PECULIAR INCIDENTS ADD SPICE TO THEIR ROLES

Telephone Operators Find Work Still Fascinating Despite Modern Methods

By KLYDIE SCUDDAY
NEWS Woman's Editor
"Number please," went out with the installation of the modern dial system on March 3, 1953, in Brownfield, but the telephone remains one of our most trusted and needed servants.

Operators of any telephone system are sworn to secrecy for the patron's protection, but since the installation of the dial system local calls are handled by machinery, and operators have nothing to do with them. Many long-distance calls also are handled by direct dialing. According to Faye Smith, as-

stant chief operator, with General Telephone here, people still call the operator and say, "You gave me the wrong number," or, "You cut me off."

DIAL 113 INFORMATION—Pictured on the right is Sue Wood of 205 North 12th operator for General Telephone Company located at 402 West Main. She is the operator who looks up the number that isn't listed. With her is Linnie Ellis of 820 North Second, the operator that takes your call when you report a telephone out of order. They use a scale to figure your long-distance calls. (NEWSfoto)

THEY ARE THERE TO ASSIST—Seated is Faye Smith of 506 East Main, assistant chief operator of General Telephone Company at 402 West Main. Standing, from left, are Pearl Newbill of 1103 East Hill, Zelline Morgensen of 1008 East Reppto and Ruby Whitaker of 109 South Second, all service assistants. (NEWSfoto)

LONG-DISTANCE CALLS—Pictured are three operators at work in General Telephone office at 402 West Main. They are, from left, Betty Hahn of 509 Lubbock Road, Reta Bailey of

1207 Cactus Lane and Melva Wilks of 207 East Broadway. Standing to their right is Zelline Morgensen of 1008 East Reppto, service assistant. (NEWSfoto)

300 HERE TODAY Baptists Meeting

Approximately 300 are expected to be here today for the 24th annual session of District 9 Baptist Convention.

All activities will be centered in First Baptist Church, whose pastor is Dr. Jones W. Weathers.

The meeting, to begin at 10 a. m., will be under the direction of the Rev. Wayland Boyd, pastor of First Baptist Church at Crosbyton and president of the district.

Appearing on the program will be Robert Lacey of Hereford; Dr. Franklin Swanner of Plainview, district missions secretary; the Rev. E. K. Shepherd of Muleshoe, and Dr. Arthur Rutledge of Dallas.

The various conferences during the day will be led by Hooper Dillard, Training Union secretary; Andrew Allen, Sunday School secretary; Eula Mae Henderson, WMU secretary; L. H. Tapscott, Brotherhood secretary, and V. F. Forderhase, music secretary, all of Dallas.

A special half-hour of music under the direction of Forderhase will conclude the program. Mrs. Glenn Wilson of Wolforth is district secretary.

COMMISSIONERS Banquet Is Scheduled

The Clubwoman of the Year will be revealed when Terry County home demonstration groups honor the Commissioners Court at a banquet, 7:30 p. m., Friday in The Party House.

Speaker for the event will be the probation officer of Hockley County, Bob Robbins, who attended Oklahoma A&M at Stillwater, the South-

BOB ROBBINS
Banquet Speaker...

western Baptist Theological Seminary at Fort Worth and who has pastored churches in Oklahoma and Texas.

Robbins was pastor of Trinity Baptist Church of Levelland for seven years before he resigned to assume his present duties with Hockley County.

The Terry County clubwoman will be chosen on the basis of her activities in the county, community, home, church and club, with all members of all Terry HD clubs eligible.

Chairman of the Friday program committee is Mrs. Delton Tatum of Route 1, and the foods committee chairman is Mrs. O. D. Kennedy of 708 East Lake.

Terry Farmer Will Be in Group Touring The Nation's Capital

Alton Loe of Route 2 will leave here Sunday to participate in a three-day study tour in the nation's capital, according to Carl Hogue, Terry County Farm Bureau president.

Loe, who is one of nine Texas farmers participating in the trip, won the honor for "outstanding accomplishments in 1957 membership work," said Hogue.

The group will be accompanied by J. H. West, Texas Farm Bureau president, and Millard Shivers, TFB organization di-

ALTON LOE

rector. Hogue said the group will devote most of their time Monday through Wednesday visiting the offices of the national FB organization. They also will confer with members of the Texas Congressional delegation and obtain the latest information concerning farm research, he added.

A historical tour of Washington and visits to committee hearings and sessions also are on the agenda, during the three-day study.

\$100,000 BOND ELECTION SCHEDULED C. E. Ross, Lal Copeland Reveal They'll Seek City Council Posts

Midnight Saturday has been set as the deadline for filing in the city election to be held here April 1, according to A. J. (Jake) Geron, city secretary.

An estimated \$100,000 bond issue for street paving and improvements also is anticipated to be presented to voters April 1, added the secretary. This will include approximately 20 blocks of paving, lighting along Lubbock-Seagraves road and other street improvements, he said.

Two persons have filed for City Council positions to be vacated this year by John Kendrick and Henry Chisholm, who have completed two terms under the City Charter. C. E. Ross of 902 East Tate and Lal Copeland of 602 East Buckley have filed for the positions.

Arle Lowmore of 904 East Cardwell has filed for a second term in the mayor's office, said Geron.

The secretary said persons planning to file for City Council must present the required statement to him or to the mayor before the Saturday deadline.

Geron noted that Kendrick and Chisholm are not eligible for re-election under the City Charter adopted here in January 1955. "The charter states that an elected official may succeed himself only once," he said.

The charter requires applicants to be a qualified voter; a resident of Texas one year preceding the election; a bona fide resident of Brownfield six months preceding the election; a property owner and taxpayer of the city with all taxes paid, revealed Geron.

The election, which will be from 8 a. m. to 7 p. m., will be held at City Hall. David Nicholson will be presiding judge.

THE AROUND What's New? SQUARE
By Weldon Callaway

One of the newest firms in Brownfield, O. C. Elliott Oil Company's Amlico Service, 1100 Block of Lubbock Road, will have their open house tomorrow and Saturday, February 28 and March 1. Drive out and fill up, and be sure to register for all the wonderful prizes they are giving away.

Wellman PTA Sets 'Game Night' Friday

Wellman PTA will sponsor a "Game Night" at the school cafeteria beginning at 7:30 p. m., Friday, according to Mrs. M. R. Paddock, finance committee chairman.

Tickets, which may be purchased from PTA members, are \$1. Ticketholders are eligible to win a portable television set to be given by the PTA. Mrs. Paddock said activities will include games for every member of the family.

Empty Safe Upsets Good Night's Work Of Meadow Thieves

A pretty good night's work went for naught for burglars who broke into Combs Bros. Gin at Meadow Monday night, according to Sheriff James Fulford.

The sheriff said burglars broke into the business and took a heavy safe. The demolished safe was recovered Tuesday afternoon on the Crute Snider farm in northeast Terry.

"Apparently they put in a lot of work on opening the safe," said Fulford. "However, the container was empty." Fulford said his office still is investigating the break-in. See No. 5 Page 2

Shorty Forbus Will Seek Prec. 4 Post In Coming Elections

L. B. (Shorty) Forbus told the NEWS Tuesday that he would be a candidate this year for commissioner of Precinct 4, subject to the Democratic Primary in July.

Said Forbus: "I am 49 years old, married and have a married daughter. I established my home in Precinct 4 in late 1940, at 907 South Seventh, where I have lived since, except for working on some out-of-town jobs.

"I believe in issues for the betterment of the precinct and the county, where the majority of the people benefit. I also

L. B. (Shorty) FORBUS

believe in serious thought of economy for all concerned.

"For those of you who do not know me, I will give you the following details."

Forbus continued: "I came to Brownfield Oct. 17, 1932, and worked as a mechanic, shop foreman and car salesman for 18 years. During this time, I worked for Ralph Carter, Chevrolet dealer; C. E. Ross, Hudson, Oldsmobile and Pontiac dealer; Teague & Bailey See No. 6 Page 2

Post Incorporation Will Be Discussed

Members of Hand Bros. Post 6794, VFW will discuss advantages and disadvantages of incorporation of the post under state laws at their regular meeting 8 p. m., Thursday in American Legion Hall, according to Jack Aldrup, commander.

In other business, the group will hear the nominating committee's report concerning selection of officers slated next month.

Aldrup urged members to attend the meeting. Refreshments will be served.

Musings—

What you seldom hear about yourself is said behind your back. —Aton.

CONTRACT GIVEN Changes Slated For Power Plant

B. C. Jones Electric Company has been awarded the contract to change Brownfield's power plant from 2,400 volts to 4,160 volts, according to A. J. (Jake) Geron, city secretary.

The work, which is expected to be completed within 60 days, is the first step in converting Brownfield's electric transmission system, added Geron. "However, this does not include transmission lines," he said. "The work deals with only the plant itself."

