brownfield spoke.

Willie Wright, who has been an invalid for some time following a car wreck, was carried to John Sealey Hospital in Houston Sunday for treatment.

The Christmas program and tree will be Sunday night, Dec. 16, at the Methodist Church.

Mrs. C. E. Bartley and Mr. Windred Tucker's Sunday school classes had a "42" party Monday night in the home of Mr. and Mrs. J. M. Burleson. Coffee, hot chocolate, cake, and pie were served. Gifts were exchanged and each person gave 25 cents to buy toys for the Methodist orphans homes.

J. H. Gober left Monday for Hobbs, N. M., where he will spend a few days with his daughter and family, the James Selmons.

We are very sorry to learn of the bad luck the Brownfield News office had last Saturday in the explosion, but very glad everyone got out safe.

Mr. and Mrs. Carl Pritchard have returned home from Fort Worth, where they spent a few days.

Mrs. Dot Castleberry spent Thanksgiving visiting her sister, Mrs. John Nelson, at Gordonville and her brother, J. A. Davis, and family at Whitesboro, as well as other relatives in the community.

Mrs. Mattie Maloney and granddaughters of Lubbock visited her mother, Mrs. J. V. Verner, Sunday.

Mr. and Mrs. Ben Henson and children visited last week with her sister and a brother and their families at Colbert, Okla.

Mr. and Mrs. Virgil Over moved from White last week to the Meeks' farm west of town, where he will farm next year.

Mr. and Mrs. P. C. Horton visited the first of the week with their son, Cecil, and family in Odessa.

Mr. and Mrs. Aubrey Castleberry of Morton visited Sunday with his

LOSE UGLY FAT IN TEN DAYS OR MONEY BACK

If you are overweight, here is the first really thrilling news to come along in years. A new & convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger & appetite. No drugs, no diet, no exercise. Absolutely harmless. When you take DIATRON, you still enjoy your meals, still eat the foods you like but you simply don't have the urge for extra portions and automatically your weight must come down, because, as your own doctor will tell you, when you eat less, your weight less. Excess weight endangers your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this GUARANTEE: You must lose weight with the first package you use or the package costs you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by: Primm Drug Store—Brownfield Mail Orders Filled

mother, Mrs. Dot Castleberry.

Mr. and Mrs. Elwood Carruth and daughters of Lubbock were supper guests of his mother, Mrs. L. J. Carruth, Sunday night.

Mrs. J. M. Burleson was shopping in Brownfield last Friday afternoon.

Mrs. J. E. Peck has been on the sick list for several days.

Mrs. J. H. Coter and Mrs. J. H. Gober were shopping in Brownfield Monday.

Maids and Matrons Purchase Books for County Library; Publications Increase

Ten newly published books have been purchased by the Maids and Matrons county library, according to Miss Olga Fitzgerald, librarian. The new books are "The Nun's Story" by Katherine Hulme; "Men to Match My Mountains" by Erwin Stone; "Speak to the Wind" by Ruth Moore; "Those Thousand Hills" by A. B. Guthrie, Jr.; "The Rosemary Tree" by Elizabeth Goudge; "Gilded Lily" by Earl Stanley Gardner; "Captain Rebel" by Frank Yerby; "How to Believe" by Ralph W. Sockman; "Home to Texas" by Stanley Waller; and "The Church Under the Cross" by J. B. Phillips.

was given to the library by Mrs. Will Adams in memory of Mrs. M. C. Johnson, mother of Mrs. M. G. Farley. Stanley Walker, author of "Home to Texas" has written an authentic story of his life in Texas. His home is in Lampasas in central Texas. The county library is receiving books monthly, and several more will be purchased this month, Miss Fitzgerald said.

Its Own Time

El Paso, Tex., uses mountain standard time although an act of Congress in 1921 placed all of Texas within the central standard time zone.

AWARDS TO COACHING STAFF—The coaching staff of the Brownfield High School system received gifts of appreciation from the Quarterback Club at a barbecue supper held last week in Veterans Hall. Receiving awards were, left to right,

head coach and Athletic Director Doug Cox, Charlie Keese, Elroy Payne, L. J. Richardson, Coy Jones, Don Powers, Farris Nowell and Clifford Niles. Coach Gene Baldwin was unable to attend. (Staff Photo)

Brownfield Student Active at College

Students from Brownfield and Terry County attending various colleges have been participating in special Christmas activities sponsored by their schools. Charles Higdon, student at Eastern New Mexico University, is a member of the concert band which presented a Christmas program at the school Dec. 11.

and Miss Bryant are both members of the choir. Brownfield High School student Dixon Latham has been selected as all-state choir representative from a group of 182 participants in the annual Texas Tech Band and Choral Clinic, which will meet in Dallas Feb. 13-19.

