LEAVE FOR COLORADO

Dr. and Mrs. Sam H. Stewart and Dr. and Mrs. J. T. Hutchinson and family will leave the latter part of this week for Colorado, where they will spend several weeks fishing and generally vacationing. They will make the trip by automobile.

Cold Checks Held By McWhorter Total 235

Two hundred and thirty five cold checks, ranging from \$1 to \$100 in value, or rather in worthlessness, are in the possession of County Attorney Owen W. McWhorter, who is making strides in his announced war against the cold check artists in Lubbock county. Approximately \$2,500 is represented by the large number of bad checks McWhorter has in his possession for prosecution at the present time.

McAdoo and Smith Practically Out of the Running With Less Than Needed Vote

Fifty-second ballot showed McAdoo going down with only 412 against high mark of 503, Smith 329—also a decline, Ralston 93, a marked increase over his previous high mark with Davis 10.

Local Artillerymen Entertain In Afternoon with Rodeo at Merrill Park

Lubbock will celebrate the Nation's 148th birthday tomorrow in a variety of ways. Picnics, motor trips, fishing parties and group outings of all kinds have been planned and announced by various people and a general day of hilarity is expected to result from the usual holiday.

ENTRIES RECEIVED

Entries have been received in all of the different events, including seat roping, horse-back riding, form jumping and steer roping. Comedy clown antics will also be one of the amusements of the day.

TO FIRE VOLLEY

To take the place of the old-fashioned shooting of fire-crackers and other noise making contraptions the artillerymen will draw their guns up in battery front and fire a volley from the three inch pieces and the French 75 millimeter guns. This will be another opportunity for a large number of people who have never viewed such proceedings to see the battery fire, and watch the movement of the gunners in actual firing drill.

RUMORS AND SCANDAL MONGERS

"You know I heard this morning" and they are off again. It may be a social scandal, a juicy morsel of putrid immorality on the part of some neglected young person, a political underhand job through the baiting channel of personal scandal, a dish of pre-arranged business rumor dished up to liberate a client, or it may be founded on ignorance, on spite, on fear, on personal animosity, and the chances are ten to one that the person that carries the rumor from gasping audience knows nothing personally concerning the truth or falsity of the report—and yet he, or she, continues to gab forth with all the cock-sureness of a seer, an oracle or a personal spectator.

Senator Sheppard To Be Here Next Monday

Announcement is made that Hon. Morris Sheppard, United States Senator from Texas will speak in Lubbock Monday afternoon at 3 o'clock at the District Court Room.

FAVORITES FAIL AND DARK HORSE CHOICE IS SURE

It is suggested that after 50th ballot the low man be dropped each time, thus eliminating favorite sons and forcing a decision. It is evident that neither McAdoo or Smith can win and there is a possibility that when the break comes another deadlock will come between Ralston and Davis.

HUSBAND SHOTS WIFE WEDNESDAY

Suffering from three bullet wounds from a heavy caliber automatic and with her life hanging in the balance, Mrs. E. L. Monroe, part owner of the hotel in Lorenzo, lies in a Crosbyton hospital while her husband, from whom she has been separated for the past eight months, is being held in the Crosby county jail after surrendering to officers after the shooting.

Farm Near Crosbyton Is Scene of Trouble Between Couple Separated Months Ago

When leaving here last week Studeman gave no indication of wishing to end his life and the news came as a distinct shock to his many friends and business acquaintances in Lubbock. Nothing was announced here concerning funeral arrangements.

BROADWAY SCENE FOR OPENING GUN OF PAVING WORK

Two blocks at the extreme west end of Broadway are being torn up preparatory to the beginning of the paving work in Lubbock and the marking the lines of the opening gun in the city's large surfacing project, was the statement issued from the offices of Hawley and Roberts, paving engineers, on Wednesday.

Phenomenal Growth Is Shown By Local Building and Loan

A meeting of the board of directors of the Lubbock Building and Loan and the semi-annual statement of the affairs of that organization disclosed that it is enjoying an era of progress unsurpassed by any building and loan association in Texas.

NEW STORE OPENED

Hundreds of people attended the opening of the new Wright and Wright Hardware store, on Broadway between Avenues J and K, last night, when a number of prizes were awarded lucky visitors.

GET TOURIST PARK STOVES

A number of stove grills, made out of tin and iron, for the use of the tourists in the Lubbock tourist park, are now being made by a local blacksmithing concern and as soon as they are finished will be placed in the park.

Red Whiskey Caught When Officers Find Trio In Hotel Room

Walter Scott and T. Cooper and Bill Coover, were lodged in the county jail awaiting preliminary hearing on charges of possession of intoxicants for the purpose of sale of said intoxicants, County Attorney Owen W. McWhorter said Wednesday. When the hearing will be held has not been decided.

McAdoo and Smith Practically Out of the Running With Less Than Needed Vote

Fifty-second ballot showed McAdoo going down with only 412 against high mark of 503, Smith 329—also a decline, Ralston 93, a marked increase over his previous high mark with Davis 10.

Phenomenal Growth Is Shown By Local Building and Loan

A meeting of the board of directors of the Lubbock Building and Loan and the semi-annual statement of the affairs of that organization disclosed that it is enjoying an era of progress unsurpassed by any building and loan association in Texas.

NEW STORE OPENED

Hundreds of people attended the opening of the new Wright and Wright Hardware store, on Broadway between Avenues J and K, last night, when a number of prizes were awarded lucky visitors.

GET TOURIST PARK STOVES

A number of stove grills, made out of tin and iron, for the use of the tourists in the Lubbock tourist park, are now being made by a local blacksmithing concern and as soon as they are finished will be placed in the park.

SELF INFLICTED WOUND FATAL TO BANK PRESIDENT

E. Studeman, President Local Financial Institution, Kills Self While on Vacation

Word was received in Lubbock Wednesday morning that E. Studeman, President of the Citizen's National Bank since October of last year, had taken his own life following a period of despondency brought on by continued bad health and a recent operation.

Will Not Effect Local Bank

W. O. Stevens, former president of the Citizen's National Bank and chairman of the board of directors stated Wednesday afternoon that Mr. Studeman left the business of the local bank in excellent shape and that his death would cause no interruption in the business of the institution.

BROADWAY SCENE FOR OPENING GUN OF PAVING WORK

TO ISSUE BONDS of a county hospital, but one out of 412 persons who voted, balloted against the project. The county was 411 for and 1 against.

A Guarantee of Efficiency

A Diploma of any worthy school is a guarantee of efficiency.