Pleasant Valley To Be Site of Sunday Service

After a lapse of four years, regular Sunday night preaching services will be resumed at 7 p. m. in the Pleasant Valley school building.

In the pulpit will be E. L. Cave of Route 1, who urged Tuesday attendance by peoples of all faiths. The former school building is 5 1/2 miles northeast of Brownfield. See No. 2 Page 2

Broncs of Meadow Roar to Life For Rough, Tumble Win Over Fightin' Gail

By CHARLIE MAPLE
NEWS Sports Editor
LAMESA, Feb. 24 — After trailing most of the initial period, Meadow's Broncos roared to life the final three quarters to stampee past the Gail Coyotes, 75-63, in a rough and tumble bi-district cage playoff tilt here tonight.

Four members of the Bronco quintet scored in the double figures to pave the way to the Coyotes' first loss of the season. The Borden County team compiled a 23-0 record before Monday's game.

Meadow, winner of 21 of 26 tilts this season, will move into the first round of regional play at 7 p. m. Friday against Roosevelt, 53-40 winners over Pep. Regional play will be held in the West Texas State College Gymnasium in Canyon.

Chairman of the Friday program committee is Mrs. Delton Tatum of Route 1, and the foods committee chairman is Mrs. O. D. Kennedy of 708 East Lake.

headed briefly, 8-6, two minutes deep in the quarter. Close jump shots by Jerry Stagg and James Massengill edged the Coyote margin to 17-13 at the end of the first period.

A pair of free throws by Meadow's Harold Hinson 2:15 deep in the second frame gave the Broncs their second lead, 21-19, which never was lost.

Ronnie Bell connected on one gratis pitch and Maurice Warren added two more to give the Broncos a 24-19 bulge before Gail could recover.

Taps by Warren and jump shots by Henson gradually widened the gap to nine points just before the half. A desperate 55-foot shot by Massengill narrowed the margin to 36-29 at the buzzer.

The winners widened their margin to 55-41 in the third canto as Perry Lockett meshed nine points to lead the attack. Meadow continued to build

their lead, heading Gail by 70-50 at one point, before going into a stall with 2:30 left in the game.

Hits 43 Per Cent
The tilt, which had been extremely rough throughout the first three and one-half periods, threatened to turn into an all-out brawl the final four minutes as the Coyotes battled to control the ball. Cool-headed playing by the Broncos probably was the only thing that kept the game in hand.

The winners out-shot Gail from the field the second half after both teams registered 40 per cent averages the first 15 minutes. The Coyotes slumped to nine buckets the final two periods while Meadow fired 15 through the nets.

Meadow hit 27 of 62 shots for 43 per cent and Gail tallied 19 of 53 for 36 per cent. Stagg and Massengill meshed 25 points each to share high

ABOUT SURPRISE

Letter For The Editor

To the Wellman PTA and those who had a part in the program last Thursday evening:

I wish to express my deep appreciation for the great honor you bestowed upon me in being the one chosen on your program, "This Is Your Life."

This indeed was the most wonderful thing that has ever happened to me during my 40 years of teaching. It is something that shall never be forgotten.

I shall always cherish the memory of each of you who had a part and to those who sent messages but could not attend.

Thanks to the many friends who came for miles to help make this such a wonderful experience for me. I can assure you it was the greatest surprise of my life.

No. 1—

of calls being put through at that time, operators were a little slow in getting to the man's call and explained, "We are sorry but the traffic is so heavy tonight (meaning telephone traffic)." The man was considerate, "I know, lady. I just came in from Lubbock and that traffic is awful."

Farrar says, "Our operators are always considerate in time of emergency. Last spring when we had a tornado just out of town, we were swamped with calls, and some of the operators came in to help us out, even though they didn't have time to get baby sitters and had to bring their babies with them."

Part of an operator's training is in handling emergencies. However, will this call be something that isn't covered by

May God bless each of you.

Ed. Note — Mrs. Lyon was honored last Thursday for her 40 years of teaching by the Wellman PTA.

No. 2—

honors for the game. Meadow's Hinson hit 18 points. Lockett added 14 points, Warren had 13 and Bell, 11.

Hinson, Warren and Lockett also proved to be a thorn in Gail's side under the boards. Hinson pulled down nine rebounds and the other two controlled eight each.

Meadow's girls team will enter bi-district play Monday when they battle Loop for regional position. Time and site have not been determined according to Coach Charlie Rand.

group will attend a banquet for Texas senators and congressmen.

Award winners were selected by a committee appointed by Texas Farm Bureau. Some 82 counties which met their 1957 membership quota and made a gain over 1956 were eligible to nominate workers for the trip.

Texas Farm Bureau qualified for nine winners by exceeding its 72,500-member quota.

Other members of the group and the counties they represent are Jack Byrd of McLennan, Oscar Grossman of Bell, Fay Mowery of Harris, Ernest Rea of Childress, Clinton Smith of Willacy, John Smith of Milam, Ernest Trenckmann of Austin and Edwin Yanta of Karnes.

Henderson's Team Takes Lead in Golf

Gwen Henderson's team took the lead Tuesday when Women's Golf Association of Brownfield Country Club met for their second week's play in a six-week tournament.

Trailing by 20 points after last week's play, the Henderson team took the lead and

left the score at 166 to 158 for the Minnie Hazel Bowman team.

Winning the golf balls were Jo Ann Hardy, medalist, and Lynn Hoey, low net.

The Henderson team was hostess at a brunch luncheon.

In the summer, protection now on the sides will be removed for more circulation of air. Pigs also have access to irrigated pasture during the day.

Social Security Man Sets Meeting Here

All persons, except medical doctors, who have earnings from their own trade, business or profession get social security insurance credit from those earnings according to John G. Hutton district manager of the Social Security Administration in Lubbock.

A self-employed person who had earnings of \$400 or more last year, as the individual owner or partner of a business or farm should report his earnings up to \$42000 and pay the self-employment tax when filing his Federal Income Tax Return.

Hutton said the individual in business for himself uses separate Schedule C. A farmer uses separate Schedule F for his report. The separate schedule is a part of the income tax return for 1957 in either case.

He emphasized that returns should be filed and the self-employment tax paid when due. The deadline in most cases is April 15 for filing the returns with the Internal Revenue Service.

There are some instances in which the return must be filed and the self-employment tax paid even though no income tax is due.

It is from these reports of self-employment income that self-employed persons earn social security protection for themselves and family upon retirement. Social security also provides financial protection in the case of disability or death of an insured worker.

A representative of the Lubbock Social Security Office will be in Brownfield at 9:00 a.m. next Thursday at the Court-

OES Chapter Holds Initiation Ceremony

Members of Brownfield Chapter 785, Order of the Eastern Star, met Tuesday night in Masonic Temple for initiation ceremonies.

Presiding were Irma Smith, Worthy Matron, and Cecil Smith, Worthy Patron. A total of 28 attended.

Refreshments were served in the Banquet Room by Mr. and Mrs. J. W. Nelson, Mr. and Mrs. Gay Price and Mrs. Lily McPherson.

Thurmans Return Home
Mr. and Mrs. J. E. Thurman of 215 South Second visited their son, William Thurman, of Edmonson, last week. J. E. Thurman, also their son, and his family visited with them Sunday and brought the J. E. Thurmans back to Brownfield.

Terry County 4-H Survey

By LINDA HENSON and STANLEY FARRAR

The 4-H girls baking contest will be Saturday morning. Remember to bring your baked product to the county agent's office from 9 a.m. to 9:15 a.m. Saturday if you wish to enter the contest.

A bake sale will follow the contest. It probably will start about 1 p.m. Adult leaders and 4-H girls who wish to help with the sale, please notify the HD agent.

The 4-H council will meet at 9:30 a.m. Saturday in the Party House. Everyone be sure to remember the 4-H Club Week is March 1-8.

Meadow 4-H Club will meet at 3 p.m. Wednesday at the school.

Union Girls 4-H Club met Feb. 19 in the study hall of the school.

The President, Diane Montgomery, called the meeting to order. Roll was called and minutes were read by Melba Lucker.

The club elected Darleen Bacchus vice president. Miss Betty Hillis, Terry HD agent, give a demonstration on convenient dressing.

Winnie Shults summarized the important points of demonstrations. Recreation was led by Helen Hungerford. The meeting was attended by 17 members.

4-H Club Week will be March 1-8. We are planning to have a 15-minute radio program sometime during the observance.

We also plan to give several demonstrations for civic clubs and place posters in several store windows.

Last Wednesday the Union 4-H Club met. About 25 boys at-

Earl Bradley Feted At Birthday Party

Earl Bradley of 209 East Buckley was honored with a birthday dinner Monday evening in the Lowell Stephens home of Route 2.

