

Vital Phase of Terry Economy Tied To Highway Engineers' Work Here

By CHARLIE MAPLE
NEWS Staff Writer

More than \$1 million in highway and farm-to-market road construction is on tap for Terry County during 1958, according to Carl Hart, Brownfield resident engineer for the Texas Highway Department.

Hart, whose office is responsible for planning and construction of highways and FM roads in Terry, Yoakum and Gaines counties, reported more than \$2 million worth of construction is slated for the office's area this year.

The engineer pointed out that construction of this scope is not accomplished in a matter of a few days or weeks. "Preparations alone can take up to a year to complete before construction can begin," he said.

Tracing the office's operation, Hart said initial steps are taken toward building of a road when the Lubbock district office issues construction orders.

The field party, headed by H. H. Sherrod, senior party chief, goes to the construction site to plot elevations of the road when orders are received.

"The field party surveys, sets stakes marking the future roadway and figures where cuts and fills will be required," said Sherrod.

Information compiled by the field party then goes to the office staff, which draws up plans and blue prints for the construction. At the same time, the engineer's office prepares right-of-way deeds for property

along the work site. The deeds are turned over to the county or city to secure the right-of-way from property owners.

Job Doesn't Stop
"Our job doesn't stop there, however," said Mel Pope, assistant engineer. "We help the county or city to show property owners where the roadway will be and how it will affect his property. Then we show potential bidders the job site and plans for the road after the Austin office has advertised for contract bids."

After the contract is let and the low bidder moves onto the job, Hart and his chief inspector, J. J. Morgensen, keep a close check to insure that the work is accomplished according to rigid state specifications.

Morgensen also is required to prepare a monthly estimate of work accomplished by the contractor. "This estimate determines the amount the contractor is paid," said Pope. "It can run as high as \$100,000 when a heavy work-load is accomplished."

Property Is Purchased
Depending upon the size of the job and weather conditions, Pope estimates construction normally takes about six to nine months to complete after advance planning is effected and right-of-way is purchased.

"Our job is over only when the road is finished and we accept the work," said Pope. "We then call the maintenance department and tell them the road is ready for use."

Stock Show Plans Being Established

A total of 66 calves and 112 swine will be entered in Brownfield Jaycees' 14th annual Terry County Junior Livestock Show.

The tallies were determined last week, when the Jaycee steering committee met in the county agent's office to further plans for the event, tentatively scheduled April 22 in the Rodeo Arena.

Chairman of the stock show group is H. L. (Hub) King, who explained that all 4-H club members and Future Farmers in the county who intend to show must have weighed and quartered their stock at the arena by the night of April 21.

Other men taking part in the preliminary session last week were vocational agriculture teachers Lester Erickson of Meadow, Homer Jones of Wellman, and Robert Becker and Walter Meyer of Brownfield; and County Agent Jim Foy, Assistant Agent Bob Etheredge, and Jaycees Frank Gorton and Eddie Courtney.

Refreshments will be available at the arena day of the showing. Superintendent of the swine division will be James Willis of Route 2, and of calf division, Raymond Green of Route 4.

Miss Swain Assistant First National Cashier

Miss Wanda Swain was elected an assistant cashier at First National Bank at the annual stockholder's meeting Jan. 14, according to John J. Kendrick, executive vice president.

Members of the bank's board of directors were re-elected to their position, said Kendrick. No other changes were made in the staff of officers, he added.

Miss Swain has been an employee of First National seven years.

Brownfield Man Is Asphyxiation Victim

A 58-year-old Brownfield painter was found dead in his apartment at 202 West Broadway early Tuesday morning, according to Sheriff James Fulford.

Ralph Smith Glasscock was found slumped across his bed about 8:30 a.m. Tuesday by his landlady, Mrs. B. L. McPherson, said investigating officers.

Mrs. McPherson heard Glasscock's radio playing and discovered the wall partition was extremely hot, revealed Fulford. "Thinking he had

TO MEET DEADLINE

Paving Petitions Due by February 5

Petitions requesting paving within Brownfield may be filed at City Hall up to 5 p.m. Feb. 5, according to A. J. (Jake) Geron, city secretary.

The deadline, originally set for Jan. 15, was extended when the normal city council meeting was cancelled, said Geron. "Action on the paving petitions is expected to be taken at the Feb. 6 meeting," he added.

Geron explained that petitions for paving must be complete for a single block. "We cannot skip certain lots," he revealed. "It must include the whole block."

The secretary said approximately 18 blocks have filed petitions to date. "We would like to receive several more," he said. "The larger the program, the lower price we likely are to get."

Quartet To Be at Meet

Four Brownfield men will take part Saturday and Sunday in the mid-winter conference of The American Legion at Abilene.

They are Charles S. Kersh of 403 North C. H. B. Virgil Crawford of 1216 East Repetto, L. D. Bailey of 505 East Lons and William C. Brown of 501 East Tate, all members of Howard-Henson Post 269.

Kersh said that Warren G. Moore of Tyler, Texas Department commander, will preside during the two-day sessions, first time ever to be held away from Austin.

National Commander John S. Gleason, vice president of the National Bank of Chicago, will deliver the principal address Sunday.

Final Rites Held For Mother of Resident

W. Graham Smith of 1202 East Cardwell is in Palmetto, Fla., where he attended the funeral Monday of his mother, Mrs. Sidney Smith, 73.

Mrs. Smith died Saturday, scarcely less than one month after the death of her husband. Both are buried in Palmetto.

Survivors include two daughters, Mrs. Floyd Fisher of Tulsa, Okla., and Mrs. O. E. Plummer of Bradenton, Fla., and another son, Jack Smith of Miami.

IN THE COURTHOUSE

PCG Directors To Be Named Monday

Two directors to represent Terry County on the board of Plains Cotton Growers, Inc., will be elected here at 8 p.m. Monday.

Election will be part of the business meeting when the annual PCG (Terry group) convenes in 10th District Courtroom.

The Monday session was called by present county directors, Charles S. Kersh and R. D. Jones Sr.

The duo elected Monday night will comprise one businessman (succeeding Kersh) See No. 3 Page 2.

'58 License Plates Scheduled for Sale

1958 automobile license plates will go on sale here Feb. 1, reports J. D. (Jot) Akers, tax assessor-collector.