Before you can say to the business world, "I am a graduate of Lubbock Business College," you must prove that you are efficient—as expert as teaching can make you.

It is that training that has established hundreds of men and women as a fixture in business.

The business man knows the value of sound training. Training makes for efficiency—efficiency makes for better business.

That is why he places them in executive positions—increases their pay.

You can prepare yourself for a bigger job by enrolling in Lubbock Business College.

It only takes a few minutes to secure full information—drop in today, or write—

Lubbock Business College

WEST TEXAS TO CELEBRATE JULY FOURTH WITH NINE PROGRAMS OF PLEASURE OFFERED

FROM MIDLAND TO CANADIAN LAVISH PLANS LAID TO OBSERVE NATION'S BIRTHDAY TOMORROW; FUN PROMISED FOR EVERYONE

The Fourth of July will be a gala occasion in West Texas if plans for its celebration already announced by a number of cities in this section of the state can be taken as a criterion. Rodeos, round-ups horse races, athletic contests, golf tournaments, community gatherings and every form of group entertainment has been planned to memorialize the signing of the Declaration of Independence some 148 years ago.

No less than eight West Texas towns and cities are planning to entertain the masses and one New Mexico city is planning for an additional program. Where the crowds will come from is hard to say, but it is certain that all of the functions will be well attended because as the saying goes, "They always are."

Lubbock to Entertain Lubbock, under the direction of the local post of the American Legion, will give over the day to entertainment at the fair grounds where in addition to the general run of athletic contests, rodeo features and fireworks the local battery of the National Guard of Texas will parade and fire a salvo of shots from their battery of French 75's and American three inch pieces. Every move possible to make to assure the success of the day here is being made by the legion men in charge of the festival.

Over at Floydada a two-day celebration will be held, running on both the third and fourth of the month. If predictions made by the Floydada boosters here last week hold good there will be an unmanageable mob on hand from a standpoint of numbers, and every form of amusement known to man will be rendered what is expected to be a record breaking crowd. In addition to the regular celebratory proceedings one of the Harley Sadler shows will be there to help make the Fourth a happy day for the visitors.

Spartanburg Lays Plans Spartanburg, in southeast Dawson county, is planning a rodeo of the old time type. Its backers are advertising for all of the wild and unbroken stock in West Texas to be brought there and they guarantee that riders on hand competing for prizes will ride anything on four legs. Many riders and ropers, famous in the cow-country of West Texas, will be in Spartanburg for the big event, the advertisements claim.

In Amarillo, on the Tri-State fair grounds track, two full days will be given over to horse racing and the money derived from the event will be given to help finance the Tri-State Exposition scheduled for Amarillo in the fall. A list of purses for the racing events have been drawn up and a total of \$1,500 has been subscribed for the owners of winning horses. The races will be harness races and will be the first to be staged in Amarillo for the past eight years. A great deal of interest is being shown in the racing program over the north plains.

Big Spring Advertiser The American legion at Big Spring is sponsoring the celebration, that city and members have advertised a large prize list for the winners of the various contests there. The regular line of athletic contests will be offered to the athletic entrants and Howard county people are expected to turn out in masses for the observance of the Nation's Birthday.

Silver Falls Lake, near Crosbyton, will probably attract a number of Lubbock people. A golf tournament, a dance, swimming and athletic contests, fireworks, music and a general good time at one of the largest bodies of water in this territory is being offered there. Judging by the crowds gathering there on ordinary Sundays and on the nights when dances are held in the pleasure resort, a record-breaking crowd should also be in attendance there on the big day.

Midland Is Ready With a free barbecue, a dance, musical concerts, a baseball game, shows and speeches Midland people will entertain the surrounding population on Independence Day. The Chamber of Commerce of that city is backing the movement in honor of the new farmers who have moved into the district in the last twelve months and several thousands of people are expected to attend. Special invitations have been sent out to inhabitants of Lamesa, Flores, Andrews, Seminole, Slaton, Odessa and Garden City but all who wish to attend are asked to be on hand by nine o'clock in the morning when the festivities will start.

Up in Hemphill county, in the Panhandle, the opening of the Canadian bridge will be celebrated. Speeches commemorating the event will be made and there will be food and music galore in addition to the dedicatory services. In fact almost every town of any size is planning for some sort of a jubilee tomorrow.

Rodeo in Las Vegas The city in New Mexico, which is expected to entertain a large and interesting crowd in Las Vegas, where the Old Cowboy Re-union will be in full swing for three days. Probably the best rodeo in this section of the country will be held in Las Vegas and many of the stars of the professional round-up game are billed as entrants in the roping, riding, racing and bull-dogging events. The passing of the old west makes the cowboy re-unions most colorful every season and never fail to attract a large number of contestants and a great crowd of on-lookers. The Las Vegas rodeo has been advertised for several weeks from El Paso to Phoenix and from Dallas to Amarillo.

With all these high class attractions pending there is no reason why the population of West Texas should not spend the Fourth of July in some form of amusement. The entertainments are provided for everyone and all that is left up to the individual is to attend any one of them.

Lubbock On Labor Day It was at first thought that Lubbock would be host to the largest crowds of the day in the celebration of the laying of the cornerstone of the first building of the Texas College of Technology but unforeseen stumbling blocks caused the corner-stone laying event to be called off until a later date. After it was over it would be impossible to stage the corner-stone laying of the administration building of the new state school a suggestion was made that formal dirt-breaking should be observed. Those in charge of the tech and directors of the Chamber of Commerce decided that one big celebration, to be held at the time the corner-stone is laid would be better than two small ones so the idea was dropped. It is now thought that the corner-stone dedication can be arranged for Labor Day and tentative plans are being laid now for the celebration on that date.

SCHOOL INCREASES TULSA, Okla. (INS)—Announcement of the \$4,950,000 Mary Clouts Burnett gift, an increase of 25 percent in enrollment over the previous session in the report recently made the past year the most outstanding in the history of Texas Christian University, according to the president of that institution.

GOOD WHEAT YIELD WICHITA, Kas. (INS)—Wheat in the neighborhood of Liberal, in southwestern Kansas, will yield from 40 to 50 bushels to the acre, according to an estimate of a Liberal grower. Prospects for a profitable crop never were better in that section than they are this year, it is said.

HUTCHINSON, Kan. (INS)—The wheat in southwest Kansas generally is in a better condition than it has been for several years, it is estimated here. The wheat is said not to have suffered much from the extremely high temperatures, except in some scattered fields.