Centering the table, was a birthday cake with 60 candles. Those attending were Mrs. Winnie Creamer, Mr. and Mrs. Walter Tomlinson, Mr. and Mrs. John Hissom, Mr. and Mrs. Bradley, and Mr. and Mrs. Stephens.

R. A. Bradley, son, and his wife of Muleshoe were here Sunday to visit. Gifts were sent from Carlsbad, N.M., El Paso and Muleshoe.

Brownie Troop 309 Holds Meet Monday

Brownie Troop 309 opened their meeting with "The Brownie Promise" and "The Brownie Song," when they met Monday afternoon in the Scout House.

They dedicated a song to their leader, Mrs. J. D. Williams, who is visiting relatives in Paris. After games were played the meeting was closed with the "Vanish Ceremony."

Those attending were Vicki Daugherty, Kaye Borroughs, Susan Smith, Billie Hensley, Sharon Sue Doss, Nora and Lucille Holleman, Claudine Peters, Gladys Noel, Sheryl Franks, Jane Priest, Mrs. Carl Peters, assistant leader, Mrs. C. P. Doss and Karen.

membership chairman, and Mrs. James King of 315 East Buckley, Presbyterian first vice president and president of the local PWO.

Mmes. Al Muldrow and Ben Monnett were hostesses.

Others attending were Mmes. Tom May, Charles Goldston, Frankie Wier, H. Y. Griffis, W. B. Brown, Bill Gaasch, Ralph Kerley, A. T. Pickett, Joe Morris, Claud Buchanan, Charles Kersh, John King and Miss Ellen Griffin.

Equality is something for other people to share.

PARDON MY HAND—Gail's Jerry Reddell stretches to block this shot by Bronco Maurice Warren in Monday's bi-district tilt at Lamesa. Others watching the action are Ruben Vaughn (38), James Massengill (39) and Larry Doyle (37), all of Gail, and Harold Hinson (44) of Meadow. The Broncs took the game by a 75-63 score. (NEWSfoto)

Alpha Omegas Study Antiques Tuesday

Mrs. Kenneth O. Browning of 1621 East Hill was initiated by Alpha Omega Study Club, when they met Tuesday afternoon in Seleta Jane Brownfield Clubhouse.

Mrs. Don Hewitt of 1107 East Buckley was guest speaker and took the club on a tour of her home, in studying "Antique Conversation Pieces."

She gave instructions in the selection of antiques and told ways of determining their true period. The Hewitt collection includes pieces of silver, glass, pewter, bronze and copper in-

clocks, pictures, furniture and many others pieces. Many of the antiques have been polished down by the Hewitts.

Mrs. Arlie Lowrimore presided over the business meeting preceding the tour, with Mrs. E. Y. Wilder directing the program.

Mrs. Fred R. Smith, hostess, served refreshments to Mmes. Perry Bear, Marion Bowers, P. R. Cates, W. T. McKinney, Doug Cox, F. H. Farrar, Jake Gore, M. L. Copeland, Lowri-more, M. R. Paddock, Curtis Sterling, James Thurman, Browning, Hewitt and Wilder.

Bushland, Tex., Man Reports— "Good Years, and Bad, My Maize Averages 4,000-lb.-per-acre Grain."

Bill D. Wood, Bushland, Tex., says: "Some years any farmer can get good yields on certain crops—well, I use Phillips 66 Agricultural Ammonia to maintain high yield levels. I've used Phillips ammonia for six years on irrigated maize, and come good and bad years I've averaged out better than 4,000 pounds of grain per acre.

"Why, on wheat alone, I paid for seed and fertilizer and made \$15 net an acre grazing it, when I used Phillips 66 ammonia. Then after that, I cut a 40 bushel wheat crop. I'm sold on Phillips 66 ammonia for my cash crops."

Other Southwestern farmers have discovered that, by using the 82% nitrogen in Phillips 66 Agricultural Ammonia, they get more cotton that grades out higher at the gin... yields of grain sorghum grain and ensilage are increased... more marketable vegetables are harvested... and profits on wheat are increased through better forage and higher grain yields.

See your Phillips 66 distributor about Phillips 66 Agricultural Ammonia, the 82% nitrogen fertilizer.

TERRY PIONEERS—Members of Girl Scout Troops 5 and 12 were delighted Monday to hear some history of Terry County and Brownfield by men who helped make that history. Speaking to the girls in The Party House were Arthur Sawyer, left, who lives just west of the city, and A. M. Dick, Brownfield of 608 East Cardwell. (NEWSfoto)

Pioneers Tell History To Girl Scouts

For a program on the early history of Brownfield A. M. Brownfield of 608 East Cardwell and Arthur Sawyer from west of town spoke to Girl Scout Troop 5 and 12 when they met Monday afternoon at The Party House.

Girl Scouts of Troop 5 attending were Rosalene Barrett, Toni Lowe, Carolyn Cary, Genie Christian, Marken Frasier, Barbara Kirschner, Ann Copeland, Judy Teague, Yvonne Parker and Janice Nowell. Attending from Troop 12 were Carolyn Callaway, Pam Shirley, Nancy Benson, Ava

Beth Neel, Mitzi Ann Dodd, Judy Faye Green, Linda Faye Odum, Stella Rice, Suzie Lytle, Frances Dishman, Daphne Pemberton, Kay Bredemeyer, Glenda Bounds, Elaine Flache, Suzanne Armstrong, Rita Jean Flippin, Janie Fugitt, Patricia Ann Turner, Randa Barton and Pamela Parrött.

Others present were Mmes. Brownfield, Sawyer, Jerry Kirschner, Jack Shirley and Truett Flache.

VA Has An Opening For A Pharmacist

The Lubbock Regional Office of the Veterans Administration is interested in accepting applications for a position vacancy of pharmacist, grade GS-7, \$4,525 per annum.

Applicants must be graduates of an approved school of pharmacy and be currently registered as a pharmacist in one of the states or territories of the United States or in the District of Columbia.

Duty hours are 8 a.m. to 5 p.m., Monday thru Friday. The position is a Civil Service position and the individual is entitled to the usual Civil Service benefits of leave, retirement, etc.

Interested applicants should get in touch with the personnel officer, VA Regional Office, 1612 19th Street, Lubbock, for further information and necessary forms to make application.

The Oil Patch

By —DARLENE TURNER MARY JAMES—

HONOLULU OIL

Wasson District celebrated Monday night with a Safety Dinner at the Hitch-N-Post.

Delwin Stults, petroleum engineer in the Bennett District, flew to Dallas over the weekend to visit his parents.

R. E. (Dick) James, engineer in the gas department, is attending the Petroleum Technology Special School at Kilgore Jr. College for a week beginning Feb. 24.

DOWELL

Alan and Mamey Terrell are moving back to Hobbs, N.M., soon. We'll miss them, but wish them luck.

MAGNOLIA PETROLEUM

Gary Bob and Tommy, sons of Mr. and Mrs. Foy Dickinson, civil engineering department, and Steven and Scotty, sons of Mr. and Mrs. Harvey Carson, civil engineering department, recently celebrated successful tonsillectomies.

Bill Boyd, draftsman, visited his home in Oklahoma over the long weekend.

Mr. and Mrs. Jerry Stroud and children, Janita and Jerry Wayne spent the weekend in Chandler, Okla., visiting their parents.

B. D. Bowlin, father of Mrs. Jerry Ellis, secretary in production department, is confined to his home after recently suffering a heart attack.

Mr. and Mrs. Corky Brooks and Sharon were weekend guests of her parents, Mr. and Mrs. C. W. Hunt and children of Littlefield. Mrs. Brooks is PBX operator for Magnolia.

Doyle Pierson, clerk, is in officer, VA Regional Office, 1612 19th Street, Lubbock, for further information and necessary forms to make application.

By VERN SANFORD
Texas Press Association
AUSTIN—"How's business?"

Whenever two men stop to talk, this question is almost sure to pop up. With state and nationwide interest focused on the slackening of the economy, there's much searching for signs. It means trying to decipher the economic analysts' jargon about "downward plateau" and "rolling adjustments." It also means watching whether the neighbors are buying new clothes or patching the old ones.

On the state level, the spotlight is on the Texas Employment Commission. Its weekly tabulations on the number of people making unemployment claims was for years regarded as the most routine of routine reports.

Today TEC's reports are looked to almost breathlessly for the first sign of betterment. The most recent brought no encouragement. It showed that 75,746 persons covered by unemployment benefits were

out of work. It was an increase of 3,586 over the previous tabulation and 32,816 more than at the same time a year ago.

February reports are of particular interest. Even in good years, mid-winter weather pushes employment down by keeping such job-making activities as farming, construction and retail trade at least partially "socked in." February's final week usually is the beginning of the recovery period.

This year, as at no time in the past decade, TEC's end-of-winter reports are being looked to as a weather vane.