"In order to facilitate issue of plates, automobile owners are urged to present their car title and 1957 license receipt," said Akers. "State law requires us to examine these two items before the license plate is issued."

The assessor-collector asked that license purchasers not ask his office to issue plates without the title and 1957 receipt. "If we do this, we will be violating the law, which carries a stiff penalty," he explained.

Ground Observer Post Here Will Be Set Up By Volunteer Firemen

Brownfield volunteer firemen last week voted to sponsor a ground observer post here after two years of study and preparation, reports A. J. (Jake) Geron, post supervisor.

Though the post is sponsored by the firemen's group, Geron issued a plea for more residents to aid in manning the post. "We can use all the help we can get," he said.

The supervisor said the GOC plays a vital role in a severe weather warning network in addition to its civil defense program.

Reports To Dallas
"During the spring and summer, the post watches the sky and reports tornadoes or suspected tornadoes sighted," he said. "These reports go to the Dallas filter center as well as to residents of the immediate vicinity."

Concerning the post's primary role — watching for enemy aircraft or missiles — Geron said, "Though it isn't likely that we would be a target, we have a vital role in warning potential targets at Dallas, Abilene or elsewhere."

Anyone May Join

Geron explained that the Air Force is charged with organizing and training personnel manning GOC posts.

"As part of the training, alerts are held once a month," he said.

"Members participate in a three-hour alert, on a Sunday afternoon, giving the Dallas filter center information about any unidentified aircraft observed."

Persons interested in aiding firemen man the Brownfield post are requested to contact Geron or any member of the fire department.

44 RECEIVE AWARDS HERE

4-H Youths Recognized Tuesday Night For Their Work of the Past 12 Months

More than 100 persons watched Tuesday night as 44 boys and girls were recognized for their work during the past 12 months in 4-H clubs.

Occasion was the annual Terry County 4-H Achievement Awards program, held in The Party House.

Highest honors on the local level went to Jackie Dill and Edreann DuBose — the Gold Star awards. Dill is the son of Mr. and Mrs. Rufus Dill of Foster Community, and Miss DuBose, daughter of Mr. and Mrs. L. A. DuBose of near Wellman.

Emceed by Stephens
Brownfield persons making the awards were Johnnie Venable of Brownfield Tractor Company, County Agent Jim Foy, Joe Ed Sullivan of Terry County Farm Bureau, Mrs. O. D. Kennedy of Home Demonstration Council, and

Carl Elliott of California Spray-Chemical Company, Miss Betty Hillis (home demonstration agent), Don Bynum of Brownfield NEWS, Mrs. R. D. Shewmake of the council, Mrs. Tom Pettigrew of the council, and

L. G. Smith of Brownfield State Bank, Bob Etheredge (assistant county agent), Delton Tatum of Route 1 (farmer), R. D. Jones Jr. of TCFB, and

Field crops—Bobby Whitney, Jackie Dill and Mark Hulise, frozen foods—Carolyn Green and Laurelle Wheatley; gardening—Troy Noel and Ronnie Foy; home improvement—Connie Taylor; meat animal—Eddie Thurman and Clyde Watkins; and

Poultry—Royce Farrar and Barry Pajks; recreation—Lynn Dill and Danny Thurman; public speaking—Ethel Martin; leadership—Miss DuBose; safety—Larry Simmons, Timmy Faulkenberry, Darrell Pinks, David Fulgham and Barry Sims; tractor—Ronnie Floyd, Vaughn Tatum, Clayton Newsom and Johnny Hester.

MRS. ELDORA WHITE
District Clerk 26 Years...

SHE WAS MRS. ELDORA WHITE

Death Ends Distinguished Career Of Public Servant

The death here Monday of Mrs. Eldora White brought to an end her distinguished and unbroken career as clerk for 26 years of the 106th Judicial District.

Mrs. White died early Monday morning in her home at 415 East Hill. She was 68, and had been ill for several months.

Funeral services were held Tuesday afternoon in First Baptist Church, with Dr. Jones W. Weathers, pastor, officiating, assisted by the Rev. James E. Tidwell, pastor of First Methodist Church.

Burial was in Brownfield Cemetery by Brownfield Funeral Home.

Among her survivors are one son, Ted White of Odessa; four stepchildren, Clifford White of Tolison, Ariz., T. W. White of Bostonia, Calif., Mrs. Leola Ward of Whittier, Calif., and

Mrs. Johnny Haynes of 221 South B; and

Three brothers, Clyde Lewis, Clarence Lewis and Dalton Lewis, all of Brownfield; three sisters, Mrs. J. B. Huckabee of 601 North First, Mrs. George Warren of Levelland, and Mrs. U. D. Sawyer of Crossroads, N. M., and 10 grandchildren and 2 great grandchildren.

Vote in '58! But... Pay Poll Taxes Before Jan. 31 To Do So

Free-Throw Stalls Cubs

Brownfield's hopes of upsetting the Andrews Mustangs melted in the final seven seconds when Jerry Whitworth netted a free-throw, giving the host team a 39-38 District 2-AAA victory.

After a third period that netted only four points and a six-point deficit, the Ponies roared to life for 18 points and the victory in the final period.

Still hampered by having an ailing Kenneth Cason riding the bench most of the game, the Cubs trailed most of the game despite a stout defense. The fighting Cubs, who trailed by one point at the end of the first two periods, battled back to a 27-21 lead at the three-quarter mark.

Holding the lead four minutes deep in the final period, Brownfield went into a control

game to stall the time away. The strategy went awry, however, when Whitworth pumped the gratis pitch into the bucket for the victory.

David Ivey topped scorers with a 13-point out-pur for the night. Jay Sherrod took runner-up honors with 10 points for Andrews.

In the "B" tilt, the Cubs bopped the Ponies by a 50-46 tally. Andrews' R. E. Merritt took high honors with 15 counters.

The Cubs host Monahans' potent Lobos here Friday night for two games. The "B" game is slated for 6:30 p.m. and will be followed, with the varsity tilt at 8 p.m.

road is under their jurisdiction. They assume maintenance responsibility and erect highway signs at that moment."

The Brownfield resident Engineer's office, which was established in 1948, employs about 11 persons now, noted Hart. "This figure fluctuates according to the amount of work we have in progress," he said.