ST. LOUIS TO CELEBRATE ST. LOUIS, Mo. (INS)—St. Louis will celebrate Independence Day and President Coolidge's birthday on July 4th and spend July 5th as a holiday, too, according to a proclamation by Mayor Henry Kiel. July 4th will be the 52nd birthday of President Coolidge, and the 148th anniversary of the birth of our nation. July 5th will be the fiftieth anniversary of the completion of the Eads bridge.

SANTA FE TO REPAIR TOPEKA, Kas. (INS)—It is estimated the Santa Fe railroad would have to spend nearly \$200,000 to repair the branch line between Medicine Lodge and Kiowa, Kas. at a hearing before the public utilities commission. Service was abandoned following wash-outs in August, 1923. Residents along the line, however, have protested the abandonment. The railroad has offered to pay \$75,000 subject to the direction of the commission for permission to drop the branch.

BAR FIRECRACKERS KANSAS CITY, (INS)—The bang of the firecrackers and the whiz of the heaven-bound sky rocket will be missing in the Kansas City, Kas. boy's program for July 4. Even the harmless sparkler may be barred. A strict interpretation of the city ordinance forbidding fireworks will be adhered to and arrest will follow possession or sale of fireworks of any description it has been decided. Several arrests have already been made.

It is often easier to keep part of what one has than to get what one has not. Alexander Hamilton

Let a Savings Account Start Your Success ALEXANDER HAMILTON, the first Secretary of the Treasury of our country and one of the signers of the Declaration of Independence spoke wisely when he said the above. It's one of the principles for a successful Savings Account. It is one of the pillars upon which riches are built. It marks the start of every great fortune in this country. And a Savings Account in this strong Bank is an assurance for the future. You may start with one dollar and follow it up with consistent deposits. You'll be surprised at its growth when combined with the interest we give.

ALL CROSBYTON OFFICIALS LAUD PARKE N. DALTON

To the voters of the 72nd Judicial District:

We, the undersigned, being all of the County Officials of Crosby county, Texas, do hereby heartily endorse the candidacy of Parke N. Dalton, of Crosby county, for District Attorney of this District.

We are intimately acquainted with his record, both as a man and as a lawyer.

He is a clean, honorable, high minded gentleman, and in every respect worthy of your trust and confidence.

As a lawyer he is unusually capable and the equal of any in this district.

He is young, active, energetic, alert, vigorous and absolutely fearless in the performance of a duty.

We recommend him to the people of this district who believe in the speedy and enforcement of the law as the type of man we need to fill this important office.

Jake M. Mabe, County Judge and Superintendent; Green Harrison, County Attorney; Jno. D. McDermott, Sheriff and Tax Collector; Edgar Allen, County and District Clerk; H. E. Smith, Tax Assessor; Mrs. Zada Jones, County Treasurer; W. T. Dunn, County Surveyor.

LUBBOCK CHURCH OF CHRIST IS TO HAVE MEETINGS

Dallas Minister Will Preach Here in Revival Services Held in August

T. M. Carney, minister of the Church of Christ on Broadway and Avenue E announces that their meeting will begin the last Lord's Day in August.

Evangelist Carney says that the church has made quite an effort to obtain the best of talent for this meeting.

Evangelist G. A. Dunn of Dallas, Texas, will do the preaching and Fra Y. Rice, of Norman, Oklahoma, will lead the song services.

It is said of G. A. Dunn that he carries more "little quotations" than any other evangelist in the Church of Christ, and is a pleasant and forceful speaker, driving his messages into the hearts of his hearers.

Fra Rice, the song leader, is an artist in his chosen field.

DEMOCRATIC CONVENTION

(Continued From Page One)

struggled single factor in the shift of the political situation. Al Smith has not been satisfied with the rooster, hootenest, fightingest bunch of supporters that ever pounded a convention floor for solid week in spite of blistered heels, but has brought into play all of the available fire whistles, sirens, mighty rotham has been able to dig from colliers and attic to add thunder to his political campaign. If his addition to our political uproar becomes a permanent part of future national conventions, delegates hereafter will have to wear ear stoppers and depend upon the sign language and the printed sheets to transact the business of the convention.

Deadlock Likely to Break Tonight

Every indication is that things will break Thursday and that the party will all be over except for paying the bill, either Thursday night or Friday. McAdoo rallied Thursday night for a second wind, and Old Al slips a few votes up and down now and then, but neither of them have ever approached a bare majority; much less the 2-3 position necessary for nomination as the Democratic Donkey rider. Tom Tazgart, the Indiana philosopher and political wit, twiddles his thumbs and el) and political thunder. William Jennings Bryan, declared politically dead lives, continues to be possibly the

LUBBOCK ELKS GO TO PLAINVIEW TOMORROW FOR BIG SPORT EVENT

LOCAL CLUBMEN HOPE TO OREVENGE DRUBBING THE PLAINVIEW BOYS GAVE THEM IN THE RECENT FIELD DAY HELD HERE; PROGRAM READY

Members of the Plainview lodge of the Benevolent Protective Order of Elks at Plainview are all set for a big day on July Fourth when members of the Lubbock lodge will journey to the neighboring city to repay the visit recently held here by the Plainview Elks. Incidentally the Lubbock clubmen also hope to repay the Plainview brethren for the way that they unmercifully drubbed them in the majority of the sports offered last by the two lodges in this city.

The Plainview Elks have prepared what they hope and what they believe will be a day of hilarity and good-fellowship which will favorably compare with, if not surpass the one given them by the boys here. The entire program for the day has been prepared as follows:

Upon arrival guests will register at the Elks home.

At noon a Dutch lunch will be served with Wm. Watson in charge.

At 7:30 in the evening a chicken barbecue, the kind which Plainview has made famous, will be served the visitors and members of Plainview lodge. W. B. Davenport is in charge of the arrangements for this event.

Throughout the day there will be sport events of various kinds.

Plainview recently trimmed the Lubbock lodge in their home town, and the rivalry in the coming meet is intense.

Big Baseball Game

Lubbock is coming back for revenge on Plainview on account of the unexpected drubbing Plainview gave them in Lubbock on June 12, when a score of 13 to 1 was piled up against the Hubbers. This game will be called at four o'clock in the afternoon, at Lamar Park.

Baseball is one of the major events, and counts 100 points on the total of 1,000. Other events of similar value are golf, billiards and gun shoot. In the latter event Plainview uncovered a wonderful trap artist in Judge H. C. Joiner, who led his squad the last time up at Lubbock.

A finance committee has been appointed by Exalted Ruler W. E. Settoon, composed of the following: Doc Hinds, W. D. Darby, W. E. Settoon, Arthur Henken, E. H. Rawden, E. B. Miller and C. D. Wofford.