NEW BUSINESS BEGUN—Along with the gloomy, TEC has good news—62 new businesses opened in Texas last month. They ranged from a cafe in Austin to a garment factory in Denton. Dallas got the lion's share—15 new firms.

Immediate effect: 910 new jobs for Texans.

LAB CALLED "MODEL T"—Texas had better streamline its industrial accident system before Washington steps in, warns H. C. Pittman.

"It's a 'Model-T' operation in a jet age," says Pittman, who is chairman of the Industrial Accident Board. Result is that Texas employers pay more and Texas employees get less than in almost any other state.

I'm ashamed of it," said the board's chairman. He blamed the creaky operation on out-of-date laws (system was set up in 1913) and public indifference.

LAB is the state agency that processes, supervises and keeps records on payment of claims arising from industrial accidents. Its work has increased substantially in recent years.

Pittman spoke at the annual safety clinic of the Texas Highway-Heavy Branch Associated General Contractors. Clinic is

AMERADA

Mr. and Mrs. Dale W. Johnson are the proud parents of a new son, 4 ounce son, born in the Treadaway-Daniell Hospital.

Dennis Martin, son of Mr. and Mrs. Alton Martin, has been in the Seagraves Clinic for observation of a possible appendectomy.

Virgil Rowe, who is employed in the Adair Gasoline Plant, is in the hospital for observation.

KOBE

Mrs. Leon Parks from Dumas, has been visiting her sister, Mrs. Maxine McMillin.

Mr. and Mrs. James H. Henderson are moving to Casper, Wyo., where he will be employed with Tret-O-Lite. Roberson was formerly associated with Kobe in Brownfield. We wish them lots of luck in their new venture.

PAN AMERICAN

Ann Keefe spent the weekend in Albany.

H. O. Simms, clerk, has been ill with the flu.

TENNESSEE GAS

Sunday guests in the home of Mr. and Mrs. Tony Baker were Mrs. Nell Redwine and Mrs. Gene Maxwell of Denver City.

Guests, Monday of Mr. and Mrs. Garvin Staley were their daughter and her husband, Mr. and Mrs. Dean Rippetoe of Denver City.

Mr. and Mrs. Herb Pope, Mr. and Mrs. Allen Rollins and Mr. and Mrs. Tony Baker entertained Friday evening with a Valentine party in the Pope residence in the Tennessee Gas Transmission Camp, for employees of Prentiss Field.

Guests were Mr. and Mrs. Barfield Forehand, Mr. and Mrs. Charles Upton and daughter, Guffey Stinnett and Mr. and Mrs. Bingham Young from Seminole.

Garvin Staley made a business trip to Comanche last week.

SHELL PIPE LINE

Mr. and Mrs. Chas. Wagner were weekend visitors in the home of Mr. and Mrs. Lee Loftis. Mrs. Wagner was formerly employed with Pan American.

H. D. Pipkin, gauger, is back on duty after a month's illness.

climax of year-long effort to reduce accidents in construction.

Gov. Price Daniel presented awards to companies with the best safety records for the past year.

MASS SIGN-UP BEGINS—Most state departments now have registration forms for those who come in asking for something for someone else.

Forms were put out as the new "representation before state agencies" law, passed in the first special session last fall, went into effect. Law was designed to keep a check on those paid to seek help or favor from state officials.

There are numerous exceptions—telephone calls, visits for a public hearing, visits for information only and contracts at some place other than the state office.

But businessmen are being advised, "when in doubt, register." Penalties are up to six months in jail, \$500 fine.

NATUROPATHS' ILLS MOUNT—Texas Supreme Court pushed naturopathy outside the realm of legal practice and slammed shut the door.

High court upheld a lower court injunction which barred a naturopath in Midland from doing business. Naturopaths had contested the prohibition on grounds it deprived them of constitutional rights by allowing medical doctors, dentists, chiropractors, etc., to practice but not naturopaths.

Court's ruling pointed out that law permits these other groups to practice only after meeting certain qualifications and obtaining licenses. Naturopath's licensing law was declared invalid some time ago, and no new one has been passed.

Effect of the ruling is to require a naturopath to qualify as a full-fledged medical doctor.

COEDS AT AGGIELAND?—One of the touchier issues confronting the Commission on Higher Education is whether to recommend that Texas A&M admit women students.

It is known to be under considerable pressure from both directions.

Created by the Legislature in 1955, the Commission has responsibility to study and make recommendations for development and improve-

SING ME TO SLEEP—Pictured is Paulette Howell of 511 North Fifth, central office clerk for General Telephone Company located at 402 West Main. She was with the company before the installation of the dial system. A small boy phoned one night, wanting her to sing him to sleep. She did, between answering calls. (NEWSfoto)

ment of the programs in all Texas state-supported colleges and universities. To date, most time has been spent in study, but recommendations phase is coming up.

Dr. Ralph T. Green, executive director, is to report to the 15-member Commission on the A&M issue at a meeting April 14. Commission will then decide what course to suggest to the college officials.

However, the Commission cannot force the college to accept its decision. Chances are the question will be argued in the courts and the Legislature for some time to come.

A suit already has been filed in Brazos County in behalf of would-be women Aggies.

CLIMB IN CRIME—Newly-organized Law Enforcement Commission is beginning its work with a depressing array of statistics outlining its task.

John H. Crooker Sr., Houston lawyer, is chairman of the nine-member panel. Group is to study ways to combat crime and report ten months hence to the 56th Legislature.

Defining the problem are

You can understand what goes on in Congress when you realize that every member represents a district and nobody represents the nation.

A diplomat is a man who remembers a lady's birthday but forgets her age.

One of the hardest secrets for a man to keep is his opinion of himself.

these facts that were dumped in the Commission's lap:

1. Major crimes in Texas are increasing faster than the national average—9.2 per cent here as compared to 7.2 per cent nationally.

2. Of some 154,000 major crimes committed in Texas last year, an estimated 50 per cent were by juveniles. Governor Daniel has asked the Commission to give top priority to study of juvenile crime.

3. State correctional schools for youths are not required to handle the swelling tide of offenders, according to the Texas Youth Council, Gatesville school, with capacity of 650, has population of 898.

New Sorghum For Forage Announced

High Plains farmers can produce 30 tons of ensilage an acre with forage sorghums. This is shown in a variety test at the High Plains Station of Texas Research Foundations.

In a test of six varieties planted at the Station in 1957, the yields ranged from 23.5 tons to 30.5 tons of green material to the acre. Honey Drip was the highest yielding variety and produced approximately 2 tons more than Honey Sorgo, the second highest.

This test was planted June 21 at the rate of 10 pounds of seed per acre. The seed were planted in four row plots 100 feet long with four sets of plots (replications) randomly placed so as to eliminate differences in soils, watering, and other factors in the field which effect yield. Thirty-six pounds of nitrogen and 45 pounds of phosphoric acid were applied at planting time with 75 pounds of nitrogen sidedressed July 18.

The plots received a preplant irrigation with three subsequent waterings. A total of 15 inches of water was applied by irrigation and 17.4 inches of rain fell during the period of April 1 to October 1. This made a total of 32.4 inches of water which could have been available for plant growth.

In this test a difference of less than 1.12 tons per acre between any two varieties might be due to chance and one might produce as much as the other under field conditions.

The varieties that were grown are listed below with both the green weight and the air dry forage yields.

Var., Green W., Air Dry forage	tons/acre	tons/acre
Honey Drip	30.55	12.22
Honey Sorgo	28.79	11.52
Tracy Sorgo	26.50	10.72
Sugar Drip	24.12	9.63
Sart	23.76	9.50
Atlas Sorgo	23.72	9.49
L.S.D.	1.12	.66
C. V.	6.21	13.63

NEW CO-OWNER—Pictured above is W. K. (Speedy) Lindsey, who with Paul Yancy last week bought Sonny's Feed and Supply Store at 1001 West Main. Lindsey is living here now. Yancey will be moving soon to Brownfield from Lubbock. Lindsey, his wife, Mary, and two sons, Ken, 6, and Lynn, 3, live at 612 Cactus Lane. They are affiliated with the Baptist Church. He was born and reared at Ropesville, and is a Jaycee and Mason. Lindsey's father, Pete Lindsey, attended school here in 1912. Yancy also is a Baptist and a Mason. He moved to Lubbock in 1941, to be associated with the Purina Mills which were built at that time. Yancey has been with Purina for the past 38 years, traveling this territory as district manager since 1941. His wife is Wills Marie Yancey. (NEWSfoto)

UNFOLDS AT THE RIALTO THEATRE

'Above Us The Waves' Reveals Story Of Submarine Attack on German Tirpitz

One of the last war's most daring exploits, the heroic mid-geet submarine attack on the massive German battleship, Tirpitz, has at last been brought to the screen in all its dramatic power in the Republic release, "Above Us The Waves," a J. Arthur Rank Organization presentation showing yesterday and today at the Rialto Theatre.

