

IN THE PICTURES — Gold Star Mothers at Memorial Day services here are pictured in top panel. From left, they are Mrs. Lula Smith of 905 North Second, Mrs. Etta Brumley of 1015 North Second, Mrs. Anna Bailey of 1109 West Powell, Mrs. Gertrude Freeman of 502 North Sixth, Mrs. Ella Glover of 407 North Eighth, Mrs. Carmen Reyna of Lubbock, Mrs. R. D. Hill of Penwell, Tex., Mrs. Nora Gregg of Meadow

and Mrs. P. J. Nettles of Route 1. The mothers were guests Thursday of Hand Bros. Post 6794, Veterans of Foreign Wars. In left panel: H. B. Virgil Crawford, master of ceremonies, reads the roll call of Terry's dead in World Wars I and II and the Korean War. Kneeling is Mrs. L. D. Bailey, president of Hand Bros. Post Auxiliary, who, with Miss Jacque Aaldrup, placed on the grave a flower for each name

on the roll. Later, the VFW ritual team, under the direction of Jack Aaldrup, placed wreaths of the following colored flowers on the grave: green for "remembrance," blue for "life ever-lasting," white for "unselfish courage" and red for "purity." A brief address was made by the Rev. Howard Smith, pastor of First Church of the Nazarene. An invocation was said by C. A. Seay, elder of Friendship Baptist Church.

A rifle team from the Brownfield National guard unit, under command of Lt. Fred T. Adams, fired a volley salute. After the ceremonies, which took place on the courthouse square, post members went to Brownfield and Terry County Memorial cemeteries, where they placed flowers on each veteran's grave. The post also sent flowers to the Meadow Cemetery. (Staff Photos)

SEES TERRY FARMS

SCS Hosts Brazilian

Terry County soil conservation and irrigation practices came under close scrutiny this week as a Brazilian extension agent visited here Friday through Wednesday. Hilton Guilherme C. Leite of Ijuí, Brazil, spent six days here as part of a six-month survey of soil conservation methods used throughout the United States. He left here Thursday for Temple en route to Phoenix, Ariz.

His escort, Morris Farrow of the Brownfield office, U. S. Soil Conservation Service, said the foreign trainee holds a position in Brazil similar to that of a county agent here.

"However," said Farrow, "his job includes both soil conservation and the work of a county agent."

The 16-year veteran of extension work in the South American country said he will return to his home in mid-August with several samples of seed—four of them from Terry—and test them there.

"I am delighted with the people of Texas and I am thankful for the chance to visit and study here," said Leite. "I am sure my studies here will be useful to me in Brazil."

Leite indicated special interest in Terry County's sprinkler irrigation systems and the type of wells in use here. "Though my country receives an average annual rain-fall of 60 inches, your wind erosion problems are interesting to me," he said.

The SCS guest, a landowner in Brazil, reported that farming methods and equipment are comparable to those of the United States. "We just don't have a varied type of land and a climate," he added.

VOL. 20 10 CENTS BROWNFIELD, TERRY COUNTY, TEXAS, SUNDAY, JUNE 2, 1957 NUMBER 27

Brownfield Ranked As High-Powered Market

NEW YORK, May 27 (Special)—On the basis of a new national survey of buying power, Brownfield stands out as a high-powered market, with families earning more and spending more than those in most parts of the United States.

The facts and figures bearing this out are disclosed in a copyrighted survey of buying power. The study, just released by Sales Management, covers every area of the country.

The prosperity of the Brownfield economy in the past year was evident in its record level of income, much of which promptly found its way to the retail stores.

Local merchants, as a result, and a good year, chalking up a sales volume of \$19,518,000.

This was a larger amount than should have been expected from a community of its size. On the basis of population, local retail activity should have been only .0060 per cent of the national. Instead, it reached .0101 per cent.

The large-scale buying is seen as the expression of a confident, growing population. It resulted in gains in nearly every retail category, with non-durable goods going ahead most. Many Stores experimented successfully with higher-priced items. They found that people were ready to spend more for better quality.

Bigger earnings were the force behind the business surge. The study shows that Brownfield families had a net income last year, after deducting personal taxes, of \$17,664,000, compared with \$15,571,000 in 1955.

The excess of sales over earnings is accounted for by the fact that the local market is the trading hub for the surrounding area.

The income total, divided by the number of local families, represents a net income of \$5,888 per family.

It was more than most families in the United States had to spend, the average being \$5,736. In the West South Central States, it was \$4,988.

The business vigor of each community covered in the survey is indicated by an "index of sales production," which relates the retail volume done to the population. For Brownfield, the index given is 168, or 68 per cent above average.

18 Show Interest In Remedial Reading

Some 18 third-to-fifth grade students have indicated they will take the six-week remedial reading course offered by Brownfield Public Schools this summer, reports O. R. Douglas, superintendent.

"Those who are planning to take the course will report at 7:30 a.m. June 17," said Douglas. "After we see how many we will have attending, we will divide them into one group 7:30 a.m. to 9:30 a.m. and another from 10 a.m. to 12 noon."

The superintendent said anyone else interested in attending the course should contact Bryan Jones, principal of Colonial Heights School.

Theft of Money Here Is Reported To Police

City police are investigating the theft of \$288.85 from a panel truck at 205 West Powell sometime Monday night.

M. A. Payne, an employee of Beard Music Co., told investigating officers the sum was mostly in nickels and dimes taken from juke boxes in Brownfield. He said the money was in a cloth sack and that he thought he had locked the truck before retiring Monday night.

Officers said the truck, which was sitting next to Payne's home, did not show evidence of being locked.

It will be necessary to have three neighbors certify that the ginnings came from no more than five acres.

Asst. County Agent Announces Deadline For Cotton Contest

June 15 has been set as the deadline for FFA and 4-H Club members who will participate in the Terry County cotton-growing contest, according to Bob Etheredge, assistant county agent.

Prizes of \$100, \$75, \$50 and \$25 will be awarded for the top four crops.

Etheredge noted that 4-H Club members also may enter a district competition. Any youth desiring to enter the county or district competition must contact the county agent's office by the deadline.

To compete, each contestant must plant and care for a five-acre plot of cotton. After harvest time youths will turn in their gin tickets and the amounts of lint per acre grown. The assistant agent said it

English Courses Are Scheduled At BHS

High school English courses will be offered by the Brownfield Public School system this summer, according to O. R. Douglas, superintendent.

Douglas requested that students who have signed up for English courses, and those who desire to take English credit courses, report to the high school Monday morning.

The superintendent explained that insufficient interest was shown in other courses to warrant their offering.

A \$15 tuition fee will be charged for the eight-week courses.

Douglas pointed out that parents may contact Dr. Robert Hoey, school counselor, if they are in doubt about their child's English credit status.