Aviation Stimulant

WASHINGTON (UP)—The Army, whose aviation program was eulogized recently by the Defense Department, will hold an all-Army model airplane meet next August. The Army said one purpose of the meet is to stimulate interest in Army aviation.

When you see an old man available, mild, equable, content, and good humored, be sure that in his youth he has been just, generous and forbearing. In his end he does not lament the past, nor dread the future; he is like the evening of a fine day. — Arabic Proverb.

The Lubbock Cotton Classing office Saturday reported approximately 1,568,000 samples had been processed. No backlog exists now, and sample arrivals fell to around 10,000 a day this last week.

All evidence points to a fast wind-up of this year's harvest. Some gins are reported already closed. After another week, only scrapping and picking up will remain.

"What this country needs is a non-skid coin, guaranteed not to slip thru the fingers." — Elbert Hubbard.

With ginnings of this year's cotton crop already past the 1,500,000 bale mark, indications are good that a new, all-time record for the Plains will be set. Highest previous production was in 1949, when 1,644,000 bales were produced. Most cotton observers now agree that the final figure this year will be between 1,650,000 and 1,700,000 bales.

This not only would be a new production record, but would be a new production total harvested on less acreage than was planted in '49 when planting restrictions were waived, and between 3 and 4 million acres were put in cotton.

"If you go to London," Ger-

trude Lawrence is reported to have told an American friend, "there is one place you must be sure of visiting."

"Where is that," asked the friend.

"Paris," said Miss Lawrence.

— B. A. Young in Punch.

Irrigated acreage in the Panhandle-South Plains is well in excess of 4 and one-third million acres, with some 321,983 acres going under water this year.

The irrigated acreage was reported last week by George Black, associate agricultural irrigation agent with the A&M Extension Service.

"The sum which two married people owe to one another defies calculation. It is an infinite debt, which can only be discharged through all eternity." — Johann Wolfgang von Goethe.

RIGID CONTROL IS KEY

Efficiently Operated Dairy Farms Are Not the Result of Chance, Says Expert

College Station, Dec. 12.—Efficiently operated dairy farms are not the result of chance. On the contrary, says R. E. Burleson, extension dairy husbandman, efficient dairy farming is developed through the careful planning and management of all phases of the operation.

No dairy operation can be efficient unless a production record-keeping program is developed. Burleson urges every dairyman to participate in one of the organized plans now available.

Record information should be the guide for breeding dairy cows, for feeding cows according to their producing ability and for herd culling. Records can provide the leads for cutting costs and increasing net income, says the specialist.

The breeding program for the dairy must be such as to provide only high-producing cows for replacement purposes. Here is a phase of dairy farming, adds Burleson, where second guessing can soon deplete a dairy herd—production is maintained and improved in relation to the caliber of the breeding program developed.

An efficient dairy farm operation includes a feed-production program. Grassland crops which will provide an adequate and balanced low-cost feed supply for the herd the year-round should form the basis of the program.

Feeding and management practices which will assure efficient preservation and utilization of all feed for high milk yields also must be developed. Burleson emphasizes that practices which will use the total farm and herd resources efficiently and economically for producing milk also must be developed. Labor and land utilization should get primary consideration, he adds.

Finally, before an efficient dairy farm can be developed, methods and practices which will result in the production of high-quality milk and cream at all times must be developed.

Combine these essentials into a smooth operating unit and you've got the makings of an efficient dairy farm, concludes Burleson.

61 Elementary And Junior Students On Wellman Honor Roll

A total of 62 students were listed on the honor roll for the second six-week term at Wellman elementary and junior high schools.

First grade: Gayle Hughes, Larry Farrar, Kenay Smith, Beth Steele, Max Hulse, Ricky Jones, Deanne Welcher, Dixie Woodard, Ramon Flores, Santos Flores and Ismael Contreras.

Second grade: Nancy L.ynn Baker, John Steve Hamm, Vicki Watts, Willard Adair, Donna Kay Baker, Linda Sue Bass, Nancy Anne Dickens and Ronnie Moore.

Third grade: Scotty Hamm, Mike Paddock, Barry Sims, Cathy Hughes, Pamela Bass, Linda Jo Bowlin, Mary Lou Read, Janice Dun-

AMOUNT OF PENETRATION IS GREATER

Recent Rains Showed Value of Ground Cover on Rangeland

College Station, Dec. 12.—The depth to which recent rains penetrated into the dry rangelands of the state depended to a large measure on the amount of cover on the ground.