Hart, Morgensen and Sherrod are the only staff members remaining from the five who organized the office in 1948. "We have seen a lot of construction in those 12 years," said Hart. "When we first came here, the main traffic arteries were about the only paved roads in the county."

ON THE JOB — J. J. Morgensen, chief inspector for the state highway department here, supervises construction to insure that it watches while a laborer tamps dirt around a new concrete culvert on Foster Road. Morgensen supervises construction to insure that it meets state specifications. (NEWSphoto)

Hart explained his office's first job was to connect county seats with paving. "Now, plans call for four-lane highways anywhere 1,000 cars or more travel a road in a day," he noted. "Also, we have

paved practically all FM roads in the county since the engineer noted that future plans call for widening FM roads to 24 feet. "The present 20 feet does not leave enough room between passing vehicles — especially these big cotton trailers," he said.

Road construction slated for Terry during the next 12 months includes FM 403 (Foster Road) and FM 1312 (south of Wellman), widen and build up, \$225,000; US 62 to Wellman, four lane divided highway, \$400,000; and

FM 300 from Hockley County line to Pool, widen and rebuild, \$140,000; 137 cutoff, widen with paved shoulders, \$60,000; Plains Highway, widen with paved shoulders 6 miles to Yoakum County line, \$185,000, and US 51 to Hockley County line, widen with paved shoulders, no estimate available.

Edgar M. Brown Appointed To Position With The American Heart Association

Edgar M. Brown, who has served as the Texas Heart Association's executive director for eight years, has been named assistant to the director of the American Heart Association, it has been announced.

Harold Foster of Fort Worth, chairman of THA, and Rome A. Betts of New York City, executive director of the AHA, jointly announced the promotion of Brown.

Mrs. Brown has been named executive secretary of THA and will continue the administrative leadership of the organization and its annual Heart Fund from association headquarters in Houston, said Foster.

"Brown, whose organizational activities have resulted in making THA one of the nation's fastest-growing groups of its kind in the nation, will continue to work closely with THA during the forthcoming 1958 fund drive," said Betts.

Mr. and Mrs. Brown will continue to live in Houston, with his AHA duties expanding to include organizational work in other states as well as continuing his work with the 1958 Texas Heart Fund, it was explained.

First Heart Fund in Texas was conducted in February, 1949, under the direction of Brown, who then was associated with the American Heart Association. The following year, he was elected executive director of the state organization.

The Navy Seabees and Civil Engineer Corps in the Hawaiian area celebrated their respective anniversaries by constructing an "island" complete with all military installations in one day on a street corner in Honolulu. The "island" contained a road, an airstrip, gun emplacements, a combat information center and a water purification system.

LEGAL NOTICE

NOTICE TO BIDDERS
Sealed proposals addressed to the Honorable Mayor and City Council of Brownfield, Texas, will be received at the Office of the City Secretary, City Hall, Brownfield, Texas, until 10:00 A. M., February 6, 1958, for furnishing all necessary materials, machinery, equipment, superintendence and labor for accomplishing certain Power Plant Improvements for the City of Brownfield, Texas. Owner, consisting of the following items:

1. Rewind one 2400 Volt generator for 4160 volts and for 1000 KW at 8 P.F.
2. Rewind one 2400 V. generator for 4160 volts and for 800 KW at 8 P.F.
3. Reconnect 3-2400 Volt generators for 4160 Volts.
4. Install neutral grounding system for the generating plant and the distribution feeders.
5. Convert the Power Plant switchboard from 2400 Volts to 4160 Volts, and furnish and install major equipment as follows:
a. 6-Potential Transformers.
b. 5-Potential Factor Meters.
c. 5-Watt Meters.
d. 5-Volt hour Meters.
e. 2-Voltmeter Scales.
f. Install 5 Surge Capacitors and 12 Station type lightning arresters.
7. Install 7 Reclosing Relays.
Bidders must submit a Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of the City of Brownfield, Texas, in an amount not less than five per cent (5%) of the largest possible bid submitted as a guarantee that the Bidder will enter into a contract and execute bond and guaranty in the forms provided within five (5) days after notice of award of contract to him. Bids without the required Check or Proposal Bond will not be considered.

The Successful Bidder must furnish bond on the form provided in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety or other Sureties acceptable to the Owner.

All lump sum prices must be stated in both script and figures. In case of ambiguity or lack of clarity in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. The Owner reserves the right to waive formalities, and to accept the bid which seems most advantageous to the City's interest.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions under which the work is to be done.

Payment for the work performed on this project will be from funds furnished by the City of Brownfield, Texas, in accordance with the provisions set forth in the specifications.

Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas, page 81, Chapter 45, (Article No. 5159A Civil Statutes 1925) concerning the wage scale and payment of prevailing rates of wages as established by the Owner. Said scale of prevailing minimum rates of wages is set forth in the specifications.

Information for bidders, proposals, plans and specifications are on file at the offices of Alva J. Geron, City Secretary, Brownfield, Texas, and Sam W. Davis, Consulting Engineer, 216 Lipscomb, Amarillo, Texas.
Copies of Plans and Specifications may be secured from Sam W. Davis, Consulting Engineer, 216 Lipscomb, Amarillo, Texas, upon a deposit of \$15.00 as a guarantee of the safe return of the plans and specifications. The full amount of the deposit will be returned if a bona fide bid is submitted and Plans and Specifications are returned within five (5) days after receipt of bid, or in case no bid is submitted, if plans and specifications are returned on or before date of receipt of bid; otherwise, the deposit will be forfeited.

The City of Brownfield, Texas
By Arlie Lowmire, Mayor

LEGAL NOTICE

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 5.662 miles of Grading, Extend Structures, Flexible Base, Two and Three course Surface Treatment from Yoakum County Line to 1.662 miles east on Highway No. 380, covered by F 1022 (7), in Terry County, will be received at the Highway Department, Austin, until 9:00 A. M., January 21, 1958, and then publicly opened and read. This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid at the regular governing rates. Plans and specifications available at the office of Carl R. Hart, Resident Engineer Brownfield, Texas, and Texas Highway Department, Austin. Usual rights reserved.