ROTARIANS AND THE COLONEL — Of pioneer western movie fame, Col. Tim McCoy, center, lunched Friday with Brownfield Rotarians. With the colonel — he actually was a colonel in the U. S. Army, serving during World Wars I and II — are Rotary President Newell Reed, left, and Sam Privitt, program chairman. McCoy told the Rotarians briefly of his experiences as a movie star, and of his trips abroad with different show troupes. He is an acknowledged expert in American Indian lore. (Staff Photo)

When God made man, He gave him everything he needed to be happy and healthy. Perhaps the main instinct man possesses is the need to protect himself from everything that might endanger his life. Along with this fearful instinct, man also was given common sense to guide and direct his fears.

There is no such thing as a fearless person, and to admit fear is just common sense and most certainly a healthy attitude—and the first step toward conquering it.

In view of the recent tornado destruction in neighboring counties, it is absolutely common sense to take precautions, when severe weather bulletin are out.

It also is common sense, if your fears have hysterical tendencies, to sit down and give yourself a "good talking to". Just what are you afraid

of anyway? The cloud itself; the destruction; bodily harm to you or your family?

If you'll be honest, actually you are afraid for yourself. Chances are, if you panic from weather warnings, you also get very upset over smaller matters.

There is only one antidote to Fear, and that is Faith. I mean not only faith in God, but faith in oneself.

Faith in oneself creates an emotional maturity which recognizes that fear is a peculiar emotion that undermines health and well-being, thus leading to more fear, thus creating a vicious circle which is difficult to break—but not impossible.

Faith in oneself is a realization that there is a limit to what man can do in any situation. It means to be satisfied. See NO. 1 Page 3

KTFY Is Best News Source In A Tornado Alert; Its Value Proved

Your best news source during a tornado alert in Terry County: Brownfield's Radio Station KTFY.

Civil defense officials Saturday issued a plea that residents, during an alert, keep their radios tuned to the KTFY channel.

The value of the bulletins issued Friday night by the station were proved beyond doubt, said Leo Holmes, chairman of Terry County Civil Defense and Disaster Organization.

The organization is a well-knit unit which goes into action well before any actual disaster might occur.

"Here is a figure which may set more minds at ease," said Lewis Simmonds, executive assistant to Holmes. "There are at least 18 shortwave radio sets which automatically are placed in a huge circle around Brownfield during an alert of any kind."

"These units are manned by members of the Brownfield Police Department, State Highway Patrol, Fire Department, Terry County Sheriff's Office and by 'hams' of the Terry County Amateur Radio Club," said Simmonds.

Police Chief James Tippit urged strongly Saturday that residents limit telephone calls to the City Hall offices and to KTFY. "For the greatest safety to the greatest numbers, our telephone lines must be kept open."

The chief went on to explain that telephone calls to the department or to the radio station would get no more "late" news about pending disaster than that available over the radio.

Tippit also requested that residents stay off the streets in their cars and plan their actions within the home.

"There can be nothing but traffic jams and accidents when everyone tries to go somewhere in his car. Where are they going?"

Simmonds explained that

six mobile shortwave sets in automobiles manned by Brownfield hams are deployed during an alert in a ring about 15 miles from Brownfield.

The operators are in constant touch with Brownfield police and county officers, who are in touch with KTFY and the U. S. Weather Bureau at Lubbock.

Said Simmonds: "When a tornado is spotted, the information is sent immediately to the center here in Brownfield. KTFY is notified, as well as the weather offices at Lubbock. The office personnel in Lubbock then notify the Lubbock TV and radio stations."

Siren Will Sound

The civil defense personnel requested that everyone spotting a tornado report it to Brownfield police, giving its location, direction of travel and time.

Tippit also explained that the siren at City Hall would be sounded "only when it is absolutely necessary. And when it does sound, it does not mean that a tornado is right on top of us," he said. "It means merely that a storm has been spotted in the near area."

The civil defense director also paid tribute to the Brownfield unit of the National Guard, whose members were called into action last Monday night to help move traffic on the flooded roads south and southwest of the city.

BRAZILIAN VISITOR — Hilton Leite of Ijuí, Brazil, discussed Terry County's soil conservation program with Conservationist Morris Farrow, right, during his tour here this week. He is employed by the Brazilian extension service. (Staff Photo)

Terry County Man Charged In Burglary Pvt. Bobby Cornett Finishes Schooling

A Terry man is in county jail this week in lieu of a \$2,000 bond set Wednesday by Justice of the Peace Lonnie Rhyne. He is charged with burglarizing three business houses in Meadow last week.

John L. Overman, 29, of Route 1, Tuesday was arrested in Waco on the burglary charge, according to Deputy Sheriff Bill Gordon. He also faces charges in several other counties for forgery and passing a forged instrument and for auto theft in Big Spring, said Gordon.

The man, who was released from Huntsville State Prison only six weeks ago, has admitted breaking into Wilson Drug, Faulkner's Service Station and B and H Feed Store on May 21, Gordon revealed. He is alleged to have taken an estimated \$100 worth of items from the three businesses.

Overman has served time for auto theft at Huntsville and for forgery and passing a forged instrument in New Mexico, officers noted.

Pvt. Bobby W. Cornett, son of Mr. and Mrs. J. A. Cornett of Route 5, was graduated last month from the Carrier Equipment Repair course of the Wire Division at The Signal School, Fort Monmouth, N.J.

The 23-year-old signalman from Union High School, entered the service in October 1956. He will be reassigned soon to utilize his training with the Army Field Forces.

THEY WERE HERE — More than 200 Future Farmers and their advisors took part Friday and Saturday in the annual convention of Area II, Future Farmers of America. Among the group were chapter advisors pictured above. From left: Harvey Hennigan of Big Lake, R. A. Foster of Coahoma, Ed Seay of Big Spring, A. H. Smith of Ackerly and Earl Madding of Flower Grove. Center of attention: Miss Wanda Armstrong of Ozona. She was to compete for the title, Sweetheart of Area II. (Staff Photo)

64 Piano Students Presented Awards At First Baptist Church on Tuesday Night

Immediately following a program of piano ensemble music in the First Baptist Church, Tuesday night, prizes and awards were presented to 64 piano students of Jerry Gannaway.

Four students tied for the grand prize. Each was presented a twelve-inch bronze-colored bust of Mozart. Winners were Emily Risinger, Patricia Turner, Gelane Staudt, and Charmie Howell. All had maintained a perfect record of practicing for the year as well as a high achievement rating.

National Guild certificates and pins were presented denoting International, State, District, and Local honors. Those presented International certificates (playing a program of 15 to 20 memorized pieces in their Guild auditions) were Barbara Newsom, Emily Risinger, and Patricia Turner.

National certificates (10-14 pieces) were presented to Judy Akers, Nancy Baker, Randa Barton, Emily Blackstock, Margaret Ann Blackstock, Dee Ann Boston, Barbara Brown, Susan Cope, Joe Crawford, Don Criswell, Jan Denison, Carolyn Farrar, Howard Farrar, Brenda Faubion, Timmy John Fenton, Ronny Gaasch, and Lynda Beth Geron.