G. O. Hoffman, extension range specialist, says a check made in West Texas after a slow five-inch rain showed that moisture penetrated only five inches deep on bare soil. On a nearby grassed area, which had been grazed rather short, the moisture penetrated to a depth of 15 inches.

Normally, he says, enough rain falls in Texas to cover the state to a depth of 30 inches with water. Unfortunately, he adds, only about 14 percent of this 30 inches is utilized, the other 86 percent is lost to runoff or evaporation.

For most effective use, Hoffman emphasizes that the water must be held on the ground where it falls for a considerable period of time.

Recent observations showed that pits on hard bare soil materially increased the amount of water stored in the soil, that net wire terraces held in lots of water and greener grass showed along these terraces; that fallen trees and brush also effectively slowed runoff and held enough moisture to permeate and start growth of native grasses and that this brush on the ground protected young seedlings, permitting them to become better established.

Areas on which brush was controlled had four times more water available for grass growth than did areas still covered by brush, said Hoffman.

The specialist believes that a ton of plant material left on the ground for a year will retard materially runoff and increase water penetration. He also says a ground cover in the summer holds down both evaporation and soil temperatures.

Last summer temperatures were checked on grassed and bare soil areas. The difference was 40 degrees, cooler that is, under the grass cover.

Hoffman recommends deferred rotation grazing, brush control, reseeding, good soil and water conservation and proper stocking as practices for getting and keeping a grass cover on rangeland.

Gordon Patton Is Winner of Tree

A Christmas coffee was held by members of the Brownfield Junior Woman's Study Club at the Seleta Jane Brownfield clubhouse Dec. 7 at 9:30 a. m. Winner of the flocked Christmas tree, which was given as a door prize, was Gordon Patton of 996 South 6th.

Mrs. E. B. McBurnett, president, greeted guests at the door. Mrs. Mack Ross, chairman in charge of social committee, poured coffee. She was assisted by Mesdames Jerry Gannaway, Alvin King, L. G. Moore, and Erwin Moore.

The serving table was laid with a white damask cloth and was centered with a large candle sprinkled with gold glitter and surrounded with gold-sprayed greenery and flowers. Silver service was used in serving coffee, spiced tea, sweet rolls, and nuts. The mantle was decorated with large gold goblets holding gold candles, gold-sprayed greenery, and small Christmas balls. The Christmas tree was decorated with gold ornaments.

Sandy Casstevens Red Raider Band Majorette

LUBBOCK (Special)—Sandy Casstevens, senior from Brownfield, is one of eight majorettes for the Texas Tech Red Raider Band. She is the daughter of Mr. and Mrs. R. H. Casstevens of 121 West Broadway in Brownfield.

Miss Casstevens, a pre-medical major, is a member of Alpha Epsilon Delta, pre-medical honorary; Forum, senior women's honorary; and Phi Beta Phi, social sorority.

Ideal Bridge Club Meets With Mrs. E. Layman

Ideal bridge club met with Mrs. Earl Layman Dec. 5.

Mrs. Coy Barnett was high player, and Mrs. Wilson Collins was second high. Mrs. Chris Hafer scored low.

Coffee and cake were served to the above and to Mesdames Bob Land, A. A. Sawyer, Joe McGowan, Bill Anderson, Roy Herod, R. L. Bowens, Grady Goodpasture, Joe Christian, and Ed Wilder.

Infantry Division at Geopingen, Germany.

Pvt. Alexander was stationed at Fort Carson, Colo. from March until last Nov. 6. He'll be in Germany from nine to 18 months.

Alexander's wife, Jean, and son, Carleton Blake, left Amarillo Monday to join him in Germany.

RELIEF FUND TOTAL MOUNTS

Camp Now Ready for Refugees

As workers began readying the World War II Army barracks at Camp Kilmer, N. J., to receive the first of the 5,000 Hungarian refugees offered asylum by the President, word came from hungry, ragged, battle-scarred Budapest of the last of the shooting in the desperate and dogged rebellion that was fairly won, only to be lost to Soviet deceit.

At the same time, relief funds mounted to the millions, and the Russians continued to harass relief operations with border red tape, and sealed train-loads of Hungarian patriots were reported pounding on into the limbo of Siberia.

Despite the ousting of twelve Stalinists from top jobs in the Communist party, and sundry other connexions designed to cool the smolder-

ing Hungarian wrath and end the strikes that continue to prostrate the country, Premier János Kadar's puppet government offers little hope that the sacrifices and devotion of the revolutionaries will have gained anything remotely resembling nationalism.

Asked why Soviet troops did not leave the country, Kadar said he wanted them to go but they wouldn't until order is restored. The people, he said, did not have sufficient arms to do the job. He also announced that before the Red troops leave "hostile elements must be liquidated."