Starring John Mills, famous for his naval roles, Donald Sinden, whose portrayal of a tough naval officer in "The Cruel Sea" brought him film stardom over-night, John "Genevieve" Gregson, Michael Medwin and Robertson Justice, this thrilling sea saga begins when the battle of the Atlantic is at its height.

Ships are so badly needed elsewhere that a handful of men hit upon an almost certainly suicidal plan to sink the monster German battleship, Tirpitz, lying in hiding in a Norwegian fjord. Their plan, to literally ride their torpedoes into the enemy battleship, is defeated by a storm.

Daring Mission

But tough, buccaneering Commander Frazier, played by John Mills, gets another idea and persuades his superior to let him lead the second daring attack, this time with mid-geet submarines. This mission, carried out in its tragic but successful and provides some of the most thrilling action scenes ever photographed, with the underwater photography ex-

Pork continues to take the spotlight at meat counters as supplies will probably be at their seasonal peak during March. Frozen whiting is plentiful, too. January 1 stocks totaled 18 million pounds—eight million above a year earlier.

Canned and frozen corn and pinto beans are the only vegetables listed as plentiful for March. Production of pinto beans was estimated to be 1,455,000 hundred-weight larger than the year before. Stocks of frozen corn are at a record high.

Peanut and peanut products complete the plentiful list compiled from a survey of major food suppliers in this area.

PREPARING FOR RAIN—Bill Dugger, soil conservationist, checks a terrace under construction on the Frank Walters farm 2 miles southeast of Meadow. Despite deep moisture that slowed work, Dugger said about 10 miles of terraces were constructed in the county last week. (NEWSfoto)

SCS SERVICES AVAILABLE HERE FOR FARMERS

Wet Year Pushes Terrace Construction in Terry County; Value of the Soil Conservation Practice Is Told by Expert

By MORRIS FARROW

Terry Soil Conservationist

Another promising wet year has pushed terrace construction into the limelight here again after several years of drought.

Last year's sudden drenching rains served as a reminder to many Terry Soil Conservation District cooperators, who allowed terrace systems to deteriorate during the dry weather, to rebuild their water controls.

Properly constructed and maintained terrace systems play an important role in a farm's soil and water conservation program.

Practices Are Important

After several years of drought, many TSCD farmers found that 1957's rains eroded fields where terraces and contour cultivation practices had been neglected. These practices are important to a continued erosion control program here.

Three TSCD cooperators recently have completed approximately 10 miles of new terraces and have rebuilt old ones. Included in the group are Frank Walters and C. E. Hicks of Meadow, and W. E. Johnson of Johnson Community.

Others planning terrace construction are C. O. Rickey, who operates the Wilkins farm east of Meadow; B. F. Finley, who farms north of Meadow, and H. D. West, who farms about 8 miles northwest of here.

SCS Aid Available

Henry Williamson, head of the Terry work unit, explained the Terry SCS is available to aid in planning and engineering design of terrace systems.

Williamson also noted that cost-sharing assistance for terrace construction is available to landowners through the Agricultural Stabilization and Conservation Office.

"However, terraces must be constructed to meet required engineering specifications," he added.

Terraces constructed in TSCD are broad base, level terraces with both ends closed. William Dugger, Terry soil conservationist, explained this type terrace serves to check water flow on long slopes.

This tends to prevent gully erosion and holds water on the field until it is absorbed into the soil, revealed Dugger.

The broad-based terraces commonly used here are wide enough to allow easy crossing with modern farming machinery. There is little obstruction to formal farm operations.

Constructing a terrace does not complete the farmer's job. Maintenance is necessary to keep terraces effective in erosion control.

Crossing terraces with cultivated rows quickly destroys effective terrace height and renders the system useless.

For full utilization of a system, crop rows must follow terraces—not cross them. It is important also to re-plow terraces every two or three years to maintain effective height and width.

Terraces alone will not solve our conservation problems. However, when used as part of a planned soil and water conservation system, terraces become an important tool in the fight against erosion losses in Terry County.

PREPARE FOR SHOW—These Brownfield Future Farmers are inspecting a group of barrows which will be entered in the South Plains Junior Fat Stock Show, March 15-19 in Lubbock. Members of the Brownfield FFA Chapter will exhibit approximately 20 head of hogs at the Lubbock event. (BHSfoto)

AREA II OFFICERS—Brownfield Chapter, Future Farmers of America, is one of several dozen in Area II of the state FFA set-up. This year's officers of the area are pictured above. From left: J. D. Evens of O'Donnell, treasurer; Bill Bartlett of Lamesa, vice president; T. C. Rice of Stamford, president; Bobby Kent of Sweetwater, secretary, and Gabriel Navar of Yalata, sentinel.

Dried Prunes Top Plentiful Foods List

Dried prunes are given top billing on the U.S. Department of Agriculture's March plentiful foods list for this area.

A larger than average crop, plus a liberal carryover from last year, assure an abundance of this fruit. Prunes are a perfect food for March "Good Breakfast Month," coupled with cereals or served alone. Other fruits on the list are apples and canned pears.

Eggs return to USDA's plentiful foods list for the first time since last July, as production is expected to reach a seasonal high in March. Also, March is "National Egg Month."

Dairy products are also in plentiful supply. Milk production is increasing seasonally and the 1953 outlook is for record supplies. January 1 stocks of American cheddar cheese were estimated at 372,000 pounds and stocks of butter were above a year ago.

starring honors in this Twentieth Century-Fox release.

Dantine, a French journalist who wrote against the Nazi collaborators, spends his last days in prison tormented by injustice of his sentence and the sadism of overseer William Talman.

When his sentence ends, Dantine shares the bitter knowledge of his fellow convicts that their freedom is a mockery. These men have no resources and less hope. Most are forced by debt into the hell-pit of plantation slavery under the ruthless Peter Adams.

From this servitude no man ever returns—until the lid blows off Dantine's fury and hate, and his relentless pursuit of the truth ends forever Devil's Island and the human demons who ruled it.

Huge O. C. Elliott Service Station Schedules Two-Day Celebration

The largest service station west of Texarkana will be opened in Brownfield (1100 Block Lubbock Road) with a celebration on Friday and Saturday.

The two-day event was announced Wednesday by O. C. Elliott, owner of the O. C. Elliott Oil Company.

Elliott, a 12-year veteran in the oil marketing business, is jobber for American Petroleum Company of Texas, products which include Fina and Amlico gasolines, D-X motor oil, and Goodyear tires.

He formerly was jobber for

Panhandle products in Post and Tahoka and O'Donnell. Panhandle now is a part of American Petrofina, Inc.

James Briggs will be manager of the new station.

"As nearly as we can learn, this will be American Petrofina's largest station, and second largest in Texas," said Elliott.

"It will have 18 pumps, and will occupy more than a square city block. Prizes galore will be offered during our two-day celebration, and no purchases are required to register for them," he said. "All the folks have to do, is to stop by and see our new station."

Prizes will include two complete barbecue pits, a girl's bicycle, a boy's bicycle, dual-control electric blanket, rod and reel set, a set of 11-ounce water glasses with each purchase, plus candy and balloons for the children.

In addition to gasoline and oil, the station is equipped fully for both passenger car and truck service.

Paint Party Is Slated By Country Club Friday

Brownfield Country Club members are invited to a paint party at 4:30 p.m. Friday in the club.

Mrs. Jim Finley, chairman, asked that members bring their own paint brushes. A covered dish supper will be served at 7:30 p.m.

Three things kill human beings: hurry, worry and grease.

Congratulations

DR THOMAS A. DOOLEY

Outstanding Missionary To Speak In Lubbock

"That Free Men May Live," Indo China to combat disease and Communism.

He has worked with the Vietnamese people since the fall of Dien Bein Phu and the partition of Indo China in 1954.

For his work he has received the Navy Legion of Merit, the commendation of President Eisenhower, the Christopher Award and the Albert Schweitzer Award. He also was listed among the 10 top young men of the U. S. in 1956 by

will be discussed by Dr. Thomas A. Dooley, American medical missionary, at a meeting sponsored by United Church Women of Lubbock.

The meeting, slated for 7:30 p.m. Mar. 7, will be held in Lubbock Municipal Auditorium.

Dr. Dooley, who recently returned from Indo China, will discuss the work of six young Americans who are working in

Mrs. A. W. Turner Is Birthday Honoree

Mrs. A. W. Turner, teacher of LLL Sunday School Class of First Baptist Church, was honored with a birthday party Thursday afternoon in the home of Mrs. R. M. Moorhead at 904 East Tate.

Mrs. Turner has the same birthday anniversary as George Washington. Both their pictures were above the mantle with a hatchet on either side.