The schedule of the day's events is as follows:

Game	Time	Points	Manager	Place
Golf	9:00 a. m.	100	P. E. Radolph	Country Club
Billiards	10:00 a. m.	100	Wm. Watson	Elk Club
Gun Shoot	10:00 a. m.	100	W. D. Darby	Gun Club
Bridge	10:15 a. m.	25	Bill Goudy	Elk Club
Pool	10:40 a. m.	50	J. K. Hooper	Elk Club
Cheer	11:30 a. m.	50	Roy Stocking	Elk Club
Checkers	12:20 p. m.	50	Jim Dougherty	Elk Club
Cribbage	12:30 p. m.	25	G. C. Keck	Elk Club
Dutch Lunch	1:15 p. m.		Wm. Watson	Elk Club
Quarrette	1:30 p. m.	50	Jake Burnett	Elk Club

Big Dance	9:00 p. m.		(If you get tired)	Elk Club

MISS MARSH RETURNS

Miss Mabel Marsh, Lubbock county home demonstration agent, returned Tuesday from a nine days visit in the home of her parents in Oklahoma City. Miss Marsh will immediately resume her duties in the county and is at present planning a number of demonstrations for the women and girls of this section. She is also making preparations for the coming season which will soon be at hand.

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous oil recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Dollar Day Tips

NEW AUTOMOBILE FIRM HERE DOES GREAT BUSINESS

Hicks Motor Co., are Star and Durant Distributors; Find Lubbock Fertile Field

While a comparative new arrival to the business circles of Lubbock the Hicks Motor company, distributors of Star and Durant automobiles, has made rapid strides and already has assumed a high place on Lubbock's Motor Row. The Hicks agency is located at 1212 Avenue H, with telephone number 608. It occupies a large and well fitted show room in which will be made even more improvements to add to its attractiveness.

H. E. Hicks is the manager of the company and has as his associate his son, C. B. Hicks. They arrived here about two months ago, with the remainder of the Hicks family from Mineral Wells, where they made their former home. Since coming here they have found the automobile business a good one with fine prospects. C. B. Hicks stated yesterday.

In both the Star and Durant lines the Hicks Motor company offers prospective automobile purchasers eight different models. They are glad to show in both lines roadsters, and five passengers in the open car line, and both standard and sport models, and the sedan and coupe in the closed car line, also in both standard and sport models. They offer the Star at varied prices, depending on the model chosen, in the vicinity of \$850, and the Durant, on the same basis, at approximately \$1,025.

In connection with the sale of their cars the Hicks Motor company maintains a credit system which is a boon to the prospective buyer who has other uses for his cash at the time of the purchase of the car. The easy credit plan in operation enables the buyer to take a year's time to pay for his machine if he so desires.

In addition to the handling of the Star and Durant automobiles the company maintains a parts department where a full line of repair parts for both automobiles are kept. By so doing they are extending to their patrons the opportunity of keeping their cars in good running order despite accidents, with everything they need right here in Lubbock, thus avoiding any delay in repair should the car suffer from an accident.

Because they handle the agency here for the Star and Durant cars does not mean that the Hicks Motor company will not consider a trade which involves any other type of automobile.

Should a man decide upon purchasing a new Durant or a Star, no matter what kind of a car he may be driving at the time of his new purchase the Hicks Motor company will gladly accept it on the deal. A good line of used cars are thus maintained by the Hicks motor company and they are glad to demonstrate them to prospective buyers of used automobiles.

While they feel that they are only getting started in the automobile field in Lubbock the management of the Hicks Motor company is delighted with the patronage the firm has received since it was opened here. According to a statement issued by C. B. Hicks, everything connected with the new agency is as fine as it can be and has surpassed all expectations of himself and his father before deciding to leave Mineral Wells and enter the automobile business in this city.

In the Star and the Durant cars the Hicks Motor company has two products to offer to the automobile buying public in this vicinity which, in their respective classes of cars, are top-notchers. In the low-priced car class the Star possesses all of the comforts and conveniences of a higher priced machine. Its graceful lines and well formed chassis are surpassed only by the powerful, long-life motor. The Durant in the medium-price class offers every inducement offered by the makers of high-priced automobiles and is a machine of which any owner can well be proud.

SHIP NEGROES SOUTH
ST. LOUIS, (INS)—A carload of negroes on their way south to work in the cotton fields passed through St. Louis today. The negroes were stranded in Chicago, and were picked up by the Chicago manager of a southern planter.

HOPPERS HURT CROPS
WEATHERFORD. The farmers of part of Parker county report much damage from grasshoppers. They are now resorting to bran and arsenic poison, from which they hope to get relief.

Hey! Here Is Place to Send Automobile Murderers for Good

By International News Service
SYRACUSE, N. Y. — Haiphong, Indo-China, is the motorist's paradise, says Austin O. Glass, just returned after several years in the Orient.
When a motorist is so unfortunate as to run over a man and kill him in Haiphong he pays the city \$12.50 and the affair is forgiven. Formerly the fine was but 50 cents, but officials learned that in other countries killing a person, though unintentional, is a grave matter. So the price was raised.

They Own Their Own Home

Why not you too?

Every man is the architect of his own future. The good things in life are the rewards of thrift and wise judgment—in 9 cases out of 10 a savings account is the home builder.

The rock-bottom foundation of compound interest will help erect a better and more luxurious home than you ever dreamed of—

And, if you open your home-building account here, you will have at your beck and call the comprehensive service of a strong financial institution and the personal cooperation of its officers.

Join the ranks of those who own their own homes.

BECAUSE THEY WERE WISE

Lubbock State Bank

[A Big Bank Made Big by Helping Others]

PESTS THREATEN CROPS
KANSAS CITY, Kas. (INS)—The tent caterpillar is threatening fruit and shade trees again this year. Last year many trees were almost defoliated. No tree is able to withstand defoliation year after year. This pest likes company. A great number are usually found together in the same web or tent. Consequently the damage is done rapidly.

BASEBALL!
OKLAHOMA CITY, (INS)—It's 3:45 o'clock in the afternoon. A county automobile dashes from the jail alley, sirens wide open. West on Main street the automobile plunges through traffic. Murder? No, baseball! And it starts at 3:45 o'clock.

STAGE-FAMILY REUNION
STERLING, Kas. (INS)—Members of the J. N. Adams family will come home to Sterling this summer for a family reunion, from every corner of the world, from Asia, Africa and the South Sea Isles. It will be the first reunion in years for the family. One member has sailed from Hong Kong, China, where he has been stationed as a missionary for seven years. Another member comes from Sudan, Africa, after a stay of five years. The third from Do Sing, China, and the fourth from Honolulu. All but the Honolulu member of the family are in the mission field, the latter is an instructor in the Honolulu Military Academy, in Hawaii.