Duanne Harris, Randy Hill, Charmie Howell, Linda Hyman, Sherril Kirschner, Penny Knox, Barbara McGowan, Jeanne McNabb, Ella Sue Nelson, Jan Nicholson, Nancy Noel, Daphne Pemberton, Jeff Pemberton, Becky Richardson, Jane Rodgers, Terry Sims, Juaneva Smith, Lynne Smith, Caroline Stowe, Linda Faye Taylor, Judith Timmons, Conrad Vernon, Jane Weiss and Laurelle

Wheatley. State certificates (7-9 pieces) were presented to Jacque Aaldrup, Rals Loe, Ann McBurnett, and Sandra Taylor.

District certificates (4-6 pieces) were presented to Glenda Bounds, Elaine Falche, Gwendolyn Flache, Rita Jean Flippin, Janie Fugitt, Barbara Green, Allen Lee Hallbauer, Nelda Jordan, Robert Kimbrough, Shaeron McWherter, Barbara Nicholson, Merle Smith, and Susan Zorns. Local certificates (2-3 pieces) were presented to Lavonne Franklin and La Veda Raynes.

Cancer Society Unit To Hold Annual Meeting

The annual meeting of Terry County Unit, American Cancer Society, will be held at 7:30 p.m., Tuesday in the South Plains Health Unit.

Unit president, Mrs. R. N. McClain, urged Saturday that "all members directly concerned be present. We'll have important business decisions to reach."

Greenbugs Continue To Plague Farmers.

Greenbugs have threatened American small grain crops for three-quarters of a century. Since 1882, these unusual pests have caused periodic crop failures all over the nation.

Greenbugs are generally very abundant in winter and spring, long before most other pests appear. They are a small aphid, nearly the color of leaves. Sometimes greenbugs are undetected until yellow or brown spots appear in infested fields. Male greenbugs have not been observed under Texas conditions.

Information in a Texas Agricultural Experiment Station bulletin gives data on biology, distinguishing characteristics and control of greenbugs. Mites and false wireworms also are discussed.

Insecticides currently offer best greenbug control and parathion or methyl parathion appears to be the most profitable.

Best test results were obtained on days with temperatures of at least 50 degrees and with winds of less than 10 miles an hour. In irrigated wheat, treatments made as soon as possible after water application insured better kill.

Research at Denton and Amarillo indicate promising future control methods in the form of resistant small grain varieties.

Services for Robert T. Lively Are Held

Graveside rites were held Tuesday in Grove Hill Memorial Park at Marshall for Robert Terrell Lively, 80, who died last Saturday in Dallas. He was the brother of Mrs. W. A. Bell of 402 East Broadway.

A resident of Dallas for 30 years, Lively was born in Terrell, which was named after his late grandfather, Robert A. Terrell. He was a retired salesman for the Fant Milling Company. He was reared in Marshall and belonged to the Methodist Church.

Survivors other than Mrs. Bell, who attended the services, are a sister of Marshall and a brother of San Antonio.

FILLERS

The United States aid program to Poland will amount to about \$6 million dollars. Poland had asked for 300 million.

The Soviet Union proposed opening 2,770,000 square miles of its territory to U.S. inspection in return for license to inspect the United States west of the Mississippi, and Alaska.

Continuously open, manned telephone lines connect every region of the country with the Continental Air Defense Command at Colorado Springs. It's part of the new civil defense air warning network.

GEE GEE'S

Hope our most capricious weather will allow me to stay out of the basement long enough to bat out this old column. And, by the way, I'd like to thank Bob and Arlene Clements for the use of said basement during the past ten days and for any future use I may make of it. Unless I fall down and break a leg or get caught by a funnel enroute, any time there's a cloud the size of a pocket handkerchief in the sky, you can find me in that basement.

Which prompts me to state that anyone who can stand up and look you in the eye and swear they're not afraid of a tornado is either crazy or a fool. You can take your choice. But I don't have that trouble because I'm petrified of 'em

Chat Chit

and don't mind admitting same. Seems like there was something of great importance that I needed to pass on to you this week but I didn't write it down, so naturally I can't recall it. I would remind you, however, now that the swimming pool is open that you'd better take precautionary measures against too much sun... both on your head and your skin. Don't know how true it is, because I can get a suntan under a light blub (almost), but if you want a good, smooth, quick, even tan, I've heard a mixture of vinegar and olive oil produces same. I do know that some of the girls who've taken advantage of the suntan machine down at the Beauty Aid Clinic have used it with good results.

Summer Session BHS News

By Patti Wilder

If Patti will allow "ye olde editor" (outgoing) a bit of space, we'd like to say that it has been a pleasure trying to keep up with all the doin's and speakin' at ya via the NEWS. Thanks to all of you for being ace reporters, and we feel sure

But for heaven's sake, don't overdo it and try to get your tan all at once. And remember, if the sun's very hot, to keep a hat or something on your little pointed head. I've

that Patti will do a fine job of presenting your news this coming year. It's been a real experience, and many happy memories are associated with this column... So we'll write our last "finis" and say thanks again for everything.

Many fearless souls braved a terrific storm last Monday to witness an impressive graduation ceremony. Salutorian William Smyrl and Valedictorian Donna Christopher did themselves justice as honor students by their well-delivered addresses. We, the seniors of '58, certainly will miss our good friends, and we wish them the best of luck.

After the graduation exercises Monday night, there was a dance at The Party House, attended by exes as well as BHS students. Following the dance, there was a slumberfest party at DeLuxe Motor Inn, with these girls present: Jerre Nell Pipkin, Claudia Tuttle, Judith Prewitz, Pat Ott, Jeanie Criswell, Gail Cottrell, Nancy Bear, Sue Benson and Donna.

For baccalaureate services Sunday night, the seniors were escorted by Sue Shewmake, junior class secretary, and Michael Browning, junior class president. The Rev. Ralph O'Dell of First Presbyterian Church gave an inspiring sermon with lots of good thoughts for the future.

May 24 was quite a day: We finished our tests - Whew! After two days of long, hard work and study, we're through for the summer.

Annual Officers Elected There also was an Annual staff meeting Friday after school, and officers were elected for next year: Mary Jane Brownfield, editor; Clarice Cornett, assistant editor; Jacques Aldrup, senior editor; Rita Lou Goodpasture, junior editor; Carole Crawford, sophomore editor; Juanice Newbill, freshman editor; Wendell Newman, sport editor; Janice Nowell, art editor, and Patti Wilder, in charge of book sales.

Also on May 24 a few students went to a dance at Brownfield Country Club which was given for the seniors. The crowd there wasn't very large, because many of the senior boys had gone to Lake Thomas. Those dancing were: Bettie Ann Davis-Johnny Gaston; Le Nora Turner-Gerald Jenkins, Kay Kessinger-Jerry Don Hurdabee, Carole Crawford-Bobby Moore, Barbara Germany-Mont Muldrow, Donna Sue Christopher-Dale Travis, Jeanie Christian-Joe Cloud, Patsy Hulise-Eddie McKay, Patti

CANDLELIGHT RITES

Miss Brown Is Bride

Beneath an archway of greenery centered with white bells and flanked with baskets of white gladiolus and white tapers in branched candelabra, Miss Beverly Ann Brown became the bride of James Gee Morris Saturday at 7 p.m. in Crescent Hill Church of Christ. John McCoy, minister of the church, officiated at the double ring rites.