A Madeira cloth covered the table centered with a miniature cherry tree with red carnations at the base. Mrs. E. C. Poole was at the silver tea service and Mrs. Charlie Warren served the cake.

Mmes. Les Newberry, Abe Howard and E. B. McBurnett Sr. sent gifts. Those attending

the Jaycees. Tickets for the lecture will be on sale in Lubbock for \$1.

This will mark his second trip to Lubbock in recent years. He discussed the evacuation of northern Indo China after the fall of Dien Bein Phu when he spoke in Lubbock in 1956.

Bread Preparation Is Discussed And Demonstrated At Challis HD Meeting

Meadow Challis HD Club met Feb. 18 in the home of Mrs. W. J. Moss with Mrs. Joe Doak as hostess.

Roll call was answered by telling, "A new way I have learned to serve bread to my family."

Mrs. Tom Pettigrew, president, presided over the business session with Mrs. Loyal Henson giving a report on the last HD council meeting.

Mrs. Ira Cason, program leader, said, "Bread is a stand-

were Mmes. H. K. Kendall, Frank Daniel, Virgil Daniel, E. G. Black, Smith Murry, Pool Warren, W. G. Swain, B. M. Bryant, L. M. Rogers, Moorhead and C. E. Ross.

ard food and a body builder coming in many varieties, and adding interest to any meal." She gave instructions in the mixing, kneading and shaping of loaves and fancy rolls which were served during the social hour.

Following the program, Mrs. W. J. Moss was honored with a surprise birthday party.

Refreshments were served to Mmes. Sam Gossett, J. C. Finley, Joe Henson, Pettigrew, Henson, Cason, Henderson, Moss, McCutcheon, Corley and Price.

Every generation, if wise, learns from those who follow as well as those who went a head.

"MY FAVORITE RECIPE" — Pictured is Mrs. W. K. (Bill) Williams of 614 Cactus Lane as she prepares her favorite recipe, white fruit cake. Her directions: Cream together one pound of butter and two cups of sugar. Mix one pound broken pecan meats, and one pound each of chopped candied cherries and pineapples with 3 1/2 cups of sifted flour to which one teaspoon of baking powder and 1/2 teaspoon of salt have been added. Combine the above mixtures and add two ounces lemon extract, one ounce water and eight well beaten eggs. Mix thoroughly and pour into one large or two small pans, greased and floured. Bake in slow oven, 275 degrees, for 2 1/2 hours. This makes five pounds of cake. Mrs. Williams says, "This is one fruit cake we eat the year round." (NEWSfoto)

Pvt. Townsend In German Maneuvers

Pvt. Ronnie M. Townsend, 23, whose wife, Juanita, lives in Seagraves, recently participated in "Sabre Hawk" a Seventh Army maneuver which involved more than 100,000 troops in Germany.

A radio operator in Company D of the 8th Division's 8th Infantry, Townsend entered the Army in June 1957 completed basic training at Fort Riley, Kan., and arrived in Europe last January.

Townsend, son of Mr. and

Mrs. Dave Townsend of 306 N. E. Fourth Andrews, is a 1952 graduate of Seagraves High School and a 1956 graduate of West Texas State College. In civilian life he was employed by the Seagraves public school system.

**Let's Talk
Livestock!**

By TED GOULDY

FORT WORTH — Figures made available by the USDA Crop Reporting Board in Fort Worth this week indicate the nation's calf crop was off 2 per cent in 1957 yet was 10 per cent above the 1946-1955 average. The decline was credited to the drop-off in numbers of grown cows and heifers over two-year-olds.

The only area in the nation which reflected an increase in the calf drop last year was the South Atlantic States, which showed a three per cent climb.

**Rains Clobber Livestock
MOVEMENT IN SOUTHWEST**

Wet grounds held livestock movement to a minimum at Southwestern and Southern points at the start of this week. The limited offerings reported in these areas was offset by considerable expansion in the Northern areas as clearing weather following recent storms put farmers back in the livestock selling business.

At Fort Worth cattle and calves were generally fully steady except cows, which class wound up a slow trade with 25 to 50 cents or more lower prices.

Good and choice steers and yearlings cashed at \$24 to \$28, and medium and lower grades cashed at \$16 to \$23. Fat cows sold from \$16 to \$18, and canners and cutters cashed at \$10 to \$16.50. Bulls drew \$14 to \$20. Good and choice slaughter calves cleared at \$24 to \$27, and medium and lower grades cashed at \$15 to \$23. Stocker steer calves bulked at \$24 to \$28, and heifer calves sold from \$26.50 downward.

**HOGS TOPPED AT \$21.50;
SOWS AT \$19.00 DOWN**

Choice butcher hogs cashed at \$21.50 at Fort Worth Monday, the top 50 cents under the close last week. Medium to good butchers sold from \$18 to \$21 and sows cashed at \$17 to \$19.

**SHEEP AND LAMBS CLIMB
MILK LAMB TOP \$24.50**

Grade was very active and prices were strong to 50 cent or more higher on sheep and lambs at Fort Worth Monday.

Good and choice milk fat lambs cashed at \$23.50 to \$24.50, and good and choice old crop lambs ranged from \$21 to \$24, the higher figure on

some wooled club lambs. Some No. 1 pelt lambs cashed at \$23 and \$23.50 downward, and shorter pelts ranged from \$23 downward.

Medium grade feeder lambs cashed around \$19 to \$21. Slaughter ewes and bucks sold from \$8 to \$10 a load of aged bucks at \$9. Aged wethers were reported from \$14 to \$16.

Even in this age of automation — there is no machinery which can substitute for a good neighbor.

People who read carelessly talk carelessly.

Does your car need an auxiliary gas tank?

Switch to Rambler
The All-Time Economy Champ

Rambler's first in sales gains—up 81%. Reasons: Rambler 6 with overdrive holds three official NASCAR Economy Records—less than 1/4 a mile for gasoline. Smart new styling. Highest resale value. Brownfield Future Farmers Observe FFA Week, Feb. 22-March 1

FFA BOYS AT WORK—The upper panels depict some of the varied activities of vocational agriculture students in Brownfield High School as members of the Future Farmers of America chapter here. From left in upper panel: Kenneth Cason, Loyd Franklin, Tommy Lamar and R. Lee Petty help clean the feed pens located due north of BHS across Tahoka Highway. Next: Allen Browning, Danny Lewis and Guy Henson pore over records of their projects for this year. Up-to-date records are mandatory. Next: Robert (Rabbit) Wright, Byron Evans tackle the job of fence repairing at the school's FFA farm. Next: Mike Boots, Lonnie Bartley, Buster Chambers, Herbie Pickett, Jimmy Sherrin, Gary Moore, Petty and Hilbern Briscoe—they are examining a group of hogs which the chapter will show March 17 in the South Plains Junior Fat Stock Show in Lubbock. Next: Two Spotted Poland sows, which will farrow soon, take the sun at the FFA farms. The pigs will be sold to FFA boys for showing in the State Fair of Texas, October at Dallas. Next: With wheelbarrow is Benny Pennington. From left standing are Joe Christesson, Eugene Jeter and Kenneth Howard. The Quartet is moving dirt to low places at the farm. (BHSfotos)

FFA ANNUAL HIGHLIGHT—Always one of the highlights of the Brownfield Future Farmer's year is the Terry County Junior Livestock Show, where the project which he has undertaken during one year is subjected to competition from other FFA members and 4-H club boys and girls. Primary purpose of the event is to promote more livestock production in a county such as ours which has all the prerequisites of an ideal livestock area. Scene above was during the 1956 show. The event is scheduled again April 21-22.

HELPING WITH CHORES — A significant factor in FFA activities is that members must get "down and work sometimes." Feeding chapter livestock is one of the many chores which Elbert Landess, left, and Jimmie Sherrin face daily. Vocational agriculture students at Brownfield High School take turns feeding the livestock after school as a part of the actual farm experience which they receive. (BHSfoto)

Governor Proclaims FFA Week, Feb. 22 Through March 1

GREETINGS: The future progress and prosperity of Texas is dependent to a large degree on our agricultural economy and those who operate the many farms and ranches of our State.

The Future Farmers of America organization is composed of boys who are studying vocational agriculture in the public schools in preparation for careers in farming, ranching and related fields. These Future Farmers are studying the science of agriculture, striving to continuously improve this great industry for the welfare of all citizens.

Texas now has 904 active FFA chapters with nearly 36,000 active members and more than a quarter of a million former members. These young men perform valuable community services and provide important leadership in developing our agricultural economy and helping to build a better State.

The Texas Association, FFA, during the past 30 years has been outstanding in developing leadership, encouraging cooperation, promoting good citizenship, teaching sound methods of farming, and inspiring patriotism among its members.

THEREFORE, I, as Governor of Texas, do hereby designate the week of February 22 through March 1, 1958, as FUTURE FARMERS OF AMERICA WEEK in Texas, and urge all citizens to give recognition and encouragement to these young men who are preparing for careers in agriculture.