Earlier promises of free and secret elections, it now appears, will be restricted to parties that have declared their loyalty to "Socialist" achievements. Hungarians may, in other words, vote at some future time for any candidate they choose, so long as he is a Communist.

Nor do we see much chance for the adoption of Senator Knowland's five-point answer to the Kremlin's butchery, as reported by National Review: "1) A world-wide condemnation of the Soviet Union as an aggressor. 2) The evulsion of the Soviet Union from the United Nations. 3) The application of economic sanctions against the Soviet Union and its allies. 4) Withdrawal of diplomatic recognition of the Soviet Union. And 5) the organization of an international military volunteer 'crusade for freedom' dedicated to driving the troops of the Soviet Union from Hungary."

It is cool comfort in Hungary this winter that its courageous and dedicated people have won the admiration of the free world.

Highlights and Sidelights

By Vern Sanford
Texas Press Association

AUSTIN, Tex.—Education has added two more "urgent" items to the list of increased money demands awaiting the incoming Legislature.

First report of the new Commission on Higher Education strongly recommends bringing college faculty salaries in line with other progressive states. Simultaneously, it suggested raising tuition fees, unchanged after 20 years of inflation.

Texas tuition charges of \$25 a semester for in-state students, \$150 for outsiders, lags far behind those in other states. But even substantial tuition increases would meet only a portion of the cost of salary raises, it was claimed.

Public school teachers also seek higher pay. They term the need an "immediate crisis" and ask that the Legislature treat it as an emergency measure.

Teacher salaries were last raised in 1953. State minimum wage for a beginning teacher with bachelor's degree is \$2.85 per year.

Texas State Teachers' Association's House of Delegates also called for a full study of the "Caviness plan" to ease school financing problems. State Auditor C. H. Caviness proposed some 18 months ago that only 25 per cent of revenue from school-owned oil lands be invested in the permanent school fund. This would free 75 per cent of this revenue, an estimated \$20,000,000 to \$25,000,000 a year, to meet current expenses.

DANIEL LISTS GOALS — Incoming Gov. Price Daniel said he believes there are a multitude of other problems with which the legislature can deal more effectively than school legislation.

He favors local determination rather than state-wide legislation

At the outset of a series of conferences with lawmakers, Daniel emphasized these issues: (1) overall state financing, (2) narcotics control, (3) teacher pay raises, (4) water conservation, (5) lobby control, (6) housing of state archives.

WATER LOCAL PROBLEM — Texas' water problems must be met locally, says Rep. Waggoner Carr of Lubbock.

Carr, an unopposed candidate for Speaker of the House, feels that people in each watershed area should devise plans to meet their own unusual conditions and carry them out with possible aid of state credit. He termed "outlets" any further effort to finance water conservation with a state-wide tax that would be fair to all parts of the state.

SALES ACT CONTESTED — Texas' new sales limitation act is up for its first legal test.

State Supreme Court is considering a case stemming from the 1955 law which prohibits grocers from limiting sales of items advertised at below-cost prices.

Contestants are a San Antonio grocer who defied the law, and the San Antonio Retail Grocers' Association which sought enforcement through a court injunction. A San Antonio district court refused to grant the injunction.

Attorneys for the defendant contend the law is unconstitutional and discriminatory. It applies, they point out, only to grocers and not to other retailers selling the same merchandise.

Association attorneys counter that control of "loss leader" selling is needed "to keep the big man from gobbling up the little man."

SHIVERS HONORED — More than 2,000 Texans and a distinguished "ex" paid tribute to Gov. and Mrs. Allan Shivers at a mammoth dinner party in Dallas.

President Eisenhower sent personal greetings. Leading statesmen and businessmen saluted the man who in a few weeks ends a record-breaking tenure as chief executive. Mrs. Oveta Culp Hobby termed Mrs. Shivers an expert in "glass house living."

Wil abandoned. Example by Supreme Court Justice Ruel Walker: "I came out to bury Shivers, I came here to praise him."

STATE REGULATION CHAMPIONED — Atty. Gen. John Ben Shepperd has gone to bat against federal regulation of Texas insurance companies.

Shepperd filed a friend of the court brief on behalf of American Hospital and Life Insurance Company's fight against a Federal Trade Commission ruling.

American Hospital is a Texas firm. Its case has now reached U. S. Circuit Court of Appeals in New Orleans.

Shepperd contended the McCarran-Ferguson Act specifically authorizes states to regulate insurance to the exclusion of the federal government or any of its agencies.

AUDITOR REPORTS — State Auditor C. H. Caviness' lengthy annual report on state departments unearthed no scandals. But he suggested several agencies "too the mark a little better in their financial record keeping."