Parents of the couple are Mr. and Mrs. Earl James Brown of 1105 East Cardwell and Mr. and Mrs. H. M. Morris of 507 North A.

Nuptial music was "Because", "O Promise Me," "Whither Thou Goest", "The Lord's Prayer" and traditional wedding music, recorded by the Broadway Church of Christ Choir of Lubbock.

Father Escorts Bride Escorted to the altar by her father, the bride wore an original model gown of white nylon lace and nylon tulle over net and satin. Designed with a high neckline framed with upstanding queen's collar, the fitted lace bodice had a sheer yoke enhanced with appliques of lace, long sleeves ending in points over the hands, and terminating with a point at center front waistline. Stemming from this was a voluminous floor length skirt of lace,

Wilder-George Fugitt.

Nancy Bear was hostess to a coke party Sunday afternoon given in honor of Sue Ann Benson, visiting here from Shamrock. Girls there were Mary Jane Brownfield, Anne Lee, Donna Sue, Jerre Sue Estes, Claudia Tuttle, Janet Bragg, Jo Bess Boston, Jerre Nell Pipkin, Juana Jay Barret, Donna Sue Nelson, Gail Cottrell and Carolyn Burnett.

There was another coke party Friday afternoon in the home of Carolyn Burnett before graduation rehearsal.

Members of BHS band are looking forward to their trip to Ruidoso Tuesday and Wednesday. They'll assemble at the high school at 4:30 a.m., Tuesday.

Beverly Isaacs was honored at a miscellaneous bridal shower show from 3:30 p.m. until 5 p.m., May 25 in First Methodist Church. Her marriage to Ray Gober is June 1.

These two duos went through Carlsbad Caverns last Sunday afternoon: George McDonald-Grace Grissom and George Lackey-Shirley Morris. Perhaps this is one of the first trips anyone has enjoyed since we gained our freedom for the summer.

The Long List Daters About Town: Jo Rita Fulford-Lee Dale Rowden, Sharon Kennedy-Ken Muldrow, Karen Foshee-Joe Oswald, Betty Hargrove-Bobby Casey, Sherry Don Spears-Bobby Horton, Charlotte Hurd-Dixon Latham, Priscilla Trimm-Jack Purtil, Le Nora Turner-Gerald Jenkins, Donna Christopher-Dale Travis, Mary Ruth Venable-Tom Chisholm, Doris Ratiiff-See NO. 2 Page 6

MRS. JAMES GEE MORRIS

with matching accessories and a white carnation corsage. The couple will be at home at 610A East Main after June 8. Both are graduates of Brownfield High School. The bride attended Abilene Christian Col-

lege and is now employed as secretary for the Brownfield Chamber of Commerce. The bridegroom is a graduate of Cisco Junior College and is employed with Honolulu Oil Company.

"THE CHEAP BUYER TAKES BAD MEAT"
*Author's Name Below

Over two hundred years ago this warning was written, and it is as true today as it was then.

There are no secrets about how to be successful in business. A fair profit must be made, or one does not last long. To sell cheaper means that either quality or service must be cut—usually both. Medicines or health-aids must always be of the best quality, and prescription service should be the best possible.

We wouldn't like to be called the cheapest or the dearest pharmacist. We just want folks to always say that our prices are fair, and our service is good.

YOUR PHYSICIAN CAN PHONE 3144 WHEN YOU NEED A MEDICINE

A great many people entrust us with the responsibility of filling their prescriptions. May we compound yours?

Johnny Hazard

By Frank Robbins

WELL, KITTY I SEE YOU'VE FOUND GIZMO'S PANDORA'S BOX! HOW'S IT READING INTERESTING?

"KISMET CALLAHAN," EH? QUITE A MONICKER TO CONJURE WITH IF THOSE ARE REALLY PICTURES OF HER!

THAT I DON'T KNOW, JOHNNY! BUT FROM THE SOUND OF HER LETTERS, SHE'S NO PROMISE!

WHEN WHAT KIND OF PROMISE LINE DID GIZMO HOP HER UP WITH?

FAR AS I CAN SEE, DARLING, GIZMO PLAYED IT PRETTY STRAIGHT! JUDGING FROM HER ANSWERS, HE TOLD HER...

PLEASE EXCUSE ME—HAI INTERRUPT! IS ARMY-YANKS ARRIVE OUTSIDE!

KEEP THE LOVE-LETTERS BURNING, KITTY, UNTIL I GET BACK!

SERGEANT RICCO REPORTING, SIR! OUR HEAVY MOTORIZED SALVAGE GEAR IS MAKING ITS WAY UP A RUGGED MOUNTAIN TRAIL... THEY'LL BE HERE 'BOUT AN HOUR!

GOOD, SERGEANT! I'LL KNEE-HIGH'S THE MAITRE D'HOTEL HERE! HELL SHOW YOU TO YOUR QUARTERS!

OKAY, KITTY, I'M PAINTING FOR THE NEXT TORRID CHAPTER! GIVE!

DON'T BE SO BLASE, DARLING! THIS IS REALLY A VERY TENDER AFFAIR BETWEEN GIZMO AND KISMET CALLAHAN... DESPITE ITS BEING A LONG DISTANCE COURTSHIP! NOW, LISTEN...

WHAT DO THE LETTERS REVEAL TO YOU, KITTY?

FIRST, KISMET CALLAHAN IS QUITE A GAL... NO FAMILY... BEEN TAKING IT ON THE CHIN A LONG TIME...

...WAITING FOR THE RIGHT GUY TO COME ALONG... AND SHE'S CONVINCED GIZMO IS THAT GUY!

THAT LOW-DOWN CREEP! PROBABLY PAINTED HIMSELF AS AN ANGEL WITHOUT WINGS...

UH-UH, DARLING! THAT'S WHAT'S SO OPP/GIZMO FED HER THE STRAIGHT GOODS! A LONELY URANIUM PROSPECTOR TRYING TO HACK A FORTUNE OUT OF THE WILDERNESS...

...UGLY... UNSUCCESSFUL... BUT FULL OF HOPE! I ASKED HER TO SHARE HIS HARDSHIPS!

HMM... CASTS A NEW LIGHT ON MR. GIZMO AND WHY HE YIELDED TO THE TEMPTATION OF QUICK MONEY! HMM... WONDER WHAT KISMET'S REALLY LIKE!

Beetle Bailey

By Mort Walker

HEY YOU GUYS! BE QUIET OR YOU'LL WAKE THE WHOLE BARRACKS!

WHAT A WET BLANKET! HE DOESN'T BELIEVE IN HAVING FUN!

YEAH, HE FORGETS WHEN HE WAS YOUNG!

I HEAR HE REALLY LIVED IT UP IN HIS DAY!

MUSTACHES ARE OLD-FASHIONED! I USED TO THINK I NEEDED IT TO GIVE MY FACE DIGNITY AND STRENGTH!

I THINK I'LL SHAVE IT OFF!

I DON'T KNOW—MAYBE IT'S A NEW KIND OF CAMOUFLAGE HE'S WORKING ON!