COTTON CONTEST WINNERS — The quartet of 4-H youths pictured above was named winners Tuesday in the annual Terry County Cotton Contest, sponsored this year by Travis Gin, Meadow Co-Op Gin, Newsom Gin, Brownfield Co-Op Gin and South Gin, Inc. From left: Pete Green, son of Mr. and Mrs. Raymond Green of Route 2, who holds \$25 check; Vaughn Tatum, son of Mr. and Mrs. Delton Tatum of Route 1, \$45; Mark Hulse, son of Mr. and Mrs. Curtis Hulse of Route 1, Meadow, \$50, and Fred Sedgwick of Route 3, \$45. Hulse and Tatum had dryland cotton, which made 338 pounds and 314 pounds of lint cotton an acre, respectively. Sedgwick planted Paymaster 101 variety, harvesting 554 pounds an acre of lint cotton on irrigated land. Green's yield was 468 pounds with Northern Star No. 2. Not shown is Jerry Holder, whose Paymaster 101 yielded 1074 pounds of lint cotton an acre on irrigated land, and Mike Paddock, Paymaster 101, 476 pounds. Hail and weather cut deeply into yields this year. The checks were presented Tuesday night in The Party House, during the annual 4-H achievement awards program. (NEWSfoto)

Meadow Broncos Claim Second District Win; Batter Wellman in Three Games

Extended only in the "B" team tilt, Meadow cage teams swept a triple-header from visiting Wellman in District 8-B games Tuesday night.

The Broncos smashed the Wildcats, 73-19; the girls captured their tilt, 55-38; and the "B" team edged the visitors, 21-20, in overtime.

Ronnie Bell dropped 19 points through the nets to equal the entire out-put by the visitors, Harold Hinson meshed 18 points and Don Warren, 13, to add to the Bronco total. Bill Adams contributed 10 points to the Wildcats score.

In the girls game, Betty Eubanks singled the nets for 33 points for Meadow. Linde Hendricks added 16 more to the Bronco totals. Velda Hill connected for 21 points and Virginia Thornton, 13, for the visiting girls.

The opener, pitting the two schools' "B" team, was decided in overtime. K. C. Jordan led the winners with seven counters.

ESTIMATED AT ALMOST \$4 MILLION

WTCC Says The Proposed Federal Budget Will Cost Texans Four Times What They Paid to Finance the State Last Year

(Special To The NEWS)

ABILENE—Texas taxpayers will have to pay four times as much money to support the proposed federal budget as they paid to finance the entire state government last year, the West Texas Chamber of Commerce said today.

Texas taxpayers will be required to pay out approximately \$3,125,970,000 in federal taxes as their share of the cost of the federal spending program of \$73.9 billion proposed by President Eisenhower for the federal fiscal year 1958-59, according to an estimate by the WTCC.

The estimate was based on the regional chamber's calculations that Texas taxpayers bear 4.23 per cent of all federal taxes.

The total expenditure by all the agencies of the Texas government for the fiscal year which ended Aug. 31 was \$872,680,000, the WTCC commented about one-fourth the cost of the state's share of the federal budget.

The regional chamber pointed out that any reduction which Congress may make in this budget will, of course, reduce the amount that Texas taxpayers will have to bear.

The WTCC voiced mixed reactions to the President's Budget Message and to the fiscal program detailed in the budget. It expressed approval of certain actions which the President said will be taken and several legislative proposals which will be made to curtail spending. But it was disappointed and concerned over some other features of the budget.

The regional chamber urged public and Congressional support for the effort which the President said must be made to eliminate unessential defense programs and facilities and to do away with needless duplication in supply and other activities.

It also lauded the objectives of proposals for transferring some government responsibilities to the states, for cutting back on Federal credit activities, for reducing the share of federal participation in certain grant-in-aid programs, and for relinquishing some tax

In a change of government, the poor seldom change anything except the names of their Master. — Phaedrus.

PROPER EQUIPMENT

Does the Job Right!

Oh for a periscope on the day of the big game! Short of a free pass, it was just right for the problem at hand.

It's the same thing when it comes to re-conditioning John Deere Tractors and Equipment: proper tools mean better work, done efficiently and economically. That's why we've equipped our shop with precision tools that enable our skilled mechanics to do the very best work on your equipment. They use only genuine John Deere parts as replacements; parts that fit properly, last longer.

It will pay you to rely on experts for John Deere service; you'll find our shop . . . our mechanics outstanding. Come in this week and let's talk over your requirements!

Dangerous Undercurrent of Rabies On the Broad Ranges Of Texas Wildlife, Uncovered by Laboratory Tests at Austin

A dangerous undercurrent of rabies runs throughout the broad range of Texas wildlife. The condition, while not new, could erupt into a full scale epidemic in an unguarded moment.

Rabid wildlife species infect dogs, and dogs infect other dogs. Therein lies the greatest source of danger of humans, says Dr. Henry Holle, Texas health commissioner.

Twenty-eight cases were diagnosed in State Health Department laboratories during December. In addition, six positive cases were diagnosed in dogs by the El Paso County laboratory.

Jasper County in deep East Texas was hardest hit. Situated in the center of the most active focus of wildlife rabies, the county reported eight positive cases—six foxes, one cat and one dog.

There is general agreement among health and veterinary officials that only a small fraction of the actual number of cases is reported. Thus, rabies in Texas is much more prevalent than indicated by heads submitted for the laboratory analyses.

Authorities also agree that we need not tolerate the constant threat of rabies provided we are willing to take these three tried and proved steps to erase it from the Texas scene.

1. Enforced vaccination of all dogs and cats. Some vaccines give effective protection for a year. Others, composed of egg-grown live virus, may protect for as long as three years without revaccination.

2. Adopt and enforce stringent city ordinances against stray dogs. Ownerless dogs—those without licenses or vaccinations—should be impounded.

3. Set up local programs of thinning wildlife populations in

areas of over-abundance. Of greatest concern in Texas are foxes and skunks.

England and the Scandinavian countries have taken these steps. So have several of our own northeastern states. Their reward has been complete freedom from one of the most dreaded of all diseases.

All three steps demand full cooperation from all pet owners and local governing officials. Without such cooperation, rabies eradication is doomed to failure before it starts.