These included the State Board of Morticians, Agriculture Department, Austin State School, Surplus Property Agency, State Board of Medical Examiners, State Parks Board, and Waco State Home.

See HIGHLIGHTS, Page 6

THE AMERICAN WAY

By George Peck

(EDITOR'S NOTE: George Peck is Chairman of the Board of the National Labor-Management Foundation and Executive Editor of its official publication, PARTNERS.)

Over a period of years this columnist has listened to the never-ending debate about the role played by chain stores in the nation's merchandising economy. Is the chain store a menace or a benefactor?—that is the question.

Not long ago I had the pleasure of hearing two experts discuss at some length as to whether or not the chain stores are beneficial to the consumer. A public relations counsel of one of the big chains ably presented the case for the chains, while a newspaper editor equally well championed the cause of the independent merchant.

The net result of listening to these two diverse opinions was to leave me a bit confused. While the protagonist of the independent merchant held the floor, I was almost convinced that the chains were a menace to society. But when his opponent took to the rostrum, I felt almost certain that the chain stores were a blessing to humanity.

Out of the bewildering fog engendered by these two diametrically-opposed viewpoints, both ably presented, I did manage to salvage a few ideas:

(1) That while chain stores, in the pioneer days of this method of retail merchandising, may have been ruthless and callous about the communities in which their stores were located, they now have come to realize it is sound business policy to participate in the social, welfare and economic activities of the communities they serve.

(2) That the chain stores have a tendency to concentrate retail business in the hands of a few, whereas many Americans believe that such business should be kept in the hands of as many as possible.

(3) That strictly from the consumer's standpoint, the chain stores have gotten and are getting merchandise to the consumer at a considerable saving over what the independent merchants have sold and are selling their wares.

(4) That in times of depression, or financial distress of a customer, the independent merchant is a benefactor in that he extends credit, while the chain stores, with

few exceptions, refuse to sell for aught but cash on the barrel-head.

(5) That the independent merchant has one valuable asset that it is almost impossible for the chain store to attain—personal, intimate contact with the customer.

(6) That while there is a tendency on the part of the chain stores to destroy independent ownership of farms, on the other hand the chain stores by virtue of their large buying and storing capacities, have rescued, are rescuing and will continue to rescue many a farmer from heavy losses by stepping at the psychological time to buy his crops.

The final conclusion arrived at after deliberate and mature reflection, and after having recovered from the spell cast by the oratory of the two debaters, is that there is much to be said for both the chain store and the independent merchant.

In one way the chain store has been a benefit to the independent merchant himself—it has taught him how to buy, display, advertise and market his merchandise. The smart independent operator has adopted some of the chain store methods and policies and has successfully weathered chain store competition—in fact, has thrived on it. The last progressive independent merchant, unwilling to meet changing conditions, has refused to learn from the chain store and consequently has suffered economically.

Somewhere between these two major systems of retail merchandising will evolve the right system. We Americans, by experiment and by trial-and-error, have a habit of working out just such problems. At present there definitely is a place for both the chain store and the independent merchant in our economy.

There is one thing of which I am sure—puritive legislation or condemnatory taxation, which has been suggested by certain of our legislators on Capitol Hill, is not the solution. It is not a matter into which Federal Government should stick its meddling nose—it is his dollars that buy the merchandise—and it is his right to spend those dollars where his little heart desires.

Tuesday, December 19, Is The Date To Vote FOR Additional Terry County Progress

-LET'S EXAMINE THE COST-

Additional Taxes For \$100,000 Air Port Issue

4c Per \$100 Evaluation

For Person Owning The Average 160 Acre Farm It Would Cost 51c Per Year Per \$100,000 Bond
For Person Owning The Average 320 Acre Farm It Would Cost \$1.02 Per Year Per \$100,000 Bond
For Person Owning The Average \$10,000 Home It Would Cost 80c Per Year Per \$100,000 Bond
For Person Owning The Average \$20,000 Home It Would Cost \$1.60 Per Year Per \$100,000 Bond

Additional Taxes For \$100,000 Road Bond Issue

4c Per \$100 Evaluation

For Person Owning The Average 160 Acre Farm It Would Cost 51c Per Year Per \$100,000 Bond
For Person Owning The Average 320 Acre Farm It Would Cost \$1.02 Per Year Per \$100,000 Bond
For Person Owning The Average \$10,000 Home It Would Cost 80c Per Year Per \$100,000 Bond
For Person Owning The Average \$20,000 Home It Would Cost \$1.60 Per Year Per \$100,000 Bond

However, Before You Figure Cost—Also Think About The Value To You!