ALL RIGHT! WHO TOOK MY BUBBLE GUM?

NOT ME!

WELL, I JUST BOUGHT A NEW PACK AND PUT IT RIGHT THERE ON MY FOOT LOCKER!

YOU MUST BE MISTAKEN! NO ONE WOULD BE LOW ENOUGH TO STEAL ANYTHING HERE!

IN THE PICTURES — Final big event for fourth and fifth grade students at West Ward before school was out for the summer was a spelling con-

test. First-place and second place winners in fifth grade are pictured in the two left panels with their teachers. From left, they are Frances

Jones and Mrs. Maxine Glenn, and Stanley Farrar and Mrs. Golda Blackstock. First and second place win-

ners in fourth grade are in two right panels. From left, they are Jackie Seales and Mrs. La Rue Gay, and Sandra Morgan and Mrs. Ruby Arnold. Kenneth Browning is

principal of West Ward. (Bill Conlee Photos)

Mrs. Billy Blankenship Installed As President of Junior Womens Club

The Brownfield Junior Woman's Club held their last meeting of the year Monday with a luncheon at the Seleta Jane Brownfield Club House. The serving table was laid with a pink linen cloth centered with an arrangement of pink roses. The menu included baked ham, green beans, scalloped potatoes, relishes, rolls, butter, iced tea, lemon pie and coffee.

After the luncheon Mrs. E. B. McBurnett, Jr. called the business meeting to order and a reading of the minutes was given by Mrs. Mack Ross. After committee reports were given, Mrs. McBurnett announced that the club had won at the state convention in addition to a first in press book

and publicity and a second in yearbooks, the club also won a first in their "Religions of the World" department which was their course of study for the year. The club voted to accept the resignation of Mrs. Carl Elliott who is moving to Lubbock.

Upon approval and acceptance of their request to buy into the Seleta Jane Brownfield Clubhouse, the club voted to raise their membership from 22 to 30 and elected the following to serve on the clubhouse Board of Directors.

Mrs. Harley Stone, one year; Mrs. Bob Campbell, two years; Mrs. E. B. McBurnett, Jr., three years.

After the business meeting

Mrs. McBurnett installed the new officers by pinning a white carnation on the following: Mrs. Billy Blankenship, president; Mrs. Buddy Orr, first vice-president; Mrs. Bob Campbell, second vice-president; Mrs. Alton Martin, recording secretary; Mrs. Jack Hamilton, corresponding secretary; Mrs. Dub Holleman, treasurer.

Mrs. Blankenship announced the following appointment of officers, department heads and committee: Reporter, Mrs. Leo Wenzel; Historian, Mrs. D. E. Hewitt; Critic, Mrs. Robert Knight; Parliamentarian, Mrs. Erwin Moore; Fine Collector, Mrs. Alton Martin; Federation Counselor, Mrs. Harley Stone; appointed members to Executive Committee, Mrs. Albert Troost and Mrs. Junior Ratliff; Department Heads: Community Affairs, Mrs. Bob Campbell; Conservation, Mrs. Billy

Gorby; Education, Mrs. D. E. Hewitt; Fine Arts, Mrs. Dub Holleman; International Affairs, Mrs. Robert Knight; American Home, Mrs. Leo Wenzel; Communication, Mrs. Albert Troost; Public Affairs, Mrs. E. B. McBurnett, Jr.; Religions of the World, Mrs. Buddy Orr; Americanism, Mrs. L. U. McPherson;

Program Committee, Mrs. Buddy Orr, chairman, Bob Campbell, E. B. McBurnett, Jr., Albert Troost, Erwin Moore, Finance—Mrs. D. E. Hewitt, ch., Harley Stone, Jack Hamilton, Dub Holleman, Billy Gorby; Social — Mrs. Harley Rodgers, ch., Alton Martin, L. U. McPherson, Junior Ratliff; Project—Mrs. Billy Gorby, ch., E. B. McBurnett, Jr., L. U. McPherson, Bob Campbell; Publicity — Mrs. Leo Wenzel, ch., Erwin Moore, Dub Holleman; Membership—Mrs. L. G.

Moore, ch., Harley Rodgers, Leo Wenzel, Constitution & By-Laws—Mrs. Robert Knight, ch., Harley Stone, L. G. Moore, Civic & Welfare—Mrs. E. B. McBurnett, Jr., ch., Harley Rodgers and Buddy Orr; Telephone—Mrs. L. U. McPherson, ch., Albert Troost, Junior Ratliff, Courtesy — Mrs. Albert Troost, ch., Jack Hamilton and Alton Martin.

Those attending the luncheon were Mmes. Blankenship, Campbell, Elliott, Hewitt, Holoman, Knight, Martin, McBurnett, McPherson, Moore, Orr, Ross, Moore, Stone, Ratliff and Wenzel.

The club adjourned until the fall meetings.

First Baptist W.M.U. Will Meet Wednesday

The Women's Missionary Union of the First Baptist Church will meet Wednesday at 9:30 for business and a Bible study.

All members are urged to attend.

Sunday visitors in the G. M. Thomason home at 620 East Main were her cousin, J. E. Renegar and wife of Tulsa, Okla. and their granddaughter and family, the Jack Proctors, of Hobbs, N.M., formerly of Brownfield.

June is Dairy Month. Plentiful supplies of nutritious dairy foods place them at the top of the USDA's June Plentiful Foods list. Buy them often in June.

Presbyterian Chancel Choir Group Honored At Dinner Tuesday Night

Members of the chancel choir of the First Presbyterian Church were honored with a steak dinner in Fellowship Hall Tuesday night with the church Session hosting the event.

Fred Smith, choir director, was master of ceremonies and, following the invocation by the Rev. Ralph O'Dell, introduced Ira Schantz of Lubbock, professor of voice at Texas Tech, who conducted a choir clinic here last year and will do so again this year.

On behalf of the Session, Lal Copeland presented a clock radio to Patti Wilder, accompanist for the Westminster Choir and substitute organist for the chancel choir. A set of Spalding golf clubs and bag were presented to Leonard

Dairy Products Top June Plentiful List

The June plentiful food list is headed by milk and other dairy products. Additional high protein foods on the USDA list are beef, turkey, eggs and halibut.

The Plentiful Foods Program will be a part of the dairy industry's cooperative efforts in behalf of June Dairy Month.

There also are plenty of strawberries. They are scheduled for extra emphasis during the month, mostly in connection with dairy products.

Although the supply of fresh fruits will be low during June, canned purple plums and canned freestone peaches will be available to the housewife in plentiful supplies.

Other plentiful items include potatoes, peanuts, peanut butter and vegetable fats and oils.

Ellington, chancel choir and church organist.

Those present included Mmes. and Mmes. Gerald Kehoe, Jack Bendler, Jim Williams, Billy Hamilton, John Whiteside, Ben Monnett, Frank Beck, James Stuteville, Ed Wilder, Copeland and O'Dell; Mmes. F. M. Ellington, Dick James, J. M. Teague, Phil Gasch and Glen Akers; Misses Wilder, Donna Sue Christopher, Betty Bragg, and Kathy O'Dell; and Dennis Givens, Don O'Dell, Don Carta, Doug Liles, Charles Kersh, Dale Travis and George Fugitt.