In official recognition whereof, I hereby affix my signature this 21st day of Jan., 1958.

Price Daniel
Governor of Texas

FFA CHAPTER OFFICERS — Future Farmer of America activities in Brownfield High School are carried on through a duly organized chapter, complete with officers, who are pictured above. From left: Herbie Pickett, reporter; Ellis Cox, Student Council representative; Mike Smith, vice president; Patsy Hulse, chapter sweetheart, who also is nominee for the title on the area level; Gene Mason, president; Bill Walker, secretary; Lonnie Bartley, treasurer, and Tommy Lamar, second vice president. Not shown is Ronnie Bartley, sentinel. The BHS chapter currently is observing Future Farmers of America Week, Feb. 22-March 1.

FFA PIG PARLOR — Seen from the west, the model pig parlor of Brownfield FFA Chapter, one of the latest innovations in the swine feeding industry, supplies adequate room for 50 pigs from a starting weight of 50 pounds to a finished weight of 200-240 pounds. The parlor is a complete unit, having a concrete floor with a strong slope for good drainage and a corrugated steel roof for protection from sun and weather. On the inside is a self-feeder (2,500 pounds of capacity) and a 250-gallon self-waterer. The project was built entirely by BHS vocational agriculture students. (BHS foto)

IT'S WORK, TOO—In upper panel, Ronnie Bartley and Gary Moore take their turn cleaning out the storage house at the FFA Chapter farm. Next: Jerry Boen, Gene Gipson, Gene Stubblefield, Eddie Perry take up shovels to clean the chapter's pig parlor, constructed entirely by the youths. Next: FFA boys fill the self-feeder (capacity: 2,500 pounds) located in the pig parlor. Next: Robert Sohm, Frank Beadles, Richard Cooper, Ray McWilliams and Billy Phelps catch their turn at cleaning the parlor. The job must be done at least twice a week. Next: Johnny Murphy, Delbert Hadaway, Duane Steen demonstrate the use of tools in the chapter's well-equipped machine shop. Bottom picture: "Where, oh where is my pig," says Mike Boots. Mike will enter his pig in up-coming livestock shows here and at Lubbock. (BHSfotos)

April House Tour Is Scheduled by Group

Members of the WSCS of First Methodist Church met Monday for their monthly luncheon with Mmes. E. Proctor, W. C. Windham and J. B. Worsham as hostesses. Mrs. J. C. Criswell said the blessing. At the business meeting which followed, members voted to pay the expenses of one delegate to annual conference to be held in Hereford, March 18-20. Committees were renamed for a house tour to be conducted in April. Mrs. Burton Hackney is chairman of the committee to select houses and to set time for the tour. Working with her will be Mmes. G. S. Webber, Bob Baumgardner, J. L. Newsom, E. F. Latham and J. H. Portwood. Mmes. Glenn Harris, Leo Holmes and J. S. Smith will make arrangements for the speaker. Tickets and their sale will be directed by Mmes. Joe

PATRICIA TURNER

FOR PIANISTS

Patricia Turner Is Winner in Contest

Miss Patricia Turner, 11-year-old daughter of Mr. and Mrs. Fred Turner of 1305 East Tate, has been announced a 1958 winner in the Chamber Music Contest which is held annually in Lubbock and is sponsored by the South Plains Music Teachers' Association.

Entering the first movement of the Sonata, Op. 157, No. 4, by Spindler, she competed against 25 other contestants.

In doing this, Patricia became the first Brownfield pianist to be a winner in this contest. She is a pupil of Jerry Gannaway, Brownfield teacher.

The young pianist will perform this composition accompanied by a string quartet in a program to be presented March 4, 1958, in the Texas Tech Museum Auditorium.

TO AUSTIN — The quartet pictured above, members of the Distributive Education Club of Brownfield High School, left this morning for Austin, where they will take part in the state DE convention. From left: Don Green, club vice president who will enter the sales demonstration contest at the convention; Donna Golden, club sweetheart, entering the job application contest; Ann Daugherty, job appli-

cation, and Johnny Gaston, who will try for the job application and who also will be a candidate for the state office of sergeant at arms. They will be accompanied by the DE coordinator in BHS, R. T. Wilson. The annual event will be held in the Stephen F. Austin and Driscoll hotels, Friday and Saturday. The two-day event is the major climax of DE Week in Texas, Feb. 23-March 1. (BHSfoto)

Antiques Discussed By Junior Women

Mrs. Don Hewitt of 1107 East Buckley spoke on antiques when Junior Woman's Study Club met with her Monday afternoon.

She gave various ways of distinguishing antiques and demonstrated their use. She conducted a tour of her home to show the different ways in which she had made use of them.

Mrs. Ulee McPherson, hostess, served cookies and coffee to Mmes. Tom Adams, Baxter, Loei Harley Rodgers, L. G. Moore, Erwin Moore, E. B. McBurnett Jr., Joe Woods, Leo Wenzel and Hewitt.

Tokio Youth Is Taking USAF Basic Training

Bobby W. Brown, 17-year-old son of Mr. and Mrs. Howard Brown of Tokio, has enlisted in the Air Force and is taking basic training at Lackland Air Force Base in San Antonio.

The youth attended Brownfield High School prior to his recent enlistment.

church in Japan, was shown.

Pool News

The Rev. Alton West preached here Sunday with 38 present. The Rev. Mr. and Mrs. West and children visited with Mrs. Euel Howard in St. Mary's Hospital in Lubbock.

Mr. and Mrs. Victor Trussell and children of Lubbock visited Saturday with his parents, Mr. and Mrs. J. M. Trussell.

Mr. and Mrs. Elvise Duncan and children of Snyder spent the weekend with his parents, Mr. and Mrs. E. J. Duncan.

Mr. and Mrs. J. W. Young and children spent Sunday visiting with his mother, Mrs. Ethel Young of Brownfield.

Mr. and Mrs. Leroy Barrier and boys spent the weekend visiting in Snyder with his sister and family, Mr. and Mrs. Bernard Bishop.

Louetta Kirby of Brownfield

spent the weekend with her cousin, Shirley Watson.

Visitors in the home of Mr. and Mrs. Homer Dunn Sunday were Mr. and Mrs. C. H. Dunn and children, Mr. and Mrs. Floyd Garret and children, all of Seagraves.

Mr. and Mrs. Bradley Seaton and girls of Lubbock and Mr. and Mrs. Charles Dunn and family, and Mr. and Mrs. Walter Brenson.

Mr. and Mrs. Bernard Bishop and girls of Snyder visited Sunday afternoon with her parents, Mr. and Mrs. Ray Barrier.

Pool HD Club met Wednesday afternoon in the home of Mrs. Thurman Solsberg. She gave a demonstration on "Yeast Bread." Coffee, cookies, bread and Cokes were served to Mmes. J. M. Trussell, Dan Day, Roy Barrier, E. J. Duncan, J. W. Young and Fred Terry. The next meeting will be March 5, with Mrs. J. W. Young.

Mr. and Mrs. Richard White

and children of New Home visited Sunday with her parents, Mr. and Mrs. W. J. Stokes.

The Rev. and Mrs. Jessie Young and Mrs. G. T. Coker of Sundown visited Monday night with Mr. and Mrs. E. J. Duncan and children.

Mr. and Mrs. J. M. Trussell visited Tuesday in Lubbock with her sister, Mrs. Viena Howard.

Pool WMU met Monday night at the church. Bible study was led by Mrs. Neil Barrier. Others present were Mmes. Leroy Barrier, M. C. Wade, Charles Dunn, and Alton West.

Mr. and Mrs. David Dunn and family spent Wednesday night with her sister, Mr. and Mrs. Neil Barrier and Kathy.

Leaving everything to somebody else is a good way to let somebody else run everything.

You can't explain things by putting the blame on nature unless you can explain nature.

IRRIGATION

Expertly Engineered
For Your Farm With
Superior Irrigation
Equipment

An irrigation system is an important investment and should be protected with expert and experienced engineering. We've provided such service for many farmers in this area to insure dependable, economical performance. For the systems we install, we specify highest quality irrigation equipment, including Alcoa Standard Class 150 Irrigation Pipe.

Come in and let us know what your plans are—we'll work with you in developing a suitable installation for your farm within the amount you are able to invest. Our engineering service is available at no extra cost.

COMPLETE STOCK OF IRRIGATION EQUIPMENT
Pumps • Couplers • Sprinkler Risers and Heads • Alcoa Standard Class 150 Irrigation Pipe in all standard sizes and Alcoa Line-Line Irrigation Pipe in larger diameters.

More Edsels sold in less time than
any other new make of car!

OWNERS SAY EDEL IS THE GREATEST

R. F. SUGGENHEIM, Business Executive, San Francisco, Calif.—"I've never before felt such comfort and pride of possession."