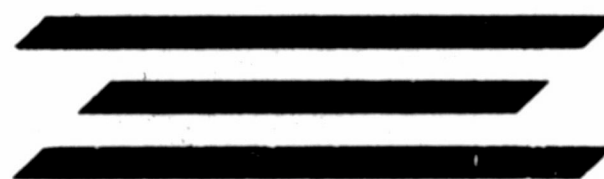

The Better Community We Have The More Your Property Is Worth—We Believe Better Roads

And A Good Airport Will Increase The Value of Your Property.

How Would You Like To Have Air Passenger Service, or Air Mail Service or Air Express Service?

This Bond Issue Is The First Step!

Here Are The Reasons Why We Urge You To Vote FOR The
2---\$100,000 BOND ISSUES... DEC. 19

LET'S EXAMINE THE \$100,000 FOR THE AIRPORT

- We Can Get A \$200,000 Airport By Spending \$100,000
- The Federal Government Will Give Us The Other \$100,000
- This Money Is Available, If We Approve The Issue This Year, Otherwise We Might Have To Wait Another 2 or 3 Years
- 70% of Terry County's Taxes Are Being Paid By The Oil Companies. And They Are For The Airport 100%
- That Means You and I Will Only Have To Pay \$30,000 of the \$200,000 Total Cost To Get This Fine Airport
- There Is A Big Trend Towards Air Travel And The Trend Will Be Greater In The Next Few Years
- Our Farmers Are Using Planes To Dust Their Crops And To Defoliate Their Cotton. These Planes Will Use The Paved Runways.
- Our Oil Companies, Business Men, And Farmers Often Times Need To Fly And With Proper Facilities They Will Be Much Safer

LET'S LOOK AT THE \$100,000 ROAD BOND ISSUE

- This \$100,000 Will Be Spent To Pave Roads For Farmers, Oil Companies and Industry.
- Good Paved Roads Are An Asset To Any Community

(Paid For By Interested Citizens In Terry County)

WE URGE YOUR SUPPORT OF THESE 2 ISSUES — WE FEEL YOUR SUPPORT
WILL BE VOTING FOR A BETTER TERRY COUNTY

NEW PRACTICES PAY OFF

'Pig Parlors' Replacing Pens, Wallows And Making for Better Animals, Profits

Modern Pork production has reversed the old truism, "You Can't Raise A Pig In A Parlor". Apparently you can! And at a neat profit, too!

Southwestern hog feeders are showing interest in a recent housing and management

practice that involves a "Pig Parlor" believed far superior to pens and wallows. The method calls for fattening of hogs in low-cost, shed-type buildings erected on concrete slabs.

This development approaches the broiler produc-

er's concept of putting production on efficient assembly line basis. The idea makes it possible to market as high as 300 head of hogs a year with a minimum investment in money and labor, yet get maximum returns.

A group of hog pioneers came up with the parlor idea, starting with a large group of pigs on concrete. According to studies of the Ralston Purina Company, the first 32 hogs marketed from a "parlor" returned a labor profit of \$6.32 per pig in 45 days on a 16¢ market.

A parlor 30-22 feet can handle 50 pigs weighing 60 to 80 pounds. Maximum efficiency of investment, labor and feed is claimed with a turnover every 60 to 70 days. The cost of the parlor including equipment was about \$400 in the experimental locations.

Feeders who have used the parlor system believe that their hogs show better carcass yield in addition to these stated advantages: Quick turnover of investment, fewer disease problems, ease of adaptability to either hot or cold weather, and higher daily gains.

Texas hogs raisers may want

BHS NEWS

By DONNA CHRISTOPHER

With Christmas less than two weeks away, B. H. S. students are already planning holiday doings and getting anxious for the forthcoming ten day vacation from the "toll and turmoil" of studies and homework.

Two musical minded students received all-state honors in band and choir respectively this past week. Friday, Dixon Latham was auditioned as an all-state choir member in Lubbock. Others who auditioned in the inter-school competition were Betty Collins, Betty Bragg, Sherry Don Spears, Don O'Neal, Claud Lee, Peggy Gray, Jaquie Aldrup, and Sharon Snedeker. Mary Jane Brownfield, playing a contra-bass clarinet, made all-state band Saturday. Betty Thargrove was selected first alternate on flute.