Mrs. Roy Heartstill of 1102 East Broadway is visiting in California this week with relatives.

Reception Is Courtesy To Senior Girls, Hosted By AAUW Members

Senior girls from Brownfield High School were honored at an annual reception held Thursday at 7:30 p.m. in the Seleta Jane Brownfield Clubhouse by the local chapter of the American Association of University Women. Approximately 30 prospective graduates attended.

Mrs. Dorothy Garner, assistant dean of women at Texas Tech, was guest speaker for the afternoon and spoke stressing the necessity of higher education not only for the career woman, but for future wives, mothers and homemakers. In addition to pointing out the social and cultural advantages of a college education, Mrs. Garner reminded the group of the commercial value of a college degree, pointing out that the woman who needs or wishes to work can obtain a better paying position if she is a college graduate.

Big Spring Rodeo Is Scheduled For June 12-15, Says Sponsor

The Big Spring Rodeo Association has announced that plans are complete for the 24th annual performance of the Big Spring Rodeo, June 12, 13, 14, 15.

Everett Colburn and Gene Autrey, veteran producers again will be at the helm of this show, with their usual fine array of rodeo stock, top in announcers, clown acts, specialty acts.

Comprising the five major events will be calf roping, saddle bronc riding, bareback bronc riding, bulldogging, and bull riding. In addition with the above there will be a wild cow milking contest.

Wilmer Pflaeger, the clown, and his assistant, and Jay Sisler with his two specialty acts will furnish the fun and entertainment.

Jay Sisler and his Australian Shepherd Dogs—Stub, Shorty, and Queen are well known entertainers in rodeo arenas. New this year is an additional act featuring "Blondie" an educated greyhound. This act consists of spectacular jumping and balancing feats with clever comedy bits.

A big parade will proceed through the downtown section of Big Spring at 4:00 p.m., on June 12. Attractive prizes are offered the first three winning floats in the amounts of \$50, \$30, and \$20.

Sheriffs from the neighboring towns and counties have been invited to march in the parade. An appropriate trophy will be presented the outstanding posse at the first night's performance.

After the parade the posses will be honored with a barbecue at the city park with the rodeo association and the Big Spring Mounted Patrol acting as hosts.

The Big Spring Mounted Patrol will appear for the first time this year. This group is newly organized to take the place of the former sheriff's posse which was disbanded several years ago.

Following her talk, Mrs. Garner conducted a question and answer period for the girls concerning college life.

Mrs. Al Muldrow greeted guests at the door and introduced them to the guest speaker. She also presented each girl with a corsage of white carnations, the class flower.

Red and white, the school colors, were used in decorations throughout the receiving room. Arrangements of white carnations topped the mantle and piano, and centered the receiving table.

Coffee and tea were served with nuts and cake squares ornamented with tiny confection carnations. Mrs. Byron Rucker presided at the silver service, and Mesdames George Weiss and H. T. Carr, Sr., served. Assisting in hospitalities were Mrs. T. P. Brown and Miss Marie Gracey.

Mrs. R. L. Bowers Speaks To HD Club

Mrs. R. L. Bowers of 406 East Tate met with the North West Home Demonstration Club in the home of Mrs. A. J. Bell May 27 and showed colored slides of her trip to Europe, pointing out and discussing the main places of interest she visited in Italy, France, England, Belgium, Switzerland, Ireland, India and the Holy Land.

Following a business meeting, the club planned to have a family picnic in June.

The hostess served punch and cake to Mesdames Roy Howell, Gilbert Bell, Lee Holden, J. W. Bingham, Walter Gracey, Wayne Cadenhead and Bowers.

Mrs. Bob Whitney of 1206 Tahoka Road and Mrs. Jack Church of 1409 East Cardwell attended the nurse alumni reunion and homecoming at Methodist Hospital at Lubbock Saturday. Both are nurses at Treadaway-Daniel Hospital and Mrs. Church attended her 10th reunion, while Mrs. Whitney attended her 35th reunion.

Mrs. John Portwood of 712 East Lake and Mrs. Dip Pemberton and children of 1104 East Buckley are enroute to Florida for a visit with relatives. Mrs. Pemberton will visit her mother and Mrs. Portwood will visit his daughter, Mrs. Dale Cary, and family.

As a man grows older and wiser he talks less and says more.

Tight Money Blamed For Failure To Sell Land Board's Bonds

AUSTIN — Anticipated acceleration in the purchase of land by veterans under the new \$100 million bond issue that was authorized by the voters last November received a temporary setback today. The first \$12.5 million worth of bonds were offered for sale but no bids were received.

In a joint statement issued by Land Commissioner Earl Rudder, who is chairman of the Veterans' Land Board, and citizen members, Everett Page of Carthage, and William Gossett of El Campo, the failure to find a purchaser was due to the condition of the stock market.

The money market has been tight for some time and conditions have not improved sufficiently to make the sale possible under the limitations imposed on it. The interest rate that may be paid by the board is limited to three per cent by the Constitution and the market has not responded favorably.

The first issue of bonds will be advertised again when more improved conditions in the money market become apparent.

Attending clothing market in Dallas last week were Mr. and Mrs. Kenneth Plotner of Dunlap's; Mrs. Joe Shelton of Shelton's Ready to Wear; Mrs. Sam White and "Coot" Arnold of Cobb's; Mrs. Harvey Gage, Miss Gladys Swain and Ned Self of Collins; and Doc Burda of the Fair Store.

Striving to Please . . .

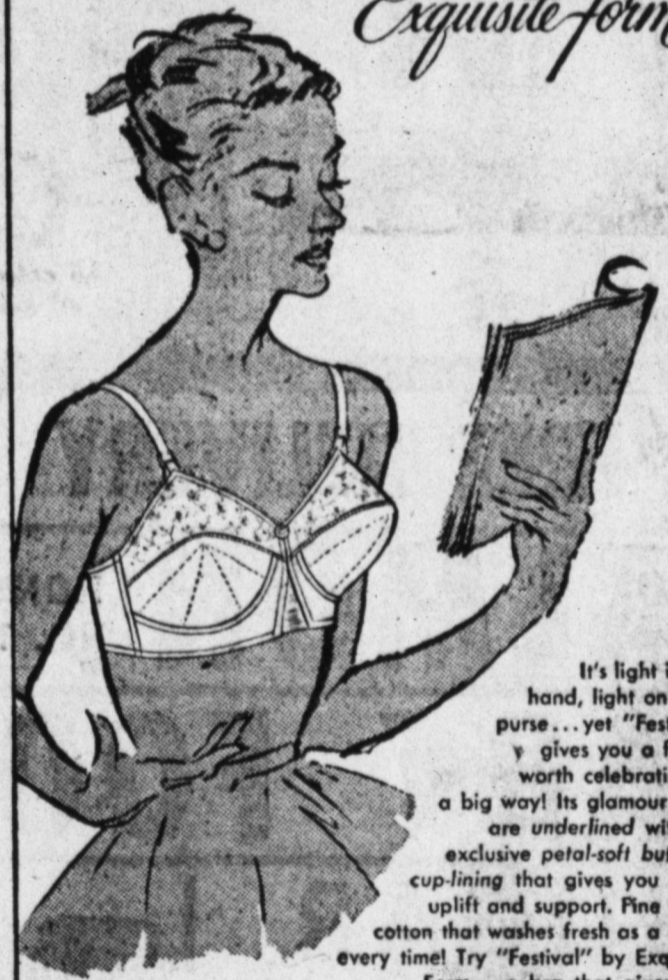

PARTS MANAGER — One of the most important jobs in keeping of your automobile in good condition is handled by Joe Douthitt, parts manager at Jack Bailey Chevrolet. Douthitt came here from Duncan, Okla., where he had been in the parts department for 12 years. He is married, and has one child. He is a member of several parts managers' organizations and is a veteran of WWII. He has spent his entire time as a parts man in a Chevrolet parts department and is fully qualified to serve your every need.