CLOSE SANTA FE SHOPS
TOPEKA, Kas. (INS)—The Santa Fe locomotive shops were closed by order of Fred C. Cox, general manager, until July 14. The action was taken to conserve the working forces of the road and avoid the necessity of long lay-offs. The order will also affect such branches of the shops' organization as are directly affected by this work in the locomotive shops. The order includes shops in San Bernardino, Cal., Cebu, Texas and Shopton, Iowa. There has been a considerable stacking up in work at the Topeka shops recently and little repair work is in sight. The car repair department has been working on a forty-hour week basis for two months.

LAY PLANS HERE TO HELP COUNTY SCHOOL KIDDIES

New Plan Will Enable Country School Graduates to Attend High School in City

One of the most constructive pieces of work is being undertaken by the County School Board of Lubbock county and plans are being worked out to put it into effect with the coming school term. The rural schools of Lubbock county are doing good work. They are recognized throughout the state for the standing of their graduates, the class of buildings and type of equipment used, and the strength of teaching personnel. But until good roads are completed school districts consolidated and increased enrollment makes the expense justifiable the high-grades cannot be profitably taught in the rural schools.

The students completing the rural school courses are ready for two or three years more in the High Schools of this city and the School Board plans to act as a go-between in finding homes in Lubbock where worthy students can earn at least a part of their board and keep by helping around the house, at the store or doing whatever kind of work that may be available. The County School Board will maintain close supervision over the work of the students, assist in getting them placed in good homes and generally foster the worthy plan.

The citizenship of Lubbock is invited to take advantage of this offer of service on the part of the school board. If you can use a boy or a girl around-out-of-school-hours, or down at the house, to look after the children, store, you will be doing a piece of constructive work that will be worth while and at the same time get more than value received. These boys and girls will not be servants—but will be one of the family through the school term earning their board and room by working out of school hours and enjoying the broadening influence of being associated with new people under new conditions.

Let's all work together for the success of this constructive plan.

SHEAR LITTLEFIELD SHEEP
LITTLEFIELD. — Shearing of the herd of some 12,000 sheep on the Yellow House ranch is in progress. This work is now done by machinery, with Mexican labor. An expert can shear 150 sheep in a day and they get pay by the head. The wool is of splendid quality this year and is averaging about ten pounds to the head.

MAY BUILD SUGAR FACTORY
TOPEKA, Kas. (INS)—Officials of the Garden City Sugar Beet company are studying the acreage of sugar beets planted around Larned in Pawnee county. Plans for the erection of a factory at Larned are being made contingent upon the acreage in that locality warranting the building. Larned now has 600 acres planted to sugar beets.

WHEAT LOOKS GOOD

LIBERAL, Kas. (INS)—Wheat over Seward county, and the north half of

Sevier county, never looked better than it does this year, according to a very few fields are showing us in an unfavorable manner, due mainly to lack of seed bed preparation or late sowing.

EQUAL RIGHTS!

CHICAGO.—Equal rights for women took another step forward here today when the Illinois Central Railway attached to its St. Louis-Chicago daylight special a lounge and smoking car for women. They may smoke there to their hearts' content without fear of intrusion from men, railway officials stated. The car will be a regular part of the train in the future.

PROGRAM IS READY

GEORGETOWN.—Final arrangements of the program for the Old Settlers' Association reunion to be held at Round Rock, July 12 to 21, inclusive, were made here today, when all committees were in session with the president, Col. James H. Paulson, of Leander, and the executive committee. Among the speakers who are to appear on the program are Joseph Weldon Farley of Dallas, George Waverly Jirjins of Dallas; Ike D. White of Austin and T. W. Gregory of Austin. The reunion this year gives promise of being the largest in the history of the association.

ON THE SQUARE

- Dr. Krueger has a new Chrysler roadster.
- Forty-seven dozen tourists are passing through Lubbock.
- Lubbock needs a man's barber shop.
- Jones Bros. have a dressy front on their new store.
- J. O. Smith is still playing Drug Store golf.
- A. B. Davis is pushing the Fair these days. Help him.
- The first band concert was a dandy.
- Crowd of men hotly discuss campaign issues on Avenue I.
- Bill collectors! Bill collectors! July first, Gee!
- And still the medicine show rages on Avenue I.
- Doc Sam Stewart seen at Bowen's Drug store.
- Mrs. Jewell Hall has her hair bobbed.
- The County Park has the new tourists stoves.

FARLEY MATCHED WITH OLSON FOR FOURTH OF JULY

Pride of Amarillo and Lubbock Grappler Will Meet Fourth Time in Amarillo Friday

As a part of the Fourth of July celebration in Amarillo, Charles Olson, of Lubbock, "The Terrible Swede," will meet Cal Farley, champion of the United States Army in a wrestling match, to be held in the Fair Theatre in the neighboring city, according to an announcement made by Olson himself recently. The match to be held in Amarillo Friday night will mark the fourth meeting of the two men, who are recognized as the best grapplers in this section of Texas. Olson and Farley, the Pride of Amarillo, in their previous meetings have battled twice to a draw and one time, their last meeting, Olson succeeded in pinning the former soldier's shoulder to the mat twice during the match, thus gaining a victory. The first time the two were brought together was in

1920, in the city of Winnipeg, Canada, while the other two encounters both took place in Amarillo. Olson Well Now Olson is rapidly regaining his strength after an attack of illness which made it impossible to fill his recent engagement here with "The Terrible Dan," of Hereford. "The Terrible Dan." The hot weather recently experienced here has been a big handicap to the northerner who is more used to the temperate summers of Canada and the northern part of the United States. However, all week Olson has been in training for his Independence Day match and expects to be in top condition when he enters the arena with the "Pride of Amarillo." A dance was held at Littlefield last night. A number of local persons attended it.

Station-to-Station Calls Cost Less

When you ask Long Distance to get a certain telephone number in a distant city and, when connected, you speak to any one at that number, you have made what is described as a Station-to-Station call.

That is, on a Station-to-Station call do not specify a particular person to be reached, but give only the number of the telephone or the name or address under which that telephone is listed.

A Station-to-Station call costs less than a call for a particular person because less operating labor and less circuit time are required than if a particular person has to be located and brought to the telephone.