Among survivors are two daughters, Mrs. Effie Woods of Arnett, Okla., and Mrs. Tom Smith of Tokio; six sons, John Smith of Lawton, Okla., Captain Henry Smith of Lubbock, Ben Smith and Archie Smith of Jayton, Louis Smith of Wellman, and Robert Smith of

Former Resident Is Buried In Jayton

Funeral services for a former Brownfield resident, W. L. (Bill) Smith, were held Jan. 14 in the Church of Christ at Jayton.

Smith, 86, died Jan. 14 in St. Mary's Hospital at Lubbock. He lived here two years, and had lived in Kent County, where he farmed.

Survivors Are Listed

Survivors were Truman DuBose, Gordon Patton, Tommy Hollified, Neil Thompson, Preston York and Presley York.

Surviving are her husband; two sons, Charles of Seagraves, and Lloyd of Lamesa; five

Last Services Are Held Here Sunday For Mrs. Cleveland

Final rites for Mrs. W. P. Cleveland, 71, of 1105 South Fifth, were held Sunday in Calvary Baptist Church with the Rev. Warren Stowe, pastor, officiating.

Mrs. Cleveland died at 4:55 p.m. Saturday in Treadaway-Daniell Hospital after a prolonged illness. Burial was in Terry County Memorial Cemetery under direction of Brownfield Funeral Home.

Mrs. Cleveland came to Ter-

ry in 1939 and lived in Johnson Community until 1945, when she moved to Brownfield. She was a member of the Baptist Church.

Ten Local Students Currently Enrolled In Abilene Christian

Ten students from Brownfield currently are enrolled in Abilene Christian College.

They are Jo Bess Boston, freshman, daughter of Mr. and Mrs. H. D. Boston of 1213 East Broadway; Pauleta Gracey, senior, daughter of Mr. and Mrs. Paul Gracey of Route 1; Charles Gunn, freshman, son of Mr. and Mrs. Gene Gunn of Mr. and Mrs. Roy H. Priest of 1015 Tahoka Road; Joan Gunn, special student, daughter of 1005 East Lake; and

Linda Lee Harrell, sophomore, daughter of Mr. and Mrs. Luther Harrell of 921 Lubbock Road; Ernest Leo Hyman, freshman, son of Mr. and Mrs. Harry Hyman of Route 1; Theresa Mason, senior, daughter of Mr. and Mrs. Jack Mason of Route 2; and

Omer Stice, a graduate student; Virginia Gunn Vertz, senior, daughter of Mr. and Mrs. Gene Gunn of 1015 Tahoka Road; Marlin Whitaker, freshman, son of Mr. and Mrs. Vernon Whitaker of Route 1.

Services for W. P. Murphey on Sunday In Church at Plains

Funeral services for W. P. Murphey, 81, of Route 1, Tokio, were held Sunday in First Baptist Church of Plains with the Rev. Harmon Meixner, Methodist minister of Plains, officiating. The Rev. J. E. Harrell of Morton and the Rev. Luther Kirk of Plainview assisted.

Murphey, a resident of Yoakum County since 1941, died Friday in Treadaway-Daniell Hospital following a long illness.

Survivors include the wife; two sons, T. J. of Plains, and Preston of Tokio; three daughters, Mrs. Paul Loe of Plains, Mrs. Ervin Loe of Spur, and Mrs. R. G. Smith of Lubbock; 18 grandchildren; 20 great grandchildren and three great great grandchildren.

Grandsons were pallbearers. Burial was at Rochester under direction of Brownfield Funeral Home.

MAIN STREET, OUR TOWN (30 YEARS AGO)—Brownfield residents definitely were not afoot some 30 years ago, as shown by the number of cars in picture above. Chevrolets and Fords ap-

pear to dominate the scene. Occasion might have been a holiday of some kind. The street was unpaved, and the buildings appear to have changed little. Only the names probably are different. For

example, the W. E. Legg Dry Goods Store in extreme left portion no longer is seen. Photographer might have been standing atop present Tudor Sales building, in existence even then.

UNION DROPPED IN SEAGRAVES MEET

Plains Upsets Broncos for Title

Plains' high-scoring Cowboys defeated defending champion Meadow, 78-52, for the championship of the annual Seagraves Invitational basketball tournament Saturday night.

Dwayne Rowland led the Cowboy's attack with 27 points and the Plains crew roared to a 40-19 halftime lead, stretching it to a surprising 63-37 at

the three-quarter mark. Meadow scored 25 points to Plains' 15 in the final period.

In other action, Seagraves downed Union, 58-50, for third place honors; Sundown dumped O'Donnell, 47-42, for the consolation title and Ralls downed the Seagraves B-team, 54-36, for seventh place.

However, the big shock was Plains' surprisingly easy vic-

tory over a tough Meadow five, picked by many to wind up in the Class B Regional tournament.

Aiding Rowland in the Plains attack were Jim Williams and Harold Meixner, each scoring 14 points. Maurice Warren paced Meadow with 16 points and Harold Hinson had 14.

Seagraves came from behind in the third quarter to down the scrappy Union five. Union led 14-13, after the first period and 29-23 at halftime. Seagraves pulled in front, 39-35, at the end of three quarters and outscored Union in the final stanza.

Kay Hits 13
Eddie Singleton led the host Eagles with 16 points, while

Dennis Grimes and Jim Hamilton each drilled the nets for 14 points. Wylie Kay had 15 and Alfred Newsom 13 for Union.

Sundown led O'Donnell, 26-13, at halftime in their consolation title battle. Jimmy Jones paced the Roughnecks with 15 points, while Jackie Bell had 14 and Jack Hanks 12. Jimmy Bowles led O'Donnell with 12 while David Bessire and Ker White each connected for 10 points.

Ralls had a 28-17 halftime lead over the Seagraves B-team. Wayne Garner, David Wheeler and Ocie Forbes shared scoring honors with 13 points apiece. Bill Harris had 11 for Seagraves B.

Meadow Routs Seagraves

In championship semifinals play, Meadow routed Seagraves, 76-60 and Plains downed Union, 69-50; Sundown dumped Ralls, 49-36, and O'Donnell downed Seagraves with 20.

Williams hit 17 for Plains, while Kay had 25 for Union.