Miss Royda Dumas Is Complimented With Series of Pre-Bridal Parties

Gold and white were chosen colors used in decorations for two showers complimenting Miss Royda Dumas, bride elect of Bill Ballard of Dallas, recently.

A miscellaneous bridal shower was held in the home of Mrs. D. L. Patton at 912 East Oak May 25 from 3 to 5 p.m. Hostesses with Mrs. Patton were Mesdames Arlie Lowmore, Carl Johnson, C. E. Ross, Jerry Dumas, R. D. Shewmake, Jones Weathers, E. V. Riley, Eulice Farrar, M. E. Hinson, and Leonard and Leo Willis.

Guests were registered in a white bride's book by the honoree's sister, Mrs. Bill Kelly of Lubbock. Mrs. Patton received guests and presented them to Mrs. Dorman Dumas, mother of the bride elect; the honoree; and her grandmother, Mrs. G. C. Lewis.

The serving table was laid with a white cloth and was centered with an arrangement of yellow daisies flanked with white tapers. The mirror over the buffet was adorned with gold bells and streamers proclaiming "Royda and Bill."

Yellow and white ribbon sandwiches, gold punch, nuts and mints were served by Misses Carolyn Burnett; Georgia Martin, Mary Louise Riley and Jerry Dumas.

The hostesses presented Miss Dumas an heirloom bedspread.

On May 24, Miss Dumas was complimented with a personal shower given in the home of Miss Martin at 403 South 5th. Miss Riley was co-hostess for the event.

The serving table was laid with white lace over yellow and a centerpiece of yellow and white roses was used. Yellow cake, lemonade, nuts and mints were served.

Guests gave the honoree their favorite recipes and advice for managing a husband.

Just Snooping . . .

By GEE GEE PRIVITT
NEWS Staff Reporter

While Ida Mae has been off to market in Dallas this week, the rest of the gals at SHELTON'S have been concentrating on all the summer merchandise. In fact, they have boxes of new arrivals that haven't been opened yet and about which I'll give you the poop next week.

Nothing is cuter under the crisp cotton frocks of little girls than those stiff, stiff petticoats, and Ill tell you that Ida Mae has some of the cutest I've ever seen. Made just like the big girls', these are in pink or white, satin bound or in glazed cotton eyelet or in nylon permanent pleats.

Also newly arrived are the marvelous Trav-all insulated diaper bags by Fashioncraft. Completely washable, they have a steel spring flip top that stays just like you want it, with either two or three compartments. Any mama will love one of these.

Some of the smartest and most practical things you'll find at Shelton's are the new two piece outfits for your 7 to 12 girls. In polished cottons and sculptured piques, these skirts and blouses are just wonderful and come in luscious colors.

For the big girls, you can't beat the two piece black and white cotton eyelet ensemble, with full printed skirt and peasant blouse that repeats the print on the ruffled neck. And Bobbie Brooks has a styled sharkskin into a spectacular three piece set that includes shorts, blouse and permanently pleated skirt that will take you anywhere.

Another real sweetie is the denim jumperall for sub-teens in aqua or brown with elasticized side and back to give a smooth, smooth fit, whether you choose to wear a blouse with it or not.

And Ida Mae now has plenty of Nettie Rosenstein hosiery in the newest summer shades, as well as a brand spankin' new shipment of Warner's bras.

Coffee Courtesy For Miss Stice

Miss Barbara Stice, bride elect of Richard Hill, was honored with a coffee Thursday from 9 to 11 a.m. at the home of Mrs. I. M. Bailey, 603 East Cardwell. Co-hostesses were Mrs. Walter Hord and Mrs. E. O. Nelson.

Presiding at the coffee service was Miss Patsy Stice, sister of the honoree. Others in the house party were Mrs. I. M. Wingerd and Mrs. Jimmy Billings.

Pink and white, chosen colors of the honoree, were used in decorations. The serving table was laid with a white linen cloth and featured a miniature bridal scene flanked with white tapers in silver holders. Coffee, bottled drinks and small sweet rolls were served.

The living room was decorated with homemaking scenes created with dolls. An arrangement of pink and white roses in a large coffee pot decorated the den, where the hostess gift of a set of cooking war was displayed.

Corsages were made of useful kitchen utensils. Each guest wrote a favorite recipe for the bride-elect.

Approximately 75 guests called.

Sewing Classes To Be Held In June

Sewing classes for adults and girls will be given at the Meadow Homemaking department of Meadow High School three days a week throughout the month of June, it has announced.

Classes will be held from 9 to 11 a.m. each Tuesday, Wednesday and Thursday.

Anyone interested in these classes are requested to meet with Mrs. Williamson at the high school this Tuesday morning at 9 a.m.

A beautiful, well-kept lawn adds to the material value of a home and is the basic requirement for an attractive yard. As an aid to those interested in establishing, improving or renovating a lawn, the Texas Agricultural Extension Service now has available a revision of a very popular publication, B-203, Home Lawns. Copies may be obtained them.

BEHIND AMERICAN BUSINESS SCENES

If Shoes Are A Sign of Civilization, We've Made It, Declares Writer; New Record Production Is Expected To Be Reached

By REYNOLDS KNIGHT
Economic Analyst

NEW YORK—If shoes are a sign of civilization, we've made it. Shoe production in the United States this year is expected to reach a new record of 600 million pairs. That's about three and a half pairs for everyone, including tiniest toddlers.

The average consumer seems willing to invest fairly regularly in the sense of security that good underpinning gives, even when anxiety about "conditions" slows his purchases in other areas. Shoe retailers are aware of this, but they mention two other factors in their good shoe business: the population increase and the fact that consumer-needs have been filled pretty well in several of the "hard goods" lines.

And the shoemakers are taking full advantage of the public's willingness to shift purchasing power to certain soft goods: They're offering free parking at both individual shoe stores and at shopping centers; the shoe sales area is being made much roomier and more comfortable; and there is a good deal of emphasis laid on customer service in training sales personnel.

The only problem the retailer has now is assuring the wily

consumer that his three and a half pairs this year will last as long as the three and a half he purchased 20 years ago.