Charges can not be reversed on Station-to-station calls

SOUTHWEST BELL TELEPHONE COMPANY

COUNTY IS RICH
WICHITA, Kan. (INS)—Sedgwick county, ranking at the top of all the Kansas counties in property valuation, and second only to Wyandotte county in total valuation, reported the lowest fire loss of any county in the state for the month of May, according to the report of N. E. Scott, state fire marshal. The total loss in this county during May was only \$126 against a total loss for the state of \$418,672. The fire marshal's report shows that Brown county suffered the greatest aggregate loss of any county, with \$79,991.

AUTO BEGGERS FOUND
LYONS, Kan. (INS)—A new class of beggars have appeared in Rice county. The chief of the tribe generally drives a forsaken looking old car, and has a habit of stopping at a farm house along the road and asking for the loan of a quart or a gallon of gasoline claiming he had just run out and would like to get enough to get to the next town. One farmer trailed one of these fellows and counted that he stopped at five places in two miles and "borrowed" gasoline. By the time he got to town he had a full tank of gasoline. Steps are being taken to check this form of begging.

TEETH FOR OLD MAN
PONCA CITY, Okla. (INS)—Two brand new, well formed molars, where there has been no sign of a tooth for many years, are cutting in, one in the upper and one in the lower left jaw of T. J. Helm, 86-year old resident of this community. The two teeth appear to be well formed and like the average tooth that comes after the baby teeth come out in most persons at about six years of age. Helm cut his second set of molars about 80 years ago and used them until they came out several years ago.

Rural School Notes

W. M. PEVEHOUSE

The question that is confronting many of the rural communities today is whether or not we can continue to have an eight months term and keep the standard of the school up to the present standing, without voting on, and passing, into an Independent District. Now this is a very delicate question. Many people have the idea that the result of a community voting themselves into an Independent District means more taxation. Sure, that is correct. The very purpose of Independent Districts is to have the school affairs in the hands of the trustees that they may raise the valuations of the property, and thereby obtain more money for the school and less for the state and county. The proposition is very plain to most people. If you want school of a certain type and length of term then an Independent District will bring it when a common district will not. Do not misunderstand me. I am not trying to push the case. I am attempting to explain it to you that you may be able to vote like you desire, having studied the proposition thoroughly. It is an established fact that when our communities settle more thickly, that the valuations of the land, must necessarily be raised by the Commissioners' Court. If we are to keep up the standard of the school, have eight months' terms and pay teachers in the neighborhood of the same salaries as are being paid today, this must be done, to satisfy the majority, is the big problem. Every common district in the county has the dollar rate, which is the state limit, and is on the \$12 county valuation as established by the court. When a district like Eldorado, Woodrow, Acuff, McClure, grows to such extent that the one dollar rate on \$12 land will not pay current expenses, interest and sinking fund, and have sufficient money left to pay teachers as today, then cheaper teachers and much shorter terms must be had, especially if State Aid is discontinued. Remember now, it is not my place nor my intention to attempt to try to dictate, or even persuade or convince you what is best for you to do in your particular community. I am just writing on the question of the future of our Rural Schools. We all know that in East Texas, the term of school is about five months on an average. Many-run-few run seven. Practically none extend over a period of eight months. If we are to escape that condition here something must be done. The time to do something is before we are already in deep water. Therefore, I am taking the liberty to discuss the problem here. Did you ever know of a city, even a small town, trying to get along with their public school system on the same figure as the common district does, taking the county valuation rate? I think you have not. But cities and towns have nine months schools. Yes, sometimes money is short, and they close on eight months. The thing is, will you be satisfied with a six or seven months' term, and with poorer teachers, rather than to tax yourselves to have the system as it is today perpetuated? If you are caused to think seriously on the proposition, by having read this little article, then my mission is performed. I am not trying to convince you. I am trying to explain the situation, and then leave it to the communities to adjust themselves to the conditions. We are taxed to death in the usual statement. Yes, taxes are high, but educating a generation of children is an enormous task. Somebody has to pay for all the education that anybody gets. Think it over. An Independent District is desired, if you want to tax yourselves for better schools.

Goodman was assisted by Miss Huff and Mrs. Paul Morgan, pianists, who added much to the success of the evening, through their efforts. The proceeds which were highly gratifying, go to the benefit of the Orphans Home.

DICKINSON TO BOSTON
 Elyon C. Dickinson, an official of the local Elks Club, left Tuesday for Boston, Massachusetts, where he will represent that organization in the National Convention to be held there this week. In addition to being an officer in the Elks club Dickinson is also president of the Junior Chamber of Commerce.

ROPEVILLE C. C. MEETS
 A large and enthusiastic crowd gathered at Ropeville on Monday night when the Chamber of Commerce, a new organization in that community, held a regular meeting. In addition to the Ropeville men present A. B. Davis, secretary of the Lubbock Chamber of Commerce, and D. F. Eston, Lubbock county farm agent, were in attendance. Both local men appeared on the program which was interesting and beneficial.

TRADES DAY ENJOYED
 A large and enthusiastic crowd attended the candidates and Trades Day held last Saturday at Dalou. Every candidate was present and all were introduced. The speeches of the day

were delivered by George Bean and Clark M. Mullican, of Lubbock, candidates for the office of District Judge. Dalou holds these trades days every month and has great success in drawing crowds to the city.

NEW BOOKS RECEIVED
 Eighteen new books, all of the fiction type enjoyed by adults, have been received and placed upon the shelves of the Lubbock Public Library in the last week, Mrs. J. J. Spangler, librarian, said yesterday. According to Mrs. Spangler the library continues to be popular and a great number of books are being loaned to subscribers every day. More than one thousand Lubbock county people are members of the library at this time.

Are You Building a Home---or a House?

To Build a Real Home, Not Just A House, Takes Skilled Carpenters Plus Good Dependable Lumber

Leave one or the other out and you will not have a home that will last for a life time. Inferior labor or poor lumber builds a house that very shortly becomes a liability—skilled labor and good lumber erects a home—not a house—that is truly an asset on any man's books. Lumber is the backbone of every dwelling—good lumber must be used

ed to secure a substantial home. Build your home with lumber—weather seasoned—sun dried—nature treated—free from knots. Then winter's snowy winds—spring rains will leave no visible tell-tale marks. It is no wonder that discriminating architects—well known builders—recommend Higginbotham - Bartlett lumber every time to home builders—it's good lumber.

HIGGINBOTHAM-BARTLETT LUMBER COMPANY

Ask the Man Who Knows--

South Plains farmers have found an ideal feed for all animals on the farm. The results have shouted the loudest endorsement for Lucko Mixed Feed, manufactured in Lubbock by the Lubbock Cotton Oil Company.