DANIEL C. GOLD, Builder, Daytona Beach, Fla.—"More than 300 horsepower—yet I get 21 miles to the gallon on the road, 17 in town."

BETTY M. HARRIS, Secretary, Memphis, Tenn.—"Drives and handles like a dream. Teletouch shifting is so easy and convenient."

CLYDE C. POWELL, Insurance Exec., Dothan, Ala.—"A beautifully built car . . . and I know I got an exceptional deal when I bought it."

E. GALLAHER, Chief of Police, Pendleton, Ok.—"Rugged, powerful, easiest to handle. I'm glad our new police cars are Edsels."

Over 38,000 Edsels sold in five months

The trend is to Edsel—so we're making this special introductory offer:

Because we know owners' enthusiasm is selling Edsels like nothing else can, we'll give you a special introductory allowance. You'll save hundreds of dollars if you act now.

Edsel is the only car in its field selling more every day—with over 21% increase the last month alone! You know, yourself, how many more Edsels you've been seeing on the road. And we're pushing sales higher still with this wonderful deal.

So come in soon. See how great the Edsel is to drive—how easy to own!

By MAURINE BROWN

Miss Mildred Flowers, secretary to Paul Farrar, spent Feb. 22 and 23 in Durant, Okla. visiting her sister and family. Mr. and Mrs. Charles Clark.

Mr. and Mrs. Robert Howell and son, Dale, and Mrs. Paullette Howell of the local exchange spent the Feb. 22-23 in Grand Prairie and Lipan visiting relatives.

Weekend guests in the home of Mr. and Mrs. C. D. Brown of 505 East Reppro were Mr. and Mrs. O. M. Brown and Joyce of Amarillo. Sunday guests were Mr. and Mrs. H. O. Watson of Meadow.

Weekend guests in the home of Mr. and Mrs. Wayne Hughes of 507 East Reppro were Mr. and Mrs. Earl Lee of Hobbs.

We would like to wish Mrs. Tommy Lou Drewry, central office clerk, a speedy recovery. She is off due to illness.

Mr. and Mrs. James (Janelle) Evans have as their guests Mr. and Mrs. Edgar Boss and children of Corpus Christi.

Miss Lucille Hinkle spent Saturday and Sunday in Seagraves visiting the Leroy Van Winkles.

Mrs. Forrest Cousineau and Mrs. Maudie Lester spent Friday in Lubbock.

Mrs. Larry Beacham spent the weekend in Rochester visiting relatives.

Billy Vick of the western division office is in San Angelo this week and next week attending school.

Mrs. Bill Dugger is on the sick list this week suffering from an attack of flu.

LEGAL NOTICE
 THE STATE OF TEXAS

TO: American Cancer Fund and its unknown members, shareholders, officers, and representatives, and the persons who own stock or interests in and who constitute American Cancer Fund as an entity, corporation, association, firm, company or partnership, if it be any of such; and to the unknown devise or devisees under a purported will of Clifford Mooers, deceased, dated September 24, 1956, admitted to probate in Kendall County, Texas, on December 10, 1956, and the unknown owners or claimants of any interest in the estate of such deceased or in any property standing in his name at the time of his death on November 13, 1956, including the lands and interests therein described in such will and as described and identified in this citation, which are owned or claimed by such unknown claimants as

LEGAL NOTICE
 devise under such purported will, Defendants, each of whose identity and residence are unknown other than claimants American Cancer Society, Inc., a New York corporation, and American Cancer Society, Texas Division, Inc., a Texas corporation, who have been joined as defendants in such suit for personal service.

GREETING: You and each of you are hereby commanded to appear by filing a written answer to plaintiff's petition before the Second 38th Judicial District Court of Kendall County, Texas, in the Courthouse in the City of Boerne, Kendall County, Texas, at or before ten o'clock a.m. on the Monday next following the expiration of 42 days from the date of issuance of this citation, on Monday being the 17th day of March, 1958, and then and there to answer the original petition of Dolores Mooers, a widow, as plaintiff, filed in said court on the 30th day of January, 1958, against H. B. Fuqua as Independent Executor under a purported will of Clifford Mooers, deceased, and in which suit the other named defendants are those persons first named in this writ and to whom it is above directed and other defendants to be cited personally are:

American Cancer Society, Inc., a New York corporation, and American Cancer Society, Texas Division, Inc., a Texas corporation, and Betty Nuss, Chester Green, R. J. Kelly, Mrs. Gladys Van Felt, Genevieve Conroy, Ralph Dahlstrom, Sven Lundahl, Russell Baughman, Charley McCluskey, Allan H. Ellinger, Paul E. Oles, and Mrs. A. G. Koenig, as executrix under the will of A. G. Koenig, deceased, and the said Mrs. A. G. Koenig, a female, and Elizabeth Koenig, a female, as the only heirs, and A. G. Koenig, deceased; John T. Claybourne, Frank Demus, Mrs. C. W. Farley (and husband, C. W. Farley), Paul E. Walters, Leonard Ward, Bruno Brandt, W. B. Davis and John W. Clark, individually and as constituting and representing that class of five-year employees given cash legacies of \$500.00 each under the terms of such purported will of such deceased.

Said suit styled "Dolores Mooers, A Widow, v. H. B. Fuqua, Independent Executor, et al." being numbered 1525 on the docket of said court and a brief statement of the nature of the suit being as follows:

Plaintiff seeking equitable relief asks to set aside a settlement made with her husband, Clifford Mooers, dated May 1, 1954, and this Court's decree of approval entered the next day in cause No. 1464, styled "Ex Parte Clifford Mooers and Wife, Dolores Mooers," dated September 24, 1956, p. 636, and asks an accounting and for a declaration fixing the identity of the residuary devisee under a purported will of such husband as admitted to probate December 10, 1956, in which suit-it is claimed that plaintiff as the wife of such deceased for 27 years before his death was induced to consent to such property settlement and decree by the fraud of her husband and his agents consisting of false representations and concealment of material facts as to the nature extent and value of the community property and of plaintiff's true interest therein at such time, and because of further false promises to purchase and on account of mistake induced by fraud of her said husband and coercion; and it is claimed that a fraud was also practiced by said deceased on this Court, and that the proceedings did not comply with Article 2624.

It is further claimed in such

suit that all or substantially all property in decedent's name at the time of such settlement and at the time of his death was community property, and that had the wife received those properties awarded to her in such settlement, such were greatly less than her share at such time, and such contract was grossly unjust and disadvantageous to her, but that there was further material fraud and deceit practiced on her as to those properties which it was recited she was to receive under such settlement because of failure of title and of consideration in material part and inability to deliver any title to deliver personal property of the kind and value which was represented such wife should receive.

Plaintiff offers to do equity and makes a continuing tender to restore that which she has received and asserts that due to her situation, inexperience, ignorance and inability to deliver any title, she has discovered such fraud and brought this action.

It is further claimed that since such husband's death the defendant H. B. Fuqua, acting as Independent Executor under the purported will of such husband, has come into possession of but has not distributed all of those properties which the husband wrongfully took under such settlement and decree and in which plaintiff had a continuing equitable ownership and interest, and that the other defendants are claiming to own or have some interest in such properties and estate as the respective cash legacies and residuary devisees under such purported will; and that among such properties are lands and interests in lands within the State of Texas, including those described listed and identified in this petition, including the following:

TERRY COUNTY:
 1. A 1/32 mineral interest in Sections 8 and 9, T8K, C-38, PSL, containing 1,288 acres of land, more or less, Terry County, Texas.
 2. A 1/8 mineral interest in Sec. 12, Bk. C-37, PSL.
 3. A 1/4 mineral interest in the NW 1/4 of Sec. 168, Bk. T, D&W RR. Co. Survey.
 4. A 1/4 mineral interest in the E 105 acres of the N 402 acres, Sur. 128, Block D-11 and being Tract No. 1 in a partition of said survey among the heirs of Sally Fueton, deceased.
 5. A 1/8 mineral interest in Survey 127, Block D-11, surveyed by virtue of Certificate No. 43 issued to D & P Ry. Co., original grantee.
 6. A 1/8 mineral interest in the following described property:

All of the S. 20 acres of Section No. 8, Block X, PSL, situated in Hockley and Terry Counties, Texas.

THE STATE OF TEXAS
 To The Sheriff or any Constable of any County of the State of Texas, GREETING:

You are hereby commanded to serve the foregoing citation by making publication thereof in some newspaper, of legal circulation, published in the County of Terry or four (4) consecutive weeks, the first publication to be at least 8 days before the return day of this citation.

Herein I do Not, but on the return day hereinabove named, have you then and there before said court this writ, with your return hereon, showing how you have executed the same.

Issued and given under my hand and seal of said court in Boerne, Texas, this 30th day of