DEADLINE COMING—Mrs. Tommy Hamilton, chief deputy in the Terry Tax Assessor-Collector's office, holds tax receipts up to remind residents Jan. 31 is the deadline for paying state and county taxes. A penalty will be added to taxes after that date. Last day of this month also deadline for paying poll tax. (NEWSfoto)

elected are: Mrs. LeRoy Nottos, district two, New Home; Mrs. Phil Sterrett, district four, Abernathy, and Mrs. E. C. Struggs, district six, Lubbock.

Three members of the membership-nominating committee were elected Tuesday. They are Dick Cook of Levelland, Mrs. H. K. Kendrick of Friona, and Mrs. F. N. Robinson of Lubbock.

Approximately 225 persons attended the meeting which included the introduction of professional staff members, reports on future plans for the Council, a report on the national convention held in Philadelphia and installation of the board of directors.

The next council wide meet-

Hanks hit 15 for Sundown and Terry Morris 16 for Ralls. Gerald Barton led O'Donnell with 22 and Bobby Bullock and 23 for Seagraves B.

REPORTS HALL FOUNDATION

AMA Endorsement of Public Waater Fluoridation Is Important To Health

(Special To the NEWS)

DALLAS—The recent American Medical Association endorsement of fluoridation of public water supplies to help reduce tooth decay should encourage many more Texas communities to utilize this practical and effective public health measure, according to the David Graham Hall Foundation of Dallas.

"The A.M.A. first endorsed fluoridation in 1951 and strongly re-affirmed its approval in December of 1957 after exhaustive research and study," it was pointed out by Dr. Earle Williams, Dallas dental surgeon who is a member of the

Professional Council of the Hall Foundation.

"Adjusting the fluoride content of drinking water to one part fluoride per one million parts of water has proved to be a simple, safe, inexpensive and effective way to reduce dental decay by more than 50 per cent," Dr. Williams said. "Fluoride is a natural substance found to some degree in all drinking water and in many foods. It helps to build tooth enamel, just as calcium and phosphorus do."

A total of 230 Texas cities and towns already get their drinking water from sources with a natural concentration of at least one part per million of fluorides, according to analyses made by the Texas State Department of Health.

AS TEXAS TECH ENTERS FULL SWC COMPETITION IN BASKETBALL...

POLK ROBISON
STARTS HIS 15TH. YEAR AS HEAD COACH IN THAT SPORT AT TECH. ROBISON HAD THE RAIDERS IN THE BORDER CONFERENCE THRONE ROOM IN THEIR LAST THREE CAMPAIGNS IN THAT LEAGUE.

Tech To Host Bears Saturday in SWC Tilt

Texas Tech resumes its basketball season, following a lay-off for mid-term examinations, against Baylor University in Lubbock Municipal Coliseum at 8 p.m. Saturday.

Texas Tech, in fifth place in the Southwest Conference with a 2-2 record, respects the Bears' ability to spring an upset. Baylor is currently in last place with a 0-5 mark, but Texas Tech's Polk Robison is among SWC coaches who feel that the Bears will have a big say-so in determining the eventual champion.

Baylor and Tech haven't met so far this season. An early-season comparison was furnished by Georgia Tech.

The Red Raiders edged the Yellow Jackets 67-64 in an overtime two nights before Baylor 61-59. But Georgia Tech

had available for the Baylor game a stand-out player who wasn't eligible for the Tech contest.

More room for the general public is expected by Jimmie Wilson, business manager of athletics, since many Texas Tech students will be home between semesters. In their last two games in Lubbock, the Red Raiders played Texas Christian before 10,100 and Southern Methodist before 10,175 fans.

Tech and Baylor have met six times, splitting the series begun with a 38-28 win by Tech in 1936-37. Last year Tech edged Baylor 68-65 after holding a 17-point lead in the second half.

If men be good, government cannot be bad.—William Penn.

2-AAA Sportsmanship Award Goes To Ector

Ector High School of Odessa, in its initial year of play in football, has been awarded the Sportsmanship Trophy of District 2-AAA for the 1957 football season.

The announcement was released Friday by Ray Whitley, superintendent of Pecos Schools, who is chairman of the District 2-AAA executive committee.

Julian Pressley, football commissioner for the district reported that it was the closest race in history for the Sportsmanship Award.

Ector received 1935 points out of a possible 2000 points. There were only 20 points separating the top and the low team. Only the top team is announced.

The Sportsman award was won by Monahans in 1956.

SOCIETY? CALL 2188

WINTER SPORTS

By CHARLIE MAPLE
NEWS Sports Editor

Basketball now is in the blue chip stage as South Plains teams enter their district tilt play.

Union Wellman and Meadow already have moved to games deep into District 8-B while the Cubs have alike number of games under their belt in 2-AAA.

After a somewhat dismal season thus far, the Cubs apparently have found the combination they have been looking for all year.

Though they have been hampered by youngsters quitting the squad, injuries and illness, the Cubs looked alive last Friday.

It remains to be seen how the season winds up, but we feel they have the spirit and desire to make up for their unimpressive start—win-wise—this season.

We aren't knocking the youngsters. It is just a matter of inexperience. When a squad lacks the experience, it takes time to mold into a team that clicks.

It takes spunk to come back from the shellacking they took at Pecos to beat a big, rough crew like the Yellow Jackets. It was no fluke win. The Cubs threw up a tough defense and outplayed the big boys from down south.

Bob Cloe and Charles Lee did an outstanding job of holding Gene Williams and Jackie Probst, Kermit's top scorers to five and seven points, respectively, while adding six and eight points of their own.

Clutch shooting by David Ivey, Ken Cary, Ellis Cox and Joe Oswald was an important factor in the win. None of the quartet, except Ivey, tallied more than eight points, but

their points came when needed most.

Union's Wildcats are another team of "shorties" that is having to depend upon desire and spirit to out-distance their taller opponents.

The team boasts only one man over 6 feet, but the 'Cats have compiled an impressive record. Locker room scuffle-butt places the 'Cats second in the district. However, Coach James Daugherty of Wellman says Union could upset the mighty Meadow Broncos.

Coach Sams of Union discounts any title chances, but says he is highly pleased with the recent showing by his lads. "They really act like they want to play basketball and win," he said.