CAMPUS DUOS: Betty Bragg—Chester Albert, Reudell Bradley—Arnold Rimer, Patsy Hulse—Johnny Rayben, Anne Lee—Ellis Cox, Mary Joe Christian—Mike Hamilton, Gail Cottrell—Lee Dale Rowden, Betty Hargrove—Bobby Casey, Brenda Barnett—Robert Butler, Shirley Wilkinson—Jerry Don Brown, Le Nora Burr—Gerald Jenkins, Wanda Cornelius—Gerald Goldston, Beverly Isaacs—Ray Gohber, Jeanie Crinwell—E. V. Murphy, Bettie Ann Davis—Bobby F. Moore, Kay Kessinger—Jerry Don Hucklebee, Barbara Kiox—Larry Meeks, Betty Hahn—Jackie Meeks, Patti Wilder—George Fugitt, Patti Thomas—Eddie McKay, Yvonne Parker—Norris Lewis, Ann Daugherty—Jesse George, Ann Lemley—Johnny Cabbiness, Jerre Sue Estes—Ernest Hymann, Jorita Fuitford—Tommy Street, Patsy Fuitford—Paul Brock, Patsy Trim—Paul Gaston.

QUITS AND QUOTES: Two more B. H. S. students are wearing engagement rings this week. Shirley Wilkinson is engaged to B. H. S. grad Jerry Don Brown. Beverly Isaacs accepted a ring from Ray Gohber of Meadow. A former B. H. S. student, La Nell McNally, visited the hold hometown last weekend from Pecos. She stayed with Prissy Trim. The First Baptist Church had a Christmas party Monday night, Dec. 11. The guests played games, exchanged nonsense gifts, and had refreshments. A district youth rally was held at the First Christian Church Sunday, Dec. 10. The local Country Club is holding a formal holiday dance Dec. 27 for all the teens and twenties. Or-

chestra music will be furnished by Bernie Howell, starting at 8 p. m.

Several members of the F. T. A. Club left early Tuesday morning for the district convention in Plainview.

Loonell Chesshir entered the hospital Sunday night for an appendectomy.

The B. H. S. Band will present its annual Christmas concert Friday night. They will also present a program in assembly Friday afternoon. Tickets may be purchased for the evening performance from any band member.

Sportswise, the Cubs played Levelland Tuesday night in the B. H. S. gym, and they will play in the Snyder tourney, Dec. 14-15.

Finis

PCG Strongly Urges Cotton Classing Changes

Plains Cotton Growers, Inc., is backing the eight changes recently recommended for improving cotton classing on the South Plains.

PCG's action was announced this morning by Al M. Muldrow and R. D. Jones Sr., both of Brownfield and Terry County directors of PCG.

Jones and Muldrow explained the eight proposals were made unanimously at a Nov. 29 meeting in Lubbock attended by representatives of PCG, South Plains Farmer-Ginner committee, South Plains Ginners Association, Farm Bureau, Farmer Union and businesses.

The specific recommendations for improvement of cotton classing were:

1. Establishment of uniform humidity equipment in all classing offices in this area, whether it be the Lubbock office or other newly created offices, and that cotton be allowed to condition—12 to 24 hours—before it is classed.

2. Multiple classing offices be considered for this area. (President W. O. Fortenberry of PCG appointed a committee to study this program and report later. Committeemen are Chairman Curtice Boyd of Lubbock, and John I. Bowling of Hale Center and Kenneth Purcell of Brownfield.)

3. Samples of bales taken at gins and compressed were discussed and the group voted for more UNIFORM samples, regardless of where taken, and also recommended that the ultimate goal be taking

of automatic samples from gins.

4. Recommended the return to use of the class, or "pink", sheet by the classing office and that each classer be given a code number and that it be placed on the pink sheet.

5. Establishment of a classing

review board composed of one qualified classer each to represent the farmer, the cotton trade and the government, and that the grade given by this board be final.

6. The date entered on the green card be the date the sample was received at the

classing office, instead of the date the cotton actually was classed.

7. The Commodity Credit Corporation recognize and set a value for light spotted cotton in the government loan.

8. This group as a body opposes any proposed change in the average grade and staple from 7/8-inch to 1-inch in the government cotton program.

445 TRACTOR

first of the **POWERLINED** series!

This is the POWERlined 445, the 40 HP class Minneapolis-Moline tractor that takes a big, new step into the future! It's the tractor with the power, the handling, and the time-saving advantages to make today's farming pay as never before! These are some of the ways this new tractor puts you ahead—and keeps you there—year after money-making year:

Exclusive power-traction balance! MM's exclusive Ampli-Torc Drive and Ampli-Trac hydraulic hitch match power and traction to any job.

New power assist! Uni-Matic hydraulic power for steering and implement control... rear wheels that power-adjust to fit any row crop... new, scientific control location—it never took less muscle to run a tractor!

Dynamic new design! Trimmer outside... tougher inside... it's a man's tractor, with solid stay-power built in!

Tremendous new power! Tucked under that POWERlined hood is your choice of four all-new valve-in-head engines for gasoline, diesel fuel, LP gas or tractor fuel.