Each 100 pound sack contains 20 lbs. of Cotton Seed Meal and 80 lbs. of Hulls, thoroughly mixed by machinery. This makes a well balanced ration which when fed to milk cows will increase the quantity and quality of milk and butter. Ask the man who feeds it.

LUCKO MIXED FEED has been proved the ideal all round feed. Start feeding it today and watch the results.

Hubtown Strollers Delight Crowd

To say that Tuesday night's performance was a good one is to put it mildly, for seldom has Lubbock been favored with local talent that was as highly appreciated as were the "Hubtown Strollers."

The program opened with Colonial music and the melodies of of long ago were rendered by some of Lubbock's finest artists. Mrs. R. E. Karger, Mrs. S. H. Stewart and Mr. L. M. Brooks were the popular soloists of the evening. Mrs. Dr. Staros ably led in the ensemble numbers. The violin number by Miss Mary Mendor and Mrs. Jarrott were well received by the audience.

"At the Movies" a short sketch of the snappiest and cleverest bits of entertainment of the evening. Miss Margaret Smith and Ross McWhorter carried off their parts to perfection and were well supported by the clever acting done by Dudley Farrell and Misses Laura and Mildred Street.

"Suppressed Desires" a clever two-act play was the feature of the evening. The action of the play was quick and not a dull moment issued during the entire two acts. Mrs. William D. Green played the leading role, with Harold Griffith playing opposite. Both these artists did unusual work in the portrayal of the heavier parts of the play, while Miss Vernon Brown won many honors in her interpretation of the young and vivacious sister.

One of the dainties and most appreciated offerings of the evening was the "Sick Doll" which Mrs. Sid Wells showed marked ability and with Misses Mary Mendor, Katherin Atkins and Laura and Mildred Street, delighted everyone. The specialties, quartette numbers by Dyess, Peak, Penn and Dyess added another good number or two which was well received.

To tender honor to those who in the various roles deserve it and to say that the people of Lubbock are behind all worth while local talent performances which achieve a success as marked as they enjoyed, would be to leave unaid something of importance. To Mrs. James H. Goodman goes many honors and appreciations for the splendid way in which she, as director, planned and carried out the entire performance. In her work Mrs.

There's Art in Bobbing!

It's no longer a question of snip, snip, and it's off. Particular women now demand that the hair which remains, form a becoming frame for the face and gracefully outlined head. That's where "art" comes in, for there are as many styles of bobs as there are bobbed haired girls and women. Each one is an individual problem. Now you have the reason for this new shop in Lubbock. It is the finest one west of Fort Worth. This shop is equipped with five handsome chairs, a Marinello Beauty Parlor containing four booths, permanent wave machine, hot air dryers, violet rays and every accessory obtainable. All that particular Lubbock women desire in this line can be accomplished by a weekly visit and small sum well spent at—

FROM THE HOUSE OF

DEMPSTER

The Dempster No. 11 Windmill

We point with pride to the Dempster No. 11, "The perfect Wind Mill," Self Oiling, Self Aligning, sure regulating, the result of forty years of windmill study and construction. The No. 11 is every thing the name implies, a mill with every working or frictional part deluged with oil, by action of the mill itself. At every stroke of the mill oil is poured over every bearing surface, insuring perfect lubrication and great length of service. This self-oiling feature could not be accomplished if the oil, as it covered the bearings became mixed with dust or any other gritty substance, or if the rain were allowed to beat in. The mill must have clean oil. In the Dempster self-oiling mill the oil reservoir with its sheet steel cover, absolutely encloses the working parts of the mill in a dust-proof and weather proof housing, thus keeping the oil always clean. The Dempster No. 11 has three self aligning, removable bearings, an adjustable shoe type brake and a self-aligning ball bearing turn-table. If you now have a wooden tower you will appreciate the fact that the mill needs no stub tower. Write us, giving the name of your nearest dealer and let us tell you more about this self-oiling, self-aligning, sure regulating windmill, mounted in both wood and steel.

Rigid 'Sprung' Leg Steel Towers

From a mechanical standpoint, the "Sprung Leg" Tower is from 15 per cent to 20 per cent stronger than the tower with straight corner posts.

By using the "Sprung" construction we are able to come straight down to a point a little below the platform with the corner posts, thus giving us more room between the wheel and the tower. From the platform down to the anchor post, the tower is sprung, giving a wider spread at the base of the tower and a greater distance between the corner posts at the base than is possible to obtain with any other construction.

The corner posts made from 2x2, 2 1-2x2 1-2 or 3x3 inch angle steel, cut to length and punched to length by a process in our own plant before they are galvanized, obviating any chance of the galvanizing becoming broken or peeling off. Cheaper than wood. Looks better and is better and lasts forever.

The Mill Without An Equal

Galvanized Sheet Iron WELL-CASING

The Dempster sheet steel screw joint casing is made 5.30" joints to a length, so constructed that they may be screwed together like pipe. For the shallow water belt this type of well casing will effect a considerable saving over the heavy iron casing. It has been used for many years and has given perfect satisfaction. Carried in 4", 4 1-2", 5" and 5 1-2"—22 gauge steel.

Complete Stock In Lubbock

A complete stock of Windmills, Pipe, Casing, Sucker Rods etc., is carried for us in Lubbock by the Montgomery Transfer Co. Orders may be sent direct to them or to our Amarillo office. In either case you are assured of the quickest service possible. We also handle gasoline and oil engines, storage and stock tanks, a full line of plumbing and heating material and water supplies for farm, ranch or city homes.

Clip this coupon and mail it to Dempster Company of Texas, Amarillo, Texas, and you will receive a beautiful colored folder with full particulars, also giving you the name of your nearest dealer.

Fear For Shortage Of Harvesters For Kansas Wheat Crop

KANSAS CITY (INS)—Unless men commence to apply for work in the Kansas harvest fields shortly, a serious shortage of harvest hands is likely to occur.

That was the gist of information made public today by those in charge of the United States Farm Labor division's booth at the union station.

From various points in Kansas, it is said, requests for hands have been received. Many farmers have reported that, with their crop ready to harvest, they have not the necessary number of men to adequately care for the work.

This situation is in direct contradiction with previous statements to the effect that help is plentiful, but work scarce.

Only 194 men left Kansas City for the Kansas wheat belt yesterday. Of that number Hutchinson and Salina got an equal share.

KILLS HUGE RATTLER
SAN SABA — Donovan Brazill of Bend, aged 12, brought to the county clerk's office Thursday rattles from a huge snake killed by his father. The snake measured about nine inches around. Young Brazill was under the impression that there was a bounty on rattlesnake rattles and came in for his reward.