Speaking of Union, their annual athletic banquet is slated to be held tonight. Mike Brumbelow, athletic director at Texas Western College, will be the speaker.

Mike is considered to be one of the top after-dinner speakers on the ham and peas circuit. Tickets are \$1.25. You'll really be missing something if you miss this event. Tickets will be on sale at the door of UHS gymnasium. It starts at 7 p.m.

THE ROUNDUP—The Cubs host Monahans here Friday night for two tilts in District 2-AAA. Wellman is in the Wilson Tourney through Saturday, and New Home will be at Meadow Friday for an 8-B game. Lots of top-notch basketball on tap those nights. Next week's schedule will find Brownfield at Ector; Union at New Home; Smyer at Wellman, and Meadow at Whiteface—all on Tuesday night.

Tokio HD Club Will Attend Plains Event

Turner HD Club of Tokio met Wednesday in the home of Mrs. Ray Jones with 10 members present.

The program on "Safety in the Home" was given by Mrs. Jones. The club voted to donate \$15 to the MOD program. Mrs. Howard Mauk will entertain the club next, on Feb. 5.

Those taking office: Mmes. Jones, president; Rarquhar, vice president; Mauk, secretary; Mrs. Elmore, treasurer; E. hand and Carl Lowrey, cil delegates, and Hu grass, parliamentarian

Kay, Newsom Leading Union Scorers; District Play Starts

Picking up in basketball where he left off in football, Willie Kay leads Union scorers in statistics released just before the District 8-B race which opened Friday.

Kay has ripped the nets for a total of 150 points in the first 11 games. He has converted on 55 of 130 field goal attempts and has hit 40 of 60 grati pitches.

Alfred Newsom trails Kay with 79 points garnered on 31 field goals and 17 free throws. David Cabe follows Newsom with a 74-point total.

Since the statistics were compiled the Wildcats have defeated Wellman and Smyer in district play and were defeated in the battle for third place in the Seagraves tourney last week end.

Against Smyer on Monday, Kay broke loose for 34 points on 14 field goals and 6 free tosses.

Though normally out-reached by taller opponents, the Wildcats have compiled an excellent record in the first half of the season, up-setting Plains and the Cowboy court recently.

Individual Statistics

Player	fg	ft	pf	tp	ave.
Kay	55	40	24	150	13.6

WHICH CHOP TO BUY?

BHS Meat Judging Team Preparing For Contests To Come; Eyeing Kansas City

Which pork chop shall I buy?

A trio of Brownfield Future Farmers have been pondering the same questions. The FFA members are Herbie Pickett, Gary Moore and Ronnie Bartley.

They have chosen "meats judging" as the team to which they will devote much time and energy the next several months.

In the picture, it is easy

to see that the chop on the leg contains a great deal more of red meat than that on the right.

By studying situations such as this, these junior vocational agriculture stu-

dents have found that consumer preference and retail prices go hand in hand.

Housewives want the big, meaty loin produced by a meat-type hog—not the chop on the right from a typically fat, chuffy hog.

The FFA meats judging contests consists of identifying and judging retail cuts and carcasses of beef, lamb and pork. This aids the students in determining the selection of quality meats and the types of livestock which produce them.

Meats judging is a contest which requires a great deal of preparation for the team to excel in competition with other schools.

The Brownfield High School team will participate in several events during the months to come. The 1954 meats judges from BHS distinguished themselves by winning national honors at Kansas City. They were John Milburn, Duane Lewis and John Tuttle.

There are few so foolish that they had not rather govern themselves than be governed by others. — Thomas Hobbes.

OVER SMYER

Union Wins District Tilt

A 22-point final period gave the Union Wildcats their second District 8-B win as they staggered Smyer, 72-46, at Smyer Monday night.

Smyer salvaged the other half of the twin-bill by taking the girls tilt, 64-44.

Willie Kay singled the nets for a blazing 34 points to lead his mates to the conference win. The visitors meshed 29 of 58 shots for a 50 per cent average for the night.

The 'Cats jumped to an 18-8 advantage at the end of the first period. Despite a stepped up pace the final three periods, Smyer never could reach the initial output by Union. The final quarter spurt added the finishing touch to the victory, allowing reserves to play most of the final period.

Alfred Newsom added 14 points to the Union total for runner-up honors. Harrell Hyman and Jimmie Taylor meshed 11 and 10 points, respectively, for the losers.

The Union girls team, led by Barbara Grubens' 28 points, pushed the Smyer lasses through the first half before falling behind to stay the final two periods. The Smyer team, which led 29-26 at the half, registered eight-point spreads the final two quarters to notch the win.

Mary Oliver of Smyer tied Miss Grubens' 28-point total for high point honors.

THE BOX SCORE

Union	fg	ft	pf	tp

FIELD PARTY — Checking their instruments prior to moving to a job site are members of the Brownfield resident engineer's office field party. They are, from right, Robert Howell, junior inspector, H. H. Sherrod, senior party chief, Harold Lineville, instrument man, Larry White, checker, and Thomas Trout, checker. (NEWSfoto)

Army Offers Double Option To Enlistees

The U. S. Army now is offering a double-barrel option program for Regular Army volunteers who want to select their branch of the Army and an overseas assignment.

The new enlistment option, announced by SFC Frank J. Gaugan Army recruiter in Lubbock, applies to men who want