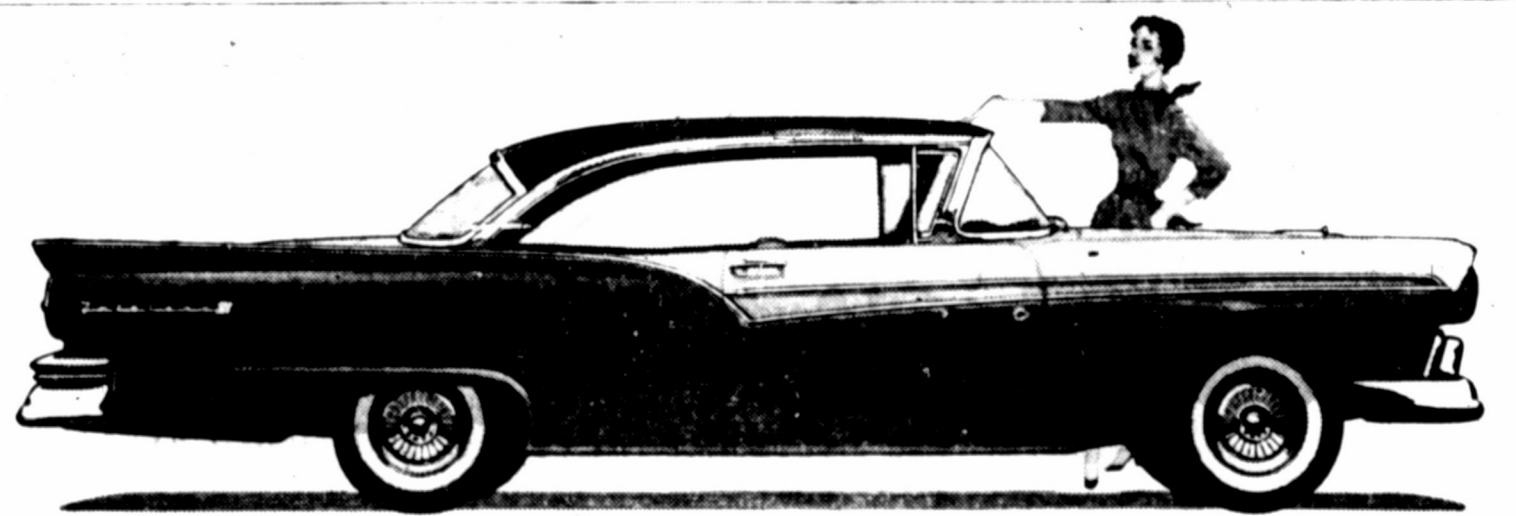

You can buy the 445 in two POWERlined models, the all-purpose Universal, or the compact, versatile Utility, with a complete line of new MM implements for front or rear mounting. Come in now... be one of the first to drive this out-ahead tractor... on a real job... on your own farm!

1301 LUBBOCK ROAD

"Your Friendly M-M Dealer"

PHONE 3123

The exciting Ford Fairlane 500 Club Victoria (above)—over 17 feet long—is one of two new, bigger Ford sizes this year.

If you think it looks new...
wait till you drive it!

...For there's where Ford's newness really pays off
...in melting mountains...in smoothing the bumps
...in straightening the curves

You can see that Ford's longer, lower Sculptured Look makes other cars look downright old-fashioned. But the part you can't see—the new "Inner Ford"—is what shows its stuff when you drive a Ford. It's revolutionary from the wheels up! And it feels it.

Ford's wider frame lets you sit sweet and low. And Ford's new front suspension, rear springs and new easy handling are part of the scheme to make you think every road is cloud-smooth.

The magic touch of the new Ford power plants makes mountains disappear. What looks like uphill feels like downhill. You get this surging power in a wide choice of Silver Anniversary V-8 engines. Or choose Ford's Mileage Maker Six, the most powerful Six in the low-price field.

There's magic in Ford's price tag, too! You won't believe this big new Ford is still priced Ford-low. But it is. Come in and test its magic. It's a real "Wizard of Ah-h-h-h's!"

WITH YOUNG LIFE

... we have our greatest opportunity. *The Thoughts of a child are long thoughts.* They become part of a personality which may go on forever. That is why we should, at a very early age, introduce our youngsters to God. Re-living our words and our deeds is their favorite past time. Then it is so important for us to teach them His word and take them to His church. *Our language, our deeds, our lives leave permanent marks upon their plastic brain.* Since the world is the class room and all of us are the teachers, it is very necessary that we be right in both precept and example. Keep from your child the devil's influence so they may grow upward toward God. *As the twig is bent, so grows the tree... so grows your child.*