CAN OF ALL TRADES—The steady growth of America's \$1.6-billion metal container industry has been marked by a continuous outpouring of new cans combining versatility, handling ease and merchandising appeal.

Recent years have seen the industry particularly concerned with developing cans that would relieve consumers of many of the clumsier handling problems associated with early containers. Development of cans to be used for either food or non-food products has been a particularly sought-after achievement.

Is New Convenience—Latest industry contribution comes from American Can Company, whose new Accu-Pac container has all the attributes of a bottle, yet can't break. It is said to bring a new standard of convenience to consumers. Moreover, the cost to packers will be about 25 per cent less than comparable containers.

The new can is fitted with a non-drip spout and is now being used by packers of both food and non-food products. A major petroleum company has found it a particularly good can for outboard motor oil. Other uses range from turpentine to liquid shortening.

THINGS TO COME—For those who have trouble with their lawn mowers, there is a new colorless liquid for blade painting that prevents grass sticking and slows down rust formation. . . . Anyone looking for buried treasure under as much as 300 feet of water can probably use a new underwater metal detector that has just been put on the market. . . . A new windshield cleaner pad has been developed that is made of nylon fibers bonded with plastic phenolic resins — it withstands repeated use as well as heat, cold and mildew.

of the problems that has dogged package goods manufacturers for many years has maintaining net weight within close tolerances despite the variables of containers and high-speed filling operations.

An automatic device that does the job even when the weight of the containers varies widely has just been introduced by the Avion division of ACF Industries, Incorporated.

This weighing unit can be used alone or in combination with associated equipment, also developed by Avion, to reject under- or overweight packages; to control the fill valve or head, and to make a continuous recording of net weight.

\$100,000 A Year—One large packager of detergents recently estimated that just one-eighth of an ounce average over-filling would cost his company \$100,000 a year.

"With the Avion self-taring fill control system," says R. F. Wehrin, Avion president, "net weight can be maintained within one-quarter of one per cent of total weight regardless of such variables as product density (lumps), uniformity of flow or partial clogging of fill-heads — all in a fraction of a second."

MORE FOR CIGARETTES—Within the next few months cigarette smokers will be paying more for their smokes.

The prospective increase is expected to be about 1 cent a pack. Manufacturers report that the additional cent will help to compensate for higher labor, equipment and materials costs. They cite the fact that the average price per pound of cigarette-type tobacco last year was 5 cents higher than the previous year's average.

An additional reason for the increase, they say, is the extra expenditures for advertising and other types of sales promotion required to meet the competition resulting from the large number of brands today.

In any case, it appears that Mr. Smoker can add \$3 to \$4 to his smoking budget for the

LOOK AGAIN—This is not a lake in Brownfield, though it gave indications of being one after Monday night's downpour here. These low-lying sections of Coleman Park were flooded by the 1:50 inches of rain that fell. (Staff Photo)

Care of Lawns, Turf Is Bulletin Subject

A beautiful, well-kept lawn adds to the material value of a home and is a basic requirement for an attractive yard. Too, says E. M. Trew, extension agronomist, a properly established and well-kept turf gives an aspect of spaciousness, provides a cool, restful cover and prevents soil blowing and washing.

Establishing and maintaining a beautiful home lawn requires careful management just as do growing crops or pastures, points out the specialist. As an aid to those interested in establishing a new lawn or renovating an old one, Trew has a revised Texas Agricultural Extension Service publication, B-203, Home Lawns. It is now available at the offices of local county extension agents or from the Agricultural Information Office, College Station, Texas.

Such subjects as the best turf grass for Texas; the establishment of new lawns; management of established turfs and occasional turf problems are covered in the publication. Trew points out that such basic fundamentals as the choice of adapted grasses, good drainage, proper watering, fertilizing and mowing cannot be ignored if a successful job is to be done in building and maintaining good turf. These fundamentals are all treated in the revised publication in an easy to read manner along with recommendations for doing the various lawn jobs.

year.
BITS O' BUSINESS—Paper and paperboard production in 1957 is expected to equal or exceed comparable 1956 output. . . . Production of bituminous coal so far this year is down about 5 million tons from that of the corresponding period last year. . . . Steel producers are trimming their estimates of production for this year, which may well explain the coal figures.

Prospects now are for a good grain sorghum harvest in Texas this year. Harvest will be later than normal in many areas because of delayed plantings due to the weather but conditions warrant the optimistic outlook. Extension Agricultural Engineer W. S. Allen, advises farmers to line up their storage needs early and if on-the-farm storage must be provided that it be made ready well in advance of harvest.

Greenbugs and Some Other Pests of Small Grains is the title of a new publication just released by the Texas Agricultural Experiment Station. It is B-845 and is available from the Agricultural Information Office, College Station, Texas.

A man whose normal weight is 150 pounds would weigh about 50 pounds if all the water in his system were dried up.

Mr. and Mrs. Thurman Solsberry and girls visited in Tahoka Friday with his mother.

GOMEZ NEWS

By ERA SEARS
NEWS Correspondent

Visiting here in the home of Mr. and Mrs. Prentice Brasher is his brother and family, the Kenneth Brashers, of Mississippi. Two other brothers and families, Mr. and Mrs. Floyd Brasher and Mr. and Mrs. Wayne Brasher and Steve, all of Lubbock, also visited the first of the week in the Brasher home.

Earl W. Sears of Memphis, Tenn. visited with his parents, Mr. and Mrs. K. Sears, Friday night and Saturday.

Mr. and Mrs. Grady Dickson spent the weekend visiting at Alexandria, La., with their daughter and family, Rev. and Mrs. Carroll Johnson. They also visited relatives at Deport.

Mr. and Mrs. George Ellis and son, Hugh Kirby, are visiting in Oklahoma with her mother, who is very ill.

Mrs. A. B. Buchanan and children, A. B. Jr. and Martha Ruth, of Hale Center, former longtime residents of this community, were here Monday visiting friends.

Mr. and Mrs. Will C. Green entertained with a supper for their daughter, Mrs. Delton Gregg, on her birthday Tuesday night. Those present were Mr. and Mrs. Raymond Green and children, Pete, Carol and Pat, and Mr. and Mrs. Gregg and Cindy, Jo and Carmin.

Women's Missionary Society met at the church Monday afternoon for Mission study. Six members were present. Mrs. A. B. Buchanan of Hale Center was a visitor.

Mr. and Mrs. Jack Mason spent a few days the first of the week fishing at Thomas Lake and from there they went Abilene to bring their daughter Theresa Jean, student at Abilene Christian College, home for the summer.

Kelly Mack Sears is home for the summer from studies at Texas Tech in Lubbock.

Mrs. Bailey Hostess To Fidelis SS Class

The Fidelis Matrons Sunday school class of the First Baptist Church met at the home of Mrs. Jack Bailey May 22 for a monthly business meeting.

The devotional was given by Mrs. Dick Bailey. Refreshments were served to the class teacher, Mrs. W. M. Adams, and to Messdames Dick Bailey, Sid Machen, Alfred Tittle, Jim Jones, Helen Norris and the hostess.