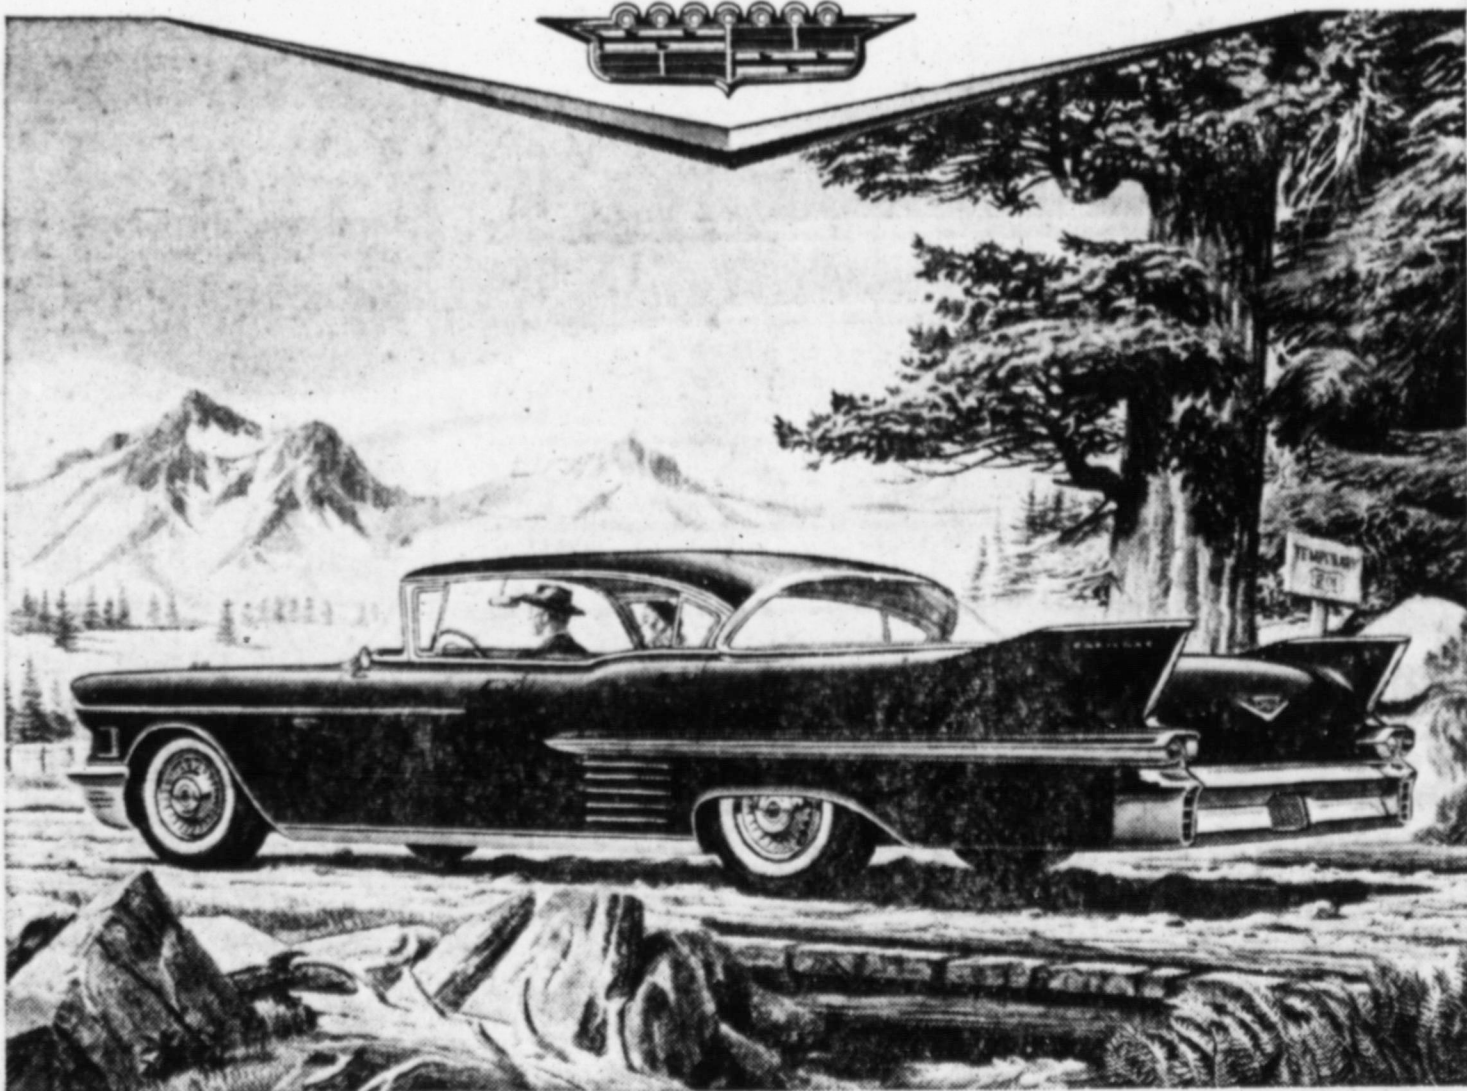

to join one of the combat arms, Armor, Artillery or Infantry. Qualified men may enlist for one of the combat arms, and also designate that they desire overseas duty in either Europe or the Far East. Their assignment will be guaranteed by the Army before enlistment. Upon arrival at an Army re-

ception station, they will be given specialized training for existing vacancies in their chosen branch within the designated overseas area. Additional information on the dual option now offered by the Army may be obtained from SFC Gaugan at room 204, Lubbock, Post Office Building, or in the Terry County Veterans' Service Office, second

HEARD IT? We want to be sure that you have heard about the Scotchman who gave his girl a watch case for Christmas, and then the next Christmas he gave her the works. — U. S. S. Reins Heredice Galleon.

floor, courthouse, Thursday afternoon from 1:30 p.m.—4:30 p.m.

Cadillac

World's Best Answer to a Detour!

Pretty rough road, you'd say? Well, you certainly wouldn't be aware of it if you were sitting where these happy travelers are.

For they're in a 1958 Cadillac—and here, beyond a doubt, is the world's best substitute for a new highway!

Just what is this special Cadillac magic that works such wonders on a rough roadway? Well, let's take a look and see what happens to a bump when it meets the wheels of a new 1958 Cadillac.

First of all, it is softened by those big, buoyant, full-sized Cadillac tires

... then it is gently cushioned by those massive, perfectly balanced Cadillac coil springs

... or, if the extra-cost option of air suspension is

present, it is subdued by that miraculous cushion of air that cradles the entire frame.

... then it is diminished still further by Cadillac's new hydraulic shock absorbers and by its specially engineered system of rubber body mountings.

And, of course, should any suggestion of it still remain, it meets its final demise in those deep, luxurious, Fleetwood-crafted seat cushions... and in the car's marvelous steadiness and balance.

All in all, it's the reason why a journey in a new Cadillac is the finest distance between any two points.

We invite you to try it for yourself—and to get the full facts about all of the beautiful Cadillacs, including the distinguished Eldorado Brougham.