PERMANENT WAVE FOR MEN COMING?

MISS GRACE COMERFORD & RUDOLPH MARINELLI

Miss Grace Comerford is shown in New York adding a permanent wave to the hair of Rudolph Marinelli, European actor. It begins to look like permanent waves will soon be all the rage for men. The Master-Hairdressers' Association is soon to convene in New York, when the fateful edict will issue.

RED SOX AND TIGERS WILL BEAT YANKS TO PENNANT, EXPERT SAYS

CUBS AND DODGERS MAY MAKE MCGRAW LOOK FOR COVER IN OLD CIRCUIT BEFORE SEASON IS OVER, TOO, SPORT SCRIBE BELIEVES

BY ARTHUR STREWE
International News Service Staff Correspondent

NEW YORK—Watch the Tigers and the Red Sox in the American League and the Cubs and Dodgers in the National League.

These four teams are knocking at the pennant door and have so persistently stuck on the trail as to make the path of the Yankees and the Giants to a fourth pennant a very thorny one.

For some time the Red Sox ran neck and neck with the Yankees. Then they faced the Tigers in a disastrous series, and now it is the team from Jungletown which is ready to jump on the Yankees' neck. Both Managers Cobb and Fohl have urged their charges on and have taken advantage of every slump made by the leaders.

True it is that the Yankees have been hampered by injuries to their stars, interspersed with mediocre pitching by their "aces," but the alibi is taken with a grain of salt by local

fandom. The fans opine that the Yankees were heralded as being in a class by themselves, and they do not relish the idea of seeing the team holding on to the lead by a short thread which may break at any time.

The Cubs have been welded into a strong machine by Manager Killifer. With a few older heads in the line-up, Killifer has taken hold of a team of youngsters and they are today playing the best ball of any team in the National League circuit. The Cubs have gone into the lead several times in the last fortnight only to drop back again, but they are close enough to worry the leading Giants. The Dodgers, strengthened considerably by Manager Robinson, have been playing first division baseball and are ready to take a forward leap should the Giants and Cubs falter.

One hope has cheered the Giant rooters. The fact that McGraw's pitchers are going through the full nine innings with more regularity than they

have since the season opened has kindled the spark of hope that the McGrawites may come through with a fourth pennant.

Anything may happen in baseball, however. Early in July the Giants must make their second swing through the West and if they do not play better ball than they did on their first trip it will be good-by for the lead.

The Yankees also found the going hard against the Western teams on their recent journey to the land of the setting sun, losing a majority of their games and they must do better against their adversaries in the coming East-West series, or they likewise will follow the Giants on the downward path.

Nothing is certain in baseball. The race in the American League is much closer than that in the National, with seven teams having a look-in and only about half a dozen Athletics, in the cellar position, could make the race tighter if they staged a winning sport.

APPOINTED BY BANKERS
HOUSTON—P. C. Rehrasser of the Union National Bank has been named district chairman of the committee on public education, a new department of the American Institute of Banking.

MAN FOUND DEAD
DALLAS—A man believed to be Frank Richter, a baker of San Antonio, was found dead in his room here early Saturday. Police were told the man occupied the room for about three weeks.

Famous Artist Gets Arrested by Kansas Country Constable

LARNED, Kas. (INS)—James Montgomery Flagg, the artist, who is now on a honeymoon trip to the Pacific Coast by automobile, paid a short visit to this city this last week. Mr. Flagg was met when he stopped at a local garage by Sheriff Zook, who informed him he was wanted for passing a worthless check in Great Bend. Flagg told the sheriff who he was, and was somewhat taken aback when informed the sheriff had never heard of him, and that he answered the description sent him from Great Bend.

A check on the description, however, soon showed Flagg was four or five inches too short, and he was released. Mr. Flagg said he was mortified at the ignorance of the officers of the law, and endeavored to say "funny" things. He apparently had dread in the eastern papers, that the "so-called hick" constable is supposed to "fall for." Mr. Zook does not wear the proverbial chin whiskers, he does not don the white linen duster, attributed to his calling in the movies and he does not wear a large shiny tin star. These matters were subject for comment on the part of our friend Flagg.

NEW WEEKLY PAPER
HOLDENVILLE, Okla. (INS) — It is reported that a weekly newspaper is being installed at Sasakwa.

You Can't Go Wrong on an ELGIN

THE CAREFUL watch buyer prefers an Elgin! The accurate, time-keeping service, the reliability, and the integrity of Elgin Watches have been universally established through many long years of successful performance.

In purchasing watches, jewelry, or silverware, you will find it economy and good judgment to select from our offerings and be confident that you are receiving dependable merchandise and good value.

FIRST BALE IN
HOUSTON—The first bale of the 1924 cotton crop, grown by Juan Diaz and A. Bentsen of the Mission section of the Rio Grande valley, was sold at auction today on the floor of the Houston cotton exchange, bringing \$1404, more than \$100 over the price paid last year. It was bought by J. M. Edel and company. The bale weighs 435 pounds and grades strict low-midling.

DENTON BOY DROWNED
DENTON—Oswley Hawk, 14, son of J. C. Hawk, of Denton, was drowned shortly after 4 o'clock Sunday, when a boat in which he and companions were riding capsized in Club Lake, a swimming resort just southeast of the city.

Efforts of companions to save the youth, who could not swim, were unavailing. The body was recovered within a short time.

FIRE AT CANYON
CANYON—Gas tank inspection with a lighted match was disastrous for Ruy Cantrell, Tulsa youth, here Saturday night. His automobile was destroyed and Johnson's filling station was damaged by the flames before fire fighters could quench them. Cantrell was unconscious at a late hour yesterday.

It was not learned which of the party of four in his car lighted the match.

M. A. Jackson transacted business in Lamesa on Tuesday.

W. M. PEVEHOUSE SAYS

I wish to have it distinctly known that I am running for superintendent of Lubbock county schools strictly upon my record in the office during the time I have been successor to Judge Haynes and upon the record I made during the time I was a teacher in Lubbock county's school system.

I also wish it known and understood that I am not the candidate of any group of voters, of any clique or any clan, either pro or anti, nor have I ever belonged to any such organization, but that I am running upon my own personal qualifications.

I feel that I can point with pride to my record as your county superintendent in the same way I can point with pride to my record as a teacher in the system and if, taking into consideration my knowledge of the work you feel that you can conscientiously vote for me I respectfully solicit your support in the Democratic primary to be held on July 26, 1924.

(Signed)
WILLIAM M. PEVEHOUSE
